guanlin: is everything ok?

jihoon: no
jihoon: not really
jihoon: jinyoung...

jisung: Jinyoung...?

jihoon:
jihoon: after school today, me jinyoung and daehwi were meant to meet up
jihoon: before i got out of school, daehwi texted me sounding really desperate
jihoon: i rushed to where he was and we found jinyoung
jihoon: there were..
jihoon: loads of people our age in a different uniform
jihoon: he was in the middle of them all being laughed at
jihoon: i saw him crying so one thing led to another and i...punched a kid
jihoon: daehwi dragged jinyoung off and i like..ran.
jihoon: i'm home now though

jisung:
jisung: God...

guanlin: are you okay???

jihoon: i mean
jihoon: i have more bruises than i have friends at the moment
jihoon: but other than that i'm fine
jihoon: jinyoung's the one i'm worrying about

daniel: is he doin ok?

jihoon: idk.
jihoon: we got him to stop crying and then we walked him home
jihoon: i have no idea about who those people were or what they wanted from him
jihoon: we're waiting to hear from him still

jihoon: if you don't mind me asking.

jinyoung: people

daehwi: ... people?

jinyoung: classmates
jinyoung: from my last school.

daehwi: oh.

jihoon: what?

jinyoung: .

jinyoung: i moved here to get away from my last school
jinyoung: i didn't really...
jinyoung: get on well with anyone there

daehwi: really?
daehwi: you're such a likable person though!

jinyoung: i wasn't
jinyoung: i tried too hard
jinyoung: and acted too weird
jinyoung: so i became an outcast
jinyoung: it wasn't too bad because i got used to it

jihoon: ...

jinyoung: i don't know why they started saying awful stuff to me
jinyoung: or why they'd hit me sometimes
jinyoung: they just did
jinyoung: and it was my issue to get used to
jinyoung: my parents found out because I came home with all my stuff ruined + a big bruise
jinyoung: then they made us move houses
jinyoung: hence why i'm here now

daehwi: thats awful though....

jinyoung: i guess so
jinyoung: they found me through twitter somehow
jinyoung: and i suppose i got followed here
jinyoung: i purposely skipped school so i wouldn't run into any of them
jinyoung: i'm sorry about missing the week though...

minhyun: Even now, I think he's crushing on one of his hook ups...

jihoon:
jihoon: shit dude

minhyun: It's been weighing down on me for a while, all of this.
minhyun: Because he'll hook up with someone one day and the next he'll flirt with me?
minhyun: I just wish I understood what was going on in his head.
minhyun: That, and I wish I wasn't so...in love with him.

jihoon:
jihoon: again, shit dude
jihoon: it isn't my place to tell u wtf is going on with jaehwan rn

jisung to: jihoon. - 4:03pm.

jisung: Jihoon, can we talk?

jihoon: mhm sure hyung
jihoon: what's up

jisung: I should be asking you that
jisung: I'm really worried about you
jisung: I've always been, since you started skipping school again before
jihoon: oh

jisung: You're one of my closest friends Jihoon
jisung: And I feel uneasy knowing you aren't ok
jisung: Or, at least, not talking to anyone about how you feel
jisung: That person doesn't have to be me but all I want is for you to open up to someone at the very least
jisung: Really, Jihoon

jihoon: ...

jisung: Sorry, I loaded a lot onto you there
jisung: Are... you ok?

jihoon: no

jisung:

jihoon: oh hyung
jihoon: everything is going so badly
jihoon: this might be long so srry

jisung: That's fine :)
jisung: Say as much as you like. I'll listen

jihoon: ok where to start
jihoon: jinyoung and daehwi
jihoon: i liked jinyoung frm when i first met him n i knew he'd never like me back but that never changed my feelings
jihoon: and that sucks because hes so sweet and overall such a lovely person
jihoon: his voice is so deep but it goes rlly high!! when hes talkin abt something he likes
jihoon: i had hella feelings for him but then!!! me and daehwi became friends properly n i started realising that he isn't a shitty person or bad as i thought
jihoon: hes always been cute but i started gettin attracted to the things hed do and him? he has a heart of gold when it comes to the ppl he loves n thats such a sweet thing but ive ended up likin him even more than i did before and its fucking stressful bc hey!! things dont go right for me ever

jisung: 

jihoon: but then me n daehwi kissed?? fully made out fr like 30 secs n now my feelings are all ???? bc i like BOTH of them?
jihoon: all i wanna do now is fr all my feelings to just go away n everythin else to fade
jihoon: these stupid crushes, my life, skl, my parents
jihoon: jinyoung n daehwi would b perfect for each other so kaybe theyll end ip together n be happy bc its what they deserve
jihoon: i want them to b happy, u all to be happier, my dad to stop screaming at me n remindin me im a fuckin failure, skl to be easy n to restart w absolutely no reputation?
jihoon: but thats never gonna happen bc its me were talkin abt, ill probably just end up drinkin it away as hyeop tries to give me actjtal advice that i ignore out of guilt and then cry abt it all lol
jihoon: idk.
jihoon: i overshared srry

jisung:
jisung: No, this is what I wanted.
jisung: For you to open up
jisung: A lot of this... is really worrying

jihoon: yep
jihoon: ill explain if u want me to
jihoon: just ask

jisung: Your family
jisung: You never talk about them

jihoon: ah ik
jihoon: its just me n my parents @ home since my older bro moved out n all
jihoon: its not the best here anyway so lucky him

jisung: Are you safe there?

jihoon: yh
jihoon: i don't get hit if that's what you're askin

jisung: The shouting part worries me the most though.

jihoon:
jihoon: tbh, its my step dad
jihoon: hates me actin up so he says all this shit to get me to change my ways
jihoon: my mum hates him sayin it but we cant do anything
jihoon: it just stresses me out when im called useless bc i end up believin in it

jisung: You aren't useless though, at all.

jihoon: thanks hyung
jihoon: im still trying to believe that
jihoon: since my mood goes from im shit to i am THE shit u kno
jihoon: idk what else to say abt that

jisung: Does anyone else know about this?

jihoon: hyeop n daehwi
jihoon: now you
jihoon: idk what to say now

jisung: If it gets worse or you feel like you're being pushed to the edge, please contact me
jisung: I don't mind if you just shout at me or something, just don't be alone :( 

jihoon: yeah, i'll contact you
jihoon: i promise

jisung: Thank you Jihoon
jisung: Can I ask about the Jinyoung and Daehwi issue?

jihoon: yeah

jisung: Have you and Daehwi talked about what happened?

jihoon:
jihoon: kind of?
jihoon: we both said it was a mistake n moved on

jisung: You're crushing on him as well though...

jihoon: yh
jihoon: but i dont think he likes me
jihoon: it was just a drunken mishap you know

jisung: Things like that don't just happen for no reason

jihoon: they do

jisung: Not when one of the people involved likes the other person.

jihoon: i guess
jihoon: but he doesn't like me

jisung: Have you asked?

jihoon: .....no

jisung: Then that's what you need to do
jisung: Talk it out with Daehwi because it's clearly making it worse, not knowing what it meant
jisung: It'll be awkward but it needs to be talked out
jisung: Who knows, he might be feeling the exact same fear about it like you

jihoon:
jihoon: yeah
jihoon: you're right

jisung: ... You're probably going to have to tell him about Jinyoung as well

jihoon: i plan on it
jihoon: i think me keepin it in has made things shittier
jihoon: so i gotta talk it out!!!
jihoon: ty for this hyung
jihoon: if i need more help, ill come to you

jisung: Ok :D

jihoon: ily jisung hyung

jisung: I love you too Jihoon ( 〜▽〜 )
woojin to: jihoon. - 6:35pm.

woojin: heyo
jihoon: hi
jihoon: we rarely text, what's up lol

woojin: i only talk to you in person™
woojin: but i have to talk to you pretty seriously here

jihoon: oh
jihoon: what's wrong?

woojin: sigh
woojin: tbh i shouldn't be doing this but i've just finished on the phone with daehwi
woojin: ik you and him kissed on friday
woojin: i'm not sure what's going on with you but daehwi is pretty torn up about it
woojin: sorta. meant a bit more to him than just a drunken mishap

jihoon:
jihoon: oh

woojin: i'm hoping you didn't see it that way
jihoon: i thought that's how he saw it?

woojin:
woojin: christ you're both misunderstanding
woojin: can you talk to him about it?
woojin: when you're ready, i mean
woojin: i really hate asking this because it really isn't my place but
woojin: daehwi's my bff and i don't want him sad over this bc idk what he'll do
woojin: you're also a friend of mine, so i'm praying this convo is inspiring you to talk to daehwi

jihoon: i was planning to already aha

woojin: really? i typed out all of that for nothing

jihoon: no, it helped
jihoon: i've been panicking on how to ask so this kinda helped calm me a bit
jihoon: knowing he's worried too

woojin: you'll do fine
woojin: i think you're both thinking the same on a lot of things
woojin: more than you know
woojin: just message him when you can, ok?

jihoon: i will
jihoon: thanks woojin
woojin: anytime jihoon
woojin: hope it goes well :P

jinyoung: because i couldn't be around you two anymore
jinyoung: i know you're both dating and that's the announcement you were about to reveal
jinyoung: but i can't stay by your side or as friends if you're dating each other because it'll hurt me too much to see
jinyoung: because
jinyoung: i'm so in love with both of you and i won't be the one to put down your relationship because of my own stupid feelings and insecurities
jinyoung: ever since i met you both, i knew i felt more than just friendship and i feel so guilty and sorry to you both

daehwi: jihoon
daehwi: i think we need to talk to jinyoung

jihoon: yeah
jihoon: i was thinking the same thing
jihoon: he's got us blocked tho :/

daehwi: ik

daehwi: but i spoke w hyungseob and woojin yesterday abt what i could do abt it

daehwi: if he's blocked us on twt and kkt then the only thing we can do is like

daehwi: actually go to his house and talk it out there

jihoon:

jihoon: idk where he lives

daehwi: i do

daehwi: we can go tomorrow?

jihoon: is that ok though?
jihoon: what do we say?
jihoon: what if he isn't there?
jihoon: what if hes not alone??
jihoon: god what if he doesn't even want to see us

daehwi: 1) we tell him everything, duh

daehwi: 2) we just try the next day

daehwi: 3) i mean. his parents seem accepting already if that's what you're getting at

daehwi: 4) no matter what, we gotta tell him

daehwi: him possibly hating us won't make us not do that

jihoon:

jihoon: how tf are you so calm

daehwi: hyungseob and woojin talked it all out w me

daehwi: woojin's pretty good at putting things into perspective and calming me down

jihoon: oh
jihoon: if you're confident in this then let's do it

daehwi: really?

jihoon: yeah
jihoon: let's go and talk to jinyoung about this
jihoon: in person this time

daehwi: :D

daehwi: i'll tell you tmrw when we should plan to go?
daehwi: his house is only a 20 min walk from mine

jihoon: yeah
jihoon: just worried he won't be able to answer for some reason

daehwi:
daehwi: idk if anyone else will be there tbh
jihoon: i could always attempt to get him to unblock us
jihoon: just to tell him we're coming over or something
jihoon: it feels weird to just barge in lol

daehwi: yeah, you do that
daehwi: see you tomorrow jihoon!

jihoon: ok :P

jaehwan: me @ my ears

jaehwan: Ō P E N Ō S E S A M E

jihoon: im changing my mind

seongwoo: both of yall shut it

seongwoo: jihooon SPILL IT

jihoon: right

jihoon: where do I start

jisung: You went to visit Jinyoung with Daehwi, right?

jihoon: yeah

jihoon: we wanted to explain evrything up front n in person

jihoon: thankfully he didn't shut the door on us

jihoon: i mean... he almost did

sungwoon: lmao #rejected

jihoon: anywhos

jihoon: he let us in n we just sorta sat in his living room

jihoon: very homely house btw
jihoon: he was kinda like "so...are u 2 here to cut off the friendship in person?"
jihoon: then i realised hed been cryin and my heart just went :( 

guanlin: D:

jihoon: we were immediately like "nono thats not it at all!!" n then we talked
jihoon: like "actually we both like u!!" which was intense
jihoon: he thought we were joking n had a whole rant abt how that would be impossible even tho it's not!!
jihoon: we talked deep shit for a while
jihoon: why he didn't think he was likable, about my situation and daehwis problems
jihoon: it got rlly sad rlly quick

daniel: honestly, same

jihoon: big mood

jaehwan: JIHOON CONTINUE

jihoon: o right
jihoon: since it got so sad, we had to lighten the mood a bit yknow?
jihoon: hence the pillow fort and hsm
jihoon: we started talkin during the movie abt everythin and the fact that we all have feelings for each other
jihoon: tbh we dont know what to do abt it because relationships w 3 people?? are unheard of

daniel: are they?
jihoon: idk?
jihoon: i just don't know what to do

jaehwan: idk wat to suggest

jihoon: im gonna go finish watching the movie
jihoon: maybe itll make sense later
jihoon: bye people

guanlin: HYUNGSEOB

hyungseob: MY BROTHER WY @ I MISS U
guanlin: I'M IN YOUR HEART

minhyun: Do you two have to do this whenever you don't see each other for a day...?

guanlin: um yes?

woojin: don't question it, i already made that mistake

woojin: what is this gc meant to be for though

daniel: im glad you asked lesser woojin!

woojin:

woojin: the audacity...

daniel: jihoon jinyoung and daehwi all like each other

daniel: tho im sure yall are caught up on that

daniel: our group just spoke to jihoon tho n hes ://

youngmin: y is he "://"

jisung: Because they all like each other

jisung: He doesn't know what to do

hyungseob: date???

hyungseob: its not rocket science lmao

daniel: theres 3 of them tho

daniel: thats why he doesnt kno what to do

hyungseob: ohh

donghyun: hmmm

donghyun: w8 actually

donghyun: add him here

[guanlin added jihoon to the chat]

jihoon: huwat

seongwoo: yo

jihoon: hey

jihoon: whats going on

youngmin: were discussin ur issue

youngmin: how do u d8 w three ppl??

minhyun: There's always just remaining not official to avoid judgement...

minhyun: Though I'd doubt you'd like that.

jihoon: not rly

jihoon: i rlly want to be able to call them both my bfs bc i like them a lot!!
jihoon: but that won't work

sungwoon: :( 

jaehwan: w88
jaehwan: y wouldnt it werk

jihoon: because there's 3 of us??

woojin: i mean

guanlin: woojin ~

daniel: hes finally stopped lurking again

woojin: i was thinking stfu

seongwoo: icb we almost adopted HIM over lee woon

donghyun: stay tf away from woon hes my child?

woojin: GUYS LET ME TALK

minhyun: The floor is yours.

woojin: thx

woojin: as i was saying

woojin: 3 way relationships are a thing

jihoon: they are??

woojin: yeah

woojin: forgot the name for them tho

jisung: Polyamorous relationships?

woojin: YEAH those

seongwoo: GG mom

jisung: I knew it sounded familiar

hyungeob: wouldn't that be like cheating tho?

woojin: no

jihoon: i'm confused here

sungwoon: when r u not

jihoon: i came here for help not to be bullied

jisung: Poly relationships are just relationships with more than 2 people dating

jisung: But you all know you're dating, so it isn't cheating
hyungseob: ohhh
hyungseob: thx for the knowledge 2nd momther

jisung: No problem

youngmin: still gotta wonder
youngmin: wont it cause problems?
youngmin: jealousy n all that shit

minhyun: I was thinking that too.

youngmin: B) twinning

woojin: tbh you have to have a lot of trust to get into a 3 way relationship
woojin: or it doesn't work out

jisung: Jihoon?

jihoon: im still here
jihoon: i trust them both a lot

woojin: you have to keep trusting them tho
woojin: because thoughts like "he likes him more than me" and shit could hurt you all

jaehwan: yall gotta talk regularly bout that stuff!
jaehwan: if ur feelin insecure, expose it

woojin: ^^

jihoon: ok
jihoon: i'll go and talk it out with jinyoung and daehwi
jihoon: the whole poly relationship idea

sungwoon: get ur mans jihoon!!!

youngmin: u hav my blessing <3

donghyun: mine too :-)

Dongho/Baekho :-) @realbaekho
Don't @ me for this but I just wanted to post this little positive rant

Dongho/Baekho :-) @realbaekho
Minhyun's really opened up recently, much more than he used to

Dongho/Baekho :-) @realbaekho
He used to hide how he felt from all of us until Jonghyun could argue it out of him, and believe me

Dongho/Baekho :-) @realbaekho
It wasn't fun having them argue for hours on the GC because of it...

Dongho/Baekho :-) @realbaekho
But recently he's been much more upfront when telling us about how he feels and what's happening in his life :)

Dongho/Baekho :-) @realbaekho
I think that a lot of that is thanks to Jaehwan, and his outgoing and usually open personality

Dongho/Baekho :-) @realbaekho
I'm very thankful to Jaehwan for that. :)

youngmins gang© (14) - 8:01pm.

jisung: Guys, can I get a bit deep with you all for a moment

seongwoo: u talk as if we gotta choice

jisung: You don’t lol

hyungseob: go ahead ultimate old man

jisung: I'll let that one slide.

hyungseob: "sworry"

jinyoung: what did you want to say hyung?

jisung: Honestly

jisung: You've all changed in the past months

jisung: Most people here started dating each other and it's worked out for the better

jisung: I saw what Baekho posted on his twitter and I wholeheartedly agree with him
youngmin: th stuff he posted abt minhwan?

jisung: Yeah
jisung: How Minhyun's began opening up to everyone more because of Jaehwan's influence
jisung: I've also seen Jaehwan become more self confident and truly happy because of Minhyun so I'm also happy :)
jisung: It's not just them either

sungwoon: who r u gon expose now

jisung: Woojin and Hyungseob as well
jisung: I'd had enough of you both making heart eyes @ each other in Chem lessons
jisung: You're both just more... upbeat?
jisung: Whenever you're together, I only ever see Woojin smiling and Hyungseob laughing so :)
jisung: It's really great to see!

hyungseob: ,,hyuNG

jisung: Also, Deepwinkhwi
jisung: Is that the ship name we decided on?

daehwi: i don't GET IT STILL

daehwi: nayeon noona calls us that whenever she sees us and i don't understand where the deep comes from!

youngmin: dont question it

guanlin: hyung, continue!!

jisung: The change in those 3 has been the most obvious, hasn't it?
jisung: Jinyoung only ever truly laughs around you two
jisung: I always see Daehwi so much happier than he used to be and I didn't even think that was possible
jisung: And Jihoon...
jisung: I worried about him so much before, with everything that was going on and the fact he wouldn't tell anyone anything
jisung: But now he does try to come to me when he's having a hard time, or stressed about something
jisung: That makes me really happy to see you all changed for the better
jisung: I really do feel like a proud mother :D

jihoon: hyung

woojin: i'm crying in the club?

daniel: youre in the club?!!?!

hyungseob: DON'T DISRESPECT SHINEE LIKE THIS

guanlin: that is one of the sweetest happy rants i've ever seen

"is this thing on?"

"are you telling me you have no idea how to use your own phone camera?"

a small, and almost inaudible laugh could be heard out of shot.

"i'm trying my hard- oh, i think it's on!"

Daehwi scooted over next to jihoon, bright smile as he waved to the camera. both boys looked to the out of view shot, beckoning the other person to come over and be seen.

"here comes jinyoungie!"

"hello... ~"

as soon as jinyoung became clear, daehwi moved over to his side, allowing said boy to be in the middle. jihoon didn't flinch, though jinyoung's expression became amusingly confused at the sudden change.

"why did you move hwi?"

both jihoon and daehwi simply giggled between themselves and, as if planned, planted a kiss on either side of jinyoung's cheeks. clearly, jinyoung wasn't in on the plan as the boy turned a bright shade of red almost instantly before covering his face in embarrassment.

"we love you jinyoung!" both boys said in unison, holding back laughs at the blushing jinyoung.

jihoon then leant over to plant a kiss on daehwi's cheek, earning an equally embarrassed sound (or squeak?) from the blonde. with a grin and his iconic grin, jihoon fumbled around with the phone before the screen switched back to nothingness.
