**Summary**

lanceylance: okay so obviously i’m romeo
carrierpidgeon: romeo was a player
kogayne: yep so he’s romeo and i’m juliet, who’s paris

In which the team is in high school, and Lance makes a group chat (ft. college graduates Shiro, Matt, and Allura).

(A generic bandwagon chatfic because *why are these so fun to write????*)

**Notes**
This has absolutely nothing to do with my other chatfic shhhhh I'm just hopping on the bandwagon.

So this really all started because I got bored on the first day of school, so about once a week I find myself writing chatfic in the middle of class?? Also this may just turn into a ventfic, we'll see!!

CHARACTER STUFF:
Lance - 17 - HS senior
Keith - 17 - HS Senior
Hunk - 17 - HS Senior
Shay - 17 - HS Senior
Pidge - 15 - HS Sophomore
Shiro - 25 - College Graduate
Matt - 25 - College Graduate
Allura - 24 - College Graduate

Okay have fun these will probably be short chapters and this won't have a set update schedule, but there probably won't be more than a week between chapters!!
FIRST DAY SQUAD

Chapter Summary

The first day of school is here. Lance makes a group chat.

Chapter Notes

IMPORTANT DISCLAIMER.
I already wrote this in the series notes, but some people don't read those, so let me put it here: this fanfic contains established Shallura, past Shatt, and [SPOILERS] eventual Shiro/Allura/Matt. I wrote this before I knew, concretely, that Allura was being written as a teen in the show, AND before I knew that Shiro was a gay man. Not bi, not pan, G A Y . At the time of this update (November 5th, 2018), the bulk of this series is done, save for an ongoing snippet series featuring Keith and Lance, and occasionally Hunk and Shay. Any future works in this series may contain Shiro, Allura, and Matt as characters, but I am avoiding any explicit mention of their relationship(s).
I no longer ship Shallura, and I am on the fence about Shatt (Matt's age is...foggy, but the age gap between Allura and Shiro, not to mention the fact that SHIRO'S GAY, makes myself and many members of the VLD fandom uncomfortable). At the moment, my only true Shiro ship is Adashi, and all future works of mine will likely feature this ship. I will no longer write any material containing Shallura, Shatt, or Shiro/Allura/Matt. Please do not ask for any more content featuring Shallura, Shatt, or any combination of those relationships. I will not write it.
TL;DR: SHALLIES DON'T FUCKING INTERACT.

alright carry on happy reading

See the end of the chapter for more notes

shayfromstatefarm: i just opened the group chat and i’m having regrets

kogayne: LANCE YOU WILL LITERALLY DIE

kogayne: HUNK PLS STOP MY BOYFRIEND BEFORE HE DIES

mattata: ah, young love

takashmeoutside: corral your sister please, before she gets in trouble for videotaping a fight instead of getting an administrator

mattata: katie

carrierpidgeon: matthew

mattata: send that video to me as soon as you have it

takashmeoutside: matthew samuel holt.

mattata: [overly-exasperated sigh] katie, do not video tape keith and lance getting their butts handed to them by morvok’s demon child.

allurable: hunk, please tell me you went and got an administrator

(1) video from carrierpidgeon

carrierpidgeon: sorry the video was uploading as you guys were yelling

shayfromstatefarm: i went and got mr. ulaz, he’s on his way

hunkerdunker: so’s principal zarkon

takashmeoutside: KATIE HOLT. DELETE THIS VIDEO IMMEDIATELY. YOU CAN GET IN TROUBLE FOR HAVING IT.

allurable: i can’t believe lance and keith were both still standing by the end of it

carrierpidgeon: lance went down like, two seconds later

mattata: yikes that punch looked like it hurt

carrierpidgeon: that’s NOTHING compared to what’s going on now

carrierpidgeon: keith went full-on rabid husband mode

carrierpidgeon: or like, enraged love interest in an action movie mode

takashmeoutside: katie, put your phone away before they bust you for having it.

(1) video from carrierpidgeon
allurable: LANCE OH MY GOD

takashmeoutside: WHAT THE HELL

mattata: oh my god, katie please put your phone away

carrierpidgeon: ulaz and zarkon finally showed up

carrierpidgeon: they brought morvok

carrierpidgeon: he’s yelling at keith and lance like this is their fault

carrierpidgeon: ulaz is trying to get lance to the nurse’s office. hunk and shay are offering to take him.

allurable: what /happened/ to lance??

carrierpidgeon: i think he took a punch to the nose, but it might’ve been a kick to the face. and a kick to the ribs. or several.

takashmeoutside: i’m gonna get a call from the school soon, aren’t i?

carrierpidgeon: yes, probably about keith’s behavior

carrierpidgeon: morvok just tossed out “expulsion” but ulaz isn’t having it

allurable: lance’s parents are both out of state for the week, aren’t they?

carrierpidgeon: yeah, lance was on his own this week

hunkerdunker: hi, yes, he’s staying with me this week

hunkerdunker: we’re in the nurse’s office, and we’re calling my mom now

hunkerdunker: zarkon’s on his way with keith, who also apparently needs some attention

takashmeoutside: i should probably get ready to come get keith, huh

(1) video from carrierpidgeon

allurable: so, morvok is still the terrible teacher he was when we were there

mattata: and zarkon is still a douche

takashmeoutside: katie this is ILLEGAL, DELETE THESE

carrierpidgeon: they don’t suspect a thing, relax

carrierpidgeon: i have a natural charm

carrierpidgeon: all of my teachers love me, i just had to say i was on my way to the computer lab to print something and accidentally got caught in the crowd

shayfromstatefarm: can confirm ^^^
**hunkerdunker**: hi, so lance is going to the doctor to get checked out, keith is going home for the day

**takashmeoutside**: i’m expecting a call

**hunkerdunker**: my mom is on her way, i’m being forced back to class, so i won’t have any updates for you, so if anyone else could keep us posted

**takashmeoutside**: i just got the call, i’m going to pick up keith now

**mattata**: i suppose i should be a responsible older sibling and ask if katie is alright

**mattata**: are you breathing, gremlin

**carrierpidgeon**: no, precalc killed me, i’m texting from beyond the grave

**shayfromstatefarm**: you can’t make death jokes about math, it’s only first period

**carrierpidgeon**: my patience for this class, much like this limit, does not exist

**hunkerdunker**: that’s calculus, not precalc

**carrierpidgeon**: my teacher is going ahead in the book

**hunkerdunker**: yikes

**allurable**: shay, pidge, hunk, you’re in class.

**carrierpidgeon**: sorry mom

**kogayne > lanceylance**

**kogayne**: I TOLD YOU NOT TO STEP IN

**lanceylance**: you were gonna die

**kogayne**: YOU ALMOST DIED

**lanceylance**: not gonna leave my bf all by himself

**kogayne**: you are the wORST

**lanceylance**: worth it

**kogayne**: why are you such a selfless asshole

**lanceylance**: idk man

**lanceylance**: i love youuuuu~

**kogayne**: insufferable
lanceylance: <3

kogayne: [sigh] <3

lanceylance: ;)

hunkerdunker: um, no,

lanceylance: THEY’RE TALKING TRASH

kogayne: about you or me

shayfromstatefarm: you

shayfromstatefarm: about how your noodle boyfriend had to intervene bc you couldn’t protect yourself or something like that

lanceylance: i’m normally not a violent person

lanceylance: BUT I WANT TO FIGHT

allurable: keith has been a terrible influence on you

takashmeoutside: lance, don’t get into things again

hunkerdunker: you literally had to leave school to go get checked out last time

lanceylance: i’m doing my best but hunk you may need to hold me back

lanceylance: OMFG KEITH IS THAT YOU AT THE DOOR

takashmeoutside: ISN’T HE SUPPOSED TO BE IN A DIFFERENT CLASS RIGHT NOW

hunkerdunker: ugh grossest boyfriends ever

mattata: ooooh, what’d he do

hunkerdunker: so we’re in mr. thace’s class, right

takashmeoutside: isn’t keith like, his favorite

shayfromstatefarm: he’s almost everyone’s favorite but anyway

hunkerdunker: he knocks on the door and shay lets him in, right

shayfromstatefarm: he’s like “heyyyyy mr. thace” and thace is like “oh hey keith” like not even bothering to put down candy crush or make it subtle that he was playing it

takashmeoutside: he couldn’t even pretend, in case it was an administrator?
shayfromstatefarm: no. anyway,

hunkerdunker: keith strolls on into the room and comes up to lance and just grabs his shirt and kisses him full on the mouth

takashmeoutside: [long-suffering sigh] this boy is my legacy

hunkerdunker: and he gives paul and his cronies this look like, “OH, HEYYY, I DIDN’T KNOW YOU GUYS WERE IN THIS CLASS TOO.”

shayfromstatefarm: i think paul’s soul left his body

carrierpidgeon: so, he hasn’t forgotten the complete and utter rage that keith unleashed last week

shayfromstatefarm: no one has tbh

takashmeoutside: keith, you can’t leave class to kiss your boyfriend

hunkerdunker: um, actually, when keith left, thace, um…

shayfromstatefarm: he goes “yep that’s shirogane’s cousin alright”

carrierpidgeon: HA HAAAAAAAAAAAAAAAAAAAAAA

allurable: IN FRONT OF MY SALAD

takashmeoutside left FRIDAY SQUAD.

mattata added takashmeoutside to FRIDAY SQUAD.

takashmeoutside: SO WHAT HAPPENED, NO DETENTION, NO GET BACK TO CLASS??

hunkerdunker: nope

shayfromstatefarm: “how nice. see you fourth period, keith!”

lanceylance: PAUL WON’T LOOK AT ME LMAOOO

carrierpidgeon: i can’t believe you two

takashmeoutside: i can’t believe /thace/

Chapter End Notes

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
there's another chapter I can post that I wrote while I was having a mental breakdown
but I'm waiting for a good place to squeeze it on in
(continuity? what continuity?)
GOOD NIGHT IT'S 2:05 AM I NEED TO BE UP IN LESS THAN 4 HOURS AND
I DID NO HOMEWORK
Look What You've Done, Now They've Got Anxiety

Chapter Summary

Can everyone just,,, leave Keith and Lance's relationship alone, before Keith murders you all??

Chapter Notes

So I was gonna post this during study hall but I was on my phone and it didn't copy the bolding over and I wasn't about to sit there and do html for twenty minutes so I'M HOME HERE'S THE CHAPTER THAT I WROTE IN CLASS TODAY (ashdjdkasal this is a bad habit it needs to stop)
THIS CHAPTER WAS INSPIRED BY MY LAST YEAR'S AP LANG/THIS YEAR'S YEARBOOK TEACHER COMPLAINING ABOUT STUDENTS WHO CAN'T WRITE FOR SHIT

See the end of the chapter for more notes

FRIDAY SQUAD

lanceylance renamed FRIDAY SQUAD to I HATE ENGLISH.

lanceylance: okay so i don’t wanna sound like an awful person

lanceylance: BUT HOW ARE YOU FAILING ENGLISH WHEN IT’S YOUR FIRST LANGUAGE

lanceylance: I’VE BEEN MANAGING A STEADY A FOR THE YEAR BUT THERE ARE SOME KIDS HERE WHO CAN’T WRITE A FUCIGKN SENTENCE

lanceylance: like yes i understand learning disabilities exist and i’m not talking about those people

lanceylance: i’m talking about the neurotypical IDIOTS WHO DON’T KNOW THE DIFFERENCE BETWEEN YOUR AND YOU’RE

lanceylance: ENGLISH IS MY SECOND LANGUAGE

lanceylance: ENGLISH IS MY /SIBLINGS'/ SECOND LANGUAGE AND THEY CAN WRITE A BETTER THESIS STATEMENT

takashmeoutside: why are you texting in class

takashmeoutside: also can i have context please, because i feel this but like

takashmeoutside: what happened
hunkerdunker: thace’s class. one guess.

mattata: paul morvok

takashmeoutside: paul morvok

allurable: paul morvok

carrierpidgeon: demon child

kogayne: asshole

shayfromstatefarm: yep

hunkerdunker: i’m with lance on this one, these guys are /awful/

kogayne: can’t spell, can’t throw a decent punch, can’t be a good person, i’m sensing a theme here

mattata: can’t throw a decent punch?? um????

kogayne: shut up

kogayne: do i need to come by again, lance

kogayne: we can make it a routine

kogayne: thace won’t care and math is a breeze tbh

lanceylance: as much as i want to say yes, i can’t be the reason you miss class

kogayne: umm i told ms. ryner i was going to the bathroom i can just use that excuse???

takashmeoutside: keith.

carrierpidgeon: somebody’s clingyyyyy

lanceylance: leave him alone!!! i love clingy keith!!

lanceylance: but also dude pls do not prioritize me over your education, we have our whole lives ahead of us

carrierpidgeon added takashmeoutside , mattata , allurable , hunkerdunker , and shayfromstatefarm to realistic expectations of life

takashmeoutside: didn’t you call me out yesterday for texting keith outside of the group chat

carrierpidgeon: okay yes but listen

carrierpidgeon: as much as i love keith and lance and prefer them being grossly in love over them trying to rip out each others’ throats

carrierpidgeon: do they know that most high school relationships don’t work out
hunkerdunker: excuse shay and me

shayfromstatefarm: what he said

mattata: okay but listen to me, kiddo

carrierpidgeon: oh no, you pulled out kiddo [groan]

mattata: friendships in high school don’t always work out either, but look at this friend group

mattata: you’ve got me and shiro, and we’ve been married since we were kids

allurable: AGAIN WITH THIS

mattata: OKAY SO YOU HAVE ME AND SHIRO WHO WERE MARRIED FOR A LONG TIME BUT GOT DIVORCED AND NOW I’M FRIENDLY WITH HIS WIFE

allurable: he fails to remember i was just a grade behind them in school we were ALL FRIENDS, MATT

mattata: anyway shiro’s wife aside

allurable: i’m coming to your house just to fight you, square up holt

mattata: then you have you and keith, and you guys have been friends for years!!

mattata: and what about that power trio from the astronomy club!!! once you met hunk and lance you guys haven’t left each others’ sides!!

mattata: not even that one time all of you stopped talking to each other for a week!!

takashmeoutside: that was rough

takashmeoutside: i remember keith being very angry on pidge’s behalf

mattata: is THAT where the rivalry started?

takashmeoutside: well i mean they were always rivals but that intensified it

mattata: okay well ANYWAY they got over it and now look at them

mattata: a power couple that the school is lowkey terrified of

shayfromstatefarm: you don’t even go here

mattata: but you do!!!! look at shay, guys!! she got into the friend group in her, hunk, lance, and keith’s freshmen year, and now she and hunk are the purest couple in the school!!!!

carrierpidgeon: PUREST?

hunkerdunker: what he and rax don’t know won’t hurt them hush pidge

allurable: i’m sorry what
shayfromstatefarm: nothing

shayfromstatefarm: matt continue

mattata: point is, i think as far as relationships go, lance and keith actually have a chance at like, lasting

mattata: yknow, cheesy high school sweethearts who show up to the reunion in 20 years like LOOK AT US NOW, LOOK HOW SUCCESSFUL AND IN LOVE WE ARE

carrierpidgeon: i guess

takashmeoutside: and i mean, even if they break up, we’re all still gonna be friends

takashmeoutside: right??

takashmeoutside: can someone say something

takashmeoutside: do not tell me you’re mentally choosing sides for a conflict that hasn’t even happened yet

allurable: of course not!! just processing

allurable: you kinda got a little too deep for us there and a little too hopeful

I HATE ENGLISH

lanceylance: y’all done whispering or

kogayne: what???

lanceylance: they made a group chat without us, they’re probably talking about us

carrierpidgeon: no??

lanceylance: okay so then who are hunk and shay so intently texting then

lanceylance: because i know it’s not each other!!!

kogayne: guys…

takashmeoutside: we’re just worried is all

kogayne: NOT THIS AGAIN COME ON

kogayne: 1. lance and i are in a healthy relationship

kogayne: 2. we COMMUNICATE, unlike SOME PEOPLE

kogayne: 3. if he felt taken advantage of he would TELL ME

lanceylance: 4. i don’t plan on breaking up with him any time soon
lanceylance: OR AT ALL, FOR THAT MATTER, YOU FAITHLESS HEATHENS

mattata: who spilled

hunkerdunker: I FELT GUILTY OKAY, YOU HAVE NOT DEALT WITH LANCE’S PUPPY DOG EYES

allurable: he pulled them out?? oh shoooot those are hard to resist

kogayne: you guys have 0 faith in our relationship

kogayne: what happened to rejoicing the fact that we’re not fighting

(4) photos from shayfromstatefarm

shayfromstatefarm: we’re just worried about you two

shayfromstatefarm: it’s not that we don’t have faith in you, but realistically these things don’t often work out

shayfromstatefarm: we want you guys to be happy and grow old together just as much as you do

shayfromstatefarm: but we also need to keep a healthy amount of realism

lanceylance: keith let’s get surgery

kogayne: what ????

lanceylance: surgically sew us together that way neither of us can leave

hunkerdunker: and there’s a mental image i didn’t need

kogayne: lance we don’t need surgery i don’t wanna break up

lanceylance: oh thank god

hunkerdunker: see guys, look what you made them do, now they’ve got anxiety

lanceylance: i’ve always had anxiety???

kogayne: ditto??

lanceylance: don’t meme at me, hunk, that’s my job

lanceylance: also theoretically if keith and i ever were to fight we’re not getting you all involved

lanceylance: we’re gonna handle it maturely

kogayne: mario kart tournament?

lanceylance: MARIO KART TOURNAMENT

lanceylance: it’s like you know the way to my heart
carrierpidgeon: okay look i’m sorry i started this, i’m just nervous about it

lanceylance: shhh it’s okay leave the nerves to me

kogayne: no leave them to me

lanceylance: no you don’t deserve nerves

kogayne: neither do you

lanceylance: LISTEN HERE FUCKO

carrierpidgeon: [headdesk]

lanceylance: well in my dream i was at this place called the galaxy garrison and i was a fighter pilot

lanceylance: hunk was my engineer and pidge was our tech wiz/communications guy

lanceylance: pidge was actually pretending to be a boy like there was this whole plot where shiro and matt both used to go to the galaxy garrison and they went on a mission to kerberos

lanceylance: yknow pluto’s moon

lanceylance: they went with pidge’s dad and they got abducted by these aliens called the galra but the garrison is covering it up and pidge tried to expose them and got banned so she had to be a boy to get in but GET THIS

lanceylance: the galra had a whole empire and PRINCIPAL ZARKON WAS THE EMPEROR

kogayne: not to interrupt but where am i

lanceylance: ohoho i’m getting there mullet

lanceylance: so this whole thing starts with me wanting to go into town to meet girls and i’m dragging along hunk and we go to get pidge but she takes off for the roof

lanceylance: and she’s like “ALIENS ARE COMING THEY WANT THIS THING CALLED VOLTRON” and so while we’re on the roof this ship crash lands

kogayne: wait why did you want to meet girls are we not together

lanceylance: I’M GETTING THERE MULLET

lanceylance: <3

lanceylance: okay so this ship crashes right???? and so me hunk and pidge are scoping the sitch out while the garrison comes in and sets up their shit and we’re spying right and pidge grabs a computer feed and IT’S SHIRO IN THE SHIP

lanceylance: HE HAS LIKE THIS COOL ROBOT ARM AND A SCAR ON HIS FACE AND MENTAL TRAUMA
takashmeoutside: i’m getting mental trauma just from reading this chat tbh

kogayne: WHERE AM I

lanceylance: QUIT INTERRUPTING AND YOU’LL FIND OUT SHHHH YOU’RE GONNA RUIN THE SUSPENSE

lanceylance: OKAY SO WE’RE SCOPEING THE PLACE OUT RIGHT AND SOMEONE COMES UP ON THIS WICKED SPEEDER HOVERBIKE THING AND IT’S FUCKING KEITH

lanceylance: APPARENTLY WE’RE RIVALS BUT I RECOGNIZE HIM BY HIS M U L L E T

kogayne: omfg

lanceylance: YOU GOT KICKED OUT OF THE GARRISON FOR HAVING AN ATTITUDE PROBLEM BUT YOU WERE THE BEST FIGHTER PILOT

lanceylance: I WAS A CARGO PILOT BUT THE ONLY REASON I GOT IN WAS BECAUSE YOU WASHED OUT

lanceylance: no so okay anyway i’m like “fuck keith!!! shiro is my hero I’M SAVING HIM!!!” so i take off after keith and hunk and pidge have to follow and we get there and keith knocked out three big guys in one shot it was awesome

lanceylance: so we rescue shiro right and keith drives us all off a cliff on his speeder after we tell him to stop but he doesn’t and we go to keith’s shack, out in the desert, where he lives alone with a conspiracy theory corkboard

carrierpidgeon: holy shit

lanceylance: he’s telling us about this strange energy so we go and track it down and find a giant blue robot lion with this energy shield around it

lanceylance: it drops for /me/ and we all get inside the lion’s head and it accidentally blasts us off into space (us being me keith hunk pidge and shiro) and we end up at this castle on a planet called

lanceylance: wait for it

lanceylance: ARUS

lanceylance: and LO AND BEHOLD THERE’S A PRINCESS AND HER ADVISOR WHO WERE CRYOGENICALLY FROZEN FOR 10,000 YEARS

lanceylance: IT’S ALLURA AND CORAN

kogayne: CORAN??

takashmeoutside: your gym teacher??

allurable: my godfather??

shayfromstatefarm: where am i???????
lanceylance: hold on i’m getting there okay so like we get told we’re gonna be the defenders of the universe right

lanceylance: there are 5 robot lions, red blue green yellow and black and we’ve gotta go find them, so we do

lanceylance: i’m blue, keith is red, pidge is green, hunk is yellow, shiro is black (shiro’s also our leader) (allura assigned the lions based on personality like red is instinct and very hard to tame, black is the leader, green is inquisitive, and yellow is the big support, i never found out what blue was tho) and we’re called paladins and our robot lions combine to form one big giant robot called voltron

lanceylance: like red and green are the arms and blue and yellow are the legs and black is the head and torso

lanceylance: and we go on all these cool adventures and i almost die a lot and we meet shay and rax at some point

lanceylance: they’re these rock people called balmerans and we free them from slavery from the galra empire and hunk totally has a thing for shay but won’t admit it

hunkerdunker: i mean it took me like a whole year to work up the courage in reality sooo

lanceylance: and our adventures are crazy like one time keith saved me from getting sucked out of the airlock and we go around freeing planets and like WHOA THIS ONE TIME WE WERE HAVING A PARTY ON ARUS AND SOME GALRA GUYS BROKE INTO THE CASTLE AND SET OFF A BOMB AND I SAVED CORAN but then pidge saved everyone else

lanceylance: like hunk and coran had to go find this rock that powered the castle (WHICH TURNED OUT TO BE A SHIP) and keith and allura got locked out of the castle and shiro and i were prisoners and pidge was a total badass

lanceylance: also i was out of it a good 90 percent of the time so keith says we had a bonding moment where he cradled me in his arms but i swear it didn’t happen

kogayne: :( 

lanceylance: i love u

lanceylance: nO BUT THE WILDEST PART WAS WHEN WE DEFEATED ZARKON SHIRO JUST RANDOMLY DISAPPEARED SO WE HAD TO SWITCH LIONS bc the lions only work when certain people fly them

lanceylance: shiro made keith his successor so ofc keith had to fly the black lion even tho he didn’t want to and tbh he wasn’t a great leader at first but he got there and became a badass OH AND KEITH WAS PART GALRA LIKE HOLY SHIT THERE IS SO MUCH YOU COULD MAKE A TV SHOW OUT OF THIS

lanceylance: and then i ended up flying the red lion and allura had to fly blue (blue wouldn’t let me in i think she was jealous i tried to fly black OH DID I MENTION THE LIONS WERE LIKE SEMISENTIENT YEAH THEY ARE) and idk pidge and hunk were just kinda there

kogayne: this is a lot to process how long did you fucking sleep
lanceylance: \_(-_-)/" way too long probably

lanceylance: OH OH OH AND SO SINCE WE KNOCKED ZARKON INTO A COMA WHEN SHIRO DISAPPEARED HIS FUCKING SON TOOK OVER HE LOOKED LIKE A PURPLE LEGOLAS WANNABE

allurable: that’s not far from reality tbh

lanceylance: and like he had this kickass girl squad like one of them was like part lizard and she was blind with a seeing eye cat and had mind control powers she was SCARY and since i ended up the team sniper i was so worried she was gonna like...corner me while i was on top of a building and away from all of you

shayfromstatefarm: ...what the heck

kogayne: lance are you like...okay

lanceylance: yeah???

---

kogayne > lanceylance

kogayne: are you sure??
lanceylance: yes?????????
kogayne: why do i feel like you’re not being honest

kogayne: lance i know dreams can fuck you up and i’m genuinely concerned right now

kogayne: you almost died a lot and you never found out why you piloted blue?? and you were talking about mind control?? lance please talk to me

lanceylance: keith i’m /fine/ it was just one of those weird nap dreams

kogayne: ...are you sure

lanceylance: YES KEITH i don’t need you to BABY ME I’M FINE

kogayne: alright alright sorry i just get worried

kogayne: but please if you’re not come talk to me

---

kogayne added hunkerdunker, carrierpidgeon, takashmeoutside, allurable, mattata, and shayfromstatefarm to Lance Protection Program

(2) photos from kogayne

kogayne: i don’t believe him what do i do

kogayne: and matt, not one remark
**kogayne**: NOT ONE

**kogayne**: I DON’T CARE IF YOU’RE SHIRO’S BEST FRIEND I’LL STILL KICK YOUR ASS

**takashmeoutside**: you can’t force him to talk about something he doesn’t want to.

**allurable**: although yes, i definitely agree, something is up with him

**kogayne**: what signs did i miss???? have i not been there enough????? what if he was too busy taking care of me for me to notice something was wrong

**hunkerdunker**: so telling someone to “relax” when they’re panicking doesn’t work so keith i need you to at least breathe

**kogayne**: HE’S TYPING

**shayfromstatefarm**: oh dear

realistic expectations of life

dlurable: so um i was driving but i had to pull over bc

(1) photo from allurable

carrierpidgeon: so that’s why keith went silent

mattata: why are they sitting in the middle of the sidewalk

carrierpidgeon: matt i know being a memelord usually entails an unusually high level of
assholishness compared to your average person but please shut the fuck up

mattata: no i’m genuinely concerned like is one of them hurt they’re holding each other pretty

tightly

takashmeoutside: last i heard from keith he was gonna go to lance’s house

takashmeoutside: and then he ran out the door screaming “THAT DICK” so i’m assuming lance
decided to come over here

takashmeoutside: i guess they met halfway

shayfromstatefarm: i say we leave them alone and pretend keith never made that group chat

shayfromstatefarm: let them work themselves out

shayfromstatefarm: and how about we stop talking about them in the main gc

allurable: ^^^ it makes them both uncomfortable

hunkerdunker: we’ve gotta make it up to them somehow

hunkerdunker: i feel really bad about the last couple weeks

carrierpidgeon: i agree, i feel like we shouldn’t act like nothing happened bc that’ll just be sus

takashmeoutside: keith doesn’t like big deals about things tho

allurable: it doesn’t have to be huge

allurable: what were you thinking, hunk

hunkerdunker: homemade meal

hunkerdunker: with like, some kind of token of our friendship
mattata renamed realistic expectations for life to klance sorry party committee

carrierpidgeon: but it’s not a party

mattata: just go with it

allurable: so do we need supplies?? i’ve got room in my car for four other people to go party shopping with me

carrierpidgeon: IT’S NOT A PARTY??

hunkerdunker: it’ll just be like...a squad hangout session

shayfromstatefarm: a friendly gathering

takashmeoutside: a casual meeting of acquaintances

mattata: but decidedly /not/ a party

hunkerdunker: i’ll go with you allura

hunkerdunker: i need baking supplies and i think i’m the best authority we’ve got on lance

takashmeoutside: i’ll pitch in for keith

shayfromstatefarm: so whose house is this shindig going down at and when

carrierpidgeon: today’s what, friday?? tomorrow, i’d say

takashmeoutside: we can do it at my house

takashmeoutside: i’ll just send keith on questionable errands for the afternoon to distract him

hunkerdunker: unless lance beats you to it

mattata: okay so pidge shay and i will start getting the house prepped while you guys are out shopping tomorrow /morning/

mattata: tonight we need to draw up a plan

carrierpidgeon: [cracks knuckles] i’ve got excel, docs, and slides open, what’ve we got

takashmeoutside > kogayne

takashmeoutside: it’s getting late

takashmeoutside: are you coming home

kogayne: no

kogayne: i’m okay though, i’m just gonna be with lance tonight

takashmeoutside: do you mind me asking how he is?

kogayne: are you gonna share it with your other group chat

takashmeoutside: no. i promise.

kogayne: ...he’s worrying me a little

kogayne: i think he’s got some issues he’s not telling me about

kogayne: and his dream on top of those issues is sending him into a depressive state

kogayne: we’ve been watching shitty action movies for most of the evening

kogayne: i think it’s lifting his spirits a little, but his parents are gone for the weekend again and i
don’t wanna leave him alone

**kogayne**: i’m hoping he opens up but i’m not gonna force him

**kogayne**: i just

**kogayne**: he feels SO BAD that he blew up on me and????? why????????

**kogayne**: why is he such a selfless asshole shiro

**takashmeoutside**: he cares about you just as much as you care about him

**kogayne**: FUCK SHIRO I LOVE HIM SO MUCH WHY THE FUCK DID THIS HAPPEN

**kogayne**: BEING RIVALS WAS SO MUCH EASIER

**takashmeoutside**: do you really believe that

**kogayne**: I SHOULD’VE KILLED HIM

**takashmeoutside**: you can’t kill your problems, keith

**kogayne**: H O W DID I END UP WITH HIM HE’S TOO GOOD FOR ME

**kogayne**: BUT WHAT IF HE REALIZES THAT WHAT IF HE WANTS TO BREAK UP

**takashmeoutside**: keith. he just said the OTHER DAY that he didn’t.

**kogayne**: shiro i will literally die if we break up

**takashmeoutside**: i think you both need some sleep.

**kogayne**: i can’t sleep when this guy on the screen is yelling “SO THE HUNTER HAS BECOME THE HUNTED” because lance yells it too and he’s,, he’s so cute

**takashmeoutside**: /holy shit you are so whipped/

**kogayne**: AAAAAAAAAAAAAAAAAAABBBBBBBBBBBBBBBBBBBBBBBBBB

**takashmeoutside**: unrelated question, do you know what you’ll be up to tomorrow during the day?

**kogayne**: lance and i were gonna just chill out

**takashmeoutside**: can you hang out and run errands at the same time?? something came up at work so i’m gonna be too busy to get stuff done tomorrow

**kogayne**: i mean if lance feels up to it but we should be good

**kogayne**: but if i wake up tomorrow and he tells me he doesn’t wanna leave our blanket fort i’m not leaving

**takashmeoutside**: i understand

**takashmeoutside**: if it comes down to it i’ll just send matt, he’s probably not gonna be busy
takashmeoutside: but considering it’s stuff like grocery shopping, and you’re the one living under my roof, i’d rather you do it

kogayne: like i said, i’ll try

kogayne: i’m gonna go cuddle with lance now, i’ll text you when i wake up

takashmeoutside: alright

takashmeoutside: and don’t worry about your relationship

takashmeoutside: i think he knows how much you care about him

**allurable:** lance why did you punch your boyfriend

**hunkerdunker:** clearly none of you watched lance’s snap story

**allurable:** OHHHHHHHHHHHHHHHHHHHHHHHH

**takashmeoutside:** oh for a minute there i thought lance actually punched keith

**kogayne:** that’s called an abusive relationship and guess what we don’t have

**lanceylance:** I LOVE MY BOYFRIEND KEITH KOGANE

**kogayne:** don’t try and be cute with me you’re the reason for this

**lanceylance:** babe your head is literally in my lap right now

**takashmeoutside:** DID YOU FINISH THOSE ERRANDS

**kogayne:** no we’re taking a quick break

**kogayne:** and just because we’re snuggling on a public bench doesn’t mean i’m not angry

**shayfromstatefarm:** this is so soft

**mattata:** okay but i wanna know why paul gave keith a black eye today

**kogayne:** lance tried to stalk him and his cronies with a sword from the halloween section and they found him

**lanceylance:** listen i told keith about it and he said not to do it so i gave in but then when i was about to leave they found me so i had to call for my knight in dented armor

**kogayne:** dented???

**lanceylance:** listen knight in shining armor is nice and all but isn’t it a little sus??? if your knight shows up in shining armor that doesn’t prove that they’ve been through hardship

**shayfromstatefarm:** it could mean they cleaned themselves up after a battle to look presentable to someone they want to court

**lanceylance:** okay fair point but i love my knight in dented armor
**kogayne:** are you trying to imply i don’t clean up well

**lanceylance:** no i’m saying you put up with a buncha shit to come rescue me <3

**carrierpidgeon:** GAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAY

**lanceylance:** i’m a bisexual put on ur fuckin bifocals pidgey

**allurable:** i think that pun just murdered me

**lanceylance:** was it a /pan/ in the ass

**shayfromstatefarm:** studying is hell on earth

**kogayne:** hmm sounds like fun

**kogayne:** lance and i will be out for a little while longer

**kogayne:** despite the fact that he’s insufferable

**kogayne:** and is the reason for my black eye

**lanceylance:** and i’ll be taking care of keith because i love him so much and if he doesn’t stop smiling at the screen like an idiot i’m gonna have to send more photos of him being adorable

**mattata:** should’ve kept her removed tbh

**shayfromstatefarm:** how about we don’t add or remove any more people

**lanceylance:** ^^^^^^^^^^^^^^^^^^^^^

**takashmeoutside:** this wouldn’t have been a problem if lance didn’t insist on grossly flirting with keith every five minutes

**kogayne:** i don’t see a problem with it

**lanceylance:** THE CUTEST

**kogayne:** :)

**carrierpidgeon:** he’s not even fighting it anymore

lanceylance: so apparently this fire drill isn’t a fire drill

lanceylance: keith what did you do now

kogayne: lance we were in the SAME CLASSROOM

kogayne: YOU’RE STANDING RIGHT NEXT TO ME

kogayne: I DIDN’T DO ANYTHING

hunkerdunker: wasn’t anyone in culinary, i can tell you that

shayfromstatefarm: wasn’t anyone in design, either

carrierpidgeon: i know who it was!!

carrierpidgeon: IT WAS IN MY CLASSROOM I ALMOST DIED

mattata: WHAT

carrierpidgeon: relax i’m alive and only mildly exaggerating

carrierpidgeon: i was in chem and we were using bunsen burners and some fuqboi thought it would be a good idea to screw around with some chemicals that weren’t part of the experiment

hunkerdunker: so that explains why the whole science wing is filled with smoke

lanceylance: pls send us home pls send us home pls send us home pls send us home
takashmeoutside: are all of you okay

kogayne: i dunno man i think i might be dead

kogayne: for all you know i could be passed out and lance could be texting from my phone

allurable: does anyone need rides home from school or do you have yourselves covered in case

lanceylance: i’ve got room in my car for people

shayfromstatefarm: me too

lanceylance: so in the event we have to go home i’ll grab keith and the rest of you are on your own

carrierpidgeon: gee thanks lance

shayfromstatefarm: pidge and hunk can come with me and we can go to the library or get dunkin or something

mattata: why do all of you like dunkin so much what about starbs

lanceylance: you mean that sugary dirt water?? um no

mattata: lmfao i was waiting to see who would call me out

kogayne: lance hates starbucks because everyone thinks he’d be the one to show up fifteen minutes late to a function with that mermaid cup in hand

lanceylance: they’re confusing me for zarkon’s kid and his squad and i won’t stand for the slander

lanceylance: our squad is cooler and drinks superior coffee

carrierpidgeon: random semi-related question that has nothing to do with the essays i have coming up in my english class but ummm how many shots of espresso are coffee chains legally allowed to give you

kogayne: i’ll write one of your papers for twenty bucks

carrierpidgeon: i’d rather take death by caffeine

lanceylance: i’ll do it for ten

carrierpidgeon: i like my A+ thanks

lanceylance: RUDE RUDE RUDE

hunkerdunker: i’ll do it for five

carrierpidgeon: ………..hmmmmmmmmmmmm

allurable: don’t sell yourself short wtf

takashmeoutside: how about pidge writes her own essay
carrierpidgeon: how about you mind your business

takashmeoutside: katie

carrierpidgeon: takashi

lanceylance: DONKEY

hunkerdunker: no,

shayfromstatefarm: get in losers we’re going home

kogayne: wait really

lanceylance: YEP ZARKON’S CALLING IT BETBETBETBETBETBETBETBET

lanceylance: DAB ON EM

kogayne: why are you like this

lanceylance: i dont know but you signed up for this

kogayne: unfortunately

lanceylance: BABE RUDE

mattata: tag urself i’m lance

takashmeoutside: neither

allurable: “yep he’s shirogane’s cousin alright”

carrierpidgeon: i wanna hear some shatt stories from high school

carrierpidgeon: allura you must have some

mattata: you mean about her secret competition with me to steal my boyfriend

allurable: he’s lying i spent all of high school taking too many ap classes and running too many clubs and internally screaming i didn’t have time to go after shiro

lanceylance: relatable

allurable: besides we all know that i would’ve won him over so much sooner if i’d been focusing

kogayne: yeah can i have some clarification here

kogayne: what /exactly/ happened between you guys like shiro won’t say anything

shayfromstatefarm: ^^^^^

takashmeoutside: [long sigh] okay listen matt and i were best friends as kids right

mattata: oh god you’re gonna get sappy lemme tell it the fun way
mattata: THE SCENE IS FRESHMEN YEAR AND SHIRO AND I HAVE BEEN THE BEST OF FRIENDS SINCE WE WERE WEE LITTLE KINDERGARTENERS

mattata: WE TAKE FRESHMEN HEALTH AND OUR TEACHER INFORMS US OF THE DIFFERENT SEXUALITIES THERE ARE BESIDES STRAIGHT AND GAY AND WE BOTH GET THIS LOOK IN OUR EYES, CATCHING SIGHT OF EACH OTHER FROM ACROSS THE ROOM AS TIME SLOWS

mattata: I COME TO THE CONCLUSION THAT I AM A RAGING BISEXUAL AND SHIRO WAS MY BI AWAKENING

lanceylance: mood

kogayne: EXCUSE ME

takashmeoutside: EXCUSE ME

carrierpidgeon: COUSINS

mattata: SHIRO CONCLUDES THAT HE IS, IN FACT, PANSEXUAL, AND SINCE WE WERE SUCH GOOD FRIENDS, AND THEY ALWAYS SAY “MARRY YOUR BEST FRIEND” WE’RE LIKE WHY THE HELL NOT

takashmeoutside: we date for three years, sophomore through senior, and we both realize that we’re better off as best friends, so matt, we need to break up but we can still pretend to be husbands

hunkerdunker: but didn’t pidge say that the breakup was five years ago

takashmeoutside: matt was in denial for a while and i still don’t know whether jokingly or for real

shayfromstatefarm: THIS EXPLAINS SO MUCH

mattata: ALLURA, WHO JOINED OUR FRIEND GROUP HER FRESHMAN YEAR, WATCHES FROM THE SIDELINES, SILENTLY AND PAINFULLY IN LOVE WITH OUR DEAR TAKASHI

allurable: i didn’t start liking shiro till college, heathen

takashmeoutside: in college i room with matt and we spend all our time hanging out with allura, the modern harry potter trio

mattata: i am harry, obviously

takashmeoutside: i catch feelings, allura catches feelings, the rest is history

allurable: matt is the jealous homewrecking ex-husband

mattata: (in all reality, allura is jealous of /me/ because i can win that sweet shirogane back any day)

mattata: ;)))))

takashmeoutside: ...um, no

lanceylance: hunk can you imagine if that had been us
hunkerdunker: [shudder] you’re a dead ringer for matt

mattata: WHY SHUDDER, HUNK

hunkerdunker: [shudders harder]

hunkerdunker: tragically, i am straight

shayfromstatefarm: IN FRONT OF MY SALAD

allurable: THAT’S MY DAUGHTER

carrierpidgeon: i thought i was your daughter

allurable: you,,,,,, you can have……….more than one child

takashmeoutside: wait i did /not/ sign up to be a dad i can hardly control matt

mattata: RUDE

kogayne: tragically (for all of you), lance is miiiiine

lanceylance: :D

carrierpidgeon: aaaaand Clingy Keith™ makes a return

lanceylance: [stands on a rooftop] [cups hands around my mouth] I LOVE MY CLINGY BOYFRIEND KEITH KOGANEEEEEEEEEEEEEEEEEEEEEEE

takashmeoutside: so are all you youngsters gonna keep texting or are you gonna leave the school

lanceylance: who said we’re not already on our ways home

takashmeoutside: considering /you’re driving my cousin home/ i REALLY hope you’re not texting and driving, or else i’ll have to ban you from seeing him

lanceylance: so a romeo and juliet situation then (°_°)

kogayne: which of us is which

lanceylance: okay so obviously i’m romeo

carrierpidgeon: romeo was a player

kogayne: yep so he’s romeo and i’m juliet, who’s paris

lanceylance: oh my god someone just came to mind but you might kick me out of my own car

takashmeoutside: ARE YOU TEXTING AND DRIVING

lanceylance: NO I SWEAR WE’RE SITTING IN THE PARKING LOT

(1) photo from kogayne
kogayne: my boyfriend is responsible i promise

kogayne: AND OH MY GOD WHO LANCE

lanceylance: so remember right before we got together

kogayne: ...nO

kogayne: IT MAKES SENSE TOO FUCKFUCKFUCK

hunkerdunker: IS HE TALKING ABOUT….YOU KNOW

carrierpidgeon: oh my god i think i know who you’re talking about

mattata: is it the real starbs boy

lanceylance: [VIGOROUS NODDING]

allurable: that was,,, a mess

kogayne: he literally sent his squad to STALK ME

lanceylance: capulets smh

lanceylance: okay and so then pidge and hunk are obviously mercutio and benvolio

hunkerdunker: nooooooooooooooooooooooooooooooooo

lanceylance: ??????? you’re literally my backup singers just like they were for romeo

kogayne: did he not pick up on…

carrierpidgeon: you’d think he would’ve

hunkerdunker: with all the sex jokes lance makes he should really be mercutio

lanceylance: ...oh the gay subtext

lanceylance: okay so then mercutio and benvolio are matt and shiro

mattata: oh HELL YEAH

lanceylance: that girl i had a thing for sophomore year is rosaline

carrierpidgeon: “that girl” are you telling me you forgot her name

lanceylance: no keith just doesn’t like when i talk about her

kogayne: we have a…bad history

kogayne: especially regarding her present boyfriend

hunkerdunker: ...shit
**allurable:** ANYWAY if matt and shiro are mercutio and benvolio, then hunk is friar lawrence and the nurse is pidge

**carrierpidgeon:** there’s a fancast i can get behind!!

**kogayne:** important question: who’s tybalt aka my cousin aka not shiro bc he already has a role spoken for

**lanceylance:** legolas wannabe fits that too tbh

**lanceylance:** WAITWAITWAIT OKAY SO SHE-WHO-MUST-NOT-BE-NAMED’S BOYFRIEND CAN BE PARIS BECAUSE THAT FITS TOO

**kogayne:** ...u right

**kogayne:** considering starbs boy hates u and would probably get into a sword fight with u

**lanceylance:** he would be such great friends with paul morvok

**takashmeoutside:** wait so where do shay and allura fit into all of this

**shayfromstatefarm:** the chorus, clearly

**allurable:** we’re staying out of that hot mess

**lanceylance:** so we all agree i’m hot thank u all very much

**kogayne:** (˙˘ ˘ ˘˘)^0

**lanceylance:** rUDE

**lanceylance:** HERE I AM PREPPED TO DIE FOR YOU AND YOU REPAY ME LIKE THIS

**takashmeoutside:** can u not say things like that right before you go to drive somewhere

**lanceylance:** SHIRO I PROMISE I WON’T KILL HIM OMFG

**allurable:** okay so what’s the plan then

**mattata:** ??????

**allurable:** they’re all out of school and you and shiro are both off of work today and so am i

**kogayne:** EVERYONE TO DUNKIN AND THEN TO THE BROGANE RESIDENCE

---

**Chapter End Notes**

mattata > kogayne

mattata: keith i know you’re awake

kogayne: i wish i wasn’t

mattata: shut up i’m having a crisis and you’re the only person i could think of to talk to

kogayne: me?? not shiro or allura or pidge???? or even lance??? ME?????

mattata: it’s about shiro and allura and katie’s a fucking gremlin who will say shit if i tell her, and aside from them i’ve known you the longest

kogayne: ...shit, this is serious

mattata: i wouldn’t text /you/ at four in the fucking morning if it wasn’t serious, kogane

mattata: ajdjfkwlksjkdflsl i’m having a fuckignfdks cirissis

kogayne: whoa, matt, okay, breathe

kogayne: what’s going on

mattata: i…

mattata: fuck it i’m not over shiro there i said it
kogayne: /what/

mattata: SEVNE FUCKINGD YEARWOS SINCEWJWEBROKE UP NADI [:NT NOVERIT

kogayne: okay, i need some details, and i need them to be coherent

kogayne: because right now you’re telling me you’re not over a breakup from seven years ago

mattata: I NEVER WAS IN THE FIRST PLACE

kogayne: but you told everyone it was mutual and you were better off as best friends

mattata: HOW ARE YOU THIS FUCKING DENSE

mattata: OF COURSE I’D SAY IT WAS MUTUAL

mattata: WHAT WAS I /SUPPOSED/ TO DO, BE CREEPY AND WEIRD AND LOSE SHIRO FOR GOOD?

kogayne: so you’ve been pining after your best friend for seven years

kogayne: more, if you count that time period before you got together

kogayne: and have you ever told him???

mattata: WHAT PART OF I DIDNT WANNA BE CREEPY AND WEIRD DO YOU NOT UNDERSTAND

mattata: asjdwskldle and now he’s with allura and she probably fuckign hates me

kogayne: you all were friends in high school and college though?? the modern golden trio??

mattata: keith i don’t know how else to tell you but you are so bad at reading between the lines it’s ridiculous

kogayne: anyway what brought this on?? why are you suddenly texting me now?

mattata: the conversation in the group chat earlier got me thinking about it and i can’t fuckign deal with it

mattata: and i like, got desperate and was googling shit and found out polyamory is like, a thing, and THEN I THOUGHT ABOUT BEING WITH SHIRO /AND/ ALLURA AND AJSJDSLDI I’M NOT OPPOSED TO IT BUT THEY’LL BE

kogayne: you were best friends since kindergarten and didn’t know you were bi and they were pan until your freshman year

kogayne: are you sure they won’t be into it

mattata: IT TOOK ME UNTIL I WAS FUCKING TWENTY-FIVE YEARS OLD TO FIGURE THIS SHIT OUT FOR MYSELF AND I’M STILL SHOOK WHAT MAKES YOU THINK I’M GONNA ASK THEM

kogayne: okay listen to me,
kogayne: it’s 4 AM

kogayne: you’re freaking out

kogayne: go to sleep, okay? you go to sleep, and text me when you wake up

kogayne: put your phone away, internet off, lie down, think about this but don’t think too hard

kogayne: text me about this tomorrow once you’ve had time to process, and we’ll think of something

mattata: AJSJFGJEWLALFIEIVNFSJDTHERWERNP FINE

mattata: but please please YOU CAN’T TELL THEM AND YOU ESPECIALLY CAN’T TELL KATIE

kogayne: i won’t

kogayne: i know how it feels to pine after someone you think is unattainable, alright? you can get through this

kogayne: now get some sleep, holt

**calculate my final velocity if i jump off of the school roof from rest**

kogayne: okay physics fuckers i know this lab is due tomorrow but we kind of have a crisis

lanceylance: are you okay??? did something happen????

kogayne: yeah, yeah, i’m okay

(5) photos from kogayne

hunkerdunker: ...holy shit

shayfromstatefarm: this explains...a lot more, actually

kogayne: sHIT FUFKC I DIDN’T MENWAN TO OUT HOM LIKE THIS

shayfromstatefarm: if it’s any consolation, we won’t tell him

hunkerdunker: i’m just taking a minute to process the fact that 3/8 people in our group chat are whipped for one of the broganes, so technically, if we exclude keith and shiro, half of the group chat is whipped for a brogane

lanceylance: excuse me i’m not whipped i am a strong and independent lanceylance who doesn’t /need/ a ‘gane

kogayne: :( 

lanceylance: i said i don’t /need/ you i never said i didn’t /want/ you with all my heart and soul <3
**hunkerdunker:** that’s it i’m banning labs after midnight from now on we get this done before 10 PM

**shayfromstatefarm:** okay so keith why are you texting us about this?

**kogayne:** we’ve gotta help him i can’t let him just suffer like this

**kogayne:** and since the four of us are all in stable relationships, i figured….we’re the marriage counselors now

**hunkerdunker:** it’s funny bc matt literally said your relationship with lance was unstable

**kogayne:** well matt was wrong and the party you threw proved it so shush we’re focusing on the golden trio right now

**shayfromstatefarm:** does anyone here know for a fact whether or not shiro or allura has ever considered themselves polyamorous or do we have to sleuth it out

**kogayne:** shiro’s never said anything but uhhhh

**lanceylance:** but uhhhh what spit it out samurai

**kogayne:** ...so like, shiro got drunk this one time, a couple years ago, and i didn’t think much of it

**kogayne:** y’know, sophomore, not really into the whole party scene, trying to figure out how to break up with he-who-must-not-be-named bc i was hopelessly in love with lance, too busy to pay attention to my cousin’s drunken ramblings

**lanceylance:** oh and i’m the whipped one

**kogayne:** you and she-who-must-not-be-named, now HUSH

**kogayne:** it was near christmas, i think?? so you know, holidays, everyone’s gettin sappy, he’s downstairs and i’m upstairs, and all of a sudden i just hear:

**kogayne:** MAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAATT GOD I MISS HIM SO MUCH

**kogayne:** so i just assumed that he wanted to hang out bc they’re best friends and all but…

**lanceylance:** i need a minute i’m

**kogayne:** but then he was like BUT ALLURA I LOVE HER SO MUCH

**kogayne:** and it was late so i was like /oh he must be torn between hanging out between the two of them/

**hunkerdunker:** ARE YOU KIDDING ME, HOW DID YOU NOT PIECE IT TOGETHER

**kogayne:** it also should’ve been more of a giveaway that he hasn’t gotten drunk since

**shayfromstatefarm:** this is…wild, to say the least

**lanceylance:** so what’s the course of action here
lanceylance: bc i don’t see anyone walking up to shiro and allura and asking them abt a poly relationship out of nowhere

kogayne: yeah um how do those even work

kogayne: i’m not really knowledgeable in that situation, i’ve always been a one-man man

lanceylance: <3

lanceylance: there are different kinds of poly relationships

shayfromstatefarm: some are open, some are closed, for one

lanceylance: ^^^ some involve all three or more partners being committed to each other, sometimes there’s a group or groups or hierarchy within the set of partners

lanceylance: like um you know that meme

lanceylance: i’ll use us as an example

lanceylance: that meme like “hi i’m lance, this is my boyfriend keith, and this is keith’s boyfriend hunk”

lanceylance: that’s like a legit thing, where one member of the relationship will be dating both others, but the other two won’t date each other

lanceylance: like in this whole shalluratt situation, it would be “hi i’m allura, this is my boyfriend shiro, and shiro’s boyfriend matt” in which case shiro’s dating matt and allura, matt and allura aren’t dating each other

shayfromstatefarm: the key to a poly relationship is consent from all parties. the people involved have to set like, guidelines and stuff for the relationship to make sure everyone is comfortable.

shayfromstatefarm: allura and matt would have to know about each other and both consent to shiro dating them at the same time

lanceylance: but then of course things could take a turn and all three of them could end up dating each other

kogayne: that makes sense

lanceylance: and then there are others, like two people are committed to each other but one of them has like,,,,, hhhhhh for lack of a better term a “side hoe” or secondary partner that they see at other times, but instead of going behind their main partner’s back the person would tell their partner “yo i’m gonna go fuck jenny down the street” “alright sweetie be back before sundown!!” in which case jenny down the street knows of,,,,, aaaaa what do i name

lanceylance: bob tells laura he’s gonna fuck jenny but bob’s main focus is laura but laura’s okay with him fucking jenny and jenny’s okay with laura being bob’s main gf/wife/whatever

lanceylance: everyone knows about everyone and their activities

shayfromstatefarm: ~consent is key~
kogayne: how do u guys know so much i’m impressed

kogayne: or did you just google all of it

lanceylance: my family is huge i’ve encountered everything

shayfromstatefarm: a large, tight-knit community can do that

hunkerdunker: i feel enlightened but also these are not sentences i want to read at almost 4:30 in the morning

kogayne: well we should finish this lab and go to bed soon so let’s just wrap up this discussion with what we know so far

lanceylance: 1. matt’s still got it bad for shiro

shayfromstatefarm: 2. shiro and allura are in a relationship and are oblivious(?) to matt’s feelings

hunkerdunker: 3. matt’s been playing it off that he’s not dying inside

kogayne: 4. matt would be into a poly relationship with them

kogayne: 5. shiro might not be over matt (but like i said that was ~2 years ago so it’s all up in the air)

lanceylance: 6. matt thinks allura hates him????

kogayne: i meant to reassure him she probably doesn’t, i think their banter is just getting misconstrued

shayfromstatefarm: 7. pidge, shiro, and allura aren’t allowed to know about anything until matt feels he’s ready to say something

kogayne: 8. everyone here keeps their mouths shut unless matt tells you

lanceylance: yep

hunkerdunker: of course

shayfromstatefarm: won’t breathe a word

hunkerdunker: now, can we please get back to figuring out the buoyancy force here before i crash at my computer

kogayne: yep

hunkerdunker: thank god

lanceylance > kogayne

lanceylance: hey so i know we have to like, be up in an hour, but i didn’t wanna forget to ask about this
lanceylance: you know how we were talking in the physics gc about consent and boundaries and all that

kogayne: yeah

lanceylance: it got me thinking

kogayne: thinking,,,,,

lanceylance: okay so you know how in the group chats we’ll make jabs at each other and stuff right and i know it’s supposed to be all joking but like

lanceylance: i know we both can have *bad days*

lanceylance: i want you to know i’m always joking when it comes to stuff like that, okay?? i love you, like a lot, like so much i could probably write a million cheesy metaphors for it and ik it’s kinda weird that we’re just seniors in high school but hhhhhhhhhhhAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

kogayne: yeah, yeah, i know

kogayne: me too

kogayne: and i really do feel bad sometimes after i send things to the gc bc i know how u can get sometimes, with like, ur insecurities and stuff

kogayne: i never want you to feel bad

lanceylance: yeah no me neither, but i also don’t wanna constantly feel like we’re walking on eggshells with each other, yknow what i mean???

lanceylance: like after the gc got all messy and called us out and stuff i’ve….sorta been afraid to hurt you???? and say the wrong thing???

lanceylance: so what i’m trying to say is

lanceylance: 1) if i’m being rude to you in the gc i’m 100% joking

lanceylance: 2) can we have some sort of like...code word or phrase to let each other know if it’s a bad day or we’re overstepping some line

kogayne: !!!!!!!! YES

kogayne: you brilliant little shit

kogayne: i’ve been trying to figure out how to approach this tbh bc I FEEL THE SAME WAY

lanceylance: it’s like we were made for each other wtf

kogayne: okay so what should our code word/phrase/whatever be then??

lanceylance: i vote paladins form voltron

kogayne: why paladins form voltron?
kogayne: ...oh

kogayne: i’ve been meaning to ask you about that, actually

kogayne: how have you been? i mean, you’ve been /acting/ like you’ve been in a better headspace, but, y’know, i wanna make sure

lanceylance: ...i think i’m okay

lanceylance: i’m not actually 100% sure what was going on with me that day

lanceylance: i guess the gc coming at us just...sort of set me on edge

lanceylance: and i trust you keith i swear i do but i still got scared

lanceylance: be what if i wasn’t doing my best?? what if you actually did want to break up????

lanceylance: so i guess my mind just conjured up a world where we were rivals, just like before, and never came together

kogayne: lance you just made me cry

(5) photos from kogayne

kogayne: these are texts i sent shiro the night i was at your house

kogayne: i love u so much it hurts

lanceylance: KEITH WHAT THE FUCK NOW I’M CRYING

kogayne: THAT’S IT I’M COMING OVER

lanceylance: WE HAVE TO BE AWAKE FOR SCHOOL IN LIKE AN HOUR

kogayne: get dressed now, i’ll get dressed, i come over, we cuddle, we wake up and get coffee and then get our asses handed to us by physics

lanceylance: sounds like a plan

lanceylance: <3

kogayne: <3

Chapter End Notes

klance,,,, they're ruining my life
Chapter Summary

It's National Boyfriend Day, and Lance is gonna make sure the whole world knows how much he loves Keith Kogane.

Chapter Notes

this got way longer than i intended
also i wasn't gonna write a chapter and post it *today* but then i found out it was national boyfriend day (thanks instagram)
trigger warning for some mild/implied homophobia. no slurs or anything but it's 2017 and assholes still exist

See the end of the chapter for more notes

Team Trainwreck

lanceylance: ON OCTOBER 3RD, HE ASKED ME WHAT DAY IT WAS

kogayne: what day is it

lanceylance: IT'S NATIONAL BOYFRIEND DAY BITCHEEES

allurable: i can’t believe he messed up the quote on purpose

mattata: they’re ruining each other

carrierpidgeon: one day they’re just going to transform and morph into one horrifying being

lanceylance: i’ve always wondered what a fusion of me and keith would be like

lanceylance: BUT ANYWAY IT’S THE DAY OF THE YEAR WHERE I FLAUNT KEITH MORE THAN USUAL

shayfromstatefarm: is that possible??

lanceylance: I DUNNO BUT I’M GONNA TRY MY HARDEST

lanceylance: INCOMING PHOTO SPAM

(27) photos from lanceylance

takashmeoutside: i hope the rest of you have unlimited data

hunkerdunker: when were these taken wtf???
lanceylance: THIS MORNING, LOOK AT HIS BEDHEAD

hunkerdunker: school hasn’t even started?

kogayne: i went to his house after we finished the lab

kogayne: we’re on our way to dunkin does anyone want anything

carrierpidgeon: large macchiato with as many espresso shots as they’re legally allowed to give me

takashmeoutside: 1. no

takashmeoutside: 2. why are you both texting

kogayne: we’re getting in the car now, i just took lance’s phone

kogayne: and now that he can’t see what i’m doing

(13) photos from kogayne

shayfromstatefarm: THESE ARE SO AESTHETICALLY PLEASING

shayfromstatefarm: DON’T LET THE PHOTOGRAPHY TEACHER SEE THESE OR ELSE SHE’LL MARCH TO GUIDANCE AND DEMAND THEY SWITCH YOU INTO HER CLASS

kogayne: no skill just lance’s face

takashmeoutside: keith when did you get good at photography wtf

carrierpidgeon: [narrator voice]: It was at this moment Keith had to decide whether or not to reveal that he spent too much free time in the woods hunting for cryptids, armed with no more than a camera and several knives.

mattata: and why do you know that

kogayne: [narrator voice]: It was at this moment that Katie had to decide whether or not to reveal that she spent too much free time in the woods with her cryptid-hunting partner, a gremlin serving as bait to attract the paranormal.

carrierpidgeon: ASSHOLE

kogayne: takes one to know one

allurable: are we sure keith isn’t driving and lance doesn’t have his phone

(1) photo from kogayne

kogayne: i took that literally right now see i match lance’s photos from this morning, that’s lance driving and looking at the road like a responsible human

hunkerdunker: he managed to make an impromptu selfie look like art

mattata: the only logical conclusion is that the real keith got abducted by aliens sometime over the
kogayne: nope still the real me

kogayne: back to the question at hand, does anyone besides pidge want coffee

kogayne: *anyone who’ll be at school

mattata: just for that i’ll show up to your school just for some caffeine

takashmeoutside: smh i’ll get u and allura coffee later, leave my cousin alone

takashmeoutside: knowing u ur gonna show up in nothing but ur boxers

mattata: i’m gonna moon zarkon

hunkerdunker: file under “mental images of matt holt i didn’t need”

hunkerdunker: anyway i’ll pass on the coffee, thanks

shayfromstatefarm: small iced pumpkin spice :)

kogayne: lance just shouted “YES TEAM PUMPKIN SPICE”

allurable: for a summer child he sure has a love of fall

takashmeoutside: guess when keith’s birthday is

allurable: i just shrieked

kogayne: lance just said “I LOVE MY BOYFRIEND KEITH KOGANE”

kogayne: he said he’s gonna scream it in the dunkin line someone stop him

allurable: listen i love shiro but not that much

takashmeoutside: \_(ツ)_/¯

shayfromstatefarm: ditto with hunk

kogayne: lance is a very intense person

takashmeoutside: and so are you, it’s a match made in heaven

carrierpidgeon: *hell

carrierpidgeon: only satan would play with us like this

kogayne: pidge be nice if you want your death coffee

mattata: DO NOT BUY MY SISTER A DEATH COFFEE WTF

takashmeoutside: ^^^^^！！！！！

kogayne: fine
kogayne: we just got to dunks we’ll be at school in 15

carrierpidgeon > kogayne

carrierpidgeon: so that coffee

kogayne: you’re probably gonna die

(1) photo from kogayne

carrierpidgeon: i’ll never talk about how gross you and lance are ever again

kogayne: lance said no need, every time u say that he gets the chance to be more gross and over-the-top

carrierpidgeon: I’M NEVER TALKING ABOUT HOW GROSS YOU AND LANCE ARE EVER AGAIN

Team Trainwreck

shayfromstatefarm: period 3 check-in, lance is in class so i take it he and keith haven’t been sent to the office for being too gross yet

lanceylance: we spent all of period 1 holding hands and seeing who could make the other more flustered :)

kogayne: i lost

lanceylance: we spent period 2 snapchatting :)))

kogayne: he’s attractive and it’s not fair

carrierpidgeon: patience yields focus patience yields focus patience yields focus

takashmeoutside: that’s my mantra wtf???

kogayne: that’s gonna be my yearbook quote tbh

takashmeoutside: no, please stop expanding my legacy, i’ve had enough of that school

mattata: expand his legacy

takashmeoutside: unfriended blocked reported

lanceylance: and this period we’re gonna spend snapchatting, and period 4, and when we get to lunch i’m gonna proclaim my love for him to the whole cafeteria

kogayne: LANCE I’M GETTING FL$UGREDD

hunkerdunker: so thace just walked up and instead of telling us to put our phones away asked if
keith was coming down this period

lanceylance: AJSDKWSLSLR KEITH COME HERE

allurable: why is he like this

kogayne: lance or thace

allurable: yes

takashmeoutside: he and ulaz probably understand, and i’ll accept it for today only

carrierpidgeon: i’m sorry what

takashmeoutside: did you guys not know??

kogayne: IT’S TRUE???

lanceylance: i thought that was an URBAN LEGEND

shayfromstatefarm: um explanation please?

mattata: ulaz and thace are totally dating

mattata: when shiro and i were juniors one of the teachers jokingly asked them when they were getting married bc they constantly acted like a couple

mattata: and then they looked at each other and the teachers in the room were like SHIT FORREAL

mattata: except this was how long ago???

takashmeoutside: let’s see, we’re 25 now, we were 16 entering junior year...9 years ago

mattata: good ol 2008

takashmeoutside: rumor also has it that ulaz confirmed it to one of his forensics classes a long time ago, but there were only 10 kids in that class and he swore them all to secrecy

hunkerdunker: i wonder if there’s any connection to their relationship and thace’s love of criminal drama

allurable: yeah probably

lanceylance: KEITH ARE YOU COMING OR WHAT

kogayne: omw

carrierpidgeon: DOES ANY ACTUAL LEARNING GO ON IN THACE’S CLASS

hunkerdunker: oh plenty, we’re just his favorites

shayfromstatefarm: paul morvok is a very good distraction from our shenanigans
shayfromstatefarm: can’t wait to see him get flustered when keith shows up again

cARRIERPIDGEON: i still can’t believe they’re the most intimidating couple in your grade when they act so mushy and gross

LANCEYLANCE: IS THAT A CHALLENGE, PIDGEOTTO

HUNKERDUNKER: pidge, you’ve never actually seen lance *try* to be a bad boy

HUNKERDUNKER: you’ve only seen him when he’s being ridiculous about it

cARRIERPIDGEON: what

ALLURABLE: lance can be scary

CARRIERPIDGEON: no i know lance can be scary, like when he tried to fight paul

ALLURABLE: oh no, he can be scarier than that, he was still too tired for that fight

MATTATA: somewhere out there exist photos of lance and keith looking like bonnie and clyde but better

HUNKERDUNKER: omfg keith just showed up why doesn’t group facetime exist, this is golden

SHAYFROMSTATEFARM: paul looks like he wants to die

CARRIERPIDGEON: 24/7 mood

TAKASHMEOUTSIDE: the life of an ap/honors student

CARRIERPIDGEON: ask anyone at any level in my grade, it’s not just the smarties

HUNKERDUNKER: THACE JUST STARTED LAUGHING AND HAD TO ASK KEITH TO LEAVE

(1) video from HUNKERDUNKER

TAKASHMEOUTSIDE: they’re so lucky they’re not getting sent to the office for that

CARRIERPIDGEON: holy shit

SHAYFROMSTATEFARM: tbh thace is risking a lot like that’s some serious pda right there

HUNKERDUNKER: paul and his cronies are the only ones who look remotely uncomfortable

HUNKERDUNKER: seriously some girl behind me just whispered “what the fuck that’s goals right there”

MATTATA: THESE BOYS ARE OUR LEGACY SHIRO

TAKASHMEOUTSIDE: excuse me i’m gonna go bash my head into a wall
carrierpidgeon: YOU OLD PEOPLE REALLY SHOULD BE HERE RIGHT NOW

(video from carrierpidgeon)

allurable: AHSHDKSLKDDSLLFAJK “SIT DOWN, GAY-ASS” “I’M BISEXUAL, HEATHEN, GET IT RIGHT”

mattata: i am so proud of him

hunkerdunker: he just got sent to the office i’m

kogayne: why is my boyfriend like this

shayfromstatefarm: hunk thanks for not being like this

hunkerdunker: right back at u, sunshine

shayfromstatefarm: :)

carrierpidgeon: oh shit oh shit here comes paulie boy now that lance is gone

hunkerdunker: he’s underestimating the power of friendship

hunkerdunker: keith, we’re ready

kogayne: paul can’t ruin my day lance risked the office for me i love him so much

shayfromstatefarm: how does lance have the ability to do this

kogayne: do what

shayfromstatefarm: you were like a steel wall freshman year and now you’re a pile of goo whenever lance even looks at you

kogayne: i had,,, a rough past

kogayne: i put a lot of walls up

kogayne: when i moved in with shiro, he climbed them first

kogayne: after lance finally dropped our rivalry at the end of freshman year he did some fuckin parkour and propelled himself over them

kogayne: sophomore year he spent a lot of time hanging out with me behind those walls

kogayne: and then when we got together in may he took a fucking bulldozer and drove into them head-on, and they fell right down

shayfromstatefarm: that is actually the sweetest

kogayne: i tried to stop him but he refused actually
kogayne: he’s so stubb

takashmeoutside: KEITH???

shayfromstatefarm: paul just took his phone and bolted

shayfromstatefarm: keith took off after him and pidge followed

shayfromstatefarm: hunk is getting an administrator

shayfromstatefarm: i’m here to tell their epic romance to everyone who’s currently asking me what’s going on

kogayne > lanceylance

kogayne: i fucking hate you

kogayne: you’re the actual worst

kogayne: enough with this shit, you’re embarrassing

lanceylance: give my boyfriend his phone back, jackass

Team Trainwreck

(1) photo from lanceylance

lanceylance: COME AT THE GROUP CHAT, MORVOK, I DARE YOU

Team Trainwreck

takashmeoutside: why did i just get a missed call from the school

carrierpidgeon: because keith just decked the shit out of paul morvok to get his phone back

(1) photo from lanceylance

lanceylance: sneaky selfie in the office!! keith and i will probably both get sent home!!

allurable: you only stood on a cafeteria table and screamed your love for keith, you’ll probably get let off with a warning, maybe a detention

allurable: and paul made the move to harass keith, took his phone, and attempted to impersonate him and harass lance

allurable: keith can plead self-defense, and the worst he’ll get is a suspension, probably, /if that/

mattata: american high school smh
shayfromstatefarm: they better be sent back to class bc we’re learning stuff we’ll need for tomorrow’s lab and hunk and i are not doing it alone

(1) photo from lanceylance

lanceylance: the face of a beautiful boy who just got out of a suspension

hunkerdunker: so what’s the verdict here

lanceylance: i, for standing on the cafeteria table, have detention

lanceylance: keith, for chasing paul morvok across the school and decking the crap out of him, in a case of /self-defense/, as paul provoked the conflict, has extended detention today and tomorrow, and has one final warning before he gets a suspension

lanceylance: pidge fled the scene before they could catch her

carrierpidgeon: suckers

lanceylance: paul has a week of ISS, bc they remembered the last fight he got into with us

allurable: it’s official, lance and keith are the iconic couple who can evade ISS twice in a month timespan

takashmeoutside: what the fuck

kogayne: ;)

lanceylance: THAT’S MY BOYFRIEND RIGHT THERE

hunkerdunker: okay great NOW CAN YOU PLEASE COME HERE AND TAKE NOTES SO YOU KNOW WHAT YOU’RE DOING TOMORROW

Team Trainwreck

lanceylance: i’m dying they stuck us in separate rooms for detention

allurable: ajsdkfksldflewfj I’M CRYING

kogayne: they put me in morvok’s room

allurable: AHDFJSKSDLFGLELSW

carrierpidgeon: HNOLY DHSOT

kogayne: he does not look pleased with me

kogayne: oh look he’s gonna berate me

kogayne: do i get a video of this

takashmeoutside: videotape either the desk or the ceiling, not his face, but make sure you get the
carrierpidgeon: :O

carrierpidgeon: takashi shirogane? giving keith some delinquent advice?
takashmeoutside: i’ve had my fair share of harassment in high school
mattata: he’s talking about from morvok
hunkerdunker: morvok’s a homophobe, isn’t he

lanceylance: :(((((( KEITH I LOVE U DON’T LISTEN TO HIM U ARE PERFECT

lanceylance: THE SUN TO MY MOON

lanceylance: THE PEANUT TO MY BUTTER

lanceylance: THE STARS IN MY EYES

carrierpidgeon: [loud groaning]

allurable: morvok can choke
allurable: he’s actual scum

allurable: one time, when i was a senior
allurable: (mind you, he knew i was friends with matt and shiro)
mattata: we were literally the harry potter trio we were i c o n i c
allurable: i needed to talk to a teacher /he/ was talking to
allurable: and he saw me and made some...rude comments about matt and shiro

hunkerdunker: I WANNA FIGHT

shayfromstatefarm: seriously why hasn’t he been fired yet
allurable: tenure and a shortage of teachers in the district

(1) video from kogayne

kogayne: his ass is getting fired tomorrow

lanceylance > kogayne

lanceylance: hey i’m sorry about everything that happened today
kogayne: why??
lanceylance: we both wound up in the office
lanceylance: if i hadn’t stood on the cafeteria table then paul wouldn’t have taken your phone and you wouldn’t have had to go after him and then get detention and get berated by morvok

kogayne: hey hey hey listen to me

kogayne: i never used our code word today

kogayne: and maybe if morvok had harassed me like this freshman or sophomore year i would be a lot more shaken up

kogayne: but i’m secure in my identity and have great friends and the best boyfriend ever

kogayne: this could’ve been a normal school day but i had fun

lanceylance: u sure??

kogayne: there’s something thrilling about getting in trouble

kogayne: besides

kogayne: i love clingy mushy lance just as much as u love clingy keith

lanceylance: DHSJWSJFKTKRLT

lanceylance: how much longer are u in detention

kogayne: until 4:30

lanceylance: cool i’ll be in my car doing homework

kogayne: wtf?? go home???? you’ll be here another hour??? i can just text shiro????

lanceylance: no can do, i made plans for us

kogayne: THE WORST

lanceylance: love you too babe~

See the end of the chapter for more notes

lanceylance added hunkerdunker, carrierpidgeon, shayfromstatefarm, allurable, takashmeoutside, and mattata to KEITH DEFENSE SQUAD

lanceylance: our main operations will take place in the main gc probably but i’ve created this chat so keith doesn’t freak out any more than he already is

lanceylance: he’s going to zarkon today with the evidence that should get morvok fired, but morvok’s got tenure and is in zarkon’s good graces

lanceylance: i’m going with him for backup and moral support

lanceylance: hunk, pidge, shay, do any of you wanna come down with any evidence??

hunkerdunker: only if they ask for more

lanceylance: good idea

lanceylance: crowding keith right now probably isn’t smart

lanceylance: he’s freaking out and doing a good job of hiding it but he’s still /freaking out/

takashmeoutside: if anything happens, let us know. i’ll march down to that office myself.

mattata: ^^^^^^^^^^^^^

allurable: if it gets bad, i can see if my father can do anything with the board of ed

lanceylance: hhhhhhhhhhhhhh i hope morvok gets fired, keith told me last night he wasn’t that shaken up but now that he’s actually gotta confront it he’s jittery
lanceylance: AND HE’S USUALLY SO CAREFREE ABOUT THE ADMINISTRATION I WANT TO FIGHT

shayfromstatefarm: lance, breathe

shayfromstatefarm: if you freak out, keith is /really/ going to lose it

lanceylance: HHHHHHHHHHHHH I KNOW

lanceylance: okay i’m meeting up with keith now i’ll fill you guys in soon

carrierpidgeon: let me know if you need more evidence of stuff, i’ve got plenty lying around

*Team Trainwreck*

kogayne: i’m gonna kill a person

kogayne: ZARKON WON’T DO ANYTHING

kogayne: HE WON’T FIRE MORVOK OR EVEN FILE A COMPLAINT OR LIKE, TALK TO HIM

kogayne: WHY

kogayne: HE JUST STARTED BITCHING ME OUT FOR HAVING MY PHONE OUT DURING A DETENTION AND GAVE ME ANOTHER DETENTION TOMORROW

takashmeoutside: can he do that??

allurable: he shouldn’t be able to.

allurable: keith went to file a harassment complaint and remove a harmful presence from campus, and the powers that be refused.

carrierpidgeon: we’re gonna need to network

carrierpidgeon: allura, have your dad on standby.

carrierpidgeon: lance, GSA starts today, right?

lanceylance: SHIT GSA STARTS TODAY I FORGOT

kogayne: it astounds me that we even have a gsa when zarkon’s pulling this BS.

carrierpidgeon: mention the name morvok during the meeting. see how kids react, if they have any stories. the more evidence we can get, the better.

carrierpidgeon: and if those kids also went to zarkon about him, even /better/. we can prove zarkon has a history of negligence.

carrierpidgeon: hunk, gather the Straights
hunkerdunker: what

carrierpidgeon: we need allies

carrierpidgeon: you’re the resident Straight

hunkerdunker: i

hunkerdunker: i’ll do my bestst

carrierpidgeon: excellent. shiro, matt, if you guys have any personal stories, get ‘em ready.

carrierpidgeon: shay, we need you for witness testimony.

shayfromstatefarm: gotcha

shayfromstatefarm: i can help with the networking and outreach as well

carrierpidgeon: excellent

kogayne: what about me

(carrierpidgeon: you’ve done what you could, and i don’t think any of us want you in any more trouble than you already are

lanceylance: pls don’t get ISS, then i can’t see your cute face in class :(}

kogayne: fufk

kogayne: but they make me ANGRY

lanceylance: they piss me off too but pls have some self-preservation

lanceylance: you aren’t on your own in this one

(carrierpidgeon: we’re gonna throw the damn school in zarkon and morvok’s faces

mattata > kogayne

mattata: i know you’re having a crisis but i’m gonna just fuckign do it

kogayne: what

mattata: i’m gonna tell him

kogayne: ...are u sure about this

mattata: we’re about to dig up our high school romance for the sake of helping you, something’s bound to happen anyway

mattata: hopefully...hopefully nothing bad comes from this
calculate my final velocity if i jump off of the school roof from rest

(1) photo from kogayne

kogayne: um we may have another problem

kogayne: like aside from mine

hunkerdunker: oh man he’s actually gonna do it

shayfromstatefarm: so what are we gonna do if things fall apart between them

shayfromstatefarm: like...we won’t have to take sides or anything, right??

kogayne: shiro’s my cousin but i’ve known matt just as long as shiro has

kogayne: i honestly don’t think i’ll be able to take a side, and they’re both adults, i doubt they’ll blow things up and make us take sides

kogayne: in the meantime, we’ve got work to do

hunkerdunker: like this lab today, right?

lanceylance: hahahahahahahahahahahahaha no

hunkerdunker: [long sigh]

mattata > takashmeoutside

mattata: on a scale of 1 to 10 how much do you value our friendship

takashmeoutside: ...10, why…

mattata: i’m about to ruin it

takashmeoutside: wait what do you mean

mattata: i never got over you

mattata: and i never wanted to break up

mattata: but i didn’t want to be a creep so i didn’t say anything

mattata: but now we’re about to dig up our past for the sake of helping keith and i can’t just stay silent anymore

mattata: and there’s a whole lot more i want/need to say but if you don’t want to hear it or want to cut me off, then this is your chance, i won’t continue

takashmeoutside > kogayne
takashmeoutside: I HAVE A SITUATION

(2) photos from takashmeoutside

takashmeoutside: WHAT THE HELL DO I DO ABOUT THIS

kogayne: what do you mean, why are you asking me

takashmeoutside: I DON’T KNOW!!

takashmeoutside: YOU AND LANCE ARE GONNA HAVE YOUR TWO YEAR IN MAY AND YOU TWO STARTED OFF WANTING TO KILL EACH OTHER I FIGURED YOU’D BE HELPFUL

kogayne: okay then i want you to listen

kogayne: because i’ve been on matt’s end of things, hopelessly pining over someone

kogayne: no matter what you tell him, you have to be gentle with him

takashmeoutside: are you assuming i don’t like him back

kogayne: ...remember the last time you got drunk, like two years ago?

takashmeoutside: shit how long have you known??

kogayne: since that exact moment i just specified???

takashmeoutside: keith what do i do???? i love allura with all my heart but,,, matt,,,,

kogayne: ever heard of polyamory

kogayne: text me back after you’re done browsing google

\[
\text{calculate my final velocity if i jump off of the school roof from rest}
\]

(2) photos from kogayne

kogayne: it’s a waiting game now

lanceylance: i still get a rush every time i think about u pining over me, thinking it was hopeless

lanceylance: i’m so glad we confessed <3

hunkerdunker: SO LIKE, THE TENSION FORCE, HAS ANYONE CALCULATED THAT YET

\[takashmeoutside > kogayne\]

takashmeoutside: SHIT WHAT THE FUCK
kogayne: ………sooooooo……?

takashmeoutside: HOW HAVE I NOT KNOWN THIS WAS A THING

kogayne: SOOOOOOO……?

takashmeoutside: HOW DO I BREAK THIS TO ALLURA AND MATT WHAT THE HELL ARE THEY GONNA THINK

kogayne: 1. you need to text matt back if you haven’t already

kogayne: 2. something tells me matt’ll be cool with it, he said he has more to tell you

kogayne: 3. put on your big boy pants and text your girlfriend

takashmeoutside: keith i can’t lose her but i can’t lose him

kogayne: it’ll be okay

kogayne: and if it’s not then i’ll buy you ten tubs of ben & jerry’s so you can drown your sorrows

kogayne: and if it’s /really/ bad then i won’t act so obnoxiously in love with lance around you

**calculate my final velocity if i jump off of the school roof from rest**

(2) photos from kogayne

lanceylance: baaaaaabe :

kogayne: shhh we’ll still be obnoxiously in love just not around shiro

hunkerdunker: calculate lance and keith’s buoyancy forces if i throw them into the ocean for not doing their physics work

lanceylance: i’m the strongest swimmer in this group chat ummm

hunkerdunker: cool so i’ll have no remorse for throwing you into the ocean

kogayne: um i suck at swimming

lanceylance: i’ll save u ;)

hunkerdunker: shay, thank you for never being like this

shayfromstatefarm: you too, lovey

**takashmeoutside > mattata**

takashmeoutside: i’m sorry i took so long to respond, i was processing

takashmeoutside: before you continue, i need to confess that i haven’t exactly...fully gotten over
you

takashmeoutside: and i have something i need to tell you, because...i’m trying to piece together how i feel, because obviously i love allura with all my heart, but

mattata: but

takashmeoutside: ...i think i might still feel that way about you, too

mattata: w h a t

takashmeoutside: i didn’t actively acknowledge it for a while, it was just a thing? a little while after the breakup i...sort of regretted it, but i thought you didn’t want it, so i buried it

mattata: W H A T

takashmeoutside: and um

mattata: polyamory

takashmeoutside: keith showed me this thing,

mattata: how did

takashmeoutside: wait

takashmeoutside > kogayne

takashmeoutside: YOU LITTLE SHIT

kogayne: i have no idea what you’re talking about

takashmeoutside: YOU TALKED TO MATT ABOUT THIS

kogayne: i can neither confirm nor deny

takashmeoutside > mattata

takashmeoutside: you talked to keith

mattata: yes

takashmeoutside: you,,,,

mattata: i was freaking out

mattata: i thought keith was my best source of info on you, besides myself

mattata: bc i couldn’t just ask allura

takashmeoutside: you said you had more to tell me

takashmeoutside: you’d be into a poly relationship, wouldn’t you

mattata: would you be angry if i said yes

takashmeoutside: no.

takashmeoutside: because i’ve discovered i feel the same.

takashmeoutside: but now i need to figure out how to tell allura about this...i don’t know how she’s gonna react

mattata: look, allura’s your current girlfriend, and if she’s uncomfortable with it, i know how you feel about her, i’ll step back

takashmeoutside: but what about you???

mattata: i’ll be okay

mattata: i’ve dealt with it for seven years, i can keep dealing with it

takashmeoutside > kogayne

kogayne: zarkon’s already trying to give me another detention i don’t deserve, may as well earn it

carrierpidgeon: he’s going to assign you another
kogayne: OH WELL
kogayne: AS VICE PRESIDENT OF GSA I’M SHOWING UP
lanceylance: that’s my boyfriend :)
hunkerdunker: lance don’t encourage him
mattata: ENCOURAGE HIM
takashmeoutside: /don’t encourage him/
mattata: E N C O U R A G E H I M
shayfromstatefarm: ANYWAY lance do you have the agenda for the meeting prepped
lanceylance: why yes i do, madam secretary
lanceylance: WHERE’S MY TREASURER AT
carrierpidgeon: not part of this group chat
lanceylance: riiiiiiiiiiiiight
hunkerdunker: i wanna say pidge should’ve been treasurer but she was just a freshman last year
lanceylance: ANYWAY LET’S GOOOOOOO

*Team Trainwreck*
lanceylance: FUCK
kogayne: MURDER
carrierpidgeon: SHOOKETH
shayfromstatefarm: H O W
hunkerdunker: i am beyond words
allurable: what happened??
lanceylance: ZARKON’S KID AND HIS SQUAD JOINED GSA AND I’M NOT ALLOWED TO BE MEAN TO THEM BC GSA IS A HATE-FREE ENVIRONMENT
kogayne: they claim they’re not there to do any dirty work
carrierpidgeon: ^^^ legolas wannabe said that he hates his dad and wants to help us
hunkerdunker: this is after lance brought up that if anyone has been harassed by a member of the staff or administration, they need to speak up
shayfromstatefarm: he got a Look on his face

takashmeoutside: maybe give them the benefit of the doubt?

kogayne: HIS SQUAD STALKED ME FRESHMAN YEAR

takashmeoutside: you were freshman, you were all morons

takashmeoutside: maybe he’s matured

takashmeoutside: i know you’ve matured

kogayne: i’m gonna ignore that

lanceylance: HHHHHHHHHHHH

lanceylance: i’ll keep an eye on the situation, and we’ll get coran to intervene if it gets bad

lanceylance: ANYWAY I GOT SOME INTERESTING STORIES FROM SOME KIDS ABOUT HARASSMENT THAT’S BEEN SWEPT UNDER THE RUG

carrierpidgeon: we’re building up the Evidence Locker

hunkerdunker: *a google doc titled Harassment Evidence Locker, not an actual locker, although that would be cool, and it’s probably a good idea to have hard copies of everything on hand

shayfromstatefarm: i’ve already printed half of our stuff out

hunkerdunker: hey i love you

shayfromstatefarm: :)

lanceylance: oh sure call me and keith out for expressing our love

hunkerdunker: you two are gross about it

lanceylance: GROSS?? I’LL SHOW YOU GROSS

takashmeoutside: he’s,..., literally you

kogayne: we hide in there and pretend to make out and make everyone uncomfortable while in all actuality we’re just cuddling??

lanceylance: how dare you expose my master plot

mattata: never mind he’s not me

carrierpidgeon: there are some things i wish i never read and this is one of those things

lanceylance: your virgin eyes can’t handle it

carrierpidgeon: my virgin eyes have seen the darkest reaches of the internet, my asexual ass just doesn’t want any of your bisexual bodaciousness

allurable: bodacious: audacious in a way that is admirable

lanceylance: so you think my pursuit of keith and my end goal of grossing out the gc is admirable ;)

carrierpidgeon: i was hoping everyone would be too lazy to look up the word, i just needed one that started with b

takashmeoutside: so you went with “bodacious”?????

carrierpidgeon: ...yes

lanceylance: i’m admirable it’s too late for her to take it back

carrierpidgeon: [sigh]

kogayne: pidge’s amount of patience is pretty admirable imo

lanceylance: WHOSE SIDE ARE YOU ON KOGANE

kogayne: pidge said we’d go cryptid-hunting this weekend i’m not about to lose my hunting partner

lanceylance: [clutches chest] he chose her over me

lanceylance: i weep

lanceylance: i weep for what once was, what could have been

lanceylance: [collapses on the floor in a heap of tears]

lanceylance: i must die now, for my will to live has disappeared

lanceylance: [dies]

kogayne: tragic

shayfromstatefarm: [chorus sings a soft death hymn]

allurable: [chorus is really just singing “rest in pieces” but it’s us so it sounds pretty]
hunkerdunker: what the hell am i reading
mattata: the greatest tragedy of our generation
takashmeoutside: keith choosing cryptids over lance
carrierpidgeon: finally, some common sense
lanceylance: [rises from the dead] I AM OFFENDED
takashmeoutside: hi offended, i’m dad
allurable: MFHJFHGMDMS
lanceylance: this group chat is the worst why am i here
hunkerdunker: you made the chat
lanceylance: WELL RIGHT NOW I’M HAVING REGRETS

Team Trainwreck

hunkerdunker: okay everyone good morning remember the plan

hunkerdunker: lie low for the day

kogayne: let’s see if word’s gotten back to zarkon and morvok that i skipped out on detention yesterday

lanceylance: keith, no

kogayne: what

lanceylance: do not provoke them

kogayne: i didn’t plan on it

kogayne: it’s just gonna be,,,,, interesting is all

carrierpidgeon: i’m gonna provoke keith into provoking them

lanceylance: HHHHHHHHHHHHHNNNNNNN PIDGE WHOSE SIDE ARE YOU ON

hunkerdunker: the cryptkids are ganging up on you

lanceylance: I KNOW AND I DON’T LIKE IT

takashmeoutside: keith, no.

mattata: keith yes
lanceylance: MATT I WAS COUNTING ON YOU

allurable: keith no

lanceylance: THANK YOU ALLURA

allurable: of course!!

shayfromstatefarm: should i chime in on this discussion

lanceylance: ARE YOU ON MY SIDE

shayfromstatefarm: yes

lanceylance: THEN YES

shayfromstatefarm: keith no

lanceylance: THANK YOU SHAY

lanceylance: HUNK, TAKE A SIDE

hunkerdunker: i choose the path that won’t get me in the office today

hunkerdunker: keith no

lanceylance: THANK YOU HUNK

lanceylance: TEAM KEITH IS OUTNUMBERED, GIVE UP

kogayne: i thought you were always on team keith?

lanceylance: HHHH DON’T DO THIS TO ME

allurable: be strong for mother

lanceylance: so if you’re my mom is matt or shiro daddy

kogayne: i have concerns

lanceylance: you know what this makes up for you taking keith’s side

carrierpidgeon: i thought if you and keith got into a fight, we didn’t even have to take sides

lanceylance: ah, but pidgey, this is where you’re /wrong/

lanceylance: i meant a /serious, there’s an honest chance we could break up with each other if we
don’t resolve this like mature adults/ fight

kogayne: i have concerns

lanceylance: NOT THAT WE’D EVER REACH THAT POINT BECAUSE WE TALK
THROUGH OUR PROBLEMS

carrierpidgeon: you fuckin better not, you’ll be insufferable

lanceylance: AND IF WE BROKE UP I’D PROBABLY NOT LEAVE MY HOUSE EVER AGAIN AND MY NEW BOYFRIENDS WOULD BE TWO GUYS NAMED BEN AND JERRY

kogayne: i have less concerns now

lanceylance: /this/ fight is no more than keith being ridiculous

lanceylance: and he and i both know that if it comes down to it

lanceylance: if zarkon or morvok come at him

lanceylance: because keith provoked them

lanceylance: i’ll still be at his side

carrierpidgeon: this is disgusting

allurable: ly cute!!!!

takashmeoutside: what if keith didn’t provoke them

lanceylance: then i’ll definitely be there and i’ll be even angrier because that’s my boyfriend they’re screwing with how dare they

lanceylance: i will gladly get my armor dented to protect keith

mattata: tell me why these two seniors in high school have a better time committing to each other than half the married couples out there nowadays

kogayne: IT’S CALLED A HEALTHY RELATIONSHIP LOOK IT UP

carrierpidgeon: a 21st century cryptid

hunkerdunker: so then could u say„„

lanceylance: THE HUNTER HAS BECOME THE HUNTED

carrierpidgeon: fuckfignme

kogayne: i can’t believe pidge set me up for that

shayfromstatefarm: i just laughed so loudly that some freshman just gave me the stink eye

lanceylance: SHAY’S BEEN LURKING

shayfromstatefarm: no, i spoke earlier

lanceylance: been lurking ever since
carrierpidgeon: keith what kind of cryptid is this

hunkerdunker: an angel on earth, that’s what

shayfromstatefarm: <3

lanceylance: THE DOUBLE STANDARDS

Team Trainwreck

(3) photos, (1) video from carrierpidgeon

carrierpidgeon: tell me why this is the third time this school year keith’s eaten pizza for lunch

carrierpidgeon: /with a fork and knife/

carrierpidgeon: I HAVE BEEN FRIENDS WITH YOU FOR YEARS, YOU ARE NOT THIS EXTRA AT HOME

takashmeoutside: keith is no longer my legacy i don’t claim him

kogayne: i have to let everyone know i’m armed and dangerous

carrierpidgeon: IT’S A PLASTIC KNIFE AND FORK

hunkerdunker: CAN WE NOT SEND THINGS LIKE THAT TO THE GROUP CHAT, LEST GUIDANCE OR THE OFFICE GET WIND

kogayne: i will look anyone dead in the eye as i cut pizza with a plastic knife and eat it with a plastic fork, fucking come at me,

shayfromstatefarm: (i think zarkon and morvok have him on edge)

lanceylance: hey, babe, if they come at u, u won’t have to do a thing

lanceylance: the rest of us have u

lanceylance: remember the plan to lie low

mattata: I JUST OPENED THE GROUP CHAT

mattata: KEITH WHAT THE FUCK

lanceylance: YOU RUINED A ROMANTIC MOMENT

(1) photo from shayfromstatefarm

shayfromstatefarm: you two are holding hands

KEITH DEFENSE SQUAD

carrierpidgeon: HEARD over the pa system just now: “keith kogane to the main office”

hunkerdunker: everyone knows that’s code for “you’re in trouble”

lanceylance: I WANT TO GO AND DEFEND HIM BUT I CAN’T HHHH

lanceylance: i’m genuinely afraid for him

lanceylance: zarkon took morvok’s side and they’re both homophobic dicks and,,

allurable: count to ten

allurable: i may have to jump into the main chat for this, but i don’t want to freak out keith any more than he probably already is:

allurable: whatever happens, inform me.

allurable: if there’s documentation, even better.

allurable: my father will take things to the board of ed and even the superintendent if necessary.

allurable: this kind of harassment cannot and should not stand.

lanceylance: i’m also mad bc this was study hall and we were gonna go do homework in the library together >’:( but now he’s gonna be harassed by the principal!!

takashmeoutside: you don’t even know for sure that he got called to the office for anything related to that whole situation.

mattata: but it’s a pretty safe bet it’s for that

takashmeoutside: unfortunately

allurable: i just threw my phone across the room

takashmeoutside: does he need me to come pick him up?

lanceylance: yeah

carrierpidgeon: /shit/

mattata: i’m out and about, i’m picking up some monster movies and ice cream and i’m dropping them at the brogane house

shayfromstatefarm: this whole situation is awful

shayfromstatefarm: it’s our senior year

shayfromstatefarm: this is supposed to be a chaotic but happy time where the principal and teachers help us prep for college, not tear us down for /who we are/.

allurable: they’re not going to get away with this.

takashmeoutside: i’m coming to pick him up right now.
hunkerdunker: alright

hunkerdunker: i think the best thing we can do is keep getting on with our days while shiro takes keith home

carrierpidgeon: ^^^^^ like lance said earlier, keith doesn’t like crowds and doesn’t like to cause a scene, especially with Emotion

lanceylance: ^

lanceylance: give him a few hours

lanceylance: when school’s out, i’m gonna try texting him, after he’s had about an hour to calm down

klance sorry party committee

carrierpidgeon renamed klance sorry party committee to revenge squad

carrierpidgeon: your first assignment: Operation Raise Hell

lanceylance > kogayne

lanceylance: hey man

lanceylance: you don’t need to respond to this

lanceylance: i just wanted to tell you that no matter what,

lanceylance: 1. i love you and i’m here for you

lanceylance: 2. you are entirely valid and deserving of all the love in the world

lanceylance: 3. you’re the strongest person i know

lanceylance: 4. you make me happy, and i don’t know where i’d be without you

lanceylance: so fuck zarkon, fuck morvok, they’re shitty people and wouldn’t know kindness if it socked them in the face

lanceylance: i.

lanceylance: love.
lanceylance: you.

takashmeoutside > lanceylance

takashmeoutside: keith is crying into his pillow and muttering “he’s too good for me”
takashmeoutside: just wanted to let you know, since i know he has read receipts turned on for you
takashmeoutside: you’re good for each other.
takashmeoutside: after almost one and a half years, consider this my stamp of approval

takashmeoutside: he’s a boy on a mission

lanceylance: i told him to stay home and then told him if i caught him slipping i’d literally drive him home in the middle of the school day

shayfromstatefarm: i sense more here

lanceylance: he told me if i did that he’d kick my ass

lanceylance: how do i gently tell him that he needs to put his pride aside and let us help him

mattata: THE LANCE EFFECT

lanceylance: i’m so proud of u i might cry

carrierpidgeon: hey quick situation update, every member of gsa is rumored to be getting detention

shayfromstatefarm: ^^^^^ instead of giving detention to every participant, zarkon’s going after the organizers

lanceylance: oh bet, can’t wait for my club to get shut down

allurable: that won’t happen.

allurable: expect an investigation into keith’s harassment incident to begin by this afternoon.

allurable: also, on the off chance gsa /does/ get shut down, no one said you can’t host it after school at someone’s house

allurable: my father and i would be more than willing to help

lanceylance: MY QUEEN THANK YOU

allurable: also, if he attempts to give lance and keith detention, make it abundantly clear that they had nothing to do with this. if he persists, let me know. i have to go now, i have important matters to attend to with shiro and matt! :)

kogayne: Y’ALL DID NOT HAVE TO RISK DETENTION FOR ME
hunkerdunker: you’re one of us, yes we did

kogayne: what the fuck is this feeling i’m experiencing right now

lanceylance: it’s called platonic love

kogayne: gross

kogayne: i kinda like it

lanceylance: /holy shit he’s so far gone/

Team Trainwreck

allurable: lunchtime check-in. how are we doing, kiddies?

carrierpidgeon: LISTEN YOU’RE NEVER GONNA BELIEVE THIS

carrierpidgeon: ZARKON CALLED ALL OF GSA DOWN, RIGHT

carrierpidgeon: LANCE AND KEITH WERE THERE TOO BUT THEY WERE LIKE, IN
THE BACK, AND EVERYONE WAS TRYING TO SHIELD THEM IT WAS FUCKING
MAGICAL

carrierpidgeon: BUT THEN GET THIS

carrierpidgeon: I’M ABOUT TO MARCH MY ASS TO HIS DESK AND CLAIM FULL
RESPONSIBILITY FOR THE WHOLE SHABANG BECAUSE TECHNICALLY I’M THE
ONE WHO ORGANIZED IT

lanceylance: she looked like a 5’2” can of whoopass

carrierpidgeon: BUT THEN

carrierpidgeon: THEN

carrierpidgeon: LACTOSE INTOLERANT WALKS UP TO HIS DAD’S DESK WITH HIS
SQUAD BEHIND HIM AND THE ROOM IS DEAD. SILENT.

carrierpidgeon: WHICH, MIND YOU, IS DIFFICULT TO ACHIEVE, BECAUSE IT’S A
CRAMPED OFFICE WITH LIKE SOME 40 KIDS CRAMMED IN THERE, SPILLING INTO
THE MAIN OFFICE

carrierpidgeon: SHAY YOU NEED TO ACT THIS OUT WITH ME I’LL BE LACTOSE YOU
BE ZARKON

shayfromstatefarm: /SON? YOU WERE A PART OF THIS?/

carrierpidgeon: YOU CALLED DOWN ALL OF GSA, DID YOU NOT?

shayfromstatefarm: AND HOW DID YOU GET ROPED INTO THIS?
carrierpidgeon: WHY, FATHER, I ORGANIZED IT.

mattata: HOLY FUCKING /WHAT/

carrierpidgeon: (SHUT UP WE’RE NOT DONE)

shayfromstatefarm: /YOU?/ /YOU/ ORGANIZED THIS?

carrierpidgeon: OH BUT OF COURSE

shayfromstatefarm: AND WHAT POSSESSED YOU TO DO THAT?

carrierpidgeon: YOU’VE BEEN HARASSING THESE STUDENTS FOR FAR TOO LONG, FATHER.

shayfromstatefarm: [MOUTH OPENING AND CLOSING BECAUSE I’M TRYING TO FIGURE OUT WHAT TO SAY WITHOUT HARASSING THE 40-SOME-ODD STUDENTS STANDING RIGHT IN FRONT OF ME]

carrierpidgeon: FUNNY, YOU SEEM TO HAVE NO PROBLEM HARASSING PEOPLE ONE-ON-ONE, BUT NOW THAT YOUR SON IS STANDING IN FRONT OF AN ARMY, YOU’RE SILENT

shayfromstatefarm: [SEETHING, QUIETLY, TO LOTOR]: YOU AND I WILL DISCUSS THIS AT ANOTHER TIME. [RAISING VOICE]: THE REST OF YOU ARE DISMISSED. GET BACK TO CLASS.

takashmeoutside: does zarkon know his kid isn’t straight?

hunkerdunker: he probably has some idea, but i don’t think lotion’s really specified

hunkerdunker: in any capacity, he just saved pidge’s butt

hunkerdunker: because you /know/ he wouldn’t go easy on her

kogayne: ...i’m wondering if i should talk to him about freshman year, and see if we can like...sort that out

kogayne: ...i mean, we /were/ freshman

kogayne: and he just took a massive risk

kogayne: ...should i?

takashmeoutside: maybe not during the school day??

kogayne: there’s a football game tonight, he’s usually at those

mattata: maybe also don’t do it alone???

kogayne: i don’t think i’d be able to, even if i wanted to

kogayne: it’s gonna be cold, do you know what lance is like during cold weather
kogayne: he’s like 100x clingier than usual

lanceylance: you’re like a human furnace shut up and let me love you

lanceylance: and aLSO I’M NOT THE ONLY CLINGY ONE IN THIS RELATIONSHIP

hunkerdunker: okay that’s enough you two, time for physics

lanceylance: if we’re doing another lab i’m leaving

Team Trainwreck

lanceylance: half the kids at the football field are still talking about this morning

lanceylance: at least twelve people just congratulated me on evading detention

carrierpidgeon: did you tell them you didn’t organize it

lanceylance: pffft and take away the glory i’m receiving???? no way!!!!

kogayne: i did

lanceylance: -_- 

lanceylance: oh shoot there’s lotor, keith wants to go talk to him, we’ll update you guys soon

hunkerdunker: GOOD LUCK!!!

Team Trainwreck

kogayne: WELL

kogayne: HE WAS STALKING ME FOR SEVERAL REASONS, NONE OF WHICH HAVE TO DO WITH RELATIONSHIP INTENTIONS LIKE I’D ASSUMED

lanceylance: i’m fucking dying

kogayne: HE WANTED TO KNOW HOW I MANAGED TO BE AT THE TOP OF THE CLASS WITH MY “ATTITUDE PROBLEMS” AND “PERPETUAL LACK OF MOTIVATION”

kogayne: AND HE ALSO WANTED TO KNOW IF I HAD A THING FOR LANCE

kogayne: I WAS, APPARENTLY, NOT SUBTLE IN MY PINING FRESHMAN YEAR

lanceylance: YOU WERE PINING THAT EARLY

kogayne: YES YOU KNOW THIS

lanceylance: WHAT THE FUCK
kogayne: ANYWAY, HE SAYS WE HAVE A “LOOSE ALLIANCE” NOW, NOTHING MORE. NOTHING LESS, HE JUST WANTED TO SPITE HIS DAD, HE HAD NO INTENTION OF TRYING TO BE FRIENDLY WITH US

lanceylance: it would’ve been a lot less intimidating when he said this, but acxa and ezor were standing behind him and they scare me

lanceylance: honestly why do people say we’re the senior power couple, it’s clearly them

carrierpidgeon: bc people actually like you

hunkerdunker: ^^^^^^^^^^^ lotor’s squad keeps to themselves

hunkerdunker: AND ACXA AND EZOR DON’T FLIRT IN FRONT OF EVERYONE AND KISS IN THE MIDDLE OF CLASS, YOU NASTIES

lanceylance: i want to broadcast my love for keith kogane to the entire world

kogayne: that’s it i’m cutting off your heat source

lanceylance: GET BACK HERE WITH MY BLANKET ASSHOLE I NEED THAT

(1) video from shayfromstatefarm

shayfromstatefarm: there they go, up the hill

(1) video from carrierpidgeon

carrierpidgeon: aaaaand of course lance fell

hunkerdunker: i’m laughing more at him grabbing keith’s ankle on the way down

mattata: so that would explain the unholy shrieking shiro, allura, and i are hearing from the bleachers

mattata: ah, young love

Chapter End Notes

(4) photos from lanceylance

lanceylance: should i be concerned

takashmeoutside: do you know how many times he’s sent /me/ things like that

takashmeoutside: he’s overly excited he’s fine

takashmeoutside: just be glad this isn’t last year, when those fucking clowns were running around and keith insisted on going on even /more/ cryptid-hunting expeditions
**takashmeoutside**: with the sole purpose of /finding/ a clown to fight

**mattata**: ah, the great clown panic of 2016, also known as november 8th

**hunkerdunker**: don’t

**allurable**: HHHHHHHHHHHHHNNNNNNNNNNNNNGGGGG I’M STILL PERPETUALLY ANGRY

**shayfromstatefarm**: anyway hey keith pidge can one of you please check in with the group chat and assure us that you’re still alive

---

**Team Trainwreck**

**lanceylance**: uhhh guys??

**mattata**: $20 bucks they’re playing a prank

**allurable**: twenty dollars bucks

**mattata**: hush

**allurable**: don’t tell me what to do holt

**mattata**: don’t tell me what to do altea

**takashmeoutside**: i can’t believe i’m dating /both of them/

**shayfromstatefarm**: keith or pidge can one of you answer /someone/ in this group chat

**shayfromstatefarm**: hellooooooooooo

**lanceylance**: KEITH KOGANE IT’S BEEN AN HOUR AND A HALF SINCE I LAST HEARD FROM YOU

**shayfromstatefarm**: do you think their phones died, maybe??

**takashmeoutside**: keith always has at least 3 backup chargers, and i know pidge owns at least seven

**takashmeoutside**: you’ve never seen their hunting gear, they actually take this seriously

**lanceylance**: KEITH KOGANE CAN YOU TAKE MY TEXTS SERIOUSLY

**hunkerdunker**: pidge too

**lanceylance**: KEITH I HAVE A N X I E T Y AND THIS IS NOT HELPING

**allurable**: if they’re out in the woods, maybe they dropped their phones and lost them?? or dropped them in a lake somewhere??

**mattata**: the forest they frequent /does/ have a lake…
lanceylance: WHAT IF THEY DROWNED OH MY GOD

hunkerdunker: buddy, /breathe/

hunkerdunker: i really don’t think they drowned

lanceylance: WELL I WOULDN’T KNOW BECAUSE /NEITHER OF THEM WILL CHECK IN/

allurable: well if they’re both cryptid fanatics, maybe they turned their phones off, because the signals interfere with the cryptids??

takashmeoutside: they might not have service, there are dead zones out in the woods

lanceylance: last time i was in the woods i had better service than i do at school

lanceylance: holy shit what if they got jumped or kidnapped

lanceylance: WHAT IF THEY’RE DEAD

hunkerdunker: lance i’m coming over

lanceylance: KEITH OR PIDGE /ANSWER THE FUCKING GROUP CHAT/

lanceylance > kogayne

lanceylance: KEITH

lanceylance: HELLO???

lanceylance: IF THIS IS SOME KIND OF PRANK YOU TWO ARE PLAYING THEN IT’S NOT FUNNY

lanceylance: KEITH I’M ON THEE VERGRO OF A PAINC ATTKC

lanceylance: KEEEETH

lanceylance > kogayne

lanceylance: babe it’s been three hours

lanceylance > kogayne

lanceylance: keith please

mattata > carrierpidgeon
mattata: hey gremlin answer the fucking phone

mattata: seriously, you or keith needs to check in

mattata: katie

mattata: katie anne holt.

mattata > lanceylance

mattata: it’s been four hours

lanceylance: i’m so scared right now

lanceylance: he never goes without answering my texts this long

lanceylance: he knows i get freaked out really easily by shit like this

mattata: is hunk still over?

lanceylance: yeah

lanceylance: he kinda had to pull me out of a panic attack

mattata: i’m so sorry man

takashmeoutside > kogayne

takashmeoutside: keith, where are you??

takashmeoutside: answer the phone

takashmeoutside: keith?

takashmeoutside: seriously. if you and pidge are pulling a prank on us, then it’s going too far.

**Team Trainwreck**

takashmeoutside: it’s been four and a half hours, even if their phones were dead or busted, they should’ve come back by now

mattata: does anyone know anything about where they were going or what they were doing today??

takashmeoutside: no, but keith left his computer on, i’m gonna go look through it and see what i can find

mattata: okay, because i’m doing the same on pidge’s, and she’s got some kinda software that links her phone, camera, and computer, to transfer files and stuff wirelessly
mattata: the last thing she submitted was shortly after keith texted lance, but it’s all blurry, it looks like they’re running

allurable: can you trace the location?

mattata: give me a sec

mattata: OH FUCKING SHIT

lanceylance: WHAT

mattata: you know how the hiking trails that are like, twenty minutes from here have some really bad trails, and some are completely off-limits now bc the town doesn’t bother paying to fix them

takashmeoutside: tell me they didn’t

mattata: i’d be lying but fine they didn’t

takashmeoutside: fuck

takashmeoutside: this is so bad

mattata: that signal went off hours ago

allurable: okay, okay, timeline

allurable: when did they leave here?

mattata: keith picked up pidge at about 10, the ride is 20 minutes without traffic, so let’s round to a half hour

lanceylance: then keith texted me at 11:30

hunkerdunker: that’s already a solid hour of hiking

mattata: pidge’s last known signal is timestamped around 11:45

shayfromstatefarm: it’s already 4:15

shayfromstatefarm: we’ve only got about 2 hours till sunset

takashmeoutside: we need to call the police, and we need to get out there and look for them

mattata: it’s been four and a half hours since we last heard from them

mattata: they could’ve gotten off to somewhere else entirely

mattata: ...whiiiiiiiiiiiiiiiiich is exactly why we need to look

allurable: alright. shiro, get on the phone with the police. as for the rest of us, we need to get to the woods

mattata: i can take you and shiro
**hunkerdunker:** i’m already at lance’s, i can grab him and then swing over to get shay

**takashmeoutside:** i can’t believe i’m spending saturday night tracking my cousin and boyfriend’s little sister down in the middle of the woods

**mattata:** let’s not forget it was because they were cryptid-hunting

**lanceylance:** ENOUGH ABOUT THAT THEY’RE PROBABLY HURT LET’S GO

---

**Team Trainwreck**

**takashmeoutside:** beta group, check-in

**mattata:** hunk, shay, and i are alive

**mattata:** how are you, alpha team

**lanceylance:** TRYING NOT TO LOSE MY SHIT BUT GOOD OTHERWISE

**lanceylance:** THE PARK RANGER IS FRIENDLY

**allurable:** we’re all accounted for

**takashmeoutside:** do all of you have the center meeting spot circled on your maps

**hunkerdunker:** yes sir

**takashmeoutside:** good. we meet back there at 8 PM, or as soon as we find them

---

**Team Trainwreck**

**lanceylance:** i can’t do this i’m going to lose it ti

**takashmeoutside:** we found keith’s phone near a dropoff

**shayfromstatefarm:** oh no…

**takashmeoutside:** there’s evidence they fell down. we’re getting down there now.

**hunkerdunker:** where on the map are you

**hunkerdunker:** if you have a lead, it’s unlikely keith and pidge got separated

**takashmeoutside:** red sector, there’s a break near trail 4

**hunkerdunker:** gotcha, we’ll be there soon

---

**Team Trainwreck**
shayfromstatefarm: matt

mattata: yeah

shayfromstatefarm: do you remember what the last photo pidge took looked like

shayfromstatefarm: because i’m wondering if they weren’t running

shayfromstatefarm: i’m wondering if they were falling and she took that photo midfall by accident

mattata: ...fuckc fuck UFUCKF FUCK YOU’RE PROBABYL IRUTHT

mattata: HERE I SAVED IT TO MY PHONE BEFORE I LEFT

(1) photo from mattata

lanceylance: thatl ooksd loike the cligf alright

hunkerdunker: lance, buddy, do you need to stop?

lanceylance: ivgeo gtotta gind him

hunkerdunker: okay, you gotta breathe

hunkerdunker: we’re nearly to your location, i think i can actually hear shiro

shayfromstatefarm: yep thanks for that yell allura we hear you

Team Trainwreck

mattata: hlyshitsohlthospyljshitl

allurable: matt, i need your keys, i’ll meet you all at the hospital

hunkerdunker: ditto for me and shay

shayfromstatefarm: we’ll be there asap

hunkerdunker: are they letting lance in the ambulance or does he need a ride with us

takashmeoutside: they’re letting him in

takashmeoutside: which, seeing as he’s on the verge of fainting, might not be a bad idea

allurable: watch out for him too

takashmeoutside: will do

hunkerdunker: see you guys soon

Chapter End Notes
yeah so that break between events there is when they're all together irl so they don't need to text
don't worry gaps will be filled later on and in the oneshot but the oneshot won't be necessary to read
also someone yell at me to work on stars go down, chapter 15 has been moving at a snail's pace
The Author Enjoys The Sound Of The Word "Concussed"

Chapter Summary

we find out keith and pidge's injuries  
as for what happened?? lmao what's an explanation

Chapter Notes

aaaaaaaaaaaaaaaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA  
CALCULUS IS SO STRESSFUL  
HIGH SCHOOL IS SO STRESSFUL I HAVE SO MUCH TO DO THIS MONTH  
I'M GONNA FLING MYSELF INTO THE SUN

See the end of the chapter for more notes

Team Trainwreck

hunkerdunker: they’re not letting shay, allura, or me visit this late, can we get a status update and also know how lance got in

takashmeoutside: lance was having separation anxiety

takashmeoutside: and insisting that aside from me, he was the closest thing keith had to family

takashmeoutside: as far as injuries go, keith’s concussed

takashmeoutside: and the gash on his leg was deeper than it looked, so that’s another two weeks for recovery, assuming he doesn’t get an infection that worsens things

takashmeoutside: not to mention he sprained his wrist

takashmeoutside: and then there’s the matter of the other bruises and scrapes

mattata: what the fuck

mattata: katie’s just got a broken arm, some bruising, and some scrapes

takashmeoutside: idk man, keith’s too out of it to properly describe what happened

mattata: katie flat-out refuses to say anything

mattata: she’s too shaken up about it

takashmeoutside: the authorities are opening an investigation and need their responses as soon as they’re available
takashmeoutside: right now they think foul play was a factor in this

lanceylance: hey can we do this in a different group chat

lanceylance: keith may be out of it but he knows when the group chat is going wild

lanceylance: and i don’t want him freaking out when he finally gets back on his phone

concerned older brother™

allurable: foul play?

takashmeoutside: some of keith’s bruising didn’t look like bruising from falling down or smashing into rocks

takashmeoutside: it looked like someone hit him

lanceylance: W H O  H I T  H I M

takashmeoutside: we don’t know

takashmeoutside: the authorities could be wrong

mattata: are they releasing keith tonight? they’re gonna release katie within the hour

takashmeoutside: no, they’re keeping him overnight for observation

lanceylance: they’re gonna make us leave :(

mattata: when they leave, kashi, can u help me and allura with katie?

hunkerdunker: kashi?

lanceylance: keith isn’t here to make fun of him but i can’t bring myself to do it

shayfromstatefarm: put your phone down and get some rest

shayfromstatefarm: spend your remaining time at keith’s side before they make you go home

lanceylance: okay

mattata: yeah, i’ve gotta go anyway, i’ve gotta fill out stuff for katie

mattata: when my parents fly back in tomorrow they’re going to have a fit

lanceylance: mine already know what happened and they’ve already offered to make food for your family

lanceylance: and keith

lanceylance: and i’m gonna go now
takashmeoutside: Sunday mornings feel weird without Keith here to demand bacon
lanceylance: Sundays feel weird without good morning snaps :-(
lanceylance: or Keith sneaking out at 5 AM to greet me with coffee :(((
mattata: okay so I got pretty much nothing out of Katie, and we’ve been talking for half an hour
mattata: She told me something tho and I’m really concerned about it
allurable: hey maybe don’t be cryptic
mattata: She said Keith saved her life
takashmeoutside: w h a t
mattata: She said “if Keith wasn’t there I would be dead” and now she’s spacing out
hunkerdunker: oh my god
shayfromstatefarm: what the /hell happened/ to them
mattata: Katie just said she won’t talk about it without Keith
mattata: She needs him to fill some gaps
takashmeoutside: well, I’m about to leave to go see him, but I don’t think his doctor is going to want him to do any brain-intensive activity, like thinking
lanceylance: can u pick me up I wanna see him
takashmeoutside: yep
lanceylance: thank u
takashmeoutside: omw np
allurable: alright, while those two go bring Keith home, and Matt takes care of Pidge, I’m going to be taking care of the Zarkon situation with my father
hunkerdunker: it’s Sunday
allurable: JUSTICE DOESN’T SLEEP
hunkerdunker: fair point
shayfromstatefarm: ...so, Hunk, I guess it’s just you and me
shayfromstatefarm: wanna go bowling
hunkerdunker: ...yeah sure
shayfromstatefarm: i’m driving, be over in 20

hunkerdunker: i’ll prep some of my Sunday Special coffee

shayfromstatefarm: <3

hunkerdunker: <3

considered older brother™

Takashmeoutside: so we have mostly good news

allurable: mostly?

Takashmeoutside: most of the negative news pertains to keith

lancey lance: and by extension, me

Takashmeoutside: ...yes, anyway,

lancey lance: RUDE

Takashmeoutside: ANYWAY

Takashmeoutside: as you can see, things improved a lot more overnight than we thought, because lance is in a good mood

allurable: CAN YOU MAYBE ACTUALLY TELL US WHAT’S UP WITH KEITH

Takashmeoutside: okay

Takashmeoutside: he’s concussed, and it’s not as bad as we thought

Takashmeoutside: he needs a week or so for recovery, and while he doesn’t need to miss school, he does need to cut down on work time significantly

Mattata: isn’t he taking 5 AP classes

Lancey Lance: (don’t tell his teachers but i’m gonna do half of his work for him and help him so he doesn’t fall behind)

Mattata: when i was out sick for a week senior year shiro laughed at me while i drowned in my overdue ap assignments

Takashmeoutside: and i regret nothing

Takashmeoutside: his leg’s not infected, and the damage wasn’t too bad (again, with everything happening, we thought it was worse, especially with how deep the cut went)

Takashmeoutside: he might have some pain while he walks, for now, but he’s expected to fully recover within about two weeks
lanceylance: i now have an excuse to carry him everywhere

takashmeoutside: his wrist sprain’s gonna be a week or two

lanceylance: so basically keith isn’t gonna die and it’s a lot better than it looked last night

allurable: i mean, it /was/ dark, and they were all dirty and beaten up

lanceylance: except i can’t see his cute face at school as often and can’t bombard him with texts bc he needs to rest his brain

allurable: you’re so attached to him

lanceylance: i l o v e him

hunkerdunker: remember when we all wanted lance to settle down and stop flirting with girls

hunkerdunker: well

hunkerdunker: i don’t think this is what any of us pictured

takashmeoutside: actually keith did

lanceylance: HIS PINING ASS <3

shayfromstatefarm: who’s gonna say it for pidge

hunkerdunker: i’ve got it

hunkerdunker: ahem,

hunkerdunker: Disgusting

lanceylance: EXCUSE ME I SAW THE EARLIER TEXTS WITH YOU AND SHAY

lanceylance: GO BACK TO YOUR BOWLING I HOPE YOU BOTH LOSE

shayfromstatefarm: we’re against each other, someone /has/ to win

lanceylance: I KNOW WHAT I SAID

lanceylance: I DO NOT NEED THIS SLANDER

allurable: ,,,, ANYWAY I’M GONNA GO WORK ON THE ZARKON SITUATION HAVE A LOVELY SUNDAY

hunkerdunker: work on a sunday?

allurable: JUSTICE DOESN’T REST, HUNK

shayfromstatefarm: she’s not wrong

shayfromstatefarm: have fun
lanceylance: YES, YOU GO GIRL, MAKE THEM PAYYYY

takashmeoutside: did you sleep

takashmeoutside: like at all

lanceylance: I'M GOING TO AVOID THAT QUESTION AND CUDDLE WITH MY BOYFRIEND GOODBYE

**concerned older brother™**

mattata: i leave for five minutes to check on katie and i miss a lance roast

mattata: dammit

Chapter End Notes

Team Trainwreck

carrierpidgeon: I SHOULD’VE STAYED HOME TODAY

carrierpidgeon: EVERYONE WANTS TO KNOW WHAT HAPPENED TO MY ARM

carrierpidgeon: AND SOMEHOW THEY’VE CONNECTED LANCE’S DEPRESSION AND KEITH’S ABSENCE TO MY CAST

allurable: lance’s depression?? wait was he depressed or Depressed

hunkerdunker: Depressed. he moped through the entire day

shayfromstatefarm: he missed keith

carrierpidgeon: “I’M AN ASEXUAL, DICKWAD, AND EVEN IF I WANTED TO TURN MYSELF ON, THE LAST THING I’D EVER THINK OF IS YOUR FACE. DONALD TRUMP HAS MORE SEX APPEAL THAN YOU DO, AND HE’S A CRUSTY TANGERINE.”

takashmeoutside: holy shit

allurable: [casually files this away as evidence of zarkon and morvok fostering an unhealthy environment for students, especially lgbtq+ students]

lanceylance: i’m sitting with keith right now and he just asked me to go get a knife so just to let you know he’s on your side

carrierpidgeon: i mean, he got sent to the office

carrierpidgeon: BUT

carrierpidgeon: THESE ASSHOLES WANT ME TO TELL A STORY I’M NOT COMFORTABLE WITH

carrierpidgeon: AND THAT I DON’T FULLY REMEMBER SOME OF THE DETAILS OF

mattata: we’re not gonna push you, sis

mattata: whenever you and keith are ready, we’re ready

mattata: i’m being confused for shiro and i won’t stand this slander

takashmeoutside: eXCUSE ME

mattata: SICK FOR AN ENTIRE WEEK, TAKASHI

takashmeoutside: YOU SIGNED UP FOR THOSE COURSES

mattata: UNDER THE IMPRESSION THAT I WOULDN’T GET A DEBILITATING FLU IN THE MIDDLE OF FEBRUARY

lanceylance added carrierpidgeon, hunkerdunker, shayfromstatefarm, and kogayne to PIDGE
lanceylance: so while they’re fighting

lanceylance: you wanna give us some names

carrierpidgeon: why is keith here if he’s not allowed to use his phone today

lanceylance: because when he recovers he’s going to show your kind civics friends his very cool knife collection

shayfromstatefarm: a new up-close and personal exhibition

hunkerdunker: with volunteers to try out some cool stunts

lanceylance: keith would like to add that the volunteers don’t have to be willing

carrierpidgeon: AHSJDKSLFL CAN YOU IMAGINE IF THE OFFICE FOUND THIS

carrierpidgeon: SERIOUSLY YOU GUYS I WANNA CRY <3

lanceylance: pidge? with feelings?

hunkerdunker: g a s p

carrierpidgeon: yeah i know i’m just as surprised as you guys are

carrierpidgeon: also lance can you ask keith when a good day is for him to Talk about things

lanceylance: keith says wednesday, his house

 carrierpidgeon: ...yeah, i think that’ll be good enough

Team Trainwreck

carrierpidgeon: brogane house. wednesday. 3 PM.

carrierpidgeon: the cryptkids would like to explain what happened.

takashmeoutside: are you sure

mattata: u comfortable with doing that, katie??

carrierpidgeon: yeah and keith is too

takashmeoutside: IS KEITH ON HIS PHONE

takashmeoutside: KEITH KOGANE YOU KNOW WHAT THE DOCTOR SAID

lanceylance: if you would walk literally right into the next room you could see that i am, in fact, reading texts from our other group chat out loud
lanceylance: i am a responsible boyfriend who wants keith’s noggin on right

lanceylance: keith just told me to tell the group chat that he finds me “insufferable” but he’s smiling and looking all cute and stuff so i don’t know how seriously i can take his words

allurable: wait you have a different group chat

lanceylance: everyone in this group chat is in at least 20 other group chats made up only of varying members from this one don’t even try to deny it

lanceylance: also keith says he’s serious

lanceylance: however,

(2) photos from lanceylance

lanceylance: these pictures say otherwi

takashmeoutside: i think keith just threw lance’s phone across the room

takashmeoutside: does lance have an otterbox

hunkerdunker: fortunately, yes

hunkerdunker: after he broke his fifth phone (bc he refused to use a case bc it “ruined the aesthetic”) he caved and bought one

lanceylance: I AM BEING EXPOSED

lanceylance: and yes keith did indeed throw my phone

carrierpidgeon: so is everyone down for wednesday at the broganes’

takashmeoutside: yes

lanceylance: yes x 2

hunkerdunker: i’m free

shayfromstatefarm: i’ll be there

allurable: count me in

mattata: hhhmmmmmmmm i dunnooooo

carrierpidgeon: MATT

mattata: jk ofc i’ll be there

concerned older brother™

mattata: not to be insensitive
takashmeoutside: oh no

mattata: but what do you guys think happened to them

takashmeoutside: based on keith’s bruising? a deliberate attack

lanceylance: isn’t deliberate a little harsh

lanceylance: i was thinking a bear attack

allurable: bears? /really????/

shayfromstatefarm: maybe they got chased by an animal and got lost?? and then fell off a trail???? keith /did/ tell lance they found something

hunkerdunker: just based on all of our evidence so far, i’m thinking they were attacked but not deliberately

lanceylance: so a /bear/

hunkerdunker: /no./

hunkerdunker: i feel like pidge wouldn’t be so shaken up by a bear attack

hunkerdunker: and she said keith saved her life

hunkerdunker: and keith’s got bruises that look like they were made by humans

takashmeoutside: all of those things could still point to a deliberate attack

hunkerdunker: yeah, but who outside of this group knew that they were going cryptid-hunting this weekend?

lanceylance: paul morvok took keith’s phone and tried to harass me, what if he went through keith’s messages

allurable: if it’s him i will actually march down to your school first thing tomorrow morning and ream zarkon and morvok myself

hunkerdunker: i don’t think that, as much of a scumbag as he is, paul morvok would waste his weekend stalking keith and pidge in the woods

lanceylance: you never know

lanceylance: maybe he got wind of the investigation

hunkerdunker: i’m going to be right, just you wait

lanceylance: i’m right

hunkerdunker: keep telling urself that buddy

Chapter End Notes
(in regards to the donald trump jab i fucking hate that crusty piece of shit)

tomorrow the freshmen, sophomores, and juniors are taking psats and in the past the seniors have come in late but this year they're making us come in the whole day which SUCKS but i'm hoping i can knock out homework in the cafeteria and free up my afternoon to write, since i'm missing four classes and i do have my study hall

the goal of this fanfic rn is a chapter (1000 word minimum) per day but we'll see
nobody's sleeping and everyone's guilty

Chapter Summary

It's exactly what the chapter title says: a typical high school experience when ur friend group is nothing but ~drama~ and anxiety!!

Chapter Notes

In the last 48 hours i've gotten approximately 6 hours of sleep and monday i was so delirious that i was having a giggle breakdown during physics and study hall and my friends were EXTREMELY concerned abt my health bc i kept taking the edge off with coffee and that was,,, not the best idea anyway here's the chapter

See the end of the chapter for more notes

Team Trainwreck

lanceylance: tuesdays without keith are just as weird as mondays without keith

kogayne: i’ll be back tomorrow

lanceylance: PUT YOUR PHONE DOWN YOUR BRAIN IS SUPPOSED TO BE RESTING

kogayne: but

lanceylance: SHIROOOOOOOOOOOOOOOOOOOOOOOO

takashmeoutside: i have his phone now

takashmeoutside: are you coming over again

lanceylance: if you see someone naruto running down the street in 2 seconds that’s me

allurable: w h a

(1) video from takashmeoutside

takashmeoutside: [long-suffering sigh] i already gave him my blessing

takashmeoutside: i can’t take it back

mattata: you act like i didn’t do the same thing in high school

mattata: while you /cheered me on/
carrierpidgeon: hold up, blessing??????

allurable: as in, marriage???

allurable: isn’t it a bit early

hunkerdunker: DID THEY ELOPE AND NOT TELL US

carrierpidgeon: I CALLED IT BITCHES

shayfromstatefarm: why are you both like this

shayfromstatefarm: (but forreal when was the wedding)

takashmeoutside: ajsjdfldl blessing to /DATE/ KEITH

lanceylance: 1. rude

lanceylance: 2. it’s only a matter of time before i get that marriage blessing

lanceylance: when we get older i’m gonna husband keith so hard

shayfromstatefarm: actually he turns 18 in like 2 weeks right?? and u turn 18 in july???

lanceylance: yes

shayfromstatefarm: you can legally get married without parental consent once you turn 18, except in nebraska and mississippi

lanceylance: but then we can’t get drunk at our wedding bc we’re not 21

takashmeoutside: WHY ARE YOU TALKING LIKE YOU’RE GOING TO MARRY KEITH BEFORE YOU’RE 21

lanceylance: keith says bc we are

takashmeoutside: KEITH CAN’T GET MARRIED BEFORE ME

lanceylance: keith said, and i quote, “until the law changes, i’m getting married before you”

allurable: i will personally change the law so shiro matt and i can get married and then keith and lance can get married

lanceylance: WHAT A GEM

carrierpidgeon: you all disgust me

shayfromstatefarm: excuse

carrierpidgeon: you all* disgust me

carrierpidgeon: *except for hunk and shay

mattata: wait so who’re gonna be the best men at keith and lance’s wedding in august
takashmeoutside: tell keith he’s forbidden to get married until after college

lanceylance: keith said “try and stop me” and also “if shiro keeps acting like this he’s no longer my best man”

takashmeoutside: I

takashmeoutside: ….

takashmeoutside: HNNNNNNN KEITH WHY ARE YOU LIKE THIS

lanceylance: keith said, and i quote, “¯\_(ツ)_/¯“

lanceylance: also, i would like to add that i would be a /great/ husband to marry early, keith should cuff me for life while he still can

shayfromstatefarm: did you just imply you might break up with him

lanceylance: i mean i could’ve implied an early death

hunkerdunker: ..,,lance are you having a Day

lanceylance: I’M BEING REALISTIC NO I’M ACTUALLY OKAY TODAY

lanceylance: anyway i would never break up with keith, he’s so precious, look at captain doofus over here being all cute n shit

(3) photos from lanceylance

takashmeoutside: i just heard keith groaning through the wall

lanceylance: ;))))))

takashmeoutside: LANCE I WILL KICK YOU OUT OF THIS HOUSE

lanceylance: but then keith would get pouty and run off by himself while he’s concussed, just to go after me

takashmeoutside: the worst part about that sentence is that it’s 100% factual

lanceylance: i know my boyfriend so well <3

lanceylance: mmmm my boyfriend i love thinkin bout the fact that keith is that

lanceylance: I LOVE KEITH KOGANE

hunkerdunker: shiro can u go make sure lance isn’t like, high or something

lanceylance: I AM A RESPONSIBLE BOY, HUNK, HOW DARE

hunkerdunker: you’re in a weirdly good mood today

lanceylance: keith and pidge aren’t dead in the woods and no one was harassed at school today and i don’t have homework and aaaaaaaaaaa i’m holding keith right now all is right with the world
carrierpidgeon: seriously what the fuck is up with this
allurable: does anyone know how much sleep he got last night
lanceylance: 2 hours and 17 minutes!!!!
shayfromstatefarm: aaaand that explains it
allurable: WHY WERE YOU UP SO LATE
lanceylance: thinkin bout keeeeeeith
takashmeoutside: keith if you’re reading lance’s phone like you’re not supposed to be doing then i need you to take it and throw it across the room and both of you get some sleep
lanceylance: heY WAIT A MI

takashmeoutside: from the crash i just heard i think keith missed the wall and nailed a lamp
takashmeoutside: oh well

revenge squad

hunkerdunker: does anyone else think lance was probably up late w his anxiety
allurable: oh so i’m not the only one
shayfromstatefarm: he was probably stressed out thinking about,,,,, tomorrow
carrierpidgeon: ….DID YOU GUYS DISCUSS SOMETHING IN A SEPARATE GROUP CHAT
mattata: no
hunkerdunker: no
takashmeoutside: no
shayfromstatefarm: no
allurable: no
carrierpidgeon: you’re all horrible liars
carrierpidgeon: everyone has separate group chats with everyone lance confirmed it yesterday
hunkerdunker: i’m sorry but that statement is funny bc lance isn’t in this group chat
hunkerdunker: and it’s even funnier bc u started this group chat
carrierpidgeon: ANYWAY
carrierpidgeon: lance has every right to be anxious and tbh..............he might lose his cool

mattata: oh no

carrierpidgeon: so will the rest of you,,

takashmeoutside: pidge

carrierpidgeon: what

takashmeoutside: are /you/ okay

carrierpidgeon: i don’t like thinking about it

mattata: okay, then listen to me:

mattata: put your phone down, go do some homework or play a video game or something, i’ll even come kick ur ass in a video game if u want

mattata: and if u find tomorrow that u don’t wanna talk about it, it’ll be okay

carrierpidgeon: the sooner this is over with, the better

carrierpidgeon: it’s,,, gotta happen tomorrow

carrierpidgeon: assuming keith is still down to go through with it

takashmeoutside: he still is, as far as i know

carrierpidgeon: besides, the cops need to know what happened

takashmeoutside: need to know as in “they have a right to know bc it’s a necessary feature of the investigation” or need to know as in “they’re gonna have more work to do bc of what happens in the story”

carrierpidgeon: unfortunately, number two

shayfromstatefarm: :( 

takashmeoutside > mattata

takashmeoutside: when did we become dads

mattata: well, it starts when a man and woman love each other very much,

takashmeoutside: m a t t

mattata: [long sigh] i dunno man, this whole situation???? a fucking disaster

mattata: my parents flew back in yesterday and nearly had heart attacks when they came home to katie with a broken arm, refusing to say what happened
mattata: i was THIS CLOSE to being MURDERED

mattata: i told them what she said about keith and they flipped positions REAL QUICK

takashmeoutside: ya think they’re gonna ban her from future cryptid hunts with keith?

mattata: i really hope not but tbh i think katie might ban herself after what happened

mattata: she’s taking it harder than she lets on

takashmeoutside: i worry so much about her

takashmeoutside: she’s so young, you know??

mattata: no i have no idea how old the girl i live with is OF COURSE I KNOW AND NOW I FEEL LIKE I FAILED BC SHE GOT HURT UNDER MY WATCH

takashmeoutside: sounds like you, me, her, and keith are all in a battle royale to see who’s the most guilty bc god don’t i know how that feels right now

takashmeoutside: keith is all i have left now, and to see him hurt like that???? god this SUCKS

mattata: the best thing we can do now is move forward, i guess??

takashmeoutside: when i find out who hurt them…

mattata: i’ll be right there with you

Chapter End Notes

whoa what i ended with some soft shatt instead of klance whaaaaaaaaaaaaaaaaaa don’t worry klance returns to full force soon, keith just needs time to recover from his concussion in the next chapter we find out what happened…maybe
there's so much that happens in this chapter there's no one title to sum it up except AAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Chapter Summary

keith returns to school; hunk has a confession to make; we find out what Happened

Chapter Notes

yo so my school day was a waste of time???? like i said before all the underclassmen were taking psats and i signed up, as a senior who was forced to come to school, to do ap help (which was run by my lit and physics teachers and ended up being one massive ap kid study hall) and??????

i finished most of my homework for the week (i would've finished it all but i got bored and started writing this chapter instead) and i finished season 1 of buzzfeed unsolved supernatural and THEN

we thought we were supposed to go to periods 5 6 and 7 but my assistant principal walks in and announces period 5 (physics) is getting cut and so my only classes left were fucking lunch, STUDY HALL, and CALC

AND CALC WAS AT THE END OF THE DAY AND I GOT MORE HOMEWORK TODAY WAS A WASTE (okay not totally i was more productive than i would've been at home but still)

hhhhh anyway

mattata: or not there at all

lanceylance: i told myself getting drunk would be fun to do one day

lanceylance: but actually /screw that/

allurable: drunkenness often just gives one the audacity to do something they’d never do sober, but would /consider/

allurable: those men were trash to begin with

hunkerdunker: and now they’re out there, off to spread more evil

concerned older brother™

takashmeoutside: so i talked to the police last night

allurable: why do you have to do this before they even get to school they’re just going to be stressed all day

takashmeoutside: bc it was late when i got called and lance was in the other room with keith

takashmeoutside: the police want to interview keith and pidge themselves so that they can get some descriptions and try and catch the people that were in the woods that day

takashmeoutside: they’re going to come by tonight

lanceylance: so why would you tell us in the group chat where they’re not??

takashmeoutside: i need to see if anyone is available to be there for support

takashmeoutside: the police are going to come around 5 pm, and i don’t know if they’ll interview keith and pidge alone, or if they can just sit in the living room, but i want people there

lanceylance: say no more i’ll be there

hunkerdunker: i’m free

shayfromstatefarm: ^^^^^

mattata: of course i’ll be there

allurable: shhh let’s not bring me into this

lanceylance: the Queen has spoken

allurable: why are,,, all of you like this so early

shayfromstatefarm: it’s 12:15

allurable: i’ve been busy, time is meaningless

shayfromstatefarm: but you brought time into this

allurable: shhh logic and facts are meaningless

carrierpidgeon: how did the tangerine in chief get access to the group chat

takashmeoutside: well

mattata: they handled it the best they could

mattata: tbh i expected keith to lose it a lot sooner

mattata: and let me tell you i will never be able to tell him how grateful i am that he was there with katie

mattata: and that he risked himself to protect her like??? that should be my job and i am sososo glad he was there to do it when i couldn’t be

takashmeoutside: i’ll let him know

mattata: and let me tell you i will never be able to tell him how grateful i am that he was there with katie

mattata: tbh i expected keith to lose it a lot sooner

mattata: and let me tell you i will never be able to tell him how grateful i am that he was there with katie

mattata: and that he risked himself to protect her like??? that should be my job and i am sososo glad he was there to do it when i couldn’t be

takashmeoutside: i’ll let him know

mattata: crying? openly??? was anyone else still over?

takashmeoutside: allura

mattata: i’m proud of him, he’s finally a human being

takashmeoutside: part of me was scared he’d never open up
takashmeoutside: when he hit high school and still didn’t have a lot of friends i got really nervous

takashmeoutside: i’m so glad he is where he is now

mattata: except for

takashmeoutside: matt wtf of course except for who the fuck would be glad about that

mattata: listen there are a few weirdos out there who wish for shit like that so they could be considered “strong”

takashmeoutside: people are the worst

takashmeoutside: except for like, a few

mattata: except for me right

takashmeoutside: the worst of the worst

mattata: boi if u don’t

takashmeoutside: ;)

mattata: takashi shirogane? sending the winky face to ME? what the fuck kind of alternate reality have we entered

mattata: the one where you act logically and like a decent human being <3

takashmeoutside: because it did

mattata: shit u right <3

hunkerdunker: HHHH SHAY

shayfromstatefarm: should i just leave the gc now

hunkerdunker: NOT YOU TOO

carrierpidgeon: OUR TRIO’S DOWN TO TWO

lanceylance: ST O P BIENG RITUDE TO KEITH

lanceylance: HUNK YOU’RE MEAN WHEN YOU DON’T SLEEP WHAT THE FUCK

takashmeoutside: this is like freshman year, keith-bottling-his-emotions levels of rude jeez louise

kogayne: shut the fuck up shiro

mattata: BUT IS HE WRONG

kogayne: H O L T

allurable: this entire group chat is a mess

takashmeoutside: this is what happens when hunk and pidge don’t sleep

takashmeoutside: and they force lance to be the responsible one

lanceylance: I AM ALWAYS RESPONSIBLE I WAS NOT JUST FORCED INTO THIS ROLE EXCUSE ME

kogayne: lance is 100% very responsible i can confirm

lanceylance: THANK YOU, KEITH

kogayne: :)

mattata: WHIIIIIIIIIIIIIIIIIIIIIIIIIIIIIPPED

takashmeoutside: you’re whipped for me /and/ allura you’re double whipped

lanceylance: oh shit?? shiro with a comeback?????

allurable: didn’t we already do this yesterday

carrierpidgeon: deja vu

kogayne: shiro would never, where’s my real cousin

lanceylance: takashi shirogane is dead and has been replaced with a clone, a conspiracy theory thread

takashmeoutside: quit telling everyone i’m dead

kogayne: well i’ve looked into our other recent texts and put together that he acts like the real shiro sometimes and not at others

kogayne: so i guess for now, the mystery of clone shiro will remain

kogayne: UNSOLVED
**mattata**: did the three of you just squeeze in three memes in a span of two minutes

**allurable**: it truly is a cursed day, this entire chat is cursed

**lanceylance**: wanna make it even more cursed?? add 5 more people. make it 13 of us.

**kogayne**: doesn’t lotor’s squad have 5 people

**lanceylance**: okay i said add 5 people not 5 DEMONS

**kogayne**: okay but he did stick up for us that one time

**lanceylance**: okay but that was for his own gain he actually wants nothing to do with us

**kogayne**: how was it for his own gain

**lanceylance**: so he has a bargaining chip, just u wait, something’ll happen and he’s gonna cash in that favor like “remember when i stopped my dad from reaming u guys and shutting down your club??? yeah do this semilegal thing for me”

**takashmeoutside**: that was,, a bit specific

**lanceylance**: i dON’T TRUST HIM

**lanceylance**: I REALLY DON’T TRUST HIM

**kogayne**: i mean neither do i but isn’t that prediction a little out there

**lanceylance**: JUST U WAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

**allurable**: (alexander hamilton, we are waiting in the wings for you)

**mattata**: STOP WE ARE NOT DOING THIS AGAIN

**carrierpidgeon**: I DEALT WITH LANCE AND HUNK AGGRESSIVE GOING AT OBEDIENT SERVANT FOR /MONTHS/

**kogayne**: have you all seen lance when he gets really into yorktown?? one time he literally started crying

**lanceylance**: it was 2 AM and i had no sleep and too much sugar and was emotional over another show

**takashmeoutside**: okay, but NO ONE HERE EXCEPT ME has seen ALLURA going at nonstop

**lanceylance**: allura is literally hamilton

**lanceylance**: work ethic wise

**lanceylance**: not like, with the cheating and exposing herself to clear herself of embezzlement

**takashmeoutside**: well i would hOPE NOT

**allurable**: lance shut up
takashmeoutside: EXCUSE ME

mattata: h o l y  s h i t

allurable: i’m jOKING JEEZ

kogayne: he momentarily lost his trust in allura, a TRULY cursed day

shayfromstatefarm: i left for literally five minutes what the hell

shayfromstatefarm: 60 MESSAGES

allurable: well there are 8 people here that’s not even an average 8 messages per person

lanceylance: nononono shay wasn’t here factor her out

lanceylance: that’d be an average almost 9 messages per person

carrierpidgeon: that’s still not a ton

takashmeoutside: it’s a bit concerning for people who are supposed to be in class

lanceylance: it’s a half day, classes are like half an hour, our teachers literally do not give a shit at this point

takashmeoutside: cAN YOU ALL JUST PAY ATTENTION ANYWAY

lanceylance: but daaaaaaad

mattata: lance listen to your father

lanceylance: but daddyyyy

shayfromstatefarm: i need bleach for my eyes

hunkerdunker: ^^^^^^^^^^^^^

carrierpidgeon: if i could bleach this from my memories too that’d be great

takashmeoutside: this is why no one has friends outside of this group

lanceylance: EXCUSE ME?

kogayne: SHIRO DID /YOU/ SLEEP LAST NIGHT?

lanceylance: DON’T FUCK WITH ME HERE SHIRO

allurable: lance, sweetie, i’m so sorry

carrierpidgeon: WHAT IS HAPPENING ANYMORE

hunkerdunker: THIS DAY’S BEEN CURSED RIGHT FROM THE START
kogayne > lanceylance

kogayne: hey you’re okay right???

lanceylance: yeah i think so, this day is so fucking weird

lanceylance: it’s like we entered an alternate reality

kogayne: strange things have been happening

lanceylance: also pls don’t feel like hunk and pidge yelling at me is ur fault okay??????????? tbh i don’t care that i missed the season premiere it’s not a big deal at all especially not in the grand scheme of things

lanceylance: you’re a lot more important

kogayne: aw lance :( 

lanceylance: seriously i mean it so don’t get any ideas like isolating yourself or something

lanceylance: if u start putting walls up again i’ll have to break out a sledgehammer

kogayne: why,,,,,,,,,, are u so Good

lanceylance: bc i know what ur going thru

kogayne: ?????????????????????????

lanceylance: when ppl keep insinuating something bad is your fault

lanceylance: i grew up with it

kogayne: hey shhh no that’s all over nothing is your fault you’re wonderful and i love you

lanceylance: hhhhhhhhhhhhh

kogayne: shhh shhhhhh shhhhhhh let me love you

lanceylance: i am so glad we got together can u imagine if we never did

kogayne: i don’t wanna

kogayne: i’m not trying to cry

lanceylance: aw

lanceylance: after school we’re cuddling that’s it you CAN’T ESCAPE ME NOW

kogayne: good i don’t want to <3

lanceylance: [clutches chest] <3

See the end of the chapter for more notes

lanceylance added kogayne, carrierpidgeon, hunkerdunker, and mattata to WHAT IN THE FUCM

lanceylance: KEITH AND I JUST FINISHED BINGING THE SEASON AND CAN I JUST SAY

lanceylance: WHAT THE SHIT*

lanceylance: *i have a lot of mixed feelings but “what the shit” is my main one

lanceylance: KEITH LITERALLY GOT UP AND WALKED OUT OF THE ROOM TO GO SCREAM

carrierpidgeon: HOLD UP THIS IS A CONVERSATION THAT NEEDS TO HAPPEN IN PERSON, WHERE IS EVERYONE RIGHT NOW

kogayne: I'M AT LANCE’S

hunkerdunker: I'M HOME

hunkerdunker: I WAS SLEEPING

hunkerdunker: THANKS FOR THE WAKEUP, /LANCE/

lanceylance: YOU WANTED ME TO WATCH THE NEW SEASON, I WATCHED IT, I HAVE FEELINGS

mattata: EVERYONE COME TO THE HOLT HOUSE, THE PARENTS ARE GONNA BE GONE ALL DAY FOR SOME BUSINESS PARTY THAT WE WEREN’T INVITED TO

lanceylance: I’M GONNA STOP AT DUNKS FIRST I’M GETTING EVERYONE COFFEE AND MUNCHEKINS
carrierpidgeon: THIS IS SERIOUS, HE’S WILLINGLY BUYING ADDITIONAL FOOD

hunkerdunker: ON MY WAY

kogayne: I HAVE NO CHOICE BUT TO GO WITH LANCE I’LL SEE YOU SOON

*Team Trainwreck*

takashmeoutside: anyone wanna explain to me why i got a snapchat of keith losing his shit at 4 AM from lance

kogayne: LANCE YOU LITTLE SHIT YOU SAID YOU DELETED IT

lanceylance: SHIRO YOU ABSOLUTE RAT

hunkerdunker: they finally watched the new season

takashmeoutside: did someone die

kogayne: TOO MANY PEOPLE

lanceylance: me

lanceylance: on the inside

lanceylance: my hopes and dreams were resurrected just to be killed, again

takashmeoutside: ...lance are you okay

(3) photos from lanceylance

lanceylance: i have coffee, my boyfriend, and sunshine

lanceylance: so at the moment, yes

allurable: so this is one of those Dramatic moments then

lanceylance: yes see allura gets me

allurable: of course my son

takashmeoutside: so i’m guessing lance and keith are going to be spending most of the day sleeping

kogayne: no actually we have a calc exam tomorrow that we need to study for

lanceylance: why do you think we have so much coffee

lanceylance: why do you think we’re soaking in so much vitamin d

mattata: DID SOMEONE SAY

mattata: vitamin D ;)))))))
takashmeoutside: i will not hesitate

carrierpidgeon: i thought we agreed to stop adding and removing people after i removed lance and allura flipped her shit on me

allurable: shiro be nice to our boyfriend

allurable: matt watch your language there are children present

carrierpidgeon: I’M FIFTEEN

allurable: anyone under 18 is a child

kogayne: heh one more week

hunkerdunker: did keith just say “heh”

shayfromstatefarm: whO IS HE

carrierpidgeon: aliens abducted him, that’s it

carrierpidgeon: he found that fucking robot lion from lance’s dream and went to space without us

lanceylance: excuse me i would’ve gone with him, like hell i’m letting him wander the desert all alone

carrierpidgeon: the aliens couldn’t deal with lance so they wiped his memories and sent him back, that’s why he doesn’t remember going into the desert with keith

mattata: you can never truly get rid of memories, there’s always something left behind

mattata: quite often, deep feelings associated with the memories get left behind

takashmeoutside: they abducted matt too

mattata: ????? wtf man

takashmeoutside: too philosophical to be matt holt

mattata: um no? we went to the same nerd school, dude

mattata: i just hold back my philosophical mutterings in favor of the Memes

carrierpidgeon: yep that’s him

shayfromstatefarm: has anyone noticed that keith hasn’t spoken since we accused him of being abducted by aliens

allurable: there’s a reason he answers to “gaylien” and now it all makes sense!!

lanceylance: keith how could you not tell me you were abducted by aliens and replaced with this faker

hunkerdunker: this whole time we thought shiro was the clone,...
shayfromstatefarm: and KEITH was the one who started the conspiracy

takashmeoutside: actually that was lance

shayfromstatefarm: being INFLUENCED BY KEITH AND HIS ALIEN MIND CONTROL POWERS

hunkerdunker: actually i just looked back, keith floated the idea that shiro wasn’t real, lance used the word “clone” but it’s the same meaning, so keith started it

shayfromstatefarm: and then influenced lance to follow him

carrierpidgeon: hey keith, you’ve been AWFULLY silent over there

lanceylance: SHDAOSOF HELP H YIM BEINGG ABUDKCTED

lanceylance: SOMETONE PLERTJ

lanceylance: HEISO AN ALSUEN

carrierpidgeon: wait what the fuck

allurable: um

takashmeoutside: ??????????????

hunkerdunker: w hat

(4) photos from lanceylance

lanceylance: I HAVE YOUR FRIEND NOW

lanceylance: I’M NOT LETTING YOU HAVE HIM BACK

lanceylance: HE’S ALLLLLLLL MIIIIIIIIIIIIIIIIIIIIINE

mattata: oh, okay

mattata: so when hunk gets no sleep, he’s rude

mattata: i’m extra sassy

mattata: pidge is even more of a gremlin than usual

mattata: and lance and keith are loopy as fuck

takashmeoutside: i can’t believe they’d stage lance’s kidnapping at keith’s hands

allurable: keith would tbh

takashmeoutside: are you implying that my cousin is a creep

allurable: no, i’m saying that if for whatever reason he got separated from lance, he’d just come and kidnap him so they can’t get separated anymore
kogayne: OKAY FIRST OF ALL, NO, I HAVE RESPECT FOR HIS BOUNDARIES

kogayne: SECOND OF ALL, I WOULD CLEARLY COME RESCUE HIM AFTER SOMEONE ELSE HAS KIDNAPPED HIM

lanceylance: let’s be real, who wouldn’t love to kidnap me, i’m too irresistible

carrierpidgeon: kidnapping is like,,,, a serious thing

kogayne: she’s got a point

kogayne: paladins form voltron

mattata: ???? what????????

lanceylance: you’re right, and i apologize, i shouldn’t be joking around about it

lanceylance: especially given,,,, you know

mattata: wait what

mattata: why did he just randomly say paladins form voltron

takashmeoutside: he’s had no sleep, he’s probably having some conversation with lance and just started typing it

allurable: makes sense to me

carrierpidgeon: …….mmm/hmmmmmm/

shayfromstatefarm > hunkerdunker

shayfromstatefarm: they totally have a safeword

hunkerdunker: you know, i had a feeling, after lance said that thing that one time, and keith came at us in the other group chat

hunkerdunker: now that you point it out, it makes sense

shayfromstatefarm: you think we should have one too?? just in case??

shayfromstatefarm: it seems like a good idea, and a fun way to confuse the group chat

hunkerdunker: i’m down, what do you want it to be

shayfromstatefarm: how does the sky look

hunkerdunker: omfg what

shayfromstatefarm: exactly, it’ll confuse the group chat so much

hunkerdunker: someone is guaranteed to answer with a weather report
shayfromstatefarm: two birds with one stone, a free weather report and we let each other know that it’s not a good day without saying it explicitly

hunkerdunker: you’re so brilliant, i love you

shayfromstatefarm: love you too <3

Team Trainwreck

carrierpidgeon renamed Team Trainwreck to Team No Sleep

takashmeoutside: ummmm,, excuse me, i got sleep

carrierpidgeon: too bad, you’re stuck here

takashmeoutside: ACTUALLY

allurable: NO ONE IS LEAVING THIS GROUP CHAT, SIT DOWN SHIRO

mattata: even if he left

mattata: we’d just keep adding him back

mattata: a vicious cycle to be carried out FOREVERRRRRR

takashmeoutside: not if i block the chat and everyone in it

kogayne: wow that’s low

carrierpidgeon: who’ll you hang out with and text then

takashmeoutside: ….ANYWAY

allurable: ajskdlslalfj he won’t even admit we’re his only friends

lanceylance: and he made fun of US for having no friends outside the gc

lanceylance: WHO’S LAUGHING NOW SHIROGANE

takashmeoutside: i say everyone quits the group chat for the day and gets some extra sleep, bc you’re all too hyper

kogayne: not now i need to remember what the fuck epsilon and delta do

hunkerdunker: yikes, i gotta study for that

shayfromstatefarm: yeah same

lanceylance: STUDY SESSION AT MY HOUSE

carrierpidgeon: yeah, uh, not in that class, catch me at home beating lance’s high score on space defenders
lanceylance: listen, once i ace this calc exam, i'm coming over and kicking your ass

carrierpidgeon: BRING IT MCCLAIN

lanceylance: YOU’RE ON HOLT

lanceylance: TOMORROW

lanceylance: AFTER I’VE DIED AND HAD MY TEACHER PAINFULLY RESURRECT ME SO I CAN CARRY ON WITH THE REST OF THE SCHOOL DAY

kogayne: okay space boy that’s enough let’s go study

lanceylance: space boy?? that’s new, i like that one actually

kogayne: oh good

kogayne: now let’s go

kogayne: hunk, shay, we’ll be at lance’s in 10

hunkerdunker: i’m going to get shay right now

shayfromstatefarm: see you soon!!

Chapter End Notes

basically keith lance and hunk went to the holt house rlly early in the morning, then keith and lance and hunk all left. keith and lance went together and got coffee and went to spend the day together, how adorable, and now they're gonna meet up with hunk and shay to study for calc (lmao guess what i didn't do)
Shalluratt's Origin Story (ft. Background Broganes)

Chapter Summary

the crew finds out the origins behind alluratt, which then fused with shatt and shallura to become the monstrosity power trio known as shalluratt, ft. some background broganes angst, the whole gc roasting everyone, and lance and keith still being grossly in love

Chapter Notes

someone wanted shalluratt, i cannot deny my people (but uhhhh there's still a lot of klance bc i love them and they're hurting in my other fanfics i need a happy outlet whoops)

also i posted a new chapter yesterday (aka at approximately sometime early this morning), but i don't know if everyone got the notification bc it's not showing up as my most recently updated fanfic, so idk, just go back and check on that. i know one of my irl friends got the notif, but someone on twitter didn't so idk ¯\_(ツ)_/¯

trigger warning for the group joking abt wanting to die, i'm rlly not trying to make light of suicide, but this is so common across twitter and in school in general, it'd feel weird to me to not have it brought up, idk, sorry if u get offended

See the end of the chapter for more notes

Team No Sleep

lanceylance: can someone tell me a story before the calc exam this morning

carrierpidgeon: wtf what kind of story

lanceylance: i dunno, something new i guess???? something interesting

kogayne: here, i have a question: matt and allura

kogayne: everyone knows how shatt and shallura got together, how the fuck did alluratt become the thing that fused with shatt and shallura to become shalluratt

takashmeoutside: keith it’s not even 8 AM why would you do this

mattata: SO, YOU WANT THE DEEP STORY, HUH

allurable: [cracks knuckles] who gets the juicy bits

mattata: WELL,
allurable: OKAY, HOLT, KEEP IT PG

hunkerdunker: nobody ever told you?

carrierpidgeon: they kept me in the dark, too, i’d actually like to hear this myself

shayfromstatefarm: ^^^^^ considering they fight half the time in the gc

allurable: that’s called play fighting

mattata: it’s called insults under a thin veneer of friendship

allurable: which then became love

lanceylance: oKAY CAN WE MOVE ON WITH THIS STORY PLEASE

mattata: okay so things started sophomore year aka allura’s freshman year

mattata: keep in mind that up until the year before i thought i was a raging heterosexual, until shiro awoke the Bi Beast within me

lanceylance: the what

shayfromstatefarm: i’ve always thought of mine more as a Bi Butterfly

lanceylance: w h a t

carrierpidgeon: lance??? not being the extra one for once?????

lanceylance: >:((((((((

mattata: lance roasts aside

mattata: sophomore year, let me set the scene: i am dating shiro, and i believe i am madly in love with my best friend

takashmeoutside: you “believe”

mattata: i will use every embarrassing nickname for you i know

mattata: you already know this story, HUSH

mattata: anyway, in astronomy, we meet this girl named allura altea

hunkerdunker: are shay, pidge, and i the only people here who didn’t take freaking astronomy

shayfromstatefarm: actually i took it sophomore year, remember

carrierpidgeon: ^^^^^ i took it as a freshie

kogayne: sorry hunk, odd man out today

hunkerdunker: b e t r a y a l
allurable: ANYWAY IN ASTRONOMY I MEET THESE TWO KIDS NAMED SHIRO AND MATT, AND I DECIDE THAT THEY SEEM COOL, WE’RE GONNA BE FRIENDS

mattata: even as a freshman, she had the stress levels of a senior

allurable: my dad had a reputation at that school, and was with the BOE even then, i had big shoes to fill

mattata: anyway, not gonna deny it, especially not now, i thought allura was beautiful

takashmeoutside: ^^^^^^^^^^^^^^^^^^^^^^^^^^^

mattata: oh so i get called out for merely “believing” we’re in love

takashmeoutside: anyway

mattata: so allura joins our friend group, modern harry potter trio, blah blah blah

allurable: i lowkey think they’re both attractive but feelings were buried under school and stress and caffeine

kogayne: mood as fuck

lanceylance: BABE

carrierpidgeon: lance is the second boyfriend of your high school career you fucking liar

kogayne: STILL A MOOD

kogayne: I LOVE YOU LANCE

lanceylance: hhhhhhhhhhhhhhh u too i guess

kogayne: SPACE BOY WAIT

takashmeoutside: hush your relationship is 85% of our conversations, let my boyfriend and girlfriend tell their story

mattata: THANK YOU

mattata: throughout the rest of sophomore, junior, and senior year, our friend group is so tight-knit that sometimes, newer teachers get confused over who’s dating who

allurable: (needless to say, morvok always said i was dating matt or shiro, not both at once, and he certainly never admitted they were dating each other)

kogayne: ugh that dick

mattata: freshman year of college, shiro and i break up, bc this whole “dating each other” thing is too much for shiro

takashmeoutside: ...i was in a bad place after the car accident, and the whole custody thing with keith was taking a toll, in my defense
mattata: anyway, now an uncuffed man on a college campus, i begin focusing on my studies

allurable: i’m still in close contact with them and visit frequently, and i realize that damn, they’re both kind of REALLY ATTRACTIVE, but i’m still too busy to focus

allurable: until the next year, when i go to college with them

mattata: i thought it was my moment, allura and i spent a lot of time talking to each other while shiro was dealing with his shit,

mattata: until shiro came to me and told me he was gonna ask her out, and asked if i was okay with it, given our breakup the year before

mattata: i said i was fine

allurable: matt began a rivalry and said that i was “stealing his best friend” when really he was suppressing feelings for the both of us

allasurable: eventually our jabs and lowkey side fights became just another part of the friendship

mattata: i silently pined over shiro (and lowkey allura) for seven more years, until the last few weeks

mattata: and that’s how our jokes about me and shiro divorcing, me being friendly with his wife, all that stuff came to be

lanceylance: wow

kogayne: if only the harry potter love triangle could’ve ended that way

shayfromstatefarm: wait did you just imply that harry, hermione, and ron were in a love triangle???

hunkerdunker: wtf man, harry liked cho and ginny, hermione was just a friend

kogayne: okay but if we go off of the movies

carrierpidgeon: he does have a point there

shayfromstatefarm: and i mean, the principle also applies to pretty much any fictional love triangle

lanceylance: can’t pick? polyamory.

carrierpidgeon: i’m gonna write a book series one day and make the entire fandom get into ship wars only for the series to end like that so everyone looks ridiculous for fighting

lanceylance: it doesn’t even have to be a book, it could be like, tv or something

carrierpidgeon: shit u right

---

kogayne > takashmeoutside

kogayne: wait, so…
**kogayne:** i’m the reason you broke up with matt?

**takashmeoutside:** shit, no, i didn’t word that properly

**takashmeoutside:** nononono keith, it was a number of factors

**takashmeoutside:** the custody thing just one of many

**kogayne:** but it was still one of them

**takashmeoutside:** keith, listen to me, there was a /lot/ going on, and the breakup was a while coming. i needed space. i needed to deal with the accident and the funerals and the custody battle and my own trauma in my own ways.

**takashmeoutside:** taking custody of you, though, turned out to be a lot more joyful than i anticipated

**takashmeoutside:** it was either i took custody, or they put you into the system, and i would do all that legal bullshit all over again to keep you with me

**takashmeoutside:** and i will never, ever regret it.

**takashmeoutside:** my breakup with matt had little to nothing to do with you, specifically, so don’t feel bad about it

**kogayne:** ….are you sure

**kogayne:** bc sometimes it just feels like…like i’m sort of a burden, you know?

**kogayne:** especially after the thing in the woods, and all the medical bills

**takashmeoutside:** listen, we’re family, and you may be a pain in the ass sometimes, but you’re never a *burden.* and i wouldn’t have taken you in if i didn’t know what i was getting into.

**kogayne:** i just feel like,,, i don’t contribute enough to help you

**takashmeoutside:** all i cared about when i took you in was whether or not you were happy, and you were ecstatic to stay with me. that’s all i could and still will ask of you.

**kogayne:** …

**takashmeoutside:** i love you, keith.

**kogayne:** love you too, shiro

**kogayne:** and i’m glad you adopted me

**takashmeoutside:** i’m grateful i did, every single day

---

**Team No Sleep**

**lanceylance:** so calc made me wanna die
kogayne: actually die or Die™

lanceylance: Die™

lanceylance: keith i need emotional support, be ready at lunch

kogayne: meet at the last stairwell??

lanceylance: <3

carrierpidgeon: this is too much romance for the day, pls take this to a different group chat

lanceylance: WE’VE BARELY DONE ANYTHING TODAY

hunkerdunker: why are you and keith so mushy in the main gc anyway

lanceylance: BECAUSE I L O V E H I M

lanceylance: fine, we’ll just be grossly in love in person at lunch

mattata: they’re sparing us old people, thank god

lanceylance: LISTEN HOLT, YOU PINING SHIT,

takashmeoutside: you wanna repeat that

allurable: [cracks knuckles]

lanceylance: A L L U R A

lanceylance: YOU TOO???????????????

mattata: i have an idea: we be mushy and gross right back

carrierpidgeon: OH GOD PLEASE DON’T

hunkerdunker: why can’t you guys be normal like me and shay

shayfromstatefarm: the variable here is the presence of a brogane

shayfromstatefarm: instant grossness

kogayne: LISTEN HERE

takashmeoutside: excuse me

carrierpidgeon: [cups hands around mouth] FIGHT FIGHT FIGHT FIGHT FIGHT FIGHT FIGHT

lanceylance: YOU KNOW WHAT, YOU WANNA SEE WHO HAS THE SUPERIOR RELATIONSHIP??? WE DO A SERIES OF CHALLENGES. THIS FRIDAY. AFTER SCHOOL. BROGANE HOUSE.

hunkerdunker: allura, shiro, and matt have three people, unfair advantage
lanceylance: THEY’RE OLD, WE’RE YOUNGER THAN THEM, DOESN’T MATTER

lanceylance: PIDGE, MAKE UP A SERIES OF CHALLENGES OF VARYING SKILL RANGES THAT ISN’T SKEWED TOWARD ONE RELATIONSHIP IN PARTICULAR

carrierpidgeon: oh hell yeah

lanceylance: THEN WE CAN PROVE THAT KEITH AND I ARE IN THE BEST RELATIONSHIP HERE

kogayne: okay but everyone’s relationship is different

lanceylance: starshine, peanut to my butter, the vase of flowers sitting on my coffee table, /hush/,

hunkerdunker: “vase of flowers sitting on my coffee table”

carrierpidgeon: yeah so klance is losing the cutesy nickname contest

mattata: i think kashi automatically gives us a win

kogayne: kashi is a fucking granola bar

carrierpidgeon: holy shit i’m adding a roast contest

lanceylance: goodbye, reputation

allurable: hold on i’m still cracking up over shiro being a granola bar

mattata: he’s the almond snickerdoodle chewy nut butter bar ;)

carrierpidgeon: lance you still wanna Die™ right

lanceylance: yeah

carrierpidgeon: i want in

shayfromstatefarm: isn’t death technically a way /out/

carrierpidgeon: can someone just get me whatever lance is having

lanceylance: you mean my Loving Keith juice

carrierpidgeon: i hope it’s poisoned

lanceylance: :O

mattata: who poisoned it tho

carrierpidgeon: [chucks empty test tube out window] I DUNNO MAN

lanceylance: I AM BEING A T T A C K E D

shayfromstatefarm: if you have poison and want out why not just poison yourself
carrierpidgeon: LIGHTBULB

hunkerdunker: pidge, no,

takashmeoutside: pidge yes, be the hero, defeat the evil

carrierpidgeon: SHIRO

kogayne: hush, nut butter bar

takashmeoutside: matt this is all your fault

allurable: here sweetie let me get revenge for you

allurable: DOORMATT

mattata: STOP THAT WAS ONE TIME

hunkerdunker: omfg what

allurable: one time in college he got ridiculously drunk and crashed in front of shiro’s door during a party and everyone walked on top of him and wiped their feet on him

takashmeoutside: we wrote “welcome” on the back of his shirt

kogayne: what the actual fuck

lanceylance: hunk, if you let that happen to me in college, i will actually end our friendship

hunkerdunker: i thought you said you weren’t getting drunk anymore after,,,,

lanceylance: shIIIIIT SHTUUTHHSDHTU EGGPLANTS WHO HERE LIKES EGGPLANTS

allurable: why are they even called eggplants, they look nothing like eggs

kogayne: europeans

lanceylance: fucking white people

takashmeoutside: they thought eggplants looked like goose eggs

hunkerdunker: petition to call them aubergines like they’re supposed to be

shayfromstatefarm: seconded, all in favor

kogayne: aye

lanceylance: aye

takashmeoutside: aye

allurable: aye

carrierpidgeon: aye
mattata: nay

takashmoutside: doormatt

mattata: [sigh] aye, nut butter

allurable: kashi

allurable: takis

mattata: those are corn chips

lanceylance: doritos are also corn chips, and shiro has the shoulder-to-waist ratio of a dorito

kogayne: why are you ogling my cousin enough to know that

lanceylance: i can look at the menu i just can’t order

kogayne: >:O

lanceylance: im kidding ily

mattata: shiiiiro, baaabyyyy

allurable: WE’RE NOT DOING THIS

carrierpidgeon: why did matt and lance never get together, they’d be iconic, the over-the-top meme team

mattata: that age difference is creepy

lanceylance: ^^^^^^^^^

kogayne: oh i see is that the only reason

lanceylance: also i had my eye on someone else

shayfromstatefarm: ...is this before or after january of sophomore year

lanceylance: no, we don’t talk about them. i’m serious.

lanceylance: i was definitely talking about keith.

hunkerdunker: so anyway that’s why one of the shades of purple is aubergine, after the plant

shayfromstatefarm: what a nice name for a color, an elegant name for a plant

shayfromstatefarm > lanceylance

shayfromstatefarm: hey, sorry if i made you guys uncomfortable or anything, sometimes i forget how touchy that subject is
lanceylance: it’s okay

shayfromstatefarm: seriously, don’t hesitate to call me out

lanceylance: you got it

lanceylance > kogayne

lanceylance: hey, i love you

kogayne: i know

lanceylance: ...you’re not mad, are you?

kogayne: did i use the code

lanceylance: ........no

kogayne: well there’s your answer

kogayne: im just giving you a hard time \_(ツ)_/¯

lanceylance: you little shit

kogayne: youre one to talk, cousin-ogler

lanceylance: mmmm yeah that’s fair

lanceylance: i got the best ‘gane in the end tho, so ;)

kogayne: yOU CNSLTT JUST DAYA THAT

lanceylance: mmmmmmmmm i love making my boyfriend flustered

kogayne: IS THIS SOME FORM OF REVENGE

lanceylance: ;)))))

lanceylance: there’s the bell, see you soon!!!

Chapter End Notes

so the actual calc exam, i didn't think it was that bad, i finished like 10-15 minutes early, but then i was the only one who didn’t stay an extra five minutes so either i did well or i fucked up completely

ALSO I'M TRYING TO GET THE NEXT CHAPTER OF STARS GO DOWN OUT TONIGHT SO IF YOU'RE READING THE DECEIT SO NATURAL TRILOGY LOOK OUT FOR IT
if you're not, here you go, here's the first fanfic in the trilogy, have fun: where people go to die
Chapter Summary

HADES IS MISUNDERSTOOD; shiro is feeling Down™, so allura and matt plot to make him feel better; klance continues to be disgustingly in love; pidge makes sex jokes at their expense; what even is the plot of this fanfic?? idk

Chapter Notes

"i should really finish chapter 16 of stars go down, or maybe like, do my 20 million homework assignments" i say as i pound out this chapter

anyway we got assigned a mythology project in ap lit, and my friend group rejoiced bc i'm the resident mythology nerd, and thus, a chapter was born

aLSO I FEEL I SHOULD MENTION, i don't have like, one overarching plot, i was just gonna kind of,,, infinitely write this, like i could definitely see this going over 100 chapters, just a head's up, since this is kinda like........an outlet for me

okay have fun

there's a lot of sex jokes in here, there's a reason this is rated m

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: hey so i saw this post on tumblr

lanceylance: those sentences don’t end well a good 50% of the time but go on

kogayne: when i do a mental health check-in would you prefer the normal overly-sweet stuff or something else

lanceylance: what do you mean something else

(1) photo from kogayne

lanceylance: “what up u depressed bastard” honestly mood

lanceylance: ehhhhh up to you, i’ll understand either way

kogayne: cool same

kogayne: how’s english going
lanceylance: we’re starting a unit on *greek* mythology, and hunk, shay, and i decided to do our project on the “evildoers”

kogayne: TELL ME THEY DIDN’T INCLUDE HADES

lanceylance: they included hades

kogayne: HADES IS MISUNDERSTOOD FUCKING DAMMIT

kogayne: I’M GOING TO HAVE WORDS WITH THACE NEXT PERIOD

lanceylance: should i warn him

kogayne: no

lanceylance: also, i lowkey disagree w you, bc that myth w persephone ,,

kogayne: OKAY LISTEN THERE ARE DIFFERENT VARIATIONS OF THAT MYTH

lanceylance: BUT THE NONCON ONES

kogayne: BUT THE CON ONES

lanceylance: HHHH KEITH DON’T MAKE ME SIDE AGAINST YOU

kogayne: TOO LATE MCCLAIN

lanceylance: YOU’VE FORCED MY HAND

Team No Sleep

lanceylance: IS HADES EVIL OR MISUNDERSTOOD

carrierpidgeon: hades is misunderstood, i will bring out every book on mythology i can find to prove it

hunkerdunker: hades is misunderstood

shayfromstatefarm: the one instance i can think of where hades is a bad guy is the persephone myth, but even then, there are versions where she went willingly

mattata: she literally gave the middle finger to the gods and eloped with hades

allurable: she’s life’s daughter and death’s bride, how much more badass can you get

kogayne: well actually thanatos was the god of death but otherwise yes the point still stands THANK YOU

takashmeoutside: there are days i regret opening the group chat

takashmeoutside: this is one of them
kogayne: takashi, dearest cousin of mine,

takashmeoutside: if i say he was misunderstood will you leave me alone

lanceylance: I FEEL BETRAYED

kogayne: GIVE UP LANCE HE’S MISUNDERSTOOD

lanceylance: THE GUY RULED THE LAND OF THE D E A D

kogayne: NOT BY CHOICE, HE LITERALLY DREW THE SHORT STRAW BECAUSE HIS BROTHERS WERE DICKS

carrierpidgeon: don’t i know that feeling

kogayne: AS PLUTO HE’S THE GOD OF WEALTH

lanceylance: G R E E D

kogayne: HE’S A JUST RULER DAMMIT

kogayne: WHEN EURYDICE DIED, ORPHEUS WENT TO THE UNDERWORLD AND PLAYED SUCH NICE MUSIC THAT HADES CRIED AND LET EURYDICE GO FREE

lanceylance: YEAH BUT THEN HE CHANGED HIS MIND RIGHT WHEN THEY GOT TO FREEDOM

kogayne: BECAUSE ORPHEUS COULDN’T FOLLOW ONE SIMPLE RULE TO NOT LOOK BACK UNTIL THEY WERE BOTH AT THE SURFACE

lanceylance: BECAUSE HE WAS WORRIED AND IN LOVE

kogayne: LANCE I SWEAR IF THAT WAS US AND I WAS EURYDICE I WOULD ASK HADES TO LET ME FREE TO FUCKING HAUNT YOUR ASS

lanceylance: HE COULD HAVE JUST LET EURYDICE STAY ALIVE

kogayne: THE POINT WAS THAT HUMANS ARE MORONS

lanceylance: WHAT ABOUT SISYPHUS THEN

kogayne: HE WAS A TRICKSTER WHO TRIED TO GET RID OF DEATH, DO YOU KNOW HOW OVERPOPULATED THIS WORLD WOULD BE WITHOUT DEATH

lanceylance: HHHHHHHHHHHHHHH

kogayne: HE EVEN HAS A FUCKING THREE-HEADED DOG WHOSE NAME COULD POTENTIALLY TRANSLATE TO “SPOTTED” HIS DOG’S NAME IS FUCKING /SPOT/

lanceylance: OR IT COULD MEAN “DEATH-DAEMON OF THE DARK” HOW IS THAT NOT EVIL

kogayne: WTF THAT’S NOT EVIL THAT’S JUST REALLY BROODY AND EDGY, HE’S JUST A LONELY EDGELORD, LANCE, HE’S DOING HIS BEST
lanceylance: AND YOU WOULD KNOW, WOULDN’T YOU

kogayne: TAKE IT BACK MCCLAIN

lanceylance: MAKE ME

hunkerdunker: oh no

kogayne: MAKE YOU? AIGHT BET

shayfromstatefarm: lance why

hunkerdunker: i wonder if today’s the day thace gets fired

carrierpidgeon: can someone videotape this confrontation

shayfromstatefarm: thace knows something is up, he’s raising his eyebrows at me and hunk

hunkerdunker: paul morvok has taken notice and is on edge

takashmeoutside: oh for fuck’s sake

hunkerdunker: update thace is making his way to lance

hunkerdunker: HYPOLY SHITIIY

allurable: WHAT

shayfromstatefarm: “if keith is on his way here, can you two kindly do whatever it is you need to do in the hallway or in another teacher’s classroom? i’ll write you a pass, just not in my room again.”

takashmeoutside: w h y

mattata: AN ICONIC POWER COUPLE

allurable: bonnie and clyde, high school edition

lanceylance: WHY ARE YOU ALL ACTING LIKE WE’RE JUV

lanceylance: OH HEY IT’S KEITH BRB

carrierpidgeon: damn so no footage of them being FUCKING WEIRD

takashmeoutside: not that big of a loss tbh

carrierpidgeon: yes, thank you, captain obvious

mattata: hey no one calls him out for being oblivious but me

allurable: and me

mattata: but i do it better

allurable: excuse me, i do /everything/ better than /everyone/
takashmeoutside: no one can top allura tbh

mattata: shit she’s right

allurable: i betcha in lance’s dream, if i’d been that leader paladin or whatever (the black one, right?) i would’ve kicked that entire empire’s ass in like 5 minutes

takashmeoutside: thank you, yes, pls be the black paladin, i don’t wanna lead, i’m so tired, i have five children to raise

mattata: i thought you weren’t a dad

takashmeoutside: the alternative is that you’re their daddy and i can’t leave them to that fate

mattata: :O

allurable: if you have five children then how do hunk and shay,,,,, and lance and keith,,,,, t

takashmeoutside: lance and hunk wormed their way into this family and now i can’t shake them

hunkerdunker: WOW

takashmeoutside: hunk you’re a gem and i’m glad you’re here, you and shay definitely have my blessing

shayfromstatefarm: why did that take so long, dad,

takashmeoutside: I’VE BEEN SO BUSY

carrierpidgeon: #LetShiroRest2k17

allurable > takashmeoutside

allurable: what’s bothering you, kashi

takashmeoutside: i don’t know

takashmeoutside: i’m just having a really rough morning, i’m so exhausted

takashmeoutside: it’s been a really wild week

allurable: things will get better

allurable: is there anything i can help with?

takashmeoutside: no, no, it’s okay

allasurable: i don’t believe you

allurable: takashi

takashmeoutside: really, i’m serious, you don’t need to do anything
**allurable:** too late

**takashmeoutside:** what are you planning

**allurable:** nothing

**allurable > mattata**

**allurable:** our boy is suffering

*(2) photos from allurable*

**mattata:** what do i need to do

**hunkerdunker:** lance, are you done sucking keith’s face yet

**carrierpidgeon:** they’re still gone?? jeez it’s been like 10 minutes

**hunkerdunker:** if they don’t come back soon then thace is gonna have to give them detention

**hunkerdunker:** AND WE ALL KNOW HOW THAT ENDED LAST TIME, I DON’T WANT TO SEE THEM SUFFER LIKE THAT AGAIN

**hunkerdunker:** KLANCE WOULD YOU PLEASE PICK UP A PHONE

**lanceylance:** i’m coming i’m coming

**carrierpidgeon:** oh really now

**lanceylance:** i’m in c wi

**lanceylance:** WAIT A MINUTE

**carrierpidgeon:** *wait for it*

**lanceylance:** PIDGE WHAT THE FUCK
shayfromstatefarm: i’m speechless

carrierpidgeon: good thing this is a text conversation then

kogayne: oh holy fuck

carrierpidgeon: was it?

kogayne: I NEED A MINUTE

lanceylance: leave it to the asexual to be the first one to make sex jokes

hunkerdunker: it was a void you left behind, now look what you’ve done

carrierpidgeon: [wiggles eyebrows]

carrierpidgeon: so what happened while you two were gooone

lanceylance: OKAY HOLD UP WHEN WE’RE GROSS IN THE GROUP CHAT ON OUR OWN YOU CALL US OUT, BUT NOW YOU DEMAND TO KNOW

lanceylance: A TRUE GREMLIN

kogayne: are you ever just violently reminded that pidge is still matt holt’s little sister

carrierpidgeon: holts gotta stick together

carrierpidgeon: but seriously what the hell did you two do that lasted ten minutes

hunkerdunker: lance i swear

lanceylance: WE JUST,,,,,

lanceylance: LISTEN WE DIDN’T DO IT IN THE BATHROOM IF THAT’S WHAT YOU’RE IMPLYING

kogayne: (we didn’t do it at all school’s not the place for it)

shayfromstatefarm: the fact that your reasoning is that school isn’t the place for it

kogayne: I JUST PERSUADED HIM THAT HADES IS A MISUNDERSTOOD EDGELORD

hunkerdunker: “persuaded”

lanceylance: he’s,,,,, very persuasive

hunkerdunker: fucking criminy you know what can we drop this subject

shayfromstatefarm: can i drop every class i have with them

carrierpidgeon: i can’t wait to use these screenshots as blackmail one day

kogayne: AH, she has a motive, that makes more sense

hunkerdunker > shayfromstatefarm

hunkerdunker: lance’s neck

hunkerdunker: you see it too, right

shayfromstatefarm: i really wish i could unsee it

hunkerdunker: 0, i just have to give him one look

shayfromstatefarm: i don’t know, i’m skeptical, he’s hardheaded

hunkerdunker: u right

hunkerdunker: so on a scale of 1 to 10….solid 4.

shayfromstatefarm: that seems more likely

allurable > mattata

allurable: you got the stuff?

mattata: why yes i do, headed on over to see space dad as we speak

allurable: so if he’s space dad

mattata: space mom and space Daddy™

allurable: why did we get together again

mattata: didn’t you guys just call out pidge in the gc

kogayne: why are you texting me holt

mattata: do you know what’s up with shiro?? he doesn’t know himself and i was wondering if you figured anything out

kogayne: depressive episode maybe? idk, he just gets moods sometimes, like lance does

mattata: okay then well you see here’s the thing,

kogayne: did you accidentally hurt him

mattata: wh

mattata: NO

mattata: HAVE A LITTLE FAITH IN ME, KEITHY

kogayne: 1. don’t call me that

kogayne: 2. remember back during september, with me and lance,,,,

mattata: okay fair point

mattata: also i’ll respect the keithy thing but???? is there a specific reason u don’t like that name????

kogayne: i mean i’d be okay if lance used it but it,,,, makes me feel rlly weird bc i got it sophomore
mattata: oh shit shit shit sorry okay whatever

mattata: the point of me texting is that allura and i are gonna be at your house with shiro this afternoon,

kogayne: you guys want me out of the house don’t you

mattata: well /no/, i was just warning you ahead of time, but it would be niiiiiiiiice….????

kogayne: eh, whatever, i needed a good excuse to hang out with lance anyway

mattata: don’t you hang out with him even when you don’t have a good excuse?

kogayne: semantics

mattata: are you even using that word correctly

kogayne: s e m a n t i c s

mattata: okay then good talk have a good rest of your school day

lanceylance > kogayne

lanceylance: YOU FUCKING BRANDED ME

kogayne: it took you this long

lanceylance: BRANDED ME, KOGANE

kogayne: \_(ツ)_/¯ whoops

lanceylance > kogayne

lanceylance: hey random question HOW DID WE MAKE SO MANY ENEMIES AT THIS SCHOOL

kogayne: well i mean there was our rivalry freshman year where like, half the school took sides and started bets

kogayne: that whole Thing sophomore year

kogayne: and then us being weird junior year w how new our relationship was the first six months

kogayne: and then our over the top PDA this year

kogayne: why

kogayne: did someone hurt you

kogayne: who was it

lanceylance: ...he-who-must-not-be-named harassed me this morning

lanceylance: i didn’t feel like telling you before psych bc you looked so happy to see me

kogayne: what the FUCK

lanceylance: apparently he’s allied himself with paul

kogayne: WHAT THE FUCK
lanceylance: he came at me, but there were some...nasty things he said about you

lanceylance: and about your relationship sophomore year

lanceylance: about things you would and wouldn’t do

lanceylance: idk, it was weird

lanceylance: he was alternating between trying to make me jealous and dragging the shit out of you and dragging the shit out of me

kogayne: did he bring up she-who-must-not-be-named

lanceylance: no, but she was waiting around the corner for him, watching the whole fucking thing

kogayne: lance oh my god

kogayne: did he touch you at all???

lanceylance: no, but he did that thing

kogayne: what thing

lanceylance: you know in the movies, how the bully will box a kid in against a locker or wall or something with their arms and assert their height

lanceylance: he did that thing

kogayne: i want murder

kogayne: if he has a problem with me, then he can get in MY face

kogayne: i don’t give a SHIT if he comes at me

kogayne: but i draw the line when you get shit for things i did

lanceylance: he also,,,, said some stuff.....about me.......that apparently SHE told him…

kogayne: whatever was said, they’re wrong

lanceylance: hhhhhhhhh

kogayne: on a scale of 1 to 10 how close to a breakdown are you

lanceylance: aaaaaaaaaAAAAAAAA I DUNNO, LIKE 4? NOT THAT BAD

lanceylance: i felt better seeing you right afterward, it kind of made everything go away, but thinking about it now,,,,

kogayne: do you wanna tell me what they said?

kogayne: or is it too much?

lanceylance: it’s nothing i haven’t heard before
kogayne: it still doesn’t make it okay

lanceylance: he called me a sl*t and “kogane’s wh*re”

kogayne: WHAT THE ACTUAL FUCK

lanceylance: he also added that he expected u to be in my position, and then alluded to some nasty things in your relationship

kogayne: that’s it i’m actually going to commit murder

kogayne: first of all, slut-shaming is ABSOLUTE BULLSHIT

kogayne: SECOND OF ALL, NO ONE CALLS YOU THOSE THINGS, OKAY??

kogayne: YOU ARE BEAUTIFUL AND INTELLIGENT AND SOMEONE WHO CARES DEEPLY AND YOU’RE NOT AFRAID TO BE EMOTIONAL OR SHOW YOUR LOVE AND ANYONE HERE WOULD BE LUCKY TO HAVE YOU

lanceylance: why aren’t you standing up for yourself

lanceylance: don’t pretend this doesn’t bother you, that he would demonize and demean you, too

lanceylance: you’re strong and brave and kickass and you care a lot too, keith, and you’re a lot more than the things he called you that i don’t want to say

kogayne: HHHHHHHHHHHHH

lanceylance: and you say anyone would be lucky to have me, and i guess you’re right, but there’s only one person i want to have me :) 

kogayne: i fucking love you

lanceylance: i love you too

kogayne: but also i’m sorry

lanceylance: nonononononono

kogayne: it’s my fault for yesterday

lanceylance: NONONONONO DON’T APOLOGIZE

lanceylance: I DID NOT AND WILL NOT BLAME YOU

lanceylance: I LOVE BEING MUSHY AND GROSS WITH YOU AND I’LL TAKE FLACK FROM ROLL-ON DEODORANT AND NIKE-KNOCKOFFS ANY DAY

kogayne: ROLL-ON DEODORANT AHSJFJFLSLF

kogayne: you’re the wORST

lanceylance: ;)}
carrierpidgeon added hunkerdunker and shayfromstatefarm to what the fuck is happening anymore

hunkerdunker: what’s this about

carrierpidgeon: some kind of aggressive-depressive plague has descended upon the broganes

carrierpidgeon: the disease is spreading

carrierpidgeon: matt, allura, and lance have all fallen victim

shayfromstatefarm: is this about what happened with lance, rolo, and nyma this morning

hunkerdunker: and about shiro being weird in the gc yesterday

carrierpidgeon: yes

carrierpidgeon: according to matt, keith said he thinks shiro’s just having a depressive episode, but matt and allura are convinced there’s some root cause that they can assuage

carrierpidgeon: and keith stopped at my locker on his way to calc to explain to me what lance told him about what went down, but i haven’t actually talked to lance

hunkerdunker: we’re in class with lance now, we can ask…?

carrierpidgeon: if you want to, be my guest

carrierpidgeon: right now, all i’m saying? i think everyone is a little on edge today

carrierpidgeon: obviously lance is more bothered than he’s letting on

carrierpidgeon: keith wants murder

carrierpidgeon: shiro’s in a mood

carrierpidgeon: and allura and matt are freaking out

carrierpidgeon: all of this is making mE FREAK OUT

shayfromstatefarm: shhh shh pidge breathe, you’re okay, worry your little sophomore head about your lab, we can handle the rest of the group

lanceylance added hunkerdunker, shayfromstatefarm, and carrierpidgeon to STOP CAPTAIN DOOFUS 2K17

lanceylance: i shouldn’t have said anything to keith

lanceylance: he’s on the warpath

lanceylance: he’s gonna get expelled, and then the garrison school at arus won’t take him, so we
can’t be roommates, we can’t even go to the same college, none of his top safeties will take him, and then he’s gonna be miserable during the school year without me, and then i can’t be there for him

hunkerdunker: you need to breathe

hunkerdunker: what happened

lanceylance: okay so i already told hunk and shay and you guys said keith told pidge?? that i got harassed by rolo this morning?? yeah well i told keith, and i didn’t even tell him *everything*, and now he wants to commit murder

lanceylance: i kNEW IT i KNEW telling him would be a bad idea

lanceylance: why did i tell him

shayfromstatefarm: because you were exercising a healthy relationship by openly communicating about any situation that may cause problems, instead of bottling everything up for the sake of appearing strong to your partner and not hurting them

lanceylance: ...that’s deep

shayfromstatefarm: not really it’s pretty basic actually

lanceylance: well okay then

lanceylance: how do i stop him

hunkerdunker: ask him to?

shayfromstatefarm: ^^^^^ if he respects your boundaries he’ll stop

lanceylance: hhhh yeah you’re right

allurable > mattata

allurable: did you sleep over at the brogane house?

mattata: yes i did, shiro’s still in a mood

allurable: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA GREAT FINE EVERYTHING IS FINE

allurable: what

allurable: triggered

allurable: it

mattata: i have a feeling it has to do with keith

mattata: but i think keith and lance are dealing with their own problems right now, so i won’t ask him
mattata: i feel like it has to do with the accident

allurable: oh no :(.

mattata: i really wish i hadn’t brought it up in the gc the other day

mattata: apparently keith said something to him, about being the reason for our college breakup, and now shiro feels awful

allurable: fucking guilt

allurable: does keith know

mattata: keith kogane, obliviousness extraordinaire

mattata: i’m thinking no

mattata: i’m also thinking his problems are distracting him from realizing and shiro doesn’t wanna say anything

allurable: jiminy christmas can anyone in this group communicate

mattata: okay, actually, /yes/,

allurable: yeah i know i didn’t mean it but

allurable:                                                                                                                                       AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
takashmeoutside: is this some therapy session

mattata: yes siree

mattata: sit on this couch and tell me about your problems

mattata: [expectantly whips out notepad]

allurable: have you determined anything within the last day that may be contributing to your mood?

takashmeoutside: i feel like i haven’t been doing enough for keith

allurable: mm?

takashmeoutside: he told me the other day that he feels like a burden sometimes

takashmeoutside: i have never intended to make him feel this way

takashmeoutside: what do i do

allurable: have you assured him he’s not a burden?

takashmeoutside: yes

(3) photos from takashmeoutside

takashmeoutside: he’s been through so much and i feel awful that i’m just making him feel worse

takashmeoutside: he didn’t even come home yesterday, just told me he was going to spend the night at lance’s

mattata: oh

mattata: he wasn’t avoiding you, we asked him to let us have a night with you

mattata: i’m sorry, i didn’t realize

takashmeoutside: ...really?

allurable: if we’d known, we wouldn’t have asked him

takashmeoutside: it’s alright

takashmeoutside: i need to talk to him though

allurable: why don’t you text him at some point today?

takashmeoutside: i’m going to right now

allurable > mattata

allurable: OH BOY
**mattata**: OH BOY

**allurable**: HOPE AND PRAY FOR THE BEST

**mattata**: pray keith doesn’t blow up on shiro for something shiro had nothing to do with

---

**takashmeoutside > kogayne**

**takashmeoutside**: hey

**kogayne**:AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

**takashmeoutside**: you okay?

**kogayne**: I AM GOING TO COMMIT MURDER

**takashmeoutside**: what happened?

**kogayne**: FUCKING ROLO AND NYMA GANGED UP ON LANCE THIS MORNING AND SAID SHIT TO HIM

**takashmeoutside**: is he okay?

**kogayne**: HE SAYS HE IS AND I DON’T BELIEVE HIM

**kogayne**: I’M PISSED

**takashmeoutside**: are they the only people you’re pissed at?

**kogayne**: ...YES...why

**takashmeoutside**: i want to apologize

**kogayne**: for wha

**kogayne**: oh

**kogayne**: you don’t need to apologize???

**takashmeoutside**: i do

**takashmeoutside**: i just need to make sure you’re okay

**takashmeoutside**: i’m sorry you’ve been feeling like a burden, and i’m sorry i didn’t realize you felt that way

**takashmeoutside**: i wish i’d realized sooner, so i could’ve helped you

**kogayne**: seriously, it’s okay

**kogayne**: is this what’s been eating at you?
takashmeoutside: ...yeah

kogayne: it’s nothing, really

kogayne: i’m okay

kogayne: aside from being two seconds away from committing murder

kogayne: go snuggle with matt and allura, and i’ll text you later

takashmeoutside: alright

takashmeoutside: try not to commit murder please

<3

takashmeoutside: can you guys come back over?

allurable: of course

mattata: i’m omw

lanceylance > kogayne

lanceylance: keith

lanceylance: you need to calm down

lanceylance: seriously, i’m not /that/ shaken up

kogayne: i can’t just ignore what they said to you

lanceylance: no, stop.

lanceylance: listen to me.

lanceylance: i don’t need you fighting on my behalf, especially since they’re buddy-buddy with paul morvok.

lanceylance: seriously.

kogayne: ………

lanceylance: you know i love you

lanceylance: i don’t want to see you get hurt or expelled on my behalf

kogayne: so you’re just going to let them get away with it?

lanceylance: yes
lanceylance: i don’t want to stoke the fire, i’d rather just let it burn itself out

kogayne: why can’t you let me do this for you

lanceylance: it’s my battle to fight

lanceylance: i’d rather let them suffer, waiting for a response to fling back in my face, than give them ammo

kogayne: but if we fire hard enough, they have nothing to fight back with

lanceylance: keith.

lanceylance: i’ve made up my mind.

lanceylance: are you going to respect my decision or not?

kogayne: ...fine

lanceylance: good

lanceylance: i love you

kogayne: you too

lanceylance: aw, don’t go all mr. grumpypants on me

lanceylance: keeeeeeiiiiiiiiiiiiith

lanceylance: keith?

lanceylance: babe, come on

lanceylance: starlight, sun to my moon, day to my night, boxers to my briefs,„

kogayne: i’m not happy with your decision

lanceylance: so you’re just gonna ignore me??

lanceylance: i know you’re better than this

lanceylance: are we really gonna let he-who-must-not-be-named ruin senior year??

lanceylance: ?????

kogayne: i’m sorry shit i’m sorry fuckfigifndbwosoanabs

kogayne: i’m

kogayne: nvm there’s no excuse, i’m sorry

lanceylance: it’s alright

kogayne: no, it’s not, i don’t have any right to do that to you for no reason other than i’m being
kogayne: i’m sorry

lanceylance: i feel like you need a hug, as soon as we get to lunch, that’s what you’re getting

Chapter End Notes
yo so that section with keith and lance, where keith wants to commit murder??? and lance is like "sit the fuck down"???? i wrote that last night and then third period today, and then fourth period i found out one of my ex-friends has been talking shit, and one of my best friends wanted to throw hands, and i had to calm her down, i was like,,, whoa

also that thing with keith on the stairs....actually happened to me today.....i feel atTACKED

and that car door thing? also happened today

today's been a Day

if i don't have the next chapter of stars go down up tonight, pls punch me in the face as hard as you can
nuggs

Chapter Summary

it's audition day; pidge wants nuggs and is willing to sabotage lance to get them.

Chapter Notes

i waited so long for my director to tell us what the fall play at school is so i could work it into this fic

i might write a multichapter fic set in this universe of just theatre shenanigans, bc i've had an outline for a klance theatre au sitting in my documents since july, but if i do that, it probably won't be till december or january, once the show happens so i can write down all the wild shit that actually happens backstage

anyway this chapter is shorter and sillier than some of the more recent ones

See the end of the chapter for more notes

Team No Sleep

lanceylance: TODAY’S THE DAY

takashmeoutside: should i even ask

lanceylance: IT’S AUDITION DAYYYYYYY

lanceylance: the second gayest club in the school gets the gay show

hunkerdunker: aren’t both of the main characters straight

lanceylance: they could be bi or pan or ace, you never know

lanceylance: ANYWAY you all know i could nail either of the costazuela brothers

kogayne: oh jeez

kogayne: that means you’re gonna have to flirt with whoever gets olive and flo

lanceylance: you jealous, kogane? ;)

lanceylance: aw, babe,

kogayne: i might just have to brand you again

carrierpidgeon: IT IS THIRD PERIOD, AGAIN WITH THIS SHIT

shayfromstatefarm: hey keith what if i get one of those roles

carrierpidgeon: what’s he implying, i’m not privy to this information

allurable: i think he’s talking about the time that they made out in the wood closet

allurable: and every dark corner they could find

allurable: they would do it in the middle of the shows

mattata: this one time shiro moaned

takashmeoutside: ENOUGH

mattata: someone in the front row heard him and recognized his voice

carrierpidgeon: how often did shiro moan for someone to recognize it as distinctly shiro’s, from the front row, in the middle of the show

mattata: ;)

carrierpidgeon: you know what i’m sorry i asked

takashmeoutside: yeah me too
**lanceylance:** as much as i flaunt keith literally everywhere we’re not even that bad

kogayne: i’m just in a relationship with lance, he’s kind of hard to top in terms of enthusiasm

kogayne: doesn’t mean i love him any less

hunkerdunker: i’m sure you’ll land one of the lead guys

lanceylance: ¯\_(ツ)_/¯

lanceylance: are you gonna audition tomorrow???

hunkerdunker: ...yeah, i mean, i guess, no harm in that

hunkerdunker: what’s the worst that happens, i don’t get a role and i turn to one of my other several clubs to keep busy?

carrierpidgeon > shayfromstatefarm

carrierpidgeon: I NEED YOU TO HELP ME

carrierpidgeon: YES

shayfromstatefarm: oh, okay

shayfromstatefarm: well i got a text from hunk saying to tell you “no” on the “nugget thing”

carrierpidgeon: I HAVE TWENTY-FOUR MINUTES TILL I LOSE OUT ON FREE NUGGS

shayfromstatefarm: have you tried asking keith to help you

Team No Sleep

lanceylance: 12:01 AM

lanceylance: I’LL BE WAITING FOR MY NUGGS BEFORE THE FOOTBALL GAME, PIDGEON

carrierpidgeon: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Chapter End Notes

remember how i mentioned this chapter is shorter and sillier than some of the more recent ones

well i went thru a depressive episode earlier today and now i have a bunch of ~more
serious~ ideas to sprinkle in, so ¯\_(ツ)_/¯

it's mostly just keith and lance talking thru their anxieties bUT IT'S HOW I COPE. LIVING VICARIOUSLY THROUGH THE PALADINS. WHAT EVEN IS MY LIFE ANYMORE.

also i started working on a coffeeshop au oneshot, updates to come
AAA (when the depression traps u in and u want Out)

Chapter Summary

keith is depressed; lance and shiro have concerns; other random plot points occur bc this story's gotta go somewhere

Chapter Notes

keith has a depressive episode at the beginning of this chapter

there are photos in my phone of me sobbing as i wrote this chapter at almost 3 AM, bc damn i have been feeling down all day. i started to feel better by physics but then calc came along and ruined everything

my friends are gems tho

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: hey

lanceylance: starlight, the center of my solar system, the planet i orbit,

lanceylance: hello~

kogayne: so um

kogayne: i was doing some thinking

kogayne: about college

kogayne: and us

lanceylance: ...you okay??

kogayne: i just wanted to tell you that if we get to college and you find someone on campus that you happen to like better than me bc they’re better than me which isn’t really that hard then i’m gonna be okay with a breakup i don’t wanna hold you back and stop you from living the life you’ve always wanted to live with someone who isn’t a human disaster

kogayne: bc let’s face it we’re going to get to college and there are gonna be kids from everywhere instead of this stupid town and they’re going to be cooler and better-organized and more emotionally open and more fun and i can’t cut you off from that

kogayne: i don’t want you to feel tied down, i want you to feel free to be whoever you want and
date whoever makes you happiest and not just stick with me be you’ll feel bad for me, i’ll move on from it, i just want you to be happy, even if it's not with me

**lanceylance:** hey hey heyheyheyhey nononono stop that

**lanceylance:** what the fuck how long have you been thinking about this

**kogayne:** a few days

**lanceylance:** baby nononono listen to me, listen,

**lanceylance:** i’m not with you out of necessity or because i feel bad for you, i’m with you because i /love you/ and i don’t want to be with anyone else but you

**lanceylance:** trust me, you’re not holding me back, not by any means

**lanceylance:** i love every adventure we have together and everything we do and i love the way your stupid face and stupid mullet look in the morning and i love making you flustered and i love watching you /attempt/ to be organized and then say ‘screw it’ halfway through and dive into your chaos and i love how hot you look in a leather jacket and gloves but also how hot you look in /my/ jacket and i know you have trouble opening up but you try so hard every day and i couldn’t ask anything more of you

**lanceylance:** i know who you are and i fell in love with /you/, not some idealized version i have of you or some version of you that i’m hoping you magically become

**lanceylance:** you’re fucking perfect and i wouldn’t trade you for the world, okay???

**lanceylance:** i love you, keith kogane

**lanceylance:** going away to college isn’t gonna change that. we’re gonna be roommates and i’m gonna see your dumb face in the morning and we’re gonna hold hands on the way to the dining hall and when it snows i’m gonna pelt u with snowballs and on breaks we’re gonna go to skateparks and museums and go on dumb dates and cool dates and do all sorts of shit and graduate together and then we’ll see where we go from there, but no matter where we go, it’ll be with each other

**kogayne:** fuck you

**kogayne:** fuck you fuck you fuck you fuck you fuck you

**kogayne:** i’m fucking crying, asshole

**kogayne:** why can’t you just let me go

**lanceylance:** bc love isn’t letting go even when everything is going to shit, love is grabbing hands and getting through things together

**lanceylance:** love isn’t abandoning someone when things get tough or things aren’t what you expected, love is adapting to it and working with it

**lanceylance:** love isn’t pointing out flaws and cowering away from them, love is appreciating flaws and working to fix the ones that can be fixed and working alongside the ones that can’t

**lanceylance:** mark my words, as soon as we’re both ready, i’m gonna husband you so hard /you’re/
gonna get sick of /me/

**lanceylance**: whatever your anxiety is telling you right now is wrong.

**lanceylance**: i love you. i’m always going to be here for you. if we make it through senior year in one piece, then i have a good feeling about us. a really good feeling.

**kogayne**: i’m so scared

**kogayne**: lance i’m so scared you’re ofnna leaffe mike my mom did and liek isthought shirot was gonna dand i’m gonna br all by mwlef argian

**lanceylance**: i’m making you a promise, right now: i’m not leaving you, ever, unless you seriously want out. i am always going to be here.

**lanceylance**: i promise.

**lanceylance**: also i’m coming over, i’m leaving right now

**kogayne**: it’s 3 am

**lanceylance**: that’s never stopped you before and it won’t stop me

**kogayne**: ahsjdkljdfejwderfwrsgdv

**takashmeoutside**: oh my god SHIT SHIT SHIT

**takashmeoutside**: w h y wouldn’t he tell me if he’s suffering just fuckignfjwkslcvn

**allurable**: why are both of you awake

**Team No Sleep**

**lanceylance**: HEY PIDGOTTO, I EXPECT THOSE NUGGS BEFORE KICKOFF

**carrierpidgeon**: lance it is SEVEN IN THE DAMN MORNING

**lanceylance**: i’m just giving you plenty of warning!!

**carrierpidgeon**: i will fight

**lanceylance**: you can’t even reach me

**carrierpidgeon**: i just need to use matt as a booster

**mattata**: why would i help you fight against my favorite teenager in this group chat

**carrierpidgeon**: >:O

**lanceylance**: BETBETBETBETBETBETBET

**carrierpidgeon**: SO MUCH BETRAYAL

**lanceylance**: what do you mean “so much”

**hunkerdunker**: last night she went around asking everyone to sabotage the bet by trying to get you to talk

**carrierpidgeon**: HUNK

**lanceylance**: W O W

**mattata**: astronomy club trio? more like astronomy club be-trio-

**takashmeoutside**: i’ve come out of my lurking state to inform you that that was the absolute worst thing i’ve had to read in this group chat

**takashmeoutside**: and i’ve read a lot of nasty things in this group chat

**mattata**: betrayed by my own husband
**allurable:** i’d betray all of you in the hunger games

**lanceylance:** jeez allura where did that come from

**allurable:** we were talking about betrayal, weren’t we?

**allurable:** if this was the hunger games, you’d all be dead to me

**shayfromstatefarm:** you can’t just tell them that, you have to befriend them first and then kill them in the middle of the night and steal their supplies

**lanceylance:** SHAY WHAT THE FUCK

**allurable:** i want to instill fear from the get-go

**lanceylance:** YOU PEOPLE

**lanceylance:** PEOPLE LIKE YOU ARE THE REASON THE HUNGER GAMES THRIVED FOR 75 YEARS, YOU GOT INTO IT AND TOOK IT SERIOUSLY AND WENT IN FOR THE KILL INSTEAD OF SPREADING PEACE AND LOVE AND REBELLION AGAINST A TOTALITARIAN REGIME

**lanceylance:** I AM DISAPPOINTED™

**hunkerdunker:** damn

**allurable:** damn he’s right

**lanceylance:** umm of course i’m right

---

**revenge squad**

**carrierpidgeon:** is anyone else noticing a suspicious lack of keith in the gc

**carrierpidgeon:** i’m guessing whatever happened yesterday hit him hard??

**takashmeoutside:** lance has been touching him in some way since they went to bed, i legitimately don’t think they’ve broken contact since they fell asleep

**mattata:** i remember when keith used to hate people touching him

**mattata:** one time i poked him and he tried to bite me

**takashmeoutside:** he was still little

**mattata:** he was TEN YEARS OLD

**takashmeoutside:** yes and you were 17, you should’ve known better than to obnoxiously poke a little kid for five minutes straight

**mattata:** no by that point we figured out it was five minutes bi
shayfromstatefarm: does anyone know what actually happened to keith

takashmeoutside: sorry yes i sort of do

takashmeoutside: i think

takashmeoutside: the other day he told me he was feeling like a burden, he must’ve said something to lance last night that prompted lance to come over

hunkerdunker: can’t we go one week where we aren’t attacked, whether physically or verbally or by our own heads

takashmeoutside: depression and anxiety are Not the Ones

takashmeoutside > lanceylance

takashmeoutside: is keith doing alright

lanceylance: yeah, he’s sleeping in my front seat right now

lanceylance: he sat down and crashed pretty much right away

lanceylance: i’m really gonna hate having to wake him up when we get to school

takashmeoutside: i can’t thank you enough for taking care of him

takashmeoutside: and for rising up in the places i fall short

lanceylance: hey man, i love him just as much as you do, i’m just trying to help him as best i can

takashmeoutside: what went down last night??

lanceylance: i don’t really know if he’d want me to say anything, he was just,,, having a really rough night with a lot of self-doubt

lanceylance: i think he’s okay now, but i’ve gotta keep an eye on him

lanceylance: has he ever mentioned thinking he’s not good enough for me?? or wanting to break up?

takashmeoutside: he mentioned feeling like a burden to people, but nothing specific to you

takashmeoutside: every time he talks about you, he talks about how much he loves you

takashmeoutside: well, i mean, sometimes he mentions being scared that you’ll break up with him

takashmeoutside: he thinks you’re too good for him

lanceylance: he’s said that to me before, but he always seemed to be joking or exaggerating

lanceylance: ?????,he pulled a mE WHAT THE FUCK
takashmeoutside: ????

lanceylance: HE KEPT JOKING TO COVER IT UP WHAT THE FUCK I’M GOING TO CRY AND I CAN’T CRY BEFORE SCHOOL STARTS

lanceylance: why doesn’t he feel good enough?????? i

lanceylance: i can’t believe

lanceylance: i love him so much and he’s,,

lanceylance: he’s expressed to me before that he’s scared but fucking criminy i didn’t think

lanceylance: AND I SHOULD’VE KNOWN I’M SO

lanceylance: i’ve gotta make it up to him

takashmeoutside: he’s not going to want you making a fuss about things

lanceylance: yeah i know, he might feel guiltier

lanceylance: but i AM going to make it up to him

lanceylance: i’m so mAD I DIDN’T FUCKING REALIZE

takashmeoutside: he doesn’t blame you, i can tell you that

lanceylance: shiro i am going to husband this boy so hard

lanceylance: and i am going to show him that he is the best husband in the world

takashmeoutside: haha

takashmeoutside: i’m really happy that you two have each other

takashmeoutside: you care so much

lanceylance: mmmmm i love him so much,,,,

lanceylance: okay i’ve gotta go or we’re gonna be late for school, i’ll be keeping an eye on him all day

Team No Sleep

lanceylance: i don’t understand calculus anymore, send help, i’m dying

hunkerdunker: i’ve told you how to do it twice now

lanceylance: THAT DOESN’T MEAN IT MADE SENSE IN MY BRAIN

shayfromstatefarm: i’d try and help you but i really don’t understand either
lanceylance: RYNER IS GOING TOO FAST FOR THIS UNIT

shayfromstatefarm: she’s going too fast in general tbh

shayfromstatefarm: i barely started understanding the stuff from last week when she handed the next packet to us

shayfromstatefarm: like “here you go do this thing i didn’t teach you how to do. what do you mean it’s hard. i, the math teacher with a math degree certified to be teaching an ap course, understand how to do it. you high schoolers balancing several other subjects with very little specialization should understand it on an even better level than i do.”

lanceylance: t HA N K YOU

kogayne: i think i understand it enough to explain it on a lance level

kogayne: i can teach you guys if you’re free this weekend

lanceylance: YES  P L E A S E  EDUCATE ME SO I CAN PASS THIS CLASS SO I’LL NEVER HAVE TO USE DIFFERENTIAL CALCULUS AFTER THIS YEAR

allurable: that’s why his mullet’s so big, it’s full of calculus

kogayne: i can’t stand calc, i just happen to be decent at it

kogayne: i also never want to have to take this course ever again

kogayne: i have to win

kogayne: so lance and shay, you down for tomorrow?? we can hit up the library or my house or something

lanceylance: !!!!!!!!!!!!! YES THANK YOU SO MUCH

lanceylance: THAT’S MY MANS

lanceylance: HE’S GONNA HELP ME PASS CALC

mattata: aren’t you little demons in class right now

carrierpidgeon: has that ever stopped this gc before

mattata: fair point

takashmeoutside: this is why all of you are struggling with calc

lanceylance: fight me shiro

takashmeoutside: all i have to do is throw calculus at you and i’ll win

lanceylance: how dare
lanceylance > hunkerdunker

lanceylance: HOW DID AUDITIONS GO

hunkerdunker: they went well i think?? i didn’t screw up and i didn’t get booed off the stage

lanceylance: directors really shouldn’t be booing actors off the stage during auditions anyway but YEAHHH BUDDY YOU GOT THIS

hunkerdunker: thanks lance

Team No Sleep

lanceylance: were we still doing that couple challenge today???? bc can we move it to sunday???????

carrierpidgeon: yes pls move it i put nothing together

carrierpidgeon: plus i still need to go to wendy’s and get you nuggs

lanceylance: YES NUGGS

carrierpidgeon: and then we’ve gotta get down to the football field for FRIDAY NIGHT LIGHTS

lanceylance: i’ll admit football is overglorified as fuck sometimes but there’s something FUN AND FREEING about being on the football field surrounded by the student body

hunkerdunker: can’t argue with that

shayfromstatefarm: especially when you’re surrounded by a group of friends and it’s cold and you’re all huddling together and shoving your way to the front of the snack line for hot cider or cocoa

lanceylance: or when you’re hiding out with your boyf and being all soft n shit

kogayne: shfgkssllep

carrierpidgeon: you guys will never give the mushiness a break, will you

lanceylance: until keith tells me to shut up i’m just gonna continue

kogayne: clingy lance > detached lance > no lance

lanceylance: clingy keith > detached keith > no keith

lanceylance: I

lanceylance: LOVE

carrierpidgeon: nuggs

lanceylance: KEITH
KOGAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAANE
lanceylance: DAMMIT PIDGE

revenge squad

allurable renamed revenge squad to keep away from the prying eyes of klance

(3) photos from allurable

allurable: so i hadn’t seen keith and lance around the field in a while

allurable: and i went looking for them

shayfromstatefarm: this is so soft

hunkerdunker: they’re putting the rest of us to shame, damn

carrierpidgeon: if keith were here he’d yell “every couple is different” but he’s not here, so now this should fuel you all to whip your asses into shape to cream them on sunday

mattata: space mom space dad and space daddy are gonna fucking WIN on sunday

carrierpidgeon: pls stop calling urself space daddy in front of me, as your sister it’s UNCOMFORTABLE

mattata: space dad space daddy

carrierpidgeon: i know how to shut off the wifi to certain devices, don’t test me

mattata: you wouldn’t

takashmeoutside: she would

shayfromstatefarm: she would

allurable: she would

hunkerdunker: she would

carrierpidgeon: (・`ω´・)

mattata: GREMLIN

carrierpidgeon: titan

mattata: titans were badass immortals

carrierpidgeon: the titans lost the war

lanceylance > kogayne

lanceylance: this is your goodnight text, i love you
kogayne: you’re literally lying right next to me

lanceylance: i know :)

kogayne: ...is that your foot

lanceylance: no...is that /your/ foot?

kogayne: i don’t think so????

lanceylance: …. 

kogayne: WHAT THE FUCK IS THAT

lanceylance > takashmeoutside

lanceylance: YOUR CAT RUINED A TENDER MOMENT

kogayne > takashmeoutside

kogayne: WHEN THE /FUCK/ DID YOU GET A CAT

Chapter End Notes

is all of this klance entirely self-indulgent? oh absolutely

am i gonna stop? bitch i think the fuck nOT!

anyway i’m about 500 words deep into chapter 17 of stars go down, i’m aiming for a sunday night upload but i have so much homework SO we’ll see, byeee
Black ft. The Exposed Squad

Chapter Summary

shiro got a cat. lance is a furry, and so are pidge and hunk??? what?????? ft. halloween shenanigans

Chapter Notes

i’m posting this on sunday night, i’m trying to grind out the sunday chapter and get it up by monday morning, but also like,,, i have homework i neglected all weekend in favor of halloween parties and pumpkin festivals and naps

See the end of the chapter for more notes

Team No Sleep

kogayne: SO APPARENTLY SHIRO GOT A CAT YESTERDAY WHILE WE WERE AT SCHOOL AND DIDN’T BOTHER TO INFORM ANYONE

kogayne: I COULD’VE BEEN ALLERGIC, SHIRO

takashmeoutside: no one here is allergic to cats

mattata: the only thing i’m allergic to is bullshit

kogayne: then why are you dating shiro

allurable: OH SHIT

takashmeoutside: K E I T H

lanceylance: i’m so proud

hunkerdunker: there’s a story behind this isn’t there

kogayne: LANCE AND I WERE JUST TRYING TO GET SOME SLEEP LAST NIGHT

kogayne: AND THIS T H I N G TOUCHES MY FOOT

kogayne: LANCE’S FOOT IS NOT THAT HAIRY

shayfromstatefarm: thanks for answering a question no one was wondering about

kogayne: SO WE SCREAM

kogayne: AND LEAP OUT OF BED
lanceylance: i got caught in the blankets and fell on the floor
lanceylance: cryptid kogane over here pulled a knife from under his pillow
takashmeoutside: WAIT WHY DO YOU SLEEP WITH A KNIFE
kogayne: NOT IMPORTANT
kogayne: SO HERE I AM WITH THIS KNIFE
kogayne: I MAKE LANCE PULL BACK THE COVERS
lanceylance: “lance, i want you to pull the covers back, and then i want you to run.”
shayfromstatefarm: how sweet
carrierpidgeon: are you shitting me
hunkerdunker: still takes the time to protect lance even in the face of a perceived danger
lanceylance: i know, i’m so lucky
kogayne: SO LANCE PULLS BACK THE BLANKETS, AND I POINT A KNIFE AT THIS
THING, FULLY PREPARED TO STAND MY GROUND AND FIGHT
lanceylance: (i should add that at this point, it’s like 2 AM)
hunkerdunker: ah yes, that makes more sense
shayfromstatefarm: this seemed too wild for 11 PM
kogayne: AND INSTEAD OF RUNNING LIKE I TOLD HIM TO, LANCE FLIPS ON THE
LIGHTS, AND LO AND BEHOLD, THIS BLACK CAT IS SITTING UNDER THE COVERS,
STARING DOWN THE KNIFE
lanceylance: “you wanna maybe put that down, dickhead” -the cat, probably
kogayne: SO I GO TO SHIRO
kogayne: AND I DEMAND AN EXPLANATION
lanceylance: he’s not holding the cat properly, the cat is justifiably irritated-looking
kogayne: AND SHIRO GOES, “OH, YOU MET BLACK”
kogayne: HE NAMED HIS BLACK CAT
kogayne: / B L A C K /
mattata: shiro why am i dating you
carrierpidgeon: hush, whipped boy
takashmeoutside: I THOUGHT IT WAS A GOOD NAME
kogayne: SO I’M LIKE “WHEN THE HELL DID YOU GET THIS CAT WHY DID YOU GET THIS CAT WHY WAS I NOT CONSULTED I AM A MEMBER OF THIS HOUSEHOLD”

lanceylance: “i forgot. black likes your bed tho.”

kogayne: SO NOW THIS FURBALL, WHO WILL HISS AT ME ALL DAY AND SNUGGLES SHIRO LIKE THERE’S NO TOMORROW, DEMANDS TO SLEEP IN MY BED AT NIGHT

lanceylance: black likes me tho

shayfromstatefarm: you’re a likable person

shayfromstatefarm: not to say that keith isn’t,

lanceylance: shhhh just let that one die

kogayne: I’M GOING TO WAR WITH THIS CAT

kogayne: SO WHILE LANCE IS PREPPING FOR OUR STUDY SESSION AND SHIT

lanceylance: the time is now eleven AM

kogayne: I GO BACK TO MY ROOM TO GRAB MY TEXTBOOKS, AND THIS LITTLE SHIT IS SLEEPING ON TOP OF MY CALC BOOK

kogayne: AS IN, THE ONE I NEED TO TEACH LANCE AND SHAY

kogayne: I GO TO GET MY TEXTBOOK

kogayne: AND THE LITTLE FUCKER WAKES UP AND SCRATCHES ME

allurable: yikes

carrierpidgeon: tag urself i’m the cat

kogayne: IT’S LIKE THIS CAT THINKS IT’S IN CHARGE

kogayne: SO AFTER FIGHTING WITH THIS CAT FOR FIVE MINUTES, WE COME TO AN UNDERSTANDING:

kogayne: IT IS TO STAY IN THE CORNER OF MY ROOM WITH MY LAUNDRY BASKET

kogayne: AND I GET EVERYTHING ELSE

lanceylance: it’s about to claim your laundry as a litterbox, just you wait

takashmeoutside: keith you have to let black roam around

kogayne: SHIRO IT IS /YOUR/ CAT I DON’T KNOW WHY IT’S IN MY ROOM

takashmeoutside: she’s mostly in there when you’re out of the house

kogayne: YOU GOT THIS CAT Y E S T E R D A Y TRAIN IT TO STAY OUT OF MY
ROOM

**takashmeoutside:** you have to reach more of an understanding than “stay in your lane”

**kogayne:** OKAY ANYWAY

**kogayne:** SHAY, WE’RE READY ANY TIME

**shayfromstatefarm:** i’m leaving in five minutes

---

**Team No Sleep**

**shayfromstatefarm:** black is adorable

**kogayne:** black has claimed another victim

**kogayne:** shay, lance, and shiro are DEAD TO ME

**lanceylance:** but baaaaaaaaaabe

**kogayne:** DEAD TO ME, MCCLAIN

**kogayne:** YOU’VE SIDED WITH THE CAT

**carrierpidgeon:** what do you have against cats anyway

**kogayne:** I DON’T HAVE ANYTHING AGAINST CATS, I JUST HAVE A PROBLEM WITH /THIS ONE/

**hunkerdunker:** open your heart, let the cat in

**hunkerdunker:** appreciate the soft, furry goodness

**carrierpidgeon:** speaking of furries, let’s play “which animal is lance gonna be for halloween this year”

**hunkerdunker:** it was an adjective,„„

**carrierpidgeon:** it can be taken either way in that context, anyway, LANCE, YOU FUCKIN FURRY, WHAT ARE YOU GONNA BE FOR HALLOWEEN

**lanceylance:** I’M NOT A FURRY

**carrierpidgeon:** EVIDENCE SAYS OTHERWISE

**lanceylance:** WHAT EVIDENCE

**lanceylance:** shHTUYTIR SHTUYTI I’M GONNA REGRET ASKING

**hunkerdunker:** ripperoni

(19) photos from **carrierpidgeon**
shayfromstatefarm: what’s that third one um?

allurable: SHFJSKAKDK THE ELEVENTH

takashmeoutside: why do i still hang out with all of you

kogayne: oh my god i’m dating a furry

kogayne: pidge we can’t bring him on any cryptid hunts, he’s gonna fuck bigfoot

lanceylance: I AM SO EXPOSED RIGHT NOW

lanceylance: THAT WAS THREE YEARS AGO, I’VE CHANGED

hunkerdunker: FOUR OF THOSE ARE TIMESTAMPED WITHIN THE LAST SIX MONTHS, LANCE

lanceylance: I’VE CHANGED

lanceylance: HALF OF THOSE ARE JOKES MAKING FUN OF MY PAST SELF

carrierpidgeon: OWN UP TO IT, FURRY

lanceylance: N E V E R

(43) photos from lanceylance

lanceylance: HEY

shayfromstatefarm: HEY

kogayne: HEY

carrierpidgeon: HEY

carrierpidgeon: JDJDJSJ WHATEVER

carrierpidgeon: SERIOUSLY, IF ANYONE ELSE BREATHES A WORD OF THAT PAGE, I WILL KILL YOU

carrierpidgeon: I DIDN’T KNOW LANCE FOUND IT

carrierpidgeon: i can’t believe,,,,,,,,, we’ve all been exposed to each other now

lanceylance: well,,,

carrierpidgeon: don’t even finish that fucking thought

mattata: i’m 99% sure that’s not applicable to like, 5 people here, at least

mattata: ….maybe 7

carrierpidgeon: THAT’S NASTY

kogayne: ANYWAY I’VE GOTTA FINISH TEACHING SHAY AND LANCE DIFFERENTIAL CALCULUS, GOODBYE

Team No Sleep

mattata: so it’s a free saturday night, who wants to go to a haunted house

allurable: SIGN ME UP

takashmeoutside: it’s going to ruin my blood pressure

takashmeoutside: maybe it’ll get so high i go into cardiac arrest and die

takashmeoutside: i’m in

allurable: no,

kogayne: dramatic or serious

takashmeoutside: dramatic, at the moment, on black’s behalf

shayfromstatefarm: i’ll go!!

carrierpidgeon: i don’t wanna be the odd girl out here

kogayne: just a warning, as we’ve established by now, my fight-or-flight response is very much “fight”

kogayne: so uhhh, sorry to anyone standing near me

lanceylance: /fuck/

kogayne: i thought that was for later

takashmeoutside: EXCUSE ME

lanceylance: HE’S JOKING SHIRO HOLY SHIT

carrierpidgeon: LOOK WHAT LANCE HAS DONE TO HIM

carrierpidgeon: A HORRIBLE INFLUENCE

mattata: okay, them aside, we’re going at like, 10, okay??

mattata: take your two hours to prep, bc this thing is apparently a rEALLY GOOD HAUNTED HOUSE

Team No Sleep

carrierpidgeon: you’re all babies

kogayne: I FUCKING HATE CLOWNS

mattata: weird, since you’re dating one

lanceylance: HHHHHHH HOLT SHUT UP

lanceylance: I’M STILL FREAKING OUT OVER THE CONTORTIONIST, THAT WAS RIGHT OUT OF MY NIGHTMARES

hunkerdunker: are we not going to talk about the bodies in the fridge
kogayne: okay that room actually pissed me off, they can’t even cut open bodies right

shayfromstatefarm: THAT’S WHAT YOU TOOK AWAY FROM THAT ROOM??? THAT THEY COULDN’T CUT OPEN BODIES RIGHT????

shayfromstatefarm: WE’RE SURROUNDED BY WRITHING BODY BAGS, AND /THAT’S WHAT YOU’RE THINKING ABOUT/

allurable: i didn’t think,,, but then,,,,, BUT THEN THE DOLLS

takashmeoutside: the car

takashmeoutside: WHY DIDN’T ANYONE WARN OF THE CAR

mattata: i didn’t know there was a car, if i’d known i would’ve brought us to a different haunted house, i’m sososososo sorry, holy fuck

allurable: why didn’t you ask to be escorted out?

takashmeoutside: i had to get through

takashmeoutside: i’m okay now

takashmeoutside: i just...i had to get through

takashmeoutside: matt, it’s not your fault, i’m glad you and allura were there

kogayne: shit, that got to you??

kogayne: when our group got there i didn’t even think about that

takashmeoutside: seriously, it’s alright

takashmeoutside: please talk about anything else, just not the car

hunkerdunker: okay so that room with the wooden board, over the floor

hunkerdunker: was there actually a drop, or was that just a trick

lanceylance: i wanted to look but i wasn’t about to be /that person/ who accidentally falls and dies

carrierpidgeon: hey keith remember the clown with the knife

kogayne: PDIFGE

kogayne: I WANTED TO ASK ABOUT THE KNIFE BUT IT WAS A C L O W N

lanceylance: i think they had that knife in the giftshop actually

kogayne: WHAT

kogayne: WHEN DID YOU SEE IT

lanceylance: on our way out, i went and looked inside with hunk while you pidge and shay went to
meet up with shal uratt

**lanceylance**: it was extremely overpriced tho, not worth it

**kogayne**: HHHHH

**allurable**: anyway, mcdonalds was great, now who wants to go to target

**lanceylance**: monday is keith’s birthday but i wanna celebrate tomorrow, so we’re gonna pretend the challenge is still on

**allurable**: ooooh surprise party, i like this

**lanceylance**: keith won’t want a huge party but there still needs to be food and cake

**lanceylance**: and i already bought him the knife but i’m gonna get him a couple other things, bc i love him,

**takashmeoutside**: keith’s not a huge fan of purely material

**lanceylance**: relax, shiro, what kind of boyfriend do you take me for

**lanceylance**: his emo poetry gave me an idea i’m gonna pull off tonight

**lanceylance**: i need the rest of you to distract him

**lanceylance**: both in target and during the night

**takashmeoutside**: are you sleeping over again or at your house???

**lanceylance**: keith is a clingy boy, i’m sleeping over, but i need to work
**lanceylance**: so shiro,,, are you down for a slumber party

**takashmeoutside**: this is so last minute, i’m glad i’m the adult around here (i will never say those words under any other circumstances)

**takashmeoutside**: yes, is everyone else down

**allurable**: YES

**mattata**: snuggles with my loves, i’m in

**lanceylance**: mmmm keep calling me and keith gross, whipped boy

**carrierpidgeon**: i can keep him occupied with conspiracy theories and video games, just say the word

**lanceylance**: the gremlin has temporarily been granted angel status, thank you pidge

**shayfromstatefarm**: i’ll go

**hunkerdunker**: i can bake a cake if we keep keith out of the kitchen

**lanceylance**: he’s going to get suspicious if he smells cake

**carrierpidgeon**: it’s related to the challenge

**carrierpidgeon**: that’s our cover

**carrierpidgeon**: hell, we can have keith put stuff together “for the challenge” to distract him

**lanceylance**: this means you actually need to do some planning

**carrierpidgeon**: FUCK

**carrierpidgeon**: fine yeah i’ll do it

---

**Team No Sleep**

**takashmeoutside**: hey who’s down for a sleepover after this target run, since we’ll be together anyway

**hunkerdunker**: me

**shayfromstatefarm**: i’m down

**allurable**: !!! YES

**mattata**: let’s goooooooollllllllllllllllooooonnnaaaaa

hunkerdunker: i’m all set

shayfromstatefarm: ^^^

takashmeoutside: all good

allurable: proceed to checkout

mattata: seconded

carrierpidgeon: i mean, we’re all done, but you could stuff him in a taco suit for shits and giggles

allurable: snapchat it

shayfromstatefarm: make it your phone wallpaper

mattata: tell him if he doesn’t do it then you’ll make the cat your wallpaper

lanceylance: HAHAHSJDFKWLA BET

lanceylance: PRESENTING: TAKEITH
kogayne: i’m going to kill you in your sleep

Chapter End Notes

(no one exposed shay or brought it up bc shay is too good for all of them)

i went to a haunted house last weekend with my friends, and i’m the only one who didn’t flip out

i kinda just babbled my way through, i complimented a clown’s knife, the whole nine yards. my friends made me the leader bc i was like "PFFT I WON’T GET SCARED" on the way in and they were right

also it helped that they kept grabbing onto me so i rlly didn’t need to ask them to

idk i might write the one-shot about it, who knows, i’ve been mentioning a lot of oneshots i’ve barely touched (also i wanna draw these scenarios, and ALSO IF ANYONE HAS ANY FANART FOR THIS FIC, OR WANTS TO DRAW FANART, GO RIGHT AHEAD, SEND IT TO ME ON INSTAGRAM @ NERDYPACEACE OR ON TWITTER @ NERDYPXCEACE, YOU CAN TRY TUMBLR TOO BUT I DON’T REALLY GO ON TUMBLR THAT OFTEN, MY TUMBLR IS THE SAME AS MY INSTAGRAM)

so like i said, i wanna grind out the sunday chapter tonight but HOMEWORK CALLS (fuck calculus)
Chapter Summary

the squad spends sunday together, lance and keith are still disgustingly in love

Chapter Notes

I'M SO SORRY I MEANT TO HAVE THIS UP LAST NIGHT but I'm writing all of it in google docs (as opposed to Scrivener for my oneshots/long fics) and I didn't make it available offline and then my internet WENT DOWN LAST NIGHT RIGHT WHEN I GOT OUT OF THE SHOWER and I couldn't reset the router bc it's in my brother's room and it was like 1 in the morning and ajsdowrlrewsjfe

also this is short bc this is another chapter where they're all together in one place

See the end of the chapter for more notes

Team No Sleep

carrierpidgeon renamed Team No Sleep to Ace Week 2017

carrierpidgeon: it’s my week bitches, day 1

mattata: congrats, would you like a medal

carrierpidgeon: no but cake would be nice

mattata: we don’t have cake, Tragic

carrierpidgeon: hunk, i desire cake

hunkerdunker: on it

KEITH DEFENSE SQUAD

lanceylance: nice cover pidgeotto

carrierpidgeon: thanks, i do my best, i’m now going to distract keith for three hours while you do what you need to do

carrierpidgeon: don’t push your luck

carrierpidgeon > kogayne

carrierpidgeon: wanna play re7

kogayne: I’M COMING

lanceylance > carrierpidgeon

lanceylance: i’m finally done, you’re free to cut him loose and go to sleep now

carrierpidgeon: oh thank god

carrierpidgeon: he’s getting delirious

carrierpidgeon: he’s died ten times in the last half hour and insists on continuing to play

lanceylance: i can’t wait for that to be me and him in ten years, sitting on a couch at 3 AM playing some dumb horror game and dying over and over again bc we’re so sleepy but we can’t help but keep going bc we have to WIN, KEITH, NOW GIVE ME THE CONTROLLER

carrierpidgeon: that was grossly specific, can i be a gremlin again

lanceylance: go ahead

carrierpidgeon: Disgusted

lanceylance: ;)

carrierpidgeon: if i’m not the flower girl at your wedding i’m throwing hands

lanceylance: that’s the nicest thing you’ve ever said to me

Ace Week 2017

allurable: RISE AND SHINE

mattata: rest in pieces to whoever’s ringtone got changed to banshee shrieking

takashmeoutside: DHFGHFDWKEE!WWH DID YOU CHANGE IT

mattata: ahhhh, so that’s whose phone i swiped, i thought i swiped keith’s

kogayne: alrighty then asswipe

hunkerdunker: HAVE YOU FORGOTTEN THAT KEITH /SLEEPS WITH A KNIFE/

hunkerdunker: BECAUSE I REALLY FEEL LIKE THAT’S A DETAIL YOU SHOULDN’T
mattata: oh PLEASE he was sleeping with lance last night, there’s no way he was waking up, grabbing a knife, and shanking me in the five seconds it would take for me to grab his phone and run

shayfromstatefarm: he would perceive you as a threat

lanceylance: remember what happened when paul came at me

lanceylance: it would be like that but worse bc he has a knife now

takashmeoutside: .... i feel like i shouldn’t let keith have a knife now

kogayne: and are you sure you wanna try taking it

takashmeoutside: did you just threaten to stab me

kogayne: did you perceive it that way

allurable: damn

takashmeoutside: i gotta find a way to get that knife

kogayne: if you keep threatening to take it i’ll give it to you, just not nicely

shayfromstatefarm: holy shit

carrierpidgeon: [adds “knife fight” as last-minute item on relationship challenge schedule]

shayfromstatefarm: wait, no,

takashmeoutside: okay so everyone is awake ummmmm i’m gonna go make breakfast

mattata: NO

allurable: NO

kogayne: NO

kogayne: DON’T LET HIM IN THAT KITCHEN, HE CAN’T COOK TO SAVE HIS LIFE

hunkerdunker: i’m on it, i’m going to save breakfast

takashmeoutside: i have been betrayed and exposed

lanceylance: if you or a loved one has been betrayed or exposed within the last 24 hours, you may be entitled to free compensation

kogayne: compensation

lanceylance: autocorrect failing me when i need it most

carrierpidgeon: can i get uhhhhh free compensation
mattata: sorry compensation machine Broke
lanceylance: i hate all of you
lanceylance: except hunk
hunkerdunker: you just don’t want me to burn your breakfast
lanceylance: ()))))) hunk, the light of all of our lives, chef extraordinaire, a gordon ramsay among paula deens
hunkerdunker: i want that on my grave
carrierpidgeon: please make that your yearbook quote
hunkerdunker: oh my god i actually have a yearbook quote this year
hunkerdunker: THIS IS TOO MUCH I MUST GET COOKING
lanceylance: ...HOLY FUCK WE’RE SENIORS
allurable: is the unholy shrieking i hear lance
kogayne: yes, unfortunately
carrierpidgeon: hey my phone is dying can we all go to the kitchen and socialize like “real human beings”
shayfromstatefarm: how do you do that, where’s the on switch
kogayne: do you have to plug a normal human in
lanceylance: WELL
kogayne: I REGRET TYPING ANYTHING
kogayne: WE’RE ON OUR WAY DOWNSTAIRS NOW, COME ON LANCE
kogayne: ...WAIT
shayfromstatefarm: JUST PUT THE PHONE DOWN JUST STOP TALKING

kogayne > lanceylance
kogayne: you guys planned this??? for ME?????
lanceylance: um duh?
kogayne: AND THE KNIFE? I THOUGHT IT WAS OVERPRICED
lanceylance: it was, but you loved it so much that it was a no-brainer
lanceylance: and uh, there’s something else i wanna show you, if you’re cool with being in the woods again,, after what happened

kogayne: ASHDJFKLRELJFDHBA LANCE WHY ARE YOU LIKE THIS

kogayne: YEAH I'M FINE WITH IT but that’s like a 20 minute drive, the others are gonna notice us being gone for a while

lanceylance: i’m sure they won’t mind

lanceylance: come on, let’s get to my car

keep away from the prying eyes of klance

allurable: did they leave

carrierpidgeon: yep

takashmeoutside: so now that they’re gone, we can actually plan the relationship challenge to completely and utterly destroy them

hunkerdunker: uhhh you okay man

mattata: he’s still miffed about the knife

takashmeoutside: friendly competition never hurt anyone

shayfromstatefarm: friendly competition landed lance and keith in detention about a billion times freshman year

takashmeoutside: yes and now they’re gonna go make out in the woods

takashmeoutside: like i said, never hurt anyone

shayfromstatefarm: you know what, fair enough

mattata: so, what are some competitions they’re guaranteed to lose

allurable: I FEEL LIKE I SHOULD ADD THAT WE’RE NOT GOING TO ADD ANY MEAN COMPETITIONS FOR THE SAKE OF BEING ANTAGONISTIC AND WATCHING THEM SUFFER

carrierpidgeon: all of you need to settle down jeez louise what kind of friend do you take me for

carrierpidgeon: the cake and the lack of sleep have clearly gotten to you, go lie down, old people

carrierpidgeon: hunk and shay can help me plan

what the fuck is happening anymore
carrierpidgeon: okay so we’re definitely skewing this thing in your favor

shayfromstatefarm: i thought that was always the plan

hunkerdunker: yeah ditto

carrierpidgeon: oh it was i was just reminding you

Ace Week 2017

lanceylance renamed Ace Week 2017 to KEITH DAY

lanceylance: we can change it back on tuesday

HAPPY BIRTHDAY KEITH

Chapter Summary

it's keith's birthday, ft. gratuitous theatre (mostly heathers) references

Chapter Notes

I'M ALL CAUGHT UP WITH THIS FIC THANK GOODNESS

i love my red space son

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: so i know i’m sitting right next to you and i already was really sappy in the woods but i wanted to write something here too just so you can save it and look at it in case you’re ever feeling down bc i love you a lot and you mean everything to me
i know at the end of middle school and during freshman year we had that dumb rivalry but tbh i always really wanted to be your friend deep down???? like you were just really cool and it intimidated me so Bravado Lance had to show up and make a hot mess of things by doing dumb shit like flirting with girls in front of you and obsessing over getting a girlfriend bc i had to be better than you???? and i lowkey wanted to make you jealous????
so i’m really glad that by sophomore year our friends forced us to be friends and then we got really close and then the day i asked you out i was sososososo nervous you were gonna say no, but i’m so glad you didn’t, i’m so glad you said yes bc look where we are now
all of the shit we’ve gotten from people between then and now doesn’t matter bc i think of every happy moment we’ve had together (and there are tons holy fuck i could go all day) and i get SO HAPPY. i get SO HAPPY just thinking about you, you brighten my day and i honestly don’t know where i would be without you???? like that first time i broke down in front of you i thought you were gonna laugh or something but you didn’t and????
i know you have a lot of insecurities and i know you’re scared about the future and i am too but it’s gonna be you and me, us against the world, i’m not going anywhere, i’m prepared to spend the rest of my life with you, even if it seems rlly weird to think now, but i really don’t want anyone else. i fell in love with a weirdo who goes cryptid hunting with our pseudo-sister on the weekends. i fell in love with a strange boy with a mullet and an affinity for knives and i wouldn’t trade him for a n y t h i n g
and when we go to college in the fall i’m gonna flaunt you around campus like there’s no tomorrow
i love you so much, keith kogane, i feel like i’m gonna explode every day with how much i love you.
i know some days are bad and some days are stormy and it’s hard to show it sometimes but i love you i love you i fucking love you, never doubt that, i’m always gonna be here for you, i will always love you, no matter what happens in the future
happy birthday, starlight

carrierpidgeon: murder

hunkerdunker: no,

shayfromstatefarm: document the situation and get a trusted teacher to back us up

shayfromstatefarm: preferably, have them witness

carrierpidgeon: i just spit my water everywhere, my chem teacher is giving me the dirtiest look

takashmeoutside: PLEASE DO NOT PERFORM DEAD GIRL WALKING AT LUNCH

lanceylance: TAAAAAKE THIS DEAD BOY WALKIIIIIIIIIIINNNNNNNNNNNN

kogayne: why did i say anything

KEITH DAY

takashmeoutside: wait if matt and i are ram and kurt that means lance and keith murder us

takashmeoutside: and they murder allura

kogayne: why did it take you two whole class periods to say something

takashmeoutside: it only just occurred to me

takashmeoutside: what do you youngsters have against us

carrierpidgeon: that’s none of your concern

mattata: keith has a knife,, or several,,,, and lance got him another,,,,,,,,,,,,,,,,,,

mattata: pidge and hunk are tech geniuses, and hunk is also extremely good at cooking,,

mattata: shay is a design queen and good at sewing and is RLLY GOOD AT PEACEKEEPING,,,,,,,,,,,,,,,,,,,,

shayfromstatefarm: how much sugar was in that cake

hunkerdunker: too much, apparently

lanceylance: KEITH GOT HIS BIRTHDAY COFFEE ON ME LEAVE US ALONE

carrierpidgeon: HHHHHHHHHH I NEED CAFFEINE

allurable: you went through all of lunch and period 5 without being gross with keith???

carrierpidgeon: ohohohohoho no, they were gross, just not in the group chat

hunkerdunker: certain people in the cafeteria were ready to have aneurysms

kogayne: >;)

lanceylance: mmmmmmmmmmmmmmmmm

lanceylance: vengeful petty keith,,,, somethin about him,,,,

takashmeoutside: lance i’m begging you to not finish that thought and just let us fill in the blanks

hunkerdunker: VENGEFUL PETTY KEITH MAKES LANCE WANT TO GO TO CHURCH AND DEDICATE HIS LIFE TO THE LORD’S WORK
lanceylance: whatever helps you sleep at night, buddy

lanceylance: just remember that you and shay are NOT AS PURE AS YOU’D LIKE TO PRETEND

shayfromstatefarm: we JUST DON’T FLAUNT IT

lanceylance: sorry when i’m happy sometimes i just,,,,,,

kogayne: why are you apologizing

kogayne: happy singy lance is one of my favorite lances

lanceylance: <33333

lanceylance: mark my words, by the time the musical rolls around, the cast will have stolen keith away from crew

carrierpidgeon: excuse me you can’t steal one of our best set guys

lanceylance: mmm oKAY GOTCHA

shayfromstatefarm: keith can sing?

kogayne: not on me, but still

takashmeoutside: keith can’t sing i believe him whole-heartedly

mattata: mmmm yeah keith can’t sing for shit

allurable: the worst singer in the world

hunkerdunker: he makes people’s ears bleed

shayfromstatefarm: yeah sure okay

carrierpidgeon: [puts on skepticals]

carrierpidgeon: you really wanna flash that knife at me, kogane

takashmeoutside: lmfao he can totally sing

takashmeoutside: he thinks i don’t hear him in the shower

shayfromstatefarm: yeah none of us buy his lie

hunkerdunker: we’re just letting him think that

mattata: one of these days he’ll sing for all of us

allurable: twenty bucks it’s in a dramatic duet with lance

mattata: what song do you think they’d sing

takashmeoutside: helpless

carrierpidgeon: can you feel the love tonight

allurable: a whole new world

shayfromstatefarm: i see the light

hunkerdunker: a thousand years

mattata: ?????? you’re all so wrong, they’d obviously do an elaborate arrangement to victorious by patd

allurable: but lance is a huge sap and keith is too, just more lowkey

mattata: which is exactly why keith would wanna do something emo and lance would run with it

takashmeoutside: no he’d definitely go sappy

mattata: no he would not

takashmeoutside: ?? he’s my cousin i live with him i know how he operates

mattata: no i think you’re wrong

allurable: mmmmmmmmmmm i’m with shiro on this

Chapter End Notes

i was in the middle of the hallway today walking to the bathroom and out of nowhere i started thinking about klance and then i started smiling really big and then i was like "shit stop smiling people are gonna ask why you look like you don't wanna die" bc i have a massive resting bitch face and then i almost started crying bc they make me so happy and i love them and they deserve happiness and IS THIS HEALTHY TO BE ATTACHED TO FICTIONAL CHARACTERS THAT THEY CAN MAKE YOU CRY IN THE SCHOOL HALLWAY OUT OF NOWHERE

also i just finished listening to the be more chill soundtrack,,, what the fuck
and the plot thickens

Chapter Summary

we finally return to an actual plot (aka the ANGST IS BACK BITCHES)

Chapter Notes

some trigger warnings for this chapter bc obviously after such a happy birthday chapter we need some plot drama and angst

TRIGGER WARNINGS for a depression/anxiety-induced mental breakdown and mentions of aphobia, and also mentions of "i wanna die" bc of school

See the end of the chapter for more notes

KEITH DAY

carrierpidgeon renamed KEITH DAY to Ace Week 2017

carrierpidgeon: SO I KNOW WE’RE SUPPOSED TO TRY AND BE POSITIVE SINCE YESTERDAY WAS KEITH’S BIRTHDAY AND WHAT-NOT BUT MMMMMMMMMMMM I WANNA PUNCH SOMETHING AND THE DAY HASN’T EVEN STARTED

kogayne: we spent two days celebrating me, what happened

carrierpidgeon: A CERTAIN SOMEONE GOT WIND THAT FATHER DEAREST GOT FIRED BECAUSE OF /US/

mattata: are you FUCKING kidding me

carrierpidgeon: i was on my way to class and the warning bell already rang, so i didn’t stick around to listen, but he’s plotting something

allurable: the extent of human nastiness never fails to astound me

lanceylance: he can try all he wants but he’s not getting to us

lanceylance: and especially not captain doofus

lanceylance: and especially not pidgeotto

kogayne: of all the more ridiculous nicknames for me, why captain doofus

lanceylance: personal favorite, moving on

lanceylance: listen to me when i say that paul morvok is the dirt beneath our feet, and we’re not even going to give him the time of day
lanceylance: if he comes at anyone, let us know

allurable: !!! i can tell my father about it, and it’ll add to the case against zarkon, as his former employee’s son has been emboldened by his actions and conditioned to think that they’re okay, and that any rightful termination of one practicing those actions is an affront to him

takashmeoutside: i love when you talk legal

mattata: that’s not even legal that’s just some really fancy wordplay

takashmeoutside: it’s what you do in a courtroom and i love it

lanceylance: cool so now we know what shiro’s kink is

carrierpidgeon: why did you have to point that out

lanceylance: \_\_(ツ)__/¯

takashmeoutside: CAN YOU GUYS MAYBE PUT THE PHONES DOWN AND PAY ATTENTION IN CLASS

takashmeoutside: SPECIAL THANK YOU TO HUNK AND SHAY FOR STAYING OFF OF THEIR PHONES IN CLASS

carrierpidgeon: 20 bucks they’re really just lurking

mattata: no, they are the /best/ of us, they’re paying attention in class

carrierpidgeon: you wanna take me up on this bet and do a binding handshake over text

mattata: a chance to be $20 richer?? um yes

mattata: *shake*

carrierpidgeon: [shake]

carrierpidgeon: anyone else

lanceylance: i’m good, thanks

kogayne: pass

allurable: too busy sorry

takashmeoutside: i’m good

hunkerdunker: i’ll pass ;)

shayfromstatefarm: me too

mattata: YOU LITTLE SHITS

carrierpidgeon: i’ll accept my payment in fives and tens, brother dearest
mattata: mother of fuck

**PIDGE PROTECTION SQUAD**

carrierpidgeon renamed PIDGE PROTECTION SQUAD to H(ell)igh School

carrierpidgeon: so, morvok

carrierpidgeon: what do we do about him

hunkerdunker: anyone gotten any wind of what he’s up to?
lanceylance: well, we have class with him next period, don’t we?? stalk him then

shayfromstatefarm: do you think he’ll even be vocal about anything during class???

shayfromstatefarm: we’re pretty,,, obviously right there

lanceylance: the word is Iconic and you make a good point

lanceylance: maybe he’ll try something and get a rise out of us?

kogayne: do you want me to come down next period and make a point?

lanceylance: oooh petty vengeful keith makes a return~

hunkerdunker: can we have one group chat where you two don’t flirt

lanceylance: where’s the fun in that

lanceylance: also,,, i mean,,,,, IF YOU WANT TO,,,,,

shayfromstatefarm: warn us so hunk and i can have our eyesight spared

carrierpidgeon: tfw you’re a sophomore and don’t have to be subjected to these horrors

lanceylance: don’t forget you have lunch with us

carrierpidgeon: i have plenty of friends my age to sit with, i just choose to sit with you losers

hunkerdunker: LOSERS

shayfromstatefarm: you voluntarily sit with us, you’re automatically a loser too

lanceylance: I HAVE PLENTY OF FRIENDS

lanceylance: I JUST HAPPEN TO LIKE THESE ONES THE BEST

hunkerdunker: oh thank god our thirteen years of friendship don’t mean nothing

lanceylance: i’m a loyal hoe

lanceylance: the most loyal hoe i know
carrierpidgeon: so you admit you’re a hoe

lanceylance: yes and only this gc and the other gc have the permission to call me that

lanceylance: especially keith

lanceylance: ;)))

carrierpidgeon: is removing people from /this/ group chat off-limits

shayfromstatefarm: unfortunately i think yes, it’s universal

carrierpidgeon: damn

kogayne: welp, there’s the bell, lemme know when i need to come down

lanceylance: will do ;)))

hunkerdunker: FOR THE LOVE OF ALL THAT IS SACRED

H(ell)igh School

lanceylance: anyone else feel like this school is a powder keg about to explode

hunkerdunker: okay so we could either go the hamilton route or the heathers route from this point forward and i vote neither

lanceylance: fake theatre fan

hunkerdunker: more like person who knows how to not let obsessions get in the way of day-to-day activity

lanceylance: well excuuuuuuuuuuuuuuse me that i feel everything intensely or not at all

shayfromstatefarm: one of these days you’re going to end up in guidance for your “intense feelings”

lanceylance: i’ve said “i wanna die” in front of no fewer than 5 teachers and not ONE OF THEM has said anything

shayfromstatefarm: because you say it all the time

shayfromstatefarm: and at this point they’re probably like “lol there goes lance making his jokes again, what a good kid”

carrierpidgeon: can you imagine if one day he just snaps

kogayne: how about we don’t

lanceylance: seriously though one day i was having a giggle breakdown in physics do you remember that
shayfromstatefarm: yeah, ms hira told you to stop laughing and pay attention

hunkerdunker: ...do you need a hug buddy

lanceylance: lil bit yeah

lanceylance: like, i’m,,,,, feelin kinda weird, and the fact that i failed that calc test and my grade dropped ten points???? it’s nOT HELPING

kogayne: your intelligence and worth aren’t measured by how well you do calculus

kogayne: that test doesn’t matter, school in general doesn’t even matter that much in the grand scheme of things

kogayne: what matters is who you are as a person, who you surround yourself with, and what good you choose to do in your life

lanceylance: ,,,,

hunkerdunker: that was deep man

kogayne > lanceylance

kogayne: this goes deeper than just failing the test, doesn’t it

lanceylance: im so closer to losifjng my shit bc if i fail this test and it ends up uass a C+ on my trntrascript then my grbades won’t be goodn enough for the garisson school at arus and then they won’t take me andb g rthen we cant be roommates and thenn i’ll have to f ind some new majrito and mayeb new unvietsity alltoghebert and we can’t s eee ehaco hter and my drems will be crushe and ill be a hugne disappoojt ment to my famiyl and idk what ill do with ym life

kogayne: listen

kogayne: the marking period’s not over yet, you still have time to drag up that grade back to at least a B-, which shouldn’t be hard

kogayne: i can help you. we can have more study sessions.

kogayne: one bad test grade won’t completely ruin your chances of getting into the garrison school

kogayne: your family’s not going to freak out if you don’t get in, and if they do, then you know the rest of us have your back

kogayne: i have your back

lanceylance: but if i odjnt’ get in ebcause ofm y grades they’ll blame it on me hanginh out with all of you and then they mightban me from sdieirn you and i vsn’t delai wth ythat

kogayne: you know me, lance

kogayne: i won’t let that stand
kogayne: besides, if they do, it’ll just be a romeo and juliet situation, remember? ;)

lanceylance: hshfekkle

kogayne: but seriously, i’m here for you. i can help you. you’re smart and determined and you’re still in the top ten and even if the garrison rejects you, you can still go to arus

kogayne: and if you want to apply somewhere else, i won’t stop you, bc you deserve to live out your dreams

lanceylance: but i don’t wanna be separated from you :( 

kogayne: shhhhh don’t think like that, codependency is unhealthy

kogayne: don’t let me be a factor in deciding where you go to college

kogayne: would i hate being separated from you?

kogayne: yes, absolutely, but you and i will be able to work through things

kogayne: would i love to have you as my roommate and see your stupid face in the morning?? of course, but i can live if that doesn’t happen

kogayne: but that’s the /future/

kogayne: this is right now

kogayne: focus on your studies, focus on getting back up to at least a B-, and things will work themselves out

lanceylance: sorry soryr oyur’e ithgut

kogayne: don’t be sorry

kogayne: you can’t help your anxiety

kogayne: and working through it is the right thing to do

kogayne: i’m here for you, starboy

kogayne: i always will be

lanceylance: i’m tryin g not to dcyr whatvefuck

lanceylance: <333333333

kogayne: do you need to cry??

lanceylance: …meet me in the bathroom?

kogayne: i’m coming
what the fuck is happening anymore

shayfromstatefarm: so lance is too busy texting keith right now to pay attention to anything going on

shayfromstatefarm: paul is plotting something for lunch

hunkerdunker: i don’t like this

carrierpidgeon: any idea of what it is?

shayfromstatefarm: sounds to me like general harassment and humiliation, he’s not very creative but he’s mean

shayfromstatefarm: he’s paying especially close attention to the fact that lance just went to the bathroom looking like he was about to lose it

hunkerdunker: oh no

shayfromstatefarm > hunkerdunker

shayfromstatefarm: so there’s potential for harassment of keith, lance, and pidge

shayfromstatefarm: keith, for what happened in the woods (if he’s somehow figured out the details, in which case, yike), and maybe for the things rolo said about him to lance??

hunkerdunker: pidge, for the woods and for the fact that it’s ace week

shayfromstatefarm: and lance, for whatever’s going on right now, plus everything else that’s been going on

hunkerdunker: see, this is why we don’t broadcast our lives to the whole school

hunkerdunker: people like paul figure out who reacts emotionally and targets their weak spots

shayfromstatefarm: not to say we act emotionless

hunkerdunker: of course not

shayfromstatefarm: okay just checking

hunkerdunker: i guess i should check in with how you’re doing??

shayfromstatefarm: always worried, always a little stressed, but i’m okay! i did better on calc than i thought, but i’m not gonna voice that in the gc,,,

hunkerdunker: that’s good to hear!!! yes shay!!!!! GET THOSE GOOD GRADES!!!!!

shayfromstatefarm: what about you?

hunkerdunker: people always call shiro allura and matt the parent friends but listen to me,,, i am the Mom Friend, and my children need to CHILL
shayfromstatefarm: if you’re the mom friend does that make me the dad

hunkerdunker: yes

shayfromstatefarm: excellent

shayfromstatefarm: should i text matt and ask for some dad jokes

hunkerdunker: absolutely not

shayfromstatefarm: are you sure

hunkerdunker: i’m sure

shayfromstatefarm: hi sure, i’m dad

hunkerdunker: ,,,,,,i walked right into that one

*hunkerdunker > lanceylance*

hunkerdunker: hey, you alright buddy??

lanceylance: hhhhh yeah i am now, i guess

hunkerdunker: if school is really getting to you, why don’t you take a mental health day??

lanceylance: be then i’ll fall behind in half of my classes and i’ll be even more stressed

hunkerdunker: fair point

hunkerdunker: but promise me that if it becomes too overwhelming you’ll give yourself a break?

lanceylance: okay mom

*hunkerdunker > shayfromstatefarm*

(1) photo from hunkerdunker

hunkerdunker: PROOF

*hunkerdunker > lanceylance*

hunkerdunker: i’m serious, i still remember your breakdown over winter break last year

lanceylance: APUSH WAS NOT THE ONE

hunkerdunker: i know, and i don’t need a repeat of that

hunkerdunker: remember to give yourself space to breathe and think things through
hunkerdunker: things get too overwhelming if you get up in it all
	hunkerdunker: take a minute to step back and breathe

hunkerdunker: it’s like trying to swim through a rip current, you’ve gotta be patient and go with it, instead of rushing against it

lanceylance: hunk, you angel among men

hunkerdunker: and don’t you forget it

Ace Week 2017

carrierpidgeon: AND THE MOTHERFUCKING ACE DISCOURSE BEGINS

mattata: IS IT PAUL

carrierpidgeon: YOU BET YOUR ASS

carrierpidgeon: TRIED TO TELL ME THAT ASEXUALITY ISN’T REAL, THE A STANDS FOR ALLY, A WHOLE BUNCH OF BULLSHIT, AND THEN TRIED TO TELL ME THAT I CAN’T KNOW BECAUSE I HAVEN’T HAD ANY SEXUAL EXPERIENCE YET

takashmeoutside: did he,,,,

carrierpidgeon: NO, THANK GOD, I THINK I WOULD’VE STABBED HIM MYSELF

takashmeoutside: “stabbed him myself” implies he got stabbed

takashmeoutside: KEITH WHAT DID YOU DO

kogayne: i didn’t do anything

kogayne: i’m not even in the cafeteria yet

carrierpidgeon: NAH, YOU KNOW THAT GIRL IN LOTOR’S SQUAD, ZETHRID

carrierpidgeon: SHE,,,, CAME AND DEFENDED ME

kogayne: fucking /what/

lanceylance: WHAT

carrierpidgeon: SHOOKETH

carrierpidgeon: SHE THREATENED TO DO SOMETHING TO PAUL THAT I DON’T FEEL LIKE REPEATING, SMILED AT ME, AND THEN WALKED AWAY

hunkerdunker: w h a t

lanceylance: WHAT GAME IS LOTOR AND HIS SQUAD PLAYING
shayfromstatefarm: i don’t know but for now at least they appear to be,..., friendly with us??

kogayne: lotor hates his dad and knows morvok and his dad are buddy-buddy, and since paul is a morvok,,,,,,

allurable: ah, a generational rivalry

kogayne: and somehow we’re now caught up in it

kogayne: oh mother of fuck

takashmeoutside: you alright there???

kogayne: the devil approacheth

lanceylance: why is zarkon in the cafeteria

kogayne: i dunno, but i dON’T LIKE IT

lanceylance: get over here so i can protect you, mullet

lanceylance: actually paul is coming this way, maybe don’t

kogayne: I’M COMING

Ace Week 2017

takashmeoutside: i’m mildly concerned that the group chat’s been dead for fifteen minutes

shayfromstatefarm: sorry, things got a little chaotic

takashmeoutside: tell me no one is in the office

shayfromstatefarm: aside from paul and zethrid

takashmeoutside: what happened

hunkerdunker: so all of us are at the table, right

hunkerdunker: keith finally decides to join us and he’s sitting with lance and paul approaches them and starts verbally harassing lance for something that happened third period

allurable: what happened third period??

lanceylance: mental breakdown, not important

allurable: WHAT THE FUCK DO YOU MEAN NOT IMPORTANT

lanceylance: only you guys know of it and keith’s the only one who saw it

lanceylance: i’m okay now, i swear
mattata: if keith’s the only one who saw it then how does paul know

hunkerdunker: he left the room looking pretty shaken, and as much of a brick as he is, paul put two and two together

shayfromstatefarm: anyway, paul was harassing lance, and keith was getting ready to get into a fistfight

carrierpidgeon: at which point i cussed him out, and turned his attention back on me

shayfromstatefarm: and somewhere in the cafeteria, zethrid’s “pidge senses” must’ve been tingling, because the next thing you know, she’s at our table demanding to know why the hell paul is talking to us

hunkerdunker: paul started making fun of us for not being able to defend ourselves, yknow, as jerks do

kogayne: as derivatives of acceleration graphs do

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

hunkerdunker: keith decked him

takashmeoutside: so why is keith not in the office

shayfromstatefarm: paul went to fight back and zethrid WENT OFF ON HIM

shayfromstatefarm: and when zarkon came over and tried to take zethrid and keith only to the office, a bunch of kids from the surrounding tables started speaking up about how paul instigated things, and keith was defending himself

hunkerdunker: somehow, everyone unanimously agreed upon the lie that paul swung first

carrierpidgeon: half the school is sick of his shit

lanceylance: i mean, he swung first, just with words and not fists, WHICH ARE JUST AS PAINFUL

kogayne: except his words are lies and don’t matter <3

lanceylance: :)

shayfromstatefarm: so zarkon realized that he had way too many witnesses to make up some way to pin this on keith, so zethrid and paul got taken to the office

allurable: hmm, good to know

allurable: maybe we’ll get his termination after all

shayfromstatefarm: yeah, why’s he not gone yet?

allurable: according to the district, they don’t have a replacement lined up yet, and a school needs a principal to function
kogayne: fucking legal complications

allurable: the district has been very lazy in searching for a replacement, and if this doesn’t motivate them, we’re considering a lawsuit

mattata: an altea lawsuit holy shit

takashmeoutside: the district won’t stand a chance

allurable: mmhmm, which is why they best act quickly :)

allurable: so now that that’s done with, kids, get off your phones, finish eating, and focus on the rest of your school day

lotoreal > kogayne

lotoreal: hello, keith

kogayne: how did you get this number

lotoreal: not important

lotoreal: zethrid informed me of what happened at lunch today, i apologize that you had to endure such embarrassment

kogayne: wouldn’t call it an embarrassment so much as an annoyance, but go on

Ace Week 2017

(1) photo from kogayne

lanceylance: what??

kogayne: i don’t know

lotoreal > kogayne

lotoreal: i know due to past misunderstandings, we’ve spent much of our high school experience begrudgingly avoiding the other’s existence, but for the sake of a common goal, i believe we should leave the past in the past

kogayne: common goal

lotoreal: seeing my father removed from his position, of course

Ace Week 2017
what

lanceylance: i’m not sure i like where this is going

lotoreal > kogayne

lotoreal: i’m not asking for friendship, but more like a mutual alliance
lotoreal: i believe we could be of aid to each other
lotoreal: as has been proven several times already
kogayne: ...i need time to think on this
lotoreal: yes, please do tell your group chat i say hello.
lotoreal: let me know when you’ve reached a decision, and please,
lotoreal: consider things for yourself, rather than blindly follow a hivemind.

Ace Week 2017

lanceylance: something about that really rubs me the wrong way

carrierpidgeon: what are you gonna do??
kogayne: ignore him until he sends ezor and acxa after me?
hunkerdunker: i mean, if he wants an alliance, i don’t think he’d go to intimidation tactics like that to get you to answer?
kogayne: i don’t know
kogayne: it’s been a long, tiring day
kogayne: can we talk about anything else, and focus on this tomorrow

carrierpidgeon: so, the multiverse theory,

kogayne > lanceylance

kogayne: what do you think about this whole thing with lotor
lanceylance: i’ve told you before that i don’t trust him
**kogayne:** i sense a but

**lanceylance:** but

**lanceylance:** it’s ultimately up to you

**lanceylance:** you said yourself codependency is unhealthy, and so is being overcontrolling

**lanceylance:** whatever you decide, i’ll have your back, even if i don’t agree

**lanceylance:** maybe he has changed, i don’t know

**lanceylance:** be careful

**kogayne:** uuuuguhghghgnbregntytermrtebdntm why are our lives so dramatic why can’t we have a normal high school experience

**lanceylance:** i don’t know

**lanceylance:** wanna come nap with me

**kogayne:** /please/

**Chapter End Notes**

yo so this thought hit me while i was writing but how fucked up is it that it's normal to have a mental breakdown in the middle of the school day and then go back to class like nothing happened??! like that's happened to several people at school within the last two weeks and it's so fucked up

anyway see ya when the next chapter drops
Happy Keith™

Chapter Summary

the group discovers a new cryptid, and makes a new ally in the fight against the demon principal from hell

Chapter Notes

someone commented a couple chapters ago about promise rings and the idea wouldn't leave me alone

ALSO SORRY this didn't go up last night, i was busy most of the afternoon and didn't have time to finish writing it, and when i sat to finish it at 2:15 AM i started falling asleep

AAAAAAA anyway here's the chapter

See the end of the chapter for more notes

kogayne > takashmeoutside

kogayne: are you awake

takashmeoutside: it’s 3 AM why are you still up

kogayne: cool, you /are/ awake, i have a question

kogayne: actually, several

kogayne: 1. do you think it’s a little too early for me and lance to want to spend the rest of our lives together

kakashmeoutside: oh my god please go to bed

kogayne: i’m serious

kakashmeoutside: you are not getting engaged to lance before you graduate high school

kogayne: would you just answer my question so i can explain myself

kogayne: i’m not gonna get engaged at 18 holy shit

kakashmeoutside: [sigh] i’d think it was weirder if your two year anniversary wasn’t coming up this year

kakashmeoutside: and if i wasn’t your cousin
takashmeoutside: yknow, the same cousin dating both his high school sweetheart and his college sweetheart, and looking to get engaged as soon as the law permits

takashmeoutside: in short, no, i don’t

takashmeoutside: lance claims to take romance very seriously, and he does, as far as i can tell, and you form very strong attachments, once, yknow, you actually form them

takashmeoutside: why

takashmeoutside: why is this a question you have for me at 3 AM when you have to be up for school in 3 hours

kogayne: because i was thinking

kogayne: we’ve both been stressed the fuck out and having anxiety attacks and stuff and one of the things that grounds us is knowing we’re always gonna be there for each other, right

kogayne: but what am i supposed to do if it’s like, 4 AM and i’m panicking and can’t leave the house and lance isn’t here and he’s sleeping

takashmeoutside: come talk to me because i’m your cousin and i care about your mental health???

kogayne: okay so let’s say i’m alone

kogayne: lance is a very tactile person, and he’s kinda made me into one too

kogayne: so i wanted to get him some kind of physical reminder that i’m always gonna be there

kogayne: so if he’s alone he doesn’t need to like, blow up my phone to know that i love him

kogayne: OKAY THE POINT PLEASE

kogayne: i was thinking about promise rings

kogayne: at 3 AM on a wednesday

kogayne: yes

kogayne: they’re not engagement rings

kogayne: but it’s like...an engagement engagement ring

kogayne: but like not quite as serious as engagement rings, so if he ever wants to back out for some reason it’s not like we were one step away from marriage, we’re like...2

kogashmeoutside: i can’t believe this is a real conversation i’m having with you right now

kogayne: what, is it a dumb idea??

kogayne: i’ve never been good at romance and it’s always been lance’s department but after what he did for my birthday,,,
takashmeoutside: no, it’s not a dumb idea, but why are we discussing this now?? why not wait till christmas or something?

kogayne: too far, this needs to be acted upon

kogayne: if you’d help me,,, i kinda wanted to get rings by saturday

takashmeoutside: excuse me

kogayne: i was gonna try and present them to him when we’re getting ready for the party, to surprise him, yknow?

kogayne: and that way at homecoming the weekend after we can show up like “look!!! look who’s committed!!!!”

takashmeoutside: you’re so mushy at 3 AM jeez

kogayne: will you help me??

takashmeoutside: yeah, i’ll help you, we can look after school today, but mind you that it /is/ a ring, and they can get expensive, /but/, if you got a cheaper one, i think lance would love it all the same

takashmeoutside: don’t fret over perfection. lance knows you’re not exactly strong with romance, so that’ll make it all the more wonderful

kogayne: thanks, shiro

takashmeoutside: you’re welcome

takashmeoutside: now,

takashmeoutside: GO THE FUCK TO SLEEP

kogayne: DON’T TELL ME WHAT TO DO

takashmeoutside: KEITH

Ace Week 2017

kogayne: i feel really happy today wtf

lanceylance: !!!!! HAPPY KEITH

cARRIERPIDGEON: is the emo era FINALLY coming to an end?

kogayne: watch it pidge

hunkerdunker: what’s going on, why is keith happy, are we in an alternate reality

kogayne: o-kay you know what forget i said anything

cARRIERPIDGEON: no seriously dude, what’s got you all happy
kogayne: idk man, it’s just gonna be a good day, i can feel it

shayfromstatefarm: really now

kogayne: :)

lanceylance: mmmmm you’re plotting something, aren’t you

kogayne: no?? it’s just a really good day

carrierpidgeon: [puts on skepticals] mcclain makes a valid point

lanceylance: what are you plotting, captain doofus

kogayne: no plotting, i just feel happy, is that such a crime

KEITH DEFENSE SQUAD

lanceylance: so what do we think dear ol captain doofus is up to

lanceylance: shiro, any ideas

takashmeoutside: nope, i think he’s just having a really good day

mattata: [squints] i don’t believe you

mattata: you don’t seem the least bit suspicious about his behavior

takashmeoutside: ???. i live with him, i saw him this morning, he just woke up in a good mood

lanceylance: MMMMMMMMMMMMMMMMMMM

takashmeoutside: like we’ve established before, keith /does/ have emotions other than “broody” and “human disaster” and “grossly in love”

lanceylance: fair point, but i know keith, and i know that’s /something’s/ caused this, he has that energy about him

lanceylance: he’s definitely up to something and I’M GONNA FIGURE IT OUT

<3

allurable: so what’s going on with keith

takashmeoutside: do you two swear not to tell anyone

mattata: cross my heart hope to die

allurable: i’ll shove a needle in his eye

mattata: rUDE
allurable: oH MY GOD THAT’S PRECIOUS

mattata: so it is one of his three default moods

allurable: AAAAAAAAAAAAAAAAAH I LOVE THIS

allurable: does he know lance’s ring size

allurable: because i can get it

takashmeoutside: i can ask

takashmeoutside > kogayne

takashmeoutside: do you know lance’s ring size

kogayne: would you be surprised if i said yes

takashmeoutside: should i ask why

kogayne: what if i told you that we got bored one day over the summer and were looking at engagement rings as a joke

takashmeoutside: i dunno, would i be allowed to respond in a pidge-like manner

kogayne: no

takashmeoutside: well then, that’s not surprising at all, okay carry on

<3

(1) photo from takashmeoutside

mattata: IT HAD JUST BEEN A YEAR WHAT THE HELL

mattata: can you imagine if they go down in flames, and look back on this in like, a year

mattata: like “wow i wanted to get hitched to that guy, now i hate him”

takashmeoutside: what the fuck

allurable: i don’t think that’s gonna happen???

takashmeoutside: what the /actual/ fuck why do you have so little faith in them

mattata: these violent delights have violent ends

takashmeoutside: do nOT quote shakespeare at me
allurable: they’re 17 and 18 and about to go off to college and have known each other for years, not two children who got together after their first meeting

allurable: 100k m/m slow burn enemies to friends to lovers

allurable: not 1k m/m instalove

mattata: did you, allura altea, just internet-speak at me

allurable: if i have to stoop to your level to explain things then so be it

takashmeoutside: seriously WHAT is up with you doubting them

mattata: Realism™

mattata: if they rush into things, then they run the risk of encountering problems that they don’t quite know how to deal with and it could have an adverse effect on their relationship

allurable: this is actually around a decent/usual age for promise rings

allurable: i don’t see the big deal here

mattata: i’m just looking out for them, i’m speaking from experience

takashmeoutside: ...shit

takashmeoutside: i’m sorry i

takashmeoutside: /shit/

mattata: it’s alright, sometimes i do doubt them a little too often

allurable: we need to find a happy medium between healthy realism and healthy optimism

mattata: today on Marriage Counseling with Allura Altea

allurable: ft today’s guests, matthew holt and takashi shirogane, counseled by wife allura altea

mattata: the host with the most ;)))))

allurable: security

mattata: :O

Ace Week 2017

lanceylance: GUESS WHO’S NOT IN THIRD PERIOD BECAUSE HE HAS A WEEK OF OSS

lanceylance: /PAUL MOTHERFUCKIN MORVOK/

lanceylance: KEITH IS THIS WHY YOU WERE SO HAPPY, DID YOU KNOW
kogayne: yep

carrierpidgeon: oh thank god i thought i was gonna snap if i had to see his ugly face at lunch

lanceylance: usually i’d say coming at someone’s looks is a low blow but he’s an asshole so i’ll let it slide

shayfromstatefarm: maybe we can have peace for a day

kogayne: hey lance, wanna celebrate ;)

hunkerdunker: excuse me

carrierpidgeon: is that keith kogane?

shayfromstatefarm: openly flirting with lance in the group chat??

hunkerdunker: WINKY FACE AND ALL???

carrierpidgeon: we’ve uncovered a new cryptid, bois

lanceylance: HAPPY KEITH IS FUCKING MAGICAL

lanceylance: I´M HEADED TO THE BATHROOM NOW, DOOFUS

kogayne: see ya there ;)

lotoreal > kogayne

lotoreal: so do you and mr. mcclain do that every day

kogayne: WHAT THE SHIT, YOU WERE IN THE BATHROOM ?!

lotoreal: unfortunately

kogayne: AND YOU JUST SAT THERE

lotoreal: oh, would you have preferred me walking out while you were in the middle of your makeout session then?

kogayne: okay i just

kogayne: WHY ARE YOU TEXTING ME

kogayne: I STILL WANNA KNOW HOW YOU GOT MY NUMBER

lotoreal: sources

lotoreal: and i am texting to see if you’ve come to a decision on our agreement

kogayne: you mean the shady one with the unspecified terms other than a “mutual alliance”
lotoreal: oh, i wasn’t specific enough?

lotoreal: you could’ve said something

lotoreal: in short, i am seeking a mutual alliance between our two groups of friends with mutual protection from forces such as my father and bullies like paul morvok, as well as an open flow of information between our two groups

kogayne: ...is this a weird way of asking to be friends?

lotoreal: where in these terms have i asked for friendship

kogayne: friends usually protect each other? and talk to each other?

lotoreal: nonono, this protection is only in relation to our mutual enemies, and this flow of information regards only developments in the cases against aforementioned enemies. there will be no hanging out or communicating more than necessary

kogayne: ...whatever you say

lotoreal: so have you made a decision?

kogayne: um, no, not yet

kogayne > lanceylance

(3) photos from kogayne

kogayne: what should i do

lanceylance: why are you asking me

lanceylance: why not ask the gc

kogayne: well, number one, just letting you know we apparently had an audience

lanceylance: which i’m okay with, bc i’ll scream to the world how much i love u

kogayne: sdfhtrgestnh

kogayne: and number two, i value your opinion first

kogayne: you said yesterday you don’t trust him, and i want to make sure you’re comfortable with anything i do

lanceylance: aw babe :))))

lanceylance: i still have my reservations, obviously

lanceylance: but i would ask the group chat and see what they come up with, and run with whatever the majority there is, no matter what side i’m on
kogayne: you’re sure? even if we come to the decision to trust him?
lanceylance: i’ve got your back, no matter what
lanceylance: even tho i might rub it in ur face if i’m right
kogayne: from you, i’ll take it

Ace Week 2017

kogayne: the walking loreal commercial texted me again

(3) photos from kogayne
kogayne: what should i tell him
takashmeoutside: what’s your gut telling you
kogayne: it’s telling me to trust him but,
kogayne: i don’t know
allurable: he’s willing to help us remove his father, and he’s got good information from the inside
allurable: not to mention, he’s probably just as much a victim to his father’s beliefs, if not more so, than the rest of the student body
carrierpidgeon: zethrid came to my defense yesterday
shayfromstatefarm: he may have done questionable things freshman year, but that’s sorted out
mattata: are we forgetting his entire squad is made of lgbt+ ladies, this man is RESPECTING WOMEN
allurable: (¬・_・)
allurable: why did it take a meme for it to become socially acceptable to treat women like human beings
carrierpidgeon: i hate people
shayfromstatefarm: a BIG MOOD
kogayne: yeah hi sorry to interrupt can we focus on the problem at hand
kogayne: do i tell him yes? we’ll do this whole alliance thing?
takashmeoutside: if it’s what your gut is telling you, i say go for it
allurable: i say yes
mattata: do it
**hunkerdunker**: i have some concerns, i don’t know about this

**carrierpidgeon**: do it, and if it backfires, you have like 69482828 knives

**shayfromstatefarm**: do it but be careful

**kogayne**: okay

**mattata**: lance didn’t vote

**lanceylance**: doesn’t matter, i’m either with the majority or outnumbered

**lanceylance**: i’ve got his back

**kogayne**: i already talked to lance

**hunkerdunker**: not surprised

---

**kogayne > lotoreal**

**kogayne**: we’ll take you up on your offer

**lotoreal**: a good choice.

**kogayne**: just don’t make me regret this

**lotoreal**: do you think i fear you?

**kogayne**: i dunno, do you?

**lotoreal**: no, not particularly.

**kogayne**: think what you want, but i’m warning you,

**kogayne**: do NOT make me regret this.

**lotoreal**: i’d never think of such a thing.

---

**kogayne > lanceylance**

(1) photo from **kogayne**

**kogayne**: it’s done

**lanceylance**: if he does something, i’ll be right there with you

**kogayne**: i know

**kogayne**: and if it backfires, then i apologize for not believing you

**lanceylance**: ehh, everyone deserves a chance, you won’t need to be sorry
lanceylance: it’s not our fault if he betrays our trust

lanceylance: i love you

kogayne: i love you too, see you at lunch <3

takashmeoutside > kogayne

takashmeoutside: are we going right after school??

kogayne: yeah

kogayne: i lied and told lance that i had another doctor’s appointment, so he doesn’t suspect a thing

<3

(3) photos from takashmeoutside

takashmeoutside: these rings are so expensive,

takashmeoutside: and we bought them

allurable: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

allurable: lance is going to LOVE his ring omfg this is the cutest thing i’m SCREAMING

mattata: what freakin nerds

takashmeoutside: you’re one of the biggest nerds i know

mattata: yes, so i’m an expert on nerds, so i say again:

mattata: WHAT FREAKIN NERDS

Chapter End Notes

as we speak i’m almost done with the thursday chapter but i also have homework to do (i mostly wrote this fic during school bc we didn't do ANYTHING today,, i have priorities)

tomorrow's a half day and i probably won't be doing much so idk maybe the friday chapter will be up fast too iDK MAN I'LL CHECK BACK IN IN THE NOTES ON THE NEXT CHAPTER

(also i haven't worked on stars go down in 500 years pls end me)
THEY'RE SO IN LOVE IT'S PHYSICALLY PAINFUL

Chapter Summary

an entirely self-indulgent chapter about lance and keith being aggressively in love with each other

Chapter Notes

so i've made the executive decision that i don't think i'm gonna write a friday chapter, or if i do it's gonna be short, i wanna work on stars go down bc it's been more than a week since the last update and i haven’t even broken 1000 words yet

anyway here's the chapter, lance and keith love each other so much

See the end of the chapter for more notes

Ace Week 2017

allurable: hey so i’m planning a photoshoot before the halloween party, does everyone have their costumes lined up??

carrierpidgeon: it’s the middle of second period, why are you texting about this /now/

allurable: because i can

allurable: can everyone tell me their costumes so i can plot the proper shots

takashmeoutside: why are we doing a photoshoot, aren’t those expensive

allurable: my dad has connections

allurable: and they’re doing halloween discounts

allurable: NOW WHAT IS EVERYONE GOING AS

lanceylance: keith and i have the cutest couple costume actually

lanceylance: we’re going as alec lightwood and magnus bane

allurable: you’re gonna be such a great magnus omfg

lanceylance: ACTUALLY keith is gonna be magnus :)

carrierpidgeon: but magnus is the semi-flamboyant bisexual,...?

hunkerdunker: and alec is the dark broody gay??
lanceylance: yes but magnus is shorter and east asian, and alec is the taller sharpshooter

lanceylance: which, if you’ve seen me on my uncle’s farm, i’m an excellent shot

lanceylance: i don’t miss

kogayne: let it be known i was down for being alec and having lance being magnus, but lance insisted we go based on looks over personality

mattata: how did he end up swaying /you/ to dress as /magnus bane/

kogayne: [defeated sigh] puppy dog eyes

mattata: keith you wEAKLING

lanceylance: and now i have an excuse to put glitter on my boyfriend’s face :)

shayfromstatefarm: keith i’m so sorry

shayfromstatefarm: your glittery face is going to be all over social media after that party

kogayne: hmmm guess i gotta turn off tagging on all my accounts

lanceylance: i can’t wait to see glittery keith :)

kogayne: you’re lucky i love you

lanceylance: damn right i am <3

carrierpidgeon: BARF

shayfromstatefarm: i think it’s cute

lanceylance: I LOVE

lanceylance: KEITH

lanceylance: KOGAAAAAAAAAAAAAAAAAAAAAAAAAAAAA?

hunkerdunker: yes we were aware

kogayne: sorry i didn’t hear who are you in love with

lanceylance: I HAVE A BOYFRIEND HIS NAME IS KEITH KOGANE AND I LOVE HIM WITH ALL MY HEART HE’S SO CUTE

kogayne: cute? i’m nOT CUTE, MCCLAIN

lanceylance: oh and you don’t have a problem when shay says it i see how it is

kogayne: i am NOT CUTE

lanceylance: would you prefer adorable
kogayne: at lunch i am going to /prove/ that i am not /cute/

carrierpidgeon: oh god

takashmeoutside: do you two ever chill out

lanceylance: i am super chill all the time i have no idea what you’re on about, takashi

takashmeoutside: did you just call me takashi

lanceylance: yes

lanceylance: super chill

mattata: you were literally screaming about loving keith like two seconds ago, we have the proof if you just sCROOL UP

allurable: scrool

hunkerdunker: scrool

carrierpidgeon: more like schruel

kogayne: /what/

carrierpidgeon: because school is cruel

lanceylance: yo mood

lanceylance: spanish is my best grade right now but that’s only bc it’s my first language

hunkerdunker: so what’s your second best grade

lanceylance: psych

lanceylance: and then astronomy

allurable: i’m guessing calculus is at the bottom

lanceylance: MMMMMMMMMMM YEP but keith’s been helping me, my grade is slowly crawling up

kogayne: :) i’m a good boyfriend sometimes

lanceylance: :O YOU’RE A GOOD BOYFRIEND ALL THE TIME

carrierpidgeon: SO WHAT’S FOR LUNCH

carrierpidgeon: ythink since they switched the pasta out yesterday, we’ll have it today??? bc this italian needs some tomato sauce

mattata: i want tomato sauce injected directly into my bloodstream

mattata: shiro allura can we go get italian for lunch
carrierpidgeon: you rotten brother, rubbing good italian in my face

shayfromstatefarm: aaand now i’m hungry

hunkerdunker: i JUST GOT OUT OF CULINARY LAST PERIOD YOU HEATHENS

hunkerdunker: and LUNCH ISN’T FOR TWO MORE PERIODS

kogayne: two more periods till i prove to lance i’m not cute

lanceylance: you’re gonna be proven wrong

lanceylance: you’re shorter than me, and by the principle of Small Things Being Cute, you’re automatically cute no matter what, it’s science

carrierpidgeon: I CHANGED THE SUBJECT SPECIFICALLY TO AVOID THIS

allurable: back to halloween, what is everyone else being

carrierpidgeon: i’m wearing a robot costume i’ve designed myself, with functional robot parts

mattata: LOOK AT MY GENIUS SISTER

mattata: look at her being a giant nerd

carrierpidgeon: fight me holt

mattata: square up holt

allurable: so anyway shiro matt and i are gonna be wonder woman, superman, and batman

shayfromstatefarm: omfg you’ll be so pretty!!!

shayfromstatefarm: and sO KICKASS I’M SO EXCITED FOR YOUR COSTUME

kogayne: do not tell me shiro is batman

takashmeoutside: um

mattata: shiro is indeed batman, i am superman

lanceylance: hgjhdisaowoe i just wanna hear shiro go “i’m batman” in the batman voice

carrierpidgeon: me too tbh

H(ell)igh School

kogayne: i don’t think allura and matt need this reminder bc they’re dating shiro

kogayne: but reminder to avoid the dead parent jokes

lanceylance: oh my god i didn’t even think about that
shayfromstatefarm: we won’t mention it

Ace Week 2017

allurable: hunk!! shay!! costumes!!

hunkerdunker: we’re gonna be carl and ellie from up

allurable:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

lanceylance: HOW DARE YOU TWO, THAT SEQUENCE MADE ME CRY FOR LIKE THREE DAYS STRAIGHT

lanceylance: AND IT WAS ONLY 8 MINUTES LONG TO BEGIN WITH

kogayne: that’s it, you’re on my shit list, you’re gonna make him cry

shayfromstatefarm: HOW DO YOU THINK WE’LL FEEL

shayfromstatefarm: HUNK HAS THE SOUNDTRACK TO THAT SCENE SAVED TO HIS PHONE

lanceylance: HUNK ARE YOU TRYING TO KILL PEOPLE

hunkerdunker: halloween is the time to be scary

hunkerdunker: intense feelings, the scariest thing known to man

lanceylance: H U N K

carrierpidgeon: i mean the rapid advancements of AI pointing to a robot apocalypse where the machines become our overlords and start killing the dissenters is pretty terrifying, but feelings are scary too

mattata: what about being lost in the vast unending cold void of space

lanceylance: we know more about the universe than the ocean, which is on our planet, which means there are probably creatures and species in our waters that we don’t even know about, there could even be undersea civilizations plotting a takeover

hunkerdunker: ...are all of you okay

kogayne: isolation is pretty scary but i’m with hunk on this feelings thing

hunkerdunker: okay so forget i said anything,

takashmeoutside: SO I HOPE IT’S PASTA AT LUNCH ON BEHALF OF PIDGE

Ace Week 2017
carrierpidgeon: LOOK AT THE PASTA LOOK AT HOW BEAUTIFUL THIS SAUCE IS
LOOK AT THESE MEATBALLS, THEY DON’T LOOK DISGUSTING

mattata: the gremlin has been satisfied

hunkerdunker: the gremlin better shut her eyes if she wants to stay that way

mattata: why

shayfromstatefarm: keith is trying to prove that he’s not cute??

hunkerdunker: they’re being gross about it

shayfromstatefarm: i have never seen keith make lance so flustered, this is new

hunkerdunker: this is worse than the first time he showed up to thace’s class

mattata: how so

hunkerdunker: keith didn’t aggressively flirt while he was there

hunkerdunker: keith is currently /very aggressively/ flirting

takashmeoutside: ah, lance brought out Gross Keith

carrierpidgeon: aka Bad Boy Keith

(1) video from carrierpidgeon

allurable: how is no one stopping this

carrierpidgeon: teachers often look the other way at lunch

carrierpidgeon: especially where seniors are concerned, /granted they’re not harassing people like
certain assholes with the initials pm/

hunkerdunker: i really wish they’d look this way right now

carrierpidgeon: i can’t believe these two, i don’t claim them

takashmeoutside: you’ll claim keith again once you need someone to discuss alien conspiracy
theories with

carrierpidgeon: they’re OUT THERE, SHIRO

carrierpidgeon: AND WHEN THEY COME FOR EARTH WE WON’T BE READY
BECAUSE THE GOVERNMENT KEEPS DENYING THEIR EXISTENCE INSTEAD OF
PREPARING US FOR AN INVASION

mattata: i feel like if there was another intelligent species out there in the universe with the
capabilities of reaching us, they would’ve done it by now
carrierpidgeon: THEY ALREADY HAVE

carrierpidgeon: HOW DO YOU EXPLAIN THE PYRAMID ALIGNMENTS ACROSS CULTURES THAT WOULD HAVE REALISTICALLY HAD NO CONTACT WHATSOEVER, EMPIRES SPANNING CENTURIES

hunkerdunker: okay but what if there /are/ intelligent species out there that know of earth but haven’t bothered to show up because of the speed of light, bc all they see right now is like, an empty planet

shayfromstatefarm: or dinosaurs

mattata: or a decimated planet in a deep freeze bc of the meteor

allurable: maybe earth hasn’t even formed yet

kogayne: I HEARD ALIENS

carrierpidgeon: well, look who decided to stop sucking his boyfriend’s face

kogayne: i had to prove i wasn’t cute, i think i proved it

lanceylance: i still don’t believe you, i think i need a second demonstration ;)

carrierpidgeon: LANCE I WILL REMOVE YOU FROM THIS GROUP CHAT, FUCK THE RULES

kogayne: no you won’t

carrierpidgeon: don’t test me, mothman

kogayne: stop threatening my boyfriend

lanceylance: my knight in dented armor is here and i’m aLIVE

kogayne: don’t talk to me or my husband ever again

lanceylance: HEY KEITH WANNA GET MARRIED WHEN I TURN EIGHTEEN

takashmeoutside: EIGHTEEN IS A LITTLE YOUNG

takashmeoutside: DON’T YOU WANNA LIKE, WAIT A BIT

kogayne: as soon as we’re in college marriage is going on the table

kogayne: so we only have to wait like 2 more months from your birthday

lanceylance: BET

mattata: did you two just

mattata: get engaged
kogayne: no i would need to get him a ring first

lanceylance: ummm i’m buying the rings

kogayne: we’ll see

lanceylance: i will fight u for these rings

kogayne: are u assuming you’ll win

carrierpidgeon: CAN YOU TWO LIKE, DO THIS SOMEWHERE ELSE

kogayne > takashmeoutside

kogayne: giving lance this promise ring on saturday will both give him a heart attack and make him lose his shit

kogayne: bc first he’ll be like “OH MY GOD NO WAY” but then he’ll be like “I WAS GONNA BUY THE RINGS YOU DICK” i can’t wait

kogayne: like i seriously can’t wait

kogayne: i want to promise my life to this boy rIGHT NOW

takashmeoutside: you are literally a puddle right now what the fuck

takashmeoutside: you’re generally an ICEBERG

kogayne: too much Loving Lance juice

kogayne: jk there’s nEVER TOO MUCH LOVING LANCE JUICE

takashmeoutside: can you pls behave yourself and finish out the school day

takashmeoutside: i don’t want a call from the office bc you were being excessively gross with lance in the cafeteria and during physics or astronomy

kogayne: actually we’re missing astronomy for a pep rally so no promises

takashmeoutside: KEITH AKIRA KOGANE

kogayne: YOU’RE NOT MY REAL DAD

takashmeoutside: AT THE RATE YOU’RE GIVING ME GRAY HAIRS I MAY AS WELL BE

Ace Week 2017

lanceylance: having a pep rally??? spending the whole pep rally at the back of the bleachers snuggling my boyfriend??? WHAT A GOOD WAY TO END THE DAY
kogayne: my hand is so sweaty

lanceylance: we held hands for a straight hour :)

shayfromstatefarm: nothing about that hour was straight

hunkerdunker: i just enjoyed spending the whole time with shay

hunkerdunker: she got really into the new cheers

shayfromstatefarm: the student section is about to be on FIRE

carrierpidgeon: just say lit and get it over with

shayfromstatefarm: THE STUDENT SECTION IS GONNA BE LIT TOMORROW NIGHT

lanceylance: catch me at the theatre bake sale table!!! support your local starving artists because we all know the school sure doesn’t!!!!

kogayne: catch me there with him :)

carrierpidgeon: if i go to this football game and catch you two under the bleachers making out again i stg

kogayne: how did…

lanceylance: THAT /WAS/ ALLURA I SAW

allurable: whaat mee noooooo

lanceylance: FAKE FRIEND

lanceylance: YOU SENT IT TO THAT OTHER GROUP CHAT DIDN’T YOU

allurable: what other group chat

lanceylance: DON’T PLAY DUMB WITH ME ALTEA

kogayne: can i have those photos

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAH :D

kogayne > lanceylance

kogayne: i just wanna tell you that you make me really, really fucking happy and i’m so in love with you that i’m actually sort of crying right now, i’m so lucky to have you

lanceylance: KEITH I’M GONNA CRY

lanceylance: IS THAT PART OF THE REASON YOU’VE BEEN SO HAPPY LATELY

kogayne: maaaaybe :)
lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

lanceylance: WHAT PROMPTED THIS

kogayne: nothing really

kogayne: just between hanging out today and getting ready for the game tomorrow and the party on saturday, i just :)))))) i’m so in love???

lanceylance: hoylshit

lanceylance: mUSHY KEITH IS MAKING MY HEART EXPLODE

kogayne: happy lance is making me even mushier, what a vicious cycle ;)

lanceylance: SHDFJEWFOAJSJF I LOVE YOU SO MUCH I’M GONNA HUSBAND YOU SO HARD ONE DAY

kogayne: NOT IF I HUSBAND YOU FIRST

lanceylance: IS THAT A CHALLENGE, FUCKFACE

kogayne: MAYBE IT IS, DICKHEAD

lanceylance: IT’S ON

lanceylance: PREPARE TO LOSE

kogayne: PREPARE TO EAT YOUR WORDS

lanceylance: I LOVE YOU ASSHOLE

kogayne: I LOVE YOU MORE DOUCHEBAG

---

Chapter End Notes

if i don't find a boy who treats me like lance and keith treat each other then what, pray tell, is the fucking point
Chapter Summary

I TOLD MYSELF I WASN’T GONNA WRITE A FRIDAY CHAPTER BUT I AM WEAK FOR KLANCE

See the end of the chapter for more notes

_Ace Week 2017_

**lanceylance:** school today was a waste, the only upside was sleeping on keith in the middle of study hall

**carrierpidgeon:** define “sleeping on keith”

(2) _photos from hunkerdunker_

**hunkerdunker:** completely slumped over, entirely knocked out

**allurable:** and your study hall teacher didn’t say anything??

**kogayne:** hira’s also covering study hall

**kogayne:** it was a half day and she was too busy hounding student government about homecoming to do anything about us

**kogayne:** study hall was essentially “don’t act sus and don’t act out i have too much to do”

(17) _photos from kogayne_

**kogayne:** which allowed me to get /these/ pictures

**lanceylance:** WH

**lanceylance:** KEITH

**kogayne:** :) <3

**allurable:** homecoming isn’t for a week, what does hira have to be stressed about

**hunkerdunker:** she just got put in charge of hoco after the original teacher in charge got a job somewhere else, and student government wasn’t told anything, and now reservations are screwed up
and stuff like that, we don’t have any decorations or anything, the venue had the wrong headcount

**shayfromstatefarm:** the usual shenanigans

**carrierpidgeon:** HOCO IS A FUCKING DISASTER MAN LEMME TELL YOU

**kogayne:** [suddenly remembers that pidge is a cabinet member]

**carrierpidgeon:** WRONG HEADCOUNT, KIDS WHO TURNED IN PERMISSION SLIPS DON’T HAVE TICKETS, KIDS WHO DIDN’T TURN THEM IN DO, THE BALLROOM WAS WRONG, THE TABLE COUNT WAS WRONG, WE STILL HAVE NO FOOD SET UP, NOBODY HAS GONE DECORATION SHOPPING AND NO ONE WANTED TO VOLUNTEER, WE DON’T KNOW WHO’S CHAPERONING, WHICH POLICE FORCE IS GONNA BE THERE

**carrierpidgeon:** NONE OF THE SENIORS WANNA DO ANYTHING

**carrierpidgeon:** THE ONLY ONE EVEN REMOTELY TRYING IS ACXA

**takashmeoutside:** isn’t she part of lotor’s little group

**carrierpidgeon:** YES, SHE IS, AND SHE’S BEING SUSPICIOUSLY NICE TO ME, AND SHE’S NEVER EVEN /TALKED/ TO ME BEFORE TODAY

**lanceylance:** that’s half of lotor’s group being nice to pidge

**kogayne:** to be fair, pidge is very easy to adopt, even if she is a gremlin more often than not

**takashmeoutside:** everyone feels naturally drawn to protect her

**allurable:** beneath the gremlin-ness, she is Soft™

**hunkerdunker:** like mashpotatoes

**carrierpidgeon:** i will kick all of your asses

**mattata:** pidge is secretly one of the softest people i know

**carrierpidgeon:** SHDFHFJSALD MATT STOP EXPOSING ME TO THE GROUP CHAT

**kogayne:** OH, HOW THE TABLES HAVE TURNED

**mattata:** just last week you were crying bc you got rover to beep out something that sounded like “i love you”

**carrierpidgeon:** IT WAS 3 AM

**takashmeoutside:** DO ANY OF YOU EVER SLEEP

**kogayne:** the Witching Hour

**takashmeoutside:** into cryptids, into conspiracy theories, into mythology, and now you’re into the supernatural and magical???
**kogayne:** how is this surprising to you

**kogayne:** you’ve known me literally all my life, i’ve lived with you since i was like, twelve

**kogayne:** and excuse you, cryptids can technically be in the vein of the supernatural

**carrierpidgeon:** and mythology straight-up crosses into the magical, like there were literal goddesses of magic and witchcraft

**kogayne:** get your shit together shiro

**hunkerdunker:** good to see the cryptkids back in full force, now can pidge just admit she’s soft

**carrierpidgeon:** HHHHHHH HUNK YOU’RE DOING ME /SO/ DIRTY RIGHT NOW

**shayfromstatefarm:** PIDGE IS SOFT

**carrierpidgeon:** F I N E I’M JUST A BIG OL SOFTY BUT I HAVE A REPUTATION TO MAINTAIN

**hunkerdunker:** one time you started enthusiastically going off about robots in the hallway

**shayfromstatefarm:** another time you got sad bc someone insulted your robot’s appearance

**carrierpidgeon:** NO ONE TALKS TRASH ABOUT ROVER, HE DOESN’T DESERVE IT

**mattata:** that’s it, that’s pidge’s weakness,

**mattata:** robots/

**carrierpidgeon:** THE NICE ROBOTS, NOT THE ASSHOLES WHO ARE GONNA TAKE OVER THE EARTH AND ENSLAVE HUMANITY

**carrierpidgeon:** ANYWAY IF ANYONE EXPOSES ME TO THE SCHOOL THEN I WILL KICK YOUR ASS

**lanceylance:** the Pidge Protection Squad will look out for you, don’t you worry

**allurable:** is that another group chat i’m not in

**lanceylance:** ...ANYWAY I’VE GOT SOME EXCITING NEWS ON THE PLAY, THE CAST LIST /STILL ISN’T FUCKING READY/

**kogayne:** wasn’t it supposed to be out wednesday

**lanceylance:** YES BUT APPARENTLY WE’RE HAVING CALLBACKS, YA BOI GOT A CALLBACK

*(1) photo from lanceylance*

**hunkerdunker:** oh my god i have a callback

**shayfromstatefarm:** so do i!!!
lanceylance: YEP, CONGRATS GUYS!!

kogayne: i knew u could do it

lanceylance: ummm obviously,

lanceylance: ANYWAY callbacks are wednesday, SO, mr gsa VP, you need to take over the meeting until i return

kogayne: i’ll do my best, though it will be difficult to fill the shoes of such an inspiring leader

kogayne: you’ll be dearly missed,

mattata: he’ll be gone for like 15 minutes he’s not dying

kogayne: a lot can happen in 15 minutes

lanceylance: are you implying i’m going to die in the time between callbacks and walking to gsa

kogayne: an unfortunate possibility we can’t overlook

kogayne: if u die i’ll avenge you

Lance Protection Program

kogayne: did anyone else notice that nyma got a callback

carrierpidgeon: so did lotion

kogayne: wait wha

kogayne: holy shit

shayfromstatefarm: and ezor

kogayne: jfjekwworoewidnf

hunkerdunker: yeah, i saw them at auditions last friday, i forgot to mention that

hunkerdunker: but anyway, lotor’s already established that they’re on our side, i don’t see anything worth worrying about with them

kogayne: that reassures me only a little bit bc NYMA

shayfromstatefarm: please keep in mind that hunk and i will also be at callbacks

hunkerdunker: we’ve got this covered

kogayne: PLEASE

kogayne: let me know if she tries some shit
shayfromstatefarm: relax, keith

shayfromstatefarm: i really don’t think they’ll mess around with callbacks

shayfromstatefarm: and even if they do, lance can hold his own, too

kogayne: i know,,

kogayne: i really just don’t want anything happening to him

kogayne: you know how he gets

kogayne: he’d rather put on a brave front than let anyone know he’s suffering

allurable: shiro pls take keith’s phone away before he talks himself into a breakdown

allurable: better yet can someone get lance to him

(1) photo from takashmeoutside

takashmeoutside: lance has been here since school got out

takashmeoutside: my only friends are my boyfriend and girlfriend and five teenagers,,,

takashmeoutside: i am leading a tragic lifestyle

mattata: how dare you

mattata: after all i’ve done for you

allurable: all shiro does when he opens the gc is roast us and complain about his life

takashmeoutside: it’s my aesthetic

shayfromstatefarm: are we sure lance didn’t steal his phone

(2) photos from takashmeoutside

takashmeoutside: lance is over there, i’m in the kitchen

cARRIERpidgeon: this whole time we’ve blamed keith for being broody,,,,, shiro raised him this way

takashmeoutside: just trying to get into the batman mindset

allurable: dfhreremyut

allurable: YOU’VE SPENT MONTHS TRYING TO GET INTO THE BATMAN MINDSET THEN

takashmeoutside: this group chat’s existed only for like 2 months

mattata: yeah, he wasn’t always broody, i remember just the other day he was happily screaming my name

cARRIERpidgeon: WHAT THE FUCK

lanceylance > kogayne

lanceylance: good morning promised <3

kogayne: good morning starboy

lanceylance: so,,, these shadowhunter tattoos….i need help with them

lanceylance: wanna come over early and help me get them on, and i can help you get ready

kogayne: the only thing i really need /help/ with is my makeup tho??

kogayne: i mean yeah of course i’ll come over and help you but????? are we inviting allura too?

lanceylance: why would we invite allura

kogayne: ...to do my makeup, are you paying attention

lanceylance: umm i’m doing your makeup?

kogayne: what

lanceylance: i’m doing your makeup, i have everything i need, i can do makeup

kogayne: wait what

kogayne: WAIT SINCE WHEN CAN YOU DO MAKEUP

lanceylance: my older siblings used to use me as a human test doll

lanceylance: i got interested and asked for lessons
lanceylance: i’ve been able to do makeup for a while,,, DID I NOT TELL YOU???

kogayne: NO, YOU NEVER TOLD ME, I’VE NEVER EVEN SEEN MAKEUP IN YOUR ROOM

lanceylance: well the best lighting has always been at the vanity in my sister’s old room so that’s where i keep all the makeup

lanceylance: wait i seriously never told you???

kogayne: NO

lanceylance: shit, i meant to at some point

kogayne: why did you never tell me to begin with??

lanceylance: well when we first started dating i was sort of embarrassed about it?? like “i finally get a cool boyfriend i can’t just tell him i can do makeup he’s gonna think i’m weird and wanna leave me”

lanceylance: yknow stupid gender constructs still in my brain

lanceylance: and then i never really,,,, found a good time to tell you? i’ve been meaning to like i swear i haven’t been actively trying to keep it a secret

lanceylance: at least, not in the last few months

lanceylance: wait do you think it’s weird???

kogayne: no???

kogayne: why would i think that's weird wtf

kogayne: I’M A GAY BOY WHO GOES INTO THE WOODS ON THE WEEKENDS WITH A FIFTEEN YEAR OLD ACE GIRL TO HUNT CRYPTIDS, WE’RE PAST THE POINT OF WEIRD

lanceylance: i thought we just established that i thought you were too cool and you would look on me with disgust

kogayne: i’d nEVER

lanceylance: well i mean obviously i know that now

lanceylance: back then i was still scared, especially after,,,

kogayne: i think i’m in a good enough state in my life where we can address that issue without beating around the bush anymore

kogayne: if u are too, then we can just say their names, i’m not gonna panic at the thought of them anymore

lanceylance: after my relationship with nyma ended i felt really shitty and really didn’t like some of those parts of myself, so i was,,, scared that you’d react the way she did, alright
kogayne: lance, starboy, boy i literally promised myself to yesterday,

kogayne: i’d NEVER

kogayne: rolo made me so unhappy, he thought my cryptid hunts were fucking weird, all he wanted to do with me was fix cars and shit and like,,, not that i don’t like mechanics, but CRYPTIDS WERE SO FUN

kogayne: why do you think i waited so long to tell you about those

lancelance: you didn’t even tell me, pidge accidentally let your identity slip

kogayne: SEE!! i thought u’d think i was some fucking weirdo and then expose me to the whole school

kogayne: and hell, makeup is a damn art form, it takes SKILL to do killer makeup

kogayne: i’ve never really looked down upon people for doing makeup???? especially with shiro as my cousin??? i mean come on man some days he does some INCREDIBLE wings

lancelance: mmmm u right

lancelance: i’m really sorry i never told you sooner, i seriously didn’t mean to keep this from you

kogayne: it’s okay

kogayne: wait so who else knows

lancelance: no one, not even hunk

kogayne: YOU TELL HUNK EVERYTHING

lancelance: i know

lancelance: i was GONNA tell him but then i just,,, didn’t

lancelance: up until now i thought you were the only one i ever told, besides nyma,,,, and i never really told her, she just sorta found my stash,

lancelance: ...and then i told her what it was instead of lying and saying it was my sister’s…

kogayne: but wait if you keep it in your sister’s vanity why the fuck was she in there in the first place

lancelance: i left her alone for a minute so i could pee

lancelance: ...WAIT SHIT YOU’RE RIGHT WHAT THE FUCK

lancelance: YOU KNOW, I HAD TWENTY BUCKS THAT WENT MISSING THAT WEEK, SHE PROBABLY STOLE IT

kogayne: HOW ARE YOU JUST NOW REALIZING THIS

lancelance: I WAS TOO DISTRAUGHT OVER MY INTEREST IN MAKEUP BEING
lanceylance: EMOTIONAL TURMOIL IS A GOOD DISTRACTOR

kogayne: lance :(

lanceylance: so wait, be serious with me, you don’t think it’s weird? and you’d be down with me doing your makeup?

kogayne: i don’t think it’s weird, i think it’s impressive, and i’m more than happy to let you stick brushes and sharp things near my eyes, bc i trust you

kogayne: and i also want to know if this is why you never wear makeup, or if you just don’t feel like it

lanceylance: ehhh both? as we both know i’m very Extra when it comes to certain things and makeup is one of them, like, i don’t have time in the morning to do a full look, even if it’s nude

kogayne: well then be glad you don’t need makeup to look amazing

lanceylance: JASJDJWLLLLFAOSNDVNA FLIRTY KEITH CAN’T JUST SHOW UP WITHOUT WARNING

kogayne: ??? yes he can, he just did

kogayne: what, afraid to lose at your own game mcclain?

lanceylance: you’ve left me no choice, kogane

(1) video from lanceylance

kogayne: what in the fuck

kogayne: SHUT YOURFUCK

lanceylance: so you coming over or what, i have the perfect magnus makeup look planned

lanceylance: IT’S GOT GLITTERRRRR

kogayne: be over in 10

kogayne: ajdnekwlfmdn i can’t believe i’m willingly having glitter put on my face

lanceylance: you love me so much <3

kogayne: yeah, i guess i do <3

Ace Week 2017

allurable: SO WHO’S READY FOR THIS PHOTOSHOOT

takashmeoutside: i’m batman
mattata: ME

hunkerdunker: shay and i are gonna make u guys cry so hard

carrierpidgeon: never thought i’d see the day hunk took joy in inflicting pain

hunkerdunker: in this circumstance, yes, and also against certain people in other circumstances

shayfromstatefarm: hunk doesn’t mess around when people insult his loved ones

hunkerdunker: what can i say ¯\_(ツ)_/¯

carrierpidgeon: a true ride or die

hunkerdunker: ride or die, yes, but also ready to call u out

hunkerdunker: i am many things, and an enabler is not one of them

hunkerdunker: or at least, i try not to be

carrierpidgeon: true friendship is being able to call ur friends on their bullshit and make them better people

carrierpidgeon: if they don’t wanna hear it then they’re not your friends, and not people u wanna be friends with

mattata: that was...incredibly wise of you

mattata: you’re 15 what the fuck

carrierpidgeon: it was something one of my teachers said

carrierpidgeon: she was telling us this story about this group of girls in one of her other classes, and girl A was doing girls B and C dirty, so when girl B called her out on it girl A got super defensive and wouldn’t apologize, wouldn’t listen to the logical arguments presented

carrierpidgeon: and she like, cut them off and started hanging out with other people

carrierpidgeon: so girls B and C were upset, obviously, so they talked to my teacher and she told them that

carrierpidgeon: and then she told my class about it

carrierpidgeon: so, yknow, if i’m ever being a trashbag, feel free to put me in my place, i want to learn and grow

carrierpidgeon: just pls do it nicely

mattata: hannah montana said nobody’s perfect, you live and you learn it

mattata: people often forget that second line, and use the queen’s words to justify their shitty behavior

carrierpidgeon: did you call hannah montana your queen
lanceylance: I HEARD HANNAH MONTANA

shayfromstatefarm: well, one half of klance is here, where’s the other

lanceylance: tonight, we are not /klance/, we are /malec/

lanceylance: the alteas have freaking CONNECTIONS, man, i found like 3 empty sketchy rooms full of old statues and paintings and shit

kogayne: tell me you didn’t go in any

lanceylance: i didn’t

Chapter End Notes

hmmmmmmmmmmmmmmmmmmmmmmmmmmmm is it just me or is lance acting a little sus in that last section?? HMMMMMMMMMMMMM
lance is a hot mess of anxiety and depression

Chapter Summary

a lot of things happen

Chapter Notes

this chapter is a Long Boi, it has an actual Plot

if any of u find it unrealistic or something i have justification in the ending note (i mean it's my fanfic technically i don't NEED to justify anything and it IS tagged as a ventfic but all of u readers are lovely so i will elaborate on things for u, thanks for all ur nice comments)

this chapter starts at 11 PM sunday and finishes in the afternoon monday just to be clear

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: hey are you feeling okay? you didn’t show up at all in the gc today, and you never texted back

kogayne: is something going on??

lanceylance: just not feeling well

lanceylance: ...emotionally

lanceylance: i’m sorry for ghosting i just

lanceylance: i couldn’t put any words together today i felt like shit the entire day

lanceylance: sorry if i worried u :///

kogayne: if you need to talk about it, i’m here, you know that

kogayne: and you don’t need to apologize, i know how you get

lanceylance: i know it’s just my anxiety being an ass over stupid shit we’ve already talked about

lanceylance: like “oh boy!!! what if you and keith are only still together out of spite!!!!” and,,, stuff like that

kogayne: out of spite?
lanceylance: like everyone kept telling us we’d never last, we’re unhealthy, and so we just kind of stayed together only to prove them wrong

lanceylance: which i KNOW is dumb because i wouldn’t be wearing a promise ring with our favorite stones on it if u didn’t genuinely love me and i didn’t genuinely love you but

lanceylance: hhhhhAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

lanceylance: and then at the party,,, i dunno,,,,,something at the party triggered it but i can’t even pinpoint /what/

lanceylance: that’s why i didn’t go home w u but i didn’t know how to tell u so i lied and said my mom needed me i’m sorry

lanceylance: obviously i owed you a better explanation than that but i felt bad that after a whole night together my mood just decided to do a whole 180

kogayne: heyheyhey no need to apologize

kogayne: i understand

kogayne: i’m not holding anything against you

kogayne: sometimes my thoughts go that route too, but rest assured: i love you

kogayne: so much

kogayne: if you need space to sort out your feelings, i’ll give you all the space you need

kogayne: ...did you not want these rings? did i do this too soon?

lanceylance: shit keith nononononono

lanceylance: i spent all of yesterday staring at this thing to reassure myself that we really do love each other, that you’d understand, that you’d be here when i was ready to talk

lanceylance: don’t even think for a second that i think this is too soon

lanceylance: i love you too, okay?? ...and now i kinda miss you

kogayne: it’s only 11, i can come over and we can get a solid six or so hours before school

lanceylance: actually...can you come pick me up and bring us back to your house?

kogayne: yeah of course, i’ll be there soon

kogayne: you wanna be the little spoon tonight?

lanceylance: yes pls

Lance Protection Program
kogayne: hey just a heads up, lance is kind of out of it today, be nice to him

allurable: i was wondering what was up with him

allurable: he didn’t answer any of my texts

kogayne: he didn’t answer anyone, as far as i know

kogayne: hunk, did he answer you?

hunkerdunker: not until this morning

hunkerdunker: he told me he wasn’t feeling well

kogayne: he meant emotionally

kogayne: i’m with him right now and he seems okay at the moment, but he’s definitely not at 100%

carrierpidgeon: did something happen?

kogayne: anxiety, basically

kogayne: he said something at the halloween party triggered it but he doesn’t know what

shayfromstatefarm: were rolo, nyma, or lotor and co at the party?

mattata: i didn’t see them

allurable: me neither

takashmeoutside: negatory

carrierpidgeon: premises were asshole-free as far as i could tell

kogayne: hmmm

kogayne: i gotta go lance is finally waking up and we have to get ready for school

allurable: take care of the boy!!!

kogayne: will do

what the fuck is happening anymore

carrierpidgeon: so are we gonna be nice today and actively defend the two of them

hunkerdunker: yes, absolutely

hunkerdunker: lance hasn’t done a 24 hour ghost since sophomore year

hunkerdunker: and even then, he still kept contact with /me/

hunkerdunker: this time he totally shut down
hunkerdunker: whatever got to him got to him BAD

shayfromstatefarm: should we maybe get into contact with lotor’s squad or something

shayfromstatefarm: since we have that alliance?? thing????

carrierpidgeon: i have zethrid and acxa’s numbers, but not lotion, ezor, or narti

hunkerdunker: i got ezor’s, don’t ask why

carrierpidgeon: acxa seems the most level-headed of all of them, let me text her and let her know

carrierpidgeon: tbh i don’t trust anyone going through lactose intolerant

hunkerdunker: i would wait, and see if they try and contact us today

hunkerdunker: no point in talking to them if we don’t have to, and no point in exposing lance’s vulnerabilities to them

carrierpidgeon: shit u right

hunkerdunker > kogayne

hunkerdunker: how was he first period

kogayne: i’ve never seen him this low

kogayne: he put on Bravado Lance for about ten minutes before giving up

hunkerdunker: what did he tell you was eating at him

kogayne: just anxiety over our relationship

kogayne: i have a strong suspicion he wasn’t telling me everything

kogayne: bc we talked through it, and if that was it, i don’t think it would be eating at him this much

hunkerdunker: he’s never been this bad

kogayne: do you think he’s,..

hunkerdunker: i don’t /think/ so

hunkerdunker: i’m wondering if it was a culmination of different things hitting him at once

kogayne: i really hope that’s all it is

kogayne: is there anything you know of that i can do???

hunkerdunker: i’m sure whatever you’re doing right now should be fine

hunkerdunker: you know how he operates just as much as i do
kogayne: yeah, i know

kogayne: look out for him periods 3 and 4

hunkerdunker: he’s my best friend, of course

hunkerdunker: i’ll text you updates and let you know if anything comes out of it

carrierpidgeon added kogayne, hunkerdunker, and shayfromstatefarm to blue boy bodyguards

carrierpidgeon: i saw nyma doing something at lance’s locker, just a head’s up

carrierpidgeon: when does he go to his locker

kogayne: WHAT THE HELL

hunkerdunker: usually between lunch and physics

hunkerdunker: with all of us

kogayne: i have lance’s combo, i’m going to scope things out

blue boy bodyguards

(1) photo from kogayne

kogayne: so who’s helping me hide a body

hunkerdunker: so wait, were they at the party last night then?

shayfromstatefarm: do you think maybe somehow they contacted lance before the party, or texted him during the party?

kogayne: i don’t know but my blood is BOILING

kogayne: i NEVER said any of this crap about lance to rolo when i was dating him

kogayne: these are all blatant LIES what the hell

carrierpidgeon: we’re gonna have to let him know what’s going on

kogayne: i’m on it, this can’t wait

shayfromstatefarm: hold on, this is 2017, why is she dropping shit in his locker

kogayne: the note wasn’t signed, we just happened to catch her

kogayne: plus i recognized her handwriting and her stupid nickname for rolo

kogayne: if she texted lance then the number could be traced
kogayne: ANYWAY let me text my boyfriend before someone else gets to him

---

**kogayne > lanceylance**

kogayne: babe

lanceylance: you never use babe

lanceylance: you okay?

kogayne: this isn’t about me, this is about you, someone was attempting to put something in your locker to purposefully set you off

lanceylance: what?

kogayne: nyma put this in your locker today

(1) photo from kogayne

kogayne: i want you to know that i N E V E R said any of that

lanceylance: wait why were you in my locker

lanceylance: nvm you have my combo

lanceylance: but how did you know

kogayne: pidge happened upon nyma stuffing it in

kogayne: listen to me, i love you, i’ve never said those things about you

kogayne: i don’t know why rolo and nyma have been targeting you, but we’re going to get them to stop

lanceylance: please don’t fight my battles for me

kogayne: they’ve been harassing you for over a week now

kogayne: are they the real reason you got set off saturday?

lanceylance: …

lanceylance: rolo was at that party

lanceylance: he was lowkey stalking me, and that’s the real reason i found the balcony

kogayne: none of us saw him?

lanceylance: he was mostly staying to the walls and wearing some dark costume with a mask, he scared the fuck out of me

kogayne: did he threaten you?
kogayne: lance??

lanceylance: ...yeah

kogayne: what did he say

lanceylance: you mean after the verbal harassment that i told you about?

kogayne: wait, does this stem from THAT?

lanceylance: ,, yeah, he didn’t act on it till now

lanceylance: he wasn’t specific, just said that he wants to hurt you,,,, bc of the breakup…

kogayne: HE WAS USING ME TO MAKE NYMA JEALOUS WHY IS HE MAD AT ME

lanceylance: apparently you were making heart eyes at me since before rolo began “actively” using you

lanceylance: but he wasn’t specific in how he was gonna hurt you, or me, and it was dark in there, he could’ve had a weapon and i just

lanceylance: the balcony distracted me for a while but then everything hit me and i don’t want you to be hurt, that’s why i didn’t come over afterward, that’s why i’ve been trying to keep my distance, i’m sorry i’m sososru keith i shouldn’t be distancing myself from you bc it’s just hurting you worse and isndidksnwkfbcowp but ahswkshdj everything is always my fault somehow no matter what when hunk got bullied when we were younger it was bc not only was he not white but he was friends with a latino bi boy and i was seencas weied and then our rivalry started bc i couldn’t handle being second best to someone cooler than me and i was so insecure andndjeofkifwokdjeiwosjfen this is all my fault i’m so sorry, this is wh no one ever wants to be associated with me i’m a disaster waitinnto happens

kogayne: no

kogayne: no none of this is your fault lance what the fuck

kogayne: are you still in spanish right now?

lanceylance: yeah

kogayne: meet me in the bathroom

kogayne: you need to breathe and i need to talk to you face-to-face

lanceylance: you have class right now

kogayne: and i’ve been texting you through most of it already

kogayne: i want to be with you right now

kogayne: because it sounds to me like, for one reason or another, nyma and rolo are trying to drive you to isolation

lanceylance: …
kogayne: i won’t push you

lanceylance: ...can we wait until next period, when i have thace?

kogayne: yeah

kogayne: i love you

lanceylance: i love you too

lanceylance: ...and thanks for letting me know

kogayne: of course

kogayne: if something else happens today, please tell someone

kogayne: if not me, then someone like hunk or pidge, alright?

lanceylance: alright

---

**kogayne > takashmeoutside**

kogayne: so how do i get away with murder

takashmeoutside: what is it now

kogayne: nyma and rolo

(1) photo from kogayne

kogayne: nyma put this in lance’s locker today

takashmeoutside: what

kogayne: i nEVER said that shit

takashmeoutside: all you did was complain about how he’s insufferable and attractive and it wasn’t fair

kogayne: YEAH I KNOW

kogayne: so anyway how do i get away with murder

takashmeoutside: no,

kogayne: they’re fucking with his mind and i don’t like it

kogayne: why would they do this to him

(6) photos from kogayne

kogayne: this is what lance told me
takashmeoutside: GET AN ADMINISTRATOR?

kogayne: i want you to think about how that’s gone for us in the past and reevaluate that advice

kogayne: why would they try and hurt him like this?? we’ve done nothing to them?? or at least he hasn’t??

takashmeoutside: i don’t know, teenagers are mean

takashmeoutside: maybe they got bored

kogayne: he doesn’t!!! deserve this!!!!!!! i am GOING TO COMMIT MURDER

takashmeoutside: doesn’t nyma have a callback for the show

kogayne: ...they’re trying to scare lance out of the club

kogayne: bc i know for a fact rolo is doing crew again

kogayne: but why try and isolate him from us?? they know he internalizes his issues and distances himself

takashmeoutside: add insult to injury

kakashmeoutside: you said lance said rolo wanted to hurt you too? and aren’t they also buddy-buddy with morvok??

kogayne: WHAT THE SHIT

kogayne: THIS IS SOME SUPERVILLAIN PSYCHOLOGICAL MANIPULATION BULLSHIT

kogayne: i want to fight

kogayne: i know, i already told lance i wouldn’t fight his battle

kogayne: what do i do

kogayne: how do i get them to stop without overstepping lance’s boundaries

kogayne: bc he doesn’t want anyone to get involved

kakashmeoutside: this is going too far. you have to go to an administrator or teacher. go to thace or ulaz.

kogayne: lance has thace next period, i was gonna talk to him in the bathroom.

kakashmeoutside: who do you have third, ryner? she’ll accept a late pass for something like this. go to thace.
**kogayne > lanceylance**

**kogayne:** lance, we have to take this to an administrator.

**kogayne:** i think we need to at least tell thace.

**lanceylance:** going to an administrator is just going to make it worse, we’re going to look immature and like we can’t solve our own problems.

**kogayne:** there’s nothing immature about asking for help in a situation where someone literally stalked you at a party and is now leaving notes in your locker that they know will set you off.

**kogayne:** we have pidge literally witnessing nyma putting it in your locker.

**lanceylance:** hhhhh.

**kogayne:** im going to come to thace’s room next period and we’re going to talk to him.

**kogayne:** if you don’t want to, i’ll talk to him.

**kogayne:** i don’t want you getting hurt.

**kogayne:** youve already been hurt enough.

**lanceylance:** keith :(.

**kogayne:** i love your smiles.

**kogayne:** i hate it when you look unhappy.

**kogayne:** and they’re making you unhappy.

**lanceylance:** i wanna cry.

**kogayne:** there’s the bell, i’ll see you soon.

**kogayne:** you can cry on me.

**lanceylance:** you!!!!!

**lanceylance:** ahsjdkdkaajwb i love you so much, i’m sorry i’m ruining your day with this.

**kogayne:** DAY IS NOT RUINED.

**kogayne:** and it's not!! your fault!!!!!!

**kogayne:** im coming and later i’m gonna kiss you senseless and if u don’t want kisses then we’re at least holding hands.

**kogayne:** unless you don’t want to be touched in which case i’ll just watch your back.

**kogayne:** ...is this too much.

**lanceylance:** no.
lanceylance: i’ll take those hands
lanceylance: …and a couple kisses too
kogayne: alright, i’m coming up on thace’s room

zethridofmyproblems > carrierpidgeon

zethridofmyproblems: so what’s going on with kogane and mcclain
carrierpidgeon: oh
carrierpidgeon: hi zethrid
carrierpidgeon: uh, i’m not sure what they want me to say and what they want me to keep confidential
carrierpidgeon: uh yknow sensitive topic and all
carrierpidgeon: so let me just say it’s the usual: teenagers are assholes, they just happen to be catching the brunt of it
zethridofmyproblems: is there anyone who needs to be swiftly dealt with?? maybe with fists??

what the fuck is happening anymore
carrierpidgeon: HUNK SHAY I NEED STATUS UPDATES
hunkerdunker: what’s going on??
carrierpidgeon: JUST GIVE ME A STATUS UPDATE
shayfromstatefarm: keith is skipping out on period 3, and he and lance were talking to thace, until thace sent them both to guidance
carrierpidgeon: fuckfuckfuckfuck
shayfromstatefarm: he didn’t know what else to do, he had to teach and it’s a serious bullying/harassment case
carrierpidgeon: AJDJFWLAKDND do we know if anyone could’ve potentially leaked it to lotor’s squad
carrierpidgeon: specifically zethrid
carrierpidgeon: because

(1) photo from carrierpidgeon
hunkerdunker: how did she find out wtf
**carrierpidgeon**: THAT’S WHAT I’M ASKING

**carrierpidgeon**: um, no

**carrierpidgeon**: i’ll let you know if that changes

**zethridofmyproblems**: okay then!! take care!!

---

**Lanceylance & the Lancers**

**mattata**: the gc is so dead, it’s usually exploding by third period

**carrierpidgeon**: matthew it is not a good day for this

**mattata**: i’ll just send some memes and be on my way out then

(22) photos from **mattata**

---

**hunkerdunker > kogayne**

**hunkerdunker**: how’d it go in guidance

**hunkerdunker**: lance looks better than he did this morning

**kogayne**: we talked to his counselor, blaytz? he’s taking care of things

**kogayne**: we basically explained that if lance gets called back down later, he is under no circumstances to be left to talk to rolo, nyma, or paul one-on-one

**kogayne**: i hope u don’t mind, but i told blaytz that if lance gets called back down, you, me, shay, and pidge have been his supports, and we have evidence of harassment

**hunkerdunker**: no problem at all man

**hunkerdunker**: as long as he’s feeling better

**kogayne**: i don’t think it’s 100% genuine, keep an eye out

**kogayne**: i’ll see you guys at lunch

**hunkerdunker**: was the math easy today

**kogayne**: for you it probably will be

**hunkerdunker**: oh thank god the quarter closes soon and i can’t afford to have my grade dropping
what the fuck is happening anymore

hunkerdunker: keith and lance went and talked to blaytz after thace sent them to guidance

hunkerdunker: slight chance one of us or all of us may get called down at some point

shayfromstatefarm: why

hunkerdunker: witness testimony and also support

hunkerdunker: we’re not letting lance have one-on-ones with anyone, someone /has/ to be there with him

hunkerdunker: i mean, it’ll probably be me or keith that gets called in, but still

carrierpidgeon: how desperate are we for extra supports at the moment

shayfromstatefarm: do not

carrierpidgeon: just double-checking that we’re all still in agreement

Lanceylance & the Lancers

lanceylance: those are some spicy memes

mattata: thank you i grew them myself

takashmeoutside: half of them are from reddit you liar

allurable: and the others are from ifunny

mattata: stop exposing me like this

carrierpidgeon: oh my god why do you still use ifunny

mattata: that 2012 aesthetic

carrierpidgeon: ew

mattata: memery was at its peak in 2012

lanceylance: i disagree, i think 2015 was a good year for memes

kogayne: ...that was left shark year, wasn’t it

lanceylance: I LOVE SHARKS

lanceylance: anyway uhhh sorry for disappearing yesterday???

mattata: lance, my buddy, my dude,

mattata: mental health is important
mattata: take all the time off you need

allurable: how is everything right now?

lanceylance: rolo and nyma got called down between 4 and 5, i heard the announcement like,... 5 minutes ago?

allurable: yes but how are /you/

lanceylance: doing better i guess

lanceylance: kind of afraid this whole trip to guidance will make everything worse

allurable: lance, we’re /here/ for you

lanceylance: i know...i just didn’t wanna be burdensome after a good party

lanceylance: and don’t tell me i’m not a burden bc i know you guys don’t think i’m a burden i’m just,,,,,

hunkerdunker: you are not a burden!!! we’ve been friends for how long?? if i thought you were a burden i would have dropped you a long time ago

hunkerdunker: sorry my text was already sending

lotoreal > kogayne

lotoreal: trouble in paradise?

kogayne: i don’t want your bullshit right now, cut to the chase

lotoreal: zethrid has been in contact with the small one, i believe you call her pidge

kogayne: and?

lotoreal: her offer of aid still stands. allow myself, acxa, ezor, zethrid, and narti to take care of your problem for you.

kogayne: no.

lotoreal: playing it stubborn, i see

kogayne: i’m not /playing/, i’m looking out for my boyfriend

kogayne: you all? are not involved. so PLEASE (look, i’m even trying to be civil), back. off.

lotoreal: understandable.

lotoreal: i’ll still keep an eye out.

lotoreal: we are allies, after all.
kogayne: i told you not to make me regret my decision. you’re coming dangerously close.

lotoreal: i’m merely trying to be helpful.

kogayne: i said we don’t want help. if we’d have needed it, we’d have asked.

kogayne: we’re stressed enough over here.

kogayne: and i think you’re intelligent, i’ll give you that. so i KNOW you won’t be attempting to contact lance.

lotoreal: of course not. not in his fragile state.

lotoreal: but be sure /you’re/ not being controlling.

Lance Protection Program

kogayne: lance and hunk were right, we should’ve said no.

(2) photos from kogayne

hunkerdunker: wHAT is this guy’s game??

allurable: that’s sketchy. i’m keeping this as evidence….in case.

kogayne: am i being too controlling???

takashmeoutside: i want to say no,

mattata: i mean ultimately it is up to lance, and he /doesn’t/ want you fighting his battles, but showing him this could stress him out all over again,,

kogayne: aaaaaaaaaaaaaaaaaaaand he’s reading over my shoulder, RIP

carrierpidgeon: hi lance we’re just trying to protect u pls don’t kill keith

lanceylance > lotoreal

lanceylance: hi!

lotoreal: hello, lance

lanceylance: don’t accuse my boyfriend of being controlling!

lanceylance: or of anything really!!

lotoreal: i am merely trying to look out for your well-being.

lotoreal: what happened to our alliance?

lanceylance: you’ve given ZERO relevant information so far!! ALL you’ve done is try and step in
where we haven’t asked for you!!! please stop!!!! BYE!!!!!

_Lanceylance & the Lancers_

(1) photo from _lanceylance_

**hunkerdunker**: i haven’t seen passive-aggressive lance in a while, holy shit

**lanceylance**: my anxiety is slowly giving way to rage

**lanceylance**: it’s bad enough i have you guys tripping over yourselves to help me, i don’t need other people involved, especially people who accuse my boyfriend of being abusive

**lanceylance**: especially people whose help had to be debated about in the first place

**allurable**: lance...perhaps take a nap when you get home today

**lanceylance**: i took a depression nap all day yesterday and wasted half of my morning not using anything i had pent-up, there’s no napping today

**kogayne**: take care of yourself, at least

_Respecting Women Juice_

**lotoreal**: so my attempts to aid the...furious five did not go over well

**dinezor**: furious five?

**dinezor**: that’s a ridiculous name

**sippinganartini**: what happened?

**lotoreal**: kogane was combative, as to be expected.

**acxalutelynot**: i told you

**lotoreal**: somehow, mcclain got wind of the conversation, because shortly afterward, i received these:

(1) photo from _lotoreal_

**acxalutelynot**: i told you not to ask, but no one ever listens

**zethridofmyproblems**: talking to pidge went down a little better, she was more polite

**lotoreal**: that...is surprising.

**acxalutelynot**: actually, not really.

**lotoreal**: OKAY YOU KNOW WHAT
acxalutelynot: NOOOOBODY LISTENS TO ACXA

dinezor: um?

acxalutelynot: except you

sippinganartini: ?? ?  

acxalutelynot: okay i should say this before zethrid jumps in: LOTOR NEVER LISTENS TO ACXA

lotoreal: :|

acxalutelynot: i told you not to even make the alliance, just aid them silently and from afar

dinezor: ahhh, the same way you pined after me :)

acxalutelynot: anyway, now what?

acxalutelynot: what brilliant course of action does the great lotor galra have now that he’s pissed off klance, and likely their entire group chat?

lotoreal: aid silently and from afar

acxalutelynot: mhm, that’s what i thought

---

kogayne > lanceylance

kogayne: where are you?

lanceylance: having another meeting with blaytz, you can just go home, i can walk

kogayne: don’t be ridiculous

kogayne: i’ll be waiting in the parking lot, idc if i end up being here for four hours

lanceylance: ajsdjfswlan why are you like this

kogayne: i want you to look at your hand

kogayne: and remember friday night

kogayne: that’s why

lanceylance: ur gonna make me cry wtf

kogayne: :P

kogayne: i love u, starboy

lanceylance: and i, you, sir mullet
everyone clamoring for klangst,,,,, i hope it wasn't "lance and keith potentially breaking up" klangst bc i'M NEVER GOING THAT WAY, THESE HOES ARE LOYAL AND ARE SO FAR GONE FOR EACH OTHER (........unless i change my mind a month from now or something,,, probably not but)

anyway they love each other so much where do i get a klance relationship

okay so now explanations/justifications
1. narti has like, devices to help her and stuff, that's why she can text in the gc
2. i know rolo and nyma have this like, mini redemption arc thing in s4, but i had them set as antagonists in this fic in my head since the beginning, so Oh Well
3. i still don't know whether i want lotor's squad to be "good" or "bad" here lmfao i'm gonna wait and see what happens in canon (i have a betrayal theory but i feel like lotor is gonna go the zuko arc)
4. and so finally like,,,, what the hell happened here?????? what spawned this chapter??? one of my ex-friends tried to tell one of my friends that i hate two of the girls in our friend group that i'm closest to, it was fucking wild, there's been a conflict since like, september that she won't frick-frackin let go of........so i took out my frustrations on lance, sorry blue boy

next chapter should be more upbeat bc HALLOWEEN (ft. lance busting out christmas tunes at 12:00 AM november 1st, while i start shrieking bc NANOWRIMO BEGINS IN LIKE 26 HOURS AND I'M NOT READY)

k bye thanks for reading this hot mess
Chapter Summary

there's a disappointing lack of nightmare before christmas in this chapter, it's mostly just more klance ridiculousness

Chapter Notes

NANOWRIMO BEGAN 23 MINUTES AGO SOS

also a lot of you misinterpreted my a/n at the end of the last chapter
i took things out on lance but i was more in keith's situation,,,, sort of,,,,,, ISH

ANYWAY HALLOWEEN

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: for two people literally promised to each other, we sure think about breaking up a lot

kogayne: this is not a text i want to see at 3 AM

kogayne: you okay??

lanceylance: let's just say i stopped myself from doing something really dumb

lanceylance: like, we’ve never really said outright,

lanceylance: “i want to break up because i feel as though i’m a burden on your life and you’d be better off without me”

lanceylance: actually a couple times we came pretty close

lanceylance: but we’ve had this same stupid discussion before, one of us is feeling like shit about being a problem and the other one of us is like nuuuuuuuuu baabaabe it’s not ur faaaaaaaauuuuuult i’ll love u foreeeeeeeeeverrrrrrr

lanceylance: and i was about to rehash that argument

kogayne: lance :( 

lanceylance: but i started scrolling back through our texts, and i got to the text i sent to you about love being abt hanging on and fighting thru problems together and??????

lanceylance: i may
lanceylance: have been crying for the past hour

lanceylance: like it took me this long to calm down

kogayne: why didn’t you text me sooner?? i would’ve come over

lanceylance: wasn’t in the right state of mind to be texting, very emotional very volatile

kogayne: i could still come over now

lanceylance: ...do you really want to

kogayne: yes, i do, i hate seeing you in distress, let me be there

lanceylance: okay but fair warning i’m not sure i’m gonna be able to sleep

kogayne: then we don’t need to sleep

kogayne: we can still get into the treehouse, right?

lanceylance: ...yeah :)

Lanceylance & the Lancers

lanceylance renamed Lanceylance & the Lancers to SPOOKY SQUAD

lanceylance: HAPPY HALLOWEEN BITCHES

kogayne: a day almost as scary as ap exam day

takashmeoutside: which ap exam

kogayne: yes

carrierpidgeon: a day almost as scary as when klance became a thing

lanceylance: um?? that was the Best day

lanceylance: don’t talk to me or my husband ever again

lanceylance: i am the only one allowed to make him feel things in this situation

kogayne: AJSJDENVJROWOAD

carrierpidgeon: [long-suffering asexual sigh]

shayfromstatefarm: [long-suffering sigh of human decency]

hunkerdunker: so does anyone want me save them some of my candy apples

lanceylance: ME

lanceylance: PLEASE

kogayne: ^^^

hunkerdunker: heathens don’t get my candy apples

allurable: save one for me pls

takashmeoutside: me too

hunkerdunker: allura yes, shiro no

hunkerdunker: did you not pay attention to my heathens comment

lanceylance: you just alienated half the group chat

kogayne: aLIENS, YOU SAY

carrierpidgeon: i hope the aliens come and abduct me so i don’t have to see this group chat anymore

lanceylance: i can remove you

carrierpidgeon: umm no excuse me?

carrierpidgeon: yeah, i didn’t ask to be REMOVED

takashmeoutside: can all of you like, go to class

*SPOOKY SQUAD*

lanceylance: GUYS I JUST SAW THE SCARIEST THING KNOWN TO MAN

carrierpidgeon: A FAILED MATH TEST

lanceylance: ...yes actually, FUCK CALCULUS

kogayne: lance we sTUDIED for that one

lanceylance: studying doesn’t mean it stuck to my brain

lanceylance: ALSO CAN WE TALK ABOUT THAT PHYSICS TEST, BC SOMEHOW I MANAGED TO DO ALL THE MATH RIGHT BUT FUCK UP ON THE WRITTENS

mattata: lance? doing correct math?

hunkerdunker: [a moment of silence for lance, a shell of his former self]

lanceylance: HEY

lanceylance: i know my major for college requires math but like

lanceylance: I USUALLY DON’T DO THIS WELL WITH MATH

lanceylance: ...except calc fuck calc

allurable: if you keep up that attitude, it won’t get any better

allurable: you’re resisting the chance to learn

lanceylance: HHHHHHH SHUT UP

allurable: boi try again

lanceylance: sorry

lanceylance: i hate it when you’re right

allurable: you’d think you’d be used to it by now

shayfromstatefarm: allura altea, better than all of us since forever

allurable: that sounds,,, slightly skeezy
mattata: my apologies

mattata: a Wonder straight from the womb

allurable: ahhh that’s better :)

kogayne: how come you two are like, calm and stuff

kogayne: and then when it comes to shiro,..

allurable: giving you a taste of your own medicine, this is what it’s like waking up to texts from you and lance

takashmeoutside: or videos of you two at lunch

kogayne: pidge how fucking often do you send videos of us

lanceylance: she probably does it in that group chat we’re not in

carrierpidgeon: :O WHY ARE WE AUTOMATICALLY ASSUMING IT WAS ME

lanceylance: shay is a Good and hunk is too loyal

kogayne: and you’ve done it before in /this/ group chat >:\

carrierpidgeon: t h i n g s

kogayne > lanceylance

kogayne: hey thace is asking if you’re okay, what should i tell him

lanceylance: ???? i’m fine??? the man saw me last period

kogayne: he didn’t wanna bother you last period and thought maybe you were covering again
lanceylance: oh

lanceylance: wait do you guys talk about me

kogayne: ...sometimes

lanceylance: and it’s not like, weird?

kogayne: i’m actually like 99% sure we’re not-so-distantly related, like i’m pretty sure he goes to the famiy reunions i would go to if my dad wasn’t dead and my mom didn’t run out

lanceylance: ...keith what the fuck are /you/ okay

kogayne: yeah, just realizing that i have no idea who my relatives are on my mom’s side

kogayne: ...yeah anyway please change the subject

lanceylance: tell thace yes, i’m fine,

hunkerdunker: tell me why lance just screamed

shayfromstatefarm: any moment now ryner’s gonna take his phone and make him read his texts out loud

kogayne: NO

takashmeoutside: ...i don’t wanna know

SPOOKY SQUAD

lanceylance: so a shadowhunter, a warlock, and a robot take a mermaid and a pirate trick-or-treating

(1) photo from lanceylance

allurable: this is unbearably cute

takashmeoutside: holy fuck

mattata: are they,,, clinging onto keith?

lanceylance: my whole family has basically adopted keith

lanceylance: he can’t ever break up with me now

lanceylance: once you’re in the mcclan, you can’t escape

allurable: ...mcclan?

lanceylance: easier than saying mcclain clan

kogayne: WHY DO LITTLE CHILDREN HAVE A THING FOR ME

lanceylance: ;)

kogayne: KEEP YOUR MOUTH SHUT

lanceylance: you have said nothing of my fingers and phone

kogayne: LANCE I WILL FIGHT YOU RIGHT IN FRONT OF CLARA AND JAVIER

lanceylance: yeah but then you get emely involved and emely can kick your ass

kogayne: …………….yeah i really don’t wanna fight your sister

lanceylance: if her kids die on our watch she’ll kill us

lanceylance: all of us

lanceylance: even pidge
shayfromstatefarm: i thought you were good with kids, how hard can keeping the two of them in control be

lanceylance: it’s halloween, you don’t know these demon children on halloween

lanceylance: we gotta go

SPOOKY SQUAD

carrierpidgeon: it’s official, lance has dethroned matt when it comes to candy route extraordinaire, i’ve never gotten a bigger haul in my LIFE

mattata: MCSCUSE ME BITCH

kogayne: her arm started hurting, she tried to support the weight with her broken one like an IDIOT

mattata: KATIE HOLT

carrierpidgeon: SO MUCH CANDY

kogayne: i had to carry her bag and a sleeping pirate home

lanceylance: when keith and i adopt our kids he’s gonna be such a good dad i can’t wait

lanceylance: babe why did you just start choking

hunkerdunker: you two get nO APPLES

kogayne: LANCE YOU CAN’T JUST SAY THAT STUFF IN THE GROUP CHAT

lanceylance: look at how good he looks carrying a child

(4) photos from lanceylance

kogayne: WHEN DID YOU TAKE THOSE

lanceylance: ummm isn’t it obvious? when we were walking home

lanceylance: clara ships us hardcore by the way

lanceylance: she asked if we were married

kogayne: SJFGBTHREYEWRETHRERSHY

takashmeoutside: i just started cackling omfg

allurable: THAT’S ADORABLE

mattata: the most important part was his response, what did you /say/

lanceylance: i said not yet, we’re working on it
**kogayne:** JDGHKRTEKWEB WHY DIDN’T I HEAR THAT CONVERSATION

**lanceylance:** you were busy

**lanceylance > kogayne**

**lanceylance:** you were busy singing to javier

**lanceylance:** dude i’m melting i can’t wait until we’re husbands

**kogayne:** i,

**lanceylance:** you’re so good with kids like wtf, how did i land you

**lanceylance:** you’re so???? perfect????????????

**kogayne:** MMMMMMEMMMMM MMMM LANCE YOU CAN’T DO THIS TO ME, I CAN’T HANDLE THIS

**lanceylance:** oh really~?

**lanceylance:** we’re gonna get married and have a nice wedding and it can either be a massive party or it can just be small and peaceful but either way we’re gonna cry during our vows

**lanceylance:** and then we’ll cry again in our first dance as husbands

**lanceylance:** and then we’re gonna shove cake in each other’s faces and get really into it and make a hot mess of our suits but it’ll be fine

**lanceylance:** the whole fam will be there with us and at the end of it all we’ll go on our honeymoon together and i can tell you privately just how much you mean to me

**lanceylance:** we’ll probably live in an apartment the first couple years bc this economy is a hellhole but we’re never gonna stop working for a cute little house, it doesn’t have to be big by any means, and once we’re financially stable enough we’re gonna go adopt some kids, at least two, a boy and a girl

**lanceylance:** and we’re gonna love the shit out of them and you’re gonna sing to them every night and i’ll take them to school and we’re gonna raise them right and raise them so that they are the most loved children on the planet

**lanceylance:** and we’ll grow old together and have grandkids and i’ll never regret a second of it

**kogayne:** i’m crying you asshole

**lanceylance:** yeah i know, your glitter is running

**SPOOKY SQUAD**

**hunkerdunker:** ....so the night is still young, it’s only like 8
hunkerdunker: do the rest of you wanna join me and shay and watch shitty horror movies the rest of the night

carrierpidgeon: LANCE AND KEITH STOP SUCKING FACE, SOMEONE IS DRIVING US TO HUNK′S

allurable: no thank you, hunk

allurable: matt, shiro, and i will have to politely decline

takashmeoutside: we′re busy

mattata: ;)

hunkerdunker: i am dead inside

hunkerdunker: so that′s a yes from pidge and klance, and a no from shalluratt

shayfromstatefarm: more candy apples for us

lanceylance: these horror movies won′t be the only things making keith scream

hunkerdunker: i′m about to uninvite you

lanceylance: MOUTH IS SHUTTING WE′RE ON OUR WAY

shayfromstatefarm: did you just remember it’s callback day

lanceylance: IT’S CALLBACK DAY

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

hunkerdunker: good morning to you too lance

lanceylance: LOTOR AND EZOR AND NYMA ARE ALL GONNA BE AT CALLBACKS

hunkerdunker: yeah, and so are you me and shay

kogayne: i can miss the beginning of gsa to be there

lanceylance: NO, you, sir, have a meeting of the gays to run

lanceylance: MMMMMMMM I’VE ACCEPTED THEY’RE GOING TO BE THERE, WE JUST CHOSE A BAD TIME TO PISS THEM OFF

shayfromstatefarm: none of them are going to try anything, lance, i promise

shayfromstatefarm: and we have your back if i’m wrong and they /do/

lanceylance: maybe i can just intimidate the crap out of them

hunkerdunker: shhhh buddy just focus on your callback, you wanna land this role, don’t you?

lanceylance: YES, it’s my senior year i need a good role i have not been in this hell club since i was a freshman for nothing
lanceylance: seriously i need this role

kogayne: you’ll get the lead guy, i have faith in you

lanceylance: :) <3

carrierpidgeon: okay in the meantime can we talk about how much candy i have, do you know how many kids i can get money out of at school

mattata: what

carrierpidgeon: why sit on all this candy when i can rip kids off and make a profit

carrierpidgeon: one dollar for a twix bar

carrierpidgeon: five dollars for a bag of like six or seven little candies

hunkerdunker: you are everything that’s wrong with the world

carrierpidgeon: if i’m gonna have capitalism forced on me then i’m going to play to win

mattata: you are a gremlin

carrierpidgeon: water is wet

lanceylance: earth is in space

kogayne: fire is hot

mattata: >:|

carrierpidgeon: you laugh now, one of these days i’m gonna give president tangerine a run for his money

takashmeoutside: who raised you to be this way, i know it wasn’t matt

mattata: I RAISED HER TO BE NICE

carrierpidgeon: yeah but your memelord phase in 2012 really struck me, all the assholishness rubbed off

allurable: damn

mattata: :O

lanceylance: DRAMA ALERT, I'M YOUR HOST KILLERRRRRRR KEEMSTARRRRRR

kogayne: i will pay you to never say that again

lanceylance: why, am i being ~embarrassing~

kogayne: more than usual

lanceylance: :O RUDE
kogayne:  ꒱ارة��
takashmeoutside: CAN YOU ALL GO TO CLASS, WHY DO I HAVE TO SAY THIS EVERY DAY
lanceylance: team dad
takashmeoutside: i’m giving you all up for adoption, i can’t do this anymore
allurable: you can’t give away our kids wtf THEY’RE MINE TOO
mattata: AND MINE
carrierpidgeon: and how does that work
mattata: you’re too young for that
carrierpidgeon: your lack of biological understanding astounds me
mattata: it’s called a JOKE gremlin
carrierpidgeon: so that thing mom made when she gave birth to you
mattata: yeah, it was such a good joke that she wanted an encore, so she made you
lanceylance: HOT DAMN THAT COMEBACK
shayfromstatefarm: everyone is mean in the mornings, everyone chill
lanceylance: I CANNOT CHILL
hunkerdunker: just the other day you were insisting that you were “super chill”
lanceylance: that was before i remembered i have callbacks with three people i don’t like
hunkerdunker: and you realize that if you get a role, and they get roles, you’ll have to deal with them all during november and the first half of december
lanceylance: FUCK
kogayne: hey, at least i’ll be at rehearsals too
carrierpidgeon: and so will i
shayfromstatefarm: and if i don’t get a role i was gonna do crew so me too
hunkerdunker: ^^^^^
lanceylance: i love,,, my friends so much
lanceylance: except keith
kogayne: boi
lanceylance: he’s not my friend and i don’t love him

kogayne: ;P

lanceylance: ;)

shayfromstatefarm: so if you don’t “love” him, then,,, ???? ?????

lanceylance: i would die for him, i would rob all the stars in the sky just to see him smile, my feelings go beyond love, idk if there’s even a word for it

kogayne: STHTYJERASSDDGFFJ

carrierpidgeon: DAAAAAAAAAAD THEY’RE BEING MUSHY BEFORE FIRST PERIOD MAKE THEM STOP

takashmeoutside: lance keith stfu

kogayne: YOU’RE NOT MY REAL DAD

lanceylance: daddyyyyy dad is being mean :

carrierpidgeon: THIS GROUP CHAT IS CANCELLED

HOLIDAY HOES

lanceylance renamed HOLIDAY HOES to Lanceylance & the Lancers

lanceylance: this group chat name did not get the glory it deserved

lanceylance: also, it’s chicken nugget day in the cafeteria

hunkerdunker: AND mozzarella sticks

lanceylance: maybe today won’t be completely awful

kogayne: you’re only in thace’s class, how has today already been awful?

lanceylance: you mean aside from paul morvok being back in class??

kogayne: I FORGOT HIS OSS ENDED TODAY

lanceylance: MMM YEP ME TOO, HE LOOKS LIKE HE WANTS ME DEAD, BUT OTHERWISE HE HASN’T DONE ANYTHING

shayfromstatefarm: yet

lanceylance: yeah yet

lanceylance: but umm also i just remembered?? this mythology project is due monday???

kogayne: YOU GUYS HAVE HAD WEEKS TO DO IT
lanceylance: yeah well now we’re behind, we have to film it

lanceylance: we’re doing a video

lanceylance: it’s me, hunk, shay, plax, and florona

kogayne: how did plax and flor and up in your group?

lanceylance: they needed a group, so we took them in, bc the other alternative was paul

kogayne: yikes

hunkerdunker: we can’t film at my house or shay’s, and plax and flor’s are out since none of us have ever been there, except lance

lanceylance: ugh don’t remind me, plax says nothing is weird but i still feel weird sometimes

lanceylance: anyway we’re filming at my house

lanceylance: so idk, keith, if you wanna like, come and hang out while we film, maybe help with lines and filming

kogayne: what day

lanceylance: thursday?

kogayne: tomorrow thursday?

lanceylance: ...yes

kogayne: i’ll have to see

kogayne: i should be good but i told ryner i’d help tutor someone in my math class

carrierpidgeon: keith?? on a date with someone who isn’t lance???

kogayne: excuse me, i’m loyal

lanceylance: keith and i would never cheat on each other

lanceylance: besides if you can’t trust your partner to be alone w someone else and not cheat on you then you need to find a new partner

kogayne: also the person i’m tutoring is a girl so i mean,,,, i wouldn’t be interested either way

allurable: deep advice,,, and it’s coming from two teenage boys

allurable: i wish matt and shiro had been that wise in high school, all they did was make inappropriate jokes and piss off all the teachers

lanceylance: i mean, we do that too, we’re just deep on top of that

carrierpidgeon: deep as a puddle, all of your philosophy is from the internet
carrierpidgeon: half of your deep quotes are just viral tweets

lanceylance: 1. stop expOSING ME

lanceylance: 2. sentiment still stands

kogayne: controlling who your partner can and can’t hang out with is a sign you might be in an abusive relationship and gUESS WHAT WE DON’T HAVE

mattata: one of you needs to go into marriage counseling

mattata: or both of you

mattata: run the same office

mattata: use your perfect happy marriage as an example of how you should be

kogayne: there’s no one definition of a perfect relationship, everyone is different

lanceylance: me and keith just happened to be made for each other so our relationship is more perfect than others

kogayne: anyway was anything else bothering you today

lanceylance: calc makes me feel stupid and that’s where i have to go next period

lanceylance:,,, that’s it really, aside from not seeing your cute face till lunch

carrierpidgeon: SO CHICKEN NUGGETS AMIRIGHT

shayfromstatefarm: a Gift

hunkerdunker: the true question is: what is the superior dipping sauce

carrierpidgeon: honey mustard

hunkerdunker: THANK YOU

lanceylance: you’re wrong?? zesty sauce is the best??

allurable: sweet and sour sauce called to tell you you’re wrong

takashmeoutside: ^^^^ 

kogayne: what is wrong with you all, barbecue is the way to go??????

shayfromstatefarm: ^^^

mattata: uh no, ranch is where it’s at

allurable: wow none of us prefer ketchup

kogayne: i wanna know where lance gets off with zesty sauce on NUGGETS
lanceylance: MY NUGGET LIFE IS NONE OF YOUR CONCERN KNIFE BOY

kogayne: IF WE’RE GETTING MARRIED AND I’M BUYING GROCERIES AND LIVING WITH YOU THEN YOUR NUGGET LIFE /IS/ MY CONCERN

kogayne: WHAT THE FUCK IS UP WITH ZESTY SAUCE FOR NUGGETS

lanceylance: YOU HAVE NO RIGHT TO JUDGE ABOUT MY NUGGET HABITS WHEN YOU HAVE A MULLET

kogayne: HAIR HAS NOTHING TO DO WITH NUGGETS

kogayne: AND YOU L O V E MY HAIR

kogayne: WHAT IF I CHOPPED IT OFF THEN

lanceylance: if u chop that mullet i will take those scissors and stab you with them

allurable: LANCE WTF

kogayne: smh i’m not using scissors i’ll use a knife

lanceylance: then i will stab u with ur knife and then stab myself

shayfromstatefarm:????? what did we just???? witness??????

hunkerdunker: i think this is normal?

mattata: HOW IS THREATENING TO STAB EACH OTHER NORMAL

kogayne > lanceylance

kogayne: so now that they’re distracted

kogayne: you said math makes you feel dumb???

lanceylance: yes, and i know you’re gonna go on your whole “your ability to do math/whatever doesn’t define your intelligence” rant thing so let me stop you before you do

lanceylance: i just,.. don’t like that class

lanceylance: more than half the class understands the material right away and i’m still struggling but i don’t have time to speak up before we move on, and when ryner does take questions she barely answers them or says she doesn’t have time to explain

kogayne: have you talked to ryner?

lanceylance: yES and she’s just like “pay better attention!! start staying after!!” but i have CLUBS AFTER SCHOOL and then the days i do stay after she’s just like “what do you mean you don’t get this” and doesn’t know how to help me

kogayne: gotta love the american educational system
kogayne: anyway

kogayne: do you wanna start having more study sessions?? do i need to change up my tactics for helping you??

lanceylance: yes on study sessions, and idk!!! i know you’re trying your hardest it’s just not sticking!!! but idk what would make it stick!!!

lanceylance: the most uSELESS THINGS like video game tactics and action movie plots stick in my head but i cannot, for the life of me, grasp differentiation

lanceylance: and then the whole d2 dx2 whatever???? GONE

kogayne: alright

kogayne: i’m gonna think of some way to make this stick,,,

kogayne: there’s the bell, try as best you can in class, take notes of what you do and don’t understand, and show them to me later

kogayne: i’ll see you at lunch <3

lanceylance: thanks babe <3

Lanceylance & the Lancers

allurable: lance, hunk, shay, break a leg at callbacks!!

kogayne: and if anyone bothers you then feel free to actually break their leg!!!

takashmeoutside: KEITH NO

kogayne: KEITH YES

mattata: KEITH YES

takashmeoutside: LANCE CORRAL YOUR BOYFRIEND

lanceylance: ...yeahsorrygottagotocallbacksbyeeeee

allurable: corral your own boyfriend first shiro

takashmeoutside: i gave up on that a long time ago

mattata: i am an enigma, beautiful and mysterious, wild and untamable

carrierpidgeon: #spot the manic pixie dream girl

shayfromstatefarm: thanks allura!! hunk and i will make sure the Boys don’t get into trouble

shayfromstatefarm: but i am their friend, not a babysitter
shayfromstatefarm: ...unless i can get monetary compensation for this

mattata: shiro, how desperate are you to keep them out of trouble

takashmeoutside: HHHHHH

hunkerdunker: yeeeeaaaah i’m with shay on this, i’d do it for free, but like,,, it’s lance and keith, they’re a special case

kogayne: we can still read the group chat, hi, hello, i have a knife collection

takashmeoutside: what is with you and lance and stabbing things today

mattata: YEAH WHAT WAS UP WITH YOU TWO THREATENING TO STAB EACH OTHER

takashmeoutside: are you in some passive-aggressive fight we’re too dense to see orrr

kogayne: wtf?? no!!

lanceylance: have u met me and keith,

kogayne: seriously we were joking

lanceylance: i love my boyfriend and if i were with him right now i’d send a text of me obnoxiously hugging him from behind

kogayne: here i have one in my phone somewhere

kogayne: pffft “one” i have so many

(1) photo from kogayne

kogayne: if we were really fighting then trust me you’d know

lanceylance: but don’t worry keith and i like to talk about our problems instead of letting them fester,,, mostly,,,,

kogayne: hey don’t put yourself down i understand you and how you operate, you can’t help it sometimes

carrierpidgeon: SO GET OUT THERE AND BREAK SOME LEGS RIGHT, MAYBE NYMA’S? AND VIDEOTAPE IT?

takashmeoutside: DO NOT BREAK ANYONE’S LEGS OTHER THAN YOUR OWN METAPHORICAL ONES WHAT IS WRONG WITH YOU PEOPLE

kogayne: break their legs ignore shiro

takashmeoutside: you toe a thin line, kogane

kogayne: i don’t toe that line i play jump rope with it, get on my level, shirogane

lanceylance: oh sHIT I AM BEING CALLED ON DECK I HAVE TO GO
kogayne > lanceylance

kogayne: so uh, you looked spooked when you got to gsa, what happened?

lanceylance: i,,, have a really good feeling about /my/ casting

lanceylance: but i found out who i might have to be kissing on stage

kogayne: oh no

lanceylance: nyma, plax, or ezor

lanceylance: like, of fucking course shay didn’t get a callback for one of the leads

kogayne: well i mean ezor is a raging lesbian, so like,,,, i wouldn’t be worried if she lands the role?

lanceylance: yeah but that leaves both of my exes, one of whom has been harassing me for a couple weeks

lanceylance: like?? plax, i guess i’d be okay with?? i mean obviously that thing in freshman year didn’t last and we ended on good terms but like?? THAT’S STILL SO WEIRD TO ME

lanceylance: and then nyma,,, if it’s fucking nyma,,

kogayne: if you get the role and have to kiss one of them, are you gonna drop the show?

lanceylance: oh fuck no, this is my senior year

lanceylance: i’m the ONLY senior who’s been in *drama* since freshman year

lanceylance: like yeah hunk and shay have been involved with crew since freshman year and switched over but that was *crew*

lanceylance: I HAVE SWEATED AND BLED AND CRIED ON THIS STAGE IN PREPARATION FOR THIS YEAR, I WILL NOT LET THESE ASSHOLES COMPLETELY RUIN IT

kogayne: keep in mind, i’ll be in the wings when u need a real kiss :)

lanceylance: so,, ur definitely cool with it? me kissing one of them?? (i’m mostly talking abt plax here let’s be real)

lanceylance: i mean i’m just double-checking

kogayne: yeah, i’m fine with it

kogayne: we just told the group chat: we love each other and trust each other not to cheat. i’m secure in our relationship. ....when i’m not having a mental breakdown or something

lanceylance: yeah same, i just wanted to check anyway
lanceylance: and like, if for some reason it makes u uncomf, lemme know okay??

kogayne: you got it

kogayne: ...ugh why did i not go to your house after school, shiro isn’t home and i’m lonely

lanceylance: idk man, that was your call

lanceylance: i’m watching clara and javier again today if u wanna come over tho

lanceylance: they came home from school and crashed, they’re so ready for teenage life

kogayne: ur parents and emely won’t mind??

lanceylance: i think they like u better than me tbh

lanceylance: they’ve already pretty much adopted u, ur one of us now

kogayne: ...., that means a lot to me, actually

kogayne: shiro’s...really the only one i have

kogayne: i’ve always envied big families like yours

lanceylance: in a few years, you’ll be part of it *officially*

lanceylance: but everyone over here already considers you a mcclain

kogayne: wh a t

lanceylance: and my mom,....., is very much prepared to call u her son in law

lanceylance: from all i’ve said about you and from what she’s seen, she says i “picked a good one, hold onto him”

kogayne: you and your mom talk about me?

lanceylance: well yeah

lanceylance: my mom likes to know what’s up with us, but she doesn’t *pry*

lanceylance: she’s always been really accepting, i actually came out to her before anyone else bc i knew i could trust her

lanceylance: she’s very easy to talk to, and i just?? talk about you a lot??????

kogayne: i’ mctiyn

lanceylance: after the shitshow with nyma, she was so pleased when i came home and told her that i finally asked you out

lanceylance: and you said yes

lanceylance: she’s always been fond of you basically
**lanceylance:** so uh, in short...yeah, come on over

**kogayne:** HOW AM I SUPPOSED TO DRIVE WITH ETARS IN MY EYES

**lanceylance:** i mean, i'd pick you up, but i can't leave the little demons alone

_Lanceylance & the Lancers_

carrierpidgeon: how many consecutive hours do you have to be awake for before you start hallucinating

takashmeoutside: did you pull an all-nighter

carrierpidgeon: i had an essay to write but i needed to finish this book first but then on top of that i was working on modifying rover

mattata: HOW DID MOM DAD AND I NOT CATCH YOU

carrierpidgeon: you’ve waited 15 years to ask that question, the time for an answer is long-gone, rip

shayfromstatefarm: take a nap when you get home from school

shayfromstatefarm: better yet, take 10-20 minute naps during the school day, or like, if you have study hall

shayfromstatefarm: they’re supposed to be refreshing, according to my psych teacher

hunkerdunker: just don’t go near the 45 minute mark

hunkerdunker: if you hit that, then you’ll wake up feeling like shit

takashmeoutside: i’d try and do that during study hall

takashmeoutside: i’d ask matt to wake me up bc i couldn’t set my alarm bc it would bypass the
headphone jack on my phone

takashmeoutside: matt let me hit the 45 minute mark and /then/ woke me up

mattata: i have (0) regrets

takashmeoutside: any white hairs that aren’t from keith are from matt

allurable: for the longest time i thought shiro dyed his hair

allurable: that’s not the case, he’s just incredibly stressed out

takashmeoutside: i am so dead inside

mattata: on a scale of “joking” to “depression nap by noon” how dead do you feel today

shayfromstatefarm: how many people in this group chat have depression

takashmeoutside: mostly joking and me

mattata: i have depressive /tendencies/ but they don’t happen that often

lanceylance: I HEARD DEPRESSION I’M HERE

kogayne: ^^^

allurable: i have concerns as to the fact that /that’s/ what summoned you to the group chat

hunkerdunker: wait so legit half this gc has depression, are you guys like, okay

mattata: peachy, at the moment

lanceylance: i’m content at the moment, keith and i did a mobile dunkin order and skipped this long-ass line

kogayne: sorry we didn’t ask anyone else

lanceylance: he’s not sorry

kogayne: yeah not really, i have like 5 cents left on the giftcard i used to pay

carrierpidgeon: i feel utterly betrayed, did you even read the group chat, i’m actually dead

lanceylance: i’ll get u a coffee, don’t worry

lanceylance: anyway, shiro matt and i are fine right now, how about u, mullet

kogayne: i’m fine

shayfromstatefarm: if there are any days you guys are just *not* feeling it feel free to let us know

shayfromstatefarm: and by feel free i mean seriously please tell us so we don’t accidentally make things worse or anything
shayfromstatefarm: we’re all friends!! let us take care of you guys the way friends should!!!

lanceylance: yeah hi just one thing, i understand it sounds irrational but when i’m having an episode i feel like a burden on everyone, that’s why i usually don’t tell anyone, i can’t help it

lanceylance: obviously i try and work thru it, but if you guys wonder why i don’t say anything, that’s why

lanceylance: and i’ve already gotten the “you’re not a burden you’re our friend” lecture several times in the last month pls don’t do it again

shayfromstatefarm: okay

carrierpidgeon: lance waiT, DIDN’T YOU SAY THE LINE WAS LONG, PLS DON’T WAIT IN IT TO GET ME A COFFEE

lanceylance: shh i have connections

lanceylance: and by connections i mean the barista is a nice old lady that i spent the summer charming, i’ve got this

lanceylance: you’re funny if you think i’m actually waiting in this line right before school

carrierpidgeon: i don’t deserve ur friendship

lanceylance: yeah i know i’m a gem

lanceylance: keith and i’ll be at school in 15, where are you gonna be

carrierpidgeon: lab room

lanceylance: bet we’ll see u then, this is lanceylance being responsible and signing out, any and all communication between now and first period will be performed via keith

hunkerdunker: aren’t you guys in keith’s car

kogayne: he insisted upon driving today

hunkerdunker: and how is he getting to his house today if you’re tutoring someone after school

kogayne: “hunk will u pls be a gem and give me a ride like the good best friend you are” -lance

hunkerdunker: yeah sure, he’s gotta sit backseat tho, shay’s got claim on shotgun

kogayne: “as long as i don’t have to walk to my house, thank you hunk, the best human in the game” -lance

kogayne: (he’s lying, he says i’m actually the best human in the game, keep this on the dl)

kogayne: apparently he didn’t want me to send that last text to the group chat, he feels exposed

carrierpidgeon: i’m not even surprised at this point, i’m going to make it blatantly obvious now that i am changing the subject
**kogayne:** lance says that you’re a gremlin

**kogayne:** “let me praise the fuck out of my boyfriend, i just bought her coffee, she needs to chill”  

**lance**

**carrierpidgeon:** fight me mcclain

**kogayne:** “bet, she’s like 2 feet tall, i’ll have no problem winning”

**carrierpidgeon:** LOW BLOW

**kogayne:** “the only hits pidge can deliver”

**carrierpidgeon:** >:O

**mattata:** sorry i just had to put my phone down, i started crying i was laughing so hard

**carrierpidgeon:** he won’t see it coming when i attack him then

**mattata:** why? bc he’s taller than you??

**carrierpidgeon:** nah, bc he’s got his hEAD SO FAR UP HIS ASS

**kogayne:** lance gasped

**kogayne:** he’s demanding to know how he can pummel a gremlin in two minutes

**allurable:** lance and pidge pls chill

**kogayne:** lance says he doesn’t wanna, pidge can fight him tomorrow, 3 o clock, at the flagpole

**carrierpidgeon:** noodle boy is on

**kogayne:** lance says he resents that comment

**carrierpidgeon:** GOOD

---

**lanceylance > carrierpidgeon**

**lanceylance:** your coffee is on top of the tallest shelf in the lab room

**carrierpidgeon:** WTF

**carrierpidgeon:** WHEN DID YOU EVEN COME IN

**lanceylance:** i am a super secret ninja

**lanceylance:** i will never reveal my secrets

**carrierpidgeon:** LANCE YOU ASSHOLE

**lanceylance:** GREMLIN
carrierpidgeon: I’LL GIVE YOU MONEY AT LUNCH FOR THE COFFEE

lanceylance: NO NEED IT’S ON ME

carrierpidgeon: DGRFJYUKRTDR

Lanceylance & the Lancers

hunkerdunker: so we have a situation

takashmeoutside: the fact that /hunk/ is saying this concerns me

shayfromstatefarm: keith got called to the main office?? no one knows why???

allurable: oh SHOOT I KNEW I FORGOT ABOUT SOMETHING

allurable: keith i’m so sorry

allurable: this is part of the investigation into zarkon, you should be fine

kogayne: YOU COULD’VE WARNED ME

kogayne: DFFTGHERASLJ

allurable: yes i kNOW i’m sorry!!

lanceylance > kogayne

lanceylance: you okay??

kogayne: i was literally two seconds away from a panic attack

kogayne: i thought i was getting called down for something ridiculous

lanceylance: do you want me to come down for emotional support

kogayne: ,,,,, you’ll be okay with missing class??

lanceylance: spanish is my first language i think i’ll be fine if i skip out

lanceylance: ask them to call me down, tell them i’ve got important info

lanceylance: which, i mean, i do, but like

lanceylance: ehrjyjuterdty just have them call me down

kogayne: alright

kogayne: thanks lance

lanceylance: i’ve got u
shayfromstatefarm: shouldn’t they have removed zarkon by now?? i thought they had enough information to remove him, they just didn’t have a replacement

allurable: the deadbeats in the district didn’t think the situation was urgent enough to find a replacement right away, but given everything that’s been happening

allurable: such as students feeling so threatened by the administration that they refuse to speak out about issues

allurable: those of us in the investigation decided it would be beneficial to have some more evidence brought to light

allurable: i meant to say something earlier, and again, keith, i apologize profusely for putting you on the spot like that

kogayne: it’s alright

takashmeoutside: so what’s happened so far

kogayne: basic questioning

kogayne: asking me about incidents at school that the administration’s either brushed aside or made worse

kogayne: and situations where i felt too threatened to speak out

takashmeoutside: you okay?

kogayne: yeah

takashmeoutside: text me if you need to, keith

kogayne: i will

H(ell)igh School

hunkerdunker: so i don’t know what keith said in the office

hunkerdunker: but word’s spreading fast that rolo and nyma got called out of class

hunkerdunker: and rumor has it that they might be banned from all drama club activities

lanceylance: HUNK YOU’RE SHITTING ME

hunkerdunker: it’s just rumors i’m hearing

hunkerdunker: since, you know, you two have been in drama since freshman year, and they joined up last year
hunkerdunker: and they have a history of harassing you two, as well as other students

lanceylance: PRAISE BLESS NO MORE STRESS MY SKIN IS CLEAR MY CROPS ARE FLOURISHING

carrierpidgeon: can you imagine if this rumor turns out to be false

lanceylance: i’ll cry

lanceylance: let me have this moment of joy

shayfromstatefarm: i really hope we don’t have to see them

shayfromstatefarm: as it is, the show’s in just over a month

shayfromstatefarm: we don’t have the cast list yet

shayfromstatefarm: rehearsals are gonna be tight and long

lanceylance: PLEASE JESUS I NEED THIS GOOD NEWS, PLEASE LET IT BE TRUE

kogayne: zarkon? helping us?

lanceylance: well if he gets /removed/

kogayne: plslpslpslpslpslpslpslpl..

shayfromstatefarm: one can only hope

carrierpidgeon: it’s a dark day when our hope of having a good day rests with /zarkon/

kogayne: dark days indeed

lanceylance: commence the hunger games

hunkerdunker: um what

lanceylance: the hunger games?? followed the dark days????

kogayne: were you actually a hunger games fan

lanceylance: OHOHOHO YES SIR I WAS I LOVED FINNICK, THAT BOY WAS ME UNTIL HE DIED

lanceylance: I BROKE DOWN AFTER HIS DEATH I LITERALLY SCREAMED AND THREW THE BOOK

carrierpidgeon: wait since when were you a reader??

lanceylance: im not really, i just didn’t wanna wait for the movies to come out to see what happened

kogayne: finnick was a Good

carrierpidgeon: let’s start hunger games discourse in the main gc
OH NO

is it,, the Question

WAS PEETA ACTUALLY A GOOD LOVE INTEREST

we’re keeping gale out of this equation, he’s a whole other story

Lanceylance & the Lancers

HUNGER GAMES QUESTION: WAS PEETA A GOOD LOVE INTEREST

carrierpidgeon: who will be the first victim

MUMMMMMMMMMM

carrierpidgeon: this could make or break relationships

carrierpidgeon: who will be the first victim

Lanceylance: aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

okay i guess i’ll answer because i’m introverted as fuck and related hardcore to katniss

spending my days in the woods rebelling against society with a variety of weapons

there was a complete lack of communication between katniss and peeta up until the quarter quell, HALFWAY THROUGH THE SECOND FUCKING BOOK

and THEN he gets his mind fucked with and so??? their relationship was better and more genuine in mockingjay bc they basically started over but i personally think it was toxic in the beginning

katniss got put on spot and got pressured into rolling with it

i agree, he was trying to keep her safe but that whole “preserving the genuine shock” thing was so shitty, he should’ve TOLD HER what was happening bc that would’ve kept her even safer

idc if they have a ~past~ with the bread incident COMMUNICATION IS KEY

like mmm yeah okay she knew walking into the games they were gonna play up a romance but then he just??? goes and joins the careers without telling her????????? I WOULD’VE BEEN FREAKING OUT

but then she refused to communicate her feelings to him after

she still had feelings for gale!! she was CONFUSED AND HAD THIS ROMANCE FORCED UPON HER WHEN SHE HAD HER FUTURE ALL PLANNED OUT ALREADY, SHE WAS EXPECTED TO TOSS EVERYTHING ASIDE FOR THIS STUPID FAKE ROMANCE

that’s like me having set plans with lance and someone like,, idfk like plax showing up and being like “change in plans, we’re in love now”
lanceylance: did you just imply you’d eventually dump me for plax

kogayne: no,

carrierpidgeon: well katniss and gale were bffs, it’d be more like if hunk and lance wanted to get together and shay showed up and swept hunk into some epic romance

lanceylance: ANYWAY

lanceylance: i definitely agree that their relationship was more genuine in mockingjay and even at the end of catching fire, i just hate the way it started

allurable: gale was more appealing tbh

allurable: peeta was sweet but gale got shafted

allurable: except he did NOT handle his anger well, and then that bomb mishap basically ruined any chance of reconciliation

allurable: gale was highkey done dirty

carrierpidgeon: this is not about gale this is about bread boy,

mattata: she prefers the dark-haired buff guy over the smaller blonde guy huh

allurable: SHIT SHTHISHTUSIT

takashmeoutside: unpopular opinion: katniss should’ve ended up with no one

carrierpidgeon: i see your “no one” and raise you johanna

carrierpidgeon: johanna didn’t coddle her johanna treated her like the strong girl she knew she was

takashmeoutside: okay but listen—

shayfromstatefarm: suzanne collins set it up so that ending up with someone and raising a family would bring her full circle and bring her character arc to a close as she learned to open up her heart and not fear the world, BUT,

shayfromstatefarm: the way the romance was handled was gross at some points and i’m with pidge on the johanna thing

carrierpidgeon: THANK YOU

lanceylance: i’ll be over here in my corner, crying over finnick and annie

hunkerdunker: finnick didn’t even come in till catching fire

lanceylance: BUT THEN HE CAUGHT FIRE IN MY HEART, HE AND ANNIE WERE SO PURE, THEY WERE GONNA HAVE A SON, THEY GOT MARRIED AND THEN HE DIED

hunkerdunker: you know who should’ve died? gale.
allurable: hunk i’ll say this once: what the actual fuck did you just say

hunkerdunker: it would’ve made sense for his character arc

kogayne: you want katniss to lose another person she cares about???

hunkerdunker: IT’S BETTER THAN THAT ENDING WHERE HE GOES TO DISTRICT 2 AND DOESN’T CONTACT HER

hunkerdunker: hear me out: instead of working with the bombs or whatever, gale’s with ground troops, and he still gets put in the star squad and sacrifices himself to save katniss, or better yet, PRIM

hunkerdunker: thus solidifying the fact that he would die for katniss, and now we don’t have this shitty ending where they /can/ talk but they don’t, bc now he’s dead

kogayne: shit he has a point

allurable: but get this what if gale volunteered to go into the games with katniss, and peeta stayed behind in the district

carrierpidgeon: then peeta would’ve been silently taking care of her family and the whole series would’ve played out the same way with the roles reversed

carrierpidgeon: katniss comes home entirely in love with gale but then finds out that peeta has been taking care of her family and that old flame is rekindled and she’s like “shit he’s sweet” and ahsjfgkewlssnsna a buncha bullshit happens

mattata: are all of you forgetting the line where it literally says peeta is the dandelion in the spring, he’s the symbol of new life that katniss needs

lanceylance: your wording made it sound poetic but idk if i necessarily agree

takashmeoutside: isn’t it almost third period shouldn’t you guys be paying attention in class

kogayne: shut up shiro stop being salty that you’re wrong

carrierpidgeon: keith?? saying “salty”????

mattata: ahem,

mattata: the Lance Effect

kogayne: or i have a personality outside of my relationship that i just don’t show very often bc i’m not always interested in sharing my feelings so i keep a cool mask on

carrierpidgeon: ...damn

kogayne: yeah tbh i’d really appreciate if u guys stop making it out like i don’t know teen culture and shit like that

kogayne: especially those of you with whom i’ve been friends for years

kogayne: …@ the holts
carrierpidgeon: i’m sorry

mattata: ^^^^^^^^^ i would’ve stopped sooner if i’d realized

kogayne: it’s alright

kogayne: i get it’s a joke but after so long it gets old

carrierpidgeon: no more, i promise

mattata: ditto

lanceylance > kogayne

lanceylance: on a scale of 1-10 how likely is it that paul tries some shit either third period or lunch

kogayne: i mean he didn’t do anything yesterday, but then again it was his first day back, maybe he was trying to lie low

kogayne: or maybe he’s finally realized that if he pulls some shit again then he could get suspended for longer or even expelled

lanceylance: part of me /hopes/ he tries something just so he can get busted again

kogayne: me too tbh

kogayne: granted it’s nothing super damaging

lanceylance: his words don’t matter

lanceylance: you know whose words matter?

kogayne: is this where we get mushy and you tell me you love me

lanceylance: actually i was gonna put some fake deep quote in here but sure that works too

kogayne: rUDE

lanceylance: love u starlight~

kogayne: skfertnyrjtytrdberwarytmyd

lanceylance: aaaaahhhh flustered keith, my favorite ;)

Lanceylance & the Lancers

lanceylance: tfw the school goes into stay-put but ur in lunch so u have more time to stuff this pizza down ur throat

takashmeoutside: was that visual needed
lanceylance: yes absolutely, the mere thought of me shoving a pizza down my throat should turn on everyone but pidge

mattata: this boy is my legacy

lanceylance: (☞ﾟヮﾟ)☞

allurable: why’s the school in stay-put

hunkerdunker: probably a medical emergency

carrierpidgeon: lmfao according to the texts i’m getting from my friends in woodshop, some kid’s thumb nearly got cut all the way off

takashmeoutside: what the fuck

shayfromstatefarm: aaaaand that’s why i took design instead of woodshop

allurable: how do you almost chop your thumb all the way off

carrierpidgeon: DNMTYRETHSESJRYSHTHD IT WAS ONE OF PAUL’S CRONIES

lanceylance: PAYBACK BITCH

kogayne: aaaaah, karma

hunkerdunker: that would also explain how you almost chop your thumb all the way off

kogayne: i mean, it could happen to anyone, with a machine malfunction or something,,, but i’m willing to bet this one was just sheer dumbassery

carrierpidgeon: MHM YEP IT WAS apparently these two guys from paul’s friend group were trying to prove their masculinity or how ballsy they were or something and one guy got too ballsy

shayfromstatefarm: my hope for this generation dwindles each passing day

hunkerdunker: it could be worse, we could be the baby boomer generation

lanceylance: we could be the generation responsible for creating the baby boomers

kogayne: those fuckers

carrierpidgeon: literally

lanceylance: wait so back to the topic at hand

lanceylance: no one here was turned on by my pizza comment???

carrierpidgeon: allura can i kick him pleASE

allurable: [sigh] no, no you cannot

lanceylance: >:O
lanceylance: DRASTIC TIMES CALL FOR DRASTIC MEASURES, WATCH ME SHOVE THIS PIECE OF PIZZA DOWN MY THROAT

mattata: DO IT

hunkerdunker: LANCE NO

lanceylance: LANCE YES

(1) video from lanceylance

lanceylance: ARE YOU NOT ENTERTAINED

kogayne: why are we dating again

lanceylance: because you loooooooove me

kogayne: unfortunately

lanceylance: babe rude!!!!

lanceylance: you are SO FLUSTERED right now anyway!!!

kogayne: nno

(2) photos from lanceylance

kogayne: I AM BEING EXPOSED

lanceylance: THIS IS WHAT YOU GET KOGANE

carrierpidgeon: just one day, for the love of fuck

allurable: that video is one of the most disgusting things i’ve seen today

allurable: and i had to see shiro and matt’s faces when they rolled out of bed this morning

carrierpidgeon: SO THAT’S WHERE MY BROTHER WAS LAST NIGHT

kogayne: ah, so that’s where shiro went after i went to lance’s

mattata: allura, you wound me, dear heart

takashmeoutside: if u want the beauty u gotta deal with the beast first

lanceylance: ;)))))

takashmeoutside: lance i swear

lanceylance: that was for the other ‘gane

kogayne: :)

shayfromstatefarm: OH LOOK THEY LIFTED THE STAY PUT TIME FOR PHYSICS
**lotoreal > thatsnymaname**

**lotoreal**: so, i heard you’ve been banned from all drama club activities.

**thatsnymaname**: aren’t you zarkon’s kid?

**lotoreal**: most unfortunately.

**thatsnymaname**: can you get your dad to do something about it?? i’m not letting mclame and kogay ruin my senior year

**lotoreal**: no can do.

**thatsnymaname**: why are you even contacting me then?? wtf get out of here

**lotoreal**: just reminding you that, perhaps next time, you’ll be kinder.

**thatsnymaname**: ?????? stop being cryptic you fucking weirdo??

**lotoreal**: who do you think persuaded my father to ban you in the first place? he certainly didn’t come to that stellar conclusion himself. :)

**thatsnymaname**: WHAT THE FUCK

**thatsnymaname**: WHAT KIND OF DEAL DO YOU HAVE WITH THOSE ASSHOLES

**lotoreal**: oh, no deal at all. you see, i have a bone to pick with certain people, such as the son of a teacher recently fired? and seeing as you’ve allied yourself with him and his cause, well...justice doesn’t hurt.

**thatsnymaname**: WHAT THE ACTUAL FUCK??

**lotoreal**: have a good day. do bear in mind that, if you step out of line again, it will be more than your privileges as a drama club member on the line.

**thatsnymaname > yolorolo**

(3) photos from **thatsnymaname**

**thatsnymaname**: THIS PRICK

**yolorolo**: so, the boys have other friends after all.

**yolorolo**: that’s interesting.

**yolorolo**: what a shame he made such a rookie mistake tho

**yolorolo**: texting first?? oof.
thatsonymaname: so what do you wanna do about it

yolorolo: lie low for now. i have a few ideas we can work on later, when the office isn’t on our asses.

floronawiththecorona: ^^^^

lanceylance: gotta make this believable, um, duh

lanceylance: ...u distracted? (・ω・)~☆

kogayne: HDHWKKSKFKRE FORGET I ASKED, YOU HAVE A PROJECT TO FINISH

lanceylance: and another i’ve gotta do later ;)))

kogayne: you can’t do this to me

lanceylance > kogayne

lanceylance: i have a few minutes while plax and hunk set up this shot

lanceylance: how did the tutoring go

kogayne: it’s literally all ryner’s teaching

kogayne: she has the same problem you do: she can’t grasp it the way ryner teaches it, and then ryner brushes off requests for help, or her help isn’t doing enough

lanceylance: !!!!!!!!!!!!! SEE

lanceylance: also, i thought you were in the kitchen, where the fuck are you

kogayne: sitting on your bed

kogayne: in your jacket

lanceylance: OH? >;3

kogayne: FULLY CLOTHED, THANKS

kogayne: i’m watching the force awakens

lanceylance: babe u really awaken my force ;)))

kogayne: and i will now proceed to jump out your window and sprint home

lanceylance: now i need to rework my hoco prep schedule mother of fuck

kogayne: pidge why did you do this

carrierpidgeon: because i know my loyal friends love me and also you’re an idiot if you think i’m spending all afternoon by myself with those people

kogayne: you know what you’re right

carrierpidgeon: you just pictured me being left alone with them all afternoon didn’t you

kogayne: yeah
kogayne: i don’t like it

hunkerdunker: #ProtectPidge2k17

shayfromstatefarm: that /is/ a pretty good argument

lanceylance: you right

lanceylance: as much a gremlin as you are, you’re still our little sister

carrierpidgeon: :)

lanceylance > kogayne

lanceylance: hey so don’t freak out

kogayne: i already don’t like where this is going

lanceylance: i overheard paul and his cronies talking during thace’s class

lanceylance: seriously if you talk about me and my friends can u at least not do it when we’re in earshot???, smh these people lack subtlety

lanceylance: ANYWAY

kogayne: WHAT IS IT

lanceylance: lotor apparently texted nyma yesterday, mocking her for getting banned from the drama club

lanceylance: he apparently was the one who pressed his dad into banning her

kogayne: WHAT AND WHAT

lanceylance: so now rolo’s plotting some sort of revenge, but he hasn’t told paul or nyma or anyone else

kogayne: OH GREAT, THAT’S FINE, EVERYTHING’S FINE

kogayne: WHY DID LOTOR TEXT HER IN THE FIRST PLACE

lanceylance: I DUNNO!!!

kogayne: we have to do something about this, don’t we???, he’s getting involved where we told him not to

lanceylance: i don’t wanna act just yet

lanceylance: keith???? at my side all night??? BET

mattata: um, shiro allura and i win, there are three of us and two of each of you

takashmeoutside: :)

kogayne: um, no, i win, i have /lance/

lanceylance: :D :D :D (☞ ヮ ☟)☞

hunkerdunker: okay so what are the actual rules

carrierpidgeon: two contests: one for the best blanket, and one for who stays under the blanket the longest

lanceylance: alright keith that means if you gotta pee we gotta go together
carrierpidgeon: aaaaaaaaand leave it to lance to make this dirty

lanceylance: *wiggles eyebrows* hey keeeeeeith

carrierpidgeon: can you two

carrierpidgeon: not

carrierpidgeon: hunk shay you’re in study hall with them, make them stooooop

hunkerdunker: i would but they’re being soft today, it’s just the group chat they’re being obnoxious in

lanceylance: keith is a sleepy boy, i am his pillow today

(3) photos from lanceylance

lanceylance: look how cute, how soft, how pure

lanceylance: his hair is so fluffy i’m

carrierpidgeon: nothing, i’ve just had a long day, and you know,,,, you guys are actually kind of adorable

carrierpidgeon: when you’re not making sex jokes or implying that you’re gonna fuck later

lanceylance: excuse me, we’ve never

takashmeoutside: can we not talk about my little cousin’s sex life

mattata: wanna talk about ours?

takashmeoutside: NO

allurable: shhh matt sweetie that’s for later

carrierpidgeon: you know what i want eye bleach now

hunkerdunker: don’t we always

shayfromstatefarm: sometimes we need ear bleach for when lance sends videos to the group chat

lanceylance: MY PIZZA VIDEO HAD TO TURN MORE OF YOU THAN KEITH

carrierpidgeon: keith, care to confirm whether this is factual?

hunkerdunker: keith is knocked out
lanceylance: he’s so precious i’m having heart palpitations
lanceylance: i love this boy so much you guys it physically hurts
carrierpidgeon: then put the phone down and nap with him
shayfromstatefarm: i promise i’ll wake you guys up for last period
lanceylance: THANKS SHAY K BYEEE
shayfromstatefarm: okay now that his phone’s away and he’s asleep, do i actually wake them up
carrierpidgeon: SHAY?? PLOTTING??
shayfromstatefarm: feeling like it today
allurable: i’m so proud??
allurable: but also yes you promised
shayfromstatefarm: i was wondering if anyone would catch that ;)
hunkerdunker: ahhh, testing our moral compasses, that makes sense
shayfromstatefarm: what kind of heathen do you take me for
carrierpidgeon: did shay just play me
shayfromstatefarm: you played yourself
carrierpidgeon: AND NOW SHE’S MEMEING AT ME, WHO ARE YOU
hunkerdunker: that’s my girlfriend!!! look at how good she is!!!!! BETTER THAN ALL OF YOU HEATHENS

takashmeoutside: you’re stunning
takashmeoutside: what’s this for btw
allurable: wanna try and sneak into homecoming tomorrow

takashmeoutside: i am a buff 25 year old, they’ll get suspicious

takashmeoutside: but i do like a challenge…

mattata: if you said something sooner we could’ve volunteered to chaperone

allurable: oh, no, i wasn’t asking if you wanted to join me

allurable: i was telling you: i wanna sneak into homecoming

takashmeoutside: won’t this potentially hurt the investigation against zarkon, if you’re caught breaking into a high school dance

allurable: who said i was getting caught?

mattata: a Woman

mattata: but also shiro’s right,,,

allurable: darn, guess i need an occasion for this dress

mattata: who’s up for date night while all the kiddos are out at hoco?

lanceylance > kogayne

lanceylance: i’ve been at your locker for like ten minutes where are you

kogayne: spying

lanceylance: TEA???

kogayne: the usual unoriginal mean teen bullshit

kogayne: destroy our reputations, try and get into fistfights and blame it on us

kogayne: poke at our insecurities

lanceylance: what the fuck

kogayne: i videotaped it but idk if i can present this as evidence since technically,,, i’m on school property, and they didn’t consent to being filmed

lanceylance: hang onto it, transcribe it, then get rid of it

lanceylance: technically you witnessed, that should be good enough

kogayne: keyword “should”

lanceylance: hhh yeah i know

kogayne: alright i’m coming now
kogayne: thanks for letting me sleep on you earlier btw

lanceylance: um of course?? you let me sleep on you last week, and i like watching you sleep

kogayne: ikr

kogayne: ANYWAY

kogayne: HE BRINGS UP THE BLANKET COMPETITION AND SAYS THAT HE GOT US A NEW BLANKET FOR TONIGHT

Homecoming Committee 2017

acxalutelynot: is this everyone?

carrierpidgeon: i think so

carrierpidgeon: this includes everyone who’s not in student gov but volunteered to help

hunkerdunker: more like “got volun-told”

carrierpidgeon: semantics

acxalutelynot: okay, everyone is showing up at 12 for setup

acxalutelynot: i’ll need people on table duty, which includes getting the tables set up with the correct number of chairs, centerpieces, candy, extra decorations, the whole nine yards

acxalutelynot: people will need to be on photobooth duty, which includes constructing the booth and preparing the props

acxalutelynot: another group is in charge of handling the candy bar and setting up the non-table decorations, such as the hay bales and side tables, all with candy

acxalutelynot: finally, door decorations, including the outside entrance and the ballroom entrance

acxalutelynot: if those people could also handle general hall decorations, that would be great, and
photobooth can help with that since they’ll be in the hall

**acxalutelynot:** we can get this done in under an hour if no one is slacking off, or making out in half-finished photobooths

**lanceylance:** @ me next time

---

**H(ell)igh School**

**lanceylance:** i don’t care what the fuck kind of “alliance” we have, acxa calling me and keith out makes me REALLY UNCOMFORTABLE, WE’RE NOT AT THAT LEVEL OF FRIENDSHIP

**carrierpidgeon:** according to lotor, we’re not even friends

**lanceylance:** she doesn’t even seem like the type to make jokes, which, idk how she’s dating ezor, who’s the word “bubbly” personified,

**lanceylance:** SO???? AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

**kogayne:** wanna make out in a half-finished photobooth just to piss her off

**hunkerdunker:** no,

**lanceylance:** YES

**hunkerdunker:** pissing off your enemies is nOT the way to resolve things!!

**kogayne:** but it’s more fun that way

**kogayne:** /and/, it’s not like we’re making her watch, /so/, if she lashes out, it’s /her fault/ for becoming distracted

**shayfromstatefarm:** i hate that he has a decent argument for this

**lanceylance:** i have another point to make: /she’s not even our enemy, we’re allies at the moment/

**carrierpidgeon:** dhrthjlfwealdqwjbewjw klance 1, hunay 0

**hunkerdunker:** hunay is our brangelina??

**shayfromstatefarm:** cute, sounds like honey, i like it

**hunkerdunker:** not as cute as u tho

**shayfromstatefarm:** there is (1) thing cuter than me, and his name is hunk

**hunkerdunker:** <3

**lanceylance:** if i’m not the best man at this wedding, i’m suing

**hunkerdunker:** only if i’m your best man
lanceylance: well, technically, keith is THE BEST MAN EVER but since he’s the one i’m marrying..., i guess you’ll do

hunkerdunker: LANCE

lanceylance: jk of course ur gonna be my best man <3

carrierpidgeon: i have dibs on flower girl at both of these weddings or else i’m throwing hands

lanceylance: don’t you mean throwing flower petals

carrierpidgeon: KEITH MAKE SURE I’M DOWN AS YOUR FLOWER GIRL

kogayne: ummm duh the second cryptkid /has/ to get a role in my wedding???

carrierpidgeon: THNAK

lanceylance: going into the kitchen for a thnak

carrierpidgeon: i will kill u

carrierpidgeon: u won’t see it coming, bc it won’t be till ur married so i can throw those petals,

hunkerdunker: i said a HEALTHY THNAK REBECCA

carrierpidgeon: I AM BEING ATTACKED

Lanceylance & the Lancers

lanceylance: so hoco setup kicked my ass, i can’t believe i have to be back there in six hours

kogayne: acxa looked like she wanted to kick my ass

takashmeoutside: what did you do

kogayne: she told the group chat that we’d have an easier time if people didn’t slack off or make out in a half-finished photobooth

kogayne: and i mean it was pretty obvious she was calling me and lance out, but she never addressed anyone specific, sooooo

mattata: YEEEEAAAAAH FIGHT THE POWER

carrierpidgeon: she can’t even get mad, we still finished earlier than we thought

shayfromstatefarm: thanks to yours truly being tall enough to finish the ceiling decorations with no more than a boost from hunk

hunkerdunker: and no thanks to lance and keith,

lanceylance: eXCUSE ME
lanceylance: KEITH AND I DID PLENTY

allurable: plenty of slacking off, from what it sounds like

lanceylance: AJDJFKSLAL FUCK THIS IM GONNA GO NAP, I DON’T NEED TO DEFEND MY ACTIONS

lanceylance: keith babe pls wake me up in two hours so i can get ready <3

hunkerdunker: …

hunkerdunker: yeah so anyway keith and lance did nothing

Lanceylance & the Lancers

lanceylance: you know what i hate

kogayne: i didn’t even have to wake him up, whoa

lanceylance: no i had a weird dream that made me angry

allurable: you okay?

lanceylance: yes i’m okay, just aggressively having flashbacks to junior hoco

kogayne: to the Incident?

lanceylance: AJDJGKELLASDNJA YES TO THE INCIDENT

carrierpidgeon: ooooh

lanceylance: i hate???? personal invasions of space???

lanceylance: like, you wanna break the rules and grind all over the dancefloor?? fine, i break that rule all the time

lanceylance: BUT DO NOT!! GRIND ON PEOPLE!!! WITHOUT THEIR CONSENT!!!!! FUCKING HELL!!!!!!!

lanceylance: the ONE reason i’m always lowkey nervous before parties,

lanceylance: (yes, get your gasps in now, resident extrovert party boy has pre-party anxiety)

mattata: *gasp*

kogayne: i will actually punch you in the face the next time i see you

lanceylance: is because of assholes who think it’s fine to grind on me!! without asking!!

lanceylance: these people see “flirty party boy” and immediately assume i’m down for random grinding???? like, stop??
lanceylance: I’M IN A COMMITTED RELATIONSHIP NOW TOO LIKE,,, FUCK OUTTA HERE, THIS LAP IS FOR MY BOYFRIEND ONLY

carrierpidgeon: call them out? roast their asses? throw hands?
lanceylance: i’m not trying to get kicked out of hoco

carrierpidgeon: then i’ll do it??
lanceylance: you’re not getting kicked out on my behalf

lanceylance: AND DON’T YOU GET ANY IDEAS EITHER, HUNK KEITH AND SHAY

kogayne: damn there goes my plan

lanceylance: the only plan u have is to dance w me all night

lanceylance: cha cha slide, cupid shuffle, cotton-eyed joe, dougie, party rock anthem, give me everything

lanceylance: AAAAAAALLLLLLLLLLL the good shit

lanceylance: and yes we’ll go cuddle in the hallway outside the ballroom whenever the noise is too much, just say the word

kogayne: <3

lanceylance: :)

lanceylance: wELP better go get ready, a face doesn’t just look perfect by itself

kogayne: actually yours does,

lanceylance: SJDJWKALARIGNNW

lanceylance: she wouldn’t let me see the dress but she needed makeup help!! and since i was a human doll for my sisters to play with when they were all going through their makeup phases, i,,,,, picked up on things

lanceylance: and then asked for lessons

lanceylance: who do you think did /my/ makeup

allerable: that was actually my next question

allurable: and i’m guessing you also did keith’s

kogayne: he also did my makeup for the halloween party last weekend, do you know how much glitter that boy owns

lanceylance: i like glitter

lanceylance: and i like it even better on keith’s face

lanceylance: :)

kogayne: i like seeing lance happy, i’ll deal with looking like the space age threw up on me

lanceylance: i didn’t go overboard this time tho!! just lowkey

lanceylance: the lights’ll be low and we’ll have strobe lights, it’ll look amAZING

hunkerdunker: so why did you not extend these makeup offers to me and shay

takashmeoutside: ahhh, things i don’t miss about high school: sacrificing my hearing to go to school functions

hunkerdunker: my ears are being viOLATED THIS WAS DEFINITELY NOT THE APPROVED PLAYLIST

carrierpidgeon: whichever dumbass junior was in charge of the playlist forgot to submit it to the dj, this guy’s flying blind

kogayne: good thing zarkon generally doesn’t give a shit about student well-being

lanceylance: [that awkward moment when half of these songs are on your most-played list]

allurable: fntrerdmurtstryte best response

allurable: also, since you little kiddos were sending pictures of your hoco dates to the group chat:

allurable: i don’t know where you’re going with this but i’m in

_H(ell)igh School_

carrierpidgeon: I LEFT FOR TWO MINUTES TO GET A SHIRLEY TEMPLE WHERE DID YOU ALL GO

shayfromstatefarm: keith and lance are somewhere in the middle of the dancefloor

carrierpidgeon: they’re never coming back, that place is a black hole

shayfromstatefarm: hunk and i are on the edge, sorta near our table??

carrierpidgeon: AH I SEE YOU

_H(ell)igh School_

kogayne: how does lance manage to stay dancing for this long in a mass of sweaty bodies

carrierpidgeon: ???? is that you at the table

kogayne: yeah

kogayne: it got so hot in the middle i needed a break

carrierpidgeon: need company??
kogayne: nah i’m good, i’m going back into the Void in a minute

kogayne: just needed water

kogayne: SERIOUSLY HOW DOES LANCE KEEP GOING WHAT THE FUCK

carrierpidgeon: your wedding is gonna kick your ass

carrierpidgeon: omw

H(ell)igh School

shayfromstatefarm: yo stay clear of the hallway for now

hunkerdunker: zarkon’s here

lanceylance: i’m deliberately going into the hallway

hunkerdunker: lance what the FUCK

kogayne: LANCE I HAVE AN IDEA

shayfromstatefarm: why

hunkerdunker: these two,,,

kogayne: GET YOUR CAMERA READY WE’RE ABOUT TO MAKE THINGS SUPER GAY

kogayne: PIDGE WE NEED ASSISTANCE

carrierpidgeon: omw

kogayne: holy shit i can sort of hear out here

kogayne: except everything sounds like i’m underwater

lanceylance: my ears are RINGING SO LOUDLY

kogayne: you were on the dancefloor without break

kogayne: give it a few minutes

carrierpidgeon: im in the hallway, where

kogayne: photobooth, it’s in zarkon’s line of view

carrierpidgeon: oh i’m so looking forward to this

H(ell)igh School

(15) photos from lanceylance
lanceylance: caught hunk and shay being downright adorable

kogayne: !!!!!!!!!!!!!!!!!

carrierpidgeon: print this. frame this. put this everywhere.

carrierpidgeon: fuckign majestic. mindblowing. astounding.

H(ell)igh School

shayfromstatefarm: YOU GUYS

H(ell)igh School

hunkerdunker: has lance never taught keith how to do this dance

carrierpidgeon: with all of the parties the mcclain family has that he’s been to

shayfromstatefarm: he’s getting Flustered

hunkerdunker: but is it because lance is there or because he can’t do this dance to save his life

carrierpidgeon: yes

carrierpidgeon: i’m gonna videotape this

H(ell)igh School

carrierpidgeon: i thought they didn’t do slow songs at hoco, bc this isn’t a dance you’re expected to have a date for???

carrierpidgeon: HELLO????

carrierpidgeon: oh, right, you’re all dancing

carrierpidgeon: y’all are cute tho

carrierpidgeon: my project over the summer is now going to be to build a robot to be my date to dances

carrierpidgeon: specifically so i don’t look awkward standing alone

carrierpidgeon: THEY’RE REFILLING THE SHIRLEY TEMPLE THINGS!! EAT MY DUST YOU DANCING FUCKERS

H(ell)igh School
hunkerdunker: HOW ARE YOU STILL GOING LANCE

lanceylance: you mean to tell me that after doing the cupid shuffle, cha cha slide, cotton eyed joe, and wobble, you’re tired???

kogayne: WHO WOULDN’T BE

shayfromstatefarm: best decision of the night: switching my heels for socks after the first twenty minutes of this thing

carrierpidgeon: lance is like the fuckin g energizer bunny

lanceylance: WEAKLINGS, I’LL BE ON THE DANCEFLOOR

kogayne: i’m sweating, i’ll be at the table

carrierpidgeon: me too

hunkerdunker: count me in, i’m getting another plate of chicken

shayfromstatefarm: i need WATER

---

H(ell)igh School

shayfromstatefarm: so it appears a whole group of kids somehow snuck by the breathalyzer

kogayne: w h a t

shayfromstatefarm: toward the back of the dancefloor

shayfromstatefarm: red dress, two black dresses, mr tanktop, mismatched buttons, and the three guys in button-downs with sperrys

hunkerdunker: drunk as fuck

carrierpidgeon: i think two of them are also high

kogayne: mismatched buttons and one of the sperry dudes

kogayne: high as freakin kites

shayfromstatefarm: how has no one from administration spotted them yet

kogayne: it’s /our administration/

shayfromstatefarm: shoot you right

hunkerdunker: which one falls on their ass and exposes themselves first

carrierpidgeon: twenty bucks on the blonde one with the black dress

carrierpidgeon: she’s already wobbling and those heels are /not/ helping
kogayne: what possesses a person to show up to a school function shitfaced

shayfromstatefarm: okay but consider: they didn’t show up like this, they somehow snuck in alcohol or weed

carrierpidgeon: mmmmmmmm highkey wanna investigate for shots and giggles

carrierpidgeon: ******shits

kogayne: yeah i’m /sure/ that’s what you meant

carrierpidgeon: stfu kogane

kogayne: if you come home drunk or high matt will skin me alive

carrierpidgeon: take it easy

carrierpidgeon: why get high on drugs when you can get high with Knowledge

carrierpidgeon: or construction fumes

hunkerdunker: why are you like this

carrierpidgeon: NerdLife™

carrierpidgeon: anyway, shay, wanna go to the bathroom with me and see what’s going on

shayfromstatefarm: yeah sure!

kogayne: im gonna go check the guys’ room

hunkerdunker: you’re on your own, i’m holding down this table

hunkerdunker: unless u wanna go track down lance in that mess

kogayne: solo investigation it is

hunkerdunker: :O

hunkerdunker: shouldn’t you never go alone for these things

kogayne: it’s a high school dance in a hotel ballroom, it’s not like the woods last month

kogayne: i’ll be Fine

hunkerdunker: you better be, bc lance isn’t checking his phone and i really don’t feel like coming to your rescue

hunkerdunker: i mean i’ll probably feel bad and end up coming in but,, you know what i mean

kogayne: yeah i know
**H(ell)igh School**

carrierpidgeon: so this whole operation is based in the girls’ room

carrierpidgeon: the bathroom is in a hallway before check-in, so some girls snuck in early and hid flasks and shit

kogayne: the men’s room has a window, guess where people are getting high

kogayne: literally i walked in and two boys were climbing in the window

kogayne: i turned and walked back out

shayfromstatefarm: i think two of the girls involved are in our physics class

kogayne: well smart students /do/ tend to figure out how to game the system

kogayne: how do you think i’ve been #1 so long?

hunkerdunker: a good work ethic, the same way we’ve all stayed in the top ten??

kogayne: no, it’s called “kiss ass first semester and bs everything second semester”

kogayne: i mean yeah that good work ethic thing helps but also make sure u have teachers willing to bump your grades when needed

kogayne: or exempt you from assignments completely

hunkerdunker: i feel played

kogayne: i mean i /also/ took so many ap classes that my mental stability is ruined forever

hunkerdunker: ..., 

kogayne: I MEAN IM OKAY RIGHT NOW BUT IM JUST SAYING

**kogayne > lanceylance**

kogayne: where in this mess of sweaty bodies are you

kogayne: oh that’s right you’re not answering your phone

kogayne: smh i’m gonna kick ur ass, i can’t believe i have to dive into this

kogayne: i feel like i’m on the walking dead, just charging into masses of hungry zombies

kogayne: but instead of zombies it’s hyped-up high schoolers

kogayne: so basically the same thing

kogayne: AHA THERE YOU ARE
carrierpidgeon: have the energizer bunny’s batteries finally died??

lanceylance: nah, captain doofus needed a rest from the music

lanceylance: after he charitably agreed to dance with me for six songs in a row

hunkerdunker: only one hour until sleepover time

lanceylance: i’m so excited, we haven’t had a group sleepover at your house since winter break last year

hunkerdunker: ¯\_(ツ)_/¯

hunkerdunker: my moms were gonna prep most of it while we’re here, but of course, i made some food before i got here

lanceylance: HUNK FOOD BEST FOOD

kogayne: moms?

kogayne: there was only one woman there when we slept over last time??

kogayne: you’ve only ever mentioned your mom, singular????

hunkerdunker: ...wait we’ve been friends for how long

kogayne: sdrthesdnkersk SORRY BUT WHAT

hunkerdunker: i have 2 moms

hunkerdunker: one is my mom

hunkerdunker: one is my tina

hunkerdunker: aka the samoan word for mom

hunkerdunker: y’know, because only my biological mom is samoan

hunkerdunker: and it’s easier to differentiate the two of them instead of being like “MOM!! NO, THE OTHER MOM!!”

kogayne: makes sense, but then

kogayne: where was your tina (can i say that?) when we slept over??

hunkerdunker: (yes) she was on the late shift at the hospital, she’s a doctor

kogayne: OH

kogayne: this whole time i thought your mom was the doctor

kogayne: okay that clears things up
lanceylance: see when keith and i get married, he’s dad and i’m daddy

kogayne: and then when our kids get into their teenage years and discover how fucked the term “daddy” has become, you’ll be reduced to “father”

lanceylance: ...,so anyway i’ll be dad and keith will be daddy

kogayne: (e_e)

Lanceylance & the Lancers

takashmeoutside: obligatory end-of-homecoming check-in

lanceylance: i think i lost my voice screaming “don’t stop believing”

allurable: that’s the whitest thing you’ve ever said

lanceylance: yeah i know

lanceylance: but the whole crowd was into it i couldn’t help it

takashmeoutside: are you all okay otherwise

takashmeoutside: no one touched alcohol or drugs, correct?

kogayne: drugs and alcohol aren’t allowed at school functions

takashmeoutside: yeah and i was a high schooler once

mattata: i think i got drunk my senior hoco

takashmeoutside: [long sigh] you did

allurable: i had to hold your hair back while you puked in shiro’s backseat

kogayne: SHIRO TOLD ME THAT HE MADE A DUMP RUN AND SOME STUFF WAS NASTY AND THAT’S WHY HIS BACKSEAT SMELLED LIKE SHIT FOR A WEEK

takashmeoutside: the only shit back there was one shitfaced holt

lanceylance: i’m amazed we’re not hearing about shiro getting drunk with him

takashmeoutside: i lost a bet the week before, i was the designated driver

kogayne: ERTHEREWESKREWAKE SO YOU PLANNED TO GET DRUNK

mattata: we didn’t /plan/ to get drunk, it just sort of, happened

allurable: matt’s a lightweight

mattata: ALLURA
allurable: i speak the truth

takashmeoutside: SO BACK TO THE TOPIC AT HAND, WERE ALL OF YOU MORE RESPONSIBLE

lanceylance: i spent the entire night on the dancefloor, except when i was cuddling keith in the hall

kogayne: i mean, shay pidge and i discovered kids getting drunk and high in the bathrooms, but we didn’t partake

carrierpidgeon: this school has some sneaky kids

takashmeoutside: [sigh] of course it does

takashmeoutside: so what are you all up to now

shayfromstatefarm: hunk is driving us all back to his house for a sleepover

shayfromstatefarm: he feels the need to let you know that there will not be any alcohol or drugs there

takashmeoutside: tell him i said thank you

shayfromstatefarm: he says it’s no problem

lanceylance: i dunno why you’re so concerned, i definitely didn’t plan on getting drunk

lanceylance: keith’s sworn off getting drunk for a while now

carrierpidgeon: i’m waiting until everyone goes off to college to get drunk so i can’t be ratted out

lanceylance: gremlin

mattata: what the fuck did you just say pidge

shayfromstatefarm: hunk says “i’m not the type to overdrink, you gotta know your limits”

shayfromstatefarm: i’m just like matt, i’m a lightweight

allurable: why do you know that

shayfromstatefarm: a tight community means a lot of wedding invites means a lot of alcohol

takashmeoutside: you know what i’m sorry i asked have fun

lanceylance: you kids stay safe too use protection xoxo

takashmeoutside: LANCE

lanceylance > kogayne

lanceylance: psst
kogayne: we’re in the same room

lanceylance: yeah but you’re all the way over by the outlet and i’m on the couch and everyone else is asleep i didn’t wanna wake them

kogayne: what is it

lanceylance: come here i’m coooooold

kogayne: you’re wearing my blanket /and/ yours

lanceylance: i’m cooooooollllllllllllllllllllll

kogayne: but laaaaaaaaanche i’m on youuuuuuube

lanceylance: we can watch together on my ipad, i brought that headphone splitter thing so we can both wear our own pairs of headphones

lanceylance: just cOME HEEEEEERE

lanceylance: i’m remembering how cute you looked with your glitter and i MISS YOUR FACE COME HEEEEEERE

kogayne: if you want me over there you gotta beg

lanceylance: THE FUCK DO YOU THINK I’M DOING

kogayne: not begging hard enough

lanceylance: keeeeeeith pls i’m begging u come get ur warm butt over here and snuggle up in my arms, i can literally see the goosebumps on you

kogayne: it’s pitch black in here

lanceylance: YES I KNOW AND I CAN STILL SEE THEM, COME HERE YOU STUBBORN LITTLE SHIT

kogayne: [sigh] i’m coming

lanceylance: THANK YOU

lanceylance: i love youuuuuu

kogayne: TRTRYTEFKDBKWR STOP THAT

lanceylance: oooooh someone’s flustered

kogayne: you little shit

lanceylance: *your little shit
kogayne: i hate u

lanceylance: love you too :) <3

kogayne: <3

Cheater Cheater

Chapter Summary

lance cheated on keith

Chapter Notes

i actually wrote this all on sunday, and then purposely waited until the middle of the school day to post it just to piss off my friends :)

i expect i’ll be yelled at at some point today for that but oh well \_-(ツ)_/¯

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: why did i just get a text from some girl in our grade telling me she’s “so sorry about what happened with lance”

kogayne: what happened with lance

lanceylance: oh

lanceylance: i cheated on you at homecoming

kogayne: i’m sorry i just started laughing so hard i dropped my phone

lanceylance: lmfao yeah i know, who do these people think they are

lanceylance: someone started a rumor last night (aka a WHOLE 24 HOURS AFTER HOMECOMING, THAT’S HOW LONG IT TAKES THESE FUCKERS TO SCHEME) that while you left me alone to go sit or get water or whatever, i made out with this girl or something ridiculous like that

lanceylance: funnily enough no one has any proof except one sketchy-looking photo

lanceylance: and by sketchy i mean the angle is weird and there’s obvious photoshop, but half the kids at school are dumbasses and apparently can’t tell the difference

lanceylance: anyway i’m like 99% sure one of paul’s friends started the rumor and circulated the photo, so now half the school thinks i cheated on you

kogayne: yes, of course, you cheated on me. you, wearing the promise ring i got you, constantly gushing very loudly in front of everyone how much you love me, proclaiming how much of a loyal hoe you are. you, who piggybacked on me as we went to the car, and got into the same car together, and went home with each other. you, who tagged me in no less than 6 instagram posts from saturday
night. yes. you cheated on me. it makes so much sense.

**lanceylance**: SDFHGMTHERGSKDRLER YEAH I KNOW

**kogayne**: wanna make things interesting

**lanceylance**: OOOH WHAT'S UP

**kogayne**: let’s fuck with everyone

**kogayne**: we’ll tell everyone that you cheated on me bc you got wind that /i/ cheated on /you/ first

**kogayne**: it’ll add some plausibility to this story

**kogayne**: bc it’s like “oh where did keith disappear to all those times he left the dancefloor?” I WENT TO KISS A DIFFERENT BOY, DUNDUNDUNNNN

**lanceylance**: OMFG

**lanceylance**: YES LET’S DO IT

**lanceylance**: how long do you think it’ll take the Gang to figure it out

**kogayne**: if it takes longer than 2 seconds we’re going to have problems

**kogayne**: anyway that means we can’t be mushy at school, so how committed to your role are you gonna be

**lanceylance**: i’m a fantastic actor

**lanceylance**: as far as everyone knows i’m completely heartbroken and torn between wanting to punch you or going to cry in the bathroom

**lanceylance**: but also i’m not ditching the promise ring

**kogayne**: oh shoot how are we gonna wear them

**lanceylance**: i’m just gonna put mine on a chain and wear it under my shirt as a necklace

**kogayne**: that’s smart, i don’t have a chain

**kogayne**: nvm i’ll just steal one from shiro

**kogayne**: ...aw this means we can’t give each other rides today

**lanceylance**: commit to your role, kogane

**lanceylance**: and expect gratuitous love messages throughout the day

**kogayne**: “throughout the day” are we gonna be able to keep from breaking out laughing that long

**lanceylance**: THIS IS SERIOUS BUS i can’t even finish this text i can’t take it seriously

**lanceylance**: today is gonna be so fun but so challenging holy shit
kogayne: a test of the ignorance and hivemind of the class of 2018
kogayne: and a test of our own acting skills, determination, and will
lanceylance: hoo boy
lanceylance: also like, i know this is your idea, but pls let me know if it becomes overwhelming
kogayne: you too, i don’t want you going to the bathroom for an /actual/ breakdown
lanceylance: <3
lanceylance: alright mullethead, let’s do this

_Lanceylance & the Lancers_

carrierpidgeon: why is word spreading that lance and keith cheated on each other
carrierpidgeon: what did you fuckers do this time
lanceylance: /I/ DIDN’T DO ANYTHING TO THAT CHEATING ASSHOLE
shayfromstatefarm: are we supposed to believe this
hunkerdunker: here let me pretend to roll with this for a second: oh no, lance, how tragic, keith, how could you
hunkerdunker: okay now that that’s over, what’s actually going on
kogayne: oh thank goodness you guys aren’t morons
lanceylance: one of paul’s cronies started a rumor that i cheated on keith at homecoming, so keith and i are gonna pretend keith cheated on me first, so i was retaliating, and now we hate each other
hunkerdunker: so instead of shutting down the rumor...you added a /backstory/
carrierpidgeon: that is the DEFINITION of FUCKING EXTRA
lanceylance: if they’re gonna make shit up they could’ve at least made it interesting
lanceylance: instead of something cool and original they went with a bland “flirty party boy cheats on quiet emo broody introvert boy” like?? that’s so cliche
lanceylance: now it’s “emo broody introvert boy has secret badboy passionate side, which he uses for evil, leaving the party boy brokenhearted and revealing him as a vulnerable, sensitive soul, who only sought comfort in some random girl dancing with him”

hunkerdunker: that made like 75% sense

lanceylance: we had to make sure the kids at school could understand
carrierpidgeon: werthewasdtm
takashmeoutside: hi, good morning, my tired ass just had a heart attack upon opening the group chat before logic kicked in

takashmeoutside: glad to hear no one actually cheated

takashmeoutside: slightly disconcerted about this whole plot you two have cooked up

lanceylance: shhh just go back to sleep, everything is under control

takashmeoutside: famous last words

kogayne > lanceylance

kogayne: hi i miss sitting next to you, why the fuck is jenna in my seat

lanceylance: she heard the rumor and wants me to know she’s “always here to talk”

lanceylance: i have never talked to her once before in my life

lanceylance: ...scratch that, i think i talked to her once sophomore year, between breaking up with nyma and asking you out

kogayne: oh so she’s one of those “lance is single i must snatch him now” people

lanceylance: hhhhh i expect she won’t be the last today

lanceylance: unfortunately, i’m rather attractive

kogayne: so what are you gonna do?? u gonna flirt back????

lanceylance: nah, that’s basically leading them on

lanceylance: i’m just gonna pretend i’m so upset i can’t even think about another relationship right now and buy their sympathy instead

kogayne: aw, sensitive lance

kogayne: deep sensitive lance is one of my favorite lances

lanceylance: and deep sensitive lance misses your fa

lanceylance: wait a fucking minute

lanceylance: ARE YOU IN THE BACK LEFT CORNER DESK

kogayne: ...it was open

lanceylance: YOU FUCKING ANIME NERD

kogayne: YOU’RE ONE TO TALK
lanceylance > kogayne

lanceylance: why do so many people buy this story wHAT THE FUCK

kogayne: idk my forensics class is pretty skeptical

lanceylance: i’ve only had two people out of like 20-something tell me that they don’t believe me, and only one of them pointed out my instagram posts

kogayne: the first thing someone said to me was “you literally showed up in like six posts on lance’s instagram, you fucking liar”

kogayne: they didn’t talk to me before that, they literally just walked into the room and started yelling at me

kogayne: at the very least, word is spreading

lanceylance: THESE DUMBASSES

lanceylance: i’m actually highkey hurt that these people think so lowly of us, that we’d ever cheat on each other

kogayne: hey, i think pretty highly of you

kogayne: i love you

lanceylance: :) love you too mullethead

H(ell)igh School

hunkerdunker: hi, thought just occurred to me, what’s the seating situation at lunch

kogayne: isn’t there an empty table near our usual

shayfromstatefarm: yep

kogayne: so i’ll just move to that one

carrierpidgeon: ah yes, the angry emo loner kid isolates himself

carrierpidgeon: a Classic

carrierpidgeon: i’ll move with you in a show of solidarity and also so you’re not eating alone

kogayne: thanks pidge

lanceylance: i’m gonna send u snapchats of me shoving food down my throat

kogayne: LANCE

lanceylance: ;)))
**H(ell)igh School**

**hunkerdunker:** YOU GUYS ARE RUINING PEOPLE’S HOPES AND DREAMS

**lanceylance:** ugh finally the tables have turned

**kogayne:** what happened

**shayfromstatefarm:** thace’s class, what else is new

**shayfromstatefarm:** first of all, paul is very confused as to where this keith cheating thing has come from, but he’s also taking full advantage of it, according to the texts i read over his shoulder while he wasn’t paying attention

**hunkerdunker:** second of all, remember that girl who sits behind me who called you guys goals

**kogayne:** she seemed nice, yeah

**hunkerdunker:** she walks up to me and asks if the rumors are true and i’m like “idk man i think so??? they seemed pissed at each other earlier”

**hunkerdunker:** and she gets this thousand-yard stare and sounds like she’s about to cry and goes “IF KLANCE IS DEAD WHAT HOPE IS THERE FOR THE REST OF US”

**kogayne:** well, glad to see our ship name caught on

**carrierpidgeon:** this whole thing is absolute madness i’m so glad you two did this

**carrierpidgeon:** it’s only third period and i’ve got 17 betting pools going, i’m about to be so rich

**kogayne:** gambling is illegal

**carrierpidgeon:** suck my ass

**kogayne:** i want a cut of the money

**carrierpidgeon:** what’s in it for me

**kogayne:** i’ll do your precalc homework for a week

**carrierpidgeon:** i like math fuck off

**kogayne:** i’ll buy you a Death Coffee the next five times you ask for one

**carrierpidgeon:** done

**kogayne > lanceylance**

**kogayne:** AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
lanceylance: WHAT HAPPENED

kogayne: I’M USUALLY EARLY TO THACE’S CLASS SO HE PULLS ME ASIDE AND HE’S LIKE “SO I HEARD THAT YOU’RE HAVING SOME ISSUES WITH LANCE”

lanceylance: ERTJYRERDTMYRT WHAT DID YOU SAY

kogayne: I’M LIKE “LISTEN, I’M OKAY, JUST LET THINGS HAPPEN” AND THACE GOT REALLY CONFUSED FOR A SECOND AND THEN HE LOOKS AT ME AND HE’S LIKE “…YOU’RE SHIROGANE’S COUSIN, YOU GOTTA BE UP TO SOMETHING”

kogayne: AND I LOST IT I BROKE DOWN LAUGHING

lanceylance: THACE DIDN’T ASK /ME/ IF EVERYTHING WAS OKAY

kogayne: YEAH BUT THACE LIKE,,, KNOWS ME, SORTA, AND KNOWS SHIRO

lanceylance: DSFFTYKUTYJDHSFA

lanceylance: okay but speaking of okay, are you okay

kogayne: i mean about halfway through class some boy slid his phone number to me

kogayne: and i slid it back and wrote “not now” on it

lanceylance: they’re gonna be shook tomorrow

kogayne: yeah i know

kogayne: how are you holding up

lanceylance: i’m pretty sure at least 3 people are plotting your death for “hurting” me, because i’m a “sweet boy” who “doesn’t deserve this” and “fuck keith, he’s always been an asshole” (ding dong they are wrong)

kogayne: oh fun

lanceylance: this other boy came up to me and goes “you’re probably gonna get the lead in the play, good job, keep it up”

kogayne: LMFAOOOO

lanceylance: and then paul passed me on the way out of class and he wouldn’t look me in the eye

kogayne: tfw when ur evil plot backfires and now the whole school is being played

lanceylance: can’t wait to see his face tomorrow

lanceylance: anyway i’ll see u at lunch but i won’t /really/ see you

lanceylance: but i love youuuu

kogayne: love you too :)
hunkerdunker: can someone tell lance that if he keeps making heart eyes at keith then this whole charade falls apart

carrierpidgeon: these two are insufferable, keith’s cranked the emo up to 11

kogayne: bc i just remembered that my next three periods are all with lance

lanceylance: aw babe

kogayne: on the bright side, in physics, our lab groups are basically permanent, bc everyone’s at partner limit and no one is willing to switch

kogayne: so, TRAGICALLY, I’LL HAVE TO WORK WITH LANCE

lanceylance: it’s monday it’s study hall

kogayne: FUCK

kogayne: i’ll just stubbornly refuse to leave my seat when study hall rolls around then

lanceylance: same

lanceylance: um just a warning paul is coming ur way

shayfromstatefarm: oh boy

kogayne: oh this should be fun -_-
lanceylance: i’m the best thing in your life?

kogayne > lanceylance

kogayne: yeah of course you are??? why do you sound so surprised

lanceylance: i mean i knew you loved me and stuff but i’m usually not up there on people’s lists of “best things in my life”

lanceylance: i’m just kinda there

lanceylance: it’s usually a rare occasion if i even break top five

lanceylance: so,, to hear i’m *the* thing,,,,

kogayne: for a long time it was shiro adopting me

kogayne: and then you came along and became my boyfriend and welcomed me into your family,,, and we’re gonna get married one day,,,,

kogayne: yeah, you are the best thing in my life

kogayne: you’re passionate and considerate and have a beautiful soul and you try so hard to smile every day, even when it’s difficult, you’re just so Good??? and the fact that you’re my boyfriend????????

lanceylance: you motherfucker we’re supposed to be angry at each other, now i’m about to cry

kogayne: if anyone asks just say that you’re crying over our failed relationship

kogayne: it’s only half-wrong

lanceylance: aaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAA i wanna kiss ur stupid face

kogayne: u gotta waaaaait ;)

lanceylance: as soon as school is out i’m driving to your house

kogayne: :)

what the fuck is happening anymore

carrierpidgeon: i’m reading over keith’s shoulder and he and lance are being so sappy it’s ridiculous, someone get some clorox up in here

hunkerdunker: “someone get some clorox up in here” i

shayfromstatefarm: oh so that’s why lance looks like he’s about to cry, they’re being Soft
**Lanceylance & the Lancers**

**allurable**: it’s lunchtime and none of you are talking in this group chat, what’s going on

**allurable**: i read the earlier texts, is everyone alright, did you all die of affection deprivation

**lanceylance**: keith made me cry

**kogayne**: you aren’t crying

**lanceylance**: I’M ALMOST THERE KEEP IT UP KOGANE

**lanceylance**: ...WAIT DO NOT KEEP IT UP CUT IT OUT

**shayfromstatefarm**: they’re being sappy, paul said some things to keith, most of the school thinks this breakup is real, pidge has a gambling ring

**mattata**: it has been (1) day why is all of this nonsense occurring

**kogane**: klance was Iconic and now people are shaken up over us

**carrierpidgeon**: stfu matt you live for nonsense, if you were still in high school you’d be thriving right now

**mattata**: i want in on this gambling ring

**carrierpidgeon**: no can do, high schoolers only

**mattata**: gremlin

**carrierpidgeon**: tell me something i don’t know

**allurable**: what do we mean, paul said some things to keith

**kogayne**: nasty comments i don’t wanna repeat

**kogayne**: i’ve already written them down and i’m bringing them to guidance after school

**allurable**: i’ll make sure they reach the investigation, we’re incredibly close to getting zarkon out

**allurable**: so everyone is okay otherwise?

**carrierpidgeon**: yes, other than klance being ridiculous

**carrierpidgeon**: ...so situation normal

---

**Respecting Women Juice**

**dinezor**: i’m sorry, are we supposed to believe lance and keith cheated on each other and broke up?

**dinezor**: especially after homecoming??? where they barely left each other’s side all night???
acxalutelynot: not to mention, quick social media snooping turns up photos of them on lance’s instagram that haven’t been deleted, had the caption changed, or untagged keith

zethridofmyproblems: that show of moving tables at lunch was convincing, unless you noticed them constantly watching each other and constantly texting

sippinganartini: yeah i definitely saw that

dinezor: DSTRRRDNRTK SORRY NARTI

lotoreal: i very nearly asked kogane what was going on today

acxalutelynot: “i very nearly did the thing acxa told me not to do”

lotoreal: i was concerned, is all.

acxalutelynot: yeah and /we/ understand that but /they/ do not

acxalutelynot: and there is /nothing/ to text them about

lotoreal: but on the off chance this /is/ a real breakup…

dinezor: if they broke up for real then i’ll dump acxa

acxalutelynot: i want you to read my username

dinezor: that’s the point: i’m not breaking up with you because THEY DIDN’T BREAK UP, I AM WILLING TO PUT MONEY ON THIS

zethridofmyproblems: i think pidge is running some betting pools actually

dinezor: TELL HER TO DEAL ME IN

zethridofmyproblems > carrierpidgeon

zethridofmyproblems: ezor would like to be dealt into one of your betting pools under the “this is all a charade” side

\[Lanceylance & the Lancers\]

\((1)\) photo from carrierpidgeon

carrierpidgeon: so, um, presumably, their group has also discussed this

lanceylance: oh, great, my favorite people -_-\n
kogayne: at least one(?) of them sees through it???, that’s one bright side???

mattata: is it because they pay attention or because they /stalk you/
kogayne: ...do they stalk us, do you think?

mattata: um yes it’s super obvious

allurable: i wouldn’t say /stalking/ i would just say they’re overly-concerned

hunkerdunker: yes, overly-concerned people who text us out of the blue and somehow know what we’re generally up to

hunkerdunker: s t a l k e r s

shayfromstatefarm: nah, this isn’t actual stalking

shayfromstatefarm: this girl in the neighborhood had a real stalker once, that was /horrifying/, she almost died

shayfromstatefarm: this is just teenagers being weird

carrierpidgeon: internet stalker

takashmeoutside: stalking is a serious issue they are not stalkers please change the subject right now thanks

kogayne: so mothman

carrierpidgeon > zethridofmyproblems

carrierpidgeon: she’s been dealt in

kogayne > lanceylance

kogayne: i miss you

lanceylance: i’m literally sitting across from you but also same

kogayne: i miss friday when i just slept on you and everything was right with the world

kogayne: :( 

lanceylance: stoooonoooot koith i’m gonna cry

kogayne: can we nap together after school

lanceylance: yes!!! yes of course

kogayne: this whole thing has showed me i hate “fighting” with you, i don’t like being mad at you

kogayne: i don’t like being away from you

kogayne: like in the negative way

kogayne: bc i mean codependence is unhealthy
kogayne: but also

lanceylance: yeah no i get what you mean, if we ever broke up it would be awful i probably wouldn’t leave the house ever again and also i’d probably eat my weight in ben & jerry’s and learn every line in star wars bc i’d have nothing better to do with my life

kogayne: >:( do not get into unhealthy coping habits!!!

lanceylance: boi take ur own advice

kogayne: i’ll help you if you help me

lanceylance: deal

lanceylance: ...so i don’t feel like talking to the group chat, what should we talk about

kogayne: [ryan bergara voice] are ghosts real

lanceylance: i feel like every time you and pidge go cryptid hunting you aggressively act out buzzfeed unsolved

lanceylance: she’s a really short female shane and you’re ryan

kogayne: that actually happens an embarrassing percent of the time, yes, you would be correct

kogayne: but are ghosts real, lance

lanceylance: yes, ghosts are definitely real

lanceylance: and bigfoot

lanceylance: and nessie

lanceylance: BUT

kogayne: oh no

lanceylance: the line has to be drawn somewhere

kogayne: OH NO

lanceylance: [leans in real close]

kogayne: i wish u would irl

lanceylance: too bad i have to pretend to hate u irl shut up stop interrupting

kogayne: okay go on

lanceylance: [leans in so close that ur probably getting turned on]
kogayne: is this necessary

lanceylance: [whispering] mothman isn’t real

kogayne: TAKE IT BACK YOU DICK

lanceylance: HE’S NOT REAL KEITH

kogayne: THAT’S IT WE’RE BREAKING UP

lanceylance: [throws hand over forehead] HOW TRAGIC, THIS IS THE WORST DAY OF MY LIFE, I WEEP FOR WHAT HAS BEEN, AND WHAT COULD HAVE BEEN [dies]

kogayne: i feel like you’ve definitely done that before

lanceylance: a long time ago, in a group chat far, far away

kogayne: opinion on jar jar binks

lanceylance: keith i swear to fuck if you feel that annoying motherfucker had any place being in star wars i will kick your ass

kogayne: I HATE HIM RELAX YOU KNOW THIS

lanceylance: good

lanceylance: i’m too tired to kick ur ass

kogayne: shhh just one period left, then we can nap together

kogayne: in that hippo blanket

lanceylance: do u like it

kogayne: i fuckign love it

lanceylance: oh good bc do you know how long it took me to find

lanceylance: why do you even like hippos so much

kogayne: i saw one at the zoo once when i was like, 6, and it blepped at me and it was all downhill from there

lanceylance: do hippos even blep

kogayne: this one did, i loved it, i still love it, i wonder if it’s doing okay

kogayne: shit there’s the bell

lanceylance: u hippo-loving mullethead

lanceylance: love youuuuuuuuuuuuuuuuuuuuuu

kogayne: love you too, who’s walking out the
kogayne: door first

kogayne: well that settles that

Lanceylance & the Lancers

carrierpidgeon: well.

carrierpidgeon: it’s the end of the day, and a large portion of the school still thinks you two broke up.

carrierpidgeon: you made it an entire day, color me impressed.

kogayne: yeah i’m surprised too, i thought lance would break under the pressure

lanceylance: excuse me mr “i miss you i wanna nap on you aaaaa i miss laaaaaaaaaaance”

kogayne: stfu mcclain

shayfromstatefarm: any estimates on how much richer you’re going to be

carrierpidgeon: i’m looking at $673 at the very least

hunkerdunker: ohmy gdo

lanceylance: PIDGE WHAT THE FUCK

takashmeoutside: if the office catches you you could get suspended or expelled

carrierpidgeon: good thing the office is a shitshow and i don’t plan on getting caught!!

allurable: my question is: you’re friends with lance and keith, why did so many people bet against you

carrierpidgeon: students here aren’t always the brightest, i dunno if you could tell

mattata: i’m so proud right now i’m actually crying, my sister just swindled half the school

carrierpidgeon: :P

carrierpidgeon: can’t wait for the dramatic reveal tomorrow

lanceylance: can you tape it for us

lanceylance: well i mean it’ll happen multiple times bc obviously we see everyone at different points in the day, BUT

kogayne: film our dramatic entrance into the school carrying coffee

lanceylance: and then edit it so it goes in slow motion

kogayne: throw some cool music over it and some nice camera pans and zooms
carrierpidgeon: you two are lucky i enjoy our friendship and also fucking with people

carrierpidgeon: ...but not like fucking-fucking

carrierpidgeon: fuck fucking-fucking

kogayne: ...what

carrierpidgeon: [cups hands around mouth] I’M A NON-FUCKING ASEXUAL

kogayne > lanceylance

kogayne: this was simultaneously one of the worst and one of the most interesting mondays ever

kogayne: hurry up, i’m lonely

lanceylance: yeah yeah i’m here, i couldn’t text back bc i was driving and being responsible

lanceylance: you in your room?

lanceylance: oh look, there you are at the door

Chapter End Notes

y’all didn’t really think lance would cheat on keith, didja

(how many of you had heart attacks upon opening this chapter) (this chapter was the result of a random idea i got in the shower that i decided to run with for shits and giggles)

anyway, off to do other things, like homework and work on sgd
I FORGOT TODAY WAS ELECTION DAY

Chapter Summary

the writer forgot today was election day aka the group has a day off from school aka shenanigans, ft. klance, holt sibs, broganes, hunay, and shalluratt, also ft. light team forest fire

Chapter Notes

the dramatic reveal is happening!!!!!!!! in tomorrow's chapter!!!! I FORGOT IT WAS ELECTION DAY I'M SORRY I DIDN'T HAVE SCHOOL AND THIS FIC IS HAPPENING IN REAL TIME

anyway someone asked what allura, matt, and shiro did for a living, that question gets answered :)

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: i completely forgot that we had today off, i was looking forward to pissing off everyone this morning

lanceylance: gotta love election day, fucking everything up as usual

kogayne: well, i mean, not /everything/

lanceylance: mmmmmmmmmmmmmm????

kogayne: wanna spend today making up for lost time yesterday?

lanceylance: !!!!!!!!!! YES

lanceylance: i missed you so much yesterday

kogayne: ugh me too, and you SHOVING PIZZA DOWN YOUR THROAT WASN’T HELPING

lanceylance: :) can’t help it, gotta make you flustered, it’s part of the Boyfriend Package

lanceylance: wanna know what else is part of the Boyfriend Package ;)))

kogayne: L A N C E

lanceylance: answer: a whole bunch of cuddles, i’m coming over!!!
lanceylance: do you want coffee

kogayne: yes

kogayne: bring your homework, too

kogayne: BRING YOUR CALC STUFF, YOU ARE LEARNING TODAY

lanceylance: uuuuuuuuuuuugggggggghhhhhhh fiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiine

kogayne: lance mcclain you are going to pass calculus whether you like it or not

kogayne: i will make you know this material or die trying

lanceylance: better call the funeral home now, i’ll pick out your casket

lanceylance: don’t worry, i’ll give you a great eulogy

kogayne: just get your ass over here

lanceylance: love ya babe~

carrierpidgeon > mattata

carrierpidgeon: I’M BOOOOOOOOOOOOOOOOOOOOOOOOORED

mattata: do your homework

carrierpidgeon: i did it all yesterday so i wouldn’t have to do it today

mattata: take a nap

carrierpidgeon: a waste of daylight hours

mattata: it’s cloudy as fuck

carrierpidgeon: semantics

carrierpidgeon: ughhhhh allura’s doing stuff for her dad, you’re working for ONCE

mattata: yes and i want Death

mattata: “excuse me, do you know what aisle i can find condoms in? you look like you’d know”

carrierpidgeon: DID SOMEONE ACTUALLY SAY THAT TO YOU

mattata: a 50-something-year-old with a goatee and a stringy little ponytail, who then wINKED AT ME

carrierpidgeon: EW EW EW EW EW

mattata: this is a fucking target, sir, not walmart, shave your face and stay the fuck away from me
mattata: the worst part is

mattata: i was restocking shelves

mattata: they were literally in the next aisle over, he just had to walk two feet and OPEN HIS DAMN EYES

mattata: i am a college graduate with an engineering degree i should not be stuck working in a target, FUCK THE ECONOMY

mattata: is your school hiring

carrierpidgeon: how the fuck should i know

carrierpidgeon: besides, you’d need to go back to college for a teaching degree before you can even consider

mattata: MOTHER OF FUCK I’M STILL NOT DONE PAYING STUDENT LOAN DEBT

carrierpidgeon: how many times has allura offered to cover you

mattata: I WILL NOT TAKE HER MONEY, I’M THOUSANDS IN DEBT, SHE CAN’T JUST DO THAT FOR ME

carrierpidgeon: okay then jeez calm down

carrierpidgeon: why don’t you ask mom and dad if their company has a position open

mattata: don’t you think i’ve tried that

mattata: that’s what i was banking on through college, but there’s been NOTHING

mattata: BECAUSE DAD’S GENERATION HAS ALL OF THE JOBS I’M APPLICABLE FOR

mattata: AAAAAAAAAAAAAAAAAAAAAAAAA THIS IS THE REASON MILLENNIALS HATE EVERYTHING

carrierpidgeon: at least you’re not shiro?

mattata: i will take shiro’s dead-end restaurant job over this shithole any day

carrierpidgeon: but you have the better benefits and insurance

mattata: BUT THE WEIRDOS I DEAL WITH ON A DAY-TO-DAY BASIS

carrierpidgeon: yeah, but you’re not a homeowner raising a teenager by yourself, trying to get him into college

carrierpidgeon: ...wow do you think this is why shiro’s depression gets super bad some days

mattata: pidge you are killing my mood, please change the subject

mattata: yes, it probably is, but please
mattata: so what have you been doing all day

carrierpidgeon: i beat my high score on this level of space defenders four times in the last two hours

carrierpidgeon: i wanted to hang out with the Teens™ but hunk and shay are off helping shay’s uncle with some project, and lance and keith are doing calculus, i think

carrierpidgeon: they’re probably actually just making out but i was told the plan was calculus

mattata: go visit shiro at the restaurant then

carrierpidgeon: dontcha think he’ll throw me out

mattata: not if you sit quietly and order some food so you’re not loitering

carrierpidgeon: i’m broke, i don’t get my cash flood until tomorrow

carrierpidgeon: i mean there’s money i have stashed but shhhh that’s for christmas gifts

carrierpidgeon: also, i have no means of getting there

mattata: don’t you have friends your own age to hang out with?

carrierpidgeon: ...sort of? ish? not really friends, just more like “kids i have class with that sometimes i text about homework”

mattata: what are you gonna do when hunay and klance go off to college next year

carrierpidgeon: :( i don’t know

carrierpidgeon: maybe if i start doing extra coursework outside of school and work my ass off then i can graduate early

carrierpidgeon: even if it’s just one year

mattata: i have no doubt you’re capable, but why would you rush getting into college

mattata: why would you throw away your high school experiences

carrierpidgeon: i don’t really like high school???? and i’m too smart for the kids in my grade

carrierpidgeon: i’m not exaggerating, i’m on track to be valedictorian

carrierpidgeon: i like schoolwork, i like math and science, all these other kids think i’m weird

mattata: come on, there’s no way you’re the only ultra-nerd in your class

mattata: and what are you gonna do when you join the workforce and have to deal with people you don’t like?

mattata: the only reason i get through work is because of my coworkers

mattata: i made friends
mattata: please make some friends

carrierpidgeon: ugh can that wait until next year when i actually have to

mattata: katieee

carrierpidgeon: fine, i’ll give it a go starting tomorrow

carrierpidgeon: there are a few girls in chem that i think might like me

carrierpidgeon: a couple boys too

mattata: THAT’S THE SPIRIT

mattata: and if you come home dating any one of them, run them by me shiro and allura first, mom and dad can wait

carrierpidgeon: at this point i’m probably just gonna marry a robot but aight

takashmeoutside > kogayne

takashmeoutside: please come down to the restaurant before i jump into the dumpster outside and wait for the garbage guys to take me away

kogayne: i’m in the middle of teaching lance how to do derivatives with log functions, can this wait

takashmeoutside: keith i’m dying

kogayne: stop being so dramatic

takashmeoutside: we’re so dead today it’s not even funny, i don’t even know why i’m on the schedule, there are three of us here and it’s three too many

kogayne: chill out

takashmeoutside: keeeeeeeplease even just order some takeout and come pick it up

kogayne: no

takashmeoutside: fine i’ll just ask lance

kogayne: YOU ARE DISTRACTING HIM FROM LEARNING

kogayne: if he doesn’t pass calc then he doesn’t get into the garrison school at arus and then he might not even go to arus and then we can’t be roommates and we’ll both be depressed and our lives will be ruined forever

kogayne: do you want to ruin my life, granola bar

takashmeoutside: KEITH PLEASE, JUST TAKE A BREAK FOR A LITTLE WHILE, I’LL MAKE YOU GUYS SOME REALLY GOOD SAUSAGE AND PEPPER GRINDERS, PLEASE JUST COME DOWN HERE BEFORE I DIE OF SHEER BOREDOM
kogayne: you are so dramatic why are you being like this

kogayne: ...are you having a Day

takashmeoutside: no i’m just really fucking bored and you’re the only person i can text who has the ability to come down

kogayne: [long sigh] we’ll be there soon, i want extra sausages

takashmeoutside: you would

kogayne: SHUT THE FUCK UP

kogayne > carrierpidgeon

kogayne: shiro’s demanding i come to the restaurant because he’s bored

kogayne: wanna come with me and lance

carrierpidgeon: YES PLEASE I’M SO BORED I HAVE NOTHING TO DO

kogayne: we’ll be over soon

carrierpidgeon: THANK YOU SO MUCH HOLY SHIT

carrierpidgeon: KEITH YOU’RE MY SAVIOR

kogayne: yeah yeah i know

hunkerdunker > shayfromstatefarm

hunkerdunker: so your uncle’s coffee shop is gonna be right across the street...from where shiro works

shayfromstatefarm: wait what?

hunkerdunker: look out the window, look at who just parked on the side of the road

shayfromstatefarm: :O

shayfromstatefarm: whoa this is wild

shayfromstatefarm: this is almost like a cheesy fanfic scenario

shayfromstatefarm: next thing you know lance and keith apply for jobs here

hunkerdunker: it’s kinda sad tbh

shayfromstatefarm: ????

hunkerdunker: shiro has like 3 degrees in advanced fields and he works in a restaurant
**hunkerdunker:** he has so much potential and yet,

**shayfromstatefarm:** maybe we can convince him to quit over there and come work over here

**shayfromstatefarm:** omg let’s rope allura and matt into it and just make it all of us, make this a strictly family affair

**hunkerdunker:** aw we’re all your family?

**shayfromstatefarm:** HECK YEAH

**shayfromstatefarm:** i talk to my grandma all the time about you guys, she loves you guys

**shayfromstatefarm:** she’s still waiting on something homecooked from you

**hunkerdunker:** :D

**shayfromstatefarm:** “just so i can learn how to make it and do it better”

**hunkerdunker:** D:

**shayfromstatefarm:** i feel like you and her would get along

**shayfromstatefarm:** ...i’m getting so many ideas for thanksgiving and christmas

**hunkerdunker:** does it involve combining our families and me and your grandma being the dream team in the kitchen

**shayfromstatefarm:** YES

**hunkerdunker:** SIGN ME UP I’M SO DOWN FOR THIS

**shayfromstatefarm:** aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAA I’M SO EXCITED i love thinking about the holidays, i get all warm and fuzzy inside and aaaaaaaaaaaaaaaaa i feel like i’m gonna explode

**hunkerdunker:** hold on i’m coming back to the front i’m coming armed with HUGS

**shayfromstatefarm:** HUNK HUGS ARE THE BEST HUGS

<3

**allurable:** I’M FINALLY FREE

**allurable:** paperwork is exhausting, why did i go into law

**mattata:** “i’m gonna follow in my father’s footsteps and also there’s money here”

**takashmeoutside:** hey you’re doing better than matt and me

**takashmeoutside:** i had to literally /beg/ keith to show up at the restaurant, and he shows up with lance and pidge
mattata: oh good, pidge found something to do today, she was complaining that she was bored

mattata: so what are you all up to now

takashmeoutside: my shift doesn’t end for another two hours

mattata: lucky asshole, i’m not out for another three

takashmeoutside: sUCKS TO SUCK, HOLT

mattata: ...but /does it/

takashmeoutside: there are words i have typed and regret

allurable: okay cool, so i’ll go home for an hour, visit shiro for an hour, and then both of us can go harass matt for an hour

allurable: and then we can all go do something together

takashmeoutside: i propose we all nap together because i am dead

mattata: i wish i was dead

takashmeoutside: :( 

mattata: in the Dramatic sense

mattata: did pidge tell you about condom guy

allurable: ...wait, is he the guy with the goatee and the greasy ponytail

mattata: wait how do you know

allurable: i was in the store like three weeks ago just minding my business and he asked me where to find some, bc i made the mistake of wearing red that day

mattata: ...OH MY GOD THEN...EW I’M CALLING MANAGEMENT

mattata: HE ASKED ME TODAY WHERE TO FIND THEM AND THEN TOLD ME I’D “LOOK LIKE I’D KNOW” LIKE???

takashmeoutside: maybe bc you were wearing a target employee’s outfit

mattata: HE WINKED AT ME AFTER

mattata: i want to take a bath in holy water

allurable: HE WINKED AT ME TOO

mattata: WHO EVEN IS HE

allurable: I DON’T KNOW

takashmeoutside: call your fucking manager what the fuck???
mattata: AAAAAAAAAAAAAA OLIA BETTER COME THROUGH FOR ME, I’M NOT DEALING WITH THIS WEIRD Fucker EVERY TIME HE WANTS TO DO THE DIRTY

mattata: ALLURA WHY DIDN’T YOU SAY SOMETHING SOONER

allurable: THERE WAS A LOT GOING ON THAT DAY, SHIRO WAS HAVING A DAY™ AND WE NEED TO HELP HIM

takashmeoutside: YOU STILL SHOULD’VE SAID SOMETHING

allurable: SHHHHHHHHHHHH YOU NEEDED REST NOT MORE STRESS

allurable: but honestly i was so taken aback like?? he looked like the kind of guy you’d find in the woods drunk at 2 AM screaming about the second amendment

mattata: H O N E S T L Y

allurable: like??? go shop at walmart??????

mattata: THANK YOU

takashmeoutside: part of me regrets quitting my target job after college and part of me is grateful

takashmeoutside: we all know i could use those employee benefits but honestly we don’t get people like that in the restaurant

takashmeoutside: ESPECIALLY TODAY WHEN THERE’S LITERALLY NO ONE IN THE RESTAURANT

takashmeoutside: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

allurable: maybe you should like, consider going back to target? or getting a different job??

mattata: PLEASE COME BACK TO TARGET I’M SO LONELY AND THERE’S THIS GUY WE’RE ALL COVERTLY TRYING TO GET FIRED

allurable: ??? you’ve never told us this before

mattata: his name is sendak, we all call him sendick because he’s a dick

takashmeoutside: HE WORKED THERE WHEN I WAS STILL THERE, REMEMBER

takashmeoutside: HE HATED ME

mattata: HE HATED /US/

mattata: HE STILL HATES ME

mattata: AND HALF OF MY COWORKERS

mattata: ON THE BRIGHT SIDE, HE’S ONE STRIKE AWAY FROM GETTING FIRED

allurable: i know how we can get him fired
mattata: ...oh no

allurable: oh yes

takashmeoutside: if i end up in the police station allura i swear

allurable: SUMMON KLANCE.

allurable added lanceylance, kogayne, mattata, and takashmeoutside to Operation: Fire Sendak

kogayne: WE JUST GOT BACK TO CALCULUS ARE YOU KIDDING ME

lanceylance: HI ALLURA WHAT’S UP PLEASE SAVE ME FROM DERIVATIVE HELL

allurable: what are you two doing after school tomorrow?

lanceylance: uhhh there’s no gsa...keith, you have anything going on?

kogayne: the group chat name makes me very tempted to lie

kogayne: but no, i’m free, why

mattata: we’re trying to get shiro out of his restaurant job and back at target, but we need an open position first, and there’s an asshole here one incident away from being fired

kogayne: oh, sendak

kogayne: the name of the guy in the group chat

kogayne: aka the same guy who told me when i was 14 that i’d never get a girlfriend after he caught me looking at some cryptid books

kogayne: joke’s on him but anyway yeah he’s an asshole

lanceylance: ntrentjrejfwne you were out when you were 14, weren’t you

kogayne: yeah i was, couldn’t he smell the homosexual radiating off of me

takashmeoutside: why are you like this

kogayne: i’m really fucking gay for lance

kogayne: anyway

kogayne: that’s why you added me and lance here, isn’t it

allurable: you two are the biggest troublemakers we know, we need you to find a way to make sendak angry enough to wrongfully explode

kogayne: ah

lanceylance: EXCUSE YOU I AM SO RESPONSIBLE
kogayne: you took a sword from the halloween section and tried to fight paul, and then almost got stuck in a freezer

lanceylance: ...so yeah anyway i can be of assistance

allurable: GREAT! all you need to do is show up to target tomorrow during matt’s shift and be obnoxious!!

lanceylance: make out with keith in as many disgusting ways as possible, got it

kogayne: LANCE

lanceylance: OR we can sword fight, there’s gotta be lightsabers in the toy section, the last jedi is coming

lanceylance: hey keith wanna go on a date when the last jedi comes out

kogayne: yeah but idk if we should go to the midnight screening, it’s gonna be packed and i don’t like crowds

lanceylance: that’s fine, but we’re seeing it before it’s out of theaters

kogayne: oh of course

lanceylance: anyway, lightsaber fight?

kogayne: dibs on sith

lanceylance: you’d be such a hot sith ngl

takashmeoutside: I REGRET THIS GROUP CHAT

mattata: ah, young love

lanceylance: if i can’t flirt and make him flustered every day for the rest of our lives and let him know how much i adore him

lanceylance: THEN WHAT, PRAY TELL, IS THE /FUCKING POINT/

takashmeoutside: YOU ARE LITERALLY IN THE SAME ROOM, /TALK TO HIM/

kogayne: oh he is

lanceylance: keith is so red right now like

takashmeoutside: LANCE

allurable: shhhh children thank you for your time, go back to calculus now

lanceylance: ahhh, tomorrow’s gonna be such a big day

lanceylance: the dramatic reveal, getting sendak fired, spending time being obnoxiously in love with keith, i’m so hyped
**kogayne:** sorry what was that third one

**kogayne:** didn’t hear it

**lanceylance:** i’m gonna cuddle the shit out of you in front of everyone tomorrow

**takashmeoutside:** [throwing tangent lines and third derivatives] BE GONE, THOT

**lanceylance:** FIGHT ME SHIRO

**kogayne:** okay starboy, let’s get back into it, you have log functions waiting

**lanceylance:** remember me as i once was, a free-spirited, beautiful soul

**lanceylance:** because calc is gonna fUCKING KILL ME

**kogayne:** smh

hunkerdunker: aaaand warning bell, off to class

takashmeoutside: damn

allurable: lance did NOT MINCE WORDS
kogayne: that’s my boyfriend, i’m so proud of him :)

takashmeoutside: keith is a bad influence that’s it we need to stage an intervention

lanceylance: um did you not watch that video

lanceylance: never talk to me or my husband ever again

kogayne: :) :) :

kogayne: bye shiro

takashmeoutside: BOI

takashmeoutside: boi don’t test me

kogayne: i do what i want

takashmeoutside: pay attention in class????????????

kogayne: I DO WHAT I WANT

carrierpidgeon: i stg if lance says something that keith immediately agrees to

lanceylance: ...WELL NOT ANYMORE

shayfromstatefarm: LET LANCE BE A GOOD INFLUENCE

shayfromstatefarm: go ahead lance

lanceylance: THANK YOU, SHAY

lanceylance: KEITH PUT YOUR PHONE DOWN LET’S DO THIS MBTI STUFF SHALL WE

hunkerdunker: WE’RE DOING MBTI STUFF IN PSYCH??

lanceylance: hell yeah, today we’re predicting what our type is gonna be and tomorrow we’re spending the whole period taking quizzes

kogayne: antok is teaching it in the basic way

kogayne: like “are you an introvert or extrovert, are you a sensor or feeler” but i /really/ hope he gets into the cognitive functions later on this week
takashmeoutside: WHY ARE YOU ON YOUR you know what i give up

carrierpidgeon: ANTok’S DOING IT THE WRONG WAY ARE YOU SHITTING ME

kogayne: and i mean, even the personality tests we take won’t be 100% accurate, but whatever

kogayne: and now that shiro has admitted defeat i’ll see y’all after class

takashmeoutside: WHAT THE SHIT

mattata: he even pulled out southern keith

lanceylance: (you’re welcome shiro >;) )

takashmeoutside: i can’t believe

takashmeoutside: no scratch that, i can believe they’d double-team me like that, they already played the whole school

lanceylance: >;)))) see y’all after psych

allurable: ...is that...southern lance…

mattata: AHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA

carrierpidgeon: what the fuck did we just witness

takashmeoutside: i feel like we’ve entered an alternate universe

allurable: you know those places where reality feels slightly distorted

mattata: like a highway rest stop

takashmeoutside: my room at 5 AM

carrierpidgeon: playgrounds at night

shayfromstatefarm: galleries in art museums that are empty except for you

hunkerdunker: bowling alleys

allurable: REGFJRTESHRN YOU HEATHENS I’M GETTING CHILLS BUT ANYWAY YES, THIS FEELS LIKE /THAT/>

takashmeoutside: what is /happening/

lanceylance > kogayne

lanceylance: SO I KNOW WE JUST SAW EACH OTHER LAST PERIOD BUT I’M FREAKING OUT
kogayne: what’s wrong???

lanceylance: IT SORT OF JUST HIT ME THAT WE REALLY DID THAT

lanceylance: WELL LIKE, I DID THAT

lanceylance: I TOLD OFF PAUL AND IT’S GONNA COME BACK AND BITE US IN THE ASS

lanceylance: I DIDN’T THINK IT THROUGH IT JUST KINDA HAPPENED AND

kogayne: hey hey hey it’s alright, it’s alright

lanceylance: [deep breath]

kogayne: that’s it

lanceylance: 

kogayne: that’s not it

kogayne: listen, personally, i think shay was wrong, i don’t think this is gonna come back and bite us

kogayne: we made our point in front of everyone

kogayne: i don’t think paul and co will be trying any shit any time soon

kogayne: and if they do then they’re gonna be after /both of us/ and you know i’ve always got your back

kogayne: literally and figuratively

lanceylance: are you sure????????????

kogayne: not 100% but i’m not sweating it

kogayne: we did what we had to do

kogayne: someone had to put him in his place, it just happened to be us

lanceylance: i just

lanceylance: i don’t want him going after you

kogayne: you’d think he’d stop going after me by now

kogayne: anyway

kogayne: it’s alright, i can handle him

kogayne: granted i don’t end up in zarkon’s office again, but with this whole investigation, i’m,, not as worried as i was, say, a month ago
kogayne: besides, i’ve got you with me, right? :)

lanceylance: :)

lanceylance: you make me feel braver, you know

lanceylance: i don’t think i would’ve been able to tell him off if you weren’t there

kogayne: you’re plenty brave on your own

lanceylance: well, then you help to bring it out

lanceylance: i’m so glad i have you

kogayne: me too

kogayne: i love you

lanceylance: :) love you too babe~ ;)

Lanceylance & the Lancers

carrierpidgeon: it’s third period and

carrierpidgeon: i have made

carrierpidgeon: $842 dollars

allurable: 842 dollars dollars

carrierpidgeon: shut up

allurable: grounded

carrierpidgeon: you can’t tell me what to do

takashmeoutside: smh she’s spent too much time with keith

lanceylance: I HEARD KEITH I’M HERE

lanceylance: …where’s my boyfriend

takashmeoutside: hopefully doing calculus so he can teach it to you later

lanceylance: ahhh, ryner’s class

lanceylance: i fucking hate that class

lanceylance: also can someone tell paul to stop staring at me, it’s weird

kogayne: I HEARD LANCE IN DISTRESS

takashmeoutside: honestly what the fuck
kogayne: SHOULD I COME DOWN TO THACE’S CLASS AND MAKE A POINT

lanceylance: no, thace is giving me the look like “don’t you dare have kogane come into this room /again/ mcclain i heard about your shenanigans”

shayfromstatefarm: ...those are a lot of words to gather from just one look

lanceylance: i may be exaggerating

hunkerdunker: that seems more accurate

kogayne: /please/ i’m one of thace’s favorite students, and we’ll never be as bad as shiro and matt were

kogayne: we’ve only ever /cuddled/ in a wood closet

takashmeoutside: KEITH DO NOT FINISH THAT THOUGHT

kogayne: MEANWHILE MATT AND SHIRO

takashmeoutside: KEITH

mattata: :)))))

takashmeoutside: what is with everyone today

takashmeoutside: asking for real

carrierpidgeon: i’m getting rich

carrierpidgeon: watch out tangerine man, i’m coming for you

<3

takashmeoutside: WHY ARE THE TEENS™ ACTING LIKE THIS

mattata: \_\_(ツ)_/\

allurable: hormones

takashmeoutside: they’re acting weirder than usual

takashmeoutside: i am their father and i am Confused

mattata: it must be bad, you’ve accepted that you’re their dad

mattata: thus, i must accept my role as Daddy

allurable: and i guess it’s time to be mom

allurable: but before we jump back into the main chat, let’s think about this
allurable: root causes, who’s actually acting out
mattata: hunk and shay seem to be acting pretty normal
allurable: pidge is getting money, she thinks she’s invincible
mattata: it also might be Glittery Florida Time
allurable: ah

takashmeoutside: what

(1) video from allurable

allurable: reference to this
takashmeoutside: ah

takashmeoutside: as long as i’ve known her, she’s never called it that
mattata: i told allura about it once while she was watching pidge, i forget what we were busy with
takashmeoutside: well, that clears that up
takashmeoutside: back to the topic at hand

allurable: lance and keith had the confrontation this morning, i’m willing to put money on that being the root cause of their...strangeness
takashmeoutside: okay so then here’s the plan

allurable: you haven’t been authoritative in 500 years, i’m impressed
mattata: i’m more than impressed :))))))
takashmeoutside: this is why we can’t have nice things
takashmeoutside: allura, you see what’s up with lance, matt you take pidge, and i’ll take keith
mattata: ugh i have to text the Gremlin
mattata: time to see how much money i can get out of her

mattata > carrierpidgeon

mattata: HELLO DEAREST SISTER OF MINE, WHY ARE YOU KEITH AND LANCE BEING FUCKING WEIRD
carrierpidgeon: that wasn’t subtle at all
carrierpidgeon: idk why you think i’m being weird, this is normal
carrierpidgeon: also, you’ll get like, 10% of whatever cash i make bc i’m making BANK

mattata: is there glitter in miami

carrierpidgeon: ...maybe

mattata: thought so

mattata: you’re never nice to me without me prompting

carrierpidgeon: excuse me yes i am i’m the best sister

mattata: whatever helps you sleep at night kiddo

carrierpidgeon: >:| your cut is getting reduced to 5%

mattata: GREMLIN

carrierpidgeon: could be worse, i could make it some awful number like 7%

mattata: THAT’S NOT SIMPLE MATH YOU STOP THAT

carrierpidgeon: YOU’RE A NERD DO THE NERD CALCULATIONS NERD

mattata: YOU’RE A NERD TOO WTF

carrierpidgeon: YEAH SO I CAN CALL EM WHEN I SEE EM HAVE FUN WITH 7% TITAN

allurable > lanceylance

allurable: is everything okay

lanceylance: ….what’s this about

allurable: you’ve been acting weird today

allurable: like, not-yourself weird

allurable: more so than usual

lanceylance: i’m kinda on edge

lanceylance: and regretting this morning

lanceylance: just overthinking as usual

allurable: :( 

allurable: why

lanceylance: i feel like paul’s gonna retaliate and it’s gonna be worse than ever before and he’s
gonna target Keith and Keith is gonna end up having a panic attack or breakdown

**lanceylance:** so Bravado Lance is just... here to lighten things

**lanceylance:** and also i’m trying not to crack in front of everyone else at school, this is the most badass i’ve ever been

**allurable:** lance don’t sacrifice your well-being for a temporary facade

**allurable:** have you talked to Keith??

**lanceylance:** he’s the first person i talked to

**lanceylance:** he said he’s not sweating it so realistically i shouldn’t be either but :(((((( i’m worried about him like all the time

**allurable:** it’s okay

**allurable:** it’s natural to want to protect him

**allurable:** if he isn’t worried, you shouldn’t be either, but seeing as you are, try to channel your anxious energy into something positive

**allurable:** ...besides sassing Shiro

**lanceylance:** i’ll do my best

**lanceylance:** thanks allura

**allurable:** any time

**allurable:** if you wanna talk i’m here

---

`takashmeoutside > kogayne`

**takashmeoutside:** so,

**kogayne:** i’m still riding the high of us telling off paul and watching him look as though someone just shoved him off a cliff and flipped him the bird as he fell

**takashmeoutside:** ...keith what the /fuck/

**kogayne:** and now Lance is anxious and watching him be anxious is like watching a puppy cry and i don’t like it

**takashmeoutside:** care to elaborate

**kogayne:** he’s worried that crusty fucker is gonna come at me again

**kogayne:** SHIRO I LOVE THIS BOY SO MUCH WHY CAN’T HE SEE THAT

**takashmeoutside:** he loves you just as much, that’s why he’s anxious
takashmeoutside: have you actually /talked/ to him about it

kogayne: YES I TRIED AND I THINK HE’S STILL NERVOUS

kogayne: and also,,, sorry for sassing you earlier

kogayne: i still need you

kogayne: please don’t actually take me up on my challenge to kick me out of the house

takashmeoutside: ??? i wasn’t going to??

takashmeoutside: i knew you were exaggerating, relax

takashmeoutside: i’d never kick you out, no matter how insufferable you are some days

kogayne: hhhhhhh

takashmeoutside: shhh shh it’s okay, take some deep breaths

takashmeoutside: where are you now

kogayne: fourth period started like ten minutes ago, i’m with thace

takashmeoutside: okay, you pay attention in class, and relax

takashmeoutside: lance’ll be fine, you’ll be fine, we’ll be fine, everything’ll be fine

takashmeoutside: why don’t you start thinking about later, and about getting sendak fired

kogayne: ...THAT’S TODAY

kogayne: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA OKAY I CAN DO THAT, AT LUNCH I’LL TALK TO LANCE

takashmeoutside: you do that

kogayne: i will

kogayne: thanks shiro

shayfromstatefarm > hunkerdunker

shayfromstatefarm: so they’re very enthusiastic about taking down sendak

shayfromstatefarm: when’s a good time to tell them about the coffee shop

hunkerdunker: ¯\_(ツ)_/¯ up to you

hunkerdunker: the real question is: do we do it before or after sendak gets fired

shayfromstatefarm: they’re going to run a man out of a job
hunkerdunker: yeah but sendak is awful

shayfromstatefarm: he still probably has bills to pay

shayfromstatefarm: not to mention he could always sue for wrongful termination

hunkerdunker: ...yeah we better tell them now

*Lanceylance & the Lancers*

shayfromstatefarm: everyone, i’ve got an announcement to make

lanceylance: ARE YOU AND HUNK FINALLY ENGAGED

hunkerdunker: we’re both 17 slow down

hunkerdunker: we’re taking this one day at a time

shayfromstatefarm: no, anyway,

shayfromstatefarm: those of you unemployed or looking for a new job might want to pay attention

kogayne: …?

shayfromstatefarm: so as you know, yesterday, hunk and i were helping my uncle with a project

shayfromstatefarm: he’s opening a coffee shop called Balmera Beans, and he’s looking for employees

shayfromstatefarm: if we get enough people, schedules can be as flexible as need be

shayfromstatefarm: and we’d be keeping it within a familial circle, instead of having to draw on the public

takashmeoutside: YOUR UNCLE OWNS THE COFFEE SHOP ACROSS FROM MY SHITTY JOB

shayfromstatefarm: yes

shayfromstatefarm: and i’ve been looking at employee benefits,,,, they’re not bad

*kogayne > lanceylance*

kogayne: i need to get a job there

kogayne: i swore up and down i’d never do customer service but if it’s for shay’s family i’ll do it

lanceylance: ?????? where’d this sudden fire come from

kogayne: well i mean i got all hyped to take down sendak but then shay brought up employee
benefits and ???

**kogayne:** i was talking to shiro earlier about how i didn’t want him to take me up on the challenge to
kick me out of the house

**kogayne:** and i got thinking about how shiro wanted us to get sendak fired so he could get a job at
target for better pay and benefits

**lanceylance:** and

**kogayne:** ...i am a financial burden, i’ll put it out there

**kogayne:** i’m not gonna make shiro help me pay for college

**kogayne:** ….i need to start those scholarship essays sHIT ANYWAY

**kogayne:** i live under his roof and ???????? his job doesn’t pay him /that/ well

**kogayne:** we’ve only made it this far because of the will, but that’s gonna run out eventually

**kogayne:** i need a job, i’ve been freeloading for years and nOW I FEEL BAD THE MORE I
THINK ABOUT IT

**lanceylance:** i’m sure shiro doesn’t hold anything against you, if it’s any consolation

**lanceylance:** you’re taking what, five ap classes? and have multiple clubs to attend to? and somehow
you’re gonna be valedictorian?

**lanceylance:** i’m sure he understands

**kogayne:** i need this job, lance

**lanceylance:** i’ll apply with you, and hope for the best

**lanceylance:** i mean, i have a feeling we’ll both get hired, there’s probably nothing to worry about
there

**kogayne:**
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

**lanceylance:** yep, that’s it, let it all out before physics

**kogayne:** it’s study hall, can i nap on you

**kogayne:** i really need a nap

**kogayne:** rest

**kogayne:** anything to simulate the sweet release of death

**lanceylance:** ,,babe,

**kogayne:** i know
lanceylance: yeah, of course you can nap on me, let me be your pillow, but pls,,,,, don’t die i need you

kogayne: fine i won’t

kogayne: not yet

lanceylance: you’re forbidden

kogayne: fine

Lanceylance & the Lancers

mattata: i’m already employed, thanks for the offer tho

carrierpidgeon: MY BIRTHDAY’S NOT TILL APRIL, PLEASE

shayfromstatefarm: we don’t open until december

shayfromstatefarm: when holiday shopping season is booming and people are in need of something warm

shayfromstatefarm: even so, i imagine we’ll be needing employees come april

takashmeoutside: 

kogayne: i’ll take up your offer

shayfromstatefarm: i’ll get you an application tomorrow!!

lanceylance: count me in

hunkerdunker: ^^^^^^^

allurable: ah, the kids are growing up

shayfromstatefarm: pidge, we can start you now, we just have to limit your hours

carrierpidgeon: OH WORM??! SLIDE ME THAT APP

Lanceylance & the Lancers

takashmeoutside: shay, thank you for the offer, but i’m still going to look into target

shayfromstatefarm: that’s fine!! if that falls through, just text!!!

mattata: HELL YEAH MY BOYFRIEND’S GONNA GET MY ASSHOLE COWORKER FIRED SO HE CAN COME WORK WITH MEEEE
takashmeoutside: lance, keith, you still up for tonight??

takashmeoutside: ...lance, keith??

(1) photo from hunkerdunker

hunkerdunker: they’re both knocked out

allurable: SLEEP DEPRIVATION, THAT’S WHAT IT WAS!

takashmeoutside: that would explain a lot

hunkerdunker: now you see what shay and i put up with on a daily basis

shayfromstatefarm: seriously they need to start sleeping more

takashmeoutside: remind me to harass keith about it later

kogayne > lanceylance

kogayne: i’m in position, nobody sees me through this rack of star wars onesies

lanceylance: ooh we should buy some, i’ll be r2 and you can be chewbacca

kogayne: you fuckin furry

lanceylance: :O

kogayne: anyway, are you in position

lanceylance: yes sirree

kogayne: is sendak coming

lanceylance: mmmmmmmm as far as i can see he’s still going through the racks

lanceylance: AH HERE HE COMES

kogayne: if we get banned from here and have to go to riverside from now on, we’re blaming shiro

lanceylance: yes absolutely

lanceylance: ALRIGHT, HERE GOES NOTHING

Lanceylance & the Lancers

carrierpidgeon: so what’s the verdict here, is sendak fired, is shiro hired, are you guys banned

kogayne: sendak is not fired

kogayne: and we are one warning away from being banned
lancey lance: HOWEVER

lancey lance: another employee, apparently at her “wit’s end” because of “fucking teenagers these days,” quit

lancey lance: shiro applied

takashmeoutside: waiting on a response

mattata: he’s gonna get hired i can feel it

carrierpidgeon: so what do i have to do to get lance and keith banned

kogayne: pidge what the fuck

carrierpidgeon: don’t talk to me, peasant

lancey lance: i’m having visceral flashbacks to 2012 tumblr, make it stop

shayfromstatefarm: i take it you finished counting your money

carrierpidgeon: $1569 dollars, 7% of which goes to matt, so that’s,...

carrierpidgeon: $109.83 for matt and $1459.17 for me

hunkerdunker: remember when your lowest estimate was like, 700

hunkerdunker: you’ve made double, how do you feel

carrierpidgeon: fantastic tbh

Respecting Women Juice

dinezor: i was just at target and i saw the wildest thing

dinezor: lance and keith were there and got into a massive lightsaber battle, it was pretty impressive

zethridofmyproblems: who won

dinezor: keith

dinezor: lance held his own for a while but keith was doing all these cool moves and he’s better in general and i think lance got flustered

dinezor: kinda like when i look at acxa doing anything ever

acxalutelynot: :|

dinezor: ALSO, GUESS WHO CALLED IT, THOSE FUCKERS STAGED IT

acxalutelynot: yes, you were right, stop rubbing it in
sippinganartini: i heard that the small holt made like, $1500

zethridofmyproblems: yeah, someone at my lunch table was out like, $60

lotoreal: i heard paul morvok hasn’t taken it well

acxalutelynot: can we go one day without bringing down the mood

lotoreal: just saying

lotoreal: i overheard him on my way out of school today, he’s not pleased that he’s been played

dinezor: isn’t he friends with those two kids lance and keith dated before???? that kid named after the candy and whatever his girlfriend’s name is??

dinezor: because i saw them in the hall today, they looked pretty pissed

acxalutelynot: can we just like, stay out of affairs that have nothing to do with us

sippinganartini: yes, i agree

lotoreal: we have an alliance, acxa. a deal’s a deal.

acxalutelynot: they don’t even /want/ the alliance i think they just said yes out of pity

lotoreal: whether or not you’re with me, i’m going to monitor the situation

dinezor > acxalutelynot

dinezor: for a guy who said he didn’t want friendship with those guys, lotor’s sure trying hard to be their friend

acxalutelynot: “mutual agreement of protection and an open, amicable flow of information!! but not friendship!!”

dinezor: smh

dinezor: i still don’t know how we ended up friends with him

acxalutelynot: some days i wonder how we’ve made it this far

lanceylance > kogayne

lanceylance: gnight starlight

kogayne: gnight starboy

lanceylance: i love you and you’re not a burden on anyone so i hope you go to bed knowing how much you mean to me
lanceylance: my life would suck without you i love you with all my heart

kogayne: why are you trying to make me cry before i go to sleep you asshole

lanceylance: wipe the tears on your face they’ll clean your pores, trust me it works

kogayne: L A N C E  WTF

lanceylance: :) GOOD NIGHT

kogayne: i love you too, don’t put yourself down and beat yourself up over things you can’t undo, the past is in the past and we can only move forward, and in our case we’ll be moving forward together, don’t you ever forget that

lanceylance: YOU DICK

kogayne: PAYBACK

lanceylance: <3

kogayne: <3

Chapter End Notes

next chapter contains my/my friend's personal myers-briggs typing for the paladins don't @ us we tried our best
the squad takes the mbti test and other shenanigans

Chapter Summary

it's exactly what the title says

Chapter Notes

so i typed the paladins and by that i mean i talked with my friend beatrice about it and consulted the internet and did some light reading to see what best fit everyone in my personal opinion. also these are going by the show, and not necessarily their personalities in this fanfic, sopls don't come at me if u disagree. (shay, matt, and allura were the hardest to type, i feel like u could give shay anything and make a decent argument, but anyway)

here's the chapter, it's 3:22 i'm going to bed

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: good morning sunshine!!

kogayne: you’re in a good mood

lanceylance: i had a dream and you were there and we were in space on a date in a space mall, it was great

lanceylance: until you found a knife shop and got into a fight with the owner because he tried to swindle you and you weren’t having it, and we got chased out by security

kogayne: ...you know what, as long as you’re happy this morning

lanceylance: we should go on a date soon

kogayne: saaaaaaturday? when the girls are at the mall?

kogayne: unless you had something in miind?

lanceylance: :O YOU WANNA DO AN ESCAPE ROOM, JUST YOU AND ME??

kogayne: let’s do it

kogayne: is there a space-themed one

lanceylance: ...MAYBE
Lanceylance: you wanna do it, don’t you

Lanceylance: I’VE HAD MY EYE ON IT SINCE THE LAST TIME WE WENT TO THE MALL AND HONESTLY I’VE BEEN WAITING FOREVER TO ASK YOU BUT I THOUGHT YOU WOULDN’T WANNA DO IT

Kogayne: we both like space

Lanceylance: YEAH BUT I DIDN’T THINK YOU’D WANNA DO AN ESCAPE ROOM I MEAN EVENTUALLY I GOT OVER IT BUT ANYWAY YEAH LET’S DO IT SATURDAY

Kogayne: imagine if we run into the girls

Lanceylance: dfersisdjgrejddksjh we’ll have to avoid them, i don’t want them thinking we’re stalking them

Lanceylance: anyway do you want coffee

Kogayne: yeah, can you pick me up before you go and we can go together

Lanceylance: sure!!

Lanceylance & the Lancers

(1) link from Lanceylance

Lanceylance: IT’S MYERS-BRIGGS DAY FUCKERS

Lanceylance: TAKE THIS AND TELL ME WHAT YOU GET

Carrierpidgeon: ooh, new info for the spreadsheet

Takashmeoutside: for the what

Carrierpidgeon: ...nothing

Mattata: for the /what/

Kogayne: you saw nothing

Takashmeoutside: wh

Takashmeoutside: YOU KNOW WHAT SHE’S TALKING ABOUT?

Kogayne: uhh no

Carrierpidgeon: :)

Kogayne: :)

Lanceylance: don’t question it, i find it better that way
lanceylance: anyway shut up and take the quiz

carrierpidgeon: i’m an intp, i’ve known that for a while

carrierpidgeon: i tried to type all of you but obviously results directly from yourselves would be best

carrierpidgeon: also take multiple tests, do some reading:

(3) links from carrierpidgeon

allurable: oh boy

Lanceylance & the Lancers

kogayne: i’m an isfp, apparently

carrierpidgeon: i can see it

lanceylance: i’m an esfp!!!

mattata: you’re like the same person but one of you is an introvert

carrierpidgeon: NO THEY HAVE A DIFFERENT COGNITIVE STACK SHUT UP MATT

carrierpidgeon: i mean yeah okay they are pretty similar but their cognitive stacks are DIFFERENT

kogayne: close enough \_(ツ)_/¯

lanceylance: what’s everyone else’s type come on you slowpokes

carrierpidgeon: yeah come on i wanna psychoanalyze everyone

takashmeoutside: infj

carrierpidgeon: of course shiro, perfectionistic little shit, gets the rarest type

mattata: hey i’m an enfj

shayfromstatefarm: leave it to the broganes to match almost completely with at least one s/o

shayfromstatefarm: also i’m an infp

allurable: yike i’m an estj, complete opposite

hunkerdunker: i’m almost the same as allura, i’m an esfj

carrierpidgeon: my complete opposite, how are we friends

hunkerdunker: i dunno man

carrierpidgeon: cool i’ve recorded all your responses and i’m spending the rest of the day in mbti
hell

hunkerdunker: have fun

kogayne: send me any interesting stuff you find about me

lanceylance: let me know whether or not keith and i are compatible

carrierpidgeon: you’re compatible just shush

kogayne: you’re not going anywhere mcclain

lanceylance: um yes i am, that was the bell, i’m now going to spanish, goodbye kogane

kogayne: >:O

Lanceylance & the Lancers

lanceylance: ARE YOU FUCKING SHITTIN G ME

kogayne: they,,,, they changed the show

lanceylance: THIS IS NOT THE SHOW I AUDITIONED FOR

carrierpidgeon: what happened?? my class was screaming i didn’t hear that announcement

hunkerdunker: i’m afraid to go to english now and sit in the same room as lance, that’s what happened

lanceylance: I COULD HAVE NAILED A COSTAZUELA BROTHER AND THEY GO AND CHANGE THE DMAN SHOEON WME

kogayne: why the /fuck/ did they change the show

lanceylance: I’M HEADED TO THE OFFICE TO FIND OUT

shayfromstatefarm: do you really think the administration is going to tell you anything

lanceylance: NO BUT I’M TRYING ANYWAY

allurable: what? what did they change the show to?

hunkerdunker: it’s called Midsummer/Jersey

shayfromstatefarm: a hybrid of jersey shore and a midsummer night’s dream

kogayne: i looked up the cast and script, how did this get approved

kogayne: one of lance’s first lines is gonna be “good pubic speaker”

hunkerdunker: they haven’t posted the cast list

kogayne: come on we all know lance is gonna get the lead, the lead is literally Bravado Lance
kogayne: and his love interest,,,

kogayne: their relationship is kinda like me and lance only slightly unhealthier and a lot weirder, but just as intense

hunkerdunker: but we /already had callbacks for the odd couple, why did they change it/

lanceylance: HI, THE OFFICE WON’T TELL ME HOW OR WHY, BUT SOMEHOW WE LOST THE RIGHTS TO THE ODD COUPLE, WHICH IS WHY THIS CAST LIST GOT DELAYED

lanceylance: SO THEY HAD TO SCRAMBLE TO FIND A NEW SHOW FOR US TO PUT ON, WHICH HAPPENS TO BE THIS ONE

lanceylance: also, keith, thank you for the vote of confidence

kogayne: of course

lanceylance: but /how am i supposed to pretend to like someone the way i like keith/

shayfromstatefarm: well before the lead was gonna be either plax, nyma, or ezor, and now that nyma is banned from the drama club,,,

kogayne: plax shouldn’t be too hard?? and i mean, you and ezor could probably make it work even tho she’s gay as hell

mattata: i just opened the group chat, what the fuck

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

takashmeoutside: mood.jpeg

lanceylance: WAY TO KILL MY GOOD MOOD, SCHOOL

lanceylance: I WAS ALL SET FOR THE ODD COUPLE AND THEN THIS SHIT HAPPENS

shayfromstatefarm: this could still be a good show

shayfromstatefarm: it’s got enough pop-culture references to keep the audience entertained for a while

shayfromstatefarm: and i mean, it’s pretty wild

hunkerdunker: like shrek 2 but not

mattata: i’m reading through the script bc i got curious and yES HUNK

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA I KNOW, I’M JUST IRRITATED, THIS IS NOT WHAT I AUDITIONED FOR, I WAS NOT PREPARED FOR THIS
**Respecting Women Juice**

**lotoreal:** so, the administration is a mess, as per the usual.

**dinezor:** “it was out of our hands” mmm okay sure i definitely believe that

**acxalutelynot:** so any idea what part you’re getting now?

**dinezor:** probably one of the two lead girls, which means i’ll probably have to kiss lance at some point, so that should be fun

**zethridofmyproblems:** “fun”

**dinezor:** who knows, maybe the whole experience will make us become real friends

**sippinganartini:** will it really though

**dinezor:** \_( Hurricanes )_/\ worth a shot amiright acxa

**acxalutelynot:** whatever you say, ez

**dinezor:** how much do i have to pay someone to do the kissing scenes /for me/

**zethridofmyproblems:** you’re an actress, you have to pretend to like them

**dinezor:** read: i have to pretend not to be gagging as i continue the rest of the scene

**acxalutelynot:** i mean, it won’t be completely terrible, lance will be just as uncomfortable

**zethridofmyproblems:** bond over mutual discomfort

**zethridofmyproblems:** and acxa and keith can bond over having to watch you two kiss

**lotoreal:** the question is: would kogane /want/ to?

**dinezor:** \_( Hurricanes )_/\ WORTH A SHOT

---

**dinezor added acxalutelynot, zethridofmyproblems, and sippinganartini to Let’s Go GNO**

**dinezor:** i’m making a separate group chat for us hi hello

**sippinganartini:** i’m not complaining, but why?

**dinezor:** bc lotor’s jealous that keith won’t be his friend and it’s getting annoying

**zethridofmyproblems:** even though he told keith he didn’t wanna be friends

**sippinganartini:** true, he /is/ annoying in that respect

**dinezor:** honestly we need to stage an intervention

**dinezor:** make him and keith talk it out and be friends
acxalutelynot: they need to find a common ground and learn that they’re not out to get each other
dinezor: lotor could maybe stop implying keith is like, an awful person
sippinganartini: ??????
dinezor: lotor showed me some texts he sent to keith, and like, the ones that made lance go off?? he basically said keith can’t think for himself and that also he’s abusive
acxalutelynot: i keep telling him to keep his mouth shut and what does he do
acxalutelynot: i feel bad for lotor, really
acxalutelynot: he needs to learn to not meddle in other people’s lives tho
dinezor: hmmmmmmmmmmmm we’ll figure this out

*Lanceylance & the Lancers*
hunkerdunker: tell me why zethrid is approaching the lunch table
kogayne: ythink lotor has to do with it
carrierpidgeon: i don’t think so, i’ll go talk to her
carrierpidgeon: just like you fuckers, she appears to have a “protect the small one” instinct
kogayne: we can’t help it, you’re so tiny
carrierpidgeon: i will kick your ass, i’m like 2 inches shorter than you
kogayne: fight me
kogayne: while you were too busy being heterosexual, i studied the Blade
carrierpidgeon: i’m ace you bag of dicks
lanceylance: he did it for the Meme
lanceylance: D A N A C K D I D K I D I D P I D G E K I D D K I K E D M E
Takashmeoutside: i’m so Tired, pls free me
allurable: pidge don’t kick lance
shayfromstatefarm: she’s talking to zethrid, you’re not gonna get a response right now
lanceylance: my shin is in PAIN why did she KICK THAT HARD
kogayne: do you need me to kiss it better
lanceylance: you’re gonna regret that
kogayne: i was being sarcastic

kogayne: WHAT THE FUCK

(1) photo from hunkerdunker

hunkerdunker: he's flexible

lanceylance: I TOOK GYMNASTICS AS A KID, FUCKERS

carrierpidgeon: okay so zethrid was just asking about the show and stuff, nbd

lanceylance: is she doing crew

carrierpidgeon: yeah, she wanted to know about rehearsals and stuff

lanceylance > kogayne

lanceylance: good night starlight don’t let the bedbugs bite

kogayne: why are you like this

lanceylance: because i can be and also bc i’m sleep-deprived but i have to finish this thing

kogayne: what thing

lanceylance: this thing for

kogayne: lance??

kogayne: ...lance????????

kogayne: i stg if you fell asleep on your phone

kogayne: [long sigh] good night, starboy, start sleeping better

kogayne: i’m picking us up in the morning, you’re gonna need coffee

kogayne: … <3

Chapter End Notes

why did i change the show??? bc my school changed the fucking show and the office won't explain why, and i was gonna write their theatre shenanigans based on my theatre shenanigans, so there, CHANGE IN SHOW

also i had to write a thing about mythology for ap lit and i'm lowkey nervous to turn it in bc my teacher critiqued some kids who turned theirs in early and said it wasn't what she was looking for (even though the rubric only really outlines format and not content).
like, she said she wants us to discuss an issue important to us or whatever, so some kids wrote some REALLY GOOD poems or short stories, and then my teacher's like "mmmm nah you gotta expand more, what if the gods went to the prom!!" and she started suggesting shitty fanfic tropes and sdfghrtwkerkte my friend and i were like, internally and externally screaming

and my poetry is always more abstract over concrete so i hope my teacher gets my message of feminism and women empowerment thru artemis, athena, aphrodite, and persephone or else i'm going to my creative writing teacher and getting a second opinion

anyWAY OFF TO BED

kogayne: i’ll even cover for you

lanceylance: you don’t need to cover for me

kogayne: too late i’m covering for you, also get dressed so we can go get coffee

lanceylance: have i told you lately how much i love you

*Lanceylance & the Lancers*

shayfromstatefarm: CAST LIST IS UP THIS IS NOT A DRILL

(2) photos from shayfromstatefarm

lanceylance:

carrierpidgeon: didn’t even make the cut

lanceylance: W H A T

kogayne: she’s lying, you got the lead guy

kogayne: and it looks like you’re kissing ezor, congratulations

hunkerdunker: SHAY WE’RE MARRIED

shayfromstatefarm: YES FINALLY

lanceylance: i am kissing,,, ezor

kogayne: yes

lanceylance: ho boy

---

*Respecting Women Juice*

lotoreal: the cast list has been put out

(2) photos from lotoreal

dinezor: ah fuck

dinezor: it really happened
acxalutelynot: and it looks like lotor’s in love with plaxum, that should be interesting

dinezor: oh thank goodness, i was not kissing lotor

lotoreal: am i that unattractive

dinezor: i dunno how to put this but i am a huge lesbian

dinezor: like, huge

dinezor: unbelievable

zethridofmyproblems: okay donald trump

dinezor: NEVER ASSOCIATE ME WITH THAT MOLDY CLEMENTINE EVER AGAIN

sippinganartini: crusty tangerine

acxalutelynot: sweaty orange

lotoreal: why?

dinezor: BECAUSE WE CAN

zethridofmyproblems: do you think people in this school have nicknames for us the way we do for donald trump

dinezor: i hope mine is “acxa’s hot girlfriend”

acxalutelynot: i hope you don’t expect mine to match yours

dinezor: :O HOW DARE

dinezor: ANYWAY time for someone to step up and make a group chat for the drama club, wonder who’s gonna take one for the team

dinezor: i’ll do it i guess

dinezor: do i add crew or let them have their own chat

acxalutelynot: it’s probably more efficient to put us all in one chat

dinezor: :D YOU’RE DOING CREW??

acxalutelynot: i guess

dinezor: :D :D :D

zethridofmyproblems: you guys are cute

dinezor: isn’t acxa the cutest

acxalutelynot: anyway the group chat
sippinganartini: lmfao

dinezor added acxalutelynot, lotoreal, madplax, lanceylance, kogayne, hunkerdunker, shayfromstatefarm, carrierpidgeon, floronawiththecorona, and 20 others to Drama & Crew 2017

dinezor: so first, congrats to the cast!!! and thanks for joining us, crew!!
lanceylance: happy less-than-one-month till show!!!
lanceylance: WHO’S READY FOR LONG REHEARSALS EVERY DAY, I KNOW I AM
lotoreal: yes, i suppose rehearsals will be grueling
hunkerdunker: i mean, i can bake for the cast most days
hunkerdunker: assuming we’ll be there pretty late and run into dinner time
madplax: some of us can also go some nights and make runs to like, panera or mcdonalds
shayfromstatefarm: that works
acxalutelynot: and since crew probably won’t have much to do the first week or two, we can make earlier runs if the cast is still rehearsing
carrierpidgeon: lmao catch me still at school, no license or car here
floronawiththecorona: we’ll figure out some kind of system

kogayne > lanceylance

kogayne: you and me?
lanceylance: que
kogayne: during rehearsal breaks
kogayne: wanna go on minidates
kogayne: not every night obviously
kogayne: but some?
lanceylance: ahhhh yes!!!
lanceylance: yesyesyesyesyesyesyes
kogayne: someone’s enthusiastic
lanceylance: if i’m gonna be on that stage with ezor and lotor and plax then i need time with my boyfriend afterward
lanceylance: so i can shower u with aaaaaaaaaaaaaaaaaaaaaall the affection

kogayne: rtttyrewsdnmyregsntuter

lanceylance: :) i love youuuuuuuuuuuuuu, i’ll see you soon for fifth!!

kogayne: love you too

lanceylance: OH BTW

lanceylance: can /i/ nap on /you/ during study hall today

kogayne: of course

kogayne: fair chance i fall asleep on you too though

kogayne: like you apparently did on me on wednesday

lanceylance: i can’t help it, you were so cute and so cozy and it was so cold

kogayne: yo cant’ jsut ay that

lanceylance: CAN AND DID, FUCKER

Lanceylance & the Lancers

shayfromstatefarm: is it still pining if two people are in a committed relationship with future plans to get married

takashmeoutside: what did they do now

hunkerdunker: lance won’t shut up about how cute keith is, it’s sickening

lanceylance: I CAN’T HELP IT I LOVE HIM

lanceylance: KEITH I LOVE YOU SO MUCH

lanceylance: I WOULD ROB ALL THE STARS IN THE SKY TO GUARANTEE YOUR HAPPINESS

kogayne: fdhtjyterwfegreghthryjllkawd

mattata: i think you broke him

takashmeoutside: he’s been broken for a while, lance is just taking a sledgehammer to the wreckage now

allurable: it’s been a year and a half, why are they still like this

lanceylance: I HAVE TO ASSERT HOW MUCH I LOVE HIM

lanceylance: HOW ELSE IS HE GOING TO KNOW
carrierpidgeon: do you ever shut up about keith

lanceylance: only occasionally

lanceylance: but then i start thinking about him again and remember that he exists and get super happy

takashmeoutside > kogayne

takashmeoutside: what did you /do/ to him

kogayne: asked him out on a series of minidates for after rehearsals get going, and then agreed to nap with him during study

takashmeoutside: wtf

kogayne: he’s so cute

kogayne: aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa he’s so good

kogayne: i love him so much i need to punch something

takashmeoutside: “i love lance a lot, i have to resort to violence to release my feelings”

kogayne: we all have our own outlets, mine just happens to be a physical outlet

kogayne: besides i’m not gonna punch a /person/

kogayne: ...or at least, not lance or anyone in the group chat

takashmeoutside: k e i t h

kogayne: I NEED TO PUNCH SOMETHING

takashmeoutside: what class are you in right now

kogayne: ryner

takashmeoutside: metaphorically punch those functions with knowledge and the right variables plugged into the right places

kogayne: ugh fine

Lanceylance & the Lancers

hunkerdunker: quick they’re asleep, let’s have a real discussion

allurable: what do you wanna discuss
carrierpidgeon: if we went to space and encountered hostile aliens, who would be the first to die

takashmeoutside: matt

mattata: shiro

allurable: both of them

hunkerdunker: ...okay 1. pidge what the fuck

hunkerdunker: 2. why @ matt @ shiro @ allura

takashmeoutside: matt would try to impress them with memes and fail to see the danger of the situation

mattata: one of them would swing at keith and shiro would go dad mode and overestimate his fighting abilities

allurable: they’d probably die for each other

hunkerdunker: okay um 1. uhhh don’t show memes to hostile aliens i guess

hunkerdunker: 2. that’s accurate

hunkerdunker: 3. that’s romantic but also wow what a lack of fighting skills

shayfromstatefarm: allura’s mixing up matt and shiro with keith and lance

carrierpidgeon: so what i’m hearing is half the group chat needs to improve their fighting skills

carrierpidgeon: let’s start a fight club

mattata: shhhhh don’t talk about it

carrierpidgeon: about what

mattata: fight club

carrierpidgeon: what’s that

takashmeoutside: [long sigh] why are you both like this

mattata: i raised her this way you should be proud i raised a child and didn’t die

carrierpidgeon: yet

mattata: what

carrierpidgeon: what

shayfromstatefarm: i thought the point of starting the club that must not be named was to improve everyone’s self-preservation skills

carrierpidgeon: if he dies he fails his test
mattata: ...what test

carrierpidgeon: the one that hasn’t happened yet ;)

mattata: SHIRO SHE’S PLOTTING MAKE HER STOP

takashmeoutside: she’s your daughter

mattata: ALLURAAAAAA

allurable: pidge don’t kill matt

carrierpidgeon: not even a little bit

mattata: nO

allurable: no, not even a little bit

carrierpidgeon: ugh fine

mattata: PIDGE

carrierpidgeon: :)))))))))))) sleep with one eye open brother

mattata: SHIRO I’M SLEEPING AT YOUR PLACE TONIGHT

carrierpidgeon: THANKS FOR THE INFO ;)))))

Lanceylance & the Lancers

lanceylance: i just read the group chat and eXCUSE ME, KEITH AND I WOULD KICK ASS IN SPACE

kogayne: if an alien comes at us then we’re not the ones dying

kogayne: never speak to me or my husband ever again

kogayne: also please, we all know if an alien swung at me i’d be able to handle myself, that alien would be dead before shiro could even get moving

takashmeoutside: why are you underestimating my skills like this

kogayne: because i can

mattata: he’s spending too much time with my sister, they’re rubbing off on each other, make it stop

lanceylance: so if i’m rubbing off on keith and he’s rubbing off on pidge, that means i am also rubbing off on pidge

kogayne: and that means pidge is probably also rubbing off on you

allurable: a truly horrifying combination
**lanceylance:** meme team x cryptkids = UNSTOPPABLE

**carrierpidgeon:** INVINCIBLE

**lanceylance:** that means the same thing

**carrierpidgeon:** but mine sounds better

**lanceylance:** ummm no?

**carrierpidgeon:** um yes?

**kogayne:** leave the math to pidge

**lanceylance:** :O RUDE

**kogayne:** you talk constantly about how you’re bad at calc, shhhhh

**lanceylance:** YEAH BUT I LIKE ALGEBRA

**carrierpidgeon:** give me all the math

**carrierpidgeon:** i’m not asexual i’m mathsexual

**kogayne:** a(rithmetic)sexual

**carrierpidgeon:** rgfjtrhgsgetnrhers

**shayfromstatefarm:** i think this is the best development from the group chat all day

**lanceylance:** my math skills are being slandered, i need backup, keith has sided against me

**mattata:** i’M HERE MY BOY

**lanceylance:** THANKS MATT, GLAD I CAN RELY ON YOU

**lanceylance:** the TRUE meme team!!!

**carrierpidgeon:** >;O

**carrierpidgeon:** TAKE IT BACK MCCLAIN

**lanceylance:** NO

**carrierpidgeon:** T A K E I T B A C K

**lanceylance:** NO

**lanceylance:** THAT’S SPANISH FOR NO

**carrierpidgeon:** LANCE IS OFFICIALLY ON MY HIT LIST

**hunkerdunker:** ...you mean “shit list” right
carrierpidgeon: i know what i said

lanceylance: :O

lanceylance: BRING IT

carrierpidgeon: [throws calculus]

mattata: [DEFLECTS CALCULUS WITH ALGEBRA]

lanceylance: DON’T FUCK WITH ME, I HAVE THE POWER OF GOD AND ANIME ON MY SIDE

lanceylance: AND MATT

shayfromstatefarm: i lied, this is the worst development from the group chat all day

carrierpidgeon: I SEE YOUR MATT AND RAISE YOU KEITH

kogayne: hey wait nO DON’T SWING ME AT LANCE

carrierpidgeon: …

carrierpidgeon: [swings keith]

takashmeoutside: why are all of you like this, this is the most embarrassing thing i’ve seen all day

kogayne: need i remind you you were a weeb once

takashmeoutside: I THOUGHT WE WERE PAST THIS

kogayne: nope

takashmeoutside: i hate this group chat

allurable added shayfromstatefarm and carrierpidgeon to amazons™

allurable: don’t forget we’re going to the mall tomorrow!! we’re finally getting pidge those dresses!!!!

carrierpidgeon: i can’t wait for my legs to feel free again, why did i stop wearing dresses,

shayfromstatefarm: leg hair

carrierpidgeon: my leg hair will flow in the wind

carrierpidgeon: anyone who makes a comment on it can DEAL WITH IT

allurable: buy dresses that go to the knee → only shave from the knee down

shayfromstatefarm: i thought everyone only shaved from the knee down
allurable: what

shayfromstatefarm: do you shave the entire leg

allurable: if my thighs are going to touch they are going to feel like baby butts

shayfromstatefarm: fair enough

shayfromstatefarm: anyway do you guys wanna do other stuff when we’re there

carrierpidgeon: ESCAPE ROOM

shayfromstatefarm: i’m down

allurable: YES PLEASE

allurable: matt and shiro did one last winter and won’t stop bragging about how they hold the mall record

allurable: we need to crush them

carrierpidgeon: i’m always down for ruining my brother’s high scores sign me the FUCK UP

carrierpidgeon: YOU ALREADY KNOW WTF IS GOIN ON

kogayne > lanceylance

kogayne: where are you

lanceylance: sorry

lanceylance: just finished talking to ezor

kogayne: i thought you were just going to talk to ryner real quick

lanceylance: i was but then i ran into ezor on my way to your car

lanceylance: we were talking about the show and also getting you and lotor to be friends

kogayne: what/

lanceylance: i’ll explain in the car but basically it would be easier for everyone if our squads became actual friends instead of this “allies” nonsense

kogayne: what/

lanceylance: give me a sec

kogayne > takashmeoutside

kogayne: don’t worry about dinner i’m spending the night at lance’s
kogayne: and tomorrow we’re spending the day together

kogayne: so like, go hang out with matt or something

takashmeoutside: i was just about to text you asking when you were coming back

takashmeoutside: so dinner /tomorrow/

The girls are headed to the mall. So are Lance and Keith. Matt, Shiro, and Hunk have a group chat now. Yes, those three. No, I am not joking. RIP Hunk...?

Chapter Notes

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
this is where i would apologize for not getting this up on saturday or sunday bc i felt like i got hit by a bus but then you’d all yell at me that it's not my fault and that health comes first so let's skip all that THE SATURDAY CHAPTER IS FINALLY HERE...ON MONDAY

See the end of the chapter for more notes

allurable: GOOD MORNING SUNSHINES

allurable: IS EVERYONE EXCITED

carrierpidgeon: DRESS DAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAY

shayfromstatefarm: I have only ever seen pidge this enthusiastic about shopping the last time we went to best buy with hunk and lance

carrierpidgeon: I’VE FORGOTTEN WHAT FEMININITY FEELS LIKE AND I’M READY TO FULLY EMBRACE IT ONCE MORE

carrierpidgeon: AND IF ANYONE TRIES TO SHAME ME FOR THIS THEN I’LL SIC MY ROBOTS ON THEM

allurable: THAT’S THE SPIRIT!

allurable: i’ll be picking you both up in an hour!!!! so make sure you’re all ready!!

shayfromstatefarm: I HAVE TO SHOWER BUT I’LL BE FAST

carrierpidgeon: FUGERGWKE SAME, TIME TO POWERWASH

carrierpidgeon: (and by powerwash i mean take a normal shower but whisper an endless stream of “fuck”’s to myself)

carrierpidgeon: i’m suddenly very glad matt is at shiro’s so i don’t need to throw his ass out of the bathroom
dinezor > lanceylance

dinezor: good morning!

lanceylance: we’ve both decided that now isn’t the time

dinezor: ...seriously

lanceylance: things are still too charged at the moment

lanceylance: keith is hesitant and i’m still angry over some of the things lotor insinuated about keith

lanceylance: things neither of us have heard an apology for

lanceylance: for now we think it’s best to call off the “alliance” and remove whatever awkwardness is there

lanceylance: and just be civil to each other during rehearsals and stuff

dinezor: oh come /on/ i spent an hour getting lotor to agree

lanceylance: sorry, but our answer right now is no

lanceylance: and if any of you even think about texting keith,

lanceylance: don’t.

dinezor: this is unfortunate

lanceylance: yeah, it is

lanceylance: maybe we can try again in a few months

lanceylance: but right now, keith and i are both uncomfortable

lanceylance: have a good day tho

dinezor: you too, tell keith i say hi

lanceylance: i will, tell acxa i say sup

dinezor > acxalutelynot

(2) photos from dinezor

acxalutelynot: told ya so

dinezor: gyjtrdf STOP RUBBING IT IN

acxalutelynot: i’ll rub it in to lotor
acxalutelynot: anyway, now what

dinezor: be nice during rehearsal i guess

dinezor: shouldn’t be too hard if i have to pretend to be in love with lance the whole time

acxalutelynot: cool good to know

acxalutelynot: so, what’s the agenda for today

dinezor: avoid this entire situation by shopping

dinezor: it’s mall day

*Let’s Go GNO*

dinezor: get ready ladies, it’s mall day!!

*takashmeoutside > mattata , hunkerdunker*

mattata named the chat *dammit shiro name these things yourself*

takashmeoutside: gee thanks matt

mattata: ;)

takashmeoutside: anyway it occurred to me that lance, keith, and the girls will all be out today, what do we do

hunkerdunker: lance and keith are out today??

takashmeoutside: spending the whole day together, according to keith

hunkerdunker: good to know

takashmeoutside: it’s just the three of us

mattata: our octet is down to three

takashmeoutside: yes

hunkerdunker: so why don’t you and matt just go on a date too??

takashmeoutside: because you’ll be alone, and that’d /suck/

hunkerdunker: i mean, if you and matt went on a date,..

takashmeoutside: ARE YOU KIDDING ME

hunkerdunker: `_(¬_¬)_/`
**takashmeoutside:** I EXPECT THESE SORTS OF THINGS FROM MATT AND LANCE AND SOMETIMES KEITH OR PIDGE, BUT NEVER YOU

**hunkerdunker:** i had to

**hunkerdunker:** the opportunity was /right there/

**mattata:** screenshot saved, this is so going to the main chat later

**hunkerdunker:** no, pls, my pristine reputation

**takashmeoutside:** YOU SHOULD’VE THOUGHT OF THE CONSEQUENCES, HUNK

**hunkerdunker:** so anyway if the three of us are hanging out today as you’ve implied, what are we doing

**mattata:** sports center

**mattata:** i vote sports center

**takashmeoutside:** oh no,,

**mattata:** they opened a new paintball attraction last week, i am going to kick your asses

**mattata:** then, we go with the whole group next time, and we’ll be prepared, and we’ll kick ass even harder

**hunkerdunker:** have fun against lance, he doesn’t miss

**mattata:** so he says

**hunkerdunker:** i’ve literally seen him, he has unbelievable aim

**mattata:** damn right it’s unbelievable bc i don’t believe you

**hunkerdunker:** alright ye of little faith, when lance kicks your ass don’t come crying to me

**mattata:** the boy can try!!

**takashmeoutside:** i’m waiting for the moment when /keith/ beats matt for trying to beat lance

**hunkerdunker:** nah, we all know lance will be covering keith

**hunkerdunker:** keith is good at many things but shooting isn’t really one of them

**mattata:** SO ANYWAY, SPORTS CENTER? YES? I’LL PICK YOU GUYS UP IN AN HOUR

**hunkerdunker:** not like i really have a choice but okay

**takashmeoutside:** ^^^^^^^^^^^

carrierpidgeon: THEY’RE GOING DOWN

carrierpidgeon: TODAY, WE SHALL ESTABLISH A NEW MALL RECORD

allurable: ...hold on turn around but be slick

shayfromstatefarm: THAT WASN’T SLICK PIDGE

carrierpidgeon: everything i do is automatically slick bc /i/ am slick

carrierpidgeon: but ANYWAY WHY ARE THEY HERE

shayfromstatefarm: judging by the way they’re not-so-subtly watching them, yes

allurable: do you think they’re doing the escape room too

carrierpidgeon: looks like it

shayfromstatefarm: so who wins: three girls, four girls, or two boys
allurable: ummm we’re winning, it’s /us/

carrierpidgeon: keith and lance are doing the worst out of these three groups but i still say everyone beats the shatt record

mattata: BETRAYED BY MY SISTER AND MY GIRLFRIEND WHAT IS THIS NONSENSE

hunkerdunker: shay i’m so proud of you look at you leading your best life

shayfromstatefarm: :) <3

allurable: the real question now is, do lotor’s friends beat us

kogayne: doubt it

carrierpidgeon: they beat lance and keith but lose to us i’m calling it

lanceylance > dinezor

lanceylance: yeah so i know we had that weird morning but i saw you guys at the mall at the escape room so when ur done pls just text me ur time

lanceylance: I’M FINE I CAN MAKE IT THROUGH THE DAY

Lance Protection Program

carrierpidgeon: this boy is not going to make it through the day i’m calling it now, who’s willing to bet on it

kogayne: i can’t bet against my boyfriend, i really shouldn’t take this bet,,

kogayne: he can make it

kogayne: he’s stubborn as fuck and will probably collapse as soon as he gets home but he’ll make it

carrierpidgeon: $20 sound fair?

kogayne: fair enough

carrierpidgeon: take sides kids
takashmeoutside: pidge

mattata: pidge

hunkerdunker: pidge

shayfromstatefarm: pidge

allurable: ...keith

carrierpidgeon: mmmm interesting, all of us are about to make $40

kogayne: mmm we’ll see

Lanceylance & the Lancers

lanceylance: dyathink it’s possible to overdose on cough drops

hunkerdunker: this is not a question i want to see by fourth period

shayfromstatefarm: depends on the brand, what does the back say about dosage

lanceylance: it’s luden’s, it says take as many as you need

takashmeoutside: ...and how many have you had

lanceylance: thirteen, i think
lanceylance: might be fourteen, i’ve sort of lost track

kogayne: LANCE WHAT THE FUCK

carrierpidgeon: i don’t think you can really overdose on luden’s but that amount will probably make you nauseous

lanceylance: oh

lanceylance: fun

hunkerdunker: tryresntresdfbersrbterws please go home

lanceylance: i adamantly refuse

kogayne: why are you like this

lanceylance: survival of the fittest

carrierpidgeon: this is natural selection at work

lanceylance: SEE PIDGE GETS ME

shayfromstatefarm: …

hunkerdunker: uhhhh

mattata: who’s gonna tell him

lanceylance: ……………it was an insult wasn’t it

kogayne: please go home and get rest

lanceylance: remember when you came to school when your mental state was super fragile and i insisted on dragging you home but you stayed the whole day because you’re stubborn

kogayne: …maybe…

lanceylance: payback fucker

Lanceylance & the Lancers

lanceylance: period 5 update: i just almost died

shayfromstatefarm: we just watched him almost die

allurable: WHAT HAPPENED

lanceylance: i was sucking on a cough drop

lanceylance: but the thing is i’ve been mouth-breathing all day bc i’m pretty sure my nose doesn’t even exist anymore
lanceylance: actually scratch that it exists and it’s running and fuck my life but anyway

mattata: gonna get to the point soon orrrr

lanceylance: hush mathematics holt

mattata: did he just

kogayne: yep

lanceylance: so like, my mouth and throat are also at this weird disconnect, like you know when one of your senses is off sometimes it throws the others off

lanceylance: like my face is clogged my ears are clogged i’m a mess and so my throat and mouth are at this disconnect

carrierpidgeon: you already said that

shayfromstatefarm: i think he’s getting delirious

takashmeoutside: keith please take your boy to the nurse

lanceylance: I’M FINE ANYWAY

lanceylance: i went to breathe and i was sucking on the cough drop and it just

lanceylance: went to the back of my throat

lanceylance: i was about to choke to death so i just

lanceylance: swallowed

lanceylance: it wasn’t even halfway melted

takashmeoutside: what the fuck

allurable: i have to ask, which cough drop were you on

lanceylance: green apple

allurable: no

lanceylance: ummm i’m pretty sure i know which flavor i almost died on

allurable: no which number

lanceylance: oh ummm...17? i think?

mattata: someone cut this kid off please

kogayne: i took the bags from him

lanceylance: i almost died i don’t want any more
mattata: waitwaitwaitwait bags????

shayfromstatefarm: he had bags of honey, green apple, and wild cherry all in his backpack

allurable: i like that he’s prepared but isn’t that a bit,,, excessive?

lanceylance: um no

kogayne: yes

lanceylance: anyway back to physics lalalalaaaaaa

allurable: he’s so sick someone please send him home

_Lanceylance & the Lancers_

lanceylance: i’m at rehearsal pls kill me

kogayne: i’m in the parking lot, all you have to do is say the word and you can go home

lanceylance: i have to power through

lanceylance: but also

lanceylance: idk what the director was thinking when he cast some of these parts

lanceylance: hunkerdunker over here has one of the biggest parts in the show, i’m proud of my boy

lanceylance: shay’s got a big role too

lanceylance: but some of our veteran theatre kids got shafted in favor of kids who can’t

lanceylance: read a single line

lanceylance: to save their life

hunkerdunker: why why why why why did they give this kid the role of puck

lanceylance: THAT’S WHAT I’M SAYING

shayfromstatefarm: seriously we’ve had to redo this scene 5 times they’re not even paying attention

shayfromstatefarm: AND IT’S JUST A FREAKING READTHROUGH, WE’RE NOT EVEN STAGING YET

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

_lanceylance > kogayne_

lanceylance: also
kogayne: you’re whispering, this should be fun
lanceylance: not only do i kiss ezor
lanceylance: i read the script closer
lanceylance: i
lanceylance: also kiss plax
kogayne: uh congrats?
lanceylance: what the fuck do you mean congrats, are you not angry or jealous
kogayne: ...should i be jealous?
kogayne: i thought we agreed that we don’t cheat on each other
kogayne: we swindled half the school last week based upon that very premise???
lanceylance: >(: jealous keith is hot tho
kogayne: you’re so delirious why did i not drag you home
lanceylance: also lotor and i try to fight each other
lanceylance: like we start out friends?? i think???? it’s kind of ambiguous but then there’s the whole thing with the magic and the romances getting fucked up and then we wanna fight
kogayne: don’t actually get into a fight with him during rehearsal
lanceylance: but he was mean to you and didn’t apologize
kogayne: you fucking need rest
kogayne: do not pick a fight, do you understand
lanceylance: wow ur not being the hothead for once i must be in an alternate reality
kogayne: SEE WHAT YOU DO
kogayne: YOU GO AND GET SICK AND NOW I HAVE TO BE THE RESPONSIBLE ONE
lanceylance: hahaaaaaaaaaaaaaaaaaaaaa

Lanceylance & the Lancers
lanceylance: at long last, rehearsal is over, dobby is a free elf
carrierpidgeon: you actually made it through the day
lanceylance: feel like shit tho!
lanceylance: keith, babe,

kogayne: oh jeez

lanceylance: i may be a bit dizzy right now,

kogayne: i’m coming in

kogayne: hunk don’t let him hurt himself

hunkerdunker: i’ve got him

Lance Protection Program

kogayne: cough up the cash

carrierpidgeon: i can’t fucking believe

kogayne: allura and i are both about to be $100 richer

allurable: :)

kogayne: this is what you get for betting against his stubborn ass

lanceylance > kogayne

lanceylance: baaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaabe

kogayne: i just got home, what

lanceylance: come baaaaaaaaaaaaaaaaaaaaaaaaaaaaack

kogayne: dammit lance

lanceylance: bring me to ur house :( 

kogayne: you’re gonna get me, shiro, and black sick

lanceylance: can cats even catch human illnesses

kogayne: yes, actually

kogayne: dogs can’t

lanceylance: but baaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAABE I WANNA BE WITH YOU

lanceylance: AND AWAY FROM MY MOM, SHE’ S TRYING TO FORCE A THIRD BOWL OF SOUP DOWN MY THROAT, PLEASE RESCUE ME

kogayne: smh i’m on my way
**kogayne > takashmeoutside**

**kogayne:** when you get home from work you’re going to have another mouth to feed

**takashmeoutside:** don’t tell me you’re bringing lance over

**kogayne:** fine i won’t but i’d be lying

**takashmeoutside:** the whole house is gonna get sick

**kogayne:** i’ve already been exposed, your fall is inevitable

**takashmeoutside:** i’m making soup for dinner then

**kogayne:** okay, no, number one, i’m getting us all takeout

kogayne > lanceylance

kogayne: sincerely, from the bottom of my cold little heart, fuck you

lanceylance: why did you text me, your room is across the hall

kogayne: I DIDN’T THINK YOU’D GET THIS UNTIL MORNING IT’S 3 AM WHY ARE YOU AWAKE

lanceylance: i dunno if you noticed but i’m CONGESTED I CAN’T FRICK-FRACKIN BREATHE

lanceylance: and also i miss cuddling with my boyfriend :( 

kogayne: your sick little ass was put in the guest room specifically to reduce my chances of winding up a hot mess of snot and sinus pain but HERE WE ARE ANYWAY

lanceylance: you already acknowledged the fact that you were probably gonna get sick

kogayne: I WAS HOPING TO BE WRONG

lanceylance: anyway why are /you/ awake mr. high and mighty

kogayne: because i can’t breathe either

kogayne: also, my dinner was coming back up
lanceylance: I TOLD YOU NOT TO GO TO MCDONALDS AND WHAT DID YOU DO

kogayne: went to mcdonalds

kogayne: you spited my advice all day i had to get even

lanceylance: don’t cut off your face to spite the know-it-all

lanceylance: or however that saying goes

kogayne: don’t cut off your nose to spite your face

lanceylance: yeah that whatever

lanceylance: anyway, are you gonna stay home from schooooooool

kogayne: no, fuck you

kogayne: dinner stayed down, i’m going back to bed and going in

lanceylance: you fucking hypocrite

kogayne: it’s called getting even

lanceylance: ...anyway good night i love you <3

kogayne: love you too <3

**Lanceylance & the Lancers**

hunkerdunker: day 2: keith and lance /both/ look like shit and they’re /both/ in school

allurable: shiro why did you let them out of the house

takashmeoutside: they threatened to cough all over me if i didn’t move out of the way and i don’t know about you all but i’d rather not get sick, thanks

kogayne: it’s just a matter of time

takashmeoutside: shut up keith

kogayne: don’t tell me what to do takashi

lanceylance: i don’t feel as awful as i did six hours ago!! but i’m still stuffy and my ears won’t pop and also my throat is not a throat it’s basically a garbage disposal

lanceylance: i am on a self-imposed vocal rest today bc i have rehearsal and i have to read those lines

shayfromstatefarm: REHEARSAL IS NOT AS IMPORTANT AS YOUR HEALTH

lanceylance: hey listen, i’m feeling better than keith, who was already muttering about being dizzy
first period!!

takashmeoutside: keith i’m calling the office and coming to pick you up

kogayne: no!!

kogayne: lance is LYING I’M FINE

kogayne: and plus we took my car to school

carrierpidgeon: we

carrierpidgeon: as in, you and lance crammed your germy selves into the same vicinity

kogayne: yes so?

carrierpidgeon: you two are unbelievable

lanceylance: I AM NOT LYING KEITH IS GOING TO COLLAPSE BEFORE THE DAY IS OVER MARK MY WORDS

lanceylance: tbh he should give me his car keys and let shiro take him home

takashmeoutside: yes i like lance’s idea

kogayne: fuck off i’m not going home

lanceylance: if you collapse i stg

kogayne: if i collapse you’ll /what/

lanceylance: hhhhhhhhhhhhhhh i’ll have to drag your unconscious butt to the nurse bc i care about ur health

lanceylance: and then i’ll yell at u when ur conscious and force soup down ur throat

kogayne: oh no, not the soup, i’m so terrified

lanceylance: MARK

lanceylance: MY

lanceylance: WORDS

Respecting Women Juice

lotoreal: do i tell kogane and mcclain that they look like zombies

acxalutelynot: username

lotoreal: why are they both here? they sound awful.

dinezor: stubborn, but we’re not going to harass them
**sippinganartini:** seriously, what makes you think it’s a good idea to talk to them

**dinezor:**^^^^^^^^ like, unless you apologize first for what you said about keith,..

**lotoreal:** i was speaking the truth and looking out for mcclain’s well-being

**zethridofmyproblems:** referring to them solely by their last names really isn’t helping your case, on top of the whole “not-apologizing” thing

**lotoreal:** are you all on their side or something

**sippinganartini:** trying to mediate the situation is all

**dinezor:** there are no “sides” this isn’t some battle

**lotoreal:** they called off the alliance

**lotoreal:** battle lines have been drawn

**dinezor:**/ o h m y g o d you are so dramatic/

**acxalutelynot:** fine, you can say whatever you want to them, but don’t complain to us if things go downhill

**lotoreal:** is this what betrayal feels like

**dinezor:** erhrtdgtrfdersd THERE IS NO BETRAYAL THERE ARE NO SIDES THERE IS NO BATTLE

**Let’s Go GNO**

**dinezor:** WHY IS HE LIKE THIS

**acxalutelynot:** i wish i knew

**sippinganartini:**¯\_(ツ)_/¯

**zethridofmyproblems:** should we like, give a head’s up to them that lotor might talk to them

**zethridofmyproblems:** just so no one’s face gets smashed in

**dinezor:** you know a situation is wild when zethrid is advocating peace

**zethridofmyproblems:** i’m not going to be the one bringing lotor down to the nurse if lance or keith loses their shit

**acxalutelynot:** so i seriously doubt there’ll be a physical confrontation, so maybe chill?

**dinezor:** she’s got a point, let’s just watch the situation play out

**zethridofmyproblems:** this should be fun
zethridofmyproblems: anyone got popcorn

*Lanceylance & the Lancers*

hunkerdunker: lance is the quietest he’s ever been

hunkerdunker: it’s like someone sucked the soul out of him

lanceylance: vocal rest

hunkerdunker: yes but there’s no life in your eyes buddy

lanceylance: i’m so tired

allurable: GO TO THE NURSE AND GO HOME

lanceylance: no, i have to make it to rehearsal

shayfromstatefarm: where did you get this mindset that school and rehearsal come before your health

lanceylance: `\(_(\ツ)_/\`)`

lanceylance: i may appear dead but i’m still feeling better than keith

kogayne: are you doing this on purpose

lanceylance: maybe

*kogayne > lanceylance*

kogayne: what’s wrong

lanceylance: ????????????? i’m sick????????????????????????

kogayne: and that’s it, the only reason you’re dead today?

lanceylance: yeah

lanceylance: thanks for checking in though

lanceylance: how are you holding up

kogayne: i could be better

lanceylance: why don’t you just go home

lanceylance: pls take care of urself :( 

kogayne: remember yesterday
lanceylance: :((( don’t hold my actions against me
kogayne: >((((

lanceylance: keith pls don’t collapse i don’t like seeing u in pain
lanceylance: u literally almost passed out in antok’s class
kogayne: you almost passed out at the end of rehearsal yesterday
lanceylance: shhh that was yesterday, don’t be like me
kogayne: >(((((((

lanceylance: babe pls at least EAT SOMETHING
lanceylance: EAT BEFORE U DIE
kogayne: i can’t even think about food
lanceylance: tell me you’ve at least been drinking water
kogayne: i’ve gone through a bottle and a half already
lanceylance: what the fuck
lanceylance: please go home
kogayne: no
lanceylance: hhhhhhh then at least, during rehearsal, chill in the auditorium instead of ur car, just so i know ur okay
kogayne: okay
lanceylance: i’ll see you at lunch
lanceylance: just one more period
lanceylance: i love you
kogayne: i love you too

Lanceylance & the Lancers

shayfromstatefarm: lunch update: they’re both sick as hell and still here

(1) photo from shayfromstatefarm

allurable: aw they’re being soft
takashmeoutside: they’re being soft but they look like shit
allurable: don’t be mean to them

allurable: they’re not causing trouble let them be

takashmeoutside: keith should’ve stayed home

shayfromstatefarm: lance says he’s too lazy to actually text the group chat back but he’d like everyone to know that while he agrees with shiro he also appreciates his boyfriend so, and i quote, “¯\_(ツ)_/¯”

shayfromstatefarm: keith would like to add a half-hearted “he’s not my real dad”

shayfromstatefarm: he would be more enthusiastic but he feels like death

takashmeoutside: should’ve stayed hoooome

shayfromstatefarm: keith resents that

carrierpidgeon: for someone angry he sure looks exhausted

carrierpidgeon: how is sitting like that comfortable

carrierpidgeon: the lunch tables do not make for optimal “leaning on the person sitting next to you” conditions

carrierpidgeon: and yet, they’re wearing each other like freakin blankets

hunkerdunker: [long sigh]

shayfromstatefarm: lance would like to assert that “i love my boyfriend keith kogane i will be his blanket if he so desires”

hunkerdunker: “which i do”

takashmeoutside: they’re both going to come back here at the end of rehearsal and just lie on the floor crying i’m calling it now

mattata: hi, just woke up, what the fuck,

mattata: shiro and pidge are both gonna catch this and then get /me/ sick and i will fucking kill lance and keith

shayfromstatefarm: keith challenges you to come at him

mattata: ew no i’m staying healthy be gone demons

allurable: wait can we focus on the fact that he just woke up

takashmeoutside: i mean it’s only like 11:30

mattata: yeah it’s not like it’s like 1

carrierpidgeon: that still doesn’t make it reasonable
mattata: u have no right to talk, miss “wakes up at 3 PM on saturdays”
carrierpidgeon: that is a blatant lie and you know it
mattata: >:\ncarrierpidgeon: >:P

*Lanceylance & the Lancers*

hunkerdunker: update 554: we’re doing a lab,
shayfromstatefarm: we’re willing to trade klance for pidge

carrierpidgeon: S C I E N C E

*kogayne > lanceylance*

lanceylance: you’re either mean or extremely clingy when you’re sick
kogayne: LAAAAAAAAAAANCE
lanceylance: just this scene then i’m off for a while
lanceylance: also i’m driving us home, i don’t trust you behind the wheel in your current state
kogayne: hurry uuuuuuuup
lanceylance: would you like to tell that to the director
kogayne: don’t test me i’ll fuckign do it
kogayne: i’ll cough in his face
lanceylance: how about don’t, or else you could get kicked out of crew,
kogayne: hhnnggggg fine
lanceylance: lance is sick → keith is responsible
**lanceylance:** lance is sick AND keith is sick → lance resumes role as responsible one

**kogayne:** Impulse Control

**lanceylance:** smh what would you do if we weren’t dating, what if we weren’t even friends

**kogayne:** shiro is then my impulse control

**lanceylance:** but he doesn’t go to school with us

**kogayne:** theeeeeeep i probably would’ve been expelled already

**lanceylance:** dammit keith

**kogayne:** ¯\_(ツ)_/¯

**lanceylance:** smh sit tight i’ll be done here soon

**lanceylance:** maybe if you’re good we can stop at dunkin

**kogayne:** don’t patronize me like i’m five

**lanceylance:** pls the only 5 you are is on a scale of one to four

**kogayne:** :)

---

*keep away from the prying eyes of klance*

(3) photos from *takashmeoutside*

**takashmeoutside:** finally, they Rest

Filiae Domini

Artemis mourns with bared teeth and ripped targets-turned-quivers
every girl victim to terror and coercion and lies,
manipulation, self-doubt, scrutiny, scandal, every girl paralyzed;
You are safe with me, and the arrow strikes home. I am now your caregiver.

Athena attacks with a balance, justice and calculated derision.
Disbelief and patronization, Athena hurls back at her tormentors;
tears them a new one, rips ideas to pieces and reconstructs from the ground up,
a reputation built on needle-heads with unparalleled precision.

Persephone’s smiles are sickly-sweet as the flowers that led her to the Underworld
as she takes a seed, two, three then four, five then six, and knocks them back.
My destiny is my own, and I have decided this:
a life reclaimed, a chosen path unfurled.

Aphrodite leads with frills and lace and half-lidded eyes—
some call them seafoam, others sapphire, still others veridian—
a connection established, this might be love, until Aphrodite turns;
love is a game, play and play wise.

We are more than your daughters,
more than saucer-eyed lambs raised for slaughter.
Sister, daughter, mother, aunt, cousin, friend;
do not be surprised when the goddess has had enough, and strikes back.

anyway thanks

for everyone reading sgd, since i’m feeling generous, here’s a hint for chapter 18 (when's it coming? idfk): Local Gay Space Emo Wants To Fight Disembodied Robot Voice
if you're not reading sgd, or dsn in general, you should, here's wpgtd, the first fic in the trilogy :)
happiness doesn't last forever kiddies

hunkerdunker: yes, actually

hunkerdunker: i have robitussin
lanceylance: why do you have /robitussin/

hunkerdunker: i came prepared

hunkerdunker: i may have dropped boy scouts after fourth grade but i did not drop my preparedness

lanceylance: ...this is good to know, actually

hunkerdunker: that doesn’t mean you can go and be reckless and expect me to give u band aids and medicine every other day

lanceylance: u better be talking to keith and not me

hunkerdunker: @ both of you

hunkerdunker: and @ PIDGE

carrierpidgeon: excuse me?

carrierpidgeon: I HAVE NEVER DONE ANYTHING THIS YEAR TO WARRANT THIS

hunkerdunker: it’s just a matter of time

carrierpidgeon: I AM OFFENDED

hunkerdunker: don’t ask me for advil next time you have a headache bc you’re not sleeping properly

carrierpidgeon: unfriended blocked reported

Drama & Crew 2017

dinezor: did it just hit anyone else, like for real, that the show is in under a month

dinezor: what are we doing about the ad book

dinezor: what about sets

dinezor: SANDWICH BOARDS?

dinezor: COSTUMES???

floronawiththecorona: don’t forget we have to be off-book by the monday after thanksgiving break

madplax: that’s so soon kms

lanceylance: we’ll have had (6) rehearsals before then

dinezor: WHY DID WE START SO LATE, WHY CAN’T WE GO BACK TO DOING AUDITIONS IN SEPTEMBER AND BEGINNING REHEARSALS IN OCTOBER
madplax: i don’t make the decisions here

lotoreal: are we actually going to pull off this show?

lanceylance: i will cut off my right foot to make this show happen if it comes down to it

lotoreal: that was...oddly specific.

hunkerdunker: that’s just lance

lotoreal: ...i see…

madplax: also, lance,

lanceylance: yeaaaah?

madplax: if you get this whole cast sick you’re dead to me

lanceylance: wow just expose me to the whole group chat

lanceylance: at least it’s not the week of the show, do you remember the musical last year

madplax: HELL ON EARTH

hunkerdunker: you all drained my supply of cough medicine

lanceylance: i wish i knew of your supply of cough medicine

shayfromstatefarm: all because of myzax, had to go get the WHOLE CAST SICK BC HE WOULDN’T STAY HOME

lanceylance: are you trying to say something here, shay

zethridofmyproblems: if you become the myzax of this production

lanceylance: I WOULD NEVER

lanceylance: listen, if we all get sick now, there’s less of a chance we get sick again the week of the show, so like,,,

madplax: i feel like there’s flawed logic in there somewhere

hunkerdunker: as usual

lanceylance: fuck u hunk

hunkerdunker: no thanks i have a gf

lanceylance: :O

lanceylance: are u trying to earn cool points by roasting me in front of everyone

lanceylance: [clutches chest] i am Wounded
kogayne: okay lbr the reason everyone got sick last year was bc we were all crammed in the auditorium and choir room for like, 6+ hours every day after school

kogayne: this week is only like, 2 hours a day so far

kogayne: and we’re not all stuck in the choir room doing makeup and costumes

kogayne: so i mean, like,,,,, u shouldn’t really get sick this week

madplax: boi u don’t have to kiss lance during staging

dinezor: ^^^^^

lanceylance: mmmmm but he wishes he did

carrierpidgeon: is no group chat sacred

acxalutelynot: ez, if lance gets you sick, you’re staying very far away from me

dinezor: i will become the clingiest bitch in the game

acxalutelynot: lance, if i get sick,

lanceylance: NOT MY FAULT SHHHHHHHHHHHHHHH

lanceylance: i’m almost better anyway, and we haven’t staged any kiss scenes yet

dinezor: define “almost better”

lanceylance: i’m in that stage where my nose gets clearer when i blow it instead of feeling 10x stuffier

lanceylance: and also my cough is dry

dinezor: good to know

lanceylance: KEITH ON THE OTHER HAND

kogayne: why

lanceylance: because i can

lanceylance: someone help him

kogayne: >:\

lanceylance: :)

floronawiththecorona: so is rehearsal gonna run long tomorrow to compensate for us losing out on today

madplax: i wish i had an answer

lotoreal: i wish we had a coherent schedule, so i could plan my life.
lanceylance: i try to be flexible, both physically and metaphorically

carrierpidgeon: and we’re going to leave it there

(2) photos from lanceylance

lanceylance: they were already sending whoops

carrierpidgeon: you are already dead to me

lanceylance: u little shit i got u coffee this morning

carrierpidgeon: ;)

lanceylance: why are we friends

carrierpidgeon: because of keith and hunk

zethridofmyproblems: really?

hunkerdunker: space nerd squad

kogayne: yeah our families have a history

kogayne: tldr pidge is basically my little sister

kogayne: even when she’s a pain in the ass

 carrierpidgeon: i have to stay on-brand

madplax: doesn’t everyone nowadays

carrierpidgeon: sometimes brands evolve, my evolution will come eventually

madplax: i wish the evolution of this show would come

madplax: aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

hunkerdunker: i have so many monologues to memorize :( 

madplax: better be done by the 27th have fun

hunkerdunker: “fun” hahahahahahaha good one

kogayne: okay

kogayne: you’re okay

carrierpidgeon: whyis tsitl afeciting me

kogayne: suppression and being over it are two different things

kogayne: there are a lot of things i thought i was over but really just suppressed

kogayne: ignoring things or acting like they didn’t happen doesn’t just make them go away

kogayne: has this happened before? between the Thing and now?
carrierpidgeon: no

carrierpidgeon: if elel so wkea

kogayne: you’re not weak

kogayne: this is normal

kogayne: we’re gonna get through this, i promise

kogayne > mattata

kogayne: pidge had a mental breakdown

kogayne: from what she told me i’m pretty sure she was watching a movie in english and some scene triggered a breakdown over what happened in the woods

mattata: oh my god

mattata: does she need to be picked up??

kogayne: no

kogayne: there’s only one period of school left, she wants to stay

mattata: are you with her right now?

kogayne: no, she was in the bathroom, i sent shay

mattata: i was waiting for the day this caught up to her

mattata: tbh i found it weird that she liked, stopped saying anything after the police interview, but i didn’t wanna just be like “HEY REMEMBER THIS TRAUMATIZING EVENT YEAH WHY DON’T YOU DISCUSS IT”

kogayne: yeah i understand

mattata: hbu, how are u holding up

kogayne: i’m okay

kogayne: at the moment, i’m more worried about her

mattata: alright

mattata added kogayne, takashmeoutside, allurable, lanceylance, hunkerdunker, and shayfromstatefarm to Protect Pidge 2k17

hunkerdunker: ^^^^^

mattata > takashmeoutside
mattata: :( 
takashmeoutside: i know
mattata: we still don’t know who did it, do we
takashmeoutside: i haven’t heard from the police since they interviewed keith and pidge, but as far as i know, the investigation is still open
mattata: those assholes are still roaming free and i am angry
mattata: if i could catch them myself i would
takashmeoutside: me too

lanceylance > carrierpidgeon
lanceylance: hey pidgeon

mattata: hey kiddo, you okay?

carrierpidgeon: i guess

carrierpidgeon: please don’t baby me

mattata: i’m not trying to, just checking in

carrierpidgeon: i know, i just

carrierpidgeon: i feel weak

carrierpidgeon: like emotionally

carrierpidgeon: keith already told me i’m not weak and that this is normal but,,

carrierpidgeon: :

mattata: keith is right, you’re not weak

mattata: you’re one of the strongest people i know, and i’m proud to call you my sister

mattata: we worked on rover, i convinced her to sit down and talk with our parents
mattata: they’re looking into counseling
mattata: they wanted to a month ago but pidge wouldn’t go through with it, but she’s finally opening up to it

takashmeoutside: keith was the same way

lanceylance: gotcha
hunkerdunker: hunk, shay, allura, go to sleep bc there’s school and work tomorrow
hunkerdunker: okay hunk!
allurable: i’m not going to work tomorrow, i’m sick

lanceylance: dude, i am saying this to you as your boyfriend and as someone who cares about your health: please get counseling

lanceylance: i saw your texts with pidge during study, i know you’ve been suppressing it too

Chapter End Notes

when will the ability to pop my ears return from war
(it's been 3 days, they're so pressurized, sos)

also, that part in "the play" on the bmc soundtrack where everyone just starts screaming?
that's Relatable as fuck

ALSO SO THAT BIT ABOUT THE CAST GETTING SICK THE WEEK OF THE SHOW

lemme set the scene: it is the week of our opening night. we are putting on the sound of music. captain von trapp gets sick at the end of tech week.
by the following monday, half the cast has caught his disease. by thursday, opening night, pretty much all of the leads (captain von trapp's friends, including myself) are coughing up lungs, chugging cold medicine, eating cough drops like they're candy, and drinking water to the point we're peeing every half hour. all of us end up on voluntary vocal rest during the school day just so we can ruin our voices at the show. by the finale of closing night, half the cast can barely talk bc we're losing our voices. it was a MESS i hope it doesn't happen again this year jeez louise
drug dog day

hunkerdunker: throw it back, this is what happens when the administration puts us in an enclosed environment for longer than usual

carrierpidgeon: hunk is advocating violence this is where i log tf out of this reality bc it’s the wrong one

hunkerdunker: it’s paper

carrierpidgeon: all they’re gonna find in mine is goldfish and unfinished english homework but okay
lanceylance: all i have is lotion and stress
mattata: why do you have lotion
lanceylance: so my stress wrinkles go away
kogayne: nothing but cough drops and desperation
allurable: ah keith with the hard drugs

Chapter Summary

counseling didn't go well.

Chapter Notes

okay so one, sorry this is going up so late on a sunday night
two, this is a pretty sensitive chapter and i need to put disclaimers
1. i've never been to therapy myself, but i've had friends who had, and i did some research on how a session is supposed to go down (also, all of my friends who have had therapy have, most of the time, hated it, so i mean...i hope i'm not too far off) so just call me out if i fucked up
2. i have some ~mildly political opinions~ in this chapter, but especially in one section with pidge, shay, and allura, you don't have to agree with them but please don't blow up in the comments section like "nOT ALL MEN" or something like that, i'm an ace girl writing from the pov of an ace girl on rape culture so i mean !!!!
3. i don't have a third thing this is me just fulfilling the rule of threes,,, uhhhhh if anything is super problematic lemme know???? thanks

See the end of the chapter for more notes

kogayne > carrierpidgeon

kogayne: good morning

carrierpidgeon: i don’t wanna do this

kogayne: yeah me neither, but it’s supposed to help

carrierpidgeon: hhhnnn i know

kogayne: am i picking you up? are your parents picking me up? are we meeting up?

carrierpidgeon: matt’s bringing me, we can pick you up

kogayne: is matt there to make sure we actually go and don’t skip

carrierpidgeon: maybe

kogayne: of course

kogayne: alright

carrierpidgeon: we’ll be at ur house in about 20, be ready
carrierpidgeon: GREAT NEWS EVERYONE

carrierpidgeon: I NEED A DIFFERENT COUNSELOR BECAUSE /WHAT THE FUCK/

kogayne: a trainwreck

takashmeoutside: i’m almost afraid to ask

mattata: it was so bad we literally got up and walked out

carrierpidgeon: MMMMMMMMMMMM I’M SO PISSED

carrierpidgeon: I AM NOT IN A GOOD ENOUGH HEADSPACE TO TALK ABOUT THIS

Protect Pidge 2k17

mattata: before anyone freaks out and spams pidge’s phone, she /really/ doesn’t wanna talk to anyone

mattata: she’s with me, she’s currently killing off every character in until dawn to release her frustration

mattata: but seriously, she doesn’t want to talk to anyone

mattata: don’t text her

allurable: what happened?

mattata: a lot

kogayne: okay so we start this whole thing off by walking in, and the counselor goes “i’m sorry, i’m supposed to be talking to a katie right now?”

shayfromstatefarm: oh jeez

hunkerdunker: was the counselor,,,

kogayne: oh of course he was

hunkerdunker: mm there we go, there’s problem 1

kogayne: so pidge goes, “i’m katie.” and the counselor’s like, “...you’re a girl?”

lanceylance: yikes

hunkerdunker: ???????????????? how the fuck

mattata: the haircut
mattata: he’s like “oh, sorry, you have a boys’ haircut”

kogayne: so pidge already didn’t like this guy and neither did i

kogayne: so afterward matt and i introduce ourselves and the guy looks at matt and pidge and is like “okay, so you two appear to be...siblings” like he had this pause bc he wasn’t about to misgender two people in 5 minutes

kogayne: and they’re like “yep”

kogayne: and he looks at me and goes “and who are you?” and i’m like “i’m keith”

kogayne: AND THIS GUY GOES

hunkerdunker: oh no

kogayne: “oh, are you her boyfriend?”

hunkerdunker: NOOOOOOOOO

shayfromstatefarm: YIKES

takashmeoutside: holy shit

kogayne: so i look at matt, and i look at pidge, and i have to calmly explain to him,

kogayne: “sir, i’m gay.”

lanceylance: DSFGDSADTHNGFDGS DID YOU ACTUALLY SAY “SIR I’M GAY”

kogayne: with the most deadpan look i could muster

kogayne: SO THEN

allurable: please don’t

kogayne: THIS GUY LOOKS AT ME, AND LOOKS AT MATT,

allurable: NOOOOO

mattata: the Worst

kogayne: “…so you’re /his/ boyfriend”

mattata: “i’m seven years his senior and dating his brother, sir”

kogayne: “so...why is he here, exactly?”

takashmeoutside: HOW DOES THIS GUY HAVE A JOB HOLY FUCK

kogayne: we don’t fucking know

kogayne: so pidge is like “this is my session can we begin please, he’s here for moral support” and i mean, i’ll give the guy a little credit, he looked /really fucking embarrassed/
mattata: so we begin the session and pidge is already getting anxious, actively thinking about and recounting what happened

kogayne: she omitted the part where we were cryptid-hunting and just told the guy we were hiking and got off-trail while running away from would-be attackers

mattata: then she got to the part where they got to that dropoff that they fell down and explained how these guys were closing in and taunting her and knocked keith out and accidentally shoved him down the dropoff, and pidge went after him

mattata: and talked about how she broke her arm and he got his concussion and other injuries and stuff and how she literally thought they were going to die

kogayne: and she talked about how it was nighttime by the time you guys and the cops found us and we got taken to the hospital

kogayne: and throughout it all she was talking about how terrified she was bc she’s never been that vulnerable, she’s been to these woods before, she thought she was safe, all that emotional stuff

mattata: by the end of it she was having a full-blown anxiety attack, it was awful

kogayne: this guy must have a fuckign script or something and was still too embarrassed about the beginning of our thing to even be like, sympathetic or whatever, he’s just like, “and how has this situation impacted your life so far?”

mattata: mind you, she is having an anxiety attack

mattata: she just looks at me and keith

kogayne: my heart broke

mattata: so i stepped up and explained how like, she’s suppressed it and then it came out the other day and her emotions have been all over the place since

mattata: and how she’s lowkey afraid to be alone near any man over the age of like, 25 that isn’t immediate family or someone she feels comf with, like her teachers

kogayne: so this fucking genius has a brilliant idea for pidge

shayfromstatefarm: oh no

kogayne: it must’ve clicked with him, “hey, i’m a man not related to her over the age of 25”, so he advised exposure therapy/ for her to get over her fear of men/

allurable: what the fuck

takashmeoutside: wrong move wrong move wrong move wrong move

shayfromstatefarm: does he mean live her everyday life/

kogayne: then he said we should go back to the exact spot we fell down to make our peace with it

shayfromstatefarm: i’m losing my shit right now how is someone that dense
hunkerdunker: are we sure this guy even has a license

kogayne: idk tbh

mattata: and at this point even pidge, through a fucking anxiety attack, knows this guy is spewing bullshit and honestly it’s making things worse so we have to “step out”

kogayne: these fuckers left me alone with the guy

kogayne: and he turns to me and asks me about how i felt about everything

lanceylance: oh jeez

kogayne: and about how i felt about these men coming onto me

lanceylance: hE DIDN’T

kogayne: i literally walked out and told him he’d get his money but we were done

kogayne: matt dropped me off at home and now i guess he and pidge are in their basement playing until dawn???

kogayne: it was a fucking disaster i don’t know how that guy has a job

takashmeoutside: was he flustered

kogayne: mmhm

takashmeoutside: he was probably nervous and started saying the wrong things

takashmeoutside: i mean, that’s no excuse, he should be acting professional, but it offers an explanation

mattata: either way, we’re not going back to that guy, my parents are LIVID

shayfromstatefarm: HOW DOES HE HAVE A LICENSE

kogayne: idk but he should get it revoked tbh

mattata: does anyone have any suggestions for good counselors to go to

allurable: wait, did you guys actually look into who pidge was going to see

mattata: my dad did

mattata: pidge wasn’t having it, remember

allurable: what was the guy again

(3) photos from mattata

allurable: mmm okay bc if you look at some of his reviews

allurable: “awful” “worst therapist i’ve ever had” “revoke his license” “this guy is the reason i have
a therapist, he was that bad”

**mattata:** WHAT WEBSITE DID MY DAD EVEN LOOK AT THEN

**allurable:** probably this one, a few of the top reviews are positive but the likers look like they’re bots

(1) link from **allurable**

**mattata:** fucking old people and the internet i swear

**mattata:** alright from now on my dad is banned from looking into counselors for pidge

**takashmeoutside:** i’ve gotta find the therapist i had back in college, she was a wonderful woman

**takashmeoutside:** lemme do some quick googling

**mattata:** !!!! i remember you talking about her! you always seemed a lot better after your sessions

**takashmeoutside:** AHA

(1) link from **takashmeoutside**

**allurable:** she’s getting excellent reviews

**mattata:** good

**mattata:** i’ll have to talk to pidge and my parents, not now tho, obviously

**kogayne:** obviously

**lanceylance:** tell her we hope she feels better!!

**mattata:** will do

**lanceylance:** can you also let us know when she’s willing to have contact with other people again??

**mattata:** sure

**mattata:** just don’t go spamming her all at once

**lanceylance > kogayne**

**lanceylance:** meanwhile, how are you doing

**kogayne:** could be better

**kogayne:** could be a lot better

**kogayne:** pidge tore my heart out and now i really can’t stop thinking about what she said when she was retelling everything

**kogayne:** and she didn’t even tell us??? that being around older guys is scaring her???
kogayne: obviously it’s up to her what we do and don’t know but now i’m thinking of all the times since then she’s been near older guys where we didn’t do anything bc we didn’t know

kogayne: that halloween party?? the photo studio?? the mall??

lanceylance: i’m like 99% sure she mixed up the definitions of suppress and repress now that i think about it

lanceylance: suppression is a conscious decision to just *not think about it* but repression is where you subconsciously tuck it away until something triggers it, like you literally forget it happened

kogayne: ?? what makes you think so

lanceylance: like, on a conscious level, she knew something bad happened in the woods, but i think she forgot what *actually happened*

lanceylance: she said herself, immediately after, that she didn’t remember all of the details to recount to the cops

lanceylance: and then, once she talked to the cops about it, i think somewhere in her mind she got the idea that it was done and over with, and she tucked it away

lanceylance: so something would subconsciously trigger her to be fearful of older men, but she wouldn’t be able to pinpoint it

lanceylance: up until the movie in english brought everything flooding back

lanceylance: whereas you and i have talked about it, you were /suppressing/ it

lanceylance: you’ve actively been making the decision to talk or think about it as little as possible, and any time you’ve gotten into a situation that stresses you out bc of it, you haven’t said anything, you’ve just pushed through

lanceylance: which, on that note, pls stop doing that, pls let me help you

kogayne: i don’t mean to i just

kogayne: don’t like opening up, especially when there are other people who could benefit from the attention

kogayne: like pidge

lanceylance: one person’s suffering doesn’t cancel out another’s

lanceylance: if pidge could see these texts she’d flip out on you

kogayne: i know

lanceylance: i mean, i know i’m one to talk, i know i withdraw too, but,

lanceylance: hhhh

kogayne: i know, i know
kogayne: we’re both trying, and we’ve both got ways to go

kogayne: we can help each other

lanceylance: yeah

lanceylance: i’m sorry if it’s coming off like i’m pushing you

lanceylance: i just hate seeing you in pain

kogayne: it’s okay

kogayne: hey um

kogayne: can you come and get me?

kogayne: i need to be out of the house but i really don’t trust myself driving right now

lanceylance: yeah, i’m leaving right now, i’ll be over in a few minutes

lanceylance: i love you

kogayne: thanks lance

kogayne: i love you too

amazons™

carrierpidgeon:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

shayfromstatefarm: i would ask “how are you” but i don’t think i should

carrierpidgeon: I HATE

carrierpidgeon: I JUST

carrierpidgeon: I AM HAVING WAVES OF ANGER I DON’T KNOW WHERE TO DIRECT THEM I JUST HATE

carrierpidgeon: I’VE ALREADY KILLED THE ENTIRE CAST OF UNTIL DAWN TWICE

allurable: do you wanna vent

carrierpidgeon:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

carrierpidgeon: i really fucking hate the counselor i went to see and i’ve been freaking the FUCK OUT ever since

carrierpidgeon: I HATE IT
carrierpidgeon: I wish this stupid situation wouldn’t affect me anymore. I hate that I had to go through this. I hate that it happened. I hate

carrierpidgeon: And like

carrierpidgeon: It’s shit like entitled boys and men who think they own my sexual experiences. That make these things happen and make other guys think this shit is fucking okay to do.

carrierpidgeon: Like when Paul came at me that one day in the cafeteria? And told me that I couldn’t be asexual because I hadn’t had sex yet? Why do I have to have sex to know I won’t like it and I don’t desire it?

carrierpidgeon: Can you imagine if those guys in the woods had known the taunting would’ve been so much worse, they were already threatening nasty things and I just

carrierpidgeon: I feel gross

allurable: Number one, I’m so sorry you even had to go through this at all. I wouldn’t wish this on my worst enemy.

allurable: Number two, you’re still young. It’s okay to be affected like this. This is a normal experience and (unfortunately) you’re definitely not alone.

allurable: Number three, if you feel gross, take a long shower.

allurable: If you have violent urges still pent up, release them physically instead of through a video game. Punch a pillow, find something you’re allowed to break and break it as hard as you can.

allurable: I agree, the culture around female sex is so entrenched in entitlement and misogyny that it’s become extraordinarily unsafe. We need to educate and make clear that our bodies are our own, even if it seems like a losing battle. We’re here for you. We’re always here for you.

shayfromstatefarm: ^^^ Don’t be afraid to speak up, either.

shayfromstatefarm: Suffering in silence will only make it worse for yourself. Talking things out like this is healthy, and it builds your support network.

shayfromstatefarm: And if anyone tells you otherwise, let us know. We’ve got your back.

allurable: Do you want me to come over?

carrierpidgeon: Hhhhhhhhhhh it would help having another girl here besides my mom, she’s been babying me this whole time, up until I started screaming about wendigos.

carrierpidgeon: Can both of u pls come over,,,, or like, bring me somewhere else.

allurable: I can bring you both back to my place. I’m the only one home at the moment.
carrierpidgeon: thanks, allura

carrierpidgeon: thank you guys so much

carrierpidgeon: <333

shayfromstatefarm: <3

allurable: <3

allurable > mattata

allurable: did your sister tell you i’m coming to pick her up

mattata: no, the last thing she told me was “i’m going to fucking feed these dicks to the wendigos if it’s the last thing i do, fuck mike’s crusty white boy ass”

allurable: oh cool, i’m coming to pick her up, we’re gonna go get shay, and then we’re going back to my place

mattata: okay

mattata: thanks for helping her out like this

allurable: of course!!

lanceylance added shayfromstatefarm and hunkerdunker to CRYPTKID DEFENSE SQUAD

lanceylance: OKAY SO ON MONDAY WE’RE NOT LETTING ANYONE NEAR PIDGE OR KEITH

lanceylance: NOT LOTOR, NOT HIS SQUAD (...okay so /maybe/ his squad is okay but nOT LOTOR)

lanceylance: DEFINITELY NOT ROLO, NYMA, OR PAUL AND HIS CRONIES

hunkerdunker: i’ve always been an advocate for peace but right now i can feel every violent urge i’ve ever suppressed fighting to get free

shayfromstatefarm: we’ve got their backs

shayfromstatefarm: i really hate that we need group chats like this

lanceylance: don’t i know it

takashmeoutside > kogayne

takashmeoutside: how are you doing
kogayne: i’m okay i guess

takashmeoutside: you sure? what are you doing right now?

kogayne: lance and i are in the treehouse in his backyard

kogayne: just relaxing

kogayne: i still don’t feel 100%

takashmeoutside: i didn’t expect you to

takashmeoutside: this is gonna take time to come back from

kogayne: i’m just angry, i guess

kogayne: this happened over a month ago, and it’s just now choosing to come back and bite us in the ass???

takashmeoutside: often these things never truly go away, even if you think you’re past it

takashmeoutside: there are some days i can’t even get in a car, if i’m being honest

takashmeoutside: it’s about learning to cope with it

kogayne: i should be coping with it

kogayne: don’t be hard on yourself

kogayne: i have no problem being back in the woods, i have no problem being around older guys, i have no problem talking about sex, sO WHAT IS MY PROBLEM, WHY DO I STILL GET ANXIETY OVER THIS

kogayne: maybe you’re not even worried about yourself so much as you are about pidge

takashmeoutside: or maybe you’re worried about how people will perceive you two and the situation?

kogayne: i don’t know

kogayne: i wanna be past this

takashmeoutside: i know

takashmeoutside: it’s going to take time, keith

takashmeoutside: take it as it comes

takashmeoutside: you’ve got a good support network

takashmeoutside: we’re all here for you

kogayne: ...yeah i know
kogayne: thanks

takashmeoutside: always

takashmeoutside: now, what’s the situation for dinner, are you coming home, staying over there, getting takeout,,

kogayne: shiro, i love you, but i hate your cooking

takashmeoutside: i hate my cooking too

takashmeoutside: want me bring home a few roast beef sandwiches from work

kogayne: sure

kogayne: uh, can it just be us tonight

takashmeoutside: if that’s what you want, sure

kogayne: yeah, i uh, i told lance i just wanted to hang out with you tonight

takashmeoutside: that’s fine

takashmeoutside: any ideas in mind

kogayne: have you started buzzfeed unsolved yet

kogayne: good, you’ll be with the boogaras in no time

takashmeoutside: whatever you say, kiddo

<3

mattata: so

mattata: it’s been a day

allurable: no kidding

mattata: how’s pidge

allurable: she’s helping shay run lines for the show, she seems to be okay right now

allurable: it helps that she’s distracted

allurable: we talked through the situation, tho

allurable: she’s trying to make peace with it

mattata: good to hear
mattata: hey shiro, how’s keith

takashmeoutside: he got home from lance’s house, we had a rant session, i discovered he has a dartboard for his knives that he only uses when he’s super frustrated, and now we’re watching bu

mattata: so are you a shaniac or a boogara

takashmeoutside: don’t tell keith i’m a shaniac

mattata: lmfa0

mattata: so he’s doing okay right now?

takashmeoutside: yeah

allurable: the police still haven’t found the guys, have they?

takashmeoutside: not as far as i know

takashmeoutside: i do have some good news, tho

allurable: unrelated to this whole situation

allurable: spill, we could use something positive

takashmeoutside: i got the job back at target

takashmeoutside: today was my last day at the restaurant

mattata: fUCKING FINALLY

mattata: when do you start

mattata: nlCE

allurable: congrats shiro!!

mattata: thanks

mattata: so when do we break the news to the gc

mattata: i’m gonna wait until pidge and keith are both feeling better

allurable: good call

mattata: okay, i’m gonna go, keith is yelling at me

allurable: alrighty goodbye <3

mattata: see ya later shironater

mattata: pls never ever say that ever again i’m embarrassed on your behalf

lanceylance: it’s that day again

hunkerdunker: astute observation

hunkerdunker: it’s quite fascinating, please elaborate

lanceylance: i can’t believe my best friend is sassing me before 8 AM on a MONDAY you're doing me so dirty right now

hunkerdunker: you had to point out that it was a monday, i was perfectly content living the delusion that it was wednesday

shayfromstatefarm: wednesday?

hunkerdunker: yeah

hunkerdunker: school today, school tomorrow, half day wednesday, and then we’re off till next monday, SO

hunkerdunker: i was perfectly fine pretending that today was wednesday, tomorrow was thursday, and wednesday was friday

hunkerdunker: EFGHRDGSFHGYJMHNGFD

shayfromstatefarm: if only we could have mondays as entertaining as that, all we’ve got in store is homework and bitterness and teachers cramming before the holiday

lanceylance: BEST BRO BEST FRIEND IT’S A TWO-PLAYER GAME SO WHEN THEY MAKE AN ATTACK YOU KNOW YOU GOT A BROTHER GONNA HAVE YOUR BACK

shayfromstatefarm: and who’s making the attack in this case

shayfromstatefarm: mood of the week

shayfromstatefarm: i think i’m applying to my colleges by friday

shayfromstatefarm: i’m gonna take advantage of this thanksgiving holiday

lanceylance: same

lanceylance: which means today tomorrow and wednesday i’m cranking out essays, then wednesday night i’m collapsing in a puddle of my own blood sweat and tears

hunkerdunker: well that wasn’t graphic at all

lanceylance: i speak only the truth

takashmeoutside: you’ll be fine, you’re not going to collapse in a puddle of your own bodily fluids

mattata: i think i prefer lance’s wording omfg

mattata: “bodily fluids” jfc shiro

mattata: you make it sound like a crime scene or something

takashmeoutside: :|

lanceylance: college stuff is just stressful bUT I HAVE TO GET INTO THE GARRISON SCHOOL THIS HAS BEEN MY DREAM SCHOOL FOR Y E A R S

mattata: WOW RUDE

mattata: ...yeah he speaks the truth

mattata: have some faith in yourself

mattata: just get those essays done

mattata: i’m sure if you need help reading them through, the group chat can come together, or you can just send it to one of us

allurable: i can proofread!!!

mattata: people paid allura to write essays for them in hs and college

allurable: :) allurable: if i ever got screwed over or heard of clients harassing my friends i sabotaged their essays

shayfromstatefarm: iconic

lanceylance: I STAN AN ICONIC QUEEN

lanceylance: seriously tho, thanks guys

lanceylance: allura, i might take you up on that offer

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

allurable: didn’t we try to tell him the same thing

takashmeoutside: i suppose it’s more helpful coming from someone in the guidance office, who
does this every year

lanceylance: i actually feel confident about my ability to get into college now

shayfromstatefarm: good for you!!

lanceylance: hhhhh i feel so much better aaaaaaaaaaaaaah :

hunkerdunker: the group chat this morning: [consists mainly of lance screaming or otherwise just

lanceylance: u got it, love u, see u at lunch

kogayne: love you too

---

lanceylance > carrierpidgeon

carrierpidgeon: i mean, it’s a normal monday feeling, i’m doing science, i like science

carrierpidgeon: my class is full of the usual morons

carrierpidgeon: alright

carrierpidgeon: thanks for checking in

lanceylance: i’ll be doing it every period, just tell me if it’s too much and i’ll back off

lotoreal: tell me i’m not the only one who noticed the abrupt subject change.

acxalutelynot: could you maybe just leave them alone

acxalutelynot: for like one day

sippinganartini: what did i miss

dinezor: hunk and shay were being cute in the drama group chat and lotor was like “well usually kogane and mcclain are the ones being like this” and pidge changed the subject to chicken nuggets like, immediately

zethridofmyproblems: i’m like 99% sure they think lotor stalks them

lotoreal: i don’t stalk them!

acxalutelynot: you sent us to stalk keith freshman year

lotoreal: IT’S CALLED GATHERING INTEL

acxalutelynot: you’re acting like we’re like, i don’t know

dinezor: in space fighting a war against a galactic empire or something like that

dinezor: you need to be more chill

lotoreal: ...did you just
dinezor: you are jeremy, listen to your squip

zethridofmyproblems: wasn’t the entire point of the show that squips were evil and not to be trusted

dinezor: CHILL

zethridofmyproblems: you know, we could start a debate over this, or we could focus on the fact that it’s time for lunch and i’m HUNGRY

sippinganartini: must be nice having first wave

sippinganartini: I HATE FOURTH WAVE LUNCH

dinezor: third wave really isn’t any better

acxalutelynot: okay but fOURTH WAVE

takashmeoutside: and keith?
lanceylance: silent but eating

lanceylance > takashmeoutside

lanceylance: did he talk to you at all? he won’t really talk to me

takashmeoutside: depressive episode

takashmeoutside: he’s just too stubborn to go home or go to guidance

takashmeoutside: it’s nothing against you

lanceylance: i know

lanceylance: i just don’t think i’ve ever seen him this bad

lakashmeoutside: well, do you remember the day you were having it bad?

lanceylance: yeah, but i still ended up like, opening up a little for him

lanceylance: he literally /won’t talk/ and /won’t hold hands/ and /won’t be touched/ it’s sososososo bad what do i do

lakashmeoutside: you are giving him his space, right?

lanceylance: ofc what kind of boyfriend do you take me for

lakashmeoutside: just double-checking

lakashmeoutside: he doesn’t /want/ to be distant, i can tell you that

lakashmeoutside: but he also doesn’t have the patience for social interaction

lanceylance: i get it

lanceylance: i’m just worried

lanceylance: as usual

lanceylance: lance mcclain, worrier supreme

lakashmeoutside: he’ll come around, give it time

mattata > carrierpidgeon

mattata: and how are you today, dearest sister of mine

mattata: :O SPILL

carrierpidgeon: alright so i was still like, out of it when i first got to class but then about halfway thru first period when we’re still going over the lab procedures, this girl named sherrie leans over and asks if i’m alright and apparently she’s /really/ into chem??? i never noticed??? she’s got pink hair and she’s pretty cool actually

general group chat shenanigans on the last day before thanksgiving

Chapter Notes

HEY GUYS

so, uh, several things: sorry there was no tuesday chapter (we'll pretend it was just a relatively normal school day with keith recovering from his own feelings and usual gc happenings), sorry this is short, and also sorry this is going up at 12:40 AM eastern time on a thursday morning

on the bright side, i'm almost done with college app stuff before i officially apply!! and then it's a matter of time before acceptances/rejections come in!!

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: buenos días, luz de las estrellas

lanceylance: cómo estás

kogayne: do u have to be this cute this early

lanceylance: sí

lanceylance: now answer the question

kogayne: i’m good, actually

kogayne: no homework got done but it’s a half day so it’s okay

lanceylance: good to know, now that that Monday-Tuesday Depression Wave Of Crippling Sadness is over

kogayne: do u have to bring it up

lanceylance: sORRY SORRY SORRY

lanceylance: but you are??? you’re feeling better????????

kogayne: yes
lanceylance: and you’re coming to school????

kogayne: i thought that was obvious

lanceylance: \_/\(ツ)/_/¯

lanceylance: hey i know it’s still early but i wanted to ask before i forgot: what are you and shiro doing tomorrow for thanksgiving

kogayne: ,, ,, aaaaa every year since the accident we’ve usually either spent the day with the holts or the alteas

kogayne: i think this year we’re going to the alteas

kogayne: why

lanceylance: my mom was asking

lanceylance: bc, you know, we’ve reached that point in our relationship where our families are comf with each other and she knows that it’s just you and shiro so she wanted me to let you know,,, , you guys are invited this year

lanceylance: but of course i know shiro’s dating allura and i don’t wanna split u and shiro up on thanksgiving so if u don’t wanna come that’s fine just!!! let me know!!!!

kogayne: will do

lanceylance: also are we getting dunks

lanceylance: and also who’s driving who

kogayne: you’ve covered me the last few times, i’ll drive

kogayne: and yes to coffee

lanceylance: bet i’ll be waiting

kogayne: i’ll leave in about ten

kogayne: i love you

lanceylance: :) love u too mullethead

Lanceylance & the Lancers

lanceylance: today is a waste we are doing nothing i should’ve stayed home

hunkerdunker: calc

lanceylance: half the class is in band and they’re all gone, prepping for the pep rally

lanceylance: we can’t learn anything when everyone is gone, so ryner, THANK GOODNESS,
basically just gave us a study hall

kogayne: work on the homework due monday?
lanceylance: hahahahahahaha no that’s a sunday night problem
carrierpidgeon: this is why you’re barely managing a B- in that class
lanceylance: as long as it’s not a C+
hunkerdunker: you play a dangerous game
lanceylance: i got a B- for the quarter so the score is lance 1, calc 0
carrierpidgeon: for now
shayfromstatefarm: smh leave him alone, let him learn the hard way
lanceylance: SHAY
shayfromstatefarm: \_(_Ю_)/
kogayne: leave my boyfriend aLONE
carrierpidgeon: ah, klance is finally back in action

lanceylance: Y’ALL ARE STEALING MY EMOTICON YOU FAKE HOES
lanceylance: EVERYONE KNOWS FINGER GUNS ARE BI CULTURE

Respecting Women Juice

dinezor: why do you type like an old man
dinezor: with this air of like, superior intellect
lotoreal: because i can?
acxalutelynot: so anyway
zethridofmyproblems: what period are we getting called down for the pep rally
zethridofmyproblems: 5, right?
sippinganartini: 6 actually
zethridofmyproblems: ???? what the fuck

acxalutelynot: the school doesn’t seem to realize that that’s probably not enough time

dinezor: ¯\_(ツ)_/¯ that means period 6 is wasted while everyone waits to get called down which means even LESS work is getting done

lotoreal > kogayne

lotoreal: it appears you’re feeling better today

kogayne > lanceylance

(1) photo from kogayne

kogayne: do i even bother responding

lanceylance: turn on read receipts so he knows you’re not replying

mattata: pidge what the FUCK is your snap story right now

hunkerdunker: who thought this was a good idea

shayfromstatefarm: someone almost knocked me upside the head to get a tshirt

allurable: wait what’s going on my battery is low and i don’t feel like opening snap

hunkerdunker: someone thought it would be a good idea to throw free items into the bleachers at the pep rally as incentive to show up to the thanksgiving game tomorrow

hunkerdunker: people are apparently passionate about free tshirts

lanceylance: now see, if you had been smart like me and keith, you would’ve sat at the back of the bleachers, so all the madness is in front of you and can’t touch you

hunkerdunker: i still don’t understand how we left from the /same class/ and you still managed to squeeze back there

shayfromstatefarm: ^^^ they were all full by the time hunk and i got there

**hunkerdunker:** you /don’t/

**takashmeoutside:** you see, that realization fades with time as you realize that everything you do is
your last time doing something

**takashmeoutside**: last time being in that exact spot at that exact age with the knowledge you have now, last time ever seeing thanksgiving as a high schooler, last time being with that exact same group of people in the stadium,

mattata: LANCE is damian

mattata: KEITH is janis

mattata: SHAY is cady

lanceylance > kogayne

lanceylance: what, did u think i’d really expose? ;)

kogayne: i was THIS CLOSE to chucking your phone into the wall in full view of your family

lanceylance: my siblings would probably applaud you

lanceylance: lmfao are u ever gonna tell the others

**kogayne:** well, and you

**kogayne:** ...and your family

**kogayne:** wow i am sort of bad at keeping this a secret

**lanceylance:** my family is sworn to secrecy, if it’s any consolation

*Lanceylance & the Lancers*
hunkerdunker: dude how are you gonna go thru with our plans if you’re falling asleep

kogayne: something tells me lance won’t let me fall asleep

kogayne: just inject espresso directly into my bloodstream

carrierpidgeon: BIG MOOD

carrierpidgeon: CAN WE HIT UP DUNKS

shayfromstatefarm: are we gonna find an open one anywhere

kogayne: there’s gotta be a 24 hour one somewhere in the mall

allurable: hold on

mattata: what are you hooligans up to

carrierpidgeon: that’s rich, coming from the biggest hooligan in the group chat

hunkerdunker: nothing really, just some midnight shopping shenanigans

takashmeoutside: YOU FUCKERS ARE PART OF THE REASON I’M GOING TO BE A ZOMBIE ON MY SHIFT /TOMORROW/

kogayne: hold up, you’re working tonight,,, and then they expect you to go /back/

takashmeoutside: i get out at 1ish. i have to be back for 8.

shayfromstatefarm: yikes™

lanceylance: oof

allurable: i suppose i’ll be running you and matt coffee tomorrow

takashmeoutside: allura, light of my life,

mattata: fiona to my shrek,

allurable: yeah yeah i’ve got you two covered

lanceylance: they’re so whipped

carrierpidgeon: need i pull up the screenshots of your cheesy nicknames for cryptid kogane over here

carrierpidgeon: OH HEY SPEAKING OF CRYPTIDS

carrierpidgeon: i have a new counseling session scheduled for saturday, with shiro’s college therapist

carrierpidgeon: keith, matt, you’re coming

mattata: i’m going to be so dead on saturday but okay
kogayne: sure

carrierpidgeon: i’m pretty sure nothing can be worse than the first guy so i’m slightly more optimistic here

takashmeoutside: she’s a good woman, i think you’ll like her

carrierpidgeon: i sure hope so

carrierpidgeon: ...okay can someone change the subject now before i start thinking about things

lanceylance: HUNK WHAT TIME ARE YOU PICKING EVERYONE UP

hunkerdunker: i dunno, in about three, four hours?

hunkerdunker: chill out for now

lanceylance: are we taking the old nissan or the minivan

hunkerdunker: considering there are five of us and we’re probably gonna buy stuff, minivan

lanceylance: DIBS ON THE BACK WITH KEITH

carrierpidgeon: good, the middle seats are separated, i can be all by myself

shayfromstatefarm: i’ve got claim on shotgun

takashmeoutside: i feel like i should be slightly more concerned about this but there is a growing mob waiting to get in the store, and unlike matt, i do not have the luxury of being on cashier duty

kogayne: are you /opening/

mattata: lmao no he’s on restock duty

mattata: /sendak/ is opening

lanceylance: rest in pieces fucker

H(ell)igh School

hunkerdunker: okay here’s the plan

hunkerdunker: i’m leaving now

hunkerdunker: i’ll get shay first, just because she’s the closest and also my girlfriend, then i’ll get pidge, and klance’ll be the last to be picked up

carrierpidgeon: ^^^ solely so we spend the least amount of time possible listening to you two suck face in the back seat

lanceylance: excuse me, we were just gonna cuddle and be soft, but now that you’ve insulted us
hunkerdunker: [long sigh]

shayfromstatefarm: same.jpeg

hunkerdunker: anyway

lanceylance: >:/

hunkerdunker: after we get you all, we hit the mall, and if dunkin isn’t open, starbucks in target probably is

lanceylance: STARBS, REALLY

hunkerdunker: suck it up

hunkerdunker: FUCK

hunkerdunker: I MEAN SHIT FHVUDJDGFDBRE

carrierpidgeon: STOP GIVING HIM IDEAS SHUT UP

lanceylance: ………

lanceylance: hey keeeseeseeseeseeseeth~

kogayne: hunk this is your fault

hunkerdunker: i live with my regrets every passing day

hunkerdunker: ANYWAY, i’m on my way

kogayne: you did not just rhyme that

lanceylance: NEW CHALLENGE

carrierpidgeon: CAN WE ADD MONEY

lanceylance: YES mostly because i know i won’t lose be i’m good at this sort of stuff

shayfromstatefarm: i have concerns

carrierpidgeon: GO FOR IT, IT’LL MAKE UP FOR EVERY TIME YOU GROSSLY FLIRT WITH KEITH

lanceylance: the rest of this group chat, from now until 12 AM saturday, must be in rhyme

hunkerdunker: what if we choose not to text in this group chat

lanceylance: i will be very mad at that

lanceylance: we’ll just have to transfer the game over to there

lanceylance: as it’ll be the only way to make it fair
lanceylance: two lines must rhyme, back to back,

carrierpidgeon: ruin it, and you’ll catch flack

carrierpidgeon: you’re out when you break the chain

carrierpidgeon: and because of our motto, no pain no gain,
lanceylance: losers owe ultimate winner twenty bucks

carrierpidgeon: and that’s EACH, our friends, GOOD LUCK

kogayne: i hate both of you

hunkerdunker: what have we just agreed to do

Lanceylance & the Lancers

takashmeoutside: we were supposed to close at midnight
takashmeoutside: tell me why it’s 12:30 and we’re still hunting down customers
lanceylance: hello, takashi allura and matt
lanceylance: you three are not rhyming, and we are doing just that
carrierpidgeon: it’s a game we created,
lanceylance: and we might’ve been berated
(2) photos from kogayne
kogayne: i hate this game
kogayne: i think it’s lame
mattata: A RHYMING GAME BEING PLAYED IN THE CHAT?
mattata: WHAT A SITUATION, WOULD YOU LOOK AT THAT
takashmeoutside: i didn’t agree to this
kogayne: if we don’t rhyme it’s our cash we’ll miss
takashmeoutside: I AM NOT SUFFERING THROUGH BLACK FRIDAY JUST TO BE TOLD I HAVE TO COUGH UP CASH FOR A STUPID GAME
allurable: if i lose money then you’re taking the blame
takashmeoutside: what the fuck
lanceylance: come on and play you shmuck

takashmeoutside: i agreed to no such thing

mattata: is all we have just a fling?

takashmeoutside: wh

takashmeoutside: NO

takashmeoutside: WHAT

lanceylance: holler, holler

lanceylance: shiro owes the winner of this game twenty dollars

takashmeoutside: I’M NOT PLAYING

kogayne: what the fuck are you saying

takashmeoutside: HOW DID HE ROPE YOU INTO THIS

carrierpidgeon: you’re ruining our bliss

kogayne: it’s lance

lanceylance: i know how to make cryptid kogane dance

kogayne: ...never put it like that again holy fuck

lanceylance: aw, am i out of luck

carrierpidgeon: i didn’t think this through

carrierpidgeon: seeing them flirt in rhyme makes me want to get hit over the head with a shoe

kogayne: i’m not flirting

hunkerdunker: i am going to steal the opportunity from lance to use the word “squirting”

lanceylance: HUNK YOU TRAITOR

lanceylance: TURNING ON THIS GAME’S CREATOR

allurable: what if we all just stop playing

takashmeoutside: you people are the reason my hair is graying

lanceylance: HOW DARE YOU ALL

lanceylance: LETTING THIS GAME CRUMBLE AND FALL

kogayne: i’m gonna send singular messages with dumb words so everyone else can’t rhyme so i can beat lance’s crusty ass: orange
lanceylance: um i googled it and found a word called sporange

lanceylance: it’s totally a word

kogayne: um no, none of us have ever heard

kogayne: it

lanceylance: it’s an alternative term for sporangium, which is a part of a fern or similar plant, you GIT

shayfromstatefarm: everyone can either just stop texting for one day or just send all of their thoughts in one big text so that when we reply you only have to rhyme the last word. besides, no one ever said it even had to make sense, just tack on a rhyming word to the end of the texts

lanceylance: YOU PEOPLE ARE NO FUN, WHAT’S NEXT

lanceylance: YOU’VE THROWN ME AND MY GAME UNDER THE BUS

lanceylance: ALL BECAUSE YOU /LOSERS/ HAVE TO MAKE A BIG FUSS

lanceylance: RHYMING ISN’T EVEN HARD

carrierpidgeon: having fun isn’t hard when you’ve got a library card!

hunkerdunker: or, we make a separate group chat without lance

lanceylance: THAT GROUP CHAT WOULDN’T STAND A CHANCE

allurable: actually it’s been going on for some time

kogayne: and it’s a safe haven where we don’t /have/ to rhyme

lanceylance: WHAT THE FUCK DO YOU MEAN IT’S BEEN GOING ON FOR SOME TIME

lanceylance: I HAVE BEEN B E T R A Y E D , WHAT A CRIME

takashmeoutside: you act like we don’t have one for keith or pidge

carrierpidgeon: um i need a little bit of explanation, maybe just a smidge

kogayne: probably for the same reasons we have one for lance, which, thanks, glad to know u all have my back

lanceylance: gotta protect my boyf from attack ;)

kogayne: so anyway everyone in favor of moving to the other group chat

lanceylance: i resent that

lanceylance: where’s your sense of fun and spirit???

lanceylance: i don’t hear it!!!
kogayne: alright starboy, put the phone down, it’s time to finish shopping so we can go home and sleep

lanceylance: you all are a disgrace to this game, tis for your pathetic lives i weep

kogayne: okay that’s enough

lanceylance: YOU’RE ALL BAD AT RHYMING, YOU DON’T HAVE THE RIGHT STUFF

Lanceylance & the Lancers

mattata: SHIRO AND I ARE FREE

(1) photo from mattata

mattata: DO YOU SEE THESE LOOKS? THESE ARE LOOKS OF UTTER JOY

carrierpidgeon: you’re out, boy

mattata: fUCK

carrierpidgeon: better pay that 20 bucks :)

lanceylance: shiro and matt are out

lanceylance: next will probably be keith, without a doubt

kogayne: ...you’re egging me on, aren’t you

hunkerdunker: so what are you gonna do

kogayne: if seven people lose and one person wins, that’s 7 x 20 = 140, which is 140 bucks for ME

kogayne: you’re on, lancey

allurable: matt shiro it is 2 in the freaking morning

takashmeoutside: yeah well those shoppers took forever to track down and then the manager didn’t want us losing out on sales so we had to ring them up

mattata: the Worst customers ever

lanceylance: sounds like an awful endeavor

lanceylance: NOW WHERE ARE YOUR RHYMES

mattata: we’re already out ¯\_(ツ)_/¯

shayfromstatefarm: is losing twenty dollars worth not having to scout

shayfromstatefarm: rhymezone for words to send to the chat
**hunkerdunker:** you’re really gonna give up, just like that

**shayfromstatefarm:** i’m considering

**hunkerdunker:** don’t do a thing

**hunkerdunker:** go to bed, maybe you’ll feel different after some rest

**lanceylance:** OR YOU /COULD/ GIVE UP NOW, BECAUSE NO ONE BEATS LANCEYLANCE, HE’S THE BEST

**takashmeoutside:** keith pls put ur boyfriend to sleep

**kogayne:** i’ve been trying for the past half hour to make him count sheep

**takashmeoutside:** WHY ARE YOU STILL IN ON THIS BULLSHIT

**kogayne:** i’ve been challenged, now i can’t quit

---

**takashmeoutside > kogayne**

**takashmeoutside:** OKAY SO NOW THAT WE’RE IN A SEPARATE CHAT

**kogayne:** oh thank god

**takashmeoutside:** where are all of you now

**takashmeoutside:** are you still out, did you go home…?

**kogayne:** we went home about half an hour ago

**kogayne:** and by home i mean pidge, lance, and i are all in the living room

**kogayne:** hunk and shay went to hunk’s house

**kogayne:** pidge is interrupting date night

**takashmeoutside:** and why was i not informed

**kogayne:** i was under the assumption you were either going home with matt or bringing matt here or even going to allura’s

**takashmeoutside:** so in short: you had no idea where i was going

**kogayne:** nope but i was assuming you were going wherever matt went

**kogayne:** and obviously lance and i are joined at the hip and we weren’t just gonna leave pidge all by herself, but hunk and shay wanted some quality time together

**kogayne:** so lance and i took on the roles of Good Older Brother Figures, just as we’ve been raised to do
takashmeoutside: obviously

kogayne: shut the fuck up granola bar

takashmeoutside: anyway, you were right, i am going out with matt

takashmeoutside: we’re gonna go back to his house and leave you kids alone

kogayne: okay have fun use protection xoxoxoxo

takashmeoutside: your boyfriend is rubbing off on you in the worst way possible

kogayne: expose me and you’ll regret it

takashmeoutside: blackmail folder xoxoxo

kogayne: what a hypocrite, matt’s rubbing off even worse on you

takashmeoutside: we’ve been friends forever, the rubbing off stage is over with, i can impersonate matt at the drop of a hat

kogayne: you just,...

takashmeoutside: FUCK

H(ell)igh School

lanceylance: psst, is anyone still awake

lanceylance: for i have a proposition to make

carrierpidgeon: go to bed it’s 3 in the fucking morning

lanceylance: your comment has me mourning

kogayne: that’s the same word, you can’t rhyme that

lanceylance: spelled differently, eat a hat

kogayne: what the fuck

carrierpidgeon: he and i made the game, you’re a sitting duck

kogayne: i swear

lanceylance: boohoo, go whine about how it’s no fair

kogayne: YOU’RE SO RUDE WHEN WE PLAY GAMES LIKE THIS

hunkerdunker: wow, what a diss

kogayne: i can’t tell if that was sarcastic
hunkerdunker: that’s what makes it so fantastic

shayfromstatefarm: pidge, why are /you/ awake

carrierpidgeon: I HAVE LOSERS TO OVERTAKE

kogayne: she’s playing mario kart online

shayfromstatefarm: am i supposed to believe that that’s fine

kogayne: no, actually, she’s yelling and lance is egging her on and i JUST WANT SLEEP

lanceylance: take ur own advice and count those sheep

kogayne: i’m about to leave my own house and go to the holt house with matt and shiro

lanceylance: do you expect your cousin to save u like some hero

kogayne: i will give u one more chance to shut up or you sleep alone

hunkerdunker: OH SHIT

lanceylance: oof, what a hit

lanceylance: hunk is out and my boyfriend has threatened me

kogayne: i will kick u out and lock the door and hide the spare key

hunkerdunker: ...FUCK I’M OUT

kogayne: u don’t need to shout

Lanceylance & the Lancers

(1) photo from lanceylance

lanceylance: HUNK IS OUT

takashmeoutside: what’s this about me saving keith

lanceylance: ignore that text, pay attention to what’s underneath

kogayne: i threatened to leave and come to the holt house bc pidge is playing mario kart and he’s yelling and it’s 3 AM and i just wANT TO GO TO BED

lanceylance: i told him to go lie down his head

takashmeoutside: ...i can’t take this situation seriously when this whole thing reads like bad shakespeare i’m leaving good night

kogayne: SHIRO YOU CAN’T LEAVE WHEN THE SITUATION ISN’T RIGHT
takashmeoutside: anyway bye
kogayne: LEAVING ME HIGH AND DRY
takashmeoutside: until you give up the game i don’t claim you

Lanceylance & the Lancers

lanceylance: GOOD MORNING CREW
lanceylance: let’s take a look at who’s still in
lanceylance: me and keith, pidge and shay, allura...that’s it, the rest of you live in non-rhyming SIN
takashmeoutside: it’s 9 AM and i’ve been at work for an hour already and i think i prefer my job to this group chat right now
kogayne: h o w

takashmeoutside: your boyfriend
lanceylance: I WILL NOT BEND

allurable: it’s funny because he’s the most flexible person here
kogayne: don’t cheer
kogayne: him on, pls don’t,
allurable: it’s too late for me to say i won’t
lanceylance: FLEXIBLE, YOU SAY?
lanceylance: HERE, LET ME JUST STRETCH AWAY

(4) photos from lanceylance

lanceylance: how do you like these, grumpypants, dear boy of mine
kogayne: i will not give you the satisfaction, i will hardline
kogayne: my commitment to being mad at you until this whole thing is OVER
mattata: DID LANCE END UP SLEEPING ALONE LAST NIGHT
carrierpidgeon: gave lance quite a fright
lanceylance: cryptid kogane has many knives,
lanceylance: unlike cats, i do not have nine lives,
kogayne: him and sharky in the guest room
carrierpidgeon: had lance in quite the gloom

cogayne: pidge got the couch

carrierpidgeon: i woke up to lance hardcore rhyming and keith being a grouch

takashmeoutside: so dinner’s gonna be awkard or………?

allurable: awkard

lanceylance: wow, i didn’t think this game was so hard

allurable: ...SHIT

takashmeoutside: so anyway, dinner

takashmeoutside: that’s still a thing, right

cogayne: dinner with all of us is on tonight

cogayne: lance doesn’t get food if he makes me keep rhyming like this

takashmeoutside: JUST QUIT HOLY SHIT

cogayne: i’ve been challenged, i will not quit

takashmeoutside: THEN STOP COMPLAINING

allurable: ah, quality broganes

mattata: ikr

hunkerdunker: i didn’t realize how freeing it is not to play this game

lanceylance: you should feel nothing but complete and utter SHAME

hunkerdunker: but i don’t

cogayne: and he won’t

shayfromstatefarm: so you’re saying we’re down to the final four

carrierpidgeon: and if the rest of you just give up, no one has to play anymore

cogayne: I WILL NOT GIVE IN

takashmeoutside: i can’t believe what i’m reading right now, i hate to say it but i’m going back to work bye

lanceylance: no one will miss ur traitorous ways, and when i say this, i do not lie

allurable: i’ll miss u and matt!! lance is a liar!!

cogayne: whose pants are on fire
lanceylance: mis pantalones no están en el fuego

allurable: i wish u would fuego away

lanceylance: OH, YOU DON’T SAY

hunkerdunker: that was cold but also such a great roast holy shit

lanceylance: THAT’S IT

kogayne: oh no

lanceylance: OHOHOHO

lanceylance: SOLO VOY A HABLAR ESPAÑOL

hunkerdunker: here, i’ll sabotage, since it’s hard for anyone to rhyme with that

carrierpidgeon: lance’s whole plan just went SPLAT

lanceylance: OKAY, SO NEW RULE: WE CAN ONLY RHYME WITH THE LAST THING A PERSON /STILL IN THE GAME/ SAID

kogayne: u really didn’t plan this ahead

carrierpidgeon: YOU CAN’T CHANGE THE RULES PARTWAY THROUGH THE GAME

kogayne: we really should’ve detailed the rules better

kogayne: and i’m gonna prevent lance from somehow rhyming better with wetter

lanceylance: I WAS GONNA USE LETTER BUT WHATEVER

kogayne: u’d never

kogayne: pass up the opportunity to make things dirty

kogayne: AND NO YOU CANNOT USE THE WORD SQUIRTY

carrierpidgeon: did you know i hate you because i’m willing to bet more money that lance wasn’t going to make this dirty until you gave him the idea

lanceylance: THANK YOU PIDGE

lanceylance: FUCK UFUKCGHTURDFNGutherford

hunkerdunker: here, since you can’t rhyme with spam

kogayne: AND THE BIG HAM

kogayne: HAS BECOME BACON
**hunkerdunker:** and because that one’s hard too

**lanceylance:** I CAN’T BELIEVE

**kogayne:** now you can leave

**carrierpidgeon:** it’s down to me, keith, and shay

**shayfromstatefarm:** we all knew lance was gonna lose anyway

**carrierpidgeon:** now if you and keith could just quit,\

**kogayne:** never, meet me in the fuckign pit

**lanceylance:** keith does this mean we can cuddle and shit again, i was quite lonely last night

**kogayne:** fight

**kogayne:** me

**shayfromstatefarm:** i see

**shayfromstatefarm:** some tension

**carrierpidgeon:** EVERYONE, PROCEED WITH CAUTION AND APPREHENSION

*keep away from the prying eyes of klance*

**allurable:** so wait are they in an actual fight

**carrierpidgeon:** nah more like they’re both being petty, both this morning and last night

**shayfromstatefarm:** keith is basically throwing back at lance what lance threw at him

**carrierpidgeon:** the decision to make lance sleep in the guest room was done on a whim

**takashmeoutside:** wow i really can’t believe he had the willpower

**allurable:** i thought you were working

**takashmeoutside:** i saw the change in group chat name and dropped everything

**mattata:** DSFGHTGSDFNHTDF

**takashmeoutside:** ¯\_(ツ)_/¯

**allurable:** i see

**allurable:** so when are they gonna make up

**hunkerdunker:** when the game is over, probably
kogayne: shiro when are you and matt and allura coming home

allurable: i can come over right now

takashmeoutside: i’m not out until 12

takashmeoutside: it’s only 10:30

mattata: ^^^^^

lanceylance: can someone tell keith to fucking be nice

mattata: oh how the turntables

kogayne: be nice? i’m not able

lanceylance: BOI

carrierpidgeon: i feel like, in lance’s suffering, keith is currently taking great joy

kogayne: yes i am

lanceylance: oh shut up and scram

kogayne: this is my house, get out

lanceylance: excuse me

lanceylance: …so is that a no
lanceylance > takashmeoutside

lanceylance: where’s the spare key

takashmeoutside: did he actually lock you out

lanceylance: your neighbor just gave me the stink eye for banging too loudly on the front door

lanceylance: i can hear pidge and keith laughing

takashmeoutside: it’s in the spare mailbox

lanceylance: ...THE FUCKER TOOK IT

lanceylance: I DIDN’T SEE HIM TAKE IT

lakashmeoutside: he probably took it last night then

lanceylance: are there any alternate entrances into the house

lakashmeoutside: the basement door should be unlocked, and if not...you’re out of luck

lanceylance: why is keith like this

lakashmeoutside: bc he is

lanceylance: why did i fall in love with him

lakashmeoutside: idk that’s a you problem

Lanceylance & the Lancers

kogayne: we’ve locked lance out

carrierpidgeon: and he can scream and shout

kogayne: but he’s staying out on the porch

carrierpidgeon: it’s pretty cold, he might need a torch

shayfromstatefarm: you guys are cruel

kogayne: *cool

lanceylance: keITH YOU ASSHOLE LET ME IN

hunkerdunker: holy shit what happened

takashmeoutside: they locked lance outside and took the spare key

lanceylance: KEITH LOCKED THE BASEMENT TOO

lanceylance: LET ME IN YOU DICK
kogayne: nope, you thought you were slick
kogayne: making a challenge, roasting us
kogayne: making such a big fuss
carrierpidgeon: now you face the consequences of your actions
kogayne: and you can’t fool us with petty distractions
lanceylance: I WILL TAKE DRASTIC MEASURES
lanceylance: I WILL ROB YOUR LIFE OF ITS GREATEST PLEASURE
kogayne: you’re going to destroy all cryptids?
carrierpidgeon: and ruin the careers of the cryptkids?
lanceylance: I’M ACTUALLY OFFENDED
carrierpidgeon: your plans have been upended
lanceylance: i will give you two five minutes to let me back in the house
carrierpidgeon: or we could let you stay outside and continue to grouse

lanceylance > kogayne

lanceylance: pls let me in i’m so cold
kogayne: your begging is getting old
lanceylance: oh shut the fuck up this is a private chat you don’t have to rhyme here
kogayne: i have one fear
kogayne: you’ll expose me to the chat and i’ll lose
lanceylance: LET ME BACK INTO YOUR HOUSE PLEASE
lanceylance: ...DID YOU JUST THROW MY BLANKET OUT THE DOOR
kogayne: and now it’s on the great outdoor floor
lanceylance: it’s called the GROUND YOU HEATHEN
lanceylance: LET ME IN
lanceylance: KEITH
lanceylance: KEEEEEEEEEEEEEEEEEEEEEEEEEEEEIITH
lanceylance: YOU ARE THE WORST
Lanceylance & the Lancers

takashmeoutside: i can’t believe matt, allura, and i had to let lance in

carrierpidgeon: why did you do that

carrierpidgeon: SHTITIERTHRJTHYIRG NO

kogayne: pidge is out, it’s now between me and shay, ohoho

shayfromstatefarm: have fun losing

kogayne: uh, no, i’m cruising

kogayne: riding this high

carrierpidgeon: just like most days

lanceylance: you and keith better run i’m coming for your asses

kogayne: IS THAT MY KNIFE

lanceylance: HA

kogayne: FUCK

shayfromstatefarm: looks like you’re out of luck :)

shayfromstatefarm: i believe i’m now owed 140 bucks?

lanceylance: I CAN’T BELIEVE

kogayne: ...wow

lanceylance > kogayne

lanceylance: >:(((((

lanceylance: you, sir, are a ginormous ASSHOLE

lanceylance: locking me out was LOW

lanceylance: JUST LIKE THE FUCKING TEMPERATURES, IT WAS 40 DEGREES
kogayne: yeah,,, i realized that was a dick move

kogayne: i’m sorry

kogayne: ...wait where are you, everyone else is in the living room or kitchen and you’re…???? not??? here???????

lanceylance: your room

lanceylance: we’re both sleep-deprived and we were both being ridiculous,

lanceylance: so:

lanceylance: not at all, really, i’m just giving you shit for the fun of it

kogayne: but i locked you out, in the cold

lanceylance: yeah, do you know how many times my siblings have done that over the years

kogayne: doesn’t make it right

lanceylance: you already said you’re sorry now gET UP HERE

hunkerdunker > lanceylance

hunkerdunker: hey, time for dinner, stop making out for a while and come hang out with the rest of the group

lanceylance: we weren’t MAKING OUT,,

hunkerdunker: oh really?

lanceylance: why is that everyone’s first assumption

hunkerdunker: prior experience

lanceylance: ...you make a point, but anyway, no, we weren’t making out

lanceylance: i lured keith up here and shoved my cold hands up his shirt as revenge

hunkerdunker: well-played, tho i’m not sure i really needed to know that
hunkerdunker: anyway, come down now

lanceylance: aight

Lanceylance & the Lancers

mattata: well, the gremlin and i had fun tonight

mattata: keith, we’ll be seeing you bright and early tomorrow

kogayne: yep

kogayne: good night y’all

allurable: is that...southern keith

takashmeoutside: he’s exhausted

takashmeoutside: on the bright side, him going to bed this early means it’ll be easy to wake him up in the morning

lanceylance: yeah, if he doesn’t get out of bed i’ll just steal all the blankets till he leaves

hunkerdunker: you’re staying over there????

lanceylance: yep and while he’s with the holt sibs i’ll be stealing his sweatshirts and ruining pidge’s mario kart record

carrierpidgeon: TOUCH MY ACCOUNT AND I’LL KILL YOU

lanceylance: i’m jk

carrierpidgeon: FUCKIN BETTER BE

kogayne: HOW MANY OF MY SWEATSHIRTS DO YOU NEED

lanceylance: all of them

kogayne: smh next time we’re at your house i’m stealing all of /yours/

shayfromstatefarm: yep i do, you made that rule

carrierpidgeon: and i regret it, a lot

lanceylance: me too

takashmeoutside: okay everyone go to bed shhhhhhhhhhhhh stop blowing up my phone good NIGHT

Chapter End Notes

i guess i have to go write the saturday chapter now huh

ANYWAY sgd updated last night so i guess i'll have to do some shameless self-promo

the deceit so natural trilogy kicks off in where people go to die, when lotor mistakes lance for a galran spy who has just killed keith, and invites lance to come back to the empire with him. team voltron takes the opening and sends lance and keith in, and shenanigans ensue.

>>sequel: dynasty decapitated

>>>>>finale: stars go down

see ya in the next chapter...maybe i can crank it out by like 3 AM my time lmao
pidge has a good therapy session, ft. klangst (...a lot of klangst mostly), the impending robot apocalypse, and a big hero 6 fancast

Chapter Notes

lmao this chapter hurt me emotionally to write why did i do that to myself

See the end of the chapter for more notes

carrierpidgeon > kogayne

carrierpidgeon: wake up asshole
kogayne: good morning sunshine!
carrierpidgeon: hi lance, wake keith up
kogayne: he’s been awake, he’s in the shower right now
carrierpidgeon: cool, tell him matt and i will be there in half an hour to pick him up
kogayne: will do

it’s too early for this, shiro

takashmeoutside: hey, you two, good luck today
carrierpidgeon: thanks shiro
kogayne: thanks cousin dearest of mine!! xoxoxoxoxoxoxo
takashmeoutside: ...lance is that you
kogayne: no tis me keith your cousin whyever would you think that it’s his hot boyfriend
carrierpidgeon: keith is in the shower
kogayne: no i’m right herhtrjehty
kogayne: hi, real keith here, thanks shiro
takashmeoutside: what is going on in my house

kogayne: definitely not a broken lamp that’s for sure

takashmeoutside: that’s the second one in two months

kogayne: whoops

kogayne: also lance /might/ be on the floor grabbing at my ankles like some demon

takashmeoutside: you know what i’m sorry i asked

carrierpidgeon: you and me both

Lanceylance & the Lancers

carrierpidgeon: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

allurable: oh no

mattata: wrong ^

allurable: what

mattata: that was a good scream

lanceylance: oh thank god

carrierpidgeon: SHE’S SO NICE SHIRO THANK YOU FOR REC’ING HER WHY COULDN’T YOU HAVE DONE THIS IN THE FIRST PLACE

takashmeoutside: uhh you’re welcome?

carrierpidgeon: she was automatically better than the other guy when she didn’t misgender me and didn’t mistake keith for my boyfriend or matt’s

shayfromstatefarm: that’s good

mattata: she actually recognized keith’s name after he explained who he was, she told me to tell shiro she says hi

takashmeoutside: oh cool

carrierpidgeon: we talked through everything and i only cried once

allurable: ...so i take it you’re okay /now/?

carrierpidgeon: yeah, i think so

carrierpidgeon: we decided that we’re gonna do meetings bimonthly, unless my needs change
carrierpidgeon: i felt a lot better after talking to her???

carrierpidgeon: i mean, she didn’t tell me a ton of new stuff, yknow the whole nine yards like what’s happening is normal, i’m not weaker for it, that sort of stuff

takashmeoutside: it /does/ help to hear it from a licensed professional

carrierpidgeon: she gave me some “homework” to do before our next meeting tho

carrierpidgeon: we talked about the reason i started getting therapy, yknow, the movie, and she wants me to BE CAREFUL and try and figure out any potential triggers for like, a breakdown

carrierpidgeon: and find SOME sort of security item or person???

mattata: ^^^ she wants pidge to find something or someone she feels comfortable with or could maybe carry around in case an episode comes on, especially if, for some reason, she starts dissociating or having a flashback

hunkerdunker: just be careful with it, don’t accidentally set yourself off again

carrierpidgeon: ik ik

carrierpidgeon: all in all tho it was a pretty good experience, i’m...actually glad i went?

takashmeoutside: good for you

takashmeoutside > kogayne

takashmeoutside: i didn’t wanna publicly call you out in the group chat

takashmeoutside: how did things go for you?

kogayne: fine, the woman you recommended is great, i felt pretty relaxed after leaving

takashmeoutside: is something going on

kogayne: ...nothing you need to worry about

takashmeoutside: see you say things like that and then i worry

kogayne: what’s going on

takashmeoutside: nothing important

kogayne: keith

takashmeoutside: if something bad happens i’ll come to you

kogayne: can you just tell me what’s going on

takashmeoutside: it’s about me and lance, don’t worry about it...yet
takashmeoutside: are you two fighting

kogayne: no

kogayne: just let me be mature and handle my own problems

takashmeoutside: if you insist

kogayne > lanceylance

kogayne: look, i’m sorry.

lanceylance: ...is this about yesterday

lanceylance: wait where even are you, didn’t you come home????

kogayne: it’s about more than just yesterday and yes i did i’m out back

lanceylance: do we need to talk about this face to face orrrr

kogayne: honestly i’d prefer to keep it over text just so i can organize my thoughts

lanceylance: okay

lanceylance: so what’s this about

kogayne: i feel like i’m taking advantage of you

lanceylance: .../what/

kogayne: i

kogayne: i have a lot of reasons, can you just...not respond until i get them all down

lanceylance: ...okay…

kogayne: one of the biggest things is yesterday, i know you said you’re not mad but i don’t get why you aren’t i locked you out of my fucking house in 40 degree whether bc i was being petty. i roast you all the time in the group chat but then i get petty when you roast me back and that’s not fair to you and?? you keep forgiving me /why/?? and then i keep ghosting on you and not telling you what’s wrong and that’s still not fair to you bc you’re so open with me and i shouldn’t be shutting you out???

kogayne: i’m just so MEAN some days and you just?? take it in stride?????? why don’t you fuckign call me OUT why do you just TAKE IT

kogayne: and you’re always there for me emotionally and i feel like i’m not there nearly as often for you, you know exactly what to say but some days i feel like you need help and you come to me and i just make things worse but you won’t tell me i’m making it worse,, and then some days i’m such a downer for no fucking reason and you just roll with it what the fuck i’m not fair to you

kogayne: and i’m SORRY and i’m sorry i haven’t realized and i’m sorry i didn’t apologize sooner
kogayne: ...okay i’m done

lanceylance: okay so i’m not sure how to respond to all of this

lanceylance: i’m gonna guess that yesterday was your tipping point so i’ll address that first and get it out of the way

lanceylance: yes, locking me out of your house was an incredibly shitty thing to do and yes if i get sick again i’m holding it against you, but i mean, you also did at least throw me the blanket

lanceylance: and i know we were all overtired yesterday

kogayne: that still doesn’t make it /right/

lanceylance: no, i know it doesn’t, but i’m not gonna sit here and hold a grudge about it

lanceylance: it already happened, i dunno what you want me to tell you

lanceylance: “uhhhh, keith, that was bad, never do that again. blah blah blah authority”

lanceylance: you already apologized and clearly you feel awful about it

lanceylance: and as for everything else, we’ve been over it before: i’d tell you if it bothered me, like really truly deep down “this isn’t funny please stop right now” bothered me

lanceylance: i don’t hold any of it against you, we’re two teenage boys i mean come on of course we’re gonna say ridiculous things to each other, that’s Teen Culture, gently bullying friends is how you show affection

lanceylance: “…‘you’ being a general term and not /you/ specifically

lanceylance: and as for the whole thing about you not being there for me: what the /fuck/ are you talking about

lanceylance: you’re always there when i need you and i /know you/ i know that you’re not exactly the best with words or comfort or people in general but you try your damn hardest and that’s all that matters to me, i /know/ you /care/

lanceylance: obviously you’re not trying to hurt me on purpose

lanceylance: ...okay so locking me out was kind of intentional but i would’ve been a lot more hurt or scared if you’d been *legitimately* angry at me

lanceylance: if you were trying to hurt me on purpose or were being mean /consciously knowing/ that i’d forgive you, then yeah, i’d say you were taking advantage of me, but you clearly /aren’t/

lanceylance: ...right

kogayne: i’m not trying to be mean on purpose but it HAPPENS and i don’t get called out and the pattern continues and i just,,,

lanceylance: so what do you want to come of this conversation

lanceylance: how do we move forward from here
kogayne: i just,, can you pls like.../try/ and hold me a little more accountable for my actions

lanceylance: kinda hard to do when they don’t really make me upset but i’ll do my best

lanceylance: is there anything else

kogayne: …

lanceylance: keith?

lanceylance: don’t tell me you’re thinking what i think you’re thinking, don’t go there

kogayne: i’m sorry, i don’t /want/ to, but you deserve better

lanceylance: listen to me: if people ran away when things got tough instead of working things out, the divorce rate would be a lot higher than it already is. walking away doesn’t improve situations or people. people don’t learn and grow if they refuse to make things better, and just walk out when the situation doesn’t suit them anymore.

lanceylance: i’ve /watched it happen/, i’ve watched people in my family walk out and get walked out on, and i’ve watched them work through their problems. i’ve seen some of the /nastiest/ fights play out and everything turned out okay in the end because people sought help and they talked things out and improved as people

lanceylance: and wow i use the word people way too much

lanceylance: /anyway/

lanceylance: look at us. we’re talking things through. that’s the healthy thing to do.

lanceylance: you said yourself you don’t wanna break up. i sure as hell don’t wanna break up. we can slow down, if you want to, i’ll even stop wearing the promise ring if it makes you feel better, but i don’t think we have to go there.

lanceylance: yeah, i’ll start calling you out more. if you feel like you need to start being nicer, then try and be nicer. but i promise you, i don’t think you’re taking advantage of me. you’re worried about this which clearly means you know you screwed up and you’re sorry for it. that’s all i can ask of you.

kogayne: WHY ARE YOU LIKE THIS

lanceylance: …????

kogayne: WHY ARE YOU WILLING TO FORGIVE ME SO EASILY

lanceylance: why do you want me to be angry?

kogayne: BECAUSE YOU SHOULD BE

lanceylance: but i’m not

lanceylance: i’m not angry, and i’m not gonna blow up or storm out on you

lanceylance: it’s just gonna hurt worse in the long run, and despite whatever your brain is telling you
right now, you don’t deserve me blowing up on you, it’ll just make things worse

lanceylance: if you want /alone time/, i can leave, and i’ll come back whenever you’re ready to socialize again

kogayne: ...why does this keep happening to us

lanceylance: you’re gonna need to be a little more specific here

kogayne: we don’t get like this with the others

kogayne: we don’t fight like this with them

lanceylance: ...we’re fighting?

kogayne: ...you don’t think we’re fighting?

lanceylance: i thought this was more of a “keith and lance are emotional again” type of situation

lancyelance: dude, this isn’t anything we can’t work through

kogayne: are you sure

lanceylance: we’ve done it before we’ll do it again

lanceylance: look at the ring you’re wearing

lanceylance: that means we’re committed

lanceylance: and nothing is coming between us

lanceylance: i love you, okay? this can happen a million times and we’re still gonna talk through it and work together and at the end of the day we’ll be okay

kogayne: ...okay

kogayne: i

kogayne: i’m sorry, i’m sorry we have to go over this again, i’m sorry

lanceylance: it’s okay

lanceylance: i’m like 99% certain you’re having another episode right now

lanceylance: i’m here for you

lanceylance: whatever you need, i’m here

kogayne: thank you

kogayne: i’m serious

kogayne: thank you
lanceylance: now, do you want me to go home, do you want me to come outside with you,

kogayne: please come outside

lanceylance: i’m coming right now

lanceylance > takashmeoutside

lanceylance: cousin dearest of yours is having another depressive episode just a head’s up

takashmeoutside: oh, so that’s what that was about

lanceylance: that’s what /what/ was about

takashmeoutside: he was having some problem and he wouldn’t tell me what it was about, just that it was about you and him

lanceylance: oh

lanceylance: that’s all he said?

takashmeoutside: he wanted to, quote unquote, “handle his own problems”

lanceylance: well i won’t send screenshots bc there are too many but do u remember back in like, september when matt called him out for taking advantage of me

takashmeoutside: oh jeez

lanceylance: keith finally believed it

lanceylance: and now we’re sitting in the backyard

lanceylance: he’s not doing so hot

lanceylance: i mean, he’ll probably be over it soon, but,,,

lanceylance: just letting you know

lanceylance: i probably won’t leave until after i’m sure he’ll be fine

takashmeoutside: alright, thanks for letting me know

lanceylance: sure thing

carrierpidgeon > shayfromstatefarm

carrierpidgeon: heyo i’ve got a question

shayfromstatefarm: shoot

carrierpidgeon: im supposed to be looking for people i feel safe with in case of another breakdown
carrierpidgeon: are u comf with me putting you down

carrierpidgeon: bc yknow, we’re friends, and also if i end up in the bathroom again you’re kind of the only one who can go in

shayfromstatefarm: im honored tbh, go ahead

shayfromstatefarm: how are you rn

carrierpidgeon: considering i’m thinking about things that make me happy and safe, pretty good

carrierpidgeon: as soon as i’m done i’m gonna work some more on rover, this time i’m trying to get him to recognize speech and understand on a basic level what it means

carrierpidgeon: matt says i’m the reason the robot apocalypse is scheduled to start in 2045

shayfromstatefarm: yeah pidge um what the hell

shayfromstatefarm: have u seen that robot i think from like, saudia arabia

carrierpidgeon: SOPHIA

carrierpidgeon: HELL YES I HAVE SHE’S BOTH AMAZING AND TERRIFYING

shayfromstatefarm: they granted her CITIZENSHIP, PIDGE

carrierpidgeon: YEAH I KNOW

carrierpidgeon: AND IT’S SCARY BUT ALSO LOOK HOW FAR TECHNOLOGY HAS COME

carrierpidgeon: AND I’M THINKING OF ROVER MORE ON A BAYMAX INSTEAD OF TERMINATOR LEVEL

carrierpidgeon: IF WE USED TECHNOLOGY IN THE MEDICAL FIELDS INSTEAD OF THE MILITARY FIELDS OR ECONOMIC FIELDS THINK OF ALL THE GOOD WE COULD DO

carrierpidgeon: TADASHI HAMADA WAS ONTO SOMETHING

shayfromstatefarm: do u ever think about how tadashi is one letter away from takashi

carrierpidgeon: and they look kind of alike

shayfromstatefarm: both older brother figures who are dead inside

carrierpidgeon: ...I HAVE AN IDEA

Lanceylance & the Lancers

carrierpidgeon: WHO WOULD BE WHO IN BIG HERO 6
hunkerdunker: i’ve actually thought about this and there are two ways it could go down and it depends solely on who you cast as tadashi and hiro

shayfromstatefarm: ...OH MY GOD AND HIRO IS A LETTER OFF FROM SHIRO

carrierpidgeon: SHAY WE’VE UNLOCKED A CONSPIRACY

hunkerdunker: let me start with who’s the same in both versions: i am wasabi, obviously, and allura is honey lemon

allurable: I LOVE HER

hunkerdunker: lance is fred

lanceylance: why did i see this coming

hunkerdunker: because i know you so well

lanceylance: yeah i guess 13 years of friendship will do that to you

hunkerdunker: now, if you cast shiro as tadashi, which, i mean, on-point cast, then keith is hiro

takashmeoutside: TADASHI D I E S

carrierpidgeon: yeah we know

takashmeoutside: :O

hunkerdunker: which then means pidge is gogo

carrierpidgeon: AHAHAHAHA YES I LOVE HER

hunkerdunker: sorry matt and shay, you’re not in either of these casts

shayfromstatefarm: callahan’s daughter, it could be either of us

hunkerdunker: true true

hunkerdunker: however, if we cast MATT as tadashi and PIDGE as hiro, that means KEITH is gogo, and shay and shiro can duke it out for callahan’s daughter

carrierpidgeon: does this mean keith has to get the Dyed Streak of East Asian Badassery

mattata: if he had an emo phase then somewhere out there exist photos of keith with hair streaks, probably

carrierpidgeon: KEITH CARE TO CONFIRM

lanceylance: keith does not care to confirm

takashmeoutside: okie doke

carrierpidgeon: who says okie doke anymore
takashmeoutside: um, all the cool people

mattata: you wouldn’t know cool if it bit you in the ass

mattata: which, i mean,

takashmeoutside: gonna stop ya there

lanceylance: KINKSHAME

takashmeoutside: [long sigh]

mattata: ;D

takashmeoutside: remind me why we’re dating again

mattata: [drapes myself over a red velvet chaise while the lights go out and candles are lit. i am wearing nothing but silks. between my teeth, i clutch a rose.] because you couldn’t resist all /this/

carrierpidgeon: these are mental images of my brother i didn’t want or need

lanceylance: shiro and allura are the only people who appreciate this thanks for nothing

hunkerdunker: begone thot

mattata: HUNK NOT YOU TOO, I’VE BEEN SIDED AGAINST BY THE NICEST PERSON IN THE CHAT,

mattata: SHAY, YOU’RE MY ONLY HOPE

shayfromstatefarm: begone, thot

mattata: :O

mattata: HOW DARE

lanceylance > kogayne

lanceylance: alright, i’m turning in for the night

lanceylance: you gonna be okay

kogayne: yeah, i think so

kogayne: before you go,

lanceylance: yeah?

kogayne: i don’t wanna break up

lanceylance: yeah i think i got that
kogayne: no, like, i’m serious, i only ever float it to give you a way out, in case you ever need it

lanceylance: and like i said, i’m like glitter, impossible to get rid of

kogayne: /lance i’m trying to apologize stop being cute/

lanceylance: :P

kogayne: um, i meant to send this to you a few days before christmas, but i think now’s as good a time as ever...it’s not done, i’m not sure it’ll ever be done, but uh

kogayne: here

(1) link from kogayne

lanceylance: ...wait what is this

lanceylance: is this a playlist?? for me????

kogayne: yeah, it’s songs that remind me of us

kogayne: and our relationship, and you

lanceylance: fuck sleeping i’m gonna listen to the whole thing

lanceylance: saturday night don’t give a FUCK keith this is amazing

lanceylance: WHAT THE FUCK

kogayne: i love you

kogayne: like a lot

kogayne: and,,,, i’m still really fucking sorry about today

kogayne: and for everything i’ve done to you before

kogayne: i’m trying to be better, i promise

lanceylance: keith i’m gonna cry

lanceylance: i love you so much never forget that okay??? even when ur being a LITTLE SHIT i still love you

lanceylance: good night starlight <3

kogayne: good night starboy <3

Chapter Notes

the angst isn't gone yet mostly bc i need an outlet so here we are

trigger warning for mentioned/implied/briefly discussed ASSAULT and DEPRESSION

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: hey so i know it’s the middle of the night and you’re sleeping but i just wanted to tell you now before i forgot

kogayne: i feel safe with you

kogayne: the past couple days have had me jumpy but you make me feel like everything will be okay

kogayne: it may not have seemed like it

kogayne: but it’s true

kogayne: you make me feel safe

kogayne: thank you

lanceylance > kogayne

lanceylance: whoa, what was going on with you last night????

lanceylance: you okay???

kogayne: i wasn’t in the middle of the night, but i guess i’m okay now

lanceylance: what happened?

kogayne: after everything that happened on saturday, i emailed my therapist about what happened to me in the woods, specifically, and how my depressive episodes have been getting worse, and then i
fell asleep waiting for a response and woke up at like, 2 in the morning and finally checked my inbox

**kogayne:** she wanted me to start out basically doing what pidge did: compiling a list of things that make me feel happy or safe

**lanceylance:** but you’re okay right now?

**kogayne:** yeah

**lanceylance:** and i take it your stubborn butt is coming to school

**kogayne:** yeah

**lanceylance:** how bad was it yesterday

**kogayne:** on a scale of 1-10? ...7?

**lanceylance:** and you’re going to school today?

**kogayne:** yes we just established that

**lanceylance:** no that was in disbelief

**lanceylance:** why don’t you take a mental health day?

**kogayne:** don’t need it, i’m good now

**lanceylance:** ...alright

**lanceylance:** who’s picking up who

**kogayne:** u did a bunch of the driving this weekend, i’ll come get u

**lanceylance:** okay

**lanceylance:** but if you end up feeling like crap in the middle of the day don’t be afraid to go home, i can get a ride from hunk or someone

**kogayne:** ...fine

**STOP CAPTAIN DOOFUS 2K17**

**lanceylance:** rise and shine losers we’ve got a boy to defend

**carrierpidgeon:** what’s going on with mothman

**lanceylance:** depression levels at 7 on a scale of 10 yesterday

**carrierpidgeon:** what the hell

**lanceylance:** yeah i know

**lanceylance:** he says he’s fine now and is coming to school
shayfromstatefarm: i’d ask why he doesn’t take a mental health day but it’s keith

lanceylance: mmm basically yep

hunkerdunker: so what’s the game plan here

lanceylance: CONSTANT VIGILANCE

lanceylance: which is kind of difficult when none of us have him periods 2-4

hunkerdunker: i mean, 4 he has thace, and thace knows his family, which is good

carrierpidgeon: ^^^^ i’m just a couple classrooms away period 3

shayfromstatefarm: and if the rumors are true about ulaz and thace,,,,, he’s with ulaz period 2, i don’t think we have anything to /seriously/ worry about

shayfromstatefarm: i mean obviously his mental health is serious but i don’t think we need to like, lose concentration in class over it for three periods

lanceylance: yeah, i know, it /is/ keith, but still,,,,,,,,,,

hunkerdunker: yeah, we know

lanceylance > takashmeoutside

lanceylance: what was up with keith yesterday that had him a 7 on a 10 scale

takashmeoutside: he had an anxiety attack in the middle of the night saturday and it was all downhill from there

takashmeoutside: he didn’t want me to tell anyone, that’s why i told the group chat he was spending the day sleeping and doing schoolwork

takashmeoutside: he especially didn’t want you to know and worry even more than you already were on saturday

lanceylance: your cousin i swear

takashmeoutside: he thought he could work through it himself, and i mean, it took him four hours, but then he was out of it the rest of the day

takashmeoutside: he finally caved and emailed his therapist

lanceylance: how was he /actually/ this morning

lanceylance: bc he’s about to pick me up but if he’s lying about how well he’s feeling i’m sending him back home and i’ll take myself to school

takashmeoutside: he seems fine to me

takashmeoutside: i asked him how he was feeling this morning and he said he was like, a 2
Lanceylance: i wish he was at 0 right now but alas, depression never sleeps

takashmeoutside: don’t i know it

takashmeoutside: thanks for checking in

lanceylance: ummmm of course???

takashmeoutside: are /you/ doing okay?

lanceylance: aside from worrying about knife boy’s mental health i’m good, just sTRESSED AS FUCK but that’s like a 24/7 mood until college apps are done and the fall show is over and midterms are done and AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

takashmeoutside: ...so you’re saying i shouldn’t be worried right now

lanceylance: yes exactly

Lanceylance & the Lancers

carrierpidgeon renamed Lanceylance & the Lancers to HOLIDAY HOES

carrierpidgeon: we forgot to do this on friday i can’t believe us, we’re such fake holiday hoes

lanceylance: is it appropriate to be listening to the phineas & ferb christmas vacation soundtrack 24/7

carrierpidgeon: CHRISTMAS IS STARTING NOWWW

hunkerdunker: why are you both like this

carrierpidgeon: GRAB SOME HOLLY AND MISTLETOE ‘CAUSE WE’RE GONNA GO OUT TONIIIIGHT

lanceylance: WE’RE GONNA BASK IN THE ELECTRIC GLOW OF A MILLION LITTLE COLORED LIIIIIGHTS

hunkerdunker: i’m disowning both of you

allurable: WE’VE GOT A LOT TO DO BEFORE THE DAWN SO WITH A MINIMUM OF INTROSPECTION

hunkerdunker: oh come on not you too

shayfromstatefarm: ...I THINK YOU’VE BETTER PUT YOUR MITTENS ON, SHAKE YOUR JINGLE BELL IN MY DIRECTION

hunkerdunker: S H A Y

carrierpidgeon: YES SHAY

lanceylance: SUCK ON IT HUNK
hunkerdunker: not my job i’ll pass
lanceylance: :O
carrierpidgeon: hunk? making a sex joke?
carrierpidgeon: a Rare Boi
lanceylance: how do i catch this pokemon
shayfromstatefarm: already caught it sorry
mattata: I MISSED THE PNF SINGALONG
hunkerdunker: oh thank god
mattata: we’ve found the grinch
carrierpidgeon: it’s actually never stated that the grinch hates christmas, he just hated people
kogayne: what a mood
carrierpidgeon: good morning mothman!!!
kogayne: good morning
kogayne: does anyone wanna help me hide a body
takashmeoutside: keith the fuck did you do
mattata: you’ve summoned Dad, i must become Daddy
takashmeoutside: okay ignoring matt,
mattata: >:|
kogayne: i have the urge to get into a fight
takashmeoutside: can i ask /why/?
kogayne: rolo and nyma are up to something
lanceylance: WHAT
hunkerdunker: just when i thought we were done with them making our lives hell
carrierpidgeon: what makes you think so
kogayne: i never run into rolo between classes but i’ve seen him twice now, and we’ve only changed classes twice
kogayne: he made eye contact with me and i don’t like the look he gave me
lanceylance: that would explain why paul looks so relaxed today
shayfromstatefarm: this is sus

hunkerdunker: we’ll keep an eye on things

takashmeoutside: keith, whatever you do, do not get into a fight

kogayne: …

takashmeoutside: /do not get into a fight/

kogayne: fine

STOP CAPTAIN DOOFUS 2K17

lanceylance: MMMMMMMMMM WHY DOES SOMEONE ALWAYS COME ALONG AND RUIN OUR DAY

carrierpidgeon: can /i/ get into a fight

hunkerdunker: absolutely not

carrierpidgeon: i have a penchant for evading the administration

shayfromstatefarm: /absolutely not/

lanceylance: i’m wondering if i should get more people on board to watch his back

lanceylance: especially given yesterday

carrierpidgeon: …you’re not talking about lotion and co are you

lanceylance: no

lanceylance: …i mean, i might consider ezor and the girls but not legolas wannabe

lanceylance: but no i was thinking people we’re actually friends with, like plax and flor

shayfromstatefarm: not unless we get desperate

shayfromstatefarm: this whole thing is just a hunch we have, maybe we’re all just like, extra-cautious today

lanceylance: i hope

Drama & Crew 2017

madplax: good morning everyone tomorrow is off-book for all the staging we’ve done so far

dinezor: oh shit

floronawiththecorona: ^
hunkerdunker: ^^

shayfromstatefarm: ^^^

lanceylance: ^^^

madplax: okay we get it no one is prepared for rehearsal

lanceylance: AAAAAAAAAAAAAAAAAAAAAA

madplax: ah, the lance scream, i was wondering when that would make its appearance

hunkerdunker: it was only a matter of time tbh

lanceylance: ^

lanceylance: are we doing tshirts

lanceylance: who’s in charge of tshirts

lanceylance: and senior jackets

madplax: mcclain where have you been

lanceylance: dying

floronawiththecorona: fair enough

acxalutelynot: i’m in charge of jackets

acxalutelynot: i haven’t taken any orders yet bc i need pricing

floronawiththecorona: ^^ same with tshirts

floronawiththecorona: i turned in the design today, we should get a price by the end of the week

lanceylance: bet

lanceylance: any idea if we’re finishing staging today

madplax: we are not, we’re wrapping tomorrow, i think today we’re getting near page 60

dinezor: we’re almost there

zethridofmyproblems: home stretch!

shayfromstatefarm: so close, yet so far

hunkerdunker: maybe i’ll make brownies and bring them to rehearsal tomorrow in celebration

lanceylance: AN ANGEL AMONG MEN

hunkerdunker: so i’ve been told
carrierpidgeon: meanwhile, crew:

carrierpidgeon: we’ve apparently got more shit in the dungeon to clear out

zethridofmyproblems: seriously?

carrierpidgeon: yeah apparently one of the teachers needed shit, i think it was woodshop or something, and they rifled through and made a mess

acxalutelynot: what a quality school we have here

carrierpidgeon: tell me about it

carrierpidgeon: at least you escape after this year

lanceylance: SENIOR SQUAAAAAANNNNDDDD

KEITH DEFENSE SQUAD

takashmeoutside: how’s keith

carrierpidgeon: watching paul intensely from across the cafeteria

shayfromstatefarm: hasn’t gotten in a fight yet though

hunkerdunker: keyword yet

allurable: of course

takashmeoutside: nothing’s happened so far today then

lanceylance: rolo and nyma aren’t in this lunch wave

carrierpidgeon: they have fourth wave, sucks to SUCK

mattata: well,

carrierpidgeon: APHOBIA

mattata: BIPHOBIA

lanceylance: anyway these meatballs have the consistency of rubber

hunkerdunker: is it just me or do they taste like they have bits of OLIVE in them

carrierpidgeon: i am an italian and i’m fucking OFFENDED how dare they serve us these pathetic excuses for meatballs

mattata: YIKES is it pasta today

carrierpidgeon: no, meatball sub, which explains a LOT
allurable: a disgrace

carrierpidgeon: YES EXACTLY

carrierpidgeon: and then lance tried to tell me that buttered noodles were mac n cheese

lanceylance: I SWEAR ONE OF THE LUNCH LADIES TOLD ME THAT’S WHAT THEY WERE

carrierpidgeon: YOU CAN PLAINLY SEE THAT THAT’S BUTTER, NOT CHEESE

lanceylance: I KNOW THAT BUT THE LUNCH LADIES DON’T

carrierpidgeon: HOLD ON WE’RE GOING BACK TO THE MAIN CHAT

HOLIDAY HOES

carrierpidgeon: LANCE THOUGHT BUTTERED NOODLES WERE MAC N CHEESE

lanceylance: EHJTREWSGNHGFD NO I DIDN’T

lanceylance: THE LUNCH LADIES DID THEY CONFUSED THE FUCK OUT OF ME

carrierpidgeon: LIE TO YOURSELF ALL YOU WANT

hunkerdunker: lance is a disgrace to foodies everywhere

lanceylance: H U N K

shayfromstatefarm: okay but think about this: the lunch ladies have been serving that to kids all lunch wave, don’t you think one of them should’ve realized

shayfromstatefarm: “hey, janice, i don’t think this is mac n cheese”

shayfromstatefarm: “what do you mean cheryl?”

shayfromstatefarm: “this is clearly butter”

shayfromstatefarm: “nonsense this is cheese”

shayfromstatefarm: “janice i swear to you”

kogayne: gross butter, from the looks of it

lanceylance: keith was the smartest of us and got pizza for lunch

carrierpidgeon: and he’s being extra with his utensils again

kogayne: i have to let everyone know i am ARMED AND DANGEROUS

lanceylance: chill out edgelord
kogayne: i refuse

takashmeoutside: at least the knife is plastic and not real

kogayne: ...YEP

takashmeoutside: oh come on what the fuck keith

mattata: doesn’t keith have a pocket knife he keeps on him like 24/7

takashmeoutside: fUCK

kogayne: you KNOW THIS

takashmeoutside: YEAH AND /BECAUSE/ I KNOW IT SOMETIMES I FORGET ABOUT IT BECAUSE IT’S JUST A /THING/

kogayne: anyway

takashmeoutside: Teenagers, pls make sure my cousin doesn’t shank someone

lanceylance: (๑•̀﹏•́๑)

kogayne: (°_°)＞＞γδε

lanceylance: >:O

takashmeoutside: >:O

carrierpidgeon: AHAHAHAHAHAHA

hunkerdunker: pidge it wasn’t that funny

carrierpidgeon: laughing like that afterward makes it funnier

takashmeoutside: i resent that

H(ell)igh School

carrierpidgeon: just a warning: i saw rolo hanging out outside the school building, suspiciously close to the entrance to the dungeon

kogayne: fun.

lanceylance: what the FUCK

carrierpidgeon: he wasn’t slick either

carrierpidgeon: as soon as he saw me coming he pretended to be on the phone with someone, asking for a ride as if he doesn’t drive himself to school every day and his car isn’t sitting in the parking lot
carrierpidgeon: so, you know, just a warning

kogayne: and you all call me out for having a pocket knife

hunkerdunker: well we just told you not to shank anyone with it

hunkerdunker: but, you know, if it happens to be in self-defense…

lanceylance: if he ends up needing to shank someone in self-defense i will commit murder

carrierpidgeon: ^^^

shayfromstatefarm: and i can help hide the body

hunkerdunker: sweeney todd

lanceylance: AW YEAH HUNK IS ON BOARD

hunkerdunker: ¯\_(ツ)_/¯

carrierpidgeon: keith, we can keep you inside doing other stuff if need be, bc honestly,,

kogayne: the quicker we move stuff into the dungeon the quicker it’s done with and the quicker /nobody/ has to deal with him

lanceylance: ur mental health comes first

kogayne: i get the concern, but if it comes down to it, i can take him in a fight

hunkerdunker: hopefully it doesn’t come down to that

lanceylance: mmmmm i’m not comfy with this

lanceylance: i’m not on for a bit where are you @ keith

kogayne: wood closet

lanceylance: can we talk, like face to face

kogayne: yeah

_Drama & Crew 2017_

madplax: WHAT THE FUCK IS HAPPENING

zethridofmyproblems: rolo

floronawiththecorona: DIDN’T HE GET KICKED OUT OF CREW WHEN NYMA GOT KICKED OUT OF THE SHOW

zethridofmyproblems: yes
lanceylance: WHAT HAPPENED

carrierpidgeon: lance you’re needed like ASAP

lanceylance: FUCK

madplax: SO WAIT WHAT HAPPENED

acxalutelynot: someone go get an administrator

madplax: OKAY I’M GONNA NEED TO EXPLAIN THINGS THOUGH

acxalutelynot: morvok’s kid and rolo and a bunch of their friends tried to jump keith

acxalutelynot: listen the situation is really sensitive right now can we get an administrator

hunkerdunker: is keith HURT

acxalutelynot: not physically

shayfromstatefarm: oh no

KEITH DEFENSE SQUAD

shayfromstatefarm: can anyone come get keith like right now

takashmeoutside: WHAT’S GOING ON

shayfromstatefarm: rolo paul and a bunch of guys tried to jump keith

shayfromstatefarm: administration is just getting there

carrierpidgeon: ekith si losign his shitty

shayfromstatefarm: i’m coming hold on

Drama & Crew 2017

madplax: okay, wow, so rehearsal,

dinezor: are we still going or are we just gonna call it quits for the day

madplax: we have to keep going, we need to get this thing staged, we open next thursday

acxalutelynot: crew is taking care of what we can

zethridofmyproblems: how long until lance’s next scene

floronawiththecorona: not for a little while, why

zethridofmyproblems: he won’t leave pidge or keith until keith’s cousin gets here
madplax: that’s fine but send hunk and shay back out here, they’re needed in like, two pages

zethridofmyproblems: will do

concerned older brother™

takashmeoutside: okay, so it took an hour, but i got keith’s version of things

mattata: ^ pidge told me hers as soon as she calmed down

takashmeoutside: he said he was warned about rolo waiting around on the side of the building near the dungeon

mattata: ^

takashmeoutside: and he thought, since it was just rolo, he could handle going out and moving things

mattata: ^

takashmeoutside: he didn’t know that there was a whole group of them, or else he wouldn’t have gone out

mattata: ^ pidge mentioned the rest of the Teens tried to get him to stay inside and do other set stuff

hunkerdunker: yep

takashmeoutside: and then he said rolo came up to him first, as sort of a distraction, and when keith tried to walk away, the other guys came in

mattata: that was right about when pidge got back outside and saw things happening

takashmeoutside: and i’m guessing you guys can tell where both of their minds went

mattata: this time, keith was the one who took it a lot harder

mattata: pidge is livid

mattata: but she also cried for a solid ten minutes so i mean

takashmeoutside: keith’s still pretty fragile right now, i would hold off on trying to contact him

CRYPTKID DEFENSE SQUAD

lanceylance: so murder

shayfromstatefarm: got my shovel all ready

hunkerdunker: i’m so angry
hunkerdunker: how dare they??? what the fuck??????

lanceylance: a while back rolo was plotting some kind of revenge or something for something or other, that day nyma and rolo were trying shit with me??

lanceylance: they still had it out for keith, and

lanceylance: i fUCKIGN LET MY GUARD DOWN DAMMIT

hunkerdunker: we all did

shayfromstatefarm: they were waiting for when things were finally calm, or there was a situation they could exploit

shayfromstatefarm: they must’ve noticed something changed w keith’s attitude this past week

lanceylance: i am actually going to kill a person

lanceylance: i am ACTUALLY GOING TO KILL A PERSON

hunkerdunker: zarkon’s still in the office watch him do nothing

shayfromstatefarm: if he does nothing then it’s the final nail in the coffin, the district will have no choice but to shoehorn someone in

lanceylance: there have been like 17 final nails in the coffin if the district doesn’t replace him after this we need to replace the entire district

lanceylance: this has gone on long enough it’s almost fucking december

lanceylance: i am SICK AND TIRED of people coming after us for NO REASON other than we’re having the time of our lives and they’re MISERABLE like we all have our own battles to fight STOP ADDING MORE

hunkerdunker: amen

kogayne > lanceylance

kogayne: 8

lanceylance: whatever you need, i’m here

kogayne: i don’t know if i’m going in tomorrow

kogayne: ...it was bad

kogayne: i couldn’t /breathe/

lanceylance: shh shh i know, you’re okay now

kogayne: do you remember what he said about you that one day
lanceylance: ...yeah

kogayne: it was worse

lanceylance: whatever he said, he was wrong.

kogayne: he sounded just like the guys in the woods, that’s what set me oiff

kogayne: i wasd so scared

lanceylance: you’re okay, you’re safe now

lanceylance: do you want me to come over?

kogayne: yes

lanceylance: i’m leaving right now, do you wanna facetime until i get there?

Facetime with kogayne and lanceylance: 00:09:43.2

Chapter End Notes

stress has put me in a weird frame of mind hence the weird jumpy chapter

i got home from rehearsal and took a four hour nap and got back out of bed at like, 8:30, and now it's 1:15 AM and i need to shower and do my homework, so uh,..., bye
the show gets staged ft. good friendships

Chapter Summary

the show is staged; shalluratt recounts a tale of assholes from their hs days; the squad cares about each other, ft. soft klance

Chapter Notes

"I HAVE SO MANY THINGS DUE FRIDAY" i weep as my short attention span keeps bringing me back to this fanfic (i have the attention span of a walnut, i was not like this 3 years ago, what the fuck happened)

ALSO in the last chapter when keith said rolo sounded like the guys in the woods, it wasn't his voice, it was what he said that sounded similar to what the guys in the woods said :P

okay carry on

See the end of the chapter for more notes

**takashmeoutside > lanceylance**

**takashmeoutside**: figured i’d let you know so you don’t go blowing up keith’s phone

**takashmeoutside**: he’s not going in

**lanceylance**: i’m relieved but also kind of surprised

**takashmeoutside**: he woke up and went to go get cereal, and about halfway through filling the bowl he just set it down, went back upstairs, and went back to bed

**lanceylance**: :( 

**takashmeoutside**: i was supposed to go in for a shift today but matt’s finding someone to cover me

**takashmeoutside**: i didn’t want to leave him alone

**lanceylance**: thanks for letting me know

**lanceylance**: tell him to text me when he’s up to it?

**takashmeoutside**: you got it

**HOLIDAY HOES**
Okay, I know everyone loves Thace, I do too.

But what the FUCK is this project?

Yikes, you know something is wrong when Shay is stressed out and saying fuck.

HE’S MAKING IT DUE FRIDAY WE HAVE SO MUCH DUE FRIDAY THACE WYD

YOU’RE OVERLOOKING THE REASON PAUL’S NOT IN CLASS

He’s not in class?

I thought things were a lot quieter and more relaxed around here.

Y’ALL, PAUL MORVOK IS OFFICIALLY EXPELLED, WE’RE FREE

Okay, not totally free, Rolo’s got OSS but they’re investigating the situation and there’s a chance he could get expelled too, karma is COMING FOR HIS ASS

Congrats!!

Nice

WHY DIDN’T I KNOW THIS

Thace pulled me aside, I usually get here pretty early

What about Nyma

She’s supposedly not involved so she’s off the hook for now but they’re keeping an eye on her.

Good to know

Wait I wanna know the details on Paul’s expulsion

Well Thace didn’t tell me /everything/…

And by that I mean he did but I have to keep it on the DL, Yknow

We’re on the edge of our seats here, Mcclain

Okay okay so after everything that went down yesterday the administrators got Paul, Rolo, and all of the guys involved in the office

And everyone remembers that Paul and Co have like, a history of trying to make our lives hell, like remember they’ve gotten into several fights with Keith before so obvi there’s a recurring problem

And remember, Paul’s dad got fired for being a dick, too

So they know Paul and a few of his real close friends have been targeting Keith
lanceylance: so they like, called his parents and did a mini investigation and went back through his files and basically he got expelled like right then, along with one or two other guys, i think

lanceylance: and then they remembered rolo being involved in shit with us a little while ago and gave him oss and they’re debating whether or not to give him another chance

lanceylance: they probably will tho bc he has a cleaner record

lanceylance: and then nyma supposedly had no role “whatsoever” in planning what happened yesterday so she got let off the hook

lanceylance: and like, they had this whole story prepared, but five or six crew kids were like “asshole that’s not what happened” and gave what really went down

lanceylance: SO

lanceylance: yeah

shayfromstatefarm: NICE

shayfromstatefarm: this makes me feel a lot less stressed actually

lanceylance: except now his cronies who didn’t get expelled plus nyma plus rolo whenever his ugly face is let back into the school are probably gonna target us for revenge eventually °﹏(∪)/¯

hunkerdunker: i mean if they were smart they’d back off

takashmeoutside: chances are revenge won’t happen

takashmeoutside: at least, not paul’s little group

takashmeoutside: if paul was the ringleader then his lackeys are all without someone to boss them around, they’ll either mellow out or dissolve the group, probably

allurable: ^^^ sophomore year man

carrierpidgeon: i feel like you guys have a lot of high school stories you haven’t shared with us

allurable: oh we do, we save them for times when our Children need Guidance

hunkerdunker: randomly capitalizing words in your sentence doesn’t make you Relatable

allurable: You Just Did It Too

carrierpidgeon: wait so do we get these stories or not, what’s with sophomore year

takashmeoutside: matt and i were juniors, allura was that sophomore that hung out with the juniors aka us

mattata: modern golden trio, mind you

mattata: there was a group of kids that year that dubbed themselves the Fresh Kids on the Corner

lanceylance: oh my god
allurable: they thought they were hot shit

allurable: they had no musical inclinations or associations tho

takashmeoutside: they took the name bc it got them attention

mattata: their leader was a massive dickbag named Seth

allurable: seth was sort of a legend

allurable: he, too, was a junior

takashmeoutside: according to the seniors that year, seth had been the kind of freshman who thought he was THE KING OF THE SCHOOL the moment he set foot in the building, constantly getting told off by teachers bc he wouldn’t shut up, on the football team, always with a group of guys, that sort of thing

lanceylance: i can picture like 5 different freshmen from this year i hate people like that

lanceylance: i can picture like 5 different freshmen from this year i hate people like that

takashmeoutside: now, imagine: instead of maturing, he just gets worse

takashmeoutside: the senior and junior band kids and theatre kids, along with a select few sophomores,

hunkerdunker: oh jeez

lanceylance: ah, i see where this is going

takashmeoutside: decide that /enough is enough/, bc he had this thing where he’d show up to shows or concerts or competitions and just

takashmeoutside: steal all the attention by being an enormous shithead

mattata: those who made the mistake of confronting him directly would leave with their souls crushed

allurable: he was mean as fuck

allurable: and his lackeys were all mindless followers who thought he was funny, thought he was invincible, the whole nine yards

shayfromstatefarm: some things never change apparently

takashmeoutside: what happened next landed every senior in band or the drama club in detention and got five kids suspended, and very nearly expelled one student

mattata: together, the band and drama club came together and compiled a list of the greatest roasts and disses the school has ever heard, a public callout for seth

mattata: they then /hijacked the fucking intercom/ one day and exposed him to the whole school

allurable: seth lost his shit and transferred schools

allurable: this was the week before midterms
allurable: i don’t think he’s ever really excelled anywhere since then

mattata: he deserved it

takashmeoutside: as expected, seth’s little crew disbanded and all turned their lives around for the better by senior year

lanceylance: ...so the plastics after regina got hit by a bus

allurable: basically

lanceylance: WHY DOES NO ONE AT THIS SCHOOL TALK ABOUT THESE THINGS, SO MUCH INTERESTING STUFF HAPPENED NOT EVEN 10 YEARS AGO

allurable: they’ll probably accidentally give the students the courage to rebel and act like little shitheads if they tell this sort of stuff

cARRIERPIDGEON: they already do that without these stories

HUNKERDUNKER: the stories’ll just fuel their creative juices and make for even worse rebellions

Drama & Crew 2017

madplax: ...MAYBE

lotoreal: why do i have the sneaking feeling you two are making a joke at my expense

madplax: NO REASON

lanceylance: NONE WHATSOEVER

lotoreal: ...mmhmm........

madplax > lanceylance

madplax: hey i didn’t wanna like, be obnoxious and ask in the group chat, but how’s keith? i haven’t seen him all day, and after yesterday,,,

lanceylance: he’s home

lanceylance: i haven’t heard from him so he’s probably still sleeping, but i also haven’t heard from his cousin so i guess he’s okay rn?

madplax: good to know

madplax: if you don’t mind me asking...what was up with that?

lanceylance: hhhh i don’t wanna say a lot without asking keith first but we’ve got a rough past with rolo and paul being assholes, and keith has other issues that weren’t helping the situation

madplax: i see

madplax: well, tell him i hope he feels better soon!!

lanceylance: will do

kogayne > lanceylance

kogayne: tell me why i just woke up to 104 messages

lanceylance: bc you’re in two group chats that never sleep

lanceylance: how you feelin
kogayne: like i should’ve just sucked it up and gone to school today
kogayne: i’ve been scrolling through the chats trying to catch up
kogayne: now i feel like an idiot
lanceylance: /what the fuck/
lanceylance: you’re! not! an! idiot! for! taking! care! of! yourself!
lanceylance: don’t talk like that :( 
kogayne: ugh i just
kogayne: i feel like i let my emotions get the better of me
kogayne: depression, anxiety, and ptsd 1923932, keith 0
lanceylance: shhh wrong every time you fight back you win those numbers should be flipped
lanceylance: taking care of yourself and taking time to recover is fighting back you win
kogayne: hhh
lanceylance: if i could come over and hug you right now i would but physics is kind of getting in the way of that
lanceylance: don’t worry i’m taking good notes for once although u still should probably copy hunk’s
kogayne: thanks
lanceylance: also what size tshirt do u need
lanceylance: medium, right?
lanceylance: i can spot u cash u can pay back whenever doesn’t really matter
kogayne: actually, i think i’m gonna come back for rehearsal
lanceylance: what in the what now
kogayne: sneak me in through the side door
lanceylance: the point of you staying home was to rest and recover
kogayne: i’m so BORED here and no offense to shiro but he is suffocating me
kogayne: does he know i’m not 5
lanceylance: he’s trying to help
kogayne: yeah i know but regardless i’m coming for rehearsal
kogayne: it’s also your very last time staging a fall show ever and i wanna be there
lanceylance: u don’t have to, it’s not a huge deal
kogayne: y e s  i t  i s
kogayne: plus i looked at the script, you pick up right with a fight scene
lanceylance: ...oh yeah i forgot about that, lotor and i try and kill each other
kogayne: don’t deprive me of watching this go down
lanceylance: we’ll have to run it multiple times before the show
kogayne: yeah but staging means you repeat the sections over and over again
lanceylance: boi
kogayne: anyway i’m coming to rehearsal dya want coffee or not
lanceylance: s t a y  h o m e
kogayne: n o
lanceylance: ...i wanna try that brown sugar whatever thing, the new one
kogayne: gotcha

Respecting Women Juice

lotoreal: correct me if i’m wrong, but wasn’t kogane absent today?
acxalutelynot: yeah, he wasn’t here
lotoreal: did mcclain just...sneak him into rehearsal?
sippinganartini: what’s happening
dinezor: keith stayed home today because of some bullshit that happened yesterday during rehearsal and he just made his grand entrance
dinezor: that is, lance let him in through the side door and did the cheesiest “pick up the love of your life and spin them around” thing ever
zethridofmyproblems: how did they not spill the coffee is my question
dinezor: the power of true love
zethridofmyproblems: okay, no, physics doesn’t give a shit about true love,
dinezor: aw, pidge hunk and shay went to say hi to him, this is honestly the cutest thing i’ve ever seen, it’s like watching a little family :(
lotoreal: so, like us.

acxalutelynot: minus the dysfunctional

lotoreal: i wouldn’t necessarily call us dysfunctional

dinezor: \_(ツ)_/¯

carrierpidgeon: ah yes, shiro still proving matt is the superior babysitter

kogayne: did you just imply he was babysitting me

kogayne: ...shit he was essentially bABYSITTING ME

carrierpidgeon: how did you get by him

kogayne: i ran out the door before he could catch me

kogayne: there are now skid marks from my tires in the driveway

carrierpidgeon: a known legend

carrierpidgeon: so now tell me the real reason why you’re here

kogayne: ???? i did

carrierpidgeon: you’re not just here bc hunk made brownies?

kogayne: i forgot about that tbh

carrierpidgeon: you forgot that HUNK, chef extraordinaire, made BROWNIES

lanceylance: ...you sure you’re okay

kogayne: yeah, i was just doing some thinking

kogayne: tomorrow, do you wanna help me do a thing in the group chat

lanceylance: yeah, sure, what is it

kogayne: i wanna do daily gratitudes

lanceylance: que

kogayne: i did some more emailing with my therapist while i was home today, and she suggested that if my depression is such a pervasive thing like it has been lately, that i start trying to find happy moments or things we’re grateful for each day

kogayne: she thinks it might help
kogayne: i wanna get the group chat involved

lanceylance: sure!!

lanceylance: i have a few right now

kogayne: shoot

lanceylance: you

lanceylance: and your beautiful eyes

lanceylance: and your soft hands

lanceylance: and how fiercely protective you are of your friends

lanceylance: and your voice

lanceylance: and your silky hair

lanceylance: and the way you look at the world and see the mystery in it and how you always find something new to explore

lanceylance: and how much love and wonder is in your heart, even when you don’t show it

lanceylance: and how much you love me

lanceylance: and how much i love you

kogayne: congratulations my screen protector has tear stains on it

lanceylance: i love you, starlight

kogayne: i love you too, starboy

lanceylance: get some sleep, okay? especially if you’re gonna go to school

kogayne: you got it

lanceylance: good night <3

kogayne: night <3

Chapter End Notes

i literally spent my whole day at school daydreaming about klance, and then i took a nap after rehearsal and dreamed about protective klance, tHIS SHIP HAS LITERALLY TAKEN OVER MY LIFE (also i have some klance doodles on ig, they suck but lmao whatever. ig is nerdyspaceace)
grateful hoes

Chapter Summary

it is wednesday; drama rehearsals continue; the team begins daily gratitudes; other stuff
(klance is still soft)

Chapter Notes

YA GIRL APPLIED TO COLLEGE OFFICIALLY
i applied to my top choice, a school that's not second choice but not a safety, and one of
my safeties

anyway this didn't go up on time bc i've been taking four hour naps each day after
rehearsal but then i've had homework to do so uhhh yeah it's late

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: buenos días, luz de las estrellas <3
kogayne: good morning starboy
lanceylance: how you feeeeeeelinnnnn
kogayne: pretty good
kogayne: a lot better compared to the last few days
lanceylance: that’s good to hear :) 

lanceylance: you goin in today?
kogayne: yeah
kogayne: i missed you yesterday
kogayne: yknow, till i went to rehearsal
lanceylance: i missed u too, mornings aren’t the same when i can’t see ur cute face
kogayne: skskdjdjfdojoalakdcmaowf
lanceylance: im picking you up this morning
lanceylance: same dunks order as last time?
kogayne: we’re doing mobile this time?

lanceylance: no wait → i spend more time with u

kogayne: solid logic

kogayne: more time with me → more time i get to spend holding ur hand

lanceylance: did u know ur my favorite person

lanceylance: with the softest hands

lanceylance: and the warmest smile

lanceylance: even when ur holding a knife and threatening to shank someone when ur half asleep

kogayne: DISKDJDJDKDNEELALALSKCOAPWOV YOU CAN’T DO Tjis TO Me THIS EARLY

lanceylance: can and did, mulletman

lanceylance: im leaving in 10, i’ll see you soon

kogayne: i’ll be anxiously awaiting your every moment, prince lanceylance

lanceylance: ohohoho we’re roleplaying? ;)

kogayne: fuck,

lanceylance: ;)))) so is this like a prince and commoner scenario, or a “princes from rival kingdoms fall in love” scenario, or like, “we’re in an arranged marriage and slowly fall in love” ooooooo

kogayne: bOI JUST GO GET READY

lanceylance: we’re picking this up later!!

**HOLIDAY HOES**

kogayne: hey guys, so i have a thing i wanted to talk about

mattata: everything good?

kogayne: yeah

kogayne: so, yesterday i was emailing my therapist aka pidge’s therapist aka our therapist

allurable: mm?

kogayne: my depression got...pretty bad the other day, and so i told her about it, and she suggested something i think the whole group chat could benefit from

kogayne: she suggested doing daily gratitudes, yknow, talk about what we’re grateful for each day
and stuff like that

**kogayne**: so i thought like, if the group chat did it at the end of the day, everyone goes around and shares one good thing that happened, or that made us happy,..

**kogayne**: everyone ends the day in a good mindset, ya know

**lanceylance**: i’m 100% on board

**allurable**: me too!!

**mattata**: count me in

**shayfromstatefarm**: this is actually such a good idea??

**hunkerdunker**: ^^ i like it, i’m in

**carrierpidgeon**: oh HELL YEAH POSITIVITY

**takashmeoutside**: let’s do it

**kogayne**: glad you guys are all for it

**mattata**: of course we’re in, man

---

**HOLIDAY HOES**

**lanceylance**: y’all it’s first period and antok’s class is giving me anxiety

**kogayne**: ^^^

**takashmeoutside**: why

**kogayne**: we’re doing social psych and we’re learning about relationships and he’s talking about how hs/college relationships typically don’t work out and you’re probably ridiculous for thinking that you’re gonna marry whoever you’re dating right now and every

**kogayne**: single

**kogayne**: person

**kogayne**: in the room

**kogayne**: turned to look at lance and me

**hunkerdunker**: oh, fun,

**shayfromstatefarm**: can’t wait for 7th period

**mattata**: antok said the same thing when shiro and i were sitting in that class and look at us now

**mattata**: 7 years of pining later
lanceylance: i mean, he did say he personally thinks hs relationships that make it to marriage will probably last longer than college relationships that make it to marriage but,,,, he’s still skeptical

carrierpidgeon: that’s it first he skipped out on doing the cognitive functions and now he’s giving my friends anxiety antok is cancelled

mattata: didn’t we literally have this discussion back in like, september

carrierpidgeon: VIEWS CAN CHANGE WE’VE MOVED PAST THIS HUSH YOUR MOUTH MATTHEW

allurable: gonna play devil’s advocate here real quick

allurable: antok does have an obligation to teach you and teach you fact and the fact of the matter is that yes, most hs/college relationships don’t work out

allurable: he’s not supposed to lie to spare your feelings, BUT

allurable: there are plenty of cases that contradict this, so take solace in that

allurable: there’s a reason that “high school sweethearts” is a term

lanceylance: thanks allura

kogayne: ^

carrierpidgeon: mmmm

carrierpidgeon: when u guys have ur high school reunion in like 20 years i hope antok is still teaching so u can show up and fling this lesson back in his face

allurable: girl what did i just say

carrierpidgeon: i still think it’ll be funny

kogayne: i think it’ll be funny

lanceylance: ^^^^^^^

mattata: it’ll totally be funny

takashmeoutside: once these kids graduate it’ll be 12 years till our reunion

allurable: and 13 till mine

mattata: can’t wait to give these teachers a heart attack

allurable: a good number of them were probably betting on who would end up with who beyond college, if we were to stay together

takashmeoutside: will there be /any/ winners
**HOLIDAY HOES**

**kogayne:** according to thace,

**takashmeoutside:** i’m suddenly afraid and having regrets

**kogayne:** there are /no/ winners

**allurable:** FDHJYTRESDFHTYTJDS

**mattata:** BUT DID HE BET IS THE QUESTION

**kogayne:** he claims he stayed out of it /officially, but/

**kogayne:** ...he would’ve put money on shatt

**kogayne:** also lance he’s hoping we don’t let him down

**lanceylance:** HJRTJTYJYUKRKTJ HAVE HIM TELL THAT TO ANTok, I’M PRETTY SURE ANTok IS /WAITING/ FOR US TO LET HIM DOWN

**allurable:** tell thace i’m coming to ur school tomorrow just to have words with him

**kogayne:** i’m not going to threaten my english teacher with the wrath of allura altea, i want to keep my good grade in this class

**allurable:** i don’t claim you

**allurable:** i always knew lance was my favorite

**lanceylance:** (.Lerp ἀρχαῖος ἄνδρας) ERP

**lanceylance:** BUT

**allurable:** what
mattata: wait for it

lanceylance: (wait for it wait for it wait)

allurable: GOD HELP ME AND FORGIVE ME, I WANNA BUILD SOMETHING THAT’S GONNA OUTLIVE ME

lanceylance: WHAT DO YOU WANT BURR

hunkerdunker: WHAT DO YOU WANT BURR

mattata: IF YOU STAND FOR NOTHING BURR, THEN WHAT DO YOU FALL FOR

lanceylance: okay but a dot ham aside, my but was focused on the fact that sorry allura, keith is my fave :)

kogayne: (¬_¬)_(¬ー┐)

carrierpigeon: keith using jemoticons is my aesthetic

carrierpidgeon: specifically, the sunglasses middle finger guy is my aesthetic

kogayne: (￢□¬□)

mattata: keith is mashing them up and creating abominations that should not exist

kogayne: i do what i want

kogayne: fight the power

shayfromstatefarm: we expect nothing else

hunkerdunker: to quote thace:

hunkerdunker: “yep, that’s shirogane’s cousin alright”

carrierpidgeon: why does this make me think that shiro and matt were totally in that group of kids who got rid of the demon student known as seth

mattata: shiro was the ringleader among the juniors

takashmeoutside: MATT HSUH

takashmeoutside: CHILDREN, DO NOT FOLLOW IN MY FOOTSTEPS

kogayne: i’m gonna follow in ur footsteps

carrierpidgeon: u kind of already have

kogayne: even better

takashmeoutside: [long sigh]
lanceylance > kogayne

lanceylance: ddue i’m tfkrwiang out

kogayne: whoa what happened??

lanceylance: i’m oakdy

kogayne: you’ll get accepted

kogayne: it’s out of your hands now, all you can do is keep doing whatever else you need to do

lanceylance: Y’ALL ARE STEALING THE BI TRADEMARK AGAIN

kogayne: will me proclaiming my love for you in the main group chat and completely ruining the cool reputation i’ve managed to maintain so far make you feel better

carrierpidgeon: you’ve just exposed yourself to all of us so it makes no difference now

hunkerdunker: besides, just like pidge, we all know you’re secretly soft

shayfromstatefarm: it’s no secret

shayfromstatefarm: we also know you’re weak as hell for lance

lanceylance: we’ve discovered knife boy’s weakness: one sexy boy named lance charles mcclain

carrierpidgeon: what kind of middle name is /charles/

lanceylance:¯\_(ツ)_¯

kogayne: cute

lanceylance: did you just

sortings and other things

Chapter Summary

rehearsal, hogwarts house sortings, and other things

Chapter Notes

so i was gonna finish this last night, right
it was about midnight, i was gonna lay down for about half an hour (i had alarms set to
go off), get back up, stay up for another hour or two writing, and then call it quits. well,i fell asleep.
cue this morning, where i woke up at 4:50 in the morning in a blind panic because i
thought it was a school morning, and i usually shower the night before. i run to the
bathroom and have my shirt halfway off when i go "holyfuck, it's saturday, i can sleep
for two more hours" and went back to bed

now i’m running on my second coffee of the day after being at rehearsal for six hours
(which is where i finished this chapter)
saturday chapter is in the works as we speak :)

See the end of the chapter for more notes.

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

hunkerdunker: i came prepared, i have packets upon packets, i think i have enough to give out to every senior and then some

madplax: hunk this club doesn’t deserve u

H(ell)igh School

carrierpidgeon: hey so i wanted to keep the ones in the choir room short just so everyone could go and then everyone could go home and rest but i wanted to expand upon the ones for you guys

carrierpidgeon: sometimes i don’t really show it but i really appreciate you guys a lot, you guys are basically my role models and i don’t know how i would’ve made it this far without any of you, i’m so glad we’ve all been able to do this club together and honestly when u guys go to college next year i don’t know how i’m going to be able to function

carrierpidgeon: hunk, you’re basically my best nerd friend and doing crew with you the first couple years and then watching u transition into this confident guy on stage has been fucking incredible, you’re killing it out there, man, i’m sososo proud of you. you’re gonna do great things next year no matter where u go and i’m glad to have been along with you for part of the journey

carrierpidgeon: shay, girl, in this circle of guys i am so glad to have another girl around and i’m so thankful you’ve been there for me when i needed you. you’re such a sweetheart in general and you’re always ready to lend a hand to literally anyone in need? and you’re there with words of wisdom? fuckin drama club mom i swear, idk what i’m gonna do without u in school to hold me together and be the big sister i never had next year

carrierpidgeon: lance, u big fucking memer, how am i supposed to get thru my days next year without watching u shove food down ur throat at lunch or hear u cracking stupid jokes 24/7 or watch u defend ur friends without a second thought????? what am i supposed to do without you next year to lighten the mood when we need it the most?? jfc you’re just like matt (but lowkey better but don’t tell him i said that) and?????? HOW DO FUNCTION, WHO AM I GOING TO YELL MEMES AT ACROSS THE HALLWAY AND GET THE EXPECTED RESPONSE i’m gonna miss u so much and holy sHIT

carrierpidgeon: and keith, holy fuck man do we go back, u knew me basically from the time i was born bc ur cousin and my brother just had to be best friends. life with u has been a rollercoaster and it’s gonna be so weird for u to just not be here next year. we’ve been thru a /lot/ of shit together, like you’re my cryptid-hunting partner and you’re kinda the reason i’m like, still here??? i don’t wanna get into that bc god knows that was awful but i’m so glad you’ve been in my life, watching u grow up and growing up alongside of u has been a JOURNEY and you’ve basically been another big brother to me since day one. i love u man, i’m really gonna miss u

carrierpidgeon: i’m gonna miss all of u
carrierpidgeon: WHAT AM I SUPPOSED TO DO NEXT YEAR WHEN YOU’RE ALL AWAY AT COLLEGE BEING SCHOLARS AND SHIT

shayfromstatefarm: GLAD WE’RE ALL IN AGREEMENT

HOLIDAY HOES

kogayne: hello fuckers it’s gratitude time

takashmeoutside: i read the text and thought it was from lance

takashmeoutside: ...wait, you’re at lance’s, aren’t you, does he have your phone

lanceylance: nope that was all him

kogayne: they say when u spend a long time with a person u start to pick up on their habits and mannerisms

mattata: that’s a LIE if that was true shiro would be the biggest memer in the chat right now

allurable: or maybe the three of us just need to spend more time together

mattata: i am 100% down for that

takashmeoutside: ^^^^

carrierpidgeon: if it’s not you two, it’s klance, and on the hellish days, hunay jumps in

shayfromstatefarm: so like, earlier this afternoon

carrierpidgeon: MMMMMMMMMMMMMMMMMMM
kogayne: so anyway i’m grateful for the drama club, the final nights before a show always somehow brings the club closer together, no matter how many weeks we’ve spent rehearsing beforehand

lanceylance: i’m grateful that we managed to pull the show together in literally like two weeks

hunkerdunker: i’m grateful for that no calc homework thing we had going on today, ryner came through for once

shayfromstatefarm: SAME i’m also grateful that it’s tuesday, we’re one step closer to the show and one step closer to the weekend

carrierpidgeon: i’m grateful to have so many honorary older siblings

kogayne: PIDGE I WILL CRY AGAIN I SWEAR

takashmeoutside: ah, senior night, i was confused before i remembered

mattata: reMEMEbered

takashmeoutside: i have made a Mistake

takashmeoutside: anyway i’m grateful that everyone’s having a good time, it seems

takashmeoutside: unless anyone wants to speak up so i’m not glossing over anything

kogayne: ur good

lanceylance: ^^^

mattata: ^

carrierpidgeon: all good in mr. rogers’ neighborhood

hunkerdunker: peachy

shayfromstatefarm: agreed

allurable: everything’s fine here

Chapter End Notes

SO SOME FUN STUFF

I GOT AN A- ON MY LAST CALC QUIZ AKA ONE I TOOK YESTERDAY AND I HAD ONLY A VAGUE IDEA OF WHAT I WAS DOING, IT BROUGHT MY GRADE UP LIKE 6 OR 7 POINTS ALSO I UNDERSTAND THE NEW SECTION WE'RE DOING AND FINISHED MY HOMEWORK BEFORE SCHOOL ENDED I WAS SO LIT

also psych today was essentially one big study hall so i plotted up through chapter 21 of stars go down, chapter 19 might be done and posted within the next 48 hours (insert eyeballs emoji here). if you're reading stars go down/dsn, prep for brogangst and shallurangst and langst and ANGST IN GENERAL TBH :)

also i'm still taking fic requests over on my instagram @ nerdyspaceace, just be patient and don't expect them right away, i got more requests than i expected and also like, other fics and life obligations, but anyway. i'm almost done writing one and guess what, there's angst, what's new

okay bye
opening night!!

Chapter Summary

recap of a wednesday chapter that didn't happen: final day before opening night, the group does a thing where the seniors share their prior experiences with the drama club/crew and say nice things to every member who shows up for this event

actual chapter summary: it's preview day at school and opening night, aka the squad doesn't leave the fucking auditorium

Chapter Notes

hi my name is eileen and i write fanfiction backstage

aka i was backstage writing and one of my friends is like "are you writing another voltron fanfic" bc he knows i write voltron fanfics and i'm like "yep" and he goes "you should write one where they're all in a play" and i had to explain to him that my buddy,,,, my pal,,,,, am there doing that

he looked at me and went "of course you did" and went back to playing pokemon with my brother bc of course i did

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: so there’s a lot i’ve said to you and about you in the past, and i already said some stuff earlier during circle, but it’s always nice to give you another reminder of how much u mean to me, especially in writing so u can see it over and over again

kogayne: im already gonna cry and u haven’t said anything yet, don’t do this to me,,,,

lanceylance: i remember the day clearly,

kogayne: oh my god you’re gonna get so sappy

lanceylance: oh just wait till i reenact this in person

kogayne: L A N C E

lanceylance: i was having a grand old time in the auditorium, prepping for our tenth rehearsal of a feudin’ over yonder, and in walks this MULLET with a bunch of the crew kids

lanceylance: your messy mop of hair had never walked in with crew before that day, and i could not BELIEVE my greatest middle school rival was invading MY club
kogayne: / L A N C E /

lanceylance: i spent that whole rehearsal being the BIGGEST HAM with the few lines i had, just to prove i was better than you, while you spent the whole rehearsal showing off your muscles and lifting the heaviest shit you could find.

lanceylance: we both got in trouble in our own ways—you dropped three boxes and your arms were sore for two days, and i butchered my line so badly that the director spent ten minutes reprimanding the cast on the proper way to deliver your lines.

lanceylance: when wizard of oz came around i got stuck in my costume and u got SO DISTRACTED watching me that you broke a set piece and we both swore up and down never to talk about it to anyone. you helped me out of my costume and i helped you fix that piece and that was the beginning of our begrudging friendship.

kogayne: i still have a piece of that door.

lanceylance: okay james p sullivan

kogayne: :P

lanceylance: over the summer we got closer through pidge and hunk and shay and our little group really began pulling together.

lanceylance: sophomore year during bigtop i kissed nyma in the middle of rehearsal after we got together, and u made sure that my props were in the wrong places at the most random times and i never found out until two months later that it was u.

kogayne: i remember being so pissed at u and then pissed that i couldn’t even tell u.

lanceylance: i remember being pissed that u were pissed and wouldn’t tell me why u were pissed.

kogayne: wow we were bad at communicating.

lanceylance: then in the winter we got a lot closer and i realized that nyma made me absolutely miserable, while u made me happy, i liked you.

lanceylance: like really liked you and ur cute face and ur soft hair and sparkly eyes.

kogayne: whipped.

lanceylance: stfu ur just as whipped.

lanceylance: then during annie auditions i remember breaking up with nyma and she cussed me out so badly that hunk literally picked me up and dragged me away from her and it SHOOK ME and hunk had to leave bc his mom couldn’t wait and u sat and talked to me before i auditioned and calmed me down and then shiro drove us home.

kogayne: he made fun of me the entire car ride as soon as you got out of the car.

lanceylance: during rehearsals crew was always doing something or other and i remember asking hunk to talk me up to you and he and shay couldn’t take it anymore and set us up and on fuckign STAR WARS DAY we both asked each other out, except i asked u to join the dark side bc ur favorite color was red and u asked me to join the jedi bc my favorite color was blue and we ended up
rejecting both sides and running away together

**kogayne:** becoming grey jedi with ur boyfriend is the peak of modern romance

**lanceylance:** apparently, bc it was enough to keep me around :P

**kogayne:** yeah thank GOD

**lanceylance:** :) then during auditions for arsenic junior year u were there to support me and i landed the lead and hunk got a good role when he switched over from crew to cast and u celebrated for me but then roasted hunk for abandoning u bc he was joining shay in the cast

**kogayne:** but then we had pidge so it was okay

**lanceylance:** hunk was lowkey offended

**kogayne:** i mean i would be too

**lanceylance:** but that was the year cast and crew really began merging and that rivalry started by the upperclassmen from before we even went to this hellhole of a school was finally over

**kogayne:** about time

**lanceylance:** then during the musical last year everyone’s voice started going out bc of fUCKING MYZAX and on our one year i was on vocal rest so u used the whole day to tell me how much u loved spending a year with me, and i got so flustered and cOULDN’T SAY ANYTHING

**kogayne:** my best move

**lanceylance:** u dick

**lanceylance:** and then over the summer we got really REALLY close like closer than ever and we looked at engagement rings as a joke but i knew,

**lanceylance:** i was so far gone

**lanceylance:** i was already plotting the proposal

**kogayne:** u CANT DO THIS TO ME

**lanceylance:** and then u, u asshole

**kogayne:** yes, i am an asshole,

**lanceylance:** u had to take advantage of that ONE FOOTBALL GAME before rehearsals even got going where we were selling at the drama club table and fUCKIN GAVE ME A PROMISE RING AND I MELTED, ABSOLUTELY MELTED, U FUCKER

**kogayne:** :)

**lanceylance:** and then during rehearsals ur constant presence in the auditorium is so calming, and snuggling between scenes on the days crew isn’t doing stuff has been so, so wonderful

**lanceylance:** shit happened between summer and now and you’ve gone through things no one
should but u came out on the other side of it and you’re so strong, and i’m glad i’ve been at your side through it all

lanceylance: honestly this hell club is fantastic on its own, but i’m glad i’ve shared these last four years in it with you, and i’d say the usual thing and be like “i’m gonna miss u so much after graduation” but i’m not going anywhere and neither are you <3

kogayne: i am CRYING, PIDGE WAS BAD ENOUGH ON SENIOR NIGHT, HOW AM I GONNA TOP THIS

madplax: great runs today everyone, we’re breaking 7th period and then we’re doing another run before the show

kogayne: w h a t

lanceylance: so theoretically, if keith and i were to sneak out to dunkin donuts and get /more food/, seeing as another run will bring us right to call time,

madplax: i’m not /saying/ we’d break school protocol and sneak you back in through the side door,

madplax: /but/

madplax: if i just so happened to be leaning against it and accidentally opened it, and you two were just coincidentally arriving back,

lanceylance: with food for the rest of the cast and crew

madplax: well then...no one can be opposed to that, now, can they

madplax: ;D

lanceylance: ;D

lanceylance: KEITH GET UR BUTT TO HOUSE WE’RE LEAVING

carrierpidgeon: WROOOONG

carrierpidgeon: your cast and crew were divided, constantly at war,

kogayne: ours are UNITED

hunkerdunker: (tbh i’ve literally never seen a more closely intertwined cast and crew than this one, we’re gonna kill it out there)

shayfromstatefarm: pidge, you’re going to need to make sure the next couple years that this tradition carries on, never let the divide grow again

carrierpidgeon: i will carry my duties with honor

allurable: WELL THEN

mattata: MAY THE BETTER CAST WIN

hunkerdunker: (but there are so many variables, like what show everyone is doing,)

kogayne: what’s happening backstage now

lanceylance: two of the sophomores are running lines

lanceylance: IT’S NOT EVEN TO KEEP THEM SHARP IT’S LITERALLY BC “IF I SCREW THIS UP AGAIN I’M LITERALLY GONNA JUST WALK OFF THE STAGE”

kogayne: how did this show come together,
**lanceylance:** a damn MIRACLE

**lanceylance:** a lot of SPITE and DETERMINATION and LACK OF SLEEP and TOO MUCH CAFFEINE

**kogayne:** shit u right

---

*Dr*ama & Crew 2017

**dinezor:** holy shit we actually did it

**madplax:** I AM FREE OF THIS AUDITORIUM

**lanceylance:** yeah till tomorrow

**madplax:** HUSH MCCLAIN

**madplax:** THEN WHAT DO YOU MEAN BY SINS

**kogayne:** MEMORIZE YOUR DAMN LINES

**madplax:** you all have been exposed by keith kogane, watch ur fuckin backs

**madplax:** anyway other than that GREAT RUN I WILL SEE YOU ALL BRIGHT AND EARLY IN HELL BC I SWEAR IF ANY OF YOU SKIP OUT ON SCHOOL WHILE I GO IN AND SUFFER BC I HAVE THREE QUIZZES I CAN’T AFFORD TO MISS,

**lanceylance:** shh good night everyone

---

**kogayne > lanceylance**

**kogayne:** i’m gonna take advantage of u sleeping and use this time to get back at u, u little shit
**kogayne:** first of all i was sort of crushing on you in middle school, ngl

**kogayne:** so when we got to freshman year and you joined the drama club i came home and complained about it to shiro bc we had that “rivalry” and honestly why did u have to join that club, no fair, u were cute

**kogayne:** shiro roasted me for that before he told me to join crew anyway, so i did

**kogayne:** i still remember watching u screw that line up bc u were trying to prove something, that was the funniest shit i’d ever seen at that point and i knew u were doing it to spite me, like way to make me feel like a winner, u idiot

**kogayne:** and then the box incident, i still remember waking up and moving my arms and realizing i fucked up bc i was lowkey trying to impress u

**kogayne:** honestly oz was a hot fuckin mess for the two of us so stumbling upon you trapped in the costume was the second funniest shit i’d ever seen. u had a habit of making me laugh back then, and i wouldn’t have told u but seeing u then was the highlight of my days. when the set door broke and u saw me scrambling to try and fix it i honestly thought u would either make fun of me, bc i thought u genuinely didn’t like me, or you’d go rat me out, but you didn’t

**kogayne:** both of us were so terrified of the director and the upperclassmen that you helped me and i helped you and somehow we became friends, and i was really glad for it. you were so easy to become friends with once some of my walls started coming down, and you opened ur door wide

**kogayne:** still, i didn’t think you’d ever like me enough to date me. i heard rumors u were bi but i only ever saw u flirt with girls so i didn’t think i had a chance. rolo and i started going out and he was okay at first, he was nice enough, and i won’t lie, he was genuinely a good boyfriend the first few months. when i saw u going out with nyma tho, part of me was still angry and still jealous, even tho it was irrational. when u kissed nyma during bigtop rehearsals i hid ur shit to make u notice me and it was so childish and petty but it gave me an excuse to talk to you

**kogayne:** then i started to realize that rolo wasn’t making me happy, not the way hanging out with you was. as time went on and he started to talk shit about the things i liked and i realized things were going down a toxic route, i wanted out, especially when it became clear that he was only using me to make nyma jealous

**kogayne:** funny how that worked out

**kogayne:** sophomore year was so wild, and when nyma finally cussed u out during ur breakup i knew i couldn’t just sit there and let u take it alone

**kogayne:** me comforting u wasn’t me trying to move in and sweep u off your feet

**kogayne:** some things never change and one of those things is me never wanting to see you in distress. at that point i’d mostly known you as happy-go-lucky, and i had no idea how deep your depression could run. seeing you really shaken like that was scary because i’d been there, i know what that feels like, i couldn’t just leave you to that, especially when u loved drama club and your audition was happening literally in like 5 minutes

**kogayne:** when we drove u home that day shiro knew about you, even if he pretended he didn’t know that much. by that point i wanted to consider us friends, given the group that had formed over the summer. i’d talk about you. i got roasted to hell and back as soon as you left the car but it was so
worth it

kogayne: us getting together was the cheesiest shit ever and i can’t believe hunk and shay set us up like that, honestly who even are our friends

kogayne: (also if we don’t do a star wars theme for prom this year, since prom is star wars day, i’m fighting u)

kogayne: (i won’t really but how cool would that be)

kogayne: since sophomore year i’ve watched you land fantastic roles in every other show we’ve done since then, from arsenic to now. it’s been a wild ride, from show week in the musical last year to how quickly this show has moved. and even outside of drama club, with our friend group and our classes and the bullies and the„„ other situations„„, it’s been...something. and i’m glad you’ve been the one constant through it all.

kogayne: i’m gonna tell you right now that some nights i do stay up and look at my promise ring and wonder if you just wear it out of pity bc you think i’ll feel bad if you don’t. sometimes i stay up and wonder if maybe we are moving too fast, or wonder if you actually want this, but looking back on it, and reading what you said to me earlier, and looking at this ring now…

kogayne: i’m excited to see what the future’s got for us. even if it all goes to hell, if we’re still holding hands and are at each others’ sides, it won’t matter, bc all that matters is you.

kogayne: good night starboy, i love you <3

lanceylance: YEAH BUT SHOPPING BY YOURSELF IS NO FUN BUT YOU CAN’T JUST TELL PEOPLE WHO YOU HAVE FOR YOUR SECRET SANTA BC WHAT IF SOMEONE GETS EXPOSED

carrierpidgeon: SHOP ONLINE?

lanceylance: THAT’S NO FUN, THEN YOU CAN’T HOLD HANDS WITH YOUR S/O AND CLUTCH A HOT DRINK IN A HOLIDAY CUP AND WALK AROUND TO ALL THE STORES WITH THEIR PRETTY LIGHTS AND ACT LIKE TEENAGE GOOFBALLS

kogayne: is this your weird way of asking me on a christmas shopping date

lanceylance: m-maybe

takashmeoutside: YOU TWO ARE IN THE SAME ROOM
takashmeoutside: I CAN’T BELIEVE THIS

kogayne > takashmeoutside

kogayne: lance is staying for the night we don’t feel like driving in the snow

takashmeoutside: isn’t your car good in the snow

kogayne: shhhhhhhhhhhhhhhHHHHHHHHHHHHHHHHHHHHH

kogayne: Let Me Love Him

Chapter Summary

it's the 7 year anniversary of the day shiro buried his parents.

Chapter Notes

dthis one is short, i didn't have a lot of inspiration for it

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: :(((((
lanceylance: i almost asked what was wrong before i remembered
lanceylance: you gonna be okay at school today??
kogayne: hhh i guess
kogayne: i'm more worried about shiro
kogayne: i still wish i was going with him but i'm gonna feel ten times worse if i do
lanceylance: it's okay
lanceylance: he doesn't hold it against you that you're not going
lanceylance: he told u not to, after all
kogayne: i know
kogayne: i still feel BAD though
kogayne: they were his parents but they were my aunt and uncle and they took me in
kogayne: and their death is the only reason shiro took me in
kogayne: i just
kogayne: i feel like i'm dising their memory by not going
lanceylance: ...maybe you don’t have to go with shiro
lanceylance: why not go after school?
**kogayne:** i don’t know

**kogayne:** we’re gonna have to get to the café and idk,,,

**kogayne:** like

**kogayne:** i know when i visit my dad’s grave i feel like shit afterward, and he wasn’t around for that long

**kogayne:** i lived with my aunt and uncle for a lot longer so

**kogayne:** ugh i hate this i hate it so much

**lanceylance:** you don’t have to go if you don’t want to

**lanceylance:** all i’m saying is, if you end up wanting to, you still can, you just don’t have to with shiro

**lanceylance:** and it’s not like you’d be going alone

**lanceylance:** i’d go with you if you wanted

**kogayne:** i’m not gonna make u go to a graveyard with me two weeks before christmas

**lanceylance:** dude,

**kogayne:** :( i know

**lanceylance:** whatever you decide, i support u

**kogayne:** if i need space,,,

**lanceylance:** u got it

**lanceylance:** whatever u need, i got u

**kogayne:** i don’t deserve u

**lanceylance:** shhh yes u do, i know for a fact you’d do the same for me

**lanceylance:** u deserve the world

**kogayne:** can u pick me up

**lanceylance:** of course

**lanceylance:** i’ll be there in 10

---

*lanceylance* added **mattata, allurable, carrierpidgeon, hunkerdunker, and shayfromstatefarm** to **Brogane Defense Squad**

**lanceylance:** i’m pretty sure matt and allura and probably pidge are already know but today’s the
anniversary of the funerals so like, be nice to the broganes today

lanceylance: please

carrierpidgeon: damn it’s been 7 years already

mattata: i still remember that day

allurable: me too

mattata: that was,,, a rough time

allurable: yeah

hunkerdunker: ...wait isn’t keith in school? i swear you two walked in together this morning

lanceylance: yeah, he is

lanceylance: don’t question it

hunkerdunker: okay

shayfromstatefarm: if there’s anything we can do for them, let us know

lanceylance: will do

mattata: allura and i are going with shiro today, we’ll give updates as necessary

allurable: ^^^ we’re giving them all the space and support they need

STOP CAPTAIN DOOFUS 2K17

carrierpidgeon: so, like, do we even bother with the main gc today

carrierpidgeon: do we keep it to the brogane chat

carrierpidgeon: do we make a chat just without shiro

carrierpidgeon: bc obviously we’re not gonna blow up his phone while he’s at a graveyard grieving his parents

carrierpidgeon: ...in which case do we just keep it here, bc matt and allura are with him?? do we move to the high school chat and keep keith in the loop?

shayfromstatefarm: easy there pidge

carrierpidgeon: well i don’t wanna be like, sending memes and stuff while they’re suffering

lanceylance: i think it’s best we just stay here for now

lanceylance: i’ve got my eye on keith

lanceylance: if he wants to talk, i’m sure he’ll end up texting the high school chat
lanceylance: if shiro wants to talk, he’ll show up in one of the group chats

shayfromstatefarm: well-said

lanceylance: \_\_(ツ)_/¯ doin my best

mattata > takashmeoutside

mattata: hey

mattata: i’m leaving my house now, i should be over in like, five minutes

takashmeoutside: okay

mattata: how you holdin up this morning?

takashmeoutside: ...i’m alright, i guess

mattata: it’s...this day is always weird

mattata: and i already know i’m going to be out of it later, but there’s nothing i can /do/ about it

mattata: it’ll be okay

mattata: you’ve got me, you’ve got allura, you’ve got everyone else

mattata: we’re /here/ for you

mattata: always have been, always will be

takashmeoutside: thanks, matt

mattata: i’ve...been kinda reflective the past couple hours

mattata: i wanted to say thanks, for not dropping me when we broke up

mattata: you didn’t need to stick around, especially not after how i treated you

mattata: but you did

mattata: it’s called love, takashi, get with the program

mattata: (i’m just kidding)

mattata: (...okay sort of)

mattata: (i love you)

mattata: i love you too
takashmeoutside > kogayne

takashmeoutside: so it was...something

kogayne: how you feelin?

takashmeoutside: could be better

kogayne: yeah, me too

takashmeoutside: what period?

kogayne: 5, i can’t focus on circuits for more than two minutes before my mind starts wandering

kogayne: i still remember the funeral

kogayne: they weren’t my parents but they might as well have been

kogayne: i wish i’d gone

kogayne: no, you don’t

takashmeoutside: it’s muddy and gross and freezing out

kogayne: nah, i still wish i went

kogayne: i’m thinking of asking shay to find someone to cover for me so i can go after school

kogayne: did shay put you on today?

kogayne: i think so?

kogayne: double-check

kogayne: alright

H(ell)igh School

kogayne: hey, shay, who’s on schedule today?

shayfromstatefarm: we put hunk, lance, and pidge on today

shayfromstatefarm: i took you off

lanceylance: i forgot to tell u

lanceylance: sorry

kogayne: oh

kogayne: it’s okay

kogayne: thanks
carrierpidgeon: how you doin, mothman

cogayne: ...can’t focus much tbh

cogayne: wish i’d gone with shiro

carrierpidgeon: :( i’m sorry man

hunkerdunker: ^^^

---

kogayne > lanceylance

kogayne: can you just drop me at home after school?
lanceylance: yeah, sure

lanceylance: are you gonna go to the cemetery

kogayne: probably

kogayne: it’s...something i need to do alone

kogayne: pls don’t take it personally

lanceylance: i won’t

lanceylance: i love you

lanceylance: you’re strong and i hope you know that

kogayne: <3

---

Brogane Defense Squad

allurable: shiro is emotionally out of commission, how’s keith

lanceylance: distant

lanceylance: quiet

lanceylance: i think he and shiro need time together to process

mattata: yeah, i’m getting that sense

shayfromstatefarm: so we’re staying in this group chat for the rest of the day then

carrierpidgeon: looks like it

lanceylance: i wouldn’t even speak in the other group chat tomorrow until they do

hunkerdunker: ^^^^^ this might take a few days of recovery
shayfromstatefarm: is everyone ready to be on emotional standby

allurable: been here for a while now

mattata: ^

lanceylance: ^^

kogayne > takashmeoutside

kogayne: you’re right, this is awful

takashmeoutside: i told you

kogayne: i’m coming home

takashmeoutside: you really didn’t have to go

kogayne: yes, i did

kogayne: they took me in

takashmeoutside: i get it

kogayne: yeah

kogayne: and uh

takashmeoutside: i know

kogayne: let me say it

kogayne: thank you

kogayne: i say it a lot lately but i don’t know where i’d be if you gave up on everything and just let the state take me

kogayne: i genuinely appreciate the sacrifices you made

takashmeoutside: and i’d do it all over again

takashmeoutside: wanna do a movie marathon?

kogayne: yeah, that sounds good

<3

allurable: pssst, kashi

allurable: we love u
mattata: a whole lot

allurable: you’re one of the strongest people we know

mattata: you’ve gone through things no person should

allurable: <3333

mattata: <3333

takashmeoutside: thank you two, for being here

takashmeoutside: <3

Chapter End Notes

so like, i’m debating whether to keep writing this every day, or write this every other day, bc i’ve been exhausted bc of school lately and been falling behind on this, and some days i just don't have the inspiration to do a chapter

like this is going up on a wednesday, but this is the tuesday chapter. i wasn't gonna write a wednesday chapter, but then something ridiculous happened in yearbook that i'll elaborate on in the next chapter when it goes up, but like,,,

what do u guys think

("GET SOME SLEEP, ARE YOU FUCKING KIDDING ME, TAKE A BREAK" you all scream, and then we burst into song)

see ya in the next one
this chapter is so sappy omfg

Chapter Summary

this ended up being mostly sappy klance idk what happened

Chapter Notes

did you know you all are gems and i don't deserve u guys

more stuff in the ending note

just a warning early on in this chapter there are n*zi mentions bc the characters briefly discuss wwii bc someone in my yearbook class was being so ridiculous i wanted to bash my head into a wall, i literally texted my mom like "mom i'm gonna cry i can't take these kids anymore" but anyway

See the end of the chapter for more notes

lanceylance: i’m grateful that we’re doing this now so we don’t forget and also i’m grateful that even tho the show was only two days, they were a great two days

carrierpidgeon: aaaaaaaaAAAAAAAAAAAAAAAAAAAAAA i’m grateful that all my tests and quizzes this week have been cancelled in preparation for the holidays

lanceylance: we still have one more week after this tho?

carrierpidgeon: shhhh don’t question it

hunkerdunker: i’m grateful that it’s already wednesday and i finished all of my homework so now my study hall is free for me to do whatever

shayfromstatefarm: unless someone else assigns homework before then

hunkerdunker: [long sigh] ryner

shayfromstatefarm: ryner

carrierpidgeon: do we do one demon ep per season or more

kogayne: come at me

kogayne: hey there demons, it's me, ya boi

allurable: i just caught up to the chat and my brain is also now crying

allurable: have they not been paying attention to current events where people have been called n*zis for their ideals

lanceylance: apparently not

aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa
allurable: invalid??????

hunkerdunker: i am so very glad that this is the conversation we’re having second period on this wonderful wednesday

mattata: honestly what would you Teens do without us

carrierpidgeon: rejoice, be there’s no one around to bust us when we do things

takashmeoutside: you forget you’re talking to matt, anything you do, he’s probably done

mattata: lemme know when you fuck up a frat party with nothing more than ur superior intellect and a laptop, then we’ll talk about trouble

allurable: *superior intellect, laptop, and allura watching your back

kogayne: oh?

allurable: we’ll save that one for when you actually go off to college and go to frat parties

kogayne: smh i’m never hearing this story then

carrierpidgeon: ^^^

allurable: oh?

kogayne: not interested in going

kogayne: drunk college kids and weird boys? not my type

carrierpidgeon: ^^^^^!!!!!!!

allurable: ah

allurable: then when u get into the garrison and are ready to go off i’ll tell it

allurable: pidge, you’ve gotta wait another two years

carrierpidgeon: DAMMIT

kogayne: shh i’ve got u covered

carrierpidgeon: THANKS MY GUY

kogayne: NO PROBLEM MY GAL

allurable: how dare

kogayne: FIGHT THE POWER

lanceylance > kogayne
lanceylance: you okay?

kogayne: yeah why?

lanceylance: [gestures wildly to the main group chat]

kogayne: oh that

kogayne: yeah i’m,,, i’m good on that topic right now

kogayne: i just have no plans to go to frat parties in colleges

kogayne: i mean, even before the Thing i had no inclination but now it’s like ¯\_(ツ)_/¯

kogayne: i mean if u wanna go to frat parties when we hit college by all means go ahead but i’ll be chilling out in the dorms

lanceylance: yeah, no, i get it

lanceylance: i just wanted to check up on you

lanceylance: especially given yesterday and also bc i don’t see ur cute face for 2 more periods

kogayne: yeah, i’m okay

kogayne: i miss ur pretty face

lanceylance: MFGMFDFHGN

lanceylance: I

lanceylance: AAAAAAAAAAAAAAAAAaaaaaaaaaaaaaaaA

lanceylance: can i let u in on like, an important secret

kogayne: no

lanceylance: fuck u

kogayne: :P go for it

lanceylance: ur the first person i’ve let call me pretty

lanceylance: i never liked it till we started dating

kogayne: WHY DIDN’T YOU EVER SAY ANYTHING

lanceylance: I LIKED IT WHEN YOU SAID IT

kogayne: ??????

lanceylance: okay so like

lanceylance: when i first came out
lanceylance: people would call me pretty boy like, to mock me, make me feel emasculated or something ridiculous like that

lanceylance: and it was weird and made me really uncomf

lanceylance: but then when we started dating we were already friends and we like, knew abt each others’ problems to a degree but i didn’t think it was like, super important to mention it

lanceylance: so the first time u said it i was like “oh?” and then i was like “wait he means it to be cute fUCK WHY IS HE LIKE THIS”

lanceylance: it’s like u and being called cute

kogayne: i see

kogayne: so what ur trying to say here is: it is 100% okay to keep telling u ur pretty

lanceylance: shower me in affection, knife boy

kogayne: alrighty then starboy, most beautiful boy in the universe

lanceylance: i’m blushing so hard rn just so u know

kogayne: :)

HOLIDAY HOES

carrierpidgeon: out of curiosity what’s everyone’s favorite type of chocolate

mattata: HERE WE GO WITH THE DISCOURSE

takashmeoutside: this question has the ability to end friendships

allurable: okay, who’s the first victim

takashmeoutside: what are our choices here

carrierpidgeon: white milk or dark

takashmeoutside: milk. done. next.
mattata: ^^^ i’m with the boyfriend

hunkerdunker: i have to respectfully disagree, dark chocolate is the supreme chocolate

allurable: ^^^ healthiest for you, too

lanceylance: ^^^^!!! tho milk chocolate isn’t terrible, i won’t unfriend matt and shiro over that

shayfromstatefarm: team dark!
carrierpidgeon: wtf?? white chocolate is the best tho??
lanceylance: what the FUCK pidge

hunkerdunker: i am INSULTED

carrierpidgeon: LISTEN if it’s any consolation dark is my second fave

lanceylance: yeah, out of THREE OPTIONS

carrierpidgeon: bc i can

kogayne: can’t wait for the moment u come cRAWLING BACK TO ME

shayfromstatefarm: 4, 3, 2…

lanceylance: mmmmmmmmmmmmMMMMMMMMMMMMMMMMMMMMMMMM

kogayne: ;)

allurable: pidge why did u start this discourse

carrierpidgeon: scientific reasons

shayfromstatefarm: so it has absolutely nothing to do with a certain holiday that’s coming up in less than two weeks where people exchange gifts, the same holiday in which chocolate is more than acceptable to present as one such gift

carrierpidgeon: nOPE NOT AT ALL

allurable: mmmhmrmrmrmrm [squints]
carrierpidgeon: STOP LOOKING AT ME LIKE THAT

<3

mattata: how’s the most beautiful man in the world doing today

allurable: QUALITY CUDDLE TIME
mattata: WORST COOKS IN AMERICA MARATHON
takashmeoutside: YOU TWO I SWEAR
allurable: LOVE YOUUUU
mattata: ^^^^
takashmeoutside: :D

kogayne > lanceylance

kogayne: it’s wednesday, you know what that means???
lanceylance: ...study hall?

hunkerdunker: are you surprised

kogayne: that’s it i’m putting on an apron
kogayne: i gotta make up for yesterday anyway

shayfromstatefarm: >( you were GRIEVING

lanceylance: i’m grateful that the shift from hell is over

kogayne: aaaand i guess i’m closing out? i’m grateful that today was pretty relaxing, minus work

kogayne: a good day to recover

carrierpidgeon: YE GRATITUDES

carrierpidgeon: alright so is everyone coming over soon bc i want this pasta asap

mattata: i’ll be returning w shiro shortly

allurable: i gotta stop by my house first then i’ll be over

shayfromstatefarm: i’m leaving now

hunkerdunker: ^

lanceylance: be there soon i gotta do a couple things first

kogayne: i’ll be over asap i’m gonna stop home first

lanceylance > kogayne

lanceylance: i’m gonna be a little shit and start sending u texts while ur sleeping so u have something nice to wake up to
lanceylance: just to get back at u for making me FEEL THINGS in my HEART and making me CRY IN CLASS

lanceylance: you are perfect

lanceylance: i wanted to tell you that

lanceylance: i don’t mean it in the sense that you’re flawless, but in the sense that i love every single thing about you

lanceylance: you make me so much happier than anyone else does

lanceylance: even on your bad days when you think i don’t wanna “deal with” you

lanceylance: even on the days u distance yourself from everyone

lanceylance: dammit i’m crying that was not the goal of these texts

lanceylance: i love you

lanceylance: some people say that if you say “i love you” too much then it loses all meaning but personally i think being able to say it as often as possible is powerful

lanceylance: there’s a lot of shit going on in the world and you’re one of the brightest spots, and i want you to know that every way, every chance i get

lanceylance: i don’t wanna wait

lanceylance: as soon as i’m 18 i wanna run away with you

lanceylance: and maybe it’s just sleep deprivation talking or maybe it’s that thing where you spill your deepest feelings in the middle of the night, but it’s true

lanceylance: if we could run away together now, i’m not sure i could stop myself

lanceylance: but i also want u to be comfortable

lanceylance: i would wait a thousand years for you

lanceylance: we can move as slow or fast as you want

lanceylance: i just know

lanceylance: i love you and want you with every fiber of my being

lanceylance: that’s all i’ve got for now, i’m crying too hard to properly see my phone screen now

lanceylance: i love you

Chapter End Notes
the ridiculous amount of klance in this chapter was brought to you by me listening to my klance playlist at 12:30 AM and crying, like full-on, tears down my face crying

i love them so much but ANYWAY

HERE'S THE GAME PLAN, HUDDLE UP TEAM
i'm gonna try and do like, a chapter either a) every other day or b) as often as something interesting happens or i have the inspiration, and lately i've been shooting for 2k minimum per chapter, but i'm lowering it to at least 1k. hopefully in a week and a half when christmas break rolls around, i can get more stuff out. i'm also stepping back a bit from this because i wanna a) finish stars go down by february and b) work on those fic requests.

SO YEAH, SEE YA WHenever THE NEXT ONE GOES UP, I LOVE ALL OF YOU YOU ARE ALL ANGELS
this is so full of klance it wasn't supposed to be LIKE THIS

Chapter Summary

there's a delayed opening; klance is sappy as hell; allura has an announcement; other stuff

Chapter Notes

"i'm gonna take a break and space out chapters" i say as i upload for the third day in a row

my brain is doin me so dirty

also there are gratuitous amounts of klance, this chapter is mostly them being soft and in love, idk why my brain's been on like, SUPREME KLANCE MODE the past few days, i've been living and breathing this ship, send help

anyway we had a delayed opening today and tomorrow's a half day so these past two days of school have been a waste, basically

(also everyone who commented that white chocolate is their fave: as a rep of Team Dark Chocolate, Meet Me In The Pit)

See the end of the chapter for more notes

kogayne > takashmeoutside

kogayne: SHIRO

kogayne: I CAN’T DO IT ANYMORE

takashmeoutside: are you okay??

kogayne: I CAN’T

(4) photos from kogayne

kogayne: HE’S TOO GOOD FOR ME WHY IS HE LIKE THIS

kogayne: I WENT TO CHECK MY PHONE TO SEE IF WE HAD A DELAY AND THEN?? W H Y

takashmeoutside: why are u coming to me with ur crisis

kogayne: THIS BOY IS THE BEST THING THAT’S EVER HAPPENED TO ME
takashmeoutside: so are you gonna text him back or what

kogayne: WHAT DO I EVEN SAY, HOW DO I TOP THAT

takashmeoutside: i don’t think he’s asking you to top it

takashmeoutside: tbh i’m sure he’d understand if u just started screaming

kogayne: i love him so much shiro it hurts

takashmeoutside: SO WHY ARE YOU TELLING ME

takashmeoutside: / T E L L H I M /

kogayne:

---

kogayne > lanceylance

kogayne: lance,

lanceylance: yes, mi universo?

kogayne: WHAT THE FUCK

kogayne: YOU CAN’T /DO THIS TO ME/

lanceylance: whatever do you mean, light of my life,

kogayne: I GO TO CHECK IF WE HAVE A DELAY AND THEN I WAKE UP TO ALL OF THIS AND I CAN’T GO BACK TO SLEEP BECAUSE /HOLY SHIT/

kogayne: I

kogayne: I CAN’T

kogayne: you are

kogayne: the BEST THING that’s ever happened to me and if you keep talking like this then i won’t be able to stop myself either, i would run away with you if you asked

lanceylance: so what if we did

lanceylance: once we’re 18, we don’t need parental consent to get married

lanceylance: so, /what if/ we got married like, legally, and then just /waited/ to have a ceremony

lanceylance: a romeo and juliet where no one dies and they actually know what they’re doing
lanceylance: and i mean, we have time to think on it, bc my birthday isn’t till july

lanceylance: all i’m saying is, if you’re still down for it by july,

lanceylance: i would do it

kogayne: trhrthtykijgfasfdrsgg

kogayne: i don’t wanna rush

lanceylance: and i won’t rush you

kogayne: but

kogayne: i would do it

kogayne: if we’re both certain in july, 100% certain that we’re spending the rest of our lives together, i would do it

lanceylance: i’m 100% certain right now

kogayne: me too

kogayne: but you never know what’ll happen between now and then

lanceylance: [takes ur face in my hands]

lanceylance: boi,

kogayne: CAUTION

lanceylance: i know

kogayne: you’re certain? we’re not gonna get to college and you’re gonna decide that someone there is better than me?

lanceylance: you’re the only one i want

lanceylance: you /always/ will be the only one

kogayne: us against the world

lanceylance: you know it <3

lanceylance: am i picking u up

kogayne: nah, my car is better in the snow, i’ll come get you

lanceylance: im putting together a mobile order for dunks now, you want the usual

kogayne: yeah

kogayne: i’ll get you first then we’ll go pick it up
lanceylance: i’ll submit when you get here

kogayne: alright, i’ll leave my house at like, 9

lanceylance: prince lanceylance will be awaiting his knight in dented armor <3

kogayne: so we’ve decided i’m a knight now?

lanceylance: yes. you, sir, are a vigilante knight doing good where he can. occasionally, you rail against the crown. the king looks down upon you, and insists his son, the handsome prince lanceylance, marry another prince or princess to secure an alliance with the neighboring kingdom

kogayne: did you write a whole backstory for this

lanceylance: yes now shhh im not done

lanceylance: one day, prince lanceylance is riding his horse when he is ATTACKED by those seeking to eliminate him, heir to the throne

lanceylance: he is saved by this masked knight, who’s been smitten with the prince for some time! the prince falls in love with the masked do-gooder, and once he sees that his knight is HOT AS FUCK, and a wonderful person at heart, they engage in a secret romance, until the king is ASSASSINATED, and prince lanceylance ascends the throne!! his first order is to pardon his knight, loved by many, hated by the scum of the earth, and appoints his knight not only as his personal guard,

kogayne: oh my god

lanceylance: but as his husband. they got married and smooch and live happily ever after, the end.

kogayne: write a children’s book

lanceylance: bet

lanceylance: ...now i really wanna do a photoshoot w u

lanceylance: it gives me an excuse to dress up in a crown and cape and gives me another excuse to kiss u

kogayne: i have an excuse to carry around a giant knife

lanceylance: u mean a sword

kogayne: giant knife

lanceylance: smh

kogayne: anyway this photoshoot idea…i’ll keep that in mind

lanceylance: do it when we get a really good snow

lanceylance: none of this 3 inch stuff

lanceylance: do it when we get full ground coverage and everything is pretty
kogayne: still not as pretty as u tho

lanceylance: tryrhettytddf FUCKER

HOLIDAY HOES

allurable: y’all i’ve got an announcement

kogayne: what is it

mattata: lura?

takashmeoutside: ally?

kogayne: oh my god u two have nicknames for her why have i never heard these

takashmeoutside: ignorance

mattata: hush u and lance are always ridiculous w ur nicknames let us live

shayfromstatefarm: allura what’s this announcement

allurable: i’m going back to school to get a teaching degree in civics!!

mattata: :O

takashmeoutside: THAT’S OUR GIRLFRIEND

shayfromstatefarm: THAT’S SO COOL OH MY GOD

carrierpidgeon: how did you come to this decision

carrierpidgeon: and i’im gonna guess you’re teaching high school??

allurable: yep!!

allurable: all the bs that’s been going on at ur school and what’s been going on in the government at large has motivated me, and my background in law’s gonna help a bunch

allurable: may as well pass my knowledge on to the younger generation

mattata: YES LURA GET EM

allurable: i’m mostly gonna be taking night classes but i’m taking day ones when i can

carrierpidgeon: YOU CAN DO IT

allurable: oh i know i can

takashmeoutside: i’m proud of you

mattata: me too
lanceylance > kogayne

lanceylance: hey, babe,

kogayne: yeah?

lanceylance: you free this saturday?

kogayne: should be, aside from our shift at bb, why

lanceylance: can u come dildo shopping with me

kogayne: um

kogayne: i love you, you know i do, and you know i want you just as much as you want me, but,

kogayne: considering we’ve never /actually/ fucked,

lanceylance: what????

kogayne: i am not comfortable w using a dildo

lanceylance: hOLY SHIT

lanceylance: OH MY GOD I’M SO SORRY I DIDN’T OPEN THIS PROPERLY

lanceylance: KEITH IT’S NOT FOR US

lanceylance: i’m matt’s person for the secret santa, so i figured part of his gift would be a dildo, just to throw his joke back in his face

kogayne: OH

lanceylance: babe i’m so sorry

lanceylance: listen, if i wanted to get one for u or for /us/ i would’ve talked to you first, /especially/ given we haven’t actually fucked

kogayne: it’s okay

kogayne: /holy shit/

lanceylance: sooo

kogayne: my question is why do we need to /go shopping/, why not order it online

lanceylance: bc then it either shows up at my house, where someone has a chance of getting to it before me, or it shows up at /your house/, and if shiro finds it that’s gonna lead to an awkward conversation
kogayne: u right

lanceylance: and i,,, don’t wanna shop for it alone

kogayne: makes sense

kogayne: yeah, i’ll go with you

lanceylance: the worst-case scenario here is that we run into /matt/ shopping for whoever his secret santa is

kogayne: ...i /really/ hope it’s not one of us

lanceylance: sO THEN YOU DON’T HAVE ME

kogayne: I NEVER SAID THAT

lanceylance: own up kogane, who’s your person

kogayne: i got allura, and NO, I AM NOT GETTING HER A DILDO

lanceylance: I WASN’T GONNA ASK

kogayne: BUT YOU THOUGHT IT

lanceylance: NO??

kogayne: [squints]

lanceylance: SO ANYWAY, saturday?

kogayne: i can’t believe we’re going on this date

lanceylance: the peak of modern romance

kogayne: i think the fuck not

HOLIDAY HOES

carrierpidgeon: this shift is kicking my ass

hunkerdunker: i thought that customer was going to kick my ass

hunkerdunker: dude in his 40s walks in with a more complicated coffee order than i’ve ever heard anyone get at starbucks, like ever, and i fucked up just a little bit and he went off on me

shayfromstatefarm: he was threatened with security and promptly left with his coffee

hunkerdunker: on the bright side the woman who came in after him tipped me extra but like,,, 
hunkerdunker: I Love Verbal Abuse A Week And A Half Before Christmas

carrierpidgeon: by fall out boy

mattata: ft. panic! at the disco

kogayne: w guests mcr

carrierpidgeon: EMO KEITH

mattata: MCR IS DEAD AND HAS BEEN FOR A FEW YEARS NOW

takashmeoutside: i’m grateful for the pizza rolls i had for lunch

kogayne: MUST BE NICE, LUNCH TODAY SUCKED

mattata: i’m grateful that sendak tripped and fell at work today

lanceylance: trh egtny rtehr ters dbte

takashmeoutside: I MISSED IT

(1) video from mattata

mattata: i gotchu covered

takashmeoutside: hoyldhit

carrierpidgeon: AHAHAHAHAHA

allurable: i’m grateful i made this decision to go back to school but also HOLY SHIT THIS IS SO FUNNY

kogayne: it’s what he deserves

lanceylance > kogayne

lanceylance: HALF DAY TOMORROW WHAT’S THE GAME PLAN

kogayne: wasting our extended study hall sleeping instead of door decorating

lanceylance: BET

kogayne: then we come back to my house tomorrow before we take the late shift at bb

lanceylance: :D sounds like a plan to me

kogayne: good night starboy, i love you

lanceylance: good night starlight, can’t wait to marry the fuck out of you
Chapter End Notes

does the klance relationship seem unrealistic

probably

do i care

nOPE

(also the fcc voted to repeal net neutrality so tHAT'S FUN, CAN'T WAIT TO SEE WHAT HAPPENS WITH THAT, FUCK THE GOVERNMENT. AJIT PAI AND/OR GOVERNMENT AGENT READING THIS: MEET ME IN THE FUCKING PIT YOU CORPORATE GREEDY TRICK ASS BITCHES)

see ya whenever the next chapter is :P
WHY IS THERE MORE KLANCE

Chapter Summary

klance is soft and it's FRIDAY BITCHES

Chapter Notes

yes, this is the friday chapter going up at 3:30 AM on a monday

i wrote the beginning part w kl on friday morning at like 3 AM (and yes that dream did happen--you'll see what i mean) and the rest over the span between friday afternoon and now

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: psst are you awake

kogayne: lance it’s 3 AM

lanceylance: sO WHY ARE YOU AWAKE

kogayne: finishing something for ulaz’s class why are you awake

lanceylance: had a weird dream but that’s not what i’m texting about

kogayne: ???? wtf????????

lanceylance: shhh i’ll tell the group chat later but anyway i started thinking about u to calm down

kogayne: calm do

kogayne: WHAT WAS YOUR DREAM ABOUT THAT YOU HAD TO CALM DOWN

lanceylance: 75% sure i got visited by satan but that’s nOT THE POINT SHHHH I’VE COME TO SEVERAL CONCLUSIONS ABOUT LOVE AND MARRIAGE I FEEL THE NEED TO SHARE WITH YOU BECAUSE YOU’RE MY BOYFRIEND AND I LOVE YOU MORE THAN I LOVE SPACE

kogayne: WE’RE COMING BACK TO THE DREAM DISCUSSION BEFORE YOU GO BACK TO SLEEP

lanceylance: OKAY CAN I IMPART MY WISDOM ON YOU NOW

kogayne: FINE GO AHEAD
lanceylance: okay so number one i figured out another thing i hate

kogayne: ?

lanceylance: people who think marriage is the end of the world and yet go thru with it anyway

lanceylance: literally there’s a whole genre of wedding cake topper that’s just “we don’t even wanna get married” and i hate it like if you don’t wanna get married and all you do is complain that you’re tied down and can’t have fun anymore don’t fuckin get married???

lanceylance: aND THEN I SAW THIS TWEET THE OTHER DAY THAT PISSED ME OFF BC I THOUGHT ABOUT U

kogayne: u think about me a lot

lanceylance: it’s my happy place but anyway

kogayne: etryhewrntyre

lanceylance: the tweet was somethin like “getting married at 21 is like leaving the party at 7:30” or something like that and i almost threw my phone, bc wHY DO PEOPLE THINK MAKING YOUR LOVE FOR YOUR SIGNIFICANT OTHER OFFICIAL IS SO BAD, WHY DO YOU HATE YOUR PARTNER THAT MUCH

lanceylance: getting married at 21 just means now u get to do a buncha cool stuff with someone u love, why do people hate it that much

lanceylance: if being in a relationship is limiting your freedoms according to ur peanut brain then wHY BE IN A RELATIONSHIP THEN

kogayne: you’re very passionate about this

lanceylance: I AM

lanceylance: the way i was raised, romance is very important in my family and thus very important to ME

lanceylance: everyone’s all like “oh look at lance what a flirt” but like

lanceylance: ever since we started dating i’ve only ever genuinely flirted with u???? i mean sometimes i flirt with hunk but like, we’re best friends and have been for years

kogayne: yeah i get u and hunk u don’t need to explain it

lanceylance: but anyway like

lanceylance: you’re my best best best friend??? shh don’t tell hunk but listen,, i like u best

kogayne: WERTYUJRHEWF

lanceylance: so i don’t get all these people who think that relationships are basically lifetime jail sentences

lanceylance: and i don’t get people who don’t take it seriously
lanceylance: literally why is it socially acceptable to think that the person you VOLUNTARILY GOT MARRIED TO is a dead weight on your life

lanceylance: romance should be the wind beneath ur wings, people in love should lift each other up, not constantly complain about “oh i gotta go spend time with my s/o now” like???? wtf u should be HAPPY TO SPEND TIME WITH THEM WHY IS IT A CHORE

lanceylance: sorry i’m getting ranty

kogayne: no it’s okay i agree 100%

lanceylance: anyway the whole marriage discussion brings me to the other point i wanted to make which pertains more to us

kogayne: oh?

lanceylance: i’ve come to the conclusion that marriage is mostly just a mindset

lanceylance: and tbh while i can’t wait for the day when i can make it official and have everyone recognize us as husbands,

lanceylance: we don’t /need/ a piece of paper or ceremony to think of it that way

lanceylance: we joke all the time abt people acting like married couples before it’s official but that’s literally??? what it is???? it’s marriage without the things that make it Marriage

kogayne: „„, where are you going with this

lanceylance: sometimes i think of us as already married tbh

lanceylance: we spend a lot of time at each others’ houses and if we both get accepted to the garrison then we’ll literally be living together, just without all the bills (but even then„„, tuition„„)

lanceylance: „„, is that weird

lanceylance: am i coming on too strong? it’s 3 AM my perceptions are not the greatest rn

kogayne: i’ve never thought about it that way

kogayne: i actually really like it

kogayne: it’s a lot more grounding too

kogayne: “lance is my husband and he loves me”

kogayne: that brings me down to earth so much faster than “lance is my boyfriend and he loves me”

lanceylance: it’s the connotation of the title

lanceylance: boyfriend implies there’s still a potential end

kogayne: boyfriEND

lanceylance: husband implies forever
kogayne: u wanna be my forever

lanceylance: that depends u wanna be mine

kogayne: damn fuckin right i do

lanceylance: then hell yeah i’ll be your forever

kogayne: good we’re already promised to each other so i was hoping you wouldn’t back out

lanceylance: never

kogayne: now,

kogayne: WHAT THE FUCK DO YOU MEAN YOU THINK SATAN VISITED YOU IN A DREAM

lanceylance: ¯\_(ツ)_/¯

lanceylance: i had this really weird dream and like, everything kept going pitch black so i could hardly see, and like, we were fighting and then we made up and then we were in physics and then brendon urie from the emperor’s new clothes video was there and i started yelling that i’d repent and everything suddenly went to normal?

kogayne: wHAT THE FUCK??

lanceylance: it was one of those dreams where i’d wake up every five minutes and then fall back asleep and be right back into it, and i think i almost had sleep paralysis a couple times?

kogayne: WHY DIDN’T YOU TEXT ME SOONER??

lanceylance: i was gonna text u if i started freaking out really badly but i’m okay so ¯\_(ツ)_/¯

kogayne: so then what do you mean we were fighting??

lanceylance: idk it was over something dumb and hunk and shay were there too

lanceylance: it was like the play sorta, where we were all fighting for like no reason

lanceylance: but then we all almost drowned and so then we realized the fight was dumb and we made up

kogayne: what the fuck

kogayne: hold on so i googled what drowning in dreams means: “If you drown to death, then it refers to an emotional rebirth. If your survive the drowning, then it means that a waking relationship or situation will ultimately survive the turmoil. To see someone drowning in your dream suggests that you are becoming too deeply involved in something that is beyond your control.”

lanceylance: …

kogayne: are you really okay?

lanceylance: yeah i thought i was??
kogayne: so you don’t know what’s going on that caused your dream?

lanceylance: i mean, i’ve been thinking a lot about us and our future, but we survived the drowning, so,...

kogayne: and that last part?

lanceylance: we are totally in control

kogayne: you sure you’re okay?

lanceylance: yeah

lanceylance: are /you/ okay?

kogayne: yeah

lanceylance: good

lanceylance: go to bed, i’ll pick u up in the morning

kogayne: alright

kogayne: i love you, please know that

lanceylance: i hold that thought close to my heart every day

lanceylance: i love you too <333

HOLIDAY HOES

carrierpidgeon: i’d like to thank not only god but jesus for this door decorating contest bc my english class is having a holiday party and i am going to overdose on capri sun

hunkerdunker: why

carrierpidgeon: BECAUSE I CAN

carrierpidgeon: I’VE NEVER FELT SO FREE

carrierpidgeon: IF ONLY I’D WORN A DRESS TO SCHOOL, THEN I WOULD BE MY MOST POWERFUL SELF

shayfromstatefarm: GOOD THING YOU DIDN’T IT’S LIKE -2 DEGREES

lanceylance: that’s literally the celsius temperature right now according to my snapchat

carrierpidgeon: yes which is why instead of a dress i went “friday? half day? door decorating? SWEATPANTS SEASON”

hunkerdunker: i mean i showed up in a onesie so
carrierpidgeon: WHAT

carrierpidgeon: oh my god you are NOT wearing a onesie

hunkerdunker: i am

carrierpidgeon: who said that

shayfromstatefarm: me

carrierpidgeon: nice alliteration

shayfromstatefarm: thank

carrierpidgeon: so how’s your door-decorating going

kogayne: the science department went with a jungle theme, everyone here is currently killing each other over staplers

carrierpidgeon: w h a t

shayfromstatefarm: we’re making vines and by that i mean we’re making paper chains and there are only so many staplers to go around

carrierpidgeon: if only you could be making 6 second shitposts instead

lanceylance: ikr

shayfromstatefarm: some kid was standing on a chair trying to tape them to the ceiling and his friend shoved him and lance got it on camera if u want a more-than-6-second shitpost

carrierpidgeon: SEND IT

(1) video from lanceylance

lanceylance: rip
carrierpidgeon: “TYLER I’M GONNA END U” wrethewtrherwr

lanceylance: tag urself i’m the kid yelling

kogayne: i’m tyler

lanceylance: boi

kogayne: :P

hunkerdunker: sneak on down to the science wing, pidge, we’ll cover u

shayfromstatefarm: yeah, this contest is pretty chaotic anyway, i’m sure no one will notice

shayfromstatefarm: two girls took like, 3 laps around the school bc they were bored

shayfromstatefarm: haven’t gotten caught yet, they’re going for lap 4

carrierpidgeon: BET I’M COMING

takashmeoutside: this doesn’t sound responsible but i was up late last night listening to keith swear while doing a project so i’m too tired to give Good Advice

kogayne: “listening to keith swear while doing a project” is code for “staying up late rewatching the office by himself wondering why he didn’t invite matt and/or allura over”

takashmeoutside: SHUT UP KEITH

mattata: aw, i totally would’ve come over

allurable: SHIRO WHY DIDN’T YOU INVITE US

allurable: yikes

shayfromstatefarm: popcorn incident?
kogayne:  ugh there’s this whole thing but all you need to know is that rolo wouldn’t stfu during the movie so someone tried to dump popcorn on him but it got dumped on me instead

kogayne:  the magic was ruined, i ended up going with shiro to see tfa again the next weekend

kogayne:  the (1) time i did something with rolo i genuinely enjoyed and he fUCKED UP

kogayne:  i should’ve dumped him right there smh

takashmeoutside: yeah why didn’t you

kogayne:  I WAS CONFLICTED AND Socially Awkward DO you really think THAT was the best course of action

kogayne:  ...he was also my ride home

lanceylance: does anyone know what class rolo is in so i can go beat him up with a lightsaber

carrierpidgeon: he might be in sociology but idk

kogayne: see, now lance is a genuine star wars fan and wON’T GET POPCORN DUMPED ON ME WHEN WE GO TO SEE TLJ

carrierpidgeon: are we going as one big group or did y’all have your own plans

kogayne: i mean y’all can come if u want,

lanceylance: ^^

hunkerdunker: nah we’ll leave you nerds to it

*keep away from the prying eyes of klance*

shayfromstatefarm: so we’re definitely gonna go to the same theater as them and just watch the movie from different seats, right

carrierpidgeon: oh definitely

hunkerdunker: duh

takashmeoutside: what kind of older brother would i be if we didn’t

mattata: you’re cousins

takashmeoutside: semantics

allurable: “yep that’s shirogane’s cousin alright”
kogayne: after a long afternoon,

shayfromstatefarm: ^^ i’m grateful that we had the day off from bb to relax after this week

allurable: i’m grateful that i did absolutely nothing today

allurable: felt good to not be going 1002435 miles an hour

mattata: aaaaand i’m grateful that after yesterday, sendak didn’t even come into work today, and literally half of us started celebrating

takashmeoutside: true story

lanceylance: babe :(
lanceylance: i’m not gonna lie and say “none of it is your fault” be everyone plays a role in situations but not /all/ of it was your fault, and i’m willing to bet /most/ of whatever you were thinking about wasn’t your fault
lanceylance: is there anything specific still bothering you
kogayne: not really
kogayne: i just got up from a 4 hour nap
lanceylance: it’s literally 8 PM now you won’t sleep tonight

carrierpidgeon: MUST BE NICE

carrierpidgeon: moments like these make me wish i joined band

shayfromstatefarm: band misses so much school

carrierpidgeon: that’s why i didn’t, it would fuck up my grades

carrierpidgeon: i mean i’m sure i /could/ stay on track but that’s more stress i don’t want/need

carrierpidgeon: anyway GOOD NIGHT and by GOOD NIGHT i mean I’M GONNA STOP ANSWERING THE GROUP CHAT BUT CATCH ME ON STEAM ALL NIGHT

carrierpidgeon: listen

carrierpidgeon: i can’t imagine what losing your real parents and then losing your parent-figures feels like

carrierpidgeon: but you’ve got shiro. you’ve always had shiro. he was too stubborn to let you go and thank god he didn’t. you’ve had me and matt forever. you’ve known me basically since i was born. i haven’t gone anywhere. matt and shiro may have broken up but they were still friends, and now they’re back together /and/ dating allura. shiro may have lost his arm but he copes with it the best he can.

carrierpidgeon: rolo’s a giant dick who doesn’t deserve another thought. you pined after lance for a long time and you’ve got him now, don’t you?

carrierpidgeon: and honestly, fuck the kids and the administrators in this school, there are only a few who i’d consider saving if this place burned down. you’re gonna be out of here in less than a year, they don’t deserve a thought, either

carrierpidgeon: and finally: the woods? worst experience of my life. hands down. but it could’ve gone a lot /worse/ than it did if either of us had been there alone

carrierpidgeon: stop blaming yourself for situations out of your control

carrierpidgeon: i can’t speak on your brain

carrierpidgeon: brains are wildly complicated and basically do whatever the fuck they please, and sometimes they like to fuck with our perceptions

carrierpidgeon: let me tell you: this group chat’s been a gang since your freshman year, no one’s leaving, not this late in the game

kogayne: i’m still /scared/

kogayne: there’s some girl in my forensics class, just a month ago her friend group of over /ten years/ fell apart

kogayne: that could be us

carrierpidgeon: if that becomes us i will drop engineering as my planned major and go into early childhood education

carrierpidgeon: even /if/ this group were to fall apart, you won’t be alone

carrierpidgeon: you’ve got shiro, definitely, and i don’t think he, allura, and matt plan on breaking up, so you’ve got them, and by extension, you have /me/

carrierpidgeon: and trust me, i’ve listened to lance gush about you before, that boy’s not going anywhere

carrierpidgeon: ...and then hunk is lance’s best friend, and shay is dating hunk…

carrierpidgeon: now that i think about it i seriously doubt this group chat /can/ fall apart

carrierpidgeon: i mean it /can/ but the probability is incredibly low due to group interactions,
kogayne: i got it

kogayne: ...thanks for this, pidge

carrierpidgeon: any time, now go like,,, do schoolwork or something, or like, look at pictures of dogs

carrierpidgeon: here i have some of bae bae in my phone

(8) photos from carrierpidgeon

kogayne: thanks

kogayne: sorry that you had to like, deal with this

carrierpidgeon: BOI

---
carrierpidgeon > lanceylance

carrierpidgeon: i will tell you this once

lanceylance: ...i am slightly afraid

carrierpidgeon: 1. hug your boy tight and make sure he knows he’s loved

carrierpidgeon: 2. if you ever break his heart, i will break /you/

lanceylance: what’s going on with mulletman

(7) photos from carrierpidgeon

lanceylance: holy shit

carrierpidgeon: no shit sherlock

lanceylance: thanks for letting me know

carrierpidgeon: no problem

carrierpidgeon: and i meant what i said

carrierpidgeon: hurt him and i will make your life hell

lanceylance: i have no doubts

---
lanceylance > kogayne

lanceylance: after school

lanceylance: you, me, conspiracy doc binge
lanceylance: i’ve got plenty of blankets and plenty of snacks

lanceylance: if u end up needing to vent, vent away

lanceylance: if you don’t wanna talk, you don’t have to

lanceylance: if you wanna sleep, let me be your pillow

lanceylance: just /please/ let me be with you

kogayne: ...did pidge tell you

lanceylance: yeah

lanceylance: you know i’m not going anywhere

lanceylance: i know ur brain is telling you otherwise

lanceylance: But The Glitter Is Here To Stay

kogayne: i know, it’s just...sometimes i feel like everyone only acts like they care bc they’re obligated to, not because they actually care

kogayne: and some days i feel it would be so much easier to cut everyone off and fend for myself without having to worry about making others feel bad for me

lanceylance: i know

lanceylance: some days my brain is the same way

lanceylance: it doesn’t make it true

lanceylance: you are loved

lanceylance: we love you for you and we care because you’re /family/, you deserve love

lanceylance: i could go on about how much i love you for paragraphs but u know that already

lanceylance: but know

lanceylance: you are my universe

lanceylance: my sun, my moon, every star, every galaxy

kogayne: u fucker i’m crying in the middle of english

lanceylance: meet me in the bathroom

lanceylance: you need to be loved right now, not to analyze poems

*KEITH DEFENSE SQUAD*
lanceylance: so keith’s been,,, pretty out of it today
lanceylance: we got to my house and he fell asleep after a long cry, so like,,,
lanceylance: do we bother with gratitudes
hunkerdunker: after seeing him during physics, and seeing how drained he looked,,,
shayfromstatefarm: it feels wrong
lanceylance: like, he started gratitudes as a way to help himself recover, but,
lanceylance: idk, it feels cruel to like, force him to be positive right now
cARRIERPIDGEON: we could do double gratitudes tomorrow if he’s in a better mood
takashmeoutside: that’s probably a good idea
lanceylance: i’m so upset for him, he was supposed to be feeling better this morning, and it all just went downhill
takashmeoutside: depression doesn’t care, it does what it wants
takashmeoutside: it doesn’t care if you’re at 47% or 87%, it’ll attack whenever it sees fit
lanceylance: well hopefully he’s recharging right now
lanceylance: hopefully after crying and sleeping he’ll feel a little better
takashmeoutside: i take it he’s spending the night
lanceylance: yeah
lanceylance: i’m gonna go for the night
lanceylance: sleep tight y’all
cARRIERPIDGEON: yeah, i’m going too
hunkerdunker: ^^^
shayfromstatefarm: night everyone

Chapter End Notes

aaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA so i need to tell you where life's been in the last few days and where it's going (ALSO SIDE NOTE I DIDN’T REALIZE BEX WAS JEWISH/JEWISH HOLTS ARE A POPULAR HC UNTIL A COUPLE DAYS AGO AND I'D ALREADY HAD EVIDENCE FOR THE HOLTS CELEBRATING CHRISTMAS PLANTED IN THIS FANFIC AND OTHERS BEFOREHAND SO I APOLOGIZE BUT I'M RUNNING WITH THE CHRISTMAS THING)

1. i figured out why i’ve been so down lately: my period is coming within the week and that good ol' seasonal depression is kicking in. also, it's holiday time, and my mom makes me stressed tf out around the holidays. literally it's like 3 AM on christmas eve rn and i have 0 wrapping done, i'm about to pull an all-nighter so she doesn't murder me

2. the vld fandom was in some ace discourse on twitter today and i saw some things from accounts i follow that i wish i didn't so i've been kinda out of it today, i wasted
several hours lying in bed doing nothing today (just like yesterday oops)

3. i'm gonna be busy the next few days bc family is here and there's still stuff to be done but i wanna do at least one christmas chapter. i may end up posting a oneshot instead, depending on how much writing i can get done, bc i want to write interactions that aren't over text, but we'll see, so i'm gonna be a really cliche youtuber for a minute: IF YOU WANNA KNOW WHEN I POST NEW FANFICS CONSIDER SUBSCRIBING TO ME :P

yeah, so like i said, 3 AM on christmas, time to do aaaaaaaaaaah the wrapping
christmas eve!!

Chapter Summary

it's christmas eve

Chapter Notes

lmao no christmas chapter considering it's already the 26th
i'm on vaca so expect more fic updates/oneshots outside of this fic

tw for mentions of homophobia and biphobia

See the end of the chapter for more notes.

lanceylance: yeah i know and i know distance can do us good bc it’s supposed to show us how nice it is to be together and familiarity breeds contempt and all ur cute quirks are gonna be annoying one day and blah blah blah

allurable: RTTYMRHETRYRTHD

kogayne: I KNOW WE ALL HAVE THE SAME VIEWS BUT WE ARE NOT DOING POLITICS ON CHRISTMAS EVE OR DAY

lanceylance: usually when my family starts talking politics at least 2 people leave in a huff and someone starts going for character attacks

kogayne: oh no

lanceylance: don’t worry that’s a dinner thing u won’t be here for that

carrierpidgeon: can u film it

lanceylance: pidge i love u but i’m not trying to get killed by whichever relative spots me

lanceylance: i was already out to the rest of my family like 2 years or so before that

lanceylance: we collectively remembered that no one said anything to him or tía carmen

carrierpidgeon: o m f g

lanceylance: since then he’s been an ass about it

lanceylance: always making comments when i’m around to hear

lanceylance: so leading up to /this/ he said some shit

lanceylance: it wasn’t nice shit

kogayne: do u wanna share so i know just how badly i need to hurt him

lanceylance: calm down knight it’s christmas you’re not doing any fighting

lanceylance: i mean for him to /really/ hurt me i would need to value his opinion but ANYWAY

lanceylance: god i love my sister

kogayne: are you okay tho

lanceylance: i can’t wait for the secret santa gift swap, my person’s gonna have a great time

hunkerdunker: i would be afraid for your person but you’re generally good at gifts

lanceylance: ‘.:)

hunkerdunker: nvm i’m mildly afraid for your person now

shayfromstatefarm: still not as afraid for lance’s person as i am for matt’s

hunkerdunker: rip to whichever poor soul that is
carrierpidgeon > kogayne

carrierpidgeon: u here yet

kogayne: just got here, sorry

dinezor: like, with his dad?

acxalutelynot: SHIT

acxalutelynot: /SHIT/

zethridofmyproblems: should we add him back??

sippinganartini: if he left because he doesn’t want his dad to see anything, then his dad probably has his phone, or is going through it
acxalutenot: fuck fuck fuck fuck fuck

dinezor: should one of us try /calling/ and seeing what’s up

acxalutenot: probably

acxalutenot: i’ll do it

Respecting Women Juice

acxalutenot: so the call ended with a phone getting smashed

acxalutenot: specifically, lotor’s

dinezor: oh my god

zethridofmyproblems: he needs to get out of that house

zethridofmyproblems: things were bad but ever since his dad got fired they’ve been worse

acxalutenot: i’m gonna go drive over and lurk near his house

dinezor: we’ve gotta do something about this

sippinganartini: he’s still a minor for a few more months, his dad still legally has charge

zethridofmyproblems: does he have another relative he can stay with or something?

dinezor: his mom and dad had like, a falling out, but as far as i know she’s just as dangerous to him

dinezor: and idk if he has other relatives

dinezor: or like, ones willing to take him in

acxalutenot: he needs emancipation is what he needs

dinezor: isn’t that a difficult process

acxalutenot: there’s a bunch of legal bullshit

zethridofmyproblems: ...you know keith

acxalutenot: i’m pretty sure we all know keith

dinezor: lance made sure we knew keith

zethridofmyproblems: okay well doesn’t he live with his cousin

dinezor: second?

kogayne: not important, what’s going on

dinezor: we need a way to get into contact with allura altea, and since your cousin is dating her, we figured you were the fastest way there

kogayne: okay

kogayne: why do you need to get into contact with allura

sippinganartini: lotor

kogayne: what happened to lotor?

dinezor: okay so i’m pretty sure you know by now his dad is a piece of shit

dinezor: he’s also abusive and ever since he got fired it’s been worse

dinezor: this morning lotor left our group chat so we called to see what was going on and his phone got smashed

acxalutelynot: lotor needs emancipation

acxalutelynot: his situation isn’t safe

acxalutelynot: legally, he can’t just walk out, because he’s 17 and still considered a minor

kogayne: hold on, i’m actually gonna add allura to this chat

_kogayne_ added _allurable_ to _WE HAVE A PROBLEM_

allurable: this is the second crisis chat today, keith

takashmeoutside: I HAVE 3 STEM DEGREES I’M PRETTY SURE I CAN DO MATH

mattata: AND YOU WORK AT A FUCKING TARGET

takashmeoutside: SO DO YOU

lanceylance: hunk and i had a great day together thanks for asking

hunkerdunker: :P

lanceylance: we beat our high scores on space defenders, he kicked my ass at mario kart, and then somehow beat me at ddr

kogayne: /hunk/ beat /you/ at dance dance revolution

hunkerdunker: absolutely crushed him

lanceylance: i’m changing my name and fleeing the country, i can’t show my face in public anymore

hunkerdunker: i made up for it by apologizing with some new snack recipes

lanceylance: AND THEY ARE FANTASTIC

lanceylance: shay are u sure i can’t have him
shayfromstatefarm: smh you’re gonna have to talk to keith about this too

kogayne: mmmmm boi

lanceylance: …what

kogayne: nothing big, it was for pidge

kogayne: she was at the mall with some friends when she made her discovery

kogayne: she needed me there

kogayne: she wasn’t sure when to come out with it to the rest of the gc

kogayne: sorry i didn’t tell you

lanceylance: it’s okay

lanceylance: it took me like 3 weeks to tell hunk i was bi, i get the feeling

kogayne: i don’t like lying to you,

lanceylance: but sometimes u gotta

lanceylance: look, as long as you’re not lying about anything super important, and you’re not cheating on me, i’m okay with it

lanceylance: we’re going out but we’re still individuals, there are some things we keep to ourselves

lanceylance: and we have other friends, and there are things we keep between us and them

kogayne: i know
kogayne: i’m just making sure

lanceylance: i know and i appreciate it <3

lanceylance: listen, i trust you

lanceylance: i know you won’t hurt me

kogayne: and i know /you/ won’t hurt /me/

lanceylance: trust is what makes a relationship work

lanceylance: and that, combined with communication, is what makes it last

kogayne: it’s things like this that make me love u even more

lanceylance: oh?

kogayne: you’re calm about this

kogayne: you know what to say

kogayne: you’re reassuring

lanceylance: you don’t grow up in a huge family without picking up on stuff¯\_(ツ)_/¯

kogayne: see, i never had that

kogayne: the closest thing i’ve had to a stable family has been shiro and the holts

kogayne: i’m always waiting for someone else to come along and then leave me

kogayne: i never had parents or siblings to look up to

kogayne: i just...i get anxious sometimes, thinking i might do something and you’ll leave, too

lanceylance: The Glitter Is Not Leaving

lanceylance: but in all seriousness, i know

lanceylance: i’m here for you every step of the way

lanceylance: i love you

kogayne: i love you too

kogayne: and lance?

lanceylance: yeah?

kogayne: please don’t ever feel guilted into staying

lanceylance: are you home

togayne: yeah

lanceylance: can i come over

togayne: yeah

lanceylance: good

lanceylance: listen

lanceylance: if i wasn’t /sure/ you were the one, i wouldn’t have introduced you to my family and had you come over for nochebuena

lanceylance: i never understood people who could bring a person home to their family, dump them, and then bring over the next bae like it’s nothing

lanceylance: if i take u to meet my family, you’re pretty damn special

lanceylance: now, i’m coming over

togayne: :)

togayne: i really, really love you

lanceylance: <333

Chapter End Notes

okay notes time sit on the edge of the stage kids [flips open script]

1. i’m going the serious route with lotor here. if i fuck up or something comes off as especially disrespectful, please let me know, bc child abuse is a serious issue and i don’t wanna downplay it

2. "why does keith get anxious like this like, every five chapters" bc he has anxiety and needs constant reassurance and he’s never had constants in his life the way lance has, he’s a scared boy in love, moving on (no one's actually asked this i’m just getting out of the way before someone gets fed up and does ask)

3. YEAH SO UHH PIDGE’S ARC...a lot of u were calling her aro in the comments in the last few chapters and i’m sitting here with this arc planned like "...weLP SHIT". she’s still on the aro spectrum, demi specifically, but in relation to girls only. bc uhhhh...yeah hi, uh, i think i might be demibiro. uhhh yeAH that’s a thing. i know i’m definitely demiro, but for a while now i’ve been questioning whether i liked guys and girls...(this questioning has been going on for like, probably a year or more now) and uh, if i’m questioning for over a year...there’s probably some validity to it...so hi, second time coming out, sort of. i’m still kinda questioning, not sure if i should put a label on it, i just know that...there’s a strong possibility i like girls. and guys. but still don't wanna fuck either of ’em. demibiro-ace. i’m rambling MOVING ON
4. I think that's it? I had a pretty good Christmas, thanks for all the well-wishes. I'm aiming for a new chapter of SGD this week as well as a couple more fic requests, so keep an eye out.
the saturday chapter goin up on a tuesday

lanceylance: BECAUSE YOU WERE CRYING ALONE IN THE MIDDLE OF THE NIGHT AND I WASN’T THERE

lanceylance: IT’S ACTUALLY A BIG DEAL THAT I DIDN’T HEAR MY PHONE GO OFF

lanceylance: BECAUSE
I HAVE MY PHONE SET SO THAT IF ANYONE IN MY FAVORITES CALLS OR TEXTS WHILE I’M SLEEPING IT’LL BYPASS DO NOT DISTURB

BC I CARE ABOUT U GUYS

AND I /DIDN’T HEAR IT/ YOU COULD’VE BEEN /DYING/

WELL I’M STILL HERE

BUT

STILL ALIVE

DEATH CAN MEET ME IN THE FUCKIN PIT

don’t tempt thanatos like that

COME AT ME THANNY

OKAY ANYWAY

TO MY MAIN CONCERN

/WHY WERE YOU CRYING ABOUT OUR RELATIONSHIP AT 4 IN THE FUCKING MORNING/

BECAUSE I’M SO IN LOVE WITH YOU AND I WAS DELIRIOUS

I STARTED THINKING ABOUT YOU AND???

O-KAY SO EARLIER IN THE DAY WHEN WE WERE AT WORK I WAS THINKIN ABOUT LIKE, COLLEGE, AND GETTIN PRETTY ANXIOUS

WHY DIDN’T YOU SAY ANYTHING

HOLD ON I’M GETTING THERE

KEITH

SHUT UP LANCE

OKAY SO LIKE

oh this’ll make you upset probably shit aNYWAY

WERE YOU THINKING ABOUT A POTENTIAL BREAKUP AGAIN, ARE YOU SHITTING ME

OKAY LISTEN NOT /EXACTLY/

[SQUISHES UR FACE] WE’RE COMMITTED, KOGANE

LISTEN I /KNOW/
kogayne: LISTEN
lanceylance: OKAY SORRY LISTENING
kogayne: SO I’M SITTING THERE AT WORK AND THIS GROUP WALKS IN RIGHT
lanceylance: WAS IT THE BIG GROUP
kogayne: YEAH
kogayne: AND I’M SITTING THERE LIKE,

kogayne: [hold on gotta drop the caps to get into my deeper thoughts] (whoosh we’re going back in time to yesterday afternoon. i am sitting behind the counter on my break. watching you. you’re adorable. you, mr. people skills mcsocialite, are chatting them up with an ease like no other. i am enamored. and also vaguely jealous for no reason other than there were pretty people in that crowd.)
lanceylance: you’re getting really into this, what a nerd

kogayne: “hmm. look at lance. talking to them. it’s so easy for him. i’d probably be lowkey crying inside if that was me. how does he do it? …i bet they’re nice people if we go to know them. probably. is this what it’s gonna be like in college? wow, it is. we’re gonna meet people. new people.”
lanceylance: wait a minute you went back to the “lance is gonna find someone cooler than me in college” mindset didn’t you
kogayne: ONLY A LITTLE SHHH HEAR ME OUT
lanceylance: KEITH HOW MANY TIMES
kogayne: SHHHHHHHHHHHHHHH
lanceylance: MMMMMMMMMMMMM MMMMMMMM
kogayne: I HAVE /ANXIETY/ LANCE
lanceylance: YEAH I KNOW /I HAVE ANXIETY TOO/
kogayne: GOOD NOW SHHHH
lanceylance: KEITH I SWEAR

kogayne: [ahem let me get back into the Cinematic Mode] (i am sitting there. watching you talk to a girl who’s clearly checking you out. i will myself not to be Jealous As Fuck, because you are downright oblivious. but still, i cannot help but wonder.) “there are going to be people in college who like lance. it’s inevitable. lance is the prettiest person on the planet. and one of the most caring. and the funniest. anyone would be lucky to have him. he’s so lovable. and what if he clicks with someone more than me? it’ll take meeting that person for him to know.”
lanceylance: ke ith

kogayne: “what if we took a break in college. just for like, a week. at max. to see if we meet anyone new. to test if we’re really gonna make this work, or if maybe there are better people for us out
there."

lanceylance: ...

kogayne: but then

kogayne: you turned

kogayne: to go fill their order or whatever

kogayne: and you looked at me and winked and gave me the most ridiculously sunny smile

kogayne: “nopopenopenope can’t do it, there’s no one else but him. he’s mine. i won’t be able to deal with a week of not being able to kiss his face and watching him talk to other people. oh god how do i tell him about this. what if he thinks it’s a good idea. distance is healthy, right? ...nope can’t do it. i don’t care how selfish it sounds, that boy is mine. he wants me, too. he loves me. and i love him.”

kogayne: so then

kogayne: this morning

kogayne: like, 4 in the morning, specifically

kogayne: i was thinking about you, and thinking about that, and i just?

kogayne: started crying

kogayne: because that’s what you do when you’re up at 4 in the morning thinking about your boyfriend and the fact that you wanna marry him

lanceylance: okay i wanna get serious for a quick second then we can get back to yelling

kogayne: mmm

lanceylance: if you’re still serious about the break in college, or like, you warm back up to the idea...i’ll do it. i probably won’t like it, but i’ll do it. i agree, distance is healthy. so is meeting people.

lanceylance: just know,

lanceylance: if we go through with it,

lanceylance: there’s a chance i end up not meeting anyone bc i’ll be thinking about you the whole time.

kogayne: u just exposed my plan

lanceylance: fuckin what

kogayne: ur the social butterfly, i figured u would end up at parties meeting people while i hid out in the dorms,

lanceylance: why do u hate urself so much
lanceylance: why do u think so little of urself

lanceylance: you are one of the most talented passionate and driven people i know, and???? you treat yourself like crap??? why do you think you’re so undeserving of love

kogayne: it’s not that i think i’m undeserving...i’m just used to instability, it’s just...expected at this point, i guess

kogayne: it’s not so much a matter of if someone leaves but mostly when

kogayne: i’m still not exactly used to having people who enter my life and don’t leave

kogayne: (the holts don’t count, matt was friends with shiro, not me)

lanceylance: congratulations i’m not fucking leaving, i will make sure you know how much i love you

kogayne: i’m sorry we had to have this conversation again

lanceylance: i will have this conversation as often as we need to, talking thru ur fear is the best thing to do

lanceylance: are you doing anything particularly important today

kogayne: do you see the snow outside

lanceylance: do i care

kogayne: ...anyway i’m not doing anything

lanceylance: cool i’m coming over

dinezor: has his dad come looking

acxalutelynot: we got a call last night and flatout told him we don’t know where the fuck lotor is, and instead of suggesting that maybe we should look, or he should call the cops, he just hung up

acxalutelynot: after saying some not-nice things about lotor and about my family

acxalutelynot: so that’s how that went

dinezor: :((( u guys okay

hunkerdunker: ^

kogayne: pidge is a fucking emo too

carrierpidgeon: TAKE IT BACK KOGANE

allurable: sorry pidge but on the prep-emo scale you score much closer to emo

carrierpidgeon: I’VE BEEN BETRAYED

takashmeoutside: i mean matt is too

mattata: KASHI

allurable: he’s not wrong, only an emo would crash a frat party with his laptop and then escape out the window on the second floor

kogayne: OKAY CAN YOU JUST TELL THIS DAMN STORY ALREADY
allurable: NOPE

mattata: i can’t believe,,,

allurable: meanwhile i am very much a prep

lanceylance: so am i

lanceylance: WHICH MEANS

carrierpidgeon: watch him bring this back to klance

lanceylance: STFU PIDGE

lanceylance: WHICH /MEANS/

lanceylance: IF THERE’S A WAR BETWEEN EMOS AND PREPS

carrierpidgeon: wait for it

allurable: (wait for it wait for it wait)

lanceylance: GOD HELP AND FORGIVE M but no ANYWAY

lanceylance: KEITH AND I ARE ROMEO AND JULIET

allurable: in romeo and juliet who’s the emo and who’s the prep

shayfromstatefarm: romeo cried over a girl he was infatuated with when she didn’t like him back and dick jokes couldn’t even pull him out of it and then basically spoke poetry about juliet

hunkerdunker: romeo is an emo

shayfromstatefarm: BUT

shayfromstatefarm: FUNNILY ENOUGH

shayfromstatefarm: JULIET IS ALSO AN EMO FOR BASICALLY THE SAME REASONS

kogayne: lance we’re a sham

lanceylance: BUT THEN, IF THEY’RE BOTH EMOS

carrierpidgeon: after examining this situation and realizing i am the only remotely dateable person in this situation for keith to maintain his status as juliet, i am HOPPING THE FUCK OFF THIS TRAIN

kogayne: bye this discourse is cancelled

hunkerdunker: this group chat is cancelled

lanceylance: boi i made this group chat how dare

lanceylance: u know what i don’t need this i’m gonna go romance the boyf with star wars and
snuggles

carrierpidgeon: u know what it’s not the new year yet I WANT EYE BLEACH

hunkerdunker: ^^^^

lanceylance: GROUP CHAT CANCELLED

the weird space between xmas and nye

lanceylance renamed the weird space between xmas and nye to RETURN TO HELL

lanceylance: why do we have to come in today, i am utterly exhausted, i’m breaking out, my skincare routine is suffering, i am surviving off of nothing but caffeine, send help

takashmeoutside: is this keith on lance’s phone

kogayne: RUDE

lanceylance: nope it’s me, casually dying

lanceylance: and don’t drag the boyf like that, i love him

kogayne: :)

allurable: is your new year’s resolution to be even mushier with each other orrrrr

lanceylance: oh we’re mushy on the regular

kogayne: yep

takashmeoutside: w h a t

kogayne: did you not see us on new year’s

lanceylance: i love bein mushy with keef

carrierpidgeon: it is the second day of the new year and i already want to break my “be nice to klance on the subject of klance” resolution

lanceylance: betcha you can’t make this last until the first week is over, i bet you break before that
carrierpidgeon: are you trying to make me break my no gambling resolution

mattata: wait since when did you have a no gambling resolution

carrierpidgeon: i made it i just never told anyone about it

carrierpidgeon: because you’d have all started placing bets right then and there about how long i’d last and i’d break my resolution like right there

lanceylance: OHOHOHO?

carrierpidgeon: LANCE WHAT ARE YOU PLANNING

lanceylance: NOTHINN

shayfromstatefarm: u probably shouldn’t have said anything

carrierpidgeon: [long sigh] yep

hunkerdunker: hOLD ON EVERYONE SHUT UP THERE’S AN ANNOUNCEMENT

allurable: ohhhhhh

lanceylance: what kind of name is /kolivan/

kogayne: better than zarkon

takashmeoutside: WAIT A MINUTE

mattata: IS THAT YOUR NEW PRINCIPAL

allurable: MMMM YEAH THAT’S THE BEST THE DISTRICT COULD DO

carrierpidgeon: wait don’t tell me they hired another asshole

allurable: MMMMMMMMM SHIRO, MATT, YOU GUYS WANNA TAKE THIS ONE

takashmeoutside: he’s not an asshole /per se/…

shayfromstatefarm: wait how do u guys know about him

mattata: he was That Teacher our junior year

hunkerdunker: what do you mean That Teacher

mattata: ...he was /weird/

takashmeoutside: he was the old AP english teacher for 11th grade before whoever they have now

kogayne: WHY IS IT ALWAYS THE ENGLISH TEACHERS

takashmeoutside: not always, sometimes it’s the science teachers

lanceylance: chaotic good x chaotic good
carrierpidgeon: stop making this look like the tags on a fucking fanfic

shayfromstatefarm: do u think people write fanfiction about ulaz and thace

kogayne: shiro matt story PLEASE

takashmeoutside: OKAY SO LIKE

mattata: HE WAS JUST ONE OF THOSE WEIRD TEACHERS

takashmeoutside: we’re like 99% sure he was an ex-con at one point

takashmeoutside: he had a wild distrust of authority and roasted zarkon any chance he got

mattata: i’m 100% sure he’s an ex con he had that aloof attitude and talked about a LOT OF QUESTIONABLE THINGS

mattata: dude would stop halfway through stories to think about how to word it

takashmeoutside: lowkey scared the fuck out of me

kogayne: OUT OF /YOU/?

mattata: HE’S AN /EX-CON/ WHAT DO YOU EXPECT

takashmeoutside: his analyses of stuff got like...weirdly dark sometimes

mattata: THE SPEECH

takashmeoutside: DON’T BRING UP THE SPEECH

lanceylance: SPEECH SPEECH SPEECH SPEECH SPEECH SPEECH

carrierpidgeon: SPEECH SPEECH SPEECH SPEECH SPEECH SPEECH SPEECH

mattata: he’s a conspiracy theorist

kogayne: I’M ON BOARD

mattata: he doesn’t trust the government

carrierpidgeon: SIGN ME UP

mattata: we read a speech once by like, ronald reagan or something and we were supposed to analyze it and the guy started going into these conspiracy theories abt reagan it was FUCKIN WEIRD

takashmeoutside: all we’re saying is he’s better than zarkon but also be careful bc THIS IS THE MAN WHO DISTRUSTS ANYONE IN A POSITION OF POWER, NOW IN A POSITION OF POWER

carrierpidgeon: but isn’t being a teacher a position of power

mattata: YEAH E X A C T L Y
carrierpidgeon: idk he still sounds cool

mattata: i mean, i’m pretty sure he’s friends with some teachers, like thace and ulaz and antok and a couple others???

takashmeoutside: ^^ ulaz actually got him the job teaching

mattata: i have a suspicion they were all in a gang once

kogayne: so what i’m hearing is i can’t cross this guy the way i crossed zarkon 24/7

takashmeoutside: there’s a buncha yellow tape everywhere

kogayne: got it

H(ell)igh School

lanceylance: keith and pidge i love u both dearly but why are u not more disconcerted about this kolivan guy

kogayne: shiro and matt said many things about him and homophobe was not one of them

lanceylance: THAT DOESN’T

hunkerdunker: doenst

carrierpidgeon: whomst

shayfromstatefarm: whomst the fuck

carrierpidgeon: whomst the fucm

lanceylance: awful friends

lanceylance: THAT DOESN’T MEAN HE’S NOT STILL SKETCHY

kogayne: i’m willing to give him the benefit of the doubt

lanceylance: ARE NONE OF YOU WONDERING WHY HE LEFT TEACHING AND JUST MYSTERIOUSLY RESURFACED AS OUR PRINCIPAL

hunkerdunker: yeah that seemed a little weird to me but i wasn’t gonna say anything

lanceylance: THIS IS SUS

kogayne: should i get myself sent to the office to do some recon

lanceylance: NO????

shayfromstatefarm: keith what the fuck

kogayne: \(\_(_{\_})_/\)
lanceylance: you are banned from trying to purposely get yourself into the office

kogayne: i can make it look like an accident

lanceylance: NO

lanceylance: HUNK BACK ME UP

hunkerdunker: keith do not get yourself sent to the main office just to try and get some info on the new principal

kogayne: >:(

carrierpidgeon: can /i/

lanceylance: N O

shayfromstatefarm: the cryptkids i swear

kogayne: i’m gonna do it

lanceylance: we are still in the same classroom i will kick your ass

kogayne: if we get into a fistfight then we /both/ get sent down

hunkerdunker: ABSOLUTELY NOT

shayfromstatefarm: ^^^^^^^^^^^^^

kogayne: you all are no fun

lanceylance: THERE IS A LINE BETWEEN FUN AND BAD DECISIONS

kogayne: i like to play jumprope with that line

lanceylance: boy phone down we’re talking face to face bc u need to not with the reckless shit

---

*Let’s Go GNO*

dinezor: is lotor’s phone fixed yet

acxalutelynott: yeah

acxalutelynott: i wouldn’t add him back to the other gc yet tho, he’s like, pissed

zethridofmyproblems: did someone come at him about the new principal

acxalutelynott: two different kids

dinezor: kill them

acxalutelynott: okay, no,
zethridofmyproblems: why not it seems like a good idea to me

sippinganartini: i can see no downsides to that

acxalutelynot: NARTI IT IS FIRST PERIOD

dinezor: i just snorted so loudly my teacher gave me a dirty look

sippinganartini: more than i can give you

acxalutelynot: you all are ridiculous

dinezor: hey wild idea

acxalutelynot: i am afraid

dinezor: so lotor’s not fighting with keith anymore, let’s make a big squad group chat with him and his friends

acxalutelynot: or not

dinezor: TOO LATE I’M DOING IT

**dinezor added acxalutelynot , zethridofmyproblems , sippinganartini , lotoreal , kogayne , lanceylance , carrierpidgeon , hunkerdunker , and shayfromstatefarm to SCHOOL SQUAD**

dinezor: hello!!!

kogayne: maybe i can get a second opinion, i welcome this strange development

lanceylance: NO

acxalutelynot: ez what did you get us into

kogayne: SHOULD I GET MYSELF SENT TO THE OFFICE TO INVESTIGATE THIS NEW PRINCIPAL

lanceylance: EVERYONE SAY NO

hunkerdunker: hold on why is this group chat a thing

dinezor: i felt like it

dinezor: i feel like our squads should be friends

lotoreal: oh dear this is why my phone is blowing up

dinezor: don’t get sassy with me

carrierpidgeon: oh this group chat is about to be lit there are 10 of us

sippinganartini: disclaimer: i have a text-to-speech thing so be careful with emoticons, not all of
them are saved to my shortcuts so pls try not to make text-to-speech freak out

**lanceylance**: do u have the finger guns one saved

**sippinganartini**: u mean this (☞ ゚ヮ゚)☞

**lanceylance**: YEAH

**sippinganartini**: finger gun away

**lanceylance**: BET (☞ ゚ヮ゚)☞ (☞ ゚ヮ゚)☞ (☞ ゚ゎ゚)☞

**sippinganartini**: i already have regrets

**lanceylance**: >:(

**kogayne**: now u know how i feel when u won’t let me dO WHAT I WANT

**lanceylance**: BOI

**lotoreal**: i mean, technically, nobody can stop you

**lanceylance**: i will physically restrain him if i have to

**acxalutelynot**: just...find him after school? and talk to him?

**dinezor**: getting sent to the office sounds more fun tho

**kogayne**: thanks ezor glad SOMEONE IS ON MY SIDE

**lanceylance**: this is biphobia

**dinezor**: how

**lanceylance**: I’M BI AND I DON’T LIKE IT

**carrierpidgeon**: keith if u don’t do the thing soon i’m gonna do the thing

**kogayne**: i’m gonna have to wait till ryner’s class, i’ve got ulaz next

**carrierpidgeon**: dammit kogane i wanna find out about the principal

**lotoreal**: i can tell you now that anyone is better than my father, especially someone who was so vehemently against him

**kogayne**: ...so what do /you/ know about him bc i heard some interesting stories

**lotoreal**: you mean aside from the fact that he was in a gang, has been arrested for charges i’m still not sure about, and has a high distrust of the government?

**kogayne**: ...why do u know that

**lotoreal**: i did research
lotoreal: my father had concerns about his replacement, and we found out early because we’re still connected to the district

shayfromstatefarm: well okay then

kogayne: uhhh thanks for the info

RETURN TO HELL

(1) photo from kogayne

kogayne: matt u were right he actually is an ex-con

takashmeoutside: hold up what’s that

carrierpidgeon: ezor made a high school group chat for their squad and ours for like no reason

allurable: matt, shiro, we’re finally free

carrierpidgeon: uh uh uh not so fast this is still my favorite group chat

allurable: DAMMIT

carrierpidgeon: this group chat has produced some quality memes

allurable: what about the meme potential of the other group chat with 10 high schoolers instead of 5 high schoolers and 3 adults

mattata: i’m an adult?

allurable: yes matthew

mattata: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

takashmeoutside: mood

allurable: sometimes loving you two is difficult

takashmeoutside: yeah but u put up with us anyway

lanceylance: dealing with keith rn be like

kogayne: fight me mcclain

kogayne: aha, there’s the bell, one more class until i get sent to the office

takashmeoutside: i’m sorry, /what/

lanceylance: AHA THE SENSIBLE GROUP CHAT

hunkerdunker: keith wants to purposely get sent down to the office so he can go see for himself what’s up with this kolivan guy
takashmeoutside: no

allurable: don’t

mattata: we literally told u not to cross him

kogayne: i’m not gonna try and cross him i just wanna meet him

takashmeoutside: do NOT

allurable: just find him after school or between classes wtf keith

lanceylance: that’s what acxa told him to do

takashmeoutside: and that’s exactly what he should do, not purposely get in trouble

mattata: there are literally a million other ways to get in touch with the principal that don’t involve purposely sabotaging your own record

carrierpidgeon: i’m sorry what reality are we in where matt’s being sensible on the topic of doing questionable things

mattata: ¯\_(ツ)_/¯ 

RETURN TO HELL

shayfromstatefarm: [sigh]

hunkerdunker: “keith kogane to the main office please, keith kogane to the main office”

takashmeoutside: KEITH WHAT DID YOU DO

lanceylance: he’s in the office i’m not sure he can exactly text back right away

lanceylance: anyway can we talk about the fact that i’m in thace’s room and there’s no fucking heat, i’m a popsicle

hunkerdunker: if i get hypothermia i’m suing the school

shayfromstatefarm: i didn’t bring my jacket with me bc i was under the impression i would be taken care of

carrierpidgeon: there’s maybe one wing in this school where every classroom has a fully functional heating system

carrierpidgeon: i’m literally shaking that’s how cold it is in my classroom rn

lanceylance: i think i have an extra jacket in my locker, do u want it

carrierpidgeon: PLEASE

lanceylance: alright, locker’s in the science wing, number is 4056 and the combo is 6-42-6
carrierpidgeon: THANK YOU SO MUCH HOLY SHIT

lanceylance: (군* 군*)군

RETURN TO HELL

kogayne: SO I MET KOLIVAN

mattata: WHAT DID YOU DO

kogayne: i requested a meeting to talk about a scholarship (¬■_■)

lanceylance: YOU LITTLE SHIT

takashmeoutside: you’re going to be the reason i’m gray before i’m 30

kogayne: ANYWAY kolivan seems pretty cool but like...offputtingly mysterious

lanceylance: is that a word

carrierpidgeon: it is when it’s spelled with a hyphen

carrierpidgeon: off-puttingly

shayfromstatefarm: keith what scholarship

kogayne: um

kogayne: one for orphans

kogayne: i kind of didn’t /need/ to talk to him about it but i claimed i needed help with it

kogayne: so, yknow, getting scholarship money where i can

kogayne: BUT YEAH KOLIVAN IS STRANGE

takashmeoutside: I TOLD YOU

kogayne: i had to confirm ¯\_(ツ)_/¯

lanceylance > kogayne

lanceylance: i was attacked in another group chat yesterday, it is /your/ turn to suffer
dinezor: ACXA
acxalutelynot: [long sigh] [draws gun] i wish i didn’t have to do this
lanceylance: WAIT ACXA NO
kogayne: LANCE
acxalutelynot: I WON’T HESITATE
kogayne: DON’T SHOOT HIM SHOOT ME INSTEAD
carrierpidgeon: i’m disowning both of you
kogayne: listen,
lanceylance: we had a plan
lotoreal: i’m sorry /what the hell is happening/
kogayne: while acxa turned to shoot me,
lanceylance: i’d use the split second where she changes targets to draw my own guns and fire
lanceylance: because i am the sharpshooter
kogayne: and i can’t shoot straight
kogayne: or do anything, for that matter
acxalutelynot: same
zethridofmyproblems: yeah
sippinganartini: basically
dinezor: relatable
lanceylance: mood
carrierpidgeon: tell me about it
hunkerdunker: shit u right
shayfromstatefarm: accurate
lotoreal: me too
carrierpidgeon: wow, ten people in this chat and not a single one is straight
lanceylance: neither are any of the ones in a relationship either

carrierpidgeon: you know what lance

carrierpidgeon: choke

lanceylance: anything specific you want me to choke on

carrierpidgeon: CRUSHING DEFEAT

lanceylance: depression is hibernating right now, try again in like a week

lotoreal: ...are you okay?

lanceylance: peachy

lanceylance: stay-put + blanket + keith + reason to snuggle with him = good day

acxalutelynot: ur so whipped

lanceylance: so is ur girlfriend

lanceylance: how’s it going for u, lotoreal

lotoreal: ...well, i suppose?

lotoreal: if you’re asking about the emancipation case, i believe the alteas are making headway

lotoreal: i just hope this case doesn’t drag out to may

lotoreal: then the struggle becomes pointless

lanceylance: oh

lanceylance: i was just checkin in with ur feelings but that’s cool too

lotoreal: oh.

lotoreal: i’m well.

kogayne: i kinda got added to a group chat with the other girls and allura

kogayne: okay scratch that i got added to a group chat with the other girls bc they needed allura so i added allura

kogayne: alright i guess

kogayne: i mean it’s not like,

kogayne: yeah u know what nvm

carrierpidgeon: WE FOUND OUT WHY WE HAD A STAY-PUT

kogayne: if it got any worse we would’ve needed an evacuation

takashmeoutside: i’m sorry wHAT

shayfromstatefarm: don’t worry it happened in one of the classes that was at lunch aka a science class

shayfromstatefarm: there was smoke in one of the classrooms

takashmeoutside: WHAT

kogayne: they had to call the fire department

kogayne: and get electricians

kogayne: they shut off the heat in that room

hunkerdunker: they had to air out the hallway and the classroom, so they had to have the doors open and fans on

hunkerdunker: they think it was an electrical fire but they can’t be sure

hunkerdunker: but anyway if it got worse they would’ve had to put us outside but they didn’t wanna do that so they just put us in stay-put and hoped for the best

carrierpidgeon: yeah i wasn’t about to go outside in 15-degree weather

lanceylance: but if the school was burning

carrierpidgeon: IF THE SCHOOL WAS BURNING I’D GO OUTSIDE
carrierpidgeon: STOP ATTACKING ME

lanceylance: NO

lanceylance: anyway i’m just upset study hall got cut short

mattata: why

takashmeoutside: OKAY KIDS SETTLE DOWN

shayfromstatefarm: Dad Voice strikes again

takashmeoutside: yeah i’d rather not have u all killing each other

takashmeoutside: or at least, if u kill each other, can u do it when i’m not aware so i can’t be held as an accomplice in a court of law
allurable: ^^^^^^^^^^^^^^^^^^^^^^  

mattata: FIGHT FIGHT FIGHT FIGHT FIGHT

kogayne: HEY I JUST REALIZED PIDGE BROKE HER BE NICE TO KLANCE RESOLUTION  

carrierpidgeon: FUCK THIS IS YOUR FAULT  

takashmeoutside: Would You Please Settle Down  

lanceylance: this reminds me of that vine  

hunkerdunker: [sigh] there’s always a vine  

lanceylance: where the two employees are beating the shit out of each other and the guy just has a Slightly Raised voice and he’s like “CAN I GET A WAFFLE”  

shayfromstatefarm: rtyjrhewrdnrewg STOP  

allurable: CAN I GET A WAFFLE  

carrierpidgeon: waffle machine Broke  

mattata: MCDONALDS MEMES  

takashmeoutside: CAN YOU ALL GO TO CLASS

takashmeoutside: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/  

carrierpidgeon: MOOD AF

(1) photo from lanceylance  

dinezor: I CAN SLEEP IN
acxalutelynot: I CAN GO TO BED EARLY

lanceylance: now i can not do my homework and feel even LESS guilty about it

carrierpidgeon: 0-1 is -1

lanceylance: EXACTLY

lanceylance: but actually now i have -10 guilt

zethridofmyproblems: what’s the opposite of guilt

carrierpidgeon: in a court of law, innocence

kogayne: here? probably pride

lanceylance: +10 pride

lanceylance: that SLYHERIN PRIDE

lotoreal: you’re a slytherin too?

dinezor: WE ARE NOT DOING HOUSE DISCOURSE

carrierpidgeon: DISCOURSE DISCOURSE DISCOURSE DISCOURSE DISCOURSE

kogayne: smh gryffindors

lanceylance: boi you’re a gryffindor

kogayne: yeah so i should know

acxalutelynot: put it this way: we could only come to a definite conclusion on lotor

dinezor: ACXA WON’T ACCEPT THAT SHE’S A RAVENCLAW

acxalutelynot: I SAID WE’RE NOT DOING THIS

dinezor: AX COME ON

dinezor: AX??

dinezor: DAMMIT
kogayne: welp

lanceylance: she thinks she’s a slytherin doesn’t she

dinezor: yep

dinezor: she’s not even close

kogayne: dON’T DRAG ME LIKE THIS

lanceylance: I DO IT WITH LOVE

dinezor: anyway i’m gonna go, good night y’all

lotoreal: acxa’s making me put the phone down to sleep

lotoreal: good night

H(ell)igh School

hunkerdunker: sorry i just looked at my phone really fast and had a heart attack

hunkerdunker: i’m sitting here like “who just sent nudes to the group chat”

shayfromstatefarm: no one, thankfully

carrierpidgeon: I Am Changing The Subject

kogayne: ALIENS

lanceylance: oh boy

lanceylance > kogayne

**kogayne:** THAT’S LIKE THE ONLY WAY SOMEONE CAN INTERPRET THAT

**lanceylance:** I WAS TALKING ABOUT A MOVIE MARATHON OR SOME SHIT OR LIKE, 1V1 MARIO KART

**kogayne:** OH

**lanceylance:** WHY ARE /U/ LIKE THIS

**kogayne:** ˘\_(ツ)_˘

**kogayne:** anyway shiro never deleted his old failed gaming channel
kogayne: i have the link saved

lanceylance: LET’S DO IT

**we’re gonna be happy in 2018**

lanceylance renamed we’re gonna be happy in 2018 to SNOW HOES

shayfromstatefarm: DAMMIT LANCE

takashmeoutside: COME ON MATT

mattata: well,

takashmeoutside: I DON’T HAVE TO SEE SENDAK’S FACE TOMORROW, PUT IT THAT WAY, MOVING ON ALLURA UR TURN

allurable: night class is already cancelled

hunkerdunker: mmm i already did all of the homework, so i won’t be freaking out tomorrow night

lanceylance: i mean i won’t be either,

hunkerdunker: why are u not afraid of not getting it done in time for class

lanceylance: bc i’m not

lanceylance: `\(ツ)/_\(ツ)/_\(ツ)/_\(ツ)/_\(ツ)/_\(ツ)/_\(ツ)/`

shayfromstatefarm: ……….

shayfromstatefarm: so anyway i’m grateful that i can sleep in tomorrow morning

SNOW HOES

mattata: quick question

lanceylance: at 2 AM?

mattata: yeah, i'm at 7/11

takashmeoutside: so am i

allurable: that makes 3 of us

kogayne: that explains why shiro never came home today

lanceylance: gave me an excuse not to leave

kogayne: so what's ur problem

mattata: oh good!! keith's awake!!

mattata: you might have an answer to this
kogayne: uhh?

mattata: how do u get away with murder and make it look like an accident

kogayne: what?

carrierpidgeon: WHAT

allurable: do u have an answer or not

takashmeoutside: we need it before this guy leaves

lanceylance: elaborate please?

shayfromstatefarm: sorry i just opened the group chat what’s happening

mattata: some guy saw me and shiro and allura and made some nasty comments

takashmeoutside: he more than did that

kogayne: yeah i’m gonna hop out on this one, lance can take this

lanceylance: um

lanceylance: hunk take it away bud i’m gonna go hang out with keith

carrierpidgeon: I’M GONNA SEE IF SHERRIE’S AWAKE  B Y E

hunkerdunker: i saw my name what’s happening

hunkerdunker: oh

takashmeoutside: dammit the guy just left

shayfromstatefarm: are u guys gonna explain what he said or just leave it

takashmeoutside: i don’t feel like repeating it

mattata: it’s nothing incredibly important

allurable: /matt/

mattata: it’s not

hunkerdunker: uhhh okay then i’m gonna go to bed?

shayfromstatefarm: me too

mattata > carrierpidgeon

mattata: u still up

carrierpidgeon: it’s 4 in the morning
carrierpidgeon: of course i am what’s up
mattata: u don’t think i’m a joke, do you

carrierpidgeon: ...what’s going on, brother of mine
mattata: i

mattata: okay so u know earlier

carrierpidgeon: when u were at 7/11 at 2 AM for no reason
mattata: yeah

mattata: uh, number one, sorry if shiro or i said anything that may have set u off

carrierpidgeon: i mean u didn’t, i stopped looking at the gc before u went any further, but go on
mattata: okay so like

mattata: the guy

mattata: number one he insinuated some pretty nasty things about us bedroom wise but then he like, looked at me, and like,

mattata: how do i put this in terms you’ll be comfortable with and will make me comfortable to explain to u

mattata: he was like, comparing me to shiro

mattata: and like “oh, you two are with /him/?” and...pretty much shit all over my self-esteem

mattata: and i was fine for a bit but now kashi and lura are asleep and i’m??? thinking

carrierpidgeon: overthinking sounds more like it

carrierpidgeon: what’s eating at you this time
mattata: i’m...just not as good as them, i guess

mattata: shiro’s all buff and stuff and i know allura likes that and he’s got 3 degrees and allura’s got her life together and she’s beautiful and shiro likes that and i’m...just matt

mattata: i’m a fuckin noodle with one degree and hair i can’t bother cutting

mattata: and they’re just??? so cool????? and i

mattata: i’m a fucking joke

mattata: half the time i say something in a group chat i just get told to stop talking, and half the time that happens it comes from one of them, and??????????

carrierpidgeon: oh jeez
carrierpidgeon: this is a relationship problem

carrierpidgeon: i’m literally the last person u should be asking

mattata: BUT YOU’RE THE SMARTEST PERSON IN OUR FRIEND GROUP ASIDE FROM SHIRO AND ALLURA

carrierpidgeon: not in the romance department, i’m hopelessly pining, so

carrierpidgeon: u want relationship advice, try klance or hunay, not me

carrierpidgeon: just know that i’m ur little sister, i’m not obligated to think ur cool, but i think ur one of the coolest and smartest people around

carrierpidgeon: ur the one who kept me interested in stem when i was getting made fun of for it, you’re the reason i like video games and can kick anyone’s ass (bc u kicked mine for so long i had to level up my skills just to be anywhere near u) and just bc u have one degree doesn’t mean ur any less intelligent or awesome than anyone else

carrierpidgeon: u may be a noodle but i know shiro and allura love u a lot, they don’t care that ur a noodle, it just means ur easier to cuddle with bc they can cuddle all of u

carrierpidgeon: also i’m sorry that i’ve been rude in the group chat, i wish u would’ve told me sooner or like, punted me down the stairs or something, i love u and i don’t wanna see u get hurt

mattata: those were some of the nicest things u’ve ever said to me

carrierpidgeon: i’m not always a gremlin ¯\_(ツ)_/¯

carrierpidgeon: now can i get back to mario kart

mattata: are u winning or is ur girlfriend

carrierpidgeon: SHE’S NOT MY GIRLFRIEND YET

mattata: :P

carrierpidgeon: also what do u take me for, of course i’m winning

mattata: ah, that’s my baby sister

mattata added kogayne, lanceylance, hunkerdunker, and shayfromstatefarm to matt’s bad romance

kogayne: should i be afraid that this is a notification i’m getting at 4 AM

mattata: i don’t feel like typing everything out but here

(5) photos from mattata

kogayne: oh
lanceylance: RELATABLE

kogayne: wha

kogayne: okay u and i are talking later

hunkerdunker: jeez

hunkerdunker: matt, i’m sorry if i’ve ever told u to shut up or that you were being obnoxious

shayfromstatefarm: ^^^

lanceylance: same

kogayne: yep

mattata: WHY ARE ALL OF YOU AWAKE I THOUGHT I’D GET MAYBE LIKE TWO OF YOU, IF THAT

kogayne: uhhh

lanceylance: not important let’s focus on you right now

kogayne: number one: did you talk to shiro and allura before they went to sleep

mattata: ...no…

lanceylance: are

lanceylance: are you kidding me

hunkerdunker: mmmmmmmmmmmmMMMMMMMMMMMMMMMMMMMMMMMM

mattata: I DIDN’T WANNA BOTHER THEM WITH IT OR MAKE THEM FEEL BAD

kogayne: how did u manage a relationship for four years

mattata: KEITH

kogayne: u should’ve talked to them

mattata: BUT

mattata: MMMMMM

shayfromstatefarm: bottling things up is no good for anyone

shayfromstatefarm: but it’s especially not good in a relationship

kogayne: relationships are built on communication

kogayne: yeah there are times when u don’t wanna tell ur s/o what’s up but that can lead to bitterness and resentment for both parties
kogayne: bitterness for u, bc ur not getting the help/attention u need, and bitterness for ur s/os bc they’re not being told what’s bothering u, so they’re gonna read it as anger, then they’ll be angry bc ur angry and not saying why

kogayne: like dude, i get it, u don’t wanna feel like a burden, but ur in a relationship bc they want all of u

lanceylance: ^^^!! they don’t just want happy matt, they want sad matt and angry matt and every matt there is

lanceylance: ur s/os are there to lift u up when ur down

shayfromstatefarm: but they’ll never know to help u if u don’t tell them. i say as soon as possible, you sit down with them and have a serious discussion about the relationship.

hunkerdunker: ^^^

lanceylance: but also it would’ve been better to discuss it before u went to bed but °(⊂_⊂)´

mattata: why

kogayne: so u don’t go to bed bitter and wake up bitter

lanceylance: ^^^ especially if ur serious about being with them forever

lanceylance: when keith and i started getting serious, like...what, 8 months in

kogayne: oh jeez this story

lanceylance: i mean we can skip over that part if u want

kogayne: nah it’s fine

kogayne: i had my first mental breakdown in front of lance, right

kogayne: right around this time of year, actually. last year.

kogayne: i went radio silent on him like, all day afterward, bc i was embarrassed and angry he saw me like that and stuff like that and i didn’t wanna talk about it

lanceylance: which is RIDICULOUS bc i was basically on the verge of a breakdown when nyma and i broke up sophomore year and u were RIGHT THERE and you’d SEEN ME BREAK DOWN AFTER THAT

kogayne: LANCE

lanceylance: yeah i know go on

kogayne: anyway lance literally drove over to my house ILLEGALLY and picked me up and we went to the park and sat down

lanceylance: on the swings bc i’m romantic like that

kogayne: stfu u sap
lanceylance: :D

kogayne: and we basically came to the conclusion that we’re not allowed to go to bed mad at each other or bothered about something that has to do with each other

kogayne: we vowed right there that it didn’t matter if we stayed up for hours, we’d work through any issues between us before we went to sleep so we could wake up feeling better and not bitter

lanceylance: TEAMWORK MAKES THE DREAM WORK

lanceylance: but also like

lanceylance: keith’s got depression, i’ve got depression

lanceylance: i know u and shiro have depression

lanceylance: it’s genuinely hard some days to open up and it’s just too much

lanceylance: but bottling things isn’t a good habit to get into

lanceylance: open up to shiro and allura as soon as possible so u guys can work this issue out

mattata: ...alright

mattata: thanks

lanceylance: anytime dude!

kogayne: no problem

hunkerdunker: of course

shayfromstatefarm: always

calculate my final velocity if i jump off of the school roof from rest

shayfromstatefarm: he’s 25

kogayne: yeah i know

kogayne: just be grateful he wasn’t texting you at 4 AM when he discovered he was polyam and still hopelessly in love with shiro /and/ allura

shayfromstatefarm: NO, I CAN’T BE GRATEFUL

hunkerdunker: YOU TOOK IT TO THE PHYSICS GROUP CHAT, KEITH

kogayne: ...WHOOPS

hunkerdunker: also, lance

lanceylance: WHOOP GOTTA GO TO BED
kogayne: no you don’t, sit down

hunkerdunker: SIT DOWN MR. “TALK ABOUT UR FEELINGS”

hunkerdunker: why did u say matt’s statements were relatable

hunkerdunker: what’s going on with you

lanceylance: it’s nothing like, huge

lanceylance: not enough for an episode or attack

lanceylance: and it’s not really anything lately

lanceylance: but sometimes i do just feel like a joke, yknow

lanceylance: like, other than when i’m trying to be

lanceylance: i didn’t mean it like “oh i’m being attacked all the time and i’m just not gonna tell u guys”

lanceylance: sorry if it came off that way

hunkerdunker: don’t apologize

kogayne: pls tell us when ur feeling like that :( 

shayfromstatefarm: we wanna support u

lanceylance: i know i know i will

lanceylance: i love u guys

hunkerdunker: we love u too man

takashmeoutside > kogayne

takashmeoutside: i wanna kill a person

kogayne: can you and matt take a note out of allura’s book and stop sending cryptic texts to open up ur rants

kogayne: u can just start with the rant u know

takashmeoutside: okay number one, i know matt talked to you guys last night

kogayne: DID YOU GO SNOOPING THROUGH HIS PHONE

takashmeoutside: NO?? KEITH WHAT THE FUCK

kogayne: CAN YOU NOT WORD THINGS THE WAY YOU DO
takashmeoutside: no, i talked to matt. and allura. the three of us talked. matt told us he went to you guys and showed us the texts.

kogayne: are you here to ask for relationship advice

takashmeoutside: well number one i wanna kill the guy in 7/11

takashmeoutside: number two i feel like i should thank him bc...wow okay that sounds bad, i don’t wanna thank him, but matt’s opening up, so

kogayne: yeah i get what you mean

takashmeoutside: number whatever: HELP ME MAKE THIS BETTER

kogayne: ???? uhhh be nicer to matt?

takashmeoutside: yeah i got that

kogayne: show ur appreciation more often?

kogayne: keep in mind:

kogayne: u broke up freshman year of college and for a while u thought u would get back together, and then u went and asked out allura and then dated her for like, 5 years??? before u got back with matt, so

kogayne: there’s 5 years of established relationship matt missed out on, he’s gonna view u guys as a lot closer by default bc now he feels like an intruder on this relationship

kogayne: or like, that’s according to the psychoanalysis lance and i did last night

takashmeoutside: why were u and lance psychoanalyzing my boyfriend

kogayne: WHAT ELSE WERE WE SUPPOSED TO DO

takashmeoutside: go to sleep???

kogayne: absolutely not

kogayne: lance needed help too

takashmeoutside: wow can u believe this is our lives

kogayne: \_(ツ)_/¯ i’m happy with it, could be a lot worse

takashmeoutside: true

takashmeoutside: thanks

kogayne: yep

kogayne: don’t be urself up too much over it, also tell matt and allura lance and i say hi

takashmeoutside: will do
takashmeoutside: i’ll probably be home later

kogayne: okay

kogayne: lance refuses to go home, i am entering day 3 of lanceland

takashmeoutside: wow don’t sound so down abt it

kogayne: ??? I LOVE LANCELAND SHUT UP SHIRO

kogayne: besides this is practice for when we’re married

takashmeoutside: ＿(‘皿‘)_/¯ have fun, tell lance i say hi

kogayne: (¬■_■) gotcha

SNOw HoES

shayfromstatefarm: is anyone alive enough to come to the café today and work

kogayne: lance and i can come

lanceylance: did u just volunteer me

kogayne: yes

carrierpidgeon: i can go if someone picks me up

lanceylance: we can

hunkerdunker: i’m comin in

shayfromstatefarm: oh wow i didn’t think i’d manage to get all of you

lanceylance: ＿(‘皿‘)_/¯

kogayne: cabin fever

shayfromstatefarm: yeah that sounds more like it

shayfromstatefarm: the roads are still questionable and it’s still cold as fuck so we don’t expect a ton of customers but w/e

takashmeoutside: welcome to the club

lanceylance: chit-chattin with the crew, yknow, fillin out orders

lanceylance: casual employee banter

lanceylance: hunk told me to do something straight

lanceylance: i forgot i was in public and made a bi joke and some dUDEBRO, FROM ACROSS THE FUCKIN CAFÉ, STANDS UP

lanceylance: AND GOES ON A HOMOPHOBIC TIRADE ABOUT HOW HE DOESN’T WANT HIS MEAL “TARNISHED” BY “UNCLEAN HANDS”

hunkerdunker: which we all knew was code for anyone who’s not straight

carrierpidgeon: joke’s on that fucker

shayfromstatefarm: rax kicked him out

lanceylance: granted we got applause from everyone else in there when we pointed out that it doesn’t matter who you like, we’re all in the café for food and drinks

hunkerdunker: well, except for this lady with an “i wanna speak to the manager” haircut who walked out with her two kids

lanceylance: true, but

lanceylance: still

lanceylance: shay if this affects business i am so sorry

shayfromstatefarm: ???? why sorry

shayfromstatefarm: it’s 2018 these people need to get with the program

hunkerdunker: i’m grateful that today was a slow business day bc i’m tired

lanceylance: shoutout to the inventor of blankets, whoever decided to make big pieces of fabric that kept u warm, ur a fuckin genius

kogayne: shoutout to lance for thinking ahead and stashing blankets here, and also being really warm

takashmeoutside: half of ur gratitudes lately have consisted of lance and heat

kogayne: I LOVE LANCE AND I LIKE BEING WARM, IS THERE A PROBLEM

lanceylance: :) soft keef

takashmeoutside: HE’S YELLING AT ME HOW IS THAT SOFT

lanceylance: he does it with love

hunkerdunker: :)

(7) photos from shayfromstatefarm

shayfromstatefarm: bUT LOOK AT HUNK

shayfromstatefarm: there’s so much here to love

shayfromstatefarm: the slight eyebrow tilt, the distant look in his eyes, thoughtful, pondering the universe

hunkerdunker: mostly pondering whether or not my car is gonna start but i’ll take the universe :P

hunkerdunker: <3333

lanceylance: i fuckin hope my car starts

kogayne: i can hotwire it probably

takashmeoutside: why do u know how to hotwire things

kogayne: don’t question it and you’ll be fine

carrierpidgeon: i know how to hotwire a car too

mattata: WHY DO /YOU/ KNOW HOW TO HOTWIRE A CAR

carrierpidgeon: don’t question it and you’ll be fine

hunkerdunker: the cryptkids are we surprised

kogayne: ALL I DID WAS RESEARCH IT

takashmeoutside: W H Y

kogayne: SURVIVAL TACTICS

kogayne: YOU DON’T MAKE A HABIT OF SPENDING HOURS INVESTIGATING THE PARANORMAL AND THE CRYPTIC WITHOUT STUDYING UP ON SURVIVAL SKILLS

takashmeoutside: but when would

takashmeoutside: you know what never mind

kogayne: THERE ARE LIKE 57 DIFFERENT SCENARIOS I COULD LIST WITHOUT THINKING
allurable: honestly u guys should be grateful it’s for survival skills and not because they’re like, leading double lives as master criminals

kogayne: ...yeah let’s go with that

lanceylance: hannah montana hid her identity for years and keith is even sneakier than miley soooo

kogayne: shut up lance

lanceylance: the up has been shut

takashmeoutside: ……..um……wHAT

kogayne: SHHHHHHHHHH YOU SAW NOTHING

(1) photo from takashmeoutside

takashmeoutside: BUT IT’S RIGHT THERE

kogayne: SHHH NO IT’S NOT

carrierpidgeon: [waves hand] you have seen nothing

takashmeoutside: your jedi mind tricks only work on the weak

carrierpidgeon: yeah so it’s working right

takashmeoutside: :O

mattata: pfffft

shayfromstatefarm: okay it’s been like half an hour since we had a customer, i think we should close early and call it a night

shayfromstatefarm: it’s cold and dark and i wanna go home, and it’s only a half hour till regular closing anyway

shayfromstatefarm: all hands on deck, the sooner we close up the sooner everyone goes home

lanceylance: BET

kogayne > takashmeoutside

kogayne: lance wants me to come over

kogayne: i’m going to his house, but we’ll swing by and drop off your coffee first

takashmeoutside: how are you two not sick of each other

takashmeoutside: your young hormonal brain should be bored by now

kogayne: stfu u dated matt for four years and then went to college and were roommates
takashmeoutside: /and they were roommates/
kogayne: this conversation is cancelled

takashmeoutside: smh
kogayne: but honestly i’m like never sick of him
kogayne: anyway how’s it going with matt and allura

takashmeoutside: we talked more, we talked through anything that’s been bothering all of us, we’re working through it together. no one’s breaking up with anyone, we’re all good over here
kogayne: see
kogayne: all good in the neighborhood
kogayne: ...right
kogayne: or is there anything you’re not telling me

takashmeoutside: excuse me who’s the concerned adult and who’s the troublesome teen in this relationship
kogayne: ¯\_(ツ)_/¯
takashmeoutside: but no, we’re all good

takashmeoutside: thanks for helping us out this morning
kogayne: no problem, i come to you screaming about lance enough, it was all i could do to return the favor

takashmeoutside: is there any other wisdom you’d like to impart
kogayne: not really, uhhh
kogayne: idk, we’ve all had depressive episodes before
kogayne: keep an eye on matt the next few days?
kogayne: (and yes i know u think he’s attractive and u keep an eye 24/7 U KNOW WHAT I MEAN)
takashmeoutside: damn u beat me to it

takashmeoutside: yeah i will

takashmeoutside: u said u had something to take care of with lance?
kogayne: everything’s being taken care of
kogayne: nothing super awful or super pressing, just gotta make sure he doesn’t have a sudden downward spiral and we should be good
kogayne: although if he did i wouldn’t care, i’d be there bc everyone knows i put him thru hell every other week

takashmeoutside: i’m sure he doesn’t mind

kogayne: which is exactly why i wouldn’t mind if he did

kogayne: TEAMWORK MAKES THE DREAM WORK

takashmeoutside: u two rub off on each other so much it’s scary

kogayne: like matt didn’t rub off on u over the course of 20 years

takashmeoutside: \_(ツ")_/¯

kogayne: welp

kogayne: i’m gonna go, i’ll see u in like, 10 minutes

takashmeoutside: u gonna grab a change of clothes or nah

kogayne: lance has been wearing my clothes for the last three days, it’s time for me to return the favor

kogayne: ...okay i might grab pants bc he’s a leggy boy but otherwise i’m good

takashmeoutside: alright see u soon

Chapter End Notes

in the original, scrapped version of this chapter, matt ran out at 3 AM and sat in his car in negative degree weather, wanted to break up with shiro and allura, and lance and shiro got into a screaming match. ...yeah there's a reason the original got scrapped :P

anyway y'all are great i want y'all to know that

i don't reply to all of the comments but i read all of them and i appreciate each and every one of u, i'm glad y'all like this <3

no sunday chapter, monday may or may not happen,,,,, ANYWAY see y'all whenever the next one goes up

(drinking game: take a shot every time i say "y'all"...i'm not even from the south wtf)
BONUS: the scrapped version of matt's bad romance

Chapter Summary

The slightly ooc, overly-dramatic version of chapter 82 that I scrapped. Because you heathens kept asking for it.

Chapter Notes

I dunno why you guys kept asking for this but ask and ye shall receive I guess?

Disclaimer: As this is the scrapped version, nothing here is story canon, so you do not need to read this if you don't want to. I scrapped this because it ended up mildly ooc, especially regarding Shiro and Pidge (in my personal opinion). Half of this was written at 2 AM on a caffeine high while I was on my "Black Paladin Lance 2k18/Shiro is a clone and can't be trusted 2k18/these will both be canon in season 5 or I will make it happen 2k18" mood. So, uh, yeah. The chapter also ends abruptly because that's where I fell asleep, and when I woke up and read it I went "lmao hell no."

Trigger warnings:
- Irresponsible drinking (people get tipsy, not full-on drunk, but idk I felt like putting this)
- Depressive episode mentions/explanations
- Anxiety attack mentions
- Runaways (like, if the idea of running away/being a runaway is triggering...idk I feel like this is needed)

Okay read on remember I scrapped this for a reason!!!

See the end of the chapter for more notes

**takashmeoutside** > **kogayne**

**takashmeoutside**: i fucked up, you have to help me

**kogayne**: it’s 3 AM

**takashmeoutside**: shut up and listen

**kogayne**: ...you did something bad

**takashmeoutside**: yes i fucked up and it’s about matt.

**kogayne**: ...shit

**kogayne**: hold on
kogayne added takashmeoutside and lanceylance to shiro’s having a crisis

takashmeoutside: why

kogayne: bc if it’s about matt then u need relationship advice

takashmeoutside: OKAY CAN YOU SHUT UP WE CAN DO THAT LATER

takashmeoutside: LISTEN

takashmeoutside: allura matt and i were goofing around earlier and we were a LITTLE tipsy on leftover alcohol from nye and we said some things that might’ve been a little hurtful

lanceylance: oh no

takashmeoutside: matt laughed it off like it was nothing but we KNEW something was up but he didn’t wanna talk about it so we left it alone and went to sleep

takashmeoutside: and i just woke up to go to the bathroom and MATT ISN’T HERE, HIS CAR IS GONE

takashmeoutside: AND HE WON’T ANSWER HIS PHONE

kogayne: WHY DID YOU GO TO BED WITHOUT RESOLVING THE ISSUE

takashmeoutside: WE DIDN’T WANNA PUSH HIM

lanceylance: okay we’ll come back to that

kogayne: DID YOU TRY TRACKING HIS PHONE

kogayne: I DID, MATT MUST’VE SHUT IT OFF BC HE’S NOT COMING UP

lanceylance: i’m gonna try and text him

lanceylance: if keith texts he might get suspicious but if i text he might just assume i wanna talk about memes

kogayne: i’ll check in with pidge

kogayne > carrierpidgeon

kogayne: hey did ur bro randomly come home by any chance

carrierpidgeon: no?

carrierpidgeon: why?

kogayne: no reason

carrierpidgeon: um no there’s clearly a reason you’d be texting me about matt at 3 AM
kogayne: um, something happened with shiro and allura, and next thing u know matt’s not in the house

carrierpidgeon: WHAT

carrierpidgeon: DO YOU KNOW HOW LONG HE’S BEEN GONE

kogayne: uh, no

carrierpidgeon: WHAT THE FUCK

kogayne: i’ll try and find out more but if he comes home please text me

carrierpidgeon: if u find out more let me know before i lose my shit

kogayne: alright

lanceylance > mattata

(2) photos from lanceylance

lanceylance: check out these spicy memes

lanceylance: what do u think of them

mattata: i know what you’re doing and i don’t wanna talk.

lanceylance: can u at least tell me where u are?

mattata: no, because you know damn well someone’s gonna come after me. tell everyone i’m fine. tell shiro and allura i’m sorry, but i can’t. i can’t date both of them anymore. i’m breaking up with them.

lanceylance: ...what?

lanceylance: hold on hold on hold on

lanceylance: i promise i won’t show this conversation to anyone, i won’t send screenshots, but i wanna at least know why

mattata: it’s not important.

lanceylance: yeah, that’s where you’re wrong, it’s pretty important.

lanceylance: it was important enough for you to run out in the middle of the night in freezing weather bc being in that house was too overwhelming.

mattata: ...you swear you won’t say anything?

lanceylance: i’ll only tell everyone what you want me to. it’s not my place to tell them whatever’s bugging you. BUT, you’re going to have to open up eventually.
lanceylance: now what’s going on?

mattata: i knew there was a reason shiro and i didn’t get back together after we broke up the first time.

mattata: i love him and i love allura to pieces but the two of them are just so much closer than either of them are to me

mattata: and sometimes they’ll say things and it seems like all i am is a walking joke to them

mattata: sometimes the group chat even does it and i’m fucking done, i can’t do it anymore

mattata: this is sophomore year of college all over again and i’m not here for it

lanceylance: dude…

lanceylance: you told them, right?

mattata: …

lanceylance: you need to tell them

lanceylance: lack of communication is the reason so many relationships fail

lanceylance: i think if you told them, and told the group chat, things’ll work out a lot better than if you keep this bottled and go through with a breakup

lanceylance: i’m not saying you need to tell them tonight, or even today, or even in the next few days, but you need to do it sooner rather than later.

lanceylance: take some time for urself, but don’t act irrationally

lanceylance: especially not on impulses you got at 3 in the morning

mattata: ...i am 25 years old

mattata: sitting in a cold car by myself at 3 AM on a friday

mattata: getting relationship advice from a high schooler

mattata: glad to know this is my life

lanceylance: yeah also please go somewhere warm

lanceylance: go to a 24 hour restaurant or come over here or go home or back to the alteas’ but please go somewhere other than out in the cold

lanceylance: and text me /with proof/ that you’ve gotten somewhere warm

mattata: ...fine

shiro’s having a crisis
lanceylance: so i was able to reach matt

takashmeoutside: IS HE OKAY

lanceylance: he’s okay in the sense that he’s alive, if that’s what you meant

lanceylance: he wouldn’t say where he was, just that he was fine

lanceylance: he’s sitting in his car somewhere, and i told him to go somewhere warm, and he said he would, but i don’t think he’s going back to allura’s

kogayne: speaking of allura is she even awake, does she know what’s going on

takashmeoutside: no but i’m gonna have to tell her, bc if i go back to sleep and she wakes up before me…

takashmeoutside: lance did he say what was up

lanceylance: he did but it’s not my place to tell you

lanceylance: I AM HAVING A CRISIS

lanceylance: WELL BOY SHIRO YOU’D THINK YOU’D HAVE HANDLED IT BETTER

lanceylance: AND NEITHER AM I, DO YOU PAY ANY ATTENTION TO WHAT GOES ON

kogayne: okay guys,

lanceylance: YOU’RE 25 AND YOU’VE ALREADY GONE THROUGH IT ONCE WITH MATT AND MISSED HIM PINING FOR SEVEN YEARS, YOU’D THINK BY NOW YOU’D HAVE LEARNED TO FIGURE OUT WHEN HE’S BOthered

lanceylance: YOU SEE KEITH AND I DO IT OFTEN ENOUGH, YOU CAN READ KEITH, AND YET SOMEHOW YOU HAVEN’T FIGURED OUT HOW TO READ MATT? AND YOU’VE KNOWN EACH OTHER FOR 20 YEARS?

takashmeoutside: I DON’T SEE YOU YELLING AT /HIM/ TO OPEN UP AND COMMUNICATE IF THAT’S WHAT YOU AND KEITH ALWAYS ACT SO HIGH AND MIGHTY ABOUT

lanceylance: HIGH AND MIGHTY? /HIGH AND MIGHTY/? FOR ADVOCATING A BASIC RELATIONSHIP BLOCK THAT PEOPLE ALWAYS SEEM TO OVERLOOK?

kogayne: LANCE. SHIRO. ENOUGH.

lanceylance: AND FOR THE RECORD, I /DID/ TALK TO HIM, BUT HE’S /HURTING/ RIGHT NOW. YOU HAVE DEPRESSION. KEITH HAS DEPRESSION. I HAVE DEPRESSION. MATT HAS FUCKING DEPRESSION. YOU KNOW HOW HARD IT IS TO OPEN UP, ESPECIALLY WITH THINGS THAT ARE AFFECTING YOU DEEPLY. I HAVE /WATCHED/ YOU GO SILENT IN THE GROUP CHAT. I KNOW THERE ARE DAYS /YOU/ REFUSED TO OPEN UP.
takashmeoutside: I’VE NEVER RUN OUT IN THE MIDDLE OF THE NIGHT IN NEGATIVE DEGREE WEATHER AND GIVEN MY BOYFRIEND A HEART ATTACK.

kogayne: LANCE, BACK OFF. SHIRO, BACK OFF.

kogayne: SHUT UP. YOU’RE BOTH GETTING RIDICULOUS.

kogayne: everyone breathe.

kogayne: shiro, what did you and allura say?

takashmeoutside: it...was mostly me

kogayne: oh my god

takashmeoutside: i didn’t mean to hurt him, i just said some things that...probably dug a little deeper than they should’ve

takashmeoutside: y’know, he’d make a joke, and i’d...tell him to shut up, and then i may have mentioned his 7-year pining

kogayne: …

carrierpidgeon > kogayne

carrierpidgeon: he just got home and went straight to his room

kogayne: thanks for letting me know

carrierpidgeon: do you know what happened with him?

(1) photo from kogayne

carrierpidgeon: what the fuck

kogayne: i’m internally screaming and lance threw his phone across the room

kogayne: and right before this lance and shiro were at each others’ throats

carrierpidgeon: good bc i’m about to fucking kill him

carrierpidgeon: do the three of them just not talk?? do they just hang out and fuck? how do they not know that matt has a lot of insecurities about college and the relationship?

kogayne: can you elaborate? matt only told lance what was up but lance won’t say anything bc it’s not his place (which i can respect but like,,)

carrierpidgeon: he’s told me he sometimes feels like a third wheel in that relationship
carrierpidgeon: after shiro got together with allura he was pretty torn up, he’s told me stories about getting blackout drunk and waking up on quad benches or on the sidewalk or in the dorm and not remembering a single thing

carrierpidgeon: and now that shiro and allura have been together for years, matt feels like he’s missed out on a lot

carrierpidgeon: there are inside jokes he doesn’t know about and u can literally see that they’re a lot closer to each other than they are to him

kogayne: ...holy shit…

carrierpidgeon: he’s been trying to push through it but it’s been eating at him and i think he finally hit his breaking point

carrierpidgeon: i’m gonna go try and talk to him and see if i can get any more out of him but no promises on whether or not i can tell u anything else

kogayne: alright

kogayne: i really don’t know how to reply to shiro, and lance doesn’t wanna say anything else to him atm

carrierpidgeon: shiro and matt are 25 and need to learn to deal with their fucking issues

carrierpidgeon: especially if shiro’s blowing up on lance

carrierpidgeon: why did they blow up anyway

kogayne: lance called him out and he tried to call lance out

carrierpidgeon: fucking good for lance

carrierpidgeon: i know u love shiro dearly and i love matt dearly but they need to get it together so GOOD FOR LANCE, make sure he knows i’m proud of him

carrierpidgeon: bc honestly, if you take shiro’s side here, i will actually kill you

kogayne: i mean i’m not really trying to take sides here but uhhh yeah shiro’s fucked up pretty bad, so

kogayne: lance is ALSO anxious that shiro’s gonna come here and kick him out of the house so i’m gonna go deal with that for the night

mattata > lanceylance

(1) photo from mattata

mattata: i’m home. i swear.

lanceylance: alright
lanceylance: get some sleep
lanceylance: text me in the morning, alright?
lanceylance: or have pidge text me
lanceylance: or text keith
lanceylance: just get into contact with me or keith tomorrow morning
mattata: alright.
mattata: thanks.
lanceylance: np

shiro’s having a crisis

lanceylance: matt got home safe. i’m going to bed.
lanceylance: good night.

kogayne > takashmeoutside

kogayne: i’m going to bed too
kogayne: in the meantime, here are several things for you to consider. know that i love u like ur my brother but ur being absolutely fucking ridiculous, ur 25 and need to get ur shit together
kogayne: u managed 3 college degrees while taking care of me, u can manage this
kogayne: 1. you and lance need to make up. he’s currently on the verge of an anxiety attack but he doesn’t want any more contact tonight.
kogayne: 2. you, matt, and allura all need to sit down and have a serious discussion. i’ll be contacting him in the morning about this, too, but the three of you need to fucking communicate.
kogayne: 3. lance was making valid points. you had a couple too, but you spent a lot of time deflecting. i know you like to think you know what you’re doing, but next time, listen.
kogayne: i’m going. i’ve got a boy to take care of. i’ll text you in the morning.
takashmeoutside: ...alright.
takashmeoutside: tell lance i’m sorry.
kogayne: alright
kogayne: night
takashmeoutside: good night

**SNOW HOES**

*mattata left SNOW HOES*

takashmeoutside left SNOW HOES

**hunkerdunker:** ummm what?

**hunkerdunker:** did something happen last night?

**kogayne:** try 3 AM

**shayfromstatefarm:** ????????

**kogayne:** who wants to take this one

**carrierpidgeon:** i don’t wanna i’m still angry

**allurable:** i’ll do it.

**shayfromstatefarm:** uhh?

**allurable:** matt and shiro were here last night, we all drank, and we got tipsy, and shiro and i accidentally made some comments that poked at matt’s insecurities

**carrierpidgeon:** they more than poked they fucking stabbed him

**allurable:** matt laughed it off, and we made the wrong move by not talking to him about it and asking him to open up more

**allurable:** he went to bed justifiably hurt, and ended up leaving in the middle of the night

**allurable:** shiro woke up and freaked out and ended up in a group chat with lance and keith

**allurable:** things were said

**lanceylance:** shiro and i blew up on each other.

**allurable:** so far, matt hasn’t reached out to me or shiro

**carrierpidgeon:** yeah because he’s a fucking wreck

**hunkerdunker:** ...oh…

**shayfromstatefarm:** um

**allurable:** pidge, please let him know i’m sorry, from the bottom of my heart, and ask him if he’d be open to contact with me.

**carrierpidgeon:** he said thanks for the apology but no, he doesn’t wanna talk to anyone today
allurable: i understand. as soon as he’s ready, please have him text me.

carrierpidgeon: ...alright

**H(ell)igh School**

hunkerdunker: WHAT

kogayne: okay so we’re gonna have to make u and shay swear to secrecy here

shayfromstatefarm: we don’t have many friends outside of this group chat, idk if you noticed

kogayne: just do it so i have proof

shayfromstatefarm: what happens in this chat stays in this chat

hunkerdunker: we won’t breathe a word

kogayne: alright so last night shiro texts me freaking out about matt, so i added him and lance to a group chat, bc i figured we could do some relationship counseling

kogayne: he confessed basically what allura did: they were drinking, they said some things matt took to heart, matt wouldn’t say anything about it, they went to bed

kogayne: they wake up, bam, matt is gone

lanceylance: i got into contact with matt. he was out in the cold in his car alone and wouldn’t tell me where he was.

lotoreal: i may have been having a heart attack
dinezor: lotor :(
lotoreal: he probably knew we were there

lotoreal: and screamed outside for a while about being abandoned by everyone
dinezor: can he fuckin chill, it’s his fault
lotoreal: apparently not.
acxalutelynot: we called the cops on him
acxalutelynot: they’re now aware of the situation and are getting into contact with whoever the hell’s working on the emancipation case
lotoreal: i could be free within the span of a week if things work out smoothly
sippinganartini: (read: if lotor’s dad doesn’t pull some bullshit)
zethridofmyproblems: i mean, half the school district hates him
dinezor: both students and staff
zethridofmyproblems: and anyone who’s ever met him

lotoreal: and when did i say that

acxalutelynot: play rehearsal

acxalutelynot: i said we were dysfunctional

acxalutelynot: i was wrong

acxalutelynot: we’re a damn good family

Chapter End Notes

My Calculus Teacher Is Trying To Kill Us

oKAY SO THEY CHANGED THE MIDTERM SCHEDULE FOR THE SECOND YEAR IN A ROW (they keep changing it to try some bullshit that never works and then end up reverting to the old schedule for finals) and MIDTERMS ARE TAKING PLACE DURING THE SCHOOL DAY AND WE'RE JUST HAVING REGULAR SCHOOL so AT THE MOMENT on the day of my ap lit exam i also have a calc quiz, a physics test, multiple homework assignments for calc, and other things due before then

i have calc last period and the day was okay before then but i literally almost started crying right then and there why does she hate us

ALSO ON A BETTER NOTE
does anyone listen to starset. like, i found them over the summer and they’re my favorite band now and yesterday i had transmissions on repeat and today i’ve got vessels on repeat like wow, i did not give these albums enough love. ALSO IT’S WEIRD because transmissions has two of my favorite songs but i like vessels as the better album overall?? help?? IF YOU HAVEN’T LISTENED TO STARSET BUT LIKE ROCK/ALTERNATIVE/ELECTRONIC MUSIC PLEASE GIVE THEM A CHANCE THEY’RE A MASH OF ALL THREE AND IT’S SO COOL AND THEIR SONGS ARE ALL SPACE-THEMED (half of my fanfics started bc i sent klance aus to my friend based on starset songs shhhh)

OKAY BYE I’VE GOT A LOT OF HOMEWORK TO DO
THE POWER OF FRIENDSHIP

Chapter Summary

general shenanigans; pidge has a problem (ft. team forest fire)

Chapter Notes

my calc teacher gave us mORE WORK DUE THURSDAY but my physics teacher moved our test...to the day we have the second half of our ap lit midterm. we really can't win but we'll take what we can get

kogayne: are u sure it’s best to ask /me/

carrierpidgeon: i’m texting u aren’t i

kogayne: yeah but we know i don’t exactly have the best track record with coping mechanisms

carrierpidgeon: well u and lance got to where u are in one piece and everyone knows i’m more like u than him so start talking

kogayne: okay well let me preface this by saying (oh god i’m gonna quote antok u need to disown me after this) that not all hs relationships work out. lance and i are a fluke. i’ve genuinely never met anyone i want more than i want him. most relationships in hs aren’t like that.

carrierpidgeon: disowned

kogayne: thanks

kogayne: anyway, it’s not like i just shut down

carrierpidgeon: except that one day u came over and lied on the floor and started screaming

kogayne: freshman year was rough okay

kogayne: anyway

kogayne: i stayed friends with him

kogayne: even if i couldn’t date him i liked having him in my life

carrierpidgeon: okay angelica

kogayne: shut up if u ever tell lance i listened to satisfied nonstop sophomore year before we dated he will never let me hear the end of it

carrierpidgeon: oh don’t worry, that’s been in the blackmail folder a while, i’m just waiting for the right time to use it

kogayne: HOLT I SWEAR

carrierpidgeon: but anyway continue pls

kogayne: i stayed friends with him and i still maintained hobbies and stuff

kogayne: that’s...really all u can do
kogayne: don’t let ur lack of a relationship with someone u like ruin ur life

kogayne: stay friends with her

kogayne: u still could have a chance with her, i mean, look at lance and i now

carrierpidgeon: yeah but it was /easy/ for you guys

kogayne: easy how

carrierpidgeon: ur ex and lance’s ex are assholes

carrierpidgeon: sherrie’s girlfriend is in a couple of my classes and she’s so NICE I CAN’T HATE HER

kogayne: sherrie has a girlfriend

kogayne: it’s not pidge

lanceylance: thanks gonna go fling myself out a window now
kogayne: okay, /no/,
lanceylance: whyyyyy did i take her classaaaaaaaaaaaaaaaaaaaaaaaaassssssss

lanceylance: i know how to wield a weapon too but i just like watching keith do it

carrierpidgeon: and i’m a sorceress living out in a hut in the woods by myself bc u all disgust me

zethridofmyproblems: if this is a fantasy au we’re living in then i’m definitely a knight

sippinganartini: i’ll take the hermit sorceress role
carrierpidgeon: see, it has its perks

hunkerdunker: ...i’ll chill out and be a common baker

shayfromstatefarm: are we gonna pull a cinderella ii where i fall in love with you but we omit all the meddling relatives and just have our happily ever after

hunkerdunker: YEP

shayfromstatefarm: NICE

lotoreal: i’m a shapeshifter prince from a nearby kingdom, i turn into a dragon, i take over all of your kingdoms

lotoreal: or exiled, your call

dinezor: you’re chipper this morning

lotoreal: things on the emancipation case are looking optimistic

lotoreal: i feel supported

lanceylance: it’s called the power of Friendship

lanceylance: and also i have a plot twist to ur side of the story

lotoreal: oh?

lanceylance: you’ve been cursed. you’re just seeking help. the power of friendship prevails, you take control of your curse and turn it into an asset, everyone merges kingdoms and we all live happily ever after

kogayne: hunk how did u get his mood to turn around so fast

hunkerdunker: The Power Of Friendship

kogayne: seems legit

lotoreal: i enjoy this plot twist

lotoreal: i use my powers to incinerate our enemies

dinezor: and who would that be

kogayne: AHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA I HAVE A WHOLE LIST

kogayne: YOU WANT IT

dinezor: WHY DO YOU HAVE SO MANY ENEMIES, KEITH

kogayne: I FUCKED UP A LITTLE IN THE SOCIAL DEPARTMENT FRESHMAN YEAR
lanceylance: as it was if things went differently we’d probably have killed each other instead of gotten together

kogayne: if pidge and hunk and shay didn’t make us become friends i definitely would’ve shanked him at some point

dinezor: shanked?

kogayne: ...oh

shayfromstatefarm: keith carries like 3 knives at all times

acxalutelynot: isn’t that...not allowed?

kogayne: i haven’t been caught yet

kogayne: i don’t plan on getting caught

sippinganartini: one question

sippinganartini: why

kogayne: survival

carrierpidgeon: ALWAYS PREPARED

kogayne: in another life i could’ve been a boy scout

lanceylance: omfg i’m imagining you in the uniform

shayfromstatefarm: i used to be a girl scout ¯\_(ツ)_/¯

hunkerdunker: lance and i used to be cub scouts

(5) photos from hunkerdunker

**hunkerdunker:** thace knows a lot about how keith has pretty eyes now

**allurable:** they’re both so whipped for each other

**allurable:** honestly it’s adorable

**takashmeoutside:** IT’S NOT ADORABLE WHEN I GET BOMBARDED WITH TEXTS LIKE THIS /REGULARLY/

kogayne: but i’ll do my best
lanceylance: well if we all get different answers from you and /ours/ are consistent then we’ll know you fucked up and we’ll let you know
shayfromstatefarm: and if our answers are inconsistent then it’s every man for themselves
hunkerdunker: may the best answer win

kogayne: ...MATT NO

mattata: hunk is patton

kogayne: MATT

hunkerdunker: um duh

mattata: pidge is logan

carrierpidgeon: i would sure fuckin hope so

mattata: even tho staying up till the wee hours of the morning and hunting for cryptids in the woods isn’t exactly the most logical thing a person can do with their life

carrierpidgeon: u act like u weren’t also a sleep-deprived high schooler

mattata: mOVING ON

kogayne: MATT I SWEAR

mattata: lanceisromanandkeithisvirgil

kogayne:
SNOW HOES

lanceylance: y’all the Straights are at it again

(2) links from lanceylance

allurable: ...wtf

allurable: wTF

takashmeoutside: i don’t know where to begin with this

kogayne: “micro-cheating” who names this shit

lanceylance: i am ANGRY half of this is legit cheating and half of this is “do not establish any meaningful relationship outside of your relationship with your s/o with any person ever”

kogayne: sorry lance i’m micro-cheating on you with this whole group chat

hunkerdunker: same, sorry shay

shayfromstatefarm: oh no i was about to tell you the same thing

lanceylance: keith we have to break up it’s too much

carrierpidgeon: can we just think abt how these articles are specifically written for hetero relationships too

lanceylance:
MMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMM

carrierpidgeon: not to erase anyone who’s not a strict homo but also like???

lanceylance: I KNOW

allurable: the one on the girlfriend one just says “booty shorts” like let me wear my fuckin booty shorts in peace, if someone gets distracted that’s their fault i JUST WANNA LOOK CUTE

lanceylance: like

lanceylance: okay so some of those are legit like don’t be sus about ur relationship with another person or act like ur not dating someone if u are

lanceylance: but also if i see a fuckin meme that reminds me of plax i’m gonna fuckin send it and be like “look at this meme it reminds me of u”

lanceylance: bc i know keith won’t fuckin shank me for it

kogayne: it’s called being secure in ur relationship and talking with ur partner, and also having healthy relationships outside of the one with ur s/o
lanceylance: WHY IS THAT SO HARD FOR PEOPLE

allurable: remember kids if ur s/o tries to control who u can and can’t talk to, that’s abuse, dump their ass

kogayne: sorry lance u have to leave the group chat i’m the only one ur allowed to talk to ever

lanceylance: damn

lanceylance: but in all honesty like

lanceylance: okay some of those are valid like if you’re gonna leave the house without ur wedding ring and flirt with other people like??? shitty. dump their ass

lanceylance: dON’T DUMP THEM FOR HAVING OTHER FRIENDS

allurable: u okay there bud

lanceylance: I GOT MYSELF HEATED I TAKE LOVE SERIOUSLY AND THESE ARTICLES ARE JUST

lanceylance:

shayfromstatefarm: tl;dr: communicate with ur partner and set ur boundaries is it so freakin hard

hunkerdunker: well i think he’s also screaming bc we have calc in two periods

kogayne: i have it next period :’)

hunkerdunker: rip

H(ell)igh School

kogayne: i hope this delivers before ryner takes ur phones

kogayne: it’s not bad, it’s really not

kogayne: it’s not a group but it’s not so bad that u can’t do it

kogayne: you’ll all be fine

kogayne: also i memorized my answers and wrote them down

(1) photo from kogayne

lanceylance: i could kiss u m

lanceylance: lunch, u n me

hunkerdunker: i was gonna say something nice but lance ruined it
lanceylance: fIGHT ME

**SNOW HOES**

lanceylance: NOT AS BIG OF A DICK AS IT COULD’VE BEEN

mattata: ...can i have context

mattata: OH WAIT UR QUIZ

lanceylance: i was about to ask what u thought i meant but u know what i don’t wanna know

mattata: (ありがとゅ〜)

hunkerdunker: im glad it’s over, now i wish the day would be over so i could go home and rest

shayfromstatefarm: just three more periods just three more periods just three more periods

lanceylance: I SPEND THE REST OF THOSE THREE PERIODS WITH MY BABY SOOO

hunkerdunker: YO SAME

carrierpidgeon: WHY IS EVERYONE IN THIS CHAT WHIPPED FOR SOMEONE

lanceylance: HOPE LESS

lanceylance: ROMANTICS

lanceylance: COME ON HOPE A LITTLE LEEEEESSS ROMANTICS

mattata: ...what

allurable: whomst

lanceylance: it’s a band called make out monday

kogayne: one of the band members sounds suspiciously like lance and i’m not entirely convinced he’s not leading a double life

lanceylance: lance-as kansas

kogayne: no

carrierpidgeon: that sucked

hunkerdunker: 0/10

shayfromstatefarm: rip

lanceylance: SORRY NONE OF THE STATES RHYME WITH MY NAME

hunkerdunker: a true tragedy
**H(ell)igh School**

**lanceylance**: yo so i just heard some girl in the lunch line talking about prom dress shopping

**lanceylance**: which reminds me that we need to start prom planning

**lanceylance**: are we going as our own group? bigger group? pidge, do u want one of us to take u to prom??

**carrierpidgeon**: nah i’m all good, thanks tho

**carrierpidgeon**: not comf spending several hours around mostly seniors

**carrierpidgeon**: just gonna

**carrierpidgeon**: chill out on steam

**carrierpidgeon**: with friends

**lanceylance**: okay then do u mind if we move to a different chat so u don’t have to hear prom talk

**carrierpidgeon**: go right on ahead

**lanceylance**: cool

---

**calculate my final velocity if i jump off of the school roof from rest**

**lanceylance**: SO WHAT’S THE PLAN

**kogayne**: well how are we getting there

**hunkerdunker**: who are we going with

**hunkerdunker**: i mean not date-wise, that should be obvious

**lanceylance**: well are we gonna drive ourselves? are we getting a party bus?

**shayfromstatefarm**: rax got a party bus his senior year

**kogayne**: pretty sure matt and shiro did too

**kogayne**: but they’re expensive, we’d need a decent-sized group to go with

**shayfromstatefarm**: what if we did one for drama and crew seniors

**kogayne**: so who would that be

**kogayne**: there’s four of us

**hunkerdunker**: lotor’s squad is five
kogayne: so nine

shayfromstatefarm: if plax and flor go that’s 11

lanceylance: if they bring dates that aren’t each other that’s 13

shayfromstatefarm: they’re best friends

lanceylance: u never know, they might go as friends or something ＿(˚ UIView)’/

lanceylance: anyway, if lotor brings a date, that brings us to 14 people

kogayne: current min: 11, current max: 14

kogayne: i still feel like we need a few more people, bc most of the smaller buses are like, what, 20 people max??

kogayne: if we want to not pay a billion dollars we need to get more people

hunkerdunker: well who else would go with us??

lanceylance: smh this is what happens when half of our friend group is introverted

shayfromstatefarm: i don’t see u and hunk making a billion other friends, extrovert boy

lanceylance: smh

lanceylance: anyway i’ll look into the bus tonight and start getting quotes

lanceylance: in the meantime do we wanna make a group chat for prom

hunkerdunker: do it

lanceylance added kogayne, hunkerdunker, shayfromstatefarm, madplax, floronawiththecorona, dinezor, acxalutenot, sippinganartini, zethridofmyproblems, and lotoreal to PROM 2K18

lanceylance: hey everyone so i’ve got a question

lanceylance: hypothetically speaking

madplax: oh here we go

lanceylance: if we were to get together a party bus for prom for the drama and crew seniors, plus like, dates and a couple other friends, would you be on board

lanceylance: bc keith hunk shay and i were discussing and we thought it would be a good idea

lanceylance: also party buses are expensive so we need as many people as we can to minimize the cost

madplax: i’m down
dinezor: HELL YEAH
acxalutelynot: sure
lotoreal: wow i can’t believe i’m invited
zethridofmyproblems: i’m in
sippinganartini: sure
floronawiththecorona: count me in
lanceylance: okay cool
lanceylance: i’m assuming everyone in a relationship is bringing each other as a date, right
kogayne: mmm i dunno i was thinking about asking a girl
lanceylance: grtewfertge shut the fuck up keith
kogayne: ;)
sippinganartini: what’s with lance and ez always spamming random letters
dinezor: ¯\_(ツ)_/¯
lanceylance: sORRY IT’ S HABIT
lanceylance: but okay yeah
lanceylance: plax, flor, lotion,
lotoreal: oh, so we /are/ at that stage of friendship
lanceylance: ¯\_(ツ)_/¯ do u all plan on bringing dates
madplax: if someone asks then i’ll probably say yes, depending
floronawiththecorona: ^^^
lotoreal: i mean, i planned on going alone, i didn’t plan on asking anyone and i don’t see myself /getting/ asked
lanceylance: okay bc there’s 11 people in the chat and if plax and flor bring dates that’s 13
lanceylance: if y’all have any other friends who aren’t assholes who u think might wanna come, add them to the chat

madplax added blumpyfumpy and swirnupanddown to PROM 2K18
madplax: this is blumpfump and swirn
madplax: say hi
swirnupanddown: don’t even ask

swirnupanddown: my parents wanted my name to be unique, just dON’T ASK

blumpyfumpy: name’s fulton, blumfump is a nickname

madplax: we call him blum sometimes

madplax: anyway they’re not assholes

madplax: u guys interested in a party bus with all of us for prom

blumfump: ┴_( .Euler )_/┴ why not

swirnupanddown: yeah

lanceylance: cool, what’s the situation with dates

swirnupanddown: tba

lanceylance: cool, that at least brings our minimum to 13 and our max to 15 or 16

lanceylance: i think that’s good for now

SNOW HOES

takashmeoutside: are gratitudes happening /today/

mattata: i’m up

carrierpidgeon: i’m up

allurable: i’m up

takashmeoutside: keith?? lance????? shay????? hunk???????

carrierpidgeon: they’re all asleep probably

carrierpidgeon: do u think maybe we should make gratitudes a once-a-week thing
	
takashmeoutside: keith was the one who started them, i’d talk to him

takashmeoutside: tomorrow, i guess, since he’s sleeping

carrierpidgeon: okay bet then i’m going to bed good night everyone

Chapter End Notes

i need to sleep now before school, i’m so glad it's a half day or else i’d be dead
notes:
- that microcheating article pissed me off i had to put it in
-- a straight: a heterosexual-heteroromantic person
-- a Straight: "no homo bro!!"/really weird about romance and communication?? why is this a thing/"I don't have anything against the LGBT community, but,/etc

icymi: i posted a new oneshot: almost taken (not now, not ever): fic request for instagram user kylienelson11 for soft + klance, set about 4 years after the pilot episode, it's just keith and lance. in the morning. in bed. being soft n shit. that's it.

kogayne: ALL THE BEST ON YOUR DAY OF BIRTH

hunkerdunker: o KAY THEN

carrierpidgeon: YES LANCE I’M READY

lanceylance: BET I’M COMING

**HUNK DAY**

(3) videos from carrierpidgeon

carrierpidgeon: this is what happens when lance challenges hunk to a rematch in ddr

lanceylance: H O W

lanceylance: I USED TO BE SO GOOD AT THIS GAME

hunkerdunker:¯\_(ツ)_/¯

lanceylance: fuck you

hunkerdunker: we gotta clear that with shay and keith first

lanceylance: :O you’re not calling me disgusting

lanceylance: been an adult for less than a day and already acting out what the fuck

hunkerdunker: i can do what i want now

lanceylance: appARENTLY

hunkerdunker: including kicking your ass at ddr

lanceylance: REMATCH REMATCH

kogayne: your ego is gonna get bruised harder

lanceylance: R E M A T C H

allurable: rip lance
hunkerdunker: gonna rip his game to shreds

lanceylance: LET’S GO RIGHT NOW

shayfromstatefarm: pidge i want more videos

carrierpidgeon: (¬_¬) on it

kogayne: good more videos for the locker

takashmeoutside: WHAT ARE YOU STOCKPILING THESE THINGS FOR

kogayne: NOTHIIIIIN

lanceylance: i’ve learned to stop questioning him

lanceylance: mostly

kogayne > takashmeoutside

kogayne: tell ur asshole coworker to get out of the birthday decoration aisle

takashmeoutside: why is sendak in the birthday decoration aisle

kogayne: i dunno, tell him to get out

takashmeoutside: you’re a customer, just walk around him

kogayne: but he’ll start shit

kogayne: he’ll be like “what are you doing here” and then he’ll remember we’re cousins and he’ll be like “what did takashit put you up to now”

kogayne: hehe hehe like “what did takashit put you up to now”

kogayne: and i hear sendick’s voice and he’s like “yeah so takashit can eat my ass” or something like that and the coworker he was talking to was like “who”

kogayne: and he repeats it and they’re like “whO??” bc apparently everyone forgot your name is takashi

kogayne: and he repeats it and they’re like “whO??” bc apparently everyone forgot your name is takashi

kogayne: anyway he sighs and he goes “shito” and your other coworker was like “OH SHIRO”

takashmeoutside: if he was saying “yeah so takashit can eat my ass” that implies he was telling a
story about me which means for the entire duration of the story one of my coworkers didn’t know who he was talking about

takashmeoutside: this /also/ means he’s got /two/ rude nicknames for me

takashmeoutside: do u know if he has any for matt

kogayne: no but to be fair takashi and shiro open up a lot more opportunities than matt

kogayne: except for shatt but then i’m pretty sure people would assume we’re talking about /you and matt/

takashmeoutside: why did none of us call it miro

kogayne: you either die a miro or live long enough to see yourself become a shatt

kogayne: we really shatt the bed on this one

takashmeoutside: you and lance are perfect for each other i swear

kogayne: damn right

kogayne: oh finally sendak’s GONE

kogayne: k bye i’ll stop bothering you now have a nice rest of the afternoon at work

**HUNK DAY**

mattata: shiro and i are heading on over now

shayfromstatefarm: cool

shayfromstatefarm: keith and allura already did a lot of the decorating, all that’s left really is to organize other stuff

shayfromstatefarm: so lance, pidge, hunk, if you wanna come over in about half an hour

lanceylance: my ego is dead

carrierpidgeon: lance’s ego: pls stop hurting me

carrierpidgeon: lance, allowing hunk to beat his ego with a stick: what

hunkerdunker: we switched to mario kart per lance’s request and i beat both of them

carrierpidgeon: we would’ve played space defenders but i’d have owned both of their asses

lanceylance: they’re being meeeeeeeaaaaaaaaaaaan

lanceylance: that’s it once we’re at shay’s i’m challenging you fuckers to call of duty

kogayne: o shit
carrierpidgeon: BAHAAHAHA YOU’RE ON
hunkerdunker: COUNT ME IN, THE HUNTER IS ABOUT TO BECOME THE HUNTED
lanceylance: PREPARE TO KISS MY ASS

**HUNK DAY**

shayfromstatefarm: we’re ready

shayfromstatefarm: did anyone kill each other in the half hour since we last talked

carrierpidgeon: lance took my phone and put it on a high shelf

hunkerdunker: pidge kicked lance in the shins

lanceylance: then she chased me around the house, shrieking like a banshee

takashmeoutside: why do the holts shriek so much

mattata: survival

hunkerdunker: lance started shrieking higher

mattata: amazing

allurable: they could be siblings i swear

hunkerdunker: to some degree all of us are pidge’s older siblings

hunkerdunker: i’m the responsible older brother who does the cooking

hunkerdunker: keith is the one that beats up the people who are mean to her

kogayne: (¬‿¬)

hunkerdunker: lance is the jokester who plays games with her

lanceylance: (ง'̀-'́ง')ง'

hunkerdunker: shay’s the older sister who helps her with Feminine things

shayfromstatefarm: ˘امة˘

hunkerdunker: shiro is basically dad

takashmeoutside: naturally

hunkerdunker: matt’s the fun dad

mattata: AYYYYYYYYYYYYYYY LMAO

hunkerdunker: allura’s her mom
allurable: excuse me i am vodka aunt
mattata: no ur not
takashmeoutside: wine mom
allurable: smh
hunkerdunker: anyway long story and speculation short, yes we’re ready, we’ll be over as soon as lance and pidge stop trying to murder each other and actually get into lance’s car
lanceylance: idk how i’m supposed to DRIVE with BRUISED SHINS
carrierpidgeon: SUCK IT UP
lanceylance: SUCK MY ASS
carrierpidgeon: ew no don’t you have a boyfriend for that
kogayne: i’m gonna pretend i didn’t read that
hunkerdunker: i think we all will
hunkerdunker: anyway we’ll probably be there in like 5 minutes

lanceylance > kogayne
lanceylance: u got both presents right
kogayne: um obviously

mattata: NO PROBLEM TROLL

shayfromstatefarm > hunkerdunker
shayfromstatefarm: i did my best with ur cake and dinner but i don’t have hunk-level cooking skills

hunkerdunker: the fact that u tried is all that matters

hunkerdunker: i, for one, am excited to taste whatever you’ve made

hunkerdunker: granted it’s not your grandmother’s soup

hunkerdunker: bc i love your grandma but her soup gives me nightmares

shayfromstatefarm: lmfao no it’s not her soup

shayfromstatefarm: don’t worry, i think you’ll like it

hunkerdunker: i’m sure i will <333

hunkerdunker: u think if we distract klance and pidge long enough, we get some time to ourselves?

shayfromstatefarm: ;) i like the way u think

shayfromstatefarm: i can’t wait to see you <3

hunkerdunker: you too <3

HUNK DAY

hunkerdunker: awwwwww you gUYS THIS IS BETTER THAN I EXPECTED

mattata: did you doubt our party-planning skills

hunkerdunker: no, not exactly, just thought

mattata: jUST THOUGHT WHAT, HUNK

hunkerdunker: YOU KNOW WHAT NEVER MIND

allurable: wow, only 3 more babies in the group chat before you’re all adults

lanceylance: aw pidge is gonna be the last baby for a while

carrierpidgeon: I WILL COME AT YOUR SHINS AGAIN MCCLAiN

lanceylance: BRING IT

carrierpidgeon: SLEEP WITH ONE EYE OPEN

kogayne: [polishes knife] i’m sorry what

shayfromstatefarm: pls don’t get blood on the carpet, gram’s gonna make me clean it if that happens

kogayne: mmmmmmm
kogayne: if someone controls her feet and stays away from my boyfriend’s shins we won’t have that problem

carrierpidgeon: IF LANCE KEPT HIS MOUTH SHUT

lanceylance: IF YOU WEREN’T A TINY GREMLIN

carrierpidgeon: TINY? I AM CHAOS, I AM DESTRUCTION,

**HUNK DAY**

*hunkerduck* renamed *HUNK DAY* to *suffering*

*hunkerduck*: why do our teachers hate us so much

*lanceylance*: everybody failed in thace’s class, i haven’t met one person who passed

*shayfromstatefarm*: i mean i got a 70

*shayfromstatefarm*: that’s barely a C-

*kogayne*: if he doesn’t curve the grades i’m throwing hands

*lanceylance*: start coming down to my class and making out with me again, it’s much more effective

*kogayne*: u just want an excuse to kiss me

*lanceylance*: u /are/ very kissable, and very show-offable

*lanceylance*: like yES LOOK AT WHAT A CUTE BOY I’M KISSING

*carrierpidgeon*: do u guys have to do this before first period

*mattata*: I HEARD FAILURE I’M HERE

*takashmeoutside*: mATT NO
allurable: wait what happened

lanceylance: the multiple choice on thace’s midterm

lanceylance: everyone failed

lanceylance: except shay apparently

shayfromstatefarm: \_\_(ツ)_/¯

hunkerdunker: i mean, we haven’t taken the full exam, maybe he’s waiting to fix it

hunkerdunker: maybe he’s fucking with us

kogayne: by playing with our midterm grades?

lanceylance: when he knows he has students whose grades give them massive anxiety?

shayfromstatefarm: or who have parents who’ll see the F and flip out?

hunkerdunker: u know what, u right

allurable: do u all need hugs

allurable: or caffeine

lanceylance: keith and i already covered them

kogayne: we have a whole bunch of free drinks racked up, time to start using them

lanceylance: and then restock them for when the musical rolls around

hunkerdunker: speaking of musical do we have an update for when auditions are

hunkerdunker: weren’t they supposed to be this month

lanceylance: yeah they’re supposed to be

lanceylance: no one’s really heard anything

hunkerdunker: apparently

allurable: do u guys know what the musical is

lanceylance: unless some odd couple bs happens and we lose the rights at the last minute, we’re supposed to be doing the little mermaid

allurable: ur gonna be eric and plax is gonna be ariel i’m calling it

kogayne: ^^ that was my prediction

allurable: unless keith auditions, he might have a shot at eric

lanceylance: he /does/ look like eric, /and/ now we /all/ know he can sing
kogayne: mmmmmmmmm nah

kogayne: that means kissing a girl, no thanks

kogayne: i only wanna kiss boys and tbh i only wanna kiss (1) boy

mattata: WHIPPED

kogayne: yes i am thanks for noticing

allurable: ur one to talk holt

mattata: i can relate, he is more easily identifiable

allurable: whatever lets u sleep at night

mattata: ANYWAY what else is happening in ur sad sad teenage lives

lanceylance: ryner gave us more calc on friday :’)

kogayne: (it’s a lot, half of which is due today, half tomorrow)

shayfromstatefarm: and we’re all gonna fail our physics test today sooo ¯\_(ツ)_/¯

allurable: oh dear

lanceylance: :))))))) gonna be a fun day

lanceylance: the cryptkid therapist is officially my therapist, she told me to try and eliminate stress where i could, tHERE’S NO WAY TO DO THAT

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

carrierpidgeon: tag urself

hunkerdunker: i’m the stressed-out screaming

kogayne: i’m the caffeine-fueled screaming

takashmeoutside: did anyone sleep last night

hunkerdunker: no

kogayne: no

shayfromstatefarm: hahahahahahahahaha you’re funny

lanceylance: sleep? i don’t know her

carrierpidgeon: not a wink!

takashmeoutside: I THOUGHT WE WENT OVER THIS LAST WEEK
lanceylance: OUR TEACHERS ARE TRYING TO KILL US

kogayne: i mean, antok pushed the projects back,

lanceylance: BUT RYNER AND THACE AND HIRA

kogayne: yeah they need to chill

hunkerdunker: RYNER ESPECIALLY

allurable: i’m tempted to start doing your homework and projects for you, you kids need to sLEEP

lanceylance: I WISH I COULD

lanceylance:
AAAAAAAFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFFF

H(ell)igh School

kogayne: so i started doing ryner’s homework that’s due /tomorrow/

kogayne: and i’ve discovered that she copied the same questions twice for like, 27 out of the 30 we have in the second packet

kogayne: we basically have two of the same packet

lanceylance: YOU’RE LYING

kogayne: NO I’M NOT GO LOOK

shayfromstatefarm: HOLY SHIT

kogayne: nobody in my class has told her so far and i’m not gonna shhhh keep this on the dl until after u guys have class

hunkerdunker: trust me our mouths are shut

lanceylance: and how /is/ my least favorite teacher

kogayne: -_- she hasn’t assigned any new work, that’s all i can say

kogayne: did u guys finish the essays for thace

lanceylance: uh duh why do u think we’re texting back

kogayne: boi

lanceylance: :P

kogayne: how do u guys think u did

shayfromstatefarm: i made historical and literary connections if i don’t get at least an A on this
essay i’m going to fight

**hunkerdunker:** ^^ it would also be nice if he could cURVE THE MULTIPLE CHOICE GRADES

(1) audio file from lanceylance

**kogayne:** is that the world’s saddest violin

**lanceylance:** yES bc shay and hunk probably have better essays than i do and that multiple choice last week sUCKED i’m literally gonna fail thace’s class bc of this freaking midterm why did i take this class

**kogayne > lanceylance**

**kogayne:** wanna meet in the bathroom? we’ve got time

carrierpidgeon: give me like 20 minutes to teach myself calculus and i’ve got u covered

hunkerdunker: mm aren’t u in class

carrierpidgeon: aren’t all of u in class

carrierpidgeon: the point of this entire group chat is for us to text in class without the adults\textsuperscript{TM} yelling at us

hunkerdunker: welp

hunkerdunker: anyway u can’t seriously

\textit{(2) photos from carrierpidgeon}

carrierpidgeon: can’t what, hunk

hunkerdunker: what the fuck

kogayne: lance??

lanceylance: we’ve got 5 minutes to lunch i can hold out

kogayne: why do you do this

lanceylance: do what

kogayne: you’re so ready to help other people when they’re down but then won’t take the same help for yourself

kogayne: stop putting other people before your own needs

kogayne: let me be here

lanceylance: im sorry

lanceylance: im like .5 seconds away from losing it

kogayne: as soon as the bell rings i’m coming to u and we’re gonna go to the bathroom to talk about this, alright?

lanceylance: hhhnnn

lanceylance: sorry

kogayne: shhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh
kogayne: no apologies

kogayne: see u soon

hunkerdunker > kogayne

hunkerdunker: everything okay with lance

kogayne: he was bottling all through last week

kogayne: it carried over to this week

kogayne: ryner refusing to slow down really isn’t helping

hunkerdunker: we’ve just gotta make it through next week

hunkerdunker: once we take that exam we’re smooth sailing for the rest of the year

kogayne: i told him that

kogayne: he’s calmed down for now

kogayne: he also said he’s staying the rest of the day bc he’s stubborn

hunkerdunker: of course he is

kogayne: i told him to take a mental health day tomorrow and now he’s trying to fight me

hunkerdunker: how the tables have turned

kogayne: are u taking his side

hunkerdunker: no just being scientific and making an observation

hunkerdunker: it’s only science if u write it down

hunkerdunker: which means baking, technically, is SCIENCE

kogayne: what

hunkerdunker: needed materials and a written set of instructions

hunkerdunker: some people write down notes as they go like “more flour to make it drier” and stuff like that

hunkerdunker: therefore

hunkerdunker: SCIENCE

kogayne: ...i hate that you have a valid point

hunkerdunker: hate is a strong word
kogayne: i strongly dislike the fact that you have a valid point

hunkerdunker: u hate me cuz u aint me

kogayne: u JUST SAID HATE WAS A STRONG WORD

hunkerdunker: :P

kogayne: why are we friends

hunkerdunker: ur boyfriend

kogayne: mm right

hunkerdunker: i mean it’s not the worst decision we’ve made

kogayne: :P glad to have u buddy

hunkerdunker: right back atcha

suffering™

carrierpidgeon: i need the day to be over so i can go home and work on rover

carrierpidgeon: some kid in robotics pissed me off so now i need to kick his ass

kogayne: who

carrierpidgeon: \_/\ (\_/\)_/\ some fuckin dip

carrierpidgeon: he’s a dudebro who whines about how nerds have it “so hard” and how it’s difficult to create a functionining robot

carrierpidgeon: like boi fuckin try me, my robot will kick ur robot’s ass

carrierpidgeon: except rover’s not gonna be a fighting robot

carrierpidgeon: working on rover just helps me to calm down

kogayne: okay but what are u gonna do to stick it to the kid

kogayne: make a robot and then have it fight his robot

kogayne: ATTACH KNIVES

takashmeoutside: i heard keith being a bad influence, i have arrived

kogayne: killjoy

carrierpidgeon: i’m definitely attaching knives to this robot

carrierpidgeon: knives and a FUCKIN SLEDGEHAMMER
carrierpidgeon: i’ve seen this kid’s prototypes his robots are wEAK

carrer	ata: okay but what did he do to piss you off

carrierpidgeon: challenged my general knowledge of robotics

carrierpidgeon: it’s january this kid should know by now that i’m at the top of the class

carrierpidgeon: fuckin prick

kogayne: don’t just use the robot to kill his robot

kogayne: kill him

takashmeoutside: kEITH

kogayne: kill him

allurable: what the fuck has ur workload done to u

shayfromstatefarm: no one knows how they did on the physics test

hunkerdunker: some questions we’re like HELL YEAH GREAT JOB and then others we’re like HELL NO BAD JOB

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

kogayne: and then lance is just not having it today

allurable: you all need to go home and rest

kogayne: we know

takashmeoutside: tell lance i hope he feels better

kogayne: i will

kogayne: night

takashmeoutside: good night

(2) photos from lanceylance

lanceylance: WHAT THE FUCK IS THIS

kogayne: what the fuck

lanceylance: [intense shrugging and wild italian gesticulating]

kogayne: you’re not even italian

lanceylance: pidge and matt have taught me well

lanceylance: anyway WHAT THE FUCK IS UP WHY DID SHE TEXT ME

kogayne: seems like drunk typing to me but then again, i don’t exactly get drunk

kogayne: and i’ve never had an incident where shiro drunk-texted

kogayne: or anyone for that matter

lanceylance: keith /why/ did she text /me of all people/

lanceylance: i CAN’T EVEN DECIPHER HALF OF HER TEXTS

kogayne: “complete ass-shit?” maybe? for the first one

lanceylance: and the second is “heartbroken”

lanceylance: the third is fuck you

lanceylance: and the last is asshole

lanceylance: okay so i can decipher more than half bUT THAT FOURTH ONE

kogayne: i can’t tell if it’s “i still love you” or “i still loved you”

kogayne: like, does she still love u right now or did she still love u even when she cussed you out to the point you nearly had an anxiety attack sophomore year

lanceylance: I DON’T KNOW AND I DON’T LIKE IT

lanceylance: WHAT IF IT’S BOTH

lanceylance: i don’t like her i don’t want her i want my mulletman :(  
kogayne: yeah i know i’m not worried about that i have other concerns

kogayne: 1. why is she drunk

kogayne: 2. where is she drunk

kogayne: 3. why is she texting you
kogayne: when’s the last time she texted you

lanceylance: SOPHOMORE YEAR BEFORE WE BROKE UP

kogayne: ohhhh this isn’t good, that means she probably had to go looking for your contact or start a new conversation, bc i doubt she’s so unpopular that you’re near the top of her recent conversations after two years

lanceylance: HWAT THEIFUCK

lanceylance: keeeeith i don’t like thiiiis

kogayne: block her number

lanceylance: i don’t block numbers

kogayne: why not

lanceylance: i think it’s petty

lanceylance: and if for some reason someone were to ever need help and by some fluke they contacted me i want to help them

kogayne: it’s for your mental health??????

lanceylance: mmmm i’m less bothered that she texted and more bothered by what she actually said

kogayne: right so if she texted you to harass you, completely sober,

lanceylance: we are not getting into my texting habits at 1 AM on a sunday

lanceylance: anyway what do i say

lanceylance: what if she needs help

lanceylance: like yeah she’s an awful person but also?????? she could be vulnerable

kogayne: i hate when you’re right

lanceylance: moral compass™

kogayne: yeah yeah

kogayne: i dunno, text her back?

kogayne: if u don’t wanna deal with her, i can text

kogayne: what’s her number

lanceylance: why don’t u have it

kogayne: i deleted her and rolo from my contacts right after the breakups

lanceylance: smh
(1) contact from lanceylance

kogayne: so this is u saying u want me to text her

lanceylance: mhm

kogayne: i won’t be rude but can i be a little cold

lanceylance: i don’t control u ¯\_(ツ)_/¯

kogayne: ;)

kogayne: ???

lanceylance: did she call us hoes

kogayne: apparently

lanceylance: “boyfriend stealer” aww cute she’s acting like she /wasn’t/ using me to get rolo by the end of our relationship!

lanceylance: because apparently being eye candy and making people jealous is all i’m good for >:(

kogayne: shhh you know that’s an incorrect statement

kogayne: anyway do we...do we text rolo?

kogayne: and at least see if he knows what’s up with nyma? or is at least aware that she’s drunk and at a party????

kogayne: i mean he doesn’t control her,

kogayne: but also i know if /you/ were drunk at a party and texting your ex i think i’d wanna know

lanceylance: hhhh i’d text him but leave out the part about me

kogayne: oh no duh i’m not about to have him come after you

lanceylance: do u even feel up to texting him

lanceylance: especially after,,,, what happened,.....

kogayne: i’d rather do it than send u in

lanceylance: babe, i’m about to throw ur mental health argument back in ur face,

kogayne: nO UR NOT

kogayne: what’s his number

(1) contact from lanceylance

lanceylance: i’m surprised you didn’t have his memorized
kogayne: lance i love u but i don’t even think i have /urs/ memorized

kogayne: mmmmmmm but i probably should memorize it in case of an emergency

kogayne: u know what i just thought of

lanceylance: what

kogayne: we’re both gonna be adults by college

kogayne: we can technically put each others as one of our emergency contacts

kogayne: granted you’re okay with me spilling my medical history to u at some point

lanceylance: we’re gonna be married someday, may as well

kogayne: :

kogayne: :( okay now to text jackass mcassholepants

kogayne > yolorolo

kogayne: hi, it’s keith

yolorolo: what, finally crawling back to me?

kogayne > lanceylance

(1) photo from kogayne

lanceylance: murder is bad

lanceylance: (but also...i’ll get the shovel)

kogayne: i fucking love you

kogayne > yolorolo

kogayne: i’d never dream of intruding on your relationship like that

kogayne: i’m just here to tell you to check in on nyma

yolorolo: what, did you do something?

kogayne: no??? what the fuck???

kogayne: it’s 1 AM on a fucking sunday i’m at home
yolorolo: so you’re still the loner kid who skips parties

kogayne: what, are you at that party with her?

tyolorolo: ...go on…

kogayne: rumor going around that she’s been drunk-texting random people, she hasn’t contacted me but i thought i’d check in, like a good person

kogayne: good night.

ekogayne > lanceylance

(2) photos from kogayne

kogayne: he’s about to run into my knife 10 times

lanceylance: YOU COULD’VE LET ME DO IT

kogayne: no, he hates you and he’s staying faaaaaaar away from you

lanceylance: STOP TAKING PUNCHES FOR ME

kogayne: NO

kogayne: I LOVE YOU AND I WANT TO KEEP YOU SAFE FROM HARM AND I WILL TAKE EVERY PUNCH FOR YOU

kogayne: I’D CATCH A GRENADE FOR YA

lanceylance: THROW MY HAND ON A BLADE FOR YA

kogayne: JUMP IN FRONT OF A TRAIN FOR YA

lanceylance: I’D DO ANYTHING FOR YA

kogayne: I WOULD GO THROUGH ALL THIS PAIN

lanceylance: TAKE A BULLET STRAIGHT THROUGH MY BRAIN

kogayne: I WOULD DIE FOR YA BABY

lanceylance: AND YOU WOULD DO THE SAME

kogayne: immensely grateful u changed that lyric or else i would’ve had to yell at u

lanceylance: wow i can’t believe we’d die for each other

lanceylance: how about we live for each other instead

kogayne: mmm i like that better
lanceylance: we’ve gotta live so we can go to college and dorm together and then graduate together at the top of our class and get good jobs together and get married and get a house or an apartment or whatever we can afford in the economy we graduate into and so we can adopt kids together and raise them together and grow old together and cause trouble in the nursing homes

kogayne: u fucker stop trying to make me cry

lanceylance: no fuck u

kogayne: not till ur 18 we established this already

lanceylance: dntyfdgndgfnf

kogayne: in the meantime we do everything else that makes a relationship

lanceylance: mood

lanceylance: it’d be nice and all to see u in all ur sexy glory but i also wanna see u with fuckin bedhead in my pajama pants with morning breath and a cup of coffee

lanceylance: and see u talk about mothman while we walk around the woods

lanceylance: or see u get excited in hot topic and then pretend ur not that excited to find a shirt u like

lanceylance: or see u get all serious when u talk about ur problems

lanceylance: or see that victory in ur face when u ace a test and see u pretending not to internally freak out when u fail mr. “it’s not the end of the world” bc u know u could’ve done better

lanceylance: or see u all dopey after u get ur wisdom teeth out (shiro told me u don’t have them out and i’m wAITING FOR THE DAY)

lanceylance: or get into jousts with u with lightsabers at target bc we’re basically 5

lanceylance: i want it all with u

kogayne: i’m fUCKING CRYING, LANCE

lanceylance: :

lanceylance: there’s only one clear solution now

kogayne: ????

lanceylance: i have to come over and cuddle u till ur not sad anymore

kogayne: WHY ARE U LIKE THIS

lanceylance: what kind of boyfriend would i be if i wasn’t completely extra with everything, including showering u in affection

kogayne: I AM INADEQUATE

lanceylance: not ur not
kogayne: not ur not

lanceylance: shut up

kogayne: :P

lanceylance: ur just not good at verbally showing affection so u like to make up for it w physical stuff bc i know when i have a bad day i don’t go to u to be like “give me wisdom, knife boy” i go to u bc i know you’ll hold me and make sure everything is okay

kogayne: but u do that for me

lanceylance: shhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

lanceylance: trust me ur not inadequate i have the highest standards and u meet all of them

kogayne: “highest standards”

lanceylance: my family loves u

lanceylance: i love u

lanceylance: ur not a complete asshole to other people (except if they deserve it)

lanceylance: ur passionate

lanceylance: ur driven

takashmeoutside: unlike yourself?

kogayne: yes unlike myself, i can stay up with relative ease

takashmeoutside: then keep an eye on him

kogayne: um duh?? what kind of boyfriend do you take me for

takashmeoutside: i know you will i’m just reminding you

kogayne: don’t need to be reminded when Bravado Lance won’t stop talking

takashmeoutside: WHAT WHY DIDN’T YOU TELL THE GROUP CHAT
**kogayne:** because aside from lance i’m pretty sure you’re the only person who knows about this situation

**kogayne:** and

**kogayne:** 1) i feel like she’s out to get me now, bc i told rolo to check on her

**kogayne:** 2) i still don’t know if she still likes lance, so now that she’s /single/

**takashmeoutside:** ahhhh u feel like she’s gonna move in on lance

**kogayne:** yes

**kogayne:** i’m not worried like “oh no lance is gonna dump me and get back with her” i’m more worried like “she’s psychologically manipulated him and bullied him before so if she gets near him i will actually fight her”

**takashmeoutside:** have u warned him

**kogayne:** i’m waiting till lunch or till i get a text saying he’s having a mental breakdown and i need to meet him in the bathroom bc i wanna tell him in person

allurable: bc it doesn’t look good in print

carrierpidgeon: she’s not wrong

carrierpidgeon: EVEN IN A CAFFEINE HAZE I CAN’T FUCKIN BELIEVE

allurable: the power of True Love

mattata: why can’t things be solved with the power of True Friendship

takashmeoutside: i mean that’s how the carebears solved their problems, wasn’t it

allurable: ...group chat cancelled

---

kogayne > takashmeoutside

kogayne: TAKE IT BACK U FUCKIN GRANOLA BAR

mattata: nut butter bar

mattata: nut butter (واب"

allurable: why

mattata: nut

carrierpidgeon: if i’m reading my brother’s texts correctly, thru my Meme Goggles, he’s thinking abt that brain meme, where it’s a normal brain when he says nut butter bar, the weird electrified brain when he says nut butter, and the astral projection when he says nut

mattata: (🫦 ツ ℒ)

carrierpidgeon: SIBLING INSTINCT TRIUMPHS YET AGAIN (🫦 ツ ℒ)

allurable: do u ever regret a conversation,

shayfromstatefarm: i need a tide pod

hunkerdunker: give me some pods and five minutes and i can whip up a gourmet feast

takashmeoutside: u children and ur detergent

kogayne: tide pods are the new bleach

**shayfromstatefarm:** 95% sure thace is considering sending lance to guidance

**kogayne:** it’d probably be good for him

**kogayne:** it’s not like u guys are doing any midterm stuff in that class anyway

**shayfromstatefarm:** yeah

**shayfromstatefarm:** he just looks hesitant to like, approach lance and call him out
kogayne: understandable

shayfromstatefarm: looks like he’s holding off for now

carrierpidgeon: yo i have a question

kogayne: shoot

carrierpidgeon: i’m signing up for classes for next year during english today

hunkerdunker: take apush

shayfromstatefarm: take apush

kogayne: take apush

carrierpidgeon: i was going to, that’s not what i was asking

hunkerdunker: oh

carrierpidgeon: i’m taking as many APs as i can

shayfromstatefarm: oh boy

carrierpidgeon: u guys probably aren’t the best people to ask tbh but how do i deal with the stress

kogayne: don’t wait till the last minute

hunkerdunker: STUDY EARLY

shayfromstatefarm: CARVE OUT TIME FOR SLEEP, NO MORE LATE NIGHTS

kogayne: see the ways we’re handling our lives right now, and then don’t do those things

hunkerdunker: yep basically

kogayne: make time for ur mental health

shayfromstatefarm: yes honestly fuck perfect attendance

shayfromstatefarm: don’t push urself, it’ll hurt u in the long run

kogayne: kiss ass all of first semester so by second semester u can get away with basically anything

carrierpidgeon: i already do that

kogayne: good, you’ve been taught well

hunkerdunker: develop good test-taking strategies

kogayne: i’ve bs’d more tests than i can count solely bc i’m good at guessing

shayfromstatefarm: have organized notes so u don’t need to guess, u can prOPERLY STUDY
kogayne: make time to eat

kogayne: one time in junior year i forgot to eat for like, two days

carrierpidgeon: wHA

kogayne: everything kind of ganged up on me at once and i lost track of time

hunkerdunker: food is important!!

shayfromstatefarm: in the words of haymitch abernathy, “stay alive”

carrierpidgeon: roger that

Team No Sleep

hunkerdunker: THIS IS THE SECOND TEACHER TO EXTEND THE TEST BLESS HIRA

allurable: what happened in physics

shayfromstatefarm: she’s giving us tomorrow to finish the open-ended, which, GOOD, IDK HOW TO DO HALF OF THEM, TIME TO STUDY SOME MORE

takashmeoutside: why are ur teachers suddenly being so nice to u

kogayne: probably bc instead of having a separate week for midterms with a sensical schedule we’re taking them in the middle of the school day???

carrierpidgeon: ^^^ they’re pushing this “projects” thing on us aka if ur not an ap class there’s like a 50-50 chance ur midterm is a project

mattata: ...that’s not...that’s not how college works tho…

shayfromstatefarm: idk how to tell u this but the district literally does not care

hunkerdunker: plus we were supposed to have certain subjects during certain weeks but the ap classes needed to finish teaching their material so all of our ap exams are this week :’)

takashmeoutside: what the fuck

takashmeoutside: allura how’s the teaching degree thing going
allurable: :))) join me

takashmeoutside: the more these guys talk abt what the district is up to, the more i consider it

kogayne: i’m trying to imagine u as a teacher and it’s pretty funny

takashmeoutside: why is it funny

kogayne: bc i’m thinking back to how u’ve raised me

takashmeoutside: ...welp

mattata: shiro’s going to be the english teacher of the science department

allurable: why does that make perfect sense

mattata: because it does

allurable: sound logic, can’t argue

shayfromstatefarm: 0/10 no supporting evidence, no sources, not in mla format, congrats u’ve failed my class

mattata: :) oh well

takashmeoutside > kogayne

takashmeoutside: so what’s the plan for today, how is he

kogayne: he’s pretty dead

kogayne: he let me touch him but he’s been like, silent

kogayne: i think after school we’re both coming back home

kogayne: like, our house

kogayne: as in u and me

kogayne: but i’m bringing lance over

takashmeoutside: that’s fine with me

takashmeoutside: give him a few hours to rest, maybe he’ll start opening up

takashmeoutside: also if u could find out what he wants for dinner, i’ll go get us takeout

kogayne: i’ll do my best

kogayne: i’m just,,,, hmmm

takashmeoutside: hmmm what
kogayne: he’s

kogayne: ugh it’s like watching a kicked puppy just give up, my heart hurts

kogayne: is this what it’s like when i withdraw

takashmeoutside: yes

takashmeoutside: well, not completely

takashmeoutside: he’s generally louder and more outwardly energetic than u are, the absence of that is bigger in his case

takashmeoutside: but it still wears on someone who cares just the same

kogayne: hhnggg

kogayne: i’m sorry for like

kogayne: when i ghost

kogayne: i know u don’t like it

takashmeoutside: don’t apologize

takashmeoutside: i’ll see u in what, half an hour

kogayne: about

takashmeoutside: yeah, i’ll see u then

takashmeoutside: just focus on finishing out the day and taking care of lance

kogayne: will do

<3

allurable: kashi were u serious with that teaching thing

takashmeoutside: i mean...yeah a little

mattata: do it, escape this corporate hellscape and move on to teaching the youth, the adults of tomorrow,

takashmeoutside: i mean, this isn’t a decision i can just *make*

takashmeoutside: but the more i watch them lose their shit the more it seems like a good idea

allurable: what were u thinking about teaching

takashmeoutside: i mean, if i get a degree, i’m qualified to teach physics /and/ astronomy
takashmeoutside: so one of those, probably

allurable: ur going for the high school level?

takashmeoutside: yeah, high school’s pretty hellish, if i can make it easier…

allurable: DO IT

mattata: DO IT DO IT DO IT DO IT

takashmeoutside: idk, i’ll think about it more later

keith just got home with lance and wow, they were right, he’s practically a zombie

takashmeoutside: i’m gonna go

mattata: have fun tending to them

i will, tell sendak to choke

mattata: (๑•̀Grant•́๑)๑

allurable: l8r h8rs, off to work on this p8per

mattata: peightper

allurable: :P

kogayne > takashmeoutside

kogayne: i’ve got plans for the next two days
takashmeoutside: why did i have a feeling

kogayne: i dunno, ur Keith Senses?

takashmeoutside: i have keith senses?

kogayne: well usually they’re just Keith Might Be Doing Reckless Shit Again Senses

takashmeoutside: that’s unsettlingly specific but true

takashmeoutside: what are your plans

kogayne: well after school i’m going to lance’s

takashmeoutside: okay

kogayne: tonight we’re going to the mall and then back to his house

takashmeoutside: okay

kogayne: and then tomorrow after school we’re coming back to our house

takashmeoutside: okay

kogayne: and then tomorrow night ezor invited our whole friend group for a sleepover

takashmeoutside: oh, your groups are close enough for that?

kogayne: at this point in our lives i’m pretty sure we’ve all reached that “idgaf if we just became friends i’d die for you probably” stage

takashmeoutside: why is that so specific

kogayne: ˘_(つ)˘・'

kogayne: live fast die young bad kids do it well

takashmeoutside: wha

kogayne: okay one the quote is life fast die young bad /girls/ do it well

takashmeoutside: last i checked, u identified as a boy

kakashmeoutside: excuse me for a moment

<3

(2) photos from takashmeoutside

kakashmeoutside: ALL THESE YEARS HE THOUGHT I WAS COOL
takashmeoutside: I THOUGHT HE WAS LYING

allurable: it took you this long to realize

mattata: unbelievable

kogayne > takashmeoutside

kogayne: u okay there

takashmeoutside: yEAH I’M FINE

kogayne: ...uh-huh…

kogayne: weLL i’m gonna go i’m the one driving me and lance around so i’ll talk to u later

takashmeoutside: have fun!!

<k>

takashmeoutside:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

kogayne > takashmeoutside

kogayne: UPDATE I AM HAVING A CRISIS

takashmeoutside: oh no

kogayne: LANCE IS TOO PERFECT AND HE LOOKS HOT IN ANYTHING HE WEARS
PROM SHOPPING IS IMPOSSIBLE

takashmeoutside: why did i know this was coming

<k>

(1) photo from takashmeoutside

takashmeoutside: nvm he’s back on his bullshit

kogayne > takashmeoutside

kogayne: WHAT DO I DO, HE KEEPS ASKING MY OPINION LIKE??? HE LOOKS GOOD
IN ANYTHING HE WEARS
takashmeoutside: tell him that

kogayne: BUT THAT’S NOT HELPFUL FOR FINDING SOMETHING FOR PROM

takashmeoutside: tuxes (i’m assuming ur both wearing tuxes?) are pretty common to find, and prom’s not till may

kogayne: lance and i are wearing tuxes but we’re not wearing bland black suits, we’re going glamorous

kogayne: u ever seen john boyega on the red carpet? lance says he wants to channel john boyega

takashmeoutside: ...i see…

kogayne: omfg this one guy tried to come up and help us shop earlier and he was like “can i help u two gentlemen?” and he started asking us questions about what we were looking for and goes “well have your dates picked dresses yet that you can try to match?”

takashmeoutside: the heteronormative agenda strikes again

kogayne: gtyhrefrbgf's lance looks at the guy, and looks at me, and goes “keith i didn’t know u were wearing a dress” and the guy got SO RED HE’S LIKE “OMFG I’M SO SORRY” DNGREFWGRHTS

kogayne: on the bright side then he started trying to help us sort of match each other but so far we still have no idea what we’re wearing but literally i’d take lance in sweats bc he’d make them work and SHIRO I LOVE HIM SO MUCH

takashmeoutside: THEN STOP TEXTING ME AND HANG OUT WITH HIM

kogayne: he’s changing

kogayne: i mean normally he wouldn’t care but we’re in public

takashmeoutside: there are some things i wish u wouldn’t tell me

kogayne: WHAT

kogayne: u know what nvm carry on have a good night i’m changing my name and running away to peru

kogayne: why peru

kogayne: i dunno it was the first country that came into my head

kogashmeoutside: why not belgium, they’ve got waffles

kogayne: tell that to hunk

kogayne: anyway bye going

lanceylance > hunkerdunker
lanceylance: HELP ME

hunkerdunker: what’s wrong??

lanceylance: KEITH

hunkerdunker: ...do u actually need help or are u about to gush

lanceylance: HE’S FUCKING BEAUTIFUL AND MY MORTAL EYES CAN’T HANDLE IT

hunkerdunker: then perish

lanceylance: :O NO BUT /LISTEN/

lanceylance: i have a story to tell u

lanceylance: so we’re prom shopping, right

hunkerdunker: and i wasn’t invited, how rude

lanceylance: sORRY IT WAS DATE NIGHT

hunkerdunker: i’m joking, go on

lanceylance: so we’re prom shopping

lanceylance: and like, we’ve decided we can’t just go with ur typical “black suit w matching ties” thing, we’ve gotta make a STATEMENT, we’re going john boyega on this thing

hunkerdunker: john boyega is an attractive man who knows how to wear a suit

lanceylance: RIGHT??

lanceylance: so anyway we’re looking around and this sales guy comes up to us and asks if we need help, so we’re like “yeah help us out pls” (we said pls bc we’re cool like that)

hunkerdunker: oh no i can already see where this is going

lanceylance: THE HETERO AGENDA STRIKES AGAIN

lanceylance: i’m like, asking about what the guy thinks i should wear and stuff and what he recommends and he goes

lanceylance: “well, has your date picked out a dress yet? if she has, you can try to match her.”

lanceylance: HE THOUGHT KEITH AND I WERE IN THERE, JUST TWO GUYS BEIN DUDES

hunkerdunker: i’m cringing on your behalf

lanceylance: thanks buddy

lanceylance: so i pause
lanceylance: and keith pauses

lanceylance: and automatically this guy knows, on some level where his sixth sense is screaming bloody murder, that he’s fucked up

lanceylance: so i look at keith, and then at the guy, and back at keith, and i go “keith, i didn’t know you were wearing a dress”

lanceylance: keith snorts (and it’s the most endearing thing i’ve ever heard i love him so much pls punch me in the face) and the guy’s like “...OH MY GOD I’M SO SORRY” and he’s like, profusely apologizing like he’s begging me not to hand him a death sentence

hunkerdunker: i can actually picture him i’m laughign

lanceylance: and i’m like “nah, man, it’s cool, we get that a lot,” which, we do, it fuckin SUCKS like nO HE’S THE BOY I’M GONNA MARRY

lanceylance: well technically keith is a man now and i’m almost a man but SEMANTICS

lanceylance: the guy did make up for it, he was genuinely sorry and embarrassed and he started showing us all this stuff but so far it’s a bust, we haven’t got anything

lanceylance: well, i didn’t find anything, keith is changing right now so maybe he’ll find something /he/ likes that /i/ can match

hunkerdunker: well, that was interesting

hunkerdunker: if u don’t find anything then we can hit the mall a few towns over during the weekend?? or during february?? like the three of us????

lanceylance: OOOHHHH YEAH

lanceylance: and i promise u won’t be a third wheel

hunkerdunker: do i give u the benefit of the doubt

lanceylance: um yes absolutely

hunkerdunker: hmmmm

lanceylance: :))))))

hunkerdunker: alright

lanceylance: :DDD

lanceylance: okie gotta go!!! thanks for listening to me yelling!!!!

hunkerdunker: °_( Populate )_°

hunkerdunker > takashmeoutside
hunkerdunker: did keith text u

takashmeoutside: did lance text u

hunkerdunker: they’re so whipped

takashmeoutside: tell me about it

DAWN OF THE FINAL DAY

Chapter Summary

it's the last day of exams (aka: calculus part ii)

Chapter Notes

lol this is the friday chapter

idk if u follow me on ig (nerdyspaceace) but if u don't here's the rundown: friday i was too tired to finish this, so i fell asleep. saturday i woke up to a splitting headache, a cough, my period, and clogged sinuses. i'm in and out of bed all day, i literally could not bring myself to write more than a sentence before i had to lie back down. sunday (today) i woke up at 5 AM to my headache, was on-and-off sleeping till about 9, at which point i ate and now my headache is gone and i feel better

two days of rest, i'm better. no wonder, really, i'm sick for 500 years during the school week (BECAUSE I DON'T REST DURING THE SCHOOL WEEK)

anyway this is the friday chapter

See the end of the chapter for more notes

hunkerdunker: okay so our psych exam is the afternoon exam the day after prom weekend

shayfromstatefarm: are u guys taking that

kogayne: well remember antok said the district is trying to bribe us into taking it by letting us skip a final if we take it

kogayne: i’m taking all of my exams

hunkerdunker: okay so psych is the afternoon after prom weekend, don’t be wiped out

hunkerdunker: lance, u taking the ap spanish exam

kogayne: yep

shayfromstatefarm: i propose we get lunch after

hunkerdunker: then we have a break before the last ones

hunkerdunker: calc is a week after the spanish exam, and then i have the french exam right after

kogayne: ew you have two days where you’ve got back-to-back

hunkerdunker: i know

hunkerdunker: but anyway that’s our schedule

lanceylance: hhhhhggg maybe i won’t take every exam

lanceylance: that’s so much money

kogayne: but if u don’t take them then the district is gonna make ur teachers make u take other stuff

lanceylance: fuck the district this shit is expensive

lanceylance: ur numbers aren’t down bc kids are lazy it’s bc we’re fried and we’re BROKE what do they WANT FROM US

lanceylance: hnnnnn im gonna just put the phone down i can’t do this

kogayne: :( 

Team No Sleep

carrierpidgeon: i’m dying

lanceylance: i’ll kill u if u kill me
mattata: okay, NO
kogayne: ^^^^^
takashmeoutside: what’s going on

allurable: OHHHH
takashmeoutside: there’s still that gap between the wall and ceiling isn’t there
shayfromstatefarm: yep
shayfromstatefarm: someone asked to shut the door and luxia’s like “u can try, it won’t do anything tho”
shayfromstatefarm: she was right
hunkerdunker: literally why is ladnok so loud and why did i enjoy her freshman year
takashmeoutside: that’s just the way it goes ┐_(_／)┘
shayfromstatefarm: and then we took a wellness assessment
kogayne: shiro what’s our family history with like, heart disease and stuff
takashmeoutside: good question, call ur doctor and ask bc i don’t know off the top of my head
kogayne: dammit shiro
takashmeoutside: ┐_(_／)┘ ┐_(_／)┘ ┐_(_／)┘
kogayne: anyway bell’s gonna ring soon, i’m gonna go
hunkerdunker > kogayne

hunkerdunker: what’s going on with lance
hunkerdunker: aside from the obvious
hunkerdunker: like, how is he right now
kogayne: sulking
kogayne: he looks like he might start crying, and he already had a mental breakdown fourth period
hunkerdunker: i should have shay take him off the schedule
kogayne: i’d agree but i wanna see how lance is at work first
kogayne: if he’s bad then i would have him get off early
kogayne: but maybe work will be good for him??
kogayne: ...maybe??

hunkerdunker: buddy,
kogayne: i know
kogayne: he’s usually not snippy tho
kogayne: he’s pretty tense right now, so i feel like anything else might like
kogayne: boom
kogayne: everybody dies
hunkerdunker: is he actually mad at u
kogayne: he’s withdrawing i can tell u that much
kogayne: knowing him he’ll realize what he’s doing and feel really bad about it so i’m not holding it against him
kogayne: right now the only thing i wanna hold is /him/
hunkerdunker: that’s one of the softest things you’ve ever said
kogayne: yeah i know
hunkerdunker: alright welp see u at work
kogayne: yep
kogayne > takashmeoutside

kogayne: do we have cold medicine

takashmeoutside: jfc

kogayne: answer the question granola bar

takashmeoutside: yes, we have medicine

takashmeoutside: why, how are u feeling

kogayne: could be better

kogayne: i feel like mother nature punched me in the head, pidge feels like mother nature punched her in the uterus, u know the usual shenanigans

takashmeoutside: and how’s lance, now that he threatened to fight you in the group chat

kogayne: i’m gonna take him home and then i’m coming home

takashmeoutside: yikes

kogayne: we don’t need to spend every waking minute together

takashmeoutside: /keith/ you know what i mean

kogayne: he needs space

kogayne: i’m not letting him go to bed without talking this out but he’s suffocating right now

kogayne: u know how i get with sensory overload

takashmeoutside: yes

kogayne: that’s him trying to handle his emotions right now

kogayne: some shit happened in calc and he feels awful and he hasn’t had the time to deal with it

takashmeoutside: oh

takashmeoutside: okay

kogayne: i’ll be home soon

kogayne: what’s for dinner

takashmeoutside: i have dinosaur nuggets and fries in the freezer or i attempt to make fried chicken

kogayne: if i run to the store can we try making chicken piccata

takashmeoutside: last time we tried that we almost burned the house down

kogayne: FOURTH TIME’S THE CHARM
takashmeoutside: yeah sure

lanceylance > kogayne

lanceylance: i’m sorry

kogayne: i forgive u

kogayne: ur not stupid, u worked ur hardest and there’s still the ap exam

kogayne: you were close, i’m proud of u

lanceylance: i still feel like shit

kogayne: well ur not shit

kogayne: ur *the shit

lanceylance: ...okay that was cute

kogayne: :)

kogayne: good night <3

lanceylance: night <3

Chapter End Notes

well i said i'd explain, here i am

if you don't wanna read this skip till u see bold again

okay number one, it's quarter 3 which means schedules changed so already things in the school felt like...off. i couldn't place it everything just felt weird all day. 5th period rolls around and most of my friends did really well on their physics midterm...i mean, i got a C, but that's still not good, compared to like, Bs and As so that's when the Shittiness set in

6th we go to health and the room is weird, i don't like it it bothers me, it's in a wing of the school i've never had class in until this year and it's...unsettling.

and then i go to 7th period. i live in CT so our calc course is based out of uconn for ECE credit, and i didn't get credit for the course. i needed a 72 for a uconn grade. i got a 70. and i almost started crying right there. doesn't help that my hormones are all over the place.

on the bright side the drama club gets going again this week so????

okay you can read again if u skipped

idk how many chapters i'm gonna do this week, kinda wanna just crawl in a ditch and die, i wanna get chapter 23 of sgd finished (i think i'm halfway? maybe??) and i wanna write more oneshots, so

see ya whenever the next one is
what even is this chapter (what's a plot)

Chapter Summary

a lot happens: there's a delayed opening; klance; pidge has issues (again); other stuff

Chapter Notes

we had a delayed opening today so i actually did my homework before i got to school, it was magical

everyone was caught off-guard bc apparently no one pays attention to the weather (i was sort of banking on one...my gamble worked)

trigger warning for keith threatening to kill a person bc he's a Protective Older Brother

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: i saw the delay text and screamed

kogayne: how are you this morning

lanceylance: better

kogayne: better how

kogayne: where were you yesterday and where are you now

lanceylance: uhhhh

lanceylance: MMMMMMMR don’t kill me

kogayne: LANCE

lanceylance: i was at like, a 20 yesterday

kogayne: BABE

lanceylance: BUT NOW I’M AT LIKE 903

kogayne: you went off the scale by 903%
lanceylance: i meant 93

kogayne: but you’re okay now?

kogayne: u should take a mental health day

lanceylance: nope

lanceylance: shortened day

lanceylance: new day

lanceylance: i can do this

kogayne: if u get bad again pls go home

lanceylance: it’s a shortened day there would be no point

lanceylance: besides, u know what

kogayne: what

lanceylance: we have a lab today

kogayne: yes

lanceylance: and the schedule gets kerfucked

kogayne: kerfucked

lanceylance: yes

lanceylance: which means

kogayne: which means

lanceylance: you go to calc 3,

kogayne: OHHH

lanceylance: then i see ur beautiful face for lunch and 5th

lanceylance: then i see the devil for 4th

lanceylance: THEN I COME BACK AND SEE UR BEAUTIFUL FACE FOR OUR LAB

kogayne: ah

kogayne: so u get warned ahead of time, no surprises, and i can help u ahead of time so u walk in knowing what ur doing

lanceylance: eeeeeeeeeeexactly

lanceylance: and i get to see u
lanceylance: my beautiful boyfriend who shouldn’t have to put up with my shit

kogayne: i’ve put u through worse and u know it

lanceylance: mmm

lanceylance: but i love u so it’s okay

kogayne: whoa same

lanceylance: so now that we’re both awake at 6 AM and we don’t have to be in first period till nearly 10

lanceylance: can u come pick me up

kogayne: when

lanceylance: uhhh i’ve mostly just gotta get my shit together...20 minutes?

kogayne: yeah

kogayne: u wanna come to dunkin with me or do u want me stop there before i get u

lanceylance: i’ll go with u

kogayne: okay

kogayne: and then we stay at mine till we leave for school?

lanceylance: yeah

lanceylance: thanks

kogayne: i’ve got u just like i know u’ve got me

kogayne: we’re in this together

kogayne: hold my hand, we’re using the buddy system for life

lanceylance: u stole that from the internet

kogayne: yeah but u found it cute didn’t u

lanceylance: yeah :)

lanceylance: what did i do to deserve u

kogayne: antagonized me for several years

lanceylance: funny how that worked out

lanceylance: if u told me in 8th grade or freshman year that by my senior year i’d be dating /keith fucking kogane/ and planning to marry him, and i liked spending time with him, and we helped ground each other, i would’ve laughed in your face
kogayne: i probably would’ve fainted

kogayne: i’m glad we got to where we are

lanceylance: me too

lanceylance: i don’t know where i’d be without you

kogayne: me either

kogayne: okay go get ready so i can come get u

lanceylance: okay

lanceylance: can u bring an extra sweatshirt

kogayne: are u that cold

lanceylance: no i just wanna wear one of ur sweatshirts

kogayne: 😊 okay

Team No Sleep

carrierpidgeon renamed Team No Sleep to shrieking

takashmeoutside: i already don’t like this what’s going on

carrierpidgeon: okay so keith knows already but a little while ago some kid threatened to tell sherrie about my crush on her if i didn’t do his precalc homework for him

kogayne: oh no

carrierpidgeon: i can’t remember who knows now but sherrie has a gf and she’s nice and impossible to hate and i hate that i can’t hate her but ANYWAY even regardless of the gf i’d be super freaked out if sherrie knew bc goodbye friendship

carrierpidgeon: like that’s so weird to come back from “i like u romantically” “oh uh...i don’t see u that way.” “o...oh THEN WE CAN JUST BE FRIENDS UHHH JUST KIDDIINNNNG HAHAHA...haaa....”

carrierpidgeon: so

carrierpidgeon: i purposely sabotaged the kid, right

carrierpidgeon: and my precalc teacher just put in grades

carrierpidgeon: his grade went from an A- to a D+

lanceylance: tag urself

carrierpidgeon: so he threatened to expose me and also beat me up, so
kogayne: he what now
lanceylance: he what now
hunkerdunker: he what now
shayfromstatefarm: he what now
kogayne: where’s the punk
carrierpidgeon: so, i’m gonna lose my friendship with sherrie :)
carrierpidgeon: i’m much less concerned about being beat up
kogayne: i’ll kick his ass
carrierpidgeon: see that’s why i’m less concerned with getting beat up
mattata: okay so then let’s focus on the real problem
mattata: how do we stop him from telling sherrie
kogayne: we kill him
takashmeoutside: murder is frowned upon at school
kogayne: HE THREATENED TO HURT PIDGE I DON’T CARE
carrierpidgeon: :)
carrierpidgeon: i’m with keith
carrierpidgeon: but honestly...i might just confess to sherrie
kogayne: WHY WOULD YOU DO THAT
carrierpidgeon: if she’s gonna hear it it may as well come from me instead of some dipshit
lanceylance: okay but if the dipshit tells her and she reacts badly u can just be like “he was making that up”
hunkerdunker: ehhh
shayfromstatefarm: yeah but then how weird is that, you still hang out knowing she doesn’t like u back and u have to settle with the crushing feeling of /knowing/ she doesn’t like u back
hunkerdunker: there’s gotta be a scenario where sherrie doesn’t find out
kogayne: all i’m saying is if we murder this kid, then sherrie doesn’t find out
takashmeoutside: MURDER IS NOT AN OPTION
allurable > carrierpidgeon

allurable: how are u doing, pidge

allurable: ignore the group chat, talk to me

carrierpidgeon: i am going to lose my shit

carrierpidgeon: this is the first person i’ve gotten close to outside of our main gang AND IF SHE FINDS OUT THEN IT’S ALL OVER

carrierpidgeon: EVEN IF SHE DID LIKE ME, SHE HAS A GIRLFRIEND, AND HER GIRLFRIEND IS NICE, I CAN’T RUIN THAT FOR HER

carrierpidgeon: AND IF SHE DOESN’T LIKE ME I CAN’T CONTINUE THE FRIENDSHIP AND MY REPUTATION IS RUINED

allurable: i understand

allurable: is there any way /you/ can think of to keep this boy quiet?

carrierpidgeon: i’m going to assume this question doesn’t involve murder

allurable: no murder

carrierpidgeon: not even a little bit

allurable: no

carrierpidgeon: fine

carrierpidgeon: i dunno

carrierpidgeon: i don’t wanna cave and just do his homework

allurable: rat him out?

carrierpidgeon: if i rat him out then all bets are off

carrierpidgeon: then the truth gets out either way

allurable: there’s no way you can make him stay quiet?

carrierpidgeon: not that i can think of

carrierpidgeon: hhhh i don’t wanna tell sherrie

carrierpidgeon: i’m gonna shoot myself into space and become ben kenobi

carrierpidgeon: it’s the only solution

allurable: why do all of you propose “shooting myself into space” as a viable option to escape a situation
carrierpidgeon: because it is
allurable: not really

calculate my final velocity if i jump off of the school roof from rest

kogayne: if this kid ruins pidge’s life i will ruin his
kogayne: she’s shown me pictures of this kid it will take me NO TIME to track him down

shayfromstatefarm: okay, violence is BAD
kogayne: MMMM

shayfromstatefarm: SETTLE
shayfromstatefarm: we need a plan of action that doesn’t involve bodily harm to a sophomore
kogayne: the kid’s a junior, actually
shayfromstatefarm: wha
shayfromstatefarm: I KEEP FORGETTING PIDGE IS A YEAR AHEAD OF THE GAME

lanceylance: so all bets are off right
lanceylance: he’s a junior not a sophomore

shayfromstatefarm: nO
shayfromstatefarm: WHY DOES EVERYONE GO TO VIOLENCE FIRST
kogayne: it’s quicker and more effective

shayfromstatefarm: NO VIOLENCE
kogayne: fine

hunkerdunker: why is this what i open this group chat to
hunkerdunker: why can’t we just use it for physics like originally intended
kogayne: bc i don’t wanna talk about magnetism

lanceylance: boy are u a north pole? bc my south pole is feeling ATTRACTED

shayfromstatefarm: LANCE MCCLAIN
lanceylance: :D LUNCH BELL I’LL SEE U SOON KEITH
kogayne: tyinhgrwnyntgdfs

hunkerdunker: this...this is not the kind of magnetism i wanted to talk about…
shrieking

carrierpidgeon: WELP

carrierpidgeon: I TOOK CARE OF THINGS AT LUNCH

takashmeoutside: ...you have lunch with Them

takashmeoutside: WHAT DID YOU ALL DO

carrierpidgeon: :)

takashmeoutside: if i get a call from the school saying that keith is expelled i sWEAR

kogayne: boi i can’t sacrifice valedictorian as a second semester senior

carrierpidgeon: we sent hunk in

hunkerdunker: not against my will

takashmeoutside: ...is hunk in the office

hunkerdunker: :O WHAT KIND OF PERSON DO YOU TAKE ME FOR

hunkerdunker: we told the kid as seniors we have the power to ruin his life and if he said anything
he’d be on everyone’s shit list, teachers and students alike

hunkerdunker: also he’s like 2 feet shorter than me

carrierpidgeon: that’s an exaggeration but yeah hunk is intimidating

carrierpidgeon: we also told this guy he’d never find someone if he did this bc we’d expose him as
an asshole to the whole school but i feel like that threat wasn’t as intimidating

hunkerdunker: \_(ツ)_/¯ the guy said he wouldn’t say anything

kogayne: probably because he saw me staring him down from nearby

carrierpidgeon: i love my friends

allurable: good to know

allurable: so the kid’s gonna stay in his lane?

hunkerdunker: if he doesn’t he will incur our wrath, and i’m sure we can get lotor’s squad in on it

kogayne: i mean, we /are/ the same people who managed to get a teacher fired, get a kid expelled,
and oust the principal all in one semester

mattata: u guys got more done than my senior class did, and we had allura as our ally

allurable: the office *loved* me
mattata: they were terrified of her

allurable: ¯\_(ツ)_/¯

takashmeoutside: if u inflicted the wrath of an altea u were basically fucked

lanceylance: THEN WHY DID IT TAKE SO LONG TO GET ZARKON OUT

allurable: bc the town changed over a decade and they forgot what the wrath of an altea felt like

Chapter End Notes

I HAD A GOOD DAY TODAY IT WAS MAGICAL, ALL WE DID IN CALC WAS HAVE A "YAY THE UCONN PORTION OF THIS COURSE IS OVER" PARTY

also i've been meaning to work in senior superlatives for like 2 weeks, my class already voted... i won wittiest ;P i really didn't think i'd win, i was going for wittiest or most creative, so to win wittiest? glad that's my reputation

ANYWAY, granted i write a chapter tomorrow, we start gettin back into drama club shenanigans :)
a mess of a chapter

Chapter Summary

this is kind of all over the place: lance has an anxiety attack; drama club is back in action; other stuff

Chapter Notes

yo this chapter is kind of all over the place, i'm tired, it's 3:47 AM as i'm posting this and we're supposed to have a half day, but it's only the high schools, but there's this snow/rain system moving in so we might have a delay, but if we have a delay then we go for a delay schedule which means i go in late instead of getting out early, idk it's kind of a mess

trigger warning for mention of anxiety attack + symptoms

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: are you awake

kogayne: okay

kogayne: what’s going on in your head?

lanceylance: i just :))) really hate myself

lanceylance: do u ever just remember every embarrassing thing you’ve ever done and then remember how obnoxious you are and then just feel awful about yourself and wonder if everyone secretly hates u

lanceylance: and then start panicking

lanceylance: and then start feeling ridiculous for panicking and feeling even worse about yourself

kogayne: you’re okay

kogayne: no one hates you

kogayne: ...okay well not /no one/ but no one important

kogayne: what’s done is done, in the past, can’t be changed

mattata: shiro refused to take care of me in senior year i will refuse to take care of him now

allurable: besides if i ever went into modeling and then decided to teacher after u KNOW some shitface would find some even slightly risque photos and send them to the school district like “nOPE CAN’T HAVE HER TEACHING LOOK AT THESE SHE’S A TERRIBLE INFLUENCE OH NO BAD BAD BAD”

carrierpidgeon: smh i wish u were wrong

lanceylance: “decided to teacher”

allurable: hush

carrierpidgeon: yeah mhm i’m /sure/ that’s the reason
shayfromstatefarm: i’m gonna regret asking but what other reason would there have been
carrierpidgeon: matt can’t narrate a let’s play for shit, it just devolves into intense staring

carrierpidgeon: and then forget he was even recording anything
carrierpidgeon: so many wasted batteries

**opinions on the fantastic beasts thing are my own

you have to admit, at some point all of us watched a minecraft youtuber, wanted to be a minecraft youtuber, or were a minecraft youtuber. or were some combination of those three. it's a fact of life.

shayfromstatefarm: no one is fighting anyone in the café or on the premises, i will call up rax to kick u out

kogayne: nope, i’m just in a really good mood today

madplax: mmmhmmmmmmmm

kogayne: why do u sound skeptical

madplax: bc i am

lanceylance: boi

carrierpidgeon: i mean, for anyone who’s not in keith’s immediate circle, skepticism is fair

kogayne: but i’m in a great mood

lanceylance: can confirm, he’s smiley and soft today and i am HERE FOR IT

madplax: you would be

lanceylance: ummm duh i care about his health and well-being

lanceylance: i downed most of my coffee by second period, i usually still have half left by lunch but today that was not the case

kogayne: welp, there it is, the reason you’re jittery

lanceylance: KEITH I JUST THought OF ANOTHER REASON I COULD BE JITTERY

kogayne: what

lanceylance: AUDITIONS

kogayne: the little kids are gonna be fish, first of all

kogayne: second of all, you’re a senior who’s had leads before

kogayne: and you’re probably one of the few guys good enough to do eric

lanceylance: BUT WHAT IF

kogayne: nope, no what if, don’t worry about a scenario that’s not going to come true

lanceylance: WHY ARE U SO NONCHALANT ABOUT THIS

kogayne: bc ur more than capable and i know that

kogayne: also what kind of granola bar do u want

lanceylance: HOW DO WE GO FROM AUDITIONS TO GRANOLA BARS

kogayne: it’s called “we had other priorities and got sidetracked” now do u want apple crumble or peanut butter
lanceylance: chewy nut butter

kogayne: after matt called shiro nut butter bar i immediately stopped buying those

lanceylance: BUT THEY WERE SO GOOD THEY WERE SNICKERDOODLE

kogayne: tragic do u want the other butter

lanceylance: yes

kogayne: tbh ur starting to rub off on me way too much

lanceylance: i can never rub off on u too much

kogayne: yes u can i’m starting to think exclusively in vine references

lanceylance: MY MASTER PLAN IS WORKING, PIDGE WILL BE PLEASED

lanceylance: why what vine when what

lanceylance: ur dead to me

carrierpidgeon: i mean he’s a furry, he’s a memelord, this was to be expected sooner or later

lanceylance: I AM NOT A FURRY I AM A REFORMED FURRY
mattata: so u admit u were a furry once

lanceylance: YES BUT THAT WAS IN THE /PAST/ WE’VE BEEN OVER THIS

allurable: that’s okay, matt’s still a weeb and we still love him

takashmeoutside: and keith is still emo

kogayne: :P

shayfromstatefarm: didn’t we also expose pidge and hunk as furries

carrierpidgeon: dammit i was hoping you people would forget about that

shayfromstatefarm: no forgetting, only regretting

hunkerdunker: #deep

carrierpidgeon: #deep #quote #deepquote #inspirational #inspirationalquote #inspiration #dailyinspiration #ig #likeforlike #like4like #f4f #follow4follow #followforfollow #instalike #insta #instagram #instaquote

kogayne: hey do u take constructive criticism

kogayne: no that text was perfect

allurable: there’s a girl in my night class i follow on instagram who does fitness posts and she tags like that

takashmeoutside: i know at least 5 auto junkies who tag like that

kogayne: does anyone actually go into those tags

kogayne: what are their function

hunkerdunker: i think they’re generic tags?? like when u start ig?? idk

kogayne: welp

lanceylance: :O there’s the BELL i’ll see u soon keith darling dearest

carrierpidgeon: do u ever just want to fight two people

allurable: [glances at my boyfriends] uhhhh

allurable: :) :) :) i love uuuu

carrierpidgeon: correction, i want to fight four people
takashmeoutside: :( 
carrierpidgeon: FIVE, I WANT TO FIGHT FIVE PEOPLE
takashmeoutside: :)
carrierpidgeon: IS THERE ANYONE ELSE GOING ON MY SHIT LIST

shayfromstatefarm: hunk and i respectfully decline

shrieking

lanceylance: i stopped to get food from keith and give him a kiss for .5 seconds and ladnok passed us and yelled at us

allurable: ladnok still yells at students for sucking face in the hallway?
mattata: did we ever expect her to change

lanceylance: “KOGANE! MCCLAIN! GET TO CLASS, THIS IS A PUBLIC SETTING!”
mattata: erytjherwrhtyrefwgf
carrierpidgeon: disgusting™
lanceylance: IT WAS A PECK IT WASN’T EVEN ANYTHING SERIOUS

kogayne: ^^^^^^!!!!!
kogayne: i just wanted to make sure lance was being healthy smh as a health teacher she should be ashamed

takashmeoutside: i dare u to tell luxia about this and see if she ever brings it up to ladnok

kogayne: say i won’t
carrierpidgeon: u won’t

kogayne: i’m gonna do the thing

calculate my final velocity if i jump off of the school roof from rest

shayfromstatefarm: wanna hear a tragedy

kogayne: yeah sure
shayfromstatefarm: guidance finally gave me and hunk friday study halls

kogayne: oh u mean after the disaster that was last friday, when u and hunk were trapped in guidance all period while lance and i got to chill out

shayfromstatefarm: yeah but get this: we don’t have luxia

lanceylance: WHAT

lanceylance: U MEAN I CAN’T SEE HUNK’S BEAUTIFUL FACE FRIDAYS DURING 6TH, I AM DEPRIVED ONE MORE PERIOD OF MY BEST FRIEND

hunkerdunker: bro

lanceylance: bro :

hunkerdunker: broooo :

shayfromstatefarm: keith why are we dating them again

kogayne: i ask myself that question every day

lanceylance: mmmhmmmmmmmm sure u do

lanceylance: so if ur not with luxia where are u

shayfromstatefarm: with one of the spanish teachers

lanceylance: THAT’S AN ENTIRELY DIFFERENT WING

shayfromstatefarm: yeah i know

lanceylance: what if me and keith switch into that one

shayfromstatefarm: honestly don’t, i looked at the roster and i hate half of the kids in the study hall

kogayne: but u don’t hate anyone

shayfromstatefarm: yeah i know, somehow everyone i hate is in that study hall

lanceylance: wait

lanceylance: WAIT

lanceylance: WAAAAAAAAAAAAAAAAAAT ARE YOU IMPLYING WHAT I THINK YOU’RE IMPLYING

shayfromstatefarm: :’)

shayfromstatefarm: they’re in study hall with us

kogayne: yeah fuck that i’m sticking with luxia’s study hall

lanceylance: yeah sorry shay
shayfromstatefarm: it’s okay i’ve got hunk and it’s not like we’re inclined to talk much anyway
hunkerdunker: true
hunkerdunker: who knows, maybe now that we’re all split up we can actually get homework done, instead of wasting the period memeing
lanceylance: u loved our meme sessions
hunkerdunker: i did
hunkerdunker: but this is for the best
lanceylance: THIS CLASSROOM’S NOT THE SAME, WITHOUT YOUUUUUUU
kogayne: okay but anyway speak of the devils
kogayne: did we tell u guys about nyma
hunkerdunker: don’t think so
lanceylance: she drunk-texted like...a week and a half ago? two weeks?
lanceylance: and she was cussing me out but then she said either “i still love you” or “i still loved you” but her typing was all fucked up so i couldn’t tell
kogayne: so we asked rolo to check on her and next thing u know they broke up
hunkerdunker: ew what the fuck
hunkerdunker: so what, has she made a move yet
lanceylance: no
kogayne: you’d think by now they’d know to stay away
kogayne: hey lance permission to be possessive
lanceylance: do it
kogayne: lance is mine and anyone who thinks otherwise can get fucked
shayfromstatefarm: well they’re both in our study hall so this should be interesting
shayfromstatefarm: will one switch, will they get back together, will they both stubbornly refuse to leave, will they ignore each other completely
lanceylance: lemme know if u hear either of them talk shit, especially about keith bc i’ll fuckin fight
hunkerdunker: trust me i’ll be fighting them before u can even know about it
lanceylance: thank u best friend of mine
kogayne: so u guys wanna hear a story

takashmeoutside: oh no

kogayne: earlier in the drama chat lance challenged plax to a fight and she wanted to take him up on it

allurable: i can’t see this ending well

kogayne: and so she actually showed up to bb to fight him

kogayne: BUT

takashmeoutside: there’s always a but

mattata: (°_－°)

kogayne: shay said they couldn’t fight on bb property or else she’d get rax to kick them out

kogayne: so they had a thumb war in the middle of the street

allurable: it’s like 40 degrees

kogayne: that didn’t stop them

lanceylance: plax won

mattata: u bring dishonor to us all

mattata: dishonor on u, dishonor on ur cow

lanceylance: mm

lanceylance: also shiro keith is coming home with me, apparently ur still sick?

allurable: WHAT

takashmeoutside: DAMMIT I WAS HOPING NO ONE WOULD EXPOSE ME

mattata: i figured since u weren’t at work but i wasn’t gonna say anything

mattata: FLU FLU FLU FLU FLU FLU

mattata: it honestly might be

lanceylance: which is exactly why keith is staying with me

kogayne: it’s really just a ploy to steal more sweatshirts shh
lanceylance: :P

carrierpidgeon: if shiro’s sick then i gotta stay away from matt, matt’s probably infected

takashmeoutside: FLU FLU FLU FLU FLU

allurable: if they’re both down with the flu i’m bailing on this whole “taking care of them” thing, i don’t need to get sick too

mattata: LURAAAAA

takashmeoutside: ALLY PLS

shayfromstatefarm: lmfao

carrierpidgeon: TRAGIC

Chapter End Notes

psssst guess what updated after 500 years last night

that’s right, chapter 23 of stars go down is here!!!!!!!

also, all of deceit so natural has been uploaded to wattpad under the user nerdyspaceace

:P

okay idk when the next chapter of this is, i have many things to write goodbye
it's audition day for the musical and guess who's stressed about it (hint it's lance)

i was gonna post this a couple hours earlier but my dog got skunked so i had to bathe him

what happened was our back porch light's been out for a while, but it hasn't been a problem, we just let my dog run around. i was upstairs but my room faces the backyard, right? so my brother lets my dog out and literally, like 5 seconds later, my dog is SHRIEKING, barking up a storm, and IMMEDIATELY i can smell skunk, nastier than i've ever smelled it.

i'm 18. my brother's 16. we haven't had a dog since i was like, 4 and he was like, 2. it's 10:30 PM and both my parents are asleep, so we resort to texting my 32-year-old sister about what to do (my immediate reaction was like "SISTER UNIT...SHE'S AWAKE!!! SHE HAS A DOG!! SHE CAN HELP US!!" bc googling would've taken too long to sift thru results and judge them trustworthy).

anyway.

here's the chapter

See the end of the chapter for more notes

shrieking

lanceylance: GOOD MORNING EVERYONE THE ANXIETY IS HERE

allurable: why

lanceylance: AUDITION
DAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAY

lanceylance: I HAVE 0 CONFIDENCE IN MY ABILITIES RIGHT NOW

hunkerdunker: u literally got a lead in the last show

hunkerdunker: u've had other leads

lanceylance: that doesn’t mean i’ll get THIS ONE

kogayne: yes u will
lanceylance: NO

lanceylance: AND EVEN IF I DO WELL TODAY, CALLBACKS ARE FRIDAY, WHICH MEANS MORE STRESS IF I GET A CALLBACK

mattata: dude

mattata: be more chill

lanceylance: M A T T

carrierpidgeon: bow to the squip’s whims

hunkerdunker: that is contradictory to the entire message of that show

allurable: lance, u got this

allurable: just enjoy ur senior SPRIIING MUSICAAAL

mattata: were we meant to read that in ms darbus’ voice

allurable: (☞ﾟヮﾟ)☞

takashmeoutside: think about it this way: u can’t completely control auditions

takashmeoutside: besides, you’ll still be in the show, you’ll land a good part regardless, and everyone in your friend group is involved, so it’s not like you’ll be suffering

lanceylance: hhhhnnn you’re right

carrierpidgeon: where’s ur boyf, isn’t he supposed to comfort u or something

(1) photo from lanceylance

lanceylance: he hasn’t let go of my arm for the last ten minutes

lanceylance: he’s being cute don’t worry

kogayne: i love him

shayfromstatefarm: OH MY GOD AUDITIONS

shayfromstatefarm: I GOTTA FILL OUT THE SHEET

carrierpidgeon: oh sheet

shayfromstatefarm: YOU KNOW WHAT PIDGE

carrierpidgeon: WHAT

carrierpidgeon: I AM A GIFT TO THIS WORLD AND YOU KNOW IT

shayfromstatefarm: I WANT THE RECEIPT
hunkerdunker: oh damn

carrierpidgeon: IT’S GONE I THREW IT OUT YOU’RE STUCK WITH ME FOREEEEVERRRRR

shayfromstatefarm: i pick pidge up. i slam dunk her in the garbage.

lanceylance: fucking obliterated.

carrierpidgeon: tnhrbefwbgfbdefgb

mattata: rip katie, 2002-2018

carrierpidgeon: o shit my 16th birthday is this year

carrierpidgeon: if i don’t become the chosen one or manifest magical powers What Is The Fucking Point

takashmeoutside: hold up my birthday is before urs

carrierpidgeon: hush flu man

kogayne: hey shiro how /are/ you

takashmeoutside: i’m going to the doctor today to see if it’s the flu or a really bad cold

takashmeoutside: prayer circle

kogayne: no

takashmeoutside: u know what

kogayne: what

takashmeoutside: fuck u

kogayne: nah

takashmeoutside: >:|

kogayne: (¬■_■)

mattata: have fun at the doctors office be sure to tell me whether or not it’s the flu so i can begin planning

takashmeoutside: planning WHAT

mattata: NOTHING

hunkerdunker: it’s always the holts

hunkerdunker: why do u guys have to be so sketchy

carrierpidgeon: gotta stay on brand
mattata: ain’t no plan like a holt plan bc holt plans leave all ur friends vaguely panicked

allurable: i’m not panicked

allurable: i jumped out a second story window with matt, nothing fazes me

lanceylance: you WHAT

kogayne: not surprised

carrierpidgeon: BRO WHAT WHY DIDN’T YOU TELL ME SOONER

mattata: one of those college stories i’m saving for u

kogayne: does this story also involve a frat party

mattata: mmmmmmmmmmmmmmmmmaybe

lanceylance: STOP BEING CRYPTIC AND TELL US THE DAMN STORY

mattata: allura and i once crashed a frat party what more do you want

kogayne: WHERE DOES THE WINDOW COME IN

mattata: actually the window comes /out/

mattata: our dramatic exit

shayfromstatefarm: so are u gonna tell us what exactly happened orrrrr

allurable: wellllll there’s backstory

allurable: shiro, u cool with it

takashmeoutside: oh it’s /that/ story

takashmeoutside: yeah go ahead

allurable: okay SO this happened in the middle of a lot of shit happening

allurable: shiro was like, in part-time student mode, trying to get back into the swing of full-time college

mattata: sophomore year for us, freshman for allura

mattata: one of the hosts of the party tried to pull some shit in class with shiro that pissed me off, so then i was like, “well, time to crash a frat party”

lanceylance: how did u even get in

mattata: i pretended to be allura’s plus-one

allurable: he came up with the idea, i went along to protect him
mattata: i wanna disagree but yeah basically

mattata: i was scrawnier than i am now like it wasn’t even funny how tiny i was

mattata: and these guys were all bigger than me

allurable: and i was generally scary

mattata: so we got into the party

allurable: i almost broke a guy’s arm

allurable: i think i definitely sprained his wrist tho

lanceylance: iconic

mattata: anyway i broke into the sound system, fucked up some drinks by shaking them up, i broke into the lights, and then we went upstairs, away from most of the party

kogayne: you did NOT

allurable: went upstairs? yes we did

allurable: and then matt broke out his laptop bc he’s a nerd

mattata: u were just as nerdy shut up

mattata: u still ARE nerdy

takashmoutside: i am so in love right now

carrierpidgeon: whipped

mattata: so anyway once we were upstairs i shut the lights off and cut the music and the party immediately became a disaster

shayfromstatefarm: isn’t that like, a safety hazard

mattata: i wasn’t part of the frat, the host was an ass, and we never got caught

shayfromstatefarm: BUT THE GUESTS

mattata: shhh

shayfromstatefarm: WERE THEY OKAY

allurable: ...uhhhh most were

shayfromstatefarm: WHAT THE FUCK

allurable: no one died and no one had a lasting injury shhh it’s fine

mattata: tbh half the party barely noticed a thing
mattata: anyway no one could see downstairs so we had to get out SOMEHOW so we jumped out the second story window

mattata: and i mean we didn’t /jump/ really, we were above a bay window

mattata: but i still felt pretty badass

kogayne: you didn’t get caught that’s badass as fuck

mattata: thank you, thank you

allurable: it was his most badass moment

allurable: matthew holt officially peaked as a college sophomore

mattata: wow thanks

carrierpidgeon: okay so when i hit college i go to frat parties and exact justice on asshole frat boys

allurable: to be fair most of the frat guys on campus were nice

allurable: this guy just happened to not be

carrierpidgeon: okay but my statement still stands, i will serve vigilante justice in the form of party crashing

kogayne: sound plan, i’ll stay in my dorm

kogayne: maybe i’ll hunt for campus cryptids

carrierpidgeon: like cheap textbooks

kogayne: yes exactly

shrieking

takashmeoutside: SO I HAVE THE FLU

mattata: BAHAHAHAHAAHAHAHAHAHA

kogayne: hey lance can i stay at ur house for the rest of the week

lanceylance: FINALLY AN EXCUSE TO HAVE KEITH TO MYSELF

lanceylance: uh i mean yeah, sure, cool

mattata: HEY KASHI, KARMA’S A BITCH ISN’T IT

lanceylance: karma’s lovely if u treat her right

mattata: keith ur boy is cheating on u with fate
kogayne: :O

lanceylance: KEITH WAIT

kogayne: I SAW U HANGING OUT WITH KARMA YESTERDAY

lanceylance: KEITH PLEASE IT'S NOT WHAT U THINK

kogayne: I WON'T HESITATE BITCH

kogayne: BANG BANG

lanceylance: [is dead]

kogayne: i wear a stunning all-black ensemble to his funeral. i take his entire inheritance. it’s a lot. i use it to fund nasa bc someone’s gotta do it and the government isn’t being very helpful.

shayfromstatefarm: that took a turn

kogayne: a necessary one

kogayne: aliens are out there and i intend to prove it

carrierpidgeon: but if the government is defunding nasa maybe they already know the aliens are out there and are working on a coverup

carrierpidgeon: we’ve already established that the men in black have wiped tangerine fuckface’s memory

carrierpidgeon: and the men in black are adamant about covering up aliens

carrierpidgeon: so they’re either in league with them, or they’re aliens themselves

kogayne: or they’ve been possessed

carrierpidgeon: yeah

carrierpidgeon: basically what i’m saying is that aliens are in the government and covering up their own existence

hunkerdunker: what did i just read

carrierpidgeon: the truth

kogayne: they are OUT THERE and if the government doesn’t say it I WILL

carrierpidgeon: what if they send the men in black after u

kogayne: vigilante justice

kogayne: i take up my knives and go on the run, a fugitive of the state

kogayne: people begin wondering why i’m on the run
kogayne: who am i running from

kogayne: as attempts are made on my life, i explain my story, and people realize that the attempts to silence me are no coincidence

kogayne: my cult of believers grows

kogayne: the men in black can’t wipe the entire nation

kogayne: and once i flee the country the whole plot goes international

kogayne: the threat of nuclear war falls as nations begin looking into aliens

kogayne: i ignite a new space race

kogayne: the men in black become the wanted ones

kogayne: they attempt to flee the planet, and with our new fleet of spaceships, earth goes into space to chase after them

kogayne: thus, i single-handedly force earth to figure out how to get ships out of our solar system and into the universe

takashmeoutside: ...are u okay

carrierpidgeon: WRITE A BOOK, MAKE IT A FILM, I DON’T CARE BUT I NEED A VIGILANTE ALIEN CONSPIRACY THEORIST BLOWING THIS WHOLE THING WIDE OPEN AND BECOMING A HERO

lanceylance: the men in black will hunt him down for exposing them

lanceylance: the film gets shut down before it even gets going

lanceylance: keith gets kidnapped

lanceylance: as a team, we step up in order to save him and become a ragtag band intent on exposing the whole thing

lanceylance: allura and matt become our primary communications people and spread the word to the public, and they become so iconic that they’re untouchable, if they get eliminated then the whole thing gets blown up

carrierpidgeon: shiro assumes his role as dad

carrierpidgeon: guys i’m so excited about this, someone write a book with one of these plots or make a film or direct a tv show PLEASE MY CROPS ARE DYING THE DROUGHT IS AT ITS PEAK I NEED SOME GOOD FUCKING FOOD

shayfromstatefarm: that was too much internet speak for one sentence

carrierpidgeon: never enough internet speak

lanceylance: never enough VINES is more like it
carrierpidgeon: sit down mcclain this is my forte

lanceylance: ACTUALLY, MEGAN

hunkerdunker: why

lanceylance: I CAN’T SIT /ANYWHERE/

hunkerdunker: pls no

lanceylance: I HAVE /HEMORRHOIDS/

carrierpidgeon: u should get that checked out maybe

takashmeoutside: join me in medical hell

lanceylance: nah fam stay away from me

takashmeoutside: i mean if i have the flu there’s still a chance keith gets it

lanceylance: nope my mother will make /sure/ he doesn’t

lanceylance: she has a gift for scaring her children out of illness

kogayne: is that why u have such a strong immune system

lanceylance: yes duh

acxalutelynot: shatter a patella

hunkerdunker: [insert witty medical leg-related joke about breakage here]

floronawiththecorona: thanks 4 ur contribution

hunkerdunker: i do my best
carrierpidgeon: weak attempt at being funny 0/10

zethridofmyproblems: about as weak as the legs everyone is breaking

carrierpidgeon: see hunk, now that was humor

hunkerdunker: wow pidge tell me how u really feel

madplax: anyway broken body parts aside, if ur auditioning today then ur ass needs to be in the auditorium in five minutes

lanceylance: just our ass

madplax: i will fight u in front of the newbies

lanceylance: bet let’s go

shayfromstatefarm: NOT AGAIN

shrieking

lanceylance: WELL I AUDITIONED

allurable: !!!!!!! how it’d go!!!!

kogayne: we’re almost done

lanceylance: :))))))

kogayne > takashmeoutside

kogayne: i wanna punch lance’s anxiety in the face
takashmeoutside: what’s going on with lance

kogayne: he feels self-conscious about his audition and it’s eating him alive

kogayne: “this is my senior musical, what if i don’t even make the cast, what if i get cut, what am i supposed to do, how am i supposed to show my face”

kogayne: he probably had one of the best auditions out of anyone

kogayne: i hate seeing him beating himself up like this

takashmeoutside: go be with him

kogayne: going

kogayne: just needed to rant

takashmeoutside: okay now go

shrieking

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

hunkerdunker: dude it’s been six hours

lanceylance: BUT IF THE SNOW TIMES THINGS RIGHT AND WE GET CANCELLED TOMORROW

lanceylance: WHAT HAPPENS TO /TOMORROW’S/ AUDITIONS

lanceylance: DO THEY GET PUSHED TO THURSDAY OR ANOTHER DAY

lanceylance: BC IF THEY MOVE DO CALLBACKS MOVE??

lanceylance: I NEED TO KNOW IF I GOT A CALLBACK SO I CAN START WORRYING ABOUT THAT

shayfromstatefarm: HEY, HAMLET

shayfromstatefarm: BE

shayfromstatefarm: MORE

shayfromstatefarm: CHILL

hunkerdunker: did everyone in this group chat completely miss the point of that musical

lanceylance: CHILL??? CHILL??????? I CANNOT CHILL

mattata: yes you can
lanceylance: no i can’t

kogayne: i say you can

lanceylance: there’s not a chance

kogayne: sLIDE HOME YOU SCORE SWINGIN ON THE DANCEFLOOR

lanceylance: I DON’T DANCE NOOOO

kogayne: okay are u calmer now

lanceylance: yeah the duet was nice thank u

carrierpidgeon: the high school musical gay anthem, what a gem

takashmeoutside: gay anthem

carrierpidgeon: yes

takashmeoutside: why

allurable: HAVE YOU NEVER SEEN THAT

takashmeoutside: it’s a song about a sportsballer who refuses to get into the arts despite performing in an artsy musical number multiple times throughout the franchise

mattata: but also it’s a metaphor for liking guys

takashmeoutside: excuse me

kogayne: CHAD AND RYAN ARE WEARING EACH OTHERS’ CLOTHES AT THE END OF THE SONG

lanceylance: they talk about swinging

takashmeoutside: ...well shit

allurable: BAHAHHAHAHAHAHAHAHA

kogayne: my cousin everyone

takashmeoutside: leave me alone my brain can’t compute anything in this flu haze

kogayne: k bye then

takashmeoutside: wow rude

kogayne: u asked to be left alone

shayfromstatefarm: he has a point

takashmeoutside: u absolute heathens

lanceylance > madplax

lanceylance: PLAX
madplax: what
madplax: boi it’s 6:30 in the morning what do u want i gotta get ready for school
lanceylance: DO WE HAVE CALLBACKS OR NAH
madplax: ¯\_(ツ)_/¯
lanceylance: WHAT DO YOU MEAN ¯\_(ツ)_/¯
madplax: mr director man hasn’t gotten back to me, we’re lucky we finished auditions yesterday
lanceylance: i need to know if i’m staying after or going home
madplax: welp tough shit
lanceylance: :O rude
madplax: what a tragedy
lanceylance: doing me so dirty
madplax: trag ic
lanceylance: fight me
madplax: if we have callbacks we fight in the auditorium and if not i harass you at your job
lanceylance: bet

*shrieking*

lanceylance: lmfao no one knows if we’ve got callbacks today or not funfunfunfun

carrierpidgeon: do y’all even have the list of who’s getting a callback

lanceylance: NOPE

takashmeoutside: seriously

allurable: i’m telling u, that drama club went downhill the moment i graduated

allurable: i was a Star

mattata: mhm sure

allurable: what are u trying to say matthew

mattata: mmmm nothinnnnn

takashmeoutside: wait so when do u find out the callback list

lanceylance: \_(ツ)_/\_(ツ)_/\_(ツ)_/

lanceylance: NO ONE KNOWS!!!!!!

lanceylance: AND I AM D Y I N G

kogayne: you’re not /dying/

lanceylance: DYING

lanceylance: EULOGIZE ME WELL

kogayne: how tf am i supposed to raise a family with u if ur not here

lanceylance: shit u right

carrierpidgeon: why is it always these two

kogayne: why is it always what

carrierpidgeon: u gotta make this chat see all ur mushy grossness

kogayne: we’re 10x worse in public so i mean it’s not as bad as it could be

hunkerdunker: physics and study hall were a nightmare

lanceylance: o shit today’s the day we have different sixth periods

lanceylance: imma miss u buddy
shayfromstatefarm: we’re free
lanceylance: rude
shayfromstatefarm: i speak the truth
shayfromstatefarm: and u know it
lanceylance: let me live
carrierpidgeon: u were begging for death two minutes ago
kogayne: shhhhh let him live
carrierpidgeon: no
kogayne: who am i supposed to watch buzzfeed unsolved with tonight if he dies
carrierpidgeon: uh me?
kogayne: i’m not going near the holt house
kogayne: matt’s been with shiro, you’re next
carrierpidgeon: u act like i’m a weakling, i am no weakling, i will not be infected
kogayne: u say that now
kogayne: buzzfeed unsolved aside, whose house do i stay at if lance dies
lanceylance: i mean u can stay at my place
kogayne: okay NO stop trying to justify this
kogayne: so what if callbacks don’t happen today, u get to nap sooner
lanceylance: i at least want the list of who’s getting one
carrierpidgeon: boi ur gonna get one chill out
carrierpidgeon: if u don’t get one everyone knows we’re either in a parallel universe or the director got paid off
kogayne: i’ll fight
carrierpidgeon: and everyone knows keith will fight
hunkerdunker: why do all of u have this hyperfixation on fighting
kogayne: \(\_\(\_\(\_\)\)\) get that blood pumping
hunkerdunker: just go for a walk wtf???
kogayne: feel alive
hunkerdunker: go FOR A RUN????

kogayne: MURDER

lanceylance: :D

kogayne: no u cannot be the victim

lanceylance: >:(

carrierpidgeon: smh i’m changing the subject, who wants to talk about the physics behind the myth of icarus

shayfromstatefarm: :O DUDE

carrierpidgeon: MY DUDE

shayfromstatefarm: YES PLEASE

carrierpidgeon: oKAY so the other day i was in chem right

mattata: well i’d hope so

lanceylance: ROAD WORK AHEAD

lanceylance: YEAH, I SURE HOPE IT DOES

carrierpidgeon: trythnrtefgermgr OKAY SO I’M IN CHEM AND IT’S ME SHERRIE AND TWO OTHER GIRLS WHO TAKE LATIN

carrierpidgeon: and this one girl is like “yeah so we learned about icarus the other day and my sister started yelling about the broken physics behind it” and the other girl is like “well what does she expect it’s a myth” and like they kept going back and forth but instantly sherrie and i are like PHYSICS??? SCIENCE??? ENLIGHTEN US ON WHAT SISTER DEAR HAD TO SAY

shayfromstatefarm: wait who who who

lanceylance: what are u, an owl

shayfromstatefarm: stfu

carrierpidgeon: idk this girl named like, emily or smth??

shayfromstatefarm: IS HER SISTER’S NAME SARAH

carrierpidgeon: i think?

kogayne: we’ve got a sarah in our physics class who has a sister named emily, so

carrierpidgeon: :O do u know if emily ever talks about me

kogayne: what, u got another crush

carrierpidgeon: no i need to know my reputation
hunkerdunker: i’ve heard u mentioned like, once

carrierpidgeon: CONTEXT

hunkerdunker: “yeah my little sister’s chem class is full of morons, there are maybe three competent people in that class”

carrierpidgeon: HELL YEAH I’M COMPETENT

lanceylance: well duh

lanceylance: u remember that dream i had about the giant robot in space

carrierpidgeon: yeah

lanceylance: if u left the team we would’ve probably died so

carrierpidgeon: bet

carrierpidgeon: ANYWAY SO BACK TO MY STORY

carrierpidgeon: so emily’s telling us about sarah

carrierpidgeon: and how sarah went and actually researched the physics behind the myth and essentially, the entire myth is fuckin broken

allurable: INTELLECTUALS

carrierpidgeon: k so y’all know about daedalus, right

carrierpidgeon: created the labyrinth, he and his son icarus got punished, and now they’re breaking free

lanceylance: WE’RE BREAKIN FREETTTTEEE

kogayne: WE’RE SOOOOOOOOOOOOOARIN

lanceylance: FLYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYYNNNNNNN

carrierpidgeon: this is why you’re going to lose cutest couple to hunay

kogayne: u know what i can deal with that i love lance

carrierpidgeon: OKAY BaCk To My StOrY

carrierpidgeon: so basically they made wings out of feathers and wax and were gonna fly across the ocean

carrierpidgeon: icarus had simple instructions: go the middle route. literally, just stay in ur fuckin lane

carrierpidgeon: don’t fly too close to the sun, or else the wax will melt

lanceylance: fuckin apollo
carrierpidgeon: and don’t fly too close to the ocean, bc your wings will get wet and you can’t fly, which, sure, that bit of physics makes sense

carrierpidgeon: but apparently em told this story to sarah

carrierpidgeon: and sarah was like “wait...wait did they say the higher u get...the hotter it gets?”

hunkerdunker: ah

shayfromstatefarm: AH

kogayne: BECAUSE THE UPPER ATMOSPHERE IS COLDER AND THE AIR IS THINNER

carrierpidgeon: YES

ncarrierpidgeon: so sarah looked into this and, first of all, apparently some university kids have actually written a paper on this, so

lanceylance: fuckin millennials

hunkerdunker: i love nerds

carrierpidgeon: second, the other issue that sarah had was that

carrierpidgeon: “wax and feathers are both lighter than water...they float...if he had fucking WINGS shouldn’t he have floated and not drowned”

carrierpidgeon: which should hold true, as long as he didn’t land face down

carrierpidgeon: BUT THEN she was like “mmm but how did he fall in the first place”

carrierpidgeon: her conclusion was that the only way for icarus to have fallen and drowned was for him to have passed out from being up too high

hunkerdunker: i already said it once but i’ll say it again: i love nerds

takashmeoutside: IT’S A MYTH

mattata: LET THEM HAVE THIS

takashmeoutside: THERE’S A MYTH WHERE A WOMAN FUCKS A BULL BUT THIS IS WHAT YOU TAKE ISSUE WITH

carrierpidgeon: THIS ONE SPECIFICALLY BROKE PHYSICS

carrierpidgeon: THE ENTIRE LESSON OF THE STORY HINGED ON PHYSICS BEING BROKEN

takashmeoutside: YEAH I’M PRETTY SURE THE MINOTAUR BREAKS BIOLOGY AND PHYSICS BUT WHATEVER I GUESS

allurable: of all other impossible myths to bring up, you brought up one connected to the labyrinth

takashmeoutside: fine do we want to talk about daphne turning into a tree to get away from apollo
**allurable:** okay listen when she was begging for help i seriously doubt /turning into a tree/ was what she had in mind

**shayfromstatefarm:** where was artemis

**shayfromstatefarm:** should’ve become one of her followers

**mattata:** okay i appreciate the greek mythology here but i’m gonna interrupt for one second

**mattata:** keith where the fuck is ur soup

**kogayne:** ??? ask shiro he’s right there?????

**mattata:** he says he doesn’t know

**mattata:** i’ve looked everywhere

**kogayne:** then we’re out

**mattata:** what the FUCK

**allurable:** smh i’ll hit the store

**allurable:** u guys just can’t function without me, what a tragedy

---

*Drama & Crew 2018*

**madplax:** LISTEN UP YOU DRAMATIC FUCKS

**lotoreal:** how polite

**madplax:** YOU’VE ALREADY DONE SHOWS WITH US YOU KNOW POLITENESS WENT OUT THE WINDOW A LONG TIME AGO

**madplax:** CALLBACKS ARE NOT TODAY

**lanceylance:** [shrieks]

**madplax:** CHILL

**lanceylance:** NO

**dinezor:** wait so when are callbacks, i am a busy girl

**madplax:** callbacks are TUESDAY

**madplax:** and according to the OFFICE

**madplax:** (emphasis on the OFFICE, don’t look at me when things inevitably get screwed up)

**madplax:** (@lance)
lanceylance: BOI

zethridofmyproblems: plax u were saying

madplax: the CURRENT PLAN is that the callback is list getting posted on the auditorium door after school

floronawiththecorona: is list getting

madplax: shut up flor

madplax: so, YEAH

lanceylance: BUT THE END OF THE DAY IS SO FAR AWAY

madplax: three more periods suck it up

lanceylance: but PLAAAAAAAAAAAAAAAAAAAAAAAAAAAAAX

madplax: stop whiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiing

floronawiththecorona: here i have better news: superlative list goes up period 5

kogayne: :O oh no not a hairuct

carrierpidgeon: hairuct

kogayne: fuckin autocorrect failing me

shayfromstatefarm: if he gets a haircut and you still love him then it’s true love

kogayne: [sweats nervously]

shayfromstatefarm: but ANYWAY hunk i can’t believe we’re cutest couple AND we both won the “most likely to brighten ur day” category

carrierpidgeon: tag ur goals

kogayne: i got most likely to win the hunger games, so ¯\_(ツ)_/¯

carrierpidgeon: u fuckin edgelord

kogayne: there’s a reason i won that and not “best to bring home to mom and dad”

lanceylance: :O but u are the best to bring home to mom and dad

lanceylance: or mom and mom

lanceylance: or dad and dad

lanceylance: or mom

carrierpidgeon: they really couldn’t just say “best to bring home to the parents”

lanceylance: of course not, that would make too much sense

kogayne: i’m honored u think that but ur mom doesn’t know about my knife collection

lanceylance: yes she does

kogayne: she WHAT

lanceylance: i tell her everything

kogayne: HOW HAS SHE NOT BANNED U FROM SEEING ME WHAT THE FUCK

lanceylance: >:) he’s miiniine

kogayne: :)

carrierpidgeon: I THOUGHT I TOLD UR MUSHY ASSES TO KEEP IT TO URSELVES

kogayne: if u can’t handle this then valentine’s day will literally kill u

carrierpidgeon: NO

lanceylance: YES

hunkerdunker: i’m looking forward to valentine’s day ˘(有利)˘

lanceylance: see he has his priorities straight

shayfromstatefarm: “straight” is not the word i would use to describe the situation

lanceylance: he’s panned out the situation

hunkerdunker: trynregwgfbdfrnb

hunkerdunker: thanks dude

lanceylance: i gotchu buddy

mattata: anyway keith good choice bc i’m pretty sure i’m coming down with something

carrierpidgeon: [throws holy water] DON’T TRY IT, DEMON

mattata: [shrieking] IT BURRRRRRRNS

kogayne: welp i’m definitely staying with lance then

shrieking
lanceylance: I’M YELLING
mattata: what now
hunkerdunker: i can’t believe
lanceylance: SO WE’RE IN PHYSICS RIGHT
allurable: why is it always physics
kogayne: ?? it’s always thace why are u Wrong
allurable: shut up keith
allurable: i’ve known u for a long time i have dirt on u u don’t even know about
kogayne: u don’t scare me
lanceylance: CAN I CONTINUE THE STORY
shayfromstatefarm: SO HIRA’S CLASS OF JUNIORS WAS TRYING TO TEACH HER ABOUT VINES RIGHT
lanceylance: I THOUGHT I WAS TELLING THIS STORY
shayfromstatefarm: YOU SNOOZE YOU LOSE
shayfromstatefarm: THEY WERE TRYING TO TEACH HER ABOUT VINE
lanceylance: apparently they have a bunch of memelords in that class like us and she got confused but they’re bad at explaining
lanceylance: so WE thought it would be easier to show her
lanceylance: so we wasted half the period watching vines
shayfromstatefarm: her favorite is the one with the scottish-sounding guys in the car with the helium balloons bc it breaks physics
allurable: not surprised
lanceylance: we got out of doing work i’m so happy
lanceylance: we go to watch VINES
lanceylance: WHEN IS VINE 2 COMING
carrierpidgeon: more importantly, when is harry potter go coming
lanceylance: what, did u delete pokemon go
carrierpidgeon: no but i’d like a new game
lanceylance: love is a game
carrierpidgeon: tried it, lost, no desire to go back

lanceylance: :( 

carrierpidgeon: it’s okay dude

*calculate my final velocity if i jump off of the school roof from rest*

lanceylance: I FUCKED UP

lanceylance: I FUCKED UP

lanceylance: I FUCKED UP

lanceylance: I FUCKED UP

lanceylance: I FUCKED UP

hunkerdunker: no u didn’t

lanceylance: I FUCKED UP

lanceylance: I FUCKED UP

kogayne: dude it’s fine

kogayne: she said it’s fine

lanceylance: I FUCKED UP

shayfromstatefarm: text her

lanceylance > carrierpidgeon

lanceylance: I’M SORRY

carrierpidgeon: bro it’s okay, seriously

carrierpidgeon: i know u didn’t mean anything by it

lanceylance: :((( i still feel bad

carrierpidgeon: i’m over it

lanceylance: that’s a blatant lie and u know it

carrierpidgeon: i know

lanceylance: how is everything with [gestures vaguely] that

carrierpidgeon: i mean, we’re still friends
carrierpidgeon: close friends

carrierpidgeon: but

carrierpidgeon: just friends

carrierpidgeon: her girlfriend is still nice as ever

carrierpidgeon: u and keith got lucky, nyma and rolo are jackasses, they’re easy to hate

lanceylance: but plax

carrierpidgeon: i thought u said it was mutual

lanceylance: it was

lanceylance: doesn’t mean it didn’t hurt when it happened

carrierpidgeon: damn

carrierpidgeon: does keith know

lanceylance: um duh

lanceylance: besides i got over it eventually

lanceylance: look all i’m trying to say is you’ll be fine, high school’s high school

lanceylance: just live ur life

carrierpidgeon: is this where i go “NOT EVERYONE CAN BE NEUROTYPICAL, KAREN”

lanceylance: i’ve taught u well ;)

lanceylance: but i’m serious

lanceylance: u can get thru this

carrierpidgeon: ...how did u know ur other relationships weren’t meant to last

lanceylance: okay so u know that whole “marry ur best friend” thing

lanceylance: it felt a little like that with plax, except we weren’t *best* friends

lanceylance: we just happened to have a couple classes together

lanceylance: even when we got together, nothing really /changed/

lanceylance: we didn’t do a lot of coupley stuff

carrierpidgeon: i’m actually in shock

lanceylance: boi i tried
lanceylance: but after a while it became clear we just weren’t going anywhere

lanceylance: looking back on it, it was more of one of those “ur single. i’m single. let’s not be single.” things

lanceylance: and then nyma

lanceylance: that was such a...it’s a weird relationship to pick thru

lanceylance: i liked her

lanceylance: she was hot, i won’t deny it

lanceylance: but like

lanceylance: high school is for self-discovery, right

carrierpidgeon: yeah…

lanceylance: i felt trapped

lanceylance: at first i was like “aw hell yeah she’s lovin macho man lance”

lanceylance: but then there were other parts of myself i was discovering and she’d put me down

lanceylance: i mistook it as wisdom, trying to guide me in the right direction

lanceylance: i thought she was helping

lanceylance: but i started feeling worse about myself and that was when i knew it wouldn’t work

lanceylance: i tried for a little bit

lanceylance: but when our friend group got closer i realized i /wasn’t being treated right/

carrierpidgeon: and u fell for keith

lanceylance: yeah

carrierpidgeon: should i even ask how u knew he was the one

carrierpidgeon: ...he /is/ the one, right

lanceylance: yeah

lanceylance: he’s the one

lanceylance: i really can’t see myself without him, and that was one of the problems with my other relationships: i /could/ see myself with other people

lanceylance: with keith, i really can’t

carrierpidgeon: how else do u know that
lanceylance: i can be myself with him, and that’s the most important thing

lanceylance: if u feel like u need to hide, or ur walking on eggshells, it’s not right

lanceylance: at least, from my experience

lanceylance: it’s easy to be open with him

lanceylance: we genuinely care about each others’ well-being

lanceylance: i’m gonna let u in on a secret

carrierpidgeon: ...secret?

lanceylance: yeah

carrierpidgeon: i’m concerned

lanceylance: i mean, u really shouldn’t be

lanceylance: but no, i’m gonna impart some disney wisdom on u with this

lanceylance: to quote olaf the snowman

carrierpidgeon: YOU ARE NOT ABOUT TO QUOTE OLAF THE SNOWMAN

lanceylance: I’M QUOTING OLAF AND YOU CAN DEAL WITH IT

carrierpidgeon: i can’t believe i’m about to get advice from a sentient snowman

lanceylance: love is about putting someone else’s needs before yours, yeah?

carrierpidgeon: THAT’S SO CLICHE

carrierpidgeon: THAT’S NOT EVEN A SECRET

lanceylance: yeah but u wanna know what is

carrierpidgeon: what could u possibly tell me

lanceylance: keith and i have talked about breaking up

lanceylance: a lot

carrierpidgeon: ...you.

carrierpidgeon: and keith.

lanceylance: yes

carrierpidgeon: WHAT THE FUCK

carrierpidgeon: DOES HE KNOW UR TELLING ME THIS
lanceylance: pls he’s been reading over my shoulder and lowkey crying since astronomy started

carrierpidgeon: hi keith u whipped little boy

lanceylance: he says “stfu i’m taller than u” but ANYWAY

lanceylance: but anyway

lanceylance: we’ve talked about it

carrierpidgeon: WHY

carrierpidgeon: UR THE CLINGIEST COUPLE I KNOW

lanceylance: yeah i know

lanceylance: but sometimes we wonder if the other wants out

lanceylance: sometimes we think the other deserves better

lanceylance: bc lbr keith’s way out of my league

lanceylance: and we still have this sort of agreement on the table

lanceylance: it’s not like...something we’re going thru with at the moment, but if we find we wanted to

lanceylance: we agreed that if we got to college, and we wanted to really test our relationship, we’d take a break, meet other people, and see if we click with anyone else

lanceylance: (which, i’m 99.9999999999% sure won’t happen, but)

carrierpidgeon: why is that even a thing

lanceylance: well the only reason i fell for keith was because i met him and we became friends

lanceylance: so our logic was

lanceylance: we’ll never know if there’s anyone better out there if we don’t put ourselves out there

carrierpidgeon: dude that just punched me in the heart

carrierpidgeon: this whole fucking time i’ve pictured u two as this perfect insufferable couple and???

lanceylance: no couple’s perfect, not even us

lanceylance: no matter how much we act like it

carrierpidgeon: d u d e

carrierpidgeon: how am i supposed to process that

lanceylance: `\_(ツ)_/` consider it wisdom
lanceylance: we’re not perfect

carrierpidgeon: ...this got a lot deeper than i thought it would

carrierpidgeon: thanks, lance

lanceylance: (☞ الوطنيه)☞ no prob

lanceylance: gotta goooo keith is gonna stain my shoulder

carrierpidgeon > kogayne

carrierpidgeon: WHEN U SAID “GO TO LANCE FOR RELATIONSHIP ADVICE” U WEREN’T FUCKIN KIDDING

kogayne: \_-(ツ)_/-

Chapter End Notes

yeah so my dog got skunked last night for the second time in a week and it was 10x worse bc instead of happening in the middle of my backyard, it happened RIGHT at the back door so my house smells like shit and i didn't notice my bag and jacket smelled gross until i got to school and was no longer nose-blind

also, side note, on a day when i don't need perfume someone is spraying it and giving me a headache in the middle of class, but the one day i need it and nO ONE HAS IT??!! I CAN’T WIN

also i'm almost done writing chapter 24 of sgd ;) (that was completely unrelated but ANYHOO)

kogayne: NO I SEE WHERE YOU’RE GOING WITH THIS, ABSOLUTELY NOT

carrierpidgeon: IT’S TOO EARLY FOR THIS MATT

mattata: :P

takashmeoutside: where are we getting tentacles from and why

lanceylance: in some versions of the show ursula has this big-ass dress and there are six kids who play tentacles and their job is to move them

kogayne: somehow i don’t think that’s the version we’re doing
kogayne: that would require a lot more set stuff than we have the material or the motivation for
shayfromstatefarm: yeah how would that work, how would she move
kogayne: rolling platform, probably
carrierpidgeon: i mean, we’re starting early enough that maybe we could make one, but i really doubt we will
carrierpidgeon: this is high school not broadway
hunkerdunker: yeah, drama club doesn’t exactly get the kind of funding needed for a broadway-level show
kogayne: drama club barely gets the funding for a high school-level show
lanceylance: RTRHGGFKHKLHKLKLMK WHERE IS THE LIE
kogayne: anyway, lance,
lanceylance: hnnnnnnnnnn
kogayne: u got this
kogayne: i believe in u

kogayne: and i bet the aliens believe in u too
takashmeoutside: why.
kogayne: because i can
kogayne: i’m telling u, they’re out there
lanceylance: u know what’s not out there
lanceylance: my motivation to get thru the school day
lanceylance: i just wanna get my callback over with and go to work
shayfromstatefarm: you know what, i feel that
hunkerdunker: thirded
allurable: suck it up children
lanceylance: THE ONLY THING I SUCK
carrierpidgeon: is a straw. from dunkin. as u drink coffee. the end.

lanceylance: because i am, deal with it

lanceylance: i am going to romancey the fuck out of u

mattata: dont u already do that

lanceylance: yes but

lanceylance: consider: i am going to do it even MORE

hunkerdunker: i can’t believe u haven’t maxed out on affection yet

lanceylance: my reserves of love are bottomless

kogayne: \_(ツ)_/¯ im okay with it

kogayne: i enjoy being loved

lanceylance: i enjoy loving him

shayfromstatefarm: pidge are u alive
carrierpidgeon: yeah why

shayfromstatefarm: u haven’t called them out yet

carrierpidgeon: they’re cute \_(ツ)_/\ tryna reboot my new year’s resolution

shayfromstatefarm: we’re two weeks into february

carrierpidgeon: YOU CAN SELF-IMPROVE AT ANY TIME, SHAY

kogayne: u mean to tell me i can get my life in order right now

lanceylance: whoa magical

kogayne: too bad i’m not gonna

lanceylance: that’s like telling me i can do my homework at 10:01

lanceylance: like WHOOPS I MISSED 10, LET’S SHOOT FOR 10:05. OH, IT’S 10:07? 10:30 SOUNDS GOOD

mattata: i feel identified

takashmeoutside: can’t relate

kogayne: sorry not all of us are star students mr perfectionist

allurable: if he was such a perfectionist he’d have a better immune system than this

allurable: he’s still sick, matt’s sick, you know who’s not sick?

allurable: ME

takashmeoutside: i may be a perfectionist but you’re actually perfect

allurable: yeah and i don’t even have to try would u look at that

lanceylance: I THOUGHT I DID REALLY WELL BUT?????? THERE WAS A LOT OF TALENT THERE AND I AM INFERIOR

hunkerdunker: no ur not

hunkerdunker: half the guys were straining and the others were overcompensating

shayfromstatefarm: ^^^ u’ve got nothing to worry about

lanceylance: I HAVE ANXIETY

kogayne: you’ll be fine

kogayne: anyway on a completely unrelated note, is it safe to return home yet

takashmeoutside: i think the worst of it has passed

takashmeoutside: matt went home and allura’s been at his house today

lanceylance: happy valentine’s day dear boy of mine, you are the best thing that’s ever happened to me and my life would be the absolute worst without you. i know lately i put u thru hell and back with stuff i was going thru and u were there with me the whole time and i’m grateful u didn’t just like, turn around and walk away, u stayed. i know ur really worried abt college and what’s gonna happen to us when we meet new people but i’m tELLIN YOU (no matter how much u don’t believe me) that i’m gonna meet those people and be like “yeah i’m cool but u know who’s cooler, my bOYFRIEND KEITH, LOOK AT HIM I’M GONNA MARRY HIM LOOK AT HOW LUCKY I AM” bc i love u more than i’ve ever loved anyone. like, before u i did not know how much love i possessed bc i have never felt this intensely abt anyone, i could never truly picture a future with anyone until i met u. i love u sosososos much, i’m not going anywhere. i can’t /see/ myself going anywhere unless you’re at my side. and i want you there. i’ll always want u there. i fucking love u and i can’t wait to spend the rest of my life with u. happy valentine’s day, starlight <3

carrierpidgeon: DAAAAAAAAAAAAAAAAAAD

takashmeoutside: we already went thru this once with keith come onnnn

takashmeoutside: YOU’RE INTERRUPTING MY DATE

kogayne: date
**allurable:** AYYYY WE’RE WATCHIN A MOVIE HERE

**carrierpidgeon:** hrtewrdtgf you’re not even from new york

**mattata:** no she’s not she walked straight out of my dreams

**kogayne:** are you and shiro trying to outdo each other on pickup lines

**kogayne:** bc between the perfection line yesterday, and now this

**allurable:** he doesn’t know that i’m a nightmare dressed like a daydream

**lanceylance:** and then there’s allura, the queen she is

**allurable:** :)

**mattata:** anyway can we go now, i want to get back to being cuddled

**carrierpidgeon:** ...who’s house

**mattata:** ours

**carrierpidgeon:** HNNNN GUESS I’M GONNA GO TO THE LIBRARY AFTER SCHOOL OR SOMETHIN

**carrierpidgeon:** CONSIDERING SHAY DIDN’T PUT ME ON THE SCHEDULE TODAY

**shayfromstatefarm:** \_(\^\_\^\_\~/ I WAS GONNA GIVE U A DAY OFF

**shayfromstatefarm:** I COULDN’T HAVE PREDICTED THAT

**carrierpidgeon:** it’s fine i’ve got a research paper to write anyway

**carrierpidgeon:** may as well get it done instead of putting it off

**lanceylance:** lmfao can’t relate

**lanceylance:** there are like four different worksheets for physics i haven’t even started but it’s okay!!

**lanceylance:** they’re not due until our next test and until i know when that is

**lanceylance:** nothing is getting done

**hunkerdunker:** why are u like this

**lanceylance:** because i can

**lanceylance:** who’s stopping me

**kogayne:** lance get it DONE so you don’t have a mENTAL BREAKDOWN WHEN UR WORK INEVITABLY BECOMES TOO MUCH

**lanceylance:** fine then do u wanna do them with me this weekend mr “i’m gonna reprimand lance like my own worksheets are sitting untouched in my folder”
kogayne: :O

lanceylance: u ain’t slick i watch u

lanceylance: ur so damn attractive it’s distracting

kogayne: BOI

carrierpidgeon: why are people in relationships so weird

carrierpidgeon: this school’s on a love trip i can’t deal

hunkerdunker: ACTUALLY I HAVE AN ANSWER ON THIS

carrierpidgeon: leave it to u

hunkerdunker: love triggers chemical changes in the brain that deactivate the frontal cortex

hunkerdunker: the frontal cortex plays a big role in judgment

hunkerdunker: ur dopamine levels also rise and ur serotonin levels go down which is why u get anxious and jittery

hunkerdunker: there’s also a disconnect with the amygdala, which is responsible for processing fear and stuff

lanceylance: smh antok should’ve taught us about this today

lanceylance: all we did was prep for the test next week

lanceylance: WHICH IS ON THIS SHIT

hunkerdunker: \_\_!(ツ)_/\-

carrierpidgeon: hunk why do u know this

hunkerdunker: \_\_!(ツ)_/\-
\_\_!(ツ)_/\-
\_\_!(ツ)_/\-
i got bored

kogayne: seems legit

SCHOOL SQUAD

(1) video from carrierpidgeon

carrierpidgeon: i’m selling them for one corn chip first come first serve

dinezor: OH MY GOD WHAT IS THIS

zethridofmyproblems: it’s called “lance started serenading keith but then keith turned it into a duet and now the whole cafeteria’s involved”

dinezor: LEGENDS
lotoreal: why are people in relationships so strange

hunkerdunker: SCIENCE HERE I EXPLAINED IT EARLIER ACTUALLY

(1) photo from hunkerdunker

sippinganartini: i just listened to the video

sippinganartini: keith did you audition for the little mermaid

kogayne: nah

kogayne: not my thing

acxalutelynot: “not my thing” what the fuck dude

kogayne: \_(ツ)_/\ i don’t exactly have stage presence

kogayne: and i’m a lot more comfortable backstage

lanceylance: u would make a killer eric tho, u’ve got the looks

lotoreal: i can’t argue that

acxalutelynot: ^^^

dinezor: AS GAY AS I AM

kogayne: welcome to the club

sippinganartini: yep i totally 100% agree with this assessment of keith’s appearance

dinezor: NARTI U CAN’T DO THIS TO ME

kogayne: \_(ツ)_/\ sorry guys but acting? no thanks

kogayne: stage crew means i can wear all black and not feel guilty about it

carrierpidgeon: u already wear all black without feeling guilty about it

kogayne: shhhh

kogayne: o h SHIT BRB

lotoreal: what’s going on

zethridofmyproblems: lance’s ex

lotoreal: ...judging the reaction, i’m going to assume we’re not talking about plax

zethridofmyproblems: correct, plax isn’t in this lunch wave

dinezor: ew nyma
**dinezor:** what’s going on, give me the play-by-play

**zethridofmyproblems:** i mean, it’s nothing huge?

**zethridofmyproblems:** she started walking toward their lunch table with this Look on her face

**sippinganartini:** define look

**zethridofmyproblems:** immense annoyance and displeasure

**zethridofmyproblems:** and like??? anger?????? but not anger??????

**lotoreal:** what do u mean but not anger

**zethridofmyproblems:** ¯\_(ツ)_/¯ ¯\_(ツ)_/¯ ¯\_(ツ)_/¯ ¯\_(ツ)_/¯ ¯\_(ツ)_/¯

**sippinganartini:** i did not need my text-to-speech going “shrugging emoticon” six times in a row

**zethridofmyproblems:** whoops sorry narti

**kogayne:** OKAY WELL

**lotoreal:** what happened?

**kogayne:** she got pissy because we “interrupted” a “peaceful lunch” but then she like

**lanceylance:** I WANT MURDER

**kogayne:** lowkey flirted with lance

**kogayne:** a little

**carrierpidgeon:** real subtle

**carrierpidgeon:** if u didn’t know what was going on you’d be oblivious

**dinezor:** wait is there something going on

**kogayne:** shit

**hunkerdunker:** uh

**lanceylance:** yeah there is, i got a drunk text from her one night and she might still like me but we’re not sure

**lotoreal:** w h a t

**acxalutelynot:** OH SHIT

**dinezor:** TEA TEA TEA TEA TEA

**kogayne:** so we texted rolo

**kogayne:** bc mr moral compass over here was like “we don’t know if she’s safe, we should tell her
boyfriend”

**kogayne:** except he’s not her boyfriend anymore

**dinezor:** I THOUGHT THAT RUMOR WAS FAKE

**kogayne:** nope

**shayfromstatefarm:** they broke up

**kogayne:** i’m pretty sure rolo now has it out for lance but he hasn’t done anything so we can’t prove anything but we have a Feeling

**lanceylance:** he also probably has it out for keith in general but \(\_\(\ツ\)_/¯\) no proof means we can’t do anything

**lanceylance:** but ANYWAY

**carrierpidgeon:** she was still talking to lance so lance literally grabbed keith by the shirt and started kissing him till she went away

**kogayne:** \(\_\(\ツ\)_/¯\)

**dinezor:** omfg

**lotoreal:** ...ew

**lanceylance:** gotta show EVERYONE, including the FUCKING BRICKS OF THIS SCHOOL, that i have a BOYFRIEND and i LOVE HIM and i’m GOING TO MARRY HIM AND START A FAMILY WITH HIM

**lanceylance:** she literally

**lanceylance:** mmmmmmMMMMM I’M SO ANGRY

**lanceylance:** she still thinks i like her and that’s so fucking weird to me, i hate her

**dinezor:** how come u hate her and not plax

**lanceylance:** the nature of the breakups

**lanceylance:** there’s shit i don’t wanna get into but basically nyma is awful and never grew out of it >:(

**carrierpidgeon:** start another song to spite her

**lanceylance:** …

**lanceylance:** >:)

Chapter End Notes

OKAY SEASON 5 DISCUSSION

if u haven't seen the trailer or don't want to see any theories then skip back down to the next bolded line

SO THESE ARE BOTH THEORIES, THOUGHTS, OBSERVATIONS, AND WISHES I'M JUST GONNA BULLET POINT
-black paladin lance black paladin lance black paladin lance black paladin lance bLACK PALADIN LANCE BLACK PALADIN LANCE
-WHAT'S UP WITH THE WHITE LION, i wonder if it's a) a manifestation of allura's powers or b) something created by zarkon (there was a theory going around bc she looks defensive in that shot and not like, shocked or awed)
-THERE'S THAT PHOTO CIRCULATING OF KEITH. WHAT'S HE LOOKING AT??? I HAVE SEVERAL THEORIES
--he finds his mom
--maybe or maybe not connected to the first point, he finds out acxa is his sister or something (they're connected somehow i sWEAR)
--he finds the real shiro (i'm still fully on board the "kuron is with the team right now" theory)
--alternatively or in conjunction with the previous point, he finds out kuron is a clone
---ALSO, he could find this out when he sees shiro is being held hostage, or lotor and kuron are holding another teammate hostage (i have a lot of ideas alright)
-i don't trust lotor
-DOES LOTOR FIGHT SENDAK?? HOW DID THEY EVEN FIND SENDAK?????
-lmao rolo and nyma being their allies is so weird given the direction i took them in this fanfic rterdgfdg
-it looks like the team splits for two missions?? hunk, lance, and allura on one and pidge, matt, and shiro on the other?? (that second team smells suspiciously like a fanfic i wrote ",;/ mmm)
-can i get coleadership klance. pls.
-lance unlocks jawblades in red, we've only ever seen black use them :O
-WHAT HAPPENS WHEN ALL FIVE PALADINS USE THEIR BAYARDS
-i highkey want keith to come back and be a paladin again
-?????? [loud shrieking]

okay you can stop skipping now

idk when the next chapter is gonna be, i have a half day and then i'm on break so i
wanna work on sgd and also oneshots bc i still have a fuckton of prompts left from two
months ago

byeeeee
a...DRAMAtic chapter...GET IT? smh you'll see

Chapter Summary

the cast list is out; someone can't just seem to leave keith and lance alone. also lots of klance bc i love them and miss them and monday i literally cried about them being soft. why am i speaking in the summary. AAAAAAAAAAA

Chapter Notes

HEY SORRY FOR THE FACT THAT IT'S BEEN LIKE A WEEK SINCE THE LAST UPDATE

there were like 3 different chapters i started over the long weekend that all got scrapped

i meant to update other fanfics in that time and it just...didn't happen

ANYWAY HERE'S THE CHAPTER, IT'S A LONG ONE

minor trigger warning for...okay, so like, not neglect, but like...childhood isolation. i guess. IT'S MILD DON'T WORRY TOO MUCH

See the end of the chapter for more notes

kogayne > lanceylance

kogayne: hey

lanceylance: dude it’s 4 AM

kogayne: why are u awake then

lanceylance: ...no reason

lanceylance: what’s up

kogayne: you still love me, right?

lanceylance: i’m pretty sure my feelings go beyond love at this point but yes

lanceylance: why

kogayne: oh thank god

lanceylance: what’s going on??

kogayne: i had a dream and we broke up and i woke up in a cold sweat and couldn’t tell if it actually
happened or not

**lanceylance:** yeah that’s not called a dream that’s a nightmare

**lanceylance:** anyway u wanna describe it to me so we know what to avoid

**kogayne:** it was just really fucking ridiculous

**kogayne:** we were arguing but neither of us were willing to back down and listen and then we just started throwing insults and???? feelings got hurt

**kogayne:** mostly mine

**lanceylance:** oof

**lanceylance:** do u remember what the fight started over????

**kogayne:** i don’t even know i think it had to do with one of us self-isolating and the other exploding but i’m not sure

**kogayne:** which would be ironic, bc we both self-isolate

**lanceylance:** yeah…

**lanceylance:** wow we both really need to work on that

**kogayne:** i know

**kogayne:** i’ve been trying

**lanceylance:** i noticed

**lanceylance:** so have i

**lanceylance:** listen…even if u feel like u really need to be isolated…or like u need to hide from everyone…don’t hide from me

**lanceylance:** please let me in

**lanceylance:** i won’t pry, i won’t judge, i’ll be a wall between u and the world if i have to

**kogayne:** i’ll try

**kogayne:** and i want u to do the same

**kogayne:** let me be there

**lanceylance:** alright

**kogayne:** hey…if u don’t mind me asking…why /do/ u self-isolate?

**kogayne:** i mean, u know why i do

**kogayne:** but when we first met and became friends, you always struck me as the kind of person to
like, i dunno

kogayne: rant about their problems public-forum style and get advice

lanceylance: i think it’s just the way i grew up

lanceylance: i mean, logically, you’d think in a big family i’d be fighting for attention constantly

lanceylance: which i mean

kogayne: you in sixth grade through freshman year

lanceylance: yeah i was a little shit

lanceylance: but no, i think it mostly stems from growing up in a big family

lanceylance: i’m the youngest of seven, u know what i mean?

lanceylance: the last to accomplish everything

lanceylance: my parents meant well and i know they tried their hardest but sometimes i could tell when things just weren’t impressive anymore

lanceylance: “oh lance made the honor roll! ...literally all of our other kids have done this it’s not exciting.”

lanceylance: i remember there being a span of a few months where i just wouldn’t say anything and would just let my older siblings talk all the time

kogayne: ...which is where the need for validation at school came from

kogayne: but then u didn’t wanna be seen as a burden, bc u were always so energetic, so u internalized ur problems

lanceylance: yes A+ psychoanalysis dr. mullet what would i do without u

kogayne: \_\_\_/¯

lanceylance: anyway, it got better, eventually

lanceylance: yknow when my siblings grew up and moved out

lanceylance: i just wish it’d been easier a lot sooner

kogayne: :( 

kogayne: you know, i think ur pretty damn cool

lanceylance: :)

lanceylance: ur cute

kogayne: seriously
kogayne: i promise right now u will never ever feel like no one cares ever again bc i will always care

kogayne: always

kogayne: ur my better half and the things u do are amazing

lanceylance: aaaaaaaah :) i love u so much it’s physically painful

kogayne: i miss you

lanceylance: i mean, we saw each other this afternoon

kogayne: doesn’t change the fact that i miss u

kogayne: especially given we just broke up in dreamland

lanceylance: tell our dreamland selves to get their shit together

lanceylance: if we’re soulmates we’re supposed to be together in every reality

kogayne: u think if i try lucid dreaming i can get in there and yell at them

lanceylance: YO LUCID DREAMING IS REALLY TRIPPY AND WE HAVE TO BE AWAKE IN TWO HOURS

kogayne: yeah speaking of sleep GO TO BED, LANCE

lanceylance: noooo

kogayne: WHY HAVE U BEEN AWAKE THIS LONG

lanceylance: calc

kogayne: boi

kogayne: u could’ve asked for answers

(6) photos from kogayne

kogayne: fill them out in the morning now gO TO SLEEP DAMMIT

lanceylance: fine

lanceylance: thanks baby

kogayne: BED

lanceylance: I’M GOING

carrierpidgeon: gtrewrtrgfed okay so listen there are these kids in my civics class right
carrierpidgeon: and they know i’m super involved with crew and friends with all the drama seniors

carrierpidgeon: these kids have siblings in like, junior year and other sophomore friends who auditioned and wanted BIG ROLES

carrierpidgeon: we’re talking ursula, ariel, eric, the whole nine yards

carrierpidgeon: and they’re now considering dropping the show

lanceylance: WEAK ASSES

kogayne: how are u gonna claim to love doing theatre and then drop the minute u don’t get the role u want

hunkerdunker: honestly that sends such a bad message to the directors

carrierpidgeon: also they’re a lil miffed by casting for like the chef, scuttle, all them

shayfromstatefarm: yeah i agree scuttle should’ve been the chef and the chef should’ve been...idfk just not the chef

allurable: yeah i did think some of that casting was strange, just based on what i’ve heard about your school

kogayne: yeah some of that casting is definitely off BUT THESE LEADS THO

kogayne: the guy who got eric is really hot?? apparently???? and can sing like an angel???

lanceylance: gryrterwefthgfed ur makim me blush, kogane

kogayne: then i’m doing my job and i’m doing it well

carrierpidgeon: heathens

carrierpidgeon: ANYWAY you already know half of ensemble is gonna drop for one reason or another

shayfromstatefarm: “wow this is a bigger commitment than i thought bye”

kogayne: “damn didn’t get the part i wanted, peace out”

lanceylance: “lmfao no one cares about ensemble later losers”

allurable: WHY IS THAT STILL A THING

allurable: THAT WAS SUCH A PROBLEM IN OUR YEARS

mattata: one show we almost didn’t have an ensemble

mattata: watching cast scramble was equal parts hilarious and terrifying, bc cast and crew were still at each others’ throats back then

takashmeoutside: the cast was tense as hell and taking it out on us
mattata: WE JUST WANTED TO MOVE SETS

allurable: i remember that show and i don’t want to, that was nightmarish

mattata: one of the crew members fucked up and accidentally moved a prop

kogayne: NO THAT’S LIKE RULE NUMBER ONE: DON’T TOUCH THE PROPS

lanceylance: freshman year some seniors almost got into a fistfight over touched props

lanceylance: another one of the seniors threw a hissy fit in the middle of rehearsal

allurable: the guy that matt’s talking about got decked

mattata: baaaaaad black eye

takashmeoutside: he was allowed to stay in crew but the actor who hit him got banned from drama club

kogayne: why is everyone in this hell club so...dramatic

carrierpidgeon: i actually hate u

shayfromstatefarm: ^^^^^^^^^^ 

lanceylance: :O :( i thought it was a good one

kogayne: thanks lance

lanceylance: i gotchu babe

shriking

hunkerdunker: GUYS I JUST CHECKED MY EMAILS

shayfromstatefarm: HUNK CONGRATS!!!!! THAT’S MY BOY!!!!!!

kogayne: CONGRATS DUDE

carrierpidgeon: LOOK AT U GO U FUCKIN SCHOLAR

takashmeoutside: congrats hunk!

allurable: GO HUNK GO

mattata: HUNK DUDE THAT’S AMAZING
hunkerdunker: AND I GOT SCHOLARSHIP MONEY

lanceylance: YES! !!!! YESSS!!!

hunkerdunker: I’M GOING TO COLLEGE WITH MY GIRLFRIEND HOLY SHIT

hunkerdunker: IF LANCE AND KEITH GET ACCEPTED THEN I’M GOING WITH MY BEST FRIENDS

allurable: when do those two find out again

lanceylance: end of march?

kogayne: beginning of april?

hunkerdunker: u know what would’ve sucked

hunkerdunker: if i’d gotten deferred

hunkerdunker: then i would’ve had to wait till then, when i specifically asked to FIND OUT EARLY

shayfromstatefarm: WELL BE GLAD U FOUND OUT NOW

cARRIERPIDGEON: oh my god all of my friends are going to college

kogayne: sherrie?

lanceylance: the other underclassmen in drama club?

shayfromstatefarm: make more friends! :D

hunkerdunker: ^^^

cARRIERPIDGEON:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

mattata: hack into the college system and get yourself in there with a fake id

mattata: just do it

mattata: ur smart enough, they’d never catch u

mattata: mom and dad would be so proud

cARRIERPIDGEON: ...i like the way u think

cARRIERPIDGEON: no one there would know me as pidge, right

cARRIERPIDGEON: sneak in as pidge...pidge...

cARRIERPIDGEON: GUNDERSON

cARRIERPIDGEON: that sounds badass
mattata: ...why does that sound familiar

mattata: IS THAT THE NAME OF ONE OF YOUR RPG CHARACTERS

carrierpidgeon: ...nooooo..............

mattata: i can’t believe mom raised /two/ nerds

Respecting Women Juice

dinezor: i can’t believe ur new name is legolas

lotoreal: EZOR

dinezor: why didn’t one of us come up with that

sippinganartini: what did i miss in the drama chat this time

dinezor: lance called lotor legolas and i totally see it

sippinganartini: omfg me too

dinezor: FUCK

sippinganartini: ur fine

sippinganartini: how did casting go

sippinganartini: is prince eric in this chat

lotoreal: no

lotoreal: that would be lance

sippinganartini: aw

sippinganartini: sorry lotor

lotoreal: no big deal

lotoreal: he’s been in the club longer, evidently he’s been waiting for this

sippinganartini: wait so what’s lotor’s role

sippinganartini: is he in the ensemble

lotoreal: no

lotoreal: i’m sebastian

dinezor: he’s gonna serenade lance and plaxum and acxa i need u to sneak out to house and film the whole thing, every show
sippinganartini: what are the other roles

dinezor: I’M FLOUNDER

sippinganartini: nice

lotoreal: i’m sebastian, she’s flounder, lance is eric, plaxum is ariel, shay is ursula, hunk is triton...

acxalutelynot: honestly those were the only roles we cared about, i can read the list off at lunch if u want

sippinganartini: yeah that would be good

sippinganartini: shay as ursula though

sippinganartini: she’s a soft person

zethridofmyproblems: yeah that casting surprised a lot of us

zethridofmyproblems: but compared to the other girls who tried out, she’s one of the few that had the physical presence for it

dinezor: ^^^ my money was on her or one of the juniors

sippinganartini: so when do rehearsals start

acxalutelynot: monday

acxalutelynot: we have no idea when crew is starting

acxalutelynot: most of crew will probably end up going to the first rehearsal just to see about the timeline

zethridofmyproblems: ahhh, drama season

acxalutelynot: but drama season or drama season

zethridofmyproblems: yes

yolorolo > lanceylance

yolorolo: so, i saw the drama club twitter

lanceylance: didn’t we block you

yolorolo: i won’t say how i saw it

yolorolo: congratulations

lanceylance: what do you want
lanceylance > kogayne

lanceylance: ur ex just texted me and i don’t know what he wants

kogayne: HE WHAT

lanceylance: sit down

kogayne: nO WHY IS HE TEXTING YOU

lanceylance: twenty bucks it’s unwarranted harassment

kogayne: i’d make that bet but i’m on ur side so

yolorolo > lanceylance

yolorolo: not much

yolorolo: i see plaxum is ariel

lanceylance: get the fuck out of here

lanceylance: i know what you’re implying

yolorolo: wow, observant

lanceylance: bye

yolorolo: fine, u don’t need to respond

yolorolo: just wondering how keith feels

yolorolo: it’s not nice to play with his feelings, you know

lanceylance > kogayne

(2) photos from lanceylance

kogayne: block him

lanceylance: or i could let him dig this hole deeper and just keep a stockpile of these screenshots

kogayne: or u could block him bc i know u don’t like this

kogayne: literally WHAT is his DEAL

lanceylance: ...he’s probably still pissed about nyma

kogayne: OHHHH MY GOOOOOD HE FKED THAT UP FOR HIMSELF

kogayne: W H Y DOES HALF THIS SCHOOL THINK YOU’RE UNFAITHFUL
lanceylance: ¯\_(ツ)_/¯ I DON’T FUCKIN KNOW

kogayne: I HATE IT SO MUCH

kogayne: LISTEN TO ME YOU’RE THE SWEETEST MOST LOYAL BOY I KNOW AND THESE FUCKERS DON’T KNOW WHAT THEY’RE MISSING

lanceylance: sweest

kogayne: fuck i was so close

lanceylance: it was cute otherwise

lanceylance: honestly i’m not...suuuuuuuuuuuuuuper bothered?

lanceylance: rolo’s a giant DICK

lanceylance: and i’m more worried about him insinuating that you’re hurt

lanceylance: ur not hurt, right

kogayne: if i was worried about plax i would’ve auditioned for ariel myself

kogayne: i’ve said it before and i’ll say it again bc i know u want the reassurance:

kogayne: i trust you

kogayne: i trust u with my entire life tbh

kogayne: if we were like,

kogayne: i dunno, stuck in space with no one but one other person to fight our way home with, i’d wanna be stuck with u

lanceylance: i fucking love you

kogayne: i love u too

kogayne: now go verbally kick rolo’s ass and then bLOCK HIS NUMBER

lanceylance > yolorolo

lanceylance: think whatever u want

lanceylance: keith and i take care of each other just fine

lanceylance: unlike you, i know how to make a relationship last

yolorolo: is that why you dated two other girls before you settled?

lanceylance: is that why your ass is single?
yolorolo: that was a choice

lanceylance: yeah, whose choice?

yolorolo: i did what i had to do

lanceylance: sure you did

yolorolo: watch the attitude, mcclain

lanceylance: you texted me first and then brought keith into this

lanceylance: you mess with the bull, you get the horns

yolorolo: how deep.

lanceylance: are we done here?

yolorolo: just seems weird

yolorolo: all of a sudden, your exes are crawling back to you

yolorolo: u sure you’re not up to something?

lanceylance: why do you want me to be up to something?

yolorolo: why are you deflecting?

lanceylance: answer my fucking question. what are you up to.

yolorolo: just keeping keith’s best interests at heart

lanceylance: best interests? you tried to jump him

lanceylance: you broke his heart

lanceylance: you didn’t care about his interests

lanceylance: from what i can tell, you’re bent on hurting him, for one reason or another

lanceylance: i don’t know if you’re jealous because he’s found love, or if you’re bitter because you couldn’t hang on to nyma, but leave him alone. stay the fuck away from him.

yolorolo: wow, so possessive

lanceylance: it’s called being protective. it’s called caring. you should try it sometime.

lanceylance: goodbye.

yolorolo: oooh watch out we got a badass over here

yolorolo: you talk big

yolorolo: but how about your walk?
**kogayne > yolorolo**

**kogayne:** listen here, asshole

**kogayne:** lance showed me the texts

**yolorolo:** am i supposed to be surprised

**kogayne:** stay the fuck away from him

**yolorolo:** funny

**yolorolo:** he said the same thing about you, and look who i’m talking to right now

**yolorolo:** didn’t you have my number blocked?

**kogayne:** so what if i did

**kogayne:** just leave my boyfriend alone

**kogayne:** stop trying to drag him into shit because you have a bone to pick with me or whatever

**yolorolo:** bone to pick with you?

**yolorolo:** please, he’s the reason my girlfriend is no longer my girlfriend

**kogayne:** you’d think, if you broke up, you wouldn’t call nyma your “girlfriend”

**kogayne:** oh, sorry, is her name too much for you to handle?

**kogayne:** upset that nyma apparently still likes lance? upset that nyma dumped you?

**yolorolo:** i dumped her.

**kogayne:** trash taking out trash, i don’t see a difference

**yolorolo:** classy. anyway.

**yolorolo:** aren’t you worried that she likes lance?

**kogayne:** no

**kogayne:** unlike some people, lance and i have a stable relationship

**kogayne:** exclusive, thanks

**kogayne:** so butt out

**kogayne:** fuck off

**kogayne:** leave the country honestly i just don’t give a shit as long as u gtfa

**yolorolo:** *gtfo*
kogayne: gtfa
kogayne: get the fuck away
kogayne: bye
yolorolo: alright keithy, i see how it is
kogayne: ERROR. Unable to reach the number you have texted.
yolorolo: very funny, that’s not even a real error message
kogayne: ERROR. Fucks not found.

shrieking
carrierpidgeon: KEITH LANCE SPILL TEA IN THE GROUP CHAT WHAT HAPPENED AT LUNCH
kogayne: rolo was being a shithead
carrierpidgeon: :O
takashmeoutside: wait what’s going on
shayfromstatefarm: keith and lance spent all of lunch bent over their phones
shayfromstatefarm: they were furious
takashmeoutside: i saw rolo
kogayne: he’s being an ass
kogayne: texts lance out of the blue to start harassing him, so i stepped in, and he wouldn’t stop running his mouth
lanceylance: ...well, fingers
lanceylance: it was a text conversation
mattata: DEETS DEETS DEETS DEETS DEETS DEETS
kogayne: he kept insinuating that lance was up to something bc plax and nyma were “crawling back to him”
kogayne: yeah nyma might be but he and plax literally just happened to have gotten the leads in the show
lanceylance: we’re FRIENDS and nOTHING ELSE but THIS DICK wants SO BADLY to think that i’m hurting keith
kogayne: if i didn’t know better i’d think he still likes me
hunkerdunker: ...okay i know that was a joke but think about it seriously for a minute

kogayne: ...oh holy shit

kogayne: NO

kogayne: IT'S NOT POSSIBLE

takashmeoutside: didn’t he literally try to jump you

kogayne: YES

kogayne: there’s no fucking way

lanceylance: he /did/ imply he has issues with me but not u

kogayne: no this is not happening there’s no way both of our exes want us back nope nope nope this is like some shitty fanfic situation not doing it no bye

carrierpidgeon: holy shit

kogayne: NOPE WE’RE CHANGING THE SUBJECT WE CAN FIGURE THIS OUT ANOTHER DAY I DON’T WANNA DEAL WITH IT ANYMORE

lanceylance added kogayne and madplax to CONSTANT VIGILANCE

madplax: ...what is this and why am i here

madplax: should i be concerned about that name

lanceylance: just a warning

lanceylance: rolo’s being a trick ass bitch

madplax: that’s not news

lanceylance: he said some shit to keith and me and he mentioned you

lanceylance: he thinks you wanna get back with me or whatever, so just in case he suddenly texts /u/ and tries shit

lanceylance: we are frieeeeeeeends

madplax: yeah i was aware of that captain obvious

lanceylance: well if rolo comes along being like “omg mcclain wants to date u again” that’s FALSE

madplax: dude is still bitter about his breakup with nyma, huh

kogayne: oh yeah

lanceylance: there’s also this conspiracy theory we have that he might still like keith but if that
happens we’re gonna like, flip shit, so we hope that’s not true

**madplax:** both of your exes in love with u again? that sounds like something straight out of a cliche fanfic wtf

**lanceylance:** wretjhgrewfsg we know

**madplax:** hey yo keith

**kogayne:** what

**madplax:** [bats eyes] do u find me...threatening…

**kogayne:** ur about as threatening as a kitten with a ball of yarn

**lanceylance:** i mean,

**madplax:** bad analogy

**kogayne:** sorry ur about as threatening as calculus

**lanceylance:** i fuckin hate calc

**kogayne:** exactly you’d never willingly go there after this year

**madplax:** that’s fair

**madplax:** anyway thanks for the head’s up

**madplax:** good luck with expired fruit roll-up

**kogayne:** that’s the best u can do

**madplax:** `_(ツ)_/¯`

**shrieking**

*(6) photos from kogayne*

**kogayne:** the weather is warm for some reason?? i stepped out of school expecting a chill and

**kogayne:** it felt like spring

**kogayne:** also lance was pretty in the sunlight

**lanceylance:** AAAAAAAAAAAAAAAAAAAAAA

**hunkerdunker:** u know that the warm weather is only supposed to last through tomorrow, and then it’s supposed to drop again

**lanceylance:** LET US HAVE THIS

**hunkerdunker:** just be prepared on thursday for the chill
lanceylance: LET US BASK IN THE SUNSHINE WHILE WE CAN

hunkerdunker: alrighty then

shayfromstatefarm: are u losers coming to work or what

kogayne: sorry i had to appreciate lance

lanceylance: btyjmuchgrsfdfgh

shayfromstatefarm: unbelievable

Chapter End Notes

yeah so ur girl got jetsam in the musical, it only took me four years to get a good role

i literally have no idea when the next chapter is going up i should be writing a scholarship essay right now byeeee
the first of the promposals have been spotted...promposal season has begun

Chapter Summary

non-existent wednesday chapter: i dunno man they went to school, it was nice out, idk keith probably took more pictures of lance being pretty who tf knows let ur imagination run wild
thursday summary: apparently promposal season started? also...someone is up to something...

Chapter Notes

i love klance so much i spent the last hour crying about them and now i wanna write like 34543884 klance-centered oneshots, many of them featuring lance's family

See the end of the chapter for more notes

shrieking

hunkerdunker: so apparently promposal season has begun

lanceylance: WHAT

kogayne: like senior prom?

hunkerdunker: yeah, someone just got promposed to in my first period

lanceylance: JUNIOR PROM HASN’T EVEN HAPPENED YET

shayfromstatefarm: the prom dress twitter’s been tweeting promposals since last week did u guys not know??

kogayne: there’s a prom dress twitter?

shayfromstatefarm: yeah

lanceylance: why

shayfromstatefarm: so people don’t buy the same dress and have a big fashion faux pas

allurable: see twitter wasn’t like, super popular when i was a senior

allurable: that’s smart

shayfromstatefarm: ikr?

hunkerdunker: wait shay send us the twitter page
lanceylance: yeah i need to see these promposals

(1) link from shayfromstatefarm

mattata: what, are u gonna one-up them

lanceylance: my gut reaction is to say yes but i just need to do one that’ll have keith swooning

carrierpidgeon: disgusting™

takashmeoutside: he swoons any time u do anything, you could probably just text him “prom?” and he’d faint

kogayne: asshole

lanceylance: WHAT KIND OF WEAK PROMPOSAL

shayfromstatefarm: pls don’t tell me he or matt asked each other to prom over text

mattata: i seduced him with science

takashmeoutside: he promposed with a giant poster full of science puns in the middle of physics

allurable: i skipped class to take photos

carrierpidgeon: /you/ skipped class

allurable: i may have had a million things going on but i was /also/ that one girl with like, a core group of friends and everyone else was an Acquaintance

allurable: i was a nerd

mattata: what do u mean was

allurable: shut up nerd

lanceylance: but what does that have to do with skipping class

allurable: okay so i didn’t /skip/ i missed the first five minutes

allurable: i was one of the lone wolf kids who the teachers liked, no one really cared if i walked in or out a few minutes late

kogayne: tag urself

carrierpidgeon: tag urself

carrierpidgeon: :O

kogayne: drift compatible

shayfromstatefarm: BUT I THOUGHT YOU HAD A NETWORK

allurable: i did
allurable: doesn’t mean i spent a lot of time befriending those kids

allurable: purely Business

hunkerdunker: this revelation, i need a minute

hunkerdunker: /holy shit/

hunkerdunker: this whole time i’ve been under the impression that allura was like lance, but like, with slightly better grades

lanceylance: i almost said “you people are the only people i talk to” but then i realized

lanceylance: i’m a natural charmer (☞■_■☞)

kogayne: yes, antagonizing me for several years, that’s how i fell for u

lanceylance: hush mulletman

kogayne: I WON’T BE SILENCED

lanceylance: ANYWAY

lanceylance: i gotta start planning so keith’ll be really wowed

takashmeoutside: well like i said,

kogayne: a s s h o l e

carrierpidgeon: (he’s irritated bc shiro is 100% correct)

carrierpidgeon: i remember when keith was still a pining idiot in sophomore year

kogayne: PIDGE

carrierpidgeon: “PIDGE!!” [flops down face-first on the floor] [groans] “HE’S SO CUTE. HE GAVE ME HIS NOTES FOR CHEMISTRY. I CAN’T DEAL WITH THIS!!”

kogayne: dead to me

lanceylance: well, we /do/ have some /great/ chemistry

hunkerdunker: you’re the worst

lanceylance: yeah but u love me

hunkerdunker: why are we friends?

lanceylance: bc when we swore to protect each other from bullies in elementary school and now we can’t leave

hunkerdunker: oh shit that pact was for life?

lanceylance: LISTEN HERE
mattata: ...i wanna hear more about this pact
mattata: bc that’s not how shiro and i became friends
lanceylance: OKAY SO WHEN WE WERE LITTLE WE BOTH GOT BULLIED RIGHT
hunkerdunker: english is neither of our first languages and we were both struggling
lanceylance: not to mention, neither of us are exactly wonder bread
lanceylance: unlike the holts over there
mattata: ＿(ू°̀ prostitutes°́)＿
lanceylance: also not to mention, when i figured out i was bi, i was afraid of backlash
hunkerdunker: little lance and little hunk ended up getting paired up for an activity in class purely by chance
lanceylance: bffs ever since
hunkerdunker: a bond that can’t be broken
lanceylance: (☞ﾟヮﾟ)☜
mattata: see, in kindergarten, shiro accidentally broke my glasses so our moms made us hang out
mattata: and we discovered we were both nerds
takashmeoutside: KICK ASS
mattata: GO TO SPACE
takashmeoutside: REPRESENT
mattata: THE HUMAN RACE
hunkerdunker: so how did allura get involved?? astronomy class, right????
allurable: i made the mistake of taking that elective with them and we were the only ones who knew what was going on
allurable: we exchanged numbers solely to roast the kids in our class
kogayne: see you all had choices
kogayne: im fuckin stuck with pidge
carrierpidgeon: matt and shiro wouldn’t let us not be friends
kogayne: “matt has a new little sister. her name is katie. you’re gonna be friends.”
carrierpidgeon: keith’s the worst
kogayne: pidge is a nightmare

cARRIERPIDGEON: free me from this hell

ekogayne: save me

shayfromstatefarm: this is not how i envisioned this friend group when hunk told me all about you guys freshman year

hunkerdunker: \_(\^\_\^)_/¯

lanceylance: and how /did/ dear old hunketh describe us?

shayfromstatefarm: “lance is my best friend! he’s a really cool guy and really high energy! he’s kind of a flirt tho so like, be warned. then there’s pidge. she’s a couple years younger than us but SUUUUPER smart and into robotics and space. and then there’s keith. he’s kinda quiet. a little emo but he’s still cool. he and lance have some kind of rivalry thing tho. i actually don’t know how they ended up in the same friend group.”

lanceylance: BECAUSE YOU AND PIDGE MADE US

mattata: yeah but look where you are now!

takashmeoutside: hold on he told shay keith was emo right from the get-go

kogayne: HUNK

hunkerdunker: \_(\^\_\^)_/¯ sorry dude, i called it as i saw it

kogayne: I CANT BELIEVE

takashmeoutside: i can

lanceylance: you wore a lot of black

cARRIERPIDGEON: he still wears a lot of black

lanceylance: you had a mullet

cARRIERPIDGEON: he still has a mullet

lanceylance: you had this Broody™ look you always pulled out

cARRIERPIDGEON: he still has that look

lanceylance: you tended to lone wolf things

cARRIERPIDGEON: he still lone wolfs some things

kogayne: are we done roasting keith

lanceylance: yes, now ur nice and toasty, now u can be my heater bc mother nature can’t decide what she wants to do
kogayne: smh that’s all i’m good for
lanceylance: i love youuuuu <3333
carrierpidgeon: barf
kogayne: ^^^
lanceylance: BABE RUDE
kogayne: suffer
takashmeoutside: keith be nice
mattata: LANCE FIGHT HIM WITH MEMES
lanceylance: get him all...TANGLED IN VINE references
shayfromstatefarm: i wish i didn’t have to see that
lanceylance: SUFFER
mattata: wow they really are made for each other
kogayne: ew
lanceylance: ew it’s keith
kogayne: get away
lanceylance: fuck off
kogayne: i was here first
lanceylance: [lifts leggy]
lanceylance: my place now
kogayne: [chops off leg]
mattata: YO WHAT THE FUCK
kogayne: this leg and this space are mine now
carrierpidgeon: THAT ESCALATED QUICKLY
lanceylance: TIS BUT A SCRATCH
kogayne: i will go monty python on your ass
lanceylance: IM INVINCIBLE!
carrierpidgeon: WHY ARE PEOPLE IN RELATIONSHIPS SO WEIRD
hunkerdunker: WE WENT OVER THIS LAST WEEK

hunkerdunker: UR BRAIN GETS FUCKED WITH

lanceylance: is that why keith can’t...THINK STRAIGHT when i’m around?

carrierpidgeon: THAT WAS AWFUL

kogayne: yes @ lance

lanceylance: oh

hunkerdunker: is he blushing

kogayne: i don’t have 2nd period with him i can’t tell

lanceylance: nno

kogayne: take a selfie and prove it

(1) photo from lanceylance

kogayne: that’s not the shirt u were wearing this morning u fucking liar

lanceylance: f uck

kogayne: I MADE HIM BLUSH I WIN

lanceylance: fuck u

kogayne: not yet

shayfromstatefarm: OKAY BYE

SALT SQUAD

lotoreal: so i overheard some interesting things in the hall

lotoreal: i may as well text in the group chat

kogayne: ...don’t tell me it’s about who i think it’s about

dinezor: OOOOH I HEARD IT TOO

carrierpidgeon: DO I SMELL TEA

kogayne: more like spoiled milk

acxalutelynot: oof, i heard it too

lotoreal: lance, keith,

kogayne: which asshole was it
lotoreal: rolo.

kogayne: naturally.

lanceylance: what did he say

lotoreal: he’s not pleased

lotoreal: he’s apparently talking about something that happened...two days ago?

kogayne: yeah.

lotoreal: he’s apparently scheming

lanceylance: IS HE EVER NOT

hunkerdunker: ew why is he still trying to be relevant

kogayne: just hearing his name activates my fight or flight

kogayne: which we all know usually ends up being fight

lotoreal: he’s mostly angry at lance

kogayne: if he comes anywhere near lance he can catch these fucking hands

kogayne: why the hell is he mad at lance

sippinganartini: oh shit keith is angry

zethridofmyproblems: FIGHT FIGHT FIGHT FIGHT FIGHT

lanceylance: nO DON’T ENCOURAGE HIM

lotoreal: he’s angry for “taking his girlfriend and his boyfriend”

kogayne: HE GOT SICK OF ME AND ENDED UP USING ME TO GET NYMA

lanceylance: I DON’T EVEN LIKE NYMA I JUST CANT HELP THAT I’M JUST SO DAMN ATTRACTIVE

kogayne: ugh so what’s he scheming

lotoreal: i don’t know, just that lance is going to “pay”

lanceylance: wtf he sounds like the bully in one of those generic high school movies

lanceylance: “YOU STOLE MY S/O PREPARE TO PAY”

shayfromstatefarm: i’d be a little more concerned this time tho considering he actually jumped keith

kogayne: yeah, and then he got OSS

kogayne: if he tries shit then he gets expelled just like paul did
kogayne: ...so what if we bait him

lanceylance: OKAY, NO,

lotoreal: do you think if i scoped the situation out and went to principal kolivan, he’d be more willing to act than my father was?

acxalutelynot: that’s not a bad idea, actually

zethridofmyproblems: but do you think rolo knows that our groups actually talk

zethridofmyproblems: i mean as it is we’re all in drama and crew

zethridofmyproblems: and everyone knows that even if u hate each other, during the show u gotta be friends or else you’ll be in hell for several months

carrierpidgeon: \_(ツ)_/¯ worth a shot

dinezor: let’s do it!!

kogayne: lotor

lotoreal: yes?

kogayne: thanks for letting us know

lotoreal: of course.

kogayne > lanceylance

kogayne: ugh i fucking hate rolo

lanceylance: me too

kogayne: i don’t even know why he’s referring to me as “his” boyfriend

kogayne: he did the same thing with nyma when i was texting him the other day

kogayne: like, they broke up. we broke up. he needs to move the fuck on already.

lanceylance: u okay

kogayne: no i’m ANGRY i hate that he’s acting like this and i hate that he has it out for you

kogayne: you don’t deserve this

kogayne: i just

kogayne: you make me happy and he’s trying to ruin this

lanceylance: trust me not even a jealous ex-boyfriend can drive me away
lanceylance: considering, u know, i now have a jealous ex-girlfriend after me

kogayne: i’m scared for u

lanceylance: u

lanceylance: scared

kogayne: he fucking jumped me, lance

kogayne: and we’re lucky he was a fucking moron who did it in broad daylight in full view of the other crew kids

kogayne: who’s to say he hasn’t learned

kogayne: what if he comes after you but he does it off school property

lanceylance: shhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

lanceylance: don’t worry ur cute head

lanceylance: if he does anything he gets expelled and i’m sure he at least understands that

kogayne: be careful

kogayne: please be careful

kogayne: what if he doesn’t even do it himself

kogayne: he had a bunch of other guys with him

lanceylance: shh shhhhh hey don’t work urself up over this

lanceylance: we don’t know if he’s actually gonna do anything

kogayne: he called you out for apparently talking big but not doing anything

kogayne: he’s serious about this

lanceylance: then if he’s serious i hope he’s serious about facing consequences

kogayne: ugh i really wish he and nyma would like, get back together

lanceylance: they’re perfect for each other: TRASHBAGS

kogayne: wait hunk and shay have study with them tomorrow, don’t they?

lanceylance: ...what are u up to

kogayne: if they can scope the situation out...maybe we can figure out how to get them back together

lanceylance: that’s assuming they haven’t changed study halls or they’re not going to like, the library
calculate my final velocity if i jump off of the school roof from rest

kogayne: WHEN IS THE LIBRARY EVER OPEN TO STUDY HALLS

lanceylance: shit u right

kogayne: WE NEED TO GET ROLO AND NYMA BACK TOGETHER

shayfromstatefarm: they just broke up are we sure it’s a good idea

kogayne: IT’S BETTER THAN GETTING HARASSED BY THEM

lanceylance: it’s either that or get them expelled

hunkerdunker: but rolo’s close, isn’t he

kogayne: okay /yes/ but

kogayne: in order to get him expelled

kogayne: we either need to get compelling evidence that he’s up to something

kogayne: or he’s actually gotta try some shit

kogayne: and seeing as

kogayne: lance permission to be possessive

lanceylance: do it

kogayne: he’s after my fucking boyfriend, and i’d rather him NOT get hurt,

kogayne: i’d rather get him back with nyma so he can stop being a fucking piece of shit

kogayne: and they can go back to hating people with each other

hunkerdunker: ...that makes sense

hunkerdunker: so why are we talking in the physics gc and not the other one

lanceylance: bc we know u guys have study hall with them tomorrow

shayfromstatefarm: omg he’s right

lanceylance: we know lotor and co are already on board scoping the situation out but like,,, just keep an eye on things

shayfromstatefarm: i gotchu dude
hunkerdunker: ^^^

shayfromstatefarm: once we get enough info hunk and i can slide right on in and play matchmakers

lanceylance: i’m so glad we’re all friends

shayfromstatefarm: me too

kogayne: same

hunkerdunker: i love u guys

hunkerdunker: let’s discuss this further at lunch and get pidge in on this

kogayne: alright

_takashmeoutside > kogayne_

takashmeoutside: the group chat’s been silent

takashmeoutside: it’s not usually silent this long

takashmeoutside: you okay?

kogayne: so remember how rolo’s been doing shit

kogayne: rolo’s still doing shit

_takashmeoutside: sometimes i really regret not intervening in that relationship_

kogayne: he’s got it out for lance and if he does something i will lose my shit

kogayne: i just want to keep him safe

kogayne: he’s important to me

_takashmeoutside: you know what_

_takashmeoutside: i’m glad that after the disaster that was ur current problem, u at least found someone else_

_takashmeoutside: and someone that i don’t hate_

kogayne: i love lance so much it physically pains me

_takashmeoutside: i know_

_takashmeoutside: so, any idea what ur tool of an ex is up to_

kogayne: no

kogayne: we’re handling it tho
**kogayne**: we’ve got a network

**takashmeoutside**: allura would be proud

**kogayne**: gotta keep up that legacy

**takashmeoutside**: alright then

**takashmeoutside**: what’s the situation for after work

**kogayne**: ＿(_tail)_/¯ i dunno yet

**kogayne**: might go to lance’s, he might come home with me, we might both go to our own houses

**takashmeoutside**: okay cool bc somehow i ended up getting put on an extra shift today so i won’t be home till late

**kogayne**: didn’t u just recover from the flu

**takashmeoutside**: do u think my coworkers care

**kogayne**: well they should

**takashmeoutside**: they care in the sense that

**takashmeoutside**: “FINALLY HE’S BACK I HAVE SOMEONE TO PAWN MY SHIFTS ONTO”

**kogayne**: gross i hate people

**takashmeoutside**: sometimes i do too

**takashmeoutside**: alright bye go finish ur day of education have fun at work

**kogayne**: tell sendick i said to choke

**takashmeoutside**: maybe i’ll leave a sticky note for him in the back

---

**kogayne > takashmeoutside**

**kogayne**: just me tonight

**kogayne**: looking like me and lance tomorrow

**takashmeoutside**: cool

**takashmeoutside**: u have two options

**takashmeoutside**: i think there’s chicken nuggets in the freezer

**takashmeoutside**: or i can grab takeout on the way home
kogayne: :)

takashmeoutside: why are u like this

kogayne: LET ME LIVE

lanceylance > kogayne

lanceylance: you know what

kogayne: should i be concerned this is the first text of the day

lanceylance: no

lanceylance: you know what

kogayne: what

lanceylance: as sad as i am that rehearsal got cancelled the rest of the week

lanceylance: i’m kinda happy

kogayne: why

lanceylance: bc we go to work late, and have shorter shifts, which means we have that span of like, 2 and a half hours to ourselves

lanceylance: which means i can spend some quality time with my favorite boy

kogayne: oh and what do you and hunk have planned why wasn’t i invited

lanceylance: gkrthktyhgerkrsjdl shut up

lanceylance: ur my favorite and u know it

kogayne: i know :)

kogayne: anyway we’re going shopping after school
lanceylance: for cousin dearest

kogayne: yes for cousin dearest

kogayne: we’re celebrating tomorrow

kogayne: well i mean, that’s when we say his birthday is, when it’s not a leap year

kogayne: even though i’m gonna keep calling him six for the next two years

kogayne: i wanna do a real celebration on saturday, i gotta talk to allura and matt

kogayne: but clear ur calendar, ur coming

lanceylance: wouldn’t miss it

lanceylance: who’s driving today

kogayne: can u

kogayne: i need some place to hide his gift bc he’ll go snooping for it

lanceylance: gift-snooping? what is he, five?

kogayne: no we just established he’s six

lanceylance: cjdxjjwhe ur cute

kogayne: damn right

kogayne added mattata and allurable to nut butter birthday committee

kogayne: what are we doing for shiro’s birthday

mattata: is renaming the main chat SHIRO DAY not enough

kogayne: no

allurable: no

mattata: so then what else are we doing

kogayne: that’s the point of the gc

mattata: wow hadn’t noticed

allurable: incompetent fools

kogayne: you sound like a disney villain

allurable: i’ve been exposed

allurable: im only dating matt and shiro to steal their life forces
allurable: siphon their souls

mattata: hey lura

allurable: yes darling

mattata: WHAT THE FUCK

allurable: ;)

kogayne: wow u guys make me and lance look normal now BACK TO MY COUSIN

kogayne: DOES ANYONE HAVE IDEAS OR DO I HAVE TO DO ALL THE BRAINING

allurable: two ravenclaws in this chat and you think we’re leaving the party planning to a gryffindor?

kogayne: dont potter-speak at me

allurable: hiss hiss motherfucker

mattata: whoa i didn’t know u knew parseltongue

kogayne: SHIRO

kogayne: YOUR OTHER BAE

kogayne: IGNORE THAT I JUST SAID BAE

kogayne: BIRTHDAY

mattata: well we’re doing a party right

mattata: shouldn’t we get the whole group chat involved

kogayne: well yeah but the three of us are the heads

allurable: we’re a fuckin hydra

kogayne: and apparently i have to be the main head if we wanna get anything done

kogayne added lanceylance, carrierpidgeon, hunkerdunker, and shayfromstatefarm to nut butter birthday committee

kogayne: okay so shiro’s birthday is tomorrow

kogayne: ...technically it doesn’t exist this year BUT we celebrate tomorrow

kogayne: so then we wanna celebrate on saturday

lanceylance: we get him a bunch of kid stuff that says “CONGRATS UR SIX” on it

mattata: elmo birthday cards have been my specialty for YEARS step off mcclain
lanceylance: i didn’t SPECIFY elmo

kogayne: okay cool well i’ve got claim on anything lego-themed

lanceylance: legos?

allurable: yes

carrierpidgeon: boi be lucky u weren’t forced to be friends with them as a kid

kogayne: shiro loves legos

kogayne: he just won’t admit it

hunkerdunker: wait what’s wrong with legos

kogayne: the amount of times shiro has stepped on them barefoot in the middle of the night bc he was too busy trying to build the death star instead of sleeping

mattata: THE DEATH STAR IS HARD, KEITH

kogayne: I UNDERSTAND BUT WHY WOULD YOU SACRIFICE SLEEP FOR IT

mattata: YOUR CONSPIRACY THEORY-LOVING ASS IS ONE TO TALK

kogayne: FIGHT ME

carrierpidgeon: FIGHT FIGHT FIGHT FIGHT FIGHT FIGHT FIGHT

allurable: “i have to be the main head if we wanna get anything done” MY ASS

lanceylance: w h a t

mattata: we’re a hydra, roar bitch

lanceylance: :O

kogayne: OKAY SO SHIRO’S BIRTHDAY WE NEED TO DO STUFF

hunkerdunker: party planning always goes so much more smoothly when dad is in the group chat

kogayne: yeah well dad’s not here

mattata: daddy

kogayne: tell ur kink to stfu

kogayne: WE NEED TO PLAN THIS FUCKIN PARTY

hunkerdunker: i’m the cake king leave the dessert to me

shayfromstatefarm: are we cooking a dinner, getting food from a restaurant, orrrr

kogayne: i mean, he’s 26, it’s not really anything special, so like...we could order food?
allurable: he is 6 for the third year in a row

kogayne: yes sorry he’s 6

carrierpidgeon: #ShiroIsSix

kogayne: okay so ordering out? ordering out???

hunkerdunker: i mean i could do cake and a full meal but i’d be a hermit all of saturday morning, holed up in my kitchen

hunkerdunker: ...actually that doesn’t sound bad fuck it i’m cooking

kogayne: yo there’s this recipe we have somewhere that shiro loves but can’t recreate to save his life

hunkerdunker: SEND IT

kogayne: when i get home i’ll send pics

hunkerdunker: okay and then tomorrow i’ll go ingredients shopping

shayfromstatefarm: ^^^^ i’ll go too

shayfromstatefarm: are we doing gifts

kogayne: i mean, i don’t think you /have/ to

kogayne: i was gonna just by virtue of being his cousin

allurable: and i by virtue of being his girlfriend

mattata: and i’m his boyfriend

carrierpidgeon: honorary younger sister

lanceylance: future in-law

hunkerdunker: welp

hunkerdunker: guess we’re gift shopping too

kogayne: do i get his cat a leash

lanceylance: HOW HAVE YOU STILL NOT WARMED UP TO BLACK

kogayne: she’s out to get me

kogayne: i swear it

shayfromstatefarm: black is an angel

kogayne: BLACK HATES ME, A CONSPIRACY THEORY THREAD

carrierpidgeon: hngfwedgfdh
allurable: keith you are banned from getting black a cat leash

mattata: black would find a way to destroy it anyway

kogayne: d e m o n

kogayne: but okay anyway

kogayne: hunk’s got food covered, everyone’s bringing gifts apparently

kogayne: decorations? festivities?

mattata: LEAVE THE FESTIVITIES TO ME

carrierpidgeon: AND ME

mattata: PREPARE FOR TROUBLE

carrierpidgeon: AND MAKE IT DOUBLE

allurable: oh dear

allurable: anyway

allurable: ...matt don’t you and shiro have shifts saturday morning

mattata: i called out

mattata: kashi doesn’t need to know that

allurable: alright then

allurable: keith, lance, that leaves us on decorations

lanceylance: six-year-olds like ball pits, right

lanceylance: can we get a ball pit

lanceylance: OH OR A BOUNCE HOUSE

allurable: it’s winter

lanceylance: B O U N C E  H O U S E

allurable: IT IS WINTER

mattata: lance it’s okay we’ll do one for my birthday

lanceylance: and if it’s abnormally cold then we can do one for my birthday

lanceylance: scratch that we are definitely doing a bounce house for my birthday

kogayne: oh jeez
lanceylance: BOUNCE HOUSE

carrierpidgeon: last time i went to a party with a bounce house i was in sixth grade and kids were getting into wrestling matches

carrierpidgeon: then someone spilled soda and the whole thing was a sticky mess

lanceylance: WHAT HEATHEN BROUGHT SODA INTO THE BOUNCE HOUSE

carrierpidgeon: i dunno????? a dumbass???????? i’ve mostly tried to forget elementary and middle school

mattata added kogayne to nut butter birthday comittee

mattata: ANYWAY AFTERWARD WE WERE GONNA BRING HIM OUT TO DINNER

mattata: and i mean, we were gonna bring pidge and keith as the younger siblings

allurable: and we all know keith and lance are joined at the hip

lanceylance: excuse us we are perfectly capable of doing things without each other

kogayne: it’s just more fun to do them together

lanceylance: yes exactly

allurable: so it’s only right to have the whole group there

hunkerdunker: i’m in

shayfromstatefarm: i love friendship

allurable: OKAY COOL EVERYONE’S IN HAVE A GOOD REST OF THE DAY AT SCHOOL KIDS

takashmeoutside: ¯\_(ツ)_/¯
there shooooooooould be a chapter tomorrow

also vld stan twitter is a mess, idk if you noticed. also i'll try to remain spoiler-free for season 5 in this fanfic but i'll be discussing spoilers on twitter and ig afterward (and yes i'm pulling an all-nighter, east coast squad wya)

and finally, in case you missed it:

-stars go down chapter 25 is NOW LIVE (and has been for like, three days)
-i have a new fanfic called does any actual learning go on in this facility, which is a series of 1k-word-and-under oneshots, centered on lance and keith at school (which means those oneshots take place during this fanfic, but not necessarily in any specific chapter). i started it bc sometimes at school i'll think of little klance moments that i wanna write and share, but those moments aren't long enough to merit their own separate oneshots. so boom. snippet collection.

oh also i got into college and i think i'm getting a scholarship. 1 decision down, 5 to go (why are the rest All at the end of march)

SEE YA IN THE NEXT CHAPTER
SHIRO DAY

Chapter End Notes

aaaaah so unlike season 4, i'll try to not even ~reference~ anything spoilery for like, two weeks? maybe a week because i'm a weakling? i also have plot points for this that have been sitting in the back of my mind that i want to do, but i've been waiting to see where they went in canon, and, well...i think i can finally jump on one

i'll still probably wait tho

ALSO I HAVE OPINIONS ABOUT SEASON 5 i wanna write them up for ig but basically the more i think about it the more i'm okay with it? my reaction was initially "meh, better than i liked season 4" but also i can see where things are going and why things were done (but then there were still things i didn't like and am iffy on but oh well) so like...i'm lazy...i really don't wanna write them for ig...idk we'll see also i've barely slept in the last 24 hours, i think i got like, a 3 hour nap in yesterday afternoon, then half an hour this morning, then fifteen minutes during yearbook...

ALSO THERE'S ANOTHER CHAPTER COMING, THE FRIDAY CHAPTER, THIS WAS THE THURSDAY CHAPTER, BYE
it's friday friday gotta be sleep-deprived on friday

Chapter Summary

keith, lance, pidge, hunk, and matt didn't sleep bc they were watching a show (and the author is most certainly not projecting whatsoever)

Chapter Notes

the only spoiler in this chapter is the release date for season 6, which is june 15th

have fun

See the end of the chapter for more notes

carrierpidgeon: that fits too ¯\_(ツ)_/¯ have at it

carrierpidgeon: u can do secondary schools

kogayne: WHY AREN’T WE DOING SECONDARIES

carrierpidgeon: bc that requires too much braining

lanceylance: so excluding shay’s spite no one here is a death wizard

lanceylance: the closest we have is shiro in balance

kogayne: if only she and matt weren’t both nerds

carrierpidgeon: well lance depending on where we place u we’re also out of an ice wizard

lanceylance: i’ll join ice for the sake of balancing the team

carrierpidgeon: ooooh i smell HOT tea

shayfromstatefarm: they’ve been mostly going to like, the library during study

shayfromstatefarm: except today the library’s closed

shayfromstatefarm: i’ve kept everything to our circle of friends

hunkerdunker: ^^^^ ^

carrierpidgeon: same

kogayne: mouth has been shut

lanceylance: WAIT THEN HOW DID NYMA FIND OUT

hunkerdunker: apparently rolo told one of his friends who’s still friends with nyma’s friends and nyma’s friends told nyma

carrierpidgeon: ah, a good ol game of telephone

lanceylance: wait so then what happened
shayfromstatefarm: they started arguing over who had the better chance of winning you guys over

lanceylance: excuse me

kogayne: fucking what

lanceylance: do they not remember our prank after homecoming

lanceylance: how far up their asses do their heads have to be to not realize that keith and i are kind of like, i dunno, COMMITTED FOR LIFE

kogayne: it simultaneously pisses me off and makes me really uncomfortable

hunkerdunker: better safe than sorry

lanceylance: how do they think they’d even go about it

kogayne: well remember when nyma put that note slandering me in ur locker

lanceylance: i hated that so much u didn’t deserve that

kogayne: and she purposely did it on a day where u were Not having it

lanceylance: H O N E S T L Y they have such a pattern of abuse idk why they think that even if keith and i broke up, we’d ever go back to *them* of all people

shayfromstatefarm: ew update nyma’s dragging keith and rolo at once

lanceylance: HNNNGGGG WHAT DID SHE SAY

lanceylance: about keith idgaf about rolo’s feelings

shayfromstatefarm: it was Not Nice so i’ll tone it down: keith is desperate enough to date anyone

kogayne: she can fucking fight me

lanceylance: she’ll have to get through me first

hunkerdunker: yeah and then rolo turned the argument around and said she was clearly mistaken, she must’ve meant /lance/

kogayne: fucking what now

carrierpidgeon: ...so if i hacked into their school email accounts do u think i could pull enough shit to get them expelled

carrierpidgeon: no one will ever know it was me

lanceylance: no, not yet

lanceylance: if we need u we’ll let u know

carrierpidgeon: mmm fine
kogayne: anything else we should know

shayfromstatefarm: they’re roasting each others’ tastes in s/os

hunkerdunker: and using u guys as reference points

kogayne: hm. wonderful.

lanceylance: >:( MURDER

shayfromstatefarm: alright tone it down jd

kogayne: i’m jd

kogayne: although lance would look hot as fuck as jd

lanceylance: i can pull off a trenchcoat *and* a miniskirt

carrierpidgeon: that’s depressing

lanceylance: hush iGen

lanceylance: yeah we get it you’re old

kogayne: by a few months

lanceylance: call me black coffee

kogayne: my soul?

carrierpidgeon: alright clary fray

kogayne: SHUT UP i really don’t like tmi

carrierpidgeon: CLAAAAAAAAAAAAAAAAARYYYYYYYYYYYYYY

lanceylance: i wanna make fun of them for worrying about relationships when they’ve gotta be saving the world but if that was me i’d 100% wanna distract myself by making out with keith all the time

kogayne: yeah but at least we know we’re not related

kogayne: do u know how weird that is, to pine after someone u think is ur brother

kogayne: that’d be like me and shiro

takashmeoutside: i just threw up a little bit in my mouth

kogayne: i got sick typing it out so

lanceylance: [jumps on keith] MINE

kogayne: [long sigh] why are u like this

lanceylance: [hiss]

carrierpidgeon: i’m getting vivid flashbacks to the early 2000s internet era of goths and emos

hunkerdunker: war flashbacks

allurable: that was a dark age

mattata: MY NAME IS EBONY DARK’NESS DEMENTIA RAVENWAY

allurable: NO

takashmeoutside: NO
carrierpidgeon: gofikk

mattata: A LOT OF PREPS STARED AT ME

carrierpidgeon: I PUT UP MY MIDDLE FINGER AT THEM

allurable: PETITION TO BAN THE HOLTS FROM THE CHAT

mattata: I’M NOT RELATED TO GERARD WAY BUT I WISH I WAS BECAUSE HE’S A MAJOR FUCKING HOTTIE

hunkerdunker: there are some things i wish i could bleach from my mind and my immortal is one of them

carrierpidgeon: stop with the slander

mattata: my immortal is the greatest harry potter fanfic of all time

kogayne: i couldn’t finish it

kogayne: i wasn’t strong enough

lanceylance: u know that’s big bc keith hates admitting weakness

kogayne: shut up lance

lanceylance: the up has been shut

shayfromstatefarm: ...petition to read my immortal at rehearsal instead of the script

carrierpidgeon: YES

mattata: YES!!!!

allurable: NO

hunkerdunker: SHAY YOU TRAITOR

kogayne: I CAN’T BELIEVE

lanceylance: this is the biggest turn of events i’ve seen in a while

mattata: we’ve corrupted her

mattata: we’re making progress

carrierpidgeon: we’re coming for your ass next, mcclain

kogayne: you’ll have to get through me first
lanceylance: AND SO THE BRAVE KNIGHT KOGANE STEPS IN TO DEFEND HIS LOVER, THE DASHING PRINCE LANCEYLANCE

carrierpidgeon: okay so what we do is we gang up on keith while he defends lance and corrupt him

carrierpidgeon: distraught by the loss of his lover, prince lanceylance sets out himself to avenge the brave knight kogane, and he, too, falls victim to our charms

kogayne: wtf

lanceylance: i can’t believe it’s not butter

takashmeoutside: -_- alright memelord

mattata: :O THAT’S MY NAME TAKE IT BACK

lanceylance: AND SO PRINCE LANCEYLANCE STEALS THE TITLE FROM THE IMPERIOUS LORD MEMER

carrierpidgeon: sounds like a conquest to me

carrierpidgeon: sounds like we’re already corrupting you >:)

lanceylance: and so prince lanceylance falls victim to the nefarious schemes of the sorceress pidge

kogayne: the brave knight kogane must now set out to rescue his lover before it’s too late, and the corruption becomes irreversible

carrierpidgeon: the cunning sorceress pidge begins to set up a trap that will surely ensnare the knight before he can reach his lover

lanceylance: if we don’t play DND soon i’m just gonna write this story

lanceylance: the epic tale of the schemes of a vengeful sorceress and the overpowering love between a prince and his loyal knight

takashmeoutside: sometimes i want to roll my eyes at this

takashmeoutside: but

lanceylance: but what

Chapter End Notes

i was having a good day, like i went to bed at 1:30 instead of 3:30 and got dunkin after school and didn't nap all day it was magical, i didn't do SHIT in school,

and then tonight i got a call from a random number that left a voicemail when i didn't answer. the guy had a weird southern accent. he knew my name, and was making a bunch of "i-lean" jokes (next person to make a joke about one leg being shorter than the other will be promptly kicked in the kneecaps i am TIRED), and said he wanted to take me on a date. he said he got my number from someone in my calc class, so first i'm like "alright this is a prank" so immediately i text my inner circle and i'm like "yo whose
number is this" because my first conclusion was "prank."

no one had the number, but two of my friends PLUS my brother got a call from the same number, and he called one of my friends a wh*re. so we're like "okay time to track down a bitch." i put the number on my finsta (with instructions to both identify the fucker and blow up his phone). my friends reach out to other friends, and the number even goes in the drama chat. one girl's dad is a cop. between some teenage sleuthing (which turned up his snapchat AND facebook), we found out where this guy lives and went to high school. the drama chat turned up his graduation year and the fact that he got into college on a baseball scholarship. i love teenagers but ANYWAY

the brother of one of my best friends was with a group of his friends, and they facetimed the guy. we later found out from her brother that this fucker's phone is BLOWING. UP. another of my friends texted him and the guy is like "no it was a misunderstanding" (weak-ass excuse, those calls were deliberate), and KARMA GOT ITS KISS FOR HIM. don't want your phone blowing up? don't be a creep lol xoxo

the one question i still have is how he got my number, my brother's, and several of my friends' beforehand, as i generally try not to link my phone number to anything. but ANYWAY that's how my friday night is, it's been about two hours and a half since this all started why is my life like this

anyway, in the meantime since the last update:
-NEW ONESHOT: warm front: it's snowing. keith's reflective. lance is there. modern au set between this chapter and the last chapter. softness. what more do you want.

idk when the next SU chapter is gonna be, whether tomorrow or monday or tuesday, i wanna get sgd updated by sunday or monday, so we'll see what happens. i'm also working on the second of the abc oneshots ;)

SEE YA WHenever
the monday chapter i forgot to write on monday

Chapter Summary

IT’S MONDAY! ...that means rolo is up to something. the group chat discusses promposals, sports, the drama club, netflix shows, and also klance is cute

Chapter Notes

i actually wasn't gonna write a monday chapter but then i reread the friday chapter and realized i included a monday plot point and went "welp...GOT NOTHING BETTER TO DO" as if i don't have several pressing fanfics to take care of

anyway here's the chapter

See the end of the chapter for more notes

ALL THIS FIGHTING IS TEARING THIS FAMILY APART

lanceylance: fUCK that’s today

carrierpidgeon: okay but for real who actually thinks they’re gonna follow through with that

kogayne: they could both be lying

kogayne: or rolo could’ve said it so nyma would make a fool of herself promposing to lance

kogayne: or nyma said that so rolo would have more incentive to make himself look like a fool

kogayne: or they’re both serious about it and are so deluded that they think we’ll say yes

lanceylance: what if we said yes just to see their reactions
kogayne: can u imagine the rest of the cafeteria

hunkerdunker: okay satanspawn settle down there

hunkerdunker: i think some people still haven’t recovered from the stunt you pulled after homecoming

kogayne: part of me thinks they’ll be too scared to do anything

lanceylance: and if they do they better not have a nicer promposal than the one i’m planning or i will be pissed

hunkerdunker: oh god

kogayne: any promposal from u is gonna be perfect

takashmeoutside: we’re not doing this this early

kogayne: YES WE ARE

hunkerdunker: the only person who can one-up a lance proposal is me bc i know how it’s going down

kogayne: WHAT

lanceylance: hunk’s been my wingman from day 1

hunkerdunker: lance is also mine

hunkerdunker: he’s the only reason i ever asked out shay

lanceylance: :)

shayfromstatefarm: my wingwoman bailed after sophomore year

carrierpidgeon: who

carrierpidgeon: who bailed on u

shayfromstatefarm: not important

carrierpidgeon: IMPORTANT

kogayne: STOP I FEEL IDENTIFIED

shayfromstatefarm: her name was delia
shayfromstatefarm: klance and hunk should remember her

kogayne: i was her lab partner for (1) lab in freshman biology

shayfromstatefarm: yep

shayfromstatefarm: she moved

shayfromstatefarm: haven’t really talked since

carrierpidgeon: :( i’m sorry

shayfromstatefarm: nah it’s alright

shayfromstatefarm: life happens, i have u guys, it’s all good

carrierpidgeon: ily

hunkerdunker: are u even good at basketball

kogayne: i played all the way through eighth grade

carrierpidgeon: “i played all the way through eighth grade” the kid was the fucking point guard

lanceylance: i was too busy swimming and doing soccer excuse me

hunkerdunker: don’t forget the lacrosse phase

lanceylance: we don’t talk about the lacrosse phase

kogayne: what’s the lacrosse phase i wanna know about my dork boyfriend

carrierpidgeon: he barely fits the definition of nerd as it is

lanceylance: fight me

hunkerdunker: ANYWAY the lacrosse phase

lanceylance: shut your fuck

hunkerdunker: i always thought about lacrosse as some weird version of like, field hockey

kogayne: okay wait i know what lacrosse IS but what’s it got to do with starboy over there

lanceylance: Hunk Shut Your Fuck

hunkerdunker: a lot of the lacrosse players were bigger than him

hunkerdunker: in like every way

hunkerdunker: weight muscle height

lanceylance: HUNK SHUT YOUR FUCK
kogayne: oh god

hunkerdunker: lance spent an entire season getting pummeled

hunkerdunker: and now has a fear of lacrosse sticks, and also getting smacked in the face with a lacrosse ball

lanceylance: my helmet hated me

lanceylance: but ANYWAY

lanceylance: MOVING ON

hunkerdunker: it should be noted that a lot of boys who did lacrosse in the spring did football in autumn

lanceylance: :P

shayfromstatefarm: i would do lacrosse this spring but the musical is life

lanceylance: THEATRE KIDS UNITE

lanceylance: mmm i’m sad i don’t have to be at rehearsal today and then THIS SNOW TOMORROW’S GONNA CANCEL SCHOOL AGAIN

kogayne: the one year the drama club gets going on the musical early instead of last-minute and mother nature is like “lol fuck u”

lanceylance: listen, nothing will ever be as chaotic as annie

carrierpidgeon: chaotic evil

hunkerdunker: who, mother nature or annie

carrierpidgeon: yes

lanceylance: pidge u have NO IDEA like whatever u think it was worse

carrierpidgeon: is it tho

lanceylance: it was sound of music on STEROIDS

carrierpidgeon: sound wasn’t even that bad

lanceylance: when comparing it to oz, annie and sound were not nearly as smooth as they could’ve been

kogayne: oz, u mean where u got stuck in ur costume and had to be helped out of it by ur arch
nemesis

lanceylance: oz, u mean where u broke a door and i could’ve ratted u out but i generously agreed to help u fix it

kogayne: yeah bc i had to rescue u from the tulle monster

lanceylance: fight me

shayfromstatefarm: THAT’S HOW THEY STOPPED FIGHTING?

shayfromstatefarm: I THOUGHT THEY JUST GOT BORED OF IT

kogayne: no lance got trapped in his costume and i broke a door

hunkerdunker: ...didn’t that get pinned on a junior when someone finally found out

kogayne: yes

hunkerdunker: and u never thought “maybe i should own up and save this innocent junior”

kogayne: that junior was an asshole he deserved it

hunkerdunker: u know what ur right

mattata: wait i just opened the chat how did we go from basketball to theatre

lanceylance: the drama club never sleeps

lanceylance: but also that reminds me i have to go volunteer for the basketball game

kogayne: there’s a meeting for it friday after school

hunkerdunker: pidge and i will film all of you from the sidelines and cheer u on

carrierpidgeon: hunk can film u i’ll be eating all the sour patch kids from concessions that i can

Chapter End Notes

disclaimers: i actually played basketball from 4th-8th grade, i wasn't in my school production of annie bc of how late auditions were but it's Cursed among the kids who were (and some of them refuse to acknowledge it ever existed), and the only netflix thing i listed that i actually watched was brain games (two episodes, during psych). i did read the i am number four book series and i am Bitter about that series, but i never watched the movie

i'm planning on watching some new netflix shows over the course of the rest of the
week tho (black mirror and galavant, specifically)

anyhoo no tuesday chapter, probably will do a wednesday chapter?

idk byeee
there's a dodgeball tournament at school. the squad enters at the last minute. also, klance goes on a date.

disclaimer: i haven't seen or read love, simon/simon vs the homo sapiens agenda. i wanna see it, i just...don't know when

anyhoo

See the end of the chapter for more notes

acxalutelynot > lanceylance

acxalutelynot: hey, everybody’s friend, i need your help
lanceylance: what
acxalutelynot: dodgeball tournament is tonight
lanceylance: yes i’m aware

allurable: you’d think as a senior you’d want as few snow days as possible to graduate
shayfromstatefarm: yes but have you considered that we don’t do anything after ap exams?
shayfromstatefarm: i’ve been neglecting my reading but if i’m in school with nothing to do i can read all i want, no distractions
lanceylance: multiple naps
kogayne: i hold lance while he takes his multiple naps
mattata: do you guys go one day without being clingy
lanceylance: why would we do that
mattata: can u even survive one day without each other
kogayne: um yes i think our post-homecoming prank proved that
kogayne: we just LIKE being clingy
lanceylance: :)
takashmeoutside: let them live matthew
mattata: SHIRO? ADVOCATING FOR THEM?
takashmeoutside: xBC(˘\_\)/-

takashmeoutside > mattata
takashmeoutside: sometimes it’s a sensitive topic for them
takashmeoutside: especially keith
mattata: sHIT
mattata: S H I T
mattata: sometimes it
mattata: slips my mind
takashmeoutside: yeah me too until i’m violently reminded
mattata: define violently reminded
takashmeoutside: well with the college discussion this morning finances came up and inevitably he’s going to start thinking about being roommates with lance and stuff like that
mattata: this kID
takashmeoutside: i know
mattata: :( it sucks that like
mattata: a lot of his anxieties manifest that way
mattata: :(()
takashmeoutside: yeah
takashmeoutside: i feel like a lot of his issues would be solved if our family hadn’t taken a nosedive
mattata: :((((
takashmeoutside: sometimes i still wonder where we’d be if like, his mom hadn’t left, or his dad hadn’t died, or,, if my parents hadn’t died,,,
mattata: kashi pls don’t do this to urself
takashmeoutside: i can’t help it
takashmeoutside: a large part of me wishes things in the past had gone down differently, if only so keith had parents there for him when he needed them most
takashmeoutside: and so he could just have like, a typical childhood and didn’t feel so ostracized as a kid

mattata: if things went differently, i don’t think any of us would be where we are now

takashmeoutside: i know

takashmeoutside: and that’s why the other part of me wouldn’t change the past for anything

takashmeoutside: the past was shitty but where we are now...isn’t so shitty?

takashmeoutside: obviously we could all do without our mental issues

mattata: yeah

takashmeoutside: alright anyway i need to stop thinking on this

mattata: yeah don’t fucking spiral i stg

takashmeoutside: carpool for work?

mattata: let’s do it

carrierpidgeon > mattata

carrierpidgeon: are you busy

mattata: not particularly why

carrierpidgeon: mm

mattata: what’s eating at you, sis

mattata: i thought you seemed off today

carrierpidgeon: aaaaa mmmmmmmmm

carrierpidgeon: this is gonna sound shitty

carrierpidgeon: but while i’m glad all of them got into college

carrierpidgeon: i’m...salty’s not the word and neither is irritated i’m just

carrierpidgeon: sad, i guess

carrierpidgeon: they’re all leaving next year

carrierpidgeon: what the fuck am i supposed to do

mattata: i thought you were making friends!

mattata: what happened
carrierpidgeon: i’m still hopeless for sherrie, but i’ve been,,, kinda keeping my distance lately

carrierpidgeon: hhhh

mattata: pidge :((((

mattata: why have you been keeping your distance

carrierpidgeon: i don’t know

carrierpidgeon: i’m scared someone’s gonna find out about my crush, i’m just

carrierpidgeon: not motivated enough to keep up with anyone??

mattata: :(((((

<3

mattata: i’ve got a problem

allurable: what

mattata: ...i think pidge has depression

mattata: or is developing it

allurable: u sure she’s not pmsing? i’m pretty sure glitter’s about to rain in miami

mattata: i don’t know

mattata: maybe it’s just the circumstances and maybe she’s just having a bad day and maybe i’m overreacting but

mattata: 4 of the 8 of us in our core group have it already, including me

mattata: it can be linked to genetics

takashmeoutside: it’s not out of the realm of possibility, but i wouldn’t jump to conclusions right away

takashmeoutside: monitor her over the next few weeks?

allurable: few months, i’d say

allurable: i’d say maaaaaybe float the idea to your parents and have them keep tabs on her?

mattata: alright

takashmeoutside: what’s going on with her?

mattata: a lot in her social circle
mattata: she’s upset about being left behind by the others

mattata: and she’s withdrawing from her other circles

mattata: she

mattata: here

(3) photos from mattata

mattata: i’m scared for her

allurable: oof

allurable: keep an eye on her

allurable: it’s all you can do right now, besides being there for her

mattata: alright

mattata: thanks guys <3

THE SQUAD MY GUYS

lanceylance: alright

lanceylance: tell me how we just started this book and we already have a project

kogayne: what

lanceylance: everyone’s favorite teacher is suddenly at the bottom of my list -_-  

hunkerdunker: aaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

carrierpidgeon: okay but why is hunk screaming

lanceylance: did i mention the book is shakespeare

allurable: WILLY SHAKES

lanceylance: YEAH WILLY SHAKES

takashmeoutside: which one?

shayfromstatefarm: hamlet

mattata: you mean the lion king in human form

lanceylance: yes absolutely
kogayne: okay but what’s this project?

lanceylance: in groups of 5, read act one and choose from 6 prompts and make a presentation on it

kogayne: i have like no friends in that class what do you mean in groups of 5

kogayne: no thanks???

lanceylance: be with whoever was in your mythology group

kogayne: i had to join a random group i don’t wanna

lanceylance: team up with acxa

kogayne: oh yeah good idea

kogayne: i’m guessing your group is you hunk shay plax and flor then?

shayfromstatefarm: yep

shayfromstatefarm: guess which prompt lance signed us up for

lanceylance: :)

kogayne: what

shayfromstatefarm: there was one where you have to analyze a relationship between two characters and figure out how you would stage a scene with them

kogayne: pffffffffft of course lance chose that

lanceylance: half the group didn’t even read the prompt because it was too long but by the time thace got to us it was that or norwegian-danish politics

lanceylance: as far as i’m concerned i saved everyone

hunkerdunker: “saved”

lanceylance: would you really rather have had norwegian-danish politics

hunkerdunker: ...no

lanceylance: then shut your fuck

shayfromstatefarm: we were aiming to get a topic about a soliloquy but noooooo thoace came to us second to last

lanceylance: it could be worse we could be whatever group got left with the politics

kogayne: this project sounds gross

kogayne: i don’t wanna

takashmeoutside: tragic
kogayne: yeah it really is

allurable: so how’s everyone’s day otherwise

kogayne: good i guess?

hunkerdunker: i want to go back to culinary and spend the rest of the day there

hunkerdunker: i really just don’t wanna do the rest of the day

shayfromstatefarm: keith how was the quiz in calc considering you’re on your phone

kogayne: i thought it was easy but that’s just me

kogayne: it was short and it was on limits

kogayne: \_(ツ)_/¯

lanceylance: if i fail kick my ass for me

kogayne: with pleasure

lanceylance: :O rude

kogayne: ;)

shayfromstatefarm: okay easy quiz

shayfromstatefarm: i’m guessing we have homework on that new shortcut thing we learned yesterday for the whatever

kogayne: :) yep :)

lanceylance: who’s willing to slide answers

kogayne: lance no

lanceylance: lance yes

shayfromstatefarm: lance No

lanceylance: Lance Yes

hunkerdunker: Lance No

lanceylance: LANCE YES

carrierpidgeon: let him fail

lanceylance: rude

carrierpidgeon: idgaf

lanceylance: ysgaf
mattata: what
lanceylance: you should give a fuck
mattata: wh
carrierpidgeon: well i don’t
lanceylance: fight me
allurable: every day with you kids
lanceylance: gotta keep the blood pumping
lanceylance: fighting is good
allurable: no???
takashmeoutside: keith look what you’ve done
takashmeoutside: he was a fine upstanding citizen and you’ve corrupted him
kogayne: are u sure about that assessment
kogayne: i have distinct memories of lance deliberately trying to piss me off most of freshman year
lanceylance: ¯\_(ツ)_/¯ but ur mine /now/
kogayne: that i’ll concede
lanceylance: boi the fuck do you mean CONCEDE you should be yelling it to the world
kogayne: [yells in ur face]
mattata: UR NOT AS SMOOTH AS U THINK KOGANE
kogayne: excuse me but that was smooth as hell
carrierpidgeon: that’s a joke u stole from the internet u heathen
kogayne: no it’s not
carrierpidgeon: you corrupted a bro meme, meant for broulmates
carrierpidgeon: for your crimes, thou shall perish
lanceylance: is this another installment in the fantasy klance world be i’m ready
lanceylance: AND SO the brave knight Kogane, on his quest to defend his lover, the ever-beautiful Prince Lanceylance, falls into a trap by the wicked and cunning sorceress Pidge. Kogane has found himself in quite the pickle—ensnared, weaponless, surrounded, no course of action. It appears that the sorceress has finally one-upped him for the last time.
carrierpidgeon: instead of stalling like incompetent villains often do, giving prince lanceylance his
window of opportunity to inevitably incapacitate me and rescue his lover, i straight up kill kogane, the end

hunkerdunker: damn

shayfromstatefarm: rip

allurable: :O

kogayne: Prince Lanceylance bursts onto the scene. Momentarily, he believes he’s too late. The sorceress has no need, she thinks, to murder the prince when she can hold him over the royal family’s head as leverage. Cruelly, she allows Prince Lanceylance to cradle his lover’s dead body. In a moment of utter anguish, Prince Lanceylance becomes hysterical, and unleashes magical powers he never knew he possessed. The sorceress’s woodland hideout is obliterated, and the sorceress vanishes in a moment of self-preservation, as the prince’s magic is harmful to her. This leaves Prince Lanceylance with Kogane. The prince, desperate, pours his magic into a kiss that resuscitates Kogane and brings him back to life.

allurable: YOU DID NOT JUST PULL SOME “TRUE LOVE CONQUERS” BS

carrierpidgeon: COP-OUT

kogayne: LET ME HAVE A HAPPY ENDING

carrierpidgeon: HAPPY ENDINGS ARE OVERRATED

kogayne: WHAT IS SO OVERRATED ABOUT THEM

carrierpidgeon: THEYRE SO CLICHE

kogayne: HAPINESS IS NOT CLICHE

mattata: edgy endings are cooler? really?

carrierpidgeon: MAYBE

kogayne: NO LET ME HAVE MY HAPPY ENDING

kogayne: I DON’T GET A LOT OF THOSE

kogayne: JESIIXNSBWND PFV DHBSBDJD LEMME HAVE THIS

lanceylance: anyone who deprives keith of his happy ending can fuckin fight me

kogayne > lanceylance

kogayne: aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa THAT SHOULD NOT GET ME AS WORKED UP AS IT JUST DID IT’S JUST A SILLY PLAY FIGHT

lanceylance: shhhhhhhhhhhhhhhhhhhhhhh IT’S OKAY

lanceylance: you deserve a happy ending
lanceylance: you were coming from a genuine place
lanceylance: i know what you meant and i have your back
lanceylance: always
kogayne: hnnn thanks
lanceylance: caaaaalm down, just pretend i’m there
lanceylance: meet me by the stairs between english and math? just for like a minute?
kogayne: yeah

lanceylance: <333

shayfromstatefarm: okay tell me i’m not the only one who notices something’s up with pidge lately
kogayne: i was starting to get that sense

shayfromstatefarm: i mean she could be pmsing but?
kogayne: oh shit glitter’s coming to miami
lanceylance: CAN YOU ALL JUST SAY THE WORD PERIOD WE ARE NOT 5

shayfromstatefarm: yeah but of the four of us you’ve known her since her literal birth
kogayne: honestly what the fuck i blame shiro and matt for this
shayfromstatefarm: you also have the Thing in common and if it’s that you’re probably better-suited to deal with it
kogayne: ...do u think it’s That Thing?
lanceylance: i feel like if it’s That then she wouldn’t be lashing out so much at keith?
kogayne: yeah…
kogayne: alright i’m going to investigate but if the brave knight kogane dies a third time we’re sending in the common baker hunk

shayfromstatefarm: pidge’s

hunkerdunker: :O

carrierpidgeon: :D

shayfromstatefarm: :D (☞(^*)・ω・)☞

carrierpidgeon: (☞(^*)・ω・)☞

carrierpidgeon: are we doing a mario kart tournament tonight

lanceylance: yes

kogayne: time to defend my title as the king of rainbow road

lanceylance: i want a just dance battle after

hunkerdunker: i haven’t done just dance in so long

carrierpidgeon: same

carrierpidgeon: let’s do it

kogayne: i have the 2018 version

kogayne: matt and lance made shiro and i memorize the dance to despacito

lanceylance: i work those hips and i work them well

carrierpidgeon: keith care to confirm this info

kogayne: hhhhhhhhhhhhh

lanceylance: huehuehuehuehue

lanceylance: also he lied he has Every version of just dance

carrierpidgeon: and why have i never seen them for all the times i’ve been to your house

kogayne: i put them away
kogayne: i don’t think lance and i have touched them since like,,, december?

lanceylance: approximately

hunkerdunker: you memorized the just dance dance to despacito over winter break...and never told anyone

lanceylance: yes that would be correct

lanceylance: keith is an excellent dancer but he won’t let me tell anyone that except i just did KEITH KOGANE CAN DANCE AND /HOT DAMN/

kogayne: ghnggwfgn

kogayne: shushshushusjshshshssudhhs

lanceylance: he’s my favorite dance partner

lanceylance: and also my life partner

lanceylance: and if we were trapped in an intergalactic war in space he would definitely be my partner on the battlefield

lanceylance: my forever partner

lanceylance: infinity

carrierpidgeon: disgusted™

carrierpidgeon: anyway i’m definitely down for just dance but we also need to play space defenders

hunkerdunker: pillow fight

kogayne: did you just challenge me to a pillow fight

hunkerdunker: i challenged the whole gc?

kogayne: you challenged me

carrierpidgeon: you challenged keith

lanceylance: rip

hunkerdunker: what does keith do during pillow fights that i should be afraid of

shayfromstatefarm: you challenged keith to a physical fight what more do you want

carrierpidgeon: keith is ruthless in pillow fights

carrierpidgeon: he almost punted me down the stairs one time

hunkerdunker: ...down the stairs?
kogayne: pillow fights are whole-house combat zones

kogayne: no one is safe

lanceylance: he has no remorse

lanceylance: it’s like that time he and pidge locked me out but worse

kogayne: you lose against me or you die take your pick

hunkerdunker: a bruised ego or a grave

hunkerdunker: lance i didn’t know you were dead how was your funeral

lanceylance: did u just insinuate i would’ve died rather than admit defeat to my hot bf

lanceylance: bc ur right

lanceylance: it was great i had my casket pop open with confetti while the space jam theme started playing it was great

shayfromstatefarm: hi what the fuck is wrong with you

lanceylance: i came into this world screaming and i will be buried the same way

kogayne: when i mentioned death this isn’t where i envisioned the conversation going

carrierpidgeon: in short: yes we’re doing a pillow fight thanks for the idea hunk

hunkerdunker: I Have Regrets

kogayne: >)

lanceylance: where are its eyes

kogayne: ...so i may have fucked up a little bit

carrierpidgeon: “compliment me” “you have eyes”

shayfromstatefarm: if keith’s emoticon doesn’t have eyes can it cry

shayfromstatefarm: does it have tear ducts so it can cry over not being compliment-able bc it doesn’t have eyes

lanceylance: i started googling “can you cry if you don’t have eyes” and it started autofilling fuck you guys for making me google this

hunkerdunker: any of us could’ve just as easily googled it

hunkerdunker: you brought this upon yourself

lanceylance: anyway it depends on if you have the necessary parts,.. this one answer says if you have these things called lacrimal sacs but idk how trustworthy this is
lanceylance: if they’re blocked or something then it goes through the nasal cavity

lanceylance: so uhhhh yeah if u don’t have eyes u can still cry

shayfromstatefarm: fascinating

kogayne: i don’t know when i’m gonna need that info but i’m gonna file that away

kogayne: anyway stop making fun of my emoticon he’s fragile

hunkerdunker: sorry keith’s emoticon

kogayne: )

lanceylance: i can’t take that one parenthesis seriously

kogayne: ‘(

shayfromstatefarm: DID YOU JUST MAKE IT CRY

kogayne: SO WHAT IF I DID

kogayne: LET HIM CRY

lanceylance: you are very passionate about your eyeless emoticon

kogayne: I LOVE HIM LEAVE HIM ALONE

carrierpidgeon: it started out with a typing miss

carrierpidgeon: how did it end up like this

lanceylance: YOU EMO FUCKS

carrierpidgeon: FIGHT ME

lanceylance: WE ALREADY ESTABLISHED WE’RE HAVING A PILLOW FIGHT

lanceylance: wow it’s not just gonna be me vs keith or keith vs pidge there’s gonna be like 5 of us

shayfromstatefarm: “like” five of us

shayfromstatefarm: there are five of us it’s not that hard to count

lanceylance: ...anyway

shayfromstatefarm: >:O

lanceylance: this means i can team up with keith and we can be the Best team

kogayne: fuck u every man for themselves

lanceylance: >:O
shayfromstatefarm: pffffffffffffffft
shayfromstatefarm: nice job keith
lanceylance: that’s It keith is going down
kogayne: it?
carrierpidgeon: PENNYWISE?
hunkerdunker: oh hell no
kogayne: omfg let’s play manhunt
carrierpidgeon: MANHUUUUNT
shayfromstatefarm: with five people?
kogayne: well we have several options
kogayne: we can invite more people
lanceylance: ???
kogayne: i’ll get to that
kogayne: we can split up in teams of 2 and 3
kogayne: or we can play where one person hides and everyone else splits up to look for them
carrierpidgeon: who would we invite if we invite more people
kogayne: idk, like plax, flor, maybe lotor’s squad, or those other kids plax is friends with?
kogayne: they wouldn’t sleep over i would kick them out at like,",, i dunno, when’s driving curfew?
kogayne: i mean i wouldn’t know bc i’m 18 and lance and i have been consistently breaking the law since junior year
shayfromstatefarm: stop setting a bad example for pidge
kogayne: she was fucked the day she was born
carrierpidgeon: matt and shiro were the Worst influences on both of us it’s too late
kogayne: anyway
kogayne: what’s curfew?
lanceylance: like 11
kogayne: so i’d kick them out at like, 11
kogayne: they could come over later not right after school, they could come at like,,, 
kogayne: how long would we want them there for?

shayfromstatefarm: we haven’t even decided if we’re actually inviting other people over

shayfromstatefarm: don’t you have a cousin to run things by

kogayne: no i kicked him out of the house he’s spending the night doing something with matt and allura at allura’s

carrierpidgeon: takashi shirogane is allowing you to stay by yourself and host a party

kogayne: I’M A LEGAL ADULT

carrierpidgeon: BUT IT’S /YOU/

lanceylance: she’s got a point

lanceylance: so are we inviting other people or not

kogayne: i’m only doing it if everyone’s comfortable with it and with them being here for like...how many hours?

kogayne: if we invite them at like, 6? that’s 6 hours and we can order pizza?

kogayne: ??? can anyone respond

kogayne: if u don’t feel like voicing things and having your votes influenced by peer pressure u can text individually and we can do a secret vote???

carrierpidgeon: we’d have to lay down who we were to invite

kogayne: ok

kogayne: if we invite lotor and co and all of them show up that’s 10, for even manhunt teams of 5

kogayne: if we invite just plax and flor it’s 3 v 4

kogayne: if we invite them plus their friends swirn and blumfump??? fulton????

lanceylance: blum is easier

kogayne: okay if we invite them plus their friends blumfump and swimn that’s teams 4 v 5

kogayne: and if we invite EVERYONE it’s even teams 7 v 7

kogayne: sooooooo?

kogayne: okay no one wants to answer separate vote time

hunkerdunker: thank god

kogayne: YOU COULD’VE SAID “LET’S DO SEPARATE VOTES” HGRFWHTFS
hunkerdunker > kogayne

hunkerdunker: i’m not picky i’m down with everyone
hunkerdunker: u know now that all that drama is past us
kogayne: ok

carrierpidgeon > kogayne

carrierpidgeon: E V E R Y O N E

carrierpidgeon: maximum manhunt chaos
kogayne: i like the way u think

shayfromstatefarm > kogayne

shayfromstatefarm: i don’t mind who we invite tbh
shayfromstatefarm: i’d say go for everyone as long as everyone else is okay with it
shayfromstatefarm: and if not, maybe just plax and flor?? idk man
kogayne: noted

kogayne > lanceylance

kogayne: you’re the only person who hasn’t texted me back yet, what’s going on, starboy
kogayne: i know ur in spanish right now but i know you’re always on your phone in that class
lanceylance: you’re
kogayne: you’re avoiding
lanceylance: who are /you/ comfortable with inviting
kogayne: is this about lotor
kogayne: the drama’s been done with for months now, i’m okay with it
lanceylance: no i meant plax
lanceylance: i haven’t hung out with her outside of school things since we were dating
kogayne: ???? lance i /trust/ you you know this
lanceylance: i’m just making sure
lanceylance: u come first

kogayne: well actually this sleepover was for pidge so in this case pidge comes first

lanceylance: stfu i’m trying to be romantic

kogayne: and i think it’s cute

kogayne: but yeah i’m definitely okay with it

kogayne: u know unless u start randomly making out with her in the middle of manhunt

kogayne: ...is there something you need to talk about?

lanceylance: no

lanceylance: i’m just double-checking things with you

kogayne: or are you projecting your own jealousies

lanceylance: me? jealous?

kogayne: rolo

kogayne: lunch, like, almost two weeks ago?

kogayne: u were jeeeaaloouuuus

lanceylance: please i knew he had no chance

kogayne: but u were still jealous

kogayne: i know u were

lanceylance: u liked it

kogayne: yes i did

kogayne: but now ur projecting ur jealousies onto me

kogayne: listen i’ll be as clingy as u want but i’m down with plax coming, i’m not gonna feel threatened in any way if that’s what you’re thinking

kogayne: ...not unless u give me reason to be, like i said

lanceylance: ur absolutely sure

kogayne: is something else going on that i need to know about

lanceylance: haaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa

kogayne: ?????????

lanceylance: no not really i’m just making myself overly anxious
lanceylance: hmmmmmmmm

kogayne: here i’ll put it in writing for you

kogayne: u never need to ask if i’m okay with hanging out with one of your exes

kogayne: plax is cool and i hate nyma the end

lanceylance: okay

lanceylance: just for the record i hate rolo until further notice

lanceylance: has he tried to contact you since lunch that day?

kogayne: a couple texts here and there but nothing serious

kogayne: he’s like “pls can we talk about this” and i asked him why we couldn’t do it over text and he couldn’t give me a straightforward response

kogayne: so we still haven’t talked things over

lanceylance: okay cool because i’m not ready to forgive him for what he did to you at rehearsal

lanceylance: i was fucking terrified for you

lanceylance: you know what it’s not even that i’m not ready to forgive him it’s that i don’t think i /can/ forgive him

kogayne: wow

lanceylance: does that make me sound like a bad person?

kogayne: uhhh personally i think no

kogayne: it makes you sound like someone who loves his boyfriend a lot and who’s always looking out for his well-being

lanceylance: well...got that right

lanceylance: so yeah invite whoever i guess, everyone, idc whoever the group chat decides

kogayne: alright

kogayne: cuddle during study?

lanceylance: yeah i think i need it

kogayne: alright i’ll see u in physics

kogayne: i love uuuu

lanceylance: i love u too
kogayne added lanceylance, carrierpidgeon, hunkerdunker, shayfromstatefarm, lotoreal, acxalutelynot, dinezor, zethridofmyproblems, sippinganartini, madplax, floronawiththecorona, swirnupanddown, and blumpyfumpy to hangout

kogayne: hi everyone i know this is random and super last minute but is everyone free tonight (lance pidge shay and hunk need not reply)

dinezor: i live in america i’m free every night

acxalutelynot: ...this is america, ez

dinezor: fregtngrfsd i know

dinezor: anyway i’m free!

sippinganartini: ez i hate you every single time you spam

dinezor: WHOOPS SORRY

sippinganartini: anyway i am also free

zethridofmyproblems: i’m free

madplax: what’s up your sleeve, kogane

blumpyfumpy: ...i’m free?

swirnupanddown: ^

lotoreal: i appear to have no other obligations tonight

acxalutelynot: i’m free

floronawiththecorona: what’s up

kogayne: wow i didn’t actually think we’d get everyone

kogayne: okay so i’m hosting a party?

madplax: i’m sorry i just almost did a spit take in the middle of class

madplax: keith kogane, hosting a party

kogayne: yeah yeah laugh it up

kogayne: it’s not like, a huge party, so don’t go inviting other people or bringing alcohol or drugs, those are no-nos

madplax: oh damn there goes my whole scheme

kogayne: it’s technically not even a party it’s like, a big group hangout

kogayne: where we eat pizza and play games like manhunt
madplax: MANHUNT

dinezor: I LOVE MANHUNT I’M SO GOOD AT IT

cacxalutelynot: she’s only good at it because her top hiding spots are in fucking trees

dinezor: YOU JUST BLEW MY WHOLE PLAN

kogayne: so yeah since you’re all free, if you feel like it, come over at like,,, 6ish?

kogayne: i’m gonna order a few pizzas

kogayne: plain, pepperoni, and uhhh...i dunno???

swirnupanddown: sausage

blumpyfumpy: mushroom

kogayne: any other takers for sausage or mushroom

kogayne: ...no?

kogayne: i’ll order one half and half then

zethridofmyproblems: isn’t that expensive

kogayne: shiro and i are pizza place regulars we have discounts

allurable: ^^^ nice

allurable: alrighty i gotta go, i’ll see you two later <333

mattata: love u

takashmeoutside: <3

Chapter End Notes

lol i was gonna write this yesterday but i was exhausted and fell asleep bc i spent my afternoon out of the house

no saturday chapter

since the last update i've also updated stars go down (chapter 27) and does any actual learning go on in this facility (part 7)

uhhhhhhh mmmm how do i wanna go about this

okay so i think i wanna take a sort of hiatus from this fic, but not a total hiatus, for maybe a week or two? as it is i'm already only doing two or three updates a week, sometimes four if my week is super interesting, but like...april nanowrimo starts in about a week, so i wanna take a break from writing so much so i don't burn out completely. i also wanna take some time this week to get reading in before april nanowrimo starts, and i also wanna work on my other fanfics?? all i'm trying to say is that while there won't be a complete hiatus, i'm gonna try and cut back even further than i already have since december

i've got at least two oneshots i'm planning to write set after this chapter and between whatever one goes up next, plus other oneshots and snippets from older chapters, on top of stars go down updates, the abc series, and wOW WHY DO I WRITE SO MUCH WHAT THE FUCK

i've also got a couple other plot points/chapter ideas in mind for this fic that i either know exactly when they're happening or know they're happening further down the line, so like,,, it's not like i'm quitting (fgthgrfg you're not even QUITTING eileen chill) bc i'm not inspired, i'm just trying to preserve myself before a burnout happens bc april is gonna be another writing frenzy

anyway that was long and i know u guys are gonna be like "about fuckin time!! we support this!!" so yeah ANYWAY, to keep you on your toes, here are some plot points coming down the pipeline within about the next...month or so?

-pidge's birthday
-some promposals
-accepted students' day at arus u
-a Mystery Plot (aka i won't tell u, but if u've been paying attention to my commentary
and the comments section, you might figure this one out pretty quickly ;) )

k this was way too long see y'all whenever the next chapter is
uhhh there's sports

Chapter Summary

there's a basketball game, ft. klance, hunay, platonic hance, broganes, and more
complaining about school

Chapter Notes

lololololololol so chapters back there was supposed to be a student-teacher basketball
game and i can't remember if i ever put it in the fic but it got moved back to tonight bc of
the snow we've been getting

also head's up for anyone non-religious or who doesn't like religion mentioned in
fanfics, i'm catholic (idk if i mentioned it before) and u know, since this is a thinly-veiled
projection fic, i've decided lance is also catholic, like the kind of catholic that actually
celebrates holidays (cue flashbacks to the christmas chapters) so there is a very brief
(like one or two short texts) section where lance explains easter, or like, good friday

just lettin y'all know :P

alrighty have fun reading

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: good morning bby

kogayne: morning

kogayne: you’re in a good mood

lanceylance: yeah i woke up thinking about u covered in sweat running down the basketball court

kogayne: ...what

lanceylance: ur hot as fuck

lanceylance: i woke up very upset that you weren’t sleeping next to me

kogayne: u know full well if i’d slept over we would’ve been up all night and we’d literally crash in
the middle of the game tonight

lanceylance: yeah i know

lanceylance: ANYWAY i actually have a question for you
lanceylance: several actually

kogayne: why do i feel like i know where this is going

lanceylance: because we’re just that in sync

lanceylance: okay one what are you doing friday besides our morning shift at bb

kogayne: not much?

lanceylance: COOL okay so like

lanceylance: i know u and shiro don’t do anything for easter

kogayne: excuse me

kogayne: yes we do

lanceylance: raiding the stores for discount easter candy doesn’t count

kogayne: ...u right, no we don’t do anything

lanceylance: yeah i know so ANYWAY

lanceylance: i’m gonna educate u on easter a little u ready

kogayne: do i have a choice

lanceylance: no this is important

kogayne: go ahead

lanceylance: OKAY so easter’s all about Jesus dying on the cross and so He hung on the cross for like, three hours

lanceylance: and in the past my mom’s always made us take those three hours to focus on easter so what my siblings started doing is we started dying our eggs during those three hours

lanceylance: but as u know most of my siblings are in college or moved out or they’re just too lazy to come by and keep up tradition

lanceylance: BUT emely said she’d come over and she’d bring javier and clara and FIRST OF ALL i was wondering if you’d wanna come over for that

lanceylance: u can stay for dinner too if u want but u don’t have to

lanceylance: u don’t have to come at all if u feel like it’s not ur thing but the INVITE IS OPEN

lanceylance: which leads into my NEXT POINT

lanceylance: for easter my family usually goes to a vigil mass the night before so we spend all of sunday chillin out and eating and we set up an egg hunt in the yard for the youngsters

lanceylance: and i was WONDERING if you and shiro wanted to come over on sunday???
said i know u guys don’t celebrate so u don’t have to especially if you feel like it’ll be awkward but uhhh ANYWAY YEAH

**kogayne:** one moment please

---

**kogayne > takashmeoutside**

*(3) photos from kogayne*

**kogayne:** i’m gonna marry the shit out of him

**takashmeoutside:** IT’S FIRST THING IN THE FUCKING MORNING

**kogayne:** did u sleep at all

**takashmeoutside:** matt and allura played space defenders

**takashmeoutside:** ALL NIGHT

**takashmeoutside:** I HAVE THE OPENING SHIFT TODAY

**kogayne:** fwerrefbg i wanna high-five them

**takashmeoutside:** worst brother ever

**kogayne:** yeah i know ANYWAY what do u think about lance’s offer

**takashmeoutside:** i mean, i’m off on sunday, i’m not opposed to going

**kogayne:** COOL NEITHER AM I

**kogayne:** also i’m definitely taking up his friday offer too

**kogayne:** and also idk if i told u or if pidge told matt and then matt said something BUT pidge and i are finally getting back to cryptid hunting on saturday

**takashmeoutside:** it’s supposed to rain today through friday, and then saturday’s only gonna be like 50 degrees

**kogayne:** that’s warmer than it’s been, number one

**kogayne:** number two, we’ll be prepared, don’t worry

**takashmeoutside:** and you’ll both be comfortable?

**kogayne:** we’ll wear the proper hiking shoes

**takashmeoutside:** that’s not what i meant

**kogayne:** oh

**kogayne:** oh yeah
kogayne: i’ve talked about this with her, and if she changes her mind, then we won’t go

takashmeoutside: what about you

kogayne: if i lived my life running away from things that could hurt me i don’t think i’d leave the house

takashmeoutside: that’s fair

takashmeoutside: just be careful though, okay?

kogayne: we will i promise

takashmeoutside: i’m serious

takashmeoutside: if you go and things get bad, call someone

takashmeoutside: it doesn’t necessarily have to be me

kogayne: alright

takashmeoutside: promise me

kogayne: i promise

takashmeoutside: good

kogayne: are u gonna make me promise again on saturday before we leave or are we good here

takashmeoutside: oh you know i’m gonna make you promise again

kogayne: excellent

kogayne > lanceylance

kogayne: i’m good for both days

kogayne: shiro’s coming on sunday too

lanceylance: :D

lanceylance: can’t wait!!!!

lanceylance: i’m gonna tell emely to tell clara and javier they’re gonna be so excited I’M SO EXCITED

kogayne: :) glad to see u happy

lanceylance: i’m gonna tell my whole family ur coming

kogayne: is this gonna be like christmas where they buy me gifts out of nowhere
lanceylance: dfgfhngdrsfdgnh NAH

kogayne: should i bring some food anyway

lanceylance: no u don’t have to

kogayne: i’m gonna

kogayne: now what’s the game plan today

lanceylance: i’m on call from 3:30 to 5 but between school and then i have nothing

lanceylance: and then shay took us all off so between then and the basketball game i’ve also got nothing

lanceylance: what about u

kogayne: nothing, as far as i know

kogayne: so here’s what we do

lanceylance: oho are you taking me out on a date

kogayne: what would you consider a date

lanceylance: i dunno, any occasion where we’re alone together

kogayne: that means a lot of our lives have been dates

lanceylance: and i’m fine with that

kogayne: okay no but this,, mmm i guess it’ll be sort of an official ~date~

kogayne: i was gonna say we fuck around and maybe get ice cream or coffee or something between school and rehearsal, whichever we feel like at the end of the day

lanceylance: just u and me

kogayne: just u and me

lanceylance: :)

kogayne: then after rehearsal and before the basketball game we can go back to my place and hang out?

kogayne: maybe power nap?

lanceylance: are u sure we’ll wake up if we power nap

lanceylance: i’m out at 5 and we need to be back at 6:30

lanceylance: we’re guaranteed to wake up in the middle of a cycle which means we’ll feel like shit

kogayne: shit u right
kogayne: okay so we goof around until it’s time to go
lanceylance: we could just like,,, cuddle,,,,
lanceylance: IF U WANT
kogayne: I THINK I DO WANT
lanceylance: OKAY COOL
lanceylance: u want me drive orrr
kogayne: i’ll drive
lanceylance: okay cool are we hitting dunks this morning
kogayne: sure
lanceylance: usual?
kogayne: yes pls
lanceylance: prepping the order now :)
kogayne: be over in 10 <3

kogayne: boi u know u don’t have competition

lanceylance: yeah i know but HA HA WHAT :)))

hunkerdunker: i’m gonna propose to shay at halftime

hunkerdunker: right on the court

hunkerdunker: you’re good at smooth-talking

hunkerdunker: i need you to get the commentators to give you a mic and let you interrupt the half-court shot contest

hunkerdunker: and i also need you to make me do this in case i get cold feet and try and back out

hunkerdunker: gonna end senior year with a bang and that includes socially

lanceylance: DUDE I AM ALL FOR THIS

hunkerdunker: do you think shay’s gonna like it

lanceylance: dude she’s gonna fckin LOVE IT

lanceylance: i mean she also loves YOU so it’s automatically great in her eyes BUT SHE’S GONNA LOVE IT BC IT’S ALSO AMAZING ANYWAY

hunkerdunker: what if i screw up in front of everyone

hunkerdunker: oh god what if i try to do it and someone shoves me

hunkerdunker: what if i get hit with a basketball

hunkerdunker: maybe i shouldn’t

hunkerdunker: ALRIGHT I’M GONNA DO IT

lanceylance:
YEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE

hunkerdunker:

lanceylance: NOW KEEP UP THIS ENERGY FOR SEVERAL MORE HOURS UNTIL HALFTIME

hunkerdunker: FUCK

takashmeoutside: are we going to the basketball game tonight

allurable: absolutely

mattata: yes

mattata: so we can videotape it when someone inevitably screws up

takashmeoutside: who’s gonna screw up

mattata: uhhh lance obvi

takashmeoutside: ????
mattata: keith played basketball for years and shay’s too competent

allurable: u forget lance was a multi-sport athlete, he’s gonna do really well and surprise everyone and i’m calling it now

mattata: mmm should i bet on this

takashmeoutside: the holts and their bets smh

mattata: oh and whose side would you take kashi

takashmeoutside: lance’s

mattata: :O

takashmeoutside: i know lance very well both because he’s always in the house or because keith won’t shut up about him

takashmeoutside: i can’t wait until the day pidge gets a significant other so you can deal with her going on about them forever

takashmeoutside: “shiro! lance did the cutest thing today!” “shiro, i can’t do it, he’s too good for me!” “shiro, did you see lance’s newest instagram post? i’m gAY AND DYING”
allurable: has he actually said all of those things

takashmeoutside: there’s a lot more that’s been said

allurable > kogayne

allurable: “shiro! did you see lance’s newest ig post? i’m gAY AND DYING”

kogayne: WHAT THE FUCK

kogayne > takashmeoutside

(1) photo from kogayne

kogayne: DICK

takashmeoutside: dwfghnrfwed

THE SQUAD MY GUYS

carrierpidgeon: lol none of u can read this text right now but good luck don’t die

hunkerdunker: remember the ball goes in the hoop

carrierpidgeon: it’s not a foul if the ref doesn’t catch you

takashmeoutside: IT’S STILL A FOUL IF THE REF DOESN’T CATCH YOU

carrierpidgeon: if a tree falls down in a forest and no one is around to hear it does it really make a sound

takashmeoutside: THAT WOULD BE HOW THAT WORKS, YES

carrierpidgeon: does it tho

takashmeoutside: YES

carrierpidgeon: prove it

takashmeoutside: i

carrierpidgeon: that’s right you can’t checkmate binch

THE SQUAD MY GUYS

takashmeoutside: she’s a queen

kogayne: but in her car?

takashmeoutside: A QUEEN, KEITH

Chapter End Notes

yeah we won in overtime :P

no, my school mascot isn't the terriers, so for everyone trying to track me down, u can quit now

also yes my psych teacher is apparently a bruno mars fanboy??? idk man this class was wild we get derailed so easily when we have discussions and today was no exception

and finally: we're pretty sure our lit teacher hates us (she likes her period 6 class so much more than my period 1 class it is RIDICULOUS how much favoritism she shows to them compared to us) and aNYWAY

see y’all whenever the next chapter is
**PIDGE DAY**

Chapter Summary

pidge's birthday, ft more klance shenanigans

Chapter Notes

i'll talk in the end note but for now here's pidgeotto's birthday chapter

See the end of the chapter for more notes

**THE SQUAD MY GUYS**

**kogayne** renamed **THE SQUAD MY GUYS** to **PIDGE DAY**

**kogayne**: happy birthday nessie-denier, hope your day is as awesome as you are, live your life to the fullest. you’re also now sixteen so maybe be on guard just in case you randomly become the chosen one :P

**carrierpidgeon**: dghtyyrgefwnfds THANKS BRO

**mattata**: HAPPY BIRTHDAY GREMLIN

**carrierpidgeon**: THANKS TITAN

**takashmeoutside**: HAPPY BIRTHDAY PIDGE

**allurable**: [kicks down door] HAPPY BIRTHDAY PIDGE!!!!!!!

**carrierpidgeon**: twegryjrdhtg thanks guys i hope the door hit shiro on his way in

**takashmeoutside**: rUDE

**shayfromstatefarm**: HAPPY BIRTHDAY PIDGE I HOPE THE DAY IS AWESOME

**hunkerdunker**: happy birthday pidge i can’t wait until you become the chosen one and save us all!!!!

**carrierpidgeon**: THANKS SHAY THANKS HUNK

**lanceylance**: HAPPY BIRTHDAY PIDGEOTTO

**carrierpidgeon**: THANKS LANCE

**mattata**: aaaaaaaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA my baby demon is growing up
mattata: *sister

carrierpidgeon: yeah somehow i don’t think that was autocorrect

mattata: well i guess we’ll never know

carrierpidgeon: mmmmmmmmmmmm

lanceylance: she’s /fighting/ demons she’s gonna be the chosen one get ur shit together matt

shayfromstatefarm: plot twist where matt /is/ the demon

kogayne: overdone

shayfromstatefarm: overdone?? tf

kogayne: the “my family member is actually a demon and i have to kill them or else they’ll end the world” plot is overdone

lanceylance: i wouldn’t say /overdone/

lanceylance: just incredibly predictable

kogayne: if u can predict it it’s overdone

carrierpidgeon: i’m with keith on this

carrierpidgeon: if i were to become the chosen one then keith’s the begrudging older brother figure that comes on my adventures with me

carrierpidgeon: and then accidentally adopts all of my friends

hunkerdunker: keith is steve harrington confirmed

lanceylance: he’s even got the 80s haircut

kogayne: i’ll take it ^_^

carrierpidgeon: and we established matt is my actual older brother and we think he’s a demon but no one’s really sure and at this point we’re too afraid to ask

carrierpidgeon: shiro is the person we trust for knowledge on matt but lately we think he’s being charmed or threatened into silence

carrierpidgeon: allura’s secretly got magical powers hence her sparkly white hair and we send her in to see what’s up with matt and shiro and the three of them disappear

carrierpidgeon: me and keith and my tiny teenage friends can’t do things alone so we enlist the help of hunk bc he’s ultra-smart and he’s best friends with lance and lance is just here for a good time

carrierpidgeon: and shay is hunk’s girlfriend and shay proves to be the most badass of all of us
shayfromstatefarm: i expected nothing else

carrierpidgeon: together we save the world

kogayne: from matt?

carrierpidgeon: no it turns out matt was being controlled by a bigger evil, and shiro played right into it (allura figured things out of course)

carrierpidgeon: matt was being controlled by sENDAK, THE EVIL EX-COWORKER

carrierpidgeon: who in this story sought revenge bc matt pulled some bullshit

mattata: yeah that sounds about right

kogayne: since when was sendak an ex-coworker

kogayne: last i heard wasn’t he under review

takashmeoutside: yeah he’s still got his job

mattata: one more strike and he’s out for good, he’s on HEAVY WATCH

kogayne: damn

kogayne: i could provoke him into trying something if u want

takashmeoutside: shh matt and i got this, we’ve just gotta dig up some more dirt on him and we’re all good to go, anything can get him fired now

kogayne: does everyone know he’s been calling you takashit behind your back

takashmeoutside: unfortunately

mattata: it’s now a running meme

takashmeoutside: [long sigh] they made me a meme

mattata: :D

carrierpidgeon: meme boi

lanceylance: I’M MEME BOI

lanceylance: HOW DARE

carrierpidgeon: idc eat a dick

carrierpidgeon: wAIT NO

lanceylance: HEY KEITH

kogayne: pidge why
carrierpidgeon: I MADE A MISTAKE

allurable: you failed the chosen one test

carrierpidgeon: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

kogayne > lanceylance

kogayne: hey i found an internet debate and i want your opinion on it

lanceylance: i’m both concerned and excited, hit me with it

kogayne: okay so you’re big into romance

kogayne: like nobody knew that

lanceylance: hoooo yeah romance that thing i don’t know how to do casually ;)

kogayne: :)

kogayne: anyway there’s a debate going on about the whole “if you love something set it free and if it comes back it was meant to be” thing

kogayne: some people think it’s sweet, other people think it’s stupid bc if u love something u should fight for it, and if u don’t fight for it then did u ever really love it

kogayne: whats ur opinion

lanceylance: THAT’S DIFFICULT WHY DID I AGREE TO THIS

kogayne: I DUNNO

lanceylance: DO U HAVE AN OPINION

kogayne: SORTA?? I WANNA HEAR YOURS FIRST

lanceylance: KEITH

kogayne: HIT ME WITH IT

lanceylance: OKAY SO LIKE

lanceylance: MMMMMMM

lanceylance: on the one hand,

kogayne: oh you dropped the caps you’re getting deep

lanceylance: yes i am hush

kogayne: hushing
lanceylance: on the one hand, i feel like setting someone free is the equivalent to letting them do what they wanna do and not getting in the way of that

lanceylance: like if u said u wanted to move out to like,,, idfk hawaii or something for a job i’m not gonna be like “uhhhh but my job is here so here’s what we’re Not doing” i’d be like “go for it bby live ur best life”

lanceylance: it’s like a support thing i guess

lanceylance: but on the other hand,

lanceylance: fighting shows you’re actually afraid to lose someone, i guess

lanceylance: like if u said “i’m going to hawaii” and i was like “aight bet have fun” there’s a chance you could be like “...that’s it? you’re not even gonna /try/ and stop me?”

lanceylance: whereas if i fought for u to stay then it shows i actually care about losing you

lanceylance: but at the same time that seems a lil sketch to me bc it’s like “uhhh why are you putting your personal life ahead of me, i’m sorry when are we not about me”

lanceylance: it’s like a dougle-edged sword

kogayne: dougle

lanceylance: fuck

kogayne: it was poetic up until the typo

lanceylance: -_- 

lanceylance: but u see what i’m getting at, right

kogayne: yeah

lanceylance: okay now what’s your opinion on this before you run off and change the subject

kogayne: damn u caught me

lanceylance: keITH

kogayne: OKAY SO

kogayne: speaking from my experiences

kogayne: which i guess would affect how one would see it

kogayne: i can /see/ both

kogayne: because while i act like a very “set it free” sort of person

lanceylance: u mean “sometimes i wanna break up bc i feel like u could do better”
kogayne: yes

kogayne: while i act like that, it feels nice to be fought for, i guess??

kogayne: seeing as not many people in my life have actually been willing to fight for me???

kogayne: i dunno my anxiety defaults to “set them free don’t be clingy” and then my depression defaults to “fight for them don’t let them go cherish them while you can”

kogayne: u know

lanceylance: let it be known here and now i’ll fight for you forever

lanceylance: we’ll have been married for decades and probably like 90 years old and i’ll still be flirting with you like i’m two seconds away from losing you

kogayne: are u trying to make me cry

lanceylance: if anyone asks just say it’s the thought of the calc exam

kogayne: u know what, u right

lanceylance: uuuuhhhmm of course i’m right

lanceylance: but i’m serious

lanceylance: i’ll fight forever

kogayne: dewfgntjmyh

kogayne: i love you

lanceylance: love u too

lanceylance added acxalutelynot and madplax to DO THIS THING FOR ME

madplax: well that gc name isn’t pushy at all

madplax: what do you need

lanceylance: TOMORROW

madplax: that would the day after this one

acxalutelynot: wednesday april 4th 2018 if you’re looking for a date

lanceylance: um i already have a date his name is keith and i love him

madplax: typical

lanceylance: anyway i know not everyone is on call tomorrow but plax i need you to pretend we have a meeting for the whole cast before rehearsal tomorrow
lanceylance: and acxa i need you to call a crew meeting

madplax: um you’re also a stage senior you can call the meeting yourself?

lanceylance: you’re generally the one who makes the announcements it would look too sus coming from me

acxalutelynot: ...and then it would look too sus if keith called one for crew…

madplax: speaking of boyo, where is he

madplax: why isn’t he in this gc

lanceylance: be he can’t know about this

lanceylance: i’m surprising him

madplax: wasn’t his birthday in october?

acxalutelynot: isn’t today actually pidge’s birthday

lanceylance: yes and yes

acxalutelynot: cool tell her i said happy birthday

madplax: ^^^

madplax: but also what’s this for

lanceylance: i’m promposing to keith tomorrow and i want the cast and crew there to witness it

madplax: this is a promposal not a marriage proposal

lanceylance: yeah just keep assuming things

acxalutelynot: you’re not even 18

lanceylance: it was sARCASM ACXA

lanceylance: but anyway idc i want it to be special

madplax: typical

madplax: any particular reason it’s tomorrow of all days

madplax: aka when prom is a month away, u slacker

lanceylance: I’M NOT A SLACKER THIS IS PERFECTLY REASONABLE AND I HAVE AN EXCELLENT EXPLANATION AS TO WHY I WAITED SO LONG

acxalutelynot: yeah i was wondering about that, i thought you would’ve been one of the first promposals

lanceylance: well, prom day is actually our two year anniversary
lanceylance: and we got together during rehearsal

lanceylance: so i figured

lanceylance: april 4th is a month away from our anniversary, and coincidentally, we got together on a wednesday, and tomorrow is a wednesday

lanceylance: so what better way to prompose than to throw it back to how we got together

madplax: ...that’s actually really sweet and really well thought out what the fuck

lanceylance: i am a romantic

acxalutelynot: a pretty hopeless one at that

lanceylance: yes i a

lanceylance: wait was that a dig

acxalutelynot: it was whatever you want it to be

lanceylance: mmmmmmmmmmmmmmm >:

acxalutelynot: >:)

lanceylance: ANYWAY DO THOSE THINGS FOR ME PLEASE AND I’LL BE INDEBTED TO YOU FOREVER

acxalutelynot: you just did the equivalent of ariel signing over her voice

lanceylance: I’VE ALWAYS WANTED TO BE A MERMAID

acxalutelynot: should’ve worked harder on that #Lance4Ariel campaign then

lanceylance: i know

lanceylance: THANKS IN ADVANCE

Drama & Crew 2018

madplax: HEY FUCKERS ONE ANNOUNCEMENT

allurable: :O HOW AM I NOT PART OF THE OG SQUAD

carrierpidgeon: bAHAAHAAHAAHAAHAHAHA

hunkerdunker: you know we had to do it to em

Chapter End Notes

so i totally meant to put up a chapter yesterday but we had a death in the family at the end of last week so this week’s been really chaotic and won’t stop being chaotic in that area till tomorrow, but also rehearsal is getting chaotic out of nowhere so like?? i dunno man

also my mental health has been...kinda weird?? i was feeling out of it at the end of last week even before the death in the family and i’ve been out of it yesterday and today (mostly due to my parents being assholes but what else is new) and i...sooooooooooooooorota had a brief anxious breakdown in the middle of writing the chapter? (it lasted 5 minutes and now i’m in this weird space)

anyway i’m aiming for a chapter tomorrow but i’m probably not gonna have reliable writing access until about...yIKE late late LATE in the afternoon and i’ve got school stuff to do so I DUNNO MAN THIS WEEK GOT REALLY CHAOTIC OUT OF NOWHERE AND I DON’T LIKE IT BUT IT’S FINE IT’S FINE JUST GOTTA MAKE IT TO FRIDAY THEN I’M ON BREAK

(”eileen can you maybe sLOW DOWN AND TAKE CARE OF YOURSELF AND STOP WRITING SO YOU CAN RECOVER?” nahhhhhhhhh writing’s the only way i know how to cope with anything)

anyway,,, that's it that was more than you needed or cared to know

see y’all whenever the next chapter goes up
this is probably more romantic than the vday chapter tbh

Chapter Summary

pidge has a dilemma; let's play "which YA series is the author shading"; BABY PHOTOS; it's time for another promposal ;D

Chapter Notes

thanks for all ur condolences, i'm doin okay
no trigger warnings here that i can think of, have fun

See the end of the chapter for more notes

**PIDGE DAY**

carrierpidgeon renamed PIDGE DAY to fire, hellfire

carrierpidgeon: hELP

mattata: WHAT’S GOING ON

kogayne: DID SOMEONE HURT YOU

carrierpidgeon: NO SOMEONE LIKES ME AND I DON’T KNOW WHO IT IS

allurable: WHAT

shayfromstatefarm: WAIT WHAT

carrierpidgeon: ugh okay so i go to my locker this morning to go get my shit and there’s a nOTE IN THERE

(1) photo from carrierpidgeon

kogayne: holy shi

carrierpidgeon: IT’S A GIRL TOO???? LIKE????????

carrierpidgeon: i first saw the note and went “which boy am i letting down” but it’s a gIRL

shayfromstatefarm: but what if she’s an asshole

carrierpidgeon: i’ll cross that bridge when i get to it first i gotta find out who this is

kogayne: do you have any suspects
carrierpidgeon: well it’s someone in my grade but i didn’t know there were many other wlw in my grade

carrierpidgeon: there’s me, sherrie, sherrie’s gf,,,

allurable: what if this is your own love, simon

carrierpidgeon: ...HOLY SHIT

hunkerdunker: love, katie

kogayne > carrierpidgeon

kogayne: yeah hi let me talk to you about this personally

kogayne: spill all of your feelings here no one will see this

carrierpidgeon: aaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAA OKAY SO LIKE

carrierpidgeon: MMMMMMMMMMMMMM

carrierpidgeon: I DON’T KNOW HOW TO FEEL ABOUT THIS I HAVE A LOT OF CONFLICTING EMOTIONS ABOUT THIS

carrierpidgeon: like, one the one hand, sOMEONE LIKES ME

carrierpidgeon: AND IT’S A GIRL TOO

carrierpidgeon: BUT ON THE OTHER HAND, I DON’T KNOW WHO IT IS

carrierpidgeon: what if she’s actually an asshole?

carrierpidgeon: what if she’s not up to my standards???

kogayne: u have standards

carrierpidgeon: um obviously

carrierpidgeon: and then aLSO WHAT ABOUT SHERRIE, I STILL LIKE HER?????????? AND IT OBVIOUSLY CAN’T BE HER BECAUSE /SHE HAS A GIRLFRIEND/?????????

kogayne: you are in quite the predicament

fire, hellfire

allurable: your arc as the chosen one has officially begun!!! you already have a mysterious love interest!!

carrierpidgeon > kogayne
carrierpidgeon: WHAT DO I /DO/

kogayne: i would say don’t freak out but it looks like it’s a little late for that

carrierpidgeon: YA THINK

kogayne: okay so now what you need to do is breathe

carrierpidgeon: SOMEONE LIKES ME I CAN’T BREATHE

kogayne: well u gotta

carrierpidgeon: brain: stop breathing and start flipping out

me: why

brain: you gotta

kogayne: i mean, relatable

kogayne: but also

kogayne: fuckin breathe maybe

carrierpidgeon: but

carrierpidgeon:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

ekogayne: how many times are u gonna scream this morning

carrierpidgeon: so many

carrierpidgeon: but???? MMM

ekogayne: but mmm what

carrierpidgeon: WHO IS IT

carrierpidgeon: HOW DO THEY KNOW ME

carrierpidgeon: HOW DO THEY KNOW MY LOCKER NUMBER

carrierpidgeon: ARE THEY IN MY CLASSES

carrierpidgeon: I MUST INVESTIGATE

kogayne: you do that

kogayne: do u wanna get the bloodhounds on it

carrierpidgeon: are u talking about the rest of our squad or lotor’s

carrierpidgeon: bc lotor’s squad is much more investigative than ours

kogayne: i mean i was talking about ours but u right
kogayne: i mean the group chat already knows about the note but

carrierpidgeon: i just wanna keep this between us rn i dunno how to deal with feelings and obviously you know that feeling best

carrierpidgeon: i just wanna keep this between us rn i dunno how to deal with feelings and obviously you know that feeling best

carrierpidgeon: erthertfgdjrtn you get what i mean though

carrierpidgeon: I AM A HUMAN DISASTER

carrierpidgeon: oh no now i must weigh my problems and decide which one to focus on

carrierpidgeon: my moral issues surrounding my mission to save the world or figuring out who my secret love interest is?

carrierpidgeon: obviously

carrierpidgeon: as we save the world our unresolved tension simmers and we suffer a host of communication issues that can only be quelled by making out until we inevitably get mad again

kogayne: disaster gays

carrierpidgeon: yes

carrierpidgeon: disaster gay and disaster gayce

carrierpidgeon: all this time we thought u were distinguished, or at least functional

carrierpidgeon: okay no i’m a human disaster you’re not that bad

kogayne: but okay we’ll keep it between us for now

carrierpidgeon: but okay we’ll keep it between us for now

carrierpidgeon: thanks

kogayne: i gotchu

fire, hellfire

carrierpidgeon: oh no now i must weigh my problems and decide which one to focus on

carrierpidgeon: my moral issues surrounding my mission to save the world or figuring out who my secret love interest is?

lanceylance: you obviously choose the love interest and leave everyone else to die until a Big Event forces you into realizing what you’ve done and forces you to act

kogayne: a near-death experience finally forces you to confront your feelings and just as things settle another love interest gets thrown in to create more tension

kogayne: i spend three books and four movies going back and forth before i inevitably settle on the mysterious new character rather than whichever one has closer ties to my past bc the past is
gone and everything is a metaphor

**kogayne:** the audience writes fanfics about everything bc they either hardcore ship the endgame or they don’t and they’re bitter and won’t be satisfied until they fix things

**shayfromstatefarm:** omfg stop i’m having war flashbacks

**carrierpidgeon:** I AM SUFFERING FROM SECRET ADMIRER ANXIETY AND I WILL MAKE YOU SUFFER WITH ME

**shayfromstatefarm:** NO

**carrierpidgeon:** YES

**carrierpidgeon:** S U F F E R

**shayfromstatefarm:** FUCK YOU

**carrierpidgeon:** NO THANKS

**carrierpidgeon:** I LIKE GIRLS BUT NOT LIKE THAT

**shayfromstatefarm:** DJCJDJDKFJWJWOD

**mattata:** so what are you gonna do about this secret admirer

**carrierpidgeon:** act oblivious while i become hyper-aware of everything happening around me including girls in my grade

**mattata:** good plan

**lanceylance:** subtle, sneaky

**lanceylance:** i like it

**carrierpidgeon:** good bc i’m not changing it now

**fire, hellfire**

Chapter End Notes

lol i forgot how much i hate the smell of funerals, it brings up bad memories

ANYWAY i went back to school after the funeral (i went in the morning and left and came back regtrewfbrgesf) and rehearsal started an hour and a half after school so like, a bunch of us dicked around in the auditorium till then, and the assistant director had to leave early, right? he's like "be good ur director will be here any minute!!" and the director didn’t show up for like, ANOTHER HOUR, so he was already like half an hour late by the time he arrived

AND THEN HE WAS HAVING ISSUES FIGURING OUT STUFF WITH THE SOUND SYSTEM SO WE DIDN'T START FOR /ANOTHER/ HALF HOUR AND /THEN/ HE ENDED REHEARSAL 15 MINUTES EARLY AND I ENDED UP NOT EVEN NEEDING TO BE THERE but it's all good it was wild

the security guard sitting in the hallway didn't do shit while we took over the sound system and blasted showtunes and ran around and screamed for two hours, i love the drama club

also before i go i forgot to mention: I MADE A VOLTRON DISCORD, FEEL FREE TO JOIN IT. it's modded by me, bea, and my brother (but my brother only ever shows up to play with the pokemon bot sfewedfwdv)
anyway idk when the next chapter is, i'm aiming for another sgd update by like, saturday

see y'all later
WE HAVE A NEW PLOT ARC BOIS (ft. keith having a crisis and lance being the best boyf)

(3) photos from kogayne

kogayne: i got this email.

unless there’s someone else out there named krolia who was once married to a tex kogane, then…

kogayne: shiro what the FUCK IS THIS

takashmeoutside: holy shit

kogayne: WHAT THE FGUC

takashmeoutside: is that legit?

takashmeoutside: holy /shit/

takashmeoutside: did you email back?

kogayne: NO???? what if this is a joke???????? what if it’s REAL???????

takashmeoutside: “i have limited internet access during the week” that sounds…really sus, actually

takashmeoutside: do you wanna get the holts on this and see if pidge can do something, like trace the IP??

kogayne: no

kogayne: as it is i spent twenty minutes trying to work up the courage to approach you

kogayne: just

kogayne: hnnnnnnnnnn

takashmeoutside: do you want me tell you what i know about your mom and see if it helps

kogayne: hhh i ugess

kogashmeoutside: 1) her name is krolia

kogayne: har har very funny
takashmeoutside: shh

takashmeoutside: 2) she wasn’t around much even when she was in the picture

takashmeoutside: 3) no one really knew much about her

kogayne: ??? is that it

kogayne: elaborate

takashmeoutside: well we’d visit your dad or your dad would visit us and he’d always be alone???
or with you once you were born??

takashmeoutside: he’d always say your mom was like, on a business trip or something

takashmeoutside: or away doing “work”

takashmeoutside: but no one?? really knew what your mom did??

kogayne: not even dad?

kogayne: not even your dad

kogayne: WHAT THE FUCK WHAT KIND OF MARRIAGE IS THAT

kakashmeoutside: ¯\_(ツ)_/¯ theirs i guess

kakashmeoutside: she’d be gone for long stretches of time, but she’d at least keep contact

kakashmeoutside: until one day when you were about two, she left and we never heard from her
again

kakashmeoutside: ?????????????? what

kakashmeoutside: and now she’s reaching out to you

kakashmeoutside: assuming this is actually her

kogayne: this is so fucking sus i can’t deal with this

kakashmeoutside: have you told anyone else?

kogayne: LIKE I SAID, I COULD BARELY TELL YOU AND I DON’T EVEN WANT TO TELL THE HOLTS

kogayne: aaaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

kakashmeoutside: are you gonna respond to the email?

kogayne: HOW DID SHE EVEN FIND ME

kakashmeoutside: i don’t know
takashmeoutside: it’s the 21st century, everyone’s connected somehow

kogayne: okay but my pERSONAL EMAIL?? NO ONE KNOWS THAT

takashmeoutside: i don’t know

kogayne: SHE SAYS SHE DOESN’T EVEN HAVE MUCH TIME AT A COMPUTER SO THIS?? DOESN’T ADD UP?????? HOW CAN SHE FIND ME WITH LIMITED COMPUTER ACCESS

takashmeoutside: maybe she’s spent years searching, who knows

kogayne: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

kogayne: WHAT IF THIS ISN’T HER

kogayne: WHAT IF IT’S THE MEN IN BLACK FINALLY COMING FOR ME

takashmeoutside: check ryan bergara’s twitter

kogayne: why

takashmeoutside: is he still active

kogayne: ...yes, as far as i can tell…?

takashmeoutside: it’s not the men in black, they would obviously come for him first

kogayne: -_-_-

kogayne: okay so let’s assume this /is/ my mom

kogayne: “mom”

kogayne: what do i even say???

kogayne: yeah hi /am/ the son you abandoned 16 years ago!!! oh of course we can just randomly meet up somewhere two months before i graduate and blow this town!! yeah this is absolutely fine it’s not like i have a life of my own of which you’ve never wanted to be part until now!! oh where’s dad?? FUCKING DEAD AND YOU DIDN’T EVEN SHOW FOR HIS FUNERAL

takashmeoutside: breathe keith

kogayne: WHY DOES SHE WANT TO MEET ME NOW

kogayne: fwegythnrtgrfd

kogayne: i’m not gonna respond
takashmeoutside: are you ever going to

kogayne: eventually curiosity will probably get the better of me but for now she can choke

kogayne: she ghosted me for 16 years she can deal with me not responding for a few days

kogayne: or weeks

kogayne: OR MAYBE NEVER

kogayne: i am on VACATION i am going to relax and enjoy the week and prep for accepted students’ day on saturday and LIVE MY LIFE THE WAY I HAVE BEEN

kogayne: ...but also should i tell lance

takashmeoutside: it’s up to you

kogayne: mmmmmmmmmmmmmmmmmmm but what if it scares him off

takashmeoutside: if your dazzling personality hasn’t sent him running for the hills then i don’t think anything will

kogayne: bitch

takashmeoutside: ヽ(´∀`)ノ

kogayne: hhhhhnnnn i dunno if i should tell him

takashmeoutside: tell him you’ll probably feel better about it

kogayne: but i haven’t even told the holts and they’ve basically been family since like, FOREVER

kogayne: hhhhhhhhnnnnnnnnnnnnnnnnnnnn i /am/ gonna marry him

takashmeoutside: understandable have a nice day

takashmeoutside: i get off of work at 3

takashmeoutside: u wanna spend some bro time or something to cool down

kogayne: aaaaaaaaaAAAA HERE I GO I’M GONNA TELL HIM

kogayne > lanceylance

kogayne: hey uhhh can i talk to you about something like, important

Chapter End Notes

MMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMMM
i’m gonna develop this plot slowly mostly bc i wanna see how season 6 handles this,,, and i need confirmation of another fan theory before i can go too far with this

kogayne: i’m not expecting a response for a while but at least the ball’s in her court

lanceylance: did u just use a sports metaphor

kogayne: so what if i did

lanceylance: i am a theatre boy the metaphor here is clearly “it’s her line”

kogayne: ...isn’t it theatre 101 to improv when people miss lines and cues so the audience doesn’t know what’s up

lanceylance: FUCK

lanceylance: i can’t believe u had to correct me on /theatre/ i am a sham

kogayne: we been knew

lanceylance: BOI

kogayne: HE’S BEING CUTE YOU HAVE TO STOP HIM

takashmeoutside: you realize

takashmeoutside: stopping him means i have to text him

takashmeoutside: and he’ll inevitably end up gushing about /you/

takashmeoutside: and then it’ll backfire on you and he’ll /continue/

kogayne: wait you guys talk about me

takashmeoutside: oh jeez

kogayne: WHY IS HE SO CUTE

kogayne: WHY IS HE LIKE THIS

takashmeoutside: why do i feel like we’ve done this before

madplax: DO NOT WITH AVENUE Q

lanceylance: [sad exhale]
kogayne: PLAX LOOK WHAT YOU’VE DONE YOU MAD HIM SAD

hunkerdunker: mad him sad

kogayne: hunk i thought we had something special

zethridofmyproblems: what the fuck did we miss

lotoreal: yeah, uhh?

acxalutelynot: no bc that’s my strategy??

dinezor: what’s wrong with both of you why can’t you guys find someone to pull a katniss and peeta with so you can dismantle the games

acxalutelynot: katniss ended the series with ptsd and fell victim to the “redemption via motherhood” trope

acxalutelynot: she had to live with the knowledge that while war was a long time brewing, she sparked it and thus felt she was responsible for countless deaths including those of several friends and allies, as well as her sister, and then had to suffer through her best friend leaving because he could not comprehend the situation, /and/ never truly patched things up with her mother

acxalutelynot: i think i’ll come out sole victor and call it a day

carrierpidgeon: HUNGER GAMES DISCOURSE

madplax: THERE ARE NOW FIVE MINUTES TO REHEARSAL WE ARE NOT HAVING HUNGER GAMES DISCOURSE

lanceylance: EVERYONE’S GONNA WALK IN WITH BREAKFAST AND WE NEVER START ON TIME WE’RE DOING THIS IN THE AUDITORIUM

acxalutelynot: not me i’m going Back To Bed

zethridofmyproblems: ^^^^^

hunkerdunker: how dare u kill my boyfriend

kogayne: wow hunk i thought we broke up but now suddenly you wanna be back together?? make up ur mind

allurable: ??????

mattata: wait what did we miss

shayfromstatefarm: hunk cheated on me with lance and lance cheated on keith with hunk and lance also cheated on hunk with keith so hunk and keith has enough of lance’s shit and got together but then broke up and now hunk apparently wants keith back

mattata: ...what the fuck

takashmeoutside: this is why i never come in the group chat anymore: THIS SHIT HAPPENS

takashmeoutside: it felt like a fever dream

takashmeoutside: literally i felt my soul leave my body

allurable: oof

allurable: how are you feeling with that, kashi

takashmeoutside: uhhh would’ve been nice to hear from her 7 years ago when her in-laws died and her son nearly got put in the foster system but it’s fine everything’s fine

takashmeoutside: good thing i’m so competent
takashmeoutside: or you know
mattata: it’s alright everything’s FINE

allurable: i didn’t meet them till mama kogane was long gone
takashmeoutside: ugh no she doesn’t deserve the term “mama kogane”
takashmeoutside: she ran out
takashmeoutside: she barely deserves “krolia”
allurable: krolia?????
takashmeoutside: her name
allurable: ...that name rings a bell
hunkerdunker: WHAT DO YOU MEAN
allurable: i feel like i’ve heard it somewhere
allurable: if i remember later i’ll ask my dad about it maybe
takashmeoutside: even if you forgot to ask for several weeks you’ll probably still get an answer sooner
takashmeoutside: what if she does have computer access but wants an excuse for when she forgets about her son
takashmeoutside: AGAIN
shayfromstatefarm: okay or maybe it’s genuine
shayfromstatefarm: i know we all want to be mad at her for abandoning keith
shayfromstatefarm: which was really shitty
shayfromstatefarm: but there must be a reason, right?
takashmeoutside: must be a pretty good reason. -_-
takashmeoutside: no financial support, nothing to even say she’s out there,

hunkerdunker: mmmmm this doesn’t sit well with me

mattata: i don’t think it sits well with any of us

allurable: we’ll just have to see

allurable: give it time, let her reply

takashmeoutside: when the day comes when she actually wants to meet keith, we all go and show her what a real family looks like

---

carrierpidgeon added allurable, mattata, shayfromstatefarm, and hunkerdunker to no bros or klance

carrierpidgeon: yo shiros fuckin pissed

allurable: can you really blame him tho

mattata: u were only like, 9? 10? when shit went down with the custody battle

mattata: you have no idea the kind of toll it took on shiro to deal with that, on top of his parents dying, on top of being a college freshman

mattata: shiro was a wreck for like, almost two years

allurable: ^^^ he had our families but for the most part he was handling things himself

allurable: he had to grow up a lot faster than most college freshmen

hunkerdunker: yikes

shayfromstatefarm: :( 

allurable: for keith’s mom to just suddenly want to come back into his life...i would be angry too

mattata: ^^^^^

takashmeoutside: you would be dead

hunkerdunker: obviously we sue anyway and split the tuition three ways between me lance and shay

lanceylance: clearly

kogayne: if it means they get their education it is a sacrifice i am willing to make

lanceylance: retrfwefweedfwsdgf hold up knife boi don’t be trying to die

kogayne: uhhhh

lanceylance: >:((
carrierpidgeon: keith i swear

kogayne: i will only die if i stumble across a cryptid and it kills me i promise

shayfromstatefarm: is that just for college or across your whole life

kogayne: mmmm good question

kogayne: whole life

mattata: so u essentially just promised to become immortal

mattata: unless a cryptid kills u

kogayne: yes

mattata: u know that’s impossible right

kogayne: um no

kogayne: according to that one inspirational quote

kogayne: nothing is impossible

kogayne: the word itself says “i’m possible”

kogayne: we’ve held back thus far
kogayne: some kid came into the locker room freshman year bragging about “scoring” and nobody was confused so we’re already an anomaly
kogayne: especially given we’re almost two years into our relationship
carrierpidgeon: admirable tbh
carrierpidgeon: ur not just in it to bang
kogayne: nah
kogayne: in this for love
kogayne: speaking of love
kogayne: any progress on the secret admirer investigation

carrierpidgeon: but ANYWAY LET’S NOT TALK ABOUT THIS WHEN I DON’T EVEN KNOW WHO IT IS YET

carrierpidgeon: they might not even be up to my standards

kogayne: sometimes standards don’t matter

carrierpidgeon: aaaaaaaaaaaaAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

kogayne: ur better than like 95% of the population standards don’t matter at that point

carrierpidgeon: i have to analyze

carrierpidgeon: LANGUAGE
hunkerdunker: yes

carrierpidgeon: AAAAAAAAAAAAAAAAAAAAAAA

carrierpidgeon: I CAN ANALYZE LAB DATA NOT SPEECH

kogayne: think of this as no more than an experiment

lanceylance: if you write it down it automatically becomes science

kogayne: this is just an analysis

kogayne: criminal scientists do this shit all the time

shayfromstatefarm: just start paying attention to how people talk and see if it matches the letter

lanceylance: that’s gel ink and not ballpoint ink btw

lanceylance: look for gel pen users

lanceylance: (☞ゥヮゥ☞)

carrierpidgeon: how have i not noticed any of this before

lanceylance: i dunno man

lanceylance: pay attention in each of your classes and find out who uses a gel pen

shayfromstatefarm: if you could narrow it down to a specific class it would be really helpful instead of spending like, 7 periods staring at people’s pens

carrierpidgeon: AAAAAAAAAAAAAAAAAAAAA well

carrierpidgeon: chem’s already almost over so a wasted opportunity

carrierpidgeon: TODAY WE’LL BE CONTINUING OUR ONGOING INVESTIGATION INTO THE QUESTION
carrierpidgeon: WHO THE FUCK LIKES PIDGE
shayfromstatefarm: DID YOU GET THE NEXT LETTER

(2) photos from carrierpidgeon
carrierpidgeon: IT’S WRITTEN IN FUCKING LATIN I NEVER TOOK LATIN
kogayne: ...that narrows it though, doesn’t it?
shayfromstatefarm: pls they don’t teach that level of writing skill in high school latin
shayfromstatefarm: /but/ it would more than likely be a latin student bc they have the basis to go into google translate and then double check translations
lanceylance: or...like...ask the latin teacher for help
hunkerdunker: or, you know, this could have all just been put through google translate so when you translate it back half of it doesn’t make sense because nothing is conjugated or declined correctly
allurable: mmmm or they could have googled an ancient curse and now you’re doomed for all eternity
mattata: dude latin curse tablets were no joke

mattata: if u looked at someone wrong someone could literally write a curse tablet and make a sacrifice to the gods and have been like “smite this motherfucker for me k thanks”

takashmeoutside: is that the only reason you stuck with latin throughout high school

mattata: no way man i did it for the sat prep

mattata: the mythology was a big plus tho

takashmeoutside: nerd

mattata: shut up kashi you’re one to talk

allurable: ooooh i have discourse i can start

carrierpidgeon: but discourse is MY JOB >:O

allurable: okay but anyway i have discourse

allurable: we’ve had hogwarts house discourse

allurable: and we’ve had godly parent discourse

carrierpidgeon: oh no i already see where this is going and i’ve nearly killed matt over this

mattata: ALLURA NO

allurable: WHICH IS THE BETTER SERIES: HARRY POTTER OR PERCY JACKSON

kogayne: allura why would you do this

kogayne: why would you pit two greats against each other

takashmeoutside: methinks keith has an opinion he doesn’t wanna share bc he’ll get murdered for it

lanceylance: keith,,,

kogayne: oh NOOOO

allurable: SPEAK UP COWARDS

allurable: HERE I’LL GO FIRST: HARRY POTTER

mattata: hahahahahaha no

allurable: WHAT DO YOU MEAN NO

mattata: i love perseus jackson

kogayne: O.O

carrierpidgeon: fucking heathen i almost threw a chair at him for that
carrierpidgeon: harry potter is obviously the way to go for this

kogayne: ,, personally’ma Percyjacksonfanbye

lanceylance: ...shit i am too

carrierpidgeon: WHAT

kogayne: :O WHAT

lanceylance: heroes of olympus sold me i fucking love leo

takashmeoutside: smh

shayfromstatefarm: so you’re a harry potter fan?

takashmeoutside: yes

shayfromstatefarm: mmmm idk where i sit

shayfromstatefarm: i think i like pjo better tbh

hunkerdunker: ^^^^^^^ HONESTLY

allurable: wOW

lanceylance: hmmm...i sense a generational divide

hunkerdunker: DON'T GET ME WRONG I LOVE HARRY POTTER BUT LIKE???

hunkerdunker: pjo and hoo had the more fun cast THERE I SAID IT

lanceylance: andmorediversebutyoudidn‘thearitfromme

carrierpidgeon: i am FLOORED i thought FOR SURE keith would prefer harry potter

kogayne: harry may also be a black-haired orphan who went to live with his aunt and uncle but i have a very soft spot for percy LET ME BE

kogayne: HE WENT THROUGH A LOT

lanceylance: SPEAKING OF PERCY JACKSON HAVE YOU LISTENED TO THE LIGHTNING THIEF MUSICAL CAST RECORDING

kogayne: wh

kogayne: THERE’S A MUSICAL

lanceylance: YES???

lanceylance: GO LISTEN TO GOOD KID

lanceylance: I CRY EVERY SINGLE TIME
allurable: HOLD ON I’M CURIOUS AS TO WHY EVERYONE PREFERS WHAT THEY PREFER

carrierpidgeon: HOLD YOUR HOLD WE’RE NOT DONE WITH MY CRISIS

carrierpidgeon: WHAT DO I DO ABOUT THIS, CAN SOMEONE TRANSLATE THIS

mattata: i can do it

mattata: my own knowledge plus the power of google should be helpful

kogayne: smh i wish i’d taken latin

kogayne: i could’ve doubled up on a language

kogayne: then i could have a basis in like,,, four

hunkerdunker: FOUR?

kogayne: i took spanish plus lance never shuts up

lanceylance: u love me shut your fuck

kogayne: english obviously

kogayne: japanese

shayfromstatefarm: really now

kogayne: ye

kogayne: shiro’s fluent

takashmeoutside: ¯\_\_(ツ)_/¯

kogayne: i would’ve learned korean if my mom didn’t

kogayne: yknow

kogayne: LEAVE

kogayne: but then i would have also had a latin basis

shayfromstatefarm: that’s a lot of languages

kogayne: i wish i knew them all

kogayne: do you know how much knowing 5 languages would help

kogayne: not only in life but like, criminal investigations

carrierpidgeon: or investigations into ancient curses

kogayne: yeah
lanceylance: if u keep hanging around my family you’ll be fluent in spanish in no time

kogayne: i’m seriously about to take up that offer

lanceylance: /then why not just do it/
kogayne: bye shiro i’ll be back home in like three years

kogayne: what if it’s emily

kogayne: her sister is in my physics class

kogayne: i can tryyyyy and get some information out of her?

kogayne: do u like her

kogayne: not even like, romantically or whatever

kogayne: do u like her as a friend

kogayne: I GUESS?? WE DON’T DO A /TON/ OF TALKING

carrierpidgeon: YKNOW WHAT UNTIL IT’S CONFIRMED I’M NOT GONNA DO ANYTHING I DON’T EVEN THINK SHE LIKES GIRLS

allurable: is your boyfriend rubbing off on you again

kogayne: probably

kogayne: it’s friday and we’re doing nothing in every class except physics

kogayne: bc hira decided we needed to have a test today

kogayne: and i should be using this time to study

kogayne: but i’m not

lanceylance: does anyone remember diffraction stuff uhhhh

hunkerdunker: lmao no

hunkerdunker: lunch is lookin to be one big study circle

shayfromstatefarm: why is this test covering things from 500 years ago

shayfromstatefarm: i have literally no memories of diffraction

shayfromstatefarm: i barely have memories of the new stuff

lanceylance: we’re all gonna dieeeeee

lanceylance: finally

kogayne: okay No

takashmeoutside: one week, please

takashmeoutside: just one week without one of you wishing for death

lanceylance: can’t stop won’t stop

kogayne: No

kogayne: no we’re having a good day and not even hira can drag us down because FOURTH
hunkerdunker: maybe not in terms of class rank but colleges can revoke our admissions decision and our scholarships if we completely drop our grades so uhhhh imma still try

hunkerdunker: i still wanna see that sweet sweet “first honors” in powerschool at the end of the quarter

lanceylance: hunketh has a pointeth

kogayne: okay he’s right but don’t sWEAT IT

takashmeoutside: you’re confusing me for matt

kogayne: no i’m not

lanceylance > kogayne

lanceylance: dude i just got 10x more excited for college

kogayne: can u link me to the page

carrierpidgeon: DID I NOT SPEAK OF THE THEORY KEITH AND I CAME UP WITH IN THE SECRET ADMIRER SITCH

allurable: no

kogayne: nope that was just with me

carrierpidgeon: WELL OKAY WE THOUGHT IT WAS EMILY AND KEITH WAS
SUPPOSED TO ASK HER SISTER BUT KEITH IS A FAILURE OF AN OLDER BROTHER SO HE FORGOT

carrierpidgeon: SO I LIKE

carrierpidgeon: ASKED IF SHE

carrierpidgeon: MAYBE HAD A HAND IN IT

shayfromstatefarm: oh no

carrierpidgeon: “no sorry pidge!”

carrierpidgeon: SHE WAS NICE ABOUT IT BUT ERTEWRGRWF E I CAN’T SHOW MY FACE EVER AGAIN BYE

kogayne: I’M SORRY IF YOU HAD GIVEN ME TILL NEXT PERIOD I COULD’VE ASKED

carrierpidgeon: /TOO LATE NOW/

carrierpidgeon: but she did confirm that she definitely thinks it’s someone in her class

carrierpidgeon: which

carrierpidgeon: now i’m wondering if that’s code for “i know who it is but i was sworn to secrecy”

shayfromstatefarm: always a likely scenario

carrierpidgeon: so now

carrierpidgeon: i need to get a roster of everyone who’s in latin with her

carrierpidgeon: which, she promised to send screenshots of her classmates in google classroom, so

hunkerdunker: did matt ever translate that thing

mattata: it was a bunch of fucking vine references

kogayne: she’s ur first serious crush, isn’t she

carrierpidgeon: yeah

kogayne: it’ll pass

kogayne: give it time

carrierpidgeon: mmm

carrierpidgeon: it’s just not fair

carrierpidgeon: it feels like everyone around me has some fairytale romance with their first love and i’m ??????? stuck with this bullshit???
kogayne: i know it feels that way

kogayne: but trust me when i say no one around u has a fairytale relationship

carrierpidgeon: ???? y’all are with ur first crushes

kogayne: lance might’ve been my first, but i don’t think i was his

carrierpidgeon: fine. shiro and matt.

kogayne: do u not remember that whole debacle back in october

carrierpidgeon: they still ended up back together, did they not

kogayne: okay but i don’t think allura liked either of them first, she probably liked someone else

carrierpidgeon: /fine/ hunk and shay

kogayne: ...shit ur right about them

kogayne: but they also

kogayne: don’t speak up a lot about it

kogayne: they could be going thru something at any time and i don’t think they’d tell any of us

carrierpidgeon: oh my god you’re right

carrierpidgeon: WHAT IF THEY’RE GOING THROUGH SOMETHING RIGHT NOW

kogayne: okay wait no shhh they’re fine i promise

kogayne > lanceylance

kogayne: i’m bad at giving advice pls double-check that hunk and shay are still together and are fine

lanceylance: keith the fuck did u do

kogayne: i mentioned to pidge that hunk and shay are the type of people to keep their problems a secret and we probably wouldn’t know if something happened and i accidentally freaked her out

lanceylance: keith omfg

kogayne: shut UP i know i’m bad at this would u pls make sure they didn’t break up or something

lanceylance: fwebrwfedbvfwdv ur not bad at it shh

lanceylance: and yes they’re fine here’s a picture of them holding hands they just made me take for proof
lanceylance: any time

carrierpidgeon: oh my god keith this is giving me anxiety

carrierpidgeon: how do you deal with this like every day

kogayne: it varies

kogayne: sometimes it’s one day at a time

kogayne: sometimes an hour at a time

kogayne: on the really bad days sometimes it’s a minute

kogayne: i’ve never gotten down to seconds

kogayne: take ur time, i’m here for u and i know the others are too

kogayne: crushes are scary

kogayne: secret admirers who know how to play to the things u like in order to frustrate u like this are even scarier
carrierpidgeon: ALRIGHT GOTTA GO SEE YOU AT LUNCH
kogayne: see u at lunch nessie denier

Drama & Crew 2018

lanceylance: well we’ve got my car and we’ve got hunk’s minivan

hunkerdunker: um this squad is Not splitting up

lanceylance: so we’ve got hunk’s minivan,

shayfromstatefarm: well plax and flor are the ones who are friends with fulton and swirn, right? i’m sure they can carpool

shayfromstatefarm: and then i’m sure lotor’s squad will probably be in one big group

shayfromstatefarm: i don’t think we have anything to worry about

lanceylance: cool cool

lanceylance: so tonight i run plans by the mother and then tomorrow we can organize everything in the prom chat

hunkerdunker: sounds good

hunkerdunker: to be clear: we are the only people in my minivan

lanceylance: keith can let his inner theatre nerd shine

kogayne: welp

hunkerdunker: i’m so ready

lanceylance > kogayne

lanceylance: we

lanceylance: need tuxes

kogayne: there’s a store in the mall we never checked out that i think we should, i saw some pretty cool ones that have the whole “john boyega vibe” thing you wanted

kogayne: wanna go after rehearsal gets out?

lanceylance: and then hit bw for dinner?

kogayne: i fucking love you

fire, hellfire

shayfromstatefarm: i was having a nice hair day today
shayfromstatefarm: then the rain happened
shayfromstatefarm: i am no longer having a nice hair day
allurable: efrbrsdhhtyjn tell me about it
allurable: i walked out of the house and didn’t realize it was raining
allurable: i am full of regret
kogayne: honestly
kogayne: same
carrierpidgeon: my hair was poofy this morning and now it’s just gross
carrierpidgeon: i want a refund on my wednesday
mattata: IT IS WEDNESDAY MY DUDES
mattata: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/
takashmeoutside: we can’t go a single day without memes, can we
mattata: you’ve known me for twenty years you should know me by now
mattata: memes all day every day

mattata: memes forever

hunkerdunker > lanceylance

hunkerdunker: u okay buddy?

hunkerdunker: you’re silent in the gc and matt’s talking about memes

hunkerdunker: u love memes

lanceylance: haha no :)

hunkerdunker: buddy :((( what’s going on

lanceylance: i :) don’t :) know :)

lanceylance: i got really anxious last night and it hasn’t gone away and :))))))))))

lanceylance: my brain’s been in a state of error 404 page not found for hours i can’t concentrate on anything

lanceylance: my attention span is even worse than usual and i wanna die

hunkerdunker: have u told anyone?? have u told keith at least???

lanceylance: no

hunkerdunker: wHAT WHY

lanceylance: bc he’s got the shit going on with his mom and he’s been helping pidge a lot and i don’t want to throw another burden on top of him

hunkerdunker: dude

hunkerdunker: if keith was saying this you’d be flipping out bc he’s not a burden to u

hunkerdunker: i know for a fact keith feels the same way about u

lanceylance: hhhhh i’ll be over this in a few hours probably i can handle it

hunkerdunker: why are u so willing to handle other people’s problems but then u don’t tell anyone when you’re suffering

lanceylance: BECAUSE

lanceylance: everyone sees me as the rock and that’s what i need to be

lanceylance: if i can focus on other people’s problems i can forget my own

hunkerdunker: this isn’t healthy
hunkerdunker: you should know better than anyone that tucking your problems away just makes them worse

hunkerdunker: that’s like leaving a piece of food on the floor and kicking it under the stove

hunkerdunker: all that’s gonna do is make it rot and then it’s gonna smell gross and stink up ur house until it becomes unbearable

hunkerdunker: if you’re not gonna tell keith, can u at least tell me?

lanceylance: hhhhhhhnnnnnn

hunkerdunker: lance

hunkerdunker: i’m your best friend

lanceylance: HHHHNNNNNN

lanceylance: i’m

lanceylance: i’ve basically already told u everything i dunno what’s going on just that i want death!!! IMMEDIATELY!!!

hunkerdunker: :( 

hunkerdunker: take some deep breaths

hunkerdunker: antok won’t care if u put in ur music, listen to some music

hunkerdunker: nap the rest of period 1

hunkerdunker: did u eat?

lanceylance: yeah

hunkerdunker: more than just coffee?

lanceylance: yes mother

hunkerdunker: >:|

hunkerdunker: good

hunkerdunker > kogayne

hunkerdunker: pls tell me u realize that lance is out of it

kogayne: yeah

kogayne: he got into my car this morning with the most dead look on his face

kogayne: which is usually normal but then it wasn’t gone by the time we got to school
kogayne: he won’t say anything tho he just keeps telling me not to worry about it which is making me more worried about it

(2) photos from hunkerdunker

hunkerdunker: this is why

kogayne: fuck

kogayne: did he tell you what’s got him like this???

hunkerdunker: he doesn’t even know

hunkerdunker: he said his anxiety flared up last night and it hasn’t really let up

kogayne: FUCK

kogayne: alright

kogayne: i won’t tell him you told me and if he finds out i’ll take the fall

kogayne: thanks

hunkerdunker: no problem dude

hunkerdunker: i’ll keep an eye on him 3 and 4

kogayne: aren’t we writing an essay for thace and doing the mock ap exam with ryner

hunkerdunker: ...oh god it’s gonna kill him

hunkerdunker: he’s gonna fall apart

kogayne: well, better have glue ready

kogayne: i’ve got the duct tape

hunkerdunker: ALRIGHTY THEN

fire, hellfire

allurable: i can’t complain he was like this when i met him

allurable: kashi can at least plea that matt was normal in kindergarten

carrierpidgeon: ah yes, five years old

carrierpidgeon: the personality and behavior you will have always, for the rest of your life

carrierpidgeon: seems plausible

takashmeoutside: excuse me that is a perfectly valid argument
mattata: but why wouldn’t you want to know me as my memey self

mattata: i am a gift to this world

shayfromstatefarm: aaaaaaaaaaaaaaaaaaand, wait for it,

takashmeoutside: where’s my receipt

mattata: >:O

shayfromstatefarm: there it is

kogayne: shiro u chose this

takashmeoutside: when i was /5/ i wasn’t educated about the ways of the world

kogayne: yeah but listen i was roped into this, if anything /i/ get a receipt

carrierpidgeon: but then you wouldn’t have gotten me

kogayne: shit u right

kogayne: yeah i can take matt if i get pidge too

mattata: shut up ur life would be so boring without me

allurable: i love u matttttt :) <3

mattata: thank u lura

mattata: fuck u kashi

takashmeoutside: when’s ur break

kogayne: NO

takashmeoutside: so i cant flirt with matt but u and lance can flirt nonstop got it

kogayne: d u d e

kogayne > takashmeoutside

kogayne: pls don’t with the lance callouts today

kogayne: he’s anxious as fuck and not speaking up about it

takashmeoutside: shit alright

takashmeoutside: sorry

kogayne: it’s alright u didn’t know

kogayne: but just
kogayne: do not

hunkerdunker > kogayne

hunkerdunker: lance finished the calc exam
hunkerdunker: and immediately went to the bathroom
kogayne: i just wrapped my essay
kogayne: im gonna text him
kogayne: thanks hunk
hunkerdunker: i gotchu bro

kogayne > lanceylance

kogayne: hey
kogayne: lance
kogayne: pls talk to me
lanceylance: hhhnnn
kogayne: come on, starboy
kogayne: knock knock let me in
lanceylance: sorry no one’s home
kogayne: :( 
kogayne: don’t leave the bathroom i’m coming
lanceylance: how did you
kogayne: lucky guess

lanceylance > hunkerdunker

lanceylance: rat
hunkerdunker: love you bro

Lance Protection Program
kogayne: everyone leave lance alone the rest of the day pls and thank
kogayne: hunk i think you’re gonna be the only exception to this rule
mattata: what’s up with lance
kogayne: he’s been anxious since yesterday and then when i went to talk to him he had a mental breakdown
kogayne: i’m hoping rehearsal later will cheer him up but i don’t know if he’ll even be stable enough for it
hunkerdunker: but knowing him he’ll probably pretend to be okay for as long as he can
kogayne: if he’s not stable i’m taking him home and if the director has an issue with it he can Meet Me In The Fucking Pit
kogayne: hell i’ll come back and read lance’s part for him
carrierpidgeon: how many times does he tell u to speak up when ur not feelin it
kogayne: he,,, he’s got a lot going on in that brain of his
kogayne: and he thought we were too busy with our own issues, he didn’t want to put more pressure on us
carrierpidgeon: i’m going to punt both of you down the stairs
mattata: but you’re shorter than all of us
carrierpidgeon: try me matthew

Drama & Crew 2018
madplax: lmao good afternoon everyone welcome back to the bullshit
kogayne: of all days srsly
lotoreal: what’s going on
madplax: updates from the dear old administration on our show
madplax: bc they saw the in-progress sandwich boards and so lovingly pointed out, after it was all painted, that on saturday, we are /not/ doing a matinee
dinezor: COME AGAIN
shayfromstatefarm: ...what
madplax: :)))
madplax: according to the office we didn’t pay for a saturday matinee, and i dunno if that means we
fucked up payment for the rights or if we’re not paying the janitors or what

madplax: so we’re back down to our regularly scheduled 3 shows on thursday friday and saturday

madplax: ALSO

kogayne: /why is there an also/

madplax: got a text from the assistant director

madplax: who got a text from the director

madplax: we need to be off-book by monday bc we have like, seven rehearsals left before opening

hunkerdunker: ur shitting me

madplax: :))))))))))))))

madplax: OH AND ONE MORE THING

kogayne: WHY

madplax: ads aren’t mandatory but we’re desperate can everyone sell like one ad

kogayne: this is Not the day

madplax: hush kogane

kogayne: don’t try me palx

carrierpidgeon: palx

hunkerdunker: palx

shayfromstatefarm: palx

lanceylance: palx

madplax: lance i was wondering when you’d show up

lanceylance:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

zethridofmyproblems: and there’s the scream

kogayne: guys can we maybe NOT

carrierpidgeon: so anyway what’s on the crew agenda today, seeing as cast has their work cut out for them

acxalutelynot: more sandwich boards, we’re gonna need people on curtain to start learning cues,,, don’t think light and sound are really needed yet

acxalutelynot: light and sound kids, feel free to hang around, maybe make yourselves useful, that
sorta stuff

acxalutelynot: other than that?? that’s it

carrierpidgeon: paint splatters...rope burn...paint splatters…

kogayne: ur usually on the soundboard aren’t you

carrierpidgeon: she said to make ourselves useful

acxalutelynot: ur not doing curtain

carrierpidgeon: rip to my sneakers again, probably

dinezor: rip rip potato chip

acxalutelynot: ...what?

dinezor: what do u mean what i meant what i said

acxalutelynot: tf did you /say/

dinezor: i said rip rip potato chip is that a crime

acxalutelynot: yes

lotoreal: disowned

zethridofmyproblems: ez, sweatie,,

dinezor: never insinuate i am sweaty i use secret clinical strength antiperspirant bye

madplax: was that even necessary for us to know

floronawiththecorona: i’m with ez on this one

madplax: wtf

shayfromstatefarm: is it any good @ ez bc the invisible roll-on just isn’t cutting it anymore

madplax: WHY ARE WE DISCUSSING DEODORANT IN THE DRAMA CHAT

shayfromstatefarm: BECAUSE WE CAN

dinezor: BECAUSE YOU DESERVE TO SWEAT IN SCENTED STYLE

madplax: TAKE THIS ELSEWHERE YOU SMELLY ASS

dinezor: NO

dinezor: I’M GONNA STINK THIS WHOLE PLACE UP

kogayne: acxa this is ur gf how do u feel

acxalutelynot: [sigh] u get used to it
A SIGH? EXCUSE MOI
A AM A GIFT
a am
a am
a am
>:O

*Lance Protection Program*

so what’s the verdict

astronomy seemed to cheer him up a little bit

i’m gonna keep an eye on him but i think rehearsal will do him some good

he’s just a little quieter than normal

he might not know what caused it but do u have any guesses

probably the fact that prom, ap exams, and the musical are all within the next three weeks

on top of the national honor society induction and final class ranks potentially being released

and exams in school

and college stuff like housing applications and choosing an orientation day

how are any of you still alive

livin on a prayer

..WOOOAAAHHHHHHHHHHHHWE’RE HALFWAY THERE WOOOOAAAAAHHHHHHHHHHHH /OH/ LIVIN ON A PRAYER

yet again i must ask why you’re like this

gotta keep up my Basic White Guy persona

in order to do that you’d also have to wear polos with bermuda shorts and either white sneakers or boat shoes

don’t try me i’ll do it

and i will ROCK IT i will bring White Dad fashion back into style

what do you mean “back into”
hunkerdunker: it was cool in the first place?

takashmeoutside: (let him live in his own bubble of delusion)

mattata: hush kashi

kogayne > takashmeoutside

kogayne: lance has decided that being in the Real World is suffocating so we’re going hiking after rehearsal

takashmeoutside: are the trails even gonna be open that late

kogayne: yes i looked

kogayne: so we’ll be home really late

kogayne: and he’s also decided he needs to be out of his house for a bit

Takashmeoutside: is something going on at home?

kogayne: he wouldn’t say too much but uhhhh apparently his mom is fighting with his aunt

Takashmeoutside: what? why???

kogayne: it’s his aunt carmen

Takashmeoutside: ...aunt carmen…?????????????

kogayne: jackson

Takashmeoutside: …?

kogayne: the homophobe who probably voted for trump

Takashmeoutside: didn’t they break up

kogayne: yeah they did on christmas eve remember

kogayne: i wanted him to stay so i could fist-fight him with lance’s sister but anyway

kogayne: he got back into the picture somehow and lance’s mom went mama bear mode

kogayne: so uhh FOUND THE SOURCE OF HIS ANXIETY

Takashmeoutside: damn

kogayne: i really wish he’d spoken up sooner

kogayne: this boy knows i’ll get up at 3 AM to come get him if i have to

kogayne: but anyway he needs out of the house while his mom calms down and sorts things out
**kogayne:** and he needs a lot of comfort and like, a safe place to let things out

**kogayne:** except he doesn’t wanna stress his mom out

**kogayne:** and he didn’t wanna stress me out so that’s why he didn’t ask

**takashmeoutside:** “he wouldn’t say too much”

**kogayne:** WELL I MEAN,,

**kogayne:** he didn’t talk much on the jackson topic but he’s Not Having It

**kogayne:** anyway tl;dr his homophobic not-uncle is on track to be his uncle again, his mom is pissed, he needs out

**kogayne:** we’re going hiking, idk we’ll probably go get something for dinner too, and then we’re coming back to ours

**takashmeoutside:** got it

**takashmeoutside:** stay safe, i’ll leave the front unlocked, i should be home when u get back

**kogayne:** alright

**kogayne:** see ya later

**takashmeoutside:** back at ya

---

kogayne: ramen noodle hair

kogayne: like i get it’s a it’s gonna be

kogayne: OHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH

kogayne: recently = just

kogayne: on = in

kogayne: wood = timber

kogayne: pond = lake

shayfromstatefarm: that took you way too long

kogayne: shut up no it didn’t i just don’t put some jokes together as quickly

shayfromstatefarm: keith,

kogayne: not all of us can be neurotypical, karen

kogayne: anyway matt where did that even /come from/

mattata: a bunch of us got together like,,, when that meme was still new

mattata: probably about junior year of college

allurable: ^ they were drunk

carrierpidgeon: i wanna know how much of college matt spent drunk

mattata: not as much as it sounds i promise
mattata: anyway we got bored and started coming up with alternate names for justin timberlake and we all agreed recentlyon woodpond sounded best bc it rhymed best

lanceylance: i feel like if u screamed “recentlyon woodpond” somewhere someone would take it wrong,,

carrierpidgeon: boi get ur mind out of the gutter

lanceylance: hush the gutter is my hOME

kogayne: i thought on saturday u said ur home is the dumpster behind bb

lanceylance: wherever there is trash and dirt to be found, there i am,

hunkerdunker: buddy are u still not right

lanceylance: no i’m good actually!!

kogayne: (he is)

hunkerdunker: mmmm alrighty

ramen noodle hair

carrierpidgeon: update: my meme of a secret admirer dropped /that/ timberlake photo in my locker

lanceylance: wait the creepy one

carrierpidgeon: yes, the one everyone uses for the meme

kogayne: but did u catch her in the act

carrierpidgeon: nOPE

carrierpidgeon: she must get to school super early

carrierpidgeon: and all the girls who know who it is wON’T HELP ME

allurable: there are people who know who it is??

carrierpidgeon: one of emily’s latin friends let it slip that a group of them KNOWS

carrierpidgeon: SO NOW I GOTTA HUNT THEM DOWN AND SEE WHO I CAN GET INFO OUT OF

carrierpidgeon: BEFORE FRIDAY

lanceylance: it’s always friday with this girl

carrierpidgeon: i got

carrierpidgeon: another note
carrierpidgeon: on friday afternoon

carrierpidgeon: THAT I FORGOT ABOUT

shayfromstatefarm: WHAT DID IT SAYYYYY

carrierpidgeon: my secret admirer knows that i’m not going to prom with you all

carrierpidgeon: and she’s gonna reveal herself on friday as some kinda gift

allurable: omfg

carrierpidgeon: I Am A Being Made Of Fear

lanceylance: the more u talk about this secret admirer the more stamps of approval i wanna give her

lanceylance: she’s a memer with an air of mystery appealing to your sense of curiosity what more could u want

carrierpidgeon: an identity maybe

carrierpidgeon: assurance she isn’t an asshole

carrierpidgeon: to uhhh get over my crush on sherrie??? I m a o

kogayne: oof

mattata: hate to interrupt your tragedy about not being over ur crush on sherrie (which, mood) but uhhhh there’s a real simple solution we’ve all been overlooking

carrierpidgeon: what

allurable: what do u mean /mood/ matthew

mattata: pidge u have all this tech shit lying around ur room and ur telling me u can’t rig up a simple motion-triggered camera

carrierpidgeon: ...holy shit

carrierpidgeon: HOLY SHIT WHY DID NONE OF US THINK OF THAT

allurable: WHAT DO YOU MEAN MOOD MATTHEW

mattata: COLLEGE, LURA

allurable: OH SHIT U RIGHT

carrierpidgeon: okay tonight i can rig up the camera and tomorrow morning i can hook it up to my locker

carrierpidgeon: assuming the security cameras don’t catch me and then administration doesn’t get suspicious

kogayne: or u could ask the office for the security tapes?
carrierpidgeon: what would i say? “yeah i’m afraid someone broke into my locker” and then get someone with an innocent crush in trouble? uhhh no

kogayne: ...that’s fair

calculate my final velocity if i jump off of the school roof from rest

lanceylance: y’all ever notice that shiro goes quiet in the group chat whenever matt and allura talk about The Relationship

lanceylance: or the Great College Relationship Debacle

hunkerdunker: lance why would you bring this up and why would you do it in the gc without pidge

lanceylance: she has enough to worry about besides her brother

kogayne: I DO TOO WTF

lanceylance: retntredrbtege

shayfromstatefarm: lance why would you bring this up

lanceylance: just thought it was Inch Resting

lanceylance: come to think of it shiro’s mostly been staying out of the gc except when he comes in to roast us or discourage our Bad Behavior

hunkerdunker: why,,, why is bad behavior capitalized like that

lanceylance: ;) because i’m a naughty naughty boy

hunkerdunker: literally why are we friends

lanceylance: this naughty boy needs someone to put him in his place

hunkerdunker: keith go get ur man

lanceylance: ;))))

kogayne: werthewqwertegwrg it is too early for this

lanceylance: we’ve been through three classes already get ur shit together

kogayne: TOO EARLY

shayfromstatefarm: if ur gonna dirty-flirt can u dirty-flirt by urselves pls

shayfromstatefarm: not all of us need to see this

lanceylance: ;DDDDD
shayfromstatefarm: L A N C E

kogayne: can’t believe i’m saying this but back to the shiro situation?? lance why do u think it’s interesting

lanceylance: ¯\_(ツ)_/¯

shayfromstatefarm: maybe he’s just been busy at work??

lanceylance: but matt works at the same place as he does and technically has seniority bc he’s been there longer and matt makes time to talk??

kogayne: oh jeez

hunkerdunker: oh jeez what

kogayne: i wonder if he’s having another episode

kogayne: i know lately he’s had to deal with me being out of it and then me freaking out about college and then when lance was out of it i was spending time with him and

kogayne: fuck i am an awful cousin

kogayne: brother

kogayne: what even are we

hunkerdunker: brothers

shayfromstatefarm: brothers

lanceylance: brobros

kogayne: i can’t believe

kogayne: fuck i gotta text him

lanceylance: okay while u do that u said college and that reminded me

lanceylance: tomorrow’s like national college decision day or somethin

lanceylance: wear ur arus sweatshirts

hunkerdunker: do u think our physics class is gonna roast us or admire us

shayfromstatefarm: uh

shayfromstatefarm: yes

kogayne > takashmeoutside

kogayne: are you okay

kogayne: stop avoiding my questions what’s going on

takashmeoutside: i’m fine

kogayne: yeah uhhh BULLSHIT

takashmeoutside: it’s nothing u need to worry about

kogayne: shiro i worry about literally everything what’s going on

takashmeoutside: remember that period in college

kogayne: IT’S ALWAYS COLLEGE

takashmeoutside: fine i won’t tell u

kogayne: no shertewfhgrwfg GO ON

takashmeoutside: honestly u probably don’t remember or didn’t care or didn’t notice

kogayne: u mean when ur mom and dad died and u were severely out of it bc the custody battle was draining your life force bc legal stuff is bullshit? i remember

takashmeoutside: wh

takashmeoutside: okay fine

takashmeoutside: i’m starting to feel like that again and i don’t even know where it came from

kogayne: ??? maaaaaaayybe because we’re doing college stuff now and you’re remembering your shitty first couple years in college when u went thru it with matt and allura and none of u ever talked about ur issues so they got worse and them bringing up the College Relationship Problems isn’t helping??

takashmeoutside: is this lance

kogayne: no it’s me but lance is the one who noticed first if i’m being honest

kogayne: anyway

kogayne: talk to matt and allura before this blows up

takashmeoutside: it has nothing to do with them though
takashmeoutside: i don’t even know if they noticed anything

kogayne: s h i r o i will literally drive to target after school and deck u if u don’t get ur shit together

kogayne: TEXT THEM

kogayne added mattata and allurable to takashi shirogane: human disaster

kogayne: can y’all tell shiro u love him and ur not gonna break up and that sorta stuff

kogayne: or something

mattata: KEITH WHY WOULD U MAKE THIS GC SHIRO ALMOST SAW IT

kogayne: wym

mattata: I WAS SHOWING HIM SOME MORE TIMBERLAKE MEMES

allurable: okay so it wasn’t just me thinking i was misinterpreting things, something /is/ going on

kogayne: boi’s gettin stressed over his old college days

kogayne: bc he keeps internalizing things

kogayne: even tho he knows he’s supposed to fuckin speak up

kogayne: just reassure him throughout the day

<3

allurable: kashiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiii

takashmeoutside: no no it’s okay

takashmeoutside: i need to use my own advice and speak up

Chapter Notes

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: happy anniversary starlight :) it’s been two years since we started dating and i could go on and on about how much i love you but i’ve got the whole day to do that, plus prom, so i’m gonna keep this short and sweet considering we need to sleep since we won’t be sleeping later i love you more than you could possibly know, and there isn’t a day i don’t wake up grateful that we’re together. you’re the most important person to me and i thank god every day that i have you at my side. these last two years have been wILD honestly and i’m glad you’ve been through it all with me. here’s to many more <333

kogayne: happy anniversary, starboy.

two years ago hunk and shay convinced me to do something that terrified the hell out of me, but i went and did it anyway because at that point i couldn’t hold it in anymore, i liked you and it was killing me and if i didn’t say something then i was probably going to explode. i was convinced it was some fucking /miracle/ that you liked me too, and every day since then i’ve considered myself beyond lucky that i have you. you’re sweet and talented and patient and selfless and the brightest star on the darkest days.

i’ll admit that at first i didn’t known what i was getting into, and i had no idea how deeply i’d fall in love with you, and it was one of those things where you don’t realize it’s happening until that quiet “oh” moment and as soon as that moment happened, it was over for me. there’s no one else out there like you, and no one else i’d rather be with. you do so much, so much you’re not even aware of. you could just walk into the room and my day is just that much better.

i love you, lance mcclain. happy two years. <3

lanceylance: you bitch i’m gonna cry how long have u worked on that

kogayne: it’s not even my best version rfedbfwed

kogayne: it would be better for me to show you in the morning
lanceylance: :3 <333333
lanceylance: promise you’ll go to sleep soon
kogayne: alright alright i will
kogayne: you too
lanceylance: I WILL
lanceylance: what’s our game plan for when school gets out
kogayne: ...nails??? i think that’s it?
kogayne: it’s not gonna take that long to do makeup
kogayne: and /i/ wasn’t planning on doing anything super special with my hair
lanceylance: neither was i
kogayne: we’ve got plenty of time for a lunch date,,, ?

lanceylance: what did the director say none of the underclassmen back here will shut up and i’m stuck between set pieces

kogayne: he said

kogayne: wait what do u mean stuck
lanceylance: not important what did the director say

kogayne: since the sets are a pain in the ass to move he needs set crew to stay and do a run with just moving sets

kogayne: but cast is free to go

lanceylance: i mean i’m not allowed to move sets but do u want me to wait

kogayne: nah it’s alright

See the end of the chapter for more notes

HAPPY HELL WEEK

lanceylance: my throat is slightly sore on OPENING NIGHT i blame the juniors for this

takashmeoutside: good morning to you too?

lanceylance: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

lanceylance: everyone is getting sick sets aren’t holding the lights came down out of nowhere yesterday and almost killed someone and IT’S ALL THE JUNIORS

allurable: what happened with the juniors?

lanceylance: apparently

lanceylance: about two weeks ago

lanceylance: some of them were discussing shakespeare backstage

lanceylance: and someone said “macbeth”

mattata: cndjfdiksdjndjs

lanceylance: instead of leaving it at that, their friend

lanceylance: who doesn’t believe in superstitions

lanceylance: proceeded to CHANT MACBETH’S NAME

allurable: NOOOOOOOOOOOOOOOOOOO

lanceylance: this show is falling apart the DAY OF

mattata: dont u guys also do previews all day
lanceylance: my voice is gonna be Gone by sunday
lanceylance: there is not enough tea in the world to keep my throat solid
carrierpidgeon: when u first said tea i thought u meant drama
lanceylance: oh no we have plenty of that, three different kids tried to drop the show this week and a sophomore spent all of wednesday learning someone’s lines to understudy
carrierpidgeon: yeah i know I Was There
lanceylance: listen i am so stressed i have no concept of what’s happening anymore i’m taking each day at a time and SCREAMING
allurable: that doesn’t sound healthy
hunkerdunker: not healthy but mega relatable
hunkerdunker: i coughed this morning it’s all gonna be downhill from here
shayfromstatefarm: ^ sore throat
kogayne: i sneezed
carrierpidgeon: boi u almost got taken out by a light
takashmeoutside: KEITH IS THE ONE WHO ALMOST GOT KILLED BY THE LIGHTS?
lanceylance: didn’t wanna stress u out but uhhh Yeah
kogayne: :) i saw my life flash before my eyes and it was mostly me being emo i need to Live
takashmeoutside: about fucking time
allurable: wow i can’t believe it took a near-death at the hands of the lights
kogayne: it almost destroyed that fUCKING GROTTO
carrierpidgeon: sound crew > set crew
mattata: i wanna hear about this grotto
kogayne: bane of set crew’s existence
kogayne: there are two pieces and they’re on either side of the stage and they’re pains in the asses to move
kogayne: and the curtains never line up where they should bc they’re at either end of the curtain and it’s messy and THEN
mattata: there’s /more/
kogayne: there’s the scene where triton destroys the grotto so we have to flip the pieces around and the audience can SEE US if we do it wrong which is incredibly easy to do
kogayne: we hate them

carrierpidgeon: crew normally wears all black but they like, really need to do it

kogayne: long sleeves, gloves, /they even wanna get us masks/

shayfromstatefarm: ^^ a kid walked in with a mask and he looked like the ghost of christmas future

kogayne: AND IT’S ALSO LIKE THAT FOR URSULA’S THRONE

shayfromstatefarm: :) i spend the whole musical sitting and get to be wheeled around

kogayne: -- set crew has to move her throne during the numbers and we can be seen

kogayne: so now i gotta sweat to death

lanceylance: if it’s any consolation ur sexy in all black

takashmeoutside: smh take ur flirting outside of the group chat

lanceylance: uhhh we’re backstage rn for previews don’t worry about it

shayfromstatefarm: theyre being even more gross in person trust me

lanceylance: ;D

lanceylance: the previews are mostly the mermaids, i get plenty of time for backstage cuddles today and i’m excited :3

allurable: but ur sick

lanceylance: not quite

hunkerdunker: theyre joined at the hip, as soon as one sneezes it’s already too late for the other

kogayne: ^

takashmeoutside: im not ready to deal with two sick teenage boys

kogayne: nah u did a lot of taking care of us last time, it’s mrs mcclain’s turn

kogayne: im not opposed to spending the weekend downing soup

mattata: random question do ur friends ever call u out for pda

mattata: outside of this gc

shayfromstatefarm: i gave up last year

hunkerdunker: ^^^

mattata: i said outside of the gc
shayfromstatefarm: tragic

lanceylance: i mean,, sometimes

kogayne: have u considered that we don’t care tho

lanceylance: i Love him

carrierpidgeon: plax yells at them on a daily basis

lanceylance: it’s not like we’re /always/ gross

kogayne: actually compared to our usual, grossness is a rarity

takashmeoutside: sounds fake but okay

kogayne: we mostly just cuddle

lanceylance: or hold hands

kogayne: or nap on each other

allurable: doesn’t that count as cuddling

kogayne: let me live

lanceylance: point is we just

lanceylance: enjoy physical affection

kogayne: and we can’t just put on an invisibility cloak so sORRY if handholding makes u mad

lanceylance: im not sorry

kogayne: actually same

carrierpidgeon: ...admirable

kogayne: thanks bro

carrierpidgeon: ur welcome bro

lanceylance: >:O bro culture belongs to me and hunk

hunkerdunker: bro i cant believe they’d do this to us

lanceylance: i know bro

hunkerdunker: i love u bro

lanceylance: love u too bro

lanceylance: don’t let the wannabros get u down
mattata: wannabros…

allurable: warner brothers?

lanceylance: WANNABE BROS

hunkerdunker: smh these fakes

lanceylance: i knowww

kogayne: :o wow i’m a fake???????? that’s it we’re breaking up

lanceylance: later loser

(1) photo from hunkerdunker

kogayne: just

kogayne: swapping the pronouns and calling it a day

kogayne: i really just fucking love you

kogayne: you are

kogayne: so fucking perfect

kogayne: everything else is falling apart but tonight i have the utmost confidence in u

kogayne: if everything else is complete and utter trash everyone’s gonna walk out of the auditorium going “but eric was AMAZING”
kogayne: u absolute king

kogayne: love you

lanceylance > hunkerdunker

lanceylance: u me and shay are the only good parts of this showwwwww

hunkerdunker: plax? lotor? ez?

lanceylance: we are the Best

lanceylance: they’re okay

hunkerdunker: half of your success hinges on plax

lanceylance: she is voiceless in almost every interaction i have with her

lanceylance: if anything her success hinges on /me/, hunketh

hunkerdunker: wow narcissistic much

lanceylance: all the time

hunkerdunker: smh i know ur poor mother didn’t raise u this way

lanceylance: we all know luis and veronica raised me this way
**hunkerdunker:** I think everyone you’ve ever wronged should gang up on you three and give you a piece of their minds.

**lanceylance:** SMH like my enemies haven’t tried that already, I’m fucking invincible.

**hunkerdunker:** Except for your sore throat.

**lanceylance:** My thrussy 3:

**hunkerdunker:** Excuse me your WHAT.

**lanceylance:** Your WHAT.

**hunkerdunker:** Pls never ever say that again.

**lanceylance:** Wanna know why it’s called that.

lanceylance: tada -keith

carrierpidgeon: WRGTHGMJMNFBREFWSGNH

lanceylance: hi lance again this is a great idea and i’m gonna burn it all down give me a sec

kogayne: can’t wait

mattata: the easiest way of pissing off a bitter ex: pretend u deleted their number just to test their reaction

thatSNyManame > lanceylance

thatSNyManame: wow okay then

thatSNyManame: anyway i’m just trying to be nice?? and congratulate u on your performance??

lanceylance: that’s nice u can go now

thatSNyManame: are you /still/ mad

thatSNyManame: i tried to apologize

lanceylance: u didn’t even say the words “i apologize” or “i’m sorry” u literally were like “let’s just put it behind us it was stupid”

thatSNyManame: okay well then i’m sorry

thatSNyManame: my actions were ridiculous and i regret them and i regret being petty and i want to put things behind us

suffering squad™

lanceylance: um
lanceylance: HOW DO I PROCESS THIS

hunkeerdunker: yo wtf

shayfromstatefarm: tread carefully

allurable: be cordial back to her and see what happens but set clear boundaries

lanceylance: it sounds like she wants to come back into my life and maybe one day?? be my gf again?? she fucking hurt me i don’t want her back in my life

lanceylance: like??

lanceylance: aaaaaaaaaaa does everyone here know the full story of how our relationship went down

lanceylance: i know keith and pidge and hunk do

lanceylance: and i think shay?

lanceylance: u know what here we go again

lanceylance: when we started dating she was nice to me at first and i thought she was hot and ngl that’s like 40% of the reason i dated her

lanceylance: things got real intense real fast and i was like “YEAH THIS IS FUN” but then i entered my biggest Self-Discovery Phase and like

lanceylance: “oh wow i’m bi! oh wow i like makeup! oh wow i’m not as macho-masculine as i thought but this is kinda cool actually!”

mattata: oh no

lanceylance: except

mattata: oh no

lanceylance: she didn’t think so

mattata: oh noooo

lanceylance: and she put me down

lanceylance: sometimes it wouldn’t be right to my face it would be like,

lanceylance: she would belittle and put down other people who acted the same way, right in front of me

lanceylance: and at first i was like “oh she’s just trying to help me and put me on the right path obviously” but like

lanceylance: i felt really weird and down about it?
lanceylance: and hunk and shay and pidge and keith were all really supportive of me when i told /them/ about it

lanceylance: and then i got closer with keith and i was like

lanceylance: “oh”

lanceylance: “oH”

lanceylance: “OH SHIT”

mattata: ^ me realizing i liked shiro /and/ allura during college

mattata: anyhoo continue

lanceylance: and so like

lanceylance: i came to the Sudden Realization that i was being treated like /garbage/ and she was basically trying to manipulate me into being the way she wanted me to be and not who i actually was

lanceylance: bc u know when we started dating i was still a little shit trying to be Macho Man Lance before i realized that I Enjoy Being Soft and the gender binary can go choke on a chode and nothing is inherently “for girls” or “for boys”

lanceylance: which is weird to think about bc after me she went and dated rolo who is /also/ bi

lanceylance: but anyway

lanceylance: when i broke up with her she cussed me out and verbally abused me /right before annie auditions/ and keith and hunk had to calm me down

lanceylance: keith and shiro gave me a ride home blah blah blah the rest is history

lanceylance: and like??? she went for two years w/o apologizing

lanceylance: she went and attacked me this year and it might not have been physically but what she did still hurt

lanceylance: she didn’t try and stop rolo from hurting keith when he got jumped and like????????

lanceylance: i don’t want her back in my life even if she’s sorry

lanceylance: it’s not good for my health and there’s nothing that says she won’t become manipulative again

takashmeoutside: tell her straight up you don’t want anything to do with her

takashmeoutside: be nice about it but tell her

takashmeoutside: “look, i don’t want you in my life anymore, stop trying to contact me”

hunkerdunker: AND THEN BLOCK HER NUMBER

kogayne: if u don’t wanna tell her i’ll tell her
lanceylance: aaaaaaaaaaaAAAAAAAAAAAAAAA i gotta do this

lanceylance: gotta put on my big boy pants

lanceylance: keith pls get over here and hold me in case things go wrong or i need u to take over

kogayne: comin

lanceylance > thatsnymaname

lanceylance: well

lanceylance: okay i’m gonna be honest that was a lot to process and i wish i could say /i’m/ sorry for what i’m about to say but i’m

lanceylance: really not

lanceylance: i really

lanceylance: can’t accept the apology

thatsnymaname: what

lanceylance: it seems

lanceylance: awfully convenient that you’ve decided to try and be nicer now that you and rolo aren’t a thing anymore

lanceylance: even though you had no problem hurting me for the past two years

lanceylance: and won’t respect the fact that i’m already in a loving and committed relationship

lanceylance: i can respect that you /want/ to move on from this and you seem remorseful but

lanceylance: i kindly ask that you leave me alone

thatsnymaname: /what/

lanceylance: i can’t have you in my life, even as friends

lanceylance: “friends”

lanceylance: acquaintances

lanceylance: whatever

lanceylance: it’s just

lanceylance: not healthy

thatsnymaname: so you’re just going to cut contact
lanceylance: yes

lanceylance: please don’t make this more difficult than it needs to be

thatsnymaname: ...alright then

lanceylance: I DIDN’T THINK IT WOULD END UP WORKING

lanceylance: WHERE’S THAT PICTURE OF PLANKTON LIKE “I DIDN’T THINK I WOULD GET THIS FAR”

kogayne: i’m just getting sad

kogayne: again

kogayne: and also angry

kogayne: because all these years like “yeah my mom is gone she’s probably dead by now” and?? she’s not she just

kogayne: fucking abandoned me like i don’t matter :)))

kogayne: like even if she came back how am i supposed to be grateful for her

kogayne: everyone’s like “yeah i love my mom!!” and?? MMMMMMMMMMMMMMM

kogayne: i

kogayne: hhhhhh

takashmeoutside: alright, take some deep breaths

takashmeoutside: u have a lot of moms, aunt krolia can choke

kogayne: hhnnn u right

takashmeoutside: rumor has it u called lance’s mom “mom” once?

kogayne: SHE SAID SOMETHING

takashmeoutside: oh trust me we’re tight now

kogayne: ohmygod

takashmeoutside: we adults keep in touch

kogayne: OHMYGOD

takashmeoutside: especially when u and lance are talking about marriage

kogayne: i’m gonna launch myself directly into the fucking sun

takashmeoutside: okay but back to my point

takashmeoutside: aren’t u also sleeping over at hunk’s tonight?

takashmeoutside: he has two moms and i’m sure they love u very much

takashmeoutside: double the mom love

takashmeoutside: shay’s mom and grandmother are lovely

takashmeoutside: and there’s always mrs. holt

kogayne: true
kogayne: aaaaaaaaa mmmmmmmmm i’m just nervous bc what if bio mom emails me tomorrow it’s been a while since i heard from her last and i don’t know how i’m gonna cope if she tries to talk to me again tomorrow of all days

kogayne: aaAAAAAAA AAAAAAAA

kogayne: alright thanks i’m sorry i’m gonna go try and calm down

kogayne: alright

kogayne: if it happens tomorrow, you can ignore her or respond do whatever you feel is right but everyone’s got ur back

kogayne: aaaa AAAAAAAA AAAAAAAA

 alright thanks i’m sorry i’m gonna go try and calm down

kogayne: alright

kogayne: alright if you need to talk to me i’m here

kogayne: and i know it’s hard not to but pls stop apologizing for needing to call attention to ur issues

kogayne: we wanna help u

kogayne: i knowwwwwwww but there’s no freaking OFF SWITCH

kogayne: I WOULD’VE FLIPPED IT BY NOW

kogayne: i know

kogayne: so what we’re gonna do is we’re gonna have some brotherly bonding time

kogayne: we’re gonna go to home depot or lowes or whatever and we’re gonna put in an off switch ourselves

kogayne: and hopefully we won’t be electrocuted in the process

kogayne: dfgflhnenewbdwefwefvbf Thanks Dad can we play a game of catch after

kogayne: of course son :)

kogayne: …

*suffering squad™*

**lanceylance**: excuse me

**lanceylance**: ap exams are done, why am i still being assigned work in my classes

**hunkerdunker**: the fact that it’s antok’s class has me nervous

**lanceylance**: BOI DECIDED WE NEED TO DO A PROJECT

**hunkerdunker**: ha ha what :)

**lanceylance**: we have to psychoanalyze songs

**kogayne**: ...guysit'sreallynotthatharditcouldbeworse

**shayfromstatefarm**: yeah i’m with keith on this

**shayfromstatefarm**: better than hira’s class or thace’s class where we’re actively getting homework

**lanceylance**: tbh

**lanceylance**: thace’s lit circles can choke

**kogayne**: why must i read classics i want to read about conspiracy theories

**kogayne**: AND SPEAKING OF CONSPIRACIES

**takashmeoutside**: fuck it’s friday

**kogayne**: IT’S BUZZFEED UNSOLVED DAY AND WE’RE COVERING ALIENS AND THE GUY FROM ANCIENT ALIENS ON THE HISTORY CHANNEL IS GUEST STARRING
mattata: THE MEME GUY?

kogayne: THE MEME GUY

lanceylance: buzzfeed unsolved has reach peak meme

carrierpidgeon: buzzfeed unsolved reached peak meme with “hey there demons”

lanceylance: shit u right

lanceylance: anyway keith stop being happy i am trying to Complain

kogayne: shut up shane

mattata: boi u *wish* u were ryan bergara

kogayne: excuse me

kogayne: what proof do u have that i am not ryan bergara

kogayne: have u ever seen me and ryan bergara in the same room

kogayne: i don’t think so

carrierpidgeon: today on buzzfeed unsolved we open an investigation into the question: is keith kogane secretly ryan bergara?

allurable: why am i opening the chat to conspiracy theories on a friday morning

kogayne: why not

kogayne: conspiracy theories keep me going

kogayne: something to look forward to when i wake up

lanceylance: anything else u look forward to? :)

kogayne: pizza is nice

lanceylance: >:O

kogayne: :) love u

lanceylance: ur on thin fuckin ice kogane

allurable: wait i read the rest of the chat i wanna hear about these lit circles

allurable: what are u guys reading

lanceylance: we weren’t there when we chose books bc, you know, ap testing

kogayne: as fate would have it in both periods our groups chose the same book

lanceylance: “our groups” being the handful of students actually present
shayfromstatefarm: we’re reading mrs. dalloway

hunkerdunker: lance keeps calling it virginia woolf

lanceylance: WHY IS HER NAME BIGGER THAN THE TITLE

lanceylance: WHAT KIND OF EGO

shayfromstatefarm: u realize that was probably a decision made by the publisher and cover designer to sell more books bc people will see “virginia woolf” and classics nerds will be like “WOW WHAT A FAMOUS AUTHOR I SHOULD PICK UP THIS BOOK”

kogayne: ^^

kogayne: also the book does have one thing going for it so far

allurable: and that would be

kogayne: mrs. dalloway is bi as fuck

lanceylance: mmm true

lanceylance: hopefully it doesn’t end in disaster

shayfromstatefarm: mood

lanceylance: i wanna look up what happens but i’m not motivated

hunkerdunker: ^^ i’m not emotionally attached to this book and if it lets me down i’m not even gonna be surprised

kogayne: [smashes fists on table] GIVE ME MORE LGBTQ+ REP DAMMIT

kogayne: GIVE ME MORE BOOKS WITH HAPPY GAYS

lanceylance: alright y’all so i’ve made the decision to become a full-time writer to give keith the happy gays in fiction that he deserves—

hunkerdunker: speaking of gays in fiction

hunkerdunker: star wars writers have confirmed lando calrissian is pansexual and down for doing it with droids

kogayne: droidfuckers get more rep than us wtf

mattata: yeah but is it like

mattata: gonna be exclusive rep in the solo movie

mattata: or more performative allyship

mattata: from the jkr school of retconning characters and not actually doing anything about it

carrierpidgeon: i mean, they’re in space, right
carrierpidgeon: if lando fucks aliens

carrierpidgeon: there have to be societies where there’s no gender binary, right?

kogayne: but u saw the girl aliens w boobs in return of the jedi in jabba’s palace, right

carrierpidgeon: don’t remind me i’m still traumatized

kogayne: at least we have the og star wars cast letting us live out our headcanons

kogayne: i don’t care what anyone says luke was gay and you can pry this headcanon from my cold dead hands

lanceylance: cold and dead, huh—

kogayne: SHUT UP

carrierpidgeon: SHUT UP LANCE

takashmeoutside: WE’RE NOT TALKING ABOUT IT

lanceylance: anyway let’s not forget that oscar isaac is totally on board with gay poe

kogayne: mmmm finnpoe good shit

mattata: i see ur finnpoe and raise u finnpoeray

lanceylance: u heathens it is not finnpoe it is stormpilot we have an aesthetic name for once let’s use it

allurable: what’s the stormpilot equivalent for finnpoerey

takashmeoutside: ¯\_(ツ)_/¯

shayfromstatefarm: stormpilotsavenger?

kogayne: that is

kogayne: a mouthful

allurable: omg matt shiro i know what we can be for halloween next year

mattata: u mean this year

allurable: ...omg

allurable: but LET’S DO IT

mattata: i call dibs on poe

takashmeoutside: why do u get to be poe

mattata: bc i look hot as fuck in a brown leather jacket
allurable: valid

takashmeoutside: ,,,, MMMMMMMMM HE’S RIGHT

kogayne: why is /that/ the thing that convinces u

takashmeoutside: shut up that’s the same reason u fantasize about lance as han solo

lanceylance: OWO

lanceylance: HE WHAT

kogayne: i’m gonna crawl in a ditch and die

takashmeoutside: :)

kogayne: i’m dragging u down to hell with me

takashmeoutside: already on my way anyway

kogayne: -_- 

lanceylance: fbrgefwegbffwebf

lanceylance: wait so does he imagine himself as leia

lanceylance: bc keith in leia buns,,

kogayne: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

takashmeoutside: so u know his “luke is gay” headcanon,

kogayne: i will murder u in ur sleep

lanceylance: WRETNEFGERBNBRT

kogayne: HANLUKE IS A GOOD SHIP OKAY

kogayne: LET ME LOVE MY RAREPAIR IN PEACE

lanceylance: ALRIGHT SO THEN WE’RE GETTING IN ON THIS STAR WARS HALLOWEEN THING?

hunkerdunker: okay wait what about me and shay here

carrierpidgeon: aND ME

carrierpidgeon: i volunteer to be r2d2

carrierpidgeon: sassiest droid in star wars history

lanceylance: i would say hunk and shay could be anakin and padme but hunk is a cinnamon roll and anakin is a burnt cinnamon roll
mattata: FGHGTFREWGFNBFRF BURNT CINNAMON ROLL

lanceylance: ;D

hunkerdunker: halloween is the time to be scary i can pull off dark and brooding

hunkerdunker: i can pull off a keith

kogayne: low blow

hunkerdunker: ˘\_(ツ)_/¯

lanceylance: i love my dark broody boyfriend <3333

**kogayne > lanceylance**

kogayne: i’m so bored why did hira need to do a review today

kogayne: forensics is empty

kogayne: besides me the only other kid here is one of the creepy kids

lanceylance: ooh yike

lanceylance: spanish is just me and two kids from ap bio

kogayne: why did they have to move senior skip day up a week this is homophobia

lanceylance: and biphobia

kogayne: i would much rather be doing literally anything else

kogayne: i wanna go back to psych so at least we could like, cuddle or something

lanceylance: isn’t our study hall mostly seniors

lanceylance: seniors who probably all skipped

kogayne: yes

lanceylance: i’ll give u all the cuddles

lanceylance: luxia won’t care if we like

lanceylance: sit on top of the desks or something bc she knows we’re Good Eggs

kogayne: we’ve both ended up in the office more than once this year

lanceylance: WE’RE GOOD EGGS KEITH

kogayne: if we’re eggs can i be scrambled eggs

lanceylance: what why
kogayne: my brain is a mess

lanceylance: something going on u wanna talk about

kogayne: well

kogayne: i was having a nice morning until i just opened up my emails and

(1) photo from kogayne

lanceylance: shit

lanceylance: screenshots

(1) photo from kogayne

kogayne: i’mn ot ereayd

lanceylance: hey hey hey wait

lanceylance: look

lanceylance: look at the date she wants to meet up

lanceylance: that’s orientation

kogayne: whathfcukc

lanceylance: it’s gonna be okay

lanceylance: tell her u already have something going on that day, can’t do it

kogayne: hnnn

kogayne: wait no pldont u don’t havert o

lanceylance: you’re freaking out

lanceylance: i’m gonna be there
lanceylance: let me be there, keith

lanceylance: besides it’s not like we can do anything with three kids in class

kogayne: hnnnnnnnn okay

lanceylance: i’m leaving class now

lanceylance: just breathe till i get there

---

lanceylance > takashmeoutside

lanceylance: hi keith is out of it rn so i’m here to tell u his mom emailed him again

takashmeoutside: and what did she want /this time/

lanceylance: to set up a meetup date

lanceylance: she’s like “oh you sound cool i guess” which,,, keith didn’t tell her that much to begin with

lanceylance: and then she gave a tentative meetup date which just so happens to be during our orientation so whOOPS WOW KEITH CAN’T GO SORRY

takashmeoutside: so is he freaking out about not being able to go or the fact that she emailed him

lanceylance: the email itself

lanceylance: and then i dunno if he’s just exhausted from the last two weeks but the idea of meeting up with her just

lanceylance: set him off

lanceylance: “every time i think i’ve come to terms with it i realize i haven’t” -keith kogane, 2k18

takashmeoutside: yeah so aunt krolia can takash these hands

takashmeoutside: are u guys gonna respond

lanceylance: keith is feeling petty so for now the plan is that we’re gonna leave her on read for a week, act like it’s a good date, and then email her at the last minute like “whoops something came up”

takashmeoutside: that’s valid

lanceylance: alrighty that’s all i had to tell you

lanceylance: i’m gonna go back to being with keith and give him the snuggles he’s been desiring all morning

takashmeoutside: ...wait a minute aren’t you in period 2
takashmeoutside: don’t u have different classes
lanceylance: senior skip day in senior classes means our teachers don’t care about what we do bc they can’t teach
lanceylance: he was freaking out
lanceylance: i wasn’t just gonna sit there like a fuckin heathen
lanceylance: so byeee gonna go

**suffering squad™**

hunkerdunker: [KICKS DOWN DOOR]
hunkerdunker: I JUST WATCHED THE NEWEST BUZZFEED UNSOLVED
mattata: i thought it was keith texting omg
kogayne: [KICKS DOWN DOOR] I HEARD BUZZFEED UNSOLVED
hunkerdunker: ALIENS
kogayne: [VIGOROUS NODDING] ALIENS

*kogayne renamed suffering squad™ to ALIENS*

carrierpidgeon: today i found out that emily is a buzzfeed unsolved fan but she’s a shaniac
takashmeoutside: WE’VE GOT ANOTHER ONE
kogayne: i revoke my stamp of approval this is a disgrace
kogayne: how can she like star wars and not believe in aliens
carrierpidgeon: /we have to get her on the alien train/
carrierpidgeon: she can argue on cryptids and ghosts but I DRAW THE LINE AT ALIENS THEY’RE /OUT THERE/
kogayne: i need them to abduct me like asap
lanceylance: okay no,
carrierpidgeon: mood tbh
lanceylance: oKAY NO,
shayfromstatefarm: keith why do u wanna be abducted
mattata: he wants to fuck aliens obviously
kogayne: no i’m clearly part alien and don’t belong here

takashmeoutside: translation: he’s stressed bc of his mom

kogayne: shut ur fuck shiro

mattata: yike yike yike i take back what i said

kogayne: no it’s fine i’m

kogayne: better than i was earlier this morning

kogayne: i’m gonna be petty with her for now

kogayne: i’ve got other moms

kogayne: like mrs. mcclain

lanceylance: my mom likes keith better than me and the rest of my siblings

carrierpidgeon: is he, by chance, at your house right now

kogayne: shiro had the late shift at target

kogayne: the mcclain house is a Safe Space when it’s dangerous to be home

KEITH DEFENSE SQUAD

lanceylance: lol so basically his mom set him off today and he’s spent the day recovering but any commentary is still kind of

lanceylance: charged

lanceylance: he’s doing okayish right now but i’m gonna

allurable: that’s fair

ALIENS

lanceylance: yep we’re on our Keith Loving Juice every day

takashmeoutside: /waggles?/

lanceylance: [WAGGLING INTENSIFIES]

mattata: is waggle even a word

lanceylance: autocorrect keeps trying to change it to wiggle but it’s a WORD

allurable: according to merriam-webster, to waggle is to “reel, sway, or move from side to side” or “to move frequently one way and the other”

mattata: well
mattata: that just tickles my pickle

takashmeoutside: it /what/

mattata: TICKLES MY PICKLE

allurable: bet

Chapter End Notes

yeah so for context: senior skip day is supposed to be next week (which...we're having another one, and i'll actually participate) but the way the school bribed seniors into taking all of their ap exams was by starting an internship program, and everyone doing
internships would be missing senior skip day, so they bumped it up a week

my physics final is tuesday and we had a review today so half my class (read: the biggest nerds in the school) showed up for the review

imma skip next week tho bc that's a half day that doesn't matter

anyway

see y'all in the next one

But before we go, a bit of shameless self-promotion: Deceit So Natural is a three-fanfic trilogy that begins when Prince Lotor mistakenly believes that Lance, acting as a spy for the Galra, has killed Keith, and invites him to return to the Empire. Team Voltron sends in Keith and Lance undercover, and the perfect buddy-cop scenario rapidly spirals out of control. Begin reading this series, inspired by an innocent pre-season 3 Lotor roast session, with the first fanfic, Where People Go to Die, today!
[maroon 5 voice] keith is in misery

Chapter Summary

after a long weekend of suffering, keith still isn't any better, ft. heavy doses of kangst, klangst, klance, and broganes

Chapter Notes

so uhhh let's see

i finished writing this by noon and spent three hours debating whether or not to post it so that should tell u something about my current mental state

sorry if u came here looking for fluff today but i just. cannot

trigger warnings for a major depressive episode, self-isolation, suicidal thoughts/keith repeating "i wanna die", and brief references to the ongoing gun problem in america

See the end of the chapter for more notes

kogayne: hhhhh i can handle it

takashmeoutside: dude

kogayne: i can

takashmeoutside: is this the only reason you texted

takashmeoutside: what’s going on

kogayne: lance asked about the cubs trip

kogayne: cuba

kogayne: and???? shiro i can’t go

kogayne: and???? shiro i can’t go

takashmeoutside: why not? i told u im cool with it

kogayne: hnnnn it’s the last summer before college and all the shit with my mom is happening and
plane tickets are expensive and i need as much money as i can get for college and hhhhhhh there’s

kogayne: other stuff i already talked to lance about that he’s gonna be mad about when i bring it up

takashmeoutside: i seriously doubt that whatever it is, he’ll be mad at you

kogayne: i already told him if i started getting bad that i’d text him and i haven’t and i feel guilty but i don’t wanna bother him and the day just started and jakdkdjfdjdsjw

kogayne: hnnnn last night i emailed her, ive got one set up for wednesday

kogayne: i know i know

kogayne: im

kogayne: i don’t know

kogayne: lance needs an answer by lunch

takashmeoutside: okay

takashmeoutside: think about your answer in the long-term

takashmeoutside: you’re not in the right state of mind, but just try, okay?

kogayne: hhhh okay

kogayne: i just

kogayne: can i talk to you about this

kogayne: without you roasting me

kogayne: lance needs an answer by lunch

takashmeoutside: all ears

takashmeoutside: err, eyes

kogayne: everyone likes to poke at the fact that lance and i do everything together and i feel like

kogayne: if i go on the trip then it’s just “oh lance can’t even go see his family without keith latching
kogayne: and sometimes I feel like I’m too dependent on him and it’s not healthy

kogayne: I know I’m my own person but sometimes it feels like people just see me as

kogayne: one half of something

kogayne: and I don’t wanna keep proving those people right

kogayne: BUT AT THE SAME TIME IT’S LIKE

kogayne: why am I letting people pass judgement on my relationship? I love Lance and I love doing things with him and??? I shouldn’t let what people say get to me but it does and jejejdjdjdndnr

takashmeoutside: alright

takashmeoutside: I don’t know how much it’ll help but here’s my take on your situation

takashmeoutside: you’re still young

takashmeoutside: most people don’t have relationships as serious as yours at your age

takashmeoutside: but most people also don’t have all of the issues you have or have experienced the things that shaped you

takashmeoutside: your reactions are normal

takashmeoutside: there’s nothing wrong with feeling like this and there’s nothing wrong with reaching out for help

takashmeoutside: you know what happens when you /don’t/ reach out for help?

takashmeoutside: you know what happens when you try to be independent because you feel like you’re imposing or being too clingy?

takashmeoutside: you break up with your boyfriend and miss out on five or so years of relationship where you could have been getting the support you needed

kogayne: djdjdjdshdjcidkdjd

kogayne: alright

kogayne: thanks Shiro

takashmeoutside: no problem

takashmeoutside: now go talk to your boy

kogayne > lanceylance

(3) photos from kogayne

kogayne: i talked to shiro about this and i’ve been sitting on it for the last period

lanceylance: keith

kogayne: i mean, i still stand by what i told him

kogayne: it’s the summer before college and i’ve just

kogayne: there’s a lot going on with my own family that i need to sort out

kogayne: we can still text and snap and facetime but i /literally/ can’t afford being away for three weeks

kogayne: it’s nothing against you

kogayne: i love you

kogayne: im bad at showing it and i know turning down the trip may make it seem like i’m trying to get away from you but i love you more than anything and i’m scared of what’s gonna happen if i keep thinking like this

lanceylance: it’s okay

lanceylance: i understand

kogayne: i just think

kogayne: it’ll be good for us

kogayne: we’ve been together pretty much every single day nearly all year

kogayne: and it’s

lanceylance: i know what you mean
lanceylance: im with you on this
kogayne: thank you
kogayne: you have no idea how much this means

kogayne: djdjdejejdejikend
kogayne: also i’m sorry
lanceylance: pls don’t apologize
lanceylance: i want the best for u and if u think this is best for ur health then that’s what we’re gonna do

mamameclain: so are you only going the two weeks then?

lanceylance: yeah

mamameclain: does he know?

lanceylance: no coffee
takashmeoutside: what happened?
lanceylance: keith wasn’t making his coffee fast enough for him
kogayne: “there’s no one here! hurry up!! what’s taking so long?”
kogayne: lance and hunk tried to defend me bc they were on with me and he bitched them out too
kogayne: and he
kogayne: i wanna fucking die today has been so shitty that’s why the group chat is slow it’s because lance and shiro were too busy taking care of me that’s it

recovery, lots of creatures, and a lack of pants

Chapter Summary

non-existent tuesday chapter: keith's taking his time recovering, the physics final happens,,, that's it

wednesday summary: keith is still recovering, lance continues to be concerned and the Best Boyf, emitie (what? you'll see), creatures, and lance's disdain for wearing pants

See the end of the chapter for more notes

lanceylance > kogayne

lanceylance: hey

kogayne: hey

lanceylance: how are things looking today

kogayne: well

kogayne: i’m not waking up with a raging headache

kogayne: and i’ve managed to beat depression back down into the hole it came from

kogayne: granted there’s nothing covering the hole and i have therapy later so i’m gonna have to dig everything back up

kogayne: but uhh? i’m okay i guess

kogayne: better than yesterday

kogayne: definitely better than monday

lanceylance: good

lanceylance: day off from the group chat do you some good?

kogayne: yeah

kogayne: and i feel like
kogayne: going to school was the right decision

kogayne: skipping would’ve made me more anxious and then i’d have had to make up the physics final

kogayne: and i’m talking way too much

lanceylance: no ur not

lanceylance: i love listening to u

lanceylance: ur a Good

kogayne: :)

lanceylance: so what’s our plan for the day

kogayne: i’m gonna try going by myself and seeing how it goes

lanceylance: alright

lanceylance: what about this morning

kogayne: i feel like

carrierpidgeon: UR FUCKIN DEAD TO ME

takashmeoutside: yes hi pidge i’m here with actual advice

carrierpidgeon: thanks dad

takashmeoutside: every couple’s gonna take their own amount of time

takashmeoutside: my best advice is to really get to know them before going into the s/o stage

takashmeoutside: in the case of me and matt and me and allura and matt and allura we all knew each other for years before we actually dated

lanceylance: [KICKS DOWN DOOR] I HEARD RELATIONSHIP ADVICE

mattata: u hoe i already kicked down the door

lanceylance: wtf man

mattata: snooze u lose

lanceylance: well

lanceylance: ANYWAY

lanceylance: what shiro said is correct

lanceylance: when u go exclusive u don’t /have/ to see a future w them necessarily, esp when ur so young, but also the point of going exclusive is like

lanceylance: “yes, we’re each others’ now”

lanceylance: like i’m not exactly sure why u would go exclusive if u don’t plan on staying together
in the long-term

lanceylance: u two have been dating, what, like, two and a half weeks

carrierpidgeon: yes

shayfromstatefarm: that’s early for someone ur age ewdegrfwfewfrwed sloooow down pidge

shayfromstatefarm: take ur time with this

mattata: also it’s cute that ur freaking out about this but why

mattata: emitie

allurable: EMITIE IS CUTE

carrierpidgeon: emitie

carrierpidgeon: rhymes with titty

takashmeoutside: okay emitie cancelled—
carrierpidgeon: EMITIE CONFIRMED

carrierpidgeon: anyway

carrierpidgeon: thanks y’all for giving actual good advice first thing in the morning!
lanceylance: um all advice is good all the time

carrierpidgeon: invalid

carrierpidgeon: INVALID
lanceylance: totally valid

carrierpidgeon: INVALID
lanceylance: VALID
lanceylance: AND SPEAKING OF VALID THINGS
lanceylance: imma add keith back to the gc
lanceylance: he doesn’t want attention drawn to his return just act like it’s any other day pls and thank u

lanceylance: added kogayne to ALIENS

carrierpidgeon: guys she’s still being cute
hunkerdunker: what’s she even doing that’s cute
hunkerdunker: what’s got u so whipped

carrierpidgeon: SHE
kogayne: oh god what did i walk into
takashmeoutside: u know how u like to spam me about lance
takashmeoutside: she’s spamming about emily
kogayne: OH?
carrierpidgeon: she looks

carrierpidgeon: v good in lab goggles
mattata: so does this mean if they become an official item one day then i’m gonna start getting
spams about how much pidge loves her

carrierpidgeon: u bet ur sweet ass

takashmeoutside: alternatively: u and keith just start texting each other about your significant others

carrierpidgeon: where’s the fun in that

carrierpidgeon: we would never get annoyed

mattata: kashi what have we done

mattata: what have we raised

takashmeoutside: monsters

kogayne: if my only ability as a monster is to gush about how much lance means to me then uhhh fuck it i’ll go cryptid status fuck yeah

kogayne: my power is that any time i hear someone talking smack about lance they suddenly ~disappear~ and are never seen again :)

carrierpidgeon: qwdebrfweefw

carrierpidgeon: inch resting

carrierpidgeon: which begs the question

carrierpidgeon: if you had to be a monster or mythical creature what would u be

lanceylance: mermaid. done. next.

allurable: what’s with ur fixation on mermaids

lanceylance: no pants necessary

hunkerdunker: u barely wear pants anyway

lanceylance: "_(_「)_/~"

carrierpidgeon: was that bit of info needed, hunk

hunkerdunker: he /doesn’t/

lanceylance: if i’m in the comfort of my own home why the FUCK do i need pants

hunkerdunker: U BARELY WEAR THEM AT MY HOUSE EITHER

kogayne: OR MINE

carrierpidgeon: that’s it i’m buying lance pants for his birthday

lanceylance: no u know what i actually want
shayfromstatefarm: if ur gonna say one of those mermaid blankets then step the fuck back everyone i’ve already been crocheting for a month that shit is mine

lanceylance: SHAY WTF U ANGEL

lanceylance: lmao also speaking of birthdays

lanceylance: uhhh best not plan any parties

lanceylance: listen i didn’t bring up the birthday pidge did

lanceylance: second

lanceylance: just warnin y’all

lanceylance: i’m going to cuba right after the fourth of july

lanceylance: and not coming back till literally the day before my birthday

hunkerdunker: day before? why would u leave cuba before ur birthday

lanceylance: i dunno

lanceylance: i mean ultimately trip dates were my mom’s decision

lanceylance: guess she wants me here for my bday? i dunno

lanceylance: except i’m gonna be super wiped out from traveling probably

hunkerdunker: well then

carrierpidgeon: ur telling me

carrierpidgeon: for almost a month

carrierpidgeon: i’m fREE?

lanceylance: it’s three weeks gremlin

mattata: we’ll miss u dude but also mY BIRTHDAY IS COMING UP YOU FUCKS

carrierpidgeon: chill matt we’ll do something cool don’t u worry

mattata: i am never chill

shayfromstatefarm: bow to the squip

hunkerdunker: THAT’S NOT THE CENTRAL MESSAGE OF THE SHOW HOW MANY TIMES DO I GOTTA SAY SOMETHING
hunkerdunker: YOU HEATHENS

lanceylance: okay back to the original conversation what creatures would y’all be

allurable: a fairy or pixie

allurable: purely for the aesthetic and because they tend to be little shits

lanceylance: okay so you’re spending too much time with pidge

mattata: no she’s not she’s just always been like that but on the dl

allurable: ;D

kogayne: i wanna be mothman obviously

carrierpidgeon: i thought u wanted to fuck mothman

kogayne: nah

kogayne: if i can’t be mothman then i wanna be a dragon

kogayne: breathe fire

kogayne: fly

kogayne: hoard things

carrierpidgeon: i wanna be like

carrierpidgeon: idk, a siren or something

carrierpidgeon: harpy

lanceylance: sirens are just mermaids who lure people to their deaths with song

carrierpidgeon: actually this is another mythology thing emily was telling me about from latin

lanceylance: :) oh really?

carrierpidgeon: shut ur fuck

carrierpidgeon: yeah, way back when

carrierpidgeon: sirens were birds with women’s heads who lured men to their deaths but somewhere along they way they became deadly mermaids

hunkerdunker: they way

mattata: DO YOU KNOW DE WAE

takashmeoutside: pls let that meme die

takashmeoutside: anyway i think being a werewolf might be kinda cool?
lanceylance: SPOT THE FURRY

takashmeoutside: TAKES ONE TO KNOW ONE

lanceylance: SO YOU ADMIT IT

takashmeoutside: WAIT NO

lanceylance: SHIRO’S A FURRY

kogayne: so how many furries are there now wait

kogayne: lance, pidge and hunk got exposed a while back,

carrierpidgeon: SLANDER

kogayne: and now /shiro/

takashmeoutside: i’m erasing myself from the narrative—

hunkerdunker: okay eliza

takashmeoutside: speaking of eliza

kogayne: SHUT UP SHIRO

carrierpidgeon: false, it was actually angelica—

kogayne: PIDGE

lanceylance: OWO WHAT’S THIS

takashmeoutside: pidge it was both of them depending on when we’re talking

kogayne: i will leave again don’t test me

lanceylance: is this gonna be something cute about keith

allurable: probably

lanceylance: TRICK QUESTION EVERYTHING ABOUT KEITH IS CUTE

takashmeoutside: so anyway during sophomore year when keith was a pining little shit,

kogayne: ohhhh my goooood

lanceylance: wrbgferfgberwge

takashmeoutside: that’s where i’m gonna leave it

kogayne: 

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA/

takashmeoutside: :)
kogayne: i’m disowning you

lanceylance: did he like

lanceylance: listen to helpless all the time

takashmeoutside: uhhh that was /after/ may 4th

kogayne: DEAD TO ME

lanceylance: OH MY GOD DID HE LISTEN TO SATISFIED

kogayne: HOW THE FUCK

lanceylance: KEITH INSTINCTS

kogayne:AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

takashmeoutside: perhaps

kogayne: LISTEN I WAS PAINFULLY PINING OKAY

kogayne: SATISFIED JUST SEEMED LIKE THE RIGHT SONG

lanceylance: this is precious oh my god il ove mybotfirmed

hunkerdunker: ,, anyway i’m jumping in to say being a griffin would be cool

lanceylance: OOOOOO

kogayne: hunk stop trying to one-up me

shayfromstatefarm: i wanna be a sphynx and speak in riddles all the time and confuse everyone around me

allurable: so we’ve established that me and shay and pidge are just gonna wreak havoc on everyone

allurable: MATT

mattata: WHAT

allurable: WHAT CREATURE

mattata: vampire

mattata: dark and mysterious and i can bite people without being looked down upon

carrierpidgeon: did we need to know that

takashmeoutside: u already b

takashmeoutside: I MEANT TO ERASE THAT FUCK
carrierpidgeon: LOL SO THIS GROUP CHAT IS CANCELLED BYE

*lanceylance* > *kogayne*

*lanceylance*: so how was therapy

*kogayne*: it went okay, i guess

*lanceylance*: u okay?

*kogayne*: keeping it together

*kogayne*: i’m just kinda

*kogayne*: chillin in my car right now

*kogayne*: panic released a new song and i still have leftover chinese from physics, so, u know

*kogayne*: pullin through

*lanceylance*: panic released a new song?

*kogayne*: yeah

(1) audio file from *kogayne*

*kogayne*: pretty hopeful

*kogayne*: probably gonna be playing this one on repeat for a while

*kogayne*: except replacing mama with shiro because shiro

*kogayne*: or maybe i’ll keep it and just like, think about ur mom or mrs holt

*lanceylance*: cute

*lanceylance*: is there anything that happened that i need to know

*kogayne*: mmm

*kogayne*: i mean

*kogayne*: like i said this morning i had to dig some stuff up so like

*kogayne*: i came close to breaking down

*kogayne*: i cried a little

*kogayne*: but i’m pretty okay now

*lanceylance*: u going home

*kogayne*: i’m gonna grab my laptop but then i think i’m gonna
kogayne: hit the café

kogayne: if i walk down there can i go back to ur house after

lanceylance: yeah of course!!

kogayne: also our therapist asked about you and why i didn’t bring anyone with me

lanceylance: what did u say and what did she ask

kogayne: she just asked how u were doing, if u were gonna be scheduling an appointment soon

kogayne: i said u were good as far as i knew and u had no plans at the moment

lanceylance: good

lanceylance: what did u tell her about going alone

kogayne: i,, kinda explained to her what i told u the other day

kogayne: how i feel like i’ve kind of been

kogayne: too dependent on others to pull me out of my head

kogayne: so i’m trying to like

kogayne: do this on my own

lanceylance: and what did she say

kogayne: she basically said she liked that i can recognize where i think i have problems and that i’m actually like

kogayne: doing something about it

kogayne: but she said not to go too hard about it

kogayne: like what u said

kogayne: asking for help is okay and if i go too far i might end up self-isolating again and all that jazz

lanceylance: alrighty

lanceylance: anything else happen

kogayne: nnnnah that’s pretty much it

kogayne: i spent most of the time like

kogayne: explaining the email from my mom and my anxieties from that

kogayne: and then my shitty weekend
kogayne: and then how i spent monday losing my mind and yesterday recovering

kogayne: and that’s pretty much when i started crying

kogayne: and now we’re starting to look into possible meds

kogayne: so i have another meeting set up for next week and she wants shiro to be there bc like

kogayne: medical records and legal guardianship and stuff

lanceylance: i see

kogayne: yeah

kogayne: alright i’m gonna

kogayne: head home now

kogayne: i’ll see you soon

lanceylance: see you soon, drive safe

lanceylance: love you

kogayne: love you too

hunkerdunker: “ahem” [raises hand]

shayfromstatefarm: [pauses as i’m putting in the dvd] “yes hunk?”

hunkerdunker: “uh...are we getting like, a viewing guide or anything? any kind of assessment to go with this?”
shayfromstatefarm: [looks at the door] [looks at the class] [drops voice] “listen, i know you all don’t wanna do work. i don’t wanna collect and grade work. as long as an administrator doesn’t walk in and ask what the assessment is, we’re not doing /anything/”

lanceylance: [cue the class sighing in relief]

takashmeoutside: lance

lanceylance: WHAT

takashmeoutside: sci-fi

takashmeoutside: fi

takashmeoutside: AS IN FICTION

lanceylance: BUT IT’S FUCKING WITH MY BRAIN
mattata: star wars is the one that really fucks with us because if it takes place a long time ago in a galaxy far far away, but all of these people had the high-tech gear that throws relativity out the window, what happened

mattata: why are we so technologically lacking now

shayfromstatefarm: because the library of alexandria burned

allurable: but those were mostly copies, the originals had to have been out there somewhere

carrierpidgeon: don’t talk to me about the library of alexandria i get upset and angry to the point of tears

mattata: are those civilizations in star wars still out there

mattata: their tech would be even more advanced, but there’s been no contact,

mattata: what happened to them

kogayne: i’ve been trying to expose aliens for years the government is hiding them

takashmeoutside: this conversation is a fucking trainwreck

lanceylance: ur face is a fuckin trainwreck

Chapter End Notes

alrighty that's the chapter

time for some QUICK SELF-PROMO because the deceit so natural series is set to wrap within the next two weeks (aka: i'm tryna have this series finished before season 6), so if you haven't started reading it/have been putting off reading the final fic...now might be a good time to start :P

*Deceit So Natural* is the trilogy that kicks off in *Where People Go to Die*, when Lotor mistakenly believes that Lance is a spy for the Galra...and that he's just killed Keith. Lance is invited to return to the Empire with Lotor, and Team Voltron seizes this opportunity to get insider information by sending Lance and Keith undercover as a traitor and his prisoner. Things rapidly spiral out of control from there, setting up for a disastrous series of events that could decimate the universe.

*Already read WPGTD?* Head on over to *Dynasty Decapitated*!

*Finished DD?* Wrap up the adventure in *Stars Go Down!*
everyone's mushy and soft

Chapter Summary

pidge really really really likes her mutual crush; klance; team forest fire; broganes; holt siblings, ft. matt being a little shit after the underclassmen awards ceremony

Chapter Notes

lmao so basically underclassmen awards are a ceremony that happens during the school day where the freshies, sophs, and juniors get awards for their hard work, and senior scholarship night is the same day but...at night...as implied

this chapter doesn't focus much on that but i just thought i’d throw that in as an explanation

we don't need to see senior scholarship night, they'll all be there, no need to text, ANYWAY CARRY ON

See the end of the chapter for more notes

lanceylance: so like

lanceylance: u were dead and i cradled u in my arms and brought u back to life with the powers i didn’t know i had

lanceylance: and i wanna recreate that scene

kogayne: you just want an excuse to cradle me in your arms

lanceylance: i didn’t know sarah’s little sister was cool

carrierpidgeon: she’s cool and cute i win

kogayne: but why did u just describe lance then

lanceylance: ASDFGNHFDS

allurable: keith stop trying to steal her spotlight

carrierpidgeon: nah, nah, he can have it

carrierpidgeon: the more time he wastes gushing about lance is more time i spend getting to know emily which will mean i’m closer to making it official so check fuckin mate

carrierpidgeon > kogayne

carrierpidgeon: HELP

kogayne: what

carrierpidgeon: SO EMILY AND I WERE AT UNDERCLASSMEN AWARDS RIGHT

kogayne: yes

kogayne: did u win anything good
carrierpidgeon: i got an award for my robotics class, precalc, and chem but anyway that’s not the point

kogayne: you’d think an awards ceremony would be like, a big deal

carrierpidgeon: hush i’m talking about emily

carrierpidgeon: so we were at the awards right

carrierpidgeon: and we went down to the reception afterward

kogayne: did she try to be smooth and make like she accidentally grabbed ur hand while u were walking

carrierpidgeon: no god i wish

carrierpidgeon: no so we’re at the reception right

kogayne: yes, that would be why half of my astronomy class is missing,

carrierpidgeon: shut ur fuck

carrierpidgeon: we go to the reception and i decided to meet up with matt and my parents there

carrierpidgeon: oh also shiro and allura are here i thought i’d let u know

kogayne: what

kogayne: shiro didn’t tell me that

carrierpidgeon: frtrnewrgnbgber

carrierpidgeon: aNyWaY

carrierpidgeon: how do i deal with my older sibling being annoying about this

kogayne: i have waited 500 years for this day

carrierpidgeon: literally like

carrierpidgeon: we walked in

carrierpidgeon: and matt’s like

carrierpidgeon: “oh is that your friend emily?” but then when she wasn’t looking he nudged me and did that stupid eyebrow wiggle

carrierpidgeon: and he won’t

carrierpidgeon: stop

carrierpidgeon: doing it
kogayne: finally, after suffering through years of shiro teasing,

carrierpidgeon: u are absolutely no help, i’m not even gonna show u the cute pictures i got with em

kogayne: WAIT NO SHOW ME

carrierpidgeon: no fuck u

kogayne: PIDGE

carrierpidgeon: :P

carrierpidgeon: fine i’ll send one

(1) photo from carrierpidgeon

kogayne: ...matt’s doing that stupid finger circle

carrierpidgeon: wAIT IS

carrierpidgeon: HE IS

kogayne: wh

kogayne: DID YOU THINK I WAS LYING

carrierpidgeon: MAYBE

kogayne: PIDGE

kogayne > takashmeoutside

kogayne: okay so number one fuck u for telling me u weren’t going with matt

takashmeoutside: wtf why are u mad

kogayne: i could’ve told pidge to prank u or somethin i dunno IT FEELS WEIRD KNOWING YOU WERE IN THE BUILDING AND I WASN’T EVEN AWARE

kogayne: anyway number two

kogayne: lance and i are gonna go hiking for a couple hours

takashmeoutside: ??? seriously?

kogayne: yes

takashmeoutside: u get out at like 2:15

kogayne: yes and
takashmeoutside: u have to be back for 5:15
kogayne: yes and

takashmeoutside: you’ll be out in the dirt, plus there’s the drive to factor in,
kogayne: ...so we’ll be hiking for like an hour

takashmeoutside: that’s a waste
kogayne: time spent in the great outdoors with lance is never a waste take it back

takashmeoutside: no

kogayne: anyway we’ll be back with plenty of time to spare bc lance needs to do his beauty routine

kogayne: even tho i constantly tell him he’s already beautiful but what can ya do
kogayne: anyway i’m gonna go now

kogayne: WAIT I LIED ALSO

kogayne: i’m driving lance to the awards so he’s getting ready at our place

takashmeoutside: what about his beauty routine
kogayne: ...what, did u think that stash in the bathroom was mine?
takashmeoutside: lance...has a beauty supply stash...in our bathroom

kogayne: yes
kogayne: gotta love and support my husband and his beauty routine

takashmeoutside: u are so whipped

kogayne: u lil hoe i know that’s matt’s backup tech bag sitting in the basement

kogayne: and allura’s emergency makeup supplies sitting behind yours

takashmeoutside: fair enough have a nice day

then i realized it was friday and all was right with the world

See the end of the chapter for more notes

ALIENS

lanceylance: [KICKS DOWN DOOR]
lanceylance: MOTHERFUCKERS
lanceylance: IT’S
lanceylance: PRIDE MOOOOOOOOOOOONTTHHHHHHHHHHHHHHH

lanceylance renamed ALIENS to GAYLIENS

kogayne: i want you all to read this scenario
kogayne: but imagine it happening for real
kogayne: because this is what i experienced at 6:30 this morning

takashmeoutside: i let him in and let him do it
allurable: and didn’t videotape it? smh fake ass
takashmeoutside: excuse me i was too busy drinking my coffee and petting black and listening to keith shrieking upstairs
kogayne: asshole

cARRIERPIDGEON: i wanna know what happened immediately /after/ between mr. pridepants and mr. i-sleep-with-a-knife
lanceylance: well, uh
hunkerdunker: oh?
kogayne: um
shayfromstatefarm: this oughta be good
takashmeoutside: ...did u do something
kogayne: well remember how lance screamed right after
takashmeoutside: yes, i thought that was one of his happy “i’m seeing keith” screams
kogayne: wow ur bad at deciphering screams
lanceylance: yeah no that was a scream of terror
takashmeoutside: what...what did u do
kogayne: so uh
kogayne: seeing as lance scared me shitless
kogayne: and i wasn’t exactly fully awake
kogayne: and we all know by now that my fight or flight automatically defaults to “fight”
kogayne: and i sleep with a knife
takashmeoutside: DID YOU STAB LANCE
kogayne: okay nO,
lanceylance: CAME PRETTY FUCKIN CLOSE
carrierpidgeon: WHAT DID HE DO
kogayne: there might
kogayne: uhhhh
kogayne: there might be a
kogayne: shit
takashmeoutside: am i going to go upstairs and find something i don’t like
kogayne: it’s actually the lack of something
kogayne: what u won’t find
kogayne: is a section of the wall
takashmeoutside: WHAT DID YOU DO
takashmeoutside: WAIT I NEED TO GO SEE HOW BAD THIS IS

kogayne: it’s not

kogayne: huge or anything

carrierpidgeon: omfg

shayfromstatefarm: oh god

kogayne: but uhhhh

lanceylance: KEITH THREW THE KNIFE AT MY HEAD AT FULL FORCE

hunkerdunker: HOLY SHIT

carrierpidgeon: DQEBNTGRFSBNGRF

lanceylance: he’s lucky i have fast reflexes and suddenly remembered that he sleeps with a weapon

takashmeoutside: KEITH WHAT

takashmeoutside: OH MY GOD THERE’S A SLIT IN THE WALL

kogayne: BUT IT’S NOT HUGE IT’S JUST WHERE THE BLADE LANDED

(3) photos from takashmeoutside

takashmeoutside: LOOK AT THIS SHIT

kogayne: OKAY IT’S NOT THAT BAD

takashmeoutside: YOU CUT THE WALL

kogayne: I WOKE UP TO SCREAMING AND MY DOOR SWINGING OPEN WHAT WAS I SUPPOSED TO DO

takashmeoutside: TAKE COVER AND ASSESS

kogayne: NO

kogayne: ACT FIRST THINK LATER

mattata: sorry i’m still not over the fact that a) he threw a knife at lance’s head and b) this is the first time it’s happened

lanceylance: wdetwbegwfwfe shiro i can pay for the damages

takashmeoutside: /what/

lanceylance: i mean, i’m the one that scared him

lanceylance: and i knew he slept with a knife
kogayne: ewsedwefdbegw shhhhhhh i’m the one that threw it

takashmeoutside: no u know what we’re gonna go nonchalant white dad on this

allurable: NONCHALANT WHIT EDAD I JSUT CHOEKD

mattata: why are u calling out my dad like this

allurable: ERDFTGHMNTREWRF NTBRDN HNDB

takashmeoutside: what i’m gonna do while i’m at work is buy a new picture frame

takashmeoutside: keith, after school when u go to get the Thing ur gonna go buy a nice picture or get a print of one of ur pictures to put in the frame

takashmeoutside: and we’re gonna cover it and act like nothing happened

takashmeoutside: maybe one day in like three years when the picture frame falls and i see the slit i’ll try and patch it but for now we’re just gonna put a frame over that sucker and call it a day

kogayne: ur way too calm about this where’s the real shiro

allurable: he’s probably having flashbacks to when matt put a whole leg through the wall during his and shiro’s college grad party

carrierpidgeon: MATT WHAT

allurable: lmao yep

mattata: HUSH ALLURA

carrierpidgeon: I WANNA HEAR ABOUT MY BROTHER PUTTING A LEG THROUGH THE WALL AT THE PARTY I WASN’T ALLOWED TO GO TO

kogayne: ...this was only like 4 years ago wasn’t it?

allurable: FIVE, YEAH

allurable: MATT PUT A FUCKIN LEG THROUGH THE WALL IN ONE OF MY GAME ROOMS

shayfromstatefarm: “one of” i think a part of my soul just died

allurable: okAY SO

mattata: i hate this story qewrgtfwfb

allurable: seeing as my father, for some strange reason, adored matt and shiro

takashmeoutside: excuse me i was a Perfect Gentleman

kogayne: “was” damn right what happened

allurable: and when they graduated he oh-so-charitably opened the mansion for them to use to host
a joint grad party

allurable: and seeing as most of the attendees were college kids or adult relatives, there was an abundance of alcohol

allurable: bc obviously to celebrate escaping hell i mean graduating college you need to have alcohol to celebrate

allurable: shiro refused to drink bc he had to leave early to go watch keith, who was actually getting paid to babysit pidge

kogayne: they entrusted eleven-year-old pidge to thirteen-year-old keith and assumed it would go well

lanceylance: you two were just BABIES YOU /BOTH/ NEEDED A BABYSITTER

allurable: yeah well sam and colleen were at the grad party so

shayfromstatefarm: ohmygod

allurable: anyway, matt didn’t have that same responsibility

allurable: bc mr. bff shiro was also his /ride home/

takashmeoutside: designated driver

allurable: also dad friend

mattata: he upgraded to daddy ;P

carrierpidgeon: put that fuckin tongue away

mattata: slurp

carrierpidgeon: NO

allurable: ANYWAY BACK TO MY STORY STOP TRYING TO CHANGE THE SUBJECT MATTHEW

mattata: SHHHHHHHHHHHHHHH

allurable: MATT TOOK UP SOME KIND OF BET OR DID A DARE OR SOME SHIT

hunkerdunker: is it just a holt thing to take up bets without asking questions

carrierpidgeon: u know the phrase “just bc u can doesn’t mean u should”

hunkerdunker: yes

carrierpidgeon: it rarely applies to holts

mattata: yeah and contrary to popular belief we get that from mom, dad just doesn’t do anything to stop it
hunkerdunker: [gasp] /colleen/

allurable: SO matt took up a bet or dare or whatever

allurable: and he was already pretty drunk

allurable: and part of it involved a pool cue and part of it involved a handstand and the next thing you know matt nearly stabs someone with a pool cue before his entire leg goes into a wall

mattata: there was a bathroom on the other side of that wall and i found out the hard way that it was occupied

kogayne: oh my god

carrierpidgeon: keith

carrierpidgeon: keith ur cousin is dating that

kogayne: pidge

kogayne: pidge ur related to that

carrierpidgeon: chaos runs in our families

kogayne: we’re fucked

shayfromstatefarm: you’ve been fucked

lanceylance: ;)

takashmeoutside: KEITH IS THERE ANYTHING ELSE I HAVEN’T HEARD ABOUT

mattata: any other holes with long objects in them that shiro should be concerned with

carrierpidgeon: STOP ETRGRWFBWSFBG

allurable: I’M COHOKIGNG AGAIN

mattata: :O WITHOUT ME?

carrierpidgeon: I HATE

kogayne: the first day of pride month is gay pride day and i declare that you’re all heathens and all dead to me

kogayne: except pidge she can stay

carrierpidgeon: >:D

lanceylance: BETRAYAL

GAYLIENS
kogayne: update i need my knife back

allurable: this is concerning

kogayne: mmm let’s see

kogayne: how do i put this in a way you musical fuckers will appreciate

takashmeoutside: oh no

kogayne: ~on the first day of pride month some asshole gave to me, a harsh reminder of reality~

mattata: who are we all ganging up on

kogayne: i dunno

kogayne: i passed my locker today

allurable: wait u passed ur locker

kogayne: we haven’t been doing much i haven’t opened it in like three weeks

kogayne: but i noticed something new and rainbow-colored sticking out of it

kogayne: and my first thought was that lance somehow snuck away long enough to stick something in my locker to be cute

kogayne: but no i opened it and it was a homophobe calling me some not nice words and telling me i’m a freak this is fine :)

lanceylance: IT IS 20GAYTEEN CAN PEOPLE NOT

carrierpidgeon: sometimes i forget being gay in real life is like

carrierpidgeon: not as fun as being gay on the internet

carrierpidgeon: and then start wondering how many kids are still in the closet

carrierpidgeon: because of shit like that

hunkerdunker: i wanna know who did it so i can have a polite conversation with them as i tell them to take their ~opinions~ and sHOVE THEM BACK UP THEIR ASS

lanceylance: i hate people sometimes and by sometimes i mean quite often

hunkerdunker: [wins “everybody’s friend” in the yearbook]

lanceylance: shhh

lanceylance: i’m everybody’s friend solely because i am a Talented Actor

hunkerdunker: oh really then

lanceylance: hush hunketh i don’t make group chats with people i don’t like
lanceylance > kogayne

lanceylance: hello yes i love u and ur valid and that asshole can meet me in the pit

lanceylance: ur fucking beautiful and smart and strong and brave and whoever that was was wRONG

kogayne: did u know that my life would fuckin suck without you

lanceylance: ummm if i wasn’t around i’m not sure how much suck ur life would contain bc uhhh

kogayne: oh my god nvm i take it back

lanceylance: wregewfbwfgbf :P <33

kogayne: <3

kogayne: i’m not like

kogayne: okay i’m not so much bothered for me, it’s more i’m bothered on behalf of the community as a whole bc like

kogayne: i know i’m gay, there’s really not anything i can do about that, i have a loving boyfriend like try again elsewhere u shithead

kogayne: but there are people who would be a lot more affected by it and like?? so what that i’m a boy who wants to kiss boys???? IT’S NOT AFFECTING YOUR LIFE IN ANY WAY

kogayne: literally like

kogayne: if it’s not bothering u why are u going out of ur way to be an asshole just stay in ur fucking lane it’s not that hard

lanceylance: i agree

lanceylance: so obviously the next move is to put SO MUCH LOVE INTO THIS WORLD that we just drown out all the hatred in an onslaught of rainbows and gay

kogayne: rainbows, pinks and blues and purples, magentas and yellows and cyans, purples and grays and whites and blacks, cotton candy and white, a whole bunch of shades of pink and red,,,

lanceylance: boi u know what i meant

kogayne: :)

lanceylance: but ur okay?? like ur really okay and not just covering?

kogayne: i’m good, i promise

lanceylance: excellent

lanceylance: also seeing as it’s friday and buzzfeed unsolved day and ur specific pride day do u
wanna do something after school and we call it a date even if the impending rain ends up holing us up at my house for the night

kogayne: !!!!!!! YES

lanceylance: good

lanceylance: if the rain wasn’t such an ass i’d...take u anywhere

kogayne: u saw nate’s album dropped then

lanceylance: and u put take me anywhere on ur fuckin depression playlist

lanceylance: u and me

lanceylance: we’re in this thing for life

lanceylance: wherever i go i’m gonna do my damnedest to take u with me

kogayne: i’d follow u to the ends of the earth

lanceylance: i’d crawl through hell for you

kogayne: stop trying to one-up me wrergwergergwf

lanceylance: i love u starliiiiiiiiiight <333

acxalutelynot: i started having to bring my phone charger because i’m bored with nothing to do

floronawiththecorona: see i started bringing my pillow pet

lanceylance: yeah speaking of sleep

lanceylance: what’s up

lanceylance: how are the meds working

kogayne: headache still won’t go away, but i’ve gotta give it a few more days before i talk to the doctor

kogayne: sleep disturbances should subside soon

kogayne: there’s a chance this stuff affects my anxiety but so far so good

kogayne: and i’ve got,,, weeks to go before i’ll probably feel any actual effects on my depression, so

kogayne: we’ll see what happens, i guess

lanceylance: yeahhh

lanceylance: ur doing good for ur first 3 days tho :P

kogayne: i just wanna sleep

kogayne: i didn’t get much last night

lanceylance: define “didn’t get much”

kogayne: went to bed at two, woke up at 4:30 irrationally angry that it was 4:30, and then had to get back up at 6

lanceylance: oof yeah okay you definitely need a nap

kogayne: what, were u gonna say no if i was like “yeah i went to bed super early actually and slept for 12 hours”

lanceylance: yeah but ur the cutest so :/

kogayne: u can’t just drop casual compliments it doESN’T WORK LIKE THAT
lanceylance: ummm we’ve clearly established that it does, in fact, work like that

lanceylance: let me entertain myself and love u so i don’t bash my head into my desk out of sheer boredom

kogayne: what’s going on in ryner’s class

lanceylance: everyone presented their projects and we still have an hour to kill

lanceylance: except teachers have been letting students sneak off to other classes so maybe i’ll just come to thace’s room

kogayne: or, seeing as all of my friends are in ur math class, i ditch thace to go see you

lanceylance: how are kids gonna survive these block schedules next year i can’t handle one day

lanceylance: why couldn’t they give us a normal final schedule so i could ditch every single day

kogayne: as pidge so eloquently put it in the gc: the school district hates us idk if you noticed

lanceylance: aaaaaaaaaAAABBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBB

lanceylance: so is this happening is one of us ditching to go see the other orrrrr

kogayne: i wanna go see u and hunk and shay do u think ryner would be cool with me coming to her class

lanceylance: regrnbwgrebgerf i know but like i got bored last night and was reading a bunch of college advice sites

lanceylance: and they were like “don’t room with someone u know bc you’ll probably hate them afterward” and wegrwgdwgerf

kogayne: okay one i don’t think i could ever hate you and two we already sleep together like 5 or 6 days a week and three we’re gonna be married we’re gonna have to live together sooner or later

lanceylance: tell that to my Anxiety™

kogayne: dear lance’s anxiety: i love him and he’s gonna be my roommate so shut ur fuck
lanceylance: qbtergberthrehtrg

kogayne: plus if we room together we don’t turn into those annoying people who have their significant other in the room 24/7 and piss off their roommate

kogayne: bc you’ll be Right There so i can just sneak into ur bed and cuddle whenever i want

lanceylance: stop being cute it’s too early for cute

kogayne: SHIT

kogayne: THERE’S NO MORE TIME FOR OPERATION WET TROUT

lanceylance: SHIT

lanceylance: BUT ALSO PRANK ASIDE I’M LITERALLY ABOUT TO CRY

kogayne: WHY ARE YOU ABOUT TO CRY

lanceylance: BC THIS CHAPTER IN OUR LIVES IS CLOSING AND I’M NOT READY FOR IT

lanceylance: no more cafeteria cuddles or annoying our teachers or basking in the sunshine in the courtyard and
kogayne: we’ll just have to annoy the teachers at arus, and we can cuddle in the student center and bask in the sunshine on campus

kogayne: this chapter’s closing but there are others coming, doesn’t change our status as main characters

lanceylance: sToP bEiNg CuTe

kogayne: nO

lanceylance: U CAN’T DO THIS WHEN I CAN’T SEE UR FACE TILL LUNCH

kogayne: DUDE LET ME JUST COME DOWN TO RYNER’S ROOM AGAIN

lanceylance: BUT THAT’S STILL SO FAR AWAY

lanceylance: yeah thank god bc i’m like

lanceylance: lowkey shaking

lanceylance: erdbhdthtyhgyufj this is a frickin ROOMMATE REQUEST IT’S NOT EVEN THAT DEEP

kogayne: it’s gonna mean more later on bc we just confirmed that like

kogayne: we’re in this thing together, there’s no turning back

lanceylance: i mean i could turn back the button to change my decision is right there—
kogayne: LANCE

lanceylance: :P i’m teasin

lanceylance: honestly i’m scared out of my mind for the next couple months and then the next year but i at least know i’ve got u and it makes me feel a lot better

kogayne: same

kogayne: we’re gonna be okay

kogayne: no matter what happens we’ve got each other

lanceylance: <333333

**hunkerdunker > lanceylance**

hunkerdunker: [KICKS DOWN DOOR] LANCE I NEED ADVICE

hunkerdunker: and her grandmother was like “...what” and rax gave me the Murder Look

lanceylance: ERFGFRTJHFGJHFDRSF DID HE REALLY

hunkerdunker: YES

hunkerdunker: SO NOW I NEED A ROOMMATE

hunkerdunker: do i go with one of the people who commented on my post on fb? do i wait and see if i click with someone at orientation? do i fill out the roommate compatibility thing on the school site?

lanceylance: okay buddy sloooooooow down

lanceylance: messaging someone on fb or meeting someone at orientation will probably give you more time to know someone before u get results from the compatibility thing so you’ll probably wanna do that, but then again it’s really up to you and how familiar u wanna be w ur roommate before u room together

hunkerdunker: fghghfdhdscwascfs you right

hunkerdunker: i wanna know them at least a little bit before i subject myself to living with them for a semester

lanceylance: yeah, that’s a good idea

lanceylance: any idea how shay’s doing?

hunkerdunker: i think she connected w some girl on fb

lanceylance: is it going well

hunkerdunker: i think?

lanceylance: frsddghfgbnfb YOU THINK

hunkerdunker: OKAY WE’RE NOT JOINED AT THE HIP LIKE YOU AND KEITH

shayfromstatefarm: kimberly

hunkerdunker: nice

hunkerdunker: i don’t know how to go about getting a new roommate but lance said either go thru fb or find someone at orientation

shayfromstatefarm: excellent idea: find someone on fb who’s gonna go to our orientation

hunkerdunker: SHIT U RIGHT

sippinganartini: this tea is scalding

kogayne: society: u can’t pay off ur debt? what a tragedy, fucking suffer
also society: why don’t these kids wanna go to college and take unpaid internships :((
also society: why aren’t millennials going out to eat and buying diamonds :((((

acxalutelynot: but we’re all apparently obsessed with avocado toast --

blumpyfumpy: whoomp there it is

kogayne: why did they think putting the most spiteful generation into eternal debt and shaming them for literally everything was a good idea

lanceylance: `\_(`_;`)_/¯ i dunno but now i’m irritated

dinezor: OKAY WE’RE TURNING AWAY FROM THE IRRITATION AND GOING TO HAPPY PLACES LET’S THINK ABOUT THE SENIOR PICNIC AND YEARBOOK DISTRIBUTION LATER

lanceylance: BUT WE’RE GONNA LEAVE AFTER THAT AND THEN WE’RE DONE WITH THIS SCHOOL

dinezor: SHHHHHHHHHHHHHHHHHHHHHHHH WE CAN CONSIDER THAT LATER

lanceylance: NEVER
lanceylance: we can do it at lunch, we’ll skip out on the courtyard today
carrierpidgeon: aww you would miss ur last day of courtyard privileges for me
lanceylance: uhh duh?
shayfromstatefarm: pidge we love u more than we’d ever love the courtyard
carrierpidgeon: :)))

carrierpidgeon: I LOVE MY BEST FRIENDS

hunkerdunker: <3333

kogayne: ehhh ur okay for someone who doesn’t believe in the loch ness monster ;)

lotoreal: ???

madplax: i knew

lanceylance: wHA’S OUR PRANK

floronawiththecorona: water balloons

floronawiththecorona: they’re targeting the big intersection and the courtyard at lunch

acxalutelynot: what the fuck kind of senior prank targets other seniors?

shayfromstatefarm: who tf planned this

madplax: uhhhh Bricks™

madplax: waiting for this to get shut down by the administration

hunkerdunker: im not keen on getting wet

hunkerdunker: i just want a stress-free last day

dinezor: under and behind a tree

dinezor: except “under and behind” means where u can’t see them from the LUNCH TABLES

hunkerdunker: oh no

dinezor: BUT U COULD CLEARLY SEE THESE IDIOTS FROM THE WINDOWS

dinezor: SO THEN

lotoreal: there’s /more/?

dinezor: YEAH

dinezor: the administration figured things out so every entrance to the courtyard is blocked off, right

dinezor: like sorry if u were planning on eating lunch outside but it’s not happening

dinezor: but tHING IS

dinezor: THERE WERE LIKE 5 KIDS OUTSIDE

dinezor: WHO WERE PLANTING THE WATER BALLOONS
dinezor: AND WHEN THEY WENT TO GO BACK INSIDE

dinezor: THE SECURITY GUARDS WOULDN’T LET THEM BACK IN

kogayne: [little kid voice] ooooooooooooooooh they’re in troubllllllllllwwwheeeee

swirnupanddown: wow they really didn’t think that one through

shayfromstatefarm: apparently not

dinezor: so yeah we can’t eat in the courtyard, teachers are already warning kids to avoid that one main intersection in the hallway, and also there’s word going around that they’re gonna ban kids from leaving class this period just to be safe

lanceylance: but what if i have to pee

dinezor: TOUGH SHIT LANCE

zethridofmyproblems: u wanna be an astronaut, don’t u

emandem: WAIT WHAT’S HAPPENING I JUST OPENED THE GROUP CHAT AND I’M REALLY CONFUSED
carrierpidgeon: HOLY SHIT I NEVER EXPLAINED THIS

kogayne: i mean the quick version is we’re all too lazy to play a legit game of dnd so we roast each other w our vaguely fantasy-inspired characters

kogayne: which mostly just started bc i called lance my prince one day and he wrote a dead backstory for it

lanceylance: DEFINE DEAD
