A chat room is opened for the convenience of Overwatch's many members. Unfortunately, Winston forgets that Overwatch's many members are anything but professional.
This can only go one way...

Notes

Hiya Folks! This is my first attempt at an Overwatch fic. Largely inspired by several other chatfics posted to this website, I've made a somewhat serious attempt at making one of my own. Hopefully, I don't get run out of town for posting shit content. Hope that's not the case, and hope you guys enjoy! :D
[WINSTON] reopened Chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

[WINSTON] added [HANA SONG], [LUCIO CORREIA DOS SANTOS], [MAKO RUTLEDGE], [JAMISON FAWKES], [SATYA VASWANI], [ALEKSANDRA ZARYANOVA], [HANZO SHIMADA] and [FAREEHA AMARI] to chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

WINSTON: Everyone, this chatroom is to be used only in an absolutely dire situation. If you can't speak aloud or over comms, use this as the next easiest way to reach the team.

[JESSE MCCREE] entered chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

[ANGELA "MERCY" ZIEGLER] entered chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

[HANA SONG] entered chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

MCCREE: winston...

WINSTON: Hello Jesse.

MCCREE: did ya learn nothing from last time?

WINSTON: Overwatch was not the same back then. I want to hope that everyone is more mature now.

MERCY: Don't get your hopes up.

HANA: is this...a chatroom?

WINSTON: This is not a place for jokes. Only in dire circumstances should you use this channel.

HANA: wait why is my name my real name?

MCCREE: the hell does that even mean?

MERCY: You can fix your name in the settings.

User [HANA SONG] changed name to [D.VA]

D.VA: much better.

WINSTON: Hana, I'm serious. This is not a place for games.

[GENJI SHIMADA] reentered chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

GENJI: why?
D.VA: ...

GENJI: why would u subject me to this again?

[LUCIO CORREIA DOS SANTOS] entered chatroom [OVERWATCH COMMUNICATIONS CHANNEL]

GENJI: sometimes i miss my days in blackwatch

MCCREE: it was a lot easier.
MCCREE: except for that time i almost died

GENJI: IS THAT RIGHT?

MCCREE: i thought we could move past that
GENJI: lol nope

User [D.VA] changed chatroom name to [BAMF: BULLIED ASS MOTHER FUCKER]
MCCREE: ...

[JESSE MCCREE] has left chatroom [BAMF: BULLIED ASS MOTHER FUCKER]
D.VA: lol this is going to be so much fun

Chapter End Notes

Alright so, here's what's going on:

McCree, Lucio, D.Va, Tracer, and Genji are the main characters. They'll appear in just about every chapter because they're all immature af

Reinhardt, Soldier 76, Winston, and Ana will appear frequently because they're supposed to be the adults (Yeah Right). Reinhardt's the meme master, Ana's a savage, Soldier gets bullied, and Winston is just wondering why he put out the recall in the first place.

Hanzo, Pharah, Mercy, and Junkrat all have smaller but still mostly important roles. Hanzo's really just there to get personally attacked by Genji, Pharah and Mercy are so gay, and Junkrat usually has no idea what's going on.

For the time being, everyone else fits as a minor character, although I'll try my best to incorporate everyone into the story.

Hope you all enjoy this fic. I try my best :D
[SOLDIER: 76] entered chatroom [BAMF: BULLIED ASS MOTHER FUCKER]

D.VA: totally rude
WINSTON: Who changed the chat name?
D.VA: \_(_\(♀\))_/¯

MEI: You're welcome :) 

WINSTON: Agents are now free to return to the building. Thank you all for cooperating so well with the evacuation.

76: None of you are ever going on a mission with me again.
D.VA: oh cmon it wasnt that bad

MCCREE: this reminds me of that one mission we had years ago
MERCY: The one with Liao?
MCCREE: the very same
GENJI: I remember that.

TRACER: Me too!! That was so funny!

D.VA: There has to be a good story to this.

MCCREE: Oh there is.

MCCREE: So we were just going on a regular scoutin mission somewhere in Europe I don't remember exactly where.

MERCY: Italy.

MCCREE: Yeah Italy that's right.

MCCREE: So, we were sneaking down the road at like 3 in the morning, and a caravan of bad guys just comes trucking down the street, so Morrison and Reyes told us to get into this building.

MCCREE: So then Liao stands right in the doorway of the building and just shouts "I am an immovable rock" and the trucks are getting closer and he wouldn't move so I had to take matters into my own hands.

REINHARDT: Oh right, I forgot about this part.

PHARAH: I don't know if I want to hear this.

MCCREE: Hey look, if the circumstances were different I wouldn't have done what I did.

76: You shot him in the leg! You almost jeopardized the entire OP!

WINSTON: And why Jesse was threatening to shoot him?

GENJI: That man is incredibly suspicious.

GENJI: I think Jesse's on to something.

WINSTON: Angela, I hate to bother you, but I think it might be best for you to prep the medical wing.

MERCY: I'll get right on it.

LUCIO: If Jesse dies I call his room.

D.VA: NO WAY I ALREADY CALLED IT
LUCIO: PICS OR IT DIDN'T HAPPEN

MCCREE: and everyone thought morrison and reyes died in the explosion
MERCY: Get to the point.

[LUCIO] entered chatroom [BISCUITS AND CRAZY]

[SOLDIER: 76] entered chatroom [BISCUITS AND CRAZY]

GENJI: you are in the wrong place

TRACER: I pieced that together.

D.VA: you wont find much here
D.VA: unless ur looking to find the DANKEST of the MEMES

MEI: If they're sandwiches, why aren't they classified on a menu as such?

76: I cannot believe that you're actually participating in this nonsense.

MEI: Jack, I work for countless hours in my lab.
MEI: I think I'm entitled to goof off once or twice.

MERCY: As much as he's infuriated me today, he's right Jack.
MERCY: He's not in shape to go out for a mission.

76: For fuck's sake.
76: It's like working with five year olds.

D.VA: untrue

REAPER: **I WILL DESTROY YOU!**

TRACER: how did you get him in here anyway?

WIDOWMAKER: I found him a communicator.
WIDOWMAKER: All I had to do was add his number to the chat.

REAPER: **If it was a new communicator, why did the name Gabriel Reyes come up?**

WIDOWMAKER: That's what you get for putting Sombra in charge of setting it up.

D.VA: whos sombra?

MCCREE: yes

MERCY: I don't care what any of you say.
MERCY: That was the worst mission I've ever been forced to go on.

ANA: Thats what happens when you play doctor
MERCY: You were doing it on purpose.

ANA: Maybe

WIDOWMAKER: I'm sending this to Sombra.

REAPER: **DON'T YOU DARE!**

TRACER: not sure yet
TRACER: but its not like he has anywhere to be right now!

WINSTON: We have a mission...

LUCIO: it doesn't matter if we have a chance to wipe out all the omnis in existence
LUCIO: there is no chance we can get him out of there in under an hour

WINSTON: What in the world were you thinking?

GENJI: we were thinking he deserved it

D.VA: he does kinda deserve it

REAPER: **So what?**
REAPER: **You're just going to leave him there?**

MCCREE: we literally don't have any other choice

REINHARDT: Gabe, we all know that you'd love nothing more than to have Jack tied up like that for you.

REAPER: ...
REAPER: **So?**

SYMMETRA: No one would answer my calls.

WINSTON: I'm not in the lab at the moment, Satya.
WINSTON: Is there something you need?

SYMMETRA: I was wondering if you had a laser cutter.
SYMMETRA: I've had enough of Jack screaming throughout the base.

GENJI: ur gonna cut him loose?

SYMMETRA: That's the idea.

LUCIO: good luck lol we wrapped him up tight

SYMMETRA: I'll manage.

GENJI: do u have any idea how much super glue we used?

SYMMETRA: I can only imagine.

WINSTON: There should be one on my desk.
WINSTON: I'll ask Athena to let you in.

SYMMETRA: Thank you.

REINHARDT: He's still tied to the bed?

MCCREE: yup

REINHARDT: We've been gone for six hours.
REINHARDT: How has no one cut him free yet?

GENJI: i repeat
GENJI: do u have any idea how much super glue we used?

D.VA: tbh im surprised hes actually able to keep screaming

MCCREE: yeah i thought his voice wouldve given out by now

SYMMETRA: For what reason did you all do this again?

LUCIO: cause

SYMMETRA: That is not an answer.

GENJI: hes kinda a dick
SYMMETRA: But did he really deserve to be duct taped to a bed for six hours?

MCCREE: its probably been longer than that at this point

ANA: Ive known him for twenty years
ANA: Yes he absolutely did

SYMMETRA: I fear the retaliation that will come from this.

D.VA: dont worry lol he wont do anything

MCCREE: hell probably go cry to reyes

LUCIO: def

SYMMETRA: I'm cutting him out.

GENJI: have fun

ANA: Any bets on how many times jack threatens to kill us once hes free?

LIAO: SO THEN WE GO BACK TO THEIR ROOM BECAUSE THATS LITERALLY THE ONLY PLACE THEY COULD BE.
LIAO: SO WE KNOCK ON THE DOOR, WAIT A FEW MINUTES AND THEN CAPTAIN AMARI GOT TIRED OF WAITING AND KICKED IT OPEN AND YOU WOULDN'T BELIEVE WHAT THOSE TWO HORN DOGS WERE DOING.
MERCY: Did you just call them horn dogs?

ANA: Not important

REINHARDT: What were they doing?

WINSTON: I think I'm going to regret hearing this answer.

LACROIX: There's nothing to hear.
LACROIX: Only something to see.

[attached image: reyeshasjackwrappeduplikeapresentwtf.png]

MERCY: That is an oddly specific title.

LACROIX: It's not wrong.

KIMIKO: WHAT THE FUCK?

REINHARDT: Oh my...

KIMIKO: I thought you always called him Reyes.

REYES: Stop talking.

GENJI: yeah no were all gonna keep talking

REYES: *We're not romantically linked.*

MORRISON: I didn't tell you to break the door down.

ANA: No but i was worried when u didnt answer
ANA: Any rational human being would have done the same thing

MORRISON: I beg to differ.

REYES: I can't fucking stand any of you.

GENJI: thats no way to talk to your bestest friends

TRACER: all we want to do is look after you!

D.VA: wishful thinking
GENJI: did winston just use the phrase get ur freak on?
LUCIO: i would laugh if i wasnt in so much pain
MCCREE: im laughing for you
MERCY: My job would be so much easier if you all stopped getting hurt in such avoidable ways.
TRACER: yah but thats no fun
MERCY: It'll be even less fun when I just start letting you all bleed out.
ANA: U and i both know that u would never be able to do that
GENJI: yeah u care too much

LUCIO: fine just ask him
TRACER: jack who's the biggest savage on the team?
76: ...
76: Seriously?
D.VA: told you he wouldn't like it
SOMBRA: why does he have to be such a fun sponge?
TRACER: jack either contribute to the conversation or leave luv!

LUCIO: so leave
76: It's Ana, by the way.
LUCIO: I F**KING TOLD YOU!
D.VA: i still disagree

TRACER: how can you still disagree?
TRACER: the fun nazi even said so!

76: I'm not a fun nazi.

SOMBRA: if you really want to do this, i can bring up every single incident where you yelled at everyone for doing something fun

76: How would you even have access to that stuff?

SOMBRA: uh hello?
SOMBRA: i have access to everything?

D.VA: subtle but effective
MCCREE: a point about what?

LUCIO: we were discussing who was a bigger savage between you and ana

D.VA: i voted for you

WINSTON: ...Um?

76: I'll kill you.

GENJI: @HANZO

HANZO: OH MY FUCKING GOD!

[HANZO SHIMADA] left chatroom [MOIST AND UNSTABLE]

MCCREE: 95% of the earths population would disagree with you

GENJI: did u get mushrooms on mine

MCCREE: begrudgingly

PHARAH: Genji, how can you even eat that?

GENJI: carefully

D.VA: im getting hungry just thinking about it

MCCREE: lucio and i are on our way back
MCCREE: contain yourselves

MEI: Please hurry.

REAPER: I want some.

MCCREE: too fucking bad youre not invited

REAPER: Why not?

MCCREE: cause i said so and because i went through all the trouble of getting this pizza

REAPER: That's unnecessarily cruel.

MCCREE: so is causing the downfall of overwatch because you and jack were having a dick measuring contest

LUCIO: yeah okay mccrees the biggest savage on base

76: I thought this argument was over.

D.VA: nothing is ever over with us

MERCY: Truer words have never been spoken.

D.VA: thats so nice

ZENYATTA: And I replaced the tomato sauce with Nuclear Inferno hot sauce so I could get a few laughs myself.

LUCIO: fucking savage

LUCIO: Jesus fuck

LUCIO: Even Lena?

ANA: Especially Lena
ANA: I don’t even know where all that pizza went

GENJI: I saw her polish off twelve boxes in like twenty minutes

GENJI: That and another incident
GENJI: @HANZO

HANZO: I’M TRYING TO ENJOY MY PIZZA FUCK YOU!
SOMBRA: @WIDOWMAKER

WINSTON: Mei, has there been any damage done to the Watchpoint?

MEI: Not at all.

MCCREE: how were we sposed to know this was gonna happen?

WINSTON: What did the five of you do?

TRACER: six!

WINSTON: Six?

LUCIO: yeah zarya helped

ZARYA: No I did not.

GENJI: it was ur idea

ZARYA: I did not tell all of you to try it.

WINSTON: What did you do?

MCCREE: it aint nothing bad

WINSTON: I have a very hard time believing that.

GENJI: i think we broke the very laws of physics

WINSTON: ...How?

D.VA: ask zarya

ZARYA: I had nothing to do with this.

LUCIO: it was still your idea

ZARYA: Exactly.

ZARYA: It was just an idea.

ZARYA: No one told you to try it out.

MCCREE: yeah we aint very good listeners
D.VA: blame her for putting the idea in our heads

GENJI: okay
GENJI: but you cant be mad at us

WINSTON: Tell me right now.

TRACER: somehow we turned training room d into a zero gravity chamber!

WINSTON: ...
WINSTON: How?

MCCREE: i dont rightly know
MCCREE: but then again i failed science

GENJI: u didnt even go to school
MCCREE: i probably would have failed anyway

WINSTON: But how did you do it?

D.VA: if i knew i would tell you
TRACER: yeah it just kinda happened!

WINSTON: Something like that doesn't "just happen."

LUCIO: once again blame zarya

ZARYA: I refuse to be held responsible for stupidity.

D.VA: well were holding you responsible anyway
ZARYA: I can very easily squash you, little girl.

D.VA: boring

76: How did you even manage that?

GENJI: we literally have no idea

LUCIO: blame zarya

ZARYA: Don't blame Zarya.
ZARYA: Otherwise she will snap you like twig.

D.VA: you love us

76: No we don't.

LUCIO: dont lie

ANA: I love you guys

TRACER: yay thanks ana!

WINSTON: If anyone needs me, I'll be in my lab.
WINSTON: I'm not dealing with this right now.

MERCY: YES...

GENJI: wait winston dont leave we actually have a problem

WINSTON: What?

LUCIO: we dont know how to turn it off...

WINSTON: HOW DID YOU EVEN TURN IT ON?

D.VA: currently unknown still investigating

76: It really is amazing that you're all so incompent but still manage to do things like this.

MCCREE: we're a special breed of hero

76: You're a special breed alright.

ZARYA: A special breed of stupid.

ANA: Stupid might be too generous of a word

TRACER: mean

LUCIO: guys really we dont know how to turn it off
LUCIO: we've been floating for over an hour

HANZO: You just said it was fun.

LUCIO: it is

D.VA: but when you've been doing it for that long it kinda just gets annoying

MEI: How do the five of you even manage to pull this stuff off?

GENJI: with precision

MCCREE: we have a gift for causing problems

HANZO: The truth has been spoken.

TRACER: can anyone help us?
TRACER: really im getting nauseous

HANZO: Not my problem.

MEI: Sorry, I'm not familiar with this kind of thing.

ANA: Lol no

76: It's too early in the morning for this.

GENJI: im honestly surprised any of u were up

ZARYA: It is best to get to the gym bright and early.

LUCIO: why tho?
LUCIO: the gyms on base
LUCIO: and the only people who use it besides you are reinhardt and fareeha

ZARYA: Do not question my routine, child.

LUCIO: youre seriously only like two years older than me

ZARYA: Not in maturity.

LUCIO: fair

D.VA: guys really i think im losing brain cells

HANZO: How much more could you possibly lose?

ANA: Rekted

MERCY: All of you, go to bed!

MCCREE: oh id fuckin love to

WINSTON: I'm not helping you.
WINSTON: You caused this, now figure out how to stop it.

GENJI: but we cant

TRACER: yeah really were not that smart!

HANZO: Obviously.

GENJI: shut up

D.VA: it was zaryas idea!

ZARYA: And now my idea is to remain in gym while you struggle to free yourselves.

LUCIO: pls we need help

MCCREE: hold on what does this button do

WINSTON: Don't push the button!

MCCREE: im pushing the button

ANA: Lol i love all of you

PHARAH: What is wrong with you?

LUCIO: how were we supposed to know what it did?

WINSTON: You've all trained in that room at least once.

D.VA: so we forgot
D.VA: sue us

76: You're lucky that there wasn't any damage otherwise we would.

MCCREE: idk how there was no damage
MCCREE: we blew the room up

HANZO: It's part of the simulation.
HANZO: I have no real idea how you managed to get ejected through the windows though.

LUCIO: at least the zero gravity stopped

ANA: I still have no idea how you managed to turn that on
D.VA: neither do we

WINSTON: I want every single one of you in the common room once you get back here.

TRACER: were all here!
TRACER: except for jesse

MCCREE: im on my way back
MCCREE: somehow i caught the force of that explosion

HANZO: It wasn't an explosion.
HANZO: It was just pressurized air used to simulate an explosion.

GENJI: nerd

HANZO: Shut up.

MCCREE: well whatever it was it blew me into the woods outside the base

76: How?
MCCREE: fuck if i know
MCCREE: i just know it was fun as fuck

MERCY: I'm not helping if you're hurt.

MCCREE: youre obligated to help me
MCCREE: its part of being a doctor

MERCY: I'm also not obligated to save your life if something were to happen to you.

LUCIO: ouch

D.VA: that could technically be taken as a threat

MERCY: It was.

MCCREE: angela what have i ever done that would justify treatin me like this?

MERCY: Exist.

REINHARDT: That's exactly what I said.

76: I MADE A MISTAKE!
76: ACCEPT IT AND MOVE ON!

LUCIO: no wait i wanna know what happened

76: Jesse, stop.
MCCREE: we get back at like 8 that night and we walk into the common room and everyone jumps out for the surprise
MCCREE: and ill admit i was mighty surprised

GENJI: he got so surprised that he ended up punching liao in the face

REINHARDT: With his prosthetic.

LUCIO: lmao you didnt

MERCY: He did.
MERCY: I'm the one who had to stitch Liao up afterwards.

ANA: That was a pretty nasty cut

MCCREE: i said i was sorry

ANA: And he forgave you
ANA: Sort of

MCCREE: can i continue or are yall not done?

ANA: Go ahead

MCCREE: so were just partying and having fun and eventually reyes and reinhardt pull the presents out from under the pool table

LUCIO: you guys had a pool table?

PHARAH: I remember that!
PHARAH: What happened to it, anyway?

ANA: Ask reinhardt

REINHARDT: I saw a spider...

GENJI: that spider was the size of an atom

REINHARDT: It was still a spider...

TRACER: he hit the table with his hammer in order to kill it!

MERCY: And he ended up breaking the table.
MERCY: And the floor tiles.
MERCY: And the rock the base was built over

REINHARDT: But I killed the spider!

GENJI: i loved that pool table
GENJI: liao and i played it every night

MCCREE: ahem

GENJI: carry on

MCCREE: so i start opening all the presents and a lot of them were really cool
MCCREE: gerard got me another hat
MCCREE: kimiko got me a lava lamp
MCCREE: and i think lena got me a new tv

LENA: youre welcome! :)

REAPER: I helped you pay for that!

TRACER: and i offered to put your name on the card and you said no so fuck off

GENJI: liao and i got u the stuffed tiger!

LUCIO: he still has that
LUCIO: i see it in his room from time to time

MCCREE: and then we got to jacks present

ANA: I love this
76: I hate this.

MCCREE: you wanna tell the rooks what it was jack?
76: Not really, no.

LUCIO: what was it?

REINHARDT: This was so bad.

MCCREE: he got me a picture frame

LUCIO: OMG STOP

MCCREE: and then he says, "put a picture of your family up. everyone needs a reminder of where they came from."

MERCY: That was so cruel.
76: IT WAS A MISTAKE!

MCCREE: I HAVE NO FAMILY, JACK!
MCCREE: I WAS ORPHANED AT BIRTH!
76: I'M SORRY!
76: I WASN'T THINKING!

REAPER: The look on the kid's face was the worst part.

REINHARDT: He went from pure elation to inconsolable sadness in a matter of seconds.

ANA: You almost made him cry jack
ANA: You almost made all of us cry
76: IT. WAS. A. MISTAKE.

MERCY: I almost had to prescribe him anti-depressants.
LUCIO: i still can't get over the fact that he got you a fucking picture frame

76: *I had a mission that day, too.*
76: *I didn't have time to go out and get something better.*

MCCREE: you're the worst

REAPER: **You really are.**

PHARAH: A fucking picture frame?

76: S-t-o-p!

PHARAH: I got him a mug that said "BAMF" on it.
PHARAH: I was 12 years old.

76: You weren't even there.

PHARAH: And that's why I had my mom bring it.

ANA: I paid for that mug

PHARAH: MOM!

MCCREE: it's the thought that counts
MCCREE: but Jack's thoughts were the worst

76: I said I was sorry.

MCCREE: yeah that makes me feel so much better

LUCIO: hey I hate to change the topic

76: Please do.

LUCIO: do we know what happened to Hana?

MERCY: ...No idea.

ANA: She's locked in the med bay

ANA: Possibly

TRACER: how long is she going to be asleep?

ANA: Unknown

ANA: Prob for a while

WINSTON: Ana, did you use the enhanced sleep dart I was working on?

ANA: I didn't admit to anything

WINSTON: Ana, it was a prototype...

ANA: And it works tremendously well

WINSTON: She could be knocked out for days.

MERCY: Oops.

WINSTON: Id just like everyone to know.

WINSTON: Reasons like this are why I implore all of you to let Angela get some sleep when she needs it.

MCCREE: noted

MCCREE: but probably won't be heeded

76: Your funeral.

LUCIO: I've lived a happy life

GENJI: I've already died once

GENJI: What's the harm in dying again?

GENJI: @HANZO

HANZO: This is why Mom and Dad didn't love you.

GENJI: You just mad I was the cool son

ANA: For shame
MCCREE: worst birthday ever

TRACER: I was just walking the street and I found it under a bench.
TRACER: I honestly didn't think it worked until I picked up.
76: Winston, she could be Talon.
LUCIO: oh who cares?
LUCIO: we already have three talon agents here already

TRACER: Talon?
TRACER: The Terrorist Organization?

SOMBRA: terrorist is such a strong word

TRACER: It's not entirely incorrect, though.

Chapter End Notes

The encounter between Sombra and Zenyatta is credited to someone on the internet who's name I can't remember but just know that I'm not the one who came up with it. It's still funny though.

GENJI: narnia
LIAO: triton
LIAO: the largest moon of neptune
REYES: Hilarious.
LIAO: nah were actually playing pool
REYES: Why did I not guess that?
GENJI: probably because it was too obvious and u didnt think wed actually be there
REYES: Did Jesse brief the two of you on the mission?
LIAO: we have a mission?
REYES: I guess that's a no.
GENJI: yeah no we heard nothing
REYES: @JESSE
REYES: I asked you to do one thing.

[JESSE MCCREE] entered chatroom [BOOBIES]

MCCREE: oh you were serious?
REYES: Why in the world would you think I wasn't serious?
MCCREE: idk its probably just your personality
REYES: What's wrong with my personality?
LIAO: well if you're asking
REYES: Don't finish that sentence, Liao.
LIAO: you're so unfun
GENJI: is that a word?
LIAO: prob not
REYES: Jesse.
REYES: Brief.
REYES: Now!

MCCREE: liao isnt even in blackwatch why do i have to tell him?
REYES: This is a joint operation...
REYES: Overwatch and Blackwatch are working together this time.
LIAO: isnt it morrisons job to brief us?
REYES: SILENCE!

MCCREE: well heres whats happening
MCCREE: were going to spain
MCCREE: thats all i really know

REYES: Were you not paying attention?
MCCREE: i thought i made that painfully obvious
REYES: I'm going to rip my hair out.
GENJI: do u even have hair?
LIAO: nope
LIAO: he wears the hat because hes growing another toe from his head
MCCREE: pls dont put that image in my brain
REYES: Oh for Christ's sake.
REYES: We're going to Barcelona.
REYES: We uncovered some intel and we believe that there's an Omnic cache hidden somewhere outside the city.
REYES: Our job is to secure it.
REYES: Insertion won't be easy.
LIAO: thats what she said
REYES: LIAO...
GENJI: lol
REYES: Just be ready.

[GABRIEL REYES] left chatroom [BOOBIES]

LIAO: this is arguably the funniest chat name we've come up with so far
GENJI: its so stupid and thats what makes it so funny
MCCREE: i think we should get moving
MCCREE: im pretty sure i hear morrison yelling
LIAO: hes always yelling
GENJI: we should go
GENJI: no reason to push him further than he needs to be

LIAO: well that went well
MCCREE: agreed

[JACK MORRISON] entered chatroom [BOOBIES]

[REINHARDT WILHELM] entered chatroom [BOOBIES]

[KIMIKO] entered chatroom [BOOBIES]

KIMIKO: That's not the word I would use.

MORRISON: How do the three of you even manage to pull this stuff off?
GENJI: carefully
REINHARDT: Hey, look at it this way.
REINHARDT: At least it worked.

MORRISON: It almost didn't.
MORRISON: The entire building almost went up in flames.

MCCREE: key word there being almost
LIAO: if its any consulation
LIAO: i was aiming for the guard

KIMIKO: And somehow you managed to shoot the explosives?
LIAO: shit happens

MORRISON: You're lucky that no one got hurt.
GENJI: the guard got hurt
LIAO: yeah the guard got very hurt

REINHARDT: It's fine.
REINHARDT: He was a bad guy anyway.

[GERARD LACROIX] entered chatroom [BOOBIES]

LACROIX: I guess that's a job well done?
LIAO: see gerard agrees

LACROIX: é
LIAO: don't start with me

MORRISON: Just get back to the ship.

MCCREE: are you mad at us commander?

MORRISON: Time will tell, Jesse.

KIMIKO: Liao please just explain one more time.

LIAO: oh for fucks sake
LIAO: i was trying to shoot the guard
LIAO: i guess i aligned my scope wrong and the shot went wide left
LIAO: which coincidentally hit the explosives case next to the car
LIAO: which then exploded
LIAO: and destroyed the cache

REINHARDT: How badly did you mess up your scope?
REINHARDT: That shot could not have been more off target.

LIAO: its not important

MORRISON: Our objective was to secure the cache.
MORRISON: Not destroy it!

MCCREE: well its technically secured
MCCREE: no ones gonna be able to use it again

MORRISON: Just get back to the ship.

[ANGELA "MERCY" ZIEGLER] entered chatroom [BOOBIES]

MERCY: I told you to take it easy.

MCCREE: reyes tells me that im a bad listener

MERCY: You are.

GENJI: what happened?

MCCREE: nothing really

LIAO: why are you so dumb?

MCCREE: blame reyes

REYES: I didn't teach you how to act stupid.
REYES: You learned that on your own.

MCCREE: ouch

[LENA "TRACER" OXTON] entered chatroom [BOOBIES]

[ANA AMARI] entered chatroom [BOOBIES]
TRACER: why?
ANA: Jesse u really should know better
GENJI: what did he do?
MERCY: He sparred with a training bot.
KIMIKO: So?
MERCY: With the difficulty on max.
REINHARDT: Do you have a death wish, boy?
MCCREE: reyes dared me.
REYES: No I didn't.
MCCREE: his exact words were "dont ever fight the bot on max unless youre superhuman"
REYES: I was giving you a word of advice.
MCCREE: well i took it as a challenge
LIAO: how quickly did it fuck you?
MCCREE: within seconds
MCCREE: i felt like i was getting hugged by reинhardt
MCCREE: if reинhardt had super strength and claws for hands
LACROIX: Why do those things even have a difficulty that high?
ANA: Design flaw
ANA: Torb complains about it a lot
LACROIX: Isn't he the one who made them?
ANA: Yup
ANA: And hes still angry that he made that mistake
KIMIKO: Can't he fix it?
ANA: Torbs a very busy man
GENJI: are u okay?
MCCREE: ill live
MERCY: The bot ruined his prosthetic.
LIAO: how tho?
MCCREE: i put my arm up like a shield and it just crushed it
REINHARDT: Why do you do these things to yourself?
MCCREE: reyes issued me a challenge
REYES: No I didn't.

MORRISON: First the mission.
MORRISON: Now this.

MCCREE: trouble seems to follow me

REYES: It doesn't follow you.
REYES: You are trouble.

LACROIX: This organization in general just spells out trouble.

MCCREE: i cant feel my arm

MERCY: Well, it's not there so I guess I can understand that.

GENJI: lol

LIAO: wait how are you texting with one arm?

MCCREE: its very slow and painful

KIMIKO: Just like Jack and Gabe's sex life.

REYES: Under no circumstances did either of us deserve that.

LIAO: it was still pretty funny lol

LIAO: no way

GENJI: u know its true

LIAO: i dont believe you

GENJI: go look

LIAO: ...
LIAO: im scared tho

GENJI: stop being a baby

MCCREE: whatre yall talking about?

LIAO: genjis a liar

GENJI: im serious

MCCREE: what did he say?

LIAO: hes trying to convince me that morrison has a shrine for reyes in his closet

MCCREE: wtf

GENJI: he does
LIAO: there's no fucking way
MCCREE: didn't Ana already confirm this?
LIAO: this is news to me
GENJI: go look
LIAO: fine
LIAO: jesse come with me
MCCREE: I'm still recovering from losing an arm, thank you
LIAO: you say that like you didn't already have a fake arm
MCCREE: shut up
GENJI: just go look
LIAO: fine
LIAO: but if I get caught, I'm blaming you
GENJI: I dare you not to get caught
LIAO: FUCK YOU'RE GOOD

LIAO: IT WAS TRUE
LIAO: IT WAS ALL TRUE

[attached image: jackhasashrineofreyes.png]

GENJI: told u
ANA: Liao
ANA: Did u not already know this?
LIAO: NO ONE EVER SAID ANYTHING ABOUT THIS TO ME!
LACROIX: After what we caught them doing in Jamaica, why are you so surprised by this?
LIAO: IDK I JUST THOUGHT IT WAS TOO GOOD TO BE TRUE
MCCREE: it kind of is
REINHARDT: Does Reyes know about this?
KIMIKO: I think everyone knows about this.

[MIREMBE] entered chatroom [BOOBIES]

LIAO: even you?
MIREMBE: Unfortunately.
MORRISON: WHY WILL NONE OF YOU STAY OUT OF MY PERSONAL BUSINESS?
LIAO: I had to know if this was true or not
REYES: I actually didn't know about this.
GENJI: lol awkward
ANA: And ur thoughts?
REYES: Indifferent.
MIREMBE: Stoic as always.
MERCY: Stoic is not the word I would use.
WINSTON: Jack...
WINSTON: Really?
MORRISON: Just stop talking about it.
MIREMBE: There's many other ways to kill time, Jack.
MORRISON: Leave me alone.
TRACER: we do this because we love you!
MCCREE: not as much as you love reyes tho
REYES: Shut your trap, kid.
ANA: Honestly this could probably be worse
LIAO: idk its pretty bad as it is
GENJI: y tho?
KIMIKO: When does the line get drawn?
MERCY: At what point do we say, "This has gone too far?"
REYES: I'm not having this discussing.
REINHARDT: Any more questions?
LIAO: yeah actually
LIAO: and this ones been bothering me for a while
WINSTON: Liao, please don't.
LIAO: reinhardt
REINHARDT: Yes?
LIAO: are you actually that tall or are you just three people stacked on top of each other?
GENJI: lol
REINHARDT: I'm actually four people.
REINHARDT: One adult man.
REINHARDT: Two teenagers.
REINHARDT: And an infant.

KIMIKO: The mystery has been solved.

LIAO: I LOVE YOU REINHARDT OMG IM DYING

REINHARDT: Glad I could be of service, my friend!

MORRISON: Wait...
MORRISON: Is he serious?

MCCREE: oh my god morrison

MIREMBE: Obviously, he's not serious.

ANA: Did u really just ask that question?

MORRISON: I...
MORRISON: I think I misinterpreted the conversation.

MERCY: Jack, just stop before you make it worse.

MCCREE: yeah go back to making your stupid shrines

MORRISON: ...
MORRISON: They're not stupid.

GENJI: sure theyre not stupid
GENJI: and liao didnt eat all of reinhardts meatballs

LIAO: GENJI WE WERENT SUPPOSED TO TALK ABOUT THAT

REINHARDT: DO MY EYES DECEIVE ME?
REINHARDT: LIAO...
REINHARDT: YOU WERE THE ONE WHO ATE MY MEATBALLS?

LIAO: I'M SO SORRY!
LIAO: I WAS JUST SO HUNGRY AND THERE WAS NOTHING ELSE IN THE FRIDGE!

REINHARDT: PREPARE YOURSELF.
REINHARDT: BECAUSE MY REVENGE WILL BE SWIFT BUT EFFECTIVE!

LACROIX: Don't we have rules that prevent people from stealing each other's food?

MIREMBE: Come now.
MIREMBE: Since when does Overwatch follow their own rules?

TRACER: i follow the rules!

KIMIKO: Stop lying.

TRACER: :(  

MORRISON: Why are you all so dysfunctional?
MCCREE: because you wont stop being gay

MORRISON: Those two things literally have nothing to do with each other.

GENJI: were not dysfunctional
GENJI: were just unorthodox

LACROIX: That's probably the best word you could use in that circumstance.

MIREMBE: Unorthodox is certainly the proper term for it.

REINHARDT: LIAO, YOU WILL BE MET WITH THE REVENGE FORCE OF ONE THOUSAND CRUSADERS!

WINSTON: Save it for the morning.
WINSTON: Angela will probably be in a better mood then.

MERCY: Most likely not.

REINHARDT: MORNING IT IS!
REINHARDT: PREPARE YOURSELF, LIAO!

LIAO: winston...
LIAO: youre not even going to help me?

WINSTON: I'm tired of you stealing food too, Liao.

LIAO: THAT WAS ONLY THE THIRD TIME!

WINSTON: And the first two times involved my peanut butter.
WINSTON: You're lucky I didn't rip your arms off and shove them down your throat.

REYES: There's a simple lesson to be learned from this.
REYES: Stop stealing everyone's fucking food.

LIAO: but i get hungry

GENJI: yeah and in the morning ur going to get dead

MCCREE: any last words?

LIAO: im sorry?

REINHARDT: TOO LATE FOR APOLOGIES!
REINHARDT: TOMORROW, YOU WILL EXPERIENCE PAIN UNLIKE ANYTHING ELSE YOU'VE EVER EXPERIENCED!

LACROIX: Liao, I would run and never look back.

ANA: Lmao ur gonna die

LIAO: FUCK!

-------------------

LIAO: it hurts
MERCY: Think happy thoughts.
LIAO: no happiness
LIAO: only pain
MCCREE: you shouldn't have taken his meatballs
LIAO: I SAID I WAS SORRY!
MORRISON: Yeah, that really worked out well for you, didn't it?
LIAO: OW!
LIAO: WATCH WHERE YOU'RE STICKING THAT THING!
ANA: Don't mind me
ANA: I'm just gonna take that completely out of context
MERCY: It's for the pain, Liao.
MERCY: Stop fighting me.
LIAO: but it hurts!
MERCY: That's why I'm injecting you with it...
TRACER: the more you struggle the worse it's gonna be
REYES: Deep breaths.
LIAO: I DON'T DESERVE THIS!
MERCY: Stop texting or else I'll bring Reinhardt back...
LIAO: I WANT MY MOMMY!

LACROIX: How is he?
MERCY: He'll live.
REINHARDT: What a shame.
REINHARDT: People have died for worse.
GENJI: he's in dreamland rn
MCCREE: yeah ana had to step in
MIREMBE: Wasn't the anesthesia enough?
ANA: Nope not really lol
WINSTON: Maybe next time he'll think twice before touching my peanut butter.
REINHARDT: Or my meatballs!
MORRISON: Or my closet.
MCCREE: and there you go
MCCREE: jack made it weird

MORRISON: I'm contributing.

GENJI: the only place u contribute positively is the battlefield

ANA: Yeah u suck everywhere else

MORRISON: Except the bedroom.

REYES: Yeah, no.

GENJI: DEAD

ANA: rip jack

MCCREE: fucking shut up

[JACK MORRISON] left chatroom [BOOBIES]

KIMIKO: Savage.

LACROIX: I expect a session in marriage counseling after today.

REYES: We're not married...

TRACER: your basically married!

REYES: What?
REYES: Am I not allowed to make jokes?

ANA: Not really no

GENJI: leave the jokes to the pros

REYES: I hate all of you.

MCCREE: so leave

REYES: Don't give me any ideas.

REINHARDT: Out of general curiosity.
REINHARDT: When do you think Liao will wake up?

MERCY: A few hours.
MERCY: Possibly longer since we combined the anesthesia with Ana's sleep dart.

MCCREE: hes gonna be in for a rude awakening

___________________________

LIAO: WHY DID NO ONE WAKE ME UP ITS BEEN THREE DAYS?

MERCY: I'm very busy, Liao.

LIAO: IT TAKES TWO SECONDS TO WAKE SOMEONE UP!
MERCY: I didn't have two seconds to spare.

76: Do any of you listen to the briefings?

MCCREE: is that a serious question?

76: It was intended as one, yes.
GENJI: well the serious answer would be no
D.VA: the not serious answer would be fuck you youre not in charge
76: Absolutely unreal.
TRACER: the important thing is that were trying our best
76: I just saw you completely ignore Widowmaker and wave to her instead of shoot her.
TRACER: cmon shes not really a bad guy anymore
WIDOWMAKER: I'm just doing my job.
REAPER: If that was true, you would have shot them when they were in your line of sight.
WIDOWMAKER: I am not obligated to listen to you.
REAPER: I'm your commanding officer...
WIDOWMAKER: The Board of Directors would disagree.
REAPER: I can't believe that this is actually happening.
D.VA: why do we even go on missions anymore?
LUCIO: yeah really its not even like talons hurting anybody anymore
SOMBRA: theres too much infighting
REAPER: No there isn't.
SOMBRA: dont lie to yourself
MCCREE: what youre doing right now is basically proving that
REAPER: Shut up.
76: Can we focus on the mission?

MEI: Has anyone seen Dr. Ziegler or Fareeha?

LUCIO: I could probably give you a guess where they went

76: For fuck's sake.

MEI: Is this what missions have become?
MEI: Just excuses for all of you to sneak off and be with your significant others?

GENJI: pretty much

MCCREE: hey at least the rest of us are helping

REINHARDT: That is not the word I would use.

LUCIO: I'm doing the best I can

ANA: You literally just riding up the walls to see how high you can get before you fall

EMILY: Are you supposed to be texting during a mission?

MCCREE: not really no

GENJI: its okay we multitask well

REAPER: I saw you cry once because you couldn't fill out a mission statement while watching TV.

GENJI: I was very tired that night

MCCREE: can you even sleep?

GENJI: yes
GENJI: very well

HANZO: When we were children, he didn't wake up when our father slaughtered a few of his enemies outside our room.

GENJI: I still don't believe that happened

HANZO: Of course you don't.
HANZO: You somehow slept through it.

GENJI: it couldn't have been that loud

HANZO: They had guns, Genji.
HANZO: Loud guns.

GENJI: clearly not loud enough
76: I hate to interrupt this highly unimportant conversation, but we're kind of in the middle of something right now.

GENJI: yeah it was a conversation about our childhood that u so rudely interrupted

76: There are more important things at risk here.

GENJI: is that right?

76: Take a look.

GENJI: HOLY FUCK WHERE DID THEY ALL COME FROM?

MCCREE: how did we not notice 100 men appear from nowhere?

LUCIO: hanzo what good are you if you cant see them coming?

HANZO: Do not start with me.

WIDOWMAKER: I saw them coming.

GENJI: and u didnt tell us because why?

WIDOWMAKER: It probably has something to do with the fact that I work for Talon.

GENJI: fuck ur right

LUCIO: lol

ZENYATTA: Have no fear, companions.
ZENYATTA: There is an easy solution to this problem.

76: When did you get back here?

ZENYATTA: I am an Omnic.
ZENYATTA: The text chat is built into my programming.
ZENYATTA: I don't really ever leave.

MCCREE: fair

MEI: What's your solution, Zenyatta?

ZENYATTA: Observe.

LUCIO: JESUS FUCK

MCCREE: holy shit

REINHARDT: My Goodness.

76: What the hell just happened?

[SST LABORATORIES SIEGE AUTOMATON E54] entered chatroom [STOP CHANGING THE WIFI PASSWORD]

User [SST LABORATORIES SIEGE AUTOMATON E54] changed name to [BASTION]
76: What the hell is that?

ZENYATTA: That is Bastion.

MCCREE: clearly

ANA: Is that one of the bastion units?

ZENYATTA: Indeed.

REINHARDT: I hate to be this way, but we did spent several years destroying thousands of those.

ZENYATTA: Do not worry yourselves.
ZENYATTA: I can promise you all that Bastion means no harm to any of you.
ZENYATTA: I can't say the same for you though, Reyes.

REAPER: I'm not Gabriel Reyes.

ZENYATTA: Why don't you ask Jack what happened when he lied to me as well?

REAPER: How the hell do you even know who I am?

LUCIO: we all know who you are that this point

SOMBRA: yeah seriously stop trying already

REAPER: Sombra...

HANZO: You're sure that it's friendly?

ZENYATTA: I give you my word.
ZENYATTA: Bastion, why don't you say hello to everyone?

BASTION: (•‿•)

TRACER: omg my heart just melted

MEI: That's so cute.

MCCREE: can
MCCREE: can it talk?

ZENYATTA: Of course he can talk.
ZENYATTA: He's rather shy at first but once he warms up, you won't be able to keep him quiet.

WINSTON: Well, Bastion.
WINSTON: We're glad to have you on the team.

BASTION: (๑•₃•๑)

TRACER: awwww

ANA: Okay thats really cute

SOMBRA: its so cute
SOMBRA: dont you think so widow?
WIDOWMAKER: I can't feel emotions.
WIDOWMAKER: I don't know why you think I can give an opinion on cuteness.

GENJI: and the mood has been spoiled

WIDOWMAKER: I will shoot you.

REAPER: You're supposed to shoot him.
REAPER: Those were your orders.

WIDOWMAKER: Which means that I will no longer shoot him.

REAPER: Why are you the way you are?

WIDOWMAKER: It probably has something to do with you stripping me off my emotions and altering my physiology.

LUCIO: burn

REAPER: ...

WINSTON: Well, thanks to Bastion, this mission can be considered a success.
WINSTON: Despite the extreme efforts of some agents to not allow that to happen...

LUCIO: guilty as charged

WINSTON: Bastion, we'll find you a spot on the Orca.
WINSTON: Everyone else, come on back.

BASTION: :D

TRACER: omg stop pls its too cute

MCCREE: how the fuck is it doing that?

GENJI: well the smiley face really isnt hard to do

MCCREE: i was really referring to everything else

LUCIO: magic

ZENYATTA: Bastion's quite proficient in keyboard shortcuts.
ZENYATTA: I'm sure you'll see many of them before long.

SOMBRA: i wanna go meet him
SOMBRA: can we go meet him gabe?

REAPER: He just tried to kill us.
REAPER: And stop calling me that.

SOMBRA: but i bet hes really nice
SOMBRA: and no

BASTION: ¯\_(ツ)_/¯

TRACER: omg he made a bear
ZENYATTA: Bastion says he would love to meet you, Sombra.  
ZENYATTA: Reyes, on the other hand.  
ZENYATTA: I think it's better that you stay away.

REAPER: **I'm not Gabriel Reyes.**

BASTION: ■_■

GENJI: lmao

LUCIO: see even bastion knows you're full of shit

MCCREE: bastions already cooler than jack

76: Fuck off already.

WINSTON: Are you coming back or what?

ANA: If we must

76: You must.

MCCREE: you're not in charge anymore

BASTION: (๑°◡°๑)

ZENYATTA: Bastion would like everyone to get back to the ship.  
ZENYATTA: He's very eager to see what the Watchpoint is like.

GENJI: that man has a convincing argument

TRACER: agreed lets go!

76: I can't fucking stand any of you.

REAPER: **I was about to say the same thing.**

MCCREE: no wonder you two are so perfect for each other

76: Fuck you.

Chapter End Notes

I feel like Bastion would be just like a puppy. You know, if puppies were 7 foot tall, machine gun wielding, heartless massacre machines. But not Bastion, he's nice.
REINHARDT: How did you even manage that?

TRACER: I'm sorry!
TRACER: I didn't know that would happen!

GENJI: It's impressive
GENJI: It's not often you see someone screw up so badly

LUCIO: I don't understand

MCCREE: how?

TRACER: I DON'T KNOW!

GENJI: Angelas going to freak
D.VA: Not if she doesn't find out
MCCREE: She's gonna find out

REINHARDT: She will definitely find out.
REINHARDT: I think you better start thinking of reasonable excuses.

SOMBRA: I can see through the cameras
SOMBRA: How did you even manage that?

TRACER: I! DON'T! KNOW!

LUCIO: Stop spying on us

SOMBRA: Yeah how about no?

ANA: There has to be something better for you to be doing.

SOMBRA: You think
SOMBRA: But yeah no talons kinda boring af

MCCREE: Can we fix it?

REINHARDT: I wasn't aware we could repair dust.

MCCREE: Im just trying to help

LUCIO: No amount of magic or skill in the world is going to help this situation

GENJI: ...should we tell someone?

D.VA: Who are we going to tell that isn't going to kill us?

TRACER: Maybe Winston would help?

REINHARDT: I don't think he would.
REINHARDT: He'd probably be the first to sell you out.
TRACER: THERE HAS TO BE SOMEONE!

MCCREE: yeah i think you might be dead

ANA: Might be?

LUCIO: yeah no shes totally dead

REINHARDT: If I may ask...
REINHARDT: How?

GENJI: damn it
GENJI: ur right

D.VA: it was intended as a no

PHARAH: Good to see that none of you have changed.

TRACER: life would be boring without us!

MCCREE: id hardly call that simple

HANZO: *It couldn't have been more simple...*

GENJI: speak for urself
GENJI: the rest of us arent workaholics like u

HANZO: That has absolutely no correlation to the topic.

D.VA: we tried
D.VA: thats what matters

HANZO: You could have fooled me.

LUCIO: hey leave us alone
LUCIO: not everyone trains for 20 hours a day

HANZO: You didn't need training to complete that objective.
HANZO: I could have grabbed a random civilian off the street and they probably would have been able to do it.

TRACER: oi its not our faults!
TRACER: jack sucks at giving instructions

76: *And you suck at listening to them.*

MCCREE: in our defense
MCCREE: you didnt specify which car it was

76: I said it was the red one
76: In a lot full of blue and green cars
76: How could that have been any more specific?

LUCIO: well im colorblind

GENJI: im a cyborg i cant see colors

76: Absolutely unreal.

TRACER: were lucky that fareeha and reinhardt were there

REINHARDT: Yes you are.

D.VA: what actually happened btw?

SOMBRA: i literally saw you two together last night

76: Get out of this chatroom.

SOMBRA: id love to see you make me

HANZO: From what I've witnessed, Jack can't make anyone do anything.

76: ...
76: And now you're starting with me?

HANZO: I'm simply stating what I'm observing.

[SYMMEYTRA] entered chatroom [MERCY THE HARMACIST]

76: Where did your military training come from?

LUCIO: FUCK YOU

REINHARDT: Can we settle this on the way home?
REINHARDT: I have a date with the couch in the common room.

MCCREE: there's only way one out of here

D.VA: im coming

LUCIO: me too

MCCREE: ok whyre we bein yelled at again?
MCCREE: we literally just sat there and ate popcorn

GENJI: u said it urself
GENJI: guilty by association

MCCREE: god dammit
MCCREE: youre right
MCCREE: we need new friends

GENJI: who tho?

MCCREE: hanzo?

HANZO: No.

MCCREE: satya?

SYMMETRA: Leave me out of your antics.

GENJI: lets ask reinhardt and ana
GENJI: or bastion

MCCREE: well figure this out later
MCCREE: cause winston just called us over the intercom

GENJI: yeah i heard it too
GENJI: fuck

HANZO: The more time I spend here, the more I think I would have been better off on my own.

SYMMETRA: Surprisingly, even Vishkar was more organized than this.

WIDOWMAKER: Talon is still highly unorganized.
WIDOWMAKER: Not that it matters anyway.

HANZO: It's hard to be quite as unorganized as Overwatch.

WIDOWMAKER: Trust me, Talon is far worse off.

SYMMETRA: I don't quite understand how this group is even functional.

HANZO: Winston is certainly doing his best, to his credit.
HANZO: I have no real idea how he hasn't lost his mind at this point.

WIDOWMAKER: I could say the same of you two.
WIDOWMAKER: How have you both managed to avoid the madness that comes with that organization?
SYMMETRA: It helps that we're far less active in the text chat than most of them are.

HANZO: There's a reason why I lock myself in the practice range.
HANZO: None of them ever go in there.

WIDOWMAKER: That's rather smart, actually.

SYMMETRA: At this point, it's just one dysfunctional group against another.

HANZO: It's anyone's guess who will emerge victorious.
HANZO: But, with the way this is going, it wouldn't surprise me if they both just destroyed each other.

WIDOWMAKER: Dealing with Reaper and Sombra is just as frustrating.
WIDOWMAKER: I constantly have to reboot the security systems because they are both sneaking out to meet their significant other.
WIDOWMAKER: And don't even get me started on the arguing that goes on between the two of them.
WIDOWMAKER: It's very similar to babysitting two small children.

HANZO: I relate to your struggles far too much.

SYMMETRA: Likewise.

WIDOWMAKER: I like you two.
WIDOWMAKER: I feel as if we would get along quite well.

HANZO: Even though this is technically considered working with the enemy?

WIDOWMAKER: Reaper and Sombra are both sleeping with agents in Overwatch.
WIDOWMAKER: Compared to that, I don't think what we're doing is all that bad.

SYMMETRA: Fair point.

HANZO: It is nice to communicate with someone who isn't a complete idiot.

WIDOWMAKER: I'm glad we could come to this agreement.

SYMMETRA: I had the feeling you weren't entirely evil.

WIDOWMAKER: I wouldn't go that far.
WIDOWMAKER: Saying that my allegiance is to Talon would be a lie.
WIDOWMAKER: However, I personally relate more to Talon's goals than Overwatch's.
WIDOWMAKER: Of course, that doesn't mean we can't be friends.

HANZO: Of course not.

SYMMETRA: I won't speak of this any further if you won't.

WIDOWMAKER: Agreed.

HANZO: Well, if we're all done here, I'm going to hide in the practice range before Winston lets those animals out of the lab.

SYMMETRA: I have already locked myself in the armory with Lindholm.
HANZO: Wise choice.
WIDOWMAKER: I wish you all the best of luck.
HANZO: We will certainly need it.

GENJI: i think im gonna pick bastion
JESSE: you sure?
GENJI: hes the most fun out of the remaining options
GENJI: master goes without saying but bastion is prob the only cool choice we have
JESSE: ana and reinhardt?
GENJI: i thought about it but they fit more with the older group
GENJI: if they had to choose between us or jack and winston, theyd choose jack and winston every time

JESSE: so whatre the other options?
GENJI: torb fits with the older group
GENJI: angela and fareeha are in their own world
GENJI: mei and zarya are basically best friends

D.VA: ...
D.VA: fine

BASTION: :)

TRACER: how can you not listen to what bastion says?

GENJI: if bastion was in charge overwatch would run a lot smoother

76: I can name at least three agents who wouldn't take orders from an Omnic.
Lucio: Then those agents can fuck off and die.

D.Va: Bastion's adorable how could you hate him??

76: If you'd seen what I've seen, you'd understand.

Bastion: :( 

McCree: He ain't wrong.
McCree: I remember the first omnic crisis.

Lucio: Bastions nice tho.

76: I didn't say he wasn't.
76: I'm just saying that some agents wouldn't take orders from him.

Genji: Jesse I got an idea.
Genji: Instead of ditching the four of them lets add Bastion and master to the group.

McCree: I like that idea.

Genji: It wouldn't be the same otherwise.

Zenyatta: I appreciate the thought.
Zenyatta: Thank you.

Bastion: :D

Zenyatta: Bastion is equally thankful.

Lucio: OK FIRST ORDER OF BUSINESS
Lucio: Bastion go scare Mercy and Pharah.

MERCY: Please refrain from killing anyone until the medical wing opens up again.

GENJI: isnt the med bay always open tho?

MERCY: Even I need some time off, Genji.

MCCREE: oh so youd just let us die?

MERCY: With the way you all behave, I don't think anyone would object to me "accidentally" botching an operation.

LUCIO: damn thats harsh

MERCY: I'm clearly joking...
MERCY: I'm obligated to help you.

GENJI: good to see that u do it begrudgingly
MERCY: Oh come on.
MERCY: You don't actually believe that I'd let any of you die if I could help it, do you?

REAPER: Well, if we're going to have this conversation...

MERCY: NOT the time, Reyes...

MCCREE: you sure make it seem like you would

MERCY: Why is it that no one else is allowed to joke besides the five of you?

TRACER: cause none of your jokes are funny!

MERCY: And making murder jokes to Hanzo is?

WIDOWMAKER: Promise?
SOMBRA: stop being so boring and go do something
WIDOWMAKER: I'm here against my will.
WIDOWMAKER: I refuse to cooperate.
SOMBRA: suit yourself

PRIVATE CORRESPONDENCE

WIDOWMAKER: Judging by your facial expression, I assume you are here against your will as well.

HANZO: Unlike everyone else on this base, I prefer the comfort of a training room rather than the craziness that comes with the parties.

WIDOWMAKER: Sombra dragged me down here.
WIDOWMAKER: I don't know why I didn't fight back.

HANZO: I don't even know why they invited you.
HANZO: Even Reaper showed up and I'm absolutely stunned by it.

WIDOWMAKER: What in the world is your brother wearing?
HANZO: I...don't know.

WIDOWMAKER: He looks like a Power Ranger.
HANZO: I'm actually surprised that you even know what the Power Rangers are.

WIDOWMAKER: They've remade the series about twenty times in the last decade.
WIDOWMAKER: It's very hard to not hear something about them.
HANZO: I'm just going to sit in this corner and wait for my opportunity to sneak away.

WIDOWMAKER: I will come join you.
WIDOWMAKER: We can harshly criticize the other attendees together.
HANZO: I'll get Satya to join us.

JUNKRAT: HEY AT LEAST IT WASNT ME THIS TIME

MCCREE: its been you 95 percent of the other times

JUNKRAT: IM NOT DOING ANYTHING WRONG

WINSTON: I said no parties!

ANA: U should have known better winston

WINSTON: I expect this kind of thing from you, and even Reinhardt.
WINSTON: But you, Angela?

MERCY: I didn't authorize any of this.
MERCY: I just wanted to have a good time.

WINSTON: I am extremely disappointed in all of you.

SOMBRA: stop being such a buzzkill

WINSTON: And you all somehow got poor Emily mixed up in this.
EMILY: I'm sorry, Winston.
EMILY: I didn't know it was against the rules.

LUCIO: emilys literally the only good seed here

D.VA: thatll change pretty quick if she keeps hanging out with us

WINSTON: And why is Talon here?

GENJI: we invited them

WINSTON: They are our enemies!

MCCREE: well technically hana invited them

D.VA: oh so tracer can fly to fucking london to get emily but i cant invite my girlfriend to our halloween party?

WINSTON: You weren't even allowed to have a Halloween Party!

ANA: And look how many people followed that rule

WINSTON: Rules are put in place for a reason!

LUCIO: you know if you let us have fun every once and a while wed be a lot easier to deal with

WINSTON: Somehow, I doubt that.

PHARAH: That's not entirely wrong, Winston.

MERCY: They do act a little better when they're given some time off.
MERCY: However little that difference might be.

HANZO: I just wanted to train.

GENJI: u train too much
GENJI: live a little

HANZO: You have your ways of entertainment and I have mine.

WINSTON: Do any of you follow the rules?

MCCREE: oh quit crying winston

WINSTON: For now.
WINSTON: Just please don't do anything stupid.

GENJI: an attempt will be made
WINSTON: I guess that's better than nothing.

BASTION: (☉ ☉)

MCCREE: you better apologize
MCCREE: bastion loves that garden

TRACER: im sorry!
TRACER: i thought if reinhardt put his shield up it wouldnt do as much damage

WINSTON: *I asked you to take it easy!*

TRACER: it really only destroyed the rose bushes

MCCREE: those were bastions favorites

BASTION: (■ ● ■)

TRACER: AAAAA IM SO SORRY!!!
TRACER: ILL GET NEW ONES I PROMISE

WINSTON: This is why I banned Halloween Parties in the first place.

76: My head's killing me.

GENJI: u will survive
GENJI: put some ice on it

MERCY: It doesn't work like that.

GENJI: its an expression dammit
D.VA: i still had fun tho
MCCREE: look at it this way
MCCREE: theres always next year

WINSTON: At this rate, none of you will even still be in Overwatch next year.
LUCIO: if this is the price i must pay for entertainment then so be it
HANZO: I'm going back to the Practice Range.
GENJI: cool fucking story bro
GENJI: u should never tell it again

HANZO: Agreed.
HANZO: Instead, I'll just tell the story about how my younger brother lost to me in a fight.

GENJI: WOW

D.VA: this is the shit that i signed up for
REINHARDT: My, how the tides have turned, Genji.
SOMBRA: hanzo killed him once its only fitting that he does it again

76: Wait, who took this picture of me dancing with my shirt off?

MCCREE: best fucking party ever

WINSTON: Liao, what did you do?

LIAO: i swear it wasn't me winston

LACROIX: There are four people who could have done this.

LACROIX: If it wasn't you, we'll find out who's responsible pretty quickly.

LIAO: if i tell you promise you wont be mad at me?

WINSTON: I'm already mad at you.

LIAO: BUT I JUST SAID IT WASNT ME

LACROIX: It doesn't matter.

LACROIX: You always play a part in these things.

[GABRIEL REYES] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

[JESSE MCCREE] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

REYES: You have until the count of three to explain why I can see my breath.

MCCREE: why is it so fucking cold in here?

WINSTON: Ask Liao.

LIAO: it wasn't me

LACROIX: It gets harder and harder to believe you each day, Liao.

LIAO: I literally have no idea what happened

LIAO: it was genji and ana ask them

WINSTON: Oh, for the love of...

WINSTON: @GENJI @ANA

[GENJI SHIMADA] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

[ANA AMARI] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

GENJI: what?

WINSTON: What did you do to the air conditioner?
GENJI: i didn't do anything
GENJI: i've been in the dining hall all day

MCCREE: why though?
MCCREE: can you even eat anything?

GENJI: i don't need to explain my business to u

LACROIX: On this base, your business is everyone else's business too.

GENJI: touche

LACROIX: é

GENJI: don't u start this shit with me rn

REYES: Who did it?
REYES: It's way too fucking cold in here.

ANA: Oh it was me lol

WINSTON: What did you do?

ANA: I borrowed the snowball schematic from the ecopoint team and had torb build me a version of it.
ANA: Then i just programmed it into the ac system so it just constantly pumps out cold air

LACROIX: Why?

ANA: Cause its funny to see everyone complain about the cold lol

REYES: Can we turn it off, please?

ANA: I don't know how

LIAO: how did you even turn it on?

ANA: I pressed a few buttons and hoped for the best

WINSTON: Why are you always doing this?
WINSTON: One of you is always doing something wrong!

LIAO: were a troubled group of people

REYES: You're idiots is what you are.

MCCREE: mcfuckin rude

GENJI: could u stop doing that?

MCCREE: mcfuckin make me

GENJI: dont give me any ideas

LACROIX: Can we please fix the air conditioning?
LACROIX: I may be French but that doesn't mean I'm immune to the cold.
LIAO: well i could prob stop it
LIAO: but i dont think youd want that

REYES: Liao, my fingers are turning blue.
REYES: If you can turn it off, do it.

LIAO: is that a direct order?
REYES: Yes.

LIAO: well then
LIAO: before anyone yells at me
LIAO: i was given permission for this

[LIAO] went idle

WINSTON: LIAO, DON'T DO WHATEVER IT IS YOU'RE DOING.

LACROIX: I'm afraid it's too late for that, Winston.

ANA: Good job gabe

REYES: I'm not apologizing.
REYES: I'm really cold.

MCCREE: depending on what's about to happen i think that's the least of your problems

REYES: He's not in Blackwatch.
REYES: He's not my problem.

[ANGELA "MERCY" ZIEGLER] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

[JACK MORRISON] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

MORRISON: What the hell happened to the Watchpoint?
MORRISON: I went for a ten minute jog.

WINSTON: Ask Liao.

LIAO: hey reyes gave me a direct order

REYES: I'm honestly extremely disappointed in myself for not expecting this.

MCCREE: the cold really must have numbed your brain

MERCY: What did you do, Liao?

LIAO: k first of all
LIAO: none of this was my fault

GENJI: fucking bullshit

LIAO: ok this was partly my fault
LACROIX: It's always partly your fault.
LIAO: shut up surrender monkey
LACROIX: Come now, there's no need for insults.
LIAO: okay so ana did something to the ac and it just kept pumping out really cold air
LIAO: really cold
LIAO: like super ultra frozen air
MERCY: Yes, it's cold.
MERCY: I believe we established that.
LIAO: so reyes was complaining and he asked her to turn it off and obviously ana didnt know how
ANA: What do u mean by obviously?
ANA: Are u trying to say that im dumb?
GENJI: lol
LIAO: not the time
ANA: Ur gonna have to explain urself eventually
LIAO: so i took it upon myself to fix the problem
MCCREE: blowing stuff up usually isnt a fix to a problem
LIAO: if thats what you believe
WINSTON: Liao, we do not have the money or the resources to keep repairing things.
LIAO: bullshit weve got un backing
MORRISON: That doesn't mean that they'll just hand money out to us.
LIAO: well then i think we need to seriously reconsider this partnership
REYES: It'd be one thing if you just broke the air conditioning unit.
REYES: You broke the central heating too.
MERCY: Liao...
MERCY: It's the middle of November.
MERCY: It gets very cold here.
LIAO: once again reyes gave me permission
REYES: I didn't give you permission to blow it up.
LIAO: you didnt specify so youre still to blame
WINSTON: I thought you knew better than this, Reyes.
REYES: Clearly I don't.
REYES: I shouldn't be allowed in any position of power anymore.
MORRISON: The UN thought so too.
REYES: I'll kill you.

MORRISON: I'm kidding, you baby.

MCCREE: I'd be more than willing to take up command of Blackwatch.

REYES: I don't care what happens.
REYES: You will never be in charge of Blackwatch.

MCCREE: :( 

GENJI: yeah jesse he doesn't trust u
GENJI: im clearly the better choice

REYES: You might actually be a worse choice.

GENJI: ouch
GENJI: @MERCY
GENJI: i need healing

MERCY: I need the central heating to work.

WINSTON: I need a vacation.

ANA: U had a vacation.
ANA: Unsurprisingly that didn't go too well either

[KIMIKO] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

KIMIKO: What happened to the AC?

LIAO: it got attacked by a pack of rabid beavers

GENJI: do we even have beavers here?

MCCREE: those things are everywhere so it wouldn't surprise me

KIMIKO: Interesting.
KIMIKO: Now what really happened to AC?

ANA: Liao blew it up

LIAO: WITH REYES' PERMISSION!

REYES: Once again.
REYES: I never once said you could blow it up.

LIAO: you also never said that i couldn't blow it up

GENJI: hes got a point

REYES: I'm sorry, it seems to me that you were talking back to a superior.

GENJI: wait no

REYES: You know, in the army, we had punishment for that.
REYNARD: Is there any particular reason why Genji is running laps around the Watchpoint?

REYES: Insubordination.

MERCY: Reyes, it's four in the morning.

REYES: Justice doesn't have a curfew.

MCCREE: whatever you say batman

REYES: Do I sense insubordination?

MCCREE: are you really just going to do this now?

REYES: If this is what it takes to make you a law-abiding citizen, then yes.

MCCREE: i havent even done anything wrong

ANA: Yeah wheres liaos punishment for breaking everything?

LIAO: captain stop pls

REYES: Out of my hands, unfortunately.

REYES: You'd have to take that up with Jack.

MORRISON: Liao, you're on cleaning duty for the next week.

LIAO: WHY THO?

MORRISON: I'm in charge.

ANA: What took u so long to do this?

MORRISON: I wasn't asked.

LIAO: this is cruel and unusual punishment

MORRISON: File a complaint.

LIAO: @WINSTON

WINSTON: He's in charge, Liao.

LIAO: NO FAIR

LACROIX: You have to learn your lesson somehow.

LIAO: american wine is the best wine

LACROIX: Don't make me hurt you, Liao.
MCCREE: dont fuck with the frenchman liao hes a mean dude
LIAO: damn it why is this happening to me?
KIMIKO: Probably because you suck at keeping your mouth shut.
LIAO: I HAVE A DISEASE OKAY?
REINHARDT: Clearly.
MORRISON: You are a disease.
ANA: Rip liao
MCCREE: fucking
LIAO: im being bullied and i dont like it
REINHARDT: This is what you get for eating my meatballs.
LIAO: THAT WAS LIKE SIX MONTHS AGO!
REINHARDT: IS THAT SUPPOSED TO MAKE ME FORGIVE YOU?
LIAO: I EVEN MADE YOU MORE!
REINHARDT: AND THEY WERE THE WORST THINGS I'VE EVER HAD THE DISPLEASURE OF EATING.
ANA: Yeah liao u suck at cooking
REYES: He sucks in general.
LIAO: fuck off reyes i dont deserve this from you
REYES: I'm sorry.
REYES: Was that...
REYES: Insubordination?
LIAO: YOU CANT PUNISH ME IM NOT IN BLACKWATCH
MORRISON: For the next ten seconds, Reyes has executive control of Overwatch.
REYES: Liao, you will be joining Genji in running laps.
MORRISON: Reyes' control has been revoked.
LIAO: i cant believe you two
MCCREE: theyre dating what do you expect?
REYES: Care to repeat that statement, kid?
MCCREE: no sir
REYES: Smart.
MORRISON: Get to it, Liao.

LIAO: I think we need to have a very serious debate about the division of power in this organization.

REYES: *HOP TO IT!*

LIAO: BUT MY LEGS ARE TIRED

MORRISON: You have five seconds to join Genji otherwise I will be returning your bean bag chair to the store.

LIAO: YOU TWO ARE THE WORST OMG

LIAO: I can't feel my legs

GENJI: I can't either
GENJI: But mine aren't real anyway

MORRISON: Now you two see how the Army does things.

MCCREE: This isn't the Army though

REYES: Stop talking, kid.

MCCREE: Oh look I'm just gonna observe this conversation and not contribute anything to it

MORRISON: See to it.

[MIREMBE] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

MIREMBE: Why is there a huge mess in the kitchen?

MERCY: Because Liao's on cleaning duty and we needed something for him to clean.

LIAO: I LITERALLY JUST GOT DONE RUNNING LAPS I CAN'T EVEN MOVE

MCCREE: Mess ain't gonna clean itself

LIAO: IN A MINUTE I'M GONNA CLEAN YOU

ANA: That's hot

GENJI: lol

MCCREE: Well im flattered liao but I don't like you in that way

LIAO: THAT'S NOT WHAT I MEANT AND YOU KNOW IT

LACROIX: You should probably go clean that up, Liao.
LACROIX: Root Beer often makes the floor very sticky.

LIAO: GERARD I SERIOUSLY CAN'T MOVE

LACROIX: ë
LIAO: GET OVER IT

REINHARDT: Who even made that mess?

WINSTON: I did.

LIAO: !!!
LIAO: WHY???

WINSTON: Because if you're on cleaning duty, I need to make sure it's miserable for you.

LIAO: WHAT HAVE I DONE TO DESERVE THIS?

REINHARDT: Eat my meatballs.

WINSTON: Eat my peanut butter

KIMIKO: Join Overwatch

REYES: Exist.

GENJI: rip

MCCREE: STOP

ANA: Get fucked liao

MORRISON: Go clean it up.

LIAO: but jack

MORRISON: NOW!

LIAO: FLDSJ:GHWGIUGHAFJ:G

[LIAO] left chatroom [GIVE ME HEAD UNTIL I'M DEAD]

MIREMBE: That might have been a little harsh.

LACROIX: It's nothing that he can't handle.

REYES: You missed a majority of this conversation, Mirembe.
REYES: Just understand that it was necessary.

MIREMBE: Somehow, I doubt that.

WINSTON: It was for the best, Mirembe.

MIREMBE: I guess I'll have to take your word for it, Winston.

MORRISON: Trust me, Liao had it coming.

MCCREE: oh hey imagine that

GENJI: yeah morrisons siding with reyes
GENJI: weve never seen that happen before
REYES: ... Are you insulting your commanding officer?

MCCREE: possibly

GENJI: NO WAIT

REYES: INSUBORDINATION!!!

______________________________________

MCCREE: reyes when can we stop?

REYES: When you're both dead.

GENJI: i already am dead tho

REYES: Get deader.

REINHARDT: How does that even work?

REYES: Ask Genji when he figures it out.

MCCREE: this is an abuse of power

REYES: Questioning the decisions of a Commanding Officer, are we?

MCCREE: i didnt mean...

MERCY: I guess I'll need to prep the Medical Wing.

GENJI: fuck the medical wing

MCCREE: yeah just prep the morgue

REYES: RUN FASTER!

MCCREE: I CANT

REYES: YOU'D BETTER TRY!

______________________________________

MIREMBE: Are they going to be okay?

MERCY: They'll be fine.

MERCY: A little exercise isn't going to kill them.

REINHARDT: That was not a "little" exercise.

MERCY: They'll make it, Reinhardt.

[LENA "TRACER" OXTON] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

TRACER: they clearly dont run enough!

LACROIX: I don't think anyone runs enough to make it through that.
TRACER: i do!

REYES: You want to test that theory?

TRACER: not really no!

[LIAO] entered chatroom [GIVE ME HEAD UNTIL I'M DEAD]

LIAO: I CLEANED UP THE STUPID FUCKING MESS IN THE KITCHEN CAN I STOP NOW?

MORRISON: Go clean up the puke Jesse left in the Courtyard.

LIAO: BUT WHY?

MORRISON: You need to pay your dues, Liao.

LIAO: I THINK IVE PAID MORE THAN ENOUGH AT THIS POINT!

MERCY: It's cold in here, Liao.
MERCY: It's going to take Torbjorn at least a week to fix the heat.

LIAO: I SAID I WAS SORRY

WINSTON: Just because you say sorry doesn't mean that it's okay.

LIAO: WHEN DOES ANA GET PUNISHED FOR RIGGING THE AC AGAIN?

ANA: In another life time.
ANA: Unless of course u want to try and question the second in command of overwatch

LACROIX: That's a game I don't think you'd win Liao.

LIAO: GOD DAMN IT!

[LIAO] left chatroom [GIVE ME HEAD UNTIL I'M DEAD]

MORRISON: We need to abuse our power more often.

REINHARDT: I can give you several historical instances where abusing power went wrong.

REYES: Are you questioning a Superior?

REINHARDT: Do you want to die at the hands of a Crusader?

REYES: I'm just joking...

REINHARDT: I'm not.

ANA: Save it for the kids gabe
ANA: The rest of us arent buying this shit

REYES: None of you would listen to me if I gave you an order?

KIMIKO: Nope.

LACROIX: Most likely not.
WINSTON: No.

TRACER: lol no

REYES: Alright fine.
REYES: Guess I'll save it for the Blackwatch kids.

ANA: Do u think theyll ever learn that they really dont have to listen?

MIREMBE: For their sake, I hope they do.

LACROIX: But for our sake, I hope they don't.

REYES: None of you would have lasted a day in the Army.

KIMIKO: That's why we're in Overwatch, Reyes.

TRACER: yeah overwatch doesnt enforce the rules!

MORRISON: Do you want us to start?

REINHARDT: Once again.
REINHARDT: Do you want to die at the hands of a Crusader?

MORRISON: I still have some things I'd like to get done.

REINHARDT: Then I wouldn't even joke about these things.

REYES: Why are we not allowed to joke but all of you are?

MERCY: Like Lena said.
MERCY: None of your jokes are funny.

REYES: You all have very different opinions on what constitutes "funny."

KIMIKO: Yeah we do.
KIMIKO: But we do all know that you and Jack are not funny.

LACROIX: Stick to commanding.

MORRISON: I was planning to.
LUCIO: so what's this about a new member?

D.VA: do we even accept new members?

76: Who the hell is "we"?
76: You don't have any executive power here.

D.VA: how come mccree and genji do but we don't?

76: Because they were part of the original team?
76: They deserve some kind of acknowledgement for it.

MCCREE: oh hey is that jack supporting someone who isn't reyes?

GENJI: a rare sight indeed

76: I can revoke that power just as easily as I can grant it.

MCCREE: but you aint our commander anymore

GENJI: yeah u cant tell us what to do

76: I'm trying to help you here why are you both doing this?

GENJI: its done out of love

76: You sure have a funny way of showing it.

LUCIO: @WINSTON
LUCIO: what's the deal with the new member??

[WINSTON] entered chatroom [THE FUCK TRAIN HAS NO BRAKES]

WINSTON: I'm not going to go in detail with it, but the newest member of Overwatch is a redesigned OR-15 defense robot that goes by the name Orisa.

D.VA: another robot?

MCCREE: @BASTION
MCCREE: looks like you've got yourself another friend partner

BASTION: \(^{\,(^D^\,)}\)/

TRACER: bastion you're too cute!

LUCIO: when is it getting here?

WINSTON: Orisa and her creator, Efi, won't be here for another few days.
WINSTON: However, I'm going to add her to the chatroom now so she can get acquainted with everyone.
LUCIO: someone better warn her about how bad it gets in here

WINSTON: Efi is only eleven, Lucio.
WINSTON: Please show some kind of restraint.

LUCIO: an attempt will be made

76: Good enough.

[WINSTON] added [ORISA] to chatroom [THE FUCK TRAIN HAS NO BRAKES]

GENJI: looks like winston forgot about the chat name

MCCREE: its been less than a second and weve already failed

MERCY: Wouldn't be the first time.

ORISA: Hello Everyone!

TRACER: hi!

GENJI: yo

LUCIO: hello hello

MCCREE: howdy

MERCY: Hello there.

76: Hey.

ORISA: It is so nice to finally meet all of you!
ORISA: I am very excited to be a part of Overwatch!

LUCIO: thatll change pretty quickly

ORISA: Lucio!
ORISA: I am a big fan of your music!

LUCIO: awesome!
LUCIO: its always great to meet a fan

WINSTON: Orisa, this is our chatroom.
WINSTON: You can communicate with other members here.

D.VA: or you can be permanently scarred by memes and gayness
D.VA: whichever works

ORISA: I'm sure this will be a great experience for Efi and I!

HANZO: The joke was overdue the first time you did it.
HANZO: Every time after that was unnecessary.

GENJI: debatable

HANZO: This is why I lock myself in the practice range all day.

GENJI: u do that because ur unsocial and boring

HANZO: And because you're all horribly immature.

GENJI: not true

MERCY: Very true.

LUCIO: apparently amazon

76: What kind of shit is Amazon doing nowadays?

REINHARDT: 47.
WINSTON: Oh my heavens.
MCCREE: yeah its bad
WINSTON: We can't keep them all here.
GENJI: but y tho?
WINSTON: The Watchpoint is barely large enough for the team.
WINSTON: There's no way we can house 47 elephants and also afford to care for them.
WINSTON: They need to go.
REINHARDT: You will not take Patty away from me.
76: Stop naming them.
REINHARDT: NO!
TRACER: but reginald t mcelephantface XVI needs a good home!

REINHARDT: He won't find out.
REINHARDT: And none of you will tell him.
REINHARDT: Because you will be dead before you get the chance...
76: Why can't you all put this kind of effort into your missions?
LUCIO: lack of motivation
ANA: We dont even go on good missions anymore its all stupid now
76: Unbelievable.
MCCREE: this is why we shouldve gotten a dog
MCCREE: its a lot easier to take care of than a fucking elephant
REINHARDT: Don't you insult Patty.

LUCIO: rude
MCCREE: ...

MORRISON: What you all do isn't fun, it's destructive and stupid.

REYES: And that's why I'm anti-fun.
WINSTON: Why do none of you want to have Thanksgiving Dinner?
WINSTON: It's a wonderful time.
MERCY: Maybe it's wonderful when you're not in Overwatch.
KIMIKO: Or when Reinhardt's not the only one who cooks.

LACROIX: It's certainly not the worst thing I've ever tasted.
LACROIX: After all, I remember Jesse's Apple Pie.
MCCREE: were not really going there again
ANA: That wasn't an apple pie
ANA: That was charcoal just disguised as an apple pie

MCCREE: I didn't know how to cook at first

LIAO: jesse who the fuck told you it was a good idea to nuke a fucking apple pie?

I'll be honest, I care more about Patty's well being than Lucio's computer.

Boy, we've been through 25 whole chapters already! Thanks for everyone who's come
along for the ride, and I hope you all are enjoying this because there's still plenty left in the tank!
76: I don’t even know what to say anymore.

MCCREE: then dont say nothing
MCCREE: leave it be

D.VA: why do we even still go on missions?

ANA: Because jack doesnt learn

76: This wasn't even my idea...

LUCIO: yeah blame winston

WINSTON: Can you all just behave for once in your lives?

GENJI: unlikely

MCCREE: look were fine
MCCREE: we evacuated the civilians like you asked

WINSTON: Yes...
WINSTON: But I do have several complaints about your mission statements.

LUCIO: what could you possibly hate about our statements?

76: I'd be willing to take a few guesses.

WINSTON: First of all, who kidnapped the German Shepard?

MCCREE: i said i wanted a dog

TRACER: can we keep him?

WINSTON: No.
WINSTON: That dog belongs to someone, Jesse.
WINSTON: It needs to be returned.

MCCREE: yeah he belongs to me now

WINSTON: Not what I meant.

MCCREE: just let me play with him for like an hour and ill bring him back

WINSTON: Secondly, which one of you spray painted the penis on the billboard in front of the Town Hall?

D.VA: whoops

LUCIO: hey that was my idea

WINSTON: Stop doing these things.

LUCIO: dont pretend that wasnt fucking hilarious
WINSTON: It won't be hilarious when I deduct the funds to remove it from your paycheck.

LUCIO: ...it was hanas idea

D.VA: dont you do this now

76: Is that everything?

WINSTON: Not even close.
WINSTON: A majority of these are pretty minor, but for the love of God, who is responsible for burning down the trees in the park as "a way to appease our Great Lord of Evil, Cthulu?"

76: ...

ANA: ...

ZENYATTA: ...
ZENYATTA: *Raises hand*

GENJI: lmfao

LUCIO: savage af

WINSTON: Zenyatta, you must be joking.

ZENYATTA: I'm completely serious, Winston.
ZENYATTA: Cthulu is not one to be trifled with.

MERCY: A few people suffered burns from that.
MERCY: I had to tend to them.

WINSTON: I thought better of you.
WINSTON: How could you let them do this to you?

ZENYATTA: Jesse and Lucio are very persuasive.

MCCREE: you are goddamn right

LUCIO: thank you

WINSTON: We have 21 members on base.
WINSTON: How is it possible that only four of you are even remotely capable of completely missions?

LUCIO: i imagine im one of those four

WINSTON: You have a terrible imagination.
WINSTON: Hanzo, Satya, Torbjorn, and Fareeha are the only ones I can actually trust.

GENJI: fareeha literally sneaks off with angela so they can fuck like wtf do u mean?

PHARAH: At least I actually do what I'm told.

LUCIO: yeah yeah we all know that angelas the dom

REINHARDT: Can confirm.
PHARAH: No one asked you.
MERCY: It's true, though.
MCCREE: pls stop
TRACER: im crying!
WINSTON: The recall was a mistake.
D.VA: its been like eight months at this point come up with a better line
GENJI: hey look at it this way
GENJI: at least the mission was a success
76: It almost wasn't.
REINHARDT: Yes, we're very lucky that Gabe got distracted by the kittens in the alley.

[REAPER] entered chatroom [ORANGE YOU GLAD I DIDN'T SAY BANANA?]

REAPER: I was looking for a way around you.
LUCIO: thats not what i saw
D.VA: yeah i totally saw you cuddling with them

REAPER: You most certainly did not.
D.VA: ...
D.VA: hey @BABE
SOMBRA: yes?
D.VA: send it
SOMBRA: anything for you darling <3

[attached image: reapergettingsomepussy.png]

LUCIO: AHA

REAPER: I fucking hate you.

REAPER: YOU WORK FOR TALON!
REAPER: ACT LIKE IT!
SOMBRA: mind showing me where it says that?
D.VA: thanks for helping me prove edgelord wrong again babe
SOMBRA: <3
D.VA: <3
MCCREE: get a room

GENJI: gay

D.VA: youre just jealous
D.VA: ik how badly you want to hit this

76: Yeah, hit it with a baseball bat.

REAPER: Until it bleeds.

LUCIO: thats hot

REAPER: You have very odd fetishes.

LUCIO: ...i...
LUCIO: thanks for ruining the fucking joke

REAPER: Anytime.

ANA: Thats what gabe does best
ANA: Besides play ping pong

MCCREE: he was fucking awful at ping pong

REAPER: Is that why I beat you twenty seven times in a row?

GENJI: it was 29

MCCREE: genji stfu

GENJI: no fuck u

76: Gabe was really good at Ping Pong

MERCY: I don't think so.
MERCY: I just think Jesse and Liao were really bad at it.

MCCREE: i was not

REAPER: I beat you without even letting you score a point.

MCCREE: i was hungover

REAPER: So was I.

GENJI: do we still have that ping pong table?

WINSTON: It should be folded away in storage.

SOMBRA: Its not

GENJI: ?

SOMBRA: angela and fareeha were fucking on it one night and it broke
LUCIO: LMAO

PHARAH: How the fuck do you even know that?

SOMBRA: once again i have access to all your cameras
SOMBRA: yes, theres even cameras in the storage room

GENJI: hawt

REAPER: Why can't we keep things intact?

MCCREE: you should talk
MCCREE: i remember what you did to the fridge

REAPER: I don't...

MCCREE: exactly

REAPER: I liked that Ping Pong table.

GENJI: yeah
GENJI: and liao and i liked the pool table

REINHARDT: I'm not apologizing.

REAPER: What am I supposed to do for entertainment now?

ANA: That's easy
ANA: U used to play ping pong
ANA: Now u can ping jacks pong

LUCIO: LMAO!!!!!!

REINHARDT: Good Heavens.

MCCREE: god almighty

WINSTON: Can we stop with this?
WINSTON: Mental Bleach isn't a thing yet.

TRACER: normal bleach is though!

WINSTON: I'm not that desperate yet.

GENJI: yet

76: Are we done here?

WINSTON: Just about.

LUCIO: were never done
LUCIO: something new will always come up

MERCY: If it was up to me, I would just lock all of you in padded rooms for the rest of your lives.

D.VA: well thank god its not up to you
WINSTON: It might be soon enough.
WINSTON: It's anyone's guess how much longer I'll last.

JESSE: hey look genji dropped a bunch of snakes into my bed when i was sleeping last night
JESSE: if you have any idea about how i can get back at him id appreciate it

HANZO: You don't actually believe that I'm going to help you prank my own brother, do you?

JESSE: i was kinda hoping you would?

HANZO: ...
HANZO: He's afraid of spiders.
HANZO: Especially Tarantulas.
HANZO: You didn't hear this from me.

MCCREE: i didnt admit to anything

WINSTON: If that's the case...
WINSTON: Genji, I can't say you didn't ask for this.

GENJI: IM GONNA DIE

TRACER: hasnt stopped you before!

MCCREE: he started it

PHARAH: Those snakes weren't even dangerous.
PHARAH: None of them were venomous and they were all babies.

MCCREE: i found out that genji was afraid of spiders and i took advantage of it

REAPER: Well, who wouldn't be?

MERCY: What do you mean?

WINSTON: Jesse, you'll be paying for this.

MCCREE: hold on a damn minute

WINSTON: I don't care if he started it.
WINSTON: You're paying for the repairs.

MCCREE: unfair

LUCIO: it sounds fair to me

REAPER: I think we've all learned a valuable lesson here today.

REINHARDT: Just one?

ANA: Weve learned nothing valuable here today

REAPER: Incorrect.
REAPER: We've learned that Genji is afraid of spiders and Jesse is afraid of snakes.
REAPER: Keep that in mind the next time they do something wrong.

MCCREE: fuck no wait
GENJI: good job jesse

LUCIO: im afraid of needles

D.VA: im afraid of bad wifi

REINHARDT: I'm afraid of visualizing what goes on in Fareeha's room when Angela's there.

SOMBRA: one of these things is not like the other

PHARAH: Haters gonna hate.

76: We're far past hating at this point.
76: I don't even know how much further down that path we can go.

ANA: I dont know what was worse
ANA: When u were too self conscious to discuss ur relationship with angela
ANA: Or now
ANA: Where u have no shame and discuss what u do on a daily basis

PHARAH: You stick to your relationship, and I'll stick to mine.

ANA: Fair enough

REAPER: Besides killing the romantic mood.

EMILY: I've had a lot that I needed to take care of. 
EMILY: I didn't have time to constantly rejoin the chatroom. 

WINSTON: Emily, although I'd highly advise against it, the offer is on the table if you wish to join us. 

EMILY: I can drive with Lena, right?

WINSTON: 

LUCIO: that doesn't mean I want to spend it

WINSTON: You just dropped well over fifty thousand dollars in expenses for this trip and you're really going to say that?

ANA: What i would give to be in his spot rn

LUCIO: ana this song is amazing

ANA: NOTHING IS AMAZING AFTER THREE STRAIGHT HOURS FUCK U

WIDOWMAKER: Our ride has been very easy so far.
WIDOWMAKER: We've killed the time mainly by talking about how much we despise the rest of you.

D.VA: petty af

WIDOWMAKER: Deal with it.

MEI: We're okay.
MEI: Hana and Sombra have been playing Mario Kart on the switch for most of the ride so it's been halfway decent.

GENJI: halfway?

MEI: The other half consists of them screaming at each other for using a blue shell which is then followed by them making out to forgive each other.

REAPER: Sounds like a healthy relationship.

GENJI: yeah wait until sombra starts cheating
GENJI: then hanas gonna be plotting her death

JUNKRAT: ROADIE MY LEG IS CRAMPING

ROADHOG: i dont care

LUCIO: are you texting and driving?

ORISA: Personally, I don't think they're that bad.

MERCY: Does Jack actually still listen to Coldplay?

D.VA: what the fuck is coldplay?

WINSTON: Unfortunately, yes.

76: I will respond to your text once I finish driving.

JUNKRAT: LMAO IT STRIKES AGAIN

MEI: Winston, what would you even want to listen to?

WINSTON: ...
WINSTON: The Gorillaz.

MCCREE: should've fucking seen that coming

GENJI: yeah really

ANA: Anythings better than fucking crazy frog which JUST FUCKING CAME ON AGAIN OMG

LUCIO: give yourself to the rhythm grandma

ANA: FUCK U

LUCIO: oh heads up folks
LUCIO: waze is telling me that we're gonna be backed up for about fifteen miles so i hope everyones comfortable

JUNKRAT: IM NOT

MCCREE: im gonna fucking shoot myself

ANA: Me too

SOMBRA: HANA IF YOU FUCKING HIT WITH ME WITH THAT BLUE SHELL I WILL
D.VA: DO IT YOU WONT
MEI: Both of you stop it right now!

GENJI: FREEDOM
MCCREE: I THOUGHT IT WOULD NEVER END
LUCIO: lol guys this is only the first stop
MCCREE: FUCK YOU
WINSTON: How are Hana and Sombra?
MEI: They'll defrost eventually.
ZARYA: I am tired of puny gremlin and her girlfriend causing distraction.
WINSTON: Good enough for me.
LUCIO: anyone seen jack and reaper?
LUCIO: or mercy and pharah?
LUCIO: or emily and tracer?
MCCREE: i think you know the answer to that by now
LUCIO: wtf we literally just stopped like two minutes ago?
GENJI: hana and sombra prob wouldve joined them if they werent frozen
LUCIO: okay so while the six of them are being gay what else do we have?
HANZO: Are we the only ones who had a normal ride?
WINSTON: Just about, yes.
REINHARDT: Our ride was pretty normal.
REINHARDT: It consisted of one song being played at deafening volumes, but it was pretty normal.
ANA: I want to switch cars
LUCIO: too bad
MCCREE: where are we anyway?
LUCIO: barcelona!
MCCREE: what the fuck are we doing in barcelona?
LUCIO: its a roadtrip mccree were just touring the city
MCCREE: i still say we shouldve stayed home
MCCREE: or at least taken the FUCKING ORCA
LUCIO: that takes away from the experience
LUCIO: come on its more fun this way

GENJI: u wouldn't have said that if u were in our car

ZARYA: Or Ours.

WINSTON: Or Ours.

LUCIO: fine whatever
LUCIO: but come on just enjoy it
LUCIO: i booked the hotel for two days we have plenty of time to see the sights and just hang

MCCREE: literally none of us want to be here

LUCIO: tough shit

WIDOWMAKER: Hanzo, Satya, and I are going to visit the bars.
WIDOWMAKER: Bastion will be coming with us.

MEI: But he's an omnic...

WINSTON: People aren't going to like seeing an omnic around here.

WIDOWMAKER: I don't care what these people think.
WIDOWMAKER: Bastion is coming with us and that's final.

BASTION: :)

MCCREE: imagine that

GENJI: yeah really the three of them like a fucking omnic more than us

ZARYA: Even I like omnic more than you.

GENJI: ouch
GENJI: @MERCY
GENJI: i need healing

MCCREE: ill be a while before she answers that call

WINSTON: I'm going to bed.

LUCIO: dude its like 2 in the afternoon why?

WINSTON: Because we've been driving for ten plus hours and I'm completely exhausted.
WINSTON: Is that good enough for you?

LUCIO: i guess

MCCREE: this was still a bad idea

LUCIO: well were here now so deal with it

GENJI: i refuse to have fun

LUCIO: fine
LUCIO: then you can go fuck yourself
GENJI: no i cant
GENJI: because in this scenario
GENJI: that would qualify as fun and i refuse to have fun

LUCIO: ... 
LUCIO: this is what i get for trying to do something nice for you?

MCCREE: yes

LUCIO: fine ill go have fun like i planned and you two can sit here and do whatever you do

[LUCIO] left chatroom [ROADTRIP BITCHES!]

MCCREE: ...
GENJI: ...
MCCREE: ...
GENJI: ...
MCCREE: ...
MCCREE: @GENJI
MCCREE: wanna go see if theres an arcade around?

GENJI: FUCK YES

[JESSE MCCREE] left chatroom [ROADTRIP BITCHES!]
[GENJI SHIMADA] left chatroom [ROADTRIP BITCHES!]

ZARYA: This will not end well for anyone.
MEI: Probably not.
MEI: But that doesn't mean we can't enjoy ourselves!

ZARYA: Let's go explore city.
MEI: Okay!

[MEI-LING ZHOU] left chatroom [ROADTRIP BITCHES!]

[JUNKRAT] left chatroom [ROADTRIP BITCHES!]
JUNKRAT: UH MATES?
JUNKRAT: IM STILL IN THE TRUNK?
JUNKRAT: DOES SOMEONE WANNA COME GET ME OUT?
JUNKRAT: PLEASE?

Chapter End Notes
So, for those wondering, there are going to be multiple parts to this chapter. This is by far the shortest and least interesting one, so I hope you guys are ready for the next parts. And, as always, I hope you all enjoy!
76: Seriously?

MCCREE: he took my fucking tokens

MERCY: Jesse, he was eight years old.
MERCY: He was just trying to have fun.

MCCREE: i was too
MCCREE: that doesn't mean that he's innocent

REINHARDT: He's not the one who punched a child for picking up a stray token.

MCCREE: it was my fucking token

WINSTON: We really can't bring you two anywhere, can we?

REINHARDT: Clearly not.

MCCREE: why am i getting all the blame here?
MCCREE: at least im not the one who got arrested

76: You were just as guilty as Genji was.

GENJI: i acted in self defense

76: You pulled out your Dragonblade on an eight year old and his parents.

GENJI: in self defense

PHARAH: What exactly was a family of three going to do to a cyborg with ninja training?

GENJI: obv steal my tokens

76: Un-fucking-real.

ANA: U two are so much like liao its not even funny

REAPER: Don't insult Liao like that.
REAPER: He was never this bad.

REINHARDT: Debatable.

MCCREE: im not apologizing

WINSTON: Well, now you're both under house arrest.
WINSTON: You're very lucky that Jack and I were able to talk the family out of a lawsuit.

GENJI: no shame

MERCY: You should have a lot of shame.
MCCREE: you should talk
MCCREE: at least i didnt traumatize a pre-school class by fucking on their playground equipment

PHARAH: No one can prove that we did that.

SONBRA:

[attached image: heylookmercyandpharahareonthenews.png]

PHARAH: I hate you.

SONBRA: you had it coming

WINSTON: What is wrong with all of you?
WINSTON: Especially you, Angela.
WINSTON: You're the one I expect this from the least!

MERCY: I gave in to temptation.
MERCY: Blame Fareeha.

PHARAH: You literally said to me, "Let's find a discrete but unorthodox place to fuck."

LUCIO: lmfao

WINSTON: Why do you do the things you do?

REINHARDT: @LUCIO
REINHARDT: This is why the roadtrip was a terrible idea.

LUCIO: hey im having fun
LUCIO: zen and i have been hanging out in the city and signing autographs all day

ZENYATTA: The people of Barcelona are very accepting of Omnics.
ZENYATTA: It's very comforting.

WINSTON: Okay, besides our usual suspects...
WINSTON: What's @EVERYONE else up to?

HANZO: Satya, Widowmaker, and I are at Starbucks.

GENJI: why r u such a basic white bitch?

HANZO: Because I have you as a brother.

MCCREE: you literally said you were going to the bars and now youre at starbucks?

HANZO: We decided it wasn't smart to overindulge.

WIDOWMAKER: The best wine is only available in France anyway.
WIDOWMAKER: There's no point in wasting my time with Spanish wine.

SONBRA: dont knock it til you try it

WIDOWMAKER: I have tried it.
WIDOWMAKER: It was the second worse thing I've ever experienced.
GENJI: what was the first?

WIDOWMAKER: ...Think about it for a second.

GENJI: fuck right okay my bad

MEI: Zarya and I are exploring the city!
MEI: It's really a beautiful place.

GENJI: i wouldnt know
GENJI: ive only seen the arcade, the hotel, and the walls of a jail cell

MEI: ...
MEI: Did something happen?

LUCIO: have you been reading the chat?

MEI: Yes and no.
MEI: I'm more focused on taking in the sights so I've been skimming through this.

GENJI: its not important

HANZO: Who got you out of there anyway?

SOMBRA: i did
SOMBRA: because none of you apparently know how to speak spanish

76: Well yeah, I could've told you that being from Indiana and all.

SOMBRA: do they not teach spanish in school anymore?

76: You don't honestly expect me to remember a language I spent half a semester studying in middle school, do you?

SOMBRA: i guess i expect too much from you

REAPER: I can speak Spanish.

MCCREE: the last thing anyone needs is a wanted terrorist showing up at the police station to bail out a psychotic cyborg ninja

EMILY: That reminds me, how are you all in public right now?
EMILY: Isn't Overwatch illegal?

WINSTON: We just need to be conscious of our surroundings.
WINSTON: Overwatch activity is illegal but if we just act normally then I think we'll be fine.

ANA: Ha
ANA: Normally
ANA: Ur dreaming

D.VA: yeah but that still doesnt explain reaper and widow
D.VA: theyre actual terrorists

WIDOWMAKER: Rude.
REAPER: Don't question my methods child.

D.VA: im fucking 19

REAPER: And you're still the youngest one here.

WINSTON: Wait...
WINSTON: Where's Junkrat?

ROADHOG: hes still in the trunk
ROADHOG: i am not letting him out of that car

REINHARDT: Wise Decision.

ANA: Roadhog is low key the smartest one here

SYMMETRA: So, what's on the itinerary for the rest of the day?

LUCIO: not much honestly
LUCIO: we have dinner reservations at 6

WIDOWMAKER: Please don't make me eat any of this food.

SOMBRA: you act like its going to kill you

WIDOWMAKER: It might as well.

LUCIO: up until then i guess were free to do whatever we want

76: Except you two @GENJI @JESSE

GENJI: bruh
GENJI: self defense

MCCREE: if he just wouldve let me keep my token none of this would have happened

WINSTON: I'll be resuming my nap.
WINSTON: Don't let it be interrupted this time.

[WINSTON] left chatroom [ROADTRIP BITCHES!]

GENJI: i feel like im being wrongfully punished

REAPER: This is completely justified.

GENJI: when do angela and fareeha get punished for emotionally scarring five year olds?

76: Another time.

MCCREE: the system of justice on this team is fucking terrible

REINHARDT: This has been the case for many years.
REINHARDT: You're still going to have to deal with it.
PRIVATE CORRESPONDENCE

JESSE: so were totally sneaking out right?

GENJI: oh yeah
GENJI: let me get my window open and ill come down to get u

JESSE: dont bother
JESSE: i already picked the lock on my door

GENJI: ...how?

JESSE: i was part of a gang genji
JESSE: i have a ton of little skills like this

GENJI: fair enough
GENJI: back to the arcade?

JESSE: nah theyll id us immediately
JESSE: lets see if we can get into the amusement park

GENJI: pff
GENJI: of course we can get into the park
GENJI: ill meet u in the lobby in five minutes

JESSE: already there

GENJI: damn ur good

JESSE: dont ever forget it

________________________________

WINSTON: I am absolutely in disbelief.

76: WE PUT YOU UNDER FUCKING HOUSE ARREST FOR A REASON!

MCCREE: this is your fault for actually believing that you could keep us contained

MERCY: I guess we'll have to postpone those dinner reservations?

PHARAH: Those poor kids...

GENJI: it was their fault
GENJI: how was i supposed to know that they were that stupid?

REINHARDT: They're children, Genji.
REINHARDT: They're not old enough to comprehend that not everything is meant to be taken literally.

REAPER: What the fuck happened now?

MCCREE: id rather not say

ANA: Say it
GENJI: no
D.VA: can i tell it?
MCCREE: please dont
PHARAH: Really, no one wants to hear this.
D.VA: so mccree and genji snuck out of their rooms and into the park and when they got in line for the roller coaster they told the kids in front of them that if they didnt put their seatbelts on the roller coaster would go faster so the kids unclipped themselves in the middle of the ride and immediately got launched out of their seats and fell like 30 feet to the ground
REAPER: ...
EMILY: Oh my goodness.
LUCIO: what the fuck is wrong with you two?
GENJI: like i was supposed to know that these kids were idiots
ZARYA: Never underestimate level of human stupidity.
SOMBRA: words to live by
MEI: Are...are they okay?
ANA: Define ok
MEI: Are they going to live?
SOMBRA: maybe
ANA: Currently unknown
LUCIO: yeah im sorry i paid for this dinner already im still going to it
ANA: What about jesse and genji?
WINSTON: I'll take care it.
WINSTON: Bastion, Jesse and Genji are now locked in the same room.
WINSTON: If, at any point, they attempt to escape, please fill them with bullets until they stop moving.
BASTION: ...
BASTION: (■_■)
MCCREE: fuck
GENJI: welp it was nice knowing u all
76: Lucio, you do understand that we're going to have to cut this trip to Barcelona short right?
LUCIO: we can leave after dinner
LUCIO: its better than getting run out of town
D.VA: are we bringing junkrat to dinner?
ROADHOG: only if you want all your food barbecued

SOMBRA: yeah hes not coming

ANA: Is he still locked in the trunk?

JUNKRAT: YES

LUCIO: dude
LUCIO: what are you doing to him?

ROADHOG: none of you realize the potential for danger if i let him out

JUNKRAT: I JUST WANT TO SEE THE CITY MATE

ROADHOG: i dont care

PHARAH: What are we going to do about Orisa?

WINSTON: She can come to dinner if she wants.
WINSTON: Or she can guard Jesse and Genji with Bastion.

ORISA: I think Bastion will need my help.
ORISA: I will guard with him.

MCCREE: well i guess were gonna die

GENJI: dont worry i already have

SYMMETRA: We're on vacation, you two.
SYMMETRA: Can you at least pretend to behave?

MCCREE: its more fun this way

REAPER: Yeah, it'll be really fun when you both get arrested.

WINSTON: Again.

76: And this time we're not going to bail you out.

GENJI: u r all so cruel

MEI: I'd say you're very lucky that the police officers were understanding.

D.VA: doesnt mccree have a bounty on his head?

MCCREE: dont worry about it

REINHARDT: Lucio, we are just the wrong group of people to take out anywhere.

LUCIO: i thought if i could mature for a couple of weeks so could everyone else

ANA: U clearly dont know genji and jesse

MERCY: The only person in the world more childish than them was Liao.

TRACER: and everything they do is because of him!
MCCREE: without liao genji and i are nothing
SOMBRA: arent you both like 40?
MCCREE: im 37
GENJI: im 35
SOMBRA: thats not any better
SOMBRA: you act like children
MCCREE: you should talk
GENJI: yeah i saw u hack the vending machine in the lobby to just keep spitting out snacks
WINSTON: That was you?
SOMBRA: theres no proof of that
SOMBRA: i made sure to delete all of it
D.VA: i wanted chips
SOMBRA: she wanted chips
SOMBRA: i must treat my lady right
LUCIO: gay
D.VA: youre just jelly
LUCIO: not really
SOMBRA: hes kinda jelly
REINHARDT: Please stop saying that.
REINHARDT: That went out of style before I was born.
SOMBRA: were bringing it back
ANA: Dont
ANA: It wasnt funny when it was in style either
HANZO: Nothing any of you do is funny anyway.
D.VA: you just dont have a sense of humor
GENJI: yeah i couldve told u that
GENJI: im related to him
HANZO: You don't know that.
HANZO: Mother was known for her promiscuity.
SOMBRA: lol
GENJI: isnt that y dad had her killed?
HANZO: She had a heart attack...
GENJI: that's what dad wanted u to think
WINSTON: This took a very dark turn.
ANA: When doesn't it tho?
LUCIO: okay enough of this
LUCIO: dinners in ten minutes
LUCIO: everyone meet in the lobby
76: Except you two @JESSE @GENJI
MCCREE: can we talk about this?
REAPER: **Sure.**
REAPER: **You're not coming.**
GENJI: who put u in charge?
REAPER: **I just appointed myself.**
MCCREE: this isn't a democracy anymore now we're just bordering on a dictatorship
D.VA: since when was lucio the mature one?
LUCIO: since i wanted to go on vacation and had to pay for it
WINSTON: It's not fun when it's your money being wasted, is it?
LUCIO: not really no
LUCIO: i have a new found respect for you winston
WINSTON: As long as someone does.
JUNKRAT: ARE YOU SURE I CANT COME TO DINNER?
ROADHOG: you are not leaving that car
JUNKRAT: I JUST WANT SOMETHING TO EAT MATE
ROADHOG: ill bring you some leftovers
JUNKRAT: WHY CANT I JUST COME?
ROADHOG: because i know you
LUCIO: clocks ticking kids
LUCIO: if you're not here im leaving without you

______________________________

WIDOWMAKER: That was the worst dinner ever.
REINHARDT: I'm going to puke.
SOMBRA: no taste
76: There are hundreds of restaurants in Barcelona alone.
76: And THAT was the best you could find?

LUCIO: this is the last time i do anything nice for any of you

ROADHOG: i liked it

REAPER: How?

ROADHOG: i spent years eating radiated scraps in the outback
ROADHOG: i could fish things out of dumpsters that taste good compared to that

ZARYA: You all have weak stomachs.

TRACER: sorry that we cant all be russian luv!

EMILY: I honestly didn't think it was that bad.

HANZO: Did someone burn your taste buds off when you were a child?

EMILY: No.
EMILY: I just like food.

MEI: That wasn't food.

SOMBRA: just because you dont like it doesnt mean it wasnt good

D.VA: babe it wasnt good
D.VA: like at all
D.VA: like ive thrown up things that tasted better than that

SOMBRA: i love you
SOMBRA: but youre wrong

LUCIO: has anyone seen ana?

REINHARDT: Currently being sick in the bathroom.

MERCY: Same with Fareeha.

REAPER: Those two are from Egypt how can they not handle Spanish food?

WIDOWMAKER: Spanish food is the worst thing anyone can ever eat.

REAPER: You've clearly never eaten MREs.

76: Please stop talking about those.
76: I still gag every time someone mentions meatloaf.

LUCIO: meatloaf

76: *insert gagging sound here*

WINSTON: Certainly not the greatest dinner I've ever had.
WINSTON: But it wasn't the worst either.
SYMMETRA: You're a gorilla.
WINSTON: What's that supposed to mean?
SOMBRA: you eat like shit anyway
WINSTON: Well then.
D.VA: uh...
REAPER: What?
D.VA: i have some bad news
TRACER: please dont
MEI: Yeah really, we just barely survived dinner.
D.VA: mccree and genji are gone
D.VA: and so are bastion and orisa
76: You've got to be kidding me.
WINSTON: I gave Bastion one order...
REAPER: Where do you think they went?
SOMBRA: well if the internets any indication
SOMBRA: they might have something to do with the fire downtown
76: This isn't happening.
MERCY: It's Jesse and Genji, Jack.
MERCY: Do you expect anything less?
76: I'll get them.
REAPER: I'm coming.
MERCY: Don't kill them.
REAPER: No promises.

MCCREE: i told you we didnt do it
76: I don't care anymore.
76: Everyone in the cars.
76: We're out of here.
ZARYA: What did cowboy and ninja do now?
REAPER: They started a fire in one of the shops downtown.
GENJI: it wasnt us...
76: You don't really expect us to believe that, do you?

ORISA: I can vouch for them, Commander.

MCCREE: he aint your commander anymore

76: Shut up!

ORISA: They didn't start the fire.
ORISA: They even tried to extinguish it.
ORISA: In fact, if it wasn't for them, those two children very likely could have been injured.

REAPER: ...

MCCREE: i fucking told you

WINSTON: Then what started the fire?

GENJI: fuck if we know
GENJI: were just telling u that we didnt do it

MERCY: Was anyone hurt?

MCCREE: besides genji and i being tackled by reyes and jack?
MCCREE: not really

MERCY: Okay, that's good.

REAPER: You and Bastion were supposed to be watching them

76: How did they get out?

ZENYATTA: You both seem to forget that Jesse is Bastion's favorite.
ZENYATTA: I'm sure it didn't take much convincing to allow Genji and Jesse to leave.

76: Orisa, why didn't you stop them?

ORISA: I wanted to see the city too!

REAPER: Unbelievable.

MEI: Are we really leaving already?

76: I don't think any of us want to be in Barcelona anymore.
76: We need actual food.

SOMBRA: you wont find it anywhere but here

WIDOWMAKER: I could eat dirt from the ground in Australia that tastes better than the food made here.

ROADHOG: its true

SOMBRA: i hate all of you

LUCIO: aight i guess were leaving
LUCIO: everyone get in the cars

ANA: I JUST SPENT HALF AN HOUR BARFING MY GUTS OUT IM NOT GETTING BACK IN A CAR

REINHARDT: I'm afraid you don't have a choice.
REINHARDT: We need to go.

ANA: IM ESPECIALLY NOT GETTING IN A CAR WITH U AND LUCIO

LUCIO: we wont play crazy frog anymore i promise

ANA: ...
ANA: Im holding u to that

D.VA: someones gonna have to get tracer and emily

WINSTON: And where are they?
D.VA: fucking in their hotel room

76: For fuck's sake.
D.VA: literally

TRACER: OI STOP WERE COMING

EMILY: We'll be down shortly.

LUCIO: gay

EMILY: You are so right.

REINHARDT: EVERYONE IN!
REINHARDT: TIME FOR THE NEXT PART OF OUR ADVENTURE!

MCCREE: yeah an adventure through hell

REAPER: Hell would be preferable to this.

ANA: dont turn crazy frog on again

LUCIO: i already promised i wouldnt

____________________________________

ANA: THATS IT
ANA: IM JUMPING

LUCIO: good luck
LUCIO: i locked the doors

ANA: AKLGLSHGLKSNVGLVLBSALBAIUGWL

SYMMETRA: What are you two doing to her?

LUCIO: were not playing crazy frog if thats what youre wondering
ANA: THE GUMMY BEAR SONG IS WORSE

LUCIO: debatable

MERCY: You and Reinhardt are so cruel.

LUCIO: hey this song is a masterpiece

ANA: IM GONNA KILL U
ANA: AND THEN IM GONNA HAVE ANGELA REZ U
ANA: SO I CAN KILL U HARDER

GENJI: kill me harder daddy

LUCIO: LMAO

MCCREE: in this case i think the correct term is kill me harder grandmommy

D.VA: FUCKING DEAD

SOMBRA: OMG

REAPER: **God fucking dammit.**

WINSTON: Please stop this.

GENJI: never

ANA: I DONT WANT TO DO THIS ANYMORE!

LUCIO: tough
LUCIO: we still have four hours until we get to paris

WIDOWMAKER: We should've just gone to Paris and ignored everything else.

JUNKRAT: ROADIE CAN I AT LEAST STRETCH MY LEG?

ROADHOG: no

JUNKRAT: WHY MATE IM BEING GOOD

ROADHOG: thats because im keeping you locked in the trunk
ROADHOG: you would stop being good if i let you out

JUNKRAT: PLS MATE IT HURTS

ROADHOG: pain is temporary

JUNKRAT: WHAT HAVE I DONE TO DESERVE THIS?

ROADHOG: exist

LUCIO: burn

ANA: LUCIO TURN IT OFF

LUCIO: would you like me to go back to the gummy bear song?
ANA: I DON'T EVEN KNOW ANYMORE
ANA: ALL ABOUT THAT BASS ACTUALLY CAUSES ME PHYSICAL PAIN

MCCREE: yall are evil

LUCIO: it was reinhardts idea

GENJI: hes not getting any tonight

MERCY: He's probably not getting any for the rest of his life if he keeps this up.

ANA: @WINSTON
ANA: WHY DID U AGREE TO THIS?

WINSTON: It's enjoyable to see you all suffer.
WINSTON: Now you know what you put me through.

ANA: FUCK

LUCIO: FEEL IT
LUCIO: FEEEEEEEEEL IT

ANA: IN A MINUTE THE ONLY THING IM GONNA FEEL IS MY FIST CONNECTING WITH UR JAW

MERCY: I'm not going to set it back into place when she breaks it.

LUCIO: worth it

SYMMETRA: This was such a terrible idea.

MCCREE: just about everything we do is a bad idea

MEI: Next time, we should just leave all the children at home.

WINSTON: I think that's less good.

REAPER: I think we should just lock all of them in one room and see who comes out alive.

WIDOWMAKER: Hopefully none of them.

ANA: I THINK LUCIO NEEDS TO DIE

LUCIO: keep tempting me ana
LUCIO: ill put the macarena on next

ANA: ILL FUCKING END U

D.VA: take pics

TRACER: are we there yet?

SYMMETRA: At this rate, we'll all be dead before we get there.

MERCY: At this point, maybe that's the best thing.

GENJI: speak for urself
ANA: HE DID IT
ANA: HE ACTUALLY JUST DID IT
ANA: GIVE ME THAT FUCKING AUX CORD

LUCIO: *Dale a tu cuerpo alegría Macarena!*

D.VA: rip lucio

MCCREE: fuck you

MEI: I find it amazing how the car with the least amount of people is the one causing the most trouble.

GENJI: im afraid to act up
GENJI: i feel like roadhog might eat me

ROADHOG: thats the least you have to worry about

EMILY: I need to hang out with you lot more often.

MCCREE: no you dont
MCCREE: we havent even scratched the surface of how bad it gets around us

EMILY: That's very hard to believe.

D.VA: believe it
D.VA: wait until you see what ana does to lucio

EMILY: She's not going to kill him, is she?

MERCY: It's hard to tell with Ana.
MERCY: But I imagine Lucio isn't going to be in the best shape.

GENJI: its his own fault

MERCY: Yes, it is.
MERCY: But hopefully Ana knows better than to kill him.

GENJI: dont get ur hopes up

Chapter End Notes

A friend of mine serves as the inspiration for Lucio in this chapter. That's pretty much the reason why I refuse to get in the car with him anymore.
overwatch roadtrip part 3

REINHARDT: I guess that's the end of our road trip?

WINSTON: Why are you two like this?

MCCREE: i didnt even fucking do anything
MCCREE: it was all genji

GENJI: i disagree

D.VA: i saw you do it

GENJI: U SAW NOTHING

MERCY: Half the city saw it.
MERCY: News stations in other countries are seeing it right now.

GENJI: it was a dare

76: Just because someone dares you doesn't mean you should do it.

GENJI: blame jesse

MCCREE: i had nothing to do with this

REAPER: You always have something to do with these things.

MCCREE: but i didnt this time

ANA: @HANZO
ANA: Why is ur brother this way?

HANZO: There's several contributing factors.
HANZO: The main problem could most likely be traced back to when our father dropped him on his head.
HANZO: Twice.

GENJI: u promised never to talk about this

HANZO: And you promised to stop causing problems during this trip.

GENJI: i cant say i remember agreeing to that

HANZO: Much like how I can't remember saying that I would keep that secret.

MEI: Does this mean we have to leave?

76: I'm afraid of keeping the two of them here.
76: They have a tendency to make things worse as time goes on.

MCCREE: once again i did nothing

WINSTON: Just because you did nothing this time doesn't mean you won't do something next time.
MCCREE: i want a lawyer
GENJI: i want a pretzel
REAPER: I want to go back in time and never accept either of you into Blackwatch.
MCCREE: harsh
MERCY: Was anyone hurt?
D.VA: besides genjis pride?
MERCY: I'm still patching Lucio up.
MERCY: I can't exactly jump to the rescue.
D.VA: ana really fucked him up huh?
ANA: I warned him to stop pushing my buttons
MERCY: Ana, you beat him unconscious with the butt of your rifle.
ANA: And in my position u would have done the same
ANA: Just be thankful i had enough common sense to keep him alive
MERCY: Was it really necessary?
ANA: ...
ANA: Let me tell u a little story
ANA: During the drive to barcelona he blasted crazy frog on repeat for the entire drive
ANA: Then on the way here he played the gummy bear song, all about that bass, the macarena, and
ANA: barbie girl in succession
ANA: no human being deserves to sit through that
SOMBRA: jesus christ
SOMBRA: i would've killed him
MERCY: Under no circumstances would killing him have been okay.
ANA: U werent there
GENJI: still not as bad as jesse blasting country music
MCCREE: fuck you
PHARAH: She's kind of justified.
MERCY: No she isn't.
D.VA: literally everyone here disagrees with you
MERCY: Murder is never an acceptable end to a problem.
GENJI: @HANZO
HANZO: Stop this.
PHARAH: My mom's very crazy about her music.
PHARAH: Pushing her is a bad idea. One time I tried playing Katy Perry while she was in the car and I got grounded for two months.

ANA: Katy Perry is literally a cancer on the music industry

REAPER: **Disagree.**

ANA: Fuck u and ur shitty fucking music tastes

76: Gabe, you do have really bad tastes in music.

REAPER: **What's wrong with Adele?**

ANA: Fucking everything

D.VA: Is no one else freaked out by the fact that the guy dressed in all black with a skull mask listens to pop music?

SOMBRA: not really babe
SOMBRA: i worked with him in talon all he ever did was play female pop artists that everyone hated

WINSTON: It was the same thing before Overwatch was disbanded.

76: He tried playing Rihanna as a way to set the romantic mood.

GENJI: ew

HANZO: I didn't need to hear that.

REAPER: **The fucking people you listen to sound more like women than the actual women I listen to.**

76: Axl Rose and Geddy Lee can actually sing.
76: Unlike everyone you play.

D.VA: god youre so old

76: Old music is superior to all.

MCCREE: if you say so

GENJI: fuck u and ur country music

SYMMETRA: Honestly, I think I'm on Captain Amari's side here.
SYMMETRA: You can't play music like that and not expect to face the consequences.

ANA: See even satya knows how shitty it is

D.VA: how the hell did reinhardt come out of this unscathed?

REINHARDT: I'm an eight foot tall German in Power Armor.
REINHARDT: Brute Force isn't the best way to get through to me.

ANA: I have other ways of making him pay
ANA: Just wait
ANA: *cracks whip*

PHARAH: Ew.

D.VA: tmi

GENJI: thats kinky

MCCREE: STOP!

WINSTON: Whatever it is, just keep it in your room.

TRACER: oi mates whatd we miss?

GENJI: about the same

EMILY: You caused another problem?

GENJI: problem is such a strong word

76: He destroyed the elevator in the Eiffel Tower.

GENJI: i was dared

EMILY: Good Heavens, Genji.
EMILY: Why would you do such a thing?

GENJI: once again
GENJI: i was dared

WIDOWMAKER: That tower has survived two wars and the Omnic Crisis.
WIDOWMAKER: And it was severely damaged by one idiot cyborg who always has something to prove.

GENJI: no shame

WIDOWMAKER: You need shame.
WIDOWMAKER: It makes you a better person.

GENJI: says that assassin

WIDOWMAKER: If you keep talking, you'll be my most recent kill.

GENJI: hanzo wont let u do it

HANZO: I wouldn't bet money on that.

GENJI: bro
GENJI: y tho?

HANZO: It's not my job to protect you.

GENJI: yes it is
GENJI: thats literally what dad told u
GENJI: he said "u need to protect genji because he is not strong enough to protect himself" or
something like that

HANZO: That was 25 years ago.
HANZO: I'd like to think you can handle yourself now.

GENJI: u would be wrong

MEI: I'm sorry, but no one answered my question.
MEI: Does this mean that we need to leave now?

76: I think we do.
76: God only knows what'll happen if Jesse and Genji are allowed to keep wandering off.

MERCY: We should just be thankful that Liao isn't here to influence them further.

MCCREE: god i fucking miss that man

WIDOWMAKER: I'm not leaving.
WIDOWMAKER: France is my home and I intend to stay here as long as I can.

D.VA: you might as well
D.VA: lucio already paid for it

MEI: Zarya and I might stay for a little longer as well.

SOMBRA: but youre our ride...

ZARYA: Deal with it.
ZARYA: Find another way home then.

76: Is everyone accounted for?

WINSTON: We're just missing Roadhog, Junkrat, and Bastion.

BASTION: (´ • ● )´)

ROADHOG: bastions with me

WINSTON: And Junkrat?

ROADHOG: im sure you can guess where he is

76: The trunk again?

ROADHOG: yup

WINSTON: How in the world are you keeping him in there?

REAPER: Maybe we should do the same with Jesse and Genji.

ROADHOG: unlike the two of them junkrat isnt smart enough to get himself out

JUNKRAT: OI IM PRETTY SMART

ROADHOG: no youre not

JUNKRAT: WHY CANT I JUST GO SEE THE TOWER?
ROADHOG: because if you're anything like Genji you'll destroy it

JUNKRAT: I'M NOT THAT BAD MATE

ROADHOG: you are

76: Okay, so who's staying?

ZARYA: Mei and I.

HANZO: Satya, Widowmaker, and I are staying for the time being.
HANZO: Bastion can stay if he wants.

BASTION: :D

WINSTON: So everyone else is coming back?

MCCREE: i aint got much of a choice

GENJI: same

LUCIO: i cant feel my face

ANA: Good

WINSTON: Okay, we'll head out then.
WINSTON: You five keep in touch and let us know when you're coming back.

MEI: We'll probably stay for another day and head back.
MEI: We just wanted to see the whole city.

WIDOWMAKER: We'll be back by the end of the week.
WIDOWMAKER: Being back here is much better than either the Watchpoint or Talon's Headquarters.

76: I can't entirely disagree with that.

LUCIO: were leaving already?

WINSTON: This was doomed to fail from the start and you know it.

LUCIO: i guess you're right
LUCIO: i call shotgun

ANA: If u sit shotgun i will actually kill u this time around

LUCIO: well then i guess ill sit in the back and say nothing else
ANNA: Yeah u better fucking do that

REINHARDT: This drive back is going to be infinitely worse than all of the other drives.

MCCREE: i still dont see why we couldnt take the fucking orca

D.VA: prob because lenas the only certified pilot and shes always too busy fucking emily anyway

TRACER: oi shes pretty leave me alone
EMILY: You're not wrong.

LUCIO: gay

EMILY: You know better than I do that, if given the chance, you'd do the same thing.

LUCIO: ...okay but

WINSTON: Get in the cars.
WINSTON: We are leaving.

---------------------------------------------

LUCIO: what the fuck is this?

ANA: This is called killswitch engage
ANA: Otherwise known as an actual good band

LUCIO: whats with all the screaming?

76: Oh god, she's playing that again?

ANA: Fuck u jack its good

LUCIO: i dont even know what theyre saying

ANA: Ur clearly not paying attention

GENJI: anything is still better than jesse playing country

MCCREE: complaining about my music will not make me change it

GENJI: pls
GENJI: i cant handle this for twenty hours

MCCREE: deal with it

LUCIO: how has this guy not lost his voice?

ANA: Because he actually knows how to sing?

LUCIO: thats not singing
LUCIO: i dont even think thats music

REAPER: Thank you.

ANA: Fuck u

PHARAH: You didn't have to grow up listening to this stuff.

LUCIO: thank god because i wouldve killed myself

ANA: This is what u get for subjecting me to ur shitty meme music

LUCIO: why is reinhardt taking this so well?

MERCY: He's very open to other forms of music.
MERCY: Unlike the rest of us.

LUCIO: this isn't music

ANA: Fuck u
ANA: Have an open mind

LUCIO: my minds about to explode
LUCIO: this is way too loud

ANA: Now u know how it feels bitch

WINSTON: This is going to be a twenty plus hour drive, Lucio.
WINSTON: I hope you're prepared.

LUCIO: i see the mistakes in what ive done and im very sorry

ANA: Too bad
ANA: This is happening

LUCIO: make it stop

ANA: never

D.VA: rip lucio

MCCREE: fuck you

SOMBRA: HANA STOP IT WITH THE BLUE SHELLS

D.VA: JUST BECAUSE I LOVE YOU DOESNT MEAN IM GONNA LET YOU WIN

SOMBRA: ILL HACK THE GAME

D.VA: IF YOU HACK THIS GAME I WILL NOT HAVE SEX WITH YOU FOR THE REST OF THE MONTH

GENJI: hawt

WINSTON: This isn't private messaging, stop it.

REAPER: Why are you two messaging in here?
REAPER: You're in the same car.

D.VA: FUCK YOU

SOMBRA: oh so youll fuck him but not me?

MERCY: Please stop.

GENJI: ill fuck u sombra

D.VA: no ones allowed to fuck my girlfriend but me

WINSTON: This conversation got oddly sexual very quickly.

REAPER: As per the usual for Overwatch.
GENJI: dude have u seen sombra?
GENJI: hanas literally the luckiest person ever

SOMBRA: aw thanks

JUNKRAT: NOT AS LUCKY AS PHARAH

MERCY: Please stop.

LUCIO: anyone is luckier than i am rn
LUCIO: this noise is hurting my ears

ANA: Welcome to the club

LUCIO: this is what you listen to?

ANA: Fuck yes

LUCIO: how are you not deaf?

ANA: Because i dont subject myself to horrible sounding music

LUCIO: im gonna have to disagree

ANA: Too fucking bad

WINSTON: Just eighteen more hours, Lucio.

LUCIO: IM GONNA DIE

ANA: *GOOD

LUCIO: MY EARS ARE RINGING

ANA: THATS WHAT U GET

MERCY: At least we're all back now.

REINHARDT: That ride was much less chaotic than the other ones were.

MCCREE: our car was pretty average

WINSTON: That's not good.

76: If something's average around here, that usually means it's really bad anywhere else.

ZENYATTA: Our ride wasn't bad.
ZENYATTA: Genji and I continued playing cards.
ZENYATTA: Jesse controlled the radio.

GENJI: fucking asshole

ZENYATTA: And Roadhog drove very well.

ROADHOG: thanks
JUNKRAT: IT FEELS SO GOOD TO BE FREE

LUCIO: was he locked in the trunk for the entire trip?

ROADHOG: yes

LUCIO: why?

ROADHOG: once again
ROADHOG: none of you understand how dangerous it would've been to let him out

JUNKRAT: IM GONNA GO STRETCH MY LEG

ROADHOG: dont blow anything up or else im sticking you back in the trunk

JUNKRAT: PLS DONT

WINSTON: @HANZO @MEI
WINSTON: How are you all holding up?

MEI: Very well.
MEI: Zarya and I are going to head back in a few hours.

HANZO: We're doing well.
HANZO: It's amazing how much more relaxing it is once the children are gone.

76: Yes, you are very fortunate.

GENJI: i hope ur not talking about me
GENJI: im 35

HANZO: Why don't you try acting like it once and a while?

GENJI: lol no

HANZO: Exactly my point.

EMILY: Is it okay if I stick around for a few days?

LUCIO: depends
LUCIO: are you and tracer just going to fuck nonstop?

EMILY: ...That's none of your business.

TRACER: you bet we are!

GENJI: gay

MCCREE: gay

WINSTON: I don't mind having you around base, Emily.
WINSTON: Just as long as you can handle the craziness that comes with it.

EMILY: I'm sure it'll be fine.

76: It won't.
76: But okay.
GENJI: okay were finally back
GENJI: talon agents go home

REAPER: I will be going nowhere.

SOMBRA: fight me

GENJI: im joking...

REAPER: Smart.

D.VA: does talon even really exist anymore?
D.VA: i mean its three top agents have all basically defected to overwatch

REAPER: It's still active.
REAPER: Even though it doesn't do much anymore.

LUCIO: word

WINSTON: Well, I hope everyone enjoyed their trip.
WINSTON: Even though a certain group of someones resulted in it being cut short.

MCCREE: is he talking about us?

GENJI: of course hes talking about us
GENJI: even tho he seems to forget that mercy and pharah almost got arrested for fucking on the bridge of love

PHARAH: It's called the Bridge of Love for a reason.

WIDOWMAKER: It's actually called the Pont des Arts.
WIDOWMAKER: Which says nothing about Love.

PHARAH: No asked you.

WIDOWMAKER: I'm just trying to correct you.

LUCIO: well i learned a valuable lesson this week
LUCIO: never take overwatch in public

76: You've been here for well over a year and you're just now realizing this?

LUCIO: shut up

ANA: I hope u die

LUCIO: its just music
LUCIO: im already over it why arent you?

ANA: Because i cant get over something like this

PHARAH: Better be careful, Lucio.
PHARAH: My mother's well-known for holding grudges.

REINHARDT: This is very true.
LUCIO: well fuck
MCCREE: say your prayers kid
GENJI: prayers wont help you either
LUCIO: alright ill go fuck myself
ANA: Good

76: Ana's never really going to recover from this experience.
76: She's going to hold us all accountable.

WINSTON: I don't care.
WINSTON: Now she sees what I go through on a daily basis.

EMILY: I just came along for the ride...

ANA: U are literally the only one who didnt do anything wrong

EMILY: :)

ANA: Everyone else tho
ANA: They're in for it
ANA: Especially lucio

D.VA: rip

MCCREE: fucking shut up

REINHARDT: Maybe now, things can start getting back to normal?

GENJI: pls
GENJI: this is overwatch
GENJI: theres no such thing as normal here
Chapter Notes

See the end of the chapter for notes

76: Can we not do anything stupid this year?

MCCREE: do you honestly think i would fuck up my favorite holiday?

REAPER: Absolutely.

MCCREE: what would you know?

REAPER: I essentially raised you.
REAPER: You were like a son to me.

D.VA: cute

REAPER: Shut up.

LUCIO: do we get presents?

WINSTON: Overwatch had a tradition of exchanging Secret Santa gifts.
WINSTON: Unfortunately, I think we have far too many members to make it work properly this time around.

GENJI: boo

D.VA: we should do it anyway

MERCY: Secret Santa was always pretty fun.

PHARAH: My mom even let me come that one year.

ANA: That was the worst possible year i couldve taken u

MCCREE: was that the year liao got gerard the itching powder?

REINHARDT: That was the funniest thing I've ever seen.

76: No it wasn't.
76: It got on me too.

ANA: that
ANA: When kimiko got lena the expired taco

TRACER: i still ate it!

MCCREE: thats cause youre disgusting

ANA: Angela got gabe a rubber chicken

REAPER: I hate you.
MERCY: You were in tears because of how hard you were laughing.

REAPER: Those weren't tears of laughter.
REAPER: Those were tears of depression.

LUCIO: lmao

GENJI: liaos was the best tho

D.VA: the more you talk about this liao guy the more i wish he was here right now cause i would have loved him

ANA: Jesses present for liao was priceless
ANA: He got liao a shirt

LUCIO: boring

ANA: Let me finish
ANA: It said Daddys little princess

D.VA: holy fuck

ANA: With a picture of reinhardts face on the back

LUCIO: i almost just choked on my drink

MCCREE: wasnt that your idea jack?

76: I was there when it was being discussed, but no, I had no influence on it.

REINHARDT: I think it was Mirembe's idea.

REAPER: It was.

D.VA: god i wish i was around during the old overwatch days
D.VA: i wouldve had a blast

WINSTON: No you wouldn't have.

D.VA: dont be so sure

LUCIO: come on winston we have to do secret santa this year
LUCIO: keep the tradition going

WINSTON: I wouldn't mind keeping it going.
WINSTON: I just think that there's too many members.

REINHARDT: I'll organize it.

MCCREE: not again

GENJI: the last time u did that the only name u put in the hat was urs and everyone ended up buying a present for u

REINHARDT: And it was the best Christmas ever.
76: For you.

ANA: I'll keep an eye on him to make sure he doesn't cheat

MCCREE: you are the least qualified for that
MCCREE: i'm still mad about the poker game

ANA: U still cant prove anything

D.VA: i don't like you

ANA: Deal with it

WINSTON: I'm really not sure about this.

76: I don't think it matters.
76: You know that it's going to happen anyway.

WINSTON: I know.
WINSTON: Unfortunately.

REINHARDT: @EVERYONE
REINHARDT: SECRET SANTA DRAW WILL BE IN ONE HOUR IN THE COMMON ROOM
REINHARDT: BE THERE.

MEI: Secret Santa sounds like fun.

MCCREE: it wont be if genjis the one getting you a present

GENJI: hey my gifts are fun

MCCREE: said no one ever

HANZO: I'm not participating in this.

REINHARDT: You are.

D.VA: can talon come?

WINSTON: Why are you even asking me anymore?
WINSTON: You know just as well as I do that you're just going to bring them along anyway.

D.VA: i wanted to humor you

WINSTON: Stop it.

SOMBRA: gabe and i will be there
SOMBRA: ill get widow too

REAPER: Stop calling me that!

SOMBRA: its your name isn't it?

REAPER: Gabriel Reyes died a long time ago.
LUCIO: gay
REAPER: SILENCE!
REINHARDT: I'm serious.
REINHARDT: One hour.
REINHARDT: Whoever isn't here will be hunted down by Ana and none of you want that.

JUNKRAT: WAIT WE WERE SUPPOSED TO BUY GIFTS?

D.VA: looks like someones gonna have a very disappointing day
JUNKRAT: NAH DONT WORRY I PULLED MY OWN NAME OUT

REINHARDT: How in the world did you deal with this all these years?
ROADHOG: i have no idea
ROADHOG: i guess i just became numb to it all
LUCIO: can we open the presents now?
REINHARDT: That's why I asked if everyone was here.
HANZO: I still don't see why I needed to participate in this.
GENJI: can u lighten up for like ten minutes?
HANZO: No.
MCCREE: whos going first?

MCCREE: gag gifts are okay too
GENJI: just make sure u didnt buy it for ana or jack
MCCREE: yeah especially jack
MERCY: No one's allowed to buy him gag gifts after the hair spray.
76: DO NOT EVER SPEAK ABOUT IT AGAIN!
ANA: He didnt take that hat off for like three months
REINHARDT: How long did it take for your hair to grow back evenly?
76: TOO LONG!
LUCIO: off topic
LUCIO: whos next?
SYMMETRA: I guess I'll get mine over with.
SYMMETRA: My gift is for Winston.
D.VA: lucky for winston
WINSTON: A box of Peanut Butter?
WINSTON: With a side of bananas?
WINSTON: How very thoughtful, Satya.
WINSTON: Thank you very much.
SOMBRA: what a wholesome present
GENJI: yeah thats the only time well see that today

MCCREE: you have no idea

GENJI: OPEN IT!

REAPER: ...
REAPER: Seriously?

LUCIO: LMAO!!!

D.VA: DEAD

ANA: Saw that coming

REINHARDT: And just like that, the maturity has evaporated.

PHARAH: Genji, why?

GENJI: its funny okay?

REAPER: Lubricant?

GENJI: u could use some

LUCIO: I CANT FUCKING BREATHE

MCCREE: i said it was bad

REAPER: I guess I deserve this.

MERCY: That's an understatement.
LUCIO: STILL CANT STOP LAUGHING

MERCY: Should we move on, or should we give everyone a few moments?

LUCIO: GO ON WITHOUT ME

MERCY: Okay then.
MERCY: Hanzo, this one is for you.

HANZO: Hmph.
HANZO: ...
HANZO: For fuck’s sake.

LUCIO: I THINK IM ABOUT TO PUKE UP MY LUNGS

GENJI: OMG U ACTUALLY DID IT

MCCREE: what the fuck?

76: Where the fuck did you get that?

HANZO: Angela, this entire incident was just a rumor started by Genji and his friends when we were in primary school.

MERCY: I honestly had no other better ideas.

HANZO: I would've accepted nothing.

MERCY: If I gave you nothing I would've felt bad.

GENJI: ANGELA I FUCKING LOVE U SO MUCH MORE THAN U WILL EVER UNDERSTAND

PHARAH: Back off, son.

GENJI: sure thing mommy

MERCY: Don't use that term.
MERCY: She's only allowed to call me Mommy.

LUCIO: THATS IT I CANT ANYMORE

ANA: Angela stop

MERCY: Sorry, couldn't help myself.

HANZO: This is exactly why I didn't want to be a part of this.

MCCREE: hanzo is there something you want to tell us?

HANZO: I just explained it.

User [GENJI] changed chatroom name to [HANZO SHIMADA: FURRY CONNOISSEUR]

HANZO: I fucking hate you.

GENJI: eat it bitch!
SOMBRA: wait are you actually a furry?

HANZO: **NO!**

GENJI: he is
GENJI: i saw the files on his computer before he killed me

HANZO: **GENJI...**

GENJI: sometimes he would draw pictures of the dragons in fur suits

HANZO: **I'M WARNING YOU...**

D.VA: omg stop

GENJI: and then for halloween one year he dressed up as a furry and got splattered with paint by the neighbors

HANZO: ...
HANZO: **RYUU GA WAGE TEKI WO KURAU!**

GENJI: WAIT NO!

__________________________

WINSTON: I thought I could trust you, Hanzo.

HANZO: Up until that point, you could.
HANZO: This is why I request to be excluded from these things.

MCCREE: what the hell exploded

LUCIO: that was my present
LUCIO: i got jack six sticks of dynamite

76: ...Why?

LUCIO: cause

GENJI: i cant feel my legs

HANZO: Good.

MERCY: Must violence always be the solution?

HANZO: You've dealt with him just as long as I have.
HANZO: Unfortunately, yes.

ANA: Why do our holidays always end up like this?

REINHARDT: This is Overwatch.
REINHARDT: It's almost guaranteed.

LUCIO: overwatch holidays are always fun

SYMMETRA: Not all of us think that blowing stuff up is fun.
JUNKRAT: SPEAK FOR URSELF
ROADHOG: merry christmas?
TRACER: merry christmas!
76: Merry Christmas.
76: I guess.
GENJI: i need healing
MERCY: One of these days, Genji, I swear I'm going to let you writhe in agony.
GENJI: pls dont
WINSTON: I can't believe any of you.
D.VA: this has been going on for way too long
D.VA: you need to get used to it
WINSTON: I don't think it's possible to get used to all of you.
REAPER: This is why I joined Talon.
SOMBRA: its not much better over there
REAPER: Quiet.
LUCIO: soooo
LUCIO: should we start planning for next year?
WINSTON: There won't be a next year at this rate.
MERCY: You'll all probably kill each other before we make it.

Chapter End Notes

I'm just going to post this today because I am booked solid for the next three days and I want to get this out before Christmas. I hope everyone has a fun and safe holiday, and I'm thankful that you're all still reading this disaster.
Yeah, I'm sorry for the huge delay on this chapter. I've been having massive computer problems since Christmas and I just recently managed to get them fixed. With this chapter, we have all the current characters finally added to the story. Just a quick heads up, I stopped playing Overwatch right around the time that Moira came out, so I know very little about her origin story, although I tried to read up on what I could. Hopefully, I didn't make a terribly inaccurate portrayal of her.

Thank you guys so much for your patience, and I hope you enjoy!

WINSTON: No.
MCCREE: okay seriously why ask?
MCCREE: we all know that you're gonna do it anyway

SOMBRA: i know
SOMBRA: i just wanted winston to think that he had some kind of power here

WINSTON: Why must you be this way?
SOMBRA: i'm a troubled human

REAPER: **Understatement of the Year.**

76: Don't add any Talon agents to the chat.

SOMBRA: um why?
SOMBRA: Gabe widow and i are already here
SOMBRA: are more really going to kill you?

REAPER: **STOP CALLING ME THAT!**

76: At this point in my life, I'm becoming more hopeful that something does kill me.

REAPER: **That can be arranged.**

76: Shut the fuck up.

MCCREE: yeah seriously shut up
MCCREE: none of us want to help with your marriage problems anymore

REAPER: **Still not married.**

ANA: Ur basically married at this point

SOMBRA: okay so i'm adding more people to the chat
WINSTON: I don't care anymore.

GENJI: clearly
GENJI: ur not even trying to stop her

WINSTON: There's no point.
WINSTON: In case any of you forgot, she's the best hacker in the world.

SOMBRA: aw thanks winston

WINSTON: Don't talk to me.

[SOMBRA] added [MOIRA O'DEORAIN] to chatroom [KNICK KNACK PADDY WHACK GIVE A DOG YOUR DICK]

SOMBRA: hi akande

AKANDE: What is this?

SOMBRA: a chatroom

AKANDE: No shit, Sherlock.

LUCIO: i fucking love this guy already

AKANDE: ...
AKANDE: What have you gotten me into, Sombra?

GENJI: well depending on who u ask
GENJI: either the greatest or the worst decision of ur life

AKANDE: It will probably be the latter.

[AKANDE OGUNDIMU] changed name to [DOOMFIST]

TRACER: wait!
TRACER: thats who this guy is?

GENJI: not this asshole again

DOOMFIST: Now hold on a minute...
DOOMFIST: Who put who in prison again?

GENJI: if it was up to me i wouldve locked u in a cage with rabid cats

DOOMFIST: And what would that have done?

GENJI: fuck if i know
GENJI: i just know that u would get bitten a lot

DOOMFIST: Charming.

WINSTON: Sombra, I didn't agree to this.

SOMBRA: im pretty sure you said that you didnt care anymore

REAPER: You did say that.

DOOMFIST: They have you wrapped up in this, too?

REAPER: I've tried to leave several times.
REAPER: You know how Sombra is.

DOOMFIST: Unfortunately, I do.

SOMBRA: hey that wasnt nice

DOOMFIST: Sue me.

SOMBRA: dont tempt me

ORISA: Doomfist is here?

DOOMFIST: This is not actually happening to me.

REAPER: Welcome to Hell.

GENJI: hell is too good for this douchecanoe

DOOMFIST: I'm pretty sure Douche Canoe is two words.

GENJI: FUCK U

ORISA: There is a large list of words that I could say to you at this very moment.
ORISA: However, I have much better control over my emotions.
ORISA: Unlike you.

DOOMFIST: I don't want to be here anymore.

SOMBRA: too bad!
SOMBRA: if you leave i can just bring you back!

DOOMFIST: Is it too late to return to prison?

WINSTON: Yes.

DOOMFIST: Shit.
LUCIO: dont worry its fun in here
DOOMFIST: Somehow, I doubt that.
GENJI: i fucking hate u
DOOMFIST: I'm feeling the love.
GENJI: no u dont
GENJI: u feel nothing but hate
MOIRA: Where's my introduction?
SOMBRA: i must have left it in my other pants
D.VA: those are still in my room btw
MCCREE: gay
DOOMFIST: You don't get an introduction.
MOIRA: Why not?
SOMBRA: no one likes you.
MOIRA: :( 
MERCY: What the fuck is she doing here?
MOIRA: Oh hi Angela.
MOIRA: ;-)
PHARAH: Am I going to have to fuck a bitch up?
LUCIO: do it
MERCY: I think so.
MOIRA: What's with all the aggression?
ANA: Is this the blackwatch bitch?
DOOMFIST: I certainly feel welcome here.
MCCREE: get used to it
MCCREE: its only going to get worse
DOOMFIST: It must get very bad here, then.
ORISA: Fuck you.
LUCIO: yeah just about
DOOMFIST: I thought you had better control over your emotions.
REINHARDT: Isn't she a robot?
REINHARDT: Does she even have emotions?
ORISA: Yes.
ORISA: And Doomfist hurt them severely.
ORISA: Evil Mother Fucking Cock Sucker.

LUCIO: my virgin ears

D.VA: you know its bad when orisa curses
D.VA: she doesnt even know what curse words are

MOIRA: Why is no one talking to me?

ANA: We dont associate with criminals

MOIRA: You've been in a group chat with Reaper, Widowmaker, and Sombra for God knows how long.
MOIRA: And Widowmaker's killed people.

WIDOWMAKER: Don't get me involved in this conversation.

DOOMFIST: Was it this hostile when you joined?

WIDOWMAKER: It's always hostile.

LUCIO: not true
LUCIO: we usually warm up to you after a while

MERCY: Except for you, Moira.

MOIRA: I have literally done nothing wrong.

MERCY: You performed some of the most unethical experiments in history in order to try and validate your stupid research.

MOIRA: You and your stupid ethics.
MOIRA: You don't change the world by following the rules.

MERCY: That's so wrong and you know it.

REAPER: I don't need this argument to happen again.

MERCY: You don't understand, Reyes.

MCCREE: dont call him reyes

GENJI: yeah call him gabe

REAPER: I WILL DESTROY YOU!

MOIRA: Angela, why don't you just admit that you're freakishly attracted to me?

DOOMFIST: Well, this took a turn rather quickly.

LUCIO: yeah thats gonna happen a lot

PHARAH: I'm sorry...
PHARAH: Who exactly do you think you are?
MOIRA: Well, if Sombra would have properly introduced me, you would know.

SOMBRA: hey dont blame me

MOIRA: I'm blaming you.

WIDOWMAKER: Just like back at Talon.

SOMBRA: why do you all hate me?

D.VA: i dont hate you

MCCREE: yeah id believe that

GENJI: u dont usually spend six hours fucking someone u hate

ANA: Havent u heard of hate fucking?

76: This conversation needs to stop.

MCCREE: keep dreaming captain america

DOOMFIST: I hate you.

SOMBRA: why though?

DOOMFIST: Because you added me to this chat.

ORISA: You deserve worse.

DOOMFIST: I've heard just about enough out of you for the time being.

ORISA: I'm not going anywhere.

ORISA: Douchecanoe.

DOOMFIST: I'm still pretty sure Douche Canoe is two words.

GENJI: no one asked u

MOIRA: I bet Angela would know the proper spelling.

MERCY: I'm not speaking to you.

MOIRA: You will.

MOIRA: You can't hide from your feelings.

D.VA: is she hitting on mercy?

MCCREE: she better take a step back

PHARAH: She'd better take more than one step back.

MOIRA: And why should I?

PHARAH: If you touch her, I will kindly but very violently rip your limbs off.

DOOMFIST: Can those words even be used together like that?
76: I'm not one for giving advice, but I would stop talking while you're ahead.

DOOMFIST: Fair point.
DOOMFIST: I'll just watch this one unfold.

ORISA: Fuck you.

DOOMFIST: Please stop.

MOIRA: Okay Angela, who's your protective friend?

MERCY: *Ignoring Moira*

MCCREE: thats fareeha

ANA: My daughter

GENJI: also known as angelas girlfriend

MOIRA: ...Girlfriend?

PHARAH: That's goddamn right.

MOIRA: You have a girlfriend, Angela?

MERCY: ...

PHARAH: Yeah, so that means you will stop flirting with her, now.

MOIRA: I'm okay with a three way, honestly.
MOIRA: That doesn't deter me.

LUCIO: LMAO

REAPER: This needs to stop.

TRACER: unlikely!

PHARAH: Uh...

PHARAH: I'll be honest, I don't know how to properly respond to that.

MOIRA: That was the goal.
MOIRA: Just know that I'm also very serious.

REINHARDT: What is happening?

76: Whatever it is, please finish it.

MOIRA: Angela and her friend will have to finish it first.
MOIRA: No one finishes before me.

GENJI: thats hot

LUCIO: IM DYING

D.VA: OMG
WINSTON: Sombra, why did you have to do this to us?

SOMBRA: call it a force of habit

DOOMFIST: You're not going to let me leave, are you?

SOMBRA: not really no

DOOMFIST: Damn.

MOIRA: I don't mind staying.
MOIRA: Especially if it means I can catch up with Angela.
MOIRA: *wink wink*

PHARAH: I will fucking hurt you.

MOIRA: Pain turns me on.

76: I can't handle any more of this.

[SOLDIER: 76] left chatroom [KNICK KNACK PADDY WHACK GIVE A DOG YOUR DICK]

DOOMFIST: What in the world is that chatroom name?

LUCIO: hana got drunk a few nights ago and started adding your dick to the end of songs
LUCIO: thats the one that stuck for whatever reason

DOOMFIST: Who is Hana again?

D.VA: me

GENJI: the girl that sombra keeps fucking

DOOMFIST: Ah.

SOMBRA: this chatroom is going to be so much more fun now that you're here akande

DOOMFIST: I sure hope not.

MOIRA: What about me?

MERCY: Fuck you.

MOIRA: Sure thing, sweet lips.
MOIRA: Just name the time and place.

PHARAH: I swear to fucking God...

MCCREE: prepare yourself genji
MCCREE: we're witnessing the beginning of a war

GENJI: fuck were out of popcorn

REINHARDT: I'm doing the shopping this week.
REINHARDT: Remind me to write down that we need more popcorn.

GENJI: dont do anything funny until jesse and i have popcorn

PHARAH: At this rate, she's going to be dead before that.

MOIRA: I wouldn't be so sure.

MOIRA: I still remember.
MOIRA: I don't know how I could forget.
MOIRA: You wanted to go out there every night.
MOIRA: Remember when Jesse and Liao started the food fight with the waiters?
MOIRA: And then Winston wouldn't let any of us back there?
MOIRA: Those were good times.
MOIRA: I know that you can see these texts, Angela.

MORRISON: You really don't know?
MORRISON: If anyone, I'd expect you to know first.

GENJI: yeah lena and i have been playing mario party all day ive been in the dark

MCCREE: i thought winston banned mario party

GENJI: he did
GENJI: but what he doesnt know wont hurt him

LACROIX: You do understand that Athena can very easily go through the camera footage, right?

GENJI: she cant if the cameras mysteriously stopped working

MORRISON: Why do you do these things?

GENJI: my brain isnt wired correctly
GENJI: u can thank angela for that

MCCREE: im pretty sure it wasnt wired correctly before the accident

LIAO: id believe it

[WINSTON] entered chatroom [SKEET SKEET MOTHERFUCKER]

[REINHARDT WILHELM] entered chatroom [SKEET SKEET MOTHERFUCKER]

WINSTON: Alright, who did it?

MCCREE: it was liao

LIAO: NO IT WASNT

GENJI: it was def liao

LIAO: OMG GENJI SHUT THE FUCK UP

REINHARDT: Angela's going to kill you.

LIAO: I DIDNT DO IT

LACROIX: I don't think it matters.
LACROIX: You're the scapegoat.

LIAO: FUCK

GENJI: okay for real tho
GENJI: what did he do?

MORRISON: He flooded the Medical Wing.

GENJI: ...
GENJI: what?

MORRISON: I don't know how either.
LIAO: IT
LIAO: WASNT
LIAO: ME

WINSTON: I'll get Athena to check the camera feed.
WINSTON: We'll figure out who's responsible.

GENJI: oh yeah about that
WINSTON: ...
WINSTON: Genji.

GENJI: i kinda disabled the cameras around the watchpoint
WINSTON: ...Why?
MCCREE: he and lena were playing mario party
GENJI: JESSE NO
WINSTON: I'm pretty sure I banned Mario Party after the Happy Hour Incident.
REINHARDT: Next time, don't touch my stars.
LACROIX: There won't be a next time because of you.
MCCREE: it took torb like two weeks to rebuild the common room
REINHARDT: I'm not sorry.
GENJI: seriously tho how do u flood the fucking med wing?
WINSTON: Don't change the subject.
WINSTON: I'll deal with you and Lena later.

[KIMIKO] entered chatroom [SKEET SKEET MOTHERFUCKER]

KIMIKO: What the fuck is wrong with all of you?
GENJI: well part of my brain was destroyed so that probably has a lot to do with it
KIMIKO: Fair point.
WINSTON: Kimiko, what's going on in the Medical Wing?
KIMIKO: Angela's not happy.
KIMIKO: Ana and I have been trying to calm her down but it's not working.
MCCREE: good job liao
LIAO: OMG I DIDNT DO IT
GENJI: he did it

ANA: Good luck explaining that to angela
ANA: Shes sprinting towards ur room as we speak

LIAO: FUCK

[LIAO] left chatroom [SKEET SKEET MOTHERFUCKER]

MCCREE: hes gonna die

LACROIX: Most likely.

WINSTON: Well, with that out of the way.
WINSTON: How exactly are we going to remove all the water from the Medical Wing?

KIMIKO: I bet Reinhardt could drink all of it.

REINHARDT: You would lose that bet quite convincingly.

MORRISON: We could probably ask Torbjorn to build something to get rid of all of it.

ANA: Hes not gonna have the time hes still repairing the orca

WINSTON: He wouldn't have to repair it if someone hadn't tried to fly in between trees.

MCCREE: blame lena

WINSTON: She's the only person I can blame.

MORRISON: So, what do we do about this?

GENJI: we should take the watchpoint and push it somewhere else

REINHARDT: I SECOND THAT NOTION!
REINHARDT: AND JUST SO EVERYONE KNOWS, GENJI IS MY NEW FAVORITE PERSON.

GENJI: pleasure doing business with u

ANA: Thats not going to work

MCCREE: obviously

GENJI: it was worth a shot
GENJI: at least reichardt appreciated it
KIMIKO: I'm pretty sure Liao's being murdered right now.

MORRISON: Either that, or two grizzly bears are fighting to the death outside.

MCCREE: there's grizzly bears here?

MORRISON: No Jesse.

MCCREE: okay thank god.

GENJI: it's fine angela can revive him.

KIMIKO: She can't if he's in pieces.

REINHARDT: You clearly don't understand how her Caduceus Staff works.

KIMIKO: Her Caduceus Staff clearly doesn't understand how modern medicine works.

MCCREE: im sorry who has the medical license again?

KIMIKO: Not the staff.

MORRISON: Nor do you.

MORRISON: End of discussion.

WINSTON: Well, that just leaves one more problem to deal with.

WINSTON: Genji, what did I tell you about playing Mario Party?

GENJI: fuck

[GABRIEL REYES] entered chatroom [SKEET SKEET MOTHERFUCKER]

REYES: What the fuck happened?

MCCREE: where have you been?

REYES: Watering my Marigolds.

MCCREE: ...what?

KIMIKO: Marigolds is Jack's codename.

MORRISON: No it isn't stop.

REINHARDT: Don't put that image in my head, please.

REYES: No, I'm serious.

REYES: I was watering the flowers in the garden.

WINSTON: I would check the cameras to prove or disprove that claim, but unfortunately, I am unable to do so.

GENJI: shrugs

LACROIX: Long story short, Liao flooded the Medical Wing and we're all pretty sure Angela
maimed him.

Winston: I would check the cameras to make sure he's still alive, but you know.

Genji: well survive without them

Winston: What did you even do that damaged them so much?

Genji: a magician never reveals his secrets

Reyes: Oh, Angela actually did blame Liao for the flooding?

Mccree: well we all blamed him so

Lacroix: Why do you ask?

Reyes: I'm the one that did it.

Morrison: What?

Ana: Lmao

Mccree: why?

[Liao] entered chatroom [SKEET SKEET MOTHERFUCKER]

Liao: YOU FUCKING ASSHOLE

Genji: oh hey hes alive

Reyes: I was hoping that Angela would automatically assume that he did it.

Liao: WHY WOULD YOU DO THIS TO ME?

Reyes: This is what you get for spoiling the end of Lost.

Liao: YOU TOLD ME THAT YOU ALREADY SAW IT

Reyes: I lied.

Kimiko: Gabe watches Lost?

Ana: That shows like 50 years old
Ana: If u havent seen it yet i think u deserve to have it spoiled for u

Reyes: I didn't have time to start watching it until recently.

Reinhardt: That's still your fault.

Lacroix: Is this really how you all solve problems?

Morrison: Pretty much.

Liao: SO YOU JUST LET ANGELA COME AFTER ME LIKE THAT BECAUSE OF A STUPID FUCKING SHOW?

Reyes: Yes.
LIAO: IM GONNA TELL HER

REYES: Go ahead.
REYES: She won't believe you anyway.

[ANGELA "MERCY" ZIEGLER] entered chatroom [SKEET SKEET MOTHERFUCKER]

MERCY: What's going on here?

MORRISON: Jesse, Reinhardt, and I are currently in the process of draining all the water out of the Medical Wing.

MERCY: Well, thank you for that.

MCCREE: im doing this against my will btw

MERCY: I appreciate the sentiment all the same.

REINHARDT: For you, Dr. Ziegler, I will double my efforts.

MERCY: I'm very grateful, Reinhardt.

MCCREE: okay seriously
MCCREE: im older than angela by like three months
MCCREE: why does she get treated like an adult and i dont?

GENJI: is that a serious question?

REYES: I saw you cry at the end of Marley and Me.

MCCREE: well who hasnt fucking cried at that movie?

WINSTON: We're getting off topic.
WINSTON: @TRACER
WINSTON: You're not off the hook yet.

[LENA "TRACER" OXTON] entered chatroom [SKEET SKEET MOTHERFUCKER]

TRACER: winston genji made me do it!

WINSTON: That doesn't make it okay.
WINSTON: You have a brain of your own, do you not?

KIMIKO: It's hard to tell with them.
KIMIKO: I think they're just one hive mind.

REYES: That would explain a lot actually.

MCCREE: hey i didnt do anything wrong

LACROIX: This time.

MCCREE: harsh

GENJI: okay honestly tho
GENJI: who here *hasnt* done something wrong at this point?

WINSTON: Gerard.
WINSTON: Angela.
WINSTON: Mirembe.

LIAO: that's not fair
LIAO: mirembe doesn't even join the chat half the time

[MIREMBE] entered chatroom [SKEET SKEET MOTHERFUCKER]

MIREMBE: Someone called?

LIAO: not really
LIAO: we just mentioned your name in a sentence

MIREMBE: I hope this sentence wasn't negative.

GENJI: yeah mirembe we've been talking mad shit about u all day

MIREMBE: ...That's it?
MIREMBE: If you think that's bad, you should spend time with Gerard and I on our coffee breaks.
MIREMBE: We'd destroy your self-esteem.

MCCREE: what?

LACROIX: Trust me, it's better you don't hear what goes on there.

LIAO: mirembe you don't think jesse and i are childish do you?

MIREMBE: ...
MIREMBE: I sincerely hope that question wasn't serious.

GENJI: rekted

MIREMBE: The only positive thing I can say about Jesse is that he actually gives me a hand when I ask for it.

MCCREE: i guess somethings better than nothing

MIREMBE: It's more than I can say for Liao.

LIAO: god fucking dammit

MORRISON: Well, I guess that settles that.

MIREMBE: It worries me that you actually needed confirmation from me.
MIREMBE: It should be obvious.

LIAO: angela beat me with her staff sorry if i don't exactly understand everything that's happening right now

GENJI: u get beaten up too much

LIAO: its because all my friends are assholes
REYES: I'm not your friend.

MCCREE: yeah wait a minute who here is liaos friend?

TRACER: not me!

LIAO: my point exactly

REINHARDT: We do this because we care.

LIAO: couldve fooled me

LACROIX: Oftentimes, you bring these things upon yourself.

LIAO: i know

MORRISON: Angela, the Medical Wing is clear.

MERCY: That was fast.

MCCREE: thank reinhardt

REINHARDT: I broke a hole in the wall and all the water drained out.

WINSTON: That's counter-productive...

REINHARDT: It's an easy fix.

LIAO: i dont think youve ever fixed anything in your life

REINHARDT: If you keep this up, I'll fix you.

REINHARDT: I don't call you my bitch for nothing.

KIMIKO: IM FUCKING DEAD

GENJI: I LOVE THIS TEAM

MIREMBE: This organization is so hopeless.

LACROIX: Understatement of the Century.

TRACER: hey luvs just remember

TRACER: when it doubt blame liao

LIAO: wait a second

ANA: I like that idea

ANA: This organization is hopeless because of liao

MORRISON: The Omnic Crisis started because of Liao.

GENJI: the cameras on base dont work anymore because of liao

MCCREE: i was orphaned at birth because of liao

LIAO: how the fuck is that my fault?
MCCREE: when in doubt blame liao
LIAO: i dont wanna work here anymore
KIMIKO: I love how everything else is fine for him.  
KIMIKO: The only thing that bothered him was being blamed for Jesse being an unwanted child.
LIAO: angela if i keep destroying the med wing will you kill me?
MERCY: Just because it bothers you so much, I'll just beat you up and let you survive.
LIAO: fucking dammit

WINSTON: We're not supposed to get people hurt.
WINSTON: Angela, that was your policy!

MERCY: Things change as time goes on.

SYMMETRA: You were telling me just last week how much you despised violence.

MERCY: I don't expect any of you to understand.
MERCY: But I'm standing firm on this topic.

DOOMFIST: It's been over a week since I've been forced in here.
DOOMFIST: Are we really going to continue with this?
ORISA: Judging by the damage you did to my home, I think that I'm taking it easy on you.

DOOMFIST: And I hate that I need to correct you again.
DOOMFIST: But Douche Canoe is two words.

ORISA: I'm well aware.
ORISA: But making it one word upsets you.
ORISA: Which is why I will continue to spell it out as such.

DOOMFIST: ...
DOOMFIST: @SONBRA
DOOMFIST: Why have you done this to me?

SONBRA: it seemed like a good idea at first
SONBRA: but now it's just making everything hostile and awkward

LUCIO: who's being hostile?

DOOMFIST: So why won't you let me leave?

SONBRA: because I'm not that nice of a person

GENJI: I literally just saw you spent an hour helping a group of kids find their mothers at the mall

SONBRA: Hana asked me to

D.VA: and I'm glad you did

SONBRA: <3

D.VA: <3

MCCREE: get a room

SONBRA: eat me

MERCY: Fuck, she's not dead yet.
MERCY: I was counting on you, Jesse.

MCCREE: Sorry Angela
MCCREE: I'll try harder next time

WINSTON: Please don't.

MOIRA: Angela, I have a few injuries.
MOIRA: Could you make the pain go away?
MOIRA: *Wink Wink*

PHARAH: I really don't want to have to hurt you.

MOIRA: Do you really think you could?

PHARAH: Very much so, yes.

MOIRA: I'll bet that's why Angela likes you so much.
MOIRA: She was always one to enjoy it rough.

PHARAH: ...

REINHARDT: She does.
REINHARDT: And if you're wondering how I know this.
REINHARDT: My request to change rooms hasn't been accepted yet.

GENJI: NO PLS STOP

TRACER: I DONT WANNA HEAR THIS

LUCIO: I CANT FUCKING STOP LAUGHING

SYMMETRA: Can we ever have a normal conversation here?

MCCREE: honestly this is pretty normal for us now
MCCREE: you think this is bad you should see the old chat

REAPER: We're not talking about this right now.

76: I agree with Gabe.
76: Let's avoid switching the topic.

DOOMFIST: Gabe?

REAPER: Fuck.
REAPER: I forgot you were in here.

DOOMFIST: Is this the boyfriend Sombra's mentioned multiple times?

REAPER: ...

SOMBRA: yes

REAPER: Wait, you knew?

DOOMFIST: There's no secrets in Talon.

LUCIO: sounds boring

DOOMFIST: When you're attempting to conquer the world, secrets are nothing but a detriment to your cause.

LUCIO: that actually makes a surprising amount of sense
DOOMFIST: Talon isn't full of idiots, you know.
DOOMFIST: Most of us are very well educated.

76: So, with all that education, you decided to resort to breaking things and killing people.

MOIRA: Well, when you put it like that, it just sounds basic.

DOOMFIST: We do far more than just cause destruction.

76: Could've fooled me.

DOOMFIST: You spend so much time focusing on the bad, I'll bet you never even knew about all the good we've done.

76: You sent Widowmaker to kill Mondatta.

WIDOWMAKER: I'm not a part of this anymore.
WIDOWMAKER: I left Talon for a reason.

REAPER: When the fuck did you leave Talon?

WIDOWMAKER: Six months ago.
WIDOWMAKER: Or very close.

REAPER: ...
REAPER: So why have you still been coming to all the meetings?

WIDOWMAKER: There's free coffee and donuts.
WIDOWMAKER: It's hard to turn that down.

LUCIO: wait how come they get free food?
D.VA: yeah we have to pay for our own

DOOMFIST: Come to the Dark Side.
DOOMFIST: We have free food.

LUCIO: tempting

WINSTON: Lucio...

LUCIO: im kidding chill

WIDOWMAKER: Going back to Gabe's question.

REAPER: STOP CALLING ME THAT!

WIDOWMAKER: Is that not your name?

REAPER: Gabriel Reyes died a long time ago.

WIDOWMAKER: I'm sure.
WIDOWMAKER: I've also been coming to the meetings just so I can tell Overwatch about your next move.

REAPER: WHO'S SIDE ARE YOU ON?
WIDOWMAKER: I don't understand the question.

REAPER: **YOU'RE A PART OF TALON, YET YOU'RE TELLING OVERWATCH ABOUT OUR PLANS?**

WIDOWMAKER: I'm only out for myself, Edgelord.  
WIDOWMAKER: I apologize if you don't understand that.

REAPER: **STOP. CALLING. ME. THAT.**

WIDOWMAKER: *Non.*

DOOMFIST: On second thought...
DOOMFIST: Perhaps we're just as hopeless as Overwatch.

TRACER: hey were not hopeless!

D.VA: yeah were the ones that keep winning

DOOMFIST: Harsh.

GENJI: i bet u havent done stupider things than we have

DOOMFIST: You would most likely win that bet.

LUCIO: what dumb things have talon agents done?

MOIRA: Besides be a part of your chatroom?

GENJI: hey our chatrooms fun

DOOMFIST: Debatable.

REINHARDT: We have stories for days.
REINHARDT: Some of which are very bad.

ANA: Remember what happened when we tried camping?

HANZO: Please stop.

TRACER: im still mad at you hanzo!

HANZO: I panicked.

MCCREE: we literally told you that it was harmless

HANZO: I still didn't fully trust all of you at that point.

76: Well, you didn't have to do that.

HANZO: I had never seen a Lynx before.
HANZO: I thought it was going to attack us.

TRACER: WELL IT WASNT!

SYMMETRA: I'm pretty sure Iberian Lynx are endangered.
SYMMETRA: We could have received a very hefty punishment if anyone had found out.
HANZO: I said I was sorry.

D.VA: can we stop talking about this it makes me sad

GENJI: remember when jesse attacked everyone with flower seeds?

MCCREE: that was a long time ago

REAPER: **You're an idiot.**

MCCREE: i was very drunk

REINHARDT: That's not an excuse.

D.VA: wait what happened?

LUCIO: yeah i dont know this story

MCCREE: its not important

GENJI: lena u wanna tell it?

TRACER: yes!
TRACER: okay so a few years ago liao jesse genji and i were playing cards
TRACER: and everytime jesse won we made him drink

MCCREE: lena please no

LUCIO: doesnt he win all the time?

GENJI: exactly
GENJI: that was the only way we were going to get him drunk

TRACER: so this was going on for like two hours and eventually every was hammered
TRACER: especially jesse
TRACER: and we all went back to our rooms to sleep it off
TRACER: but like ten minutes later the fire alarm goes off and everyone meets outside the watchpoint
TRACER: and while were all asking what was going jesse appears on the roof and just yells "its high bloom" and then starts shooting us with flower seeds

MCCREE: please

LUCIO: *its high bloom*

REINHARDT: Okay, I remember this now.

D.VA: LMAO

ANA: Yeah
ANA: But dont forget to mention what happened next

TRACER: i was getting to that

MCCREE: lena im begging you
TRACER: so after pelting everyone with like forty thousand seeds jesse turns to walk away
TRACER: and then falls off the roof

LUCIO: OMG NO HE DIDNT

ANA: He did
ANA: Hes lucky reinhardt caught him

REINHARDT: I didn't catch him.
REINHARDT: He fell on me.

MERCY: And then he spent two days in the Medical Wing with a concussion.

MCCREE: ive been trying to forget this ever happened

GENJI: ur welcome

DOOMFIST: Although that is actually very funny.
DOOMFIST: How do you manage to accomplish anything with the way you all act?

WINSTON: I ask myself that question every day.

D.VA: we dont really know either
D.VA: somehow it just works

SYMMETRA: I wouldn't say that it works.
SYMMETRA: We just get very lucky.

76: We're not lucky anymore.
76: We're just surrounded by idiots.

LUCIO: you love us

76: Don't hold your breath.

TRACER: we do mess up from time to time!

HANZO: Which is just another way of saying that you mess up all the time.

GENJI: untrue

MEI: Very true.

LUCIO: where have you been?

MEI: Working on something.

D.VA: working on zarya?

MEI: ...No.

GENJI: yes

ZARYA: Don't make me hurt you.

GENJI: u cant hurt me im made of metal
ZARYA: Want to bet?

MCCREE: genji i think youd lose that bet

GENJI: prob
GENJI: zarya could def snap me like a toothpick

ZARYA: Very easily.

D.VA: at least mercy would be there to fix you up

MERCY: I'm extremely tired of fixing you all up.
MERCY: It's become almost a daily occurance.

MOIRA: You can fix me up anytime, sweet lips.

PHARAH: I'm going to choke you.

MOIRA: Mmm, yes Daddy.

LUCIO: I JUST FU**ING SPIT MY SODA ALL OVER MY PHONE SCREEN

D.VA: BRB IM CRYING

GENJI: LMAO FU**ING YES

DOOMFIST: Moira, why are you like this?

MOIRA: I've always been like this.
MOIRA: I just know to act professional during Talon Meetings.

MEI: This chat is out of control.

76: This chat has been out of control.

DOOMFIST: Is everyone just extremely childish in here?

MCCREE: more or less

DOOMFIST: Sombra, please let me leave.

SOMBRA: come on akande
SOMBRA: this chats really fun

DOOMFIST: You and I have very different definitions of fun.

SOMBRA: youll warm up to them

DOOMFIST: I doubt that.

LUCIO: give us a chance

DOOMFIST: I guess I have no choice.

MCCREE: trust me ill be fun
MCCREE: especially when we get front row seats to fareeha killing moira
MOIRA: Jokes on you.
MOIRA: Death is my kink.

GENJI: then boy do i have a story for u

DOOMFIST: Please refrain from killing anyone.
DOOMFIST: Because if you go after Moira, that means I'm contractually obligated to get involved and I really don't want to get involved.

D.VA: see youre already getting it

DOOMFIST: I spent several years in a Maximum Security Prison.
DOOMFIST: And yet, something as simple as a chatroom will probably lead to my insanity.

76: Join the club.

LUCIO: if you think this is bad wait until the memes start getting sent

DOOMFIST: @SOMBRA
DOOMFIST: Please.

SOMBRA: nope

MOIRA: Look at it this way, Akande.
MOIRA: Now you can help put me and Angela together.

PHARAH: Okay, first of all, She's my girlfriend.
PHARAH: Second of all, I'll end you.

MOIRA: Her being in a relationship doesn't worry me.
MOIRA: Just because there's a goalie doesn't mean you can't score.

LUCIO: lmao

PHARAH: I played goalie for nine years of my childhood.
PHARAH: I was only scored on once.

ANA: I can vouch for that

MOIRA: Prepare to make it twice.

PHARAH: You will not.

MOIRA: Look, I don't have to take her from you.
MOIRA: Polygamy is becoming a big thing nowadays.

MCCREE: where the fuck did this conversation go?

REINHARDT: It seems like a pretty normal topic change when you think about everything we've seen in this chat.

HANZO: Nothing about this chat is normal.

PHARAH: Read my lips.
PHARAH: No.
MOIRA: You know, there's other things I can do to your lips besides read them.

MERCY: Can we stop this?

MOIRA: No.

DOOMFIST: @WINSTON
DOOMFIST: Would you mind sticking me back in prison?

WINSTON: Only if you agree to share your cell with me.

REAPER: **No way, I already called dibs.**

LUCIO: welcome to the family doomfist
LUCIO: youre one of us now

DOOMFIST: I want a divorce.

LUCIO: youll have to take that up with my lawyer
LUCIO: @BASTION

BASTION: >:(

LUCIO: oh tough luck man
LUCIO: thats a no

DOOMFIST: ...
DOOMFIST: This doesn't seem entirely fair.

76: You don't even know the half of it.

GENJI: i think this is the beginning of a beautiful friendship

MOIRA: If I play my cards right, I think it'll be more than just friends.
MOIRA: @ANGELA
MOIRA: ;-) 

PHARAH: ...
PHARAH: Is this actually happening?

MERCY: Unfortunately.

LUCIO: lol i cant wait for this shit

MCCREE: genji popcorn

GENJI: dont fuck each other up until the popcorn is ready

PHARAH: No promises.

MOIRA: I can promise one thing.
MOIRA: There will definitely be fucking involved.

D.VA: this is going to be so fucking good
Hey everyone, did you miss me? Well, I just recently started working full time (Ugh), which means that I haven't had any time to write over the last few weeks. Don't worry, I'm not abandoning this, I just can't guarantee that the chapters are going to be released consistently. I'll try, of course, but I can't promise anything.

Quickly addressing a question I was asked, there is real no direction that this story is meant to take. I'm really just writing it for the sake of writing it. There's a lot of very serious stories on this site written much better than mine, so I wanted to add something humorous for everyone to enjoy. As for the ending, at this moment, I have no plans to finish this story. I want to keep adding chapter after chapter whenever I get an idea on what to put in. I don't have any idea for a final chapter, nor do I expect to end this story any time soon. Maybe somewhere down the line I'll have a good enough note to end it all on, but for the meantime, this story will continue with no end in sight, just for all of you wonderful people who are still reading this mess. And I want to thank you all so much for continuing to stick with this. Even though I suck at responding to your comments, I just want you to know that I've read all of them and appreciate all of the great feedback you've all been leaving me. It really means a lot that so many of you are enjoying this story, and I hope you keep sticking around, because there's still a lot more on the way.
a trip for the ages

[SYMMETRA] entered chatroom [OI M8S TRACER IS DRUNK AS FUCK]

User [SYMMETRA] renamed chatroom [I WILL FIND YOU GENJI]

GENJI: SATYA IM SO SORRY

SYMMETRA: You are forgiven.
SYMMETRA: But that does not mean you will not face the consequences.

MCCREE: you better run
MCCREE: far away

GENJI: IT WAS AN ACCIDENT

LUCIO: wait what happened?
D.VA: obviously something really bad
REINHARDT: It's always something bad.
ANA: Especially when genji or jesse are involved
MCCREE: hey im an innocent victim here
REAPER: For once.

MCCREE: shut up
MCCREE: at least i didnt flood the med wing

REAPER: That was well over five years ago.

MERCY: That was still highly unnecessary.

REAPER: It's in the past.

LUCIO: both of you quiet
LUCIO: what happened satya?

SYMMETRA: Genji destroyed both my Photon Projector and my teleporter with his Dragonblade.

HANZO: He does that far too much.
HANZO: I'm on my fourth bow.

GENJI: IT WAS AN ACCIDENT

REINHARDT: There is no way you accidentally pulled out your blade and destroyed two vital pieces of equipment.

SYMMETRA: I was with him.
SYMMETRA: It was most certainly not an accident.

SOMBRA: i saw through the cameras
SOMBRA: it wasnt an accident

GENJI: OMG

LUCIO: do you have a death wish bro?

ANA: Yeah remember when jack spilled coffee on satyas research?

76: It took four days for the burning sensation to stop.

SYMMETRA: I was incredibly close to a scientific breakthrough.
SYMMETRA: I'm sure you would have reacted the same way.

76: I wouldn't have.

SYMMETRA: Well, of course you wouldn't.
SYMMETRA: I highly doubt your intelligence is high enough to even comprehend what I research.

LUCIO: burn

ANA: Eat it jack

76: For fuck's sake.

TRACER: yeah luvs i think genji is gonna die!

LUCIO: rip genji

MCCREE: fuck you

GENJI: hold on a second

SYMMETRA: I will find you.
SYMMETRA: And I will make you pay for what you've done.

GENJI: pls no

WINSTON: What is going on here?

D.VA: team bonding

WINSTON: ...
WINSTON: Wonderful.
WINSTON: Keep up the good work.

GENJI: WAIT SATYAS GONNA KILL ME

WINSTON: Sounds like a healthy bonding experience to me.

MCCREE: was that sarcasm?

LUCIO: damn we even corrupted winston

D.VA: no one is safe anymore
WINSTON: Satya, I just request that you keep the physical damage to a minimum.

SYMMETRA: Of course.

WINSTON: Anyway, I have some news.

GENJI: WTF R U REALLY NOT GONNA HELP ME?

REINHARDT: What's the news?

ANA: Are u finally firing Jesse?

MCCREE: why are you like this?

WINSTON: No...

ANA: damn

GENJI: AND NOW UR IGNORING ME?

WINSTON: How does everyone feel about a vacation?

76: Did you forget the last time we went on vacation?

MERCY: Jesse and Liao still can't set foot in Denmark.

MCCREE: that wasnt my fault

ANA: Yes the fuck it was

LUCIO: i like vacations

TRACER: me too!

D.VA: can my girlfriend come?

WINSTON: I imagine you're going to bring her regardless of my answer?

D.VA: yup

WINSTON: Then go ahead.

SOMBRA: yay thanks winston

WINSTON: Don't mention it.

WINSTON: Seriously.

LUCIO: where are we going?

WINSTON: Blizzard World.

76: God dammit.

ANA: Pls dont do this to us

REINHARDT: What?

REINHARDT: You don't like Blizzard World?
ANA: Did u forget the last time we went?

REINHARDT: ...Yes, actually.

76: Well, where do I start?

D.VA: from the beginning preferably

76: Sarcasm is not appreciated.

D.VA: deal with it

76: There was Jesse and Liao getting stuck together.

MCCREE: that was a dare

LUCIO: ...stuck together?

D.VA: how?

ANA: U dont wanna know

LUCIO: I kinda do actually

D.VA: why are mccree and this liao guy always the instigators?

REINHARDT: Liao was about twenty times worse than Jesse could ever be.

MCCREE: i learned from the best

MERCY: Amazingly, he still was more respected than Jesse was.

WINSTON: Speak for yourself.

76: And do you all remember Kimiko and Lena on the bumper cars?

GENJI: that was actually really funny

TRACER: i didnt know they could come off the track!

WINSTON: It took me eight months to finish paying off that man's hospital bill.

TRACER: no regerts!

76: And how could we forget Genji pushing Gerard into the water?

GENJI: he made fun of my shoes

MCCREE: WHO THE FUCK WEARS SOCKS WITH SANDALS?
MCCREE: WHY WERE YOU WEARING SANDALS IN THE FIRST PLACE YOURE A FUCKING ROBOT?

GENJI: cyborg
GENJI: and fuck u

LUCIO: i wish i was part of the team back then
REAPER: No you don't.

WINSTON: Come on, Jack.
WINSTON: A weekend at an amusement park can't be that bad.

76: Your optimism frightens me.

ANA: Yeah really what have u done with winston?

REINHARDT: Hopefully Gabe can enjoy it this time.

LUCIO: why didnt he enjoy it last time?

REAPER: I got food poisoning.

D.VA: lmao

REAPER: I try to forget the experience.

MOIRA: Can Akande and I come?

MERCY: Fuck no.

MOIRA: :-(

DOOMFIST: I never said I wanted to come along.

MOIRA: If I go, you're coming with me.

DOOMFIST: That's not part of my contract.

MOIRA: You're coming.

MCCREE: nobody invited you

DOOMFIST: I didn't expect anyone to.

DOOMFIST: We're supposed to be enemies, after all.

SOMBRA: i think were long past that

WINSTON: Well then, I guess it's settled.

76: It really isn't.

WINSTON: We're going, Jack.
WINSTON: I already booked it.

76: Fuck.

ANA: Guess its time for me to go kill myself

MEI: I apologize, Winston.
MEI: But Zarya and I are going to have to take a rain check on this.

WINSTON: I understand.
WINSTON: Take care of the Watchpoint while we're gone.
MEI: Will do.

ZARYA: I will destroy Genji's room.

GENJI: jokes on u
GENJI: my rooms already destroyed

JUNKRAT: YOU TOLD ME TO DO IT MATE

GENJI: i didnt say i was angry about it
GENJI: the couch in the common room is more comfortable anyway

WINSTON: That was a brand new bed.

GENJI: that didnt stop it from cracking under the weight of my metal girth

ANA: Pls dont ever use the word girth like that again

User [GENJI SHIMADA] changed chatroom name to [GIRTH]

ANA: ...
ANA: I shouldve kept my mouth shut

WINSTON: Yes, you should have.
WINSTON: We'll be leaving in two hours.
WINSTON: Everyone get ready.

76: I suppose there's no real way I can get out of this?

WINSTON: That's correct.

76: Damn it.

SYMMETRA: There you are!

GENJI: NO WAIT PLS

SYMMETRA: You were not meant for greatness.

GENJI: FUCK

76: IT'S TOO FUCKING EARLY FOR THIS BULLSHIT!

ANA: We literally just got here

MCCREE: you were warned

REINHARDT: Jesse, for once, can you not be yourself?

MCCREE: thats a mighty large request

TRACER: come on it wasnt that bad!
WINSTON: I watched him steal that man's wallet.

MCCREE: hey
MCCREE: he kept trying to push his way past angela
MCCREE: i couldn't let that happen
MCCREE: and besides what i did is pretty tame compared to what fareeha would've done

PHARAH: He's not wrong.
PHARAH: I probably would have maimed that fucker.

ANA: Language

PHARAH: Mom, I'm 32.

ANA: Ur still my baby

D.VA: cute

WINSTON: Can we just please try to behave ourselves from this point on?
WINSTON: I'm trying to do something nice for all of you.

MCCREE: ...
MCCREE: ill make an attempt

WINSTON: I guess that's the best I'm going to get.

SYMMETRA: Jesse and Hana are the only two you really need to worry about.
SYMMETRA: I doubt Genji will be stepping out of line this time around.

GENJI: satyas a bully

SYMMETRA: I gave you a fair warning.
SYMMETRA: I can't be held responsible for your idiocy.

GENJI: i can barely feel my fingers

D.VA: i thought they weren't real

GENJI: that doesn't mean i cant feel them

HANZO: I still don't understand why I had to be dragged along.

MCCREE: i literally saw you challenging kids to a shootout at the arcade

HANZO: That doesn't me I want to be here.

WIDOWMAKER: I'm on the same boat.

LUCIO: how did you get here?

WIDOWMAKER: I didn't want to be.
WIDOWMAKER: Lena is very...
WIDOWMAKER: Persuasive.

D.VA: did you just call her lena?
LUCIO: are we on a first name basis with lena now?
WIDOWMAKER: I don't need to explain myself to you.
TRACER: widow and i are friends now!
WIDOWMAKER: Stop.
GENJI: friends?
GENJI: or more than friends?
GENJI: (° ʖ °)
WIDOWMAKER: I thought you couldn't feel your fingers.
GENJI: i never miss an opportunity to give all of u a hard time
WIDOWMAKER: Go do something else.
GENJI: no
76: Stop acting like children.
LUCIO: go fuck yourself
76: I will destroy everything you hold near and dear.
D.VA: do it you wont
MERCY: I won't be helping any of you.
LUCIO: you dont help us anyway
WINSTON: Please...
WINSTON: Just act somewhat civilized.
MCCREE: like i said
MCCREE: ill consider it

PRIVATE CORRESPONDENCE

REAPER: You're not eating your dinner.
REAPER: What's wrong?
76: It's nothing.
REAPER: Don't lie to me.
REAPER: I'm on your side here.
76: It's just...
76: I wish they would stop acting like such fucking children.
76: There's no reason they need to keep pulling shit like this.
REAPER: Liao's corrupted Jesse and Genji.
REAPER: There was zero chance they were going to grow out of that.
They don't even surprise me anymore. Lucio and Hana are still young so I understand it from them. But almost the entire base acts immature. It's just driving me crazy that there's no maturity or professionalism in this organization.

REAPER: Unfortunately, there's not a whole lot we can do about it at this point. REAPER: The important thing is being able to handle it.

Sometimes I wish we didn't come back. Life was a lot simpler before all of this happened.

REAPER: We can't go back now. REAPER: We're stuck with it. REAPER: I guess the only thing you can really do here is just stay optimistic and hope the rest of them will grow out of it.

I know that I'm really bad with this. But I never got the chance to say. I'm glad that you're back with me.

REAPER: Better hope that Sombra doesn't find that.

She won't. My communicator is too old for her tastes.

REAPER: I'm glad you're back, too.

Think I can stop by your room after dinner?

REAPER: Are you finally acting romantic for once?

Don't fucking ruin it.

REAPER: I won't push it. REAPER: Come on down.

I'll see you there.

REAPER: Now eat your food.

These tacos are the worst things I've ever tasted.

REAPER: They build character.

Shut up.

REAPER: Never.

LUCIO: uh
LUCIO: we have a problem

WINSTON: Please no.
MCCREE: first of all
MCCREE: this was hanas fault

D.VA: no it wasnt

WINSTON: What happened?

TRACER: we kinda
TRACER: lost bastion

WINSTON: ...What?

ANA: How the fuck did u lose an 8 foot tall omnic?

76: The five of you were in charge of watching him!

GENJI: it was junkrats fault

JUNKRAT: NO IT WASNT
JUNKRAT: I WAS ONLY THERE FOR TWO MINUTES MATE!

TRACER: We got a little sidetracked!

WINSTON: All of you got sidetracked at once?

MCCREE: genji and i were in the arcade the entire time

TRACER: i was at the petting zoo!

LUCIO: hana was the last one who saw him

D.VA: !!!
D.VA: I LEFT HIM WITH ROADHOG!

ROADHOG: no you didnt

D.VA: YES I DID

ROADHOG: dont make me the bad guy because you were too busy sucking your girlfriends teeth out to pay attention

LUCIO: gay

PHARAH: Hana...
PHARAH: Seriously?

D.VA: fuck you you were doing the same exact thing

MERCY: Not exactly.

SOMBRA: im not complaining

76: What is wrong with all of you?

MCCREE: multiple things

REINHARDT: Okay, that all should take a backseat.
REINHARDT: Because we're now missing an omnic.
REINHARDT: With the curiosity of a toddler and the weapons capable of sinking a continent.

LUCIO: thats bad right?
ANA: Only a little bit
WINSTON: We need to find Bastion.
GENJI: but jesse and i were next in line on the roller coaster
WINSTON: It doesn't matter.
76: Our priority right now is that Omnic.
MERCY: Why can't we ever have a normal visit anywhere?
76: Because none of you listen.
JUNKRAT: NOT TRUE
ROADHOG: true
JUNKRAT: ...FINE
D.VA: alright losers
D.VA: operation find bastion is a go

REAPER: There's no possible way this can go wrong.

HANZO: He's not in the arcade.
HANZO: Although Jesse and my brother are.
WINSTON: You're supposed to be searching.
MCCREE: we are
GENJI: yeah were searching for the kid who took my silly string
76: Please focus.
MCCREE: did jack just say please?
GENJI: fuck now we have to help
76: Thank you.
LUCIO: who are you and what have you done with jack?
76: I locked him in a room with five loud toddlers.
D.VA: love the sarcasm
76: Thanks.
REINHARDT: Okay.
REINHARDT: But where's Bastion?

ROADHOG: hes not at the rollercoaster

JUNKRAT: OR NEAR THE TEA CUPS

TRACER: hes not in the bathrooms!

GENJI: well obviously
GENJI: omnics dont use the bathroom

TRACER: cant hurt to look!

ANA: Hes not at the food court
ANA: Which is where ive been eating at for the last twenty minutes

PHARAH: Mom, really?

ANA: Hey im hungry
ANA: Why do i need to stop because hana is irresponsible?

D.VA: this is in no way shape or form my fault

MCCREE: it is your fault and your fault only

D.VA: fuck you

GENJI: @BASTION
GENJI: WHERE THE FUCK R U?

ZENYATTA: I don't think that's going to work, Genji.
ZENYATTA: Bastion turned his notifications off.
ZENYATTA: He won't see this.

REAPER: Why does everything have to be so complicated?

LUCIO: okay im sorry
LUCIO: who the fuck invited you again?

REAPER: I did.
REAPER: Unless you want to take it up with my guns.

LUCIO: ill shut up now

REAPER: See to it.

DOOMFIST: You all concern me.

GENJI: hey were just looking for our friend

DOOMFIST: How did you lose him in the first place?

MCCREE: blame hana

D.VA: IT WASNT MY FAULT
76: You started making out with your girlfriend when you were supposed to be watching him!

D.VA: are you just going to pretend that you and reaper weren't doing the same thing last night?

76: We weren't supposed to be watching Bastion when we did!

D.VA: i gave him to roadhog for a reason

ROADHOG: once again
ROADHOG: you never once came up to me and asked me to watch him
ROADHOG: i was too busy watching the dead weight anyway

JUNKRAT: HEY WAIT A MINUTE ARE YOU TALKING ABOUT ME?

ROADHOG: possibly

JUNKRAT: COME ON MATE I HAVENT DONE ANYTHING WRONG

ROADHOG: thats because ive been watching you

MERCY: He's not back at the hotel.

MOIRA: Wait, was I seriously not invited along on this trip?

WINSTON: No.

MOIRA: Why?

DOOMFIST: Because no one likes you.

MOIRA: But I'm fun to be around.

REAPER: No you're not.

SOMBRA: you're like the exact opposite of fun

DOOMFIST: I've met trees with more personality than you.

MOIRA: :-(
MOIRA: But why are you all out?
MOIRA: Overwatch is illegal, isn't it?

WINSTON: We just need to be careful and not draw attention to ourselves.

DOOMFIST: So, basically do everything you're not capable of doing?

76: More or less.

MOIRA: This is why Talon's better.

MERCY: It's really not.
MERCY: Any organization that hires you is clearly scraping the bottom of the barrel.

LUCIO: burn

REINHARDT: Can we save the bullying until after we find Bastion?
LUCIO: were doing our best here
76: Keep looking.
ANA: Its kind of an easy find
ANA: Just wait until u hear screaming and gunfire and thats probably where hes going to be
WINSTON: The last thing I need is a catastrophic incident at a Theme Park.
TRACER: yeah we all remember what genji and jesse did at Six Flags!
MCCREE: listen
GENJI: those frat boy assholes had it coming
REINHARDT: Less talking, more searching.
GENJI: what the fuck do u think im doing?
REINHARDT: Texting instead of searching.
MCCREE: you would be correct

________________________________

SYMMETRA: I found him.
TRACER: yay!
LUCIO: where was he?
SYMMETRA: The most obvious place.
SYMMETRA: The missing children kiosk.
76: Seriously?
76: Not a single one of us thought to look there first?
MCCREE: hey the silly string took priority
D.VA: he didnt shoot anyone did he?
SYMMETRA: Of course not.
SYMMETRA: When I showed up, he was playing a board game with some of the other children.
SYMMETRA: He jumped up and hugged me when he saw I was there.
D.VA: bastion is too pure for this world
MCCREE: @BASTION
MCCREE: you okay partner?
BASTION: (•‿•)
GENJI: thats good
REINHARDT: I guess we're one big happy family again.
WINSTON: Can we please keep an eye on Bastion this time?
D.VA: im sorry
ROADHOG: you should be
D.VA: fuck you im trying to be the bigger person here
LUCIO: thats not easy to do when youre the shortest one here
D.VA: that doesnt mean i cant fuck you up
WINSTON: Enough.
WINSTON: I'd rather not have any more problems.
WINSTON: Please just behave yourselves for the rest of the weekend.
MCCREE: no promises
REINHARDT: We're going to need a vacation from this vacation.
76: We're all just going to need therapy.
REAPER: What?
REAPER: Do you the rest of you not go to therapy yet?
MERCY: Every day, we inch closer and closer to the need.
MOIRA: I'll show you some therapeutic exercises, Angela.
MERCY: I am not in the mood for your shit right now.
MOIRA: That's okay.
MOIRA: I can wait forever for you ;-) 
PHARAH: Can we stop this?
MOIRA: No.
LUCIO: k im gonna go have fun
LUCIO: dont wait up for me
76: We won't.
JUNKRAT: WAIT I WANNA COME
ROADHOG: no
JUNKRAT: PLEASE?
ROADHOG: im under strict orders from winston to keep you contained
WINSTON: At least someone follows orders.
ANA: Well if anyone needs me ill be going to the pub to drink myself under the table
REINHARDT: Likewise.
REINHARDT: Although it's not entirely possible for me to get drunk.
WINSTON: Please just behave.
REINHARDT: I always behave.
MCCREE: false
REINHARDT: Don't make me change my mind.
MCCREE: hey man you do you
MCCREE: genji and i are going back to the arcade
GENJI: im gonna win enough tickets for that xbox
D.VA: good luck n00b
76: This is going to be a total disaster.
WIDOWMAKER: Most likely.
WIDOWMAKER: But that's pretty much the norm with this team.
TRACER: and that's the truth!

torbjorn gets his revenge

Chapter Notes

Brace yourselves. Torbjorn’s on the war path.

[TORBJORN LINDHOLM] entered chatroom [GIVE ME BACK MY LEFT SHOE GENJI, YOU SHIT]

MCCREE: YALL ARE SO FUCKING DEAD
D.VA: what did we get ourselves into
TORBJORN: I actually can't believe any of you.
GENJI: IT WAS LENAS IDEA
TRACER: NO IT WASNT STOP!
WINSTON: You all deserve what's about to happen.
LUCIO: wait pls no
TORBJORN: I can deal with all of your shenanigans.
TORBJORN: But when you start fucking with my stuff...
TORBJORN: That's where I draw the line.
REINHARDT: I haven't seen Torbjorn this worked up since the flashlight incident.
TORBJORN: NEVER SPEAK OF IT AGAIN.
ANA: Lmao ur all dead af
76: What the fuck happened?
TORBJORN: Hana and Genji thought it would be funny to rearrange the objects in the armory.
TORBJORN: And in the process, they somehow managed to destroy just about everything.
ANA: OMG
D.VA: lena told us to do it
TRACER: I DID NOT!
GENJI: lucio helped too
LUCIO: NO I DIDNT STFU
TORBJORN:
MCCREE: uh oh
LUCIO: DID HE JUST FUCKING MEME ON US?
76: This is the start of a massacre.
REINHARDT: I can recall only one other instance of this.
D.VA: THIS HAPPENED BEFORE?
ANA: Yup
ANA: Dont u guys wonder what happened to jesses hand?
LUCIO: ...what?
MCCREE: i dont wanna talk about it
D.VA: wait we need context
REINHARDT: Another time.
WINSTON: You really don't want to hear this story.
LUCIO: disagree
GENJI: wait u told me u lost it in an explosion
MCCREE: i did
MCCREE: youll notice that i didnt specify what caused the explosion or where it was
TRACER: wait is that why theres a crater in training room c?
MCCREE: i said i dont wanna talk about it
76: This story is the last thing you need to be worrying about right now.
LUCIO: but wait i wanna know more
REINHARDT: You can't.
LUCIO: why not?
TORBJORN:
JUNKRAT: LMFAO

D.VA: WHY THE FUCK IS HE DOING THIS NOW HE NEVER SAYS ANYTHING?

MERCY: Doing something to Torbjorn is basically a sentence for the start of meme warfare.

76: As if Lucio and Hana weren't bad enough.

LUCIO: hey i can hold my own in a meme fight

WINSTON: You clearly haven't been a part of a real meme fight.

MCCREE: yeah torb fights dirty

REINHARDT: Wait until you go back to your room and find a turret on your bed.

ANA: A turret that shoots carrots

76: Sharpened carrots.

MCCREE: and then before you can even attempt to run torb will smash your kneecap in with his hammer

WINSTON: Leaving you writhing in pain while the carrot turret makes a pin cushion out of you.

REAPER: And then, right when you think it's over, you get a bucket of melted cheese dumped on you.

MERCY: Hot melted cheese.

REINHARDT: And while you sit there, feeling as your skin blisters from the hot cheese, you'll see Torbjorn glancing menacingly at you from a distance, holding a sign that has two words on it.

76: "Git Gud."

MCCREE: and then its over

ANA: But then u constantly live in fear that its going to happen again without warning
MERCY: Because all it takes in one incident.

WINSTON: And Torbjorn will never truly forgive you.

REAPER: You can never look at him the same way again, because when you see his face, all you will remember is the fear and pain he put you through.

REINHARDT: The thoughts will haunt you for the rest of your life.

D.VA: i feel like i just read a fucking horror novel

LUCIO: it seems like youre all speaking from experience

WINSTON: Why do you think Torbjorn makes himself scarce?

76: He's not doing it because he doesn't like us.

ANA: Hes doing it for our own protection

TRACER: IS IT TOO LATE TO APOLOGIZE?

TORBJORN: Yes.

TRACER: SHIT

GENJI: this isnt going to end well

TORBJORN: No, it most certainly is not.
TORBJORN: Especially for you.

LUCIO: can i pls be spared?

TORBJORN: No.

LUCIO: technically i didnt do anything wrong

TORBJORN:

76: Heavens.

MCCREE: MY GOD

REINHARDT: I'd be laughing if I wasn't so scared.
LUCIO: TORB PL$ 

User [TORBJORN LINDHOLM] changed chat name to [NEW MEMBERS WANTED! LAST ONES DISAPPEARED MYSTERIOUSLY]

ANA: Well it was nice knowing all of u

GENJI: JESSE IS THIS WHY U KEPT TELLING US TO STOP?

MCCREE: i was giving you a fair warning

GENJI: I THOUGHT U WERE JUST BEING A BITCH

MCCREE: every man has his limits genji

LUCIO: are we going to die?

TORBJORN:

D.VA: THESE MEMES ALL SUCK

TORBJORN:

WINSTON: I think I'm just going to sit back and watch this one unfold.

76: I think we all are.

LUCIO: are you seriously just going to let this happen?

WINSTON: Absolutely.
ANA: Yes

REINHARDT: Pretty Much.

REAPER: Goodbye.

MCCREE: i warned yall

LUCIO: FUCK

GENJI: lena why did we agree to be a part of this?

TRACER: i didnt know torb would react like this!

76: You were both part of the original team.
76: How the fuck did you never know about Torbjorn's bad side?

GENJI: i spent a lot of time playing pool

TRACER: torbjorn never spoke to us how were we supposed to know?

WINSTON: Did the two of you completely forget about the time Jesse and Jack had to take Liao to the emergency room?

GENJI: u told me that happened because he fell off the orca while him and torb were fixing it

TORBJORN: He didn't fall.
TORBJORN: He was pushed.

GENJI: ...what the fuck?

TRACER: wait why did you take him to the emergency room?

LUCIO: yeah what happened to mercy?

MERCY: I was threatened by Torbjorn that night.
MERCY: He said not to help Liao if I valued my life.

TORBJORN: And you won't help the four of them either.
TORBJORN: Because I still have your diary.

MERCY: !!!
MERCY: TORBJORN PLEASE DON'T DO THIS TO ME!

TORBJORN: Don't help the four of them when I maim them and your secrets will remain secrets.

MERCY: I expect blackmail from Genji and Jesse.
MERCY: I thought you were better than this.

TORBJORN: You thought wrong.

D.VA: wait can i at least read the diary before i die?

TORBJORN: Nope.

JUNKRAT: I BET THERES SOME JUICY STUFF IN THERE
76: No one asked you.

TORBJORN: Oh, there is.
TORBJORN: But that's a story for another day.

REINHARDT: @SOMBRA
REINHARDT: Would you mind giving me camera access so I can watch Torbjorn kill everyone?
REINHARDT: I'm too afraid to leave my room.

SOMBRA: yeah give me a second
SOMBRA: boop

REAPER: The sound effect is not necessary.

SOMBRA: yes it is
SOMBRA: also dont kill hana
SOMBRA: i still need her in my life

TORBJORN: Well, that's a damn shame.

SOMBRA: dont fucking do it

TORBJORN: Last time I checked, you have zero control over me.
TORBJORN: And if you know what's good for you, you'll stay out of this.

SOMBRA: ...are you threatening me?

TORBJORN: Absolutely.

SOMBRA: do you know who i am?

TORBJORN: I sure do.
TORBJORN: Olivia.

SOMBRA: !!!
SOMBRA: WHO THE FUCK ARE YOU????

TORBJORN: Your worst nightmare.

LUCIO: whos olivia?

SOMBRA: NO ONE SHUT UP LUCIO!

TORBJORN: Keep your mouth shut, Sombra.

SOMBRA: ASLJKFDGHEOHASLKGJSDGJ
SOMBRA: I CAN'T BELIEVE THIS

D.VA: did...
D.VA: did he just shut sombra up?
D.VA: im now very very scared

ANA: U should be

MCCREE: youre gonna die
TRACER: please no!

GENJI: what's gonna happen to us?

TORBJORN:

PREPARE YOUR ANUS
I'M GOING IN DRY

JUNKRAT: HOLY FUCKING SHIT IM DYING

LUCIO: pls have mercy

REINHARDT: If you think this is bad, you should've seen what he did to Kimiko.

ANA: That was bad

76: I think she locked herself in her room for two weeks afterwards.

REAPER: Not to mention the shot her confidence took.

D.VA: ...are we dead?

WINSTON: You will be.

TORBJORN:

I'M COMING FOR YOU
ASSHOLE

GENJI: FUCK EVERYBODY RUN
REINHARDT: That was quick.

MCCREE: who died?

LUCIO: help
LUCIO: i cant feel my body

ANA: Clearly u can still feel ur fingers

PHARAH: Maybe now you'll learn not to start problems with Torbjorn.

LUCIO: I DIDNT KNOW THIS WOULD HAPPEN!

76: Clearly.

WINSTON: Otherwise you wouldn't have done it.

REAPER: Why do you think the rest of us leave Torbjorn alone?

LUCIO: I REGRET EVERYTHING

MERCY: That's a first.

MCCREE: once again
MCCREE: i warned you

LUCIO: SOMEONE CALL 911

WINSTON: Emergency Services has blocked our number because of the Sneaker Incident.

JUNKRAT: I SAID I WAS SORRY

76: Clearly, Emergency Services didn't accept that apology.

LUCIO: FUCK

User [TORBJORN LINDHOLM] changed chatroom name to [D.VA DOWN]

SOMBRA: pls dont tell me shes dead

TORBJORN: She's not.
TORBJORN: But I bet she wishes she was.

D.VA: WHAT THE FUCK DID YOU DO TO MY COMPUTER?????

76: Oh god.

TORBJORN: I confiscated it.
TORBJORN: And shipped it to Oklahoma.

D.VA: FUCKING WHY?
TORBJORN: Because I knew it would infuriate you.

ANA: Damn cold blooded

TORBJORN: That's not the worst part.

D.VA: ...
D.VA: WHAT THE FUCK IS THIS?

TORBJORN: Another computer.
TORBJORN: Although slightly less powerful.

D.VA: SLIGHTLY?

MCCREE: this might be the worst thing torbs ever done

D.VA: WHAT YEAR WAS THIS COMPUTER MADE?

TORBJORN: Give or take a few years.

D.VA: HOW AM I SUPPOSED TO STREAM WITH THIS THING?

TORBJORN: You're not.
TORBJORN: It's not powerful enough to stream on.

D.VA: THATS IT IM KILLING MYSELF
D.VA: DONT MISS ME

WINSTON: We won't.

D.VA: FUCK YOU

User [TORBJORN LINDHOLM] changed chatroom name to [RUN GENJI BECAUSE YOU'RE NEXT]

GENJI: DONT WORRY IM RUNNING

76: What did you do to Lena?

SYMMETRA: He had me install a program on her Chronal Accelerator. SYMMETRA: Every time he presses a button, Lena gets transported to a timeline where the planet is entirely made of water.

WINSTON: Lena can't swim.

SYMMETRA: Well yes, that's why he did it.

REINHARDT: That's cruel.

MCCREE: wait you voluntarily helped him?

SYMMETRA: Not really.
SYMMETRA: I was really blackmailed into doing it.
TORBJORN: Oops.

ANA: This side of torb actually scares the shit out of me

TORBJORN: As it should.

TRACER: TORB PLS STOP

TORBJORN:

REAPER: This meme warfare is getting out of control.

MCCREE: its too late
MCCREE: this wont stop until theres only one person left standing

TORBJORN: And that one person will be me.
TORBJORN: Because Genji will die next.

GENJI: PLS GOD NO

User [TORBJORN LINDHOLM] changed chatroom name to [THERE WERE NO SURVIVORS]

WINSTON: Well, I guess that's that.

76: I guess we need to start recruiting again.

REINHARDT: I'm impressed.
REINHARDT: Genji's not easy to track down.

TORBJORN: I asked for Hanzo's help.
HANZO: You did not.
HANZO: You threatened me into helping.

TORBJORN: I guess it depends on who you're talking to.

HANZO: ...Can I go back to my show now?
TORBJORN: Don't let me keep you.

MCCREE: i fucking warned every single one of them
TORBJORN: And it's clear that they were foolish not to listen to you.

SOMBRA: wait are they actually dead?
TORBJORN: They might be
TORBJORN: Today was a bad day for them.

ANA: Its fine
ANA: They've been through worse

REINHARDT: I doubt that.

MCCREE: yeah no amount of training is going to prepare you for this

MERCY: Should I open the Medical Wing?
TORBJORN: If you want.
TORBJORN: I don't know how well you can tend to mental scars.

MERCY: I really can't.
TORBJORN: Oh well.

SYMMETRA: Will they survive?
TORBJORN: Time will tell.
TORBJORN: Now, if there are no further problems, I have work to do.

[TORBJORN LINDHOLM] left chatroom [THERE WERE NO SURVIVORS]

WINSTON: Can we please not let this happen again?
76: I think they've all learned their lessons.

MERCY: Doubt it.
MCCREE: yeah really genjis not very bright

PHARAH: So...what do we do now?
REAPER: Nothing

ANA: We just wait to see if they survive

SOMBRA: i can see genji through the cameras
SOMBRA: i dont think hes gonna make it
WINSTON: Well, we'll remember him fondly.

MCCREE: no we wont

[LIAO] entered chatroom [MY ERECTION'S LASTED LONGER THAN FOUR HOURS CALL 911]

WINSTON: We have a meeting in the conference room in ten minutes.
WINSTON: I expect you two to be there.

LIAO: we have a conference room?

WINSTON: ..Of course.

LIAO: why did i not know this?

WINSTON: Liao...
WINSTON: You helped design the floor plan.

GENJI: no he didnt

LIAO: yeah jack threw me off the project after i suggested we add a room made entirely of gumdrops

GENJI: a sad story if ive ever heard one

WINSTON: How did you even expect that to work?

LIAO: idk
LIAO: i wasnt in charge of the construction

WINSTON: Please just be at the meeting.

GENJI: whats this one about?

WINSTON: Code of Conduct in the Work Place.

LIAO: again?

WINSTON: None of you seemed to have learned from the first presentation.

GENJI: guilty as charged

WINSTON: I'll see you both there.
Morrison: Have either of you seen my sunglasses?

Genji: wtf do u need sunglasses for?

Liao: yeah its like nine at night

Morrison: Just tell me where they are.

Liao: i have no fucking clue

Morrison: Doubt it.

Genji: did u ask gabe?

Morrison: ...  
Morrison: Do you think he took them?

Liao: you tell me

Liao: hes your boyfriend

Morrison: He's not my boyfriend...

Liao: lies

Genji: stop denying it already

Morrison: No.

Liao: for fucks sake

Liao: @gabe

Reyes: Someone rang?

Liao: did you take jacks sunglasses?

Reyes: I didn't take them.

Reyes: He left them in my gym bag.

Morrison: Oh, that's where they are!

Morrison: I'm going to come get them.

Reyes: Be my guest.

Liao: gay

Genji: super gay
MORRISON: Shut up or I'll make you both run laps again.

LIAO: pls
LIAO: my feet still hurt from last week

REYES: So shut it.

GENJI: okay seriously tho
GENJI: why do u need sunglasses right now?

MORRISON: Classified.

LIAO: hey i have the same level of clearance that you have

MORRISON: Not in this situation.

LIAO: bullshit

REYES: File a complaint.

LIAO: i would
LIAO: but hr has me blacklisted

GENJI: what did u expect?

MORRISON: You got that poor kid fired.

LIAO: he shouldnt have taken my cheetos

MORRISON: I'm pretty sure this is exactly why Winston's holding yet another Code of Conduct meeting.

LIAO: i doubt im completely responsible for that

REYES: You're not entirely.
REYES: But you're definitely at least 90% of the reason why.

GENJI: yeah liao ur a bad seed

LIAO: old news

MORRISON: Well, that's the warning bell.
MORRISON: Get moving you two.

GENJI: fuck

REINHARDT: I still don't understand why I needed to attend this.

WINSTON: It was a mandatory meeting.

GENJI: so wheres everyone else?

WINSTON: The Watchpoint is a decent size, Genji.
WINSTON: It takes a while to get from Point A to Point B sometimes.

MCCREE: so whats this about again?

WINSTON: Code of Conduct Policies in the Work Place.

MCCREE: again?

WINSTON: It's becoming necessary since a large majority of you choose not to listen.

ANA: Did we all really have to come?

LIAO: yeah why couldnt you just email us the powerpoint?

WINSTON: Normally, I would.
WINSTON: But, thanks to Agent McCree, most of you can't even access your emails.
WINSTON: Which is partly why we're here today.

MORRISON: That was you?

MCCREE: i didnt admit to nothing

REYES: How?

MCCREE: im a man of many talents

GENJI: i think he did us a favor
GENJI: email is so 2005

REINHARDT: It's still a very useful form of communication.

LIAO: unlike this chatroom

MCCREE: hey now

ANA: Where the fuck are all the chairs?

WINSTON: Liao...

LIAO: hey i needed more for my chair fort

WINSTON: Yet another reason why I've decided to hold this meeting again.

REYES: Next time, can't you just make it mandatory for the kids, Liao, and Ana?

ANA: Y me?

MORRISON: Don't even pretend that you're innocent.

ANA: Fair enough
ANA: But im also in charge so im exempt
WINSTON: That's not how this works.
ANA: Its not?
ANA: Looks like i need to make a change to the rules
MORRISON: You don't have the authority.
ANA: Oh hey another rule i need to edit

[ANGELA "MERCY" ZIEGLER] entered chatroom [MY ERECTION'S LASTED LONGER THAN FOUR HOURS CALL 911]

MERCY: Sorry I'm late.
MCCREE: dont be we didnt even start
MERCY: Um...where are all the chairs?
LIAO: they disappeared mysteriously
MERCY: So, where am I supposed to sit?
GENJI: this dick
LIAO: DGJKATUEJHBVSGBKETJH
WINSTON: And you ask why this was necessary.
REINHARDT: If you really think that continuing to pester us with this meetings is going to help matters, you're just as crazy as Liao.
MERCY: I'll pass.
MERCY: Even though I know that you don't have a dick.
MERCY: Since I rebuilt your body and all.
GENJI: WOW
LIAO: HAH!
REYES: Can we just start already?
REYES: No sense dragging this out longer than we need to.
WINSTON: We're still missing a few names.
MORRISON: @MIREMBE @GERARD @LENA @KIMIKO

[MIREMBE] entered chatroom [MY ERECTION'S LASTED LONGER THAN FOUR HOURS CALL 911]

[GERARD LACROIX] entered chatroom [MY ERECTION'S LASTED LONGER THAN FOUR HOURS CALL 911]

[LENA "TRACER" OXTON] entered chatroom [MY ERECTION'S LASTED LONGER THAN FOUR HOURS CALL 911]
LACROIX: Mirembe and I are on the way.
LACROIX: We stopped at the cafeteria for a quick snack.

WINSTON: You two are literally the last people that need to attend a meeting like this.

MIREMBE: We know.

MERCY: Winston, Lena's still in the Medical Wing.
MERCY: I don't think it would be wise for her to leave so soon.

TRACER: hey im fine!

MERCY: You are not.
MERCY: Don't move.

TRACER: fiiiiiiiiiiine!

REYES: We might as well start.
REYES: Just type in the chat so Lena doesn't miss anything.

MORRISON: That's so detrimental.

REINHARDT: The rest of us are all here.

REYES: Just do it...

WINSTON: Okay then.
WINSTON: I'm not going to waste everyone's time with pleasantry.
WINSTON: But it's become increasingly obvious that I need to go over the ground rules for Employee Conduct again.

ANA: @LIAO

LIAO: hey its not all me

KIMIKO: It's mostly you.
KIMIKO: With the occasional incident from Genji or Jesse.
KIMIKO: Usually with help from Ana.

ANA: Oops

WINSTON: First of all, if someone has been stealing your food, there are better courses of action besides sending a false report to Human Resources.

LIAO: it wasn't false
LIAO: it was just extremely inaccurate

REYES: ...What?

REINHARDT: That's literally the same thing.

LIAO: shut up
MCCREE: what exactly did you say again?
LIAO: nothing too bad
LIAO: just that he was peeping on angela and kimiko in the locker room
GENJI: u are literally the worst kind of person
LIAO: i have seniority here
LIAO: dont challenge me
WINSTON: Moving on.
WINSTON: Agent McCree will stop hacking into other member's personal files.
MCCREE: what good are these hacking skills i learned with deadlock if i cant use them?
MORRISON: You can use them.
MORRISON: Just use them correctly!
MCCREE: i wasnt taught how to use them that way
KIMIKO: Learn.
MCCREE: no
WINSTON: Also, when Angela asks everyone want they want to eat, Genji will stop answering with, "A slice of dat ass."
LIAO: BUT WHY???
LIAO: THATS SO FUCKING GOOD
GENJI: thank you thank you
WINSTON: It's rude.
WINSTON: And bordering on Sexual Harrassment.
MIREMBE: Bordering?
GENJI: BUT ANGELA LIKES IT
WINSTON: I don't care if Angela likes that answer or not, stop it.
MERCY: It was funny the first few times.
MERCY: Now it's just getting redundant.
GENJI: booo
REYES: If we keep going like this, we're going to be here for hours.
LACROIX: Probably more.
REINHARDT: The list is expanding as we speak.
WINSTON: At the request of the janitorial crew, whoever keeps drawing penises on the walls outside the gym will stop now.
REINHARDT: @ANA
ANA: !!!!
ANA: REINHARDT NO

MORRISON: I FUCKING KNEW IT

LIAO: OH BUT IM THE PROBLEM HERE?

ANA: IM IN CHARGE
ANA: FUCK U

MORRISON: Technically, I'm still your boss.

ANA: U and I both know that u would never fire me

MORRISON: I wouldn't.
MORRISON: But goddamn, you're a little shit.

ANA: That's my specialty.

MCCREE: fareehas going to be fucked in the head when she gets older

ANA: She already is
ANA: But most of that is because Liao made her watch all the Saw movies when she was five.

LIAO: THAT WAS YOUR FUCKING IDEA!

ANA: It was.
ANA: But i was going to wait until she was a bit older
ANA: That movie instilled dangerous thoughts into her head

REINHARDT: More dangerous than usual?

LIAO: yeah seriously that kid was already a loose cannon

ANA: * should see what she started doing to the mice in the basement liao

LACROIX: That was her?
LACROIX: I thought Torbjorn was designing a trap of some kind.

ANA: I wish it was that simple

WINSTON: Ahem.

ANA: By all means continue

WINSTON: One last thing.
WINSTON: Morrison and Reyes.
WINSTON: Stop fucking in the Kitchen.

MORRISON: !!!!

REYES: No.

MIREMBE: Ew.

KIMIKO: Fuck's sake, guys.
KIMIKO: We make *food* there!

REYES: We clean up.
REYES: Sometimes.

LIAO: WAIT IS THAT WHY THE COUNTER WAS STICKY LAST NIGHT?

REYES: Possibly.

LIAO: GENJI TOLD ME IT WAS SODA
LIAO: I SPENT LIKE FIVE MINUTES TRYING TO CLEAN IT OFF

MCCREE: *stop*

LACROIX: I'm not usually one to agree with Jesse.
LACROIX: But this conversation needs to end before it gets worse.

MERCY: How much worse could it get?

KIMIKO: I don't think we want to find out the answer to that question.

WINSTON: I hope everyone learned a thing or two from tonight's meeting.

REINHARDT: Not really.

KIMIKO: Nope.

LIAO: I LEARNED EVERYTHING I DIDN'T WANT TO KNOW

MCCREE: i learned that i probably should have just allowed myself to be arrested

REYES: Boy, don't I wish.

MCCREE: rude

TRACER: angie can i please leave?

MERCY: Not until I clear you.
MERCY: And stop calling me Angie.

TRACER: why can fareeha say it but i cant?

MERCY: Uh.
MERCY: No reason.

ANA: Is there something u want to share with us doctor barbie?

MERCY: Stop calling me that, too.

ANA: No

MCCREE: can i go now?
MCCREE: i was about to beat reinhardt in connect four

REINHARDT: You most certainly were not.

MCCREE: its all a matter of perspective
REINHARDT: From every perspective, you were losing.

MCCREE: fine ill just go fuck myself

REINHARDT: Good.

MIREMBE: I'm sure we've learned absolutely nothing of value from this meeting.

WINSTON: That's what I'm afraid of.

LACROIX: Unfortunately, that's usually what happens.

LIAO: @GENJI
LIAO: come to the kitchen

GENJI: why?

LIAO: JUST DO IT

WINSTON: Liao, I swear to God.

____________________________

MORRISON: What the fuck is wrong with you two?

LIAO: he had that coming

WINSTON: There are so many better ways to handle these things.

LIAO: violence is usually the one that makes the biggest impact though

LACROIX: I mean, he's not wrong.

GENJI: y did u do that to me?

LIAO: thats what you get for lying about the counter

MCCREE: what did he do?

GENJI: he threw a can of soda at me the second i walked in the door
GENJI: and it actually really hurt

LIAO: it did?

GENJI: uh duh?

LIAO: but it was a soft drink

MCCREE: leave

LIAO: maybe i will
LIAO: and maybe ill find friends who actually appreciate me

REINHARDT: There is not a single person in the world who would appreciate you after a pun that awful.

LIAO: sad face
GENJI: just go away
GENJI: after that we don't want you here anymore

LIAO: it was funny and you know it

GENJI: nothing about you is funny

KIMIKO: Except for your face.

MERCY: And your fighting skill.

REYES: And your existence.

LIAO: wow okay i guess ill just go kill myself

ANA: That's pretty funny too

LIAO: ...

LIAO: did you learn nothing from this meeting?

ANA: Not really no

LIAO: goddammit

WINSTON: Exactly what I expected.

TRACER: IM FREE!

MERCY: GET. BACK. HERE.

TRACER: NEVER!

REINHARDT: This'll be interesting.

MCCREE: not when lena dies

KIMIKO: That's what Angela has the staff for.

LIAO: rip

MCCREE: fuck you

LIAO: eat me

MCCREE: ill kill you

MCCREE: WHAT THE MCFUCK?

LACROIX: What?

MCCREE: he just threw something at me
MCCREE: is this
MCCREE: the salt shaker from the cafeteria?

LIAO: guess what jesse?

LIAO: you were just

LIAO: a salted
MCCREE: ...
MCCREE: just go the fuck away already

LIAO: never

Chapter End Notes

PSA: The badly timed puns is me. It's also the reason why my friends hate me and my existence. But I refuse to change myself.

Chapter Notes

Spoilers for movies that are like five years old so if you haven't seen them yet I'm not taking responsibility.

See the end of the chapter for more notes

76: Have you learned your lesson?
GENJI: not really no
LUCIO: yeah we dont learn
MERCY: I can see that.
MCCREE: torb really did a number on them huh?
76: That's an understatement.
MERCY: It took me four hours to reattach Genji's arms.
SYMMETRA: That's not too bad.
MEI: That's still a long time.
HANZO: Compared to past incidents, it's not nearly as long.
MCCREE: yeah i remember when we went to seaworld
GENJI: WE PROMISED NEVER TO TALK ABOUT THIS AGAIN
MCCREE: i still havent forgiven you for what you did to that seal
GENJI: THEY SAID IT WAS FRIENDLY
REINHARDT: I don't why you thought trying to prove that theory was a good idea.
ANA: When does genji ever have a good idea?
GENJI: clearly never
D.VA: you learn fast
MEI: Is everyone okay?
LUCIO: define okay
MEI: Are you breathing?
GENJI: barely
MEI: Good enough.

REAPER: No it isn't.

ZARYA: You're all idiots.

LUCIO: old news

D.VA: yeah really tell us something we dont know

ZARYA: I beat your high score in Tetris.

D.VA: OMG NO YOU DIDNT

MEI: She did.
MEI: I was there.

76: Did we get Lena back yet?

WINSTON: I'm working on it.
WINSTON: Satya, what program did you use for this?

SYMMETRA: I honestly don't remember.
SYMMETRA: It's hard to think straight when a dwarf is holding you at gun point.

MCCREE: you think thats bad?
MCCREE: see what happens when you spoil a movie ending for ana

ANA: JESSE I SWEAR TO GOD

REINHARDT: Can confirm.
REINHARDT: She didn't talk to me for two months after I spoiled the ending of Shutter Island.

76: She shaved my eyebrows off when she overheard Gabe and I discussing the ending of Fight Club.

REAPER: Han Solo died.

ANA: FUCK U
ANA: I WAS LOOKING FORWARD TO THAT MOVIE

REAPER: You took way too long to watch it.
REAPER: I don't feel bad.

ANA: FUCK U

TRACER: IS IT OVER?
WINSTON: For the moment.
WINSTON: Someone remind me to confiscate that remote from Torbjorn.

LUCIO: hey winston you should confiscate that remote from torb
WINSTON: Sarcasm isn't appreciated.
LUCIO: too bad
DOOMFIST: Does this happen often?
PHARAH: It's almost a daily occurrence at this point.

76: This is honestly pretty tame compared to other things that have happened over the years.
DOOMFIST: The fact that you haven't self-destructed yet is very surprising to me.
GENJI: well weve already self destructed once
MCCREE: yeah thanks reyes

REAPER: **Fuck off.**

JUNKRAT: **HEY HAS ANYONE SEEN ROADIE?**
LUCIO: ive been in the med bay for the last nine hours why do you think i wouldve seen him?
JUNKRAT: THAT QUESTION WAS DIRECTED TO EVERYONE YA SHIT

JUNKRAT: IM A FEW SANDWICHES SHORT OF A PICNIC

D.VA: were having a picnic?
JUNKRAT: ITS A SAYING FFS
MCCREE: no one has ever said that before
JUNKRAT: THEY DO IN THE OUTBACK MATE
LUCIO: so that means were not having a picnic?
JUNKRAT: NO
JUNKRAT: THIS ISNT FUNNY I CANT FIND ROADIE

76: Have you tried calling him?
JUNKRAT: SIX TIMES
JUNKRAT: @ROADIE
JUNKRAT: ...
JUNKRAT: IM SCARED IDK WHERE HE IS

WINSTON: Don't panic, he can take care of himself.

JUNKRAT: NO HE CANT
JUNKRAT: IM THE ONE WHO HAD TO TAKE CARE OF US ALL THOSE YEARS IN THE OUTBACK

MEI: Not according to him.

JUNKRAT: HEY IM THE BRAINS OF THIS OUTFIT
JUNKRAT: HES THE BRAWN

MCCREE: i think hes both

JUNKRAT: FUCK YOU
JUNKRAT: JUST HELP ME FIND HIM

PHARAH: Are you sure he's not out in the forest looking for flowers again?

HANZO: I would've seen him.
HANZO: I've been on look out duty all day.

GENJI: theres lookout duty?

MCCREE: why is this the first time im hearing about this?

HANZO: Winston assigns the important jobs to the competent members.

MCCREE: hey im competent

MERCY: No you're not.

LUCIO: yeah you still dont know how to use the washing machine

MCCREE: thats a lie

MERCY: Is it?

MCCREE: ...partly
MCCREE: i know how to use it
MCCREE: i still dont know what temperature to wash everything at

D.VA: bruh

JUNKRAT: WHO CARES?
JUNKRAT: WE NEED TO FIND ROADIE

76: He's obviously still on base.

JUNKRAT: I CANT FIND HIM

MEI: You can barely find your room.
MEI: I don't know how you could find Roadhog.
MEI: Even if he is eight feet tall.
JUNKRAT: RUDE

76: Are we really going to drop everything and find Roadhog?

WINSTON: I think Roadhog can handle himself.
WINSTON: However, if anyone wants to go searching for him, you're more than welcome.

76: Please don't.

JUNKRAT: IM GOING

SYMMETRA: Someone should probably go along with him.
SYMMETRA: I fear what he'll do if he's unsupervised.

JUNKRAT: ILL BE FINE

MCCREE: you wont
MCCREE: im coming with you

JUNKRAT: FINE MATE

GENJI: i wanna go

MERCY: None of you are going anywhere.

GENJI: come on angela im fine

MERCY: You are not.
MERCY: The three of you are staying here until tomorrow morning at least.

LUCIO: fine by me
LUCIO: i dont think i could move even if i wanted to

TRACER: im gonna lock myself in my room where theres no water

EMILY: Do you want me to come?

GENJI: gay

EMILY: Shush.

TRACER: idk
TRACER: im emotionally scarred

EMILY: I'll bet you could use a hug.

TRACER: i could use several hugs

EMILY: I'm coming.

REINHARDT: Are you even on base?

EMILY: Yes, actually.
EMILY: I've been in the common room with Bastion and Orisa for most of the day.

BASTION: :D
REINHARDT: Why didn't you say anything?

EMILY: It's been a pretty hectic day.

ANA: Understatement of the year
ANA: We were almost in the running for new recruits

WINSTON: Junkrat, I don't see Roadhog on any of the cameras.
WINSTON: Are you sure he's not in his room?

JUNKRAT: HE'S NEVER IN HIS ROOM

DOOMFIST: How do you manage to pose a threat to us again?
DOOMFIST: You can't even keep track of your own members.

76: I think that speaks more to Talon's uselessness than it does to Overwatch's.

DOOMFIST: Touché

REAPER: Both organizations are useless.
REAPER: One is just slightly less useless than the other.

DOOMFIST: At this point, I don't even know if it matters.
DOOMFIST: From what I've seen, one Talon member has already defected, two are aligned somewhat to Overwatch, and one is absolutely crazy.

MOIRA: Am I the crazy one?

DOOMFIST: That was implied, yes.

MOIRA: Wait a second.

WIDOWMAKER: Defected is a strong word.

DOOMFIST: Is it wrong though?

WIDOWMAKER: Not entirely.

LUCIO: man doomfist how does it feel to be the only normal one in the entire organization?

DOOMFIST: A lot less comforting than you may think.

ORISA: I wouldn't call him normal.
ORISA: Doucheanoee.

DOOMFIST: This isn't going to stop, is it?

ORISA: Nope.

DOOMFIST: Charming.

JUNKRAT: OKAY IM GOING OUT LOOKING FOR ROADIE
JUNKRAT: DONT WAIT UP FOR ME

MCCREE: hold your horses captain wallaby im coming
ANA: I'm coming too

REINHARDT: I will grab every available fire extinguisher and prepare for the worst.

76: Good idea.

JUNKRAT: DON'T WORRY ROADIE WELL FIND YOU

MCCREE: *That was my room...*
MCCREE: *For what reason would he be in my room?*

D.VA: you're not in the outback anymore

JUNKRAT: FUCK YOU

JUNKRAT: OI WHAT THE FUCK?

MCCREE: MY FUCKING CHRIST

ANA: U HAVE ROOMS FOR A REASON

WIDOWMAKER: This doesn't concern you.
WIDOWMAKER: *Walk away.*

REINHARDT: Why are you all like this?

TRACER: WE LOCKED THE DOOR FOR A REASON

ANA: HOW THE FUCK DID U EVEN GET OUT OF THE MED WING?

WIDOWMAKER: I'm an assassin.
WIDOWMAKER: Doing things without being seen is in my job description.

MCCREE: i wish you wouldnt have been seen doing this

WIDOWMAKER: We locked the door.

REINHARDT: That doesn't do much when you have a lunatic using explosives.

JUNKRAT: HOW WAS I SUPPOSED TO KNOW?

ANA: *USE UR COMMON SENSE U IDIOT*
REINHARDT: Common sense is quite uncommon around here.

MCCREE: hi emily

EMILY: Hello Jesse.

MCCREE: i guess you were a part of this too?

EMILY: I was, yes.

MCCREE: why are you letting lena corrupt you?

EMILY: She's not.
EMILY: We all have urges, Jesse.

WINSTON: Do I want to know?

JUNKRAT: JUST WALKED IN ON THE THREE OF THEM
JUNKRAT: ACCIDENTALLY

TRACER: i sure hope you did it accidentally

76: What is wrong with all of you?

MCCREE: well according to emily we all have urges

REINHARDT: You're at the age where you're going be getting a lot of urges.
REINHARDT: You're going to want to take off your clothes, and touch each other.

ANA: REINHARDT NOT THE TIME

REINHARDT: But if you touch each other, you will get Chlamydia.
REINHARDT: And die.

ANA: MEAN GIRLS SUCKS

REINHARDT: BLASPHEMY!

ZARYA: I was wondering where that was going.

MERCY: Lena, get back here.

LUCIO: run lena
LUCIO: save yourself

TRACER: LET ME FINISH WHAT IM DOING AND ILL COME BACK

MERCY: NOW!

JUNKRAT: MOVING ON
JUNKRAT: ... 
JUNKRAT: FUCK HES NOT THERE EITHER

WINSTON: *I told you to search his room first...*

JUNKRAT: SHUT UP
ROADHOG: we talked about this
JUNKRAT: IM SORRY
JUNKRAT: I JUST DIDNT KNOW WHERE YOU WENT
ROADHOG: next time you can search without destroying half the base
JUNKRAT: :( 
76: I can't believe this actually just happened.
MEI: This happens a little too much, Jack.
MEI: I can't believe you don't expect it at this point.
76: I'm apparently stupidly optimistic that things will be done correctly.
REAPER: You were always like that.
REAPER: I thought you'd learn your lesson after Game Night.
ANA: DONT
76: I guess not.
REINHARDT: Is no one going to bring up what Widowmaker was doing with Lena and Emily?
MCCREE: id rather not
ANA: i wish she had shot out both my eyes
WIDOWMAKER: I don't have to explain myself to you.
TRACER: hey shes allowed to do whatever she wants
TRACER: including me
GENJI: gay
LUCIO: gay
EMILY: Don't act like this isn't the first time this has happened.
MCCREE: its not but why would we want it to keep happening?
EMILY: Hey, if that's what you're into, I won't judge.
76: Stop.
HANZO: Did we find Roadhog?
GENJI: do u even read the chat?
HANZO: I make an effort not to.
REINHARDT: He's fine.
REINHARDT: As for Jesse's room.
REINHARDT: Well, that's a different story.

HANZO: Sounds about normal.

WINSTON: That's the problem here.
WINSTON: That should *not* sound normal.

ZARYA: We are not normal.
ZARYA: Get used to it.

WINSTON: I *am* used to it.
WINSTON: I just wish I didn't have to be.

REAPER: **Keep dreaming.**

SYMMETRA: Explaining this to Torbjorn is going to be the worst part.

ROADHOG: what do you mean?

SYMMETRA: Well, someone's going to have to rebuild everything.
SYMMETRA: And Jesse can't do it all.

MCCREE: i can try

ANA: Just tell him genji did it
ANA: Hes already been beaten up once

GENJI: wait hold on

SYMMETRA: I guess that's better than nothing.

GENJI: pls no
GENJI: i just got my body parts reattached

HANZO: Shame.

SOMBRA: i can send him a message if you want

GENJI: NO

WINSTON: Go ahead.

GENJI: WINSTON Y

WINSTON: It's just easier this way.

LUCIO: hope youre comfy here
LUCIO: cause youre gonna be here for a while

SOMBRA: im messaging him

GENJI: PLS NO
TORBJORN:

GENJI: FUCK

Chapter End Notes

Apologies to all the WidowTracer shippers who were waiting patiently for the ship to finally set sail. I wasn't sure if I was going to add it at first but fuck it. Any McHanzo shippers, I'm still on the fence about adding it in but if that's what everyone wants then you will certainly get it.

Hope everyone enjoys!
TORBJORN: No.

LUCIO: why not?

TORBJORN: She doesn't need to deal with all of this.

WINSTON: If she's going to join the team, I think having her in here would be best for her.
WINSTON: But, you are her father.

TORBJORN: Brigitte needs to focus on her work.
TORBJORN: Not engage in childish antics in a group chat.

MCCREE: who are you calling childish?

D.VA: yeah you were the one that attacked me with memes and a coffee pot

TORBJORN: And yet I've still done more work in one hour than you've probably ever done in your life.

D.VA: hey streaming isnt easy

TORBJORN: Niether is constantly rebuilding parts of the Watchpoint, repairing mission equipment that you always seem to ruin, and innovating new ways to make our jobs easier.

LUCIO: cmon our jobs are easy anyway
LUCIO: its not like talon actually poses a threat anymore

DOOMFIST: Hey now.

REAPER: We pose plenty of threats.

MCCREE: robbing a bagel store is not threatening
MCCREE: especially when you only walk away with three dollars

REAPER: How were we supposed to know that the bagel place wasn't very popular?

MOIRA: It was going out of business!
MOIRA: It said it on the front window!!!!

GENJI: dont feel bad moira

MERCY: No, feel very bad.

GENJI: gabe never noticed the important details

REAPER: WILL YOU STOP CALLING ME THAT?
REAPER: NOW THE BOARD OF DIRECTORS IS SAYING IT TOO!

GENJI: and thats my fault because?
DOOMFIST: You told Moira.
DOOMFIST: She, in turn, told the Board.
DOOMFIST: Who now only call Reaper by his name.

REAPER: Gabriel Reyes is dad
REAPER: *dead
REAPER: FUCKING AUTOCORRECT

LUCIO: LMAO

D.VA: I LOVE TECHNOLOGY

TRACER: okay that was funny
TRACER: but its not true

GENJI: yeah everyone knows that reihnadt is dad

MCCREE: just ask liao

76: We are getting very off topic.

PHARAH: When do we not?

76: Fair point.

REINHARDT: I prefer the term, "Hammer Daddy."

ANA: No

MEI: Just stop.

SYMMETRA: Please.

REINHARDT: LET ME HAVE THIS!

WINSTON: ...Back to the topic at hand.
WINSTON: Are you absolutely sure, Torbjorn?

TORBJORN: You know how I feel about it.
TORBJORN: This chat room is bad news and I need Brigitte to focus on her work.
TORBJORN: However, she is an adult.
TORBJORN: If she wants to join, I don't think I can stop her.

SOMBRA: you cant
SOMBRA: especially if im involved

TORBJORN: You really don't scare me.
TORBJORN: Olivia.

SOMBRA: STOP FUCKING CALLING ME THAT
TORBJORN: Now, why would I do that?

SOMBRA: BECAUSE I CAN VERY EASILY LEAK YOUR PERSONAL FILES TO EVERYONE ON BASE
TORBJORN: I think that would scare all of you more than it would scare me.

REINHARDT: I don't even want to know.

TORBJORN: You're very right.
TORBJORN: You don't want to know.

TRACER: can we hold a vote?

MEI: To leak Torbjorn's personal files?

TRACER: ...no mei
TRACER: to add brigitte or not!

76: Do we really have to vote on everything?

TRACER: yes!

LUCIO: i like votes

WINSTON: Okay...
WINSTON: All those who want to add Brigitte to the chat?

TRACER: aye!

LUCIO: me

D.VA: do it

MCCREE: i guess ill throw my vote in

GENJI: no one wants ur vote

MCCREE: fuck you

WINSTON: Those who oppose?

TORBJORN: Hmph.

WINSTON: I imagine that means everyone else is neutral?

ANA: More or less

76: I'm against voting in the first place.

ANA: Deal with it

MOIRA: Wait, don't I get a vote?

MERCY: No.

MOIRA: :-(
MOIRA: Why not?

MERCY: Because you're unwanted.

MOIRA: How come Doomfist gets a vote?
LUCIO: because we like doomfist

DOOMFIST: Please don't.

MOIRA: I'm a fun person!

MEI: You're about as fun as a root canal.

MOIRA: :-(

WINSTON: Well...
WINSTON: If there's no further objections.

[WINSTON] added [BRIGITTE LINDHOLM] to chatroom [I PASSED 43 KIDNEY STONES TODAY]

WINSTON: Hello Brigitte.

BRIGITTE: Hej Winston!
BRIGITTE: Hej @EVERYONE!

TRACER: hi!

MCCREE: howdy

GENJI: sup

D.VA: welcome to the best decision of your life

BRIGITTE: I wouldn't go that far.
BRIGITTE: I just got here, after all.

LUCIO: give it time
LUCIO: youll warm up to it

BRIGITTE: I don't know.
BRIGITTE: If my father's experiences are any indication, I might be in for it.

GENJI: nah
GENJI: ur good

D.VA: youre not like torb are you?

BRIGITTE: I'm not entirely sure how to answer that.

D.VA: you wont attack me with memes or kitchenware would you?

BRIGITTE: Oh...
BRIGITTE: I don't think so.
BRIGITTE: As long as you don't give me a reason to.

MCCREE: she will

BRIGITTE: Speaking of which.
BRIGITTE: Is my father here?
TORBJORN: Unfortunately.

BRIGITTE: Du attackerade henne med köksredskap?

TORBJORN: Hon förtjänade det.

BRIGITTE: Vi pratade om det här, pappa.

TORBJORN: Jag behöver inte en föreläsning från dig.

[TORBJORN LINDHOLM] left chatroom [I PASSED 43 KIDNEY STONES TODAY]

BRIGITTE: Always so difficult.

LUCIO: i dont mean to be rude
LUCIO: but does your dad always have a stick up his ass

BRIGITTE: More often than not.

REINHARDT: Remind me to tell you all about Kimiko's baby shower one day.

76: NO!

ANA: NEVER SPEAK OF IT AGAIN

D.VA: okay seriously how many incidents are there that no ones allowed to speak about?

WINSTON: I don't think numbers go up that high.

MCCREE: a lot
MCCREE: most of them are really bad

GENJI: all of them are really bad

REINHARDT: Change the topic.

SYMMETRA: Give it a few minutes.
SYMMETRA: The topic usually changes on its own.

LUCIO: hey brigitte

BRIGITTE: Yes?

LUCIO: if you want to be a part of the team you have to pass an initiation test

76: There's never once been an initiation to join the team.

LUCIO: SHUT UP
LUCIO: YOURE NOT IN CHARGE ANYMORE

76: Some would disagree.

MCCREE: i wouldnt

76: Fuck you.

LUCIO: ANYWAY
LUCIO: in order to join the team you must answer a single question

BRIGITTE: Okay?

LUCIO: the answer to this question will determine if you are qualified to join the team or not

BRIGITTE: I'm scared.

LUCIO: dont be
LUCIO: its an easy question

MEI: Lucio, please don't stress out the new member for no reason.

LUCIO: im not going to
LUCIO: like i said
LUCIO: its an easy question

DOOMFIST: The suspense is killing me.

ORISA: Good.
ORISA: Keep Doomfist in suspense.

DOOMFIST: I really think we can work through our differences.

ORISA: You are horribly wrong.

BRIGITTE: There appears to be a lot of hostility between these two.

ORISA: It's justified.
ORISA: By the way.
ORISA: Hello Brigitte!
ORISA: It's a pleasure to meet you!

BRIGITTE: Likewise.
BRIGITTE: How is Efi?

ORISA: She is wonderful!
ORISA: Unfortunately, she doesn't have the time to communicate in the chat very often.
ORISA: But I will tell her you said hi!

BRIGITTE: Great!

SYMMETRA: If I'm not mistaken, wasn't there a question that was going to be asked?

MCCREE: maybe at one point

LUCIO: OKAY SERIOUSLY EVERYONE SHUT UP
LUCIO: brigitte

BRIGITTE: Yes?

LUCIO: i need to know

GENJI: holy fuck get on with it

LUCIO: are
LUCIO: you
LUCIO: gay?

BRIGITTE: I'm sorry?

76: For fuck's sake.

BRIGITTE: Am I missing something?

PHARAH: Ignore him.

LUCIO: no wait

BRIGITTE: Is this really an initiation?

76: There never was an initiation.

BRIGITTE: ...

D.VA: its kind of a serious question though

WINSTON: Can we not overwhelm Brigitte on the first day she's here?

TRACER: its an innocent question luv!

BRIGITTE: Is this common around here?

MEI: Very.

LUCIO: look im not trying to be nosy i just wanna know
LUCIO: because theres still a lot of single folk around here that im sure would love a partner
LUCIO: same sex or not

BRIGITTE: Uh...

WINSTON: Lucio, that's enough.

BRIGITTE: @REINHARDT
BRIGITTE: Fill me in here.

REINHARDT: Hana and Sombra are dating.
REINHARDT: Lena is dating Emily, and the two have recently included Widowmaker.
REINHARDT: Jack and Gabe are still going through a rough patch but they're together nonetheless.

REAPER: **STOP. CALLING. ME. THAT.**

76: **WE'RE NOT TOGETHER!**

TRACER: yes they are!

REINHARDT: Angela and Fareeha started dating after dancing around each other for months.

PHARAH: To be fair, it wasn't that long.

ANA: U have had a crush on angela since u were 12
ANA: It was way too long
PHARAH: MOM!

REINHARDT: Mei and Zarya are happily together.
REINHARDT: Ana and I are exploring our own relationship.
REINHARDT: Everyone else is single and sexually frustrated.
REINHARDT: Except Hanzo, who is married to the practice range.

HANZO: The practice range is a preferable partner to most of you.

LUCIO: burn

BRIGITTE: ...  
BRIGITTE: Wasn't there a rule about not dating co-workers?

ANA: Yeah
ANA: But that was like ten years ago

MCCREE: nobody listened to it anyway

BRIGITTE: Okay wait.
BRIGITTE: Widowmaker, the Talon assassin?

WIDOWMAKER: Ex Talon assassin.

DOOMFIST: We lost a very capable member.
DOOMFIST: It's a shame really.

BRIGITTE: And who's Emily?

TRACER: my girlfriend!
TRACER: well my other girlfriend

EMILY: I just kinda got roped into all of this.
EMILY: I'm not a member or anything.

MCCREE: shes still family

GENJI: yeah we still like emily better than jack

76: Fuck you.

BRIGITTE: There's a lot of information to process here.

SYMMETRA: No one will blame you for being confused.
SYMMETRA: Honestly, I still don't understand what's going on half the time.

D.VA: that really says something since satyas like the smartest one here

BRIGITTE: Oh yeah, that reminds me.
BRIGITTE: Why are there Talon members in here?

DOOMFIST: I was forced against my will.
DOOMFIST: I'd rather not be a part of this.

MOIRA: Likewise.
MOIRA: Although I don't mind having the chance to talk to Angela again.
MOIRA: ;-) 
MERCY: You have a better chance of taking over the world than you do of getting with me. 
MOIRA: A woman can try. 
PHARAH: For all of our sakes, stop trying. 
MOIRA: Momma didn't raise no bitch. 
PHARAH: I'm trying to be nice to you. 
MOIRA: Being nice won't get you in my pants any quicker. 
PHARAH: That's not... 
PHARAH: What... 
BRIGITTE: What in the world did I get myself into? 
D.VA: like i said 
D.VA: the greatest decision of your life 
76: Leave while you still can. 
BRIGITTE: I don't know. 
BRIGITTE: I feel like I'm going to have fun here. 
LUCIO: that's the spirit 
GENJI: this chatroom is a bunch of fun 
GENJI: wait until u get on base 
BRIGITTE: Let me just get this out of the way. 
BRIGITTE: If any of you destroy my stuff. 
BRIGITTE: I will cut you. 
LUCIO: ... 
D.VA: i like her already 
ANA: Shes literally a carbon copy of torb 
BRIGITTE: Hey, I'm going to be nice. 
BRIGITTE: Until you give me a reason not to. 
SYMMETRA: That's what everyone says. 
ZARYA: They will give you reason very quick. 
BRIGITTE: I don't doubt it. 
LUCIO: hey what happened to my donuts? 
JUNKRAT: THOSE WERE YOURS? 
LUCIO: are you shitting me?
ROADHOG: i told you not to eat them
JUNKRAT: THAT AINT MY FAULT MATE
JUNKRAT: PUT UR FUCKING NAME ON THE BOX
LUCIO: I DID
JUNKRAT: I DIDNT SEE IT
ROADHOG: thats probably because you set the box on fire
JUNKRAT: I LIKE THEM WARM
MCCREE: warm or melted?
JUNKRAT: ITS ALL THE SAME TO ME
BRIGITTE: Don't steal my food either.
WINSTON: Good luck.
BRIGITTE: Understand that I'm not responsible for anyone's injuries if they touch any of my stuff.
WINSTON: I figured as much.
REINHARDT: Just be thankful Liao's not here anymore.
REINHARDT: I can't even begin to tell you how much food he took from me.
D.VA: WAIT DID YOU TAKE MY DORITOS TOO?
JUNKRAT: I WAS HUNGRY
D.VA: PREPARE TO DIE
ROADHOG: uh oh
WINSTON: *Hana, no.*

__________________________

BRIGITTE: What happened?
MERCY: Simple medical emergency.
MERCY: Don't worry too much about it.
D.VA: FUCKING FIGHT ME N00B
JUNKRAT: KEEP THAT MENACE AWAY FROM ME
REINHARDT: This is pretty typical, honestly.
DOOMFIST: Similar things happen at Talon's HQ.
REAPER: Don't tell them that.
DOOMFIST: I'll tell them what I want, thank you.
MCCREE: yeah there you go
GENJI: stick up to the man
REAPER: Both of you shut up.
MCCREE: youre not in charge anymore reyes
REAPER: STOP FUCKING CALLING ME THAT!
GENJI: lol no
BRIGITTE: I hope you get this all sorted out before I get there.
WINSTON: We'll try.
ANA: We wont
ANA: But well try
BRIGITTE: I can't wait for this.
BRIGITTE: Now I can finally get my own payback on Genji for destroying my gift for my father.
GENJI: WAIT WHAT
MCCREE: shes torb
MCCREE: shes exactly torb
REINHARDT: These last few days haven't been very good for Genji.
GENJI: PLS NO
TRACER: this is going to be so funny!
PHARAH: Not if you're the doctor.
SYMMETRA: You're not the doctor either.
PHARAH: Yes, but when she gets overwhelmed, the doctor comes to me.
MOIRA: She can come to me, too.
MOIRA: If you know what I mean.
76: Both of you stop.
ANA: Welcome to the shit show that is overwatch
ANA: I hope u enjoy ur stay
BRIGITTE: I'm sure I will.
GENJI: CAN WE AT LEAST TALK ABOUT THIS?
BRIGITTE: Talking's for wimps.
LUCIO: rip
MCCREE: fucking stop
MEI: I promise, it's not normally this crazy.

HANZO: Yes, it absolutely is.

MEI: No one asked you.

BRIGITTE: I think I'm gonna like it here.

D.VA: kinda like how genjis gonna like his stay in the med wing again

MCCREE: we should get him his own room there at this point

MERCY: That can be arranged.

GENJI: GUYS PLEASE NO

Chapter End Notes

Who the fuck do I even ship Brigitte with at this point? Do I ship her at all? Fuck's sake Blizzard you're making my life so much harder than it has to be.
D.VA: so i just watched brigitte roll a pizza up like a taco and just swallow it whole

GENJI: have u seen ana?

MCCREE: yeah really shes done that like fifty times
MCCREE: i dont even know where all that pizza goes

ANA: the next dimension

BRIGITTE: I was hungry.

D.VA: you literally just inhaled the thing

BRIGITTE: I was really hungry.

REINHARDT: I've taught you well.

WINSTON: ...Brigitte, where did you get that pizza?

BRIGITTE: It was sitting on the counter.

MCCREE: fuck

LUCIO: oh shit

WINSTON: That was Satya's pizza, Brigitte.

D.VA: rip

MCCREE: shut your fucking mouth

BRIGITTE: You all really should start putting your names on things.

76: Most of us do.

ANA: Satya just grabs whatevers left when she comes out of the lab

MEI: The last time someone took her food, it wasn't pretty.

GENJI: junkrat almost lost his other leg that day

JUNKRAT: ALL OF YOU ARE TOO FUCKING VIOLENT

76: It's all part of the job.

JUNKRAT: THATS NOT A GOOD THING

76: Don't you start lecturing me on what is good and bad.

BRIGITTE: So, what do I do now?

D.VA: hide
LUCIO: cower in fear

ANA: Buy satya another pizza

BRIGITTE: I will do none of those things.

GENJI: well then i guess ur gonna die

REINHARDT: Out of anyone on base, Brigitte is the least likely to be killed by Satya.
REINHARDT: Except for Winston and maybe Hanzo.

LUCIO: why?

REINHARDT: Satya actually respects Brigitte.
REINHARDT: Which is a rarity in itself.

BRIGITTE: I try.

D.VA: oh so i can accidentally knock a stack of paper off the desk and i get maimed but Brigitte can eat satyas food and get off scot free?

MCCREE: thats your own fault

WINSTON: Hana, you know just as well as the rest of us that Satya's an organization freak.

D.VA: THAT DOESNT MEAN I SHOULD BE BEATEN WITH A BEAKER

REAPER: You should be beaten with stuff more often.

GENJI: yeah it keeps u centered

D.VA: fuck off

LUCIO: why does she respect brigitte so much?
LUCIO: shes only been here for like a week

WINSTON: Brigitte isn't loud, obnoxious, or destructive.
WINSTON: That makes her okay in Satya's book.

SYMME TREA: Did someone call?

ANA: Not really

MCCREE: we just used your name in a sentence

SYMME TREA: Well, stop it.

LUCIO: what if we dont want to?

SYMME TREA: You really don't want to know what happens then.

GENJI: she speaks the truth

SYMME TREA: What's going on?
SYMME TREA: Is something wrong?

ANA: Why did u assume something was wrong?
SYMMETRA: Because something usually is.

REINHARDT: That's not wrong.

WINSTON: It's nothing really.

LUCIO: no its bad

TRACER: lucio quiet!

BRIGITTE: Alright, I'll just come clean to prevent an even bigger issue.
BRIGITTE: Satya, I ate the leftover pizza that was for you.
BRIGITTE: I'm very sorry.

SYMMETRA: ...
SYMMETRA: It's okay.
SYMMETRA: I forgive you.

GENJI: FUCKING WHAT

LUCIO: WHY DOES SHE GET OFF SO EASY?

SYMMETRA: Because I know that Brigitte didn't do it on purpose.
SYMMETRA: Unlike the rest of you.

MCCREE: dont be so sure

SYMMETRA: If you could buy me another, I would appreciate it.

BRIGITTE: Sure.
BRIGITTE: I'll take you out later.
BRIGITTE: My treat.

GENJI: (°ʖ°)

BRIGITTE: No, not like that.

MCCREE: (°Lazy°)

ANA: (°Lazy°)

TRACER: (°Lazy°)

REINHARDT: (°Lazy°)

LUCIO: (°Lazy°)

BRIGITTE: Stop...

SYMMETRA: Sounds like fun.

BRIGITTE: ...
BRIGITTE: Okay then.

REINHARDT: Is there any pizza left by the way?
REINHARDT: I could use something to eat.
D.VA: the last time you said that you ate like eight boxes of cookies

REINHARDT: I said I was hungry.

MCCREE: it cost like 300 bucks to buy all of that back

REINHARDT: Happens.

D.VA: the answer is no btw
D.VA: brigitte ate the last of the pizza

REINHARDT: YOU MONSTER!

BRIGITTE: Hey, I need to eat too.

76: How is it possible that you ate everything?
76: We ordered 75 boxes.

MCCREE: ana ate like twenty of them on her own

LUCIO: the fact that shes not paralyzed rn is a miracle

ANA: Ive had a lot of practice

D.VA: tracer and widowmaker started off having a romantic dinner but ended up having a contest to see who could eat more
D.VA: spoiler alert widowmaker won

GENJI: ...how?
GENJI: have u ever seen tracer eat?

WIDOWMAKER: I'm a woman of many talents.

TRACER: thats why i love her!

LUCIO: is emily really okay with this?

EMILY: It was my idea.

LUCIO: bruh

EMILY: Listen, we both find Widowmaker attractive.
EMILY: It's a mutual thing.

WIDOWMAKER: <3

EMILY: <3

GENJI: seeing widowmaker happy is weird to me

WIDOWMAKER: What is "Happy?"
WIDOWMAKER: I'm completely devoid of emotions.

MCCREE: clearly youre not devoid of pleasure

LUCIO: yeah i saw you three in the orca last night
REINHARDT: Ew.

WIDOWMAKER: You're just upset because I'm getting more than you.

MCCREE: ...wow

GENJI: HOLY FUCK

LUCIO: IM DECEASED

ANA: Bastions getting more than mccree at this point

BASTION: (◠‿◠)

MCCREE: i dont deserve this

REINHARDT: You do.

D.VA: and the rest of the pizza was just savaged by a group of wolves disguised as the rest of overwatch
D.VA: and whatever was left was torched by junkrat

JUNKRAT: I HAVE MY PREFERENCES TOO YA KNOW

D.VA: amazingly i managed to save a box for satya
D.VA: which was then eaten by brigitte

REINHARDT: And that's how we got here.

76: We need to have a serious discussion about the eating habits on this team.

SOMBRA: you think thats bad?
SOMBRA: come spend a day or two with talon

76: Absolutely not.

REAPER: Talon's not nearly as bad as Overwatch is.

DOOMFIST: I don't know.
DOOMFIST: Did you see what Moira did to the Fried Chicken we ordered last night?

LUCIO: hey how come they get fried chicken?

REINHARDT: You want it?
REINHARDT: Maybe you should place the orders next time instead of saying you don't like talking to people.

MOIRA: In my defense...
MOIRA: I didn't eat anything else at all yesterday.

DOOMFIST: It was terrifying.
DOOMFIST: I don't even think you chewed.

MOIRA: I didn't.

REAPER: Why are you like this?
MOIRA: Leave me alone.
MOIRA: I don't comment on your habits.
MOIRA: Like the passive-aggressive text messages you keep sending to Morrison.

76: !!!

REAPER: **WOULD YOU STOP GOING THROUGH MY PERSONAL STUFF?**

MOIRA: This is Talon.
MOIRA: Your business is everyone's business.

REAPER: **NO IT ISN'T!**

MOIRA: It is now.

GENJI: wow theres really nothing left
D.VA: idk why you thought i was kidding
GENJI: u hide a lot of food from us
D.VA: false

SOMBRA: true
D.VA: !!!

SOMBRA: im sorry i remember when i found your fruit snack stash and you still wouldnt let me have any

MCCREE: **THAT'S WHERE THE FRUIT SNACKS WENT?**

JUNKRAT: **THOSE WERE MINE!**

D.VA: okay fine!
D.VA: but yeah i wasnt joking about no pizza left

GENJI: what the fuck am i supposed to eat?

DOOMFIST: Obviously not pizza.

GENJI: yeah thanks

REINHARDT: You want something?
REINHARDT: You do the shopping next time.

GENJI: i dont have time to go shopping
GENJI: i want food now

LUCIO: can you even eat?

GENJI: weve discussed this numerous times lucio

LUCIO: and i didnt listen a single time

MCCREE: sounds about right
GENJI: hana help me out here

D.VA: idk what you want me to do
D.VA: check the fridge

GENJI: fine
GENJI: ...
GENJI: THIS BITCH EMPTY
GENJI: YEET

76: ...
76: What was that?

D.VA: he just threw the fridge out the window

76: Why?

GENJI: it was empty
GENJI: did u not hear me yeet?

ANA: That phrase was old when i was a kid

REINHARDT: That doesn't mean it's any less amazing.

MCCREE: WAIT
MCCREE: DID YOU TAKE MY COFFEE MUG OUT OF THERE?

GENJI: well duh
GENJI: do u really think im that bad of a person?

LUCIO: depends on who your asking

GENJI: shut the hell ur mouth

76: We need that, you know.

GENJI: we can buy another one

REINHARDT: Are you sure?
REINHARDT: Have you even gone shopping before?

GENJI: once
GENJI: years ago
GENJI: hanzo remembers

HANZO: I try to forget that day ever happened.

LUCIO: what happened?

HANZO: It's really not a story for young ears.

LUCIO: im 26

HANZO: It doesn't matter.

WINSTON: Can you, for once, not destroy something?
GENJI: that's a big request

WINSTON: It really shouldn't be.
WINSTON: It's an easy request to fulfill.

D.VA: come on shit like this happens everywhere

76: I doubt it happens in this magnitude.

TRACER: it might
TRACER: i bet talon breaks stuff a lot too!

REAPER: No, we don't.

DOOMFIST: Yes we do.

REAPER: WHO'S SIDE ARE YOU ON?

DOOMFIST: It depends on the situation.

REAPER: STOP IT!

DOOMFIST: No.

WIDOWMAKER: I mean, Reaper broke stuff a lot too.

MOIRA: Yes, I remember the antique vase in the conference room.

REAPER: THAT WASN'T ME!

SOMBRA: yes it was
SOMBRA: i have the video footage

REAPER: YOU'RE ALL SUPPOSED TO BE WORKING WITH ME, YOU KNOW!

WIDOWMAKER: Incorrect.

REAPER: EXCEPT YOU.
REAPER: TRAITOR.

WIDOWMAKER: At least I didn't blow up the HQ.

LUCIO: OOOOOOOHHHHHHH SHIT

REAPER: ...

[REAPER] has left chatroom [DOUCHING IS NOT A FORM OF CONTRACEPTION]

GENJI: rekted

REINHARDT: He had that coming.

DOOMFIST: He has more than that coming.

MOIRA: It wouldn't happen if he'd stop being such a crotchety old man.
TRACER: ^truth

76: This doesn't change the fact that we still need to replace the fridge.

GENJI: make sure to get one that can play music

REINHARDT: I'm not going shopping for any of you anymore.

ANA: Make roadhog go
ANA: Hes the only one that can carry a fridge anyway

D.VA: did you just completely miss the part where genji threw one out the fucking window?

ROADHOG: i dont think bringing me into a store is a good idea

JUNKRAT: HE TENDS TO SCARE PEOPLE

MCCREE: i wonder why

SYMMETRA: At this point, I think all stores in a fifty mile radius are just going to ban us from shopping there.

HANZO: That's why Genji isn't allowed to go shopping at home anymore.

GENJI: THAT GUY WAS AN ASSHOLE AND U KNOW IT

HANZO: I do.
HANZO: That doesn't mean that what you did was right.

LUCIO: i still want to know what happened

HANZO: I'll tell you when you're older.

LUCIO: HOW MUCH OLDER DO I NEED TO BE?

HANZO: More.

LUCIO: THAT DOESNT ANSWER MY QUESTION

HANZO: It wasn't supposed to.

MOIRA: It's good to see that we're not the only organization that's a mess.

76: We're not a mess.

MOIRA: Literally this entire chat serves to prove you wrong.

WINSTON: We're trying to do better.

DOOMFIST: You really don't have to.
DOOMFIST: Talon's not going to be improving any time soon.

D.VA: shouldnt you be supporting your own team?

DOOMFIST: I'm a realist.
DOOMFIST: And the reality is that Talon is a fucking shit show.
MOIRA: That's what happens when your most competent assassin defects.

WIDOWMAKER: Glad to be of service.

MOIRA: We should open a chatroom.

DOOMFIST: For what purpose?
DOOMFIST: Everyone in Talon who would be an entertaining presence is already here.

MOIRA: It was just a suggestion.

BRIGHT: Genji, I would either work on getting that fridge back up to the kitchen, or buying another one.

GENJI: why?

BRIGHT: Because otherwise I'm going to tell my father, and I don't think you want that.

GENJI: ...fuck
GENJI: i dont know if i can get it back up here

76: Why would you throw it out in the first place?

GENJI: my head isnt screwed on properly

MCCREE: i would talk to angela about that

GENJI: ill do it eventually

REINHARDT: Do you even have a brain up there?

ANA: I doubt it
ANA: His heads probably just an empty vortex

GENJI: ...

TRACER: no

MCCREE: dont you fucking dare

GENJI: THIS
GENJI: BITCH
GENJI: EMPTY

76: GENJI...

GENJI: YEET

D.VA: ...
D.VA: he just threw himself out the window

76: What the fuck is wrong with him?

TRACER: i dont think anyone really knows anymore

LUCIO: zenyatta might
ZENYATTA: I do not.
ZENYATTA: He's just, simply speaking, an idiot.

ANA: Truest thing zenyattas ever said

BRIGITTE: Does this happen often?

WIDOWMAKE: More often than you think.
WIDOWMAKE: And I don't even work here.

HANZO: Try growing up with him.
HANZO: There's a reason why I killed him.

LUCIO: because he was dishonoring the family?
HANZO: That's just what the papers tell you.
REINHARDT: This got darker than expected.
SYMMETRA: It's always expected.
TRACER: this is just the tip of the iceberg

WINSTON: Is he okay?

SOMBRA: hes okay i can see him on the cameras
MCCREE: hes made of metal hes fine

76: That doesn't change the fact that we need a new fridge.

ROADHOG: i can help bring it in
ROADHOG: granted it still works

ANA: That thing fell three stories
ANA: I dont think its gonna work anymore

D.VA: yeah someones gotta take care of that before tonight because if my ice cream melts before movie night ill kill all of you

LUCIO: have you just been sitting in the kitchen watching all this happen this entire time?
D.VA: just about

LUCIO: cool
ANA: Well someones gotta go to the store and its not gonna be me or reinhardt
MCCREE: or me
D.VA: im not doing it

76: For fuck's sake.
76: I'll go.
76: Roadhog, come with me.
76: I'm going to need your help carrying it.
ROADHOG: im gonna stay in the car
76: That's fine.
REINHARDT: You can't use the car.
76: ...Why not?
REINHARDT: Lena and Widowmaker took it out last night and didn't refill it.
76: Seriously?
TRACER: i didnt have money!
WIDOWMAKER: I said I could just steal some.
TRACER: i told you to stop stealing!
WIDOWMAKER: You're lucky I'm trying to turn over a new leaf otherwise I just would do what I want.
MCCREE: were all so proud of how you handle adversity
76: I don't believe this.
76: The car is actually completely empty.
GENJI: THIS
GENJI: BITCH
GENJI: EMPTY
76: I SWEAR TO GOD...
GENJI: YEET!
So, this chapter was mostly inspired by the Retribution event that I totally didn't just play for the first time last night. I tried to take a slightly more serious tone with this chapter because I know how much this mission impacted the Overwatch storyline. I also tried to incorporate a little more of Reyes' anger towards Morrison because I know that this event was a major turning point in expanding the rift between the two. But, of course, it wouldn't be a chapter of mine without some humor thrown in there.

Hopefully I did the event justice.

See the end of the chapter for more notes

[GABRIEL REYES] entered subchat [BLACKWATCH IS BETTER THAN OVERWATCH]

[JESSE MCCREE] entered subchat [BLACKWATCH IS BETTER THAN OVERWATCH]

MCCREE: ROAD TRIP
REYES: Please stop calling it that.
MCCREE: nope
MCCREE: its a road trip
REYES: Where the hell are the other two?
MCCREE: genjis playing liao in pool
REYES: For fuck's sake.
REYES: I told him to stop.
MCCREE: idk why you thought he was gonna listen
REYES: I'm in charge, dammit.
MCCREE: debatable
REYES: Fuck you.

[MOIRA O'DEORAIN] entered subchat [BLACKWATCH IS BETTER THAN OVERWATCH]

MOIRA: Reyes, I thought you knew better than this.
REYES: Orders are orders.
MOIRA: There's no orders about this, though.
REYES: I call the shots here, O'Deorain.
MOIRA: I think we need to hold a vote.
REYES: Not a chance.
MCCREE: do i have to go?
REYES: You were literally just cheering about taking a road trip.
MCCREE: i changed my mind
MCCREE: i get carsick easily
REYES: We're not taking a car to Italy, kid.
MCCREE: ...
MCCREE: i get airsickness too
MOIRA: If we knock you out, you'll never know the difference.
REYES: Not going to happen.
REYES: We can't administer any medication during this mission.
REYES: Everyone needs to be focused.
MOIRA: I wasn't planning on using medication.
MOIRA: A crowbar works just as well.
MCCREE: wait hold on a minute
REYES: Where the fuck is Shimada?
GENJI: u called?
REYES: Have you been here the whole time?
GENJI: more or less
REYES: Why didn't you say anything?
GENJI: i didnt see any reason to contribute to the conversation until this moment
REYES: Get your stuff.
REYES: We're heading out.
GENJI: what stuff could i possibly need?
GENJI: everything i own is attached to me
REYES: You know what I mean.
MCCREE: didnt morrison not approve this mission?
REYES: Jack's afraid to do what is necessary sometimes.
MOIRA: Is this the beginning of the divorce?
REYES: *We're not together...*

GENJI: don't lie to urself

MOIRA: I'm not taking responsibility if this goes south.

REYES: Yeah, yeah.
REYES: It all falls to me.

MCCREE: okay what's the mission again?

REYES: Seriously?

MCCREE: i wasn't briefed

REYES: *You were standing right there when we were discussing it.*

MCCREE: that doesn't mean i was paying attention

REYES: For the love of...
REYES: We're going after Antonio.

MCCREE: i specifically remember morrison saying that wasn't allowed

REYES: I'm calling an audible on this play.

GENJI: this is a bad idea

MOIRA: At least someone realizes that.

REYES: We're going.
REYES: This is the one chance we have.
REYES: We can't let him escape because Overwatch is incompetent.

MOIRA: We are part of Overwatch.

REYES: Yes.
REYES: The competent part.

MOIRA: I disagree.

REYES: Too bad.
REYES: We're going.

MCCREE: im serious reyes i get airsick

GENJI: just dont look out the window and u will be fine

MCCREE: i dont think it works like that

______________________________

MCCREE: IT DIDN'T WORK GENJI

MOIRA: *Those were my good shoes.*

REYES: *GOD FUCKING DAMN YOU KIDS.*
GENJI: im bored
REYES: You're always bored.
MOIRA: What are we supposed to do for eight hours?
REYES: We're in Italy.
REYES: Go find something.
GENJI: I thought we were supposed to be covert
REYES: Just don't be stupid and we'll remain covert.
MOIRA: Do you know who you're talking to?
MOIRA: People will see Genji and faint.
GENJI: It's not my fault that I look like this
MOIRA: I didn't say that it was.
MOIRA: But you know what I mean.
GENJI: fine
REYES: I'm sure you can find something to keep yourself entertained.
MOIRA: Why are we not assaulting his compound right now?
REYES: We have to wait for nightfall.
REYES: It'll be easier to infiltrate when it's dark.
GENJI: Why didn't we just come here at night?
REYES: That would've been too obvious.
MOIRA: Did you even think this through?
REYES: Not really.
REYES: How hard can it be?
MOIRA: Absolutely unbelievable.
GENJI: Why did they put you in charge again?
REYES: Well, they didn't.
REYES: They decided to put Jack in charge.
REYES: Probably because they thought he'd look better for their image.
REYES: Even though I was much more qualified and respected.
GENJI: Oh great here come the Vietnam flashbacks
MOIRA: Okay, now I understand.
MOIRA: This entire operation is just a dick measuring contest between you and your lover.
REYES: I DESERVED THAT PROMOTION AND YOU KNOW IT!
REYES: AND FOR THE LAST TIME, WE'RE NOT TOGETHER!!!

GENJI: i regret bringing this up

MOIRA: It needed to be said.

REYES: This isn't a dick measuring contest, Moira.
REYES: Lacroix almost died.
REYES: I'm not letting that go without retaliating.

GENJI: since when do u care about gerard?

REYES: Listen, you little shit.

MOIRA: Agreed.
MOIRA: I wasn't sure you cared about anyone other than Morrison.

REYES: I'm just going to ignore that second comment.
REYES: Lacroix is a friend.
REYES: I'll be damned if I'm going to stand by and let that go unanswered.

MOIRA: Does Morrison know that you're cheating on him with Lacroix?

REYES: I should've left you back at the base.

MOIRA: Don't I wish you did.

GENJI: so ur really just gonna have us charge into a compound filled to the brim with talon guards just so we can fuck antonio up?

REYES: More or less.

GENJI: im in

MOIRA: Me too.

REYES: Good.
REYES: What about you, kid?

GENJI: last i saw jesse was still getting over his airsickness in the hotel bathroom

MCCREE: YOU FUCKING ASSHOLE

GENJI: hey i tried to help

MCCREE: YOU FAILED
MCCREE: AND I DONT EVER THINK THAT IM GONNA RECOVER FROM THIS

REYES: You'd better.
REYES: Less than seven hours until game time.

MCCREE: I DONT THINK THATS ENOUGH TIME

MOIRA: I could always help you out.

MCCREE: STAY AWAY FROM ME YOU DEMON
MOIRA: It was just a suggestion.

REYES: How do you expect to get out of here?

GENJI: yeah really are u gonna walk back to base?
GENJI: were gonna have to fly again

MCCREE: IM GONNA DIE

________________________________________

REYES: Time to go.

MOIRA: Are we sure everyone's ready?

MCCREE: im still a little woozy

GENJI: were ready

MCCREE: fuck you

REYES: Antonio's compound is heavily guarded.
REYES: He has over 250 armed guards under his employ.
REYES: With over 1,000 more that can be at his side in mere minutes.
REYES: We're going to have to be smart about this.

GENJI: and thats where u lost me
GENJI: smart isnt a strength of mine

MOIRA: Believe me, I know.

REYES: Silence.
REYES: Kid, you're with me.
REYES: Moira can clear out the west entrance.
REYES: I'm sure Shimada can clean up the rest.

GENJI: now ur speaking my language

MCCREE: why am i the one that has to be chaperoned?

MOIRA: Have you forgotten Moscow so easily?

MCCREE: LISTEN
MCCREE: I DIDNT SEE THAT OLD LADY IN THE PHONE BOOTH

GENJI: she cant see anymore either so i guess it balances out

MOIRA: Not at all but okay.

REYES: I'm serious, you three.
REYES: No screwing around.
REYES: This needs to be done with no mistakes.

MOIRA: Honestly, Reyes.
MOIRA: When have we ever let you down?
REYES: I'd prefer not to answer that.

MCCREE: so when do i get to shoot him?

REYES: No shooting.
REYES: We need him alive.

REYES: Plan B.

GENJI: what was plan a?

MCCREE: WE WERE SUPPOSED TO TAKE HIM ALIVE DAMMIT
MCCREE: THATS EXACTLY WHAT YOU SAID REYES

REYES: It can't be helped anymore.
REYES: We need to get out of here.
MCCREE: HOW DO YOU EXPECT TO DO THAT WITH ALL THESE TALON AGENTS AROUND?

REYES: Kill them.
REYES: That's what we're all best at anyway.

MOIRA: Clearly some more than others.

REYES: We don't have time for this.
REYES: We need to go.

MCCREE: THAT WOULDVE BEEN SO MUCH EASIER IF WE STAYED IN STEALTH

REYES: Can't change the past.

GENJI: airship will be here in ten minutes

MCCREE: THIS IS THE WORST DAY EVER

[JESSE MCCREE] entered chatroom [MY SHORTS ARE TOO TIGHT]

MORRISON: WHAT THE FUCK DID I TELL YOU?

REYES: It needed to be done.

MORRISON: YOU'RE NOT ALLOWED TO START GOING BACK ON MY ORDERS, GABE.
MORRISON: THAT'S NOT HOW THIS WORKS.

REYES: Technically, I didn't do anything wrong.

ANA: U shot antonio
ANA: Not that i wouldnt have done the same
ANA: But u werent allowed to do that

REYES: Can you prove that I did that?

MORRISON: YES ACTUALLY
MORRISON: WHY DO YOU THINK I BROUGHT JESSE IN HERE?

MORRISON: NOT TO MENTION THE TURMOIL THAT TALON WILL CAUSE IN RETALIATION NOW!

LACROIX: What were you thinking, Reyes?

REYES: This was the best course of action in the long run.
REYES: Eventually, you'll see that.

MORRISON: I'll figure out what to do with you later.
MORRISON: Jesse, can you explain to everyone what happened?
MORRISON: ...
MORRISON: Jesse?

REYES: Don't waste your breath, Jack.
REYES: He's still recovering.

MCCREE: IM NOT GOING FLYING ANYMORE

ANA: Lmao this is too good

LACROIX: How long have you been airsick?
LACROIX: We've been going on missions for years.

MCCREE: I DONT KNOW BUT I DO KNOW THAT I HATE MY LIFE

MORRISON: I'll come back to you later.
MORRISON: But Gabe, I'm serious.
MORRISON: The repercussions of this are going to be monumental.

REYES: It's nothing we can't handle.

MORRISON: ...
MORRISON: You really don't get it, do you?

REYES: I'm standing by my actions.

MORRISON: You're too stubborn for your own good.

ANA: U both need some sensitivity training

REYES: Come by my room later, Jack.
REYES: I'll give you all the training you need.

MORRISON: ...
MORRISON: STOP I'M TRYING TO BE MAD AT YOU!

ANA: Gay

LACROIX: Gay
MCCREE: GAY
MCCREE: *INSERT PUキング SOUND HERE*

[LIAO] entered chatroom [MY SHORTS ARE TOO TIGHT]

LIAO: so is it true that gabe killed the terrorist?

MCCREE: HOW ABOUT USE ANOTHER BATHROOM?

LIAO: nah thats too much work

LACROIX: They're going to need a first hand account.

MCCREE: MY INSIDES ARE STILL ON FIRE YOU CANT DO THIS TO ME

MORRISON: I can and I will.

MCCREE: WHY CANT YOU GET GENJI OR MOIRA TO DO IT?

MORRISON: Because if the UN knew that we had Moira under our employ, they'd fire all of us.
MORRISON: And because Genji would just tell the entire panel to go fuck themselves.

REYES: Or he'd kill them.

LACROIX: Not helping.

ANA: U heard the man jesse
ANA: Get ur ass onboard

MCCREE: WHEN THIS IS OVER IM QUITTING

REYES: Then I guess you're going back to jail.

MCCREE: AT LEAST THEY WONT FORCE ME TO FLY IN JAIL

MCCREE: THIS IS WHY THEY PUT MORRISON IN CHARGE

REYES: I guess you're right.

MORRISON: *Let's go.*

MCCREE: *I'M NOT GONNA SURVIVE*

ANA: Promise?

MCCREE: *I FUCKING HATE ALL OF YOU*

HANZO: If it's necessary, I might.

GENJI: SOMBRA
GENJI: IM BEGGING U

76: That was you?

WIDOWMAKER: ...I don't know what you mean.

MCCREE: it was a mighty fine prank if i do say so myself

GENJI: @REAPER @DOOMFIST @WIDOWMAKER @MOIRA @HANA
GENJI: SOMEONE PLEASE MAKE HER STOP

REAPER: I don't know why you think she's going to listen to any of us.

DOOMFIST: You're barking up the wrong tree, kid.

ANA: I need to see this
ANA: Reinhardt where did u put my camera?

GENJI: ANA NO
REINHARDT: I didn't touch it.
REINHARDT: It should still be in the closet.

ANA: I watch too many saw movies winston

76: Clearly.

REAPER: I still remember what you did to that possum.

ANA: IT WAS JUST SITTING THERE WHAT DID U WANT ME TO DO?

REINHARDT: There were many things you could have done.

MCCREE: you couldve just left it alone and let it live out its life

TRACER: you couldve gone over and pet it!

MERCY: No you couldn't.

REINHARDT: Yeah, they bite.

PHARAH: You think my mother cares?
PHARAH: She'd bite it back.

MERCY: Then she probably would've contracted some disease.

ANA: Indifferent

GENJI: GUYS
GENJI: STOP DICKING AROUND AND HELP ME

MCCREE: i got better things to do

GENJI: U AND I BOTH KNOW THATS BULLSHIT

LUCIO: Imao

BRIGITTE: What's going on here?

SOMBRA: a lot
SOMBRA: explaining it would take too much time

D.VA: oh hey youre back

BRIGITTE: Thanks for noticing.

REINHARDT: How was your date?

BRIGITTE: For the last time, it wasn't a date.

LUCIO: it was totally a date
BRIGITTE: We went out for pizza.
BRIGITTE: How is that a date?

ANA: Its a better first date than any of us have had

MERCY: Speak for yourself.

REINHARDT: Our first date wasn't too bad.

ANA: U have a terrible memory

D.VA: wait i thought your first date was dinner in the common room
D.VA: i remember because reinhardt destroyed the tv that night

REINHARDT: That was just dinner.
REINHARDT: Not technically a date.
REINHARDT: And I asked you nicely multiple times.

SOMBRA: we were trying to play a video game

REINHARDT: And I'm sure you see the error in your ways.

SOMBRA: not really

D.VA: wait so what was your first date?

MCCREE: im pretty sure i remember

ANA: Id hope so
ANA: U were the one that was driving

REINHARDT: Oh, now I remember.
REINHARDT: Our first date was supposed to be a movie.
REINHARDT: Instead we spent three and a half hours at the side of the road in a rain storm because Jesse ran over a broken bottle.

MCCREE: I DIDNT SEE IT

ANA: I still havent forgiven u

MCCREE: WHO LEAVES A BROKEN BEER BOTTLE IN THE MIDDLE OF THE ROAD?

REINHARDT: Who's stupid enough to run it over?

MCCREE: LISTEN

ZENYATTA: I don't joke about such things, Commander Morrison.

76: Please stop calling me that.

ZENYATTA: I will consider it.

76: I guess that's better than nothing.

DOOMFIST: This still isn't as bad as what she did during Bring your Child to Work Day.

REAPER: **DON'T...**

D.VA: wait what?

MCCREE: yall actually participate in that shit?

DOOMFIST: We're a normal work place just like everywhere else.

76: Normal work places don't kill innocent civilians or blow up landmarks.

DOOMFIST: Nor do they blow up their own Headquarters.

LUCIO: boom roasted

ANA: U walked urself into that one jack

76: Fuck.

MERCY: Do any of you even have kids?

MOIRA: We don't.

MOIRA: But we're not the only ones that work in Talon.

D.VA: couldve fooled me

D.VA: youre the only ones who join the chat

DOOMFIST: Once again, against our will.

D.VA: potato potatoe

LUCIO: hana quiet i wanna hear this story

DOOMFIST: I'm not one for telling stories.

MCCREE: just do it

DOOMFIST: ...Fine.

DOOMFIST: We train our operatives with robots.

DOOMFIST: Somehow, Sombra managed to breach their networks and start controlling the way they moved.

DOOMFIST: So, when one of our Directors was showing her daughter the room, Sombra, of course, programmed the robots to start humping each other.
LUCIO: OMG!!

MOIRA: And then we had to spend ten minutes explaining the Birds and the Bees to a six year old girl.

SOMBRA: im still not sorry

DOOMFIST: We all almost got fired for that.

SOMBRA: but you didnt did you?

DOOMFIST: That's not the point.

MCCREE: that sounds like something we would do

DOOMFIST: It does.
DOOMFIST: Which I guess explains why she feels more at home with all of you than with us.

SOMBRA: yeah thats about right

MOIRA: We're the ones who pay you.

SOMBRA: well technically i can pay myself
SOMBRA: why do you think all those banks went out of business?

DOOMFIST: You are literally the worst kind of person.

HANZO: That's disputable.
HANZO: None of you knew my brother during his teenage years.

GENJI: THIS IS NOT THE TIME FOR THIS

HANZO: Takeshi is still in jail, Genji!

GENJI: THAT WAS HIS FAULT AND U KNOW IT

HANZO: HE'S NOT THE ONE WHO DEFLATED THE TIRES ON THE SCHOOL BUS.

GENJI: U CANT PROVE ANYTHING

BRIGITTE: Am I the only one who had a semi-normal childhood?

MCCREE: well i was orphaned and joined a gang

D.VA: same
D.VA: besides the gang part

BRIGITTE: Pleasant.

LUCIO: you didnt answer the question btw
LUCIO: how was the date?

BRIGITTE: Still wasn't a date.
BRIGITTE: I bought her another pizza like I promised.

D.VA: sounds like a date to me
BRIGITTE: Two people can have dinner and not consider it a date.

MCCREE: not around here

ANA: I know what to do
ANA: @SYMMETRA

SYMMETRA: Yes?

ANA: How was ur date?

SYMMETRA: It wasn't a date, Captain Amari.
SYMMETRA: She bought me another pizza and that was that.

D.VA: boring

REINHARDT: They'll get over the denial soon enough.

SYMMETRA: There's no denial.

REINHARDT: Sure there's not.

GENJI: GUYS
GENJI: I NEED HELP

ANA: Ur talking to the wrong people

76: Okay wait, I just thought of something.

REINHARDT: Yes, you sure did.
REINHARDT: I can smell the rubber burning.

76: Fuck yourself.
76: How is Zenyatta not affected by this?

ZENYATTA: I'm sure Sombra knows better than to try that again.

SOMBRA: im not hacking him again
SOMBRA: not after last time

WINSTON: Did we ever figure out how that happened again?

ZENYATTA: Nothing happened.
ZENYATTA: She just made a poor decision.

DOOMFIST: She does that often.

SOMBRA: leave me alone

GENJI: MASTER WHY ARENT U HELPING ME?

ZENYATTA: You must help yourself, Genji.
ZENYATTA: There's nothing I can do in this situation.

GENJI: MAKE IT STOP

ZENYATTA: You must embrace the Iris, my student.
GENJI: ITS NOT WORKING

ZENYATTA: Embrace harder.

HANZO: Multiple fair warnings, honestly.
HANZO: Genji gave him a chance.

SYMMETRA: None of you heed warnings anyway.

BRIGHTTE: Is he going to die?

GENJI: God I hope so

MERCY: He'll be fine.
MERCY: I think.

REINHARDT: That's not reassuring.

MERCY: I'm handling it.

ANA: Bc u love us

76: I do not.
76: At all.

PHARAH: Why does this happen almost daily?

MCCREE: Don't even ask
MCCREE: No one knows the answer anymore

MOIRA: I still don't understand how you manage to beat Talon.

TRACER: Beating talon is the only thing we do right!

DOOMFIST: Clearly.
DOOMFIST: You all seem to make a living out of injuring your own teammates.

GENJI: Shit happens

DOOMFIST: @WIDOWMAKER
DOOMFIST: You really left us for this?

WIDOWMAKER: It seemed like a good idea at the time.
WIDOWMAKER: It's mildly entertaining.

D.VA: Mildly?

GENJI: I guess that means we're just gonna have to try harder

WINSTON: Please don't.

REAPER: You're not going to stop him.

REINHARDT: I WAS TRYING TO HIT JESSE!
BRIGITTE: What is going on?
TRACER: same old stuff really!

BRIGITTE: ...Reinhardt broke something again?
ANA: More or less
LUCIO: how the fuck is the watchpoint still standing?

76: No one really knows anymore.
MERCY: Our architects did a good job.

BRIGITTE: I thought my father was exaggerating the stories of all that went on here.
ANA: He was not

BRIGITTE: Clearly.
BRIGITTE: I didn't expect Reinhardt to be at the center of it all, though.

WINSTON: Then you give him too much credit.
REINHARDT: Ouch.
TRACER: i guess we need to hide that machine again!

MCCREE: nope
MCCREE: reinhardt broke it

REINHARDT: IF I CAN'T PLAY, NO ONE CAN!
MERCY: Reinhardt, have some control.

REINHARDT: In that moment, it's very hard to stay centered.
REINHARDT: Especially when you have two noobs trying to tell you how to play.

MCCREE: im not a noob

GENJI: U DIED ON THE FIRST FUCKING LEVEL

MCCREE: IT WAS YOUR FAULT

MERCY: ENOUGH.

D.VA: uh oh

MCCREE: ...im sorry

GENJI: i guess its expected of us

REINHARDT: I am a man of honor.
REINHARDT: Of course I will help.

MERCY: Thank you.

LUCIO: wow maybe mercy should be in charge

MERCY: I'd rather not.

ANA: It has nothing to do with her being in charge

76: We all just know better not to piss her off.

GENJI: yeah we all still remember what happened to jeff

MCCREE: fuck jeff
MCCREE: piece of shit

REINHARDT: Even so.
REINHARDT: That was a traumatizing experience.

LUCIO: wait whos jeff?

WINSTON: It's better that you don't know.

D.VA: when are you going to start telling us these stories?

ANA: Ur never going to be prepared for them
LUCIO: why doesnt any of this stuff happen now?

REINHARDT: Overwatch was a different organization back then. REINHARDT: And you should be very thankful for that.

LUCIO: idk how to feel

76: Good.

MERCY: Alright you three.
MERCY: Get fixing.

76: They've long since worn out their popularity.
D.VA: fortnite will always be popular
REINHARDT: As will Pac Man!
WINSTON: I thought I just said the three of you were not allowed to play video games anymore.
MCCREE: you mightve honestly
MCCREE: i wasnt listening
MERCY: Shocking.
HANZO: Why must you all be so difficult?
HANZO: Do you have any idea how much easier everything is when you follow the rules?
GENJI: being a suck up isnt fun
HANZO: It's not called being a suck up.
HANZO: It's called not being a shitty employee.
GENJI: hey were not shitty
GENJI: were just professionally challenged
HANZO: That...
HANZO: Actually isn't a terrible way to put it.
MCCREE: see now were making progress
76: I wouldn't go that far.
WINSTON: If you break anything this time...
MCCREE: relax
MCCREE: roadhog and satya are watching us
SYMMETRA: Begrudgingly, might I add.
ROADHOG: i had nothing better to do

GENJI: ive seen what she can do
GENJI: i still have nightmares over the mission in stockholm
76: NEVER SPEAK OF IT AGAIN!
SYMMETRA: In my defense, jumping out at someone from behind a corner usually isn't a smart idea.
76: I TOLD YOU I WAS COMING FROM THAT DIRECTION!
SYMMETRA: You scared me.
WIDOWMAKER: She does scare somewhat easily.
MCCREE: and you know this how?
WIDOWMAKER: Satya and I have become good friends.
REAPER: You're not supposed to be friends.
WIDOWMAKER: If you held any power here, I would maybe consider what you said.
REAPER: I WILL DESTROY YOU!
D.VA: thats like the fifth time you said that
D.VA: were still waiting loser
REAPER: If Talon wasn't on strike, I would have assaulted your compound by now.

ANA: And u would have been beaten badly

REAPER: Shut up.

DOOMFIST: More or less.

SOMBRA: gabe ate my cheese puffs

REAPER: THOSE WERE FOR EVERYONE!

SYMMETRA: The only thing that might break is them.
MERCY: Please make sure they don't break too badly.

ROADHOG: sure doc
ROADHOG: i dont want to have to hurt them anyway

WINSTON: You're the only one who listens.

JUNKRAT: HEY MATE I LISTEN

WIDOWMAKER: Biggest lie ever.

JUNKRAT: I JUST LIKE TO DO THINGS MY OWN WAY SOMETIMES
WINSTON: Your way is blatantly destructive.

JUNKRAT: IM FROM THE OUTBACK MATE WHAT DO YOU EXPECT?

SOMBRA: do you really not remember?

BOTTLE ROCKET: Remember what?

FIST ME HARDER: I guess she doesn't.

EDGELORD: I don't know how she could.
EDGELORD: I'm pretty sure she got amnesia from that.

BOTTLE ROCKET: From what?

SOMBRA: the talon new years party

DROP THE BEAT: talon has new years parties?

FIST ME HARDER: Had.
FIST ME HARDER: We had one.
FIST ME HARDER: And this incident caused parties to be banned.

D.VA: i didn't think you guys actually had fun over there

FIST ME HARDER: Organizations like ours often don't have time for fun.

DROP THE BEAT: fair

SOMBRA: basically everyone was supposed to launch bottle rockets in the air when the ball dropped but we all accidentally misfired and they all hit moira in the face

DROP THE BEAT: OMG!!!

ANGEL MOM: Sounds like the best party ever.

LUCIO: were still going on missions?
76: It's kind of our job.
GENJI: no it isnt
MCCREE: yeah the petras act says were illegal
DOOMFIST: That doesn't seem to have deterred you.
MCCREE: just because we are illegal dosent mean we are gonna stop
GENJI: yeah jesse and i have too much pride
HANZO: Too much pride.
HANZO: Not enough shame.
D.VA: thats not true
LUCIO: it kinda is
D.VA: we have shame
HANZO: You do not.
GENJI: u and sombra have literally posted sex tapes online and ur trying to convince us that u have shame?
D.VA: i was dared

D.VA: i took it as one
ANA: Yeah jack this is ur fault
REINHARDT: Everything is Jack's fault.

76: Name two things.

MCCREE: only two?

GENJI: yeah we could probably name at least nine

LUCIO: lets see
LUCIO: the toaster in the cafeteria

D.VA: my computer

MCCREE: the dinner table

GENJI: the other dinner table

REINHARDT: Alexei's leg.

76: I HAD ABSOLUTELY NOTHING TO DO WITH THAT!

ANA: Thats not what the incident report said

MERCY: Please don't remind me about this.
MERCY: I don't know how I was able to repair that.

76: THAT WAS HIS FAULT!

ANA: Is that what u tell urself?

WINSTON: I seem to remember placing him under your watch.

76: I'm a Strike Commander.

PHARAH: Incorrect.

MCCREE: yeah you babysat fareeha

76: It wasn't my choice.

LUCIO: lmao why is this the first time im hearing about this???

PHARAH: It traumatized me.

ANA: Believe it or not kids jack has always been a bad person
LUCIO: i believe it

76: Why am I being personally attacked right now?

TRACER: it was overdue!

76: I disagree.
76: There's 20 other people in this chat.
76: Why can't you go after them?

LUCIO: well lets count the reasons why
LUCIO: ana and reinhardt are immune because they'll roast us really bad

REINHARDT: Very true.

LUCIO: winston wouldn't even fight back so that's no fun
LUCIO: i know better than to go after satya hanzo or widowmaker because i'm pretty sure they'll cut me in my sleep and let me bleed out

HANZO: It wouldn't even be that nice.

WIDOWMAKER: We'd cut you, pour vinegar on the cuts, and then let you bleed out.

D.VA: wow okay

LUCIO: exactly my point
LUCIO: doomfist is exempt

SOMBRA: why?

LUCIO: i like doomfist

DOOMFIST: Thanks?

LUCIO: lena mccree and genji don't get offended anyway even though we still try
GENJI: especially on jesse

MERCY: You do.

LUCIO: junkrats a fucking idiot anyway and he probably likes all the shit we say about him

MERCY: You are certainly wise beyond your years.

MCCREE: Don't compliment him.

GENJI: Yeah seriously his head is too big as it is.

LUCIO: Eat me.

D.VA: Uh btw.
D.VA: Still can't find my gun.

WINSTON: What are we going to do with you?

D.VA: I don't think there's anything you can do at this point.
D.VA: Sitting back and doing nothing is probably the best idea.

MERCY: You need to be more responsible.

D.VA: Yeah yeah yeah whatever.

76: We're not getting you a new one.

D.VA: Why not???

76: That was a prototype.
76: It's too expensive to buy and the materials are too rare to build yourself.

LUCIO: Rip.

MCCREE: Fucking die.

D.VA: So what am I supposed to do when I'm fighting?

REINHARDT:

LUCIO: HAHAHAHAHAHAHAHAHAH

ANA: FUCK U I HAD THAT ONE SAVED

HANZO: If only you stayed that way.

GENJI: **WOW**

LUCIO: **FUCKING ROASTED**

GENJI: **@MERCY**
GENJI: **I NEED HEALING**

LUCIO: ok seriously tho where is her gun?
SOMBRA: i think she can find it on her own
D.VA: clearly not
D.VA: ive been searching for it for the last two hours
DOOMFIST: The incompetence in this organization is alarming.
LUCIO: old news

[SOMBRA] added [REAPER] and [DOOMFIST] to chatroom [PETITION TO GET GABE FIRED]

REAPER: WHY WHY WHY WHY WHY??????
REAPER: WAS THE OVERWATCH CHAT NOT BAD ENOUGH?????

SOMBRA: hey i like their chat

DOOMFIST: For what reason are you putting me through this?
DOOMFIST: Again!
DOOMFIST: ...
DOOMFIST: Also, how do I sign this petition?

REAPER: FUCK YOU!

SOMBRA: yeah akande knows what's up

DOOMFIST: Why are we missing half of Talon?

SOMBRA: everyone who really matters is here already

DOOMFIST: Not at all but okay.

SOMBRA: fine

[SOMBRA] added [WIDOWMAKER] to chatroom [PETITION TO GET GABE FIRED]

DOOMFIST: That's not at all what I meant.

WIDOWMAKER: What is this?

DOOMFIST: Don't even ask.
DOOMFIST: Just leave while you can.

SOMBRA: dont because ill just bring you back

WIDOWMAKER: I'm not even in Talon anymore.

SOMBRA: i still consider you family

WIDOWMAKER: Thank you?
WIDOWMAKER: I think?

REAPER: Leave.

WIDOWMAKER: I will do no such thing.
WIDOWMAKER: I would like to sign this petition as well.

REAPER: WHY ARE YOU ALL THE WAY YOU ARE?

DOOMFIST: It comes with the job.

REAPER: NO IT DOESN'T!

DOOMFIST: We're still missing someone, Sombra.
SOMBRA: UGH FINE

[SOMBRA] added [MOIRA O'DEORAIN] to chatroom [PETITION TO GET GABE FIRED]

MOIRA: ...You aren't serious.

SOMBRA: afraid so

MOIRA: Sombra...
MOIRA: Why?

SOMBRA: i wanted to start one
SOMBRA: why should overwatch have all the fun?

REAPER: Let them have their fun.
REAPER: The distraction helps us beat them.

DOOMFIST: We have literally never beaten them in any situation.

REAPER: WHOSE SIDE ARE YOU ON?

DOOMFIST: None.
DOOMFIST: I am on my own side.

SOMBRA: how does that even work?

DOOMFIST: With precision.

MOIRA: I would've preferred to have been left out of this.

SOMBRA: well i was going to leave you out
SOMBRA: but akande demanded that i put you in so i did

MOIRA: Akande, why would you do this to me?

DOOMFIST: If I have to suffer, you most certainly have to suffer with me.

MOIRA: I don't see why I'm the scapegoat here.

DOOMFIST: Because you're the only other semi-useful member.

SOMBRA: hey

REAPER: Are you serious?

DOOMFIST: Completely.
DOOMFIST: Widowmaker isn't even a Talon agent anymore.

WIDOWMAKER: And yet I've still been forced in here.

DOOMFIST: And no one takes you seriously anyway, Reaper.

REAPER: That's not true.

SOMBRA: its very true
DOOMFIST: And Sombra's just Sombra.
SOMBRA: what is that supposed to mean?
DOOMFIST: Whatever you want it to.
WIDOWMAKER: I really don't think this is a good idea.
MOIRA: It's not.
MOIRA: Although I will be more than happy to sign that petition.

REAPER: I WILL DESTROY ALL OF YOU!
SOMBRA: fight me bitch

FRANK: Who the hell even are you people?
MOIRA: Believe it or not, I was about to ask you that exact same question.
FRANK: I'm Frank.
WIDOWMAKER: Obviously.
DOOMFIST: We can read, believe it or not.
FRANK: Just making sure.

REAPER: How did you get in here?
FRANK: ...

REAPER: SOMBRA...

DOOMFIST: Seriously, how did you get in here?
FRANK: Fuck if I know.
FRANK: I got an invite from whoever the hell Sombra is.

SOMBRA: you did?

REAPER: You sent a civilian an invite to our chatroom?

SOMBRA: hey overwatch has civilians in their chat!

REAPER: They have one!
REAPER: And they’re inferior because of it!

FRANK: That's not what I've heard.

REAPER: FRANK, I WILL REMOVE YOUR GUTS WITH MY BARE HANDS!

WIDOWMAKER: What is happening right now?

DOOMFIST: It's just an ordinary night in CrazyTown.

MOIRA: Why was this necessary again?

SOMBRA: idk it seemed like a good idea at the time

DOOMFIST: Are any of your ideas even any good in hindsight?

SOMBRA: not really no
SOMBRA: too bad i dont see in hindsight

DOOMFIST: Yes, that would save us all quite a bit of grief.

FRANK: So, do you guys want to get some drinks or something?

WIDOWMAKER: We don't even know you.

FRANK: We can change that.

REAPER: You're not even supposed to be here.

FRANK: I was invited.

REAPER: Accidentally.

FRANK: An accidental invite is still an invite.

MOIRA: He's got a point, Gabe.

REAPER: STOP CALLING ME THAT!

WIDOWMAKER: It will never stop.
WIDOWMAKER: Get used to it.

REAPER: I DON'T WANT TO!

MOIRA: Hey, I know what'll make this better.

FRANK: A burger?
MOIRA: Quiet Frank.

WIDOWMAKER: Why haven't you left yet?

FRANK: I don't have a lot of friends...

MOIRA: ...

MOIRA: Moving on.

DOOMFIST: There is nothing that will make this better.

MOIRA:

REAPER: NO!!!

SOMBRA: oh boy this again

WIDOWMAKER: Stop.

MOIRA:

DOOMFIST: Please don't.

WIDOWMAKER:

MOIRA:
WIDOWMAKER:

DOOMFIST: Why are the two of you like this?

MOIRA: Once again, I've always been like this.
MOIRA: I just know how to hide it.

WIDOWMAKER:
REAPER: **SINCE WHEN DO YOU KNOW HOW TO MEME?**

WIDOWMAKER: Being in a relationship with two memers has caused the ability to rub off on me.

DOOMFIST: I wouldn't call it an ability.

DOOMFIST: A curse maybe.

WIDOWMAKER: To each their own.

MOIRA: [Click me Bitch I dare you]

SOMBRA: THATS IT THIS CHATS CANCELLED

WIDOWMAKER:

SOMBRA: I WILL FUCKING KILL YOU

WIDOWMAKER: Unlikely.

DOOMFIST: How did we get here?

DOOMFIST: We were having a harmless meme war.

REAPER: **This happens all the time.**

SOMBRA: THIS WAS A MISERABLE EXPERIMENT

DOOMFIST: I could have told you that before you even attempted it.

SOMBRA: YOU RUINED IT MOIRA

MOIRA: That was the plan.

SOMBRA: GET OUT ALL OF YOU

[MOIRA O’DEORAIN] has been removed from chatroom [PETITION TO GET GABE FIRED]
REAPER: Are you proud of yourself?
SOMBRA: NOT ANYMORE
SOMBRA: GET OUT

BRIGHTTTE: But I would just like to know where my shoes are.
JUNKRAT: SHOES ARE OVERRATED
BRIGHTTTE: Just because you're a pyromaniac with low standards of hygiene doesn't mean the rest of us have to stoop to your level.
JUNKRAT: IDK WHAT PYROMANIAC MEANS BUT IM OFFENDED

ZENYATTA: Nobody took your shoes, Brigitte.
ZENYATTA: Bastion insisted on cleaning the shoe closet, so I helped him move them all to the
library.

GENJI: this base has a library?

76: You've been a part of this team for ten years...

GENJI: then it should come as no suprise to u that i had no idea there was a library here

D.VA: this base is so big how would you ever know?

WINSTON: I gave out floor plan guides specifically for this reason.

JUNKRAT: OH THATS WHAT THAT WAS?
JUNKRAT: I JUST USED IT AS TOILET PAPER

MERCY: I don't really know why I'm surprised.

MCCREE: im not
MCCREE: after what he did with the dictionaries im never going to be surprised again

JUNKRAT: LISTEN MATE I WAS EXPERIMENTING

ANA: Use this as advice to never experiment again

SYMMETRA: Why can't you just let us enjoy our night?

76: The majority of us did.
76: Unfortunately, we have two idiots who don't listen.

GENJI: more like ten idiots
GENJI: some stupider than others
TRACER: true!

MERCY: Which one got caught?

BRIGITTE: HANA.
BRIGITTE: I KNOW IT WAS YOU WITH HER, JESSE!

LUCIO: last i saw he was catching a plane back to new mexico

REAPER: He's wanted in New Mexico.

ANA: Thats a better alternative compared to what satya and brigitte are gonna do to him

BRIGITTE: JESSE, YOU HAVE TEN SECONDS BEFORE I HUNT YOU DOWN.

WINSTON: Why do they not listen?
WINSTON: I'm trying to protect them.

MERCY: They don't know any better.
MERCY: And honestly, I don't even think they care.

HANZO: I'm moving off the base.
HANZO: I'm bringing Bastion and Widowmaker with me.

BASTION: :D

WIDOWMAKER: Only if Lena and Emily can come.

HANZO: ...
HANZO: I'm just bringing Bastion with me.

HANZO: Leave the rat.

ROADHOG: i was planning to

JUNKRAT: HEY!

GENJI: rip jesse

REINHARDT: I'll admit, I thought Satya was going to be the one to murder them.

SYMMETRA: Under normal circumstances, I would've.
SYMMETRA: But, I'm in a good mood.

LUCIO: so that means the date went well?

SYMMETRA: It was...nice.
SYMMETRA: Very fun.

ANA: At least someone enjoyed it

PHARAH: Jesse and Hana certainly won't when it's all over.

SYMMETRA: Maybe next time they'll know better.

HANZO: Unlikely.

GENJI: i notice that u didnt deny that this was a date this time

SYMMETRA: I see no point.
SYMMETRA: Whether it was or not, it won't change your minds.

TRACER: shes not wrong

SOMBRA: uh...should i call an ambulance for jesse?

GENJI: since when do u care about jesse?

SOMBRA: i dont
SOMBRA: but i get the feeling mercy isnt going to help him this time

MERCY: Good observation.

SOMBRA: and plus i need to find out what happened to hana

SYMMETRA: She'll live.
SYMMETRA: Hopefully.

WINSTON: And to think.
WINSTON: All of this could have been avoided.
WINSTON: If they had just listened to one thing I said.

REINHARDT: At the end of the day, Winston, at least you know you were right.

WINSTON: I don't want to be right!
WINSTON: I want to be listened to!

76: Keep dreaming.

LUCIO: yeah seriously

TRACER: is jesse going to live?
ANA: Who cares?

KIMIKO: I guess that explains the chat name.

MORRISON: IT'S NOT FUNNY!

LACROIX: It's extremely funny.
LACROIX: And I don't usually laugh like this either.

LIAO: hey maybe the next time we go on a mission we can subdue the bad guys by making them laugh at jacks face

GENJI: oh come on it gives u more personality

LACROIX: Not to mention it turns you into a topic of conversation.

REINHARDT: And it'll definitely help cheer us up during a bad day.

MORRISON: Angela, I don't care what it is.
MORRISON: Just do it.

MERCY: Jack, I'm giving you fair warning that it's not going to be enjoyable.

MORRISON: Don't care.
MORRISON: Do it.

MERCY: Well, if you insist.

LIAO: my funny moment sense are tingling

MCCREE: mine overloaded

WINSTON: Jack, there's a better way.

MORRISON: Let's do this.

MORRISON: I REGRET EVERYTHING!

MERCY: Hold still.

REINHARDT: This day just keeps getting better.

MORRISON: IT HURTS!
MERCY: I told you it would hurt.

MORRISON: MAKE IT STOP!

KIMIKO: Yeah please don't.

GENJI: fine

LIAO: all in all today was a nice learning experience

MIREMBE: I find it hard to believe that any of you ever learn anything.

LIAO: i didnt say we learned anything worthwhile
LIAO: just that gerard is actually capable of laughing

LACROIX: First of all, that wasn't a secret.
LACROIX: Second of all, é.
LIAO: féck you

GENJI: lol

MIREMBE: Is this really the extent of the conversations you have in here?

Chapter End Notes

I love that more and more people are taking a shot at writing chatfics! I feel like I'm the leader of a revolution!

Is it wrong for me to take credit for the increasing number of chatfics?

I'm taking credit for the increasing number of chatfics.

Sorry, let me feed my ego :D

GENJI: until someone got overzealous

TRACER: i said i was sorry!
GENJI: sorry doesnt do much for me
WINSTON: Why have you done this?
GENJI: its fixable

76: You'd better hope it's fixable.
MCCREE: yeah were in the wrong here
MEI: You're in the wrong ninety percent of the time.
HANZO: What the hell did you all even do?
GENJI: i think we blew out the transformer
MEI: ...Why?
LUCIO: we lack common sense
HANZO: You lack intelligence in general.
GENJI: hey thats not true
GENJI: were kinda smart
HANZO: You sat at the kitchen table for two hours crying because you couldn't figure out the answer to three plus three
D.VA: OMG STOP
GENJI: i was also four but thanks for leaving out the most important detail
HANZO: Pleasure.
GENJI: in my defense
GENJI: is anyone really even smart at that age?
MEI: At age four?
MEI: I was intelligent enough to be enrolled in school.
WINSTON: I built my first prototype for the Tesla Cannon at that age.

MERCY: I was already studying anatomy and biology in preparation of becoming a doctor.

MCCREE: I ate too many pancakes and threw up on my bunkmate.

TRACER: and then there's Jesse.

LUCIO: LOL

GENJI: at least Jesse's here to make me feel less idiotic.

D.VA: were pancakes in an orphanage even good?

MCCREE: well I ate fourteen of them.
MCCREE: I'll let you answer that question yourself.

LUCIO: wait how did your bunkmate react?

MCCREE: who cares?
MCCREE: fuck that kid.
MCCREE: he always stole my socks.

REINHARDT: From what I've heard, you don't even wear socks anymore.

MCCREE: yeah.
MCCREE: because my bunkmate stole all of them.

76: You're more than capable of buying your own socks.

MCCREE: nah.
MCCREE: that's an adult thing to do.

MEI: You're 37.

MCCREE: still not old enough to adult.

HANZO: You should try it someday.
HANZO: It would be a lot easier on all of us.

MCCREE: considering...
MCCREE: no.

HANZO: I don't know what I expected.

WINSTON: Okay, let's be serious for one second.

ANA: Good luck with that.

WINSTON: What did you all do to the transformer?

LUCIO: I'm not really sure.
LUCIO: It's all kinda hazy.

D.VA: that's just because of all the smoke.

WINSTON: ...Smoke?
GENJI: its not important
GENJI: were trying to fix it

76: DON'T.
76: YOU'LL ONLY MAKE IT WORSE.

MCCREE: disagree

REAPER: No, Jack's right.
REAPER: I remember what you two did to the Christmas Lights.

MCCREE: LISTEN

GENJI: WERE NOT FUCKING ELECTRICIANS REYES IDK WHAT U EXPECTED

REAPER: How can you enjoy Christmas without a tree?

GENJI: MAYBE NEXT TIME DONT PUT THE TREE NEXT TO THE FUCKING ELECTRICAL BOX

REYES: OR, HOW ABOUT NEXT TIME YOU DON'T PUT YOUR ELECTRICAL BOX NEXT TO MY TREE?

GENJI: ...

MCCREE: ...

GENJI: ...WHAT?

REAPER: YOU RUINED CHRISTMAS THAT YEAR!

MCCREE: YOU RUINED MY CHILDHOOD BY MAKING ME JOIN BLACKWATCH SO FUCK YOU

REAPER: YOUR CHILDHOOD WAS ALREADY RUINED BEFORE BLACKWATCH.

MCCREE: ...
MCCREE: FUCK YOU

MERCY: Jesse, stop.

MCCREE: why do i have to stop?
MCCREE: reyes started it

MERCY: Because I trust you to be the bigger person more than I trust Reyes.

REAPER: Seriously?

MERCY: Completely.
MERCY: You're no better than the two of them at points.

ANA: Someone had to say it

REAPER: Are you really trying to tell me that Jesse's more mature than I am?

MERCY: Not at all.
MERCY: But you hold grudges a lot more than Jesse does.

MCCREE: debatable

76: I disagree with this entire conversation.
76: Reyes is much more mature than Jesse.

LUCIO: shocker

GENJI: anyone second jacks opinion?

D.VA: nope

TRACER: not really

MEI: Half.
MEI: Neither of them are really mature.

WINSTON: I second that.

REAPER: For fuck's sake.

EMILY: I hate to be that guy.
EMILY: Or girl.
EMILY: But can we please get to fixing the power?

GENJI: why is the lack of power bothering u?

EMILY: Just a tad.
EMILY: I can't really see.

LUCIO: neither can we
LUCIO: except for bastion and zen

ZENYATTA: I honestly didn't even realize the power was out until you mentioned it.
ZENYATTA: My eyes automatically adjusted to the brightness.
ZENYATTA: Or lack thereof.

D.VA: lucky

WIDOWMAKER: I can see through walls.
WIDOWMAKER: Do you think the dark is going to cause a problem?

EMILY: Well, kind of.
EMILY: You might be able to see, but I can't.

WIDOWMAKER: There's nothing wrong with that.
WIDOWMAKER: The best things happen in the dark.
WIDOWMAKER: *Wink Wink*

EMILY: <3

WIDOWMAKER: <3

TRACER: <3
WIDOWMAKER: <3

EMILY: <3

LUCIO: stop i cant see with all this gay

D.VA: you couldnt see before all the gay
D.VA: cause you broke the power

MCCREE: you know what else happens in the dark?

GENJI: late night depression fueled snacks?

MCCREE: yes
MCCREE: but no

TRACER: is there something you want to tell us genji?

GENJI: not really no

MERCY: What happens in the dark, Jesse?

MCCREE: accidents

DOOMFIST: I'm sure you would know all about that, huh?

LUCIO: LMAO!!!

MCCREE: wow okay
MCCREE: did i really deserve that doomfist?

DOOMFIST: Eh.
DOOMFIST: That was how I felt like integrating myself into the conversation.
DOOMFIST: It honestly could've happened to anyone.

MCCREE: goddammit

WINSTON: For the third time.
WINSTON: What exactly are we going to do about the power?

LUCIO: ask torb

BRIGITTE: Don't do that.
BRIGITTE: Unless you want to be memed on again.

LUCIO: pls

D.VA: dont put us through that again

BRIGITTE: Just don't tell him about what's going on.

MEI: I don't know how he wouldn't have already found out.
MEI: The power's out all over the Watchpoint.

BRIGITTE: Not in the armory.
BRIGITTE: It has its own back-up generator.
WINSTON: Why did we not install those everywhere on base?

BRIGITTE: Don't blame me for your own design flaws.

76: Your father is the one who designed the base!

BRIGITTE: Once again.

BRIGITTE: Don't blame me.

MCCREE: yeah blame genji

GENJI: y tho?

MCCREE: cause its funny to watch angela reattach your legs

ANA: I thought i was the only one who enjoyed that

REINHARDT: That's because the rest of us are normal human beings.

D.VA: speak for yourself

MERCY: I think you might be a little too generous there, Reinhardt.

REINHARDT: I realized the futility of what I said after I already said it.

GENJI: at least u learned from ur mistakes

REINHARDT: That's more than I can say about you.

D.VA: rip

MCCREE: no

76: Okay, enough of this fuckery.

76: Someone's going to have to fix shit and it's not going to be me.

76: Or Torbjorn.

REAPER: Or Genji or Jesse.

ANA: Yeah not after what they did to the fish tank

GENJI: WE WERE TRYING TO ADD FANCY LIGHTS

ANA: They were fancy alright

ANA: I've never seen fish fry that quickly

DOOMFIST: I really don't understand how some of you are still alive.

GENJI: well im technically not

GENJI: @HANZO

HANZO: Enough.

DOOMFIST: From what I've gathered, I don't think I entirely disagree with the decision he made.

GENJI: WOW
D.VA: lets just get brigitte to do it

BRIGITTE: No.
BRIGITTE: I'm not involved in this.
BRIGITTE: But it better be fixed quickly because I want to see how this movie ends.

MCCREE: what movie?

BRIGITTE: I would tell you, but I know better.
BRIGITTE: Because I know that someone would spoil it.

LUCIO: she knows us too well

GENJI: watching with satya?

BRIGITTE: ...Perhaps.

TRACER: yay date night!
TRACER: you two are so cute!

BRIGITTE: I would really appreciate if we changed the subject.

SYMMETRA: Oh, let them talk.
SYMMETRA: At least we're happy.

BRIGITTE: <3

SYMMETRA: <3

LUCIO: gay

REINHARDT: gay

MEI: As much as I hate to admit it, Winston.
MEI: If Torbjorn and Brigitte aren't going to do it, I think Jesse might actually be the most qualified to restore the power.

76: Absolutely not.

MCCREE: alright then jack i hope you like being blind

76: Hasn't stopped me before.

REAPER: I don't trust him with electrical work.

MEI: Do you have a better idea?

REAPER: I don't care, remember?
REAPER: I'm part of Talon.

MEI: Right...

MERCY: I say do it.

ANA: Really?
MERCY: Unless anyone else thinks they could do a better job.

REINHARDT: ...

LUCIO: nope

D.VA: nada

TRACER: i suck at fixing things!

WINSTON: ...
WINSTON: Do it.

MCCREE: cool

WINSTON: But please.
WINSTON: *PLEASE!*
WINSTON: Be careful.

MCCREE: have i ever let you down before winston?

WINSTON: ...I'm not going to answer that question.

GENJI: well guess were all fucked

MCCREE: calm down would you?
MCCREE: i got this

WINSTON: *I told you to be careful!*

MCCREE: ITS NOT MY FAULT I SWEAR

76: It's always your fault.

MERCY: Why do I smell smoke?

GENJI: no reason in particular

MCCREE: GENJI HELP
MCCREE: PUT IT OUT

GENJI: ILL GET WATER

MCCREE: NO

GENJI: WHY?
MCCREE: ITS AN ELECTRICAL FIRE YOU FUCKING SCHMUCK
MCCREE: WATERS JUST GOING TO MAKE IT WORSE

GENJI: SO WHAT DO I DO?
MCCREE: IDK GET THE FIRE EXTINGUISHER
GENJI: THE ONE LENA SET ON FIRE?
MCCREE: DID WE NOT GET ANOTHER ONE?
GENJI: NO
MCCREE: WTF ITS BEEN LIKE EIGHT MONTHS

REINHARDT: In my defense...
REINHARDT: No one put a fire extinguisher on the shopping list.

LUCIO: should we be worried?
WINSTON: If the fire alarm goes off, get out.
MEI: Why do these things happen all the time?
HANZO: Because my brother's an idiot.
GENJI: IT WASNT EVEN ME
HANZO: I don't care.

MCCREE: ITS GETTING WORSE
GENJI: HERE I GOT SOMETHING
MCCREE: OKAY GOOD
MCCREE: ...
MCCREE: WAIT GENJI NO

MCCREE: YOU DENSE MOTHERFUCKER
GENJI: FUCK U
EMILY: Is everyone okay?
WINSTON: Yes, thankfully.
D.VA: how is it possible that we didnt burn the base down?

WINSTON: Thank Roadhog for that.

ROADHOG: ive dealt with this enough in the outback
ROADHOG: i basically have a sixth sense for it now

DOOMFIST: Every day, you just surprise me more and more.

LUCIO: its a talent

DOOMFIST: Not what I would call it.

76: Absolutely unbelievable.

MCCREE: hey at least the powers back on
MCCREE: and we didnt burn the base down
MCCREE: even though SOMEBODY really tried

GENJI: FUCK U

[GENJI SHIMADA] left chatroom [DOUBLE DOUBLE TOIL AND TROUBLE I'LL HAMMER YOUR BONES INTO RUBBLE]

MCCREE: STAND IN THE CORNER OF SHAME AND THINK OF WHAT YOUEV DONE

ZENYATTA: I'll have a talk with him later, Jesse.

MERCY: Can we not repeat this?

WIDOWMAKER: Wishful thinking.

WINSTON: At least nothing was broken and no one was injured.

76: This time.

SYMMETRA: Has the craziness subsided for the time being?

TRACER: i think?

SYMMETRA: Perfect.
SYMMETRA: Brigitte and I were just getting to the end of Scream.

LUCIO: BILLY AND STU ARE THE KILLERS

BRIGITTE: YOU MOTHER F**CKER

LUCIO: *DAB*

[LUCIO] left chatroom [DOUBLE DOUBLE TOIL AND TROUBLE I'LL HAMMER YOUR BONES INTO RUBBLE]

[BRIGITTE LINDHOLM] left chatroom [DOUBLE DOUBLE TOIL AND TROUBLE I'LL HAMMER YOUR BONES INTO RUBBLE]

D.VA: am i about to watch someone die?
MCCREE: probably

SYMMETRA: He deserves this.

MERCY: Are you sure?

SYMMETRA: Yes.

MERCY: ...
MERCY: Okay then.
MERCY: Guess I'll go get my staff ready.

ANA: Nah he needs to learn
ANA: Let him bleed

MERCY: You and I both know that I can't do that.

WINSTON: Why do you all act like this?

MCCREE: if i knew id tell you

HANZO: You're all idiots.

D.VA: old news

SOMBRA: hey guys hate to interrupt but i think lucios gonna die

HANZO: I don't care.

SOMBRA: aight cool
GENJI: WHY DID I AGREE TO DO THIS?
REINHARDT: You didn't.
REINHARDT: It was either this or kitchen duty.

GENJI: I CANT FEEL MY ARMS
LUCIO: well theyre not real technically so

GENJI: FUCK U

MCCREE: you seem to be texting pretty well

GENJI: FOR THE LAST TIME
GENJI: THE CHAT IS BUILT INTO MY INTERFACE
GENJI: I DONT NEED HANDS ALL I HAVE TO DO IS THINK

76: You don't think very well either.

BRIGITTE: Why do you not learn?

GENJI: unknown

ANA: None of them learn

BRIGITTE: Disagree.
BRIGITTE: I think Lucio knows better now.

LUCIO: i dont wanna talk about it
LUCIO: i still taste plastic

BRIGITTE: And I'm sure you regret making that decision.

LUCIO: meh

SYMMETRA: We were just trying to enjoy ourselves and you ruined it.

D.VA: okay wait since when is satya the calm one?
D.VA: this is the same woman who planted turrets in my room because i spilled beans on her binder

SYMMETRA: THAT WAS MY FAVORITE BINDER!

D.VA: THERE WASNT EVEN ANYTHING IN IT

SYMMETRA: I DON'T CARE!

D.VA: I COULDN'T GET IN MY ROOM FOR THREE DAYS

SYMMETRA: IT SHOULD HAVE BEEN LONGER!
D.VA: IT WAS AN ACCIDENT

SYMMETRA: *SO WERE YOU!*

LUCIO: thats a burn

TRACER: LOL!

MERCY: What the hell is happening?

MCCREE: besides the usual?

MERCY: Yes, that was the question.

LUCIO: well the simple answer is that genji fucked up

PHARAH: That's not surprising.

MERCY: So, what was the punishment this time?

BRIGITTE: Well, he had a few choices.

REINHARDT: I suggested kitchen duty.

GENJI: IM NOT CLEANING THE KITCHEN FUCK U

REINHARDT: I*VE BEEN DOING IT FOR FIFTEEN YEARS!*

GENJI: SO WHY STOP?

REINHARDT: JUST HELP ME FOR ONCE IN YOUR LIFE!

76: I just said he should run laps.

MCCREE: this isn't the fucking army

76: Well, maybe it should be.

MERCY: So, what was the finally verdict?

TRACER: we made him train with zarya!

PHARAH: Good God.

MERCY: I think that's too much.

LUCIO: too late its happening

GENJI: SAVE ME

ZARYA: You are baby.
ZARYA: Is not hard.

GENJI: MAYBE IF UR THE SIZE OF A BUILDING
GENJI: NORMAL PEOPLE CANT DO THIS

D.VA: youre not even a person
D.VA: technically

GENJI: NOT THE TIME

REINHARDT: You deserve worse for what you've done.

GENJI: WE CAN BUY ANOTHER ONE U KNOW

REINHARDT: I don't want another one.
REINHARDT: That was my favorite.

ANA: I made that for him

GENJI: SO WHY IS HE LEAVING IT WHERE IT CAN BE EASILY DESTROYED?

REINHARDT: To test your self-control.

MCCREE: spoiler alert genji you failed

GENJI: FUCK

MEI: Is this even allowed?

LUCIO: winston said it was okay

WINSTON: ...Just don't kill him, Zarya.

ZARYA: Would not dream of it.
ZARYA: I have many fun things planned.

D.VA: rip

MCCREE: ...

LUCIO: so mei

MEI: Please don't.

LUCIO: zaryas got some pretty big arms

MEI: She does.

ZARYA: I do.

LUCIO: what do you like most about them?

MEI: ...

MEI: Stop.

LUCIO: hey im just asking

MEI: Don't.

MEI: Or else I'll make you work alongside her and Genji.

LUCIO: and just like im gonna shut up

MEI: See to it.
76: I can't see this ending well.

PHARAH: You seem strangely unbothered by that.

76: I've pretty much given up hope that we'll eventually behave normally.

TRACER: what took you so long?

MCCREE: yeah winston gave up the second he initiated the recall

WINSTON: I have never admitted that.

MCCREE: am i wrong?

WINSTON: ...
WINSTON: Not entirely.

76: Call it my hopeless optimism.

ANA: I just call it stupidity

REINHARDT: Seconded.

76: Your opinion is unneeded and unwanted.

ANA: Too bad im still giving it to u

ZARYA: *Fifty more.*

GENJI: IVE ALREADY DONE LIKE 200

ZARYA: *NOW!*

HANZO: I'm not doing this again.

LUCIO: come on hes literally asking for it this time

HANZO: Don't.

WINSTON: Zarya, why can I hear Genji screaming?

ZARYA: He is weak.

SOMBRA: thats one way to put it
MCCREE: what happened?
SOMBRA: his arms snapped off
LUCIO: OMG
ZARYA: I think we need more weight.
GENJI: STAY AWAY FROM ME
TRACER: how much weight is even on there?
SOMBRA: i cant really tell
SOMBRA: but i can see the bar bending so i guess thats not a good sign
76: Jesus Fucking Christ.
REINHARDT: And to think.
REINHARDT: Kitchen duty wouldn't have hurt you like this.
PHARAH: I don't know.
PHARAH: Have you seen the mold on some of those sandwiches?
PHARAH: I'm pretty sure some of them grew legs and started walking around.
MCCREE: WAIT
MCCREE: I THOUGHT THAT WAS A REALLY BIG BUG
PHARAH: Oh boy, don't I wish it was.
REINHARDT: This is why I need someone to help me clean it.
GENJI: NO
REINHARDT: BOTH OF YOUR ARMS HAVE SNAPPE OFF COMPLETELY AND YOU STILL TRY TO CONVINCE ME THAT YOU PREFER ZARYA'S TRAINING REGIMENT?
GENJI: THATS EXACTLY WHAT IM TELLING U
REINHARDT: BLASPHEMY!

BRIGITTE: I can help.
LUCIO: hey there you go genji
LUCIO: say thank you

GENJI: IM NOT SAYING SHIT UNTIL IM ACTUALLY FIXED

GENJI: but my head was really itchy

LUCIO: lmao

ANA: Have u learned ur lesson?

GENJI: for the moment

REINHARDT: Please.
REINHARDT: Out of the kindness of your heart.

GENJI: im not cleaning the fucking kitchen

REINHARDT: PLEASE!
REINHARDT: IT REALLY NEEDS TO BE CLEANED!

GENJI: u have two hands
GENJI: unlike me

BRIGITTE: I literally just reattached them.

GENJI: HE DOESNT KNOW THAT

REINHARDT: I DO NOW!
REINHARDT: COME ON, GENJI!

REINHARDT: THAT WAS MY FAVORITE TIE!

TRACER: i remember that!

MERCY: I try to forget that it ever happened.

MCCREE: i dont think ive ever laughed harder in my life than at that moment

ANA: Yeah that was funny
ANA: OH WAIT
ANA: I NEVER SAW IT BECAUSE SOMEONE SHOT ME!

WIDOWMAKER: Your attempt to make me feel guilty is not going to work.
WIDOWMAKER: I have no emotions.

ANA: THAT DOESNT MEAN I CANT VOICE MY FRUSTRATIONS

WIDOWMAKER: If that's what helps you sleep at night.

WINSTON: The kitchen really does need to be cleaned.

REINHARDT: THANK YOU!

SOMBRA: it does
SOMBRA: i can see it
SOMBRA: all i will say
SOMBRA: i dont know how any of you can actually eat anything that comes out of there

MCCREE: you think thats bad?
MCCREE: have you eaten jacks cooking?

76: Why?

MEI: Don't bring it up.
MEI: I don't want to relive that night.
MEI: I'm pretty sure I threw up most of my internal organs.

LUCIO: same

WINSTON: Any volunteers?

ANA: Dont even ask
ANA: None of us are that stupid

MCCREE: i volunteer genji

GENJI: !!!!
GENJI: I VOLUNTEER JESSE

MCCREE: nope
MCCREE: i did it first

WINSTON: Anyone else?
TRACER: I also nominate Genji!

GENJI: Y tho?

LUCIO: Cmon lets be real
LUCIO: How long could cleaning the kitchen really take?

MEI: Is that a serious question?

LUCIO: Cleaning isn't that hard you know
LUCIO: It might take an hour or two

BRIGITTE: ...

ANA: Oh u poor soul

D.VA: You're not really that naive are you?

LUCIO: Hey listen
LUCIO: If we get a few people to actually do something it can't take that long

PHARAH: Have you actually ever even been in there?

LUCIO: Once
LUCIO: A few months ago
LUCIO: It was a bit dirty but nothing too bad

ANA: Nothing too bad he says

REINHARDT: Oh no, it's certainly bad.

GENJI: I think Lucio is volunteering himself

WINSTON: Lucio, you're on kitchen duty with Reinhardt.

REINHARDT: Finally!

LUCIO: Cool
LUCIO: When do we start?

REINHARDT: Immediately!
REINHARDT: Come here!

LUCIO: Fine

MCCREE: He has no idea what he's getting himself into

MERCY: Good.
MERCY: Let this serve as a learning experience.

D.VA: Okay just to clarify
D.VA: You were joking about the mold coming to life right?

PHARAH: Did you think we were?

D.VA: I was kinda hoping
MCCREE: hate to disappoint you
MCCREE: but that really did happen

D.VA: ...
D.VA: im so glad that i buy my own food

WINSTON: Likewise.

GENJI: over under until he cries for help?
ANA: Five minutes
MCCREE: seconds
ZARYA: He won't last that long.
GENJI: all good answers
TRACER: now all we do is wait!

____________________________________

LUCIO: WHAT THE ACTUAL FUCK IS THIS PLACE?
REINHARDT: NOT SO EASY NOW IS IT, CHUMP?
LUCIO: WHY HAVE YOU LET IT GET THIS BAD?
REINHARDT: BECAUSE NO ONE OFFERED TO HELP!
MCCREE: fourteen seconds
MCCREE: pay up
GENJI: hey we didnt place any bets
MCCREE: we did now
MCCREE: you all owe me ten bucks

ANA: So
ANA: We all owe u 10 bucks individually or combined?
MCCREE: just give me my fucking money

LUCIO: WHY IS THIS HERE?
REINHARDT: OH!!!
REINHARDT: ANGELA, I FOUND YOUR BATH ROBE!

MERCY: It's been nine years, Reinhardt.
GENJI: really?
GENJI: feels like longer

LUCIO: WE HAVE GARBAGE CANS FOR A REASON

76: You should talk.
76: I've seen you drop your leftovers in the garden.
WINSTON: Is that why the sunflowers died?

LUCIO: no comment

BASTION: :( 

LUCIO: im sorry

REINHARDT: Alright, time to get to work.

LUCIO: ARE YOU SERIOUS?
LUCIO: THIS KITCHEN IS BEYOND SAVING
LUCIO: WE NEED TO THROW THE WHOLE BASE OUT

PHARAH: You've gotta be exaggerating a little bit.

SOMBRA: hes not
SOMBRA: just take my word for it

REINHARDT: Nothing a little elbow grease won't fix.

LUCIO: REINHARDT
LUCIO: THE WALLPAPER IS PEELING OFF
LUCIO: THERES NO HOPE

REINHARDT: Ye of little faith.

76: How have none of us died of food poisoning?

ANA: Hey the foods not the problem
ANA: Just the room

PHARAH: Mom, you ate a green hamburger last week.

ANA: And it was delicious

MCCREE: im gonna puke

LUCIO: DONT
LUCIO: WE CANT AFFORD ANY MORE MESSES

TRACER: well then you shouldnt look at junkrats room!

D.VA: theres no saving that
D.VA: were just gonna have to burn everything

WINSTON: @JUNRKAT
WINSTON: That was not a suggestion.

JUNKRAT: YOURE NO FUN MATE

LUCIO: THATS A FULL GALLON OF MILK
LUCIO: ITS NOT EVEN OPEN
LUCIO: AND ITS JUST SITTING AT THE BOTTOM OF THISPILE WHY?

76: I forgot to put it in the fridge.
LUCIO: HOW?

76: We got called out for a mission.
76: I had to drop everything.

GENJI: what's the expiration date?

LUCIO: TOO LONG AGO
LUCIO: MARCH 7TH 2068

PHARAH: My God.

D.VA: I'll give you fifty bucks to drink it

MERCY: I would have to advise against that.
MERCY: I don't even think I could bring you back to life after it kicked in.

REINHARDT: THIS IS WHY I NEEDED HELP CLEANING IT!

LUCIO: I REGRET EVERY BAD THING I'VE EVER DONE

MEI: That's the spirit.

LUCIO: WHERE DO WE EVEN START?

REINHARDT: PICK ANY CORNER!
REINHARDT: THEY'RE ALL TERRIBLE CHOICES ANYWAY!

SOMBRA: how did you even let it get that bad?

ANA: Our housekeeper quit like ten years ago

GENJI: thanks a lot jesse

MCCREE: LISTEN
MCCREE: I THOUGHT SHE WAS A BURGLAR

PHARAH: What burglar would be stupid enough to rob this place?

D.VA: apparently the housekeeper

MCCREE: I SAID I WAS SORRY

LUCIO: THIS IS THE END
LUCIO: I CANT

REINHARDT: YOU WILL!
REINHARDT: AND YOU WILL FINISH THE JOB!

LUCIO: ASLDFGJALSGDHNASGREHBVBAFHADSF

LUCIO: IS IT OVER?

REINHARDT: For now.
TRACER: until we mess it up again?

LUCIO: DO NOT EVER MESS IT UP THAT BADLY AGAIN

GENJI: no promises

WINSTON: You actually cleaned it?

REINHARDT: Amazingly.

D.VA: time check

MEI: Six hours and twenty four minutes.

MCCREE: wasnt as easy as you thought itd be huh lucio?

LUCIO: IM GOING TO BED

76: Don't let us stop you.

ANA: So that just actually happened

PHARAH: I don't know how.

MERCY: But it happened.

WINSTON: Considering that ninety percent of you are clumsy and destructive, it was nice to see something be fixed instead of broken for once.

D.VA: take a picture

GENJI: yeah thatll be the last time u see that

WINSTON: I'm going to savor the moment.

ANA: Dont savor too long
ANA: Something will go wrong soon enough

MEI: I hope not.

REINHARDT: WAIT LUCIO COME BACK!
REINHARDT: WE FORGOT TO SORT OUT THE CLOSET!

LUCIO: IM NEVER SETTING FOOT IN THAT KITCHEN AGAIN

SOMBRA: after what ive seen today
SOMBRA: i dont blame you

SOMBRA: nope
SOMBRA: i will remain here until i eventually grow bored

76: And how long will that be?

SOMBRA: longer than your remaining life span
TRACER: LOL!

76: So, like fifteen minutes?

SOMBRA: prob

76: Good to hear.

GENJI: this just in
GENJI: jack is now officially done with everyones shit

76: I was done with your shit the moment you all joined Overwatch.

D.VA: well its not gonna stop so get used to it

76: I know.

Chapter End Notes

Holy Shit Balls! We're almost to fifty chapters! That's amazing to think about because when I started this fic I didn't even think it'd get to ten chapters, let alone fifty! It's certainly been one wild ride, and I've enjoyed every minute of it. Chapter 50 has all the makings of one gigantic mega chapter, so hopefully everyone's into that sort of thing. Or not, that's cool too.

Thanks so much to everyone who's joined me in this adventure, and I hope to keep entertaining you all for as long as my brain will let me! This wouldn't be possible without all the love and support you've shown me, and I'm so appreciative of it! You guys rock!
holly shit its the 50th chapter everyone go crazy

Chapter Summary

Is this chapter long enough to be considered a mega chapter?

I tried my best to incorporate everyone into this one. Hopefully, I gave everyone enough screen time. Hope everyone enjoys this! It's my personal favorite chapter so far.

REINHARDT: This is a milestone if I've ever seen one.

REAPER: Hey, what do you know?
REAPER: You're not nearly as useless as I thought you were.

76: I don't remember asking for your input in this.

REAPER: I don't remember giving a shit.

JUNKRAT: WELL IF ANYONE NEEDS ME ILL BE STICKING MY HEAD IN THE MICROWAVE

MCCREE: dont

GENJI: yeah really we actually still use that

JUNKRAT: I LIKE THE WAY IT MAKES MY HEAD FEEL

REINHARDT: Someone stop him before he gets any ideas.
SOMBRA: oh please
SOMBRA: hes gonna sit back and be the same old angry old man hes always been

D.VA: another?
D.VA: this happened before?

MCCREE: yeah its better that we leave it in the past

MERCY: Good idea.

REAPER: But isn't everyone curious to hear about Genji's darkest fantasies?

GENJI: REYES I SWEAR TO SHIT I WILL END UR LIFE

REAPER: It didn't work the first time so I doubt it'll work a second time.

LUCIO: ...do i wanna know?

SOMBRA: do you really think i cant undo it?

WINSTON: You haven't seen it.

SOMBRA: i doubt its anything really bad

WINSTON: Well, you're welcome to give it a try.

REINHARDT: Please.
REINHARDT: I've been waiting to reset my Webkinz password for years.

MCCREE: no

GENJI: not this again

LUCIO: what the fuck is webkinz?

REINHARDT: ONLY THE SINGLE GREATEST THING THAT HAS EVER BEEN CREATED!
REINHARDT: WITH THE OBVIOUS EXCEPTION OF CLUB PENGUIN!

ANA: Which was shut down fifty years ago

REINHARDT: AND IT WAS STILL THE WORST CRIME HUMANITY EVER COMMITTED!

SOMBRA: ...right
SOMBRA: okay so ill get right on that
SOMBRA: it should only take a few minutes

MCCREE: famous last words

SOMBRA: please
SOMBRA: once again
SOMBRA: greatest hacker in the world
SOMBRA: theres nothing i cant get into

MCCREE: well see

SOMBRA: jesse what the actual fuck did you do to this?

76: Not so easy now, huh?

MCCREE: i pressed a few buttons and clicked a few boxes

SOMBRA: nothing about this even makes any kind of sense
MCCREE: well yeah
MCCREE: if it made sense they would've fixed it already

LUCIO: okay so let me get this straight

D.VA: straight?
D.VA: not in overwatch

LUCIO: hilarious

TRACER: it was pretty funny!

LUCIO: so sombra
LUCIO: the self proclaimed greatest hacker in the world
LUCIO: can't fix a thing that was caused by jesse
LUCIO: who is a fuck up by all definitions of the word

MCCREE: hey

GENJI: pretty much

SOMBRA: if you just give me some time i can do it

ANA: it's been like two hours how much more time do u need

SOMBRA: MORE

D.VA: give her time she can hack anything

GENJI: apparently except master

SOMBRA: LISTEN
SOMBRA: I STILL HAVE NO IDEA HOW THE FUCK HE DID THAT

ZENYATTA: It took several years of self-discovery.

LUCIO: apparently sombra isn't as good of a hacker as she thought

SOMBRA: i still have the videos from the pool

LUCIO: pls

TRACER: okay wait
TRACER: if jesses the one who locked everyone out cant he just open it back up?

MCCREE: normally yes
MCCREE: but i would have to know what i did in the first place in order to undo it

REINHARDT: I'll admit, it's impressive.
REINHARDT: I don't know how you managed to screw up that badly.

MCCREE: me either

SOMBRA: ill get it
SOMBRA: just have patience
WINSTON: My patience evaporated the second I initiated the recall.

D.VA: lol

SYMMETRA: Is it safe?

HANZO: Should be.
HANZO: I think they're all asleep at this hour.

WIDOWMAKER: I wasn't even aware they all slept.

HANZO: They usually don't.
HANZO: Lucio especially.
HANZO: I think he just stays up all night making music.

SYMMETRA: As long as he doesn't bother us, I don't care what he does.

WIDOWMAKER: This is a public chat, you know.
WIDOWMAKER: They're going to be able to see whatever we say.

HANZO: I stopped caring about that long ago.

SYMMETRA: It is a bit eerie to see the chat so dry.
SYMMETRA: Usually there's so much going on it causes my holopad to overheat.

DOOMFIST: Tell me about it.
DOOMFIST: And I'm not even a part of Overwatch.

WIDOWMAKER: Hello Akande.

DOOMFIST: Widowmaker.
DOOMFIST: Satya.
DOOMFIST: Legolas.

HANZO: My name is Hanzo.

DOOMFIST: I'm well aware.
DOOMFIST: It's just easier this way.

HANZO: I don't see how.
HANZO: My name takes less letters to spell.

DOOMFIST: We can't fix what's already been done.

HANZO: Not true but okay.

SYMMETRA: I wasn't even aware that you knew my name.

DOOMFIST: I'm usually good with names.

WIDOWMAKER: Not if you're Hanzo, apparently.

DOOMFIST: For the record, that's not entirely my fault.
HANZO: Whose is it, then?

DOOMFIST: Moira's the one who started that.
DOOMFIST: By the time I actually learned your name, Legolas was already imprinted in my head.

SYMMETRA: Not shocking to see that this is Moira's fault.
SYMMETRA: Like usual.

MOIRA: Hey.

WIDOWMAKER: There she is.
WIDOWMAKER: I was wondering when you were going to make an appearance.

MOIRA: I'm usually reading along.
MOIRA: I just very rarely have anything to contribute.

DOOMFIST: That explains why you haven't shown up to the Board meetings in the last few weeks.
MOIRA: I get stage fright.
DOOMFIST: You didn't even need to speak.
MOIRA: It doesn't matter.
SYMMETRA: Is there anything you can do right?
MOIRA: Wow, what's this all about then?

HANZO: Well, we don't usually have time to interact with each other.

SYMMETRA: The only impression we really have of you is the stories that we hear Angela tell during dinner.

MOIRA: ...
MOIRA: What has she been saying?

HANZO: Let's see.
HANZO: You're annoying, intolerable, good for nothing, and she wants nothing more than to watch you get hit by a bus.
HANZO: And a train.
HANZO: And a meteor.
HANZO: And then use her staff to revive you only to drown you in a pool of your own uselessness.

DOOMFIST: Well.

MOIRA: ...
MOIRA: Does she really say that?

HANZO: Those are her exact words.
HANZO: Ad-libbed slightly to keep the chat PG.

SYMMETRA: I can second all of that.

MOIRA: Wow.

WIDOWMAKER: It's relatively tame compared to some of the things she's said in the past.
SYMMETRA: What's the deal with you two anyway?

MOIRA: We used to date.

HANZO: Ah.

SYMMETRA: So, that makes you the clingy ex.

MOIRA: Not entirely.

DOOMFIST: Pretty much.

MOIRA: What would you know?
MOIRA: I've never even told you about our break up.

DOOMFIST: You didn't have to.
DOOMFIST: Sombra keeps sending me the text logs from that entire conversation.

MOIRA: SHE SAID SHE WOULDN'T...

DOOMFIST: I don't know why you expected her to listen.

MOIRA: @SOMBRA
MOIRA: LISTEN HERE YOU LITTLE SHIT

SOMBRA: NOT RIGHT NOW EVIL STEP MOTHER IM BUSY

WIDOWMAKER: Are you still trying to get through the cowboy's mess?

SOMBRA: I HAVE NO IDEA WHAT HE DID OR HOW HE DID IT AND ITS DRIVING ME NUTS FR

SYMMETRA: Jesse's not an idiot.
SYMMETRA: Shockingly.
SYMMETRA: Although I have no idea how he managed to stump even you.
SYMMETRA: Hacking is kind of your forte.

HANZO: So does that mean that Jesse's a better hacker than Sombra or that Sombra just isn't a good hacker?

SOMBRA: SHUT UP
SOMBRA: IM TRYING TO FIGURE IT OUT AND NONE OF YOU ARE HELPING

DOOMFIST: Helping isn't my strong suit.

MOIRA: Isn't that the truth.
MOIRA: I still remember the ice cream social.

DOOMFIST: I'm pretty sure I warned you ahead of time.

MOIRA: YOU CRUSHED ALL THE ICE CREAM ON PURPOSE!

DOOMFIST: I have a giant metallic fist that's capable of toppling a building.
DOOMFIST: I don't know what you expected.

MOIRA: JUST TAKE IT OFF!
DOOMFIST: But what am I without my gauntlet?

MOIRA: MUCH MORE USEFUL!

DOOMFIST: I strongly disagree.

REAPER: **What the fuck are all of you doing up?**

HANZO: I could ask you the same question.

REAPER: **How could I not wake up with my phone going off every two seconds?**

SOMBRA: dont even act like you and jack arent cuddling in front of the tv rn

REAPER: ...**We're not.**

SOMBRA: yeah i can see you through the cameras gabe
SOMBRA: lying isnt going to work

REAPER: **WHAT CAMERAS?**
REAPER: **THERE'S NO CAMERAS IN HERE!**

SOMBRA: you sure?
SOMBRA: then why can i see you looking around frantically?

REAPER: ...

SYMMETRA: Well, there goes our quiet hour.

HANZO: It was destined to happen sooner or later.

HANZO: Honestly, I thought Winston was the one who was going to break it up.

SOMBRA: the cameras arent in the bear gabe
SOMBRA: this isnt a cartoon

REAPER: **WHERE THE FUCK IS IT?**

SOMBRA: youll never find out

HANZO: Let's take a poll.

HANZO: What happens first?

HANZO: Reaper finds the camera, or Sombra undoes Jesse's hack?

SOMBRA: LISTEN

WIDOWMAKER: I don't even know at this point.

WIDOWMAKER: We're better off guessing neither.

SOMBRA: IM GONNA FIX IT

DOOMFIST: If you haven't fixed it yet, I don't know if you ever will.

SOMBRA: **I WILL NOT BE BEATEN BY A MIDDLE AGED MAN WHO DRESSES AS A COWBOY**

SYMMETRA: Seems like that's already happened.
SOMBRA: **FUCK OFF**
SOMBRA: **THE CAMERA ISNT IN THE LIGHTS EITHER GABE FUCKS SAKE STOP**

REAPER: **I WILL DESTROY YOU!**

SOMBRA: **GOOD LUCK**
SOMBRA: **YOU CANT EVEN KISS JACK WITHOUT MISSING HIS MOUTH**

MOIRA: Ew.

REAPER: **WHERE IS THIS FUCKING CAMERA?**

SOMBRA: **YOU LL NEVER FIND IT**

HANZO: Well, I guess there's no point in staying here, then.
HANZO: Good night all.

SYM MET RA: This was fun while it lasted.

SOMBRA: **STILL NO**

REAPER: **I SWEAR TO GOD!**

SOMBRA: **GIVE UP ITS NOT GONNA HAPPEN**

REAPER: **I WILL END YOU!**

SOMBRA: **GET IN LINE**

ANA: So does that mean im not getting copies of jacks fanfictions?

76: **ANA...**

SOMBRA: **NOBODY IS GETTING SHIT UNTIL I FIGURE OUT HOW TO FIX THIS FUCKING THING**

MCCREE: theres no shame in just giving up

REINHARDDT: Jesse, how in the world did you manage to keep Sombra out?

MCCREE: if i knew id tell you
MCCREE: i guess i really outdid myself

GENJI: no u didnt
GENJI: u were drunk that night
GENJI: u prob just hit a bunch of random buttons and got lucky
MCCREE: getting lucky is still a victory genji
GENJI: if u say so

REINHARDT: Sombra is beaten by a drunk cowboy.
SOMBRA: STFU IM STILL WORKING ON IT
ANA: Just give up already ffs
ANA: Its not gonna happen

SOMBRA: QUIET
LUCIO: yeah come on sombra you should be used to this
LUCIO: youre part of talon
REAPER: **Talon has won just as much as they've lost.**
D.VA: im willing to bet anything against that
MEI: Why does something always happen when I'm gone?
MEI: I left the chat for twenty minutes.
LUCIO: thats twenty minutes too long
WINSTON: Any second they are unsupervised is a second for potential danger to strike.
MEI: If you need me to, I can just ask Zarya to keep an eye on them.
ZARYA: Do I need to punish frog boy again?
LUCIO: please no
ZARYA: You ask for it.
LUCIO: only once and a while
76: More like all the damn time.
LUCIO: to each their own i guess
SOMBRA: WHAT THE FUCK
SOMBRA: HOW DID THAT NOT WORK
MCCREE: just stop already
MCCREE: youre just gonna embarrass yourself
SOMBRA: TOO LATE
SOMBRA: I WILL SUCCEED
GENJI: kinda like how reyes succeeded in finding the camera in jacks room?

REAPER: SILENCE!

REINHARDT: Is that why Jack's room has been taped off?

76: I don't want to talk about it.

REAPER: WE JUST WANTED TO WATCH A MOVIE!

SOMBRA: WE CANT ALL GET WHAT WE WANT GABE SO DEAL WITH IT

REAPER: FUCK YOU!

PRIVATE CORRESPONDENCE

ANGELA: Please tell me all those gunshots are just coming from the TV.

FAREEHA: I wish.
FAREEHA: Reyes and Sombra kept yelling at each other and eventually it just escalated like usual.

ANGELA: Is Sombra on base?
FAREEHA: Not really.
FAREEHA: She kept hacking the holoscreens so Reyes flipped out and started shooting them.

ANGELA: I'm glad the Medical Wing is out of the line of fire.
ANGELA: Come join me? ;-)

FAREEHA: I really wish I could.
FAREEHA: But I'm kind of in the middle of a war zone.

ANGELA: But I'd feel so much safer wrapped up in your arms. :( 

FAREEHA: Please don't.
FAREEHA: I feel guilty enough as it is.

ANGELA: Okay, I'll let you off the hook.
ANGELA: Besides, I thought of something else we could do.
ANGELA: ;-)

FAREEHA: The winky face worries me.

ANGELA: It should.
ANGELA: Because I'm really not doing anything right now.
ANGELA: So I can sext you all I want.

FAREEHA: Angela, I'm sitting next to Genji.
FAREEHA: He's going to see.

ANGELA: No he won't.
ANGELA: Trust me.

FAREEHA: Did you forget what happened the last time?
ANGELA: Sombra's distracted!
ANGELA: She won't notice if we do it quick.

FAREEHA: Well...
FAREEHA: Okay.
FAREEHA: Because I have been wanting to show you something.

BRIGITTE: What the actual fuck happened here?

ZENYATTA: It's...a long story.

BRIGITTE: Where the fuck did the cafeteria doors go?

ZENYATTA: I'm not entirely sure.

TRACER: we were at the store for ten minutes!

ZENYATTA: Ten minutes too long, I'm afraid.

BRIGITTE: Just.
BRIGITTE: What?
ZENYATTA: As I mentioned, it's a long story.

TRACER: well i think we got some time now

ZENYATTA: Well, it started with Sombra and Reaper arguing.
ZENYATTA: Followed by Reaper shooting.
ZENYATTA: Then Fareeha and Dr. Ziegler got involved.
ZENYATTA: And it just escalated from there.
ZENYATTA: Some furniture was knocked over.
ZENYATTA: I believe Jesse took his prosthetic off and began throwing it at people.
ZENYATTA: I think I saw a goat.
ZENYATTA: And soon enough everyone moved as one throughout the base.
ZENYATTA: I'm not entirely sure where they went.

BREITTTE: What the fuck is wrong with this team?

TRACER: so much luv
TRACER: you dont even understand

ZENYATTA: Bastion and I have just been sitting here, enjoying each other's company.

BASTION: :D

BREITTTE: ...Mind if I join you?

ZENYATTA: Of course not!
ZENYATTA: Bastion loves having more people around to speak with.

BREITTTE: I don't think that Omnic has ever spoken to me in my life.

ZENYATTA: There's a first time for everything.
ZENYATTA: Sure, he's shy at first, but he can really be a chatterbox.

BREITTTE: Well, guess I'll come join you.

BASTION: ^

BREITTTE: can i come?

ZENYATTA: The more the merrier!

BREITTTE: ...
BREITTTE: What happened to the table?

ZENYATTA: Well...

BREITTTE: Forget it.
BREITTTE: I don't even want to know.
BREITTTE: Just tell me that Satya's okay.

ZENYATTA: She is.
ZENYATTA: She and Hanzo escaped to their rooms before the bulk of the madness started.

BASTION: (づ ̄_̄ ̄)づ

BREITTTE: ...I'm afraid I don't understand.
ZENYATTA: Bastion just wants a hug.
ZENYATTA: He's very affectionate.

TRACER: oh me first!
TRACER: bastion gives the best hugs!

BASTION: (ᵔᴥᵔ)

BRIGITTE: I suppose this isn't the strangest day I've had here.

TRACER: you get used to it quick!

DOOMFIST: I don't know how to you get used to any of this.

BRIGITTE: If I'm being honest, I really don't either.

TRACER: it just kinda happens!

BRIGITTE: Hey, where's Orisa?

ORISA: I'm here!

TRACER: hi orisa!

ORISA: Hello Lena!

BASTION: ◕‿◕

ORISA: ◔⌒◔

DOOMFIST: Haven't heard from you in a while.

ORISA: I've been decently busy helping Mr. Lindholm in the armory.
ORISA: Douchecanoe.

DOOMFIST: It's been close to six months.
DOOMFIST: Why is this still happening?

ORISA: It is now a permanent part of my programming!
ORISA: Douchecanoe.

DOOMFIST: Lovely.
DOOMFIST: I'm just not going to acknowledge you directly.

ORISA: Whatever makes you happy.
ORISA: Douchecanoe.

DOOMFIST: ...

BRIGITTE: So...
BRIGITTE: What do we do now?

TRACER: i think we need to call your dad

BRIGITTE: Bad idea.
BRIGITTE: You saw what he did for a little mess in the armory.
BRIGITTE: For this?
BRIGITTE: He'd bury everyone alive.

ORISA: Judging by the damage that's been done here.
ORISA: They might deserve worse.

SOMBRA: WHAT THE FUCK

BRIGITTE: And yet she's still here.

ZENYATTA: She's not on base so I guess she avoided all the madness.

SOMBRA: I DONT UNDERSTAND

DOOMFIST: Still working on that, huh?

SOMBRA: I CANT BELIEVE THIS

ORISA: Have you tried turning off and back on again?

SOMBRA: DON'T GIVE ME THAT CHILDISH BULLSHIT IM NOT HAPPY

ORISA: I meant that seriously.
ORISA: Have you tried that?

SOMBRA: you dont actually think thats going to work, do you?

ORISA: How would you know if you haven't tried it?

SOMBRA: ...
SOMBRA: i fucking swear

ORISA: It's a pretty helpful technique for when you're having problems.

BRIGITTE: I think I hear them coming back now.
BRIGITTE: Unfortunately.

TRACER: the peace and quiet was fun while it lasted!

BASTION: :)

ZENYATTA: Yes, I certainly enjoyed this bonding experience we shared.

SOMBRA: OMG
SOMBRA: IM GONNA FUCKING SHOOT MYSELF

ORISA: Does that mean it worked?

SOMBRA: IM DONE
SOMBRA: HACKING SUCKS
SOMBRA: 0 OUT OF 10
SOMBRA: NEVER DOING AGAIN

DOOMFIST: We'll see about that.

SOMBRA: IM SO FUCKING SHOOK
ORISA: ...Is that good?

SOMBRA: NO

TRACER: i cant wait to see how jesse reacts to this!

-----------------------------------------------

LUCIO: everything hurts

PHARAH: This is what happens.

LUCIO: i didnt even do anything

PHARAH: I don't believe you.

WINSTON: What is wrong with all of you?

REAPER: **Sombra started it.**

SOMBRA: **FUCK YOU GABE I WAS JUST MINDING MY OWN BUSINESS AND YOU CAME IN WITH YOUR INFERIORITY COMPLEX TO FUCK EVERYTHING UP**

REAPER: **Hey.**

MERCY: All I know is that I had to intervene after Sombra kept making a scene.

SOMBRA: fucking oops

D.VA: i can never unsee that picture

PHARAH: **IT WAS MEANT TO BE PRIVATE BUT YOU SEE HOW THAT WORKED!**

ANA: Fareeha
ANA: **Why?**

PHARAH: Blame Sombra.

REINHARDT: Not everything is Sombra's fault.

GENJI: yeah usually its jesses

MCCREE: mcfuck you

GENJI: see

MEI: I mean, this could technically be traced back to Jesse.

MCCREE: **how?**

MEI: Well, you hacked the emails and drove Sombra crazy when she tried to fix it. MEI: Indirectly, this can be blamed on you.

MCCREE: i dont think so

WINSTON: These things shouldn't be happening in the first place.
TRACER: yeah were not good at keeping things normal!

WINSTON: I can see that.

DOOMFIST: Is anyone dead?

D.VA: depends
D.VA: lucio kinda got fucked up a bit but he can still breathe so i guess thats okay

LUCIO: end my suffering

GENJI: sure
GENJI: for thirty bucks

LUCIO: im not paying you to kill me sorry

GENJI: y tho?

LUCIO: why would i pay you when i can just do it myself for free?

GENJI: because the new battlegrounds game comes out next week and i need it

LUCIO: no

D.VA: and everyone else is pretty much fine
D.VA: except for reapers finger he got bit by something

REAPER: Where the fuck did you even get a goat?

REINHARDT: I have a pet elephant.
REINHARDT: I don't know why you're surprised over a goat.

SOMBRA: How is patty btw?

REINHARDT: BEAUTIFUL AND HAPPY, THANK YOU!

MCCREE: did she throw up my other pair of boots yet?

REINHARDT: No.
REINHARDT: I think those are long gone, Jesse.

MCCREE: those were my party boots

REINHARDT: Well, next time keep your door locked.

MCCREE: why is your elephant getting out and making a mess my fault?

REINHARDT: BECAUSE PATTY IS AN ANIMAL WHO DOESN'T KNOW ANY BETTER!

GENJI: come on shes def smarter than jesse

MCCREE: not really

ANA: I bet she would know that uranus is a planet and not a kinky sex position

MCCREE: LISTEN
MCCREE: I WAS DRUNK
MCCREE: WE ALL WERE

ANA: drunk or sober ur still a fucking moron

MCCREE: ...

SOMBRA: speaking of which
SOMBRA: I FINALLY FIXED YOUR SHIT JESSE EAT A DICK

MCCREE: aw man
MCCREE: i was hoping you wouldnt figure it out

REAPER: How did you fix it?

SOMBRA: thank the horse bot

ORISA: I'm actually a redesigned OR-15 robot.

SOMBRA: that looks like a horse

ORISA: ...

SOMBRA: ...

ORISA: Perhaps.

WINSTON: Orisa figured it out?

SOMBRA: she just told me to turn it off and back on again

LUCIO: why the fuck was that not the first thing you tried?

SOMBRA: DONT START WITH ME

HANZO: Are you all finished?

GENJI: it depends on who u ask

MERCY: We're done.
MERCY: For the moment.

HANZO: Good.
HANZO: Does that mean it's safe to leave my room?

D.VA: i guess

GENJI: why are u lying ur in the practice range

HANZO: ...How did you know that?

GENJI: because ur never not in the practice range

HANZO: Fair enough.
HANZO: At least the practice range is predictable.

BRIGITTE: Is Satya with you?
SYMMETRA: I was for a time. SYMMETRA: When everyone disappeared into the unknown I went back to my room.

BRIGITTE: I'm glad no one hurt you.
SYMMETRA: I can handle myself.
SYMMETRA: <3
BRIGITTE: <3

LUCIO: gay
EMILY: Wait, what happened?
MCCREE: oh hey emily
EMILY: Jesse.
EMILY: Everyone.

ANA: Hey
REINHARDT: Hello!

GENJI: sup
LUCIO: where the fuck have you been?
EMILY: I had to go back home for a while.
EMILY: I've been pretty busy lately.

WINSTON: It's good to hear from you, Emily.
WINSTON: How's London?

EMILY: Same old, I guess.
EMILY: A lot less hectic than being on base.
EMILY: And I don't know whether I prefer it that way or not.

WINSTON: I sure could use some of that London atmosphere right now.

76: Same.

GENJI: ew no fuck london

TRACER: OI!
TRACER: WATCH IT!

EMILY: Hey, what's wrong with London?

GENJI: jesse and i are banned from all the bars
GENJI: and arcades
GENJI: and hotels

MCCREE: please dont remind me of that night

EMILY: ...Do I want to ask?
MERCY: Just don't.
MERCY: It's better left unsaid.

EMILY: Fair enough.

BRIGITTE: What the fuck went on in here?
D.VA: things

BRIGITTE: My father's going to blow a fuse when he sees this.

GENJI: u mean i f he sees it

REINHARDT: He will absolutely see it.

ANA: The more time it takes for him to notice the better
ANA: That means we have more time to hide

BRIGITTE: You know that he'll find you pretty easily.

ANA: Not if im dead
ANA: Again

LUCIO: dark af

WINSTON: No one else will dying as long as I can help it.

MCCREE: what about steve?

GENJI: yeah could u help steve?

WINSTON: ..Jack was in charge.

76: Wait a damn minute.

BRIGITTE: How do these things happen?

REAPER: If we knew, it'd be easier to prevent them from happening.

WINSTON: I'll get a few agents on clean up duty.
WINSTON: We'll leave the rest for the the robots.

BASTION: :( 

WINSTON: Of course, I don't mean you, Bastion.
WINSTON: Just the cleaning bots.

BASTION: :D

GENJI: so what the fuck am i supposed to do until then?

76: Ligma.

D.VA: ???

PHARAH: Ligma?
GENJI: what the fuck is ligma?

ANA: JACK NO

76: Ligma fucking balls.

76:

LUCIO: IM FUCKING CRYING

REINHARDT: I'm quitting.

ANA: Not if i quit first

MCCREE: this conversation is dead to me

WINSTON: It's been dead to me since it started.

User [GENJI SHIMADA] disliked a photo

TRACER: haha genji!

D.VA: why the fuck did that just happen?

76: I'M ON A ROLL!

76: FUCKING BOW DOWN!

TRACER: we will never bow down to you jack

TRACER: you should know that by now

76: LET ME HAVE THIS!

MERCY: No.

SOMBRA: i did not slave over a holopad for two days for this

76: Come on, is no one going to give me credit?

MCCREE: hell no

MOIRA: For that?

MOIRA: That was amateurish.
76: Fuck you.

REAPER: **At least you tried.**

76: Of anyone here, I expect you to be the most supportive.

REAPER: **You expect too much.**

LUCIO: yeah jack just cause youre dating doesn't mean gabe is going to be on your side for everything

76: **We're not dating!**

WIDOWMAKER: The fact that you keep denying this is frightening.

76: No one asked you.

WIDOWMAKER: No one needed to.
WIDOWMAKER: I make that decision.

EMILY: I'm glad to see that there's still so much love here!

D.VA: are we reading the same chat?

GENJI: yeah really the only one who loves jack is reyes

REAPER: **I wouldn't go that far.**

76: WOW!

REINHARDT: Are we seeing the beginning of the second divorce?

REAPER: **Shut up...**

ANA: Hopefully nothing gets blown up this time

    **[TORBJORN LINDHOLM] entered chatroom [PREMIUM ROASTS COURTESTY OF CHEF JACK MORRISON]**

TORBJORN: What the fuck is going on in here?

GENJI: its a long story

ANA: Scroll up torb fucks sake
ANA: Reading isn't hard to do

TRACER: tell that to jesse!

MCCREE: listen

TORBJORN: ...

    User [TORBJORN LINDHOLM] disliked a photo

LUCIO: IM GONNA FUCKING CHOKE
Come on!
That was funny!

TORBJORN: No it wasn't.
TORBJORN: I just face-palmed so hard I knocked my brain out of my ears.

GENJI: that's unhealthy

TORBJORN: Not as unhealthy as dealing with all of you

MERCY: That's correct.
MERCY: To an extent.

TORBJORN: And what the fuck happened to the Watchpoint?

MCCREE: there was a...colorful disagreement

SOMBRA: more like a fucking riot

ORISA: Oh, I like riots!
ORISA: They have a lot of pretty colors and loud music!

D.VA: rave

ORISA: Oh...

BASTION: ■ ■

ORISA: (︶︹︺)

BRIGITTE: Told you he wouldn't be happy.

HANZO: He's never happy.

BRIGITTE: ...That's not wrong.

TORBJORN: And let me guess.
TORBJORN: You expect me to repair all the damage?

GENJI: we were kinda hoping

DOOMFIST: At what point is it just not repairable?

TORBJORN: This is about as close as it gets.

ANA: If need be i can force genji and lucio to help u

ZARYA: I will use violence if necessary.

GENJI: wait a second

TORBJORN: No.
TORBJORN: They'd just fuck it up even more.

MCCREE: we cant do all of this on our own torb

TORBJORN: We're not going to.
TORBJORN: Luckily, I've been planning for this.

REINHARDT: Someone in Overwatch actually planned ahead?

PHARHA: Impossible.

TORBJORN: I've been working with the OR-15 to make a similar model.
TORBJORN: One that can build and repair things instead of shooting and killing things.

MOIRA: And getting smashed to pieces by Doomfist.

DOOMFIST: Your input is not appreciated.

MOIRA: :-(

ORISA: Douchecanoe.

DOOMFIST: Please.

TORBJORN: Since I knew exactly how all of you were, I made a dozen of them for a moment just like this.

WINSTON: Have they been tested?

TORBJORN: Only marginally.
TORBJORN: Now would be the best time to give them their first real test run.

MCCREE: better than making me do it

SOMBRA: are you sure they can even handle it?
SOMBRA: have you seen this place?

TORBJORN: I tried not to.
TORBJORN: But this is the best choice I have.

PHARAH: I guess it can't hurt.

GENJI: fine do it

TORBJORN: With pleasure.

MCCREE: holy shit they got here fast

TORBJORN: Just like I designed them.

TRACER: theyre actually doing a good job!

TORBJORN: That's a relief.

REINHARDT: That's the fastest I've ever seen that wall rebuilt.

LUCIO: hey why does that one have a gun?

TORBJORN: Oh yeah, I forgot to mention.
TORBJORN: I also designed them to attack Genji and Lucio on sight.

GENJI: UM WTF WHY?
TORBJORN: You both displease me.

LUCIO: HOLY SHIT ITS GOT A FUCKING ROCKET LAUNCHER

GENJI: RUN LIKE HELL

GENJI: THAT THING BARELY MISSED MY FUCKING HEAD
TORBJORN: That's a shame.
TORBJORN: I thought they'd have better accuracy.

LUCIO: SOMEONE STOP IT

WINSTON: *You're making a bigger mess.*
TORBJORN: They'll clean it up.
TORBJORN: It's what they were programmed for.

ORISA: Mr. Lindholm, could you install a rocket launcher on me?
TORBJORN: Hmm.
TORBJORN: I guess I owe you for your help.
TORBJORN: I'll see what I can do.

ORISA: (◠‿◠)
GENJI: FUCK

MCCREE: idk if i love or hate this thing
TRACER: both!

EMILY: Is there no end to how bad things can get here?
WINSTON: At this point, I don't think so.

76: This is what happens when you don't laugh at my roasts.
TORBJORN: If you keep this up, I'm going to add your biometrics to their targeting list.

76: ...

REAPER: *Do it.*

76: *I thought you loved me...* 

D.VA: you two seriously have the most bipolar relationship ever
ANA: Thats what happens when u try and blow each other up

LUCIO: SOMBRA CANT YOU STOP THEM?

SOMBRA: i could
SOMBRA: but what fun would that be?
LUCIO: ITS NOT GONNA BE FUN WHEN IM DEAD

SOMBRA: dont be so sure

BRIGITTE: Do you regret your actions now?

GENJI: ALWAYS

MERCY: He says that, but he won't learn for the next time.

GENJI: ITS A CRUEL LIFE

TRACER: hey i just got a fun idea

WINSTON: Lena, please.

TRACER: ana you should nano boost the robots!

ANA: ...

WINSTON: No!

76: Don't you fucking dare.

ANA: ...
ANA: UR POWERED UP

76: ANA...

ANA: GET IN THERE

_______________________________________

LUCIO: i am experiencing levels of pain that should not be possible

ANA: That was the best idea ever

GENJI: has anyone seen my other foot?

REINHARDT: It's probably buried in the rubble that was once the gazebo.

WINSTON: Why did I ever ask any of you to come back?
WINSTON: The Watchpoint was so calm when it was just me here.

MCCREE: you missed us

WINSTON: For a time.
WINSTON: But now I realize how stupid I was.

TRACER: aw dont be so hard on yourself
TRACER: we still love you!

WINSTON: I'm feeling the love.

LUCIO: im feeling nothing but pain

TORBJORN: The project was a resounding success.
PHARAH: How?
PHARAH: They created a bigger mess.

TORBJORN: Minor setback.

GENJI: why exactly did i deserve this?
TORBJORN: I still haven't forgiven you for destroying the armory.
GENJI: LENA AND HANA HELPED
TORBJORN: I don't recall.

D.VA: well this has been a fun day
LUCIO: speak for yourself

DOOMFIST: If that's what you consider fun, I'm afraid to see what boring would be.

MOIRA: That's easy.
MOIRA: Look in the mirror.

DOOMFIST: I'll kill you.
MOIRA: Okay, fine.

MCCREE: so now what?

REINHARDT: Well, now we wait.
REINHARDT: Firstly to see if Genji and Lucio survive.
REINHARDT: Then we just pray that the robots can actually repair things like Torbjorn says they can.
REINHARDT: Otherwise we'll be shopping for another base.

D.VA: we should move to south korea
MCCREE: hell no move to the us

WINSTON: The only place I'm going to move any of you is to the bottom of a crater.
WINSTON: And then fill it with dirt so I bury you and the rest of my failures where no one can find them.

DOOMFIST: ...Well.

ANA: Lets do it
JUNKRAT: YEAH I LOVE DIRT
WINSTON: You all make me sad.
MCCREE: thats the idea
WINSTON: Get better ones.
ANA: Lol nah
Wow, 50 whole chapters come and gone. I still really can't believe it. The overwhelming support you guys have shown me since the very first chapter was posted has been amazing! Seeing your comments makes my day, and knowing that you're all having just as much fun reading this as I am writing it puts a smile on my face. I still have no set end date for this, so I'm just gonna keep trucking along and see where it takes us. I can't thank you all enough for coming and reading this over and over again, and I hope this super deluxe mega chapter was all you hoped it would be!
Idk this probably isn't long enough to qualify as a mega-chapter but I haven't had as much time as I would've liked to write this week. Anyway, here! Enjoy this surprise disaster!

MORRISON: Why do you do the things you do?

LIAO: hey man its an honest question

WINSTON: Cat girls aren't real, Liao.

LIAO: YEAH NO SHIT
LIAO: YOU WONT MAKE ME ONE

MORRISON: What would be the point?

LIAO: um so i can have a cat girl?

MORRISON: Why?
MORRISON: Getting rejected by normal girls isn't enough for you?

LIAO: WOW

MCCREE: omg thats it
MCCREE: my lungs are gonna burst
MCCREE: just buy me a coffin already

LIAO: OF ALL THE FUCKING THINGS
LIAO: THIS IS JUST MEAN

MCCREE: im not kidding captain scroll up

ANA: ...
ANA: What the fuck did i just see?

KIMIKO: Wow Liao, you got told.

LIAO: ALL I WANT IS MY OWN CAT GIRL I DIDNT ASK FOR THIS

KIMIKO: I thought we already decided that breeding things that don't exist is a bad idea.

MORRISON: Yeah, I still remember the last time.

LIAO: LISTEN

MCCREE: WE THOUGHT UNICORNS WERE SUPPOSED TO BE FRIENDLY

KIMIKO: So did Gerard.
KIMIKO: Until he was on the receiving end of a horn.

WINSTON: Two more inches to the left and we would've had a funeral on base.

MCCREE: meh

ANA: Honestly tho how the fuck did the three of u pull that off?

LIAO: luck

MCCREE: stupidity

LIAO: a combo of both

MORRISON: Unbelievable.

LIAO: hey dont blame us genji made it

WINSTON: ..How?

MCCREE: fuck if we know we just wanted to ride it

KIMIKO: I think you riding it is what set it off so much.
LIAO: debatable

MCCREE: hey listen at least we took care of the problem

MORRISON: After it destroyed half the base in a rage.

WINSTON: And almost killed Gerard.

LIAO: but hey look at it this way
LIAO: who else can say they have a unicorns head mounted on their wall?

MORRISON: That wasn't the point of this conversation at all.

MCCREE: indifferent

LIAO: uh im still here

ANA: Thats a shame

GENJI: yeah really

LIAO: youre all bullies

KIMIKO: It comes with the territory.

LIAO: at least reinhardt likes me

REINHARDT: Have I ever said or done anything that made you think that's true?

LIAO: ...
LIAO: i dont need this

GENJI: apparently you need a catgirl tho

LIAO: i dont even think i want that anymore

GENJI: i mean if u can get me back into the lab im pretty sure i can somehow figure out how to do it

WINSTON: If I see you back in the lab without permission, I'm throwing out your stuffed animals.

GENJI: NO LEAVE CHUCKLES AND CHEWY ALONE

MORRISON: I thought you had three.
GENJI: i did
GENJI: until jesse and i got really drunk one night and im pretty sure i threw him in the fireplace

KIMIKO: Why?

GENJI: idk i was drunk
GENJI: i dont even remember what happened next

MCCREE: i do
MCCREE: you realized what you did and jumped in after it
MCCREE: thats why the fire alarm went off that night

REINHARDT: I thought that was because of Torbjorn blowing something up in the armory.

MCCREE: nope that was because i had to break the fire panel to grab the extinguisher
MCCREE: otherwise im pretty sure genji wouldve melted

GENJI: i think id be better off

ANA: We all would

GENJI: rude

[GABRIEL REYES] entered chatroom [WINSTON WHY HAVEN'T YOU GENETICALLY BRED ME A CAT GIRL YET?]

REYES: Where the fuck are all of you?

GENJI: hell

LIAO: the nile river

MCCREE: a different ethereal plane

REYES: I don't give a shit where you three idiots are.
REYES: I'm asking about the real members.

LIAO: hey im a founding member

REYES: Act like it once in a while.

KIMIKO: Why, do you need something?

REYES: I can't find my sneakers.

ANA: And we care why?

REYES: Because one of you cleaned the closet and moved them.

REINHARDT: ...Oh.

REYES: Reinhardt...

ANA: Lmao this is gonna be good

REINHARDT: You see...
REINHARDT: About that...

REYES: What did you do to my shoes?

REINHARDT: Gabe, before you get upset.
REINHARDT: This was an accident.
REINHARDT: attached image: someoneneedsanewpairofshoes

REYES: ...

GENJI: jesus fucking christ

KIMIKO: How?

ANA:

LIAO:

MORRISON: You're both fired.

LIAO: worth it

MCCREE: i just fucking choked on my coffee

GENJI: why r u drinking coffee its like two in the afternoon

MCCREE: do i need a reason to drink coffee?

KIMIKO: Wait, where did you get coffee?

ANA: Yeah didnt lena break the coffee machine?
[LENA "TRACER" OXTON] entered chatroom [WINSTON WHY HAVEN'T YOU GENETICALLY BRED ME A CAT GIRL YET?]

TRACER: hey that wasn't my fault!
REYES: Bullshit.

MCCREE: you know there's this amazing concept called going out and buying some

MORRISON: Why didn't you buy enough for the rest of the base?
MCCREE: have you seen my paycheck?
MCCREE: i was lucky enough to afford one for me
LIAO: yeah seriously why don't we get paid more?
WINSTON: Take it up with Human Resources.
LIAO: does that mean i have to talk to greg?
REYES: Well, Greg's the HR Manager so probably.
LIAO: fuck i hate greg
MCCREE: we all hate greg
MORRISON: What's wrong with Greg?
KIMIKO: Jack, don't start.
ANA: Yeah we all know that u hate him too
MORRISON: ...Okay, so?
MORRISON: Can we at least try and get along with him?
LIAO: oh yeah sure
LIAO: until he starts bringing up how destructive i am and how much trouble im causing for the organization
LIAO: like greg
LIAO: im a founding member and youre a piece of shit so suck my dick

GENJI: seriously how did we get stuck with someone like him?
GENJI: r u telling me there was no better option?
WINSTON: He was the most qualified.
ANA: Idc hes a dick
TRACER: how come he makes more money than i do?
WINSTON: Lena, can we not do this right now?
REYES: I still need a pair of sneakers.
KIMIKO: Go buy some.
KIMIKO: You heard Jesse.
REYES: I'm not spending my hard earned money on shoes that I'm sure will be destroyed by someone else by the end of the week.

REINHARDT: Put it on the company card then.

REYES: I can't.

MORRISON: Why?

REYES: Greg confiscated it from us.
REYES: For, in his words.
REYES: "Excessive spending on unnecessary objects."

ANA: @LIAO
ANA: @JESSE
ANA: @GENJI

LIAO: hey say what you want
LIAO: i didnt see any of you complaining when you were relaxing in that hot tub

MCCREE: you tried to drown me

LIAO: i have no idea what you mean

GENJI: well reyes looks like ur shit out of luck
REYES: I can't go out jogging with no shoes.
GENJI: i disagree
MCCREE: just take the money from greg
WINSTON: That is a terrible idea.
REYES: No, I actually like that.

TRACER: yeah he wont notice if a few bucks go missing
REYES: I'll go kill Greg and steal his wallet.
WINSTON: Reyes, don't.

MCCREE: that wasnt what i meant
MCCREE: ...
MCCREE: REYES ANSWER THE PHONE YOU SACK OF SHIT

MERCY: Why?
REYES: I needed new sneakers.
MERCY: That's not a valid excuse.
REYES: I'm in charge.
REYES: I decide what's valid.
GENJI: actually jacks in charge
REYES: Shut your mouth.
MORRISON: Reyes can be in charge if he wants.
MCCREE: how are we ever going to win anything on this base with you two being so gay?
REYES: That's the point.
REYES: You won't.
MERCY: Reyes, this wasn't needed.
REYES: Hey, he had it coming.
KIMIKO: He really did.
LIAO: yeah fuck you greg
MERCY: Look, I know that Greg is certainly less...
MERCY: Tolerable.
MERCY: Than most other people.
REINHARDT: Severe understatement.
MERCY: But, we need to treat him with respect because he is a part of the team.
ANA: Yeah no
LACROIX: Respect must be earned before it can be given, Angela.
LACROIX: And Greg has not earned any respect from any of us.
MERCY: Must violence always be the solution?
ANA: In this case yes
REYES: I'm going to buy another pair of sneakers.
REYES: Anyone else want anything?
TRACER: get us pizza!
REYES: I'm not buying any more pizza.
GENJI: but y?
REYES: Not after the last time.
REINHARDT: We were hungry, Gabe.
REINHARDT: You can't blame us for that.

REYES: When normal people are hungry, they don't start breaking windows.

LIAO: are you sure?

MCCREE: yeah have you ever been in a public setting before?

REYES: Not as much as I wish I could be.

MCCREE: at least you don't have a bounty on your head

MIREMBE: You just went out to Starbucks to buy a cup of coffee and you're complaining about a bounty?

MCCREE: hey im pretty sure the barista recognized me
MCCREE: there were a bunch of cop cars driving towards it when i left

GENJI: was she hot tho?

MCCREE: well she was a guy so

REYES: Was he hot?

MORRISON: Gabe...

REYES: Relax, I'm joking.

MORRISON: <3

REYES: <3

REINHARDT: Gay.

MORRISON: I'll kill you.

REINHARDT: I doubt it but good luck.

MERCY: No more violence.
MERCY: At least not until I'm done with Greg.

GENJI: u can let him die
GENJI: he won't be missed

MERCY: He has a wife and three kids so yes he most certainly would be missed.

LIAO: i refuse to believe that anyone liked gregs combover and trousers enough to allow him to put three kids in them

ANA: Everyone finds someone liao

GENJI: except jesse

MCCREE: fuck you
MCCREE: why don't you tell me about your love life?

GENJI: i cant
GENJI: its not for the faint of heart

MREMRE: Spare me.

WINSTON: Is Greg going to be okay, Angela?

MERCY: He's fine.
MERCY: You wouldn't know because he's blubbering like a baby.
MERCY: But it's just a little ankle sprain.

REYES: I should've done worse.

ANA: Don't we wish u did

MORRISON: What the fuck happened in the cafeteria?

GENJI: FUCK

MCCREE: YOU SAID HE WOULDN'T FIND OUT

MORRISON: What?
MORRISON: WAIT THIS WAS YOU?

MCCREE: ...

GENJI: ...NO

ANA: Lmao ive gotta see this

WINSTON: Why?
WINSTON: Why is it always you two?

MCCREE: I DIDN'T DO ANYTHING
MCCREE: IT WAS ALL GENJI
MCCREE: AND A LITTLE BIT OF LENA

TRACER: NO IT WASNT

LACROIX: What are we going to do with you?

GENJI: HOW WAS I SUPPOSED TO KNOW?

MCCREE: IT SAYS ON THE FUCKING BOX
MCCREE: WARNING HIGHLY COMBUSTABLE

GENJI: SINCE WHEN ARE FRUIT LOOPS HIGHLY COMBUSTABLE?
GENJI: WHAT ARE WE FILLING THEM WITH DYNAMITE NOW?
GENJI: WHAT THE FUCK IS WRONG WITH KELLOGGS?

REINHARDT: You are the only person in the world who can cause a breakfast cereal to explode.

GENJI: ALL I DID WAS POUR MILK INTO IT

MERCY: Why?
MERCY: You can't have cereal with milk, you'll short circuit.
GENJI: I DON'T CARE
GENJI: LIFE ISN'T WORTH LIVING IF I HAVE TO EAT CEREAL DRY

MORRISON: Eating cereal dry is not nearly as bad as you all make it out to be.

GENJI: FUCK OFF JACK
GENJI: JUST BECAUSE UR NOT NORMAL DOESNT MEAN THE REST OF US HAVE TO BE

WINSTON: The rest of you are far from normal.

GENJI: AT LEAST I PUT MY CEREAL IN FIRST

MCCREE: yeah seriously jack
MCCREE: thats some serial killer shit

MORRISON: That's the way I've been doing it my whole life.

LIAO: youre lucky we dont tell the un cause you could lose your job over that treason

LACROIX: Why do you all only eat cereal?

LIAO: PROB BECAUSE WERE NOT ALL SNOBBY RICH FRENCH PEOPLE WHO CAN JUST BUY BREAKFAST FROM IHOP EVERY DAY

TRACER: *ihob

ANA: Fucking stop that

REINHARDT: That wasn't funny when it was happening.
REINHARDT: It's even less funny now.

LACROIX: I don't buy breakfast every day.
LACROIX: I often make some here as well.

LIAO: and you dont share because why?

LACROIX: What have you done for me lately?
LACROIX: Besides making a unicorn that almost killed me.

GENJI: LOOK

MCCREE: WE THOUGHT IT WAS FRIENDLY

LACROIX: It sure seemed friendly, didn't it?

LIAO: you know what fuck you
LIAO: go back to ihop

TRACER: *ihob

ANA: LENA FUCKING STOP

KIMIKO: Okay seriously, who goes to Ihop and thinks, "Hey, I want to get a burger?"

MCCREE: probably greg
GENJI: def greg
LIAO: yeah fuck you greg
MERCY: Can you all do me a favor and stop talking about Greg?
MIREMBE: Wishful thinking, Angela.
REYES: It's not my fault Greg's a douche.
MERCY: It is your fault that he's in the medical wing right now, however.
REYES: If I was any meaner, he would be in the morgue instead.
MERCY: That's not any better.
MORRISON: Can we stop changing the subject and explain to me what happened to the cafeteria?
MCCREE: we already explained this jack fucks sake
MORRISON: You didn't explain it well enough.
GENJI: we did
GENJI: u just didnt understand because ur a neanderthal who pours his milk in before his cereal
MORRISON: Hey.
REYES: Yeah seriously, who does that?
MORRISON: Now you're going to start with me too?
REYES: It wouldn't be a healthy relationship if I didn't.
MORRISON: I beg to differ.
MIREMBE: Get a room.
ANA: Preferably one that we can bury under concrete
MORRISON: Why are you all like this?
REINHARDT: You tell us.
REINHARDT: You're the one who hired us.
MORRISON: I wish I didn't.
KIMIKO: So do we.
KIMIKO: Instead, we're stuck here with you.
MORRISON: I don't deserve this.
WINSTON: He's right.
LIAO: yeah he deserves so much worse
WINSTON: Liao...
LACROIX: Oh, relax.
LACROIX: Taking jabs at each other is a good way to build team camaraderie.

MORRISON: This isn't taking jabs.
MORRISON: This is using me as a punching bag.

LACROIX: It's all relative.

LIAO: come on jack youre kinda used to being a punching bag

GENJI: yeah i heard reyes likes to spank u for being a bad boy

MORRISON: !!!

MCCREE: *currently vomiting all over my everything*

MIREMBE: I could've gone my whole life without ever hearing that.

ANA: Ew wtf

REINHARDT: Just why?

MERCY: SOME THINGS CAN BE LEFT UNSAID, YOU KNOW!

GENJI: there are no secrets here

WINSTON: Can we stop this?
WINSTON: Mental bleach is not yet a thing.

TRACER: but real bleach is!
TRACER: and im currently ingesting all of it so bye!

KIMIKO: Is it true, Reyes?

REYES: No comment.

GENJI: kinky

REYES: Suck my dick.

LIAO: thats jacks job isnt it?

REYES: Fuck you.

ANA: Do u even really want genji sucking ur dick?
ANA: I dont even think he has a mouth

GENJI: well i do
GENJI: its just hidden under my mask

MCCREE: is that how you eat?

GENJI: yes jesse most people eat with their mouths

LIAO: yeah but is your mouth really even in good enough shape for sucking dick?

WINSTON: Why is this happening?
GENJI: is there a wrong shape to be in for sucking dick?

MCCREE: well normally you need a working mouth to suck dick

GENJI: my mouth works
GENJI: its just hidden under my mask because im horribly disfigured

MIREMBE: Why are you still talking about this?

MERCY: I think they're ignoring us.

REINHARDT: Pretty much.

LIAO: i mean you can always give a handjob instead

MCCREE: i think thatd be worse

TRACER: yeah his hands are metal!

ANA: Thatd lead to some horrible chafing

LIAO: DEAD

GENJI: well it kinda depends

[TORBJORN LINDHOLM] entered chatroom [WINSTON WHY HAVEN'T YOU GENETICALLY BRED ME A CAT GIRL YET?]

GENJI: i mean i could probably give like a superhuman hand job with my cyborg hands
GENJI: OH SHIT WAIT

TORBJORN: What the actual fuck?

TRACER: LMAO!

LIAO: wait why did he join the chat he never joins the chat

TORBJORN: What the fuck is going on here?

MCCREE: you dont wanna know

KIMIKO: What are you doing here?

TORBJORN: I was going ask why it looked like a bomb went off in the cafeteria, but instead I ended up walking in on this fuckery.

ANA: Idk why this surprises u this chat is basically the living embodiment of fuckery

TORBJORN: Don't you all have something you should be doing?

GENJI: not really

TRACER: nope

MERCY: I'm already doing something.

LIAO: yeah so is reyes
LIAO: spoiler alert its jack
REYES: Shut the fuck up.
TORBJORN: Angela, what are you doing at this hour?
MERCY: Helping Greg.
TORBJORN: What happened to Greg?
MERCY: Ask Reyes.
REYES: I beat him about the face, neck, chest, and head.
TORBJORN: Good, fuck Greg.
ANA: HA
MCCREE: see everyone hates greg
WINSTON: If everyone hated him, why did none of you say anything?
GENJI: i dont like talking to people
MIREMBE: Could've fooled me with the way you act around here.
GENJI: im a troubled child
LACROIX: Yes, you most certainly are.
TORBJORN: So, I reiterate.
TORBJORN: What happened to the cafeteria?
GENJI: i poured milk into my cereal
TORBJORN: ???
MCCREE: and then everything exploded
MCCREE: idk how it happened either
TORBJORN: ...
REINHARDT: Nothing on this base makes sense anymore.
TORBJORN: I just wanted a protein bar, I don't need this.
MORRISON: We don't need any of this.
TORBJORN: This is what happens when you pour your milk in first.
LIAO: HA
GENJI: EAT IT JACK
MORRISON: Are you kidding me?
TORBJORN: Not at all.
TORBJORN: That's an offense punishable by death.

LACROIX: Why is no one on this base normal anymore?

ANA: Idk gerard ur kinda the only normal one here

LACROIX: é

LACROIX: And I'm not normal because I've gone insane being around all of you.

MIREMBE: Likewise.

MERCY: And to think people actually count on us to save the world.

LIAO: come on thats like the only thing we do well

REINHARDT: He has a point.

MORRISON: No he doesn't.

ANA: Hey as long as we win and no one dies its a success

MERCY: Not really.

GENJI: u dont even do anything but heal and complain about hurting people

MERCY: Violence isn't always the answer.

LACROIX: Tell that to Genji after he put chili in your coffee that one time.

MERCY: *DON'T MESS WITH A DOCTOR'S COFFEE.*

GENJI: i deserved that

MCCREE: then whyd you do it a second time?

GENJI: knowing that i deserved it doesnt mean that i learned from it

REYES: Why did I let you into Blackwatch again?

GENJI: because no one else would take me and u have too big of a heart to leave me out on the streets

MORRISON: That's not the only big thing he has.

MCCREE: *Vomiting*

LACROIX: Why?

ANA: Jack seriously just go away

LIAO: **NO ANYTHING BUT THAT**

MERCY: **I'm going to strangle all of you...**

KIMIKO: "**Must violence always be the solution?**"

MERCY: **Fuck you!**

MORRISON: I'm disbanding Overwatch.

WINSTON: Please do.
WINSTON: Save me from the trouble.

LACROIX: How are we ever going to properly re-integrate into society after spending all this time here?

MIREMBE: It'll be more difficult for some of us.

WINSTON: Why do these things always happen?
LACROIX: I think it was part of the job description.
MORRISON: No it wasn't.
KIMIKO: Well, it should be.
KIMIKO: The rookies should know what they're getting into.
MIREMBE: If they did, no one would apply for the job.
REYES: Maybe we'd be better off, then.
MIREMBE: We wouldn't.
TORBJORN: We'd be better off just leaving and pretending Overwatch never existed.
REINHARDT: Agreed.
MORRISON: Okay, so what the fuck are we going to do with the cafeteria?

GENJI: burn it
MCCREE: sell it
REINHARDT: Push it somewhere else.

MCCREE: DO IT

KIMIKO: NO BALLS!

WINSTON: Why are you all like this?

MCCREE: if were not who will be?

WINSTON: Hopefully no one.

LUCIO: she can recall shes fine

MERCY: The recall doesn't work like that.

LUCIO: what would you know?
LUCIO: you didn't make the accelerator

MERCY: I'm far more knowledgeable about the topic than you are.

LUCIO: that doesn't make you an expert

MERCY: I...
MERCY: What?

WINSTON: What exactly is happening here?

MCCREE: unsure
MCCREE: we've been trying to find out for the past few minutes with no luck

REINHARDT: Lena started saying something and then I guess she threw her communicator down the stairs because a bunch of random letters popped up.
SOMBRA: that was from hana attacking her

76: Excuse me?

D.VA: BABE NO

SOMBRA: UH I MEAN NOTHING
SOMBRA: LENA DROPPED THE COMMUNICATOR
SOMBRA: KLUTZY OLD LENA

WINSTON: No, but I think that's the last thing we need to worry about right now.

D.VA: I WAS ABOUT TO BEAT THE NAMELESS KING
D.VA: SHE MADE ME DIE
D.VA: IVE BEEN STRUGGLING FOR LIKE TWO WEEKS

REINHARDT: Ah yes, back when video games were actually difficult and you couldn't buy your way to the top.

GENJI: lets ask
GENJI: @HANZO

HANZO: Please stop this.
GENJI: hey were just asking a question
HANZO: I seem to recall that you rarely ever ask important questions.
GENJI: hey my hot dog question was pretty important
HANZO: It was the stupidest question I think you've ever asked me.
REINHARDT: What was the question?

HANZO: Genji.

GENJI: why do hot dogs come in packs of ten but buns come in packs of eight?

LUCIO: YOOOOO
LUCIO: THATS A SERIOUS QUESTION MAN I NEED TO KNOW

GENJI: see?

HANZO: Having your moronic friends agree doesn't make the question any more legitimate.

WINSTON: I can't believe this.

MCCREE: i think its a pretty good question

HANZO: It's stupid.

GENJI: so whats the answer then smart ass?

HANZO: I don't have time for this.

GENJI: u dont know do u?

HANZO: STOP PATRONIZING ME!

REINHARDT: So he doesn't know.

HANZO: ...

MCCREE: sorry i dont have a death wish

LUCIO: same
LUCIO: hana kinda deserves this

SOMBRA: why?

TRACER: did you forget the part where she legit tried to stab me with scissors?

SOMBRA: eh who hasnt at this point?

TRACER: rude

WINSTON: Don't worry, Sombra.
WINSTON: Ana won't kill her.
WINSTON: I hope.

SOMBRA: that doesnt make me feel better

MCCREE: you really cant tell with ana

GENJI: yeah she didnt care when kimiko blew up her bike but she pushed liao down the elevator shaft when he scratched her new shoes
76: Don't remind me of this.
76: Liao was out of action for almost a month.

MERCY: With the distance he fell, he's lucky he didn't die.

REINHARDT: We all would've been better off.

LUCIO: wow thats harsh

SOMBRA: so no ones gonna help?

GENJI: nope

JUNKRAT: @ROADHOG
JUNKRAT: GO HELP

ROADHOG: i dont want to
ROADHOG: besides amaris always been nice to me
ROADHOG: ill let her do what she wants

SOMBRA: you cant do this to me

MCCREE: we can and we will

SOMBRA: please?

GENJI: do u have any idea how scary ana is when shes mad?

SOMBRA: is she scary than mercy?

MCCREE: yes

SOMBRA: shit
SOMBRA: thats not good

REINHARDT: Everything will be fine.

LUCIO: if you say so

-----------------------------------

ANA: it is done

MCCREE: that was quick

SOMBRA: that was the most agonizing thirteen minutes of my life

GENJI: thats what my first girlfriend used to say all the time

LUCIO: just stop

TRACER: LOL

REINHARDT: What did you do to Hana?

ANA: stuff
76: It involved the sleep darts, didn't it?

ANA: ...No

GENJI: yes

MERCY: Is she injured?

ANA: Only mentally

MERCY: I can't do anything for that.

ANA: Don't worry she'll live
ANA: Maybe

MERCY: Good enough for me.

WINSTON: Is it though?

MERCY: The less I have to do, the better.

WINSTON: Fair enough.

LUCIO: so what did you do with the sleep darts?

ANA: I
ANA: Improvised

MCCREE: explain yourself

ANA: Its pretty self explanatory
ANA: I just hit her with a bat until she passed out

MCCREE: ...

GENJI: wow that's really violent

LUCIO: so it really didn't have anything to do with sleep darts?

76: Guess not.

ANA: She deserved worse honestly

REINHARDT: I disagree, but okay.

LUCIO: haha i guess you could say

MCCREE: DON'T

LUCIO: that you were

GENJI: LUCIO

76: STOP THIS!

LUCIO: a real
LUCIO: KNOCK OUT
LUCIO: BING

ANA: Well i guess its time for this now

REINHARDT: PREPARE YOURSELF, LUCIO.
REINHARDT: MY HAMMER WISHES TO SCHEDULE AN APPOINTMENT WITH YOUR ASS!

LUCIO: i couldnt stop myself
LUCIO: and i consider this worth it

REINHARDT: YOU'D BETTER START CLENCHING!

LUCIO: DOING IT

WINSTON: REINHARDT, DON'T!

REINHARDT: HE BROKE THE RULES!
REINHARDT: HE MUST BE PUNISHED!

MCCREE: do it
MCCREE: puns have been outlawed

GENJI: yeah i remember when jack got drunk that one night

76: WE PROMISED NEVER TO BRING THIS UP AGAIN!

ANA: I wanted u dead that night

GENJI: i want u dead all the time

76: LEAVE ME ALONE!

D.VA: dammit i always miss the best parts

SOMBRA: it really wasnt that great
SOMBRA: this is the one time i wished i didnt have cameras in everyones rooms

ROADHOG: how do you get cameras in our rooms without us seeing?
ANA: Yeah really mccree doesn't even leave his room anymore

SOMBRA: i have my ways

WINSTON: Is Lucio okay?

TRACER: based on the horrifying screams i heard
TRACER: prob not

MERCY: He'll be okay.

GENJI: aren't u supposed to be helping?

MERCY: I am helping.

MCCREE: beg to differ

GENJI: i heard glass shattering

76: I heard something falling.

ROADHOG: idk how you could hear anything over hanzo blasting kpop in the practice range

MCCREE: I KNEW THAT WAS HIM!

GENJI: god why is he my brother?

WINSTON: Ignoring that for the time being.
WINSTON: Why was there shattered glass and rumbling sounds?

REINHARDT: I knocked his walls down on top of him.

TRACER: why?

REINHARDT: He kept making more puns.
REINHARDT: Extreme measures needed to be taken.

MCCREE: this is overkill

ANA: Nah its pretty fine

GENJI: well reinhardt i guess you could say

REINHARDT: DON'T FUCKING DARE!

GENJI: that u brought the house down

REINHARDT: YOU'RE NEXT!

GENJI: GO AHEAD!

Reinhardt: Apologies Genji, but I'm not exactly fluent in fast food.

GENJI: NUGGET

MCCREE: yeah i have no idea whats going on
MCCREE: im laughing my ass off tho so if that was the plan it succeeded

D.VA: it was

Mercy: Why do I feel like Sombra had something to do with this?

Reaper: She always has something to do with it.

Sombra: incorrect

Reaper: Very correct.

Sombra: FINE
DOOMFIST: What did you do now?

SOMBRA: hey it wasnt my idea

DOOMFIST: Even so, you're still involved.

SOMBRA: hana and lucio had a request and i just obliged like any good samaritan would

DOOMFIST: Seeing that it wasn't your idea for once is actually surprising.

SOMBRA: see akande im getting better

DOOMFIST: And we're all so proud of how you've conducted yourself.

REAPER: **Speak for yourself.**

DOOMFIST: Believe me, I have no interest in speaking on your behalf.

REAPER: **Fuck you.**

MERCY: So, what exactly is happening here?

SOMBRA: just a prank

SOMBRA: i hacked genjis interface so that every word he types changes itself to nugget

ANA: LMAO U DIDNT

SOMBRA: yup

ANA: THATS FUCKING GOLD OMG

GENJI: **NUGGET NUGGET NUGGET**

MCCREE: how do you even?

SOMBRA: its a skill

REINHARDT: Someone better warn Bastion and Zenyatta.

SOMBRA: im not hacking either of them again

LUCIO: idk what you expected

LUCIO: he has a gun on his arm

SOMBRA: i dont wanna talk about it

GENJI: NUGGET

D.VA: **I CANT BREATHE**

MERCY: I swear, the shenanigans around base get more and more elaborate as time goes on.

LUCIO: is that good?

MERCY: Depends on who you ask.

76: It's not good at all.
LUCIO: ah

MCCREE: someone better tell hanzo that his brother is being harrassed again

HANZO: Better him than me.

D.VA: howd you get here so quick?

HANZO: My communicator is on.
HANZO: I'm seeing everything.
HANZO: I just pick my battles.

DOOMFIST: Wise strategy.

HANZO: Besides, Genji getting harrassed doesn't bother me.
HANZO: It's about time he received a taste of his own medicine.

GENJI: NUGGET NUGGET NUGGET NUGGET NUGGET NUGGET

LUCIO: i feel like this would be funnier if we knew what he was saying

D.VA: hey athena can you translate what genjis saying?

[In all honesty, I don't think I can.]

TRACER: :(?

MCCREE: why?

[It's not like he's speaking another language. I can't translate a single word into a cohesive sentence.]

LUCIO: aw man

REINHARDT: It's probably best this way.
REINHARDT: The mystery adds to the general humor.

GENJI: NUGGET NUGGET

DOOMFIST: Sure, keep trying.
DOOMFIST: Maybe someone will understand you eventually.

GENJI: NUGGET NUGGET NUGGET NUGGET NUGGET NUGGET

DOOMFIST: Nope, try again.

GENJI: ...
GENJI: ナゲットナゲット

D.VA: okay can you translate that?

[I can. One moment please.]

LUCIO: aw man did he find a loophole?

[Sorry to disappoint you all, but he is, in fact, just saying nugget in Japanese.]
ANA: OMG
LUCIO: FUCKING YES LOL
D.VA: is that why i hear hanzo laughing his ass off?
MCCREE: hanzos laughing?
MCCREE: is the world ending?
GENJI: **NUGGET NUGGET NUGGET**
SOMBRA: im not an idiot
SOMBRA: im always one step ahead of you
REINHARDT: I have to give him credit for attempting the loophole, though.
REINHARDT: That wouldn't have been my first thought.
ANA: Mine would be to smash the communicator
SOMBRA: thats exactly why they went after genji
SOMBRA: the interface is connected to his head
SOMBRA: he cant destroy that
MERCY: Don't be so sure.
WINSTON: I wouldn't put it past Genji.
GENJI: N-U-G-G-E-T
GENJI: NUGGET NUGGET
MCCREE: *im fucking wheezing*
ANA: Man u really prepared for everything huh?
SOMBRA: of course
SOMBRA: according to my calculations there are 346 different ways he could attempt to communicate with us
SOMBRA: so i hacked every single one of them so theres no escape for it
GENJI: NUGGET NUGGET
LUCIO: THIS IS THE GREATEST FUCKING THING IVE EVER BLESSED WITH WITNESSING
76: I'm just glad it's not me this time around.
REINHARDT: Don't jinx it, Jack.
MERCY: Hanzo, it wasn't *that* funny.
HANZO: Yes, it absolutely was.
HANZO: Holy shit, I haven't laughed like that since grammar school.
LUCIO: tbh didnt even think you were capable of laughing
HANZO: I laugh when things are funny.
D.VA: wtf do you mean?
D.VA: literally everything that happens here is funny and you havent laughed once

HANZO: My sense of humor isn't juvenile.

LUCIO: rude

GENJI: NUGGET NUGGET NUGGET NUGGET

MCCREE: stop already
MCCREE: its not gonna work

GENJI: N-U-G-G-3-T
GENJI: NUGGET

WINSTON: Why are you all like this?

D.VA: eh we have problems

76: You are problems.

SOMBRA: hey this wasnt my idea

76: Yet, you still participated in it.

SOMBRA: id like to see you hack someones head like that old man

MCCREE: he couldnt if he wanted to

LUCIO: yeah hes from tractor country
LUCIO: i bet his parents were tractors too

76: You both know that I actually know how to use technology, right?

REINHARDT: Tell that to the radio

76: THAT HAPPENED ONE TIME!

ANA: One more time than it happened to anyone else

76: LEAVE ME ALONE!

ANA: Lol nah
ANA: If i didnt bother u who else would?

LUCIO: me

TRACER: i would!

MCCREE: same

D.VA: i like making jacks life miserable

ANA: K so everyone on base besides winston and maybe angela

WINSTON: I'm not involving myself with any of this anymore.
MERCY: I'm too busy fucking your daughter.

ANA: EXCUSE ME WHAT THE FUCK?

LUCIO: LMAO

MERCY: *finding
MERCY: Damn autocorrect.

D.VA: crisis averted

REINHARDT: I wouldn't say that.

SOMBRA: nope

MCCREE: dont
MCCREE: its a gift from the heavens

ANA: ANGELA U BETTER START EXPLAINING

MERCY: It's nothing, Ana.
MERCY: We were relaxing in the common room.
MERCY: And Fareeha asked if I wanted to go fuck in the gym.

ANA: BITCH WHAT THE FUCK

TRACER: LOL!

MERCY: No, she asked if I wanted to go fuck in the gym.
MERCY: ...
MERCY: G O F U C K I N T H E G Y M
MERCY: SOMBRA, STOP DOING THIS TO MY COMMUNICATOR!

SOMBRA: haha no

REINHARDT: This still doesn't explain how you lost her.

MERCY: She said she would meet me there but it's been twenty minutes and I haven't found her.

SOMBRA: shes swimming in the pool

MERCY: ...How did you?

SOMBRA: i have access to all your cameras idk why you keep forgetting that
LUCIO: so wait were you actually going to fuck in the gym?

MERCY: NO!

SOMBRA: they were
SOMBRA: i hacked into their text logs

MERCY: COULD YOU PLEASE STOP THAT?

SOMBRA: i could
SOMBRA: but that would be no fun

76: That gym is for professional use only.

MCCREE: there is absolutely nothing professional about this organization

D.VA: yeah jack dont act like you and reyes werent in there last week working on "aerobic exercises."

LUCIO: gay

REINHARDT: Please stop putting these images in my head.

76: ...

REAPER: You're just jealous that I'm getting more than you are.

DOOMFIST: No, we most certainly are not.

SOMBRA: i know that you're not getting more than me but whatever

MOIRA: You can keep it.
MOIRA: No one here has a fetish for old men.

D.VA: DEAD

LUCIO: damn moira coming in for the kill

TRACER: shes starting to grow on me!

MOIRA: Thanks.

REAPER: I DID NOT HIRE YOU SO YOU COULD ACT LIKE THIS!

MOIRA: You didn't hire me at all.
MOIRA: But had I known you were going to be here, I might've just passed on the offer.

GENJI: nugget nugget nugget

LUCIO: I JUST FUCKING SPIT MY DRINK OUT

MCCREE: can we please never change this?

D.VA: yeah really we made hanzo laugh with it

HANZO: Don't get used to it.
HANZO: That's the last time you'll hear me laugh.
REINHARDT: I guess that means we'll just have to try harder.

TRACER: HAHAHAHAHAHA OMG GENJI JUST CAME UP TO ME AND TRIED TO TALK BUT THE ONLY WORD HE CAN SAY IS NUGGET!

REINHARDT: You really pulled out all the stops, didn't you?

SOMBRA: i can work wonders when i want to

REAPER: Why can't you work wonders for Talon, then?

SOMBRA: um cause i dont want to?

MOIRA: No one does.

TRACER: HAHAHAHA HES SLAMMING HIS FACE INTO THE WALL IN ANGER

D.VA: confirmed
D.VA: genji is now 1050% done with our shit

LUCIO: this was so worth it

SOMBRA: im gonna fix him

D.VA: NOOOOOO!

SOMBRA: cmon i like genji
SOMBRA: i think hes suffered long enough

D.VA: FIIIIINNNNNEEEE!

SOMBRA: BOOP

WINSTON: Is it necessary to do that every time you hack something?

SOMBRA: yes

GENJI: I
GENJI: FUCKING
GENJI: HATE
GENJI: U

SOMBRA: wasnt my idea 3po

LUCIO: it was fun while it lasted

TRACER: im kinda sad that its over :( 

SOMBRA: who said its over?

MCCREE: explain

SOMBRA: give it a few seconds

ANA: Im scared

76: Salmon salmon.
D.VA: OMG

LUCIO: IM SO HAPPY AGAIN

REINHARDT: I had a feeling we were going in this direction.

REAPER: Breadsticks.
REAPER: BREADSTICKS!

MOIRA: This pleases me.

DOOMFIST: I'm just glad I was spared.

SOMBRA: im not making the same mistake twice
SOMBRA: i was never able to repair that computer

DOOMFIST: You left me no choice.

SOMBRA: BREADSTICKS!

[SOLDIER: 76] disconnected from chatroom [NO ANA WE CAN'T SLEEP DART JESSE AND DRAW DICKS ON HIS FACE]

[REAPER] disconnected from chatroom [NO ANA WE CAN'T SLEEP DART JESSE AND DRAW DICKS ON HIS FACE]

SOMBRA: they both literally destroyed their communicators at the exact same time

ANA: Aw theyre so cute

WINSTON: I'm not buying them new ones.

SOMBRA: ill handle it
SOMBRA: i caused it anyway
SOMBRA: besides that guy in argentina doesnt need billions of dollars anyway

MERCY: Sombra...

SOMBRA: zip it doctor cougar
SOMBRA: dont you have a little kitty to go entertain?

MERCY: I'm five years older than her.
MERCY: It's really not that weird.

MCCREE: if thats what you believe

MERCY: SOMBRA, YOU'RE LIKE TEN YEARS OLDER THAN HANA!

SOMBRA: not in spirit

LUCIO: wut?
REINHARDT: STOP!
D.VA: ...
LUCIO: ...
SOMBRA: ...fine
LUCIO: well this has been a fun day
GENJI: i want to die
MCCREE: same
SOMBRA: dont be a baby
GENJI: that was literally inhumane
ANA: It really wasn't as bad as you made it out to be
TRACER: yeah i remember when she made you do the chicken dance for fourteen hours straight
GENJI: NEVER SPEAK OF IT
GENJI: I ALMOST CUT U ALL THAT DAY
MCCREE: i wasnt even there
GENJI: I DONT CARE
WINSTON: Compared to other things that have happened in the past, this really wasn't all that bad.
MERCY: It was certainly far less destructive than usual.
MCCREE: well you know what that means
LUCIO: time to destroy something
WINSTON: Stop it.
D.VA: i know a guy
D.VA: @JUNKRAT
D.VA: go crazy
JUNKRAT: MY WILDEST DREAMS HAVE COME TRUE
WINSTON: I SWEAR TO GOD!
D.VA: quick someone stop winston
SOMBRA: BOOP
WINSTON: Banana Banana Banana
ANA: YES
WINSTON: ...
LUCIO: *IM ABOUT TO PEE MYSELF*

REINHARDT: I don't even know why I'm surprised anymore.

MCCREE: we need to keep you on your toes

REINHARDT: I'd prefer if you didn't.

D.VA: too bad deal with it

GENJI: i wish death upon all of u

SOMBRA: take a number
trivia night goes horribly wrong

Yeah, I have no idea what the fuck this is.

D.VA: hey is everyone here?
GENJI: where else would we be?
MERCY: Besides the five of you, the rest of us actually have important things to do.
MCCREE: is constantly having sex with fareeha considered important now?
MERCY: Don't mock me.
MCCREE: wouldn't dream of it
WINSTON: I'm sure everyone's here.
WINSTON: Some probably just prefer not to contribute unless they have something to say.
D.VA: well i think i found a nice wholesome team bonding idea
76: Bullshit.
LUCIO: is wholesome even allowed here?
WINSTON: This sounds promising.
WINSTON: What's the idea, Hana?
D.VA: how about a trivia night?
ANA: Rip jesse
MCCREE: pls no
GENJI: why?
MERCY: Hey come on, Trivia's fun.
REINHARDT: Only when you don't have Jesse on your team.
MCCREE: hey
GENJI: jesse u know that u suck at trivia
MCCREE: okay but
76: I say what the hell?
76: Maybe it'll help boost morale a little bit.
LUCIO: is morale low?
76: Don't ask.

WINSTON: I think it could be fun.
WINSTON: Provided that everyone cooperates.

GENJI: dibs on picking teams

ANA: Absolutely the fuck not

GENJI: y tho?

ANA: U are never picking teams again
ANA: I dont need winston angela and mirembe carrying ur stupid ass to happen all over again

GENJI: to be fair mirembe isnt even here anymore
ANA: I dont care

WINSTON: I could ask Athena to randomly generate teams for us.
WINSTON: Granted that everyone wants to play.

D.VA: just assume that everyone is
D.VA: sombra and i will get everything set up just do the teams

DOOMFIST: Can I play?
D.VA: duh

MOIRA: And me?
MERCY: No.
D.VA: if you want
MOIRA: This should be fun.

GENJI: theres no possible way this can go wrong

[Is everyone ready?]  
TORBJORN: Against my will, but yes.
BRIGITTE: Lighten up.
TORBJORN: I could be getting so much work done right now.

D.VA: tough
D.VA: and btw why are we texting were all in the same room?

WINSTON: Doomfist and Moira aren't here.
WINSTON: Mei and Bastion are on a mission.
WINSTON: And it's just easier this way.

D.VA: isnt there a voice to text feature on here or no?
[Well, there is. It just hasn't been used in a very long time.]

D.VA: can we turn it on?

[I have specific orders not to.]
[No one was quite the same after the League of Legends incident.]

GENJI: **DO NOT EVER SPEAK OF IT**

MCCREE: **IT NEVER HAPPENED**

REINHARDT: **PLEASE DO NOT REMIND ME OF SUCH THINGS!**

[Exactly my point.]

D.VA: do you have any idea how annoying its going to be to text during this?

WINSTON: Athena, just for this, I think it's okay to enable the voice to text feature.

[If you say so.]

[VOICE TO CHAT] feature has been enabled.

D.VA: Haha yes.

D.VA: Ew, why is everything proper?

MCCREE: That's the way it usually is.

D.VA: Can we not?

[If it truly bothers everyone that much, I will edit the feature to adopt all of your texting habits.]

D.VA: nice

76: Can we just get on with this already?

ANA: What are the teams?

[I took the liberty of shuffling everyone into random teams.]
[If you'll all check your private messages, you will see the other members on your team.]

D.VA: this oughta be good

GENJI: why did u put me with my brother?

WINSTON: It was completely random, Genji.

LUCIO: one of these teams is ridiculously unfair

WIDOWMAKER: I disagree.
WIDOWMAKER: The rat's idiocy will cancel everything out.

JUNKRAT: HEY!

MCCREE: can someone check it for me i still cant get into my dms
SOMBRA: that's what you get for trying to slide into hanas

MCCREE: i was very drunk

SOMBRA: YOU'RE LIKE 20 YEARS OLDER THAN HER

MCCREE: once again
MCCREE: extremely drunk

MERCY: Here, Jesse.
MERCY:

MCCREE: ...
MCCREE: how the fuck did that happen?

[I can assure you, it was entirely random.]

D.VA: cant really help it now

76: I want to switch teams.

REINHARDT: Seconded.

MOIRA: Thirded.

D.VA: yeah me too

MCCREE: ...why are you all like this?

REINHARDT: Not our fault you're an idiot.

MCCREE: =I:(

GENJI: u actually
MOIRA: I can't believe you went there.

MCCREE: hey i got better

76: I really, highly doubt that.

MCCREE: guess you'll just have to wait and see partner

TORBJORN: Do I really need to participate in this?

D.VA: yes

WINSTON: I recommend that you do.

TORBJORN: Why?
TORBJORN: We all know this is going to turn into a shit show.

REINHARDT: It wouldn't be an Overwatch experience if it didn't.

WINSTON: Come on, Torbjorn.
WINSTON: Live a little.

TORBJORN: You are by far the least qualified person on this entire base to tell me that.

ANA: Just shut up and do it u fucking bitch

TORBJORN: ...
TORBJORN: Don't push me, Amari.

PHARAH: Is Emily even here to participate in this nonsense?

EMILY: What are you talking about?
EMILY: I love trivia!

LUCIO: there's like a hundred and ninety different things we could've done instead

MERCY: Yes, and I'm sure that more than half of those options would have been destructive, dangerous, or both.

D.VA: ...okay but

ORISA: Apologies.
ORISA: But why am I on the same team as Captain Doucheanoe?

DOOMFIST: Why is this happening?

[As I said. It was completely random.]

TRACER: better off just dealing with it!

D.VA: yeah if we switch the teams up again it'll be worse

DOOMFIST: How?

D.VA: trust me

LUCIO: yeah really just take her word for it here
LUCIO: you havent seen what ive seen

TRACER: is reyes even here?

REAPER: Unfortunately.

SOMBRA: aw come on gabe lighten up

REAPER: How can I lighten up?
REAPER: I still have the memories of the last time we did this burned into my skull.
REAPER: AND BECAUSE YOU WON'T STOP CALLING ME THAT!

SOMBRA: lol

WINSTON: Is everyone else here?

SOMBRA: yeah everyones online
SOMBRA: im sure theyll all respond when they feel the need

MCCREE: so how exactly are we going to do this?

[I'll ask a question to one team. They will have fifteen seconds to answer. If they get it right, they get a point. If they are wrong, the first team to hit their buzzer gets a chance to steal the point. First team to thirty points will be crowned the winner.]

GENJI: rules?

D.VA: lmao what rules?

LUCIO: okay just one rule
LUCIO: sombra
LUCIO: NO CHEATING

SOMBRA: okay fine
SOMBRA: ill humor you just this once

REINHARDT: Thirty seems a little high.

MERCY: At least it's not 250 this time.

ANA: That game took like nine hours

TRACER: blame gerard

MCCREE: that fucking frenchman was having way too much fun
76: Well, it wasn’t often that he really had a chance to enjoy himself.

ANA: He literally answered every single question
ANA: The teams shouldve been everyone against gerard

MCCREE: we still wouldve lost

REINHARDT: I agree.

D.VA: can we start?
TRACER: theres still time to back out

D.VA: nope

ANA: Just fucking start it before i change my mind

[Okay. Team 1, you'll go first.]

MCCREE: ...is that us?

76: For fuck's sake.

MOIRA: Just ignore Jesse.
MOIRA: Ask the question.

GENJI: please make it easy

REINHARDT: It's the first question.
REINHARDT: Of course it'll be easy.

[Before I ask the question, I need to remind everyone that they need to elect one spokesperson to answer the questions.]

ANA: Why?

[Just because it's easier. I don't need fifteen different people shouting out different answers. It'll just cause more confusion.]

PHARAH: Is that really necessary?

MERCY: Yes, it is.
MERCY: The last time we did this no one could understand what anyone else was saying.

GENJI: okay but what are u going to do if we dont?

[I will administer a powerful electric shock through the tracking chips in each of your Identification bracelets.]

GENJI: ...

MCCREE: ...

D.VA: ...

LUCIO: youre bluffing

[I can assure you that I'm not.]

76: Care to test the theory?

LUCIO: ...
LUCIO: honestly kinda
LUCIO: OWWWW WHAT THE FCUCKKCF

[Believe me now?]
LUCIO: THAT REALLY FUCKING HURT!

[It was supposed to.]
[Anymore questions?]

LUCIO: not at the moment

TORBJORN: Just get on with it.

[Wonderful.]
[Team 1, who was the author responsible for writing the book, "The Great Gatsby?"]

MERCY: Oh come on.

WINSTON: It's the first question, Angela.

MCCREE: IS IT...

MOIRA: NO!
MOIRA: SHUT YOUR FUCKING MOUTH!
MOIRA: YOU'RE NOT ALLOWED TO TALK!

MCCREE: BUT I KNOW IT

REINHARDT: DON'T CARE!
REINHARDT: YOU CAN'T ANSWER!

MCCREE: BUT WHY?

REINHARDT: IT'S FOR THE GOOD OF THE TEAM!

GENJI: ITS STEPHEN KING
GENJI: OWWWW

ANA: ITS NOT EVEN UR FUCKING TURN

GENJI: I HAVE A PROBLEM

WINSTON: This needs to stop.

[Allow me.]

GENJI: FUCK JLDEGNHASLJG

LUCIO: NO MAKE IT STOP

TRACER: I LITERALLY DIDNT EVEN DO ANYTHING

REAPER: All of you, shut the fuck up.

[Are you finished?]

GENJI: i guess

[Lovely. Now, Team 1, your answer?]
REINHARDT: F. Scott Fitzgerald.

[Correct. One point for Team 1.]
[Team 2, it's your turn.]

ANA: Were changing our team name athena

GENJI: we are?

ANA: YES WE ARE

HANZO: I refuse to be a part of something so idiotic.

ANA: Too late ur here now stfu
ANA: Were changing our name to the poonslayers 3.0

D.VA: lmao

TRACER: 3.0?
TRACER: what happened to the first two incarnations?

ANA: DO NOT ASK QUESTIONS U ARENT PREPARED TO KNOW THE ANSWER TO

HANZO: Can we not?

ANA: Im team captain
ANA: What i say goes

HANZO: I didn't agree to this.

ANA: U also didnt want to play so u dont get a vote

GENJI: i want to take this case to court

ANA: U would lose

DOOMFIST: Can the three of you stop?
DOOMFIST: I'd like to get this done as quickly as possible.

[Are you done?]

ANA: I guess for now

[...Okay then.]

[Team Poonslayers 3.0, who was the 16th President of the United States?]

GENJI: bill cosby

ANA: GENJI U FUCK

GENJI: HOW THE FUCK DO I TAKE THIS BRACELET OFF?

MERCY: You don't.
MERCY: You take the pain and deal with the consequences.

[Bill Cosby is the wrong answer.]
MEI: Abraham Lincoln.

[Correct. Team 4 receives one point.]

ANA: I WANT TO MAKE A MOTION FOR APPEAL

[Understood.]

[Motion for appeal denied. Get back to the game.]

ANA: U STUPID FUCKING COMPUTER

ROADHOG: why am i actually here?

SOMBRA: we needed even teams

MCCREE: wtf do you mean?
MCCREE: these teams arent even two of them have six players

BRIGITTE: Wow, congrats Jesse.
BRIGITTE: You can count better than most two year olds.

MCCREE: fuck you

[Team 3, you're up next.]

[What famous singer gave Marilyn Monroe a poodle named Mafia?]

GENJI: um who the fuck cares?

MCCREE: you know if you want to stop getting zapped just shut up

GENJI: I FUCKING HATE MY LIFE

TRACER: why is this our question?

BRIGITTE: Yeah really.
BRIGITTE: And they got Abraham Lincoln?

[I'm picking randomly generated Trivia Questions online. The selection is random.]

SOMBRA: sure it is

BRIGITTE: Anyone know?

ZARYA: I am here against my will.
ZARYA: I refuse to cooperate.

D.VA: baby

ZARYA: I will kill you.

MERCY: Reyes, do you know?

REAPER: Why the fuck would I know?
MERCY: Because I know that Lena and Sombra won't.
MERCY: And Zarya just said that she's not helping.
MERCY: You're the only other one I can ask.

REAPER: ...
REAPER: Justin Timberlake.

[Incorrect.]

GENJI: justin timberlake?
MCCREE: are you fucking serious?
76: Marilyn Monroe died before Justin Timberlake was even born.

REAPER: She asked for an answer.
MERCY: I was hoping it would be the right one.
REAPER: You expected too much of me.

[Team 5, you hit the buzzer first.]

WIDOWMAKER: We did?
SYMMETRA: Who hit the buzzer?
JUNKRAT: I DID
WINSTON: Why?
JUNKRAT: ...I ACTUALLY KNOW THE ANSWER
MCCREE: bullshit
76: I'll believe it when I see it.
JUNKRAT: ...
WIDOWMAKER: Well?
PHARAH: The world is watching.
JUNKRAT: ...FRANK SINATRA

[Correct. Team 5 gets one point.]

GENJI: hi excuse me what the fuck?
MCCREE: ...how?
WIDOWMAKER: I just...
WIDOWMAKER: I'm honestly speechless.
D.VA: IM SORRY WHY THE FUCK DO YOU KNOW THAT?
JUNKRAT: I DON'T REALLY KNOW
JUNKRAT: I THINK I HEARD IT SOMEWHERE

MOIRA: ...
ANA: ...
BRIGITTE: ...

GENJI: we might be ultra fucked here
76: Might be?

[Team 4, it's your turn.]
[December 7th, 1941, is significant for what reason?]

TORBJORN: It was the day I should've ended my miserable existance.

BRIGITTE: ...
TRACER: ...
ANA: Wow

[That's incorrect.]
TORBJORN: Is it though?

[...]
[Personal issues aside, Team 1 hit the buzzer first.]

GENJI: fucking bullshit

MCCREE: PEARL HARBOR

76: JESSE YOU FUCK
76: WAIT NO YOU'RE ACTUALLY RIGHT.
76: I'LL ALLOW IT THIS ONCE.

MCCREE: THANKS

[Correct. Team 1 earns their second point.]
[Team 5, in what battle did George Armstrong Custer die in?]

LUCIO: his last one
LUCIO: FUCKING OW STOP

[Quiet down and I will have no reason to shock you.]
LUCIO: THIS BRACELET IS MADE OUT OF PLASTIC HOW ARE YOU EVEN?

[It's a secret.]
ANA: i mean hes technically not wrong
WINSTON: Technicalities don't count.
JUNKRAT: LITTLE BIGHORN

[Correct. Team 5 has earned their second point.]

WIDOWMAKER: I...
WIDOWMAKER: I just...
WIDOWMAKER: What?

MCCREE: WHO THE FUCK IS THIS GUY?

TRACER: I DON'T UNDERSTAND HOW THIS IS HAPPENING!

ROADHOG: the rat actually knows his shit
ROADHOG: he used to read a lot when he wasn't busy blowing stuff up

BRIGITTE: He can read?

JUNKRAT: HEY

[Team 1, it's your turn again.]

[Tom Brady is one of two players in NFL History with 5 Super Bowl rings. Name the other.]

GENJI: that one guy
GENJI: FUCKING

ANA: GENJI SHUT THE FUCK UP

GENJI: NO
GENJI: IM GETTING THIS SHIT OFF

MERCY: Good luck.
MERCY: It's not as easy as you think.

GENJI: I CANT GET THE BRACELET OFF
GENJI: IM GOING WITH THE NEXT BEST THING

LUCIO: which is?

MCCREE: GENJI STOP

GENJI: CANT STOP WONT STOP

MERCY: I'm not building you another arm.

GENJI: ITS OKAY IM RIGHT HANDED

WINSTON: Genji...

GENJI: LOOK AT WHAT U MADE ME DO

ANA: ONE MORE TAYLOR SWIFT REFERENCE AND U ALL DIE

REINHARDT: STOP BEING ANGRY AND JUST...
REINHARDT: SHAKE IT OFF!

REINHARDT: BRING IT!
D.VA: ANA NO PUT DOWN THE FLAMETHROWER

76: **GOD FUCKING DAMN YOU IDIOTS!**

EMILY: Is...
EMILY: Is the game over?

BRIGITTE: We have more to worry about than that.
BRIGITTE: Is anyone still alive?

LUCIO: help

SYMMETRA: What even is Overwatch?

WINSTON: A mistake.
WINSTON: Nothing but a mistake.

EMILY: I was having fun though.

TORBJORN: This was bound to happen.
TORBJORN: At least now I have an excuse to leave.

MEI: I've never been happier to be on a mission.

ZARYA: Take me with you next time.

WINSTON: Me too.

PHARAH: Just take us all and leave Jesse, Genji, and my mother.

MCCREE: hey i seriously didnt even do anything this time

GENJI: THIS IS WHAT HAPPENS!

MERCY: DO YOU HAVE ANY IDEA HOW EXPENSIVE NEW ARMS ARE?

GENJI: NOT AS EXPENSIVE AS MY SANITY!

WINSTON: Why are you like this?

GENJI: its fine i like having one arm

WINSTON: ...
WINSTON: I legitimately can't tell if you're being sarcastic or not.

GENJI: honestly me either
GENJI: that game destroyed my mental state

JUNKRAT: ...THE ANSWER WAS CHARLES HALEY

[The game is over, Agent Fawkes.]
[Although, you are still correct.]
D.VA: WHAT THE FUCK?
MCCREE: TEACH ME YOUR WAYS
JUNKRAT: HAHA ILL TRY MATES
ZENYATTA: If I'm being honest, that really could have gone worse.
WIDOWMAKER: Ever the optimist.
ZENYATTA: It's all part of being one with the Iris.
SYMMETRA: Is that what you call it?
ZENYATTA: Yes, it is.
DOOMFIST: Why can't even a simple game end without someone getting hurt?
MOIRA: Since when do you care?
DOOMFIST: I don't.
DOOMFIST: I'm just asking a serious question.
WINSTON: If I had an answer for you, I'd say it.
REINHARDT: ANA, I HAVE POWER ARMOR ON.
REINHARDT: PLEASE STOP TRYING TO HIT ME!
ANA: NO
ANA: ONE TAYLOR SWIFT REFERENCE TOO MANY
ANA: ILL FUCK U UP
REINHARDT: YOU MAY KEEP TRYING, IF IT MAKES YOU FEEL BETTER.
ANA: IT WILL WHEN UR DEAD
SOMBRA: arent they supposed to be dating?
PHARAH: This is how they show their love.
PHARAH: As unorthodox as they may be.
MCCREE: why cant we ever just have a normal game?
MEI: Because this is Overwatch.
BRIGITTE: Nothing ever goes right here.
GENJI: wait so who won?
MERCY: Not you.
MERCY: Definitely not you.
GENJI: disagree
WINSTON: There's no winners here.
WINSTON: There never is anymore.
BRIGITTE: Baby.

TRACER: come on that was kinda fun!

MERCY: Depends on your definition of fun.

76: I'm going back to being a vigilante.

SOMBRA: how about you stop talking and do it?

76: Fuck you.

WIDOWMAKER: Is no one else even remotely confused over Junkrat's trivia knowledge?

MOIRA: I think it's better to ignore.

JUNKRAT: I TOLD YA I READ A LOT

WIDOWMAKER: That explains nothing.

LUCIO: is no one going to help me?

GENJI: u heal
GENJI: help urself

REINHARDT: WHAT THE FUCK IS THAT?

ANA: GENJIS ARM
ANA: IM GONNA BEAT U WITH IT

REINHARDT: WAIT A SECOND!

ANA: IM NOT WAITING ANYMORE

WINSTON: The two of you, stop it!

ANA: TAKE UR MEDICINE

REINHARDT: PLEASE NO!
I legitimately have no idea why I have so much fun writing this shit. I'm cracking myself up and I'm the one who wrote it. I guess that's a good thing?

D.VA: hey i have a question
LUCIO: hit me
MCCREE: it is three o'clock in the fucking morning
D.VA: ...and?
LUCIO: yeah what were you trying to sleep or something?
MCCREE: kind of yeah
LUCIO: lol why?
MCCREE: cause im tired?
D.VA: is this what its like to be old?
MCCREE: im 37
D.VA: which is almost 20 years older than i am
ANA: No its not like that
ANA: Jesses just a punk bitch
MCCREE: WOW
REINHARDT: Us older folk don't sleep.
76: Is this why the two of you are always so cranky during missions?
REINHARDT: ...No.
ANA: Yeah were only cranky because ur dragging us out on pointless missions
76: How is rescuing the Prime Minister of Australia pointless?
ANA: Because he sucks
ANA: And besides why does it matter if someone was threatening to kill him?
ANA: Hes from australia
ANA: Everything theres already trying to kill him anyway
LUCIO: shes not wrong
MERCY: Have you ever actually been to Australia?

ANA: Uh duh
ANA: Im the one who grabbed that fucker out of the river

TRACER: wait when did this happen?

REINHARDT: Last week.

GENJI: is that why u all ran out in a hurry?

ANA: Possibly

TRACER: YOU SAID YOU WERE BUYING CUPCAKES!

REINHARDT: WE LIED!

ANA: Thats ur fault for believing us

GENJI: yeah honestly lena who buys cupcakes at 10 pm?

LUCIO: you and i both know thats not the weirdest thing weve done at 10pm

REINHARDT: We all remember Jesse's late night golfing trip.

MCCREE: I DONT NEED THIS IM TRYING TO SLEEP

D.VA: you seriously went out on a mission in the dead of night without the rest of us?

76: This mission was extremely important because a world leader was in danger.
76: The last thing I needed was you shitheads fucking everything up.

LUCIO: hey

TRACER: im not a shithead!

D.VA: shitheads a mean word

76: Ask me if I care.

GENJI: do u?

76: Not even a little bit.

GENJI: nice

D.VA: wait who even took him?

LUCIO: i bet it was talon

DOOMFIST: You guessed correctly.

GENJI: y tho?
GENJI: i thought we were friends?

DOOMFIST: While I detest being labeled as a friend of any of yours.
DOOMFIST: It wasn't my call.
TRACER: whos was it then?

MOIRA: The Board made the decision.
MOIRA: With input from Gabe.

REAPER: STOP! CALLING! ME! THAT!

MOIRA: No.

D.VA: why do it though?
D.VA: i thought you all said you were done causing problems.

REAPER: I have never, under any circumstances, said that.

ANA: We weren't even ready for u and u still lost
ANA: Sucks to suck

REAPER: We would have just assassinated him outright.
REAPER: But someone decided that working for the enemy would be better.

WIDOWMAKER: I hope you're not referring to me.

REAPER: Believe it or not, I was.

WIDOWMAKER: I don't take orders from you.

DOOMFIST: No one does.

MOIRA: We just pretend to so his feelings don't get hurt.

SOMBRA: yeah hes really sensitive

REAPER: I FUCKING HATE YOU ALL!

SOMBRA: see?

MERCY: Literally any other time would be a better time for this pointless discussion.

ANA: U say pointless i say team bonding

MERCY: From what I remember, you're the last person who's ever wanted to be a part of team bonding.

ANA: shut the hell ur mouth

REINHARDT: Remember when she rigged explosives to her door so that no one could bother her?

76: How could I forget?
76: I had to hold Williams down while Angela sewed his arm back on.

ANA: I told all of u in advance to fuck right off

GENJI: apparently williams wanted to test u

ANA: And he deserved everything he got
MERCY: He spent over two years in rehabilitation.

ANA: Better than being dead

GENJI: i disagree

HANZO: IT IS 3:38 IN THE MORNING!
HANZO: I'M TRYING TO FUCKING SLEEP!
HANZO: WHY ARE YOU ALL UP?

ANA: I honestly dont even remember
ANA: But i was up anyway

LUCIO: i think this started because hana had a question

D.VA: i did

DOOMFIST: Is that what started this?

REINHARDT: Things have a tendency to get off topic very quickly here.

MOIRA: So I've noticed.

HANZO: ALL OF YOU, QUIET!

LUCIO: just turn your phone off its not hard

HANZO: FUCK YOU!

MCCREE: WHAT HE SAID

HANZO: FUCK YOU TOO!

MCCREE: I DIDNT EVEN DO ANYTHING

HANZO: THAT'S WHAT YOU THINK!

76: Please just ask the fucking question.

D.VA: is that an order?
D.VA: cause last i remember youre not our commander anymore

76: For fuck's sake.

LUCIO: HA

GENJI: out with it hana

D.VA: okay okay

MERCY: This better be good.

D.VA: why does the fridge have a light but the freezer doesn't?

76: I am in absolute disbelief.

DOOMFIST: I don't even know why I'm shocked anymore.
DOOMFIST: And I'm not even part of this team.

MOIRA: It does leave you wondering though.

D.VA: right?

TRACER: im gonna be thinking about this for like the next two weeks you dont even understand!

GENJI: can we like not keep yelling?

BRIGHTTE: I'M VOICING MY FRUSTRATION!

WINSTON: I'll ask again.
WINSTON: What is happening here?

D.VA: i asked a question and i think it got out of hand

PHARAH: You think?

MEI: What question could possibly trigger such a reaction?

D.VA: why does the fridge have lights but the freezer doesn't?

MEI: ...

BRIGHTTE: Are you absolutely kidding me?

PHARAH: You woke me up for this?

D.VA: dont pretend that you and angela werent just netflix and chilling all night

MERCY: WHY DO YOU ALL KNOW THESE THINGS?

D.VA: I CAN HEAR YOU
D.VA: IT SOUNDS LIKE WE HAVE A RIVER FLOWING THROUGH BASE

BRIGHTTE: Ew.

LUCIO: STOP

WINSTON: Surely we could have picked a better time for this.

REINHARDT: There's no time like the present.

HANZO: In the present, most of us are trying to sleep.

GENJI: bitch

HANZO: Prick.

GENJI: brother killer

HANZO: Least favorite son.

GENJI: WOW

HANZO: I'm going back to bed.

GENJI: SLEEP WITH ONE EYE OPEN

HANZO: I'll keep that in mind.
MEI: I'm joining Hanzo.
MEI: I'm too tired for this nonsense.

LUCIO: boo

REINHARDT: DON'T GO, WE NEED OPINIONS!

HANZO: My opinion is that you're all a bunch of fucking morons.

TRACER: that's not opinion that's just fact

REAPER: Don't insult morons like that.

ANA: Yeah at least the morons could probably beat us

REAPER: Listen here, you little shit.

MERCY: We are no closer to knowing this answer than we were an hour ago.

76: We should've just stopped caring about it.

LUCIO: you give us too much credit

76: Clearly.

TRACER: WAIT
TRACER: I JUST THOUGHT OF SOMETHING

PHARAH: Not again.

BRIGITTE: We don't need this it's like four in the morning.

TRACER: why is it called a tv set when there's only one?

REINHARDT: NOT AGAIN!

LUCIO: STOP DONT DO THIS TO ME

LUCIO: PLS

GENJI: CAN NOT COMPUTE

MOIRA: WHAT DOES WATER TASTE LIKE?

REINHARDT: REINHARDT.EXE HAS STOPPED WORKING!

D.VA: MY BRAIN IS MELTING

76: ...

MERCY: ...

BRIGITTE: ...

ANA: U know those are all pretty good questions

HANZO: Shut the fuck up.

-----------------------------------------------

MCCREE: morning yall what the fuck happened last night?

WINSTON: I...don't really know anymore.

ANA: Some shit

MCCREE: obviously

MCCREE: thers just a trail of destruction leading out into the courtyard

SOMBRA: moira kept freaking people out with her questions and eventually everyone just stopped working and destroyed things in confusion

76: Can we make it just one day without destroying something?

PHARAH: Keep dreaming.

BRIGITTE: I wanted to dream.

BRIGITTE: But instead I was forced to listen to this shit all night.

HANZO: I thought when the six of them left the chat it would at least stop.

HANZO: Nope.

HANZO: Genji came into my room and screamed at me through a megaphone.

ANA: OMG STOP

HANZO: My ears are still ringing.

ANA: LMAO THATS AMAZING
MERCY: They'll tire out eventually.
MERCY: I hope.

SOMBRA: I wouldn't bet on that
SOMBRA: Reinhardt just threw Genji into the water

WINSTON: Why?

MERCY: Genji's made of metal.
MERCY: He's going to sink.

HANZO: I think that was the point.

76: I can't believe this.

MCCREE: Believe it Jack
MCCREE: It's been happening for years at this point

76: I keep hoping that this is just some nightmare and eventually I'm going to wake up and be back in Dorado.

ANA: How was Dorado any better than this?

76: It was.
76: Don't ask.

WINSTON: Why are you all like this?

MERCY: Now that's a question that we really can't answer.

WINSTON: It shouldn't be.

MCCREE: What can I say?
MCCREE: We're a bunch of geniuses

WINSTON: You are all literally the exact opposite of geniuses.
BRIGITTE: Why is Lucio laughing so hard?

LUCIO: YOU DONT UNDERSTAND

ANA: I cant believe that i actually just saw that happen

MCCREE: what
MCCREE: in every sense of the word
MCCREE: the fuck

D.VA: DONT WORRY LUCIO IM LOSING IT TOO

76: What the hell happened?

MERCY: I just...
MERCY: I don't even know anymore.

MCCREE: genji made a really lame joke and when he tried to dab afterwards his arm broke off

SOMBRA: OMG STOP

GENJI: ITS NOT FUNNY
GENJI: I JUST GOT IT REATTACHED

REINHARDT: This is karma.

GENJI: STFU U LOVE THE DAB

REINHARDT: Not when you do it.

BRIGITTE: How does this even happen?

MERCY: I don't even know anymore.
MERCY: I want to switch locations.

MCCREE: you kinda cant
MCCREE: gibraltar is the only base we have

MERCY: Indifferent.

76: At this point, I'd rather just live in a shack in the woods rather than deal with all of you.

D.VA: well go ahead we wouldnt miss you

LUCIO: yeah fuck you jack

76: I'll kill you.

LUCIO: youd just be doing me a favor anyway

D.VA: dark af

LUCIO: honestly at this point in my life all i have to look forward to is death
DOOMFIST: Is there something you want to tell us?
LUCIO: I'm pretty sure I already did.
MCCREE: Well this chat just got mighty depressing.
BRIGITTE: It's kind of better than the alternative.
MOIRA: Don't be so sure.
GENJI: Well if you want to die I know a guy.
HANZO: Just stop.
ANA: Shut up and put your arm back on.
GENJI: I'm trying.
GENJI: Don't make fun of me.
BRIGITTE: That's literally all you're useful for.
GENJI: WOW.
TRACER: Hey I know how to make this happier.
WINSTON: If it involves guns, explosions, water balloons, or robotic beavers, it's not allowed.
TRACER: ...
MCCREE: That wasn't my fault.
76: What the fuck were you expecting to happen?
MCCREE: Literally anything else than what actually happened.
REINHARDT: Of all the things...
REINHARDT: Robotic beavers?
MCCREE: Just don't.
MOIRA: Wait, what's this about?
MCCREE: Nothing.
MOIRA: This is a story I want to know!
ANA: Sorry confidential information.
ANA: You need to be a member of Overwatch in order to learn it.
MOIRA: ...

REAPER: DON'T FUCKING DO IT.

MOIRA: I REALLY WANT TO KNOW, THOUGH!

REAPER: YOU LEAVE TALON, I'LL HUNT YOU DOWN AND KILL YOU MYSELF!

MOIRA: YES, BECAUSE THAT CLEARLY WORKED SO WELL WITH WIDOWMAKER!

REAPER: THAT'S DIFFERENT!

WIDOWMAKER: It is.
WIDOWMAKER: Unlike you, Gabe can't take me in a fight.

REAPER: STOP CALLING ME THAT!

76: Gabe knows how to fight.
76: You should've seen him in the Army.
76: He sent the Drill Sergeant to the infirmary.

REAPER: That's what he deserved for taking my tater tots.

76: I know.

WIDOWMAKER: Even so.
WIDOWMAKER: I was specifically trained to kill.
WIDOWMAKER: Gabe was not.

REAPER: STOP!

LUCIO: so why can jack say it and we cant?

TRACER: cause him and jack are in love duh?

76: We're not...

ANA: Save it
ANA: No one wants to hear it anymore

MCCREE: okay lena what was this big plan you had?

TRACER: movie night!

REINHARDT: Not again.

MERCY: Please don't make us suffer through this.
MERCY: I'm still trying to forget the last one happened.

MCCREE: come on that wasnt even our faults
MCCREE: liao did that completely on his own

REINHARDT: I did not ever need to see Liao wearing Borat's banana hammock.

GENJI: thats hot
MERCY: Uh, no.
MERCY: It was the exact opposite of hot.

REAPER: That image almost turned me straight on sight.

76: Gabe...
REAPER: Key word being, "Almost."

TRACER: ill pick a different movie!
MERCY: Like what?
TRACER: ummmmm
TRACER: avengers infinity war?
ANA: I thought we were trying to get rid of the depression
ANA: Thats only gonna make everything worse
MCCREE: i actually never saw that
GENJI: same
ANA: Its depressing af
PHARAH: You watched it like twelve times.
PHARAH: On repeat!
ANA: ...And ur point is?
TRACER: cmon itll be fun!
TRACER: even if its sad itll give us a chance to unwind!
WINSTON: Having you all unwind scares me almost as much as having you all wound up.
MERCY: I'm not interested, sorry.
MERCY: Plus, I know Genji isn't smart enough to reattach his arm.
GENJI: guilty as charged
GENJI: but i wanna see it so wait
LUCIO: ill come
D.VA: i got nothing better to do
TRACER: yay!
TRACER: ill go get it set up and you guys meet me in the common room in a half hour
MERCY: Make it forty minutes.
MERCY: Attaching this piece of shit takes time.
GENJI: hey be respectful to my arm
MERCY: No.
MERCY: Your arm has caused more pain and suffering than literally anything else on base.
GENJI: untrue

MERCY: Totally true.

GENJI: OKAY FINE

TRACER: ill get the popcorn!
TRACER: see you guys soon!

MCCREE: little one, its a simple calculus
MCCREE: the universe is finite, its resources, finite.
MCCREE: if life is left unchecked, life will cease to exist
MCCREE: it needs correcting
MCCREE: dread it
MCCREE: run from it
MCCREE: destiny still arrives
MCCREE:

GENJI: thats no fun

LUCIO: yeah really how boring would that be?

DOOMFIST: Just about as boring as sitting in this office.
LUCIO: lmao why are you sitting in an office?

DOOMFIST: We were supposed to have a meeting.
DOOMFIST: Apparently Moira and Reaper didn't get the message.

SOMBRA: yeah thats because i blocked them from receiving messages from the board

LUCIO: hey i wonder if itll still work if i do it

ROADHOG: why?
ROADHOG: how much more empty does this chat need to be?
LUCIO: im just curious

REINHARDT: Curiosity killed the cat.
REINHARDT: Or in this case, eliminated it from existence.

LUCIO: come on all it does is kick people out of the chat

REINHARDT: Are you sure?
REINHARDT: Maybe it's secretly doing exactly what it did in the movie.
REINHARDT: Maybe they're in the soul stone, begging for someone to save them.

LUCIO: ...

MCCREE: aw come on it was fun

ANA: It was even more fun when ur stupid ass removed urself

MCCREE: LISTEN
MCCREE: IT WAS RANDOM

GENJI: how different would that ending have been if thanos deleted himself?

D.VA: would he delete the infinity gauntlet with him?

LUCIO: could the soul stone disappear into itself?

TRACER: STOP!
TRACER: IM STILL RECOVERING FROM MY LAST BRAIN ANEURYSM

D.VA: the best way to fix an aneurysm is to have another one

LUCIO: yeah it cancels out like pemdas or some shit

MERCY: ...Did any of you actually go to school?

LUCIO: yes
LUCIO: no
LUCIO: kind of

SYMMETRA: So, no?

LUCIO: yeah no
LUCIO: i was too busy trying to survive after vishkar destroyed my home

SYMMETRA: Don't rope me in with all of them.

LUCIO: im just saying

SYMMETRA: Do you even know what PEMDAS is?

MCCREE: isnt it the scientific name for cervical cancer?

SYMMETRA: ...What?

MERCY: No.
MERCY: Not even close.

MCCREE: cant say im surprised
MCCREE: i grew up in a gang idk what you were expecting

GENJI: i went to school
GENJI: kinda

HANZO: We were homeschooled.
HANZO: Our father didn't want us associating with the normal people.

GENJI: plebs

HANZO: If that's what you want to call them, sure.

GENJI: fucking plebs

D.VA: wait so what's pemdas?

MERCY: None of you went to school at all?

D.VA: nope
D.VA: dropped out after middle school and started my streaming career
D.VA: and then started training for the meka stuff

SYMMENTRA: PEMDAS is something they teach in grade school.

D.VA: mustve missed that one

TRACER: i know what it is!
TRACER: isn't it the order of operations for math problems?

MERCY: ...Close enough.

GENJI: how is the word pemdas supposed to help me with math?

HANZO: Divine Intervention from God himself could not help you with Math.

GENJI: fuck u

SYMMENTRA: PEMDAS isn't a word.
SYMMENTRA: It's an acronym.

LUCIO: a what?

D.VA: does it do flips?

MERCY: ...What the fuck is wrong with you two?

LUCIO: more than you'll ever understand

SYMMENTRA: Acronym.
SYMMENTRA: Not acrobat, Hana.

D.VA: shit

76: Why exactly are we having a school lesson right now?

MCCREE: would you rather have us blow something up or destroy another part of the watchpoint?

76: ...Fair point.
76: I'll stop talking.

LUCIO: thank god

SYMMENTRA: An acronym is an abbreviation of a longer saying or organization using the initials of
the words used.

GENJI: can u give an example?

SYMMETRA: ...NASA.

GENJI: i see

LUCIO: WAIT
LUCIO: ISNT NASA JUST ONE WORD?

SYMMETRA: ...

MERCY: ...Seriously?

REINHARDT:

![You are literally too stupid to insult.]

LUCIO: HEY

D.VA: hahahaha

LUCIO: SO WHAT DOES NASA STAND FOR?

SYMMETRA: National Aeronautics and Space Administration.

LUCIO: ...
LUCIO: my entire life is a lie

BRIGITTE: Don't we all wish.

LUCIO: when did you get here?

BRIGITTE: I've been here.
BRIGITTE: I just haven't said anything because I'm still shook over the fact that none of you have a brain in your heads.

GENJI: my brain was destroyed when hanzo killed me

BRIGITTE: I can tell.

TRACER: haha rekted

BRIGITTE: The fact that Satya and Angela are actually trying to teach you is commendable.
BRIGITTE: Since the five of you are pretty much beyond saving at this point.

MCCREE: i thought we were friends
BRIGHTTE: We are.
BRIGHTTE: You're just a bunch of fucking idiots.

LUCIO: ill come back to this later
LUCIO: please keep teaching me

SYMMETRA: Where were we, again?

GENJI: pemdas

SYMMETRA: Right.
SYMMETRA: Okay, PEMDAS is the order of operation involving multi-step math problems.

MCCREE: aaaaaand you lost me
MCCREE: might as well just start speaking to me in mandarin since ill probably understand that before i understand math

SYMMETRA: Bear with me.
SYMMETRA: PEMDAS is an acronym for Parentheses Exponent Multiply Divide Add Subtract.
SYMMETRA: That's the order you need to do the problems when they appear.

D.VA: my brain hurts

SYMMETRA: Here, I'll give you a practice question.
SYMMETRA: (9x5)-4

LUCIO: 14
D.VA: -9

MCCREE: no one cares

GENJI: seconded

TRACER: is it 41?

SYMMETRA: Yes!

MERCY: Someone actually figured it out.
MERCY: Surprising.

MCCREE: come on lena isnt supposed to be smarter than me

TRACER: i actually took some classes you know!

D.VA: so where does the acronym come in?

SYMMETRA: There are multiple ways that you can remember the order of the words.
SYMMETRA: Some people like using silly mnemonics to help them remember.
SYMMETRA: The most popular being Please Excuse My Dear Aunt Sally.

LUCIO: i didnt know you had an aunt sally

SYMMETRA: ...I legitimately can not tell if you're joking or not.

BRIGHTTE: Just trust me.
BRIGITTE: He's serious.

LUCIO: ...OH
LUCIO: OH I GET IT NOW
LUCIO: IGNORE ME

MERCY: I was planning to.

D.VA: so is that what everyone uses to remember?

SYMMETRA: I think it's the most common one.
SYMMETRA: You're allowed to make your own if it helps you remember better.

MCCREE: Penis Everyday Makes Doctors Asses Sweat

TRACER: BWHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAH

LUCIO: HOLY FUCKING SHIT IM CRYING

GENJI: JESSE U FUCKING LEGEND OMG

REINHARDT: Should've known someone would ruin it.

MCCREE: thats what im here for

ANA: I cant believe that u literally wasted ten minutes trying to teach these idiots math

SYMMETRA: Their curiosity encouraged me.
SYMMETRA: I thought they genuinely wanted to learn.

MERCY: Ha.

BRIGITTE: It's the thought that counts.

LUCIO: i mean
LUCIO: if nothing else
LUCIO: i learned that nasa wasnt a real word
LUCIO: its actually an acrobat

SYMMETRA: Acronym...

LUCIO: ...oh

D.VA: dumbass

LUCIO: fuck you

REINHARDT: Good to see that we've accomplished nothing.

WINSTON: As per the usual.

PHARAH: I feel like I just read the plot for a really bad comedy movie.

ANA: Starring adam sandler

REINHARDT: LEAVE ADAM OUT OF THIS!
REINHARDT: I THINK ADAM SANDLER IS A GENIUS!
ANA: U and no one else

PHARAH: Don't insult Adam Sandler this way.
PHARAH: He's much better than any of these idiots.

LUCIO: LEAVE ME ALONE

PHARAH: I WILL NEVER FORGET WHAT I'VE SEEN HERE TODAY!

LUCIO: YOU WONT REMEMBER IF YOURE DEAD

PHARAH: BRING IT PUSSY!

WINSTON: *STOP*

_______________________________________________________

MCCREE: can you not?

LUCIO: the risk i took was calculated
LUCIO: but man am i bad at math

PHARAH: I'll admit.
PHARAH: I'm impressed you even took a swing at me.

LUCIO: how did you counter so fast?

PHARAH: I'm military trained.
PHARAH: It's kind of second nature.

D.VA: you shouldve used pemdas

LUCIO: fuck your pemdas

MCCREE: maybe if you used it fareeha wouldnt have hurt you so bad

LUCIO: doubt it

PHARAH: Hey, you started it.

LUCIO: i dont learn from past mistakes

ANA: Duh

BRIGITTE: You're an idiot.

LUCIO: fuck you

BRIGITTE: Fight me.

LUCIO: i would but im still recovering from fareehas punch

BRIGITTE: You'd lose anyway.

LUCIO: i dont think so

GENJI: i do
LUCIO: i can and will kill you
GENJI: u most certainly cant
GENJI: but good luck
D.VA: lucios getting really ballsy now
MCCREE: thats because i poured four loko into his latte
REINHARDT: ...Why?
MCCREE: idk
MCCREE: just felt like a cool thing to do at the time
LUCIO: that explains why i can smell colors
D.VA: ...what?
LUCIO: i cant explain it
ANA: Should we be worried?
MERCY: Although Four Loko is highly unhealthy, one drink should be okay.
MCCREE: it was more like six
MERCY: ...
MERCY: Where did you even get it?
MCCREE: places
SYMMETRA: Well, stop giving it to people.
MCCREE: its mainly for me
MCCREE: i just hate that flavor
WINSTON: We have a very strict policy on food and drinks that we allow into the Watchpoint.
MCCREE: you can take it away
MCCREE: if you can find it
MCCREE: which you cant so dont worry about it
D.VA: hell survive
D.VA: hes been through worse
LUCIO: i think the rush is kicking in
TRACER: now?
TRACER: its been like two hours
LUCIO: dont know why
GENJI: prob cause ur an idiot
LUCIO: FUCK YOU
GENJI: SUCK MY DICK
LUCIO: DONT FUCK WITH ME
LUCIO: I HAVE THE POWER OF GOD AND ANIME ON MY SIDE
LUCIO: HYAAAAAAAA

TRACER: im crying

REINHARDT: LUCIO, YOU DO NOT UNDERSTAND HOW MUCH I LOVE YOU!

WINSTON: Can we go back to teaching them about math?

SYMMENTRA: If I had the mental stability to do so, maybe.

MCCREE: we literally just survived the balancing of the universe and the two of them are still going to try and kill each other

ANA: Just another day at the watchpoint

MERCY: This shouldn't be the norm.

ANA: Well it is
ANA: So deal with it
i dont even know what the fuck is going on anymore

MORRISON: Halloween was almost a year ago.

TRACER: its still good!
REYES: I literally saw you put a green chocolate bar in your mouth.

ANA: Does this honestly surprise u?
REYES: Not really.

LIAO: COMMIE!

REINHARDT: IF YOU HAVE AN ISSUE, YOU CAN TALK IT OUT WITH MY HAMMER, BITCH BOY!

LIAO: ...im sorry

REINHARDT: YOU SHOULD BE!

KIMIKO: Isn't that candy like two years old?

LACROIX: That's what we were just arguing about.

MERCY: It's always arguing with you guys.
MERCY: Don't you ever have a happy conversation?

ANA: Yeah sometimes we talk about how much we all hate jesse

MCCREE: mcucking rude

GENJI: stop fucking doing that

MCCREE: haha no

GENJI: i hate u

MCCREE: join the club

REYES: Do you have any Kit-Kat bars?

REINHARDT: For you?
REINHARDT: Nope.

REYES: Why?

REINHARDT: I will not give you a Kit Kat so you can eat it the way you do.

REYES: I don't see what's so bad about it.

KIMIKO: The way you eat it is literally inhumane.

REYES: It's just a candy bar.

LIAO: if the public knew how you ate kit kats they would throw rocks at you every time you went out

REYES: You're all overreacting.

ANA: Are we tho?
GENJI: yeah its not our fault ur unholy
REYES: ...
MERCY: They're not wrong.
REYES: Now you're starting with me?
MERCY: It needed to be said.
REYES: ...Can I just have one?
TRACER: no!
REINHARDT: I'll save it for someone who's actually going to eat it properly.
REYES: THERE'S NOTHING WRONG WITH THE WAY I EAT KIT KATS!
MCCREE: i bet the un would disagree
ANA: yeah u could lose ur job over that u fucking nazi
REYES: I doubt it.
LACROIX: I don't.
LACROIX: People have been fired for less.
LACROIX: Like Roger.
MCCREE: fuck roger
KIMIKO: I'm not apologizing.
LACROIX: You should be ashamed of yourself.
KIMIKO: Key word there being, "Should."
REYES: I'm taking a Kit Kat.
REINHARDT: DO IT AND YOU DIE!
REINHARDT: VIOLENTLY!
REYES: BRING IT!

REINHARDT: COME BACK HERE!

WINSTON: What is happening here?
MORRISON: Don't ask.
ANA: Just accept
WINSTON: Accepting all of your idiocy is not an easy task.
REINHARDT: REYES, I SWEAR TO ALL THINGS HOLY!
REYES: I'M TAKING A BITE!
GENJI: NO
ANA: DONT FUCKING DARE
LIAO: I WILL FUCKING KILL YOU WITH YOUR OWN SHOTGUNS
REYES:

![Image of a broken bottle or vessel with a brown liquid spilling out.]

GENJI: DLKGJDGNDSJBHGKJLDHG
REINHARDT: HERETIC!

KIMIKO: I'm calling the Police.
LACROIX: Forget the Police.
LACROIX: I'm calling the National Guard.
ANA: Ill one up u both
ANA: Im calling every army in the world
MCCREE: im calling the omnics so they can just kill us all
WINSTON: I'm calling my superiors and having you all sent back to whatever caves you spawned in.
GENJI: damn that one hurt
MORRISON: You know.
MORRISON: I try not to disagree with your personal preferences.
MORRISON: But I have to admit that I'm deeply offended by this one.
ANA: stfu
MCCREE: yeah seriously you pour milk in before the cereal
MCCREE: youre not any better
MORRISON: That's not nearly as bad.
KIMIKO: Disagree.
MERCY: This is why the two of you are so perfect for one another.

LIAO: yeah youre both fucking awful human beings

REYES: Coming from the guy that killed a pony with a flamethrower.

LIAO: LISTEN

MIREMBE: In front of all the kids at the petting zoo.

LIAO: I DIDN'T KNOW IT WAS THERE

MERCY: That is not the point of this conversation at all.

WINSTON: Wait, when did this happen?

KIMIKO: WHAT THE FUCK WERE YOU DOING WITH A FLAMETHROWER AT A PETTING ZOO?

LIAO: STUFF

KIMIKO: NOT GOOD ENOUGH, LIAO!
KIMIKO: NOT GOOD ENOUGH!

LACROIX: I'm still holding out hope that one day you'll all start acting normal.

MIREMBE: Keep dreaming.

LACROIX: That's all I have at this point.

GENJI: that and amelies fine ass

TRACER: true

LACROIX: Could you not speak of my wife like that?

GENJI: hey man im giving u props
GENJI: not too many people can reel in a catch like that

LIAO: stop with the fishing analogies

GENJI: no

MORRISON: Have you ever even gone fishing?

GENJI: once
GENJI: i try to repress the memories of that day

MCCREE: why?
MCCREE: still mad that i had to pull you out of the creek?

GENJI: I WAS HANDLING IT JESSE!

MCCREE: it sure seemed that way when you sank to the bottom like a rock

GENJI: fuck u
LACROIX: While I'm flattered.
LACROIX: I would prefer that you didn't talk about my wife like that.

GENJI: okay one last question and then im done

MERCY: Please don't.

KIMIKO: Yeah really just stop.

GENJI: how many times a day does her ass ride ur face?

LACROIX: ...

[GENJI SHIMADA] has been removed from chatroom [I MAY LOOK OKAY BUT I ACTUALLY WANNA FUCKING DIE]

LIAO: IM FUCKING CRYING LAUGHING
LIAO: THERE ARE ACTUALLY TEARS STREAMING DOWN MY FACE
LIAO: SOMEONE SAVE ME

WINSTON: ...I can't say that he didn't deserve that.

MIREMBE: If you ask me, he deserves far worse.

MCCREE: not as worse as reyes deserves for the way he eats kit kats

REYES: Don't tempt me.

MCCREE: if you do it im coming to your room and strangling you with my bare fucking hands

REYES:

MCCREE: IM TRIGGERED

ANA: IM SUPER TRIGGERED

LIAO: I FUCKING HATE YOU

KIMIKO:
MCCREE: NO

ANA: STOP IT

LIAO: DONT MAKE IT WORSE DAMMIT
LIAO: ITS BAD ENOUGH AS IT IS

MORRISON:

REINHARDT:

MIREMBE: I feel like I need to bathe in Holy Water after witnessing this.

MERCY: All of the Holy Water in the universe will not cleanse this evil from us.
MCCREE: we can drown reyes in it
MCCREE: that'll be a start

REYES: Shut up.

TRACER: this sequence of events just made me so sad
TRACER: like i don't even want to eat my candy anymore

REYES: That's probably a good thing.
REYES: We don't need you throwing up all over the cockpit again.

TRACER: THAT WAS ONE TIME

MORRISON: Three times.

TRACER: WHATEVER

WINSTON: I don't even know what to say about this.

LIAO: say that jack and reyes are fired and then well all be a happy family again

MORRISON: You can't fire me.
MORRISON: The UN put me in charge.

KIMIKO: I'm sure they'd reconsider if they just saw what we all did.

MCCREE: genji had the right idea being thrown out

ANA: Agreed

MCCREE: hey gerard does amelie have implants in her ass?

ANA: Does it feel as majestic as it looks?

LIAO: have you put your dick in it?

[JESSE MCCREE] has been removed from chatroom [I MAY LOOK OKAY BUT I ACTUALLY WANNA FUCKING DIE]

[ANA AMARI] has been removed from chatroom [I MAY LOOK OKAY BUT I ACTUALLY WANNA FUCKING DIE]

[LIAO] has been removed from chatroom [I MAY LOOK OKAY BUT I ACTUALLY WANNA FUCKING DIE]

TRACER: i'm laughing so hard

MERCY: Why exactly is Gerard a moderator?

WINSTON: It seemed like a good idea at the time.

KIMIKO: That chat name has never been more relatable than it is right now.

REINHARDT: I can't believe I was forced to sit through this.

REYES: Don't pretend you didn't love it.
REINHARDT: Thank you, Gérard.

LACROIX: It was the least I could do.

KIMIKO: I think we need to seriously reconsider the people that we put in charge.

WINSTON: I think you all just need therapy.

MIREMBE: Not even therapy could save Overwatch at this point.
76: The Watchpoint is very quiet right now.
76: And that concerns me greatly.

WINSTON: I sent most of the team out on a mission.
WINSTON: Where there's no service.

MCCREE: I knew I made the right decision to not go

MERCY: Eating an entire tray of raw chicken to make yourself throw up in order to get out of it is not a smart decision at all.

MCCREE: You're just upset that you didn't think of it first

MERCY: I can assure you that I'm not.

ANA: How the fuck did u manage that?

WINSTON: Persuasion.

MCCREE: Oh bullshit
MCCREE: He said whoever made it there first wouldn't have to wash the dishes for a month

REINHARDT: So when they come back and start fighting, then what?

MCCREE: They ain't coming back for a while anyway

ANA: Why?

WINSTON: Satya and I might have programmed the Orca to return when everyone got off.

ANA: Wow winston is officially 285719% done with this bullshit

SYMMETRA: We needed a few hours of peace and quiet.
SYMMETRA: For once.

MERCY: Do you at least know where they are?
MERCY: So we can pick them up afterwards?

WINSTON: Not entirely.
WINSTON: We set the auto-pilot to land at a random destination.
WINSTON: We didn't see where.

MERCY: So, a group of our most irresponsible members are essentially abandoned in the middle of nowhere.
MERCY: We have no idea where they are.
MERCY: They have no cell phone service.
MERCY: And they have no way of getting back?

WINSTON: That's correct.
MERCY: ...

MCCREE: who are you and what have you done with winston?

WINSTON: This was the only way I could think of to get them out of my hair.

ANA: Honestly thats better than what i wouldve done
ANA: I prob wouldve just killed them

SYMMETRA: Ana...

ANA: Im obviously joking

REINHARDT: Are you though?

ANA: ...somewhat

MERCY: You're going to get them all killed.
MERCY: Or at least seriously injured.

WINSTON: It's under control.
WINSTON: I sent Zenyatta and Reyes with them.

ANA: why would u do that to them?

WINSTON: They volunteered.

MCCREE: zenyatta did
MCCREE: i seem to remember zarya manhandling reyes into the orca and then slamming the door

ZARYA: He sure talks big game for someone who is weaker than kitten.

76: YOU SENT REYES WITH THEM?
76: HE'S NOT EVEN PART OF THE TEAM!

WINSTON: I needed at least one responsible adult to go with them.

76: AND YOU COULDN'T PICK LITERALLY ANYONE ELSE?

WINSTON: You never would have agreed.
WINSTON: Reinhardt and Pharah and far too easily corrupted.

REINHARDT: Rude.

WINSTON: I can't trust Ana in any leadership position after the Steakhouse fiasco.

ANA: LOOK

WINSTON: Angela is needed on base.
WINSTON: Torbjorn doesn't leave the armory.
WINSTON: And I wasn't going to put Satya through that.

76: SO WHY DO IT TO REYES?

MCCREE: eh if anyone needs to be driven crazy hes the one that deserves it most

76: WHY NOT JUST SEND ZENYATTA?
WINSTON: Because, like Reinhardt, he's also easily corrupted.
WINSTON: Reyes was the only other option I had that I knew wasn't going to be persuaded by them.

BRIGITTE: Are you sure this was a good idea?
WINSTON: I guess time will tell.

DOOMFIST: I have no real idea how you managed to get Sombra to go along with this.
SYMMETRA: We tried to get Moira too.
SYMMETRA: Apparently, she saw right through it.

MOIRA: I'm not nearly as gullible as you all seem to think.
WIDOWMAKER: Did you see the puppies in the conference room?
MOIRA: WHERE???
MOIRA: ...
MOIRA: OH HAHA YOU’RE SO FUCKING FUNNY!

WIDOWMAKER: Just needed to prove a point.
MOIRA: I HATE YOU!
WIDOWMAKER: The feeling is mutual.
MERCY: So, what exactly are we going to do about this?
WINSTON: We'll cross that bridge when we come to it.
MCCREE: how much closer to it do we need to come?
WINSTON: I'll handle it.
MEI: I just caught up on this conversation.
MEI: Just why?
WINSTON: It was sort of an impulse thing.
MEI: You know...
MEI: I really don't hate it.
ROADHOG: is the rat with them?
WINSTON: Yes.
ROADHOG: nice
ROADHOG: maybe now i can actually get some sleep
BRIGITTE: Literally all I've seen you do is sleep.
ROADHOG: i havent slept recently
ROADHOG: the rat keeps barging into my room at ungodly hours of the night to show me prank videos
ANA: Haha im the one that got him hooked on those
ROADHOG: why are you the way you are?
ANA: Happens
PHARAH: So, who exactly went out on this little escapade?
WINSTON: The usual suspects.
PHARAH: That doesn't really help me narrow it down.
MCCREE: genji hana lucio lena and sombra
SYMMETRA: We tricked Junkrat into going with them.
SYMMETRA: And as you already know, Zenyatta and Reyes decided to go with them.
REINHARDT: Bastion?
WINSTON: He's still here.
BASTION: :D
SYMMETRA: I couldn't bring myself to send him with them.
SYMMETRA: He's so happy in the garden.
BASTION: :) 
BRIGITTE: What about Orisa?
BRIGITTE: And Emily?
SYMMETRA: Also still here. 
SYMMETRA: Orisa's still helping Torbjorn test new weapons in the Armory. 
SYMMETRA: Emily's around. 
SYMMETRA: Somewhere.
EMILY: Someone called?
MCCREE: just making sure you weren't dead
EMILY: Glad to hear that you care.
76: Why didn't you send her along?
EMILY: Send me along to what?
WINSTON: Have you met Emily?
WINSTON: What has she ever done that would justify doing that to her?
EMILY: Doing what?
MERCY: Winston tricked Lena and the other kids into going on a mission and leaving them there.
EMILY: ...She's not going to die, is she?
WINSTON: I don't think so.
WINSTON: She can handle herself.
MCCREE: i literally watched her struggle to zip up a bag of chips for like an hour and a half

WINSTON: ...She can handle herself well enough.

EMILY: As long as she comes back safe and sound, I'll let it slide.
EMILY: In the meantime...
EMILY: @WIDOWMAKER
EMILY: What would you say about a little alone time?
EMILY: ;)

WIDOWMAKER: I'll be there in five minutes.

EMILY: I'll be waiting.
EMILY: XOXOXO

WIDOWMAKER: <3

REINHARDT: Gay.

EMILY: Obviously.

WINSTON: See what I mean, Jack?

76: Okay fair.
76: But Reyes doesn't deserve that either.

MCCREE: honestly we should have just said fuck you and had zarya force the two of you on the orca

76: I sincerely doubt that she would be able to take the two of us.

MEI: I sincerely doubt that you would even pose a threat.

ZARYA: I'd be happy to challenge you in test of strength.

76: I'm going to turn that down.

ZARYA: Wise.

REINHARDT: So, what are we going to do about getting them all back?

WINSTON: We'll figure something out.

ANA: Right cause that worked so well the last time

SYMMETRA: Well, I think not having distractions on the base for a few hours is a blessing.

BRIGITTE: Wanna go get some lunch?

SYMMETRA: Of course!

PHARAH: @ANGELA
PHARAH: I've got some time to kill.

MERCY: I'll be right there!

MEI: @ZARYA
MEI: Care to come join me in the lab?
MEI: I have a few experiments I wanted to test out.

ZARYA: I shall be there soon.

WINSTON: STOP, THIS ISN'T PRIVATE MESSAGING!

PHARAH: It's not supposed to be.

MCCREE: is this what were doing now?
MCCREE: just using the time to fuck?

PHARAH: Pretty much.

BRIGITTE: You're just jealous that no one wants to fuck you.

MCCREE: incorrect
MCCREE: my anxiety fucks me daily

MOIRA: Mood though.

DOOMFIST: The things that happen in this chat never cease to amaze me.

ANA: That just means that were doing something right

REINHARDT: Is no one else concerned for the safety of our members?

MERCY: They'll be fine.
MERCY: Zenyatta's there.

ANA: Besides if they die we can just put up the recruitment server again
ANA: Im sure someone else will fill the void just as well

PHARAH: Maybe we can hire someone with more brain cells this time.

ANA: Nah
ANA: You cant have brain cells
ANA: Thats not allowed

WINSTON: Like I said.
WINSTON: We'll figure something out.

REINHARDT: We'd better.

[GENJI SHIMADA] opened chatroom [HEY WHERE THE FUCK ARE WE?]

[GENJI SHIMADA] added [HANA "D.VA" SONG], [SOMBRA], [LUCIO CORREIA DOS SANTOS], [LENA "TRACER" OXTON], [REAPER], [JUNKRAT], AND [TEKHARTHA ZENYATTA] to chatroom [HEY WHERE THE FUCK ARE WE?]

D.VA: FINALLY
D.VA: I HAVENT HAD SERVICE IN LIKE SIX HOURS
D.VA: I DONT KNOW HOW I SURVIVED
LUCIO: wait how the fuck did we get service all the sudden?

GENJI: i had angela install a mini cell tower in my head
GENJI: i am service

TRACER: are you enough service to call for help?

GENJI: uh
GENJI: about that
GENJI: i might have used most of it to watch abridged anime videos during missions...
GENJI: besides my range isnt that far
GENJI: prob only like a mile or two
GENJI: and by the way where the fuck are we?

TRACER: no idea
TRACER: i didnt see the coordinates before the orca flew away

D.VA: why did it fly away again?

SOMBRA: someone prob programmed it to return to base when it was emptied out

LUCIO: so youre saying that were trapped here?

SOMBRA: more or less
SOMBRA: at least until someone comes to get us

GENJI: which could probably take hours

TRACER: or days!

D.VA: or months

LUCIO: yeah okay i get it

JUNKRAT: HEY WHERE ARE ALL OF YOU?

GENJI: weve literally been sitting in the same exact spot for the past two hours

JUNKRAT: I DONT WHERE THAT IS
JUNKRAT: I WALKED AWAY TO USE THE LITTLE JUNKERS ROOM

SOMBRA: were sitting on top of a hill how is it possible that we cant see you?

JUNKRAT: I WALKED KINDA FAR

LUCIO: why?

JUNKRAT: I JUST TOLD YOU
JUNKRAT: I WAS LOOKING FOR THE BATHROOM

D.VA: were in the middle of the fucking mountains with no cell service where in the world do you think theres going to be a bathroom?

JUNKRAT: I WAS JUST LOOKING!
JUNKRAT: EVENTUALLY I JUST DECIDED TO DUCK BEHIND A TREE
SOMBRA: which tree?

JUNKRAT: IDK ITS A BROWN ONE
JUNKRAT: WITH GREEN LEAVES

LUCIO: *looks around*
LUCIO: *sees that every fucking tree in the area matches that description*
LUCIO: yup that definitely helped us narrow it down

JUNKRAT: SARCASM SOLVES NOTHING MATE
JUNKRAT: PLEASE COME FIND ME I DONT LIKE BEING LOST

SOMBRA: were sitting on a hill at the base of the mountain
SOMBRA: just walk that way

JUNKRAT: I HAVE ONE LEG I DONT KNOW HOW YOU EXPECT ME TO WALK ALL THE WAY OVER THERE

D.VA: you seemed to be just fine when you walked away

JUNKRAT: SHUT UP

SOMBRA: dont worry if you get tired well send one of the chaperones with you

REAPER: THERE IS NO REASON THAT I SHOULD BE HERE!

LUCIO: someone had to be in charge

REAPER: I DON'T EVEN WORK FOR OVERWATCH ANYMORE!

SOMBRA: dont lie
SOMBRA: i know how eager you were to come along

REAPER: YOU ALL SAW THE RUSSIAN FORCE ME INTO THE ORCA!

LUCIO: and you didnt just do that stupid phasing thing because why?

REAPER: SOMBRA HACKED ME!

SOMBRA: hahaha oops

TRACER: how exactly does that work again?

SOMBRA: a magician never tells

GENJI: at least its not all bad
GENJI: masters here with us

ZENYATTA: And I am delighted to spend time with you as well, Genji.

LUCIO: at least someones happy to be here

D.VA: i mean this place is kinda nice
D.VA: minus the lack of phone service and electricity

JUNKRAT: DONT FORGET LACK OF BATHROOMS
D.VA: that too

TRACER: so since we all got here at the same time does that mean none of us have to do the dishes for the next month?

REAPER: **If we're all stuck here, you should be grateful if you live that long.**

LUCIO: you say that like you have no idea how to live off the land

GENJI: he doesnt
GENJI: ive been camping with him

REAPER: **GENJI, SHUT YOUR MOUTH!**

GENJI: **I CAN NEVER SLEEP IN A TENT AGAIN**

REAPER: **I SAID I WAS SORRY!**

GENJI: **ITS NOT GOOD ENOUGH REYES**

ZENYATTA: Come now, the mountains are such a tranquil place.
ZENYATTA: We should be relaxing and embracing the serenity.

SOMBRA: at least until junkrat blows something up

JUNKRAT: **COME ON SOMBRA I DONT EVEN HAVE ANY EXPLOSIVES ON ME**

D.VA: you dont?

JUNKRAT: **THEY WERE ALL ON THE PLANE AND THEN IT FLEW AWAY SO IM PRETTY MUCH USELESS**

GENJI: ur pretty much useless anyway

JUNKRAT: RUDE

LUCIO: so what do we do now?

D.VA: depends
D.VA: we can just die
D.VA: we can at least try to find shelter
D.VA: or we can get our survivalist on and live off the land

GENJI: since when are u the survival expert?

D.VA: i played a vr game kinda like this
D.VA: i survived for seven years

TRACER: this isnt a video game hana!

D.VA: do you have a better idea?

REAPER: **I vote for dying.**

LUCIO: that didnt work too well for you the first time did it?
REAPER: **FUCK YOU!**

SOMBRA: well if were stuck here we might as well try to stay alive

JUNKRAT: I CAN MAKE A FIRE!

GENJI: shocker

ZENYATTA: There might be another alternative.

D.VA: which is?

ZENYATTA: I also come with a miniature cell tower installed.
ZENYATTA: If Genji and I managed to combine our signals, we may be able to send out a message to one of our team mates.

GENJI: thats kinda dangerous
GENJI: it could drain a lot out of us

ZENYATTA: We would only have enough power to send a single message.
ZENYATTA: I don't think we'd be able to make the signal that strong again.

D.VA: regardless
D.VA: would we still be able to use the phones?

ZENYATTA: Yes.

D.VA: lets do it

LUCIO: who do we send the message to then?

GENJI: try jesse

SOMBRA: um why?

GENJI: cause hes the only one that would actually listen to us

SOMBRA: ...fair

GENJI: and plus i need to chew him out for skipping this misery and making me go anyway

LUCIO: do that after he gets us

GENJI: i plan to

REAPER: **Who's going to send the message?**

D.VA: ill do it!

ZENYATTA: Very well.
ZENYATTA: Genji, if you will.

GENJI: k

ZENYATTA: Give us a few seconds, Miss Song.

D.VA: of course
GENJI: remember
GENJI: send him a clear message of what we need him to do
GENJI: anything too vague and he won't understand
GENJI: just get the point across

D.VA: yeah yeah i get it

ZENYATTA: Okay, do it now.

D.VA: lit

GENJI: sure
GENJI: until it just becomes a total fucking disaster

SOMBRA: cant wait
MERCY: Can we stop pretending that we don't have a huge problem here?

MCCREE: the only problem is that you're texting me in the middle of my nap

REINHARDT: It's 10 AM.
REINHARDT: You literally just woke up.

MCCREE: and now I'm going back to sleep
MCCREE: napping is important

HANZO: Is this what happens when no one is around to fuck things up with you?

MCCREE: basically
MCCREE: I become a model citizen when I'm alone and I'm very upset about it

76: Don't be.
76: You need to be this way more often.

MCCREE: I disagree

MERCY: Seriously, don't ignore me.
MERCY: Why do none of you want to help locate our missing members?

BRIGITTE: Are you kidding?
BRIGITTE: This is the calmest the base has been since before we got here.

WINSTON: She's honestly right.

ANA: Don't act like u care all of the sudden

MERCY: I do!
MERCY: This isn't a good thing!

SYMMETRA: I respectfully disagree.
SYMMETRA: This is actually very relaxing.

MERCY: IT SHOULDN'T BE RELAXING!
MERCY: SEVEN OF OUR MEMBERS ARE MISSING IN ACTION AND NONE OF YOU SEEM TO CARE!

ANA: is that a problem?

MERCY: ????
MERCY: YES!

MCCREE: nah I disagree

REINHARDT: Seconded.

76: Thirled.

SYMMETRA: Fourthed.

BRIGITTE: Fifthed.

WINSTON: Sixthed.

EMILY: Eighted.
ROADHOG: ninethed
DOOMFIST: Tenthed.

ANA: Come on theyre fine
ANA: Probably
MCCREE: i think you care too much
MERCY: Sorry that I actually worry for the well-being of our teammates.
ROADHOG: you didnt seem so worried when you went to fuck amari literally ten seconds after we learned they were missing
MERCY: THAT'S NOT IMPORTANT!
PHARAH: It was important to me.
MERCY: <3
PHARAH: <3
BRIGITTE: Gay.
HANZO: Very.
MERCY: Hanzo, your own brother is missing!
MERCY: Shouldn't you care a little bit?
HANZO: Not really.
HANZO: There's a reason why I killed him.
EMILY: Because he dishonored the Shimada name?
HANZO: Something like that.

MCCREE: lmao

REINHARDT: Honestly Angela.
REINHARDT: Calm down.
REINHARDT: I doubt they're in any real danger.

MERCY: Do you know that for sure?

REINHARDT: They have a crazy cyborg ninja, a girl who can jump through time, a maniac who could blow up half the world if he tried, the world's best hacker, two healers, and a girl who plays video games.

BRIGITTE: And then Reyes.

MCCREE: yeah fuck reyes

REINHARDT: I think they can take care of themselves for a little while.

MERCY: Why am I the only one who sees a problem with this?

ANA: Hindsight 2020

MERCY: What does that have to do with anything?

ANA: Idk
ANA: Felt like it fit

SYMMETRA: Even if we were all concerned.

HANZO: Which we're not.

SYMMETRA: It's not like we have any inkling of knowledge of their whereabouts.

ROADHOG: yeah we havent heard from them since they landed

MCCREE: false
MCCREE: i got a message from hana the other day but it pissed me off so much that i cursed her out

MERCY: Why didn't you say anything?
MERCY: We could trace the signal!

HANZO: I didn't realize that you were tech savvy all of the sudden.

MERCY: I was mostly talking about Winston or Satya.
MERCY: Or possibly Mei.

MEI: No.

SYMMETRA: It's not happening.

WINSTON: Sorry, I'm busy.

MERCY: Unbelievable.

MCCREE: just relax
MCCREE: everythings gonna work out in the end

DOOMFIST: Has anything ever worked out in the end for you?

MCCREE: depends
MCCREE: theyre all moral victories

DOOMFIST: So no?

MCCREE: yeah basically

76: Can we at least go get Reyes?
76: We can leave all the rest of them there.

HANZO: How about we get the rest of them and leave you there with Reyes?

76: No, that's a worse idea.

ANA: Idk i kinda like that one

REINHARDT: Or we could just drop Jack off, bring Zenyatta back, and let the rest of them live out the rest of their days in the wilderness.

MERCY: Absolutely none of these are good ideas.

ROADHOG: hey less time i have to deal with the rat the better

PHARAH: We should've done this a long time ago.

MERCY: We never should have done it in the first place.

MCCREE: whatever you say mom

MERCY: I'll cut you.

MCCREE: please no i have sensitive skin

WINSTON: We can talk about this later.

MERCY: How much is later?

WINSTON: I'll get back to you on that.

MERCY: Unbelievable.

ANA: Cant wait to see how this goes

REINHARDT: I predict that it goes just as well as we expect it to.

ANA: Nice

GENJI: thats what she said

TRACER: lmao!

LUCIO: NOT THE TIME

REAPER: Why are you all this way?

SOMBRA: happens
MCCREE: three weeks without an incident on base
MCCREE: and i've never been more bored

HANZO: This is a good thing.

MCCREE: if that's what you believe

MERCY: Are we any closer to tracking them down?

ANA: Well i tried to use the computer and i got really frustrated and starting whacking it with a pipe

WINSTON: Say what now?

SYMMETRA: There are ways to solve things without using violence.

ANA:

REINHARDT: I APPROVE OF THIS USAGE OF THIS MEME!

BRIGITTE: I DON'T!

ANA: DEAL WITH IT

MEI: Wouldn't it just be better if we presumed them dead?

MERCY: No, not really.

MEI: It's been over three weeks, Angela.
MEI: Without the slightest hint of contact.
MEI: And I don't think their survival expertise is enough to save them.

76: Reyes and I served together.
76: We were both trained in outdoor survival.

MCCREE: could've fooled me with how you behaved during our camping trip

76: Listen here, you little shit.

HANZO: Both of you, quiet.

WINSTON: I've been working on a way to trace the message that Hana sent to Jesse.

MERCY: Finally, somebody is taking initiative.
DOOMFIST: Can we not?
DOOMFIST: I've just gotten used to the chat being semi-normal.

76: You're not even supposed to be here.

DOOMFIST: And I feel the same way.
DOOMFIST: But now I'm so far in that I can't get myself out.

ANA: If we could just find a way to get rid of jesse all of our problems would be solved

MCCREE: hey

PHARAH: It is a little too bland here.

76: That's a good thing.

PHARAH: I don't know.
PHARAH: As annoying as they all may be, they definitely entertain me.

MOIRA: Seconded.

REINHARDT: Thirded.

MERCY: No one cares about your opinion.

REINHARDT: I beg to differ.

MERCY: I was talking to Moira.

MOIRA: Why though?

REINHARDT: I see.
REINHARDT: Carry on.

HANZO: I still think it's better that they're all gone.

WIDOWMAKER: I agree with Hanzo.
WIDOWMAKER: Except I want Lena back.

MCCREE: why is emily boring you already?

WIDOWMAKER: Far from it, actually.
WIDOWMAKER: I just find that most activities are more enjoyable in a group of three.

WINSTON: Stop.

EMILY: ;)

MERCY: No one's interested in your sex life.

WIDOWMAKER: We're all less interested in yours.

PHARAH: I thought we all agreed to keep our sex lives private.

WIDOWMAKER: We agreed on personal privacy.
WIDOWMAKER: That doesn't mean that I can't disclose details of my own sex life.
ANA: Can we like not?

WIDOWMAKER: Your daughter asked.

PHARAH: I don't think that's right.

MERCY: ...
MERCY: Back to the topic.
MERCY: Winston, how's the tracing going?

WINSTON: Slowly.
WINSTON: With such a poor signal, it'll take some time for them to be found.

BRIGITTE: If they're even still alive.

MCCREE: no dont say that

ROADHOG: honestly whatever
ROADHOG: alive or dead
ROADHOG: it matters very little to me

MEI: Wow, harsh.

ROADHOG: youve dealt with the rat just about as much as I have

MEI: ...Alright, fair.

WINSTON: Just give me a minute.
WINSTON: I have an idea.

ANA: Someone stop him

HANZO: I can summon the Dragons.

BRIGITTE: IF I SEE THOSE DRAGONS AGAIN...

HANZO: I gave you fair warning.

BRIGITTE: THAT DOESN'T MAKE IT OKAY!

HANZO: You know how playful they are.

BRIGITTE: IT TOOK ME SIX HOURS TO GET MY FLAIL BACK FROMThem!

HANZO: They just wanted to play fetch.

BRIGITTE: SEEMS MORE LIKE KEEP-AWAY TO ME!

SYMMETRA: Hanzo, I asked you to keep them away from us.

HANZO: There are nowhere near the two of you.
HANZO: Although I won't hesitate to send after you if I hear your late night escapades again.

SYMMETRA: DON'T!

HANZO: I was trying to sleep, Satya.
ANA: This conversation needs to stop

PHARAH: Jesse, where the fuck did you get those cookies?

MCCREE: i borrowed them from reinhardt

REINHARDT:

MCCREE: hey you said i could have one

REINHARDT: ONE!
REINHARDT: NOT THE WHOLE TRAY!

MCCREE: yeah but they were so good i couldn't just have one

REINHARDT: I don't believe this.

WINSTON: Angela, I think I found them.

ANA: No

BRIGITTE: Quick, someone destroy the computer.

MEI: I'm never going to make there in time.

ROADHOG: me either

MERCY: Where are they?

WINSTON: I've sent the coordinates to the Orca's piloting system.
WINSTON: We can go get them as soon as we're ready.

REINHARDT: We will never be ready for this again.

PHARAH: Can we just pretend that this isn't happening?

MOIRA: Do you even know if they're still alive?

MERCY: It doesn't matter.
MERCY: I can kind of revive them.

DOOMFIST: Not if they're in advanced stages of decay.
MERCY: Which one of us has the medical license here?

DOOMFIST: Well, it's either you or Moira.

MERCY: Which one of us has a legal medical license.

MOIRA: Hey!

DOOMFIST: ...Fine.

MERCY: Winston, I'm ready whenever you are.

WINSTON: I'll meet you there.

76: I'll be there too.

MCCREE: cant wait to suck reyes tongue out huh?

76: Shut the fuck up.

MCCREE: i need to see this

ANA: Take pics

MCCREE: gladly

MCCREE: more blackmail for the collection

76: I'll break your phone.

MCCREE: go ahead

MCCREE: every picture ive ever taken of you has been backed up to twenty hard drives and to the cloud so its not like ill lose anything

76: Why are you this way?

MCCREE: i was born like this

ANA: I believe it

WINSTON: Are you two coming or not?

MCCREE: hold your horses winston im coming

MEI: Don't you get airsick?

MCCREE: if im lucky ill get sick on jack

WINSTON: *Someone, please change the subject.*

[TORBJORN LINDHOLM] entered chatroom *[IF I SEE ONE MORE FUCKING BOWSETTE POST I'M GOING TO CASTRATE ALL OF YOU WITH A TOOTHBRUSH]*

TORBJORN: After the last time, I find it hard to believe you.

REAPER: **FUCK YOU!**

MCCREE: i havent seen torb in this chat in like six months

TORBJORN: I've been trying my damndest to avoid it.
TORBJORN: But it's pretty obvious that this is the only way to get through to you.
TORBJORN: Without violence, of course.

D.VA: idk it usually escalates to that regardless

TORBJORN: I'll ask one more time before I start throwing hands.
TORJBORN: What's with all the noise?

LUCIO: did he just say he would throw hands?

ANA: Hes serious

REINHARDT: He'll throw more than just hands.
REINHARDT: His hammer.
REINHARDT: Parts of his turrets.
REINHARDT: A couple grenades.
REINHARDT: Just answer the question.

TRACER: its the new member!

MERCY: What new member?

D.VA: lucio and i found him outside so were officially inducting him onto the team

76: You don't have the authority.
D.VA: yeah we do winston approved it

76: He what now?

WINSTON: I can explain.

MCCREE: you dont have to explain yourself to jack

GENJI: yeah really who does he think he is?

LUCIO: reapers wet dream subject

REAPER: I SWEAR TO FUCKING GOD!

ANA: Wait we have a new member and no one told me?

D.VA: yup

ANA: Im second in command i deserve to know these things

76: Your rank doesn't exist anymore.

ANA: No one told me this

TORBJORN: THE TWO OF YOU, QUIET!
TORBJORN: WHAT'S THIS ABOUT A NEW MEMBER?

LUCIO: here ill add him to the chat

TORBJORN: That's not what I meant.

[LUCIO] added [HAMMOND] to chatroom [IF I SEE ONE MORE FUCKING BOWSETTE POST I'M GOING TO CASTRATE ALL OF YOU WITH A TOOTHBRUSH]

MERCY: Who is this?

D.VA: its hammond cant you fucking read?

MERCY: I'll kill you.

76: I thought we all agreed that we weren't accepting new members.

MCCREE: cant say i remember agreeing to that

ANA: Yeah wait when did this happen?

WINSTON: Jack, there's more backstory here than I think you understand.

LUCIO: jack doesnt understand anything

GENJI: he understands how to suck the fun out of everything

76: Fuck you.

GENJI: sorry jack i dont swing that way
GENJI: besides what would reyes think?
TRACER: hed think that he has one more object to wank to

REAPER: CAN WE STOP THIS?

D.VA: haha no

TORBJORN: All of you, shut up.
TORBJORN: Hammond, explain yourself.

HAMMOND: Hello.

MERCY: Okay, who is this?

HAMMOND: I am Hammond.

REINHARDT: No shit, Sherlock.

ANA: Reinhardt be nice to the new guy
ANA: Its gonna take him some time to get used to this

HAMMOND: I'm very happy to meet all of you.

GENJI: why is he talking like a robot?

HAMMOND: I am a hamster.

D.VA: hes one of winstons friends from that base in the ocean or something

WINSTON: The Moon, but okay.

D.VA: yeah so hes kinda just here chilling

GENJI: so he can talk?

HAMMOND: Not exactly.
HAMMOND: I can read but I can't talk.
HAMMOND: I'm using a software to communicate with you all.

MCCREE: cool

MERCY: I'm sorry, I don't mean to be rude.

D.VA: but youll do it anyway

MERCY: Silence.
MERCY: But, how exactly did you get here?

HAMMOND: I responded to Hana's Craigslist ad.

TRACER: lol what?

76: I SAID YOU WEREN'T ALLOWED TO POST ANY OF THOSE AGAIN!

ANA: Yeah we saw what happened to that one kid

D.VA: THAT WAS ONE TIME
HAMMOND: I responded to it in an attempt to meet up with my old friend, Winston.

REAPER: **How the hell do you know Winston?**

LUCIO: jesus fucking christ we just spent twenty minutes explaining this where were you?

TRACER: wanking

REAPER: **STOP!**

PHARAH: Wait, how did you get off the moon?

HAMMOND: I attached a cable to the back of Winston's escape pod.

HAMMOND: Unfortunately, it snapped before we landed.

HAMMOND: I ended up landing somewhere near Junkertown.

MERCY: And you're still alive?

D.VA: thats the best part

HAMMOND: I quickly learned that the Junkers were not to be messed with.

HAMMOND: So, in order to gain their respect, I built a mech with the remnants of my escape pod and used it to fight in their death matches.

JUNKRAT: **YA SHOULDVE SEEN HIM HES SCARY GOOD**

ROADHOG: agreed

ROADHOG: we watched him from time to time

JUNKRAT: **UNTIL WE GOT THROWN OUT**

ROADHOG: yeah thanks for that

JUNKRAT: **NO PROBLEM MATE**

PHARAH: So, you decided to make a mech to fight with instead of just building yourself a way out?

HAMMOND: It's not that simple.

WINSTON: You could have at least built yourself a phone.

WINSTON: I would've come to get you.

HAMMOND: Alas, it's in the past.

HAMMOND: There's nothing we can do anymore.

TORBJORN: There's way too much backstory to this.

D.VA: hey i like seeing friends reunite

MCCREE: unless its jack and reyes

GENJI: yeah really fuck u two

ANA: They already did
ANA: If u get what im talking about

TORBJORN: (° 5°)
HAMMOND: (°_°)

REAPER: Not you too.

LUCIO: LMAO HAMMONDS ALREADY COOLER THAN REYES

HAMMOND: From what I can tell, that doesn't take much.

D.VA: He learns quickly

WINSTON: He is a genetically-modified hamster.
WINSTON: Learning is what he was made for.

HAMMOND: Precisely.

MEI: It's nice to meet you, Hammond.

HAMMOND: Same to you.
HAMMOND: I hope I get to meet all of you face to face very soon.

SYMMETRA: That should be fun.
SYMMETRA: You can join our weekly coffee sessions if you wish.

HAMMOND: I don't drink coffee.

HANZO: You don't need to.
HANZO: It just means that you're part of an exclusive club.

MCCREE: hey wait a second

GENJI: why does the hamster have better cred than we do?
GENJI: hes been here for like ten minutes

HANZO: We need to save him before he's totally corrupted.

D.VA: too late
D.VA: were racing around the base with his mech

TORBJORN: That's what all the noise is?

LUCIO: pretty much

TORBJORN: IF YOU BREAK ANYTHING...

D.VA: chill well be fine
D.VA: i think

TORBJORN: That doesn't reassure me.

LUCIO: its fine
LUCIO: as long as sombra doesnt hack me again

SOMBRA: im staying out of this one

D.VA: :(  

SOMBRA: sorry i dont need another incident like last time
REINHARDT: I said to stay away from my beach chair.

SOMBRA: it wasnt my fault

REINHARDT: It doesn't matter.

HAMMOND: Do these things happen often?

WINSTON: More than you think.
WINSTON: Just stay away from Hana, Lucio, and Genji and you'll be okay.

D.VA: hey

LUCIO: im offended

76: Good.

WINSTON: And, to a lesser extent, Jesse.

MCCREE: yeah im not gonna try to defend myself here

ANA: Smart

REINHARDT: At least Jesse has some sense.

MERCY: Don't give him that much credit.

HAMMOND: Which one is Jesse again?

PHARAH: The cowboy.

HAMMOND: Ah.
HAMMOND: Are cowboys still considered cool?

ANA: They were until jesse dressed up as one

MCCREE: mcfucking rude

HAMMOND: I notice that making fun of Jesse appears to be a trend.

GENJI: basically

HAMMOND: Am I required to do this in order to be accepted into your ranks?

ANA: Yes

WINSTON: No.
WINSTON Ana, stop.

HAMMOND: Very well then.
HAMMOND: Jesse, you are an ugly, obnoxious, immature, stupid, ignorant asshole who can't shoot for shit and is the least talented member of the team.
HAMMOND: And that getup looks absolutely ridiculous on you.

D.VA: OMG

TRACER: BWAHAHAHAHAHAHAHA
LUCIO: IM FUCKING CRYING

MCCREE: ME TOO
MCCREE: BUT FOR DIFFERENT REASONS

ANA: HAMMOND IS NOW THE COOLEST PERSON ON BASE DONT EVEN @ ME

WINSTON: Hammond...

HAMMOND: I'm sorry.
HAMMOND: I only used the expletives for dramatic purposes.
HAMMOND: I just want the team to accept me.

WINSTON: They would have respected you regardless.
WINSTON: There was no need to personally destroy Jesse.

ANA: Disagree

WINSTON: Quiet.

HAMMOND: I apologize Jesse.
HAMMOND: I hope we can still be friends.

MCCREE: ...i guess
MCCREE: but please never hurt me this way again

HAMMOND: Understood.

Chapter End Notes

Okay, time for some bad news. For the time being, this story is being put on a temporary hiatus (Don't worry, I'm not abandoning it.) These past few weeks have been absolutely crazy for me and it's just getting crazier as time goes on. There's a whole truckload of things that I need to do, and I'm going to be putting all of my focus onto those things. Because of that, this fic will be taking a back seat for the next month or so. I will be trying to write whenever I have time, but I don't anticipate any new chapters being posted during that time. Hopefully, I can power through all my personal stuff quickly and life can start getting back to normal. But, until then, I'm going to have to leave this where it is. I'm sorry for the inconvenience, and I'm very thankful for all your support. And you have my word, this story is NOT over. It's far from it, and I'm committed for the long haul. Thank you all so much for understanding, and I'll try to get back on this as soon as possible.
im back bitches!

Chapter Summary

Hey, I'm back! Did you miss me?

As an apology for being MIA for long, please enjoy this very long chapter with ultra condensed fuckery.

MERCY: What the fuck is happening?

ANA: Who knows at this point

SOMBRA: hana dressed up as a giant care bear and hid in genjis closet and when he walked into the room she jumped out at him

PHARAH: And she's still breathing?
GENJI: SHE WONT BE FOR MUCH LONGER
DOOMFIST: Every single day, I think that there's no possible way you can act any weirder.
DOOMFIST: And every single day, I'm proven wrong.

LUCIO: hey man thats more your fault than ours

TRACER: yeah you expect too much of us!

DOOMFIST: Clearly.

REAPER: Why are you even trying to make peace with them?
REAPER: They are our enemies!

SOMBRA: literally no one still buys into this enemy bullshit except for you and jack

ANA: Guess it makes sense that theyre fucking then

76: WE ARE NOT!

SOMBRA: dont make me send the footage from bowling night

76: ?????????????????
76: ARE YOU TELLING ME THAT YOU HAVE CAMERAS IN THE FUCKING SUPPLY CLOSETS NOW?

SOMBRA: the fact that you didnt already know this just proves how clueless you really are

MCCREE: wait what the fuck were you doing in the supply closet?

REINHARDT: It doesn't take a rocket scientist to figure that out.

WINSTON: FOR THE LAST TIME!
WINSTON: KEEP THE NSFW BUSINESS TO YOUR ROOMS!

TRACER: wasnt the original rule that we werent allowed to have sex anywhere on base?

WINSTON: I was forced to alter it when it became clear that none of you were going to listen to it.
WINSTON: At least I thought this would make the area less hazardous for innocent passers-by.

MCCREE: yeah i still have nightmares from when i walked into the bathroom at three in the morning

BRIGITTE: No one told you to use that specific bathroom.

MCCREE: IT WAS THE MENS BATHROOM
MCCREE: CANT YOU AT LEAST STICK TO THE WOMENS?

BRIGITTE: We thought we could draw less suspicion that way.

REINHARDT: How'd that work out for you?

BRIGITTE: It was fine until Jesse interrupted.

MCCREE: WELL MCFUCKING EXCUSE ME FOR HAVING A FUNCTIONING BLADDER
DOOMFIST: Christ, you've even corrupted Satya.

SYMMETRA: I refuse to be held accountable for this.

LUCIO: its cool we know that brigittes the bad influence

MERCY: Why would you get it on in the Men's bathroom?
MERCY: Especially in the A wing.
MERCY: I can't even remember the last time that place was cleaned.

ANA: Itd be a lot sooner if someone hadnt maimed the janitor

MCCREE: LISTEN

TRACER: what were you even thinking?

MCCREE: THIS IS WHY I CANT WATCH SCARY MOVIES

REINHARDT: You literally beat him with the blunt end of a crowbar.
REINHARDT: How did you not realize who he was after the first ten hits?

MCCREE: HE COULDEVE BEEN A BODY SNATCHER

ANA: OH YEAH CAUSE I FUCKING FORGOT THAT BODY SNATCHERS EXISTED ALL THE SUDDEN

MCCREE: THATS EXACTLY WHAT A BODY SNATCHER WOULD SAY

ANA: IN A MINUTE IM GONNA SNATCH UR HAT AND BLAST IT TO THE OTHER END OF THE UNIVERSE

MCCREE: YOU WOULDN'T DARE

ANA: TRY ME FUCKER

LUCIO: wow why does ana feel so strongly about a janitor?

TRACER: because he was supposed to clean her room the night jesse almost killed him

LUCIO: ...so why didnt you just clean it yourself?

ANA: ITS NOT THAT SIMPLE

SOMBRA: have you seen anas room?

LUCIO: have you?

SOMBRA: yes actually
SOMBRA: she made me install a camera in there

76: Why?

SOMBRA: so she could catch whoever was stealing the starbursts out of her desk

JUNKRAT: OI WAIT IS THAT WHY SHE KEPT SHOOTING ME FOR NO REASON?

ANA: YES
ANA: FUCK U

DOOMFIST: What the fuck even is Overwatch?

76: A giant mistake.

LUCIO: yeah jack would know all about that

76: Fucking jump off a building.

LUCIO: dont tempt me
LUCIO: im feeling a little extra done with everyone today

GENJI: GET OVER HERE

D.VA: STAY AWAY FROM ME

TRACER: its all part of the job!

WINSTON: No it isn't.

MCCREE: oh and i overreacted?

ANA: Well genji hasnt killed hana yet so yes

MOIRA: "Yet."

DOOMFIST: You're not helping.

MOIRA: Why won't you just let me have my fun?

MERCY: Because the last time you said that, three people lost their arms.

MOIRA: That was an accident!

MERCY: That doesn't make it okay.

BRIGHTTTE: Hanzo, could you stop your brother?
BRIGHTTTE: Because if he breaks my gymnastics trophies I will take him apart and mail each of his limbs to a different continent.

LUCIO: i low key want to see that happen

TRACER: gymnastics?

BRIGHTTTE: Yes, I did gymnastics when I was younger.

ANA: Wow that must mean ur pretty flexible?
ANA: Right satya?
SYMMETRA: She is.
SYMMETRA: ...
SYMMETRA: I can't believe you baited me like that.

ANA: lmao i cant believe u fell for it that easily

HANZO: I could, but I think it's better if I'm used as a last resort.

MCCREE: why are you gonna kill him again?

HANZO: Something like that.

WINSTON: You're creating more problems than solutions.

LUCIO: hey man just because you dont like violence doesnt mean its not a good way to solve a problem

MERCY: It's not.

HANZO: Oh shut up.

HANZO: Need I remind you of the softball incident?

MERCY: I had been awake for nearly 48 straight hours and had already reset Jesse's arm three times at that point.

MERCY: You deserved everything that happened to you.

MCCREE: it wasnt even my idea

MERCY: I don't care.

D.VA: I TOOK THE COSTUME OFF LIKE FIVE MINUTES AGO LEAVE ME ALONE

GENJI: GENJI IS WITH U

D.VA: GENJI NEEDS TO GET THE FUCK AWAY FROM ME

GENJI: A WARRIOR MUST ANSWER THE CALL

MCCREE: youre not a warrior

76: You haven't been a warrior for almost twenty years.

GENJI: one day u will have to answer to god for ur sins and he may not be so forgiving

MCCREE: thats fine

MCCREE: i already know that i have a seat reserved in hell

LUCIO: aye same

JUNKRAT: HEY GET AWAY FROM THAT

GENJI: SHE MUST NOT ESCAPE

JUNKRAT: DONT FUCKING TOUCH ANYTHING

GENJI: HELP ME CATCH HER AND NONE OF UR STUFF WILL BE TOUCHED
JUNKRAT: I HAVE AN IDEA

WINSTON: JAMISON, NO!

_______________________________

REINHARDT: Well.

76: I specifically remember saying that your traps weren't allowed on base.

JUNKRAT: IM FROM THE OUTBACK MATE
JUNKRAT: IDK WHY YOU THINK IM JUST GONNA FOLLOW INSTRUCTIONS

MERCY: Why can't you be more like Mako?

JUNKRAT: BECAUSE HES A SUCK UP AND IM NOT

ROADHOG: what was that?

JUNKRAT: NOTHING!
JUNKRAT: I SAID NOTHING!

ROADHOG: thats what i thought

D.VA: BEAR TRAPS ARE CHEATING

JUNKRAT: FILE A COMPLAINT

D.VA: IM GONNA FILE MORE THAN THAT

MERCY: Both of you, stop it.

HAMMOND: Does this happen often?

MCCREE: daily

ANA: More like hourly honestly

MCCREE: yeah you right

PHARAH: I tried to warn you.

HAMMOND: I was curious to see if you were actually serious.

PHARAH: I'm always serious.

LUCIO: except for when shes underneath angela

SOMBRA: yeah then she turns into a big softie

BRIGITTE: "Ugh, Angie, I love you so much."

MCCREE: DONT

TRACER: "im your toy angie"

GENJI: "play with me to ur hearts content"
LUCIO: "ive been a naughty girl mommy you need to punish me."

REINHARDT:

HANZO: I could've gone my whole life without being a part of this conversation and I could've died happy.

GENJI: dont bullshit us ur never happy

HANZO: Fuck you.

ANA: I seriously didn't need to hear about my daughters sex life

SOMBRA: you think hearing it is bad?

TRACER: aw come on luv were just teasing!

PHARAH: I have done nothing that means that I need to be teased like this.

LUCIO: being a sub automatically puts you in the teasing pool

GENJI: so do u call angela dr dom?
WINSTON: *STOP*

REINHARDT: Seriously.
REINHARDT: There’s no reason that this needs to continue.

LUCIO: debatable

D.VA: please stop pissing angela off shes busy trying to remove the spikes from my ankle and everytime she gets mad she misses and it hurts more

JUNKRAT: LMAO

D.VA: man up you bitch

GENJI: DO NOT SNEAK UP ON ME WEARING THAT SHIT
GENJI: UR LUCKY THAT IT WASNT WORSE FOR U

HAMMOND: You all need to go on more missions.

76: We've been trying.
76: Lucio, Hana, and Jesse don’t even come out with us anymore.

MCCREE: i told you that im protesting until you put the gushers back in the vending machine

76: THEY ARE NOT GOOD FOR YOU!

MCCREE: ASK ME IF I GIVE A SHIT

GENJI: wed be able to go out on missions more if talon would stop sucking and start doing shit again

REAPER: THAT'S THEIR FAULT!
REAPER: SOMBRA DOESN'T EVEN LISTEN TO ME ANYMORE, DOOMFIST SPENDS HIS DAY SIPPING COFFEE AND READING THE PAPER LIKE PRETENTIOUS PIECE OF SHIT, AND MOIRA JUST SITS IN HER OFFICE GETTING OFF TO PICTURES OF ANGELA.

MOIRA: GABE!

WIDOWMAKER: I defected long ago.

LUCIO: yeah now she just lets lena take pictures of her ass all day

TRACER: youre just jealous that i can touch it and you cant
LUCIO: well technically i can
LUCIO: the difference is that she wont kill you immediately after

GENJI: eh itd be worth it

WIDOWMAKER: All of you stay away from me.

MCCREE: it beats hearing them having sex while im trying to eat breakfast

REINHARDT: WHY?

WIDOWMAKER: It's not my fault you're a virgin.

MCCREE: WOW

LUCIO: LMAO

GENJI: REKTED

MCCREE: hey for the record im not a virgin

ANA: Uh huh sure

LUCIO: did it work?

D.VA: nope
D.VA: he sliced through it with his sword and kept charging at me

MCCREE: guys what the fuck?
MCCREE: this is the seventh tv weve gone through since coming back

REINHARDT: Four of those were destroyed within the first week though.
REINHARDT: I think that's a pretty good stat.

MCCREE: but its the second time this month
MCCREE: i just want to watch my show dammit

ANA: Just grab another one from the warehouse

MCCREE: the warehouse is like a ten minute walk from here tho

ANA: So?
ANA: Is 10 minutes gonna kill u?
MCCREE: people have died in weirder ways

PHARAH: Take Hana for example.
PHARAH: She died with a care bear costume on.

D.VA: ITS NOT FUNNY

MERCY: YOU ARE SO LUCKY THAT I HAD MY STAFF ON HAND!
D.VA: YOU SAY LUCKY I SAY UNFORTUNATE

GENJI: same tho

DOOMFIST: For someone who complains about being killed, you sure do joke a lot about it.

GENJI: if hanzo killed me now id thank him
GENJI: he killed me back when i actually thought that life was worth living

76: Genji...

GENJI: look man i cant help that im depressed

LUCIO: you think youre depressed?
LUCIO: yesterday i cried for twenty minutes because i dropped my pillow on the floor and didnt want to get up to grab it

ANA: What the fuck?

GENJI: i let go of the rope during climbing training cause i was hoping i would fall and break my neck

LUCIO: i dropped the beat while standing on a bed of nails so the pain would last longer

ANA: NO THEYRE NOT
REINHARDT: BLASPHEMY!
MCCREE: guys seriously we need to replace the tv

BASTION: ?

MCCREE: good idea
MCCREE: hey bastion can you get me one of the tvs from the warehouse and bring it to the common room so i can set it up?

BASTION: :D

MCCREE: thanks partner

WINSTON: BASTION IS NOT HERE TO BE YOUR PERSONAL BUTLER!

MCCREE: cmon winston its one favor

PHARAH: Besides, he actually really likes Jesse.
PHARAH: For some reason.

MCCREE: i cant say i recall seeing any of you jump into action when ganymede was sick

76: THE REST OF US WERE ON A MISSION!
76: WHICH IS ALSO WHERE YOU WERE SUPPOSED TO BE!

MCCREE: well thank god i stayed behind because bastion wouldve destroyed the whole fucking base if i didnt

REAPER: You would've been better off.

LUCIO: says the guy that already destroyed it once before

TRACER: yeah seriously gabe not cool!

REAPER: IT WASN'T ME!

ANA: Oh really who was it then?
ANA: The bomb fairy?

REAPER: I WILL DESTROY ALL OF YOU!

BASTION: :-)

MCCREE: he wont i promise

MOIRA: Hey, why can't we get our own omnic?

DOOMFIST: Because the last one blew up Reaper's movie collection and then disappeared mysteriously.

SOMBRA: haha there was no mystery widow and i scrapped it for the parts for the ac unit

WIDOWMAKER: I did so against my will.

SOMBRA: details details

BASTION: :( 

D.VA: DONT WORRY BASTION NO ONES GONNA SCRAP YOU BECAUSE IF THEY DO ILL KILL ALL OF THEM

MCCREE: GET YOUR FUCKING ELEPHANT BACK IN HER PEN BEFORE I LET BASTION USE HER FOR TARGET PRACTICE

REINHARDT: DON'T YOU TOUCH HER!

MCCREE: NOW

Winston: Why did I agree to let Reinhardt keep that elephant?

Hanzo: I think it had something to do with the fact that he threatened to destroy every computer on base.

Brigitte: Wait what the fuck?
Brigitte: There's an elephant on base?

Genji: where the fuck have you been for the last six months?

Lucio: obviously fornicating with satya

Symmetra: Leave me out of this.

Pharah: How does that elephant keep getting out?

Sombra: I keep unlocking the pen lol

76: Stop.

Sombra: nah that's no fun
WINSTON: Sombra please.
WINSTON: You know that I don't usually ask for things.
WINSTON: But we really can't afford anything else breaking.

SOMBRA: ...you're lucky that I like you Winston
SOMBRA: I'll stop letting her out
SOMBRA: but...
SOMBRA: I want to be invited to the next beach party you guys throw

WINSTON: I'm fairly certain that you were going to be invited anyway.

MCCREE: because I have a fucking bounty on my head
GENJI: right I forgot
MCCREE: how could you possibly forget that?

ANA: Yeah seriously he reminds us like every two minutes
MOIRA: If you're so worried about getting caught, why do you keep going into public and buying unhealthy snacks?

MCCREE: I like a little challenge
MCCREE: and besides
MCCREE: Since Jack took the gushers out of the vending machine now I actually have to go out and buy them

76: THEY WERE KEEPING YOU UP ALL NIGHT!

ANA: Im kinda impressed

BRIGITTE: Is that what all the shouting was about?

Chapter End Notes

There's going to be a point where Blizzard just adds too many characters and I'm just gonna have to start pretending they don't exist because this chatroom can only support so many shithheads. But not Ashe. I fucks with Ashe.

Anyways, all of the stupid stuff that I had to focus on is done, so I should getting back into the swing of this. I'm trying to get back to my weekly uploading schedule, although things may come up again from time to time. But, unless I say otherwise, just assume that this is going to continue at the rate it was before I left.

Thanks for waiting around for me. It means a lot! :)
MCCREE: WHY HAVE YOU DONE THIS?

D.VA: hey man i didnt know your history
D.VA: i just assumed she was your ex or something

ASHE: I ain't his ex.
ASHE: He's got a better chance picking up a rabid possum.
ASHE: And I reckon he couldn't even do that.

MCCREE: WHY MUST YOU ATTACK ME THIS WAY?

ASHE: WHAT DID I SAY WOULD HAPPEN IF I EVER SAW YOUR FACE AGAIN?
ASHE: YOU TRAITOR!

MCCREE: YOU WOULDNT UNDERSTAND

ASHE: REMEMBER WHAT I TOLD YOU?
ASHE: KEEP YOUR WORD!
ASHE: DON'T WORK WITH THE LAW!
ASHE: RESPECT EACH OTHER’S TERRITORIES!

MCCREE: ITS NOT THAT SIMPLE
ASHE: SOUNDS PRETTY DAMN SIMPLE TO ME!

REINHARDT: I swear to God, I'm having a deja vu moment right now.

MERCY: Yeah, this reminds me of when Jack and Gabe got into a fight over the lawn furniture and didn't talk to each other for four days.

76: Can we not?

ASHE: WHY'D YOU DO IT?

REAPER: I wanted the fire pit and the dining set and he didn't.

GENJI: yeah i got nothing

ZENYATTA: It's quite simple, actually.
ZENYATTA: B.O.B is simply stating that understands why Jesse did what he did.
ZENYATTA: Although he is still rather upset at him for leaving the Deadlock Gang.

KIMIKO: Talk shit, get hit.

GENJI: lol

MIREMBE: I truly don't understand how we manage to actually get things done sometimes.

LIAO: hey we can be competent when we try

WINSTON: Why don't you try more often then?

LIAO: it takes too much energy

LACROIX: It takes a lot less energy than running around and attaching googly eyes to everything on base.

LIAO: that was one time

LACROIX: Six times, actually.

LIAO: OKAY FINE
LIAO: BUT IT WAS FUNNY

GENJI: it was pretty funny
GENJI: i remember when jack screamed at the lamp

MORRISON: I WASN'T READY FOR THAT, OKAY?

MORRISON: I hate you.

MCCREE: i also hate me

LACROIX: I really can't say I do.

WINSTON: I don't know what I was thinking back then.

KIMIKO: Come on, lighten up.
KIMIKO: The chat's so much better this way.

WINSTON: I disagree but okay.

MIREMBE: Don't you all ever get tired of messing around?

MCCREE: nope

LIAO: if it wasnt for us overwatch would be a boring ass place

MERCY: It'd probably also be more organized and professional.

GENJI: yeah see boring

TRACER: one day this chat will used properly again

MCCREE: one day

REINHARDT: But not one day soon.

TORBJORN: And quite frankly, I don't really care.
TORBJORN: But if I hear one more explosion, gunshot, flashbang, or mention of McCree's non-
existent parents, I will personally see that both of you suffer greatly.
TORBJORN: *Are we clear?*

ASHE: ...Crystal.

MCCREE: *fine*

TORBJORN: Glad to hear it.
TORBJORN: Don't let this happen again.

TORBJORN: ...

ASHE: Fucking.
ASHE: I don't even know who you are.
ASHE: Why am I letting myself get intimidated by the likes of you?

TORBJORN: Because you know better.

ANA: Why did we even need to fight during the omnic crisis?
ANA: We should've just had torb intimidate the omnics

REINHARDT: We tried.
REINHARDT: He got shot at least twelve times.

TORBJORN: It would've been less if someone shielded me.

REINHARDT: LISTEN!
REINHARDT: I HAD TWO OTHER PEOPLE AND A PAYLOAD TO PROTECT!
REINHARDT: THE WORLD DOESN'T REVOLVE AROUND YOU!

MOIRA: RUDE!

TORBJORN:

DOOMFIST: How exactly is this going to end?

MERCY: Brutally.
MERCY: With at least three casualties.

GENJI: he spelled his name with a ph

TRACER: phteven

GENJI: no...

PHARAH: Are we seriously just sitting here pretending that Reinhardt and Torbjorn aren't about to destroy everything we hold near and dear?

MCCREE: they cant see you if you dont move

MERCY: That theory was disproven years ago.

MCCREE: hush

TORBJORN: Reinhardt's just mad because he can't keep up with me.

TORBJORN: We resolved our differences.

REINHARDT: Indeed.

BRIGITTE: Wait, so why did I hear screaming?

REINHARDT: Ah yes, that.

TORBJORN: We decided to channel our anger into something productive.

MERCY: Which was?

REINHARDT: I kept earth shattering Genji while Torbjorn built turrets around him.

LUCIO: DEAD

76: ...Why?

TORBJORN: He irks me.

REINHARDT: Me as well.

GENJI: I HATE MY LIFE

TRACER: rip

MCCREE: at least nothings broken

BRIGITTE: Nothing except Genji's pride.

HANZO: That happened long ago.
HANZO: I think the final fracture was when a girl turned him down for prom in front of the whole school.

GENJI: U PROMISED NEVER TO TALK ABOUT THIS AGAIN

HANZO: Things change.

GENJI: I HATE U

HANZO: I reciprocate the feeling.

WINSTON: Did you two break anything other than Genji's spirit?

REINHARDT: No.

WINSTON: Very well.
WINSTON: Considering the possibilities, this was as good a result that I could've hoped for.
TORBJORN: Glad to be of service.

Chapter End Notes

Fun fact, every meme in this chapter is brought directly from my phone. It's also verbatim an exact war that I had with my friend, although ours went on for much longer.
MCCREE: how did this happen?

D.VA: well i only know one person who has the technology to make this happen

MEI: WHAT HAVE YOU DONE?

JUNKRAT: IT WAS AN ACCIDENT
JUNKRAT: GENJI TOLD ME IT WAS A MICROWAVE

GENJI: I WAS KIDDING

ROADHOG: he cant tell the difference
ROADHOG: the radiation in the outback really messed up his head

JUNKRAT: LEAVE ME ALONE

76: WHY THE FUCK IS THERE SNOW FALLING OUTSIDE MY WINDOW?

JUNKRAT: I SAID I WAS SORRY

WINSTON: HOW?

JUNKRAT: I TOUCHED A THING

MEI: THE LAB IS OFF LIMITS!
MEI: THE DOOR WAS LOCKED!
MEI: HOW DID YOU EVEN GET IN?

JUNKRAT: IM A LUNATIC WITH THIRTY TONS OF EXPLOSIVES AND YOU THINK THAT A DOOR IS GOING TO STOP ME?

MERCY: What exactly is going on here?

LUCIO: have you looked out any window on base in the last half hour?

MERCY: No.

MCCREE: wtf the med wing has like nine windows how have you not seen anything?

MERCY: I was...busy.

GENJI: busy with what?
GENJI: ...oh wait

TRACER: cmon genji you should know better by now!

GENJI: ITS BEEN A LONG NIGHT OKAY?

PHARAH: Wait, why is it snowing?

D.VA: do any of you actually know how to read or are you all just being intentionally dense?

GENJI: a little of both
ANA: Okay back the fuck up for a second
ANA: How did this happen?

MEI: ASK THE RAT!

JUNKRAT: I CONSIDER THAT TERM OFFENSIVE

MCCREE: its literally in your name

JUNKRAT: THAT DOESNT MEAN I LIKE BEING CALLED THAT

REINHARDT: Can we focus for ten seconds just so I can learn why it's snowing out?

JUNKRAT: ITS GENJIS FAULT

GENJI: I DIDNT MAKE U PRESS THE BUTTON
GENJI: U DID THAT ON UR OWN

JUNKRAT: YOU SAID IT WAS A MICROWAVE

GENJI: AND UR AN IDIOT FOR ACTUALLY BELIEVING ME

REINHARDT: *Focus.*

LUCIO: the basic gist is that junkrat wanted a hot pocket and couldnt find the microwave so genji told him that it was in the lab

MERCY: When have you ever seen someone cook something in the lab?

JUNKRAT: I HAVE PROBLEMS OKAY?

MERCY: Clearly.

LUCIO: yeah so junkrat just started messing with stuff and i think one of the things he turned on was a snow maker and he didnt know how to turn it off so he threw it out the window and now were basically snowed it

76: IT IS THE MIDDLE OF JULY!

TRACER: not that you could tell by looking outside

76: I WAS ABOUT TO GO FOR MY RUN!

MCCREE: so?
MCCREE: if anything the snow just helps your endurance

SOMBRA: !!!!
SOMBRA: AKANDE!
SOMBRA: THERES SNOW AT THE WATCHPOINT!

DOOMFIST: Why are you assuming that I care?

SOMBRA: DIDNT YOU ALWAYS MENTION THAT YOU WANTED TO SEE SNOW?

DOOMFIST: Nope.

SOMBRA: really?
SOMBRA: someone definitely mentioned that to me

MOIRA: I did!

GENJI: dude what?

LUCIO: does it snow in ireland?

MOIRA: Not often.

D.VA: really?

MOIRA: Unfortunately.
MOIRA: I want to go see it.

SOMBRA: go with her akande

DOOMFIST: I'm not her babysitter, but thanks.

MOIRA: I'm a grown woman, you know.
MOIRA: I'm more than capable of going out by myself.

SOMBRA: grown women don't sleep with nightlights

MOIRA: YOU PROMISED NEVER TO TELL ANYONE!

SOMBRA: i promise a lot of things

DOOMFIST: You do still owe me twenty dollars.

SOMBRA: NO!
SOMBRA: YOU DEFINITELY CHEATED!

DOOMFIST: If you don't know how to play poker, don't make bets.

LUCIO: I mean you can try and come see it
LUCIO: idk how you're gonna get in because the snows already up to my window and i'm on the second floor

MCCREE: yeah this is getting really bad

ASHE: What the fuck happened here?

ANA: Its fucking snowing like christ can u not read?

ASHE: Don't start.
ASHE: BOB and I have been in the common room all day.

LUCIO: still getting your ass kicked in goldeneye?

ASHE: I'M GOING TO BEAT HIM!
ASHE: JUST YOU WAIT!

BOB: ...

ASHE: SHUT UP!
TRACER: yeah can someone stop this please?
TRACER: i like snow and all but i like being able to use the track more

MEI: Can't you see I'm trying?

D.VA: doesn't look like it
D.VA: it just keeps getting higher

MEI: I DON'T KNOW WHAT THAT CRETIN DID TO THIS!

JUNKRAT: HEY WHO ARE YOU CALLING A CRETIN?

MEI: IS IT NOT OBVIOUS?

MOIRA: I still want to go see the snow.

SOMBRA: gabe go take moira to the watchpoint

REAPER: No.

SOMBRA: come on i dont trust her to make it on her own

MOIRA: I'm fully capable of walking there.

SOMBRA: tell that to the park rangers who had to come find you after you got lost in the woods

MOIRA: THAT WAS ONE TIME!

SOMBRA: AND THATS ONE MORE TIME THAN ANYONE ELSE

REAPER: How did you even manage this?

MEI: IF I KNEW, I'LL BE ABLE TO TURN IT OFF!

LUCIO: idk how youre gonna get in moira
LUCIO: maybe there's like a hatch on the roof i can open or something

MCCREE: nope the snows already higher than the roof

LUCIO: what the fuck?

ROADHOG: if anyone needs me ill be in the kitchen stockpiling my rations

WINSTON: Those are for everyone.

ROADHOG: sorry winston but ive seen this happen before
ROADHOG: its every man for himself now

D.VA: DONT TOUCH MY CRACKERS!

ROADHOG: if its in the pantry its fair game

D.VA: I SWEAR TO GOD

REINHARDT: The mass hysteria is already setting in.

REAPER: The fact that we keep losing to you is astounding to me.
LUCIO: its cause you suck

REAPER: **We don't suck.**

SOMBRA: talon doesnt suck
SOMBRA: but you def suck

ANA: Yeah why do u think jack loves him so much?

76: Why must you do this?

ASHE: Why have you not given up yet?

D.VA: im too stubborn for my own good

ASHE: So was Jesse.
ASHE: Saw how that worked out for him huh?

MCCREE: i just came to have a good time and im honestly feeling so attacked right now

ASHE: Good.

ASHE: You're nothing in general.

MCCREE: fuck you

MEI: Zarya, I need your help.
ZARYA: With what?

MEI: I managed to stop the machine that made the snow, but now we need to get rid of all the excess snow left over.

Lucio: WHAT WAS I SUPPOSED TO DO?

76: HOW LONG HAS THERE BEEN A FLAMETHROWER ON BASE?

Mei: A while.
Mei: Zarya and I have been working on it for a while now.

Winston: Why?

Mei: No particular reason.
Mei: But aren't you glad that we had it?

Winston: I...
Winston: Won't argue that.
LUCIO: STILL ON FIRE

PHARAH: "Hey, I'm on fire! Let me just text about it instead of actually fucking putting it out!"

ASHE: Out of all the damn things to ask...
ASHE: You choose that?

MERCY: I'm curious.
MERCY: I wasn't even aware there was a Burger King in the area.

GENJI: I DIDN'T BLOW THE BASE UP

MERCY: Now, where were we?
MERCY: ;-)

MCCREE: I feel like you're subjecting us to this on purpose

MERCY: I haven't the foggiest idea of what you mean.

ASHE: BOB won't stop playing that stupid fucking Kirby game.

D.VA: is it just stupid because you lost like thirty times in a row?

ASHE:

LUCIO: GUYS
LUCIO: PLEASE STOP
LUCIO: I CANT BREATHE

REINHARDT: I think we need to induct Ashe into the ranks of Overwatch...

WINSTON: Overruled.

REINHARDT: TYRANNY!

ASHE: Nah, it's better this way.
ASHE: I can't kill Jesse if I'm part of the team.

ANA: Tell that to Hanzo and Genji

HANZO: Enough of this.

EMILY: Is everything alright in here?

D.VA: jesus fuck i haven't seen you in a while

EMILY: Sorry, I've been busy.
EMILY: But I couldn't ignore the amount of texts being sent right now.
MCCREE: what was your excuse for the last thirty times this happened?

EMILY: Once again...
EMILY: Very busy.

MCCREE: how the fuck do you not get it?
MCCREE: genjis wearing a burger king mask
MCCREE: its supposed to be funny

DOOMFIST: Juvenile humor doesn't exactly do it for me.

SOMBRA: you literally spent like two hours laughing at fail videos

DOOMFIST: People falling down is funny.

D.VA: tbh im surprised that doomfist laughs at all

ANA: Same

GENJI: THIS ISNT FUNNY AND WHEN I FIND OUT WHO IS RESPONSIBLE THEIR
ASHE: I think there's a max of two people on this base that you could beat in a fight.
ASHE: Maybe three if we're including that stupid bird.

BASTION: (■_■)

REINHARDT: No, I'm fairly certain that Ganymede could beat Genji as well.

MCCREE: i wouldn't insult ganymede if i were you
MCCREE: bastion doesn't take too kindly to that

BOB: ...

BASTION: :)

ASHE: STOP FUCKING APOLOGIZING FOR ME, YOU DUMB HUNK OF STEEL!

LUCIO: ITS OKAY THIS IS HOW I WANT TO GO OUT

WIDOWMAKER: What is going on?

D.VA: genji got his face stolen

PHARAH: I still think Moira did it.

MOIRA: I'M NOT EVEN THERE!
MOIRA: HOW COULD IT HAVE BEEN ME?

PHARAH: I don't know, but I wouldn't put it past you.

TRACER: weve been betting on who we think it is
HANZO: The majority still believes that Torbjorn is responsible.

ORISA: As funny as that would be, I can confirm that he is not.
ORISA: I've been with him the whole day.
ORISA: He hasn't left the armory once.

BRIGITTE: ...I'm rescinding my bet.

HANZO: I'm afraid I can't allow you to do that.

BRIGITTE: BUT THAT WAS MY SHOPPING MONEY!

HANZO: And I'm sure you regret betting with it now.

BRIGITTE: DAMMIT!
BRIGITTE: I COUL'VE SWORN MY DAD DID IT!

SYMMETRA: It's okay, Brigitte.
SYMMETRA: I still love you, foolish bets and all.

BRIGITTE: <3

SYMMETRA: <3

HANZO: The three other bets are scattered around.
HANZO: But I get the feeling that none of them are right either.

WIDOWMAKER: It was me.

GENJI: FUCKING WHAT

MCCREE: oh shit

LUCIO: *LUCIO HAS DIED*

REINHARDT: Didn't see that coming.

D.VA: okay this is epic

GENJI: WIDOWMAKER
GENJI: DO U WANT TO DIE?

WIDOWMAKER: I highly doubt you could even come close to me.

SOMBRA: LMAO THIS IS SO GREAT
SOMBRA: THE PLOT TWIST NO ONE EXPECTED

DOOMFIST: Why?

WIDOWMAKER: I thought the cyborg would have the best reaction.

ANA: Idk lucios been choking on his lungs for the last hour or so

WIDOWMAKER: Plus, I was curious to see what his battle scars looked like.

REINHARDT: Have you seen "Revenge of the Sith?"
REINHARDT: He basically looks like Anakin after he got dumped in the lava.
SOMBRA: minus the swag

MCCREE: anakin had no swag whatsoever in the prequels

REAPER: **DO NOT MENTION THE PREQUELS IN THIS CHAT!**

WINSTON: We are getting way off topic.

TRACER: idk its pretty on par for what usually happens

GENJI: GIVE ME BACK MY FACE

WIDOWMAKER: I didn't technically take it from you.
WIDOWMAKER: That was Hanzo's doing.

HANZO: Leave me out of this.

76: How did you even get it?

WIDOWMAKER: He takes it off before he goes to sleep.
WIDOWMAKER: The rest was pretty easy.

GENJI: HOW DID U EVEN GET IN MY ROOM? 
GENJI: THE WINDOWS WERE LOCKED

WIDOWMAKER: I'm an assassin.
WIDOWMAKER: I wouldn't be good at my job otherwise.

MERCY: I'VE TOLD YOU A MILLION TIMES THAT YOU SHOULDN'T TAKE IT OFF!

GENJI: THIS IS NOT THE TIME FOR AN I TOLD U SO

EMILY: I almost forgot how entertaining this chat was.

ASHE: It's certainly something, alright.

EMILY: I don't recognize your name.
EMILY: Have we met?

ASHE: Probably not.
ASHE: Unless you've dealt with Gangs in New Mexico recently.

EMILY: I can't say that I have.

ASHE: Then no.
ASHE: Can't say that we have.

EMILY: I'm Emily.

ASHE: Charmed.
ASHE: Elizabeth Caledonia Ashe.
ASHE: Also known as Calamity.
ASHE: You can just call me Ashe.

EMILY: Pleasure.
MCCREE: dont trust her emily
MCCREE: shed kill you for looking at her funny

ASHE: AS LONG AS YOU DON'T BETRAY ME AND SELL MY BOYS OUT, I THINK WE'LL GET ALONG JUST FINE!

MCCREE: THATS NOT WHAT HAPPENED AND YOU KNOW IT

ASHE: TRY ME, COWBOY!

D.VA: elizabeth is a pretty name

ASHE: Stop trying.

D.VA: MY FEMININE WILES WILL BREAK YOU DOWN EVENTUALLY

ASHE: I spent eleven months getting tortured in a cell.
ASHE: I'm pretty sure I can handle you.

D.VA: PLEASE

76: Both of you, stop.

GENJI: can i please have my faceplate back?

TRACER: did he just say please?

ANA: Do my ears deceive me?

WIDOWMAKER: ...I'll admit, I wasn't expecting that.

GENJI: ive been enough shit today
GENJI: im willing to compromise just once

WIDOWMAKER: ...Very well.
WIDOWMAKER: I've left your faceplate in a particular location.

GENJI: where?

WIDOWMAKER: I'll send you the coordinates.

GENJI: please dont be far away

GENJI: I HATE U

WIDOWMAKER: I didn't say it was going to be easy.

GENJI: U KNOW THAT I CANT SWIM

WIDOWMAKER: Better get to doggy-paddling then, bitch boy.

LUCIO: YOU COULD NOT POSSIBLY IMAGINE THE AMOUNT OF PAIN MY CHEST IS IN RIGHT NOW
LUCIO: I LEGIT CANT STOP LAUGHING
GENJI: IF I SINK AND DIE ITS ON U
WIDOWMAKER: You've survived once, you'll be fine.
GENJI: IM NOT DOING THIS SHIT
REINHARDT: Don't worry, Genji.
REINHARDT: I'll get you over there.
GENJI: STAY THE FUCK AWAY FROM ME
REINHARDT: JUST GET IN THE WATER!

D.VA: and im so thankful that i got to witness it all
ANA: wait i see the water glowing
HANZO: I would take a few steps back if I were you.
BRIGITTE: Oh, there he is.
TRACER: hes flopping like a dolphin
HANZO: That's just how he swims.
MCCREE: no wonder he drowned his technique is horrible
DOOMFIST: It couldn't possibly be because of the fact that he's made entirely out of steel, could it?

MCCREE: nah thats just a cop out reason

DOOMFIST: ...I don't understand any of you.

ASHE: Oh hey, he got it.

ROADHOG: how is he going to get back over now?

HANZO: Give him a minute.

MERCY: Don't do this again.

GENJI: ITS NOT LIKE I HAD A CHOICE

MCCREE: you only missed the dock by about thirty feet
MCCREE: with some practice im sure youll get the hang of it

GENJI: IM NEVER GOING IN THE WATER AGAIN

SYMMETRA: What did that eel do to you?

GENJI: he was supposed to drag me back to shore

REINHARDT: You grabbed it's tail.
REINHARDT: You're lucky that it didn't bite you.

GENJI: it can bite all it fucking wants
GENJI: im made out of metal
GENJI: it wouldve just lost its teeth

ASHE: I don't think I'm ever gonna get used to this.

ANA: U wont
ANA: Ive been here for like twenty years and i still dont understand half the shit that happens
ANA: I just laugh hysterically at it all

WIDOWMAKER: This is all I could've asked for.

GENJI: if u ever touch my shit again ill fucking gut u

WIDOWMAKER: I wish you the best of luck

HANZO: This is stupid.
SOMBRA: lighten up
HANZO: I will not.
HANZO: I didn't join this team so I could be sucked into moronic activities.
ANA: Yes u did
ANA: It was in the fine print that im sure u didnt read
HANZO: No it wasn't.
HANZO: I fully examined the contract.
ANA: Did u?
ANA: Shit there goes my plan
GENJI: hanzo just doesnt like having fun
HANZO: Nothing you all do is fun.
MCCREE: name one thing thats not fun
HANZO: I can name forty two.
HANZO: But the one that sticks out the most to me is hiding Widowmaker's clothes.
GENJI: come on that was funny
HANZO: No it wasn't.
HANZO: The four of you are lucky that you're even still drawing breath.
LUCIO: i wasnt for a while
LUCIO: thank god there was still a ventilator on base
MERCY: Working with this organization makes me regret wanting to be a doctor.
WIDOWMAKER: Would you prefer to start practicing as a mortician?
MERCY: I would appreciate if you didn't kill them.
MERCY: Yet.
WIDOWMAKER: They should all be dead right now.
WIDOWMAKER: McCree is extremely lucky that his flashbang actually hit me.
MCCREE: cant shoot us if youre blind
D.VA: what are you talking about she still shot me twice after the flash went off
MCCREE: *can't shoot all of us if you're blind
WIDOWMAKER: Touch any of my belongings again and we'll test that theory.
GENJI: is that a challenge?
WIDOWMAKER: It's a threat.
GENJI: ...i no longer feel that the workplace is a safe environment
WIDOWMAKER: It's not.
WIDOWMAKER: Especially while I'm here.
TRACER: hey say what you want but i really enjoyed the view that day!
WIDOWMAKER: ...
WIDOWMAKER: <3
TRACER: <3
EMILY: <3
WIDOWMAKER: @EMILY <3

MCCREE: this isn't new we've done this before with disastrous results
D.VA: come on it'll be fun
D.VA: especially with all these people
REINHARDT: I still think my game idea was better.
SOMBRA: it wasn't
LUCIO: wait what did reinhardt suggest?
D.VA: LUCIO NO
REINHARDT:
ANA: Ur being blocked

MCCREE: forget getting blocked im deleting his number altogether

REINHARDT: WHY ARE YOU ALL SO AFRAID OF THE TRUTH?

ASHE: The second you start acting weird, I'm abandoning the two of y'all right quick.

D.VA: I WILL NOT BE WEIRD
D.VA: I PROMISE

ASHE: See to it.

ANA: I'm working with Reinhardt and Torb

TORBJORN: I am absolutely not doing this.

SOMBRA: your funeral

TORBJORN: I don't know why you think posting my browser history is going to scare me.
TORBJORN: If anything, it's going to make you all pray that mental bleach existed.

SOMBRA: ...

LUCIO: okay im actually really curious to see what hes got hiding in his history

GENJI: dude honestly same

ANA: Fine ill just work with reinhardt
ANA: Unless Winston wants to join in

WINSTON: I'm going to have to take a rain check on this.
WINSTON: I have some important business to attend to in the lab.
WINSTON: Just please don't break anything

ANA: Do u think that were some kind of barbarians?

WINSTON: Barbarians would be too polite.

ANA: Fine

GENJI: wait so what do we have to find?

SOMBRA: ill message all the groups a list of things they need to find

MOIRA: Can I play?

SOMBRA: only if akande plays with you

DOOMFIST: First of all, I'm not even there.
DOOMFIST: Second of all, I would rather die.

SOMBRA: boring

DOOMFIST: That's a title I wear proudly.

SOMBRA: come on if im forcing gabe to play the least you can do is humor me

DOOMFIST: I know better.
DOOMFIST: If I give you an inch, you take a mile.
REAPER: I DON'T WANT TO BE HERE!

SOMBRA: too bad
SOMBRA: itd be a shame if everyone learned about your guilty pleasure show wouldn't it?

REAPER: BLACKMAIL IS ILLEGAL!

SOMBRA: only if i get caught
SOMBRA: and something tells me that the terrorist isn't going to waltz into the police station and report me

REAPER: ...I'm only participating if Jack's on my team.

76: I'm not doing this shit.

REAPER: PLEASE!

MCCREE: oh wow he actually said please

GENJI: now u have to do it jack

76: Fucking.

76: Fine.

SOMBRA: yay team bonding moment

HANZO: I still think that this is the most inane thing you've dragged me into yet.

D.VA: just give it a try at least

D.VA: maybe you'll actually have fun

HANZO: Doubtful.

HANA: not entirely
HANA: but that was a big contributing factor

LUCIO: so you forced me to search for obscure items with junkrat and roadhog just so you could flirt harder with ashe?

HANA: ...kinda

LUCIO: do i even get a reward for finding everything?

HANA: ...we didnt actually have one

LUCIO: bruh
LUCIO: what was the point?

WINSTON: It upsets me greatly to see that you've all corrupted him.

GENJI: it was bound to happen

LUCIO: thats what happens when he spends too much time with torb

HANZO: I can't handle this absurdity anymore.

WIDOWMAKER: What happened now?

HANZO: My brother and his stupid friends.

SYMMETRA: All of them?
SYMMETRA: Or just a select few?
HANZO: Hana and Lucio as well.
HANZO: I'm sure Jesse would've been involved if he wasn't confined to his bedroom.

WIDOWMAKER: ...Did I miss something?

SYMMETRA: Oh, did we not tell you?
SYMMETRA: Jesse stole Angela's stash of Cake Pops and she retaliated by chaining him to his bed.

WIDOWMAKER: I'm surprised that's all she did.

SYMMETRA: Winston and Fareeha convinced her not to kill him.

HANZO: Shame.

WIDOWMAKER: Hanzo, you're coming to the parlor, right?

HANZO: I'm on the way now.
HANZO: Just let me return my bow to my room and I'll be there.

SYMMETRA: I'll set aside your tea.
SYMMETRA: Bastion, please don't sit on that.

BASTION: :( 

SYMMETRA: I know it's comfortable.
SYMMETRA: I'm just afraid that you'll break it.

BASTION: :O

SYMMETRA: ...I'll put in a request for a new chair.
SYMMETRA: I'm sorry that we only have three.
SYMMETRA: I didn't think that you'd be joining us so much.

BASTION: :D

WIDOWMAKER: Okay, I do just need to mention.
WIDOWMAKER: Ziegler gets on everyone's case for not eating right, yet she has her own stash of cake pops?

SYMMETRA: I try not to question her methods.

WIDOWMAKER: Clearly, someone needs to.
WIDOWMAKER: Especially when it comes to her fashion sense.
WIDOWMAKER: Her sweater reminds me of the possum Jesse ran over the other day.

HANZO: Don't insult the possum like that.

SYMMETRA: When you spend all your time watching soap operas in the Medical Wing instead of doing your actual job, your mind becomes lazy enough to think that wearing such a hideous sweater is acceptable.

HANZO: It's incredible to believe that all of them have survived this long behaving the way they do.

SYMMETRA: Well, all except your brother.

HANZO: He's a fucking moron.
HANZO: It probably would have been better for him if he just died when I told him to.

WIDOWMAKER: It would've been better for all of us.

HANZO: He played a game of Super Smash Bros against B.O.B. the other day and won because of a technicality.
HANZO: He still thinks that he's the shit now.

WIDOWMAKER: He is a shit.

SYMMETRA: He's just plain shit.

HANZO: All of those are correct answers.

WIDOWMAKER: Shockingly, he's still not nearly as bad as Hana has been lately.

HANZO: Tell me about it.
HANZO: Ever since her and Ashe hooked up she's been more annoying than usual.

SYMMETRA: If that's even possible.

WIDOWMAKER: The most annoying thing about her is her tacky meka.
WIDOWMAKER: I mean seriously?
WIDOWMAKER: Bright pink?
WIDOWMAKER: Might as well add a neon sign that says, "I can't do anything without clashing colors."

HANZO: She can't do anything anyway.
HANZO: All she's good for is talking, eating, and fucking.

SYMMETRA: Just like a rabbit.

WIDOWMAKER: We should put her down like every other rabbit.

HANZO: Amelie...

WIDOWMAKER: Okay, that might've been a bit much.
WIDOWMAKER: Sorry, but she really has been getting on my nerves lately.

HANZO: I can tell.

SYMMETRA: Usually Genji's the only one you threaten to murder.

WIDOWMAKER: I don't consider them threats anymore.
WIDOWMAKER: At this point they're more like promises.

HANZO: Eh, go for it.
HANZO: Maybe you can finish what I started.

SYMMETRA: We did promise Winston that we wouldn't actually kill anyone.

WIDOWMAKER: He doesn't have to find out.

SYMMETRA: He definitely will.

WIDOWMAKER: No he won't.
WIDOWMAKER: I'm an assassin.
WIDOWMAKER: It's literally my job to kill people and dispose of the bodies without being seen.

SYMMETRA: ...

HANZO: ...

BASTION: -_- 

WIDOWMAKER: ...I'm serious.

HANZO: I know.
HANZO: I just wasn't expecting you to say it.

WIDOWMAKER: Honestly, your brother only irritates me sometimes.
WIDOWMAKER: A lot of my anger is directed at Jesse.
WIDOWMAKER: There are times where he really ticks me off.

HANZO: Tell me about it.

SYMMETRA: I was hoping that the cowboy thing was just a joke.
SYMMETRA: But it's been a long time since I've joined the team and I don't think it is anymore.
SYMMETRA: What kind of loser dresses as a cowboy?
SYMMETRA: Especially a grown man?

HANZO: The same guy who was unloved by his parents and spent his childhood running guns for a second rate gang.

MCCREE: HEY

SOMBRA: JESSE NO

HANZO: ...How did you get in here?

MCCREE: ITS NOT MY FAULT I WAS AN ORPHAN
MCCREE: I WAS A GOOD KID

WIDOWMAKER: Sombra...

SOMBRA: IT WAS HIS IDEA

WIDOWMAKER: An idea that you brought to fruition.

SOMBRA: DONT BLAME ME

SYMMETRA: Get out of our chatroom.
SYMMETRA: Or else you two will be very very sorry.

MCCREE: ...

SOMBRA: ...

MCCREE: OH HEY I WAS JUST LEAVING

HANZO: See to it.
HANZO: This chatroom feels significantly less special now that the two of them invaded it.

WIDOWMAKER: At least we still have our tea.

SYMMETRA: Tea makes all problems go away.

BASTION: :D

HANZO: You gave Bastion tea?

SYMMETRA: He asked nicely.

HANZO: ...Well, if he wants it, then I guess he can have it.

BASTION: :)

HANZO: I never in my wildest dreams thought that I would come to tolerate an omnic over most people.

WIDOWMAKER: Likewise.

SYMMETRA: Bastion is a precious treasure.

SYMMETRA: Anyone who doesn't like him is wrong and should be put to death.

HANZO: ...

WIDOWMAKER: ...

BASTION: ...

SYMMETRA: I...uh, spoke from the heart.

HANZO: Touching.

BASTION: :D

SYMMETRA: Unimportant.

MERCY: Don't we have a rule about attacking teammates?

REINHARDT: We did at one point.
REINHARDT: Jack was forced to abolish it after Liao kept getting beaten by Kimiko.

MERCY: That's what he gets for hiding in her closet with a clown mask all the time.

ANA: That was fucking hilarious

REAPER: He's lucky that Kimiko didn't straight up kill him.

TRACER: somehow i feel like no one would have missed him

SOMBRA: GUYS
SOMBRA: I FUCKED UP
SOMBRA: I FUCKED UP BAD

HANZO: What the fuck did you do now?

DOOMFIST: She made the PA system say this on repeat for about two weeks.

SOMBRA: THAT WAS AN ACCIDENT TOO

DOOMFIST: HOW WAS ANY OF THIS AN ACCIDENT?

SOMBRA: IT JUST WAS

HANZO: ...This organization is giving me a fucking ulcer.
TRACER: don't pretend that you don't love it

HANZO: I DON'T!

BASTION: uWu
BASTION: uWu
BASTION: uWu

ASHE: I'm going back to America.

MCCREE: take me with you

ASHE: NO!

WINSTON: I can't believe that this is happening.

GENJI: idk why ur even surprised anymore
GENJI: weve done just about everything

WINSTON: That's not a good thing.

GENJI: meh
MERCY: YOU!
GENJI: LISTEN
MERCY: I CAN'T BELIEVE YOU!
GENJI: IT WAS AN ACCIDENT
ANA: There is currently a 0.0 percent chance that was an accident
MCCREE: I WAS IN THE MIDDLE OF MY SHOW
D.VA: FUCK YOUR SHOW
D.VA: I WAS IN THE MIDDLE OF A STREAM
LUCIO: i pray for death
76: Likewise.
MEI: What the fuck happened here?
GENJI: IT WAS AN ACCIDENT
MERCY: NO IT WASN'T!
MERCY: THERE'S NO WAY YOU CAN ACCIDENTALLY DO THAT!
ROADHOG: what even happened?
JUNKRAT: THE FIRE ALARM WENT OFF
ROADHOG: thanks captain obvious
ROADHOG: i was referring to what caused the fire alarm to go off
GENJI: NOTHING
GENJI: IT WAS MERELY A DIVERSION
BRIGITTE: A diversion from what?
GENJI: A DIVERSION FROM MY FUCKING STUPIDITY
D.VA: at least he actually admits it now
GENJI: I DIDNT TYPE THAT SOMBRA TOOK CONTROL OF MY INTERFACE
SOMBRA: guilty as charged
GENJI: STOP THAT
SOMBRA: nah
76: What happened?

LUCIO: the fucking fire alarm went off are you dense?

76: THAT'S NOT WHAT I MEANT!

MERCY: GENJI IS AN IDIOT!

76: I already knew that.

BRIGITTE: Yeah seriously that wasn't a secret.

TRACER: why do you think hanzo killed him?

HANZO: I'm not a part of this.

GENJI: IT WAS ASHES IDEA

ASHE: I think the fuck not.

MERCY: SHE'S NOT THE ONE WHO DID IT!

GENJI: BUT SHE PUT THE IDEA IN MY HEAD

WINSTON: Can we stop deflecting the question and explain why the fire alarm went off?

DOOMFIST: I'm also interested in knowing.

MCCREE: youre not even here

DOOMFIST: I'm curious.

MERCY: GENJI!

GENJI: ANGELA SHUT UP

MERCY: HE TRIED TO MICROWAVE...

MERCY: ANOTHER MICROWAVE!

LUCIO: fdlfdsjhfghjfkfdhjkgfhjkfgdjhk

TRACER: BWAHAHAHAHAHAHAHA

D.VA: OMG NO

76: Are you like, actually stupid?

GENJI: LISTEN

GENJI: IT WAS ASHE

ASHE: For the last time, I'm not the fucking idiot who actually did it.

GENJI: U INSPIRED ME

ASHE: I WAS THINKING OUT LOUD!

REINHARDT: MAYBE WE FOUND LOVE!
ANA: REINHARDT

REINHARDT: RIGHT WHERE WE ARE!

ANA: ED SHEERAN SUCKS

REINHARDT: THINK BEFORE YOU SPEAK, PUNKASS!

LUCIO: im fucking choking

MCCREE: what the fuck is wrong with you?

GENJI: THAT WAS SOMBRA AGAIN

SOMBRA: shrugs

GENJI: STOP HACKING MY INTERFACE

SOMBRA: but thats no fun

BRIGITTE: WE JUST BOUGHT THAT MICROWAVE!

GENJI: LOOKS LIKE WERE GONNA BE BUYING ANOTHER ONE

WINSTON: What is God's name made you think that was a good idea?

GENJI: i didnt say it was a good idea
GENJI: i was just curious to see what would happen

ASHE: I had a theory that microwaving a microwave would cause the universe to explode or something.

HANZO: Something definitely exploded.

TRACER: i cant believe the watchpoints still standing

DOOMFIST: How bad was this explosion?

D.VA: you know the explosion that comes from a mini nuke?
D.VA: multiply that by like fifteen

DOOMFIST: I don't understand.

REINHARDT: I do!
REINHARDT: I understood that reference.

D.VA: too bad fallout 10 didnt have any mini nukes in it

REINHARDT: That's because it was an inferior game compared to Fallout 4.

D.VA: disagree

REINHARDT: You can disagree all you want.
REINHARDT: You're still wrong.
BRIGHTTE: @HANZO
BRIGHTTE: Why couldn't you succeed in getting rid of Genji?

HANZO: Believe me, I ask myself that question daily.

GENJI: WOW

MERCY: I'M SICK OF DEALING WITH YOUR STUPIDITY!

GENJI: IM SICK OF BEING ALIVE AND YET HERE THE FUCK WE ARE

LUCIO: mood tho

ROADHOG: so uh
ROADHOG: do we call the fire department or something?

WINSTON: Can't.
WINSTON: They've had us blacklisted ever since Jesse's DIY fireworks.

MCCREE: LOOK
MCCREE: I THOUGHT THE PULSE BOMB WOULD ADD SOME FLAIR TO IT

REINHARDT: It added flair alright.
REINHARDT: We're lucky that Torbjorn was able to extinguish it before the entire forest burned down.

76: It took me two hours to convince the Fire Marshal not to arrest Jesse on the spot.

ANA: Wed prob be better off honestly

MCCREE: hey

D.VA: if that got us blacklisted what is this gonna get us?

BRIGHTTE: Executed in front of the townsfolk probably.

GENJI: i doubt that

BRIGHTTE: Are you absolutely sure?

GENJI: ...fuck

SOMBRA: how the hell did you manage to get away without blowing another arm off?

GENJI: carefully

TORBJORN: I'll get the bots.

GENJI: WAIT THEY STILL SHOOT AT ME

TORBJORN: Thanks for noticing.

GENJI: TORB NO

TORBJORN: This is what you deserve.

LUCIO: WAIT
LUCIO: ARE THEY STILL LOCKED ON TO ME TOO?
TORBJORN: Quite possibly.
LUCIO: WTF IVE BEEN GOOD LATELY
TORBJORN: Indifferent.
GENJI: SERIOUSLY WHY DOES THIS HAPPEN TO ME?
76: Because you're a fucking idiot.
HANZO:

D.VA: HOLY SHIT DID HANZO JUST MEME?
LUCIO: NO FUCKING WAY
GENJI: HOW COULD U DO THIS?
GENJI: UR SUPPOSED TO BE MY BROTHER!
HANZO: God, I wish you weren't.
GENJI: THATS IT I HAVE NO REASON TO LIVE ANYMORE
MCCREE: after that
MCCREE: yeah i think youre right
BRIGITTE: Am I the only one who didn't know that Hanzo memes?
HANZO: I have over ten thousand memes on my communicator.
D.VA: ...wtf
REINHARDT: That's almost double mine!
HANZO: Indeed.
LUCIO: wait why is this the first time you memed then?
HANZO: You would not be able to handle it if I sent them.
LUCIO: you dont know that
HANZO: Yes I do.
LUCIO: FUCK THEYRE HERE
GENJI: WAIT I CANT RUN
GENJI: SOMBRA HACKED MY JOINTS
SOMBRA: i have no idea what you mean
GENJI: SOMBRA THIS IS SERIOUS IM ACTUALLY GONNA DIE
76: Good.
MCCREE: about time
GENJI: WHY ARE U ALL THIS WAY?
MCCREE: I WAS WATCHING MY SHOW GENJI
MCCREE: I WILL NEVER FORGIVE THIS
GENJI: THERE ARE MORE IMPORTANT THINGS AT STAKE THAN UR STUPID FUCKING SHOW
REINHARDT: He's right.
REINHARDT: For example.
REINHARDT: Where are we going to make food now that kitchen is a crater?
D.VA: who the hell makes food?
MERCY: Literally everyone except you and Jesse.
MERCY: And that's just because the last time Jesse cooked we all got food poisoning.
MCCREE: it wasnt that bad
MERCY: Every toilet on base would disagree.
D.VA: why dont you all just order out?
D.VA: thats what i do
MERCY: The rest of us can't survive on a diet filled entirely of grease and fast food.
MERCY: And I'm sure you won't last that much longer either.
D.VA: you underestimate my power

LUCIO: honestly this should be a new record
LUCIO: this is the first time the fire alarm was set off by someone not junkrat

JUNKRAT: HEY IVE BEEN GOOD RECENTLY

76: Three days isn't good enough.

JUNKRAT: WE DIDNT HAVE FIRE ALARMS IN THE OUTBACK

ANA: Doesnt seem like u had common sense either

ROADHOG: we did
ROADHOG: hes just a wildcard

JUNKRAT: I JUST CAME HERE TO HAVE A GOOD TIME AND IM HONESTLY FEELING SO ATTACKED RN

D.VA: boo

LUCIO: get off the stage

JUNKRAT: WHY AM I NOT ALLOWED TO MEME?

GENJI: its not funny when u do it

JUNKRAT: :( 

MCCREE: arent you suppossed to be getting killed by butler bots?

GENJI: im hiding in the vents

TORBJORN: They will find you, Genji.

GENJI: LEAVE ME ALONE IM JUST TRYING TO LIVE MY LIFE
GENJI: HOWEVER SHORT IT MAY BE

ASHE: STOP!

BOB: ...

ASHE: YOU'RE NOT FIXING ANYTHING!
ASHE: YOU'RE JUST GONNA MAKE IT WORSE!

BOB: ...

ASHE: LISTEN HERE YOU LITTLE SHIT!

WINSTON: What's happening now?

ASHE: THIS DUMB BUCKET OF BOLTS IS TRYING TO FIX THE KITCHEN BUT HE'S JUST MAKING A BIGGER MESS!

WINSTON: B.O.B. I appreciate your help, but I think it's better that we leave the repairs to Torbjorn, Jesse, and the repair bots.
BOB: ...

ASHE: Suck up.

BOB: ...

ASHE: I KNOW WHERE YOUR OFF SWITCH IS!

BOB: ...

ASHE: TRY ME, BITCH!

DOOMFIST: With all the problems that Jesse causes, I find it shocking that you actually trust him to repair things.

76: That's one of the few things he actually does right.

MERCY: That's really the only thing he does right.

MCCREE: rude

ASHE: He's also very good at betraying his own boys.

MCCREE: THIS WAS TWENTY YEARS AGO

ASHE: I'M STILL UPSET!

MCCREE: GET OVER IT

ASHE: I WILL NEVER GET OVER IT!

BOB: ...

ASHE: STAY OUT OF THIS!

TRACER: at least there's good news!

76: There's nothing good about this.

TRACER: incorrect
TRACER: i managed to save the frosted flakes!

REINHARDT: LENA, YOU SAINT!

LUCIO: YOU ARE FORGIVEN FOR EVERY BAD THING YOUVE EVER DONE

TRACER: :)

MERCY: The entire base could possibly crumble from the damage and all you're concerned about is a stupid breakfast cereal?

REINHARDT: DO NOT INSULT MY FROSTED FLAKES!

BRIGITTE: They're not even that good.

REINHARDT: THEY'RE MORE THAN GOOD!
ANA: **REINHARDT**

REINHARDT: *THEY'RE GRRRRRRREAT!*

ANA: *I WILL FUCKING END U*

REINHARDT: *WHY ARE YOU SO AFRAID OF THE TRUTH?*

TORBJORN: Jesse, just get over here.
TORBJORN: The sooner we get this done, the sooner I can get back to the armory.

MCCREE: ill be there in like ten minutes
MCCREE: i need to see who dies

MERCY: At this rate?
MERCY: Probably Genji.

GENJI: rude

HANZO: Don’t make me finish the job.

GENJI: ur supposed to be my brother why do u hate me so?

HANZO: I'm still angry over Tojo.

GENJI: OMG THAT WAS LITERALLY THIRTY YEARS AGO

HANZO: *HE WAS THE CUTEST LITTLE PIG IN THE WHOLE WORLD!*

GENJI: ITS NOT MY FAULT HE ESCAPED AND GOT HIT BY THAT CAR

HANZO: *YOU LEFT THE DOOR OPEN!*

GENJI: PROVE IT

HANZO: *THE DRAGON RAGES WITHIN ME!*

GENJI: GET AWAY FROM ME WITH THAT BOW

[HANZO SHIMADA] left chatroom [HIPPIPTY HOPPITY STAY AWAY FROM REINHARDT'S PROPERTY]

[GENJI SHIMADA] disconnected from chatroom [HIPPIPTY HOPPITY STAY AWAY FROM REINHARDT'S PROPERTY]

76: ...Should we do something?

WINSTON: I think it's wise to just let it play out.

76: Fair enough.

TORBJORN: Regardless of what happens, he's still going to pay for making me drop everything and repair.

DOOMFIST: Get in line.
D.VA: yeah seriously

TORBJORN: That line begins and ends with me.
TORBJORN: Unless you'd like to challenge me.

DOOMFIST: I'm good.

D.VA: also

TORBJORN: Good to see that someone here has their heads on straight.

WINSTON: I didn't want an answer like that.
PHARAH: Should've specified then.
76: As interesting as this is.
76: Which it isn't.

BRIGITTE: We were all secretly hoping you died.

MERCY: I wasn't.
MERCY: I was very vocal about wishing for her death.

MOIRA: Why do you all hate me?

WIDOWMAKER: The list is too long.

MERCY: Let's start with the unethical practices you employed.

DOOMFIST: I truly believe it's just your face.

REAPER: You suck as a healer.

MCCREE: what contest?

BRIGITTE: Who can have sex on the most furniture on base.

WINSTON: Please stop.

LUCIO: ...whos winning?

TRACER: you guys have been dating for the longest its not fair

PHARAH: Pfft.
PHARAH: That's nothing.
PHARAH: Angela and I had sex in the vault last night.

TRACER: how did you even get down there?

BRIGITTE: Fuck that, I want money if I'm gonna be doing that.

TRACER: youre not gonna be doing that are you?

BRIGITTE: I considered it but then I learned that I won't get paid and now I'm very turned off to the subject.

Chapter End Notes

Hey guys, I'm sorry for being MIA for the last month or so.

I took a pretty nasty fall at work a few weeks back. I broke a few bones and needed a surgery on my arm in order to get everything to heal right. I was in the hospital for about a week and I've been on the mend since then. Thankfully, I'll be alright. But, in between the injuries and the PT I've been going through, I just haven't found the time to get back to this fic. The recovery process has been going well, and for the most part, I'm out of the woods when it comes to complications. I'll still be going to PT for another month and I still have two weeks before I can get my casts taken off, but I'm definitely much
better now than I was a month ago.

Thank you all for your support, and I want to reassure everyone that I'm alright. I hope I didn't worry anyone with my long absence. The rest of my week is looking really busy, so I probably won't get another chapter out until next Friday or so. I'll post updates on my condition for anyone who may be interested.

Again, just want to say thank you guys for sticking with me. I know that you're mostly here for the laughs, but I felt that I owed you all an explanation. Hope you guys enjoy!
GENJI: hey why the fuck am i the one that has to find everyone?

MCCREE: you lost the coin toss

GENJI: no i didnt
GENJI: i wasnt even involved in that

MCCREE: and thats why you have been selected

GENJI: bullshit

MCCREE: why?
MCCREE: i love playing hide and seek

76: I DIDN'T AGREE TO THIS!

PHARAH: You don't have to.
PHARAH: It's a requirement for being part of this team.

76: I'm leaving.
76: Effective immediately.

WINSTON: Sorry, it will still take two days to process your retirement and at least another month before HR validates it.
WINSTON: Regardless, you are still a part of this team and are still required to participate.

76: Why are you even going along with this?

WINSTON: What harm could possibly be done by hiding around the base?

REAPER: Do we need to remind you of the electrical box?

GENJI: NEVER BRING IT UP AGAIN!

MERCY: You're entirely made of metal.
MERCY: Metal is extremely conductable.
MERCY: I don't know why you thought hiding there was a good idea.

PRIVATE CORRESPONDENCE

SATYA: Hanzo.
SATYA: Are you asleep?

HANZO: Satya...
HANZO: With all due respect.
HANZO: It is 2:27 in the morning.
HANZO: What else would I be doing?

SATYA: I just thought you'd still be training.

HANZO: I'm not obsessed with training.

SATYA: And yet, you're still in the practice range essentially every waking hour of the day.

HANZO: Getting sleep is just as important as keeping in shape.

SATYA: Fair enough.
SATYA: Did I wake you?

HANZO: Yes.

SATYA: I'm sorry for that.

HANZO: No worries.
HANZO: If it was anyone else, I would be much more unhappy.

SATYA: I hate to bother you, but Genji's been making quite the racket and it's interfering with my sleep.

HANZO: That's Genji?
HANZO: I thought for sure that was Torbjorn working in the armory.

SATYA: Sadly, it's not that simple.
SATYA: Brigitte and I have been trying to sleep for the last hour or so and he's not stopping.
SATYA: Brigitte was going to go break his kneecaps, but I wanted to see if I could solve it non-violently first.

HANZO: So you're asking me?

SATYA: I figured it'd be less violent than breaking his knees.

HANZO: You seem to forget that I killed him.

SATYA: ...It's really early.

HANZO: Obviously this one.

MCCREE: IM THE FUCKING BEST

GENJI: WE LOVE U TOO HANZO

Chapter End Notes

Hey everybody, so sorry for not updating. I had my final check with my doctor yesterday and my last week of PT begins on Monday, so after that, I'm in the clear. And then hopefully I won't get too swamped with work so I can go back to updating weekly again. Thanks for being patient with me. I appreciate all of you :D

WINSTON: Does everyone understand the mission?

LIAO: honestly
LIAO: not at all

MORRISON: Seriously?
MORRISON: How many fucking times do we need to explain it?

GENJI: its liao
GENJI: probably like fifteen

LIAO: rude

MORRISON: Do we have to explain the entire cover story to you again?

LIAO: would you?

MORRISON: For fuck's sake.

REYES: Do you have any brain cells left?

LIAO: im not sure but honestly probably not
REYES: Unbelievable.

ANA: Okay for real tho
ANA: Why are we sending the entire fucking base out for a covert ops mission?

WINSTON: We're sending five operatives into the thick of things.
WINSTON: The rest are going to be waiting in the wings in case something goes wrong.

REINHARDT: Which it often does.

WINSTON: I'm trying to remain optimistic here.

GENJI: good luck with that

LIAO: okay wait at least remind me of whos going out

MCCREE: all of us

LIAO: NOT WHAT I MEANT

WINSTON: Jack, Reyes, Jesse, Kimiko, and Gerard are going to be going in undercover.
WINSTON: Reinhardt and Dr. Ziegler will be waiting on the outskirts of town in case anyone is injured or in need of support.
WINSTON: The rest of us will be monitoring the events from the safehouse in Berlin.

GENJI: wait why is jesse being trusted with this and im not?

MCCREE: because i actually understand the concept of stealth

GENJI: im a fucking ninja
GENJI: stealth is literally the first thing we train

WINSTON: Yes, but you're also a cyborg.
WINSTON: That would blow your cover immediately.

GENJI: racists

ANA: What exactly are we looking for again?

REYES: We have a lead on a Talon Commander working in Berlin.
REYES: We're going to see if we can gather any intel about what he's planning.

REINHARDT: If he's even there.

MCCREE: WAIT
MCCREE: YOU'RE MAKING ME DRESS IN A SUIT FOR A GUY WHO MIGHT NOT EVEN BE THERE?

MORRISON: Well, you can't be dressing like a cowboy.
MORRISON: That would give you away just as easily as Genji.

MCCREE: fuck

REYES: Jack and I could easily handle this.
REYES: We don't need the kid to come along.
WINSTON: Unless you two have mastered the art of being in five places at once, you will absolutely need help here.

[KIMIKO] entered chatroom [I'M REPORTING JESSE FOR TOXIC BEHAVIOR]

[GERARD LACROIX] entered chatroom [I'M REPORTING JESSE FOR TOXIC BEHAVIOR]

KIMIKO: Don't be such babies.

REYES: The last time we had a mission together it ended horribly.

REINHARDT: Yes, and who's fault is that?
REINHARDT: I seem to recall two people sneaking away to make out.

MORRISON: NO WE DIDN'T!

KIMIKO: YES YOU DID!
KIMIKO: YOU LEFT MIREMBE AND I ON OUR OWN!
KIMIKO: WE ALMOST FUCKED THE WHOLE MISSION UP!

REYES: HOW?
REYES: IT WAS A JOB SO EASY A TODDLER COULD'VE DONE IT!

KIMIKO: I AM NOT A SMART WOMAN!

WINSTON: I'm suddenly even less optimistic about our chances.

LACROIX: Don't worry, Winston.
LACROIX: I'll make sure everything goes according to plan.

WINSTON: It's good to know that I can rely on at least one member.

MORRISON: Literally all of us are trustworthy except Jesse and Genji.
MORRISON: And to some extent, Liao.

LIAO: HEY

[LENA "TRACER" OXTON] entered chatroom [I'M REPORTING JESSE FOR TOXIC BEHAVIOR]

[MIREMBE] entered chatroom [I'M REPORTING JESSE FOR TOXIC BEHAVIOR]

TRACER: oi luvs can we get this show on the road?
TRACER: ive been waiting in the orca for the last half hour im getting antsy

MIREMBE: Please.
MIREMBE: She's been singing Disney songs non-stop.
MIREMBE: Can we go already?

WINSTON: We're on the way, Mirembe.

LIAO: WAIT I STILL DONT KNOW WHATS GOING ON

MORRISON: Just get on the fucking ship.
Morrison: We’ll rebrief you on the way.

McCree: Wait
McCree: No one told me about the ship

Genji: How the fuck did u think we were gonna get to Berlin?
Genji: Swim?

Mercy: Berlin is landlocked.
Mercy: You can’t technically swim there.

Genji: No time for logic

Reyes: Get on the fucking ship!

McCree: Guys
McCree: I get airsick
McCree: We’ve talked about this

Kimiko: Your sacrifice will be noted.

Tracer: I’m taking off in five minutes with or without you

McCree: Fuck

______________________

Liao: You haven’t eaten anything all day
Liao: There’s no reason you should still be puking

McCree: I hate my life

______________________

Winston: Is everyone settled in?

Lacroix: For the most part.

Kimiko: If you take away the fact that Jesse’s still sick.

McCree: I should’ve gone to jail
McCree: They don’t make me fly there

Reyes: Man up.

McCree: Die

Mercy: Reinhardt and I are in position.

Reinhardt: Berlin!
Reinhardt: Oh, how I’ve missed you!

Winston: The two of you don’t have too much to worry about.
Winston: Just make sure you’re keeping in contact with our undercover agents and jump to their aid if need be.
MERCY: Understood.

ANA: Honestly did the rest of us need to sit in the safehouse?
ANA: We cant all be vital to this mission

WINSTON: I need you here.
WINSTON: If something really goes wrong, it's our priority to get our agents out of there.

MIREMBE: Wouldn't that just be Lena's job?
MIREMBE: She is the pilot.

WINSTON: Lena's our escape route.
WINSTON: The rest of us would still need to cover until everyone was safely on board.

KIMIKO: So, am I just supposed to sit on this bench and do nothing?

WINSTON: You know who you're looking for.
WINSTON: As long as you keep an eye on your surroundings, you're free to do whatever you want.

GENJI: how do we even know that hes here?

REYES: We don't.
REYES: We're hear to confirm or deny the reports from our scouts.

ANA: So u made me come all the way out here and our guy might not even be in berlin?

MORRISON: It's called trial and error, Ana.
MORRISON: I'd expect my second in command to know that.

ANA: All i do know is that i had a fresh chocolate cake in the fridge back on base and now im sitting here where i cant eat it

TRACER: you wouldnt have been able to eat it anyway captain!

GENJI: yeah liao already did it for you

LIAO: GENJI NO

ANA: LIAO
ANA: I HOPE THE FUCK THAT U DIDNT

LIAO: CAPTAIN DONT
LIAO: WERE ON A MISSION

ANA: THE ONLY MISSION I HAVE NOW IS TO DESTROY EVERYTHING U HOLD NEAR AND DEAR

WINSTON: ANA!
WINSTON: SAVE IT FOR AFTER THE MISSION!

ANA: ...
ANA: START WRITING UR WILL LIAO

LIAO: I DONT NEED THIS RN

LACROIX: Good to see nothing's changed.
MIREMBE: Mission or not, someone will always find a way to mess things up.

WINSTON: Maybe I made a bad decision.

REYES: Neither of them are in the field right now.
REYES: I couldn't care less what they do.

LACROIX: Jesse, enough already.
LACROIX: You're going to blow our cover.

MCCREE: YOU DONT UNDERSTAND

KIMIKO: We landed like three hours ago.
KIMIKO: How is possible that you're even still puking?

MCCREE: DONT QUESTION ME

MORRISON: We should've just left them at the base.

LACROIX: I'm not dealing with this right now.
LACROIX: I'm going out on patrol.

KIMIKO: Who exactly are we looking for again?

REYES: For fuck's sake.
REYES: DO ANY ONE YOU LISTEN TO THE BRIEFINGS?

GENJI: well

LIAO: not entirely

KIMIKO: I really did try.
KIMIKO: But I got bored and started playing Fallout.

REINHARDT: ...Which one?

KIMIKO: New Vegas.

REINHARDT: ACCEPTABLE!

REYES: Unbelievable.

MORRISON: For the love of...
MORRISON: There's a possible Talon Elite here.
MORRISON: We need to see if we can track him down.
MORRISON: No force, Jesse.

MCCREE: THIS IS THE WORST DAY EVER

KIMIKO: So, we're tracking some guy down but not actually arresting him?

REYES: It's complicated.
REYES: We need to confirm if he's here first.

GENJI: do we even know what he looks like?
REYES: First of all, there is no reason that you should care seeing as how you're not involved in our investigation.
REYES: Second, everyone has a photo of him in their inbox.

ANA: Oh right let me just look at the inbox that jesse hacked and locked me out of
ANA: Brilliant fucking idea gabe

REYES: GOD DAMN YOU, KID!

MCCREE: FUCK OFF IM DYING HERE

TRACER: so the rest of us seriously just have to hang here doing nothing while you lot are having all the fun?

WINSTON: You're more than welcome to explore the city as long as you remain covert and keep your comms on at all times.

TRACER: SCORE!

REYES: Okay, I've sent the picture to everyone's holopads.

REINHARDT: ...What is that on his head?

ANA: Is that his nose or a slab of wood?

MCCREE: jesus fuck this guy is ugly

MERCY: That jacket does not match his shoes at all!

REYES: OKAY, ENOUGH OF THE CRITICISM!
REYES: Obviously, he'll be fairly easy to spot.
REYES: Make sure let the rest of us know if you find him.

KIMIKO: With an outfit like that, I'd have to be blind to not spot him.

MIREMBE: I'm fairly certain even blind people could spot him when his colors clash that badly.

REYES: THIS IS NOT THE POINT OF THIS CONVERSATION AT ALL!

LACROIX: I will let you know if someone matches the description.

MORRISON: At least someone is taking this seriously.

MERCY: I'd like to think that Reinhardt and I are taking this seriously.
MERCY: If you don't count Reinhardt's obsessive video game playing.

REINHARDT: I'M BORED, OKAY?
REINHARDT: I'VE BEEN WAITING TO SMASH IN BUTTHOLES AND THERE ARE NO BUTTHOLES FOR ME TO SMASH!

LIAO: reinhardt
LIAO: please dont use those words in a sentence again

GENJI: well i mean u can smash angelas butthole if u want

TRACER: yeah its actually really nice
MERCY: Guys...

TRACER: im kidding lol!

MERCY: So you're saying that I don't have a nice ass?

TRACER: ...uh
TRACER: well i mean if youre asking
TRACER: your ass is actually probably one of the nicest ive ever seen in my life
TRACER: but i respect your boundaries and will not comment further

REINHARDT: Honestly, there were a thousand different ways I envisioned this conversation way going, and this was not one of them.

WINSTON: We are once again extremely off track.

GENJI: its pretty normal honestly

LACROIX: Can we stop wasting time and actually go forward with the mission?
LACROIX: I'd rather not be here longer than I have to be.

REINHARDT: What do you have against Germany?

LACROIX: Well, for starters, they invaded my homeland and tried to enslave us all.

REINHARDT: THAT WAS LITERALLY 100 YEARS AGO!

LACROIX: FRANCE STILL HAS NOT FORGOTTEN!

MIREMBE: ...

MERCY: ...

LIAO: ...

KIMIKO: ...So, this mission?

LACROIX: Yes, let's do that.

REYES: Jack and I will cover the market.

KIMIKO: I'll sweep the alleys.

MCCREE: ILL KEEP PUUKING

MORRISON: Glad to hear it.

_____________________

ANA: IM SOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO BORED

MCCREE: HONESTLY SAME
MCCREE: IM JUST GLAD IM NOT THROWING UP ANYMORE

REYES: I think our intel was off.

KIMIKO: Oh gee, you think?
KIMIKO: I've been standing here for the last six hours and all I've seen is the same woman drop her groceries on the ground over and over again.

KIMIKO: Why won't anyone help her?

LIAO: hey gerard dont get mad but i snuck out of the safehouse cause otherwise im gonna go nuts

LACROIX: Why is that going to make me mad?

LIAO: cause im coming to find you since youre closest

LACROIX: ...Okay, I see the problem now.

WINSTON: LIAO, GET BACK HERE!

LIAO: I JUST WANNA EXPLORE
LIAO: IM GOING BONKERS SITTING IN THAT FUCKING SAFEHOUSE

WINSTON: GERARD IS UNDERCOVER!
WINSTON: YOU COULD BLOW THE WHOLE THING!

LIAO: GERARD WILL BE FINE
LIAO: I CANT SAY THE SAME FOR ME IF IM NOT ALLOWED TO CLEAR MY HEAD

WINSTON: GET BACK TO THE SAFE HOUSE!

LIAO: TOO LATE I ALREADY FOUND GERARD

LACROIX: ...How?
LACROIX: I didn't even tell you where I was.

LIAO: DONT QUESTION ME

MCCREE: uh guys?
MCCREE: i hate to break this up
MCCREE: but is that our guy?

REYES: WHERE?

MCCREE: near the picnic tables
MCCREE: standing underneath the bar sign

MORRISON: I can't see him.
MORRISON: Some douchebag in a hoodie is standing in the way.

REYES: Wait...
REYES: I'm wearing a hoodie.

MORRISON: Take the hint.

GENJI: did jack actually just insult reyes?

ANA: Thought u were too in love to do that

MORRISON: Don't tell me what I can do.
MORRISON: I'm in charge.
KIMIKO: I can see him.
KIMIKO: That’s definitely our guy.

MCCREE: well great what do we do now?

REYES: Move in on him.
REYES: Stay far enough away so he doesn’t notice you but don’t lose sight of him.

KIMIKO: FUCK!
KIMIKO: GERARD, HE’S WALKING STRAIGHT TOWARDS YOU!

LIAO: DON’T WORRY I’LL FIX THIS

MORRISON: LIAO, NO!

MORRISON: WHY DID YOU DO THIS?

LIAO: I PANICKED

KIMIKO: THAT WASN’T DISCREET!
KIMIKO: YOU’RE LUCKY REYES WAS THERE TO TACKLE HIM OTHERWISE HE WOULD’VE GOTTEN AWAY!

LIAO: OH YEAH AND TACKLING HIM WAS SO MUCH MORE DISCREET
LIAO: NOW THE ENTIRE FUCKING SQUARE KNOWS THAT WE WERE HERE

WINSTON: THIS IS WHY I TOLD YOU TO WAIT IN THE SAFEHOUSE!

REYES: I’M BRINGING HIM BACK FOR INTERROGATION!
REYES: MIREMBE, I NEED THE POLICE SCANNERS SCRAMBLED!
REYES: GET THEM OFF MY TRAIL!

MIREMBE: On it, boss.

TRACER: oh does someone need a pick up?

REYES: NO, LENA!
REYES: THE ORCA WOULD JUST DRAW MORE ATTENTION!

REINHARDT: How much more attention could you possibly draw?

MCCREE: yeah seriously
MCCREE: first liao pushes gerard into a rose bush and then reyes tackles a guy in the middle of a square
MCCREE: and then angela comes storming into the square to pull gerard out and now everyones screaming

GENJI: are u still there?

MCCREE: this beer was eight dollars genji
MCCREE: im finishing it even if it kills me

ANA: i mean someone might definitely die tonight
ANA: especially if angela gets those thorns out of gerard quickly
MERCY: HOLD STILL!

LACROIX: LIAO!
LACROIX: MAKE PEACE WITH YOUR GOD!

LIAO: FUCK

REYES: I NEED SOME GUIDANCE HERE!

ANA: Alright alright dont get ur panties in a bunch
ANA: Im pulling up the map now

REYES: HURRY!

ANA: Okay lets see
ANA: Hang a left at the corner and go straight past the bakery

REYES: ON IT!

REINHARDT: Wait, are you carrying him on your shoulders?

REYES: I HAD TO GET OUT OF THERE QUICKLY AND THIS WAS THE EASIEST WAY TO DO IT!

GENJI: should we help him or?

WINSTON: He'll make it.
WINSTON: He's very capable.

ANA: K now jump the fence at the end of the street
ANA: ... 
ANA: NO GABE NOT THAT ONE

_________________

TRACER: thats it im bringing the orca around

REINHARDT: I swear to God, I'm waiting for cameras to come out of the bushes and tell me I'm being punk'd.

REYES: YOU ARE COMPLETELY AND UTTERLY USELESS!

ANA: I SAID AT THE END OF THE STREET
ANA: NOT NEXT TO THE BRIDGE U FUCKING IDIOT

REYES: I'M FIRING YOU!

ANA: GO FOR IT PUSSY
ANA: IM SECOND IN COMMAND

MIREMBE: I don't entirely understand how this happened.

GENJI: yeah its not like theres a drop straight to the river
GENJI: u literally wouldve had to taken three steps forward before u fell in

REYES: I WAS DISTRACTED!
MERCY: I REGRET JOINING THIS TEAM WITH EVERY FIBER OF MY BEING!

REYES: YOU AND I BOTH!

KIMIKO: Did we at least get our man?

MORRISON: Amazingly.

WINSTON: Just bring him back to the safehouse.
WINSTON: We'll figure out what to do when you get here.

TRACER: okay!

MCCREE: man that was a good beer
MCCREE: im gonna get another one

WINSTON: I said I needed you to come back.

MCCREE: one more beer

MIREMBE: I wouldn't do that if I was you.

MCCREE: why?

MIREMBE: Well, we're going to be going back to the Watchpoint once everyone gets back here.
MIREMBE: I can't imagine all that beer is going to help your airsickness.

MCCREE: NO

GENJI: ill get the bucket

REINHARDT: Get several buckets.

KIMIKO: Angela, isn't there something you can give him to help with his problem?

MERCY: I did give him something.
MERCY: He threw it up.

GENJI: lol

TRACER: so were just gonna have to deal with it then?

MERCY: Pretty much.

MCCREE: I HATE MY LIFE

REINHARDT: How do you think the rest of us feel?
REINHARDT: I'm sick of seeing your chunky puke.

ANA: Ew

MCCREE: IM GOING BACK TO NEW MEXICO

MORRISON: You still have to fly to get there.

MCCREE: FUCK
OPINION TIME:

Okay guys, hate to bore you with an entire paragraph here, but I was hoping to gather some opinions on something. I was kinda interested in started a gaming channel on youtube. I enjoy just fucking around with my friends and a lot of crazy things happen to us while we play. Plus, I just enjoy making content, as you can tell with this fic. I was just wondering if a gaming channel is something you guys would be interested in, especially since you all seem to enjoy this chat so much and my friends and I serve as the inspiration for like everything that happens here. If not, no worries. As long as you guys keep enjoying this, I'm good.
PRIVATE CORRESPONDENCE

BRIGITTE: Stop what you're doing before I kill you.

GENJI: ???
GENJI: im literally laying in bed doing nothing

BRIGITTE: Then who's making all that noise?

GENJI: u know just because theres noise doesnt mean im responsible all the time

BRIGITTE: Maybe if your track record was better, I wouldn't accuse you first.

GENJI: ur a bully

BRIGITTE: And you're annoying.
BRIGITTE: Who's making all the noise?

GENJI: why the fuck do u think i would know?

BRIGITTE: Chaos follows you.

GENJI: i disagree

BRIGITTE: Look, someone is making a shit load of noise and they are making it very difficult to sleep and when I find out who it is I'm gonna throw hands.

BRIGITTE: It's not Jesse.
BRIGITTE: He's still in the infirmary.

GENJI: still?
GENJI: wtf happened to him?

BRIGITTE: I think it's better that you don't know.

GENJI: why are u so violent?

BRIGITTE: Because jackasses like you and Jesse insist on keeping me up at night.
BRIGITTE: I need my sleep, Genji.
BRIGITTE: I'm not responsible for your injuries.

GENJI: look i have no idea whos making all that noise
GENJI: im literally just sitting in bed

BRIGITTE: Well, looks like I'm going hunting.

GENJI: this is gonna be bad
BRIGITTE: WHO IS IT?

MCCREE: ITS NOT ME
MCCREE: IM STILL RECOVERING

BRIGITTE: *LET IT BE A LESSON TO YOU!*

76: It's two in the fucking morning.
76: What is going on?

BRIGITTE: I have no idea.
BRIGITTE: But, when I find out who's doing it, we're gonna have a problem.

ANA: Like 90 percent of the base is asleep rn
ANA: And jesses in the med wing
ANA: So there's not a whole lot of options

BRIGITTE: SOMBRA!

SOMBRA: chill its not me

BRIGITTE: THEN WHO IS IT?

ASHE: IT'S BOB!

BOB: ...!

ASHE: HIM AND BASTION ARE PLAYING DOOM IN THE COMMON ROOM WITH THE MUSIC COMING OUT OF THE SPEAKERS!

REINHARDT: ...That's a dangerous game, Bob.

BOB: ...

BRIGITTE: I'M TRYING TO SLEEP!

BOB: ...

ASHE: NO ONE CARES IF YOU CAN'T SLEEP!
ASHE: THE REST OF US DO!

BOB: ...

ASHE: BASTION DOESN'T COUNT!
ASHE: HE'S AN OMNIC TOO!

BOB: ...

ASHE: MAKE ONE MORE COMMENT ABOUT MY CAPS LOCK AND I'LL CAPS LOCK YOU OUT OF EXISTENCE!

BOB: ...!

BASTION: :O
LUCIO: can we like add a feature where we can actually decode what bob is saying?

MCCREE: what do you mean?
MCCREE: i can understand him just fine

LUCIO: HOW?
LUCIO: HES NOT EVEN SAYING ANYTHING

BOB: ...

MCCREE: give him some time bob
MCCREE: hes a little slower than the others

LUCIO: BOB
LUCIO: I THOUGHT WE WERE FRIENDS
LUCIO: DONT MAKE FUN OF ME

BOB: ...

ASHE: YOU’RE MY PARTNER!
ASHE: STOP GETTING SO FRIENDLY WITH EVERYONE ELSE!

BRIGITTE: STOP PLAYING DOOM!
BRIGITTE: OR AT LEAST TURN OFF THE SPEAKERS!

REINHARDT: We don't need a repeat of what happened last time.

76: I don’t want to talk about this.

ANA: Thats what u get for blasting katy perry

MCCREE: thats not funny it took me like three hours to find all the pieces

REINHARDT: There’s probably still some hiding underneath the TV stand.

76: I DON'T NEED THIS RIGHT NOW!

HANZO: What the hell is going on here?

GENJI: well its a groupchat
GENJI: so im gonna guess texting

HANZO: Hilarious.
HANZO: Do you people even sleep anymore?

BRIGITTE: I'VE BEEN TRYING!

[SYMMETRA] entered chatroom [DOUBLE BLADED DILDO SWORD]

SYMMETRA: Brigitte, honey.
SYMMETRA: Come back to bed.

BRIGITTE: ...Fine.
BRIGITTE: Please just turn the sound down.

BOB: ...
ASHE: YOU’RE NOT SUPPOSED TO GIVE IN JUST LIKE THAT!
MCCREE: its mighty telling that an omnic has better manners than you ashe
ASHE: SHUT THE FUCK UP!
LUCIO: hey btw satya and brigitte are so gay
SYMMETRA: Why do you feel the need to say that all the time?
LUCIO: cause
76: Can we please just all go to sleep?
GENJI: i dont sleep
BOB: ...
MCCREE: i cant sleep in this med wing bed
ANA: Wtf do u mean?
ANA: Didnt u fall asleep on a tree root during the mission in brazil?
MCCREE: NOT THE POINT
SYMMETRA: We really need to consider investing in a quiet section of the base.
HANZO: Or at least thicker walls.
WINSTON: I'll put it on the list.
WINSTON: It's a bit harder to make modifications without the backing of the UN.
LUCIO: have you been awake this whole time?
WINSTON: This is usually the only time I can get any work done.
WINSTON: During the day, there are too many distractions.
MCCREE: theres too many distractions all the time
WINSTON: At least you're usually quieter during the night.
TRACER: jesse didnt angela take your phone?
MCCREE: well obviously not or else i wouldnt be texting
TRACER: she said you needed to rest!
MCCREE: i just spent six hours painfully getting my arm reattached
MCCREE: sorry if im not entirely feeling up to resting
REINHARDT: After an ordeal like that, resting sounds like exactly what you need.
MCCREE: i know what i can handle
ANA: No u dont
LUCIO: yeah remember the hot wing contest?
MCCREE: FUCK OFF
MCCREE: I ATE MORE HOT WINGS THAN ANY OF YOU

76: And then you spent two hours dispelling them in the bathroom.

SOMBRA: i could smell it through the cameras

GENJI: how the fuck did u even manage to eat 106 hot wings in ten minutes?
MCCREE: i was hungry
GENJI: that doesn't answer my question
MCCREE: it wasn't supposed to
ANA: Psh thats nothing

LUCIO: yeah we all remember lena during the pizza party
TRACER: i like pizza!

REINHARDT: So do the rest of us.
REINHARDT: The rest of us don't eat fifteen pies in an hour.

BRIGITTE: GO TO BED!

GENJI: we've already established that several of us can't physically go to sleep and the others don't sleep anyway
GENJI: just turn ur fucking phone off

BRIGITTE: I CAN'T!
BRIGITTE: I NEED THE ALARM!

MCCREE: who uses alarms?

BRIGITTE: PEOPLE WHO ACTUALLY DO SHIT!

BOB: ...

MCCREE: shes not mad at you this time bob
MCCREE: if anything shes happy that you actually listened

ASHE: TRAITOR!

BOB: ...

REINHARDT: Okay, I've had enough of this.
REINHARDT: I'm going to bed for real now.
REINHARDT: Keep the noise to a minimum.
REINHARDT: Or there will be consequences.

GENJI: i dont appreciate being threatened

REINHARDT: It's not a threat if I can follow through with it.

WIDOWMAKER: What on Earth happened last night?

BRIGITTE: I don't understand what you're asking.

WIDOWMAKER: ...Didn't there used to be a door here?
WIDOWMAKER: And what happened to Genji?
BRIGITTE: I think he fell down the stairs.

WIDOWMAKER: What stairs?
WIDOWMAKER: The stairs are on the other side of the base.

GENJI: U FUCKING DEMON

BRIGITTE: I SAID I WANTED TO SLEEP!

SYMMETRA: I really did try to keep her in the room.

LUCIO: brigitte + no sleep = death

MCCREE: why do you think im in the med wing?

TRACER: brigitte said that you blew your arm off in the armory!

MCCREE: BRIGITTE LIED

BRIGITTE: I GAVE EVERY SINGLE ONE OF YOU FAIR WARNING AND NONE OF YOU WANTED TO LISTEN!
BRIGITTE: THIS IS WHAT HAPPENS!

WIDOWMAKER: ...Maybe I should've stayed with Talon.

TRACER: NO!
TRACER: WE LOVE HAVING YOU HERE!

SOMBRA: yeah seriously talons worse off
SOMBRA: one of the rookies just accidentally broke one of the beakers in the lab and now the entire base is under quarantine

ANA: Oh please weve done that like six times

WINSTON: This isn't a contest.

GENJI: I JUST WANTED TO PLAY VIDEO GAMES

BRIGITTE: YOU COULD'VE DONE WHATEVER THE FUCK YOU WANTED IF YOU HAD JUST KEPT QUIET!

GENJI: WHY DIDNT U GO AFTER BOB AND BASTION THEN?

BRIGITTE: CAUSE THEY BOTH LISTEN WHEN I TELL THEM THINGS!

BASTION: :D

GENJI: I DID NOT GET HURT
GENJI: I WAS ASSAULTED

BRIGITTE: It's all the same.

WINSTON: Can we please refrain from attacking our own teammates?

BRIGITTE: You know my rules, Winston.
BRIGITTE: I can not be held responsible for injuries if they choose to disobey them.

MERCY: I ALREADY HAD TO FIX JESSE'S ARM!
MERCY: I'M NOT REBUILDING GENJI FOR A NINTH TIME!

GENJI: ANGELA PLEASE
GENJI: I CAN'T PLAY VIDEO GAMES WITHOUT A BODY

WIDOWMAKER: ...Maybe you shouldn't fix him.

GENJI: HEY

ANA: Yeah honestly genji not being able to play video games sounds kinda nice

GENJI: RUDE

SYMMETRA: It would certainly leave one less person for Brigitte to get mad at.

WINSTON: This isn't up for debate.
WINSTON: Angela, if need be, I'll help you reconstruct Genji's body.
WINSTON: If you wish to torture while he's unable to defend himself, I'll pretend that I didn't see anything.

GENJI: Y THO

LUCIO: hey can i help?

76: Me too.

SYMMETRA: Me three.

BRIGITTE: Me four.

WINSTON: Did you actually manage to build a voice box for the Roomba?

GENJI: KINDA SORTA
GENJI: SATYA MADE IT
GENJI: I JUST BORROWED IT

REINHARDT: The term borrowed implies that you're going to give it back.

GENJI: I MIGHT END UP DESTROYING IT
GENJI: IF I CAN EVER CATCH THIS FUCKING THING

TRACER: roombas move at like two miles an hour max
TRACER: how can you not catch it?

GENJI: I AM NOT A CLEVER MAN

REAPER: What the fuck is going on?

MCCREE: wait wtf are you on base rn?

REAPER: ...NO!

SOMBRA: hes in jacks room

REAPER: SOMBRA!

WINSTON: How do you keep getting in here?
WINSTON: I have the security grid up.

REAPER: I used to work here, Winston.
REAPER: I know damn well where all the secret entrances are.
REAPER: And plus Jack just unlocks the door for me.
REAPER: But saying that I sneak in is cooler.

WINSTON: ...
WINSTON: I guess it really doesn't matter at this point.

LUCIO: yeah its not like talon poses a threat to anyone anymore

REAPER: HEY!

DOOMFIST: We really don't.
DOOMFIST: Which annoys me.
DOOMFIST: I'm tired of Moira asking me to play Board Games.

MOIRA: JUST ONE GAME OF CANDYLAND!

DOOMFIST: We played six!
DOOMFIST: And you lost every time!
DOOMFIST: Convincingly!

MOIRA: JUST LET ME WIN ONE, AKANDE!

DOOMFIST: I'm not letting you win.
DOOMFIST: Either git gud or git the fuck out.

D.VA: DSJKVGHDSKBGKDHLGD

LUCIO: DID FUCKING DOOMFIST JUST FUCKING MEME?

REINHARDET: @DOOMFIST
REINHARDET: Understand that you are now my favorite member of Talon.

DOOMFIST: Understand that I really don't care.

REINHARDET: AN INSULT!
REINHARDET: YOU HAVE BEEN DEMOTED BACK TO SECOND!

DOOMFIST: How will I ever sleep at night now?

REINHARDET: WITH DIFFICULTY!

GENJI: SOMEONE NEEDS TO HELP ME
GENJI: IF IT GETS INTO THE DUCTS WELL NEVER BE ABLE TO GET IT OUT

MCCREE: cant you just ask your dragon to get it?

GENJI: MY DRAGON IS NOT A SOLUTION TO EVERYTHING JESSE

MCCREE: so far i havent seen anything it wasnt the solution to

MERCY: IF A HELL SPEAKING ROOMBA GETS STUCK IN THE VENTS EVERY SINGLE ONE OF YOU WILL DIE!

D.VA: m-m-mewcy
D.VA: i need heawing uwu

MERCY: STOP!

LUCIO: hana stop being toxic

D.VA: nah lol

DOOMFIST: Am I missing something here?
DOOMFIST: Does that roomba have rocket boosters on it?

GENJI: DONT START

MCCREE: hey you got yourself into this mess now figure out a way to fix it

GENJI: ...
GENJI: @JUNKRAT

WINSTON: No!

JUNKRAT: SOMEONE RANG?

GENJI: I NEED UR HELP BLOWING UP A RUNAWAY ROOMBA

JUNKRAT: YOU HAD ME AT BLOWING UP

GENJI: DONT DESTROY THE BASE
GENJI: JUST THE FUCKING ROOMBA

JUNKRAT: ON IT MATE
JUNKRAT: I KNOW EXACTLY WHAT TO USE

76: I think this is a horrible idea.

REINHARDT:
LUCIO: LMFAO
D.VA: IM DEAD
MCCREE: wow jack
MCCREE: thats an ego bruiser
SOMBRA: lmao what ego?
SOMBRA: the one that we already ruined?
76: I DON'T NEED THIS!
GENJI: JUNKRAT
GENJI: ITS GETTING AWAY
JUNKRAT: LADIES AND GENTLEMEN
JUNKRAT: START YOUR ENGINES
WINSTON: JAMISON, NO!

BRIGITTE: Why?
GENJI: IT WAS A NECESSARY EVIL
JUNKRAT: TARGET DESTROYED
GENJI: THANK U

76: I am literally in shock.
76: I don't know what to say anymore.

REINHARDT: Amazingly, there was no real damage.

SOMBRA: except for the roomba
ANA: Yeah but the roomba was basically doomed from the start
TRACER: i think a piece of it is stuck in the wall!
LUCIO: wait where did the rest of it go?
GENJI: IT DISAPPEARED INTO OBLIVION

WINSTON: Why are you like this?

GENJI: WINSTON TRUST ME
GENJI: THIS WAS FOR THE GREATER GOOD

MERCY: Blowing things up at 4 in the morning is not good for anyone.

GENJI: u will thank me for this later

DOOMFIST: Wasn't Junkrat in confinement?

76: How did you know that?

DOOMFIST: Lucio and Hana were talking about it a while ago.

MCCREE: i think he broke himself out

JUNKRAT: I DID

MERCY: Wasn't Mako supposed to be watching him?

ROADHOG: thats my bad
ROADHOG: i fell asleep and by the time i noticed he was gone it was too late

ANA: Hey dont worry about it

LUCIO: yeah seriously
LUCIO: its not your fault that hes crazy

WINSTON: Mako, I apologize for thrusting that responsibility on you, but with such short notice I didn't know what else to do.

ROADHOG: its fine
ROADHOG: im used to it
ROADHOG: besides mr lindholm is making a few sentries to watch him instead

JUNKRAT: WAIT WHAT

GENJI: ARE THESE THE SAME ROBOTS THAT SHOOT AT LUCIO AND I ALL THE TIME?

ROADHOG: probably

GENJI: JUNKRAT
GENJI: RUN FAR AWAY
GENJI: DONT LET THEM GET U

JUNKRAT: I HAVE ONE GOOD LEG I REALLY CANT RUN THAT WELL

GENJI: TRY

DOOMFIST: With all due respect, I really don't understand how that base is still intact.

REAPER: We had really good construction workers.
TRACER: and jesse and torbjorn do a good job keeping everything together!

MCCREE: even tho some people try really hard to break it

GENJI: oh come on this is the first time in like six months

MCCREE: youre just lucky that nothing really broke
MCCREE: cause otherwise id send torb after you

BRIGITTE: Is it over now?
BRIGITTE: Cause I need my sleep.

GENJI: for now

D.VA: lmao we should make more hell speak voiceboxes and put them on all the omnics

76: NO!

MERCY: I WILL NOT ALLOW THAT!

REINHARDT:

DOOMFIST: Do these conversations happen often?

ANA: Way more often than u would think

DOOMFIST: ...What is Overwatch?

D.VA: its absolutely brilliant

DOOMFIST: I think we have two different definitions of that word.

D.VA: i know what i said

DOOMFIST: I don't think you do.

LUCIO: let us have our fun dammit

76: You can't fight Talon with fun!

LUCIO: spoken like a man who has never tried

GENJI: didnt u get blasted by a laser the last time u tried that?

LUCIO: WE DONT SPEAK ABOUT THIS
JUNKRAT: THIS WAS FUN
JUNKRAT: CALL ME IF YOU NEED ANYTHING ELSE BLOWN UP

MERCY: We will certainly try not to.

JUNKRAT: BORING
LUCIO: hey has anyone seen my shoes?
D.VA: did you search the closet?
LUCIO: the closet that has like five thousand pairs of shoes?
LUCIO: yeah sorry i dont have fifteen years to spend looking through that
MCCREE: you can blame reyes for that

REAPER: I LIKE MY SHOES!
REINHARDT: I haven't seen you wear sneakers in years.
REINHARDT: There's no reason why you should have so many.

REAPER: Everyone has their hobbies.
GENJI: burying everyone in a mound of shoes isnt a hobby
REAPER: You wouldn't understand.
76: You can definitely throw a few of them out.

REAPER: I THOUGHT YOU LOVED ME!
76: Gabe, there's at least a hundred pairs of shoes here.
76: You don't need that many.

REAPER: WHY CAN'T YOU BE MORE SUPPORTIVE?
SOMBRA: its even worse at talon hq
SOMBRA: we cant even use the storage room anymore
DOOMFIST: Where do you even get the money for all this?

REAPER: I am a international criminal who has committed several counts of Grand Larceny.
REAPER: Money isn't exactly hard to come by.

DOOMFIST: So...
DOOMFIST: Talon has been struggling to pay its employees and supply them with materials needed for the job.
DOOMFIST: And you're spending every penny you have on shoes?

REAPER: ... REAPER: Well, when you put it that way, I just sound bad.

GENJI: u are bad

REAPER: Fuck you.
MCCREE: who the fuck needs that many shoes?

REAPER: STOP JUDGING ME!
REAPER: YOU ALL HAVE STUPID HABITS!

D.VA: name one

REAPER: YOU ESPECIALLY!
REAPER: WHO DIPS DORITOS IN RANCH?

D.VA: I DID THAT ONCE

REAPER: FOURTEEN TIMES!
REAPER: DON'T EVEN PRETEND THAT YOU DIDN'T!

D.VA: AT LEAST I EAT THE DORITOS
D.VA: YOUR SHOES JUST TAKE UP SPACE

REAPER: THE CLOSET IS A PUBLIC SPACE!

GENJI: EXACTLY
GENJI: AND THE REST OF US CANT USE IT BECAUSE U HAVE TO PUT UR STUPID FUCKING SNEAKERS THERE

REAPER: MY SNEAKERS DON'T HURT ANYONE!
REAPER: UNLIKE YOUR AND HANZO'S STUPID FUCKING DRAGONS!

HANZO: In my defense, my dragons are very well behaved.

GENJI: HAVE U COMPLETELY FORGOTTEN WHEN THE MOUNTAIN OF UR SHOES TOPPLED OVER AND CRUSHED LIAO????

REAPER: ...
REAPER: I was really hoping that you didn't remember that.

GENJI: HOW COULD I FORGET?
GENJI: IT TOOK TWO HOURS TO DIG HIM OUT
GENJI: AND THEN ANGELA HAD TO SET HIS LEG FOR THE SECOND TIME

MERCY: I don't see why you all enjoying causing physical injuries to each other.

REAPER: I TOLD HIM TO STAY OUT OF THE CLOSET!

MERCY: GET RID OF THE SHOES, REYES!

REAPER: I'LL GET RID OF THE SHOES WHEN YOU GET RID OF ALL THE BARBIE DOLLS!

MERCY: THE BARBIE DOLLS AREN'T HURTING ANYONE OR TAKING UP TOO MUCH SPACE!

D.VA: haha doctor barbie

LUCIO: why is this the first time im hearing about mercys barbie collection?
MERCY: Because you don't pay attention.

MCCREE: okay does anyone else have a weird collection they want to get out of the way?

WIDOWMAKER: I collect the eyes of every person I kill.

LUCIO: ...

D.VA: ...oh

GENJI: ...dear god

REINHARDT:

MCCREE: ...do you actually?

WIDOWMAKER: Not at all.
WIDOWMAKER: I was just curious to see what your reactions would be.

LUCIO: you know for someone who doesn't have emotions you get way too much joy out of seeing our reactions

WIDOWMAKER: I consider it a point of personal pride when I can render you all speechless.

MERCY: That is very hard to do.

WIDOWMAKER: Exactly why I take such pride in it.

LUCIO: ...okay then
LUCIO: so does that mean no one knows where my shoes are?

GENJI: i thought that was obvious

LUCIO: idk how you expected me to tell when the subject changes every ten seconds

MCCREE: thats just overwatchs hobby

SOMBRA: at least its not as bad as gabes

REAPER: **DON'T TOUCH MY SHOES!**

LUCIO: IVE HAD THE SAME PAIR OF SHOES FOR LIKE EIGHT YEARS AND YOU BUY A NEW PAIR EVERY WEEK
D.VA: and you don't even wear them

76: HE WEARS BOOTS!
76: HE DOESN'T EVEN NEED TO BUY SNEAKERS!

REAPER: I DON'T TELL YOU HOW TO LIVE YOUR LIFE!

SOMBRA: that's because the rest of us don't live our lives stupidly

DOOMFIST: I wouldn't be so sure about that.

SOMBRA: is there something you want to say akande?

DOOMFIST: I think I was pretty clear.
DOOMFIST: A large majority of you are stupid.

D.VA: rude

WIDOWMAKER: Am I included in that?

DOOMFIST: Of course not.
DOOMFIST: You might actually be the smartest.

MERCY: I'm literally a doctor.

DOOMFIST: Okay, fine.
DOOMFIST: Sorry that I hurt your precious little feelings.

D.VA: lol rip

LUCIO: damn doomfist just going right for the jugular now

GENJI: uh reyes
GENJI: hypothetically speaking of course
GENJI: if you had to part with a single pair of sneakers which one would it be?

REAPER: ...What are you saying?

GENJI: im not saying anything
GENJI: i was just asking a question

REINHARDT: Sounds to me that you were implying something else.

GENJI: well maybe he shouldn't leave his shoes in the hallway

REAPER: WHAT DID YOU DO TO MY SHOES?

GENJI: they were in the way
GENJI: i couldn't walk past

MCCREE: i've literally seen you walk on the ceiling like six times

GENJI: i wasn't in the mood today

D.VA: wait so what happened?
GENJI: well i needed to get past and i couldnt just walk through the shoes

MERCY: You very easily could've kicked them to the side to clear a path.

GENJI: i really couldnt
GENJI: u didnt see how many shoes there were

DOOMFIST: So what did you do?

HANZO: I'm also very interested in hearing how you fucked up.

GENJI: i didnt put the shoes there first of all
GENJI: this isnt my fault

HANZO: Everything is your fault.

MCCREE: what did you do?

GENJI: well i needed to clear a path
GENJI: so i went outside and got the lawnmower so i could clear a path

REAPER: NO YOU DIDN'T!

D.VA: OMG YES

LUCIO: IM DEAD

76: ...That's a little overkill.

REINHARDT: That's very overkill.

WIDOWMAKER: I disagree.
WIDOWMAKER: I've seen much worse.

MCCREE: yeah yeah youre an assassin whos seen some shit we get it

MERCY: You brought the lawnmower in from the shed?

GENJI: obviously
GENJI: where did u think i got it?

76: Why don't you use the lawnmower for its actually intended use.

GENJI: its the middle of january
GENJI: the grass is all dead

76: It won't be dead forever.

GENJI: it will if junkrat sets it on fire again

76: I have already taken the precautions to make sure that never happens again.

GENJI: uh huh sure

LUCIO: are we just totally ignoring the fact that genji just sliced up gabes sneakers with a lawnmower
ANA: Nah
ANA: We all know what's going on
ANA: I can hear Gabe crying in the common room

REAPER: NO I'M NOT!

SOMBRA: he is

REAPER: MY ENTIRE LIFE'S WORK WAS JUST DESTROYED IN THE BLINK OF AN EYE!
REAPER: LET ME MOURN!

D.VA: ...they're fucking shoes

REAPER: THEY WERE MY SHOES!

REINHARDT: You didn't need that many pairs of sneakers anyway.

REAPER: LEAVE ME ALONE!

WIDOWMAKER: Of all the things to cry about, you're crying about shoes?

REAPER: YOU WOULDN'T UNDERSTAND!

LUCIO: ha ha i guess you could say
LUCIO: there's no use crying over torn shoes

REINHARDT: Boo.

ANA: Get off the stage

LUCIO: ill be here all week

MCCREE: id rather you weren't

LUCIO: ouch tough crowd

MERCY: I can't believe this just happened.

76: I can't believe I'm comforting a grown man over shoes.

REAPER: EITHER BE SUPPORTIVE OR GET OUT!

76: Welp, bye.

REAPER: NO WAIT!
REAPER: PLEASE DON'T GO!
REAPER: I'M VERY UPSET!

SOMBRA: he's really bawling

DOOMFIST: I haven't seen him this upset since the incident at the Nature Preserve.

REAPER: DON'T BRING THIS UP AGAIN!
SOMBRA: that peacock was an asshole and i cant believe you were so upset when the rubble crushed it

REAPER: **HE WAS SO PRETTY!**

SOMBRA: it literally bit you every time you went near it

REAPER: **IT WAS JUST MISUNDERSTOOD!**

D.VA: he cried over a peacock?

76: Gabe loves animals.

MCCREE: so am i just supposed to ignore the time when i saw him torture a chipmunk?

ANA: Fuck chipmunks

LUCIO: how does a guy who dresses in all black and a skull mask become so emotional over animals and shoes?

REINHARDT: Gabe has always been a big softie.
REINHARDT: He just didn't want people to see that side of him.

DOOMFIST: I've seen it more times than I'd like to admit.
DOOMFIST: We found a baby fox outside the base and Gabe forced us all to feed it and brush it.

SOMBRA: it was actually kinda sweet

DOOMFIST: I did not join Talon to babysit an animal.

SOMBRA: i heard you coo at the thing like ten times

DOOMFIST: ...It was rather cute.

WIDOWMAKER: Face it Akande, cute animals are everyone's weakness.

DOOMFIST: I'm not admitting to anything.

LUCIO: okay i get the animal part but the shoes?

D.VA: sneakerheads arent rational

GENJI: i just dont understand the obsession

ANA: No one does

REINHARDT: We've been baffled by this for decades.

MCCREE: remember when liao dropped a bunch of them in the drainage pipe and reyes went after them?

MERCY: He smelled like shit for two weeks.

ANA: Hell he still smells like shit now

REAPER: **FUCK YOU!**
REINHARDT: Well, this has been eventful.

MCCREE: apparently not eventful enough seeing how half of the base didn't even wake up

MERCY: That's a good thing.
MERCY: Or did you want to set Brigitte off again?

MCCREE: ...no thanks

GENJI: yeah im good

D.VA: dont worry im sure something else will happen soon enough

SOMBRA: yeah like the runaway lawnmower

GENJI: ...what do u mean?

SOMBRA: i mean exactly what i said
SOMBRA: the lawnmower is joyriding around the base

GENJI: i turned it off tho

SOMBRA: clearly not
SOMBRA: ...
SOMBRA: you might wanna catch it before it gets to brigittes room

GENJI: GOD FUCKING DAMMIT THIS ENTIRE BASE IS A HAZARD

MERCY: It wasn't a hazard until you all joined.

GENJI: RUDE

Chapter End Notes

The biggest problem with writing a fic like this is that it becomes a huge chore to try and include all the characters at points. But, don't worry, the next chapter is shaping up to include everyone, and I'm personally very excited for its release. I hope you guys are ready, because the next chapter has all the makings of fuckery extraordinaire.
MERCY: This is a horrible idea.

76: Any idea they come up with is usually a horrible idea.

MCCREE: hey this is brilliant

76: That's not what I would call it.

MCCREE: thats cause youre no fun

GENJI: i totally dig this idea

LUCIO: same

REAPER: YOU'RE THE ONLY ONES!

D.VA: no one said you were invited

76: If he doesn't come, I don't either.

D.VA: ugh fine
D.VA: no fun league

REINHARDT: Is it even physically possible to fit the entire team, plus Talon, on a single mini golf course?

MCCREE: its cool were gonna have the entire course to ourselves

PHARAH: How could you possibly know that?

MCCREE: the guy who owns it is an old friend of mine and he owes me a favor
MCCREE: i asked him to let us have the course for the day

ANA: Thats all u asked for?

MCCREE: its also free
MCCREE: and food and drinks will be included

REINHARDT: Well, I'm sold.

LUCIO: did someone say free?

GENJI: i like food

SOMBRA: you cant even eat

GENJI: DONT MAKE FUN OF ME

PHARAH: Do we have to?
MCCREE: come on we haven't had a good team bonding experience in a long time
MCCREE: might as well do one that's free

LUCIO: wait you invited everyone?

MCCREE: obviously
MCCREE: I'm a man of the people

GENJI: too bad the people all hate you

MCCREE: fuck you

SYMMETRA: I think I was delivered an invitation on accident.

HANZO: Likewise.

MCCREE: no accidents here
MCCREE: we're all going mini golfing

SYMMETRA: ...

HANZO: ...Oh hell yes.

D.VA: ?

GENJI: oh no
GENJI: jesse
GENJI: you have awakened my brother's competitive nature

MCCREE: ...
MCCREE: awesome
MCCREE: it's cool to see Hanzo excited about something

GENJI: you won't be saying that when he starts playing

MEI: Are Zarya and I invited?

MCCREE: duh

MEI: What fun!
MEI: It's been a while since we've been able to take some time off to just relax.

MOIRA: Hey, I didn't get an invitation.

MCCREE: thanks for noticing

MOIRA: WHY DO YOU ALL LIKE AKANDE MORE THAN ME?

MERCY: ...Do you really want me to count the reasons?

MOIRA: NO!
MOIRA: IT WAS A RHETORICAL QUESTION!

MCCREE: everyone's coming right?

JUNKRAT: I LOVE MINI GOLF
ROADHOG: I'm taking your trap and your explosives
JUNKRAT: ...THAT'S NO FUN
ROADHOG: I'm not having a repeat of the Starbucks incident
JUNKRAT: GENJI DARED ME
ROADHOG: And you listened
ROADHOG: Like the idiotic sack of piss and wind that you are
JUNKRAT: WE'RE SUPPOSED TO BE FRIENDS ROADY
ROADHOG: I stopped being your friend long ago

WINSTON: I'll admit, I'm mildly excited to take part in this.
WINSTON: Hammond and I played a lot of Golf during our time together on Horizon.

HAMMOND: Until Reginald got it taken away from us.
HAMMOND: The prick.

WINSTON: Yes, we don't speak about this anymore.
TORBJORN: ...Do I have to?

MCCREE: Yes
TORBJORN: ...Fine.
TORBJORN: I'm bringing my own club, though.

D.VA: Why?
LUCIO: Yeah seriously the course supplies the clubs for us
TORBJORN: Let me do things my way.

TRACER: Okay, I'm pulling the orca around back!
TRACER: Doomfist, well come pick you and Moira up on the way there!

DOOMFIST: I'd rather you didn't.
MCCREE: Moira wasn't invited

MOIRA: PLEASE?
MCCREE: Okay, fine

MOIRA: YAY!
MERCY: Jesse, you can't just give in like that!
MCCREE: I need someone to keep score
GENJI: I can do that
MCCREE: Someone who won't cheat
GENJI: ...i feel personally called out
MCCREE: good
BASTION: :O
BOB: ...
MCCREE: of course you two are invited
BASTION: :D
REINHARDT: Am I the only one wondering how we're going to play a game with over twenty people involved?
MCCREE: just trust me for once would you?
REINHARDT: The last time any of us trusted you, Liao got dropped into a tank of Pirahnas.
LUCIO: lmao thats amazing
MERCY: It wasn't.
MERCY: He was in the Medical Wing for three weeks.
ANA: Hes lucky it wasnt more
REAPER: This is why you will never be in charge of anything.
ASHE: Especially Deadlock.
ASHE: Only competent members are allowed to lead.
MCCREE: OKAY MOVING ON
MCCREE: Were leaving in ten minutes
MCCREE: everyone saddle up
GENJI: this aint the wild west pardner
MCCREE: fuck you
D.VA: if were gonna do this someones gotta get brigitte out of her room

BRIGITTE: ...Okay fine.
BRIGITTE: Anything for you, Satya <3

SYMMETRA: <3

LUCIO: gay

MCCREE: you can be as gay as you want as long as you're gay on the orca
MCCREE: get moving

BRIGITTE: Understand that I will personally make it my goal to destroy you for forcing me to miss Game of Thrones.

MCCREE: go for it
MCCREE: im planning on winning

MCCREE: well thats what you get for being 8 feet tall you brute

REINHARDT: I WANT TO PLAY GOLF!
REINHARDT: I CAN'T DO THAT WHEN ALL THE CLUBS ARE TOO SMALL!

GENJI: shouldve brought ur own
GENJI: like roadhog

ROADHOG: luckily i expected this to happen

REINHARDT: NO ONE TOLD ME!

MCCREE: alright chill
MCCREE: ill ask him for a normal sized putter
MCCREE: dont have a cow

ANA: Do we have to wait or can the rest of us just go?
D.VA: would we all even fit on the course?

MCCREE: ye of little faith

DOOMFIST: I do not want to be here.

76: Me either.
REAPER: I concur.

SOMBRA: come on you grumpy old men
SOMBRA: live a little

76: This is literally a game for children.

ANA: Yeah and the base consists of children or people who act like children so i dont see the problem

MERCY: She's not wrong.

LUCIO: are we doing 18 holes or just 9?

MCCREE: we can do however many we want
MCCREE: like i said
MCCREE: we have the entire course to ourselves

JUNKRAT: I WANTED THE PINK CLUB

D.VA: lol no fuck you
D.VA: pinks my color

EMILY: Wait, why do you want pink?

JUNKRAT: BECAUSE THE BRIGHT COLOR WILL DISTRACT YOU FROM MY AMAZING GOLFING SKILLS

LUCIO: bruh

GENJI: theres multiple clubs here u idiot
GENJI: just grab another pink one

JUNKRAT: ...I DIDNT SEE THOSE

MOIRA: There are way too many names to fit on this score sheet.

MCCREE: figure it out
MCCREE: this is what i said would happen

MOIRA: I'm not complaining.
MOIRA: I just think we need a bigger piece of paper

ANA: Coward

MOIRA: Fuck you.

DOOMFIST: Why do the omnis have clubs?

BASTION: :D

BOB: ...

ASHE: Because they wanted to play, are you dense?

DOOMFIST: ...Not really what I was asking but okay.
MEI: Wow, you weren't kidding.
MEI: Everyone from base is here.

MCCREE: im known for bringing people together

ASHE: Or getting them locked up after betraying them.

MCCREE: DONT

MEI: I haven't seen Orisa in weeks.

ORISA: Hello Mei!

MEI: Hello Orisa!

TORBJORN: That's because she's been helping me in the Armory.
TORBJORN: Unlike every other idiot on this team.

GENJI: hey

ORISA: Come on, Mr. Lindholm.
ORISA: Even you are entitled to a little fun every now and then.

TORBJORN: ...Perhaps.

ZARYA: ...I need another club.

GENJI: we didnt even start yet

ZARYA: It is made of weak material.
ZARYA: Russian Steel wouldn't break that easily.

MCCREE: okay next time all the freakishly huge people need to bring their own clubs

76: "Next Time."

REAPER: You're very optimistic that we're even going to be allowed back here after today.

MCCREE: would you two stop bitching?
MCCREE: kick back and relax for once in your lives
MCCREE: you might even find that you like it

76: Fat fucking chance.

76: HA!
76: HOLE IN ONE!
76: BITCH!

MCCREE: told you

D.VA: alright ease up boy scout its the first hole

LUCIO: its literally a straight shot
LUCIO: youd have to be an actual moron to not get a hole in one
SONBRA: yeah
SONBRA: good thing we dont know any actual morons
SONBRA: gabe

REAPER: **SHUT UP**!

ANA: How the fuck did u miss?

REAPER: **I MISJUDGED IT**!

ANA: THREE TIMES GABE?

REAPER: **FUCK YOU**!

MOIRA: Alright, after the first hole, we have a multi-way tie for first.
MOIRA: Then there's Gabe with a triple bogey.

REAPER: **DON'T DO THIS**!

ANA: **DO IT**
ANA: **FACE UR SHAME**

BRIGITTE: Even the fucking omnis had a better score than you.
BRIGITTE: And Bastion only has one hand!

BASTION: :)

REAPER: **STOP**!

MCCREE: alright next hole
MCCREE: looks pretty simple

LUCIO: should we try going through the windmill or around it?

PHARAH: Going through it would be the quickest.

ASHE: Unless y'all hit the fan on accident.
ASHE: That'll really slow you down.

BOB: ...

ASHE: Well, not everyone is as astute as you.
ASHE: Case and point, the emo guy on the last hole.

REAPER: **MY NAME IS REAPER**!

LUCIO: his names gabe

SONBRA: its gabe

REAPER: **I HATE YOU ALL**!

D.VA: honestly you could prob get around it in one go

MEI: If you don't hit it at the right angle, you're really in trouble.
MERCY: Are you all seriously strategizing this hard over a stupid hole?

GENJI: i thought that was obvious

SOMBRA: you have to analyze the quickest way to enter the hole

D.VA: im sure you and fareeha know all about that

PHARAH: HANA!

D.VA: lel

76: Who's up?

LUCIO: are we really going in order?
LUCIO: i just thought it was a free for all at this point

ROADHOG: ill go
ROADHOG: i think i see the right way to line up the shot

GENJI: best of luck to u sir

ROADHOG: here goes nothing

D.VA: damn good putt

MOIRA: That's a hole in one for Roadhog.

ROADHOG: its nothing

LUCIO: okay let me get a shot at it
LUCIO: im gonna do what roadhog did
LUCIO: ...
LUCIO: fuck

BRIGITTE: Ha, roadblocked.

ASHE: I did warn you to play it carefully.

TRACER: whos next?

EMILY: I'll go!

TRACER: i believe in you emily!

EMILY: Love you!

TRACER: Love you more!

WIDOWMAKER: I love you both!

EMILY: We love you too!

LUCIO: stop being gay or you lose your turn

EMILY: Okay okay, I'm going!
ANA: Solid
MOIRA: A hole in one for Emily.
EMILY: Yay!
HANZO: This is one of the easiest holes.
HANZO: Don't get a swelled head.
EMILY: Rude!
GENJI: don't take it personally emily hanzos just really crazy competitive
REINHARDT: Apparently, it's easy for everyone except Gabe.
REAPER: HEY!
D.VA: i mean lucio did hit the fan
REINHARDT: It's understandable.
REINHARDT: Getting a triple bogey on the first hole, however, that takes seriously skill.
REINHARDT: Or a serious lack of.
REAPER: LEAVE ME ALONE!
BOB: ...
MCCREE: the course is yours partner
BOB: ...
LUCIO: wow fuck that windmill
BOB: ...
ZENYATTA: Quell your anger, my friend.
ZENYATTA: The game does not favor everyone equally.
ZENYATTA: You must remain strong and stoic, even when dealing with setbacks.
D.VA: thanks confucius
ZARYA: Can I go next?
MCCREE: of course
ZARYA: ...
ZARYA: ...This is not what I wanted.
D.VA: OMFG IM DEAD
LUCIO: TAKE THAT YOU STUPID FUCKING WINDMILL
MCCREE: just a liiiiiiiiiiiiiiiiiiiiiiiitle less power next time terminator
ZARYA: I am sorry.
MCCREE: dont be
MCCREE: they've got like ten spares in the maintenance shed

REINHARDT: And you know this how?

MCCREE: i don't understand why im still being questioned here i know the guy who owns this place
MCCREE: i made sure to ask about breaking things before i even booked it

WINSTON: That was...surprisingly alert of you.

MCCREE: im not an idiot winston

WINSTON: I didn't say you were.

ANA: Honestly were dealing with a lot of handicaps here
ANA: We have a few people too big and too strong to play properly
ANA: Theres an omnic who only has one hand because the other is a gun
ANA: And then theres someone whos smaller than the golf ball

HAMMOND: FUCK YOU!

WINSTON: ...Language, Hammond.

HAMMOND: I am not apologizing.
HAMMOND: I feel personally attacked.

REAPER: Get it line.

HAMMOND: Is there a line?
HAMMOND: If there is, how would you even find it?
HAMMOND: You'd probably miss it wide right.
HAMMOND: A lot like you missed the first hole.

REAPER: LISTEN HERE YOU LITTLE SHIT!

HAMMOND: BACK OFF, JACK SKELLINGTON!

LUCIO: CRYING BRB

DOOMFIST: Is that Hamster talking?

HAMMOND: Well technically, I'm installed with a cybernetic voice box that allows me to project my thoughts into words.
HAMMOND: I can't actually talk like Winston can.

DOOMFIST: ...Interesting.

WINSTON: I thought your mech translated your thoughts?

HAMMOND: It did.
HAMMOND: I made myself the voice box when I got here.

WINSTON: Is that why you locked yourself in the lab for two weeks?

HAMMOND: Possibly.

HANZO: Should we just skip this hole now that Zarya broke it?
ZARYA: I said I was sorry.

HANZO: I'm not making fun of you, I'm just stating what I'm observing.

MCCREE: okay well be fair and give everyone one stroke for the hole

JUNKRAT: ...IS THAT A HOLE IN ONE?

MCCREE: ...yes

JUNKRAT: EXCELLENT

MOIRA: Okay then...
MOIRA: Gabe's still in last.

REAPER: YOU DON'T HAVE TO KEEP SAYING IT!

MOIRA: Yes I do.

DOOMFIST: I'm not going to survive 18 holes of this.

D.VA: heck the windmill only survived one

MEI: Can we just try to avoid any property damage?

WINSTON: That would be preferred.

ZARYA: I said sorry!

MEI: And I forgive you.
MEI: I'm just saying in general.

MCCREE: next hole sluts
MCCREE: get moving

ANA: Could the two of u chill?

LUCIO: ikr hanzos acting like hes not ahead by three strokes

HANZO: IT COULDN'T BEEN MORE IF SHE HADN'T HIT ME!

BRIGITTE: I WANTED TO WATCH GAME OF THRONES!

REINHARDT: I can't find my ball.
GENJI: prob cause u hit it into the water for some fucking reason

REINHARDT: ...Was the water not part of this hole?

SYMMETRA: Did you see anyone else hit their ball into the water?

REINHARDT: ...Didn't Junkrat?

LUCIO: well yeah but junksrats an idiot

REINHARDT: So I just hit my ball into the water for no reason?

MCCREE: basically yeah
MCCREE: that is a two stroke penalty btw

REINHARDT:

D.VA: HAHAHA OH MY GOD

DOOMFIST: I want to commit suicide and I haven't even humiliated myself yet.

SOMBRA: dont be a baby akande

REAPER: I don't understand how you're doing that.

ZENYATTA: I'm holding my club.
ZENYATTA: The same as the rest of you.

REAPER: But your club is floating...

ZENYATTA: That just means I have become one with the Iris.
ZENYATTA: Such a title allows me to move objects with my mind.

REAPER: But you have hands.
REAPER: Why not just play normally?

ZENYATTA: Good question.
ZENYATTA: I will answer with one of my own.
ZENYATTA: Which ball is yours?

REAPER: ...The black one.

ZENYATTA: I see.

REAPER: ...
REAPER: Did you just move my ball?

ZENYATTA: I have no idea what you could possibly be referring to.

REAPER: My ball was right next to the hole and now it's back at the beginning.

ZENYATTA: So it is.
ZENYATTA: I guess you'd better start putting, bitch.

REAPER: WHO THE FUCK DO YOU THINK YOU ARE?

ZENYATTA: Just an omnic enjoying his day.

REAPER: I'LL HURT YOU!

ZENYATTA: YOU’D BETTER STAY AWAY UNLESS YOU WANT BALLS IN YOUR FACE!

REAPER: I’M DATING JACK!
REAPER: IT WOULDN’T BE THE FIRST TIME!

ZENYATTA: BASK IN THE SHADOW OF DOUBT!

D.VA: these nachos are fucking disgusting

LUCIO: youre eating a salad

D.VA: no wonder it tastes like shit
D.VA: i want a refund

LUCIO: literally everything was free tho

D.VA: im getting something else

LUCIO: take your time
LUCIO: we have twenty minutes until the lunch break is over anyway

D.VA: i cant believe you watched me grab a salad and didnt say anything

LUCIO: i cant believe youre not smart enough to realize you grabbed a salad instead of nachos
LUCIO: and then took like five bites before you even noticed it tasted off

D.VA: i am not a clever girl

LUCIO: ive been hanging out with you for years i know that

D.VA: hey im gonna go pour the salad dressing into jacks coke brb
LUCIO: there's no possible way that can go wrong

76: I KNOW IT WAS YOU
D.VA: YOU KNOW NOTHING

MEI: How in the world did you make that shot?
WIDOWMAKER: I am a sniper.
WIDOWMAKER: I am specially trained to hit my target.
MERCY: Yet, from what I've heard, you can't hit Emily's G-Spot.
WIDOWMAKER: Je vais te finir, Doctor.

GENJI: wow the fucking shade
TRACER: did she really deserve that?
MERCY: Not really.
MERCY: I was just taking out my frustration.
LUCIO: what frustration?
LUCIO: you're in like third place
MERCY: I didn't want to come in general.
MCCREE: wow this is a crazy hole not gonna lie
MEI: Do you have a strategy for this one, Widowmaker?
WIDOWMAKER: Actually, yes.
GENJI: oh i can't wait to see this

JUNKRAT: OI WHAT THE FUCK?
MOIRA: ...Hole in one.
JUNKRAT: SHE JUST BOUNCED THE BALL OFF MY HEAD
WIDOWMAKER: It still counts.
D.VA: im fucking crying

BOB: ...
BASTION: :O
ORISA: ^

BOB: ...!

BASTION: :D

ORISA: (•‿•)

ASHE: I can't believe I'm getting triple teamed by omnics right now.

BOB: ...

ASHE: QUIET!

MCCREE: what's the matter ashe?

MCCREE: mad that bob and bastion are better than you?

ASHE: DON'T START!

BASTION: :P

76: NO FAIR!

76: I GET ANOTHER SHOT!

HANZO: That's against the rules.

HANZO: You already messed up.

76: I DIDN'T MESS UP!

76: YOU KNOCKED THE CLUB OUT OF MY HANDS!

HANZO: I'm pretty sure that was the wind.

HANZO: A particularly strong gust just came through.

76: ????

76: THERE'S A DENT IN YOUR CLUB FROM WHERE YOU HIT MINE!

HANZO: That must be the oddest coincidence ever.

76: I THOUGHT YOU WERE SUPPOSED TO BE THE NORMAL ONE!

HANZO: My father instilled a competitive nature in me when I was young.

HANZO: I must win at all costs.

76: I DON'T WANT TO PLAY ANYMORE!

____________________

MOIRA: Sombra.

MOIRA: Sombra, stop.
MOIRA: Sombra, the club isn't computerized.
MOIRA: There's nothing to hack.

SOMBRA: There's gotta be a way to get an edge here.

MOIRA: Hacking something that can't be hacked won't help anything.

SOMBRA: I'M JUST TRYING TO FIND AN EASIER WAY TO DO THIS.

HANZO: Git Gud.

SOMBRA: Shut the hell up.
SOMBRA: The phrase is so not funny when you say it.

HANZO: You know what is funny?
HANZO: How shit you are at golf.

SOMBRA: DON'T DO THIS HAWKEYE.

MERCY: Honestly, Hanzo.
MERCY: It's just a game.

HANZO: It's not a game to me.
HANZO: It's a trial I must pass.
HANZO: Even if that means that I have to destroy everything and everyone in my way.

GENJI: Drama queen.

HANZO: Fuck you.
HANZO: I'll destroy you first.

GENJI: Hate to break it to u but u already tried.
GENJI: I'm still here.

HANZO: And that's a pure shame.

GENJI: UR MY BROTHER WHY ARE U ATTACKING ME IN THIS WAY?
HANZO: I MUST WIN, GENJI!

MCCREE: Reinhardt.
MCCREE: That's the sixth club.

REINHARDT: This game was not meant for people my size!

ZARYA: Seconded.

WINSTON: Thirded.

ROADHOG: I'm having a great time.

REINHARDT: Next time, I want a custom club like he got!

MCCREE: So make one.
MCCREE: like torb did

GENJI: torb just needed to make one because all the ones they have are taller than him

TORBJORN: Don't do this, Genji.
TORBJORN: I'd hate to see you get hurt.

GENJI: i dont like being threatened

TORBJORN: Then it would probably do you good to keep your mouth shut.

GENJI: fine

MOIRA: We have two holes left.
MOIRA: And many of you don't know how to golf.

SOMBRA: gabe

LUCIO: gabe

D.VA: yeah its gabe

REAPER: LEAVE ME ALONE!

SYMMETRA: Who's in the lead?

MOIRA: Hanzo and Widowmaker are tied.
MOIRA: McCree is one stroke behind.
MOIRA: Roadhog, Bastion, and Brigitte are three behind.
MOIRA: Everyone else sucks.

LUCIO: wow rip

D.VA: hey im having fun

TRACER: me too!

EMILY: Honestly, I think the only one not having fun is Gabe.

REAPER: STOP CALLING ME THAT!

ANA: Idk i dont think doomfist is really enjoying himself either

DOOMFIST: I need to reiterate that I still don't want to be here.

HAMMOND: Noted.

GENJI: hey how far behind is reyes?

MOIRA: Gabe has scored a triple bogey on every hole so far.
MOIRA: Obviously besides the one where we had to give everyone one point.
MOIRA: At the current moment, Junkrat is the closest to him.
MOIRA: However, Junkrat still holds a fourteen stroke lead.

ASHE: Wow, that's embarrassing.
REAPER: I'M NOT A GOOD GOLFER, OKAY?

REINHARDT: We can tell.

ASHE: Seriously, how do you triple bogey on the first fucking hole?

REAPER: STOP!

MEI: I will admit that I'm enjoying this.

ZARYA: I keep breaking clubs.

MEI: Aw, it's okay Zarya.
MEI: You're trying your best and that's what counts.
MEI: <3

ZARYA: <3

LUCIO: gay

GENJI: of course the two snipers are winning

BRIGITTE: I mean, Ana kinda sucks at this.

ANA: Meh

PHARAH: She's never been much of a golfer.

MOIRA: You really aren't either.
MOIRA: You're not much higher on the list than she is.

PHARAH: I'm above Gabe so that's what counts to me.

REAPER: Fuck off.

ROADHOG: is it actually possible for me to win this or am i too far behind?

MOIRA: Realistically, yes.
MOIRA: A lot would have to go wrong for the people above you, but it's possible.

ROADHOG: alright guess that means i have to actually keep trying

MCCREE: dont sweat it big guy cause im gonna win

HANZO: Don't put money on that.

WIDOWMAKER: I didn't come this far to lose.

TRACER: ame you have emily and i cheering you on!

EMILY: We love you, Amelie!

WIDOWMAKER: I'm going to win this for my girlfriends.

SYMMETRA: Hanzo, you have my support.

HANZO: Thank you, Satya.
Hanzo: I'm grateful for your friendship.

Mccree: hey is anyone gonna cheer for me?

Genji: nope

Lucio: not at all

D.Va: haha no

Bastion: :D

Bob: ...

Mccree: aw thanks guys
Mccree: at least i have you

Ashe: I hope you choke.

Mccree: thanks ashe

Ashe: My pleasure.

Brigitte: This is a showdown and I'm so ready for it.

Moira: You still need to play the hole yourself, you know.
Moira: You're not automatically kicked out just because you're losing.

Brigitte: Yeah, but my turn doesn't hold as much meaning as the others.

Moira: You're only three strokes behind.

Brigitte: Yes but I'm also not an idiot.
Brigitte: Chances are I don't get the chance to win.

76: Well, if you have any tricks up your sleeve, now would be the time to use them.
76: This is a crazy hole.

Widowmaker: ...I have one strategy.

Hanzo: Likewise.

Mccree: im just gonna wing it

Roadhog: am i the only one who actually analyzes the hole before i shoot?

Lucio: honestly yeah

D.Va: maybe if gabe analyzed he wouldnt be so far behind

Reaper: SHRUT UP!

Bastion: :)
ORISA: (^_^)

GENJI: jesse i hope u lose

ASHE: I hope you lose and then explode.

MCCREE: cant disappoint the fans

ASHE: I'm not your fan.

ASHE: I hate everything about you.

MCCREE: fuck you

MOIRA: Which of you wants to go first?

WIDOWMAKER: I will.

WIDOWMAKER: I have an idea.

PHARAH: It better be a good one cause that hole is far away.

WIDOWMAKER: ...Hmmmm.

JUNKRAT: WHY?

WIDOWMAKER: It worked once before.

JUNKRAT: HOW THE FUCK DID YOU EVEN HIT ME?

JUNKRAT: IM THIRTY FEET AWAY AND HIDING BEHIND A TREE

WIDOWMAKER: Personne n'échappe à mon regard.

76: ...How the fuck did he just do that?

BRIGITTE: Well, guess I don't even need to go anymore.

MOIRA: ...I think the omnic just won.

BASTION: :D

BOB: ...!

ZENYATTA: Congratulations!

ROADHOG: ill settle for second
HANZO: Unbelievable.
HANZO: I can't believe I just lost that.

WIDOWMAKER: We put up a good fight.

MCCREE: you both cheated

HANZO: All's fair in love and war.
HANZO: And Mini Golf.

JUNKRAT: WILL YOU PEOPLE LEAVE MY HEAD ALONE?
JUNKRAT: I STILL NEED IT

DOOMFIST: Everything about this was terrible.

SOMBRA: oh come on akande this was fun

REAPER: Let's never do this again.

DOOMFIST: For once, I agree with Gabe.

D.VA: this entire day was free how could you possibly still be so bitter about it?

DOOMFIST: I was reading a good book before I was dragged out here.

GENJI: books suck

DOOMFIST: That's just because you can't read.

LUCIO: damn thats a burn

WINSTON: This was honestly an enjoyable day.
WINSTON: Thank you for inviting me, Jesse.

MCCREE: dont mention it

HAMMOND: If anyone needs me, I'll be finishing off the last of the crackers.

D.VA: HEY I WANT SOME TOO

HAMMOND: TOUGH!

PHARAH: Now what?

MCCREE: should i book the course for the next time?

DOOMFIST: I want to go back to jail.

REAPER: Take me with you.

DOOMFIST: No.

BRIGITTE: Is it really so bad to hang out with us for a few hours?

DOOMFIST: Yes.

BRIGITTE: Wow, guess I'll just go fuck myself then.
ANA: Gabes just salty cause he came in last

REAPER: I DIDN'T WANT TO PLAY!

REINHARDT: I can see why.

HANZO: I can't believe Bastion beat me.
HANZO: I was ahead by three strokes.

TORBJORN: That's what you get for using the Dragons to cheat.

HANZO: It wasn't cheating.
HANZO: It was bending the rules.

MCCREE: yeah well when you bend the rules in baseball they call it cheating

HANZO: Well, we're not playing baseball, are we?

MCCREE: ...i guess not

ASHE: I've had enough of this.
ASHE: I'm gonna go drink myself to death.

DOOMFIST: I'm coming.

REAPER: As am I.

D.VA: you guys are such babies

Chapter End Notes

I tried my best to incorporate everyone into this chapter since I know a few characters were being neglected. Plus, I just was looking for an excuse to do a mini golfing chapter. Most of the antics that occurred in this chapter have happened to my friends and I and that's why we've been banned from several mini golf courses.

No Shame.
Hey everybody! I'm so so so so so so so so sorry that I haven't been updating recently. I've been swamped with work for the last few months and I just got back from vacation late last night. I hope I didn't keep all of you waiting too much. I have the next few chapters pre-written so I can return to my normal weekly updating schedule hopefully without being away for so long again. Thanks for all your patience and I hope you all enjoy!

76: Why?
MCCREE: what the hell is that?
BASTION: :D
D.VA: THATS GIZMO
D.VA: AND IF ANY OF YOU TOUCH HIM YOU WILL DIE HORRIBLY
MERCY: ...What did I miss?
GENJI: did u make that?
D.VA: no you idiot
D.VA: do you think i have ever possessed enough brain power to built a fully functional robot?
GENJI: it was a simple question bitch like damn
LUCIO: lmao
D.VA: torb made it
WINSTON: Why?
D.VA: bastion wanted a little brother so torb made a tiny little omnic
MCCREE: thats incredibly nice of torb
GENJI: yeah seriously
GENJI: i asked him to make a disco ball for the common room and he poured soda into all my circuits
MERCY: It took seven hours to fully clean your system.
BRIGITTE: I know better than to ask my father for ludicrous things.
REINHARDT: LUDA!
ANA: Shut the fuck up
REINHARDT: How am I the only one here with culture?

D.VA: cause the rest of us arent 90 years old

REINHARDT: 61, but thank you.

GENJI: i still argue that the disco ball was super necessary

BRIGHTTE: Apparently not because otherwise my father would have made it.

MCCREE: your dad just has bad taste

BRIGHTTE: You're not telling me anything I don't know.

WINSTON: We don't need a disco ball.

GENJI: BUT Y?  
GENJI: HOW ARE WE SUPPOSED TO PARTY HARD WITHOUT A DISCO BALL?

WINSTON: YOU'RE NOT SUPPOSED TO PARTY AT ALL!  
WINSTON: THIS IS A PROFESSIONAL WORK ENVIRONMENT!

GENJI: LET ME TELL U WHY THATS BULLSHIT

MCCREE: jesus fuck stop yelling

LUCIO: yeah fr

76: Are we just going to ignore the brand new fucking omnic walking around?

MCCREE: he aint hurting nobody

ANA: Yet

REINHARDT: OH COME ON, LOOK AT HIM!  
REINHARDT: HE'S SO CUTE!

MERCY: Why was this done?

D.VA: bastion wanted a little brother do you listen?

WINSTON: I didn't expect Torbjorn of all people to oblige.

ASHE: Yeah seriously.  
ASHE: Why does everyone like the Omnic more than actual people?

D.VA: because actual people suck and omnics are like curious puppies when they no longer have an interest in killing things violently and i cant not love a puppy

LUCIO: honestly same

MERCY: That was...surprisingly accurate.

BASTION: :D

GENJI: i mean come on how can u not love bastion?  
GENJI: even zarya loves him and zarya hates omnics
ZARYA: ...I did not admit to this.

BASTION: :( 

ZARYA: ...If you tell anyone of this, you will be broken down for scrap.

BASTION: ;-)

76: I reiterate.
76: What the fuck do we do about this new omnic walking around?

D.VA: LEAVE GIZMO ALONE!
D.VA: HES A SMOL BOI AND NEEDS TO BE PROTECTED

PHARAH: Honestly, if he doesn't cause any damage, I don't think he's bad to have around.

D.VA: THANK YOU

PHARAH: If he starts touching my stuff, I'll crush him under my boot.

REINHARDT: NO, YOU MOST CERTAINLY WILL NOT!

BASTION: >:(

MCCREE: damn fareeha
MCCREE: i dont know if youd win that battle

PHARAH: ...
PHARAH: Just keep him out of my room, please!

ANA: This things iq is higher than half of the people on base i think hell be fine

MERCY: Just keep it away from Jesse and Genji.

MCCREE: hey

GENJI: IM NOT THE BAD INFLUENCE HERE!

SOMBRA: i have like 190 recorded instances of you being the ringleader for a bunch of stupid shit

TRACER: yeah genji!

LUCIO: I STILL HAVENT FORGOTTEN

GENJI: I DIDNT KNOW IT WAS A MAGNET

LUCIO: I HAD TO BUY A NEW TV

REINHARDT: Why?

ANA: Yeah seriously we have sixty spares in the warehouse cause u fuckwads keep breaking the one in the common room

LUCIO: THE WAREHOUSE IS SO FAR AWAY THO

BRIGITTE: Best Buy is a fifteen minute Uber Ride.
BRIGITTE: The Warehouse takes at most ten minutes to walk to and back from.
BRIGITTE: Not the mention the fact that the TVs in the warehouse are free while a new TV from Best Buy is well over 300 dollars.
BRIGITTE: Your logic is flawed.

SYMMETRA: When isn't it?

LUCIO: I JUST WANTED TO WATCH STRANGER THINGS

76: There's nothing on Earth stranger than this base.

TRACER: true!

D.VA: gizmos been here for ten minutes and hes already the most normal one

MCCREE: ...what is he doing?

D.VA: hes cleaing your dirty dishes you fat slob
D.VA: maybe he can teach you a thing or two

MCCREE: did torb just make another chore bot?

ANA: Nah this ones better
ANA: It knows how to play uno

LUCIO: hes been alive for like fifteen minutes how could he possibly know how to play uno already?

ANA: Cause i tested it in the lab right after torbjorn made it

REINHARDT: HE HIT ME WITH A DRAW FOUR THREE TIMES IN A ROW!
REINHARDT: HE'S LUCKY HE'S SO CUTE!

BASTION: :D

PHARAH: Okay, so this is a totally normal thing that's happening now, huh?

LUCIO: pretty much

MCCREE: hes already cooler than genji

GENJI: FUCK U

MERCY: Don't teach the little omnic to curse, Genji.

GENJI: THATS LITERALLY ALL I DO IS CURSE
GENJI: I CURSE IN MY SLEEP
GENJI: SNORE SNORE OHGODFUCKTHEFUCKINGDICKWADS SNORE SNORE

LUCIO: im crying

TRACER: lol!

MEI: He does curse in his sleep, actually.
MEI: Zarya and I hear it a lot.

GENJI: I HAVE SLEEP PARALYSIS
GENJI: PROBABLY BECAUSE SOMEONE KILLED ME FOR NO REASON

HANZO: It was not for no reason.

GENJI: OH REALLY WHAT WAS THE REASON?

HANZO: You're incredibly annoying.
HANZO: That's pretty much it.

MERCY: Sleep Paralysis doesn't make you scream, Genji.
MERCY: Those are night terrors.

GENJI: MY ENTIRE FUCKING LIFE IS A NIGHT TERROR

D.VA: mood

REAPER: WHAT FRESH HELL IS THIS?
REAPER: THERE'S A MINI ROBOT IN JACK'S ROOM!

D.VA: DONT FUCKING TOUCH HIM GABE

REAPER: HOW DID HE GET IN HERE?

ANA: He prob walked thru the door
ANA: Thats what theyre for

REAPER: THE DOOR WAS LOCKED!

D.VA: torb gave him a skeleton key!

WINSTON: ...Why does Torbjorn have a skeleton key?

REINHARDT: He took it from Ana because she kept using it to get into the Archives and use people's personal stories against them.

ANA: I WAS HAVING SO MUCH FUN

REINHARDT: You were abusing your power.

ANA: I JUST WANT TO KNOW WHAT HAPPENED TO JESSE WHEN THE PIZZA MAN SHOWED UP

MCCREE: I WILL NEVER TELL YOU THE ENDING TO THAT STORY!

WINSTON: This is why only certified members were allowed in the archives.

ANA: I was second in command how much more certified do i need to be?

76: Winston and I were the only ones who had the authority to go in there.
76: And Gerard wrote up most of the statements for the missions.

ANA: But why?

76: Because we're not idiots who would use the information against each other.

ANA: Or so u think
LUCIO: wait
LUCIO: there's a room on base so secret that only two members had access to it and it contains everyones deepest personal secrets?

76: It's mostly just mission statements and the applications we got from all the members.
LUCIO: but they're embarrassing?
76: A few of them.
LUCIO: ...
LUCIO: GIZMO

WINSTON: LUCIO, NO!

D.VA: holy fuck this is a great idea
GENJI: wait do u actually think the skeleton key is gonna work?
D.VA: its a fucking skeleton key obviously it will
MERCY: How did I not know this archive room existed?
76: It's labeled as "classified" for a reason.
MCCREE: do you even know where the room is?
LUCIO: I CAN FIND IT
WINSTON: Please do not.
BASTION: :O
MCCREE: why would gizmo have the floor plan downloaded?
BASTION: :P
MCCREE: i think torb knows better
BASTION: :( 
LUCIO: IM GONNA FIND IT

76: Christ, would you leave it be?
76: All of the documents in there are outdated.

LUCIO: IF THERES SOMETHING FUNNY THERE I NEED TO SEE IT

MERCY: Oh, just let him look for it, Jack.
MERCY: What harm could he possibly do?

76: ...
76: One of the mission statements in there is the one where you and Kimiko were sent to Serbia.

MERCY: !!!!!!!
MERCY: YOU PROMISED THAT WOULDN'T BE DOCUMENTED!
76: I didn't have a choice.
76: Anytime the National Guard gets called in, I have to write a case report for it.

MERCY: LUCIO, IF YOU GO LOOKING FOR THAT ARCHIVE ROOM, I WILL PERSONALLY SEE TO YOUR DEMISE!
LUCIO: CANT STOP WONT STOP

GENJI: wait wtf happened in serbia?
MCCREE: did you not hear about this?
GENJI: UM NO?
GENJI: WHAT HAPPENED?
TRACER: wait i didnt hear about this either!

REAPER: Jesse, are you telling me that you know about this?
MCCREE: i excel at getting access to information that im not supposed to have
MERCY: JESSE!
MCCREE: chill ang im not gonna tell anyone
MCCREE: besides i got much better stuff to blackmail you with
MERCY: Why are you this way?
MCCREE: i come from a troubled upbringing
LUCIO: wait jesse you know where the archives are?
MCCREE: oh yeah of course
LUCIO: ...can you help?
MCCREE: nah
MCCREE: its more fun to watch you drive yourself crazy looking for it
LUCIO: youre a bully
MCCREE: meh

SOMBRA: you're sitting in the conference room watching naruto on the tv

DOOMFIST: In my defense, this is the only channel on.
DOOMFIST: Moira hid the remote.

MOIRA: I'M NOT GIVING IT BACK UNTIL YOU ADMIT THAT NARUTO WAS GOOD!

DOOMFIST: If I was a less stable individual, I'm pretty sure I would be more than able to forcibly take the remote back from you.

MOIRA: ...PLEASE DON'T!

JUNKRAT: IT WAS AN ACCIDENT

MCCREE: do you have any idea how robots work?

MERCY: Do you?

PHARAH: Yeah, did you suddenly get a robotics degree we didn't know about?

ASHE: Doubt it.

BOB: ...

ASHE: SHUT THE FUCK UP!

LUCIO: hey just saying i still have no fucking idea what the two of them are saying

MCCREE: sounds like a you problem

D.VA: i literally just watched gizmo pick up and throw a human being and theyre concerned that hes gonna get hurt?

MCCREE: wouldnt you if he was your brother?

D.VA: ...fair point

REINHARDT: I have it on good authority that Gizmo can handle himself.

PHARAH: I still can't believe Torbjorn made an omnic just because.

GENJI: u know disco balls take significantly less time and effort to make

BRIGITTE: He's not making a fucking disco ball.
GENJI: AND THATS WHY HE IS A TRAITOR

D.VA: can you get over it please?

GENJI: coming from the girl whos still holding a grudge because gabe knocked over her glass of moutain dew

REAPER: THAT WAS SIX MONTHS AGO!

D.VA: I WAS SO FUCKING THIRSTY AND YOU RUINED IT

76: **I'VE GOT YOU IN MY SIGHTS!**

MCCREE: that went just about as well as expected

GENJI: yup

MERCY: I swear to every force on Earth, I'm going to kill every single one of you.

D.VA: **HES SO LUCKY THAT WINDOW WAS BULLETPROOF**

BASTION: >:D

76: EVERYTHING HURTS!

HANZO: You are so astoundingly stupid.

BRIGITTE: Yeah seriously.
BRIGITTE: What the fuck did you think was going to happen?
SYMMETRA: It was 4 vs 1.
SYMMETRA: You were doomed to fail.

76: I SUFFERED EIGHT YEARS OF SERVICE IN THE ARMY!
76: AND AN EXPERIMENTAL TREATMENT!
76: AND ALMOST TWENTY YEARS OF HELL IN OVERWATCH!
76: FOLLOWED BY ALMOST DYING AND THEN BEING A VIGILANTE!
76: I FIGURED I COULD HANDLE THIS!

MCCREE: and how did that work out for you?

76: I MISCALculated!

REINHARDT:

![The risk I took was calculated, but man, am I bad at math.]

MERCY: I can't believe that I even have hair left to pull out.

PHARAH: Don't pull your hair out.
PHARAH: That's your best feature.
PHARAH: Besides your ass and the rest of your body but you didn't hear that from me.

LUCIO: gay

MERCY: @PHARAH <3
MERCY: @LUCIO Go fuck yourself.

PHARAH: @MERCY <3
PHARAH: @LUCIO Go fuck yourself again.

76: ANGELA, YOU HAVE MY PERMISSION TO LET ME DIE!

REAPER: @ANGELA
REAPER: Keep him alive.

76: I THOUGHT YOU LOVED ME!

REAPER: THAT'S WHY I WON'T LET YOU DIE UNLESS I CAN DIE WITH YOU!
WE STILL HAVE ACID IN THE LAB!
IF YOU TAKE A SWIG WITH ME, THAT'LL END IT ALL!

REAPER: I'M FUCKING SOLD!

WINSTON: Neither of you are doing that.

JUST LET ME DIE!

DOOMFIST: What the fuck is wrong with this organization?

MCCREE: hey man he shouldve just left gizmo alone

MORRISON: ANA, MIREMBE, AND GERARD ALL WERE NEEDED URGENTLY ON A MISSION IN LAOS SO ANA LEFT ME IN CHARGE OF BABYSITTING FAREEHA UNTIL SHE GOT BACK!

MCCREE: ...i fail to see the problem

MORRISON: I'M NOT GOOD WITH KIDS!

MCCREE: okay and you want me to do what exactly?

MORRISON: ANYTHING!
MORRISON: GIVE ME SOME ADVICE OR SOMETHING!

REINHARDT: Jack, we've babysat Fareeha before. REINHARDT: Why are you freaking out so much?

MORRISON: I'M NOT TRAINED TO TAKE CARE OF CHILDREN!

MCCREE: literally all you have to do is watch her MCCREE: this seriously could not be simpler

KIMIKO: ...Seriously?

WINSTON: Jack, it's not rocket science.

MORRISON: I DON'T KNOW HOW TO PROPERLY DO THIS! MORRISON: DO I READ HER A STORY OR SOMETHING?

MERCY: Jack, she's 13. MERCY: If you read her a story, she'd probably just punch you in the face.

MCCREE: id pay good money to see that

MORRISON: SO WHAT DO I DO? MORRISON: DO I PLAY A BOARD GAME WITH HER?

REYES: Jack, what the fuck are you doing?

MERCY: She's not a little kid, Jack. MERCY: She's more than capable of entertaining herself.

GENJI: fareehas here?
GENJI: cool

MCCREE: morrisons stupid and doesnt know how to take care of her

LIAO: its not fucking rocket science

WINSTON: That's what I said.

MORRISON: I'M A STRIKE COMMANDER NOT A BABYSITTER!

REINHARDT: It's basically the same thing, Jack.
REINHARDT: The only difference is that Fareeha doesn't have weapons.

GENJI: wait can we bring her into the chat again?

WINSTON: That's really not a good idea.

GENJI: ugh fine

KIMIKO: Wait, where did Ana go?

WINSTON: The UN needed her, Mirembe, and Gerard urgently.
WINSTON: There's been an incident in Laos and the three of them were most qualified to settle it diplomatically.

REYES: I can't imagine Ana being diplomatic in the slightest.

REINHARDT: Ana is very diplomatic.
REINHARDT: Being around all of you is what makes her act out.

KIMIKO: I mean, Fareeha really doesn't need a babysitter.
KIMIKO: She's 14.

MERCY: 13.

KIMIKO: Oh excuse me, I was sooooooo fucking far off.

GENJI: how long are they gonna be gone?
WINSTON: A few hours at least.
WINSTON: They'll probably get back around midnight if it all goes well.

MCCREE: okay and fareeha probably will go to bed at like ten so you really only need to watch her for like five hours

MORRISON: THAT'S TOO MANY!

REINHARDT: If I can make a suggestion, why not take her out somewhere?
REINHARDT: I think the laser tag arena is open.

MORRISON: WOULD SHE EVEN LIKE LASER TAG?

KIMIKO: She's a teenager with aspirations to be in the Army.
KIMIKO: Shooting people with lasers is probably her favorite pastime.

GENJI: i wanna come

MCCREE: same

LIAO: me too

WINSTON: I'm pretty sure it's more oriented towards Fareeha's age group.

MCCREE: that just means the competition will be easier to take down

WINSTON: ...You frighten me greatly.

MORRISON: Gabe, come with me please?

REYES: Do I really have to?

MORRISON: I might be able to handle Fareeha, but there's no way I can handle her plus the Blackwatch Kids and Liao.

REYES: ...Fine.

REYES: But I'm not playing laser tag.

MORRISON: That's fine because I'm not either.

MCCREE: wait youre actually taking us?

MORRISON: The more people around to watch Fareeha, the better.

REINHARDT: Do you need someone to drive you there?

MORRISON: I can fit six in my car.
MORRISON: But thank you for offering.

KIMIKO: This is the most civil conversation we've had in months.

WINSTON: We should make a better effort to do it more often.

GENJI: lol nah

MORRISON: ...

MORRISON: Fareeha is excited to go.
LIAO: how excited?

MORRISON: She said, and I quote, "Oh fuck yes, I'm gonna fuck those losers up."

REINHARDT: She's certainly Ana's daughter.

MERCY: Ana is a terrible influence.

LIAO: old news

MORRISON: Genji and Jesse, get ready.
MORRISON: We're leaving in ten minutes.

MCCREE: IM SO FUCKING READY

GENJI: UR GOING DOWN

REINHARDT: Ah, I'm glad to see this is going just as well as I expected it to.

MORRISON: As long as they're in the arena, they're not my problem.

KIMIKO: It's gonna be your problem when someone dies because of them.

MORRISON: Indifferent.

GENJI: GET READY JESSE

MORRISON: Shut the hell up.

REINHARDT: Are you two enjoying your bonding moment?

MORRISON: I'd like it better if we weren't at a food court in a mall, but this is nice.

REYES: We're just trying to enjoy the calm before the storm.

MERCY: Based off of what I've seen, the storm is going to be very bad.

REYES: You have no idea.

MORRISON: If this is all I have to do, then maybe I'll consider babysitting Fareeha more often.

WINSTON: I don't think Ana will ever need to leave on such short notice again, so it shouldn't come to that.

REINHARDT: For Fareeha's sake, I sure hope not.

MORRISON: Fuck off.

MCCREE: YOURE IT
LIAO: YOURE IT
GENJI: STOP FUCKING TAGGING ME
MCCREE: YOURE IT AGAIN
GENJI: THE DRAGON BECOMES ME
MORRISON: WHAT THE FUCK DID I JUST SAY?

REINHARDT: If any of you move, I will snap your limbs off.
MCCREE: YOUR GRIP IS LIKE A VISE HOLY SHIT
GENJI: JESSE STARTED IT
LIAO: I JUST WANTED TO PLAY LASER TAG
KIMIKO: We're incredibly fortunate to have someone like Reinhardt.
WINSTON: Reinhardt, if you could carry each of them to their rooms, I'll deal with them later.
REINHARDT: Of course.
MERCY: ...Is he carrying all three of them?
REYES: Are you surprised?
MERCY: ...I don't really think so.
MORRISON: I AM SO SICK OF THIS CHILDISH BULLSHIT!
REYES: Get in line.
KIMIKO: ...Jack.
KIMIKO: Where's Fareeha?
MORRISON: ...SHE WAS SITTING IN THE BACK SEAT!
KIMIKO: No one else is here.
MORRISON: ...
WINSTON: ...
MERCY: ...
REYES: ...
REINHARDT: ...

MORRISON: FUCK!!!!!!

ANA: I ASK U ONE SIMPLE THING
ANA: AND U CANT EVEN DO THAT RIGHT

MORRISON: IT WAS AN ACCIDENT!

ANA: HOW DID SOMEONE AS STUPID AS U GET VOTED STRIKE COMMANDER?

KIMIKO: This is the funniest fucking thing I've ever heard.

LACROIX: What in the world did we miss?

WINSTON: Don't ask.

ANA: U HAD ONE JOB JACK

MORRISON: IT WASN'T MY FAULT!
MORRISON: THE KIDS AND LIAO WERE BEING UNRULY AND I JUST DIDN'T NOTICE!

ANA: HOW THE FUCK DO U FORGET MY DAUGHTER
ANA: WHO U WERE SUPPOSED TO BE WATCHING BTW
ANA: AT THE FUCKING GAS STATION AND NOT EVEN NOTICE?

MORRISON: I'M SORRY!

ANA: SORRY ISN'T GOOD ENOUGH JACK

MIREMBE: I can't believe this is what we came back to.

KIMIKO: Hey Jack's just lucky that no one decided to kidnap her.

ANA: NOT HELPING

KIMIKO: I'm just saying.

MERCY: It's okay, Ana.
MERCY: She said she's okay.
MERCY: A little stressed out but okay.

ANA: UR LUCKY JACK
ANA: IF SOMETHING HAD HAPPENED TO HER U WOULD BE DEAD RN
MORRISON: NEXT TIME, DON'T TAX ME WITH THIS RESPONSIBILITY!

ANA: UR LUCKY IF FAREEHA EVER LOOKS AT U AGAIN AFTER TONIGHT
ANA: NEXT TIME ILL LEAVE REINHARDT IN CHARGE
ANA: AT LEAST I KNOW HELL ACTUALLY PAY ATTENTION

REINHARDT: Anything for you, Ana.

WINSTON: Why are you all like this?

LACROIX: Mirembe and I didn't do a single thing wrong.

MIREMBE: As is usually the case.

ANA: UNBELIEVABLE

MORRISON: I'M SORRY!

ANA: FUCK U

KIMIKO: Well, this has been an amazingly entertaining day.

LACROIX: For you.
MCCREE: EVERYBODY FUCKING RUN

LUCIO: ???

MCCREE: TORBS ON THE WARPATH

TORBJORN: WHEN I FIND YOU, I SWEAR TO GOD THAT I'M GOING TO REMOVE ALL OF YOUR ORGANS!

GENJI: I DONT HAVE ANY
GENJI: ANGELA TOOK THEM ALL OUT

TORBJORN: THEN I WILL PUT THEM BACK INSIDE YOU AND THEN TAKE THEM OUT AGAIN!

REINHARDT: That sounds unpleasant.

GENJI: I DIDN'T EVEN FUCKING DO ANYTHING

TORBJORN: I DON'T CARE ANYMORE!

76: What the fuck is going on?

MCCREE: HANA FUCKED UP
MCCREE: AND NOW TORBS COMING AFTER US ALL

D.VA: IT WASNT ME

MCCREE: BULLSHIT

D.VA: ALL I DID WAS MOVE A THING

MCCREE: YOU KNOCKED OVER THE ENTIRE FUCKING CABINET
MCCREE: OF CHEMICALS
MCCREE: WHICH THEN SPILLED ALL OVER THE PLACE

D.VA: OKAY BUT THAT DOESNT MEAN I DESERVE THIS

MCCREE: YES YOU DO
MCCREE: AND BTW EVERYONE NEEDS TO HIDE BECAUSE I DONT THINK TORB IS TAKING PRISONERS ANYMORE

LUCIO: FUCK NOT AGAIN

ANA: Lol ur all gonna die

TORBJORN: YOU TOO!

ANA: Excuse the fuck?
ANA: Are u threatening me?
TORBJORN: I'M TAKING MY REVENGE FOR THE CONFETTI INCIDENT!
ANA: FOR LIKE THE 14TH TIME THAT WAS KIMIKOS IDEA
TORBJORN: WHICH YOU SET UP!
ANA: TORB IVE RESPECTED UR BOUNDARIES FOR MANY YEARS BUT IF U COME WITHIN 20 FEET OF ME IM EXERCISING MY LEGAL RIGHT TO FUCKING KILL U
TORBJORN: BRING IT ON!

REINHARDT: ...This is not good.
REINHARDT: It's been years since Torbjorn's legitimately threatened Ana.
REINHARDT: That didn't end well either.
TORBJORN: I'VE REACHED MY BREAKING POINT!
TORBJORN: I'M FIXING THE PROBLEMS!

76: ...Oh no.

REAPER: **Goodbye Hana.**

D.VA: WTF DO YOU MEAN GOODBYE?
D.VA: WHATS GONNA HAPPEN?

WINSTON: Death.

REINHARDT: Lots of it.
D.VA: AND YOU'RE ALL JUST GONNA STAND THERE AND NOT HELP?

REINHARDT: Oh, we're not going to stand here.
REINHARDT: We're all hiding.

REAPER: **I'm not dealing with this again.**

MCCREE: better make sure you have a better hiding spot this time

REAPER: **SHUT UP!**

GENJI: I DONT NEED THIS AGAIN I ALREADY SAW THIS HAPPEN IN BLACKWATCH

ASHE: The hell's going on in here?

MCCREE: HANAS GONNA DIE AND YOU NEED TO FIND A PLACE TO HIDE CAUSE IF TORB SEES YOU HELL KILL YOU TOO

ASHE: WHAT THE FUCK?
ASHE: I DIDN'T SIGN UP FOR ALL THIS SHIT!

LUCIO: SO WHAT IS HE JUST GONNA KILL US JUST TO KILL US?

REINHARDT: Pretty much.
LUCIO: MURDER IS ILLEGAL

PHARAH: Yeah, go ahead.
PHARAH: Tell the authorities that Overwatch is back and one of the members is gonna kill you.
PHARAH: I'm sure that'll go over well.

LUCIO: SHUT UP

SOMBRA: should i keep track of where hes going or?

REINHARDT: If you want.
REINHARDT: I'm sure he'll come after you, too.

SOMBRA: but why?

REINHARDT: Because he doesn't like you.

SOMBRA: you dont seem all that bothered by the fact that torb is about to murder everyone

REINHARDT: Torbjorn and I have been friends for a very long time.
REINHARDT: I think we both have enough respect for each other where he will leave me alone no matter how bad the situation becomes.

GENJI: so what hes gonna kill us and leave the rest of u alone?

WINSTON: I think the only people he'd really try killing are you five, Jack, Gabe, and probably Junkrat.

PHARAH: Yeah you're all the worst.
PHARAH: And then no one really likes Jack or Gabe.

76: Fuck off.

TORBJORN: I'LL COME AFTER YOU AND ANGELA TOO!

PHARAH: WHAT WHY?

TORBJORN: I'M TIRED OF HEARING YOU TWO WHEN I'M TRYING TO WORK!

MERCY: HOW CAN YOU EVEN HEAR US?
MERCY: THE WALLS ARE 10 INCHES THICK!

GENJI: JUST LIKE THIS DICK

LUCIO: FDJKDBVKLDEFHJDFKJSDKFJHNDKFJ

TORBJORN: YOU WILL DIE FIRST!

GENJI: WORTH IT

JUNKRAT: HEY WAIT WHY AM I GONNA DIE?

D.VA: BECAUSE LITERALLY NO ONE LIKES YOU

JUNKRAT: RUDE

DOOMFIST: As someone on the outside looking in, I have a genuine question.
MCCREE: shoot
DOOMFIST: I do not have a gun.
MCCREE: it was a figure of...
DOOMFIST: I know, I'm just joking.

SOMBRA: akande told a joke?
SOMBRA: maybe the world actually is ending

DOOMFIST: Hilarious.
DOOMFIST: Clearly, there seems to be a hierarchy in Overwatch.
DOOMFIST: There are some people who are never messed with and others who are constantly messed with.
DOOMFIST: Just out of curiosity, who ranks where?

MCCREE: oh hey genji and i actually made this list once

GENJI: U DID
GENJI: AND I DISAGREED HIGHLY WITH IT

MCCREE: meh

DOOMFIST: So who was the #1 choice?
DOOMFIST: While Torbjorn hunts everyone down and kills them.

MCCREE: well back then the last person you wanted to fuck with was Mirembe
MCCREE: and gerard

REINHARDT: We will never forget what happened that night.

MERCY: Liao was in the Medical Wing for eight weeks.

REAPER: **He's lucky he didn't die.**

ANA: Well thats what he fucking gets for playing with silly putty
LUCIO: im missing so much context here

GENJI: its better that way

MCCREE: nowadays its a little tougher to decide

DOOMFIST: I would imagine that Widowmaker is decently high on that list.

MCCREE: i have her ranked 5th
MCCREE: beneath torb symmetra mei and reinhardt

DOOMFIST: Very interesting.
DOOMFIST: I would have put her at least Top 3.

MCCREE: see youd think that but widow actually puts up with my shit a lot of the time
MCCREE: mei torb symmetra and reinhardt dont they just hit me and possibly burn me with lasers

TRACER: amelie doesnt really care what you do anymore!
TRACER: just dont touch her stuff again

MCCREE: dont worry ive learned my lesson

WIDOWMAKER: Good.

DOOMFIST: So, of the four you just listed, who ranks at #1?

MCCREE: see thats the hard part
MCCREE: reinhardts an easy choice at 4 cause hes never actually killed anyone but after him idk who would be the worst

SYMMETRA: I'm really not that bad.

GENJI: ur ocd as fuck and whenever someone even looks at u wrong u chase us around with ur gun

SYMMETRA: Those seem like very valid reasons to get upset.

TRACER: wait am i crazy?
TRACER: didnt reinhardt kill liao like three times?

REINHARDT: Of course not, I'm not an animal.
REINHARDT: I just beat him until he lost consciousness.
REINHARDT: And occassionally broke a bone or ten.

MERCY: That's really not any better.

REINHARDT: Ah, details.

LUCIO: wait torb mei and symmetra have actually killed people?

REINHARDT: Well, you know about Symmetra's.
REINHARDT: Remember when Genji destroyed her paperwork and Angela had to revive him?

LUCIO: oh yeah that

MCCREE: meis actually a demon when shes upset
MCCREE: you know all about that

LUCIO: yeah we dont need to bring these memories that ive tried so hard to repress back to the surface

MCCREE: as for torb
MCCREE: we dont talk about that anymore

76: By law, The Hammering of ’62 is not allowed to be discussed without the proper authorities present.

BRIGITTE: ...I thought that was a joke.

ANA: Nope ur fathers a murderer

BRIGITTE: ...My entire life is a lie.

LUCIO: wow so hanas fucked then huh?
MCCREE: if she gets caught
ANA: I think its safe to guess that torb will find her no matter what
D.VA: FUCK
DOOMFIST: Just based entirely off of what I've just heard, I think it would be a safe bet to name Torbjorn as the most dangerous one there.
MCCREE: idk man if you catch mei on a bad day you might actually die with no hope of being revived
MCCREE: plus you also need to consider that guys like hanzo roadhog and bob arent on the list
DOOMFIST: Why is that?
MCCREE: hanzo is very good at just ignoring us completely
MCCREE: i dont think ive ever actually seen roadhog mad enough to kill someone
MCCREE: and who could hate bob?
ASHE: Sometimes I really consider it.
BOB: ...
ASHE: Oh shut up, you know you love me.
DOOMFIST: So, who's the easiest to pick on?
GENJI: jack
REINHARDT: Jack.
ANA: Lol jack
MCCREE: yeah jack
76: Oh fuck you.
DOOMFIST: I believe it.
MCCREE: gabe is obviously a close second
REAPER: I'M TRYING TO HIDE FROM TORBJORN I DON'T NEED THIS!
MCCREE: after that its a little tougher
MCCREE: genjis down there and so is hana
MCCREE: lena junkrat and orisa are also very close
LUCIO: wait whats wrong with orisa?
DOOMFIST: Should I count the reasons?
MCCREE: she might be nice and all but shes a stupid robot with four legs and a hand cannon and shes absolutely goddamn useless in team fights
MERCY: That's unnecessarily harsh.
ANA: I mean
LUCIO: hes really not wrong

ORISA: :( 

MCCREE: on the bright side
MCCREE: i can confirm that torb would never attempt to kill her because shes always very helpful when he needs her

ORISA: I take great pride in my ability to fill in where I'm needed.

BRIGITTE: If only that ability carried over into missions.

ORISA: :( 

LUCIO: wow is this just pick on orisa day?

BRIGITTE: The topic was brought up and I couldn't help but add my input.

76: In Orisa's defense, at least she stays on the objective.
76: Unlike certain people.
76: *Cough Genji Fareeha Lena Cough*
76: Who seem to care more about kill count than completing the objectives.

GENJI: hey wait a minute

TRACER: i feel called out!

76: You were.

PHARAH: Oh shut up, Jack.
PHARAH: Like you don't do the same thing.

76: I DON'T!
76: I COMPLETE THE OBJECTIVE!

GENJI: MAYBE U DO BUT UR FUCKING USELESS WHEN IT COMES TO TEAMWORK
GENJI: "HEY JACK ANGELA ISNT HERE COULD U PUT DOWN UR BIOTIC FIELD?"
GENJI: "NO IM SAVING IT FOR AN EMERGENCY"
GENJI: IM FUCKING DYING JACK THIS IS AN EMERGENCY IF IVE EVER SEEN ONE

DOOMFIST: Sounds a lot like Moira honestly.
DOOMFIST: She won't heal anyone unless they compliment her hair.
DOOMFIST: Which looks awful 99.9% of the time.

MOIRA: I KNEW YOU THOUGHT THAT!

DOOMFIST: I shouldn't need to keep your self-confidence up to be healed.

ASHE: What the fuck happened here?

MCCREE: people couldnt handle the truth

ORISA: To be fair, I really didn't complain.

MCCREE: yeah but everyone else did
MCCREE: which just helps to reinforce my points
GENJI: okay fuckwad where are u ranked on this list?

MCCREE: middle tier
MCCREE: along with bastion sombra and ana

ANA: Is that good?

MCCREE: middle tier consists of people that others want to mess with but usually dont because they fear the consequences

ANA: Acceptable

SOMBRA: i like it

BASTION: :D

GENJI: fuck u jesse ur not that dangerous

MCCREE: is that right?
MCCREE: hey genji dont you think now would be a great time for everyone to hear about what happened during your first camping trip?

GENJI: DONT U FUCKING DARE

MCCREE: dont fuck with me
MCCREE: because i can make it worse
MCCREE: case closed

GENJI: FUCK

SOMBRA: uh guys

REINHARDT: That's not reassuring.

SOMBRA: i literally cant find torb on any of the cameras

LUCIO: you had one fucking job

PHARAH: How?

BRIGITTE: Yeah seriously, don't you have cameras everywhere on base?

WINSTON: Torbjorn probably set them up to play a loop.

SOMBRA: ...
SOMBRA: HE CAN FUCKING DO THAT?

ANA: Idk why u think were all morons genji and jesse are the only ones who dont have brain power

MCCREE: hey

GENJI: not cool

SOMBRA: FUCK
SOMBRA: I DIDNT KNOW HE DID THAT

D.VA: !!!!
D.VA: WHATS THAT NOISE?

ASHE: It's the birds again.

PHARAH: NO IT'S NOT!
PHARAH: AND STOP CALLING US THAT!

D.VA: ...OH FUCKING SHIT
D.VA: HES BREAKING DOWN THE DOOR

TORBJORN: HERE'S TORBY!

D.VA: FUCK

TORBJORN: @ANGELA
TORBJORN: She's going to need your help.
TORBJORN: Along with a few years of psychological counseling.

MERCY: I'll get right on that.
MERCY: After Fareeha and I are finished.

BRIGITTE: Bruh.

MCCREE: lucio are you still laughing?
MCCREE: its been like ten fucking minutes

LUCIO: HERES TORBY
LUCIO: SJDJKHDGBNDSJGHDHVJBDENHBKLSDB

TORBJORN: Glad I could help.
TORBJORN: I'm feeling much more relieved now.
TORBJORN: You may all continue with your days.
TORBJORN: But if someone comes into the Armory and fucks my shit up again, every single one
of you will die.

GENJI: ...message received

TORBJORN: Wonderful!
TORBJORN: See you all at dinner.

ASHE: So the midget goes on the war path and only kills one person?

MCCREE: you say that like its a bad thing

ASHE: I was just expecting more, is all.

SOMBRA: can someone go help my girlfriend btw?

MERCY: Eventually.

SOMBRA: YOURE SUPPOSED TO BE THE DOCTOR

MERCY: I'm off duty.
SOMBRA: BUT WHY?

DOOMFIST: She's your best bet, Sombra.
DOOMFIST: We all know how it would go if Moira tried.

MOIRA: I JUST WOKE UP LIKE FORTY MINUTES AGO STOP ATTACKING ME LIKE THIS!

DOOMFIST: No.

ANA: I was honestly low key hoping that torb would kill junkrat too

WIDOWMAKER: I was high key hoping.

JUNKRAT: WHY THO?

WINSTON: You are all so hopelessly dysfunctional.

LUCIO: thank you

WINSTON: That wasn't a compliment.

REINHARDT: Jack, Gabe, he's gone.
REINHARDT: You can come out now.

REAPER: **I've been out for years.**

REINHARDT: Not really what I meant, but okay.

76: I think I'm stuck.

REAPER: **DID YOU ROLL UNDER THE FUCKING BED AGAIN?**

76: **I PANICKED!**

REAPER: **GET THE FUCKING TOW TRUCK!**
REAPER: **JACK'S FAT ASS GOT STUCK UNDER THE BED AGAIN!**

MCCREE: i call driving

76: **THIS ISN'T WHAT I WANTED!**

WINSTON: This only further proves my point.

LUCIO: oh come on this base is no fun without all this stuff happening

WINSTON: You and I have different definitions of fun.

ANA: Watching jesse tow jack out from under the bed is fun for all ages

76: **TORBJORN!**
76: **COME BACK AND KILL ME!**

TORBJORN: And miss the tow truck ordeal?
TORBJORN: Not a chance.
Chapter End Notes

For anyone wondering about Baptiste, he will make his first appearance in the next chapter. And apparently there's a new character now. Fuck's sake Blizzard you're killing me here.
SOMBRA: heeeeeeey everybody

MCCREE: oh god

76: Whatever it is, no.

MERCY: We don't need another repeat of the Chicken Dance.

GENJI: NEVER SPEAK OF IT AGAIN

SOMBRA: wow hostile
SOMBRA: how do u know im even going to do anything bad?

REAPER: Probably because that's literally all you do.

SOMBRA: oh come on thats not true

DOOMFIST: It's entirely true.

SOMBRA: wow akande i thought we were friends

DOOMFIST: We are not.
DOOMFIST: We are coworkers.
DOOMFIST: Nothing more.

SOMBRA: ouch

MCCREE: wow doomfists going for the jugular rn

DOOMFIST: I was just stating facts.
DOOMFIST: It is not my problem if you can't handle them.

MOIRA: Sombra's not good at taking criticism.

SOMBRA: OKAY MOVING ON FROM THIS PERSONAL ATTACK
SOMBRA: IM ADDING SOMEONE TO THE CHAT

WINSTON: Please not again.

MCCREE: who could you possibly add to the chat at this point?
MCCREE: i figured that everyone you talked to was already in here

SOMBRA: okay rude first of all
SOMBRA: second of all i talk to a lot of people

REINHARDT: Can this chat even handle adding more people?

WINSTON: It can technically have over 50 people in it.
WINSTON: Although I'm sure Sombra could find a way around that if need be.
SOMBRA: at least winston appreciates my skillz

WINSTON: I've learned to accept that I can't physically get rid of you anymore.

LUCIO: new people?
LUCIO: is that what i heard?

D.VA: babe this person you're adding isn't a murderer or a freak like gabe is he?

REAPER: **STOP CALLING ME THAT!**
REAPER: ...
REAPER: **AND I'M NOT A FREAK!**

MCCREE: idk man you and jack are into some kinky shit
MCCREE: ive never seen beach towels used that way before

76: **WE ARE NOT TALKING ABOUT THIS RIGHT NOW!**

SOMBRA: ...okay im ignoring this and just adding him

REAPER: **DON'T!**

[SOMBRA] added [BAPTISTE] to chatroom

DOOMFIST: ...Oh.
DOOMFIST: Him again.

BAPTISTE: ...Where am I?

SOMBRA: HI BAPTISTE

BAPTISTE: ...Sombra, I said no.

SOMBRA: BUT I WANTED YOU TO MEET EVERYONE

BAPTISTE: But...
BAPTISTE: I said no.

SOMBRA: i just got so tired of swapping back and forth between group chats and figured it would be easier to have you all here

BAPTISTE: ...
BAPTISTE: Oh great, the Murder Patrol's here.

MOIRA: Is he talking about us?

REAPER: **Obviously, you stooge.**

MOIRA: HEY!

DOOMFIST: Baptiste, it's certainly been a while.

BAPTISTE: Not long enough if you ask me.

MCCREE: wow did anyone else just get some seriously tense vibes?
GENJI: oh yeah

LUCIO: wait is this guy talon?

BAPTISTE: Ex-Talon, thank you very much.

SOMBRA: he doesn't really like them anymore

REAPER: **YOU'RE PART OF THE TEAM TOO!**

SOMBRA: yeah but im cool
SOMBRA: not like the rest of you
SOMBRA: akandes okay

DOOMFIST: Well, I'll certainly sleep better at night knowing that.

MOIRA: Hey, I'm cool.

REAPER: **No you're not.**

SOMBRA: you are literally the exact opposite of cool

MOIRA: **WHY ARE YOU ALL SO MEAN?**

WIDOWMAKER: You deserve it.

MOIRA: **I HAVEN'T EVEN DONE ANYTHING!**

WIDOWMAKER: That's the point.

SOMBRA: i bet baptiste would heal me when i need it

BAPTISTE: Probably not since I don't want to associate with Talon anymore.

SOMBRA: its just a joke baptiste chill

MOIRA: **I AM A GOOD HEALER!**

REAPER: **GOOD HEALERS DON'T GO FOR KILLS!**
REAPER: **GOOD HEALERS STAY BACK AND HELP!**

MOIRA: **I CAN DO BOTH!**

REAPER: **THAT DOESN'T MEAN YOU SHOULD!**

WIDOWMAKER: Moira, the truth is that you are completely and utterly useless.

BAPTISTE: Widowmaker?

WIDOWMAKER: Hello Baptiste.

BAPTISTE: You're the last person I thought would join a group chat.

WIDOWMAKER: I needed a change of pace.
WIDOWMAKER: My girlfriend left her communicator somewhere and I hijacked it and now I'm here to stay.
BAPTISTE: Girlfriend?

WIDOWMAKER: Well, one of them.

BAPTISTE: What the fuck, there's more than one?

TRACER: cheers!

EMILY: Hello!

BAPTISTE: Wait, does that mean you left Talon?

WIDOWMAKER: Long ago, yes.

BAPTISTE: How though?
BAPTISTE: Didn't they fuck with your brain to make you stay there?

WIDOWMAKER: They did.
WIDOWMAKER: But their hypnosis, much like the rest of their organization, was flawed and doomed to fail.

BAPTISTE: Amen, sister.

REAPER: WHY ARE YOU HERE?

BAPTISTE: It wasn't my call, unfortunately.
BAPTISTE: But, if it bothers you so much, I'm gonna stay.

REAPER: NO!
REAPER: GET LOST!

BAPTISTE: Sombra, why is he even here?

SOMBRA: he and jack are dating

76: NO WE'RE NOT!

LUCIO: YES THEY ARE

REINHARDT: JACK AND GABE SITTING IN A TREE!

ANA: K I S S I N G

GENJI: FIRST COMES LOVE

D.VA: THEN COMES MARRIAGE

MCCREE: THEN COMES ABRUPT TRAGIC MISCARRIAGE

ASHE: THEN COMES BLAME!

BRIGITTE: THEN COMES DESPAIR!

TRACER: TWO HEARTS BROKEN BEYOND REPAIR

GENJI: JACK LEAVES GABE
MCCREE: AND TAKES THE TREE
REINHARDT: D I V O R C E!
LUCIO: IM FUCKING CRYING
76: FUCK ALL OF YOU!
BAPTISTE: ...I'm so confused.
WIDOWMAKER: You get used to it.
SOMBRA: you'll come to love it
BAPTISTE: Why do I doubt that?
WIDOWMAKER: If it gets really bad, you learn to block it out.
BAPTISTE: I don't understand why I needed to be here.
SOMBRA: because you're my friend and these are the rest of my friends and now we can all be friends together
BAPTISTE: These are all your friends?
SOMBRA: well most of them
SOMBRA: fuck jack and gabe
SOMBRA: junkrat kinda sucks too
SOMBRA: roadhogs cool tho
BAPTISTE: What the hell is a Junkrat?
SOMBRA: if you're lucky you'll never find out
MOIRA: HI BAPTISTE!
BAPTISTE: I would really rather not talk to you.
MOIRA: :-(
DOOMFIST: Hello Baptiste.
BAPTISTE: Hello Akande.
BAPTISTE: Still want my head on a platter?
DOOMFIST: Not anymore.
DOOMFIST: As time has passed, I begin to realize that maybe you made the right decision.
WIDOWMAKER: He definitely made the right decision.
BAPTISTE: Am I just supposed to pretend that this is all normal?
SOMBRA: you can do whatever you want idc
MCCREE: honestly the more talon members get added to this chat the more fun it becomes
GENJI: i concur
SOMBRA: well baptiste id give you the rundown on who everyone is but im sure youll find out in time

BAPTISTE: ...I'm stuck here, aren't I?

MERCY: More or less.
MERCY: Unless you manage to find a way to unhack yourself.

BAPTISTE: I've already tried that before and I regret it every day.

GENJI: join the club

SOMBRA: oh come on baptiste were gonna have fun here

LUCIO: yeah at least it cant possible get any worse

[FRANK] entered chatroom [WHY DID MY FATHER LEAVE ME?]

WIDOWMAKER: !!!

REAPER: NO!
REAPER: ANYTHING BUT THIS!

SOMBRA: FRANK

FRANK: Not again.

WINSTON: Sombra, who is this?

SOMBRA: thats frank
SOMBRA: somebody that i accidentally invited to the last chat we had
SOMBRA: i guess i still had his number saved

76: Did you just add a fucking civilian to our chat?

TRACER: HEY EMILYS A CIVILIAN!

76: EMILY IS YOUR GIRLFRIEND!
76: I HAVE NO IDEA WHO THIS GUY IS!

SOMBRA: i wasnt trying to invite him i think i did it on accident again

FRANK: I didn't think I'd ever see the Talon gang again.
FRANK: And now there's a bunch more people in here.

DOOMFIST: ...It's strangely good to hear from you again, Frank.
FRANK: Likewise.
FRANK: How's the plot for World Domination coming?

DOOMFIST: I think it might be out of reach now.
DOOMFIST: I'm sure you remember how useless Moira is.

FRANK: How could I forget?

MOIRA: HEY!

GENJI: is this actually happening?

ANA: Lol do u have a problem?

GENJI: i dont even know anymore

HANZO: What the hell is going on here?

FRANK: ?
FRANK: Hanzo?

HANZO: ...
HANZO: Frank?
HANZO: How did you get here?

REINHARDT: The plot thickens.

GENJI: HANZO WHAT?
GENJI: HOW DO U KNOW THIS PLEB?

FRANK: Hey, no need to throw around insults.

HANZO: ...Well, I guess it's not a secret now.
HANZO: Frank and I met at Starbucks not long ago.
HANZO: We've been getting coffee every day since.
HANZO: He's a good friend.

FRANK: Small world, huh?

HANZO: Indeed.

BAPTISTE: I literally just joined this groupchat I can't handle of this at the same time.

SOMBRA: bruh ive been here for like two years and i still cant handle whats happening rn

WIDOWMAKER: How did he even get in here again?

SOMBRA: i need to pay more attention to who im sending invites too lol

ASHE: I literally have no idea whats going on right now.

MCCREE: honestly same

FRANK: The last time I talked to any of you, a giant meme war broke out.

REINHARDT: DID SOMEONE SAY MEME WAR?
GENJI: pls no

ANA: REINHARDT, DON'T FUCKING DARE!

REINHARDT: WHY ARE YOU ALL SO AFRAID OF THE TRUTH?

FRANK: Who the fuck are all these people?

MCCREE: THIS IS OUR GROUP CHAT
MCCREE: YOU'RE THE ONE TRESPASSING

FRANK: Hey man, I'm not here to cause problems.
FRANK: I was just invited on accident.

SOMBRA: yeah sorry to pull you away from your daily life frank

FRANK: What daily life?
FRANK: I'm not leaving anything important behind.

LUCIO: honestly mood tho

BRIGITTE: This is not how expected today to go.

EMILY: At least there's never a boring moment here!

WINSTON: It's time like these where I really miss living on base alone.

MCCREE: so is this guy just gonna be here forever now?

FRANK: Nah.
FRANK: I'm just on my lunch break right now.
FRANK: I'll leave when I have to go back to work.

SOMBRA: aw man

FRANK: I may rejoin if I'm ever bored.

76: Please do not.

FRANK: Hanzo, I'll see you same time tomorrow?

HANZO: Absolutely.
HANZO: I'll save our table.

FRANK: Awesome.
FRANK: Cool meeting you all.
FRANK: But I'm being called back so I'm gonna have to go.

DOOMFIST: Take care, Frank.

FRANK: You too, Akande.
FRANK: If you're ever in the area again, we should get lunch with Widowmaker again.

WIDOWMAKER: I'd like that.

FRANK: Goodbye all.
FRANK: Maybe we'll talk again.

REAPER: **Hope not.**

FRANK: Fuck you, Gabe.

REAPER: **HOW DO YOU KNOW MY NAME?**

FRANK: I didn't think it was a secret.

REAPER: **SOMBRA, YOU TOLD HIM?**

SOMBRA: lol duh

REAPER: **I WILL DESTROY YOU!**

SOMBRA: good luck

FRANK: Goodbye!

[FRANK] left chatroom [WHY DID MY FATHER LEAVE ME?]

MCCREE: so that just happened

REINHARDT: He seemed like a nice guy.

GENJI: am i the only one who cant believe that several people in this chat know who that guy is?

LUCIO: its not just you
LUCIO: i was kinda weirded out

HANZO: Just because you're too afraid to make friends doesn't mean the rest of us are.

GENJI: **FUCK U**

SOMBRA: wait akande you got lunch with him?

DOOMFIST: Only twice.
DOOMFIST: He asked, I figured it would be rude to turn him down.

SOMBRA: but widow went with you?

WIDOWMAKER: I like Frank.
WIDOWMAKER: Which is more than I can say about most of you.

SOMBRA: **WOW**

BAPTISTE: This is not the introduction I needed.

D.VA: oh yeah i forgot you were still here

BAPTISTE: Story of my life.

ANA: Lol i think were gonna get along just fine
FRANK THE TANK RETURNS!

Not sure if he'll be back at this moment but he's always fun to include. Hopefully Baptiste's character isn't totally butchered by my lack of research on the topic. Hope everyone enjoyed nonetheless!
BAPTISTE: Sombra told me that I need to bond with everyone.
BAPTISTE: ...So, hi?

D.VA: HI
LUCIO: HELLO!
REINHARDT: GREETINGS!
GENJI: yo
MCCREE: howdy
76: Fuck off.

76: SOMBRA DISABLED THE LEAVE CHAT OPTION!
SOMBRA: aw you finally noticed
BAPTISTE: You all reacted more or less the way Sombra said you would.
SOMBRA: ive been here a while baptiste i know how they are lol
BAPTISTE: So far, most of them seem chill.
BAPTISTE: Besides Gabe and his little boyfriend.
REAPER: HE'S NOT MY BOYFRIEND!
REINHARDT: YOU SIT ON A THRONE OF LIES!
MCCREE: baptiste i know that we dont know each other very well but im known for being truthful
LUCIO: you are?
D.VA: yeah wait what

MCCREE: anyway
MCCREE: believe me when i tell you that jack and gabe are 100000000000 percent dating
BAPTISTE: I figured that out.
BAPTISTE: Plus, if I didn't believe you, I'm sure Sombra would've had some kind of proof for me.
SOMBRA: lol you know me so well
GENJI: FUCK
LUCIO: GENJI YOU IDIOT
WINSTON: ...What was that sound?
GENJI: NOTHING!
GENJI: IM TOTALLY NOT TRYING TO BREAK INTO SOMBRAS ROOM RN

DOOMFIST: What the hell just happened?

ANA: Lmao no clue but im loving it

ASHE: Oh, I know what happened. ASHE: Sombra was working on a communicator disruptor to prank everyone and I guess Genji accidentally activated it.

WINSTON: And you know this how?

ASHE: She told me?
ASHE: Duh?

WINSTON: She was building something to mess our communicators up and you saw no reason to report that information to me?

ASHE: Why would I care?
ASHE: This isn't my team.
ASHE: I'm just here.

DOOMFIST: How did it only kick them out and not the rest of us?

ASHE: No idea.
ASHE: Probably because she was only planning on pranking them and not the rest of us.

PHARAH: This is actually the calmest the chat has been in years.

MEI: I wouldn't get your hopes up.
MEI: I'm sure they'll find a way back in soon.

BAPTISTE: There are several names here that I don't recognize.

MEI: Oh, excuse my rudeness!
MEI: I'm Mei-Ling Zhou, Overwatch's leading Climatologist.
MEI: You can call me Mei.

BAPTISTE: Nice to meet you.

MEI: This is my girlfriend, Zarya.

ZARYA: ...

MEI: She's not much of a talker, unfortunately.
MEI: Although don't let her giant stature fool you, she's a big softie and she loves puppies.

ZARYA: ...You promised you wouldn't tell anyone that.

MEI: <3

ZARYA: ...
ZARYA: <3
BAPTISTE: Charmed.
BAPTISTE: Just let the record show that I have no plans on messing with you because, quite frankly, you scare me.

ZARYA: I think we will get along just fine.

HANZO: I'm Hanzo.
HANZO: Genji's unfortunate brother.

BAPTISTE: Wow, poor you.
HANZO: Yes, I know.

ORISA: I'm Orisa!
ORISA: I'm not around very much because I'm usually very busy working in the Armory, but if you ever need me, just message me!
ORISA: I'm very quick to respond.

ZENYATTA: Wonderful to meet another spirit.
ZENYATTA: I am Tekhartha Zenyatta.
ZENYATTA: You are free to call me Zenyatta, Zen, Zenny, or whatever else may be easiest for you.

BAPTISTE: ...Are you related to Mondatta?

ZENYATTA: He was a distant cousin.

BAPTISTE: Ah.
BAPTISTE: I'm sorry for what happened to him.

ZENYATTA: Fear not.
ZENYATTA: I miss him dearly, but we are always close within the Iris.
ZENYATTA: I have also forgiven Amelie for what she has done.

BAPTISTE: You actually called Widowmaker by her real name?
BAPTISTE: And she didn't shoot you on sight?

WIDOWMAKER: I'm getting better about these things.
WIDOWMAKER: Although every now and then, I wish I could cause a little more harm to some people.

HANZO: ...Genji?

ASHE: Jesse?

ANA: The gremlin and the dj?

WIDOWMAKER: All of the above, actually.

BRIGITTE: I'm Brigitte!

SYMMETRA: I am Symmetra.
SYMMETRA: Or Satya.
SYMMETRA: Whichever you prefer.

BAPTISTE: Are you the scary laser witch that Sombra talks about?
SYMMETRA: ...Am I really that scary?

ANA: Majorly

REINHARDT: Indeed.

BRIGITTE: Scary or not, I still love you!

SYMMETRA: <3

BRIGITTE: <3

ANA: And of course u know reinhardt and i

REINHARDT: Always a pleasure, Baptiste.

BAPTISTE: Likewise.

SYMMETRA: How do you and Sombra know each other?

BAPTISTE: She was the first friend I made back when I was in Talon.
BAPTISTE: Even after I left, we kept in touch.
BAPTISTE: We're very close.

SYMMETRA: How sweet.

REINHARDT: Sounds like you're the good influence in this equation.

BAPTISTE: I try.

WINSTON: Baptiste, it's very nice to finally meet you.
WINSTON: I didn't actually know that you'd be on base so quickly otherwise I would've set up a room for you.

BAPTISTE: Don't worry about it.
BAPTISTE: Roadhog offered to let me crash with him for a while.

MERCY: He did?

ROADHOG: of course
ROADHOG: i cant turn a guest away

ANA: ...Honestly mako ur so polite sometimes it makes me wonder how u and junkrat grew up in the same place and became so radically different

ROADHOG: he can be polite when he has to
ROADHOG: hes mainly just crazy

JUNKRAT: HEY MATE IM STILL HERE

ROADHOG: im aware
ROADHOG: thats why i said it

JUNKRAT: COME ON ROADIE I THOUGHT WE WERE FRIENDS

ROADHOG: we are
ROADHOG: that means i reserve the right to personally degrade you at every possible opportunity

JUNKRAT: ...OKAY FAIR ENOUGH

ZENYATTA: Tell me, Baptiste.
ZENYATTA: What caused you to walk away from Talon?

BAPTISTE: Personal beliefs, really.
BAPTISTE: I wanted to help people, and Talon didn't believe in anything other than taking over the world, so I left.

ZENYATTA: Very noble of you.

BAPTISTE: Thank you.

DOOMFIST: Our goals have changed drastically since then, Baptiste.

MOIRA: Yeah, now we're just hoping to stay afloat.

WIDOWMAKER: Shut up, Moira.

ANA: Yeah seriously no one wants to fucking hear u

MOIRA: WOW!

BAPTISTE: Good to see that hasn't changed.

REINHARDT: Was she made fun of when you were part of Talon?

BAPTISTE: Relentlessly.
BAPTISTE: Although she made it really easy.

MOIRA: I AM A NICE PERSON!

MERCY: No you're not.

DOOMFIST: You are literally the opposite of a nice person.

MOIRA: I JUST CAME HERE TO HAVE A GOOD TIME AND I'M HONESTLY FEELING SO ATTACKED RIGHT NOW!

MERCY: Good.

BAPTISTE: Honestly, I think I'm gonna enjoy this.
BAPTISTE: Although I would never admit that to Sombra.

ANA: Ur secret is safe with us

BAPTISTE: Glad to hear it.

BAPTISTE: Looking forward to it.

ZARYA: ...
ZARYA: You are okay.

BAPTISTE: I guess that's about as good as I'm gonna get.

ANA: Don't mind the russian
ANA: She literally doesn't trust anyone other than mei and winston

BAPTISTE: After spending time in this chat, I can't say I blame her.
