Notes

I'm supposed to be finishing chapter 7 of Toothbrush...

Everyone knows Katsuki hates Izuku.

"Ah- Kacchan go faster!"

"Beg for it you slutty nerd."

"P-please f-fuck me faster Ka-Kacchan! Please- Ah- H-harder!"

"Shit! I love you so fucking much! Deku- Fuck I'm gonna-"
Everyone thought Katsuki hated Izuku. They were wrong, very wrong. Katsuki and Izuku weren't the only ones who had a sleepless night. The whole dorm was wide awake (and traumatized). This was the second most awkward thing to happen in the dorms. The first most awkward thing was when the whole class watched porn together. Okay, maybe Katsuki and Izuku having sex is a lot more awkward than watching porn with your classmates.

"Morning~!!" Izuku yawned and sat down on the couch next to Todoroki and Uraraka. "M-morning Deku..." Uraraka's cheeks were bright red. "Midoriya! Dude, I didn't know you were such a freak!" Kirishima winked. "Last night must have been real fun for ya, huh?" Kaminari whistled before sitting next to Kirishima. "Please don't talk about such things so early in the morning!" Iida pushed his glasses up the bridge of his nose.

By the time Katsuki came down, Izuku's face was completely flushed to a pretty shade of red. "Morning Kacchan..." Izuku tried to hide his blushing face with his arms. "Yeah, morning Kacchan~" Kirishima raised his eyebrows and gave Katsuki a knowing look. "The fuck? Don't call me that." Katsuki rolled his eyes and sat next to Kirishima. "You're up pretty early for someone who didn't get any sleep last night." Kirishima lightly nudged Katsuki.

Izuku stood up and sat down next to Katsuki. Kirishima and Kaminari attempted to hide their laughs. He ignored them and whispered something in Katsuki's ear. "Oh shit." was the only thing Katsuki managed to say, his jaw dropped and his face blushed. Katsuki and Izuku had a lot of explaining to do.
