Xenomorph: 'sonic obsessed’ I'm wheezing

Pure: tenya i

Run™: It’s even more unnerving when you look outside to check if he's gone, see your English teacher talking to said brother in his garage only for him to literally dab and Aizawa to drop out of nowhere just to whack him in the head.

DeezWatts: “Please Hizashi we can't keep doing this” and pats him on the back

**Rumour come out, does Mic is gay? -M channel**

Chloroform: this article is fucking hilarious
Banoodle: the Bruno Mars one or my Legitimate version

Chloroform: urs

Chloroform: “It has been shockingly revealed that the lovable voice hero Present Mic (also known as Yamada Hizashi) has been wearing a ring upon his person! Not just any ordinary ring— the nature of this ring seems to indicate a marital status. Who is this seemingly open book married to? Many speculate different people. However, when asked about his spouse, the voice hero has simply brushed it off with the comment “I've said the words ’I’m bisexual, and Hella Taken’ more times than I've played Smash Mouth’s All Star on my radio station and that is a metric [REDACTED] tonne”

Banoodle: I accidently said 'my darling kitten’ in reference to shouta once and my entire team laughed at me for a week while the reports flooded in

Shamwow: good

Chloroform: wait there's another article

Shamwow: oh boy

Chloroform: “One stunned reader speculates ’Mic is totally [REDACTED] married to that god damn scruffy teacher from UA. Have you seen them interact. I saw them in public and mic full on stole scruffy guy’s coffee from his hands before immediately telling him it was horrible.’ This speculation that the voice hero is in a homosexual relationship has caused shock through the hero fanbase community.”

Banoodle: oh my god

Banoodle: IVE SAID IM BISEXUAL MORE TIMES THAN IVE MIXED A NEW TRACK FOR MY SHOW

Banoodle: I S A I D M Y P A R T N E R W A S MALE

Shamwow: oh suprise, the media, causing uproar, who would've guessed

Banoodle: get ur salty ass out my home

Shamwow: no you

Banoodle: that's fair

Banoodle: Babe can I just make an announcement

Shamwow:

Shamwow: s ur e,,

Banoodle: fuck y e ah!!!

Banoodle: u don't need to be in it too much if u don't want to,,

Shamwow: it's fine

Banoodle: nice I'm going to kiss you now

Shamwow: uH
**Banoodle is now idle**

Shamwow: I can hear him running

**Shamwow is now idle**

Chloroform: cute but rip

**Xenomorph has changed the chat name to YO SHIT channel**

Xenomorph: mic with his hair down is my new religion

DeezWatts: oh my god a mood

Tentacruel: hypCOUGHcrite

Vulpix: what are you a koffing

Murkrow: This is the most insulting thing to ever happen to me

Cutieshima: you got to hug all might

Murkrow: ur right my depression was cured for 3 seconds and then it hit me full force when he let go

Pure: local sunshine dad

Vulpix: god I wish that were me

Vulpix: coME BACK I HAVE SEVERAL QUESTIONS THAT NEED ANSWERING

Xenomorph: y'all mic is live streaming

DeezWatts: hhwAhT

Xenomorph: u know his official YouTube account

Xenomorph: like he never uses it personally and he's legit livestream rn

Whomst: HES IN HIS HOUSE

Whomst: U CAN SEE THEIR CATS IN THE BACKGROUND HOLY SHIT

Xenomorph: I'm scrambling to piece together their entire life story from what little I can see of the house I'm screaming

Whomst: mic is sitting at the desk and Aizawa just came up behind him (face not on screen), signed for a few seconds and then left when mic gave him a thumbs up I'm confused

Bakuslay: he was telling shouty man that he was going to start making dinner

Xenomorph: whAT THE FUCK THATS ADORABLE

Cutieshima: babe t hank u,,,

Space: ooooH!! Noooo I can't watch it!!!! Can you t r anscribe I'm screaming!!!!!!!!!!!

Xenomorph: I got u swety

Xenomorph: my WiFi is fast for this reason alone

Xenomorph: “So recently there’s been a bit of news about me around. Don’t know how you listeners found out about me even carrying an actual ring on me considering I always wear rings anyway.”

DeezWatts: he really does

Cutieshima: once he was out of uniform and I saw him and he was wearing like,, a ring on m ost fingers I was genuinely scared

Tentacruel: local soft rock boy fears teacher wearing many rings
Cutieshima: fksgskavakava
Xenomorph: “And so Yamada Hizashi has only one thing to say to this confusion!”
Cutieshima: hearing mic’s actual name makes me uncomfortable on several levels
BoomBoomPow: ooo big mood
Xenomorph: he just started playing the friends song
Xenomorph: but instead of ’so no one told you life was gonna be this way’ it goes “So no one told you- I M G A Y”
Whomst: Aizawa started laughing in the background what the fuck,,
Kewwo: There He Is
Murmrow: depression? Cureable? More likely than you'd think
Tentacruel: I'm coming to ur room
Murmrow: that's fair
Xenomorph: “Some of your support had been amazing!! I love all you guys!! Serious stuff aside it took me sooooooooooo long to stop wanting to tell all you lovely listeners about him asap!!! But I have three jobs, right? One is my radio show, where I get to talk to all you beautiful people and help you, or just play music which I absolutely adore! ”
Xenomorph: I'm dmgshksvak the audio just crackled I think he used his quirk
Whomst: lol yeah he's laughing
Whomst: he's fixing the audio, Aizawa is back on screen
BoomBoomPow: watching people actually know how to fix sound devices is my new religion
Momo: You watch this all the time..
BoomBoomPow: b a be,,
Cutieshima: outing as a long time techno worshipper
Whomst: audio is back!!!!!
Xenomorph: “Ohmygod I'm so sorry!! My bad!!!!! I get excited!”
DeezWatts: our loud parental unit #3 is so fucking adorable
Space: could've been phrased better
DeezWatts: I state the facts
BandaidArms: yesterday you said 'Barry B. Benson was hot'
DeezWatts: I don't take it back, Barry B. Benson could yaoi me the fuck up
BandaidArms: I want to break up
DeezWatts: nvm

Xenomorph: “Anyway!!!! Hey- oh where was i- babe? What part did it cut out at?”

Kewwo: Aizawa? Speaking? In a video? In my good Buddhist server????

Xenomorph: “You got excited about the radio show and talking to people.”

Space: it's more likely than you think,,

Xenomorph: “Oh yeah! Thanks kitten- anyway! I've also got teaching!! Tonnes of you know I'm the head of English-” wait hE IS?

DeezWatts: we literally have like,, no other qualified English teachers

Space: sHHH!!

Kewwo: are we not commenting on Kitten?

Space: IATER!!!!

Kewwo: understandable have a nice day

Xenomorph: sor R y

Xenomorph: “- and I teach most of the students in UA. It's one of my favourite things to do- even if it's a little stressful-

A: “Yesterday you marked a student down for creative swearing”

Bakuslay: that's me

Cutieshima: I'm proud u admit that but,, babe,,

Bakuslay: I'm not ashamed of a r t

DeezWatts: you're making me uncomfortable with memes which scares me more

Bakuslay: Good.

BandaidArms: I'll protect you denki, just,, don't look

DeezWatts: he protec,, but he also attac,, most importantly,, he sticc villain's bacc

BandaidArms: I take it all back you can instill fear in his heart and soul

DeezWatts: ;A; babe why

Bakuslay: >:)

DeezWatts: (/;A;/ babe help

BandaidArms: take back the Barry B Benson thing then

DeezWatts: never,,,

BandaidArms: Then Perish.
Xenomorph:

Y: “And you wouldn’t”

A: “Touché”

Y: “- anyway. My third job is obviously being a hero!! Being a hero for me is being there for someone- protecting them when they can't protect themselves and being their support. Someone reliable to lean on when they need it.”

Xenomorph: “Some people don't need us to just.. punch a villain and take them in. Some demons are a lot harder for fight, they're in your head and they don't go away until you're strong enough to make them. I wanted to be that person for people. The thing about being a hero is that you do protect people. And as much as I wanted to tell you all how wonderfully married I was to the person I love the most in the world- I needed to protect him too.”

Space: I'm not crying you are

Whomst: I'm not ashamed of it

Cutieshima: big mood ths is,,, the most fuikgin manly thing,,, g od

Xenomorph: “So anyway!! My loving beautiful husband has started the preparation known as 'dinner' and im going to do my good husbandly duties and help him out!! Any questions can be sent through anonymously- or signed!!- to my radio station via e-mail and really any kind of social media, as always tags and links are below, but most importantly, stay safe listeners!!”

Xenomorph: that was the purest thing I've seen

Space: I was blessed thank you for the transcriptions

Kewwo: can we talk about kitten now

Space: yes!!! Holy shit!!!!!!!

Xenomorph: big mood I saved it

Whomst: I've seen like

Whomst: 3 comps of 'mic being Hella gay' on YouTube and I'm disappointed there aren't more

Whomst: @ Venonat does Aizawa even exist on the internet

Vennonat is no longer idle

Vennonat: I've seen some cursed things yeah

Vennonat: honestly the most 'eraserhead' has appeared on the internet before The Conferences™ was because of confused people who'd seen him at night

Vennonat: my personal favourite was one of his neighbours I think?

Xenomorph: please elaborate

Pure: Oh no
Venonat: so whenever Aizawa had to go on patrol he obviously just yeeted himself out a window or something but this guy was 100% convinced that every night a random spirit would jump across his roof to curse him.

Pure: I saw this thread it's,,

Pure: questionable,,

Venonat: he installed motion lights and the one time Aizawa set them off there's a 5 second clip of him skidding to a half, capture weapon flying up and then the camera visuals just cutting out to nothing.

Venonat: my faux-father is the internet’s strangest cryptid

Xenomorph: I'm C ackling????

Venonat: there's also an entire blog based off sightings of 'strange midnight roof jumper??'

Weirdest post on there is 'just watched him vault himself onto telephone wires and am now crying, Google search: I want the cryptid to step on me??'

Whomst: how do you find all this????

Venonat: The Veil Is Thin

Cutieshima: well that's not questionable at all

Murkrow: He's Correct, but have you ever heard of a thick veil?? There aren't just OoOOO Spooky Ghost Padding Between Worlds

Venonat: good point, but it's Thin™

Tentacruel: like thin mints thin or just,, lasagna sheets

DeezWatts: what the fuck is happening

Venonat: Do Not Question The Width Of The Veil

Murkrow: Maybe I Want To

Venonat: Face The Repercussions

Cutieshima: discussion topic: can Aizawa use Christmas lights as his capture weapon?

Vennonat: kfvskagskdvka

DeezWatts: in fuckgib laughing
DeezWatts: *yeets entire chain of lights across the street* HAPPY HOLIDAYS

Vulpix: discuss: is Aizawa santa then

Vulpix: he doesn't use reindeer he just swings around and hurls presents through people's windows

DeezWatts: fksgaksgka I M

Venonat: yeet take some property damage

Venonat: wait

Infernape: I can't believe your dad has done this to my good home

Whomst: betrayed by our own boyfriend’s father

Vulpix: I really need someone to clarify if Shinsou is actually related to Aizawa or not because I Have Questions

Pure: @ Venonat please, confirm?

Venonat: wait I just

Venonat: give me a moment this can't be real

Venonat is now idle

DeezWatts: ???

DeezWatts: @ Infernape, @ Whomst where ur bf going??

Whomst: he said he needed to check The Apartment

Infernape: The Apartment being Aizawa’s joint room/home thing to the dorms

Infernape: I'm concerned

Vulpix: Just Give Me The Confirmation Please

Pure: shouto

Pure: you can't keep making headcanons for pro heroes

Vulpix: Don't Tell Me What I Can't Do

Pure: fine, give me one headcanon you know I'll agree with

Vulpix: Aizawa Is A Big Soft Dad

Pure: that's just canon

Vulpix: but he hasn't confirmed it -m-

Pure: you're right

Venonat is no longer idle
Venonat: Big Regretti

Venonat: Aizawa *Can* Use Lights Like His Capture Weapon

Pure: how does he levitate things im

Vulpix: yeah

Xenomorph: I legit thought It was just his scarf or something but,, apparently not?

Whomst: why would his hair lift with his scarf

Xenomorph: leave me alone

Venonat: p sure it's a minor secondary quirk

Pure: hhhhoWHHWHWHWHWH

Vulpix: look what you've done

Run™: You've activated his trap card

Vulpix: Intense Fan Session Activate

Pure: Those are so rare though I'm genuinely shaken

Pure: though

Pure: it does make sense seeing as it's quite minor in power, it doesn't have a secondary trigger and activates at the same time as erasure which clearly links the dna strand

Run™: Izuku..

Pure: so its clearly genetic but if it had a secondary trigger would that just mean he would have two quirks?

Vulpix: babe

Pure: do you think if it was enhanced or something he'd be able to float stuff like ochaco? Although her quirk his anti-gravity maybe his is just the levitation? Or reversing gravity so it pushed instead of pulled? Which could be interesting considering he uses his scarves

Venonat: so I'd like to apologise

Pure: that actually explains how he's able to use his capture weapon so easily

Cutieshima: whose boy is this

Pure: but then again they are made of an alloy

*Run™ is now idle*

DeezWatts: me, whispering: big mood tenya

Vulpix: he's going to go put on a sweater u asshole

DeezWatts: My Bad Homie
Space: iiizzuuuuukkuuuuuuu

Space: c hll!!! I'm sure he'd answer questions

Pure: unlikely

Space: if you made Shinsou do it

Pure: more likely

DeezWatts: wait but can we go back to Aizawa being able to use the lights like his capture weapon

Xenomorph: yeah wait what the fuck did you see

Vennonat: I'm Cursed

Pure: understandable

Xenomorph: not understandable What Did You See?

Vennonat: one of two things could have been happening to be fucking honest

Vennonat: It could've been him trying to decorate? Maybe? He doesn't like big holiday things like Crisismas To That Extent though??

DeezWatts: crisismas

Vennonat: He also could literally have been taking lights away from Yamada

Vennonat: As in

Vennonat: Present Mic Attempts To Decorate Aizawa's Dark Cave

Vennonat: Aizawa Rebels

Vennonat: Takes Mic’s Weapon Of Light

Vennonat: Mic Attempts To Retake His Trophy

Vennonat: Chaos

Xenomorph: Chaos being….?

Vennonat: Aizawa proceeds to fucking wrap up, tie and bind Yamada effectively in Fairy Lights.

**Stronft is no longer idle**

Stronft: Yamada just activated his SOS signal and has texted both Midnight and Tensei scrambled, nonsensical messages for the past 5 minutes, is he alright?

Pure: Aizawa

Stronft: Oh

Stronft: Did he fall prey to ‘i have a string of lights and I'm not afraid to use them’ too?

Pure: what
Stronft: what
Vulpix: what
DeezWatts: what
Whomst: what
Vanonat: Fucking Hell
Vanonat: how much holiday shit has he tied you guys up in?
Stronft: U H h, ,
Stronft: I Plead The American Fifth

Shamwow is no longer idle
Shamwow: we're not in Kansas anymore, Toto
Shamwow: tell them what you've done
Vanonat: Jesus how much of his Wrath did you envoke
Stronft: probably Too Much
Stronft: ectoplasm started blasting Christmas music & they began karaoke
Vanonat: This Explains A Lot
Vanonat: Mariah Carey?
Stronft: Mariah Carey.
Boo is no longer idle
Boo: maybe Mariah Carey will be their always

Banoodle is no longer idle
Banoodle: I'm frEEEEE!!
Banoodle: HE CLIMBED OUT THE WINDOW W/ LIKE 5 METERS WORTH OF TINSEL
Murkrow: why do you have 5 meters worth of tinsel
Banoodle: honestly, I can't answer that  
Banoodle: I make intensely poor decisions.  
Murkrow: oof  
Tentacruel: big mood  
FrenchSparkleParty: Enlarged Emotion  
Infernape: why have you cursed us?  

**Run™ is no longer idle**  
Run™: I'm looking out my window. What do I see?  
Run™: Aizawa, the man who I have Vague- Plausibly Fond- Memories Of, chasing and Effectively defeating clones & Ectoplasm Himself with Tinsel.  
Run™: I would like a Refund on my adopted faux-family members, these ones are Broken.  
DeezWatts: family machine broke  
Run™: Understandable Have A Nice Day.  

**Run™ is now idle**  
Vulpix: regret.png  
Pure: honestly  
Xenomorph: im fksvdkahska he's not wrong I just looked out the window  
Whomst: mic,, sir are you going to be warm enough?  
Banoodle: If Tank Tops And Leather Jackets Cannot Keep Me Warm Then Nothing Will  
Stronft: you came into work wearing a sweater, scarf and a hat, where did they Go?  
Banoodle: I have an image  
Banoodle: an image I must Maintain  
Stronft: I've opened the wrong can of worms  
Banoodle: it's called The Big Bisexual Package  
Banoodle: It includes a lot of leather, puns, and finger guns  
Banoodle: and I'm Intent on Keeping my 30 Year Subscription  
DeezWatts: breaking news, present mic was born wearing full leather, busting puns & finger gunning at everyone in the room  
Banoodle: tksbkssvlsdvjfsksva  
Stronft: Understandable have a nice time getting frozen weari
Stronft: Yamada what are you actually wearing

Banoodle: Hatsune miku tank top, leather jacket, shouta's fucking tracksuit bottoms, heeled boots.

Banoodle: Do We Have A Problem?

Stronft: I'm asking Kan where he keeps his alcohol

**Shamwow is no longer idle**

Shamwow: I pmed you.

**Shamwow is now idle**

Banoodle: shouta,,,

Banoodle: I'm both proud of my husband and Utterly Disappointed

Xenomorph: wait the pink tracksuits are Aizawa's??

Space: Let Him Vogue

Banoodle: My fashion taste is eccentric but these are loose and baggy and therefore almost 98% assuredly Not Mine

Banoodle: doesn't mean I'm not going to steal them they're v comfy, stolen clothing is 100% more comfortable than ur own, stats boost if stolen from an S/O.

Pure: Can Confirm

Vulpix: I still don't have my hoodie back

Pure: my hoodie now

Vulpix: I can live with that, but you have to give Tenya his scarf at some point

Pure: you just want it

Vulpix: I Really Want The Scarf,,

Pure: We can share the scarf

Xenomorph: are u trying to confront him?? I don't understand,, mic,,

Banoodle: it's not working but I'm using husband powers

Whomst: you're standing w/ ur hands on ur hips and staring at him Taking Down your fellow teachers

Banoodle: it's called pouting in the cold until his spouse instincts act up because I love him and he's being a drama queen

Banoodle: also because he's Really Damn Good at fighting people (read: slam dunking them)

Vennonat: I'm going to stand with you
Banoodle: idk it's cold out here kid

Venonat: I'm stealing your sweater

Banoodle: that's fair you wore a t-shirt in to school today like a Fool

Venonat: it's not too bad,,

Venonat: I didn't expect the cold outside to outmatch the cold on the inside

Murkrow: Weak, not emo enough

Venonat: Dark shadow acts like a Sun Umbrella & Heats You

Murkrow: Not Emo Enough

Tentacruel: boys please

Tentacruel: You're both emo.

Vulpix: when he runs out of Social Machine he goes 'huh’

Venonat: why would you say something so controversial but so brave?

BoomBoomPow: lthdkhss I can do that,, <3

Momo: Remember that Mr Yamada will allow you a break if you truly need it, he isn't cruel and voice/sound quirks can take a lot of energy and effort to maintain.

Murkrow: that's good, you're just the kind of taker we're looking for
Murkrow: the plan is to open the veil and fucking dunk him in
DeezWatts: not this again,,
Murkrow: it's a good plan we just have to dunk him in the void and then close it
Tentacruel: we aren't fucking with the veil, invoking Eraser’s wrath, and then dunking an oversized piece of garbage into the void fumikage
Murkrow: it's just until he's erased!!
Vulpix: mmm like the end result hate the plan
Vulpix: I hate to admit it but it'd be better to keep him alive :(

Vulpix: but I want to so bad

Shamwow: too bad I'm legally dealing with this, my son now

Vulpix: wrow

Shamwow is now idle

Cutieshima: what is even happening right now

CandyCRONCH: those are 5 opened and unfinished bags of Doritos and like 10 litres of every kind of energy drink I've ever heard of

Murkrow: his dad mode activated
CandyCRONCH: how is any of this food going to help you develop

DeezWatts: this is the most he's ever spoken to me ever

CandyCRONCH: literally most of this is suited for me or Yaoyorozu to eat before training not for all your meals

CandyCRONCH: how did Aizawa even permit this???

Run™: honestly I dread looking in the kitchen after the Bakugou Incident

Momo: So do Aizawa, Mic and myself which is why I thought that at least one of them had actual food

Bakuslay: are you shitting me?

Bakuslay: they're all irresponsible as fuck I have to cook half the time because none of them know how to

CandyCRONCH: bakugou come help me cook

Bakuslay: fuck you, you can't tell me what to do

CandyCRONCH: we both know full well you're already walking towards the kitchen while typing those words

DeezWatts: hey look at this I love our new same age parent mode friends

CandyCRONCH: I still want to know how Aizawa allowed this

CandyCRONCH: @ Venonat Does Aizawa own any kind of sustenance aside from those weird jelly pouches at the joint teachers apartment?

Vennonat is no longer idle

Vennonat: oh yeah he and mic cook like

Vennonat: actual food all, the time (mic won't let him eat the jelly pouches until he's had "an actual legitimate real life meal that won't cause you to die of nutrition deficiencies" to which Aizawa will then respond “they are literally nutrient pouches what's the point of food” and then mic will be offended for a full 5 minutes, ranting about food while he stress cooks a full family meal that he then proceeds to make too much of and leaves some of it in the our dorm fridge)

Vennonat: there's a communal fridge in the teachers lounge and one in the apartment because it's set up like a smaller version of the kids side

Vennonat: there was an influx in crime recently and the underground heroes had like 5 times the amount of work than usual so he forgot to check our kitchen to make sure we were eating right

CandyCRONCH: I hate our adopted homeroom dad and that I now have the urge to make him sleep

Vennonat: you'll get used to it

CandyCRONCH: also what the FUCK was the Bakugou Incident

Xenomorph: it waS W ORT H IT

Run™: Not really

Cutieshima: yeah I mean bakugou accidentally shattered the window and I broke 3 drawers trying to make sure he was okay

Xenomorph: worth it!!

Pure: I also managed to break the door?

Xenomorph: we don't need doors on the kitchen they hinder the signal that food is being made

CandyCRONCH: I don't know how any of you are even vaguely functional

Run™: The reasons are up for debate at a later time.

Momo: Agreed, we still need to tell Aizawa the window is broken..

Whomst: probably not now though?

Whomst: toshi said that they were sorting out todoroki's situation right now

Xenomorph: everything waits for the good hot cold boy whom I love

Fangboi: Aizawa’s kids
Fangboi: mine broke every other door except the kitchen door
Shamwow: how is this better than mine
Fangboi: they're overachievers
Shamwow: I made an excuse for you that you lost a bet for Shinsou, my wonderful good son, to join class 1-A but we all know it's because you're emotionally invested in their futures and don't want them to move from your class because you're also a capable heroics teacher
Fangboi: this is the worst you've ever called me out and I need to go
Shamwow: also because you emotionally couldn't handle the strain of having Kendou move up a class, there would be chaos
Fangboi: B y E  E R a s e r, , , , , , , ,

McFUCK: I want uraraka to send me into the cold unforgivin void of space

Oh?Vacuum?: Oh? Big same worm mood?

Banoodle: Hey y'all this is a PSA, I love my husband and he's a fucking NINJA
Shamwow: mm bad song

Banoodle: GREAT SONG!! 10/10 HES THE BEST MAN WHOM I LOVE SO MUCH

Shamwow: bad song

Banoodle: ID DIE FOR THIS MAN

Shamwow: Terrible song!

Banoodle: AND I'D LIVE FOR HIM TOO

Chloroform: is this one of your gay competitions over who can love and support their s/o with emi

Banoodle: no I just rlly love my husband

Shamwow: he woke up crying

Shamwow: he wouldn't look at me so I thought it had been a nightmare and tried to see if he was okay

Shamwow: and he calmed down a little

Shamwow: then he turned and looked at me and started crying all over again and I got fuckgin scared

Shamwow: and then he just sobs 'youre so fucking pretty - inside and out- this is illegal I married the best person ever'

Banoodle: I did I fucking love him

Banoodle: look at him!!!!

Banoodle: LOOK!!

Chloroform: I'm looking?

Banoodle: LOOK!!!!

Shamwow: I don't know what's happening but I'm terrified and there are like 5+ pairs of eyes on me

Banoodle: L O O K ! ! ! ! ! !

Shamwow: zashi you can stop now

Banoodle but I love you so fuckgin much

Shamwow: yes I love you too I'd rather die before the possibility of hurting you in any way shape or form but it's not necessary

Shamwow: what's necessary is yelling at snipe about his obvious crush and how I can't stand to watch him literally wheeze from the across the room when he sneezes

McFUCK: he's so cute

Shamwow: I'm sure
Shamwow: you know what else is cute?
Banoodle: Shouta.
Shamwow: Cats. I was going to say cats.

McFUCK: he's, better, than a c a t though

Chloroform: you married that
Banoodle: I know!!!! I love him!!!! :D

Chloroform: what the actual fuck did that even say I'm so tired of trying to translate shouta’s old god text
Banoodle: 'you will die at noon’

McFUCK: did he threaten me with a high noon joke
Shamwow: >:3c

McFUCK: hm., don't like that.,
Sonic: quick question how the f u c k does one scared boy decipher the cryptid text, asking for a friend

Cryptid: It's probably poor latin run through a caesar cipher, the number of shifts probably varies depending on the message but that was 3 shifts to the right.
Banoodle: rip called out by his own one (1) smart confusing-animal dad
Sonic: o k a y, doesn't explain the weird text warping.,

Cryptid: Does my name meaning nothing in this house?
Shamwow: considering you randomly appear out of random places (read: my scarf), I think people don't believe you exist.
Cryptid: Jokes on them, I'm going to break their knees :)
Shamwow: dad no

Cryptid: Son, sometimes, you can be civilised and sort things out rationally. Other times you have to break people's knees. That's how it is on this bitch of an earth.

Sonic: wise words thx,, dad,?成龙

Cryptid: :^)

Shamwow: hm

Fangboi: That doesn't look reassuring at all.

Banoodle: oh no

RuhRuh: idgsk botuh yooiu Bhutan my munNIGNg flRR mY LFIE

Fangboi: “I don't know about you but I'm running for my life”

Banoodle: thanks official dog talk translator

RuhRoh: ikLfuZ CK YGOUG yyIp

Fangboi: “I'll fuck you up”

Banoodle: yip

RuhRoh: SHURUT!!!!

Fangboi: “SHUT!!!!”

Shamwow: asking for a student,

Shamwow: does breaking kneecaps apply to uhhhh,, whole [B]onless flame man?

Cryptid: Son that's an influential hero

Shamwow: so,, yeah?

Cryptid: son this is a diplomacy issue

Cryptid: also you technically have more custody over young Todoroki than Endeavour currently

Stronft: Also, Endeavour is ‘apparently’ trying to better himself and become a better hero for the public as well as a better father figure

Shamwow: h m that's nice it's good he's developing but hhhhhhhhhhhhes not fucking getting off for the shit he pulled

Shamwow: he's not getting his fucking son back that's My Boy Now.

Chloroform: I had Kirishima come up to me in class today and whisper 'adopt my boyfriend’ under his breath

Shamwow: yeah he's on my warning list

Banoodle: babe
Shamwow: don't comment on the fact I have a warning list I see ’several people are typing’ right now I know what the fuck I said, Karen.

Shamwow: the way he interacts with kids and some classmates is a little concerning but right now but I think he's developing alright, I'll talk to his parents and see if something changes because there's a problem right now but I want to see if his parents are willing to change first.

Shamwow: if not I guess I'm getting another kid?

Banoodle: we started the year with two cats and now we might have three whole kids

Shamwow: this is the worst I came here to expel students and now I have kids instead

Chloroform: you say the worst but we know you love all twenty of them

Shamwow: I've only known these kids for a few months but if anything happened to them I'd kill everyone in the room and then myself

Banoodle: The Time We Should’ve Brought Chapstick To The USJ proves that

Chloroform: rip Shouta, sold his soul to 20 whole kids & now he's attached

Sonic: nah bro, rip Hizashi

Sonic: fell for the kid that decked him and didn't speak to anyone, married him and now has 20 kids too

Banoodle: ur saying that like it's a bad thing

Banoodle: at least I talked to the person I liked ;3c

Sonic: get off mY DICK HIZASHI

Banoodle: “Hizashi you really need to speak to Shouta already having you talk about how fucking hot it was for him to punch you in the face every day is getting tiring”

Banoodle: me, already dating the boy behind your back: hahaha yes I can do that of course now spEAK TO UR CRUSH TOO

Banoodle: you, a weakling: “but zzaaaasshhhiiii”

Chloroform: oh I was just laughing at Shouta every day

Shamwow: her favourite pastime was throwing music suggestions at me that had suggestive titles

Banoodle: now we've clearly established how badly we all handle crushes: EY YO SNIPE

McFUCK: ah, don't like that.

Banoodle: UR MAN

McFUCK: really don't like this

Banoodle: TALK TO H I M

McFUCK: n O?
Banoodle: fine I'm coming over to your desk

McFUCK: THIS IS BULLYING

Banoodle: >:3c

Chloroform: man 15 years of shouta has definitely rubbed of on you

Sonic: (°_°)

Chloroform: (°_°)

Shamwow: delete this

Banoodle: that's my quirk

Shamwow: how am I vaguely loud?

RuhRoh: Eraser voice: IT WAS A LOGICAL RUSE!!

RuhRoh: entire class voice: NANI THE FUCK?

TCrews: *eraser voice* Maijima, mic stole my fucking scarves again and keeps tping the school with them

Shamwow: how was that my fault

TCrews: you married him and gave him access to your capture weapon

Shamwow: fair

Banoodle: rude

Chloroform: to be fair, we couldn't get in the storage cupboard until shouta came into school because the scarves were unusually tight and they weren't responding to us

TCrews: which was Super Weird™

Shamwow: :)

TCrews: Wow! Don't Like That!

TCrews: what did you do my fuckgin kid

Chloroform: what is it with the support department and calling items their kids?

TCrews: I Made That With My Own Two Hands

Chloroform: that's fair
Sonic: that concept was rlly fuckgin hard to come up with

Sonic: *me under my breath every single day for a year* he basically wants a non lethal garrote the fuck??

Shamwow: killing the villains would make me more of an endeavour underground hero I don't need that in my life

TCrews: say thank you to the nice boy for realising this was a thing

Shamwow: I did that in first year already

Sonic: it's okay bro I understand I love u too

Shamwow: Di sgusting

Banoodle: (hey Tensei)

Sonic: (yeah bro?)

Banoodle: (shouta called tenya by his first name in front of his whole class and amended it by writing 'study hall’ on the blackboard and then sitting down to stare at his hands)

Sonic: (oof mood)

Shamwow: (the only real way to deal with your problems is to avoid them)

Banoodle: (don't take that advice ever)

Boo: oh s hit whose kids are those outside

Shamwow: he really isn't

Oh?Vacuum?: leave him alone,,

Shamwow: n o

Shamwow: I'm not leaving *either* or them alone

Shamwow: because if I leave them alone there's either going to be an abundance of awkward laughter and pained jokes or utter awkward silence and either way it's awkward so I might as well be there as a filler

Shamwow: at least then I can deal with ectoplasm pulling his 'haha bitch, while I'm running away from the station to buy my fiftieth coffee, you're going to speak to my clone for an hour who will then dissolve because I walked in and saw a cowboy asleep on his chair'

Banoodle: careful!!!!!!! They can read that!!!!

Sonic: I'm offended on so many levels

Chloroform: the key to being a good homeroom teacher in the heroics department is fuckin dating other teachers

Shamwow: having the connections helps, certainly.

Banoodle: oof

TCrews: okay but actually who out of the teachers was already dating their s/o before they became a teacher?

Banoodle: 

TCrews: aside from you and eraser, I've heard you talk about him too often

RuhRoh: me n kan since like 2 or 3 years before I started teaching, Kan was already working here n then I got a recommendation

RuhRoh: wasn't by Kan btw

Fangboi: it was recovery girl, seeing as you're very good at determining the emotions of the children.

RuhRoh: wouldn't be the (lifestyle) guidance counselor otherwise ://

Fangboi: I know this and I love you

RuhRoh: fkshkshKahdkaba

Fangboi: see that meant something

Shamwow: still doesn't help me read it

Fangboi: then perish

TCrews: back to my question? Cementoss??
PebbleSkip: Thirteen and I had already been dating before becoming teachers. We were on a special task force for rescue missions during a series of crises about 8 years before entering the educational department and kept in contact for all of those. We started our relationship a year before Thirteen received the invitation to teach and build the USJ building, which I assisted in.

Banoodle: I'll ask for some time off alright?

Banoodle: as long as you do as well, don't think I don't see that paperwork piling up from your cases!

Shamwow: for you, anything

Banoodle: *babe*

Banoodle: that's really gay

Shamwow: that's really the point, zashi

Vemonat: as much as I appreciate my super gay parents

Vemonat: it's like five am no one needs to see this

Banoodle: I thought we were in PMs that's my bad

Shamwow: you've seen worse

Shamwow: I'm not ashamed of how much I love my husband

Shamwow: I love him a whole lot he's great

Shamwow: that's my great fucking husband

Shamwow: I don't even vaguely understand how lucky I got with this man

Shamwow: because he's everything I'm not and he's so fucking perfect and I don't know why he chose me

Banoodle: fucjbfshisha,

Banoodle: alright get off the phone and open the door I'm in the building

Vemonat: ughhdhdfs gay

Shamwow: you have, a whole boyfriend, and a whole girlfriend.

Vemonat: you have a whole husband

Shamwow: touché, tell everyone to go to sleep I can hear you all hushing each other in the other dorm

Whomst: I'm always invisible???

Banoodle: you were the person he was unsure was online

Banoodle: mmm one moment I'm going to hit n run

Shamwow: wait Hizashi pl

*Shamwow is now idle*
Vulpix: haha mood

Vulpix: we need a love and appreciate the parental units day

Xenomorph: A day for sobbing over Aizawa, Mic, All Might, Midnight, and Thirteen

Cutieshima: snipe and ectoplasm are the gay uncles

Xenomorph: ah so that's who he's kissing

Cutieshima: how did you not find out

Xenomorph: that's not a concern, what is, is that they are our gay uncles

DeezWatts: ur not wrong

DeezWatts: for real tho can we get a sob session over all might for a bit

DeezWatts: he's so good

Pure: he's the best dad I've ever had

Xenomorph: no matter what happens I get the feeling midoriya is always going to be the #1 all might fan

Pure: yeah!!!

BandaidArms: hey I don't mean to intrude but why'd you like him so much? I mean he's great!! I love our other dad but like, it's different with you I guess?

Xenomorph: ^^

Murkrow: his hugs are soft who wouldn't love him

Pure: uhh

Pure: I don't know I guess like,

Pure: he's been so nice to me?

Pure: and I'm not used to people in general (that's just how it be in this anxious bitch of a world)

Pure: and just having the person you've looked up to for your whole life support you even though you're the underdog in practically every situation just

Pure: it really hits home?

Pure: my dad's never been around and it hit my mom really hard

Pure: and she's been stressed and just as anxious as me and I think having all might there at least helps a little

Pure: I don't know it sounds stupid mm

Vulpix: it's not stupid izuku
Run™: Not at all!!! We know what you’re talking about :D

Vennonat: I definitely get it

BandaidArms: it's not stupid I understand

Xenomorph: yeah!! We totally get it!

Kewwo: all might is one of our best parental units and I love him he's valid

Bakuslay: he doesn't treat me like a villain or absolute ass and fucking understands problems if I tell him about them so I guess he's pretty good

Cutieshima: he's really reassuring and supportive!!

Whomst: I'm pretty sure he tries to keep at least 1 piece of advice for everyone at all times

Whomst: which is great because being a stealth hero with invisibility, it's hard to get any good advice :/

**Shamwow is no longer idle**

Shamwow: returning from my hit and run for like three seconds, all might is very understanding and is able to ask for help when he requires it, despite my dislike for his methods as a hero, he is an admirable teacher as well as role model. Just be sure not to try and become him. You are your own hero and your own person. Okay back to running.

**Shamwow is now idle**

Vennonat: I want you all to be aware that a 'hit and run' for these people is Yamada chasing Aizawa through the rooms to try and pepper him in kisses and it's the cutest thing I've ever seen

Vulpix: oh, worm?

Whomst: they're the cutest thing and it's not even valentine's day yet that's a goal

Xenomorph: waaaaait it's my favourite time of the year!!

BandaidArms: wtbkssb what Valentine’s???

Xenomorph: no wtf

Xenomorph: pancake day! duh

BandaidArms: ur right, I've been a fool

DeezWatts: who even knows how to make pancakes??

Bakuslay: satou, me, mic.

Bakuslay: Aizawa but he's too tired to let anything not burn

Pure: aLL MIGHT!!

Pure: HE MAKES GREAT PANCAKES

Xenomorph: this is me, having the sneaking suspicion that midoriya is slowly just becoming all
might’s son

Vulpix: See? I'm not the only one, izu

Pure: kthkskaab he made me pancakes when I was in recovery from my bone hurting juice banquet

Murkrow: what a mad banquet of bone hurting

DeezWatts: rkshakam

**Chloroform is no longer idle**

Chloroform: why is all might crying

Whomst: I still don't get the chicks metaphor but I love you anyway!

Xenomorph: (we're chicks and ua hatches us into birds)

Whomst: (but why chickens)

Momo: (I'm not explaining to you that there is more than one type of bird that calls a baby bird a chick)

Whomst: (but Ch icks)

Stronft: it doesn't matter anyway what matters is that you are all fully capable of becoming amazing heroes! And I will support you in doing so!! Plus Ultra!!

Cutieshima: Inc ruggjn I lovemhim

Bakuslay: this is the worst

BandaidArms: you're just saying that because kiri is lying on you and crying

Bakuslay: fuck off your bullshit

Space: what happened??

Cutieshima: bakusquad valentine's date because we all love each other very much and also because it's like a double date with fifth wheel mina (she was too chicken to ask out her crush)

Xenomorph: :''('')

Xenomorph: I can't do it

Cutieshima: shut, I'll help u later with writing her something

Xenomorph: kirishima is the one true ally

Whomst: uhhh

Xenomorph: kirishima is ½ of my true allies

Whomst: good

Cutieshima: basically we wanted to go to a restaurant or something but I'm pretty sure kaminari is banned

DeezWatts: they put too much pepper on my food when I was younger and one time I sneezed and blew out the whole block’s power

Pure: how do you even manage that

DeezWatts: young denki control machine broke

Vulpix: understandable have a nice day

Cutieshima: we convinced bakugou that we should go to the nearest cat café because

Cutieshima: *cats, y'know?*

Xenomorph: we walked in and fuvkgin, we thought we were chill

BandaidArms: I was drowning in cats I was in pure bliss idk about the rest of u

DeezWatts: shhhh
Cutieshima: I almost died like 15 minutes into the session because my eyes just locked onto , oh joy, one whole blonde haired excitable tall dad and one whole tired raven haired soft dad
Bakuslay: he choked on his food.
Cutieshima: br o.,
BandaidArms: that was in violation of the bro code
Bakuslay: it was in accordance with the bakugou boyfriend code.
DeezWatts: that's fair.
Xenomorph: (it's okay kiri is I still love u)
Cutieshima: (thanks bro)
Cutieshima: needless to say my coughing fit and the large amount of slapping that my back then received from not one, but four other people, drew the attention of our dearest fucktin teachers
Bakuslay: mic choked on his drink.
BandaidArms: like father like son
BandaidArms: Aizawa looked at him dead in the eyes, whispered “perish” and went back to stroking the two (2) whole cats on his lap
Vulpix: me after Yamada sings it's raining men in the shower for the fifth time
Venonat: to be fair he was risking it
Vulpix: I know right? You've thought that Aizawa picking the lock and pouring cold water in would've shut him up on the fourth run but apparently the man holds no mortal fear.

Venonat: of course he doesn't he has to wake up Aizawa every morning.

Xenomorph: he did end up helping mic out after like a minute and then he did this weird head tilt and then yamada did that weird 'don't say anything' where u chop your own neck??

Bakuslay: the other idiots didn't see it but they basically just signed for the rest of the date.

Bakuslay: honestly it looked like they'd been signing the whole time aside from the 'perish' thing.

Xenomorph: bakugou won't tell us what they were saying :(.

Bakuslay: because it's private shit head it's like eavesdropping but with your eyes.

Xenomorph: but they were so clearly shit talking,..

Bakuslay: maybe so.

Bakuslay: still doesn't give me any right to tell you shit.

Xenomorph: why are your morals so good but everything else is debatable.

Bakuslay: childhood machine fucked.

Vulpix: rt.

Venonat: rt.

Xenomorph: I love u all and I would adopt u were I able to and had Aizawa not already done it for me.

Vulpix: that's fair.

Cutieshima: anyone else go on any sick nasty dates?

Space: tsu and I went to a café and the park!!

Space: it was really nice and super sweet we went shopping together for a bit afterwards because there's this nice little shop that opened in the mall :)

Kewwo: I had a lot of fun, (^ω^)

Kewwo: <3

Space: <3!!!

Vulpix: izu and tenya took me to the movies because I haven't really been before.

Vulpix: and then we met up with the girls to go to the park and got pulled into shopping.

Space: yeah!! It was really cool!

Space: I'm proud of tenya he got us izucrew shirts.

Run™: I'm supporting my boyfriend he deserves the world.
Pure: tkshkssgvsak
Vulpix: a gay mood tenya
Kewwo: I'm dip dyeing them :3c
Xenomorph: jfsksb Bakusquad has denim jackets (I still don't know where those are from??)
Bakuslay: best jeanist.
BandaidArms: what
Bakuslay: you heard me.
BandaidArms: i
Xenomorph: and the izucrew has t-shirts.
Venonat: remind me what your jackets say?
Xenomorph: bakugou's says 'im with stupid’ and then a shit ton of arrows and we all have “we’re stupid” in rainbow font and flames printed on the backs
Pure: i
Space: ours just has 'deku defense squad’ on the front i
Vulpix: the duality of groups
BandaidArms: idk how best jeanist even vaguely thought our jackets were good enough to give to us
Bakuslay: I told him it was for my gay as shit friend group and that if he had a problem with that I'd come for his life but he was ready and willing as soon as I said the phrase 'my gay as shit friends’
Xenomorph: aw he called us friends
DeezWatts: I'm feeling blessed in this chilis
Cutieshima: WE SHOULD’VE GONE TO CHILIS
Bakuslay: fuck no you’d try and order the spiciest thing on the menu and then you'd be crying on the way home
Cutieshima: it's probably not that spicy >:(
Bakuslay: you may be manly but you have such a low spice tolerance you'd cry trying to drink milk
DeezWatts: FUCKGIN
Xenomorph: I can't believe bakugou just roasted his boyfriend???
Cutieshima: im
Cutieshima: upset but very gay rn BC he's smirking,,
Cutieshima: he is like the most angelic little demon I love him,
Cutieshima: babe ily
Cutieshima: now he's blushing look at him go,,
Cutieshima: look at him,,, displaying emotion
Cutieshima: I'm so proud of him?

_Bakuslay is now idle_

Pure: I can't believe you broke kacchan
Xenomorph: I can
Cutieshima: he's easy to fluster it's adorable

_Swiggity swooty, I'm on thirst duty -M channel_

Chloroform: I can't believe the kids walked in on you being cute
Banoodle: I'm pretty sure only bakugou knew we were being cute
Shamwow: I can't feel any of my dignity
TCrews: you still had that?
Shamwow: ah, shit you're right
Shamwow: maijima if I come to the support department and lie down on one of your work benches will you use it to kill me?

TCrews: no because a) yamada would murder me b) kayama would murder me c) iida (big boy) would murder me d) hatsume has claimed the room as hers and is on a creation spree
TCrews: and last of all, because I'm not even _in_ the support room. I am in the staff room, chugging as much coffee as humanly possible and more because I crave the sweet release of death
Shamwow: oof mood want to know where the caffeinated coffee is?
TCrews: _god yes please_

Shamwow: hiding space #7
TCrews: I'm so glad I memorised where you hid during lunch
Banoodle: fufjsbks number sEven really?? I thought it was at number eleven??
Shamwow: _no_ that's the fuckin
Shamwow: shhh
Chloroform: wait the _thing thing_ or the normal one??
Shamwow: SHHHH
Banoodle: oh thAT thing!
Shamwow: SHHHHHHHHH!!!!!
Fangboi: well I'm rightfully terrified
Shamwow: good.
Fangboi: I mean, five whole exclamation points? Clearly Eraser has become Mic
Shamwow: he's my husband and I'm bound to pick up on his fucking mannerisms, shit head
Fangboi: you don't see me barking at sea gulls
RuhRoh: it was once and they stole my food
RuhRoh: I have done nothing wrong in my entire life
Shamwow: well
Fangboi: shut up eraser your boyfriend ran through the halls screaming because he thought he saw a bug that turned out to be a marker stain he left there himself
Shamwow: husband
Fangboi: what about it
Shamwow: that's my husband and at least he's never tried to eat someone's shoe
RuhRoh: iT wAS ONCE AND IT WAS WORTH IT
Fangboi: ryou no, we're arguing
Banoodle: our boyfriends are being stupid
RuhRoh: yes they are ://
TCrews: this is the longest sip of coffee I've ever had and I can feel it poisoning my veins but it's worth it
Cryptid: are you having problems with young Hatsume?
TCrews: no she's an absolute genius
TCrews: she's an incredible student, but her enthusiasm never ends and I think I'll die from exhaustion even looking at her
Cryptid: please share the keys to the support department with another teacher so that you don't have to worry about her all the time!! I know you would prefer to over see her activities but at this present moment you also need the rest
Shamwow: he's saying you should tell her to piss off and socialise
TCrews: how do you say that to a young teenage girl who is ready and willing to fuck you up
Shamwow: threaten expulsion.

TCrews: are you batshit?

Shamwow: are you on break right now?

TCrews: yeah?

Shamwow: is hatsume in the support room?

TCrews: y ep

McFUCK: he just took a hefty swig of coffee

TCrews: you don't know me

Boo: let him live babe

McFUCK: I'm concern

McFUCK: stop

McFUCK: okay I get it please breathe you're worrying me

Boo: some context: maijima just managed to chug what I assume is a flask of coffee without breaking eye contact with snipe and I don't think he breathed once

Shamwow: that's just how we do

Shamwow: anyway, is the support room suppose to be open right now?

TCrews: it was supposed to have closed like five minutes ago

TCrews: it stays open for a while for any activities but we're running low on staff today so we don't have any overseers

Shamwow: come with me to the support room I'll do it for you

TCrews: this sounds like a terrible idea

Shamwow: it's not don't worry

Shamwow: I do this all the time

Shamwow: if she really loves what she's doing she'll take this threat seriously

Shamwow: getting expelled from UA would put a damper on what she is able to create so she'll prefer to lower the amount of time spent in the support room over being thrown out entirely

TCrews: wh

TCrews: ??????

Shamwow: I'm suppose to make students excel in their tasks for a living maijima you think I haven't learned how they work yet?

TCrews: that's fair.
Xenomorph: pls bakubro I love u
Xenomorph: I'll do anything
Bakuslay: anything?
Xenomorph: yes! Anything!!!
Bakuslay: well...
Xenomorph: OOF
Whomst: FHSKSVSKAHS

Pure: I'm cALLING THE TEACHERS!!!
Vulpix: honestly if I watch izu teach all might how phones work one more time I might not have teeth left

Vennonat: I'm terrified about the purity level of this absolutely tooth rotting fluff

Rowlet: """
Rowlet: ❑❑❑❑❑❑❑❑❑❑

Guncle: HIS NAME IS TAILS TenYa

Guncle: HE'S SO HAPPY

Good™: I honestly feel like I should be stopping this but at this point there isn't any point

Guncle: his name is Tails and I'm going to love and support him and his fastly wagging tail’

Xenomorph: surprisingly wholesome cursed family chat confirmed

Vulpix: it's a terrifying place

Pure: aw ur names are todorokid and good™ that's cute

Vulpix: this has made everything marginally more acceptable

Shamwow: I can't believe Hatsume Mei hasn't slept in seventy hours and somehow isn't even vaguely related to me.

Shamwow: Zashi did we leave an adopted kid behind somewhere???

TCrews: That's my whole entire student I don't think she's been adopted by you.

TCrews: She also called your expulsion bluff.

Banoodle: (It's because everyone knows he's a big softy)

Shamwow: Class 1-A ruined my expulsion reputation.

Shamwow: I love them but this is ridiculous.

TCrews: Hey at least she accepted she's been in the support room too long.

Shamwow: A hollow victory when twenty students, including two of your actual adopted children, somehow make off with every ounce of dignity and self control I had left.

Oh? Vacuum?: Fucking Noumu.

Shamwow: *fucking noumu.*

Boo: Is that

Boo: Is that a thing you do?

McFUCK: Oh darlin

McFUCK: Sweetheart you aint seen them drunk in the same room.

Boo: Well

Boo: I'm Terrified.
Oh?Vacuum?: when all else fails

Shamwow: blame noumu.

Oh?Vacuum?: noumu didn't even hurt me but I'm being a supportive friend

Shamwow: noumu snapped me like a twig and I'm grateful for the support

Banoodle: wow babe out here lookin like a snapp

Stronft: yAm aDA

Stronft: you cannot just say that to someone who has gone through intense trauma

Banoodle: kfahkashka n o i understand that im fishjss

Shamwow: I love you a lot? But that was terrible

Shamwow: that was probably the worst one in fifteen years

Banoodle: aww babe then why did you laugh so much?

Shamwow: I hate you

Banoodle: mmmmmhm?

Shamwow: I hate how much I love you?

Banoodle: aww

Banoodle: well then I'm resentful ;)

Stronft: I am both terrified and relieved?

Fangboi: I have know these people for too long they are warping my sense of reality

Sonic: hsjdvak join the gang, yesterday I saw Aizawa smack Hizashi upside the head in public and hiss and him and everyone got really tense but my stupid ass was like,,

Sonic: that wasnt even a hard slap that was a full on make out by Aizawa pda standards

Shamwow: I didn't even hit him

Banoodle: you whacked my leather jacket :( 

Shamwow: correct

Banoodle: that's like hitting me spiritually

Banoodle: I astrally project into that jacket on a daily basis

Banoodle: what if u had stuff on ur hand :( 

Sonic: the old lady on the train looked very concerned

Banoodle: Good!! Leather is very annoying to wash!!!
Sonic: Hizashi, you are my best friend (aside from tails my lord and saviour) but honestly, that's not what she was concerned about

Fangboi: I don't even know who reality is anymore

Sonic: hey if I taught physical education do u think I could do laps around the sports field on my wheelchair?

TCrews: do you want stabilisers on it so you can use your quirk??

Sonic: thank u for asking and Y E S

Sonic: y'all I'm gonna naruto run in a wheelchair

Shamwow: I hate this. I hate it. I don't know how I got here, but I know I hate it.

Sonic: I love u too shouta

Chloroform: this sounds like a disaster waiting to happen

Chloroform: when do we start?

TCrews: I mean?

TCrews: if you're not busy I guess you can drop by the support department at ua tomorrow and I can fit them

TCrews: it could give hatsune some practice as well seeing as she's used to just making things I think adaptation on non hero gear might help her out too

Sonic: cool!!!

Sonic: join Iida Tensei, for the newest episode of Pimp My Ride

RuhRoh: is your dog coming??

Sonics: if that's alright?

RuhRoh: Yeah!!!!! Fine!!!!! New friend!!!!!!!!!!!!

Shamwow: hey uh Kan any reason I can see your kids naruto running outside and yelling 'HUH!' every few minutes?

Fangboi: what the fuck

Fangboi: why are they acting like 1-A??

Shamwow: I resent the fact that I feel called out on behalf of my kids

Fangboi: oh

Fangboi: manga is pretending to be naruto again

Shamwow: again.

Fangboi: leave them alone theyre doing their best
I can't believe we have the real Kirishima in our class channel

Fangboi: you're doing amazing sweeties

YaoiHands: THANKS DAD!

Dark'ness: ah yes, naruto running in the darkness of night, my aesthetic.

Nyeigh: dAD MONOMA IS TRYING TO BREAK INTO THE 1-A DORMS AGAIN

Snatched: I can't believe I was betrayed by my own classmate while trying to take out the competition who have the places we rightly deserve, honestly, I'm going to go to therapy for years after this, I'm going to be traumatised for life over this betrayal, nothing is going to make me feel better ever again

Snivy: hey aoyama brought cheese as a peace offering again!

Snatched: nevermind I revoke everything

Kirishima: bro

Snatched: don't bro me this is some good fucking Bleu d'Auvergne

Kirishima: bro I don't know what that is

Snatched: i

Snatched: hold me back

Winston: I'm not touching him

Snatched: hold me back or I'm going in

Kirishima: broh no!

Snatched: thATS IT

YaoiHands: I am not the mother of this class

Snivy: sorry mother

Nyeigh: uhhh

Dark’ness: haha you think you're not

YaoiHands: I've been downgraded

Fangboi: kendou please restrain monoma before he succeeds in murdering tetsutetsu

YaoiHands: dad why

Fangboi: sometimes that's just how it be
YaoiHands: I bet Aizawa would never do this to me smh
Fangboi: that is a low blow and he has literal bandages for extended hands
YaoiHands: you're right I've been a fool sorry dad
Fangboi: all is forgiven if you just grab him and get everyone back into the dorm
YaoiHands: can do mr dad sir

*Tails VS Airbud -ING channel*

Sonic: I'm just saying, tails is totally better than Airbud
Shamwow: I went to tell my kids to be careful when watching Disney movies, and i come back and this is what's happening
Shamwow: you're all debating if Tensei’s dog is better than airbud.
Banoodle: actually first we were talking about them in a fist fight and then we remembered they had no fists so now it's just aesthetic.
Banoodle: what do you think babe?
Shamwow: I literally only know who Airbud is because you forced me to watch the movies and then the puppy follow ups because you were upset about not having a dog
Banoodle: my apartment didn't allow animals and that's a crime
Chloroform: a crime is what you're wearing holy shit
Banoodle: I didn't come here to be attacked
Banoodle: also what's wrong with neon green netted tank top and a bright pink tracksuits bottoms
Shamwow: are those mine
Banoodle: shh
Shamwow: they don't even fit you
Banoodle: shhhhh
Shamwow: if you wanted something of mine you could've taken my jacket?
Banoodle: shhhhhhhhhhh
Shamwow: I can't believe you're going to a karaoke bar dressed like that
Chloroform: I can't believe I'm accompanying him
Shamwow: I've got patrols tonight, if you fuck up the bar I'm going to arrest you no questions asked
Chloroform: lfgska rude

Boo: it's fine the owners know me and mic's come a few times!

Shamwow: dressed in clashing Spandex?

Boo: well… no, but honestly how less inconspicuous can one man be than literally wearing a shimmering jacket on top of a hatsune miku shirt

Chloroform: where do you keep getting those shirts anyway??

Banoodle: uhhh secret source

Shamwow: it's best jeanist they formed a hatsume miku fan club

Banoodle: you are dead to me and so is your next of kin

Shamwow: you're my next of kin legally

Banoodle: ah

Sonic: congratulations, you played yourself.

Chloroform: I thought best jeanist had style??

McFUCK: He does, it's just Hizashi who’s dressed like a disaster bi

Shamwow: haha

McFUCK: you're dressed like a disaster gay 24/7 Aizawa

Shamwow: excuse me this is practical

Chloroform: dearest hizashi, please inform the class what your husband wears at home?

Banoodle: aw that's easy, black long sleeve shirt and sweatpants, sometimes a jumper which is usually a neutral colour and if you're lucky he'll wear scarf

Chloroform: and if you're unlucky?

Banoodle: he wears his uniform at home and just leaves the scarf off

Shamwow: I hate this callout post, 0/10

Chloroform: thank you Hizashi you get 10 points

Fangboi: I went to tell my kids to not batter down 1-As door and make too much noise while murdering each other over cheese, and I return to this,,

Shamwow: wait did aoyama try and give your kids cheese

Shamwow: he keeps leaving cryptic messengers in blocks of roquefort I can't take this

Banoodle: I'm proud that you can remember cheeses, but why nothing else in any other language?

Shamwow: food can be fairly relevant to a case
Shamwow: also you kept mumbling recipes under your breath while you were sleeping after you came home from the three month job in France

Banoodle: this just in, being a polyglot will not affect your husband in any positive way, but it will make him remember the names of cheeses.

Chloroform: somehow I don't think that's a bonus

Banoodle: shut up nemuri you're hella gay for two whole people

Chloroform: fkhsks and you aren't

Banoodle: fuckign touché

Chloroform: anyways ye ah! We’re working on getting ANOTHER girlfriend, emi and I are very excited ;)

McFUCK: gee kayama, why do you get two girlfriends?

Chloroform: because when I want to date someone i am well equipped with open communication between parties and intensely high confidence in this sort of thing

McFUCK: oof okay,,

Boo: that's a callout and a half

Oh?Vacuum?: I can't believe we're back to teasing my best friend this is great

McFUCK: you're a terrible friend and I love ya dearly.

Oh?Vacuum?: Oh shit emotions,,

Shamwow: big yeet

Banoodle: big yeet

Momo: Yes!!

Pure: ???

Momo: I need to eat a lot more between periods because of my quirk for heroics and when I'm exercising but my parents weren't aware of my additional quirk use and when I went home I essentially was still eating the same amount as when I used my quirk very sparingly.

Momo: Mr Aizawa was worried they would accuse the school of overworking me or any of us because usually having to eat more implies larger amount of energy use but it seems they were understanding :)

BoomBoomPow: Oh yeah!! Babe I'm gonna start carrying some smaller snacks on me for you for in between lesson if I can?

Momo: There's no need to burden yourself!!! I appreciate it though <33

Momo: Aizawa wanted to make sure I was healthy and remain that way so I should be able to bring my own food for lesson, we're organising what I can eat in classes that will correspond with allergy and hygiene requirements

Xenomorph: hey u ever become more keenly aware Aizawa is super fuvkgin awesome and we don't deserve him,,,,

Venonat: yikes mood

Healies: I retained this particular joke due to Hado telling Amajiki that Togata was a, “Boneless Quirk Man. Boneless hero just sinks right through the floor”

Shamwow: Mirio Togata is a Bethesda creation and no one can ever tell me otherwise because Todd Howard came to me in a dream and explicitly stated Mirio was his son

Sonic: I keep accidentally spelling Mirio as Mario and I'm only just realising this is further proof he can literally break the fourth wall by sinking through it

Shamwow: I'm erasing the sega voice, Todd Howard is clearly best friends with founders of sega: Martin Bromley, Irving Bromberg, and Richard Stewart. They all forgive you your Nintendo sins and passed it on Via Bethesda sinking technique to my brain

Sonic: why the fuck do you know Todd Howard so well

Banoodle: I can't believe Shouta is cheating on me with Todd Howard

Shamwow: sorry Hizashi, it's true love

Chapter End Notes

I've had this chapter written for like three weeks I'm honestly so sorry fksbsksja,,

Feel free to leave a comment of anything you enjoyed or if you spot a mistake!! They're always appreciated <33
Hey guys Agi here!!

I know it's not a chapter but this is a genuinely important thing that's occurring.

Getting straight to the point! I'm sure everyone remembers the saving net neutrality posts that go around, they got a boat load of attention!! But there's a similar thing happening in the EU right now, and wow! Wouldn't you know it! Guess where this particular author is.

Essentially, the European Parliament is currently planning to tighten the copyright law, which would massively restrict our freedom on the internet. Between July and September (and we're already in that timeframe) the European Parliament will be discussing and deciding on new copyright reforms that could copyright laws throughout the EU.

This is intended to support creators, but it has a high possibility of backfiring instead. Article 11 and Article 13 especially would cause huge hindrances to both consumers and to creators.

Article 11 of the proposal of the European Commission is mainly focussing on the Ancillary Copyright information providers.

More specific press rights are going to protect the contents of these providers and will need a purchased license to be able to be used by others.

I'm quoting this directly because I have no idea how to phrase a lot of this*: Implementation of Article 13 results in a total real-time filtering of every piece of content that will be uploaded to the internet.

What this means: Every data package will be automatically scanned by a potentially error-prone algorithm.

This is comparable to the erroneous algorithm deployed by YouTube, which often mistakenly deletes content that is not protected by copyright law.
This is a problem for me and others on Ao3, Tumblr and many other platforms, because effectively everything will be filtered for us. Anything 'fandom' related is copyrighted material, and thus we won't be able to post or consume any of this media type.

I genuinely enjoy writing this fic, I've put time and effort into it and I love each and every person who reads it and takes the time to comment. I love the people who have joined the discord even if everyone is super cursed a lot of the time! Mentally and emotionally, these are support structures I've built up for myself, and losing such a thing is catastrophic for me.

BUT!!!!

There's another round of voting scheduled for the early days of July!! Please share this with people!! Even if you're not living in the EU, this is going to affect people as much as net neutrality. You're going to be losing consumers and creators who reside within the EU. We banded together before to help put a stop to the net neutrality, we can band together again!! Please pass this information along, to friends and family, to discord servers if you feel necessary!

If these laws pass, there's a chance I won't be able to post anything anymore. I also won't be able to consume any fandom media, or copyrighted material that's been sited. I don't want to lose these things, but it may come to pass.

Again!!! Please share this information, and if you can vote no against this!

So I guess!! It's bye bye from me for now, and hopefully I'll be able to talk to you all again!!!!

– Agi! It's been a blast <333

*Most of what I've said comes from this: link to a petition about the laws that are being discussed

Here's a full Tumblr post where I'm getting a lot of this information from!

For people living in the EU, he's a link to contact MEPs and get more information and keep up with news about it!
RIP Aizawa

Sidenote: it's Hatsune Miku's birthday and that is the one (1) and only reason I published this chapter today rather than tommorow hfjdsbsm

Edit: oh shit my sticks!! The basis of what aoyama says is basically 'mina, its four in the morning'
' what the hell is so important?'
And then after kouda it's 'you woke him up!!!'
Then the last one is 'you will not survive the night's idk french he's tired I'm tired we're
alllllllll tired lads
Hey guys little update from chapter 33!! Unfortunately articles 11 and 13 were approved but still need to pass voting so we'll see how that goes :") I'll try and keep you guys updated but I just heard the news so heres to hoping things work out!

Banoodle: fuck

Chloroform: I mean neither of these things are entirely wrong
Shamwow: awfully bold of you to assume I am emotionally supportive

Oh? Vacuum?: Yesterday you sat with your husband for two and a half hours (running 15 minutes into your lesson) just because there was a bug on his desk and he was freaked out

Oh? Vacuum?: You both literally swapped desks

Banoodle: it's spider law.

Strof: Spider…What?

Banoodle: **Spider Law.**

Shamwow: it's like cat law but spiders

Banoodle: My old desk belongs to the spider until a given amount of time has passed with no incident. Then I can return. Spider!!!!! Law!!!!!!!

Strof: Ah that makes sense

Strof: Should I ask what cat law is?

Chloroform: cat law is that if a cat sits on u of their accord u legally can't move them, if you put them on ur lap u can move them, if the cat is in danger u can move them, if the cat is killing you, die.

Strof: Oh

Strof: it's awfully sweet of Aizawa to exchange his desk with Yamada's when it clearly belongs to the spider now

Banoodle: :) trespass on spider land for bae

Chloroform: Aizawa has the big gae and therefore laws mean nothing in sight of defending his man

Shamwow: both of you need to delete the evidence of me having emotions

Cryptid: That Can Be Arranged

Chloroform: **sir** that's his emotional support husband!

Cryptid: My mistake you're right >=^3

Shamwow: Okay Google, ways to forcibly make my husband take a nap without Chloroforming him?
Chloroform: Google says no

Banoodle: :(  

Oh? Vacuum?: Having two jobs is already working hard culture, having three jobs is overworked culture.

Hungy: Out of pure curiosity alone! To you absolute heckers who haven't slept in a million years!!!!!!! Did not sleeping at least leave room for eating???????? Hydrating????????

Banoodle: I suddenly have to leave

Shamwow: d

Shamwow: do jelly packets count

Hungy: Who else hasn't eaten?? Which if you COWARDS????

Boo: the yeehaw man

McFUCK: I was safe and then you did this to me

Boo: but to be fair to him he just hasn't eaten since yesterday’s dinner

Hungy: mmmmmmmmmmmmmmmmmmmmm somehow better,,,,

Healies: I personally appreciate that lunch rush doesn't enter this chat unless it's to harp on you all for your Horrific dietary habits.

Shamwow: you literally only come here to shame us

Healies: 0:

Stronft: Ah, Terrifying?
Healies: All Might

Stronft: Shit

Healies: You actually need to get something to eat as well! I know you lack several internal organs,

Stronft: I sure do

Healies: However, that is no excuse for not eating! Even if it is a small amount. Idiot.

Stronft: Alright, I'll get something to eat

Hungy: Look!!!! Look at that man!!!! Agreeing to eat!!!!!!! I WISH the rest of you heckers did that!!!!!!! That's a goal!!!!!!!

Cryptid: Yagi is legally obliged to listen to Chiyo otherwise she'll give him the Talk Of disappointment

Banoodle: honestly a bad talk to face,,,

Healies: You've been through it about three times young man!

Shamwow: can't relate

Healies: That's because it went from plain old disappointment to tired exasperation with you

Shamwow: wow, you turn up at a woman's office with three cracked ribs and a clavicle fracture and suddenly she's tired of your shit?

Banoodle: babe,,

Healies: You aren't one to talk Yamada! Your most common injuries are clavicle fractures and injured ribs!

Banoodle: that's because everyone goes for my speaker and lungs Chiyo!!! You can't blame me!

Healies: I can blame you for allowing those hits to land

Healies: You absolute twink

Banoodle: H

Banoodle: oh my god he can't hear us

Shamwow: Hey!! All Might :)

Stronft: y

Stronft: Yes Aizawa?

Stronft: *Uh,,,,,,,,,,,,,,,,*

Banoodle: b a a a a a a a a aabeee

Shamwow: Hizashi

Banoodle: what about the cats :(

Shamwow: I might need to retcon that request

Oh?Vacuum?: Understandable cats are so important

Healies: Heavy sigh

Healies: I don't think all might is ever going to become accustomed to the way you two joke about
the USJ incident

Oh?Vacuum?: The Time We Should’ve Brought Chapstick To The USJ

Shamwow: it was a horrible mistake not to bring chapstick quite frankly

Stronft: I'm not one to judge how people cope, but it feels,, unhealthy to almost accidentally trigger memories of your own traumatic experiences?

Shamwow: All Might

Stronft: I apologise if it was out of line for me to say, I simply worry for you all!

Oh?Vacuum?: Hnng too pure for this school

Shamwow: *All Might.*

Stronft: Yes Aizawa?

Banoodle: for the chat or for trauma?

Healies: *Both.*

Sonic: I mean damn she right,,,

Stronft: Either way I don't think I'm detroit smashing anyone into the ground…?

Shamwow: also you got an ear infection from doing that exact thing like three months prior to the event

Shamwow: Shouto will never succumb and you know it full well

Banoodle: yeah but Eri will! Sucker!

Sonic: sucker he says, like he doesn't cry every day when he sees his daughter

Chloroform: literally last year y'all had 0 kids and now u have three

Banoodle: that's adoption baby!

Shamwow: again, Shouto's position is different to Hitoshi and Eri

Banoodle: Ur his legal guardian that means ur his dad now

Shamwow: you're married to me

Banoodle: he gets one gaudy English dad, one emo dad, and a mother who is recovering gently

Chloroform: it's what he deserves!

*Shamwow is now idle*

Stronft: Give me strength, do I even want to know what happened this time?

SlipNSlide: Tenya's at the agency for some family business and he just came into the room we're in,
saw aizawa, blinked, and then hit the woah at him so tensei had one moment to grapple him and they flipped each other and fucking landed weirdly I need to right his wheelchair one moment

Stronft: The short answer was no!

Chloroform: Tenya hit the woah at Shouta,,,,,

Banoodle: unsurprising tbh we keep doing it whenever he walks into a room and we're @ their house

Stronft: That's such a bad sentence, it cost you 0 dollars not to say it

PebbleSkip: I would be more concerned about who they're doing it towards but considering I saw aizawa walk into the staffroom yesterday and immediately wrap both of them in his capture weapon I'm assuming it's him

Banoodle: ten points to cementoss for his g-g-g-ROUND BRE A K I N G PERCEPTION!!! YE A A A AA A A A H ! ! !

McFUCK: he really should've come to the yeehaw meetup

[ Three Soft Boys channel ]

Vulpix: I can feel horrifically cursed energy radiating from somewhere and I don't know where but it's very suffocating

Vulpix: Tenya did you do something

Run™: Why would you ever accuse me of such a thing!!! It's improbable I'd do anything to garner such attention from the void!

Pure: Improbable,,, not impossible

Vulpix: Tenya did something and I will bet my jacket on it

Pure: that's not fair you have the best jacket!!!!!!!!!

Run™: It's was my jacket originally…?

Pure: Exactly!!!! It's big and soft and smells like both of you that's so good???????

Vulpix: That is so soft I'm almost ready to forget Tenya did something cursed enough I can feel I from the dorms even though he's with his brother :/

Run™: It is very soft I agree

Pure: but you didn't disagree about your actions!!! Tenya!!!!!!!!!

Vulpix: I'm going to ask Midnight what you've done and you know I will
Run™:

Pure: Wuh Oh???

Run™: I didn't do anything intentionally disruptive!!! I've merely picked up on a bad habit.

Vulpix: oh my god you hit the woah at Aizawa didn't you

Pure: WHAT

Vulpix: Midnight and Yamada have been doing it to him whenever he enters a room they're already in it's not far fetched to assume that's what's being said…

Run™: I was not!! Intentionally!!! Being!!!! Disruptive!!!!!

Run™: They were grappling on the floor and it felt like the correct thing to do in the situation :(.

Vulpix: That's the Yamada influence how have you survived it for so long

Run™: Tensei's cursedness cancels him out a lot

Pure: Understandable I am terrified!

Vulpix: What a legend though…

Run™: Please Shouto I was cursed

Vulpix: when you're anxious about the adults in your life but you were raised on memes *hits the w u h o h*

Run™: sh OutO

Vulpix: UwU

Run™: Nowo…

Pure: I just want j a c k e t

Vulpix: don't we all

Run™: You have my jacket

Vulpix: Not all of them

Pure: boutta run into Shouto's room and steal all his sweaters

Vulpix: they're literally your sweaters but go off

Pure: me, about to instigate a clothes stealing war: aw shit here we go again

Run™: Please leave some for the rest of our poor starved souls

Pure: no promises!!!

Snatched: :///

Kirishima: yooo it's fine as long as he doesn't try and get into the 1A dorms w/o permission again it'll be fine!

Kirishima: and he's totally calmed down since the last time! Right monoma?

Snatched: are you insinuating I won't do it again????

Snivy: Monoma is simply expressing healthy competition!
Blowtorch: bet???

Fangboi: As much as I'd love to prove that 1b is the clearly better class in this situation, breaking into the dorms isn't going to do anyone any good.

Snatched: AH but you a g r e e !

Fangboi: Monoma I am literally your homeroom teacher

Snatched: MAYBE SO!

Snatched: oh shhFjfbdnsnb JSVSNAA

Snivy: And also the former symbol of peace… similarly ridden and willing! :0c

Blowtorch: aw shit

Blowtorch: here we go again

Fangboi: I'll deal with it, the rest of you stay as you were in the dorms! Anyone with clearance to go outside be sure to be back by curfew!

Snivy: Of course sir!

[ Direct Message – FrenchSparkleParty to Snatched ]

FrenchSparkleParty: L'ennemi a commencé à se préparer~

Snatched: I see! Rather bold of them to move so fast in their plans!

FrenchSparkleParty: Very much so mon ami! I will have to enlist some help from the other classes should they move in~

Snatched: Hoe zit het met de kaasovereenkomst?

FrenchSparkleParty: It will be dealt with!

Snatched: Very good! Then we shall proceed as discussed!

FrenchSparkleParty: The doors will be opened at the arranged time~

FrenchSparkleParty: Please do not get caught again…

Snatched: Of course not! It was a ruse to draw their suspicion! No one would expect me to try and sneak past Eraserhead and All Might TWICE that would be foolish!

Snatched: A pleasure working with a reasonable mind!

FrenchSparkleParty: Likewise~
[ Direct Message – Shamwow to Banoodle ]

Shamwow: god could you IMAGINE your kids showing you an inch of respect?
Banoodle: Can't say I can babe! What's up?
Shamwow: the second they realised I knew what a meme was I dhhjdhd
Shamwow: this is the most informal class and I blame myself entire I am soft and it is a c r i m e
Banoodle: awww babe!! It's fine omg
Banoodle: they obviously still respect you, you're just a lot closer with this set of kids this time!
Banoodle: it's not necessarily a bad thing!
Shamwow: it means they're not taking me seriously if I threaten extra work, detentions, or expulsion
Shamwow: they won't work as hard as before.
Shamwow: they'll do stupid shit that'll get them into trouble
Banoodle: any stupider than we were with Nedzu?
Shamwow: Yes! He can be terrifying at the very least he wasn't so informal with us
Banoodle: Is this a self doubt issue or is it the kids doing something stupid that's got you wound up
Shamwow: Monoma tried to break into the dorms (again) so Kan needed to message us before we acted without warning
Shamwow: except he messaged Yagi before me so by the time I got it the poor idiot was already tied to the ceiling because all we got was an alarm going off
Shamwow: and obviously kids are having a blast because they all have a sixth sense for 1b's shenanigans but fuck if it was a real threat I can't trust they wouldn't act the same
Banoodle: Ah
Banoodle: Okay I see
Banoodle: You're worried if you let up on the persona you've been holding around your old classes they're going to be less serious about their work, and then they'll get into trouble, and you've convinced yourself that'll be your fault
Banoodle: You know they respect you, right?
Shamwow: I
Shamwow: it's not really a matter of respect I just
Shamwow: I need them to survive
Shamwow: I've already had an abundance of sessions about USJ and the self doubt that instilled but it's hard Zashi

Banoodle: I know it is, Shou

Banoodle: Your class has been through a lot and you've always been tough on yourself about that stuff

Banoodle: You could get shot by an officer and somehow blame yourself for being in the way if the situation was right

Shamwow: I'm not that bad

Banoodle: No not quite :P

Banoodle: But you could get there if you keep this up!

Shamwow: Mggh

Banoodle: Your class cares about you, and they respect you. It doesn't have to be mutually exclusive, Shouta

Banoodle: And you know they take you seriously about that stuff! Have you seen their faces when you do it? You've assigned Ashido and Kaminari enough extra work for a whole new lesson plan

Banoodle: I've watched training session footage back, Yaoyorozu and Tsuyu both have the most respect for you! I'm gonna have to up my game messing around with you for them to relax a little!

Banoodle: It's good they aren't stressed about you being their homeroom teacher Shou, they trust you. They're supposed to trust you. Kan acts similarly with his class, they're allowed to be kids as well

Shamwow: I know that Zashi

Shamwow: It's just

Shamwow: If they don't put enough effort into training, they're going to get hurt

Banoodle: If they put too much in they're going to overwork themselves

Banoodle: It was only a few months ago you were talking about how they needed a chance to be kids!

Banoodle: I know we've had some incidents, but they'll be okay. They're stronger than they were at USJ and they've even got provisionals now! They trust you, but you've gotta trust 'em back!

Shamwow:

Shamwow: You make too much sense to be married to me

Banoodle: Pffft no, everyone just likes to latch to a certain persona I put up too!

Banoodle: Did talking it out help a little?

Shamwow: yeah
Shamwow: Thanks Zashi
Banoodle: Of course!
Shamwow: On a better note
Shamwow: Are you free on the seventh?
Banoodle: Oh what's this! A date??? Babe I'm free all day and night! Got told to take it off 😊 apparently I've been working too much
Shamwow: mmm you're a hypocrite kitten
Banoodle: Maybe so! But I do not take my work further than the office in our home!
Shamwow: hush
Banoodle: But of course I'm free Shouta
Shamwow: Good
Shamwow: I'll tell you when you get home
Banoodle: Gay
Shamwow: Hizashi we've been married for years
Banoodle: :PP

Chloroform: never forget that one time Shouta and Hizashi talked about their marriage for a while and then tensei, poor sweet sleep deprived tensei, went 'oh shit they got married'

Sonic: alternatively my eardrums will never forget Hizashi's bass boosted B r u h

Shamwow: the first week after we got married he called me his boyfriend in a conversation and then stopped and literally looked at his hands and went 'oh my god I can call you my husband it sounds so much better'

Chloroform: that's very gay and mulaney of him

Shamwow: he still does it

Sonic: I m a o remember when he called Shouta his fiancé on their first anniversary and no one questioned it until like 3am when we all started @ing him gjbdjdjs

Banoodle: is it bully Hizashi time, is it really,,, , , is it the week of 'oh haha Hizashi's gonna get older let's all point out his dumb gay'

Chloroform:

Sonic: I'm clearing storage space on my phone to screenshot it instantly
Shamwow: I'll give you a headstart when I chase you down
Sonic: like you could catch me, pussy
Chloroform: we also just gotta talk ab tensei 24/7 calling aizawa a pussy out of nowhere wtf is that
Sonic: he's a c o w a r d
Shamwow: I didn't arm wrestle him once and I'm not going to live it down apparently.
Sonic: you arm wrestled Kan! Fucking arm wrestle me again! I wanna flex at you!
Chloroform: very gay of u
Sonic: uh YEAH I sure hope it is
Banoodle: me, watching tensei steal my man (again): aw shit, here we go again

Shamwow: yes actually

McFUCK: hello???

Chloroform: Understandable have a nice day eraser!

McFUCK: wait now I wanna hear that too tf

Sonic: lmao winks

Chloroform: *twinks

Sonic: excuse me!

Boo: we legally have to get a story on that

Banoodle: kjdvskaba

Shamwow: no you don't because so m e o n e will accidentally tell iida jr and then I'm never going to be able to look at him in the eyes again.

RuhRoh: can you even look at him in the eyes now

Shamwow: rude of you to bring us back to the initial conversation :/

RuhRoh: :)

Chloroform: Lmao whaT IS iT

Cryptid: We have meetings about it! All of you have attended them :^)

Chloroform: we have SO MANY meetings Nedzu!

Cryptid:

Cryptid: That is fair.

Fangboi: I'm cutting a long ass story short because fuck knows we don't need to converse about it for any longer than we need to

Shamwow: we don't even need to talk about it

RuhRoh: :)

Banoodle: Hfjbd

Fangboi: Eraser and Mic got caught making out on a table once (1 time) by iida's little brother and
his response wasn't even 'oh shit those are teachers making out better RUN' it was, 'Mr Aizawa! Mr Yamada! That's school property please treat it respectfully!!!' and then they died

Banoodle: It's true! I have no pulse!

Shamwow: god same

Sonic: Hhrhdsb this is EXACTLY like the art gallery you skrhsksbs

Shamwow: you got the cashier's number

Chloroform: oh lol yeah he was hot

Chloroform: I am a simple pan I see attractive person I walk over and assert dominance that is just how it be

Sonic: could NEVER relate fjdhjdsjs

Stronft: this such an abstract conversation I don't even think I should be looking at it

Boo: Yeah that's the energy that scared off all the other teachers from the chat

Cryptid: I hired three students who attended during the same years for a reason

Stronft: Accumulating as much chaotic power as physically possible?

Cryptid: Precisely!

Stronft: An expected yet still deeply terrifying answer.

McFUCK: y'all I just wanna know what the fuck is going on

Boo: don't we all

McFUCK: this is exactly like when I couldn't think of what I wanted to say and kayama kept buggin me fer it

McFUCK: except now it's information bein held from us smh

Chloroform: long ass story short the boys went 2 n art museum together for a school project & then tensei started being a stupid flirt w shouta and Hizashi joined in when they met up w him in the American arts exhibitit

Shamwow: there were a lot of comments made and I would like to forget them all

Sonic: h e  y I used GOOD material on u smh

Banoodle: they were great material bro I'm proud of u

Sonic: bro,,,

Shamwow: why are you both like this

Sonic: me n the boys flirting in the art gallery

Banoodle: me n the boys getting caught flirting in the art gallery

Chloroform: watching ur boys get kicked out from the art gallery

Shamwow: a horrible saga, I wish I hadn't ever been a part of it

Banoodle: the blood did NOT leave his face ALL DAY

Shamwow: do you hear that? It's the sound of your impending doom.

Banoodle: right in front of my birthday???
Sonic: we should go to the art museum on your birthday

Stronft: I… feel like I should dissuade you from doing so?

Cryptid: If there was any stopping them they would have been stopped years ago.

Stronft: that is… true

**Healies is no longer idle**

Healies: I'm not treating you boys if you get into trouble again

Banoodle: not even for a birthday boy uwu

Healies:

Banoodle: **D: !!!**

Shamwow: perish

McFUCK: recovery girl an' eraser share a very similar exhausted energy

Shamwow: I can only aspire to the exhaustion Shuzenji has achieved, it's a heavily mental exhaustion and yet somehow she maintains the ability to look after everyone

Boo: big healer energy

Healies: He's right but he shouldn't say it.

Sonic: contest: describe big tired ppl's exhaustion levels

Sonic: alternative contest: name all the big tired energy ppl for a prize

Chloroform: what's the prize

Sonic: idk I'll buy someone dinner I guess

Chloroform: me and the boys staring into the camera like we're aoyama BC that's EVERY Friday we had together

Banoodle: shits true,,,

Sonic: I didn't do it that much!!!

Banoodle: bruh

Shamwow: wait I have a list

Shamwow: And feed the cats yes

Banoodle: best activity tbh

Banoodle: mochi is gonna end my whole career when she does the lil brrr,,, she headbutts you at the same time I'm soft!

Chloroform: give it up girls they'll never pick up what we lay down 😊

HewwoKitty: Unfortunately ;33

Shamwow: did you say that out loud

SlipNSlide: she did

HewwoKitty: traitor!

SlipNSlide: We all know that Mic laughed…

Sonic: Lmao yea

Banoodle: this is RUDE I didn't age for this harassment!!!!!!!!!

Banoodle: anywho edo period time

Shamwow: This'll be interesting

Sonic: You're just saying that bc it's where we got kicked out of last time

[ Dad planning 2, birthday boogaloo channel ]

Venonat: they'll be at the art museum for who knows how long before they inevitably get kicked out

Vulpix: I still say they don't get kicked out
Vennonat: and we have money riding on the outcome, yes, your point?

Vulpix: that is all

Vennonat: Understandable

Vennonat: I have Eri with me, we'll meet up at the park to go to Kayama's place together where the presents are

Vennonat: That leaves enough room for the dads to swing by the house, put away whatever criminal items they've acquired, before heading to the café

Vennonat: we circle back around once dad messages us giving us the okay

Vennonat: Tensei, Haimawari, Kayama, Fukukado, and Shiretoko will meet us back at the house, and we'll set up there with all the presents

Vennonat: That about it?

Vulpix: I'm meeting up with Izuku and Tenya when you head back to the house with Eri, they had gifts from the class they wanted to hand over.

Vennonat: Tight

Vennonat: The big three are helping us with the drop off right? We're meeting in the park

Vulpix: As far as I can tell, yes

Vulpix: Izuku said he would message me if something changed

Vennonat: When the first party's over we get the fuck outta dodge

Vennonat: then the adults can do whatever adults do, we'll stay at the dorms and then it's out of our hands and safe

Vulpix: The amount of effort we put into Yamada's birthday greatly contrasts Aizawa's

Vennonat: Yeah cause dad didn't want a big thing, surprise parties weren't the best thing at the time

Vulpix: I suppose the cat café was a much appreciated differentiation from work for him

Vennonat: Hell yeah!

Vennonat: Besides, they wanted to go to the museum

Vennonat: It just gave us a nice window of opportunity

Vulpix: I suppose if they would've gone either way it's only logical we might as well use the time allotted to us

Vennonat: Careful, someone might ask you if you're Aizawa's secret love child

Vulpix: This is so rude you make a theory board a couple of times and suddenly you're the secret love child guy

Shamwow: That's rough buddy
Vulpix: !! Go back to your date !!

Shamwow: Nah

Shamwow: Hizashi's bopping out to the weird background music they put in a walkthrough exhibit so I've got a moment

Shamwow: but I can see you've got it under control

Venonat: no duh

Venonat: go be a nasty old man with your husband smh

Shamwow: Have fun in the dorms with snipe today. Careful he doesn't bump into Hagakure on her way out.

Venonat: h

Venonat: that's R U D E

Vulpix: He's right but he shouldn't say it

Venonat: As If you're any better!

Vulpix: Tenya and Izuku wanted to paint nails so we're doing that.

Venonat: wow we were just gonna watch shitty movies in Mashirao's room

Vulpix: it is always his room

Venonat: it's the comfiest.

Shamwow: Good to see you're all getting along. Will Mirio be fine looking after Eri for the day?

Vulpix: He's assured me it would be his pleasure almost as many times as he's said it to you and Izuku

Vulpix: I think they'll be baking in the 1A dorms until it's time for bed.

Shamwow: Alright

Shamwow: You have all the numbers in case something pops up right?

Venonat: Yes dad it's fine

Venonat: we've got it under control go get kicked out a museum already!

Shamwow: I intend not to

Shamwow is now idle

Venonat: Smh

Ms.Mime: that's W A CK Hizashi you can't have! Don't they have to use like,, copyright free music or smthn

Banoodle: No?? If the museum bought music they can play it

Banoodle: but like?? Even if it's so easy to make remixes of you have a copyright free sample!!!

Banoodle: either way I'm JAMMING out

Chloroform: I caught a glimpse of you through one of the doorways you're going for it huh

Banoodle: it is my Birthday I am Dancing

Sonic: you're gonna get kicked out for public disturbance at this rate zashi

Whomst: fhdhhss I cannot REACH the walls!!!! I'm!! Too! Short!

Murkrow: I am of literally no use
Murkrow: why are there so many lights

Xenomorph: mic is gaudy so I used bakusquad tower powers to install LED disco lights instead of the normal bulbs

Xenomorph: and by me, I mean I lifted kaminari up bc my boy is shockproof

DeezWatts: thanks it's my quirk!

DeezWatts: kind of

Whomst: don't you get shocked by your own???

DeezWatts: low-key resistant to others I guess 😅😊

DeezWatts: also that's like,,, so many volts passing through my brain hagakure that's literally short circuiting!!

Whomst: omg,,, bb,,,,,,

Whomst: pls don't overuse ur quirk so much!!!

DeezWatts: working on it 😊

DeezWatts: we'll work on it but like,,,,, for now?????? Mic birthday???

BoomBoomPow: I'd like to thank music for existing and also Mic's station team for helping me put together the music he really likes

FullfleshAlchemist: Uh-huh, and how long have you been doing that?

CandyCRONCH: And by distract I mean do that batter thing you _always_ do.

Whomst: we would _never_ >:}
CandyCRONCH: Thanks for the doubt!

CandyCRONCH: Also be wary of Mirio, he's getting stuff together for brownies while I work on the cake.

Whomst: Cute!!

Infernape: Hitoshi's in the park with his sister otherwise you'd have much more on your hands.

CandyCRONCH: Thank God for small blessings then.

CandyCRONCH: Is Kouji outside?

FrenchSparkleParty: Oui! He is very politely requesting the bugs maintain a healthy distance from Present Mic for as long as possible!

Whomst: Oh that's cute of y'all

Rowlet: (^v^)

Rowlet: I felt a little bad about our fight against him with all the bugs…

BoomBoomPow: Yeah,,, I got a little battered but like,, seeing Mic all shakey after wasn't fun :( 

FullfleshAlchemist: I'm sure he doesn't hold any ill will towards you! It was a good utilisation of your quirk Kouda!

Rowlet: (;^~^)b

Run™: Yes!!! I agree with Yaoyorozu! I have known him for a while and though he suffers from severe entomophobia, he would never harbour bad feelings over something as trivial as an assessment!

Pure: If you still feel super bad about it, I'm sure this'll be a nice make-up for it!!!

Pure: Plus you can always tell him if you haven't already!

BoomBoomPow: We kinda did a small 'sorry' after the assessment but it didn't really feel like it was making up for it

Rowlet: (u_u;)

Rowlet: We can do it after class maybe…..

BoomBoomPow: Sure! I'll go with you!

Rowlet: \(^w^)/

Shamwow: Good to know

BoomBoomPow: AH

Rowlet: (;;;;;>_>)

Shamwow: I won't tell him

Shamwow: But if it makes either of you feel better, I won't dissuade you from your selected actions.
FullfleshAlchemist: Oh! Sir! How is your trip going?

Shamwow: Haven’t been kicked out yet

Shamwow: But we have been hovering around a shop an obnoxiously long time

Vennonat: Damn I'm gonna lose the bet

Xenomorph: bet?

Vennonat: family bet, you're banned

Xenomorph: Rude!!!!!

Vulpix: I told you Hitoshi, they'll be fine.

Shamwow: Also we're a group of pro heroes with recent news coverage.

Shamwow: It's a wonder they haven't been swarmed yet.

Chloroform: my personal favourite moment was watching Midoriya sweat nervously in the presence of like 50 pro heroes

Sonic: my little brother's boyfriend was flustered and that's honestly valid

Sonic: also Shouta drank like one glass of whatever the hell we were serving for adults and Todoroki pointed at him accusingly w/o saying anything

Shamwow: I understood what he meant

Banoodle: is it bc u told them not to drink anything they didn't know was in it and then u turned around and asked what the punch was and then tensei's dad looked distressed for a moment and you said 'great' while pouring the glass? Is that it?

Shamwow: first of all,

Sonic: tbh that's peak Shouta energy he's done that every year we've been allowed to drink there

Sonic: but it was nice having new company this time around

Sonic: also funny hearing a/b Midoriya & his mom's birthdays, eyes emoji @ Yagi tbh

Stronft: I will end your bloodline ;)

Sonic: lol like I needed the help w that dab

Stronft: Honestly understandable.

Shamwow: You know all might had the audacity to tease me about Hizashi once? The audacity?

Shamwow: therefore I get one (1) shot at this man

Stronft: I regretfully concede?

Shamwow: great I'm handing my phone to Hitoshi

Stronft: Wait

Shamwow: me, pointing at Midoriya: gee Izuku how come you get two dads and a mom?

Stronft:

Chloroform: Oh shit Jdbksbska

Stronft: * Yamada please take your son away from his father's device *

Banoodle: no can do! I have my hands Full atm uwu
Fangboi: I hate this fuckin house

Shamwow: it's still the purble son ur chat is cursed and I will definitely harass u all for it

Cryptid: Understandable would you like to nap in my office upon occasion? Aizawa was quite fond of doing so in his youth

Chloroform: don't manipulate the good son principal, you and I both know Shouta napped where he pleased and ur office was the least dangerous place

Cryptid: Quite right! I do recall Recovery Girl specifically ensuring a bed was made for him after schools :^)

Shamwow: lmao what a disaster I'm kin

Banoodle: Hitoshi give him his phone back now dear

Shamwow: HIFHS how dare u use a term of endearment towards me thine only adopted son aside from the other son who's technically in ur custody

Sonic: wow this house really Is a nightmare!

Shamwow: dads making dinner rn

Banoodle: I am a bisexual fool--

Sonic: Ur a valid fool uwu

Banoodle: thanks bro uwu

Shamwow: idk if I like how u act like kiri n tetsu

Shamwow: shit my manipulation ;(

Shamwow: fr tho dad only has two hands

Shamwow: I think he's gonna use his scarf to grab a bottle wai

**Shamwow is now idle**

**Banoodle is now idle**

Chloroform: the SPEED at which Hizashi left

Stronft: Is it not inappropriate for their sons to be able to access this chat?

Cryptid: It was discussed during the adoption process actually!

Cryptid: Considering this client pertains no particularly sensitive information (as of right now), and
they are more familiar with the teachers on a personal level due to their relations, it's perfectly fine for
them to see this upon occasion. Both Yamada and Aizawa have set their own boundaries in place
that we have ensured the children clearly understood. There are extenuating circumstances that allow
any of them to access this channel, though they may also simply use their own clients, and if given
permission by either adult they can use theirs as well. If any of the staff present take issue with this
they should bring it up with me and I shall call both teachers in to properly discuss it.

Stronft: I see.

Chloroform: No one:

Chloroform: The Principal: I am 7 billion steps ahead of every single mere breath you take you fool,
you mortal, you buffoon

Cryptid: :^)

Chloroform: Horrifying thank you sir!

[ "The bakusquad is gay as shit" - Katsuki in this year of g… channel ]

Xenomorph: I have been BUNDLING my materials y'all, absolutely Hoarding them!!!

Xenomorph: Jirou is my personal goddess for having Mic's show timings up to date and I am
LIVING for it every Friday night

Space: the WiFi in the dorms cleared my skin and watered my crops, kept moist my frogs and gently
peppered my face w kisses goodnight 😊

Kewwo: that's gay

Space: hon we've been dating for--

Kewwo: :P

BoomBoomPow: Present Mic is my personal God for doing his latest shows on Fridays

BoomBoomPow: Present Mic really looked at the week and went 'this is a day some folks have off,
I'll just make sure they can rest properly the next day if they stay up all night'

Kewwo: Could it have something to do with his own schedule? :?

FullfleshAlchemist: Oh!!! I know this one, Kyouka rambled about it for a few hours the other week
it was very interesting!

BoomBoomPow: bAbe,,

Xenomorph: Lmao n e r d !

BoomBoomPow: by e

FullfleshAlchemist: I thought it was rather endearing! I'm glad you have topics you are heavily
interested in darling <3

BoomBoomPow: oh fuck I'm a lesbian <3
FullfleshAlchemist: But!! Mic-Sensei didn't actually initially plan his show around his own schedule, but rather when viewings would be most practical, as Kyouka said.

FullfleshAlchemist: If Mic-Sensei does have Saturday off, then it's rather odd he's been sighted regularly patrolling on those days, not to mention his job at UA requiring he come in during the weekend for meetings, lesson planning, and the like.

FullfleshAlchemist: However his schedule has been known to be very flexible due to his several careers, and he's had to reschedule specified nights of his show for other content that he had pre-recorded if something comes up.

Xenomorph: ahaha y'all is that not low-key concerning?

FullfleshAlchemist: Whatever do you mean?

Xenomorph: When does he sleep???

FullfleshAlchemist: Oh

BoomBoomPow: honestly what did u think his tinted lenses were for 😄

BoomBoomPow: nothing more powerful than prescription shades to cover your eyebags

Space: Ah!! Several jobs can be kinda hard to juggle if you aren't super equipped for them but Mic-Sensei is very good!

Space: his desk is next to Aizawa-sensei's desk so I often see it, but he has several calendars and schedules tacked to his monitor

Space: Aizawa-sensei has something similar with our lesson planning, but Mic-Sensei has his patrol times down, the dates he's pre-booked, available,,, all sorts!

Space: I get worried he doesn't sleep sometimes too though :( 

Kewwo: He's married to Aizawa-sensei, I very much doubt that he would allow Yamada-Sensei to go several nights without some kind of rest.

Whomst: Did you know they have a nap room?

Xenomorph: what those two?

Whomst: nah the whole school!!!

Whomst: it's prlly bc of Aizawa-sensei tbh BC it seems fit to him, but u know how HUGE the school is right??

Space: Yeah?

Whomst: so there's different floors for each year which is all p normal but they've basically got several teachers lounges too

Whomst: and I guess they converted one into a nap room or smthn BC it's got blackout curtains and a kettle and the couch is DECKED out in comforters and stuff

Whomst: there's even a locker in the corner of the room with pillows and stuff
FullfleshAlchemist: Oh! Yes I've had to enter there to find Aizawa-sensei upon occasion.
FullfleshAlchemist: It's rather nice there!
FullfleshAlchemist: Regardless, I'm sure Mic-Sensei is getting adequate sleep,
Xenomorph: if not then we'll just have to eyes emoji @ the principal until he understands.
BoomBoomPow: What a terrifying offer
Space: Oh!!! Radio started!!! Mic'll be on in a few hours!!!
Xenomorph: FUCK yeah!

[ It's been like 3 hours I will END yall for my Mac n Cheese -M channel ]

Banoodle: you ever seen Shouta with his sleeves rolled up and all his hair pulled into a messy bun while he fucking chugs down a pint? And there's just fierce determination in his eyes and easy looseness around his shoulders and he looks relaxed and fucking buzzed in this pleasant warm way?
Banoodle: I have
Banoodle: and by proxy, that also means I've seen God.
Fangboi: oh my god it is THREE AM DO YOU NEVER STOP THIRSTING FOR ERASER
Banoodle: GOD no it's my fourth full time profession
Fangboi: I am so fucking tired I think I'm physically turning into Eraserhead and I don't like it
Fangboi: for several reasons
TCrews: Yamada's evil plan was to bother everyone about his husband at stupid times so much that they slowly just became clones of his husband for him to dote on
Banoodle: I've been fucking EXPOSED I'm out boys, rolling tf through UA before the security teams can get me
Fangboi: aren't you on air right now???
Banoodle: OH
Banoodle: lol technically
Banoodle: ad break is my saving grace and the time I get to sweat nervously about the backgrounds of photos nemuri took
Chloroform: 🫀~
Banoodle: u are an enabler, a fool, an instigator, you've caused me endless suffering while I have two hours left of my own show to attend to, how have you managed to be so infuriating and yet so godlike, this is hizashiphobia of the highest degree, I'm contacting my lawyers and I'll set them on you like hounds, I just wanna get through ONE set without you sending me hot pictures you took while you got us wasted as fuck, just one, literally a single set, please, the only thing worthwhile I
have anymore is my prerecorded episodes for when I'm SICK is this payback for dragging your girlfriend onto the show? And we just laughed for like half an hour? Is it that? Are you spiting me like I spite god with my mere existence and the fashion DELIGHTS I bestow upon you? Was it the banana shorts? It was wasn't it. You're annoyed about the banana shorts

Chloroform: djgdjsjs hizashi oh my god

Chloroform: It's just funny

Banoodle: we'll see how funny it is when I go for drinks with Emi after work on the weekend and I spam u while Ur on patrol >:(

Chloroform: G o d please do~

Banoodle: NASTY ASS

Fangboi: I'm choosing to think this conversation isn't real

Banoodle: smh how has kan got the least chaotic relationship he's literally dating hound dog

Fangboi: I'd ask what that's supposed to mean but he's the guidance counselor and I saw him throw a child so I understand but I don't agree with your methods

Banoodle: s m h

Banoodle: Nedzu did this on purpose,, w the amount of couples in the teaching staff this is just rude

Banoodle: You saw us pine my good sir!! You witnessed fifteen years of chaos and went 'Excellent I shall hire that with the most sadistic woman I know to be their friend and close colleague' and Honestly I'm not ungrateful but it's a LITTLE rude of u

Chloroform: djdhsj holy shit I didn't think a couple of pics would do u like this

Chloroform: Ur talking back to g o d

Cryptid: Yamada fears no mortal soul or anything higher! He poked young Bakugou in the forehead once and Yagi nearly cried :'^)

Fangboi: (that's a proud tear and I'm terrified)

Chloroform: Hizashi what have u Become where's Ur anxiety

Banoodle: have u ever been SO anxious u just stop caring and Ur limbs are like fjndnd fuck it lets Fortnite dance at 3am that'll do me BC I HAVE and I wore the most atrocious thing with it

Banoodle: costume confidence and coffee keeps me running and then when I get home I like to think ab all the ways three years ago could go wrong even though they've already passed

Banoodle: OOP the ad break is almost over, anyway, nem if u send me anymore of those I'm either going to kiss u or kill u so choose ur next step wisely

Chloroform: :)))

Banoodle: Terrible!!! Stimky
Me: okay maybe I'll do one whole chapter where I don't mention erasermic because I'm totally not a dumb binch
My brain, seven hours deep into the morning and ready to party: Erasermic soft and u are a fool ready for only their interaction, almost mic is a thOT–
Me: hhngnnngn seems legit let's fuckin go

Also once again powerloader speaks like Once I'm so sorry y'all I'm baby and I hyperfocus on one (1) chaos group and u can TELL!! Might as well rename this Chatfic 'Four(+2ish) memes mess about w the school they used to attend' smh,..

Also this chapter is like 3k words long but I was too lazy to try and make it 3 separate chapters so have at thee with a long boy I may die tonight due to ghouls n all that fun jazz so this is for yall ⚖️ 😌

SlipNSlide: I mean you could,,?

SlipNSlide: you terrify me

Chloroform: 😄

Sonic: never forget,,,, nemuri walking into school first day of the teaching job,,, locking eyes w power loader's poor soul,,, yelling 'WHATS UP DILF ' and then being threatened w being dragged back to the conduct meeting

PebbleSkip: I still don't know how you got out of that?

**Banoodle is now offline**

Sonic: okay now we reminisce ab him while he's gone

Sonic: here's my most sudden memory

Sonic: one time bc Hizashi is a nasty bitch he bought everyone ice-cream so he could spam the Lenny face irl @ Shouta and in the most baller move I've ever witnessed my man fully just bit into the scoop and *chewed* it

Shamwow: I did nothing wrong

Sonic: correct and I love you

Chloroform: *incorrect* but i love u anyway

Shamwow: was that the time Hizashi hit someone over the head with his old directional speaker hands when he was talking, or the incident without incident.
Sonic: bro

Sonic: u LITERALLY eat ice cream like that 24/7 there is no other time anymore

Shamwow: you ate an ice cream cone backwards don't even address me

Banoodle: I knooow I know I'm just teasing baby

Banoodle: this is the spare burner, the spare private is safe and sound where we put it before 🤚

Chloroform: w e ?

Shamwow: no gods will save you midnight

Sonic: ;)))

Shamwow: you think I'll go easy on you?

Sonic: no but if I say enough stupid shit you'll give up on me and walk away uwu

Fangboi: I'm oddly glad there was a vague answer to my question but now I'm just confused again

TCrews: Yamada had a situation with someone trying to hack into his phone previously due to some
press related drama

TCrews: While UA's security on these specific channels is impeccable, there's a chance someone will try and crack through, so we arranged for heads of department to have separate private phones with important details on them completely off the grid

TCrews: the only reason I'm explaining this all right now to you is because everything I say will be deleted in a few hours including backup logs in the harddrive. We have some handy people in support.

Chloroform: UA be like: gotta protect present Mic's sexts

Banoodle: First oF A L L --

TCrews: 
sure .

Banoodle: WAAIT N O HIGARI DONT ABANDON ME W MIDNIGHT

TCrews: you literally have several other people online

Banoodle: D:

Sonic: love how we're the ones most active here, everyone else really out here doing their jobs n sit

TCrews: actually you're just the ones mainly using the general channel. They all tend to frequent their own individual group chats a little more.

[ Direct Message – TCrews to Shamwow ]

TCrews: you should be grateful I didn't include the other chat you're linked to through your burners
Shamwow: I'm sure I have no idea what you mean, did you want a coffee?
Shamwow: I saw Hatsume carrying an awful lot of sheet metal earlier.
TCrews: A coffee would probably be good
TCrews: Genuinely though
TCrews: Be careful, eraser. Don't get yourself caught up in so many dangerous things
Shamwow: it was just a couple of ribs earlier, we've all had worse
TCrews: still
TCrews: I'm not your mother, but I'd like to think I'm at least your friend
TCrews: You'd all better be careful around those lot.

Shamwow: We know

Shamwow: I have Detective Tsukauchi working on the same case as me if I need to blow a whistle.

TCrews: Iida might not be so happy if you do.

Shamwow: Not a lot of people tend to be happy with me at the end of my work day.

Shamwow: but we've talked about it already.

TCrews: alright.

TCrews: just don't get caught up in anything suspicious again.

Shamwow: that was one time.

Shamwow: and it was an undercover job.

TCrews: well you were very efficient.

TCrews: just stay safe, Chiyo will have your head otherwise.

Shamwow: Pff probably.

Shamwow: thanks for not sharing it though.

Shamwow: it's still underground work.

TCrews: of course.

Shamwow: speaking of though, I do need to sever those burner links.

TCrews: I'll get it done.

Shamwow: I appreciate it.
