Holding up with college, whilst at the same time practicing your ass off for competitions and showcases can be tiring.
Sleep? never heard of her (except if you're talking about the other type of 'sleeping' if you know what I mean...) Good thing their groupchat also never sleeps ("Hyung can we like, stop making so many sleeping jokes, it's getting on my n-" "Shut up, jimin I'm in the flow
right now, don't interrupt.

Notes

[insert Jungkook voice]
whats poppin, fellas
as u could probably guess, this here is a text fic bc we definitely dOn'T have enough of thOse
alrEady in this fandom haha
before u actually consider reading this please note that I was, in fact, NOT smoking crack
while writing, rest assured and dOn't sue me [sweats]
This is very self indulgent and admittedly /very/ random but my mind's always overflowing
with funny scenarios so I gotta stash em somewhere bear with me pwease :/
But nonetheless I hope you enjoy and stay healthy and happy~

jiminilicious: kim taehyung, what in the name of all fucks is this group chat
caTAEstrophe: don't ask just listEn I'll explain everything.
so like
ive been thinking
jangcookstr: fuck thats never good
agust d-amn u all: need any painkillers kid
caTAEstrophe: honestly fuck u guys
gay-hope: gladly
jangcookstr: hoeseok hyung ur thirst is showing pull the brakes
jinner: was that even a typo lmao
gay-hope: listen u modified coconut
jiminilicious: as much as i love seeing everyone roast each other my question as to WHY THE FICKITY FUCK THIS GC EXISTS STILL ISNT SUCKING ANSEWREDS
jangcookstr: sucking ansewreds
gay-hope: sucking ansewreds
jinner: sucking ansewreds
ejiminilicious: i swear to fuck
caTAEstrophe: ok ok calm down chim
the REASON as to why this fine group chat ensemble appeared in your sad and pathetically dull lifes is pretty simple
here's the thing
I've been rewatching our old Fire fancams lately and remember the part at the beginning where yoongi is rapping and we all kinda have to crouch down and bounce on the floor
well I've noticed some interesting things in that particular part(͡° ͜ʖ ͡°)
jiminilicious: taehyung...
gay-hope: stop the cryptic shit what u talking about
rAp MoNsTeR: hello, what did i miss
and its particular, not particular
agust d-amn u all: no one fucking cAres
rAp MoNsTeR: wow ok ru de
jinner: HEY I dont accept rudeness and swearing in this motherfucking household, not on my
goddamn watch
gay-hope: u just cursed two times in a row talk about hypercritical
jangcookstr: tae why the fuck do u watch our fancams in the first place that seems kinda? stalkerish?
The narcissist jumped out fhjkkgf
caTAEstrophe: theres this thing called boredom okay don't judge
and what do u mean stalkerish i'm watching MYSELF HDJSJSK
Whatever I've got some hot tea ready to spill
ejiminilicious: taehyung i am literally in this group chat as well dont u dare go there
caTAEstrophe: ....
oh I'm TOTALLY daring to go there
buckle up hoes
I'm about to drop some knowledge for y'all's 3 last remaining braincells and u better sit yo asses
down bc its gonna be one hell of a ride
and speaking of asses
and drops
ejiminilicious: i know where u live. i wouldnt do that if you value your life
caTAEstrophe: lmao ofc u know where i live min we live together but do u really think it's smart to
threaten the guy who's about to expose the fuck outta u
jinner: ok now i'm really curious what the hell are you talking about
gay-hope: spill thou tea
rAp MoNsTeR: i have a feeling it's got something to do with jimins butt??
ejiminilicious:

but wHO asked you to point that oUt
caTAEstrophe: well he's not wrong tho
rAp MoNsTeR: HAh
ejiminilicious: sHUt the FUCK up tae im gonna FUCKING BURN UR ENTIRE GUCCI TIES
COLLECTION don't think I dont know about the box where u stash them
jangcookstr: damn he means business
rAp MoNsTeR: well technically thats extortion and kinda against the law according to paragraph A
subsection 2 under criminal offenses in the law book but tbh i bet its more likely that the police will
arrest Jimin one of these days for inappropriate public display of attractiveness
jangcookstr: remember this dude that walked into a lamp post bc hyung smiled at him while
walking by adghhakshkl
jejiminilicious: hhhhh leave chanyeol alone he's a shy boyjdjsk
rAp MoNsTeR: besides the police is so sloppy these days and dont get me started on the
government and politics. who in their right minds would allow capitalism to become a general thing
amongst humans its absolute selfdestruction and one day they all will regret ever making that decision! honestly, politics nowadays are Unbelievable

gay-hope: well that escalated quickly...
jinner: should i be worried
jangcookstr: what is capitalism
jinner: not now gguk
gay-hope: yoongi is quiet did he fall asleep
agust d amn u all: no im still here, just silently waiting for the exposure
jiminilicious: hyung i trusted u
agust d-amm u all: though luck, bitch
jinner: tae we're wAITING
caTAEstrophe: don't rUSH me
so
park jimin kept lying since 2015 righT IN OUR FACES
we've been all fooled completely bullshitted
he saiD HE CAN'T DO SEXY

jiminilicious: i am a what now
gay-hope: so we're talking about cute diminnie
agust d-amm u all: i thought he talked about his virginity
jiminilicious: fuCKING STAY AWAY WITH YOUR SINS SATAN
jangcookstr: oh come in we already figured that out a long time ago, I think it's coping mechanism
with all the attention he gets because of his angelic voice and mesmerising dancing? We all know he
has a stage presence so strong he could defeat thanos with only a single forehead exposure
rAp MoNsTer: everyone knows that, we've seen tony montana
like, u know when he's being really sexy and stuff and u get mindblown 'cause u suddenly feel like a
potato next him..
jiminilicious: SAID THE MAN BUILD LIKE HE BELONGS IN A MUSEUM and he deadass
tries to tell me he feels unsexy beside me I HAVE LITERALLY HOLES IN MY SOCKS AS WE
SPEAK AND PROBABLY HAVENT TAKEN A PROPER BATH IN 3 DAYS WHERE DO U SEE
SEXINESS HUH
agust d-amm u all: u ever look in the mirror, kid
jinner: i mean with a body like that i would probably legit stalk myself 24/7, not that i need to i mean
look at MY face its basically perfection
jangcookstr: what the actual fuck hyung...
jinner: WHat?
caTAEstrophe: i bet thats whats jin's secretly doing when he locks himself inside his room
gay-hope: I WHEEZEd
jinner: WTF I AM NOT STALKING MYSELF WHAT IS WTONG WITH U
caTAEstrophe: "so, let's check my twitter today! Oh wow damn i look so handsome on that photo,

gay-hope: aghdjsjajs
agust d-amm u all: jdksksk tae u didn't have to go that hard
rAp MoNsTeR: wouldn't surprise me if that actually happened though
jinner: goddamnit joon u are supposed to be on my side u traitor
rAp MoNsTeR: oh sorry babe
*bro
jiminilicious: that was a weak attempt to save the situation joon, really weak
rAp MoNsTeR: AOUTOCORRECTION IS BEING SELF WILLED AGAIN
jiminilicious:

cataEstrophe: whatever makes u sleep at night
rAp MoNsTeR: ANYways TAEHYUNG what is it you were saying about jiminis non cute side before this irrelevant conversation happened
jangcookstr: i personally call it his 'sexy - greek god body - charisma level overload - hotass stage persona - side
jiminilicious: okay Google how to hide a body without a trace
gay-hope: the duality is actually so unfair cause one moment I just want to smother him with love and affection and the next second he's sex on legs like yes my body is ready
jiminilicious: hello is anybody fucking LISTNING to me
cataEstrophe: I saw a video of him doing a peace sign with his CUTE EYE SMILE and in the literally next second he body rolled the fuck out of 'Mic Drop' i felt honest to god SO ATTACKED
jiminilicious: jfc stop it im getting FUCKING SHY AND EMBARRASSED SHUT UP BEFORE I CHOP UR HANDS OFF GODDAMNIT
jinner: there. he's doing it again. just look at this fucker being all cute and shit whilst he manly threatens to chop our hands off ugh iconic
gay-hope: what is this 1+1=3 logic how is that possible, a legit question directed at the universe
jiminilicious: lord give me strength - amen

rAp MoNsTer: when u think about it you're actually right tae
jiminilicious: JDKSJSKS NOT U TOO HYUNG
rAp MoNsTer: what I mean is, I remember times when you'd get slightly self conscious and
insecure of your body and vocals, but for absolutely no reasons at all. the crowd goes wild whenever
u perform and I see nearly daily tweets about how sweet and lovable u are, the dance and vocal dept.
adores you and in the past it made me quite sad knowing you were always so hard on yourself. So
obviously i'm glad you finally appreciate your body and learned to love yourself because self-love is
important
gay-hope: dont

RaP MoNsTeR: actuallly it was a pretty interesting question i mean what if the producers tried to put a hidden message behind it? it seems plausible if you look at the statement from this perspective: the two dogs represent the human society; both are the same beings but with different rights. the same thing with humans. we are all the same species but our rights and circumstances are nonidentical

agust d-amn u all: no
jinner: MIN YOONGI
rAp MoNsTeR: yoongi cmon dont be an ass
agust d-amn u all: ugh
fine.
so after searching for the adress like a fucking idiot im entering the store
i have like 6 minutes left till closing and first thing i see is this lady with her head on the counter snoring like a fucking saw so i just went past her bc i had to check if jeongguk's even alive in the storage room and i like - bang on the door and i hear this devastated whisper something along the lines of "i swear if this aint yoongi hyung I will strangle myself with my own hands right in this goddamn storage room" so i said something like "its me loser came to save your sorry ass"

Tried walking away to get the saw lady but the idiot suddenly starts whining how i shouldn't leave him there all alone so i had to calm him down first in order to get someone to open the damn door needed 4 whole minutes to wake up Miss machine-gun-snores and when she finally moved her ass to the door looking at me like i'm voldemort reincarnated, jeongguk runs out looking like a giant microwave is after him and i hear him screaming "FUCKING TRY ME ONE MORE TIME"
STUPID ASS BOXES OF AVOCADOS I WILL FUCKING SQUISH EVERY SINGLE ONE OF U AND YOUR MOTHERS MOM INTO A PULP” so i took a look inside and there were boxes laying on the ground and avocados everywhere, half of ’em stomped
i wasn’t sure whether i should question it or not but with the way gguk nearly toppled over my bike while trying to get on it as fast as possible i decided to wait for an explanation at least till we get home
also i think he traumatized the saw lady.
i spend 10 minutes convincing him that there are no avocados in my motorcycle luggage but there are actually avocados in my luggage like seriously what kinda twisted fate mumbo jumbo is this

gay-hope: there is what now in ur luggage?!
agust d-amn u all: avocados. from that time jimin forced me to buy him some for his avocado face mask because jin used the last ones for his salad
jiminionilicious: wait you BOUGHT them for me but didn’t actually GIVE them to me what the fuck???

caTAEstrophe: what’s whith people in this ge and avocados
agust d-amn u all: anyways now we’re ready to go home
rAp MoNsTeR: good god finally
for a while i thought gguk will have to spend the night inside there
jangcookstr: the amount of faith u have in me is as thin as peeled onion skin
jiminionilicious: GGUK
jinner: my son are u okay
jangcookstr: oh u know dAD
apart from getting locked inside a storage room of a nearly closing store with useless employees all alone
in the dark
agust d-amn u all: jungkook there was a light switch and it was definitely on when i got there
jangcookstr: in THE DARK
starving
caTAEstrophe: why didn’t u just eat the food that was inside the storage??
nobody would’ve noticed anyway
jangcookstr: BECAUSE FIRST OF ALL EW IT WAS DIRTY AND SECOND OF ALL THE ONLY THING THIS FUCKING STORAGE ROOM HAD WERE THOSE PUKE GREEN HAND GRANADES LOOK ALIKES FROM HELL
jiminionilicious: heey dont insult avocados like that
jangcookstr: I AM NOW TRAUMATIZED BECAUSE OF YOUR DAMN AVOCADOS
jiminionilicious: WELL THEN YOU SHOULDN’T HAVE LOCKED YOURSELF IN THAT STORAGE ROOM BITCH
jangcookstr: bitch say what now
gay-hope: no fighting over avocados u sluts
jangcookstr: well apart from that
im pretty fine
jinner: good
jangcookstr: i think
jinner: i said good so you’re good
then yall get your asses back to our dorm
i ordered some pizza and some side dished if u aint here in half an hour ill eat it all myself u been warned
rAp MoNsTeR: SHIT IM RUUNING
gay-hope: GOTTA GO FAST DUNDUNDUNDUN
caTAEstrophe: BUT HYUNG I CAN'T RUN THAT FAST
jinner: half an hour!
caTAEstrophe: *smiling through the pain*
jiminilicious: uhm jin hyung u /know/ i dont think i'll make it on time
        taemin hyung and i
        we
        got caught up in traffic
        bad traffic
        yes
        but
        but i dont wanna miss your food :(  
jinner: OH. nah jimin thats perfectly fine dont worry about it
        i'll make sure that no one touches the food until u'll get here okay?
jiminilicious: thanks hyung ily
jinner: aw love u too jimin
caTAEstrophe: bitch what was that about half an hour
jinner: you want my food
caTAEstrophe: yEs
jinner: then i suggest u shut up and get to the dorm <3
        gay-hope: i dont know if my heart should go 'uwu' or 'shit run faster if u want food'
caTAEstrophe: WHY are you always in charge of dinner again
jinner: bECAUSE IM THE ONLY ONE WHO CAN MAKE MORE THAN CEREAL MAC N
        CHEESE AND A SANDWICH IN TGIS HOUSEHOLD NOW STOP COMPLAINING AND
        HAUL UR ASS TO OUR APARTMENT

'heyyy aren't u the guy from the vid?!
and I'm like
'haha pardon?'

and i stare at him mortified and he stares bAck
and then he opens his mouth aND I STARTED TO THINK HES ABOUT TO CALL THE POLICE ON MY ASS AND WAS LIKE PREPARING MYSELF TO BOLT THE FUCK OUTTA THAT CAFE
i was seconds away from screaming something like 'DONT TEST ME MORTAL'
caTAEstrophe: i fcking heard him whispering it under his breath i nearly peed my pants from how hard i tried not to laugh
jiminilicious: but of course i only had a mental breakdown inside
i was the calm personified on the outside
jangcookstr: i bet he was seconds away from throwing his drink at the poor guy to have a distraction for when he starts running lmao
jiminilicious: do not INTERRUPT ME U LIMP NOODLE
jangcookstr: 

jiminilicious: but i honestly didn't know what to DO and taehyung that hoe was being the most useless best friend so i just kept to staring at him and he stares back hsjsks and then he holds up his fucking phone again and I thought to myself "aight now's the time to dump my coffee over his iphone isn't it" but he deadass just asked-- 'can i take a selca with you pls ur dancing is LIT"

gay-hope: KSJJJSJSJSSK
jinner: getting famous I see 😊

jangcookstr:

agust d-amn u all: he started singing "im not gay" by J Pee while sitting on the bar. i think the bartender was trying rlly hard not to throw the glas he was cleaning at this idiots face, my pained expression was probably what made him hold back

cTAEstrophe: guys

I BURNED THE DORM DOWN
gay-hope: YOU WHAT

cTAEstrophe: oh so now you r on
jinner: PLEASE SAY SIKE
cTAEstrophe: calm down, i didnt burn anything
something happened and since it would take too long to text every1 individually i chose the gc
rAp MoNsTer: alright...what happened?
caTAEstrophe: so
do u remember the issue we had with biggest asshole™, Seung Ho
gay-hope: the business law major?
caTAEstrophe: do we know any other seung ho.
gay-hope: ...
jangcookstr:

and what about him

jinner: lmao how could we forget our dearest friend
rAp MoNsTer: the one who 'confronted' jin after dance practice for wearing a pink sweater
caTAEstrophe: yes that seung ho
jangcookstr: "it makes u look gay dude no hard feelings hahahaha"
"I mean yes, you stereotyping swine, i AM gay but you do know colours tell jackshit whether
someone likes pussy or dick"
gay-hope: oh my gosh jin roasted him so hard that day he was tOAST by the end of the
conversation
jangcookstr: we love a confident gay
agust d-amn u all: why are you bringing up that disgusting badbug
caTAEstrophe: the asshole showed up in jims history class today
agust d-amn u all: what
caTAEstrophe: apparently he somehow switched classes for whatever reason.
he kept pestering him all day
followed jimin to the restroom on our break right before we were supposed to meet up
and started getting all touchy with him.
he had the motherfucking audacity to grope his butt, blocking the exit
when i started to get worried bc jimin wouldnt show up i went looking for him
i walk into the restroom and first thing i see is jimin sucker punching seung ho in the face, on the
verge of cryin
jangcookstr: what
caTAEstrophe: so ofc i run up to mini and take him the fuck out of there
we, or well i decided to just get him home and fuck the last lecture
he told me the whole story when we were cuddling in bed
the fucker wouldnt let him leave and fucking offered to pay chim to hook up with him to 'experiment'
if he likes dick
thank god nothing else happened
min's now asleep on my chest and thats honestly the only thing keeping me from going up to the
whores house and fucking him up real good
and that's what basically happened
try to not have too explicit thoughts regarding murder
we wouldn't want to end up in jail
guys u still there??
agust d-amn u all: i will fucking erase seung ho's ugly face from this existence
i'll fucking kill him
he fucking dares
i will break and pulverize every single bone in his filthy body
jangcookstr: hyung i still have that baseball bat from last year, leave some for me too
gay-hope: can i be the one to throw the remains into the ocean
rAp MoNsTeR: woah there, slow down
let's calm down first
think rational
i know everyone is beyond angry right now
including myself and jin
but we should take a moment to think what's best to do in a situation like this
agust d-amnu all: what's there to think
the fucker assaulted jimin and we should just calmly sit on our asses and do nothing?!
rAp MoNsTeR: i didn't say that, but do you really think getting arrested as an outcome is the best solution
jangcookstr: yes
caTAEstrophe: jeonggukgdhajgh
agust d-amn u all: who said anything about getting arrested
we'll just pay the good guy a quick visit
jangcookstr: educate him a lil bit on morals, self worth, do's and don'ts of a decent human being and
how to treat a fellow human being
especially human beings like park jimin
agust d-amn u all: maybe give him some advise for the future, you know, have a man on man talk
no harm done
jinner: no harm done
agust d-amn u all: i think we all agree that the shithead needs to be taught a lesson so that's what
we're gonna do i don't see the problem here
rAp MoNsTeR: guys you'll get in trouble
im like
99.9% sure
jangcookstr: geeze hyung relax
we r gonna restrain ourselves from damaging his face too much
caTAEstrophe: FU CJ ABORT MISSION ABORT JIMIN WOKE UP

agust d-amn u all: jimin what the fuck
he fucking harassed you i wont just let it go

jiminilicious: I said No.
gay-hope:

agust d-amn u all: why the fuck not

jiminilicious: BECAUSE the guy is not worth it its completely unnecessary
and i actually already told tae to NOT mention what happend today to u guys because i KNEW u would react this way
u would think my soUlmaTe would kEep his promise
but i guess someone wants to continue being a two faced bitch so why AM I SURPRISED

caTAEstrophe:

jinner: but jimin.
what that son of a bitch did today was absolutly inexcusabel
his behavior was disgusting, vulgar and bordering on serious harassment and you cannot just forget it and move on like nothing happened, minni.
what taehyung did was right
actually it should've been the first thing for you to do as well if u wouldnt have been asleep seung ho crossed the fucking line there and i wont tolerate his bullshit no more

to me: THATS WHAT IVE BEEN TRYING TO TELL HIM

to me: ...

but listen i already decked him in the face
isnt that enough

to me: no

to me: nope

to me: definitely not

\text{rAp MoNsTeR}: it isnt

to me: no punching, no kicking, no bashing in his head, no tripping, no slapping, no throwing objects

BECAUSE I WORRY FOR YOUR IDIOTIC BAD DECISIONS MAKING ASSES
what if something happens to you
i would never forgive myself

agust d-amn u all: are you doubting my strenght park jimin
you think we cant take care of some weak bitch that thinks its okay to harass you without having to face consequences afterwards

jiminilicious: fhgkha no thats not it
why are you so stubborn oh m ygod
i just dont want you to get hurt

caTAEstrophe:

jiminilicious: okaY we get it gguk is fucking ripped i knOw like hotdamn fuk me up daddy and yoongi could murder with a single stare and its weirdly sexy yES I KNOW and for the record im STILL PISSED about the fight he got in that day but i dO feel sorry for kicking him in the groin just bc i was worried yOU SEE WHAT HAPPENS WHEN U MAKE ME WORRY so my decision still stands NO fighting or i will castrate u i dont want to see a single scratch on ur faces u hEAR ME
jangookstr: and what if a cat hypothetically scratches me that could very much happen cats tend to get aggressive with me for no reason
gay-hope: well jimin has a pretty good reason to get aggressive with all the height jokes u make
jinner: i see what u did there
jangookstr: i dont think they like me in general
jiminilicious: then i guess u will stay the fuck away from cats this week jeon jeongguk or im gonna disconnect ur balls from ur body

gay-hope: admit it, the look on her face was priceless

rAp MoNsTeR:

jangcookstr: WE'RE GONNA STEAL THE SHOW WOOP 😁
rAp MoNsTeR: well, yes if u wanna put it like that

rAp MoNsTeR: eehhh right right lemme check the email again
oh this is gonna be good news–
guys this year they finally allowed 'Special Stages' to take place outside the actual competition again
the stages (max. 2 per group) could be collabs with people from your unit/trivial units, from other
departments, solo stages, flash mobs, covers etc. and won't be judged and included in the end results
it's purely for entertainment purposes
gay-hope: NO WAY
jinner: i was honestly this close to believing they'd never do it again since the bribery scandal
caTAEstrophe: i was praying they lift the ban i love special stages
agust d-amm u all: and even work together with people from other units?! thats a new one
gay-hope: i was waiting to do a collab with junhong in forEVER this is some great ass news

i need more details minnie, gimme pics to work with here
richthicgetsemidicc: alright lets DO this

richthiccgetsonedicc: alright numero uno

richthiccgetsonedicc: hhh yeah you're right something more tight fitting then?

outhoedurfavs: mhm and go for something a little bit darker we wanna bring out your 'im sexy and i fucking know it' but at the same time the 'dont mess with me bitches' kinda vibes after all

richthiccgetsonedicc: got it

FINISHED

how bout that \(^{3}\)/
outhoedurfavs: that's more like it
richthiccgetesomedicc: but ignore the top tho i just randomly took the photo at home when tae was out with yoongi so I think imma change it
outhoedurfavs: now add some fishnets and accessoires to the combo and u finna snatch everyones and their mothers wig
richthiccgetesomedicc: ok lemme search for the fishnets real quick so i just found a black jumper which i forgot i even owned i tried it on and biTCH i think i have the end results

jiminlicious: and water is wet, yes thank you for your life changing contribution...
rAp MoNsTeR: is this the nervousness speaking
gay-hope: m-mayhaps.
rAp MoNsTeR: what are you nervous for, seok :(
gay-hope: Okay like im about to have a midnight breakdown so I'm just gonna rant a bit- like okay i know I'm the one who choreographed the dances and basically have no right to complain or something but i was going over the dances in my head the whole night and,,,now I'm kinda thinking aren't they a little bit I ion know TOO much
agust d-amn u all: hobi... what's this all about
gay-hope: yeah nO like I know we practiced really hard and all but I just I guess I'm kinda having seconds thoughts about some things and certain moves and some pointers are really difficult
cuz like I'm worried we won't get each step down to perfection before the competition I'm worried I won't perfect my skills in time...
And since I'm responsible for most of the choreos I'd feel like it's my fault and I just want us to do our best n I don't want to dissapoint you :

jangcookstr: Oh please hyung everything's gonna be fine.
the choreography is exactly what we needed;;;
new, flashy, powerful n strong moves, captivating
It's perfect. you did an amazing job with it. We're all the luckiest bitches for having your talented ass as our friend
rAp MoNsTeR: 100% Agree
agust d-amn u all: ^^

rAp MoNsTeR: and don't worry about the timing, we will have enough time to get everything done. I know we do

jangcookstr: We got that win in the bag already

rAp MoNsTeR: hhh why do u always have to be so cockY

jinner: it's 2am guys what the fuck are you doing not sLEEping we have to wake up at ass crack of dawn u jobless idiots

jangcookstr: I cant sleep I had to pee like 4 times already and my hamster keeps making these loud obnoxious noises inside his cage

rAp MoNsTeR: gguk...you don't have a hamster

jangcookstr: YES I DO
His name is lorence and we're very happy

jinner: just admit you're also nervous

jangcookstr: BUT I AM NOT
Jeon Jeongguk is never nervous

agust d-amn u all: love it when people include me in decisions that involve myself

caTAEstrophe: there was absolutely no need for sarcasm >_<

rAp MoNsTeR: but truth be told I've been thinking about changing my clapped user name as well new year new me n all that u know
also bc the spongebob meme font is getting on on my nerves

agust d-amn u all: what's wrong with rAp MoNsTeR it's basically you clowing your old stage name that's an amazing name the deep poetic and cultural message behind it is astonishing@@

rAp MoNsTeR: now you're trying to clown me but let me tell you it's nOT working and that last part of your sentence dIDNT MAKE FCKING SENSE

jiminilicious: i'm sorry to interrupt you're heated argument with an off topic question

jangcookstr: Like glue
agust d-amn u all:
caTAstrophe: We're OBLIGATED to sleep over n make a cuddle pile and if we won't we will go against nature!!!!!

jinner: then it's settled
So to sum this up on Christmas Eve u can show up whenever u want but beware that y'all need to be
there by 6pm at MAX. bc i will be putting the chicken in the oven at 5

    In which seven grown ass men will have to squish into
caTAEstrophe: It'll be fiiiine we've done this before
jangcookstr: It's gonna be awesome I can FEEL it in my left tiddie
rAp MoNsTeR: u could've formulated that a little bit less crackheadish but yes that's approximately

gay-hope: Hdhhsjsh it looks hilarious when cats do that,, and same, ours turned out real pretty as well
agust d-amn u all: (and might I humbly add it was mostly thanks to my geniuse aesthetic genes)
caTAEstrophe: where is the humble I don't see it--
jangcookstr: lies. the only thing he did was turning on the fairy lights
agust d-amn u all: it was the FINAL touch and the cherry on top what would YOU understand you mere infusoria huh
jangcookstr: it's pointless arguing isn't it

caTAEstrophe: YESYESYES
jangcookstr: OMG ITS GONNA BE LIKE IN THOSE BARBIE CHRISTMAS MOVIES ALL FESTIVE AND SHIT
jiminilicious: WE'LL MAKE IT THE MOST BADASS CHRISTMAS TREE
rAp MoNsTeR: they're so exited hhhh
gay-hope: it's endearing 😇
jinner: it's like someone told them they won lifetime supplies of McDonald's coupons
rAp MoNsTeR: doesn't the saying goes 'won the lottery'...
jinner: it does but did you SEE their expressions when we got them those free food deluxe coupons and they could order any food they wanted from any restaurant with a discount??
Pure ecstacy it's basically the same thing
rAp MoNsTeR: I remember the happiness was radiating off of them from a mile away
agust d-amn u all: ok but real question does jimin still need a stool to reach the top of the tree to put on the star
jiminilicious: LISTEN UP FUCKER YOU CANT DRAG MY HEIGHT UR ONLY LIKE ONE CENTIMETRE TALLER
agust d-amn u all: but I've ~embraced~ that sad fact already instEAD OF insisting everyone had a 'simulation glitch' at their birth
caTAEstrophe: jdjsjsk thats EXACTLY jimin's mindset
jiminilicious: ITS NOT MY FAULT PPL DONT LIKE IT WHEN I TELL THE TRUTH

agust d-amn u all: ok minnie let's not argue we both know I'm right anyways we totally strayed from topic so back to my homeboy santa
rAp MoNsTeR: righttt
agust d-amn u all: so I wrote down on my wish list that I'm in dire need of a new studio, new living arrangements because jungkook is driving me crazy lately with his insistence of not wearing a shirt 24/7
jangcookstr: oh my now I'm curious, what part of /that/ is exactly bothering you hyung
agust d-amn u all: the inevitable boners I have to endure in the middle of the day.
jangcookstr: Oh no, what an inconvenience that is
agust d-amn u all: indeed
jangcookstr: wonder what we're gonna do about that
agust d-amn u all: I dunno, u tell me...
gay-hope: Oh-
