Danny didn't mean to text this infuriating idiot instead of his beloved little girl but since he has he might as well try and keep the stupid man alive because the guy doesn't seem too keen on the idea himself.

Steve on the other hand is strangely taken by the short-tempered, sarcastic asshole on his phone who seems to care far too much.

Notes

I figure if Danno says British things then pretend he picked them up from Rachel.
Chapter Summary

Danny is just angry at everything right now. The wrong number idiot who keeps making fun of him really isn't helping.

Chapter Notes

Apologies for British things. Tell me if I get my dates the wrong way round which I probably will sometimes.
Please leave feedback because I know the guys are somewhat OOC and I would appreciate any advice you guys are willing to give.

Friday 2/2/2011

7:49 Hey monkey, I just arrived at work and your mommy has given the OK for me to pick you up from school later (provided Step-Stan doesn't drag you off to some unsuitable party) and then take you for the weekend. How does that sound?

7:55 Gracie? Come on you know how much I like Step-Stan really. Which is not at all.

8:03 And I know I didn't exactly approve of him giving you your phone but the upside to it was I could talk to you whenever I wanted which doesn't appear to be happening right now. Please send me a message at lunch otherwise I won't be able to take you later for some (perfectly valid, I'm sure) reason your mother will give me. Danno loves you monkey.

12:37 Grace? Everything alright?

12:42 Sorry brah but this isn't Grace.

12:45 What do you mean? I'm sure this is her number?

12:46 I'd say it really isn't

12:49 Damn! I swear to God if Stan did this on purpose I am going to hunt him down and kill him. The man knows how little time I get to spend with my daughter already and now he's trying to take more of her time with me away with some stupid joke. This isn't funny, if I don't
get my daughter later someone is going to pay for it. Gracie, you sure you're not trying to prank me there? Because if you are I really like your Step-Stan, he's a wonderful guy.

12:51 Woah calm down Danno I really don't know who you or Grace are and judging by your reaction you aren't the type of guy I'd want to play a joke on. Maybe it was a simple mistake, at least think about that before you go around murdering people.

12:53 Okay you're right I'm sorry for accidentally texting you but don't call me Danno. Only Grace gets to call me Danno.

Saturday 2/3/2011

7:32 Well what should I call you?

8:13 Excuse me?

8:16 Well, Danno, since I can't call you that what should I call you?

8:20 Okay how about this. How about you do not call me anything because I do not know you.

8:22 I take it you didn't get your daughter for the weekend then

8:23 Stunning detective work!

8:25 I'm sorry brah. Now, what should I call you?

8:26 Fine Danny. You can call me Danny.

8:28 Nice to meet you Danny, I'm Steve.

8:30 Are you kidding me?!

8:33 What?

8:35 Nothing. Just you're...nevermind.

8:35 Nice to meet you Steve.

8:38 Hey you see we're getting somewhere.

8:40 Fine. Now I gotta go plead for my right to see my own flesh and blood.

8:41 Alright Danno, have fun with that.

8:44 DANNY. I said call me Danny.

Sunday 2/4/2011

7:03 Danny! How are you today?

7:08 Really? You're gonna keep talking to me? And its far too early in the morning to be in
that good of a mood.

7:10 Its nothing, just had a pretty good run for once.

7:12 Oh my god you are one of those people.

7:13 One of what people?

7:16 Of course you are your name is Steve. Clearly you’re the kind of guy who wakes up at 4 in the morning goes for a 3 hour run and enjoys it.

7:16 Hello, one of what people?

7:17 A freak I believe is the usual term. The only running you should be doing is from or after people.

7:18 And even then all running should be kept to a minimum.

7:20 I can't tell if you're always like this or if you're just missing your daughter.

7:24 Oh always like this? What is that supposed to mean?

7:25 And here you go again

7:28 If by always like this you mean I am a rational human being who doesn't freakishly dedicate his whole life to running then yes, I am always like this.

7:29 And to think I started by asking you how you were doing.

7:31 There you go, you started it, you admitted it.

7:33 No that is not what I meant and you know it.

7:35 Yeah yeah Stevie-boy whatever.

7:36 So to sum up I'm doing great how are you?

7:38 No longer as happy as I was.

7:41 Ah my goal has been accomplished I can go now.

7:42 Have fun running Steve.

7:44 Yeah Danno, will do.

7:45 REALLY AGAIN. Nope that's it I'm gone. Will not engage.

7:46 :P

Monday 2/5/2011

8:10 Oh do not send me emoticons. My seven year old daughter sends me emoticons. Please tell
me you are above that at least.

8:18 Good morning to you too Danny

8:19 And who says emoticons, what are you 50?

8:21 No I am not 50 but I say that because I am a mature adult, unlike you apparently.

8:23 Yeah very mature

8:26 What, how old are you? Fifteen? Twelve?

8:27 34 actually

8:29 Wow I'm impressed by how much you act like a 13 year old

8:31 As you haven't told me I'm still sticking with the fact you're 50

8:32 I am also 34 actually

8:34 Huh funny coincidence I guess

8:35 Anyway g2g Danno ttyl

8:37 1) No

8:37 2) No

8:37 3) No

8:40 Huh

8:42 No do not call me Danno

8:42 No do not use text talk

8:43 And no you can't leave first, that's my job

8:45 Fine Danny. I'm sorry but I really have to go. Emergency thing

8:47 Wow thing, how descriptive and intelligent, you Neanderthal. I guess if this 'thing' is serious then good luck with that. See you Steve.
sorry to anyone who is reading my other story, its on mild hiatus at the moment because I do not know what to do with it and I'm really lazy and supposed to be planning my future here. Its so terrifying.

Monday 2/5/2011

18:41 So, Steve, how was your emergency?
18:44 Er good I'd say yeah
18:45 Minimum body count
18:47 Wait, what the hell?
18:48 So this was an actual emergency?
18:48 With actual dead people
18:50 Well I never said anyone died
18:51 'Minimum' implies someone did Steve
18:53 He was a bad guy if that makes you feel any better
18:55 Oh so he was a bad guy
18:55 I guess that would make you a good guy then huh
18:56 What are you Steve, some kind of delusional superhero?
18:57 No brah
18:57 I guess you could say I'm sort of in the police force
18:59 'Sort of' how specific
19:00 Really Danny? You just gonna make fun of everything I say now?
19:02 Technically you're not saying anything, you're typing it.
19:02 -_-  
19:03 Oi what did I say about emoticons  
19:03 :D  
19:05 Stop  
19:05 :)  
19:06 Fine, fine I get it, I'm gone  

Tuesday 2/6/2011  
9:41 So what do you do  
9:47 What?  
9:49 Well you know what I do so what do you do?  
9:51 Okay Mr 'sort of' cop  
9:52 I am in fact an actual cop  
9:52 A Jersey cop might I add  
9:53 Huh  
9:54 Again, a funny coincidence  
9:55 That's kinda cool brah  
9:57 Right  
9:59 And I wasn't gonna bring it up but you keep saying it so what's with the 'brah'  
10:01 What are you, some kind of surfer dude?  
10:03 As you pointed out earlier I'm not saying anything I'm texting  
10:03 And yes I can surf  
10:05 Why would you ever do that  
10:06 Water is not for fun Steve  
10:08 Sure it is brah  
10:08 And I'm Hawaiian, gotta be able to surf  
10:09 Yeah yeah, with all your craziness I should have I guessed that  
10:11 I bet you're one of those freaks of nature who puts pineapple on their pizza
I do in fact

Actually because of how much you seem to like it, I'm going to go order a nice ham and pineapple one right now

Maybe I'll even share it with my team

Oh no

This should be good

Let me explain something to you, okay?

Pizza is mozz, sauce and dough

Maybe even a little pepperoni if you want, I'm not going to complain about that

Pizza and pineapple however?

Do not even belong in the same airspace

You do not put a fruit on a pizza Steve

You seem to have very strong opinions about things

Thank you, I know and I will stand by my opinions

That was not a compliment

Well I'm taking it as one

Okay Danny alright

I have to go, we got a case

Oh lucky you

I'm stuck here doing paperwork because everyone else in this precinct is too damn lazy to do it

Hey

Hey, how was the case?

Oh you know same as usual, just singlehandedly rescued a bunch of hostages, saved some lives, all pretty normal really.

Please tell me you're joking

No?

Okay in that case you know what, there are so many things wrong with what you just said
You're 'sort of' a cop right?

Special division I'd say

WELL GET BACKUP STEVE

THAT IS WHAT BACKUP IS FOR

There you go again with your strong opinions

Are you kidding me?

Seriously how did you even do that anyway

Well its like you said earlier

What- that you're delusional?

No of course not Danny...

I'm a superhero

Now you're just messing with me

Possibly

But seriously you insane neanderthal

BACKUP

Okay Danny whatever you say

Why are you so angry about this anyway

Oh that's right, I forgot, you're angry about everything

First of all, no I am not

And secondly I am mildly annoyed by your lack of self-preservation

Why is my self-preservation so annoying to you?

Because you might upset Gracie

How would I upset your daughter?

She's become so interested in your life story, she'd miss it if you died because of your idiocy

We've been texting for five days and you're already telling your daughter about me? I'm flattered Danno

Don't call me that

And I don't tell her about you I commiserate with her because your sheer stupidity is too
much for me to handle alone

20:17 Of course that's it

20:20 Alright much as I've enjoyed this lovely long chat I really need to finish the paperwork

20:22 How are you still doing paperwork?

20:22 Isn't it a bit late for that?

20:23 I told you no one else does it

20:24 And with your clear lack of procedure and self-sacrificing nature you really should do some more there Steven

20:25 What, my misery would make you feel better?

20:26 Obviously

20:27 Maybe another time

20:27 You should leave yours as well

20:29 Steve I'm fine, I have nothing better to do

20:30 Now go enjoy yourself so I can live vicariously through you

20:32 Alright bye Danno

20:33 Bye Steve

Wednesday 2/7/2011

8:11 Hey Steve, guess what

Tuesday 2/8/2011

12:25 Steve?

Friday 2/8/2011

8:14 Hey Danny

8:20 Hey Steve, you okay?

8:22 Yeah, why?

8:23 You worried about me?
8:25 Maybe

8:26 Possibly worried you were ignoring me

8:28 Nah brah, you're far too irritating to ignore

8:29 Oh that's reassuring thank you

8:29 And I had a thing

8:31 Oh a thing, that's what you're going with, a thing?

8:32 Yeah Danny a thing

8:33 Alright, alright I get it

8:35 So what did you want me to guess?

11:20 Hm?

11:26 What did you want me to guess the other day?

11:29 Oh yeah, yeah

11:30 So guess who I get to spend 48 hours with at the end of the day

11:32 Your daughter?

11:34 Yes!

11:35 Oh that's cool, good for you brah

11:36 I'm guessing this is to make up for last weekend then

11:38 Yeah it is so I won't get her after Sunday for another two weeks

11:41 Anyway I got to go

11:42 Got to finish this case early so I can pick Gracie up from school

11:46 Okay, have fun with that

11:48 See you Steve, glad you aren't dead

11:50 See you Danno

3:11 SuperSteve!

3:12 Er, what?
Chapter End Notes

Just a note- Danny is actually currently in Hawaii but being the overprotective father he is he won't tell a stranger where he lives no matter how much he likes Steve. Also I figure having only recently moved to Hawaii he still identifies himself as a Jersey cop because that is fundamentally who he is. Heehee prepare for misunderstandings in the distant future.
Also I put the word fortnight in but do Americans use the word fortnight? Is that a thing?

Last time:

Friday 2/8/2011

15:15 SuperSteve!

15:16 Er, what?

Now:

15:17 Did you really rescue loads of people all by yourself?

15:19 ...Grace?

15:20 Yes! Danno didn't say it but I knew you were clever becuz you save people like my Daddy.

15:22 Oh hey Grace, that's very kind of you, I bet you're very smart too

15:23 Danno says I am

15:25 I'm sure he does

15:26 Now why are you on your Dad's phone kiddo?

15:28 He's driving me home from scotuvpyibunoij

15:29 Grace?

Steve jumped in the shock when the phone he'd been frowning at began to ring. 'What the hell?' he thought as he viewed the caller ID.
" No seriously what the hell" he said out loud as he brought the phone closer to his face, maybe if he stared hard enough he'd know why it was vibrating in his hand.

"Hey Steve!" Kono stuck her head into his office from where she'd been passing by, " You gonna pick up the phone or just sit there staring at it for the next ten minutes?"

Glancing up Steve blinked in confusion and refocused his eyes.

"Oh yeah, yeah sorry" he mumbled before pressing the accept button and holding the phone up to his ear.

He was, however, sorely unprepared for the barrage of noise that came at him. At first all he could discern was the high pitched squealing of a young girl before he heard the irritable Jersey tones of what could only be Danny in the background.

-Steve! Steve, Steve, Steeeeevvee!

-No, no Gracie, cmon-

-SuperSteve!

-Grace, you're too old for this

-But I wanna talk to Steve!

-Well maybe he doesn't want to talk to you huh? Did you think about that before you called him monkey?

-Oh

-Sorry Danno

-That's alright monkey, now why don't you put the phone down before he picks up, eh?

-But

At this point Steve was pretty sure he could actually hear the man rolling his eyes.

-But what sweetheart

-But he already picked up Daddy

-What?!

Mildly amused by the back and forth between the two, Steve figured now was a good time to interrupt.

-Yeah, yeah I did

A surprised laugh burst through the phone while the young girls giggles began anew.

-What the hell Steve?

-What are you shouting at me for?
I'm not the one who called am I Gracie?

- He's right Danno, he didn't, he didn't

-I knew I shouldn't have given you those gummies monkey

- And yeah Steven I got that

- You know what I think your daughter needs more sweets

- No stop, stop it

- She really doesn't seem like she's had enough

Steve grinned to himself as he listened to the chaos he'd caused. Despite only knowing the guy for a week it was pretty easy to figure out how to press Danny's buttons.

- Really? Danno can I have more? Please? Pleeeaaasssee?

- I think you should

- Alright that is enough

- Both of you stop it!

- Steve I now know for sure that you are in fact a twelve year old and Grace, for God's sake put down the phone.

- Bye SuperSteve

- Bye Grace, bye Danno

- Hmmph

*call ended*

21:06 I would say I'm sorry about that but you were absolutely no help at all

21:09 You're welcome

21:13 Oh I can sense the smugness right now

21:15 :D

21:17 No do not do that

21:19 You know what it is not my fault that my daughter is irresistible okay, therefore it is not my fault that she had too much sugar and it is not my fault that she called you. See? Problem solved.

21:21 Yes of course

21:22 Oh don't you give me that face

21:23 How on earth would you know what kind of face I'm making
21:24 That is not the point alright, even you, SuperIdiot, would not be able to resist my daughter

21:26 Danno I was a Navy SEAL, I can handle a child

21:27 Oh you were an army guy were you? That explains so much

21:28 It does not however mean you can handle a seven year old girl's puppy dog eyes

21:30 Navy, I said Navy. And sure it does

21:32 Yeah with your attitude? I'll believe that when I see it

21:34 Hey, who are you to talk about attitude? And for all you know I could be the cuddliest guy ever

21:35 I hope you know I am laughing at you

21:35 Well that's rude

21:36 Loudly

21:37 In the middle of an empty apartment

21:38 I'm very glad my neighbours are out at this moment

21:41 That's very normal Danny

21:42 Now you've had your fill of laughing at me I should probably go

21:44 Ah like you know anything about normal

21:45 Bye Steve

Monday 2/11/2011

11:31 Hey Danno, have a good weekend?

11:36 Well I did up until the point where my ex-wife came and took the light of my life away

11:37 Ignore that

11:37 Sorry babe, didn't mean to snap at you

11:43 Babe?

11:45 Yes, babe

11:47 I'm from Jersey it's just how I talk Steven

11:51 Huh strange

11:53 Excuse me? Who are you calling strange brah
11:56 No I was just thinking its strange the things we know about each other

11:57 What?

11:58 We've only been texting for a week

12:00 Exactly

12:02 I know you say babe, I know you're from Jersey, I know you really hate your daughter's stepdad and I know you overindulge your daughter at any opportunity

12:04 But I don't know the basic things about you that I would if we met in person

12:07 I, on the other hand, know for a fact that you are crazy

12:09 Hey, uncalled for

12:16 Danny?

12:41 Danno?

12:53 What did I say?

Tuesday 2/12/2011

9:45 Danny?

16:03 I do remember you were a cop you know, so could you at least let me know you're okay?

8:04 Danny? Hey I know I didn't talk to you for a couple of days but I'm sorry about that alright, please reply

8:14 Please Danny I just want to know if you're okay

11:23 Shsheevveee

11:25 What the hell man? That you?

11:26 Yessssss

11:28 Well are you okay? Where have you been? Why haven't you been replying? What's wrong?

11:31 I'm safe, pai

11:31 n meds, gimme a few

11:45 Oh alright. Glad you're okay brah

Thursday 2/14/2011

1:13 Hey Steve you still up?

1:15 Yeah I am, what happened to you?

1:18 Glad to know you care so much you worry-wart but I'm fine

1:19 Twisted my knee tackling a perp, re-injured an old college injury

1:21 I'd forgotten how hard the painkillers hit so I was out of it for a couple of days

1:24 Oh that's all? And you couldn't have let me know

1:26 Steve, you complete control freak, I was so out of it on Tuesday I couldn't even call my daughter okay

1:27 And what do you mean that's all? You try tearing your ACL then trying to drag a guy
on it for the next twenty minutes

1:28 I'm sorry I don't live up to your freak of nature standards

1:31 Heh

1:32 Heh? What, what's that for?

1:34 Oh nothing

1:35 Nothing, nothing he says brilliant! Well of course I'll leave it alone then, shall I?

1:36 Okay maybe I missed your rants alright

1:38 Maybe

1:41 I do not rant!

1:42 I just find myself needing to repeat things to get them through your thick skull

1:43 Oh of course that's it

1:45 It is!

1:47 Yeah alright Danno

1:48 Get some rest now, wouldn't want to hurt your boo-boo

Unsent 1:51 I can't get any rest with the constant sound of this stupid ocean

1:51 Hmph. Night babe.

Thursday 2/14/2011

8:04 I'm stuck on desk duty, entertain me please

8:06 Sounding a bit whiny there Danno

8:07 C'mon babe I'm injured here

8:09 Alright, alright

8:11 Er, you know that thing I was trying to talk about the other day before you went and broke yourself?

8:12 Eloquent as ever there Steven

8:13 Yes I do, you were complaining about the things we know about each other for whatever reason

8:14 Okay, okay well what I was trying to say was that we should get to know a little more about each other, er I don't know, maybe play twenty questions or something.

8:16 Twenty questions? Are we back to you being 12 again?

8:17 Okay, alright, don't do that, you're the one who wanted entertainment
8:20 Yes I did, fine

8:21 Though can I just say, for now, no last names and no looking each other up

8:23 Yeah I guess, why?

8:24 Because as nice as you seem there is still the obvious insanity and I have a 7 year old daughter whom I love very much and do not want you to axe murder

8:26 Danny, why would you... You know what never mind.

8:27 Alright so far we know age, first names, occupation and general location so you want to ask something first or shall I?

8:30 Yeah I may have lied by omission a little there

8:31 What? What do you mean?

8:34 Well I may be a Jersey cop but I am in fact no longer in New Jersey

8:35 Is that so? Where are you then? As I said I'm in Hawaii

8:38 While still considering the concept of axe murder, lets just say I'm currently closer to Hawaii than I am to Jersey

8:40 Oh yeah, that narrows it down

8:42 Alright, no need to get bitter on me, technically I still barely know you

8:43 Fine. Question?

8:44 Yes that's correct I'm glad you've finally figured out what a question is this late in life

8:46 -___-

8:47 Okay I apologise, no need to bring out the emoticons

8:49 Ask whatever you want then, you animal, go on

8:50 Er alright, okay since this is something we would have known if we'd met the traditional way

8:50 What do you look like?

8:52 The traditional way? What are we from Victorian London or something

8:53 I thought you said I could ask a question without you snarking at me

8:53 I never said anything about no snark

8:55 Any particular reason you don't want to answer the question?

8:57 AXE MURDERING

8:58 God fine, I'll go first

9:01 Alright I'm 6'1" short brown hair, hazel eyes, multiple tattoos
9:03 Okay since you basically gave me identifying features I should be able to tell if a dead body is you from now on, nice Steven

9:04 Morbid Danno what the hell

9:06 Well you sort of described yourself as a perp rather than a person

9:07 Are you saying perps aren't people?

9:08 Hilarious, you know what I meant

9:10 No actually I don't, why don't you show me?

9:12 Gladly

9:14 I, Danny, am the perfect height for normal human beings, have gloriously styled blonde hair, sparkling blue eyes and the right amount of scruff

9:16 Wow, very descriptive, I do see what you mean

9:17 I do not however understand the units of 'perfect height'

9:19 Of course you don't, you don't really understand much from what I've seen

9:21 I'm going to ignore that because I can clearly see you're trying to avoid the question

9:22 What question? I didn't see a question anywhere in there

9:24 Really

9:25 Alright! I give up

9:25 If I so much as sense you're laughing Steve, I'm going to find you and you are going to need an ambulance if not a hearse

9:27 I'm sure I wouldn't laugh at whatever you consider the perfect height

9:28 5'5"

9:29 See, I'm not laughing that's adorable

9:30 Did you just...

9:30 That's it I take back what I said earlier, I am going to find you and I am going to kill you

9:32 You better be prepared for axe murder you Neanderthal because I am going to get you

9:33 Alright! I'm sorry! No laughing, no opinion over here, I'm sure you're very good-looking, please don't kill me

9:35 Hmm I don't really need to do I

9:36 I can just leave you alive for a few more days and you'll run right into danger and get yourself killed like the idiot you are
9:38 Hey that's not true
9:38 I only need one day
9:40 Of course you do
9:41 Well as entertaining as this has been Steven some idiots have misplaced evidence and as the local loser it's my job to find it
9:43 Haha alright Danno, have fun with that
9:45 I'll keep an eye out for your body in the morgue while I'm at it
9:45 Yeah I'd appreciate it if you told my family in person thanks
9:48 I suppose I can do that for you if I must, bye Steve
9:51 See you in the next life brah

Det. Danny Williams closed his phone case chuckling slightly. As irritating as Steve seemed to be the guy could be funny if he tried, though with his reckless nature Danny was genuinely surprised he'd lasted as long as he'd had. Despite joking about it with him, the Detective could admit that he felt something akin to worry for the man he'd yet to meet. Which was a strange thought, when did he start considering actually meeting Steve? Shaking his head slightly to clear his thoughts he decided he'd try and lever himself up to find that evidence only when it became absolutely necessary. For now he'd just try and get through as much of his paperwork as possible.

Speaking of, even though he'd only been with HPD for under a year he could definitely say the workload had increased when the governor had implemented her new task force. And since Danny was still the unwanted haole in the department he was stuck rectifying whatever Hawaii Five 0's leader had fucked up most recently. The gun-crazy idiot (McGarrett was it?) apparently couldn't go a day without finding something else to blow up. Which of course lead to Danny working longer and longer hours, further decreasing the limited time he already had with his little girl. Clenching his hand around his pen he promised himself that the day he met McGarrett he'd punch the man in the face.
Chapter End Notes

Idek even know what this is. But yay for meeting Steve and double yay for punching McGarrett in the face amiright

Chapter Summary

The guys find out a little more about each other and Kono and Chin start getting involved...

Chapter Notes

No I haven't updated in a while, for once I've actually been somewhat busy. Good news is I have an 8 week summer holiday coming up, bad news is I will be doing work experience for probably six of those weeks. Ah well. Most likely I will still get very bored and produce far too much fic all at once. So expect rare updates but when they happen they'll probably contain at least 3 or 4 chapters within a couple of days. This note makes no sense. Enjoy!! Weird Request: I wanna write more poetry but I'm stuck for ideas so if y'all wanna give me key words or summat that would be awesome. Also I have a somewhat pathetic tumblr I do not understand if you wanna see me randomly reposting other peoples stuff :) Same username as here

See the end of the chapter for more notes

Chin Ho Kelly pulled up outside HQ and prepared to get out his car, stretching his arms above him as he did so. For whatever reason Steve had been a little easier to follow recently but that didn't mean he wasn't still crazy as all hell. Usually Chin considered himself a pretty easygoing guy when he wasn't truly angry with a perp but it was hard to maintain his calm nature when your leader was a guy like McGarrett.

Speak of the devil

"Hey Steve!"

The Navy Seal didn't appear to hear the greeting as he opened the main door, smiling down at his phone screen. Not entirely surprised, as this had been happening a lot lately Chin jogged over to pat Steve on the shoulder.

"So is your phone more exciting than me now?" He grinned as his prepared-for-any-attack fearless leader jolted in surprise before turning around to face him.

"Chin, hey sorry man I was just er..." he trailed off as Chin's grin stretched further across his face

"Texting your one true love?"

A slightly panicked look broke out across Steve's face and his fingers tightened slightly around his phone "No, of course not its not like that"

"Really?"

"Yeah he.. er"

Almost as if they’d planned it Kono appeared over Steve’s other shoulder and took advantage of his momentary confusion to swipe the phone from his hand.

"Ooh Danny. Nice name, is he cute?" She laughed, taking a few steps back as the perturbed man made grabby hands towards her.

"Yes? I mean, I don't know"

Chin broke in "How can you think he's cute but not know? And when did you start thinking guys were cute"

Steve paled a little before shrugging it off "Always have" he said somewhat gruffly.

Kono leaned over and patted him on the head with her free hand “Aw it’s okay Steve, DADT has is gone and we don’t care as long as you give us lots of gossip on your new guy.”

The SEAL shook his head in a strangely dog-like fashion before once again reaching for his phone.

“I don’t really know” he grumbled, swiping fruitlessly through the air as she danced further away from him.

Chin, who’d been subtly herding them to their office, joined in once again “Well how about we go back to my original question, how can you think he’s cute but not know?”

“He sounds like he is.”

The ridiculousness of that statement made a passing eavesdropper actually stop for a second before she caught a glimpse of the glare on Steve’s face and hurried off to gossip about the cute, gay H50 guy upstairs.

Reaching their offices, Kono threw herself down in a chair and spun in circles

“To be fair the guy does describe himself well…”

“What?!” Came Steve’s indignant screech as he finally managed to get the phone out of her hands

“And anyway I meant his voice was nice” he said with a slightly smug smile.

Kono’s face lit up as she opened her mouth to quiz him again, only to groan when she glanced at the muted news on the TV behind Steve’s head.

“Sorry guys, looks like they’re going to need us soon.”

The other two turned around and all three of them shared a look of despair as they read the headline describing a multitude of complex and well-organised heists. Looked like this week was going to be a long one.

Unbeknownst to them, a few miles away Detective Daniel Williams, who only moments before had also been smiling at his phone, was thinking a much more despairing version of the same thing as he stared down at the body of his dead partner and friend in a fire pit. He’d been assigned to this case, despite his weak leg, because suddenly no-one else wanted anything to do with the man who had actually liked the haole and was rumoured to be dirty.
Monday 2/18/2011

8:31 I gotta go.

8:31 Sorry Danno, I've got a case, speak to you later?

8:32 Oh. Once again with the coincidences huh?

8:43 Danny?

8:47 Be Safe.

8:53 Always am brah, always am

12:16 You know you were supposed to reply to that with something witty, like 'sure you are'

12:42 I'm busy.

13:01 Important case?

13:33 I'll leave you alone.

A few hours later Kono ran up behind Steve panting,

"Did we get them all"

He turned around quickly, adrenaline still pumping through his veins "Yeah we got them. We got them good"

The two grinned at each other before dragging their respective catches to the HPD van where Chin and a police officer were already waiting.

"What took you so long?" he shouted as they came closer.

Steve pointed to his perp "I think I broke him"

Chin laughed "Ah that explains it. Come on then ohana lets clean this mess up and get back."

Kono winked from behind Steve's back "Yeah wouldn't want our lovesick brah here to miss quality time with his man."

The two's mischievous cousins high-fived, belying Chin's normally sedate nature and turned to chain the perps in, thus missing the moment Steve's smile slipped slightly as he remembered how abrupt Danny's replies had been earlier.

1:02 How are you? You seemed a little short earlier (:P)

21:04 You really still working?

23:06 Sleeping soon. Hope you're alright

23:11 whyi snt life fair Steve

23:13 Danny! You okay? What's wrong?
23:15 my partner
23:16 hes gone
23:18 gone
23:20 Oh Danno I'm sorry
23:21 What do you need?
23:23 monkey
23:25 Grace? I've got no way of getting her
23:25 Theres got to be something I can do for you
23:27 Talk to me

*23:27 Incoming call from SuperIdiot*

Steve held his breath as his phone rung once, twice, three times before it was picked up and a somewhat croaky voice on the other end answered.

“Steve? Wah?”

“You said you wanted to talk”

“Oh”

“I can go if you want”

Danny was starting to feel slightly better, warmed by the thought that Steve already cared enough to actually call him.

“Nah that’s alright. Now come on talk to me”

“…”

“You didn’t think this through did you?”

“Not really”

“You don’t appear to actually be any good at this talking business”

“That has been said before”

“I knew it. You’re like all army guys, muscly stoic types who stand in corners and grunt like Neanderthals when they want something.”

“Navy Danno, Navy”

“At least you admit to the rest”

Steve was pleased to hear chuckles come through the speaker, though he could tell the other man was still upset. Figuring the best way to cheer Danny up was to get him ranting about something he figured he’d tell him about a case or two.
“So the other day a suspect wouldn’t open his door”

“Smooth transition there Steve. Very Smooth”

“And I bet I can already tell where this is going”

“No you can’t”

“10 bucks”

“Fine”

“He wouldn’t open the door so obviously you just blew the door up”

“…”

“Oh my God Steve I was joking”

Strange half-laugh, half-gasps could be heard now

“I cannot believe you are real”

“In a good way?”

“I don’t know!”

“You know if he’d died he would no longer have had the ability to speak”

“Ergo he would have been useless to you!”

“Ergo? And actually I just wanted to get into his back room”

Steve grinned as he heard Danny muttering darkly in the background. He may not have know the guy for long but it was pretty easy to figure out what pushed his buttons.

“Okay. I cannot handle this. This is not good for my blood pressure Steve, I’m going to go.”

“See ya Danno.”

“Sorry for your loss”

“Bye Steve”

“And thank you”

Chapter End Notes

Sry about weird crack to sadness. Also Sry about all the hurt Danno I've been repeatedly watching that awesome s3 episode with the flashback to 9/11 and the scene in the raft. I also just watched 4x21 (?) with the collapsed building. Okay hi, quick revision to end note, have I fixed my formatting issues? I saw a little bit of text I'd forgotten to italicise so I'm hoping that was it. Thanks for reading :(

End Notes

If anybody would like to help me with characterisations/laziness/life in general please do. I am entirely useless.
Also so far I have only seen season one of Hawaii Five 0 so I'm sticking with the characters I know.
