Weird Child: hi hyung

momjin: Yes?

Weird Child: u want that free meal from mafia right

momjin: Yeah I want some chicken

momjin: But you can’t tell me who mafia is, Felix

Weird Child: i knew ud say that

momjin: It would ruin the mystery

Weird Child: how about a clue

momjin: Wouldn’t the others be suspicious if I knew something?

Weird Child: go to the gc and use the mlp ouija board

Weird Child: then ask me for a clue

[Hundred Acre Woods]
Pooh Bear: Felix, please give me a clue on who mafia is

Rabbit: wow i did not see this coming

Piglet: woojin hyung using the mlp ouija board

Piglet: him asking for a clue

Piglet: or him asking it from felix

Rabbit: ✔ all of the above

Kanga: are we even allowed to do that

Rabbit: sorry its the mlp ouija board

Rabbit: i cant stop him

Owl: we should’ve just asked who it was from the beginning

Rabbit: oh yeah but dead people cant mention mafias name

Roo-deceased: we cant?
Rabbit: nope

Tigger: interesting…

Eeyore-deceased: why from felix

Christopher Robin-deceased: why not from me?

Piglet: probably bc changbin has been useless each time
Piglet: maybe jeongin wouldn't do the clue well enough

Image result for funny gravestones

Christopher Robin-deceased:

Eeyore-deceased: im being attacked even after i’ve died

Roo-deceased: and now for woojin hyungs clue:
Roo-deceased: the beginning of jesus’ birth, jeongin before he died, discovering america
Roo-deceased: guns, drums, honeymoons

Owl: first of all, what the actual h*ck
Rabbit: discussion time

Rabbit: who is it

Pooh Bear: Can I say who i suspect?

Rabbit: that IS what discussion time is for

Pooh Bear: Okay, so from Felix’s clue I think it’s either Seungmin or Hyunjin

Piglet: what why

Pooh Bear: You two have been to America
Pooh Bear: Las Vegas and LA, right?

Piglet: yeah for three months

Owl: i guess

Pooh Bear: And you two are best friends with Jeongin so that might be related
Pooh Bear: But I have no idea about that second part

Kanga: now that I think about it, it might be seungmin
Kanga: changbin was the first to die and seungmin is known to hate him
Kanga: he just merely escaped being voted out on night one

Roo-deceased: !!!
Pooh Bear: Okay then I accuse Seungmin too

Pooh Bear: And I just realised the second part of Felix’s clue

Roo-deceased: !!!!

Pooh Bear: Guns=Shoot Me, drums=band. We all know he loves Day6

Piglet: what-

Piglet: i say its woojin hyung then

Piglet: he knowingly asked the weirdest dead person for a clue so he wouldn’t be exposed

Owl: oof

Christopher Robin-deceased: tea!

Roo-deceased: rude!

Tigger: i accuse chan-hyung

Kanga: on what grounds

Tigger: on earth

Kanga: …

Kanga: yeah I still think its seungmin

Pooh Bear: Me too
**Rabbit:** that was a short discussion time but oh well

**Rabbit:** okay you got a while to explain yourself, Seungmin

**Rabbit:** 10 seconds

**Tigger:** ill explain for him tonight

**Piglet:** okay but dont screw it up

**Rabbit:** okay go then. i’m counting

**Tigger:** we confirmed seungmin as innocent night one and changbin-hyung even agreed

**Tigger:** the clue thing is also a bit of a stretch bc he might have been to america but he didnt discover it

**Tigger:** that was christopher columbus

**Tigger:** oH MY GOSH IVE FIGURED IT OUT

**Rabbit:** times up vote now

**Kanga:** guilty

**Tigger:** INNOCENT

**Owl:** innocent

**Pooh Bear:** Jisung please finish what you were saying

**Kanga:** no thats illegal

**Kanga:** he cant
Rabbit: he can finish it but we can't vote another person for this night

Rabbit: Seungmin is safe i guess

Piglet: tHAnk you

Tigger: JESUS' BIRTHDAY IS CHRISTMAS AND THE FIRST PART IS “CHRIS”

Owl: OH MY GOSH

Tigger: BEFORE JEONGIN DIED HE WAS CHRISTOPHER ROBIN

Tigger: CHRISTOPHER COLUMBUS DISCOVERED AMERICA

Pooh Bear: Chan?

Kanga: but what about the second part

Piglet: holy sheet

Tigger: GUNS=BANG, DRUMS=BANG, HONEYMOONS=BANG

Rabbit: ddaeng

Owl: CHRISTOPHER BANG HOLY H*CK

Christopher Robin-deceased: im excited, but what does bang have to do with honeymoons?

Rabbit: ;)))
Christopher Robin-deceased: ???

Roo-deceased: JISUNG I LOVE U SO MUCH
Roo-deceased: I COULD JUST KISS U

Pooh Bear: You'll buy me chicken then you'll never talk to me again, okay?

Kanga: I'll treat you to chicken a second time

Kanga: just us two

Pooh Bear: ...I'm listening, go on

Kanga: I'll also treat you right now

Kanga: as long as you come to my house and don't date hyunjin
Pooh Bear: I’m coming :) 

Piglet: disgusting

Christopher Robin-deceased: hyunjin hyung is single again

Owl: are you here to change that

Piglet: they do? since when?

Owl: lol

Kanga: I’m still here

Piglet: then where’s woojin hyung

Kanga: hes still on his way

Kanga: not like he can get here a minute after he said he was coming

Piglet: fair enough

[ast_roha has created a groupchat with Bang Chan, Kim Woojin, and 7 others]

ast_roha has changed the groupchat's name to "Q&A Time"

ast_roha: Greet my minimal readers

Yang Jeongin: hi everyone!

Han Jisung: whomst
ast_roha: just go with it

Lee Minho: deja vu???

Bang Chan: that's MY line, "ast_roha"

ast_roha: I MADE that line

Lee Felix: HI

ast_roha: ily

Seo Changbin: who ARE you

Lee Felix: 

Hwang Hyunjin: cUrsed

Hwang Hyunjin: and hi everyone

Kim Seungmin: hey
Kim Woojin: Hi!

Kim Woojin: Finally there's someone who actually starts the sentence with a capital

Lee Felix: I START IT IN CAPITAL SOMETIMES TOO

Kim Woojin: That's different

ast_roha: Anywayyy

ast_roha: Some people have asked you guys questions so y'all are gonna answer them

Yang Jeongin: okay!

Kim Seungmin: sure

Bang Chan: ooo I love questions

ast_roha: Okay question one was from Rushi_Rush (ily girlilll)

Bang Chan: is it for me

ast_roha: No. it's for minsung

Lee Minho: i told you minsung had a nice ring to it, jisung

Han Jisung: :P

Lee Minho: :P
Kim Woojin: Is the ring an engagement ring?

Lee Minho: could be ;)

Lee Felix: what's the question

ast_roha: "WHEN ARE YOU GUYS GETTING YOUR SH*T TOGETHER PROPERLY?!"
ast_roha: Minus the asterix

Kim Seungmin: yes do tell us, minsung

Hwang Hyunjin: will all questions be like this?

Han Jisung: hopefully not

Bang Chan: are you guys going to answer yet orr

Lee Minho: im ready whenever you're ready ;)

Lee Felix: E%XRCTVUYBINJOMK

Han Jisung: what do you mean by that

Lee Minho: what do you want it to mean :)  

Han Jisung: YOU'RE the one who needs to get his sheet together properly
Seo Changbin: sheet?

ast_roha: This is supposed to be a break from the game

Yang Jeongin: oh right!

Yang Jeongin: are we going to finally end the game yet?

ast_roha: Can you wAIT

Yang Jeongin: D:

ast_roha: Dont be sad kiddo im sorry you can play soon

Yang Jeongin: :D

Han Jisung: but yeah idk what you mean by the question

Lee Minho: date me properly
Han Jisung: what

Lee Minho: what

ast_roha: what

ast_roha: Moving oonnnn

Seo Changbin: you guys take too long to answer one question

ast_roha: This next one is from Fhree13 for jeongin

Yang Jeongin: yay

Bang Chan: I want a question

Kim Woojin: Me too

Lee Felix: same

Hwang Hyunjin: same

Kim Seungmin: same

ast_roha: Can you chill ive only asked one question so far

Bang Chan: sorry continue

ast_roha: "What are you gonna do in the gc Once the Mafia game is OveR?"
Yang Jeongin: ninth wheel probably

Hwang Hyunjin: i can change that

Kim Seungmin: and i can change it back

Hwang Hyunjin: what?

Yang Jeongin: you guys are older than me but so oblivious!

Seo Changbin: woah big word

ast_roha: Are you jealous of the word

Seo Changbin: idek you and youre already disrespecting me

ast_roha: Jk im tiny too

Hwang Hyunjin: "too"

Seo Changbin: tinier than me?

ast_roha: Hella

Seo Changbin: ig i can tolerate you then

Yang Jeongin: im also going to change the gc name back to "jeongin's hoes"
ast_roha: That's a bad word

Bang Chan: but I'll allow it

Yang Jeongin: and change all your nicknames :D

Han Jisung: i feel like that would be a bad idea
Han Jisung: like, what would mine be?

Yang Jeongin: bold of you to assume i like you enough to give you a name!

Hwang Hyunjin: oOF

Lee Felix: yea lets not let him choose the names

Han Jisung: agreed

Seo Changbin: next question

ast_roha: Guess who this one's for

Bang Chan: probably not me

Seo Changbin: why are you making us guess

ast_roha: I just wanted to make this fun but fine
ast_roha: This one's for woochan from Pennynic
Bang Chan: yAY

Kim Woojin: Yay!

Lee Felix: when will i get any love

ast_roha: I'd offer you mine but i dont think youd want it

Lee Felix: ill take what i can get

ast_roha: Anyway, the question is "how did y'all get together?"

Hwang Hyunjin: it wasnt very interesting

Kim Seungmin: yeah it was kinda frustrating

Han Jisung: you guys could have been together ages before you actually were

Bang Chan: I'd argue but youre right

Kim Woojin: Yeah I was frustrated too

Lee Minho: i dont know how you guys got together

Lee Minho: tell me

Lee Felix: lmao i forgot ur new
Yang Jeongin: i like hearing the story!

Bang Chan: okay it all began a few months after I had gotten to know Woojin

Kim Woojin: But it officially began a year and a half after that

Lee Minho: Chan hyung you suck

Bang Chan: how do you know it was my fault

Lee Minho: isn't it obvious?

Bang Chan: ...that's fair

Bang Chan: so the reason I actually started to like him was cause of Felix

Lee Felix: ur welcome

Kim Woojin: And I started liking you because I thought you were a good person

Seo Changbin: chan hyung you suck

Bang Chan: deja vu???

Yang Jeongin: Felix hyung didn't really help all that much

Bang Chan: yeah all he said was "Woojin hyung is boyfriend material"

Bang Chan: and I said "yeah" and then I couldn't get it out of my head
Han Jisung: hey changbin-hyung

Seo Changbin: yeah?

Han Jisung: felix is boyfriend material

Seo Changbin: interesting point

Lee Felix: JISUNG ASRDXTCFYVGUHBIJNOKMP

Han Jisung: SZXDCFVYGUBHINJOMK

Kim Woojin: As much as I love Changlix, it's Woochan time

Seo Changbin: fine then

Kim Woojin: So I liked him and one time he texted me about me because he thought I was Seungmin, so I knew he liked me too

Kim Seungmin: and i knew because jeongin told me that hyunjin told him that felix told him that jisung told him that changbin hyung told him that he had a weird hunch

Kim Seungmin: so i confronted chan hyung about it and he always texted me about you after that

ast_roha: my brain hurts

Yang Jeongin: same...

Bang Chan: but we used a good code name for you
Kim Woojin: "nijoow" is not a good code name

Lee Minho: LMAO

Bang Chan: :(.

Kim Woojin: Okay, let me continue the story

Kim Woojin: So I tried dropping not so subtle hints for a whole year because I didn't want to be the one to initiate things

Lee Minho: why not

Kim Woojin: Because what Chan texted me was "lmao seungmin when i finally get the courage i wanna ask nijoow out on a date. i wanna be all extra about it and have a flashmob or smthn"

Yang Jeongin: cuutte~~

Seo Changbin: not really

Kim Seungmin: yeah he wanted to do the flashmob to the song "never gonna give you up" because felix told him it was the best song to ask someone out to

Lee Minho: thank god he didn't actually do it

Kim Woojin: Amen

Bang Chan: my feelings are hurt but I do see why that would have been a bad idea

Kim Woojin: You can pick up the story from here
**Bang Chan:** okay so then after a year and a half of woojin launching hints at me and me dodging them unintentionally

**Bang Chan:** he got so frustrated with it that one day he hit me with his shopping bag in the middle of the mall, screamed "HOW ARE YOU SO DENSE" then aggressively held my hand for the rest of the day

**Lee Felix:** lmAO thats my fav part

**Yang Jeongin:** i find it cute!

**Seo Changbin:** h o w

**Yang Jeongin:** idk

**Lee Minho:** lmfao whatd you say to make hyung go off

**Kim Woojin:** Tell them

**Lee Minho:** you sound mad

**Kim Woojin:** I am.

**Bang Chan:** ...I said "lol I can tell no one likes me like that. whoever will is probably insane."

**Lee Minho:** on woojins behalf, getting hit was totally justified

**Lee Minho:** but aggressively holding your hand is hella cute

**Kim Woojin:** I had liked him for oNE YEAR AND A HALF

**Kim Woojin:** AND HE COULDN'T EVEN TELL
**Bang Chan:** sorry?

**Kim Woojin:** You should be glad I love you so much

**Bang Chan:** I am <3

**Kim Seungmin:** get a room

**Han Jisung:** you know they will

**Seo Changbin:** gross

**Lee Minho:** wait so did yall just assume you were boyfriends after that?

**Kim Woojin:** Oh my goodness we didn't even become official until 5 hours later

**Lee Felix:** once again, chan hyung u suck

**Bang Chan:** :( 

**Kim Woojin:** Go tell them why

**Bang Chan:** ... so after he refused to let go of my hand for the rest of the day, we were chilling in his room and then I said "do you think I'll be single for life?"

**Bang Chan:** yknow cause I wasnt sure what woojin meant by all of what he did

**Lee Minho:** please tell me he then strangled you to death

**Seo Changbin:** dont we all wish he did
Bang Chan: close, he actually walked to the door, picked up some sandals I had lying around and then yEETED (yote?) them right at me

Han Jisung: chan-hyung sounds like the worst bf ever

Hwang Hyunjin: agreed

Kim Seungmin: it was annoying for all of us to watch him be oblivious

Lee Felix: aGREED

Lee Minho: so their relationship is Obvious and Oblivious?

Yang Jeongin: pretty much!

Han Jisung: yES

Bang Chan: if it makes you guys feel better he aggressively cuddled me right after

Kim Woojin: I remember saying "I'm your boyfriend now. No objections." and then after some silence he said "Wasn't planning on giving any."

Yang Jeongin: awwwwwwwwwwwww! ! ! !

Lee Minho: okay that ending was cute

Lee Felix: when will i ever
Han Jisung: when will i ever
Han Jisung: JINX

Lee Felix: omg u know what im thinking

Han Jisung: omg yes

Lee Felix: u spend time properly developing feelings for minho hyung !!!!!

Han Jisung: we ditch the q&a and cuddle !!!!!!!!
Han Jisung: ...

Lee Felix: ... this is awkward

Lee Minho: i like the first option ;)

Kim Woojin: Anyway...
Kim Woojin: Yeah, we've been together ever since then.
Kim Woojin: I hope that answers your question, Pennynic

Bang Chan: lmao i forgot we were doing a q&a

Hwang Hyunjin: next one

Kim Seungmin: hello?

Hwang Hyunjin: ast_roha?
ast_roha: Oh right

ast_roha: This next one is from CK_4627 forrrr

Han Jisung: *drumroll commences*

ast_roha: Jeongin again!

Yang Jeongin: yay! I like getting questions :D

Lee Felix: selfish much

Hwang Hyunjin: ikr

ast_roha: all this one says is "lol is jeongin gay"

Bang Chan: lmaoo you know its bad when somebody else has to question your sexuality for you

Hwang Hyunjin: i think we're all wondering that

Han Jisung: definitely

Kim Seungmin: yeah im curious too

Yang Jeongin: ...well

Kim Woojin: We support you no matter what

Lee Minho: but i think everyone in the gc lowkey wishes you are
Lee Felix: it would be cool yeah

Seo Changbin: someones gotta be straight

Kim Seungmin: isnt it me

Hwang Hyunjin: i didnt think so

Kim Seungmin: okay nvm then

Yang Jeongin: do you want me to be straight, hyung?

Seo Changbin: i dont really mind

Bang Chan: its okay

Bang Chan: you dont have to say anything yet

Yang Jeongin: im sorry i know you guys wanted an answer but im not sure... :( 

Lee Felix: its ok uwu

Hwang Hyunjin: if you figure it out call me :))

Yang Jeongin: to tell you the news?

Hwang Hyunjin: yeah and in case you are gay and looking for a relationship :)))
Kim Seungmin: he could just tell the whole gc instead

Lee Felix: jealous much

Kim Seungmin: me?

Lee Felix: yes u

Kim Seungmin: leave me alone

Lee Felix: never

ast_roha: Y'all want the next question?

Lee Felix: is it finally my turn

ast_roha: Yup

Lee Felix: rlly? omg flnaLlY

ast_roha: Sike it's another one for jeongin

Seo Changbin: jeongin needs to be stopped

Yang Jeongin: but i love questions!

Kim Seungmin: ily but are any of us gonna get questions
ast_roha: You're in luck bc whatamermaid asked two questions

Hwang Hyunjin: my turn hoes

Seo Changbin: i will fight you
Seo Changbin: i want that question too

Hwang Hyunjin: fight me then shorty

ast_roha: As a member of the short-as-h*ck community, i take offence to that

Seo Changbin: thAnK you

ast_roha: Anyway the second question is for chan

Bang Chan: hA suck it

Hwang Hyunjin: hyung...

Bang Chan: that question is mine bye

ast_roha: The first question is "jeonginnie who's your favorite hyung?"

Hwang Hyunjin: pfft me obviously

Kim Seungmin: fool i see him everyday

Hwang Hyunjin: so do i
Kim Woojin: It's me
Kim Woojin: I own him
Lee Minho: wasn't it the other way around
Yang Jeongin: yes it was :)
Kim Woojin: Then who is it :)
Bang Chan: tell us :)
Lee Minho: do it :)
Lee Felix: go on :)
Han Jisung: ik it isn't me but still :)
Yang Jeongin: first off it isn't jisung hyung or seungmin hyung
Han Jisung: disappointed but not surprised
Kim Seungmin: but we always hang out
Yang Jeongin: if by hang out you mean bother me 24/7 then yeah
Hwang Hyunjin: oOF
Yang Jeongin: the parent hyungs are really nice to me :)

Yang Jeongin: but im going to have to say minho hyung

Lee Minho: hell yeah

Lee Felix: but u knew me before him

Yang Jeongin: the more i know you the worse

Bang Chan: but its compulsory

Kim Woojin: Would Minho have to do one too?

red balloon: its thAT TIME OF YEAR

giorgie: hALLOWeeN

red balloon: YoU kNoW iT

pennywise: it?

pennywise: you called?

dracula: SPOOKY TIME
Freddy: Are we gonna do our usual?

the tv from the ring: yes let's do it

Freddy: I meant Chan and I's usual

the tv from the ring: but we all celebrate halloween together

dracula: he's talking about after you guys leave

jigsaw: what usual then ;)

Freddy: No need for the ;)

Freddy: All we do is chill together and watch horror movies on netflix

the well from the ring: so you mean...

jigsaw: netflix and chill? ;)

dracula: oh my gOsh nO

the girl from the ring: hyungs that's gross

pennywise: yeah that's how all the couples die in horror movies

Freddy: Guys, no
dracula: get out youre kids

red balloon: no u

jigsaw: what do y'all do before tho

jigsaw: like, what do you all do together

the well from the ring: we trick or treat until chan or jeongin is satisfied

the tv from the ring: meaning we go until their bags are almost full and we're almost dead of exhaustion

dracula: lmao true

the well from the ring: yeah and then we go to chans house and tell horror stories around a fire

the tv from the ring: meaning we have a candle in the middle of our circle that jisung or felix keep blowing out

the tv from the ring: so we put our phone torches there and put jeongins pumpkin bucket for trick or treating on it to make it orange

the girl from the ring: i dont like that because you guys always make me empty it out and then chan hyung and changbin hyung take my candy when they think im not looking!

dracula: idk what youre talking about

jigsaw: exposed

pennywise: i ask you if i can have some but you always say no so i just take it
red balloon: smh u guys aint sLiCk

gerorgie: yeah we steal from all of your bags but no one notices

the tv from the ring: omg is that why i always come home with much less than i started off with

red balloon: yup

jigsaw: well now they kno so you cant steal anymore

georgie: they can yell at us when they catch us

red balloon: aka never

georgie: :))

dracula: you guys are uninvited this year

red balloon: u think thatll stop us from stealing ur candy?

georgie: foOLS

Freddy: You could've just asked me for some of mine

georgie: wheres the fun in that

red balloon: yea

red balloon: ur supposed to be able to get away with things on halloween
the well from the ring: you do know its halloween not the purge right?

georgie: wdym

the well from the ring: youre not supposed to prank people or do naughty things

the tv from the ring: yeah you just act scary

red balloon: ...

georgie: does this mean we have to return that garden gnome we stole last year?

dracula: yes???

Freddy: You stole a garden gnome???

red balloon: ofc we did

red balloon: it was halloween

the girl from the ring: i think i hear police sirens...

georgie: nope its just me screaming

red balloon: what about the give way sign

Freddy: You took a Give Way sign???
georgie: ...no...

Freddy: How?!?!?!

red balloon: with halloween spirit

dracula: omg youre gonna be arrested

jigsaw: #jilxisgoingtojailparty

red balloon: its ok it was halloween

dracula: but not the purge

the tv from the ring: it was nice knowing you guys

pennywise: try not to getshivved in prison

the well from the ring: knowing the two, they probably will

georgie: let's move on before i start crying in fear

red balloon: yes pls

jigsaw: okay tell me your scary stories since i wasnt there to hear them before

the well from the ring: changbin hyungs life
jigsaw: i said a scary story not a tragedy

dracula: OOOOOOOOOOOOHHHHHHHHHHHH

Freddy: Roasted

pennywise: id yell at you but i agree

the girl from the ring: wait woojin hyung what was the one about the flute guy?

Freddy: Oh right that one

Freddy: It isn't that scary

jigsaw: tell it anyway

Freddy: So one day I was waiting in the room with my mom and everything went dead quiet. I heard this flute tune but from what I could see, my mom didn't hear anything. When I turned to look, there was a man watching us from the door.

jigsaw: is that it?

Freddy: I looked back at my mom to see if she noticed but then I heard the flute noise again. I turned around straight away, but he was gone and the dead quiet seemed to disappear too.

the girl from the ring: that one creeps me out a little D:

the tv from the ring: me too

pennywise: that one's not that bad
jigsaw: did that actually happen to you?

Freddy: Yeah

jigsaw: oof

gorgie: ooo i wanna tell the rumour about the tree in school

dracula: that rumour was so fake

red balloon: i believed it

dracula: I did at first too but now it doesn’t seem believable

dracula: I like the ones about the camps better

pennywise: oh the camp ones scare me

the tv from the ring: same

jigsaw: tell the school rumour first

gorgie: okay so

gorgie: it was a dark weekend evening and the school was completely empty except for a girl who was eager to explore

gorgie: she came across a tall tree at the back of the school and noticed that up high was a tiny platform, enough to support her weight if she got on

jigsaw: how did the platform get there
georgie: idk

the well from the ring: one of the versions says she was the one who built it

jigsaw: did she just climb a tree and build a tiny platform???

red balloon: let my bestie tell the story hyung

jigsaw: okay fine

georgie: ty lix

georgie: so she climbed up the tree, somehow managing to reach the point of the platform, and she sat on it for a while

georgie: after a moment she decided she wanted to come down, so she tried to figure out a way

georgie: but she realised there was no safe way to do so

dracula: that part sounds so fake???

Freddy: I do admit there are a lot of plot holes but I always found it interesting

georgie: she sat there for the whole cold night, shivering and tired but with no one to save her

georgie: but nobody would be able to anyway bc she made the wrong move and she fell, killing her instantly

jigsaw: she died after falling off a tree???

red balloon: yeah keep up

jigsaw: rude
the girl from the ring: it was a tall tree!

georgie: apparently the school found the body two days later and didn't want to tell the press bc it would give the school a bad image

dracula: but why tho. none of it makes sense to me

the tv from the ring: tell that to the ghost girl people talk about seeing at school

dracula: okay then add her into the gc

the girl from the ring: dont!

the girl from the ring: what if we get haunted afterwards

jigsaw: is this an actual thing that people at your school believe?

georgie: i mean there IS a hella tall tree in our school that has a tiny platform on it

red balloon: yea nobody actually knows how it got there

jigsaw: lmao sis built it then fell off

dracula: that story's so fake

the well from the ring: tell the camp story then

jigsaw: is this one scary
pennywise: it is

pennywise: its also true

jigsaw: dam its a horror movie with the "based on a true story" warning

red balloon: thats when ik its time to leave the cinema

jigsaw: at the beginning???

red balloon: better safe than srry

the tv from the ring: "warning"

jigsaw: wdym ""warning"

the tv from the ring: how is it a warning

jigsaw: bc its warning you that sheet is gonna happen in your homes too??

the tv from the ring: fair enough

the tv from the ring: now lets hear about the camps

dracula: should I tell it?

jigsaw: yeah go

dracula: okay, so there is this camp we'd go to at the end of the year
Freddy: It was the highlight of my years

dracula: same

the tv from the ring: we hear this story so much but go on anyway

jigsaw: yeah go

georgie: chan-hyung?

red balloon: chan hyung

jigsaw: whered he go

pennywise: probably typing it into one big paragraph like a loser

Freddy: Rude

dracula: once upon a time, long ago, there was a group of teens that were camping out there for a school trip. the instructors always told them to do everything with an adult and then to stay in their cabins after lights out, but they thought that was lame so they all decided to meet up at the waterhole in the dead of night. once they got there, they swam around and played for a bit, jumping off the rope swing and into the water. but one person let go too late. they couldn't tell when to let go because they couldn't see much in the dark, so when they jumped, they hit their head on a rock and fell unconscious. the other teenagers wanted to get help so they ran back to the cabins, screaming for an adult, but by the time they came back, the person had fallen back into the water and drowned.

jigsaw: that actually happened???

pennywise: no that was a rumour
**jigsaw**: i thought you said it was true

**the tv from the ring**: no, the other stuff was true

**jigsaw**: what other stuff

**dracula**: whenever people would go there, there would be someone who experiences something weird

**red balloon**: i remember jisung saying someone woke up in the middle of the night to the sound of a person laughing, but apparently no body was

**the girl from the ring**: when i went, it felt like someone was watching us the whole time!

**Freddy**: There was a shadow following someone around once

**dracula**: people would see figures walking around at night

**georgie**: someone was possessed

**jigsaw**: wait what

**the well from the ring**: yeah there was a person who randomly stood up while the instructor was talking and started shrieking or smthn

**the tv from the ring**: yeah the adults took them to a separate room and didn't end up telling anyone what happened

**the well from the ring**: it was supposed to be on the low but one of the adults told their child and they told us that it was some creepy stuff
jigsaw: okay ghosts are real bye

the girl from the ring: we talk about this every halloween or camp that it isn't scary anymore

jigsaw: this is wild
jigsaw: how have y'all not died yet

red balloon: bc i have the power of god and anime on my side

georgie: hAAAAAAAAAAAAAAAAAA

pennywise: stop

red balloon: no u

pennywise: it doesn't work like that

red balloon: no U

Freddy: Scary stories don't work well over text

dracula: then what are you suggesting

Freddy: the usual?

dracula: sure

the tv from the ring: ex clu sive
Freddy: This time I meant the whole group's usual

jigsaw: am i invited

the well from the ring: no

Freddy: of course

georgie: ill bring a candle

red balloon: ill bring the matches

the tv from the ring: jeongin...

the girl from the ring: sigh
the girl from the ring: ill bring the pumpkin bucket then

dracula: felix bring the give way sign and gnome

jigsaw: good thinking. i"ll bring the police

pennywise: and i'll bring the shiv

Freddy: I don't think I have anything to bring

dracula: your love
the well from the ring: no leave that at home

Freddy: I don't have it with me anyway
Freddy: I gave it all to Chan

dracula: awww

pennywise: ewww

jigsaw: you guys are cancelled

red balloon: no u

the tv from the ring: i hate this

dracula: so are you gonna come over or what

Freddy: Coming

georgie: we're on our way

red balloon: omw

jigsaw: okay leggo

the girl from the ring: lego

the well from the ring: cancelled
the well from the ring: felix dont

red balloon: ...

red balloon: no u

Owl: anyway back to me

Owl: why dont we get woojin hyung out

Eeyore-deceased: tf

Pooh Bear: Why?

Owl: because so far it was caught between killing me or chan

Owl: that would be a funny plot twist

Kanga: hmmm...I like where this is going

Roo-deceased: hyunjin ur just gonna let chan hyung win for the sake of it?

Owl: if he negotiates properly

Kanga: what are you interested in

Rabbit: why is this happening

Owl: i think you know

Rabbit: i dont

Kanga: neither

Pooh Bear: Don't you want the free meal from Chan?
Owl: what if he has a better offer

Eeyore-deceased: do you, chan?

Kanga: you get to decide one of the favours i collect from you guys

Owl: is that all???

Kanga: and you get to read one of the mystery letters

Owl: DEAL

Pooh Bear: WAIT NO LET ME INSTEAD

Tigger-deceased: WHAT NO I WANT TO

Eeyore-deceased: NO

Christopher Robin-deceased: i dont really care about the mystery letters :/

Rabbit: ... can someone explain what the mystery letters are?

Roo-deceased: allow me

Roo-deceased: chan keeps a series of unknown letters written by each of us to someone in the group

Roo-deceased: over time, they get added to.

Rabbit: what
Piglet-deceased: some of them have some pretty crazy stuff

Christopher Robin-deceased: mine dont :)

Eeyore-deceased: remember your latest one

Owl: when you had your wisdom teeth taken out and were put on laughing gas

Christopher Robin-deceased: oh no

Owl: oh no indeed

Rabbit: what did it say

Christopher Robin-deceased: ...i cant remember

Rabbit: what if it was normal

Christopher Robin-deceased: one of the hyungs knows whats in it but they wont reveal themselves

Piglet-deceased: or whats in it

Pooh Bear: All we know about that is it's embarrassing

Tigger-deceased: chan-hyung wrote one once when he was drunk

Rabbit: Chan hyung? drunk?
Kanga: in my defense I was sleep deprived and thought it was apple juice

Rabbit: wait cant Chan hyung just read them

Eeyore-deceased: nope he made a promise

Kanga: and if i break it...

Roo-deceased: well we havent decided yet but itll be bad

Owl: anyways woojin hyung im voting you out

Pooh Bear: No, Chan babe hear me out

Kanga: oh so NOW you wanna join me

Pooh Bear: Yes?

Owl: back off hyung its my turn

Eeyore-deceased: how about you dont give in to capitalism and vote chan hyung out

Owl: screw that capitalism for the win

Kanga: USA USA USA

Eeyore-deceased: youre australian
Kanga: *a capitalist

Pooh Bear: So who will you choose?

Pooh Bear: Your best friend, boyfriend, soulmate, favourite person in the world?

Owl: or woorin hyung? whos it gonna be

Roo-deceased: OOF

Tigger-deceased: SHOTS FIRED

Christopher Robin-deceased: why dont you just vote out chan hyung?

Pooh Bear: I want to read a letter

Christopher Robin-deceased: what if its lame?

Pooh Bear: Then I take one of chan's favours and use it to get myself chicken from one of you

Christopher Robin-deceased: D:

Kanga: uhh I feel so stuck

Kanga: should i choose woorin or hyunjin

Rabbit: i didnt know that by joining your group id be sucked into a cheesy kdrama

Roo-deceased: uuhh
Rabbit: no you and your changbinnie hyung are a whole other kdrama too

Eeyore-deceased: [image attached]

Tigger-deceased: lix why are you so red

Piglet-deceased: why are you lying on the floor get up

Lee Felix (Roo-deceased) has changed Lee Felix (Roo-deceased)'s name to "trivago"

Tigger-deceased: oh i gotchu bro

Han Jisung (Tigger-deceased) has changed Han Jisung (Tigger-deceased)'s name to "hotel?"

hyunlixftw: i wholeheartedly agree

Piglet-deceased: same tbh

our little uwu child: dont worry about it chan hyung!

our little uwu child: at least you dont have to spend all your money on us :)

Kanga: is this the children's plan?

trivago: is what

Kanga: making me feel guilty and letting myself die for our little uwu child

Piglet-deceased: i mean, it wasnt

hotel?: why didnt we think of that

trivago: who says we cant still do it now

hotel?: true

Kanga: nvm too late
our little uwu child: its okay you and woojin hyung go have fun reading a mystery letter

Kanga: are you sure...

Pooh Bear: No, I want to read a letter
Pooh Bear: Back off, uwu child

hyunlixftw: first of all how dare you
hyunlixftw: second how are we officially ending this

trivago: w/ a story?

Rabbit: absolutely

our little uwu child: yay!

Rabbit: It was another dreadful day in Hundred Acre Woods, only three people left alive after the lovers had died
Rabbit: The townspeople knew it was Kanga who was the mafia, after her own child, Roo, had given help from the grave

hotel?: woah kanga killed her own child

hyunlixftw: w i l d

Rabbit: Owl and Pooh Bear were desperate but Kanga was too
Rabbit: They bargained and bargained and eventually both Owl and Pooh Bear wanted the chance to side with Kanga
Rabbit: But Kanga had always taken a liking to Pooh Bear, so Owl was left alone.
Rabbit: Forming a truce, the remaining watched him die

Rabbit: But killing was in Kanga's blood, so she took Pooh Bear's life too

Rabbit: She was the last one left. She won

Kanga: hA

Pooh Bear: Wow I still died

Kanga: how else would mafia officially win?

Pooh Bear: Fair enough

Eeyore-deceased: that was a dramatic ending

hyunlixtw: yeah i was gonna say

Rabbit: you're welcome

Eeyore-deceased: i wasnt thanking you though

Rabbit: well you should be

Eeyore-deceased: no

hotel?: its really over *tears up*

hotel?: it was nice knowing you guys

trivago: ig this is where it ends
hotel?: wow i never knew how hard it was to say goodbye until now haha

Piglet-deceased: wth are you guys talking about

hotel?: its over

hotel?: theres no need for us to talk anymore

Kanga: uhh you do know that the end of the game doesnt mean the end of the friendship

Rabbit: i wish it did

Kanga: we can still talk without the game

hotel?: right...

Piglet-deceased: how much you wanna bet he was already in tears

our little uwu child: hyung probably thought our friendships were over for real

Eeyore-deceased: what friendships

trivago: jisung is sEnsITiVe

our little uwu child: why didn't hyung just say cancelled

Pooh Bear: I don't want to be basic
Rabbit: you could say any other word

Pooh Bear: I like rescinded

Piglet-deceased: "you're all aborted"

Pooh Bear: That one doesn't sound very nice

hotel?: "you're all done"

Pooh Bear: Too simple

Lee Felix: wait did u guys just call me a joke

Bang Chan: ask my man his question already

ast_roha: From Crazed_Kpop_BStan00:

ast_roha: "what is the sweetest thing you have done for chan and vice versa"

Kim Woojin: I'm... not sure

Bang Chan: neither

Lee Minho: is it because he doesnt do anything sweet

Bang Chan: no its bc its too hard to pick
Kim Woojin: Awwww

Kim Woojin: Chan YOU’RE the sweet one

Han Jisung: thats funny hyung

Bang Chan: I didnt come here to be disrespected

Han Jisung: but you make it easy

Lee Felix: OOOOOOHHHH

Han Jisung: *bows*

Bang Chan: ...

Bang Chan: why dont we just listen to woojinnie

Kim Woojin: Okay uh

Bang Chan: go ahead say anything and I'll agree

Hwang Hyunjin: goals

Kim Woojin: Okay, so it was last year and Chan was feeling down because someone posted a hate comment on one of 3RACHA songs

Lee Minho: let me guess

Lee Minho: your sweet act was you posting that comment
Hwang Hyunjin: lol

Kim Woojin: Of course not!

Seo Changbin: i still remember that

Han Jisung: same

Han Jisung: soundcloud listeners are harsh

ast_roha: Keep going, woojin

ast_roha: wow why does every woochan question turn into storytime

Kim Woojin: Right, well I made different accounts, spammed every single song with happy comments, and even got a bunch of people online to help

Yang Jeongin: i didnt know woojin hyung knew that many people

Han Jisung: the spam was huge

Kim Woojin: Yeah and then I gave Felix money to go out and get a cake for Chan

Lee Felix: i got a coffee cake oops

Lee Minho: doesnt Chan hyung not like coffee all too much

Kim Woojin: Yeah so I went out and bought another huge one

ast_roha: What happened to the first cake
Kim Seungmin: we had a party

Seo Changbin: yeah that was cool

Kim Woojin: I thought since we had two cakes, it would be good to have a party
Kim Woojin: Only songs playing were 3RACHA of course

Lee Minho: and i wasnt even invited

Bang Chan: it wasnt that lit I just cried the whole time

Hwang Hyunjin: he really did

Lee Felix: there was so much tears

Bang Chan: its bc wooin was being so sweet for no reason

Kim Woojin: There was a reason

Hwang Hyunjin: felix throw me a party everytime i feel slightly sad please and thanks

Lee Felix: i can eat another choc bar if u want

Han Jisung: the only parties he throws are for me, hoejin

Hwang Hyunjin: back off you have minhoe hyung

Lee Felix: ladies ladies theres enough of me to go around
Kim Woojin: Okay, well if Changbin isn't gonna fight for him too, let Woochan continue

Seo Changbin: what

ast_roha: Yes president continue

Bang Chan: the cause:action ratio was so sweet I cried for hours

Kim Woojin: Every time we met eyes he cried, which was kind frustrating when I was trying to go to the bathroom and Chan was just coming out

Yang Jeongin: oh thats why chan hyung was crying outside the toilet door

Seo Changbin: i was wondering why he was sobbing and woojin hyung was screaming "ill be out in a few seconds hold on"

Han Jisung: yeah we all thought chan just really wanted to use the bathroom

Lee Minho: lmao i can imagine

ast_roha: Okay woojin whats the sweetest thing chan has done for you

Kim Woojin: Oh this one's easy

Lee Minho: bc hes only ever done one sweet thing

Bang Chan: hEY
Lee Minho: was the sweet thing the day he finally stopped crying

Kim Woojin: No, but that comes in as a close second

Bang Chan: really feeling the love rn

Kim Woojin: Okay, do you remember the time I lost my voice right before a choir performance

Bang Chan: ofc i remember each one of your performances <3

Lee Minho: is it bc hes only performed once

Bang Chan: if i had a dollar for every time you said something irrelevant id be able to pay satan to finally take you

Lee Minho: he's willing to take me for 0 dollars?

Bang Chan: much more than that

Yang Jeongin: pass me the popcorn

Han Jisung: i need some too

Seo Changbin: can we continue this is taking so long and its only question one

Kim Woojin: Right, well I was freaking out the night before because my voice went bad and I was supposed to sing

Kim Woojin: So Chan gave me a pen and paper so I didn't have to talk, sat me down on the couch, wrapped me in a blanket, didn't let me move for the rest of the night, and made me some tea.

Kim Woojin: Then at the performance, he sat in the front row with a sign that said "THERE'S AN
ANGEL ON STAGE AND HIS NAME IS KIM WOOJIN"

Han Jisung: i remember him knocking on my door at 2am and asking me to help him make it

Bang Chan: sorry

Han Jisung: anything for my number one ship

Kim Woojin: Once it was done, he met me backstage and gave me the biggest bouquet of flowers

Lee Felix: he called me at 2:30am and asked me to buy them
Lee Felix: no store was open ofc

Bang Chan: sorryy

Lee Felix: alg i ended up buying them when the performance was starting

Yang Jeongin: felix hyung asked me to drive him there because he forgot im too young to have a license!

Lee Felix: not my proudest moment

Bang Chan: felix arrived right before it ended so I got to give the flowers at the right time

Kim Woojin: So much effort, it was so sweet

ast_roha: You guys are so sweet to each other i think i just got diabetes

Hwang Hyunjin: i WANT that
Lee Felix: sigh me too

Kim Seungmin: diabetes?

Hwang Hyunjin: n o

ast_roha: Okay so chan only got one question too bc most of his are tied in with other people

Bang Chan: that's okay, i'll answer them at the end when it's couples/group questions

ast_roha: Oh okay cool

ast_roha: this is from Crazed_Kpop_BStan00 again

ast_roha: "what is your favourite thing about you and woojin's relationship"

Bang Chan: woojin is my favourite thing about woojin and I's relationship

Kim Woojin: Awwww ily

Bang Chan: ily2

Seo Changbin: is that all?

Bang Chan: let me give my reasons

Bang Chan: woojin is my favourite ever be its never awkward when I'm with him, even if no ones talking

Bang Chan: hes so sweet even tho he can roast when needed

Bang Chan: he takes care of everybody which is something i need bc idk how to sleep

Bang Chan: he's patient, funny, kind, warm, cuddly
Bang Chan: he sings me to sleep whenever i need, and i dont even have to ask

Bang Chan: his voice is something i could listen to for days

Bang Chan: he's like my best friend, my boyfriend, my soulmate, my other half

Seo Changbin: is this your wedding vows

Bang Chan: my weeding vows will be much sweeter than this

Kim Woojin: Awwww how can it get any sweeter?!

Han Jisung: weeding

Lee Felix: weeding

Kim Seungmin: weeding

Bang Chan: stop

Hwang Hyunjin: weeding

Bang Chan: -_- 

Bang Chan: anyway yeah the fact that i get to be with someone as perfect as woojin is the best thing ever

Lee Felix: one time u told me a meme i sent u was but go off ig

Bang Chan: 2000 line is deleted from my friend list and moved onto my hit list

ast_roha: "who was your first kiss and first crush/love"

Lee Felix: jisung

Kim Woojin: Jisung

Yang Jeongin: jisung hyung

Bang Chan: jisung

Lee Minho: ha ha...

Han Jisung: its okay minho-hyung i know it isnt me

Lee Minho: okay so ive had a first kiss and crush, but first love is completely different

Bang Chan: yeah tbh youve already told me about this stuff so its no surprise

Han Jisung: then whyd you say my name

Bang Chan: my pH was over 7
Han Jisung: ?

Bang Chan: I was basic

Hwang Hyunjin: intellectuals only

Seo Changbin: so you havent had your first love

Lee Minho: not properly

Lee Minho: i havent "loved" anyone like that yet

Yang Jeongin: who was the first kiss?

Lee Minho: okay so hyunjin and felix, do you remember how there was two pairs of boys and girls that had to do that dance

Lee Felix: yea

Hwang Hyunjin: were you one of them?

Lee Minho: no, but one of the girls asked me for help with a move she couldnt perfect

Lee Felix: wait didnt the pairs have to get real close in the dance

Lee Minho: yeah...

Lee Minho: we were practicing alone and instead of stopping a few inches in front of my face, she went all in

**Kim Woojin:** Did she perform like that?

**Lee Minho:** no that was her way of confessing to me

**Bang Chan:** wow is minho a heartthrob

**Kim Seungmin:** ofc, hes a celeb already

**Lee Minho:** s t o p

**Hwang Hyunjin:** which girl was it

**Lee Minho:** the one who always wore hoop earrings

**Hwang Hyunjin:** ohhh her

**Lee Felix:** idk her name but yea i think ik who

**Yang Jeongin:** was she your first crush too?

**Lee Minho:** no i dont/didnt like her like that

**Kim Woojin:** So how did you reject her?

**Lee Minho:** i stepped back and said "i dont think that was part of the choreo"

**Lee Minho:** and she said "if you were my partner then maybe it could be"

**Lee Felix:** ok hands down she is sMoOtH
Lee Minho: yeah well i went "no it doesnt fit well, it would throw off the whole dance"

Bang Chan: ouch

Seo Changbin: so who was your first crush

Lee Minho: idk Jimin i guess

Hwang Hyunjin: which one

Lee Minho: park

Kim Seungmin: ...which one

Lee Minho: BTS

Bang Chan: lmao

Lee Felix: ohhh was he ur first celeb crush

Lee Minho: kinda

Kim Woojin: But the question was probably talking about genuine crush

Lee Minho: i met him eggs

Lee Minho: it was also a genuine crush
Kim Seungmin: we geddit celebrity

Yang Jeongin: i keep forgetting you were their back up dancer!

Lee Minho: good dont remember

Hwang Hyunjin: whyd you like him

Lee Minho: hes a good dancer and singer
Lee Minho: a sweet person
Lee Minho: cute
Lee Minho: etc

Lee Felix: oh man i sure love me a man who is etc

Lee Minho: same

Kim Woojin: Jisung's been quiet for over a minute

Seo Changbin: weird

Han Jisung: i was in the bathroom back off

Bang Chan: sure jan

Han Jisung: lix back me up

Lee Felix: how
Han Jisung: somehow

Lee Felix: i am his bathroom, can confirm

Seo Changbin: wth

Lee Minho: wtf

Hwang Hyunjin: understandable, have a good day

Kim Seungmin: dam the 1/8 brain cell really died

Yang Jeongin: they're funny

ast_roha: aight next question from pickthepug
ast_roha: minho how did you get to know chan?

Lee Minho: he was asleep in a mcdonalds so i stole some of his fries

Bang Chan: youre really gonna outright expose me like that

Lee Minho: yes

Kim Woojin: You should always get sleep during the night, Chan

Bang Chan: ik sorryyy
Lee Felix: u went and didnt buy me anything?

Bang Chan: food for good kids only

Yang Jeongin: was that the same day you bought me a sundae?

Bang Chan: yeah

Lee Felix: so jeongins a good kid but im not?

Bang Chan: yes

Lee Felix: im hurt

Han Jisung: so howd you meet each other if chan was asleep

Lee Minho: oh this part is embarrassing

Bang Chan: karma

Lee Minho: well, i came back a few minutes later to snatch some more but turns out he was already awake with his eyes closed

Lee Minho: he grabbed onto my wrist and screamed

Bang Chan: everyone was staring at us and a worker came to ask us what was wrong

Lee Minho: he exposed me for being a thief wth

Bang Chan: thats why you dont steal kids
Lee Minho: i didnt steal kids

Lee Minho: i stole fries

Hwang Hyunjin: lol the importance of commas

Lee Minho: yeah well i had to go so i gave chan my number so i could buy him fries sometime else

Kim Woojin: YOU

Lee Minho: me?

Kim Woojin: I remember Chan telling me a boy gave him his nUMBER and told him he'd TAKE HIM OUT

Bang Chan: it really felt like you were hitting on me minho sorry

Lee Minho: wth

Seo Changbin: omg i think i remember woojin hyung ranting to us about something like that

Kim Seungmin: yeah he really went off

Lee Minho: what the hell i didnt even know you guys and you already hated me

Kim Woojin: Don't hit on boys sleeping in McDonald's then

Lee Minho: i wasnt even hitting on him back off
Yang Jeongin: woonj hyung was so mad that day

Kim Woojin: Sorry, I guess

Lee Minho: its okay, i guess

Bang Chan: besties

Kim Woojin: Not quite

Lee Minho: ... lets move on next

ast_roha: Alright well changbin got five qs

Lee Minho: wth share

Bang Chan: yeah i am your fAthEr give me those

Seo Changbin: no back off

ast_roha: ... anyway

ast_roha: first one is from verityc:

ast_roha: "changbinnie-yah~~wanna hang out someday"

Seo Changbin: sure why not

Seo Changbin: where and when

Lee Felix: nowhere and never
Seo Changbin: what

Lee Felix: what

Hwang Hyunjin: changbin hyung is a player

Kim Seungmin: he might be playing a game but he is losing

Seo Changbin: back off how many people have asked to hang out with you

Kim Seungmin: the same amount of people who have asked you to leave

Bang Chan: no fighting kids

Lee Minho: they weren't fighting kids, they were fighting each other

Han Jisung: the importance of commas pt 2

Kim Seungmin: bold of you to assume changbin isn't a kid

Seo Changbin: alright fetus calm down

Lee Felix: next q pls

Yang Jeongin: but that lasted like two seconds. everyone else got to tell their whole life story

Lee Felix: this doesn't need anything else. next
Han Jisung: you mad bro?

Lee Felix: ...

Lee Felix: no

Seo Changbin: whyre you mad

Lee Felix: im not

Bang Chan: lix you kinda seem mad

Lee Felix: why does changbinnie hyung hang out w/ strangers

Seo Changbin: friendliness

Lee Felix: ok

Han Jisung: changbin-hyung i think hes salty that you dont hang out with him

Seo Changbin: are you?

Lee Felix: no ofc not.

Hwang Hyunjin: oof a fullstop

Seo Changbin: if you wanted to hang out just ask
Kim Woojin: I'm lovin' it

Lee Minho: lmao is this a mcdonalds ad

Kim Woojin: Yes

Yang Jeongin: okay next question!

Kim Woojin: What, but there wasn't a proper conclusion to this changlix segment

Yang Jeongin: let that happen in their private messages, hyung

Yang Jeongin: i just remembered how long away my questions are, so lets hurry

Han Jisung: impatient as always

ast_roha: Okay question two is from Puppy_Baekyeol_Trash_In_A_Ditch:

ast_roha: "tips for preparing thyself for inevitable death? i've been waiting so long"

Seo Changbin: easy just hang out with eight people who all collectively share a braincell

Kim Woojin: Excuse me, I have about 100 billion. I am an average human

Seo Changbin: fine aside from you

Seo Changbin: but once you hang out with below averages long enough, you wont just be preparing for death. youll be wanting it

Han Jisung: i thought you loved us

Seo Changbin: you thought wrong bye
Hwang Hyunjin: who's turn is it with the braincell

Yang Jeongin: seungmin hyung said jilix share one eighth so we only have seven eighths left

Kim Seungmin: math genius, i'm proud of you innie

Yang Jeongin: it only took me seven eighths of a brain cell to work that out what

Lee Minho: oh so its your turn with the 7/8 brain cell

Yang Jeongin: yeah i suppose

ast_roha: second question from Crazed_Kpop_BStan00:
ast_roha: 3racha first impression

Bang Chan: ooo i'm curious

Han Jisung: i bet it won't be nice

Seo Changbin: wow correct for once

Kim Woojin: Did any body give you a nice first impression?

Seo Changbin: yes just not those two

Han Jisung: why
Seo Changbin: i met you through chan hyung and you were the most cockiest person ever

Han Jisung: but how

Seo Changbin: you were all "oh im han jisung and ive been friends with chan for longer than you so you dont have a right to talk to him"

Lee Minho: woah jilix wasnt a thing back then?

Seo Changbin: nah 3racha met before felix came

Seo Changbin: so jisung was like "ha i was here before you so i know how to do everything better"

Seo Changbin: it was almost like you wanted me to call you sunbae

Han Jisung: ...okay but i did

Lee Felix: icb jisung was anything but nice

Hwang Hyunjin: icb you think jisung is nice

Lee Felix: i had a nice first impression of him

Bang Chan: thats a story for another time

Bang Chan: what was your first impression of me

Seo Changbin: you were scary

Yang Jeongin: hyung was scary?

Seo Changbin: yeah he was a person who worked so much and looked so serious
Lee Minho: wow we had very different first impressions

Bang Chan: wow I didn't know I gave off that vibe

Seo Changbin: you did

Seo Changbin: if you hadn't started talking to me, I would've avoided you for the longest time

Bang Chan: but you were scary too

Han Jisung: yeah you were

Hwang Hyunjin: it's funny how they had the worst first impressions of each other but are actually pretty cool people

Kim Woojin: Thank goodness they had the courage to talk to each other or it would've been really awkward

Yang Jeongin: yeah

Seo Changbin: okay next question

ast_roha: from pickthepug

ast_roha: "what's one thing you like about each person in this groupchat"

Seo Changbin: okay age order

Yang Jeongin: oh man I really don't like being the youngest
Kim Seungmin: im second youngest so same

Seo Changbin: i like woojin hyungs heart bc he is unarguably one of the softest people ever

Kim Woojin: Awww same goes for you, Changbin

Seo Changbin: false

Seo Changbin: i like chan hyung's music because he only knows how to make bops

Lee Felix: i agree

Yang Jeongin: me too

Bang Chan: extcvgygbuhinjomk ty

Seo Changbin: i like minho hyungs social ability. he took two seconds to fit right into our group

Lee Minho: ik im that great

Bang Chan: minho

Lee Minho: fine thanks

Seo Changbin: i like hyunjins appearance (but not just his appearance) because hes really mesmerizing and i could stare at his face all day.

Seo Changbin: i also wish i was that tall but oh well

Hwang Hyunjin: ahhhh stop
Kim Seungmin: don't be humble it's true

Seo Changbin: yeah fr
Seo Changbin: i like jisung's ability to do anything
Seo Changbin: except for be quiet

Han Jisung: awwww so sweet hyung

Seo Changbin: i called you loud and annoying

Han Jisung: but you just implied loud

Seo Changbin: oops then i forgot to type annoying

Han Jisung: ignored next

Seo Changbin: i like how felix has multiple sides to him

Lee Felix: wdm, hyung

Seo Changbin: you can sometimes be scary, mainly be a sunshine, pure, a meme, cool, lame, respectful, disrespectful, etc

Lee Minho: omg he called you etc

Kim Woojin: that's great keep listing

Lee Felix: no need to keep listing, i appreciate it sm ty :)
Seo Changbin: no problem :)

Kim Woojin: :)

Seo Changbin: :|

Kim Woojin: :/

Kim Seungmin: cancelled next

Seo Changbin: i have nothing i like about you though

Hwang Hyunjin: nothing?

Seo Changbin: nope

Hwang Hyunjin: but hes a likeable person

Seo Changbin: not towards me hes not

Yang Jeongin: hyung say something already so it can be my turn :) 

Seo Changbin: fine i think seungmin is actually an angel and part of the uwu line in my opinion

Bang Chan: who else is part of your uwu line

Seo Changbin: secret
Lee Minho: a million dollars says jeongin is

Kim Seungmin: not fair. you cant bet on something thats obvious

Lee Minho: fine

Seo Changbin: and what i like about jeongin is that hes cute and can make all of us smile without doing anything

Yang Jeongin: thank you hyung!

Seo Changbin: no problem, kid

Bang Chan: changbin is truly a nice person wow

Seo Changbin: ik

ast_roha: okay next question

ast_roha: Rosa Reyna says "Do you still like dark? Lmao jk what's your favorite accessory?"

Han Jisung: okay but answer the dark part too bc we all want to know

Lee Felix: baby changbin~~

Hwang Hyunjin: aegyo kING

Bang Chan: binnie binnie changbinnie

Seo Changbin: stop i still like dark
Kim Woojin: *dak

Seo Changbin: *im fine thank you and you

Kim Woojin: Okay fine, we both sucked at english

Seo Changbin: for my favourite accessory id say my glasses

Hwang Hyunjin: youre rich you buy your own

Seo Changbin: i DID

Hwang Hyunjin: oh right

ast_roha: Alright break time

ast_roha: i just feel like this is already really long

Kim Seungmin: okay ask hyunjin's qs and we'll wait afterwards

ast_roha: Okay hyunjins first thing is from verityc
ast_roha: "idk just do your thing man"

Bang Chan: lmao

Hwang Hyunjin: thank you i will

Yang Jeongin: if the questions are this short will we be able to squeeze in another person?

ast_roha: no

Yang Jeongin: :( 

ast_roha: Okay next one is from Crazed_Kpop_BStan00
ast_roha: "who had the best first impression on you"

Hwang Hyunjin: oh uhhh

Hwang Hyunjin: either jeongin, seungmin, or woojin hyung
Seo Changbin: pick one

Hwang Hyunjin: i think my jeongin and woojin hyung first impression will be the same for everyone, so i'll go with seungmin

Kim Seungmin: oh thanks

Lee Minho: state the impression sis

Hwang Hyunjin: i was hanging out with jisung at a park and seungmin was there taking pictures and i thought he looked pretty cute

Hwang Hyunjin: and then i thought he was really nice and flattering

Han Jisung: lol i remember this happening

ast_roha: ik this isn't supposed to be storytime of how you met, but tell it

Kim Seungmin: its kinda embarrassing on my part

Hwang Hyunjin: i thought it was cute

Lee Minho: do tell

Hwang Hyunjin: he went up to me and asked to take pictures of me

Han Jisung: yeah so MY first seungmin impression was that he was a photographer for a company and needed a model

Hwang Hyunjin: yeah so then i asked why and he said i would make his photos prettier
Yang Jeongin: can you believe they only became FRIENDS after that

Hwang Hyunjin: what else would we become

Bang Chan: sIgH

Seo Changbin: why was this your favourite first impression tho

Hwang Hyunjin: because it was the strongest first impression

Hwang Hyunjin: i thought about it for days

Kim Seungmin: really?

Han Jisung: yes really he kept talking to me about it

Kim Seungmin: oh...

ast_roha: alright moving on

ast_roha: pickthepug asks "what's your favorite thing to do (besides dancing)?"

Seo Changbin: why do you hate me brother

Kim Seungmin: how dare you call me brother

Bang Chan: we’re all a family

Lee Minho: if we’re all a family then there is a hell of a lot of incest going on here

Bang Chan: …

Bang Chan: youre right, statement: retracted

ast_roha: okay

ast_roha: 2) Crazed_Kpop_BS: favorite song to slay at karaoke

Yang Jeongin: i meant “lets answer the question now, hyung!”

Han Jisung: one day jeongins gonna snap and expose us all

Bang Chan: i am scared of that day

Kim Seungmin: okay the worst thing ive done was when i was a few years younger
Kim Seungmin: and it was meeting changbin hyung

Seo Changbin: wth

Kim Woojin: Is that actually your answer?

Kim Seungmin: no
Kim Seungmin: the worst thing i've done is told a lie about losing my letter to someone and then the next day i wanted to get rid of all the evidence it existed so i burnt it

Lee Minho: okay but what was in the letter

Hwang Hyunjin: wait hold on a second

Hwang Hyunjin: is that the one you were supposed to give to me

Lee Minho: b***h the heck

Hwang Hyunjin: what

Lee Minho: nevermind

Yang Jeongin: suspicious…

Lee Felix: suspicious flex but ok

Kim Seungmin: next question please

ast_roha: 4) MaybeTheyLoveEachOther: why do you hate Changbin so much?

Kim Seungmin: because he hasn't given me reason to think otherwise
Seo Changbin: did i give you a reason to hate me???

Kim Seungmin: no

Kim Seungmin: but you havent give me a reason to love you either

Seo Changbin: ???

Lee Felix: but then wouldnt u be neutral???

Kim Seungmin: i think youll find that hating a person is an easier path to pursue

Lee Felix: but its changbinnie hyung

Kim Seungmin: exactly

Hwang Hyunjin: the seungbin hate is the eighth wonder of the world

Lee Minho: whats that thing rm sings?

Lee Minho: “if love and hate are the same words, i hate you”

Bang Chan: does seungmin secretly love changbin dearly

Kim Seungmin: no

Yang Jeongin: whats the real reason you hate him, hyung?

Kim Seungmin: there isnt any
Yang Jeongin: then shouldn't you love him instead?

Kim Seungmin: ehhh

Kim Woojin: Do you love the rest of us?

Kim Seungmin: yes i suppose

Kim Woojin: Then why not Changbin?

Kim Seungmin: i dont know

Han Jisung: this is too confusing

Seo Changbin: i agree

Hwang Hyunjin: seungmin is actually a sweetheart i dont get it

Seo Changbin: neither

ast_roha: sounds like i need to fill in a plot hole

Kim Seungmin: a what

ast_roha: Alrighty next q

ast_roha: 5) MaybeTheyLoveEachOther: on a scale from one to ten how gorgeous is Hyunjin?
Kim Seungmin: but hes more than a ten

Kim Seungmin: hes a 12345678987654321+

Hwang Hyunjin: seungmiin

Kim Seungmin: like, if i had a dollar for every beauty point he had, id have enough to build the technology and send changbin hyung to the farthest galaxy

Seo Changbin: why am i being dragged into this

Kim Seungmin: although im always DONE with you im never finished with you

Bang Chan: why are we ignoring sweet!seungmin

Kim Woojin: Only Seungmin would compliment his man while dragging Changbin

Yang Jeongin: his man :)

Kim Seungmin: my man?

Lee Felix: ok but did u or did u not just say hes a 12345678987654321+/10

Kim Seungmin: in my defense, he is

Lee Minho: this is so sweet Jisung compliment me

Han Jisung: youre a 10-10/10

Lee Minho: no
Han Jisung: i used up my minho-hyung-appreciation (MHA) after calling you hot

Lee Minho: fair enough

Yang Jeongin: i bet seungmin hyung doesnt run out of HHA

Kim Seungmin: ofc i have to always appreciate my best friend

Hwang Hyunjin: uwu i never run out of SA

Lee Felix: u never run out of south africa?

Hwang Hyunjin: seungmin appreciation

Han Jisung: lol hyunjin appreciation would be HA

Seo Changbin: wow hyunjin appreciation would make me feel like im being clowned

Kim Seungmin: youd probably be being clowned

Seo Changbin: let me b r e a t h e

Kim Seungmin: no

Kim Seungmin: next q please

ast_roha: 6) Puppy_Baekyeol_Trash_In_A_Ditch: what's your autobiography titled? When can I expect it to start selling in book stores near me? Can I anticipate a film adaptation?
Kim Seungmin: my autobiography would be called “searching for my friends’ braincells” and it’ll just be one big roast towards y’all

Hwang Hyunjin: even jeongin and i?

Kim Seungmin: maybe one or two roasts against you guys but mainly the others

Han Jisung: it’s gonna be 1% hyunjin 1%jeongin 99% changbin-hyung

Kim Seungmin: the first parts are right but its be 3% woojin hyung, 9% minho hyung, 9% chan hyung, 27%jilix and 50% changbin hyung

Lee Felix: ayy jisung we got added in as a duo

Han Jisung: thats how tight we are bro

Seo Changbin: half your book would be you roasting me???

Kim Seungmin: half of the roasting

Kim Seungmin: ofc ill need one paragraph about myself

Yang Jeongin: are we gonna get a film adaptation, hyung?

Kim Seungmin: yes and we’ll all play ourselves

Kim Seungmin: except scarlett johansson will play changbin hyung so it’s easier on the eyes

Lee Minho: scarjo can play us all

Kim Seungmin: actually no
Lee Minho: d*mn okay fine

Kim Seungmin: woojin hyung will play jisung, chan hyung will play minho hyung, minho hyung will play woojin hyung, jisung will play chan hyung, jeongin will play felix, felix will play hyunjin, and hyunjin will play jeongin

Han Jisung: yes i get to be bossy over you all

Bang Chan: hEY

Kim Woojin: I can’t believe you’d make me play Jisung

Bang Chan: oh yes I get to play minho and woojinnie plays jisung

Bang Chan: be prepared for heaps of flirting babe

Lee Minho: and i get to be lovey dovey with jisung

Yang Jeongin: i have to fortnite dance all the time

Hwang Hyunjin: uwu i get to be loved 24/7

Seo Changbin: okay but what will i do

Kim Seungmin: you can be extra #420

Seo Changbin: not even extra #1?

Lee Felix: lmaooo extra #420 i love it
Yang Jeongin: why do you need that many

Kim Seungmin: i actually just need 419 but oh well

Seo Changbin: what the h * c k seungmin

Lee Felix: ok but i have to play seungmins love interest

Kim Seungmin: what no you dont

Hwang Hwang: oh hahaha but in a way we still get some hyunlix bc we play hyunin

Han Jisung: oh no jilix wont be a major thing bc hyunchan is only a minor ship

Kim Seungmin: lmao i should get eric to play me

Han Jisung: youd make eric and felix have crushes on each other?!

Kim Seungmin: what i just meant theyd be best friends

Lee Felix: i dont like eric the way you like hyunjin tho :/

Hwang Hyunjin: what way is that

Lee Felix: the gay way

Kim Seungmin: nEXT Q
ast_roha: L O L

ast_roha: 7) Rushi_Rush: Tell Changbin truthfully if you like him or not. List the reasons why for liking him or not liking him. BE HONEST!

Kim Seungmin: didnt we already get a q like this

Bang Chan: okay so lets change it up then

Bang Chan: tell changbin everything you like about him

Bang Chan: if you say anything negative then ill expose your texts to me from last night

Kim Seungmin: WHAT THE HCK HYUNG DONT

Bang Chan: :)

Kim Seungmin: OKAY FINE

Seo Changbin: im listening

Kim Seungmin: i… like how comfortable we all are around you when we see you in person

Kim Seungmin: and i like your lyrics

Seo Changbin: uwu seungmin i thought you hated me

Kim Seungmin: …

Bang Chan: seungmin

Kim Seungmin: …i dont hate you
Seo Changbin: uwu seungmin does this mean you love your hyung

Kim Seungmin: ...for the sake of my texts, i cannot answer that

Seo Changbin: okay then list two more things

Kim Seungmin: sigh

Kim Seungmin: youre a fun person and youre cool

Bang Chan: good thatll be all

Kim Seungmin: ive never struggled so much in my life

Seo Changbin: seungminnie youre too sweet uwu

Kim Seungmin: save me someone

Kim Seungmin: why is no one else talking

Hwang Hyunjin: too busy taking screenshots oops

Lee Minho: preach

Kim Woojin: The Baby Changbin jumped out just then

Han Jisung: baby changbin lmao

Lee Felix: baby changbiinmn
Seo Changbin: :>

Kim Seungmin: yuck ast_roha ask the next q while i bleach my eyes

Yang Jeongin: i can’t believe we saw baby changbin over text for once!

ast_roha: does he only do it in person?

Yang Jeongin: aegyo doesn’t seem to work well over text

Bang Chan: yeah he just ends up sounding like a furry

ast_roha: ...ill just ask the next q

ast_roha: 8) Fhree13: who took the longest time for you to get close to in the group?

Seo Changbin: was it me im guessing it was me

Kim Seungmin: surprisingly no

Seo Changbin: oh what

Lee Minho: i expected him to say something like

Lee Minho: we arent even near close

Bang Chan: okay but same

Kim Seungmin: it took me a long time to get close to jisung
Han Jisung: what

Han Jisung: i was one of the first people after jeongin to meet you

Hwang Hyunjin: lmao yeah i met you the same time jisung did but we hit it off

Lee Minho: one day i wanna know how all of you met

ast_roha: omg yes i need to make one shots and put them in this series

Lee Minho: you need to make what

ast_roha: nothing go tell us why jisung took a long time to get close to

Kim Seungmin: because after i met them he kept giving me weird looks

Kim Seungmin: which also kind of made it hard to get close to felix

Lee Felix: so im also one of the longest times to get close to???

Kim Seungmin: no because i knew you shorter than jisung

Lee Felix: makes sense

Kim Woojin: I noticed the weird looks too

Lee Minho: what were the looks like

Kim Seungmin: a really creepy smile
Hwang Hyunjin: i apologise once again

Kim Seungmin: its okay you hit him quite a lot for them

Han Jisung: it HURT hyunjin

Hwang Hyunjin: you deserved it

Yang Jeongin: i met you all (minus seungmin and hyunjin) a little afterwards but i still remember the creepy smile…

Han Jisung: it was completely justified

Kim Seungmin: how???

Han Jisung: the only person that outright knows is me :)

Han Jisung: unless you read my mystery letter :)

Kim Woojin: I might

Han Jisung: but then again what if its not that juicy? wouldnt want to waste the opportunity to read a better one :)

Kim Woojin: Quit playing mind games with me, kid

Kim Seungmin: thats why i found it hard to get close with you

Kim Seungmin: question: answered
Yang Jeongin: I JUST REMEMBERED MY QUESTIONS ARE NEXT :DDDD

Kim Seungmin: oh right

ast_roha: break time guys

Kim Seungmin: okay see ya

Lee Minho: bye

Yang Jeongin: DDD:

ast_roha: im playing, uwu child here:

ast_roha: 1) MaybeTheyLoveEachOther: how are you the cutest but one the most savage of the group?

Yang Jeongin: being the cutest one isn’t hard :)

Lee Minho: Jeongin is actually such a savage but he represses it

Yang Jeongin: because i dont want to make you guys mad

Hwang Hyunjin: uwu what a sweet boy

Kim Seungmin: savage jeongin is my favourite jeongin

Seo Changbin: all he does is make fun of my height

Kim Woojin: And he has all that brutal honesty
Han Jisung: he called me ugly once and i still think about it

Yang Jeongin: i still think it too!

Han Jisung: i said think ABOUT it

Yang Jeongin: i know :)”

Bang Chan: so proud of jeongin for being savage

Lee Felix: ur all acting surprised as if all the “angels” in this group arent all demons

Kim Woojin: Does that include me?

Lee Felix: y e s

Lee Minho: am i an angel

Kim Seungmin: you skipped right past the angel stage and went straight to demon

Lee Minho: thank you

Kim Seungmin: anytime

Seo Changbin: i used to want to be one of the savages but im just the target now

Yang Jeongin: it’s because you’re an easy one too!
Seo Changbin: ouch

Yang Jeongin: next please!

ast_roha: 2) MaybeTheyLoveEachOther: What's it like being the baby of the group?
ast_roha: and there was a similar q asked so yeet
ast_roha: “ How do u feel about being the baby of the group? Is it nice or annoying etc?”

Yang Jeongin: it can get excessive but it definitely has its perks!

Lee Minho: like what

Yang Jeongin: i get a lot of love and protection from every hyung

Bang Chan: and rightfully so

Kim Woojin: Agreed

Han Jisung: anyone who wants to cross jeongin has to fight me first

Hwang Hyunjin: and when they win that fight theyll have to fight me too

Han Jisung: rude flex but okay

Kim Seungmin: and when they cant bring it in themselves to fight hyunjin, theyll have to fight me

Lee Minho: *when they win against hyunjin
Lee Minho: and when they win the fight against sweet!Seungmin, they'll have to fight me

Seo Changbin: and when they win against minho they'll have to fight me

Kim Seungmin: okay but they'll definitely win against you

Seo Changbin: does anyone hear anything

Kim Seungmin: clean your dam ears

Seo Changbin: clean your dam mouth

Kim Woojin: No fighting, kids

Kim Woojin: Unless it’s to defend Jeongin

Lee Felix: if they somehow beat changbinnie hyung they'll have to fight me too

Kim Wooin: Yeah, and if they beat Felix, they’ll have to fight me

Bang Chan: and if they beat woojin then I guess they're gonna regret ever crossing me

Han Jisung: wait why do you last four have “if” instead of “when”

Hwang Hyunjin: yeah wth

Kim Seungmin: they think we’ll lose

Lee Minho: what makes you think i cant scratch a b
Seo Changbin: just because you can scream at them doesn't mean you'll win

Bang Chan: if they land one punch on you then it's over

Lee Minho: ...i guess that's fair

Han Jisung: why are the other four “if”

Lee Felix: have you seen changbinnie hyungs arms

Hwang Hyunjin: trrruuuuueee

Seo Changbin: exactly

Han Jisung: i suppose i understand lix bc he did martial arts

Seo Changbin: felix could be the scariest person ever

Kim Seungmin: ha what

Seo Changbin: he has that glare, the deep voice, and does martial arts

Hwang Hyunjin: thanks now i'm craving rebel! felix in a bandana fighting bad people

Han Jisung: same

Bang Chan: why do you crave this what
Han Jisung: its reasonable

Bang Chan: well I’m craving bad*ss woojin bc he did kendo so he could impale a b

Kim Woojin: I wouldn’t put it that way but thanks, babe.

Bang Chan: :)

Lee Minho: and we dont need to question why Chan hyung is the final boss level

Kim Woojin: He will snap you in half

Kim Woojin: Have you s e e n that physique

Bang Chan: awww ty

Seo Changbin: ew

Yang Jeongin: see? all my hyungs are protective, even tho i just muted the gc while i made a second sandwich!

Lee Minho: okay but what the hell

Hwang Hyunjin: its okay we dont wanna distract you from your food

Yang Jeongin: thanks

Bang Chan: eat well, kid
Yang Jeongin: i will!

ast_roha: 4) Puppy_Baekyeol_Trash_In_A_Ditch: I have a scenario: you’re being held captive at sword-point by a group of rebel salmon. They are from a species of giant pink salmon (as in they are human sized) that is currently being oppressed by their merman king who’s ultimate goal is to make the species he lords over subservient to his kind. The group holding you hostage is fighting to try and overthrow this diabolical monarch, but they need you keep you in a sealed chamber (includes free replenishable oxygen, nice!) with no doors or windows or regular escape of any kind as a bargaining chip. They have a video of only your torso up and showed the king said video where they disguised you as his son. The son went on a hunting trip, and he hadn’t been home in a few days. If they can convince the king that you are indeed his son and he needs to leave the kingdom, then you will be free to leave, but there is the chance that the king will find out and have you all beheaded. There is a lot at stake. Do you want to wait it out and cooperate with the salmon-folk, or are you going to escape and leave them to flounder about? If you do try to escape, how would you do so?

Kim Seungmin: woah what

Lee Felix: hold on i cant read

Han Jisung: thats one long question

Bang Chan: oddly specific

Hwang Hyunjin: lmAo i got up to “rebel salmon” and lost it

Yang Jeongin: okay so id definitely help because i want the salmon folk and merpeople to be equal. ofc theres a huge risk but thats okay because if the salmon are beheaded then more sushi yay, and if im beheaded i wont be able to feel the pain because ill be dead. i think if we get the video of me as a full human and say something like “father, a sea witch has cursed me into having legs and you need to help me change back!” then we could possible draw him out, because he seems to love merpeople and wouldnt want a human son. if he doesnt want to “change me back” then ill threaten to tell the rest of the merpeople what happened. once hes drawn out, we call the real son back and we talk some sense into him, making sure hes a kind ruler before forcing the king to retire. If the son is just as bad then we find a nice merperson or salmon to properly rule. once im free ill be sure to always check back in with them once a year to make sure everything is good

Lee Minho: woah thats a long question
Lee Minho: WHAT THE H*CK HOWD YOU TYPE SO FAST

Bang Chan: I HAVEN'T EVEN FINISHED READING THE Q

Kim Woojin: I couldn’t have done it better, Jeongin

Han Jisung: HE ANSWERED SO QUICK IM SHOOK

Seo Changbin: i personally wouldn’t have done anything bc why would i need to risk my life for fish

Yang Jeongin: but they need your help :(

Seo Changbin: no they need YOUR help

Seo Changbin: i dont have to anything

Lee Felix: true neutral

Han Jisung: who cares about both species when i could just eat sushi

Kim Seungmin: okay so you’re just gonna kill the salmon

Han Jisung: if im that hungry yeah

Lee Felix: chaotic neutral

Lee Minho: who cares about either when i could destroy them all and become king

Lee Felix: chaotic evil
Lee Felix: Jeongin’s answer is chaotic good

Kim Woojin: Really? I think it’s more of Lawful Good because he didn’t really break any rules aside from tricking the king

Han Jisung: True

Yang Jeongin: Ooo im lawful good

Kim Woojin: Chan’s more of a chaotic good

Bang Chan: I would fight the merman king

Hwang Hyunjin: Wait I want an alignment

Kim Seungmin: Same

Han Jisung: Woojin-hyung is neutral good

Lee Minho: That sounds like the least good good

Lee Felix: Nah it's the most

Kim Woojin: Thanks, I’d help both salmon and merpeople so they can all get along

Yang Jeongin: Seungmin hyung is neutral evil

Kim Seungmin: Thanks
Seo Changbin: hed roast the fish

Han Jisung: ayy is he making my sushi

Kim Seungmin: id escape and if that means making sushi in the process then oh well

Hwang Hyunjin: oof

Bang Chan: I cant place felix and hyunjin if were all supposed to be our own thing

Yang Jeongin: all thats left is lawful neutral and lawful evil and neither seem lawful evil

Hwang Hyunjin: id help the salmon but i dont like how the merking is abusing his power

Lee Felix: im not sure if id help bc they could get caught and beheaded or arrested

Bang Chan: hmmm

Kim Woojin: Jeongin’s answer was Lawful Good but he’s Lawful Evil

Yang Jeongin: im evil?

Seo Changbin: youre savage

Yang Jeongin: ill take it

Han Jisung: okay so hyunjins lawful good and felix is lawful neutral
Bang Chan: perfect

Lee Felix: yeet ok

Hwang Hyunjin: sweet

ast_roha: 5) Fhree13: Do you think your gonna grow up taller than most of the members in the group?

Yang Jeongin: definitely!

Seo Changbin: well i already know whats coming

Yang Jeongin: ive already passed changbin, jisung, felix, and chan hyungs

Kim Seungmin: weve all passed changbin hyung

Seo Changbin: yup there it is

Yang Jeongin: i still have time to grow so i might be able to pass minho hyung and woojin hyung

Yang Jeongin: im not sure about seungmin hyung and hyunjin hyung though…

Han Jisung: none of us can pass hyunjin

Kim Seungmin: especially not-

Lee Minho: omg Changbin killed him before he could finish

Seo Changbin: can confirm
Lee Felix: i used to be taller than jeongin

Yang Jeongin: not anymore :)

Bang Chan: same

Han Jisung: i wasn't

Hwang Hyunjin: i think we're all ignoring how short jisung is too

Kim Woojin: Yeah, he’s only 2cm taller than Changbin

Han Jisung: i know :/

Seo Changbin: wth then why don't you make fun of jisung

Han Jisung: they do

Yang Jeongin: just for different reasons!

Han Jisung: bros?

Seo Changbin: ...bros, i suppose

Lee Felix: *supbros

Han Jisung: ayyyy
Lee Felix: ayyyy

Seo Changbin: i dont wanna be bros anymore

Lee Minho: you wanna be something more

Han Jisung: super bros

Yang Jeongin: :/

Seo Changbin: no

Lee Felix: super+bros = supbros

Han Jisung: ayyyy

Lee Felix: ayyyy

Hwang Hyunjin: *suphoes

Lee Felix: ayyyy

Han Jisung: no lix youre a bro not a hoe

Yang Jeongin: hes both

Lee Felix: jeongin why
Yang Jeongin: why not

ast_roha: Okay since that’s answered, let’s take a break before the couples/groups/etc questions

ast_roha: This is already long enough

Yang Jeongin: okay!

Bang Chan: I can’t wait to get more

Lee Minho: same

Bang Chan: stop you got more than me

ast_roha: There’s a chance I forgot to ask you some qs

Bang Chan: WHAT

Kim Woojin: Even me?

ast_roha: ...yes

Seo Changbin: yay

Bang Chan: stop you got more than Woojin and I

Seo Changbin: I still want more tho
Lee Minho: selfish hoe

Seo Changbin: we’re all selfish hoes

Kim Woojin: You guys use that word too much

Seo Changbin: hoes?

Lee Felix: hoes?

Han Jisung: hoes?

Hwang Hyunjin: hoes?

Yang Jeongin: hoes?

Kim Seungmin: hoes?

Lee Minho: hoes?

Bang Chan: hoes?

Kim Woojin: You too, Chan?

Lee Minho: why does that remind me of something

Kim Seungin: et tu, brute?
Kim Woojin: Et tu, Chan?

Bang Chan: \_\_´(ツ)´_/\_

Bang Chan: when in rome
