Captain Decmerica: our meets are going to be every Wednesday at 3:30 and our first competition is in 7 weeks time so lets get practising right away!

Fastest Man Alive: ugh isnt that like the same week as that oscorp trip

Captain Decmerica: the comp is the day before the trip

Bon Jovi:
Captain Decmerica: hey @ (hacker voice) I’m in have you heard from Peter at all? He’s been off school since the field trip

(hacker voice) I’m in: idk, May said that he was really ill, probably won’t be in school for the rest of the week

Michelle Jones: good thing the competition was the day before the trip or we’d be down a loser

Fastest Man Alive: penis ran outta that field trip faster than he's ever done for gym it was funny lmao

Captain Decmerica: not really but go off I guess

MoonMoon: you know, if the multiverse theory is real that means it's really likely that there is a universe where spiderman is a pig

Parkour: jfkskdka

(hacker voice) I’m in: did you mean: spiderham

MoonMoon: omg Ned ur right

Captain Decmerica: what,,,,, brought this on,,,,,,

B-Abe: me and Cindy were discussing theories about Spidey and,,, we deviated,,,,, heavily

Captain Decmerica: how is it when I'm trying to envision this “spiderham” I can only hear John Mulaney making pig puns in my head

MoonMoon: oh my god

B-Abe: what if,,,,, john Mulaney is spiderman
B-Abe: Spidey: hey mr criminal u want ur gun? Take it! *launches it* Street Smarts!

MoonMoon: Spidey: there was a criminal loose in the hospital

Captain Decmerica: criminal: *typical bad stuff*

Captain Decmerica: Spidey: that's what I thought you'd say you dumb fucking criminal

(hacker voice) I'm in: that's it we’ve cracked it boys, time to close up shop

MoonMoon: time to tweet him and let him know we've cracked it

Fastest Man Alive: so when are y'all gonna kick penis outta the team since he keeps skipping

(hacker voice) I'm in: he has his stark internship

Fastest Man Alive: uhhuh, ‘stark internship’ like that bullshit is real

Captain Decmerica: i’m frustrated as well that he keeps skipping but i’m sure what he’s doing is important. He better not skip the Washington comp though.

Fastest Man Alive:

Parkour: flash I’m not lying, I’ve just been really busy with this thing

Fastest Man Alive: sure Jan
**Bon Jovi:** this week on Midtown Unsolved we are discussing the mystery: who is Spidey

**Bon Jovi:** discuss

**B-Abe:** clearly spidey is a gen z kid, have you heard half the jokes and shit he makes? Millennial at a push but defo a gen z

**Bon Jovi:** big agree big agree

**B-Abe:** its prolly someone at our school

**B-Abe:** ive heard that like he made his webs or smth before he seemed to get a #upgrade so prolly has to be smart and hes based in queens and midtown is the top sci/tech school in queens sooooooo

**Captain Decmerica:** no offence Abe but i think that’s the smartest thing you’ve ever said

**Bon Jovi:** oof get rekt

**Captain Decmerica:** but you are wrong

**Bon Jovi:** how

**B-Abe:** *gasp* are you spiderman liz?

**Captain Decmerica:** no because spiderman is a ghost alien from the lost city of atlantis situated in the bermuda triangle, duh

**B-Abe:** shit u rite

**Bon Jovi:** god i want to deny the alien part so hard but i cant because we literally know aliens exist and i hate it because now whenever aliens is a theory we can't say no about it

**MoonMoon:** ah, u r Shaniac?

**Bon Jovi:** and what of it????

**Captain Decmerica:** god i love having unsolved playing as i’m studying, 10/10

**B-Abe:** the real question is would spiderman fuck mothman

**Bon Jovi:** unsolved

**MoonMoon:** unsolved

**Captain Decmerica:** unsolved

**B-Abe:** unsolved

**B-Abe:** god fucjing dammit u guys
**Captain Decmerica:** hey guys, I'm pretty sure you all saw the news.

**Avril Lavigne:** Liz!! Are you ok?

**Captain Decmerica:** not really, my mom is moving us away. Dad doesn't want us here for the trial

**Bon Jovi:** I can't believe your dad was the Vulture

**Captain Decmerica:** so I have to leave the school/decathlon team. I might join another school’s team so I might see you guys at a competition. Sorry for leaving like this

*(hacker voice) I'm in:* it's ok Liz

MoonMoon: this is your daily reminder that spiderman is our beloved bi icon, big Stan

Parkour: sdjghdsjghs WHAT WAIT HOW DO PEOPLE KNOW

MoonMoon: chill Peter, nothing official, its just like how the lesbian community claimed Thor as their icon™,,, though if he was bi that’d be hella lit

Parkour: oh

Parkour: wait why isn’t Mr. Stark the Bicon since he’s, yknow, publicly out as bi

B-Abe: you can make more bi puns with spiderman

MoonMoon: ^^^^^^^ exactly

B-Abe: I will sue him if he don’t come out by saying “I swing both ways”

[DM: Ned Leeds and Peter Parker]

Chair Dude: how does it feel being your own icon

Man of Spiders: omfg ned shut your fuck up

Chair Dude: pls come out via that joke pls I would die for u if u did

Man of Spiders: god don't fucking tempt me

Man of Spiders: and pls don’t

MJ: ok, we have arrived at the safe zone, are all of you there

Avril Lavigne: I am

Bon Jovi: me too

MoonMoon: what the fuck why are there aliens again

Fastest Man Alive: fucking hell I saw Iron Man following that spaceship up

B-Abe: hopefully he can stop them,,,, where's the other avengers??????

MoonMoon: I saw spiderman going about as well!!!!
MJ: Ned where’s Peter

(hacker voice) I’m in: um

MJ: Ned where the fuck is Peter I saw him go on the bus this morning but he didn't come off with us

(hacker voice) I’m in: I really can't say I have no idea

Fastest Man Alive: goddamn it Penis fucking vanishing all the goddamn time

B-Abe: you know if I weren’t on the brink of a panic attack, I’d be calling you out about that message because god it sounds dirtier than it should

[DM: Ned Leeds and Peter Parker]

Chair Dude: Peter where the hell are you

Chair Dude: I stg if you went on that spaceship and now ur stuck in space I will kill you

Chair Dude: I can’t access Karen at all, she's saying out of range

///

[AcaDec Squad]

[MJ was renamed Mmm Whatcha J]

[Mmm Whatcha J kicked B-Abe from the chat]

Bon Jovi:

Michelle Jones: I was fed up waiting for you two to tell me so I'll get straight to the point

Michelle Jones: Parker I know you’re spiderman

Peter Parker: what no I'm not spiderman that's crazy

Ned Leeds: why was I added

Michelle Jones: because you clearly know that Parker is spiderman Leeds you aren't fucking discreet

Ned Leeds: no I don't this is news to me

Michelle Jones: it's the most logical explanation. Every time Parker vanishes or you have your “stark internship” spiderman shows up. You got suddenly more athletic and you’re hiding it. I can see you holding back in pe. I also see you messing with chemicals in chemistry and being sneaky about it, then taking those away with you, though it's less frequent now

Michelle Jones: also you randomly stopped needing glasses even though you’ve worn them since third grade

Peter Parker: I'm not lying
Michelle Jones: Parker telling lies?

Peter Parker: no mj

Michelle Jones: if I open your backpack I am 100% guaranteed to see your suit or your web shooters

Peter Parker:

Peter Parker: fine, you figured it out congrats

Ned Leeds: peter why did u give up so easily

Peter Parker: she wouldn't have done this without the evidence and she’s observant, she clearly noticed

Michelle Jones: which I did

Michelle Jones: also don't loudly discuss your spiderman antics at lunch be thankful im the only one who’s actually listened to you losers

Ned Leeds: so why didn't you do this in person?

Michelle Jones: you two would've avoided it and

[Exposed was renamed Spider Squad]

Michelle Jones: I want in

---

Fastest Man Alive: hey penis @parkour are you ready to fukin die of embarrassment

Parkour: how???

Fastest Man Alive: that ur lie of being Stark’s intern will be found out obviously duh

MoonMoon: flash have u ever considered that Peter was telling the truth? Like, at all?

Bon Jovi: I mean,,, I don't even remember there being applications for a stark internship so…

Fastest Man Alive: get ready Penis

Mmm Whatcha J: sounds like a euphemism

Parkour: wow I am soo excited

///

[The group chat AcaDec Squad was renamed Spidey Supporters Squad]

[Parkour was renamed Bi-derman]
**Bi-derman:** um?

(hacker voice) **I'm in:** Peter u know it's true

**Bi-derman:** I mean it's true and you should say it

**Bi-derman:** but honestly no one was meant to know about spidey? Shit

**Avril Lavigne:** I'm still shook,,, like who’d’ve thunk

**Fastest Man Alive:** I can't believe I bullied spiderman wtf this is the worst timeline

**B-abe:** Peter Parker… mr science whiz himself

**Bon Jovi:** hahaha you said whiz

**Bon Jovi:** but yeah, big mood to everyone

**Bi-derman:** it wasn't that shocking, right?

**Mmm Whatcha J:** y’all’re idiots

**Fastest Man Alive:** you’re acting as if finding out Parker was Spider-Man wasn't a surprise

(hacker voice) **I'm in:** that's cause it wasn't

**Mmm Whatcha J:** that's because it wasn't

(hacker voice) **I'm in:** same hat

**Mmm Whatcha J:** it’s bold of you to assume I don't know everything about everyone in our school flash

**Fastest Man Alive:** fucking hell

**Bi-derman:** [sent a photo]

**Bi-derman:** it was a shame you guys couldn't get a pic with Thor, he was really excited to take a selfie

**MoonMoon:** Peter you are now dead to me

**Bon Jovi:** blocked

**B-abe:** and

**Avril Lavigne:** reported

**Mmm Whatcha J:** did you guys practice that or something?

**Bon Jovi:**
MoonMoon: uhh no offence Peter but htf did u get ur powers like,,, u couldn't even run a lap in gym without dying and now u can literally flex all over us

Bi-derman: none taken, we all know I was really bad at sports

B-Abe: yeah I'm really curious too like??

Bi-derman: uhhhh do y'all remember that fukcin oscorp trip we had

MoonMoon: ye?

Bi-derman: well in the middle of that trip one of the Spiders they were testing decided I was a mcsnacc and boom I woke up sticking to walls and with a six pack

Mmm Whatcha J: so that's why you ran out in the middle of the trip and wasn't at school for a week

MoonMoon: and thats when you started missing practice and leaving clubs

Fastest Man Alive: I thought you knew all this

Mmm Whatcha J: I knew the basics, not the details

Bi-derman: so ye, that's the story all about how my life got flipped-turned upside down and that's how I became the Spider-Man of Queens

MoonMoon:

B-Abe: did you really just fucking quote fresh prince

Bi-derman: yes, yes I did

(hacker voice) I’m in: the spider knew before any of us that Peter was a whole snacc
Fastest Man Alive: new kid today

MoonMoon: oh do u think they could potentially join the team?

Fastest Man Alive: dunno

Bi-derman: wait who’s the other kid

Fastest Man Alive: 3 2 1

Bi-derman: HEY NO MR. DAD IS JUST MY BOSS

Bi-derman: I MEAN MR STARK IS JUST MY DAD

Bi-derman: WHATEVER CINDY

Distinguished Bi: lmao

B-Abe: I heard Spider-Man has an eight pack, that he’s shredded

Distinguished Bi: what the fuck

Bon Jovi: it's not a fucking lie he’s shredded

Bon Jovi: like dudes, I'm straight but when I saw Parker remove his top I think I became gay for 0.2 seconds because DAMN

(hacker voice) I'm in: yeah Peter is swole now and I don't hate it

Avril Lavigne: god damn it Peter stop being adorable I saw him saving a cat from a tree and the owners gave him a hotdog as thanks and he was wearing his mask but GOD I could see the sparkles

**Bon Jovi:** same ^^^

**Bon Jovi:**

**You got: Black Widow**

The good news is that you're a hypercompetent person who works extremely hard. The bad news is that you are terrible with work/life balance, and have trouble developing emotional relationships with other people as a result.

**Avril Lavigne:**

**You got: Thor**

The good news is that you're blessed with looks, power, and endless charm. The bad news is that you're more than a little bit self-destructive and overly impulsive.

**Avril Lavigne:** can't believe this entire chat now wants to fuck me >;3c

Peter Parker: woah

Peter Parker: Liz, you really didn't need to type all that. I would've been fine if you never forgave me because I know this put you in a rough situation that you didn't deserve so for that I'm sorry

Peter Parker: it's also my fault it got to the level it did. If I just let Tony handle it when he was going to, I wouldn't of had to ditch homecoming but then he would've been caught earlier so you probably would've left earlier and

Chapter End Notes

oof i hope this is good for y'all
and yesss this bitch watched Spiderversery yesterday and HOLY FUCK
DKJGASGHDAKGHSKAHGKJDSABHGKJSADHGKASH
i hope that shows how i thought of it
also needed to yeet in miles for this, originally it was just a name drop but
UHHHHHHHH whoops

Also, no hate on the ships in the section about the bugle, just making fun of the bugle

EDIT: so i see a lot of you screaming over "no next chapter" and I'll explain it
I have no confirmation if I will continue from points because it can be hard to come up with, what I consider anyways, good/funny concepts so I'd rather just update if I do come up with a chapters worth rather than have hopes up for more and never actually update cause I can't get ideas
Though if you can think of any fun scenarios/reference/anything that you'd want in I'd be happy to listen and try incorporate them in the future!!
god im so dead inside lmaoooo

this chapter is essentially how much i love thor,,,,, him

See the end of the chapter for more notes

Sero Hanta: finally the sweet release of death
Avril Lavigne: so like, who’s the gayest avenger

Sero Hanta: I mean I’d have to go for thor/Bruce since they canon king but idk

Mmm Whatcha J: thulk

Rip Gene may he rest in peace: thussy

Sero Hanta: if it weren’t for my moral alignment would have slaughtered you

Avril Lavigne: don’t you mean laws?

Sero Hanta: screw the law I was a vigilante

Sero Hanta: but no murder in this boi

Avril Lavigne: *slaps roof of peter* this boi can fit so little murder in him

Distinguished Bi: anyways, so like speaking of thulk,,,,, how much would it take to get into the Banner-Odinson wedding?

Sero Hanta: uhhhh I could not tell you tbh, would have to ask them if they’d be ok for u to go but idk

Sero Hanta: I mean Thor would probably be 100% chill with it but Dr Banner might not be, especially since this second wedding is more with human traditions than asgardian traditions

Avril Lavigne: wait wait wait second wedding?!??!

Sero Hanta: oh, yeah

Sero Hanta: to be fair we only found out about the first one because I saw them making out in Tony’s lab and Loki spilled the tea

Avril Lavigne: oh my god

Sero Hanta: actually I will try my hardest to get u guys in because I think everyone deserves to see Brunn officiating a wedding no one wants to miss that

Distinguished Bi: I have no idea who brunn is but I know I immediately stan them

Rip Gene may he rest in peace: maybe then you can finally let us talk to Thor since you so RUDELY cockblocked us back at the field trip u dick

Avril Lavigne: OH YEAH PETER U OWE US THAT AT LEAST

Full Homo: mj is in the middle because she would murder anyone of us regardless of laws and the likes

Mmm Whatcha J: you are absolutely correct

Mmm Whatcha J: I feel starkids malfoy in my soul

Lizzy Maguire: clearly that's false as I have never seen you dramatically roll on the floor

Mmm Whatcha J: you haven't seen me in about two years, you don't know shit

B-Abe: she's lying she only recently achieved the ability to show three(3) emotions on her face

Mmm Whatcha J: fuck you

Distinguished Bi:
**Distinguished Bi:** Ultimate callout post

**Avril Lavigne:** about half of those went through my head when thinking of a response

**Distinguished Bi:** the gen z dictionary is just those words and vine references and that's most of it

**Avril Lavigne:** tea

Fuck Labels: no we are not cosplaying winry and ling, as much as ned would make a great winry, no

Bicon: awwww come on

Fuck Labels: for starters if I ever did cosplay, it would be someone like Lieutenant Hawkeye or General Armstrong

Fuck Labels: winry is great but, riza hawkeye, general Armstrong

“Hey guys! I'm Peter and welcome to Jackass! Well, no but I'm here at NYCC today premiering my Edward Elric cosplay and I've brought my buddy Alphonse with me!” Peter announced to his phone, lightly patting the armour standing tall beside him. “Karen, protocol Al.”

With that, the armour started to move about, seemingly on its own.

“So, my personal mission today is to find every single Spider-Man cosplayer and get a picture with them. I will also see how long it takes them to realise that it's me! Update y'all later!”

---

“Update!” Peter cheered, spinning his camera to focus on the group behind him, who all waved. Their accounts were all tagged in the story. “I've had someone almost faint when they checked out Al over there when they saw it was, in fact, empty.”

“That was super freaky man!” A boy in a Captain America cosplay groaned.

“To be fair, that would've freaked me the fuck- oh shit- uh- that would've freaked me too man.”

“Check out all the people tagged on this one! They're all awesome! More updates to come!”

---
“Congrats to…”

“Susie!” The girl wearing a Juvia cosplay grinned, flashing a peace sign at Peter’s phone.

“Susie for being the first one to correctly guess that I’m the real Spidey! I need to figure out how to reward you…”

“Dude the fact I got to meet you is reward enough.”

“Aw come on, I insist!”

“Oh my god.”

---

“Guys there’s a… there’s a Spider-Man train happening and to be honest I really wanna join in but I’m not Spidey here…” Peter complained as he videoed a long train of Spider-Man jogging through the convention hall.

“Oh shit is that one in Bi colours? I gotta find ‘em!”

---

“I found Bi-derman!” Peter cheered, showing a flustered person behind him, covering their cheeks slightly. “I really loved it, it’s the most canon spider suit I’ve seen all day.”

“O-oh, um, thanks dude.”

“No prob Daya! Make sure to check out their insta to appreciate Bi-derman!”

---

“I’m glad I was able to get my arm past security cause I wasn’t quite sure but since it’s Eva foam I figured it wouldn’t be too bad but I was worried because- Al, hold my phone!” Peter announced, passing his phone into the suit’s hands which held the phone still. “Because of this!”

Peter teasingly clapped his hands together before sliding his left hand along the ‘automail’, causing a foam blade to emerge from the end.

“Cool, right?!”

Peter grabbed his phone and just before he clicked end video, a distant cry of “holy shit!” Was heard.

---

“Y’all wanna know the realist biphobia? Neither my girlfriend OR boyfriend would cosplay with me. Truest betrayal.” Peter grumbled, sipping a juice box as he sat down at the edge of one of the halls. “So callout post for @nedintheleeds and @itsmjibitch for not joining me. They didn’t even have to cosplay fma to come but nooo they said nooooo. Bitches.”

---

Picture of Peter and another Ed cosplayer pointing at each other, the other Ed’s account tagged underneath them.
Boomerang of a large squad of Fullmetal Alchemist cosplayers, Peter in the centre since he's holding the camera.

Peter is giggling as he points the camera at a Winry cosplayer standing next to the Alphonse armour.

“This boy can fit so many fucking cats in him.” She said, slapping the highest point of the armour she could reach.

Peter dissolved into fullblown cackles.

“Hey guys, this is probably the last update I have for today, I'll continue with my cosplay tomorrow for day 2- I bet you will never guess who I'm cosplaying. Seeyas!”

He had to stop all the villains that were coming through
He’s here to fight for me AND YOU

Iron Brother: I'm sorry I'm just really happy and excited for you two!!!!
Iron Mom: thank you Peter, we’re excited too

Iron Aunty: I’m so happy for you two! If you ever need help or tips when it comes to pregnancy or raising a kid my door is open

Iron Aunty: I may not have had Peter but I was with Mary and Richard during almost the entire time so I know what I’m doing

Iron Mom: thank you, you’re my saviour

Chapter End Notes

The fact that (in the comics at least) Peter is a legit cosplayer (I remember there being a panel like "making use of my cosplay skills...")

Also, fuck,,, you can tell what fandoms I've slipped back into recently,,, my heart

Idk when/if this will update again and I'm totally up to any ideas you'd want to see!!!

**We Stan Thor, God of Lesbians:** Stark pulled me in to work on it so she can contact us anywhere

**OG Child:** can't believe father put in all that work to contact his oldest daughter

[Avril Lavigne was renamed Functional Lesbian!]

Mmm Whatcha J: that's accurate I did in fact say that when Peter and Ned asked me out
**Full homo:** can confirm

**Raw me Sasuke:** how did y'all end up dating from that???

**Thwip Thwip:** she said that and proceeded to tell us that we needed to make sure the first date is worth it, ergo accepting it

**Rip Gene may he rest in peace:** ergo, really?

[20biteen let's get this bread was renamed gen z really is the gayest generation huh!]

**[Justice league]**

**Fe:** sometimes I have to praise tabloids and their ingenuity

**Original Spider:** what relationship drama have they came up with now?

**Murica:** What are you talking about?

**Fe:** well the last ‘big’ thing they came up with was how May and me had Peter while I was cheating on Pepper, simultaneously cheating on you while you dated Bucky. The resulting heartbreak made me pine after Dr Douchebag

**Captain Momvel:** I fail to see how it can get more… inane than that.

**Fe:** well

**Fe:** Bruce and Thor are both cheating on each other with Nat, who is also dating me, Pep, Barnes, Hope, Carol, Barton and Steve. The same relationships as above apply but also includes Rhodey and at the end where instead of me trying to comfort myself from the breakup because of all the cheating by going after Strange, I pursue Loki

**Snerson:** that's certainly… something

**Bom Bom Bom Green Giant:** I wish they would learn to give us some privacy, how would I continue to cheat on Thor with Nat if they keep publicising it?

**Thunderbolts and Lightning:** and likewise!

**Falchion:** I'm impressed you played along with the joke

**Original Spider:** what joke

**Sting sting bitch:** who is going to be the next subjects for relationship speculation?

**Fe:** my money is on Thor and Barton

**Birb:** aside from that little adventure, the tabloids seem to be rather focused on me and Nat so I doubt there would be me with someone else
Moira Hills: I am glad I am a relatively unknown name in the press’s eyes, I avoid most of the drama

Bom Bom Bom Green Giant: doesn't it frustrate you that this keeps happening while you have a wife and kids Clint?

Sting Sting Bitch: doesn't it frustrate you/Thor and Tony/Pepper since you are the other married ones?

Bom Bom Bom Green Giant: that's fair

Original Spider: it did annoy him

Birb: but then I had an idea

Birb: we've been playing the long game for years but we'll have a resolution soon

Smol-est Man: uh what?

Original Spider: we've been leaning into it, never actually confirming it while making sure that it's highly plausible that we could be an “item”

Birb: so then when we finally decide to end it, the world will burn

Fe: this doesn't involve a shit ton of damages to anywhere right? I will not pay to fix up anything you break over pranks

Birb: no, it's just the Internet mainly

Fe: alright do it

Original Spider: we didn't need your permission Tony

Birb: wow we haven't done this much planning for one scheme since Budapest

Original Spider: we definitely remember Budapest differently

Smol-derman: I'm so confused

Falchion: I figured that the spider-runt would've had his own relationship “theories” and such

Falchion: since he's the young people’s favourite and all

Smol-derman: ehhhhh

Smol-derman: not much, they usually are chill with it being me/Ned/MJ but sometimes they go “Peter and Shuri??!” Or “Peter and Harley?!?!?!” And stuff

Smol-derman: but nothing as wild as what you guys get what the fuck?

Murica: Peter, language.

Elphaba: I saw me and Peter once and that was weird, especially since I am with Viz
Smol-derman: oh yeah! That was the one after we went to McDonalds together that one time, right??

Elphaba: yeah

Murica: Also it is getting rather late

Smol-derman: yeah yeah yeah go to bed sure

Thwip Thwip: what do I do I think all the female avengers adopted me
Rip Gene may he rest in peace: uh what

Thwip Thwip: idk????? Last mission we did the female avengers all just formed like a big squad around me and the moment the mission finished they were all checking up on me, making sure I was ok?????

Mmm Whatcha J: I will gladly take your spot

Mmm Whatcha J: getting surrounded by powerful, influential women? I'd die for that

Thwip Thwip: I know this and I love you

///

Thwip Thwip: ok now this is getting fucking ridiculous

FUCK YOU MJ: what have the avengers done now

Thwip Thwip: there’s???? A group chat????????????

Lizzy Maguire: who did?

Thwip Thwip: THE FEMALE AVENGERS

Thwip Thwip: I mean it's not just about me or anything cause y'known but like, they weRE TALKING ABOUT ME

Mmm Whatcha J: you mean to tell me there is a group chat for some of the most powerful women in the world, whom I very much idolise, and you haven't tried to get me added?

Full Homo: Peter how could you disappoint our girlfriend like that

Thwip Thwip: y'all I'm not even in it I only know about it because May’s phone kept buzzing when she went to get herself a coffee

[DM: Michelle Jones and Unknown]

Unknown: you are Peter’s girlfriend, correct?

Michelle Jones: who is this

[Girlvengers]

[Natalie Rushman is a very real person added 1 person!]

Natalie Rushman is a very real person: this is Peter’s girlfriend @Michelle Jones

The strongest avenger, May Parker: welcome to the chat MJ!!

Michelle Jones: oh my god
Michelle Jones: is this the female avengers chat???

Pepperoni: and other appropriate additions yes

Michelle Jones: I think I must be dead because this is what I imagined the afterlife must be like

Move over America, I'M the new Captain: you aren't dead

Hopey McHopeface: I imagine you have to deal with a lot of stuff because of your ties to the superhero world

Natalie Rushman is a very real person: it makes you qualified to be in this chat

Michelle Jones: I have to ask what the FUCK are those names

The strongest avenger, May Parker: I'm sorry! Peter had my unlocked phone so he changed them in retaliation because he saw we had been talking about him and the “momvenger” protocol

Blood orange, so pretentious. It's fucking (scarlet) red: don't worry May, it's fine

Michelle Jones: I look forward to learning more about this chat

Michelle Jones: and if possible would I be able to get interviews with you, only if you are available of course

Pepperoni: I'm sure we can come to an arrangement

Mmm Whatcha J: I have died and gone to heaven god is not dead my skin is clear my crops are watered this is the best timeline

Distinguished Bi: not to seem mean but what the fuck are you on MJ

Mmm Whatcha J: many powerful powerful women

Thwip Thwip: WHAT THE FUCK MJ NO WAYDHDKDCKFK
Lizzy Maguire: I heard you guys got through to Washington again!!!! Congrats!!!

Lizzy Maguire: I'll try get time to get through to watch the competition but with college it's difficult

Functional Lesbian: don't worry if you can't make it, we totally get it but it'd be so good to see you again!!!!!!

Thwip Thwip: would you hate me if I said I didn't want to go

Mmm Whatcha J: sweetie :) you are going :) on the trip :)

Thwip Thwip: I am horroused

Thwip Thwip: but like, me and field trips are a massive NOTP

Full homo: oh my god Peter

Mmm Whatcha J: Peteld trips is my otp, I want it canon

Mmm Whatcha J:

Thwip Thwip:

- elementary school trip to the Stark Expo that my aunt/uncle chaperoned?? Hammer drones.
- OsCorp? Bitten by that spider
- DC? The Elevator and The Vulture
- MoMA? Fucking Thotos
- Compound? Identity got outed

Thwip Thwip: so I think it's understandable I have a tiny bit of anxiety over field trips and the likes

Full homo: honey, get ur cute butt over here I must give you my Love and Support

Lizzy Maguire: oh, that must really suck Peter :( 

Thwip Thwip: eh, that's what the therapy is for

Thwip Thwip: and by therapy I mean sitting at 3am, eating stark raving hazelnut ice cream while I watch the old barbie movies

Lizzy Maguire: at this point I can't tell if you are memeing or not

Rip Gene may he rest in peace: I'm sorry but are we not going to address ‘Thotos’
**Raw me Sasuke:** you should’ve called him that to his face he would've died instantly

**Thwip Thwip:** I have many regrets in life and not calling Thanos a thot is one of them

**Thwip Thwip:** if he was going to kill me anyways I should’ve just done it

**Underoos:** hey Tony?

**Mr Anthony:** yeah kid?

**Underoos:** I know this isn't really the conversation to be having over text but honestly I don't think I could get the courage to bring it up in person? Idk

**Underoos:** actually nvm it's not important just forget it

**Mr Anthony:** clearly it is important

**Mr Anthony:** you can tell me Pete, I will listen, or well read whatever you have to say

**Underoos:** so uh… we both know that I kinda somewhat call you Dad on occasion?

**Mr Anthony:** yep

**Underoos:** but I figured with the baby on the way it would probably be better if I stopped that? I mean, not get in the way of your family by causing confusion or anything

**Mr Anthony:** what?

**Mr Anthony:** you’re kidding right?

**Underoos:** I mean, the kid will be a big part of your life and everything and I know the Ironfam chat has me as the big brother but honestly I know I'm not so I should kinda keep my distance? So that you can spend time with your kid without me annoying or interrupting it

**Mr Anthony:** Peter

**Mr Anthony:** I don't want you to interrupt this

**Mr Anthony:** Pete, you *are* my kid. Even if I only came into your life recently and we aren't related by blood, we’re family.

**Mr Anthony:** just the same as how Rhodey and Happy are like my brothers, you are my kid

**Mr Anthony:** you, Harley, Nebula, Riri and this kid that's coming along? You are *all* my kids

**Mr Anthony:**
Mr Anthony: I'm a bad father

[Iron Fam]

Iron Dad: it has come to my attention that I've excluded many of my children from this chat and that's unacceptable

[Iron Brother was renamed Iron Brother 2!]

[Nebula “Stark” was renamed Iron Sister 1!]

[Riri Williams was renamed Iron Sister 2!]

Iron Dad: now all the kids are here until baby girl can use tech

Iron Uncle: I was waiting for how long it would take you to add the kids

Iron Brother 2: wait a diddly darn second

Iron Brother 2: thE BABY’S A GIRL???

Iron Mom: Tony you were meant to wait until the baby shower to reveal that

Iron Dad: whoops

Iron Aunt: congratulations!!! Any names??

Iron Mom: Tony is insisting on Morgan and while I was opposed at first, I think I've grown to like it

Iron Sister 2: Morgan Stark has a nice ring to it

Iron Brother 1: I have a suggestion

Iron Uncle 2: they aren't calling their daughter Harley

Iron Brother 1: bad taste op

Iron Mom: I would consider it for a middle name but then it would be unfair to the rest of you if they didn't get any sort of name involved and 4+ middle names is extensive

Iron Dad: but extra enough that it's perfect for the newest Stark

Iron Aunt: Tony no

Iron Uncle: Tones no

Iron Mom: babe no
Iron Brother 2: Dad no

Iron Sister 2: oh have you finally gotten comfortable enough to call him Dad fulltime now?

Iron Brother 2: hush

Iron Dad: you are all allowed to call me Dad I have no reason to say no

Iron Sister 1: except he is likely to suffer a heart attack during each instance

Iron Sister 1: and Stark, won't it get confusing between who the various siblings and uncles are?

Iron Dad: you are correct Nebs

Iron Sister 1: don't call me that

Iron Dad: kids go wild with the names, but try to stick to the iron theme

[Iron Brother 1 was renamed xXx~Iron Harlz~xXx!]

xXx~Iron Harlz~xXx: awesome

Iron Dad: I have regrets

[Iron Brother 2 was renamed Iron Bider!]

Iron Uncle 2: bider?

Iron Bider: 1) brother+spider=bider 2) bisexual+spider=bider 3) pun on my iron spider suit

Iron Sister 2: I have to admit that's pretty smart

Iron Bider: thanks Ri!

[Iron Sister 2 was renamed I-Ri-on!]

I-Ri-on: done

Iron Sister 1: it's stupid to come up with another name

xXx~Iron Harlz~xXx: come on sis

Iron Aunt: Nebula, correct?

Iron Sister 1: that's correct

Iron Aunt: don't feel pressured, you can keep it the same or take your time choosing

Iron Bider: may I larb you so much

Iron Aunt: I larb you too

[Iron Uncle 1 was renamed Fun Uncle!]
Iron Uncle 2 was renamed Grumpy!

Iron Mom: honey why didn't you add Shuri?

Iron Dad: I asked and she said no and I won't force her

xXx-Iron Harlz-xXx: I have a suggestion for the middle name

Iron Mom: go on?

xXx-Iron Harlz-xXx: hartebugur

Iron Aunt: what the actual fuck is that

xXx-Iron Harlz-xXx: Harley Peter Nebula Riri

Iron Bider: that sounds like the worst portmanteau ever

I-Ri-on: oh look at you using big boy word

Iron Bider: shush

xXx-Iron Harlz-xXx: sometimes a family is a superhero, a business queen, a grumpy bodyguard/driver, another superhero, the best aunt, two mechanic-inclined kids, yet another superhero and a literal alien

Iron Aunt: thank you Harley! I'm happy you think I'm a good aunt!

Iron Bider: May you are the absolute best aunt, worlds best aunt

Fun Uncle: I'm pretty sure May could've singlehandedly defeated Thanos the moment she heard that he even was near Peter

Iron Aunt: that's right :)

Iron Sister 1: I believe we would get on well May

Mr Anthony: you're fired

Murica: Tony; is there any way that we can decrease the amount of… dedicated fans around us after
we do missions. I appreciate the support but it can be frustrating when we are trying to get to the briefing and, for example, get the attacker in custody and they are crowding us.

**Moira Hills:** you mean fangirls Steve

**Fe:** no can do cap, they all have crushes on you or one of us

**Fe:** actually, I’m pretty sure 90% of this chat had a crush on you at one point

**Murica:** That's besides the point, they could potentially get hurt if something goes wrong.

**Smol-derman:** wait what do you mean most people in this chat had a crush on Mr America

**Smolest man:** or has

**Sting Sting Bitch:** yes Scott we all know you have a crush on Cap

**It's Iron Patriot technically Tony:** are you ok with that? I know you two are together that is

**Sting sting bitch:** literally one of the first things he said when we started dating was “if I ever got the chance to have sex with Captain America I would, regardless of relationship status” so I'm ok with it. He's at least open about it

Smolest-Man: and it is one fine ass

Smol-derman: I???????

Fe: back in those days where I had a small hint of a crush and I decided when I made Cap’s new suit to make sure it did wonders for his ass because frankly his old one did nothing for it

Smol-derman: Dad please I don’t want to hear about your crushes?

Falchion: that's adorable that you call him Dad

Smol-derman: shut up your mom buys you megablocks instead of legos

Magnet: haha he got you Sam

Falchion: I hate you so much

America’s Ass: You guys are all joking, right?

Smolest-Man: I am literally not joking

Smolest-Man: if you wanted to Cap ;)

Smol-derman: can you please not I am only a small child??? I don’t want to hear about you guys having sex??????

SM: awesome!!!

TW: I'll make sure Hank leaves mine and Scott’s schedule free then

AM: I'll be honest and say I didn't expect them to allow this squad

SM: oh big mood

BW: it's always good to have a good stealth/infiltration team, regardless of the operation
TW: will Barton also be joining?

BW: no, Clint is fully retired from active duty, though he has said he'll remain as a trainer for who needs it

SM: yeah!! He's taught me some cool stuff, even some sharpshooting which is really useful for my webs!!! He's an awesome teacher!!

BW: I'll pass along your thoughts to Clint then Peter, he’ll appreciate that

BW: also, early reminder that you need to be quiet. It's a stealth mission, you can't banter

SM: oops, sorry it keeps slipping my mind

TW: if he just turns off the microphone in the suit that projects his voice it should be fine?

AM: probably?

BW: I will see you all at the compound’s hanger 8am sharp

BW: and we have a little surprise for you for this mission Peter

///

SM: can I just say the stealth suit is one of the coolest things I've ever seen????

Chapter End Notes

I dedicate this chapter to Steve's ass and to every fic writer who makes Flash an irredeemable bastard uwu

Anyone who thinks Scott Lang is straight is sorely mistaken because that boy has the biggest fucking crush on Steve, I'm not exaggerating. Literally just? Watch any movie he's in? He exudes the same level of disaster bi energy as Peter does though I didn't actually intend to make Scott and Steve fuck and yet here we fucking are

anyways, this is OFFICIALLY the end. They've graduated, they big kids now, Morgan is born, I think it's a good stopping point.

Thanks for sticking around for these memes <3 its been a good one.

*dabs*
