**The Chaos Family**

by [StarReads](http://archiveofourown.org/users/StarReads)

**Summary**
After the untimely demise of their last chat, Kaede decides to start a new one!

It's just as disastrous as the last one but hey! At least they're all alive.

For now, at least.

(Just kidding guys please don't kill me)

Notes

The long awaited sequel! If you haven't read the first one, I'd suggest you do that. Otherwise you're gonna be really confused!

This was inspired by Izuruthemad's chatfic! I'd suggest you read that one as well, it's really good!
Chapter 1: A New Chat Is Born

The Chaos Family

9:30 am

Akamatsu Kaede has added Iruma Miu and 14 others to the chatroom.

Saihara Shuichi: So this is the new groupchat then?

Akamatsu Kaede: Yep! New year, new groupchat!

Ouma Kokichi: WOOOHOOO! 2019 FOLKS

Chabishira Tenko: It's no longer 20GayTeen :(  

Yumeno Himiko: aww man.

Akamatsu Kaede: TWENTY BI TEEN, YEAR OF THE BI'S FOLKS

Momota Kaito: WEEEEEEEEE

Harukawa Maki: Please tell me no one made New Year's Resolutions. Cause I was sure we were skipping them this year

K1-B0: I didn't!

Ouma Kokichi: My New Year's Resolution ia to stop setting fires!

Tojo Kirumi: Valid.

Akamatsu Kaede: Less work for me. Hope you succeed!

Amami Rantarou: School starts in 6 days :(  

Yumeno Himiko: NO

Chabishira Tenko: Shhhhhhhhh...

Saihara Shuichi: April is in uh, 4 months

Hoshi Ryoma: We're almost Second Years.

Momota Kaito: I'M NOT FUCKING READY

Gokuhara Gonta: Gonta is excited!

Hoshi Ryoma: This is why I love you man

Iruma Miu: Fuck wth am I gonna do with my furbies where will they stay over the summer/in between school years break because we legally can't stay here.
Shirogane Tsmugi: Hey guys, are we still meeting at Amami's beach house this summer?

Amami Rantarou: Yeah. My Dad was p chill about letting us use it as long as nOTHING EXPLODES COUGH COUGH OUMA COUGH COUGH

Shinguji Korekiyo: The art of the callout

Yonaga Angie: DISRESPECT 101

Saihara Shuichi: Oof

K1-B0: Everyone! Be nice :(

Akamatsu Kaede: Fuck that.

Iruma Miu: I've taught you so well

Tojo Kirumi: I swear

Hoshi Ryoma: This is fine

Ouma Kokichi: You can't say that unless the dorms are on fire Uncle!

Hoshi Ryoma: F U I do what I want

Ouma Kokichi: WAAAAAAH!!!!! SHUMAI, HOSHI IS BEING MEEEEAAAAAAAAAN

Saihara Shuichi: Kokichi,,,,,

Shirogane Tsmugi: Lol, Ouma are you and Maki gonna have trouble getting away from the Oprhanage this summer?

Harukawa Maki: What are you talking about?

Shirogane Tsmugi: Don't you two babysit for them?

Momota Kaito: Yeah, I thought you guys usually spent your summers there?

Harukawa Maki: I do. Ouma hasn't lived at the orphanage since 6th grade. We all thought he moved in with an aunt.

Tojo Kirumi: Pardon me if I'm wrong, but I believe that Ouma has no living relatives. As otherwise he probably wouldn't have ended up in the orphnanage in the first place, correct?

Yonaga Angie: That's what Atua told me!

Saihara Shuichi: Kokichi

Ouma Kokichi: Yes?

Saihara Shuichi: Where do you live?
Akamatsu Kaede: I,,, you don't think he left the orphanage and became a street rat did he?

Momota Kaito: that doesn't make sense tho??? Why would he??

Harukawa Maki: Uh

K1-B0: What the living fuck did you do Maki.

Harukawa Maki: He might've left because of DICE

Harukawa Maki: The orphan mother didn't approve of Ouma hanging out with any of them, especially since a lot of them were street rats, ex druggies, people with a lot of issues, that sort of crowd. Then one day he just didn't come back. We all assumed he got adopted because the orphan mother didn't seem worried.

Tojo Kirumi: that will not do.

Tojo Kirumi is offline.

Hoshi Ryoma: Who's she calling?

Iruma Miu: The ghost busters.

Momota Kaito: WE HAVE A GHOST???

Momota Kaito is offline

Chabishira Tenko: stupid fucking degenerate male

Yumeno Himiko: Lol he's a scaredy cat. Ghosts are cool.

Shinguji Korekiyo: No, no they are not.

Yonaga Angie: Atua says his presence is always watching us! Even the ghosts!

EVERYONE FUCKING LEFT THE CHATROOM AT ONCE BITCHES

Yonaga Angie: Rude :/

Mother: You guys do know I'm legally independent right? Also I worked for the Minister of Japan for like half a year so people listen to me.

Father: I was unaware you were legally independent

Mother: Ah, makes more sense. Yes, even though I still live my parents legally speaking I am an independent minor, seeing as I've lived away from them on my own paycheck for quite some time.

SmallPanSon: "Why would she...I don't understand I'm really annoying why would she bother?" Ouma Kokichi 2019

SmallPanSon: "I'm going to kill anyone who's ever made you feel less than amazing and important and I'm gonna love you until you love yourself you fuck" Saïhara Shuichi, 2019

UncleHoshi: Sounds about right.

Father: How does one treat a burnt tongue?

Mother: Just a little milk. It should help with the initial pain

Father: Thank you.

Mother: Who burnt their tongue?

Father: Ouma was attempting to taste test something he was making and now he's sadly sitting there with a burn tongue

Mother: SMH that boy,,,

FightMe: Still weird that that lying gremlin is so sweet like???? Explaineth.

SmallGaySon: It's cause I was hit with a spell by a big scary warlock!

FellowGremlin: Really??? That's so cool!

FellowGremlin: Which one? Grindiwald? I bet it was Grindiwald

SmallGaySon: That was a lie! I'm just a normal human being with normal human complexities you dinguses.

FellowGremlin: Ah man....

FightMe: Oof nood

FellowGremlin: "nood"?

FightMe: You make oNE TYPO
CoolDad has changed FightMe's name to Nood-le

Nood-le: I resent this

Mother; pffft...

CoolDad: HOLY FUCK GUYS SHE'S LAUGHING I MADE HER LAUGH

CoolDad: BEST JOKE I'VE EVER MADE

CoolDad: I can hear her, a Mother's laughter is like a shot of energy drink

UncleBug: Why is the fridge covered in Maple Syrup?

Father: Sorry, bottle exploded while I was making pancakes.

Blocked: Fuck I must've left the joke bottle out there.

CoolDad: Miu!

Blocked: :)

UncleBug: Gonta will go get a rag!

Mother: Do you require assistance?

Father: No, I can handle it.

Mother: Okay. Then I shall work on the laundry.

MFSTARBOY: Mom I'm already doing that. Can you go check on Maki. She said she'd be back by now :/

Mother: Where did she go?

MFSTARBOY: Out to the roof for some sunshine.

MFSTARBOY: She's really out of it today. She had to take medicine for her legs cause they hurt really bad, and the medicine makes her super loopy and basically kind of uh, not herself?

FellowGremlin: Why do her legs hurt?

MFSTARBOY: Part of her knee joints are a little worn down so she has to be careful using them.

FellowGremlin: That blows. Hope she feels better soon!

MFSTARBOY: Me too man, me too.

Angery: Don't worry kid, I'll handle it. Just stay with Saihara and Kiibo, okay? Also just know that this conversation was not nearly this pleasant and I will deny being kind to you for the rest of my life.

Watson: Ok 1, stop calling him that, 2, He's better.

BestGirl: 1. I shall call my friends whatever I want to.
2. That's nice

Watson: Ok then Miu, w/e. What're you doing up this late?

BestGirl: Can't sleep.

Watson: Why?

BestGirl: Just bought Super Smash Bros Ultimate and I'm grinding to get the full roster.

Watson: GO TO BED

BestGirl: BUT I GOTTA UNLOCK 5 MORE CHARACTERS

Watson: DON'T MAKE ME GET THE BIG GUNS

BestGirl: Try me!!

Watson: @UncleBug

BestGirl: You monster.

UncleBug is online

UncleBug: Iruma-san should be asleep! Sleep is important! D:

BestGirl: okay ill go to bed goodnight
Mother: I am very disappointed this morning. Would you all like to know why?

DangerNeedle: I am curious as to why.

Mother: Somehow not a single pot is clean. Not a single one.

DangerNeedle: You can blame Ouma and his stress baking.

Mother: Ah,,,

DangerNeedle: Poor boy's been on edge since his therapy visit yesterday. I understand, I mean if I came to the sudden realization that someone I loved and treasured was actually a manipulative, abusive piece of shit, I'd be pretty shaken up too.

Mother: His current condition makes me crave violent vengeance against his biological parents.

FightMe²: Mood.

Mother: Ah, the rarest cryptid of them all, "Protective Maki"

FightMe²: Oh wow! So funny! I'm dying of laughter, lmao lolol rofl.

AngelHairPasta: Wow, that's a lot of Sodium Chlorine Maki.

DangerNeedle: Sodium Chlorine?

PianoMurderer: That's what NaCl is. It's the chemical compound for salt.

DangerNeedle: S O D I U M C H L O R I N E

BestGirl: omg

MFSTARBOY: I swear I cannot believe that you legitametly wrote that with a straigjt face.

PianoMurderer: What's wrong with it? That's the compound!

BestGirl: Nobody tell them

AngelHairPasta: Nobody tell us what? What's wrong?

FellowGremlin: Holy fuck this is funny as shit.
Watson: I cannot believe what I am reading

FellowGremlin: I'm legit lol-ing and Tenko is just staring at me confused.

Mother: I have no clue why Maki is laughing so loudly.

FightMe²: This is the best day of my life.

UncleHoshi: Kaede,,, you're smarter than this.

PianoMurderer: fuck am I spelling it wrong

UncleHoshi: No

UncleBug: Gonta not very smart, but isn't it Sodium Chloride?

PianoMurderer:

UncleBug: Gonta sorry if he hurt Akamatsu-san's feelings! Gonta not mean to! Gonta is gentleman, and gentleman not hurt other's feelings!

AngelHairPasta: I'VE BEEN CALLING IT THAT FOR TWO YEARS. WHY DID NO ONE CORRECT ME??!!?

PianoMurderer: I'm such a dumbass,,,,

UncleHoshi: Best entertainment I've ever had.

MFSTARBOY: I'm so disappointed in the two of you

BestGirl: Didn't you incorrectly try to make salt out of chlorine and sodium Kaito?

MFSTARBOY: Technically it can be done but it's not true salt

FellowGremlin: KAITO CHLORINE IS THE NATURAL GAS USED IN MUSTARD BOMBS AND IS WHAT COMBINES WITH SODIUM TO FORM SALT YOU DINGUS

MFSTARBOY: oh fuck

BestGirl: The chlorine in pool water, however, isn't the same thing and you will fucking die

Sherlock: I'd just like to say that Kokichi has been giggling all through this conversation and his laugh is amazing so thank you guys.

PianoMurderer: No problem I guess.

Watson: So uh, did y'all wanna play Mario party or something?

Ouma Kokichi: Understatement of the year lol

Shinguji Korekiyo: I've been where you are, so I understand

Ouma Kokichi: You're gonna make me talk about my feelings aren't you.

Shinguji Korekiyo: Not if you aren't comfortable with doing so.

Ouma Kokichi: ugh,,, no I'm fine.

Ouma Kokichi: Just...I really trusted them you know? I was so sure that they loved me and everything they said and did was to protect me.

Ouma Kokichi: Now I know I was wrong, and just ...

Ouma Kokichi: How do I know I'm not making the same mistake with everyone else? That the problem isn't something I'm doing?

Shinguji Korekiyo: Ah, I see. I suppose circumstances like this would fuel one's paranoia.

Shinguji Korekiyo: Ouma, I just want you to know that we all have your back. All we want is to see you get better and be happy.

Shinguji Korekiyo: We won't give up on you, so please don't give up on yourself.

PianoMurderer: Why are you like this

Sherlock: See, I never really saw much of my parents growing up...

Mother: Saihara, get to class. Kaede, what's wrong?

PianoMurderer: He's being all wishy-washy about coming to the meeting after school and if he ditches to go get ice cream with his friends I'll scream he needs to learn responsibility

Sherlock: You say, about the upperclassmen that had to physically drag you to the last meeting because you wanted to skip to get some extra sleep

PianoMurderer: I'm just saying it's hypocritical.

Sherlock: He only forced you to go because you organized the meeting and we needed the password for the projector.

PianoMurderer: Dang it Saihara!! Let me indiscriminately rage in peace!!!

Sherlock: Besides, you know Kirigiri and Naegi won't let him skip

PianoMurderer: Oh god I remember

PianoMurderer: Her disappointed face still haunts my nightmares.

Mother: I should ask her for some tips.

Sherlock: Kaede what have you done? You've handed our mother a weapon against us.

PianoMurderer: Ouma is rubbing off on you,,,
Sherlock:

Sherlock: Maybe a little..

Sherlock: Anyways, I won't be joining you all for lunch. My uncle wants to see Kokichi again so the three of us are going to his place for lunch.

Mother: I hope you enjoy it.

Sherlock: You're invited, Mom

Mother: O H

Sherlock: "I'd like to meet Ouma's parents, they sound lovely"

Sherlock: "Uncle his Mom is our age"

Sherlock: "Thanks for letting me know, I won't offer her wine then."

Tsmugi: Hey guys, ready for today's session?

Saihara: ((I am battered and bruised, but I'm ready to dungeon some dragons))

Ouma: ((Kaede screamed her head off at half the student council))

Kaito: ((What did you guys do?))

Ouma: ((Wow! Way to blame my Shumai! How do you know Kaede isn't at fault?!!))

Kiiibo: ((When was the last time Kaede made a real mistake?))

Ouma: ((Touche))

Kaede: ((I'm not perfect you guys,,,))

Miu: ((FALSEHOOD))

Kaede: ((G U Y S))

Saihara: ((I convinced half the student council to ditch a meeting))

Kirumi: ((Why are you like this?))

Saihara: (Ok look, I am a law-abiding citizen but sometimes a guy just needs a break.))

Kaede: (( You abandoned us with Monokuma!))

Saihara: (( You abandoned yourself))

Ouma: ((Gaslighting 101!))

Kiiibo: ((Kokichi are you okay?))

Ouma: (( Never, thanks for asking <3))
Maki: ((Mood))
Amami: ((Mood))
Korekiyo: ((Amami))
Kaito: ((Maki))
Kirumi: ((You two.))
Kaede: (You guys!)
Himiko: ((The 4 K's, back at it again with the "I see you there"'s))
Tenko: ((DDNDNDNDND THE FOUR K'S I'M DEaDEND))
Angie: ((Every day, Atua gets further and further away))
Hoshi: ((God has left the chat room))
Amami: ((I don't blame him.))
Tenko: ((But Grande said God Is A Woman! :( ))
Himiko: (Grande is so two-faced!)
Tsmugi: (( *Ten-faced))
Miu: ((Guess now we got Bad Blood.))
Maki: ((I'm not okay (I promise))
Ouma: ((MAKI IS A CLOSET EMO CONFIRMED))
Tenko: ((*Kinfirmed))
Gonta: ((Gonta is very confused))
Kaito: ((MOOD))
Tsmugi: ARE WE EVER GOING TO ACTUALLY START PLAYING
Kaede: ((Oh right lol.))
Tsmugi: Anyways, to recap, everyone is in the sewers except Dirk, Angie, and Seamus, who are joined up on the surface. Sewer people just got done fighting Dire Rats.
Himiko: ((Please don't call us sewer people.))
Ouma: (No do!))
Kiibo: "Well that was exhausting. We all ought to continue on now."
Korekiyo: "Or we could tell the lady her brother is dead and go to bed."

Amami: Evangil glares at Ezekiel. "Absolutely not. We made a promise and we need to stick to it."

Tenko: "I'm tempted to leave the two of them down here."

Kirumi: "We are not abandoning anyone."

Maki: "So that's a definite no?"

Kaito: "Yes!"

Saihara: "Let's move, you all are taking to long."

Ouma: 'Roger that captain!'"

Saihara: (( S T O P))

Ouma: (( N E V E R))

Kiibo: (Istg you two))

Gonta: ((????))

Hoshi: ((PLEASE JUST GET THE BOY AND GO))

Miu: Great Bear keeps walking.

Himiko: 'FOLLOW THAT HALF-ORC"

Kirumi: We follow that Half-Orc.

Tsmugi: After another 5 minutes of walking, you hear sniffling off in the distance.

Ouma: I charge off to grab the kid.

Kaede: I follow him because I don't trust him with kids.

Tsmugi: That's fair. The two of you stumble across the small boy surrounded by a pile of...corpses. They appear to be city guards.

Ouma: I immediatly turn around and run away.

Kaede: "Coward!" I approach the small boy. "Hello child. Are you lost?"

Tsmugi: He nods, not looking up.

Kaede: "Come with me, I'll take you home okay?"

Tsmugi: The boy stands up, and follows you.
Kaede: "We found him!"

Miu: "Was he really surrounded by corpses?"

Kaede: 'Yes."

Kirumi: "Poor child..."

Korekiyo: "How do we know he didn't kill them?"

Himiko: "How dare you accuse a little kid of hurting someone! You monster!"

Kaito: "Yeah, he's probably scared to death! Be more sensitive."

Maki: "I don't like this."

Amami: 'You don't like anything."

Kiibo: "Guys! We need to leave!"

Saihara: "He's right."

Tsmugi: Does your party exit the sewers?

Kaede: ((Yes))

Tsmugi: Some time later, you emerge from the sewers. The boy runs to his sister, and she beams. "Thank you! Please, come back to our home. We'll get you cleaned up, and we can discuss your payment over tea."

Kaede: 'We'd appreciate that very much."

Kaito: "I need a bath so badly."

Tenko: "I know, we can smell you from here."

Maki: I immediately snort and attempt to cover my face.

Kaito: I punch her in the ribs.

Maki: "Ow! You scoundrel!"

Kirumi: 'Please, no more fighting..."

Angie: we join back up with the party!

Hoshi: "You all smell terrible."

Miu: "We know."

Tsmugi: (( The sessions gotta end here. See you all next week.))
Ouma: ((Mwah!))

Maki: ((Gross))

Ouma: ((Whatever meanie. Xp))

Maki: ((Ugh...))

Ouma and 15 others are offline.

Chapter 18: Mall Day

Chapter Notes

Another day at the mall

I've read the responses to the survey so far. A lot of people have forgotten OC names so I should probably do a better job at using THEIR ACTUAL NAMES DNDNDND.

And maybe stop using them so much because they're side characters.

In other news, a lot of people expressed interest in a Discord server so here it is! I'm still looking for a server icon and setting things up but go ahead and join!

https://discord.gg/9tkeNa

See the end of the chapter for more notes.

5:45 pm

Tsmugi: Okay, let's jump right in

Tsmugi: The lady leads the party to the end of the town. She looks back at you. "Our house is just a little way's away. Maybe a 5-minute walk." She then continues forward, leading the group through a field of oddly colored flowers. Her brother clings to her skirt, looking down and kicking rocks.

Saihara: "This is a pretty place, isn't it."

Ouma: "I've never seen flowers this color before."

Himiko: "Maybe they're magic."

Hoshi: "Anything's possible."

Angie: "Even the impossible!"

Kaitor: "So is it possible for something to be impossible if anything's possible."

Maki: "Stop that, you'll give us all a headache."

Angie: "I suppose."

Miu: "If anything's possible then nothing's possible."

Kirumi: "Please stop this."

Ouma: "Do you think these flowers are edible?"

Kirumi: "DO NOT EAT THOSE LOKEIL"
Amami: "I don't think they are..."

Korekiyo: "Try it!"

Angie: "I'll do it with you!"

Tenko: "What the heck guys, don't eat those!"

Himiko: "Are y'all brain-dead?"

Gonta: "Why are we eating these?"

Kiibo: "They're dumb, that's why."

Ouma: "Wow! That's mean Blade!!!"

Kiibo: "I really don't care."

Maki: "Roasted."

Kaito: ((RIP LOKEIL 2018))

Miu: ((He was flamed by his friend so hard there ain't even dust left))

Ouma: ((Shut up Barbarians are the worst class))

Miu: ((YOU TAKE THAT BACK))

Ouma: ((NEVER))

Himiko: ((GUYS WHY ARE WE SHOUTING))

Tenko: ((I WOULD LIKE TO KNOW AS WELL))

KaeDe: ((STOP TYPING IN ALL CAPS YOU HOOLIGANS))

Tenko: ((NEVER))

Tsmugi: You arrive at a small cottage boarding the beach. The sand upon closer inspection is see-through, and purple waves splash at the shoreline. This entire area reminds you of a badly made watercolor painting.

Kirumi: "Lovely place you have."

Tsmugi: "Thank you. I have a small spring in the back, you may wash up there. Leave your clothes on the rocks, I'll get to laundering them."

Saihara: "Thank you for your kindness."
Tsmugi: "It's really no problem!" the girl says. Meanwhile, her brother darts into the cottage and disappears.

Ouma: "He's a fast one."

Kiibo: "Do you think we scared him?"

Korekiyo: "Who cares? He's a kid, he'll forget all about it by dinner."

Amami: "I care! My god would not tolerate such lax treating of a poor child!"

Angie: "My God wants us to kill him."

Tsmugi: The sister looks at Angie in disgust.

Hoshi: "Sorry. She's a loon but she's harmless."

Tsmugi: "If you say so..."

Kaito: "I need a bath so badly. C'mon let's hurry."

Maki: "No way, the girl's are not bathing at the same time as the guy's."

Himiko: "Yeah!"

Tenko: "I'm not bathing with filthy degenerate male perverts."

Ouma: "Hun I assure you we have better taste than that."

Miu: Great Bear chuckles.

Tenko: "Why you little-" I lunge for him

Ouma: I book it into the cabin lunging.

Kaede: "I apologize. My party is... an eccentric bunch."

Tsmugi: "Oh I don't mind. It's a nice change of pace."

Kirumi: "Pardon me, but did we ever get your name?"

Tsmugi: ((WHY WOULD YOU DO THIS TO ME))

Angie: ((DNDNDNDND SHE DIDNT NAME HER))

Korekiyo: ((When the DM doesn't prepare for obvious questions-))

Amami: ((DNDDNDND))
Tsmugi: "It's Rose."

Himiko: "That's a sweet name!"

Tsmugi: "Thank you. Now go ahead and bathe. I have laundry and tea to make."

Kaito: "Thanks!" I head out back.

Maki: "I suppose we can blind the men..."

Amami: "No need, I'm gay."

Korekiyo: "I hate you all if that helps."

Maki: "Oh okay then. What edge."

Hoshi: I head for the ocean because frick rules.

Ouma: ((Because frick rules dndnddn))

Saihara: (Can we skip through the bathing?)

Tsmugi: ((sure))

Tsmugi: After the party has bathed and received clean clothes, they sit down for tea with Rose. She fusses over Seamus and Lokeil, the latter because he's covered in bruises due to a certain happy-go-lucky sea elf's wrath.

Saihara: "So, uh, has your little brother ever expressed a distaste for other people?"

Ouma: "Has he ever killed an animal? Cause I heard all the sickos start early!"

Kirumi: I smack him upside the head and continue my tea.

Tsmugi: "Drew is a perfectly innocent boy and he would never hurt anyone!" Her voice rises, and it shakes as she speaks.

Kaito: "Rather defensive there," I whisper to Maki.

Maki: "Don't make assumptions Clint. It could have nothing to do with him."

Tenko: "We found your brother surrounded by dead bodies and we just thought-"

Amami: "Be quiet! That's the most insensitive thing I've ever heard. That poor boy is likely traumatized!"

Korekiyo: "Or he's a blood-thirsty serial killer."

Himiko: "He's like 10 years old! How could he possibly be that vicious?"
Kaede: "Looks can be deceiving..."

Kiibo: "You too?? Elana, you're much smarter than that!"

Ouma: "Oh! Are we fighting now? Great!"

Gonta: "Seamus thinks we all are being unreasonable."

Hoshi: "Ugh... I say we just leave. Who cares if the kid murdered them?"

Amami: "He did no such thing!"

Tenko: "You have no proof he didn't!"

Himiko: "Correlation does not equal causation!"

Kirumi: "SILENCE!"

Tsmugi: The room falls still.

Kirumi: "Rose I am incredibly sorry for this. You've suffered greatly and my party's behavior is unacceptable. I shall have a word with them later."

Tsmugi: "It's fine. I suppose you heroes are just worried. It's getting late, you can stay the night in the attic."

Kirumi: "Thank you. We'll be out of your hair come sunrise."

Tsmugi: "Take all the time you need." Rose departs for her own quarters. The party may do as they please.

Ouma: I run for the attic, desperate to actually sleep for once.

Saihara: I follow, as I'm very tired.

Tsmugi: ((Time for bed guy's! See you all next week.))

Hoshi: ((See you.))

Chapter 26: Hold Your Breathe

Chapter Summary

(Hey Shuichi?)

A soft thud, as if someone has put a book down.

{Yes Kokichi, what is it?}

(Wasn't Kiibo acting a little strange when he left? Am I the only one who noticed that?)

{I sort of picked up on it.}

(Do you think something's wrong?)

A deep breath, delicate and airy like the voice it belongs to.

{His sudden visit to Ibadiashi-san is a little concerning but I'm sure it's nothing. If it is, he'll tell us eventually.}

(But what if he doesn't?)

{Then we'll just have to support him anyways.}

(I suppose you're right. I'm gonna go get breakfast.)

A bed shifts.

{You do that.}

A door creaks open.

(Shumai?)

{Yes Kokichi?}

(I love you.)

{Love you too.}

A door closes.

Father: Have you started it?

FunDad: Yeah, I'm lik half-way done.

Father: Why haven't you?

BestGirl: I don't get what we're supposed to write about. Normally I'd ask Kiiibo but he's off visiting Mr. Ibadashi.

PianoMurderer: What? He wasn't due to visit him for a few weeks.

BestGirl: I asked if he needed emergency repairs or something, but he said he just needed to talk to him. What about I'm not sure.

PianoMurderer: Strange. Kinda red-flaggy to be honest.

BestGirl: I suppose. Well, whatever's happening with him'll have to wait. I need to finish this gosh darn paper.

Chapter Summary

Footsteps

(Hee Kiibaby!)

[Greetings Kokichi.]

Footsteps stop.

(Wow, that's formal. How are you feeling?)

[Normal I suppose.]

(Are you sure?)

[Absolutely positive, love.]

A small quiet squeal.

(Awww Kiibaby! That's a cute nickname, I love it!)

[It's really nothing. Did you need something?]

The shifting of fabric, as if someone was changing postitions.

(Nothing I guess. You just looked kinda lonely today.)

[I assure you I'm fine.]

(Well...if you say so! Should I come get you when lunch is ready?)

[I'd appreciate that.]

(Okay! See you soon, Love you!)

[Love you too.]

Footsteps.

{Kiibo?}

Silence.

{It's me, Shuichi.}

More silence.

If you strain your ears, soft crying can be heard.

Nothing about this is okay.

Mother: That sounds like a good idea. I think I'll bring Saihara up some tea. Does Ouma drink tea?

Sherlock: Normally I'd tell Kokichi to cool it with the mad dictator talk but I share the sentiment of wanting to crush anyone who hurts you so I'll let it slide. Are you feeling okay? Do you need us to do anything?

UncleBug: Gonta is confused.

UncleHoshi: Note to self: Never make Ouma my enemy and definitely don't anger Saihara
Mother: Everyone knows that Saihara has Serial Killer vibes and messing with him is ill-advised.

MFSTARBOY: My sidekick is very intimidating when he's angry.

PianoMurderer: It's the smile. It's that baby-eating smile that can melt bones and if looks could kill you'd be obliterated instantly

DangerNeedle: "Baby-eating smile" DO I SMELL A REFERENCE

PianoMurderer: not now Tsmugi. (But yes).

DangerNeedle: ((EEEEH!!))

Watson: I

Watson: I had a realization during my visit to Ibadashi-san and it's screwing with my head.

Sherlock: Mind if I ask what it is?

BestGirl: oh no

Father: Miu?

BestGirl: Hey I'm gonna get my best friend one of those comfy blankets from the lounge and make him some tea holy heck

Watson: I can't die naturally like the rest of you.

Watson: Eventually you all will grow old and I won't. You all will age and change and even though mentally I'll progress with you physically I will always be just like this.

Watson: I am going to be alive when the rest of you are dead. I am going to be at all of my loved one's funerals and be around long after the rest of you are gone and the thought of that is terrifying.

Detective Pikachu: Holy macaroni Kiibo. Oh my god.

Detective Pikachu: That's really heavy and dark and I can't believe you've been dealing with this on your own

Sherlock: And now I'm gonna be up all night. Kiibo I'm so sorry I have no clue what to say that has got to be the worst possible feeling on the planet.

Father: I'm going to just, prepare myself mentally for the talk we're about to have because g o d some wounds are opening that I'd rather stay closed.

Mother: I'm not sure what to do and I hate not knowing what to say

UncleHoshi: oh look an existential crisis f*ck me.

UncleBug: Gonta is sad now.
Maki: Himiko, Tenko, Tsmugi, and Angie are just all silently crying in the living room and Kaito looks like he's about to leave his body this is not good how many of us are having crises.

Mother: Maki are you okay?

Maki: I guess. Mostly just got hit with a lot of buried grief cause you know, Dead parents. Yay angst!

Mother: Stay calm stay calm

Detective Pikachu: Kiibo I want to hug you open your door, please.

Watson: I'm coming right now Ouma be just a second tell me you aren't crying

Detective Pikachu: I can't even bring myself to lie god this is the worst Kiibo I'm so sorry how do I fix this I want to fix this.

Sherlock: Shhh...Everyone take a moment to calm down. We'll meet up later to discuss it.

Watson: Okay..

Sherlock: Kiibo?

Watson: Yes?

Sherlock: You're not alone. We love you and everything will be okay.

Watson: I

Watson: I trust you when you say that.

Sherlock: :)

Watson: ... :)

Chapter End Notes

Not depicted: Everyone gathered in the common room and had a long talk about mortality. It was agreed that death is an inevitable tragedy that no one can escape, and Kiibo would eventually with time come to terms with what death meant for him. Until then, they should just live every day to the best of their abilities because life's to short to spend it fearing death at every moment.

Thanks for reading guys. You all mean so much to me and I'm glad you've come on this journey with me. Take care of yourselves and as always, have a wonderful day.

Y'all I need a little break cause I'm kinda tired man. ;-; I expended way too much energy writing yesterday and I burned out.

So uh, I thought I'd ask you all, what kind of arcs do you want to see? Angsty or not, either's fine! I want everyone to get a little character development.

Watson: Light crew is functional but for how long? I'm not sure.

UncleHoshi: Trust me once Izuru stop's showing up so will they.

Watson: Trying not to SMACK them is a test of my patient.

UncleHoshi: Honestly if the sound crew doesn't stop arguing I'm gonna make them where a get

DangerNeedle: Why did Amami tell me he's been shot?? Am I missing something here??

Father: It's code for "I have to go redo my T shots".

DangerNeedle: Ooooh! That makes more sense

DangerNeedle: So anyways, are you excited to be a second year???

Father: I guess.

Father: Rantarou's way more excited than I am

DangerNeedle: He always was the class's favorite

Mother:

DangerNeedle: Besides you Mom.

Mother:

DangerNeedle: Anyways, so we're all doing splatfest right now. Gonta is apparently a god at Splatoon

Father: Hoshi still can't beat him and it is hilarious to watch Kokichu try to win against Gonta

Mother: Well, I'm glad they're having fun

DangerNeedle: So am I. I have to go visit my Dad today. Keep an eye on Angie for me?

Father: Will do. She won't blow anything up on our watch.

DangerNeedle: :)
Mother; Nice lie there.

Father: Like we can control *Angie* of all people.

PianoMurderer: It's oddly cold in here. Is the heater broken?

Sherlock: Maybe. Miu went downstairs to check.

Watson: This is the perfect time to test out my heating function!

PianoMurderer: ???

Watson: Please give me aproximentaly 4.057 seconds!

Maki: Sometimes I forget he's a robot

MFSTARBOY: We all do lol

Skeptic: OMFG YOU GUYS HE'S SO WARM ITS LIKE HUGGING A NICE SUNNY DAY

Sherlock: K I'm never moving ever again

Maki: This is oddly pure,,

Watson: I'm happy this function is of use!

BestGirl is online

BestGirl: Heater's busted. I'm gonna call Souda down here to fix it, should take like 20 minutes tops.

PianoMurderer: Understood. Hurry back will you? <3

BestGirl: Don't worry, I will <3

FellowGremlin: God this is pure

MFSTARBOY: Grandma called. Funeral is next Thursday

Skeptic: We'll be there.

Sherlock: Fighting the urge to hover over you is a difficult task but I am my own master

FellowGremlin: Don't forget we're all just seconds away if you need anything.

MFSTARBOY: I know. Thank you guys :)

Sherlock: It's really nothing aha

BestGirl: We're all happy to help!

BestGirl: :))))
MFSTARBOY: Y'know Miu, you're not that bad.

BestGirl: Nice to hear that.

BestGirl is offline

Watson: Well, we should all take a break and get lunch. I'm thinking Ramen?

Skeptic: Ooooh, I know a place!

Sherlock: I'll pay

Angel: I'm paying.

Sherlock: Can't argue with that I guess.

FunDad: They're all having so much fun playing Monopoly :))

Stronkwomanz: Kaito literally just threatened to take all of Ouma’s bones.

FunDad: They're such good friends :)

Stronkwomanz: Yeah well, have you seen the newest HPA Conspiracy Theory??

FunDad: No.

Angel: I have!

Skeptic: I hate it. I want the people who came up with it to drop dead.

Angel: Okay then...

Angel: "Is Miu secretly cheating on Kaede?" is such tabloid drivel.

Sherlock: Miu looked very upset, she cursed for about an hour and now she's being extra lovey-dovey with Kaede and posting passive-aggressively to all her social media dndndndnd

PianoMurderer: This might just be the best day of my life my gf is so fucking cute

Skeptic: Still. We should get them on defamation!

Maki: We'd probably lose our case tbh

FunDad: Ugh, did you see the "Is Amami Really Trans?" theory? They just kept saying "Amami likes X so he must really be a female looking for attention" and I want to chuck bricks at them

Father: I was unaware of that one. Now I am. I don't suppose they live nearby?
UncleHoshi: That's code for "goodbye shins".

Skeptic: "Is Ouma deserving of Love?" That one was literally just a personal attack like

Maki: the streets will be paved in blood

MFSTARBOY: WHERED YOU GUYS GO??

Angel: We're all just discussing the shitty assholes known as "Hopes Peak Academy Conspiracy Theorists".

Sherlock: "Is Kiibo haunted?" was such a fucking riot tho.

Watson: Tempted to fuck with them by tweeting out a vague smiley face.

Sherlock: I say we start our own youtube channel and "review" all their theories.

Sherlock: I'm a detective. It's in my blood

Mother: If we do that, every class in HPA will want to start posting there

Skeptic: You know, actual content from HPA students might steal their fanbase...

Sherlock: It's done

Sherlock: Let's go fuck it up.

Maki: Time to binge bad theories!

FunDad: This is gonna be a long day.

UncleHoshi: Welcome aboard soldier.

UncleBug: Hoshi, shouldn't everyone go to bed soon?

UncleHoshi: 20 more minutes Gonta.

Watson: Saihara looks like he's gonna punt the computer

Angel: He better not! I spent good money on that!

Mother: He won't, don't worry Angie

UncleBug: Gonta thinks we should take a break and have lunch!

Skeptic: Good idea. We need to feed Maki before she kills someone

Mother: No guarantee that that'll stop her.

Skeptic: True, true.

Angel: I think I'll make Katsudon.

UncleHoshi: Did someone say Katsudon???

Angel: I did.

UncleHoshi: You're my favorite kid now.

Skeptic: Awww man :(

Angel: oh hush, everyone knows your Mom's favorite.

UncleHoshi: ^^^

UncleBug: But Gonta thought Moms weren't supposed to have favorites?

Mother: You're right Gonta. I don't.

Angel: It's Ouma isn't it?

Mother:

Mother: perhaps.

Skeptic: AWWWWW, MOM!!!!

UncleHoshi: You *better* be hungry folks

UncleBug: breakfast is the most important meal of the day!

Skeptic: no, that's second lunch.

Skeptic: Also, uh, DICE wants to see you guys soon?? I'm thinking on Saturday??

Watson: I'd love to meet DICE! Your family = my family

Sherlock: GUYS SOMEONE ONLINE TOLD ME THEY SPEAK FLUENT SPANISH

Stronkwomanz: And?

Sherlock: They said that "Oh my god" is TU ENSALADA

Skeptic:

Skeptic: YOUR SALAD

Watson: OMG YOUR SALAD

BestGirl: BRB MAKING A NEW ROLE

PianoMurderer: TU ENSALADA

UncleHoshi: Wow you hang out with idiots

BestGirl: He hangs out with us tho

UncleHoshi: Did I fricking stutter?

Stronkwomanz: "fricking"
UncleBug: Gonta thinks class is going to start soon.

PianoMurderer: Heads up, we have an English essay due today

BestGirl: *stares at 3/6 pages I have completed*

PianoMurderer: What's the point of rough drafts?? Like no, I'm writing the final draft and doing 0 editing because I live on the edge

Sherlock: of passing.

Watson: Akamatsu-san, shall I activate my health care protocol? You seem to have suffered from 3rd-degree burns.

Skeptic: God I love you.

Stronkwomanz: *Ensalada

Skeptic; DNDNDNDNDN

Sherlock: I love this group chat

Mother: We get it, now get to class before you're late.

Mother: Ouma finish chewing that bite before you leave the table you will choke if you try to sprint while eating

Skeptic: K, done

Mother: Open your mouth.

Skeptic: No

Mother: FINISH CHEWING

Skeptic: Fiiine, there you happy?

Mother: Yes, thank you.

Skeptic: geez having a mom is so tough :/

UncleBug: At least Ouma-san has someone to care for him!

Skeptic: Yeah,,,,, God I've gone soft. I need to go out and vandalize something

FunDad: the comments on our first youtube video are wild Y'all

Father: Also be prepared, both the Splatfest reel and some weird vlog the 77th and 78th did are going live in like, an hour.

FellowGremlin: WE SHOULD DO WEEKLY VLOGS

DangerNeedle: We could film random moments and compile them into a corny video

Skeptic: can't forget that F2U music folks :))

Angel: All I know is that our class has been coerced into posting twice a week so my life'll be hell

FunDad: But guys seriously this comment section is wild rofl

Maki: My faith in humanity diminishes every time I scroll down.

MFSTARBOY: Youtube comment sections in a nutshell.

FunDad: "chiaki_lover49: Saihara looked so offended by the second theory's mere existence. Like, I know I headcanon him as an overprotective boyfriend but to see it in action is just startling,"

Sherlock: Did I look mad??

Angel: Baby-eating smile man.

Father: not to be confused with the baby-kissing smile politicians have

MFSTARBOY: That just sounds wrong...

FellowGremlin: ???

UncleBug: Gonta is also confused

BestGirl: What's wrong with kissing babies? Babies are adorable and deserve all the love and affection in the world

Watson: Do you mean: Gonta Gokuhara?

Mother: Expected

Mother: Not encouraged but expected

Stronkwomanz: "TENKOSMASHPIKA: Finally! Someone denounced their Amami theory as
poorly disguised Transphobia. Sometimes I'm disappointed in this fandom smh.

UncleHoshi: Still weird to think we have a fandom

Mother: Tumblr is a minefield. A minefield people.

UncleBug: Tumblr has bombs???

BestGirl: No Gonta.

PianoMurderer: Maybe if you look hard enough.

Sherlock: That was low hanging fruit and you know it.

PianoMurderer: :P

Maki: "totally_not_tohru_tanaka: Miu would never cheat on Kaede! HPA Conspiracy Theories, turn on your location I just wanna have a lil talk."

MFSTARBOY: That theory made me so angry ugh

Skeptic: My favorite quote from the video has to be when Dad said: "Miu can't even spell the word "fried" correctly and you guys think she's smart enough to cheat on Kaede and not get caught? Come grade her papers for a bit, you'll get the idea."

BestGirl: I'm smart, I'm just better at like, building things and math and science than like, English and Social Ques.

MFSTARBOY: MOOD

FellowGremlin: GUYS "sans_is_ness: Anyone else notice how the Komaeda is Sans theories didn't even get debunked?? Komaeda is Sans confirmed."

Sherlock: Hajime couldn't stop laughing when I showed him that clip

Sherlock: Also "Hajime_Offical: @HPACONSPIRACY I wonder why Izuru and I look so similar?? I mean, it's got to be a coincidence. It's not like we share 90% of our DNA. It's not like we are *literally* cousins. Also, it's *they* you heathens."

BestGirl: These comments are wild though. Everyone is so mad at the "Is Chihiro pr&stitue" theory, poor Chiaki is being blasted as a furry, everyone is sure Kiibo is haunted and Kaito's an android too.

Maki: "Is Maki planning on murdering the entire class?" No, but thanks for the idea." is the best quote hands down

Skeptic: Biased so it doesn't count

FunDad: Anyways, we ought to head to lunch soon. After classes are over, we all have rehearsal till like, what time does it end?

Skeptic: 10 pm ;-;
Sherlock: The play is like 3 weeks away but for some ungodly reason we're being thrown through the wringer

Stronkwomanz: Gotta bulk up lol.

UncleHoshi: The school year *ends* on the 20th of March let that sink in

Mother: We have a little over a month and I think I'm gonna cry.

Skeptic: Hey! We get back to school on the 14th of April, so we won't have to wait very long to see each other.

DangerNeedle: Like I'm gonna let you guys spend the entire break away from me.

Angel: We're meeting up lots okay! I can't stand the idea of spending that long without you guys

Sherlock: Ouma are you staying with Kirumi or with one of us?

Skeptic: Kirumi lives like 3 miles from the school and she has an extra room so probably Kirumi

Sherlock: Cool, I'll probably be abducting you a lot when i'm not drowning in casework like I am now.

Skeptic: That's cool! I have a ton of DICE stuff to do too!

Watson: I'll probably tag along when I'm not being upgraded

DND Tuesdays
5:30 pm

Tsmugi: Ok, where we left off everyone was in the attic getting ready for bed!

Ouma: ((Wow, so cool!))

Maki: Maki sets her things in a corner and plops down.

Tsmugi: The attic is a wooden room, with boxes scattered all around. Rose has left some blankets on top of a table. The room has no lighting except for the pale moon glowing through the cracked window. The air inside is cold and smells a bit like a library.

Ouma: "Cold in here, huh?"

Kaito: "Well, at least we're sleeping inside."

Hoshi: "We might as well not be," the dwarven man grumbles.

Gonta: "Seamus thinks we should head to bed."

Himiko: "We'll have a long day ahead of us anyways, we should rest."

Tenko: Briar takes a blanket and sets herself down in a small alcove created by boxes and the wall.

Himiko: Diana joins Briar because Briar is surprisingly warm.

Ouma: "I call sleeping on the table!"

Maki: "Good. I hope you fall and hit your head."

Ouma: Lokeil sticks his tongue out at her.

Saihara: "You two! Cut it out, your fighting is not appreciated."

Angie: Angelina takes a blanket and curls up by the window.

Kaito: "Won't you be cold?"

Angie: "I welcome the cold! It's a blessing from our mother."
Korekiyo: "She's insane."

Amami: I shush Ezekiel. "She is but you can't say that," I whisper harshly.

Korekiyo: "Wow Evangil. And here I thought you were a goody-two-shoes."

Kirumi: "Could you all be any louder?"

Kaito: "Probably, but don't tempt them."

Kaede: "Stop fussing and go to be. You all are such nuisances," I say, grabbing a blanket and lying down in a corner.

Maki: I roll over and drift off to sleep.

Hoshi: "You guys are being loud again. Go the heck to bed."

Miu: "Great Bear is tired," I yawn, grabbing a blanket and waddling over to a spot on the floor.

Gonta: Seamus follows Great Bear's example and does the same.

Himiko: Diana yawns a little and snuggles into Briar.

Tsmugi: ((I squealed omg I need to draw this))

Angie: ((I'll do it!!!))

Saihara: Dragoni takes a blanket and plops down under the table.

Kiibo: Blade forgoes the blanket and takes a spot on a box, curling up into a ball.

Hoshi: Dirk climbs some boxes and sleeps high up away from the party.

Kirumi: Lily takes a spot against the wall.

Kaede: Elana plops down where she's standing and makes herself mildly comfortable.

Amami: "Time for bed then," Evangil says, taking a blanket and wandering over to the last corner.

Ouma: I climb on top of the table, taking the blanket that's there.

Tsmugi: ((K, that was the last blanket))

Korekiyo: Ezekiel just kinda shuffles over to the doorway and lies down in front of it.

Kaede: "Are you sure that's comfortable Ezekiel?"

Korekiyo: He's already asleep.

Tsmugi: ((Okay, everyone's in long rest mode.))
Ouma: ((This is so homey,,))

Kiibo: ((Somehow we all slept in game and took as long to do it as we do irl,,))

Tsmugi: ((Moving on.))

Tsmugi: In the middle of the night, as the moon sits high in the sky, soft scuffling can be heard on the staircase. The door handle turns and the door creaks open softly. This of course, wakes Ezekiel up.

Korekiyo: Ezekiel opens one eye carefully, shifting ever so slightly to hide that he's woken up.

Tsmugi: The figure freezes for a second, before relaxing. Two people step over you.

Kaede: ((No MORE VAMPIRES GFDI))

Tsmugi: ((They're not vampires!! JFC))

Tsmugi: Rose and her little brother have entered the room. Rose surveys the sleeping party with a soft smile. "See Charlie? You have nothing to worry about, they're all fine." Charlie shakes his head, pointing at the window. "Badman. Badman here soon," he mumbles, planting his feet firmly on the wood floor.

Himiko: I yawn and shift slightly in my sleep.

Tsmugi: Charlie starts for the window. He attempts to open it, but the latch is broken. He seems panicky, he keeps staring back at his shadow in distress.

Korekiyo: Having had enough, I scramble to my feet. "What the devil is going on?" I shout.

Tsmugi: Good job, you woke everyone else up. You have all gotten the equivalent of a long rest, about 8 hours since it's currently 3 in the morning and you went to bed at around 6:45 pm.

Hoshi: Dirk scrambles up from his sleeping position. "What's the matter?"

Amami: "Ezekiel? Are you okay?"

Kaede: "Everyone be quiet!"

Kirumi: "Elena, we have company."

Saihara: "I just want to sleep."

Angie: Considering Angelina is right underneath the window, she rolls out of the way and scrambles to her feet.

Miu: "What's happening?"

Seamus: "What's going on? Seamus is confused."

Tenko: "One peaceful night. That's all I wanted."
Ouma: "Peace? whose that?"

Kiibo: "Not funny Lokeil."

Maki: "What's wrong with the boy?"

Kaito: "Has he gone mad?"

Tsmugi: The boy screams. "Badman is coming! I can't be here when he comes! Shadow will kill us all. Shadow doesn't like the bad man.." he screams. He panics, grabbing a small stool from the vacant corner and smashing the window pane. Glass falls everywhere as he climbs through the window. "Charlie! Charlie!" Rose calls out, scrambling through the room, screaming.

Kirumi: ((While this is enrapturing, we need to get to bed.))

Ouma: ((Aww man, And it was just getting good!))

Maki: ((We'll be back next week Ouma.))

Tsmugi: ((Night everyone!))

Kaito: ((Night!!))

FunDad: I'm listening

Father: Now if only you would do that during class.

FunDad: sTOP EXPOSING MEEEEEE

Father: N e v e r

UncleHoshi: They posted 3 videos. One titled "Is Hoshi a Furry?" Another titled "Are Hoshi And Gonta Dating?" And the last one is titled "HPA Gang Response Video Review".

Sherlock: I watched that last one. They were actually really formal and loved to see their theories debunked because it gave them better ideas as to how theories should be "structured" apparently, but they *refused* to budge on their Amami one

FunDad: I'm gonna use twitter to tear them a new one

Skeptic: Already on it!

Father: Oh do tell.

UncleBug: Why is "Are Hoshi And Gonta Dating?" a theory???

UncleHoshi: Oh right, we never formally announced our relationship so the fandom has no solid proof,

Mother: Shall I do it for you?

UncleHoshi: Nah I've got this. Gonta c'mere

UncleBug: Okay!

Watson:" @SupremeDICELeaderOfficial: @HPACONSPIRACY Saw your review video. First of
all, thanks for apologizing to me, real sweet of you. But Amami *is* trans hunny. Transphobia is not appreciated, thanks!

**Sherlock:** The comments are full of people preparing to brigade their channel dndndndnd

**Watson:** Fuck we don't need that stress in our lives, someone stop the brigaders

**Mother:** I'll shoot out a warning tweet.

**UncleHoshi:** Done

**Father:** Twitter is gonna flip the fuck out.

**Skeptic:** Blocked.

**Sherlock:** Reported

**Watson:** So many tweets already,,, Twitter is insane guys.

**UncleHoshi:** You know what they say,,,, twitter will kill you as soon as they'll crown you

**Father:** Nobody says that. You made that up.

**UncleHoshi:** LET ME LIVE

**FunDad:** Get yo life buddy.

**UncleHoshi:** I will, damn!

Skeptic: IT'S HEART DAY MOTHERTRUCKERS

FunDad: Lol watch yo profanity

Skeptic: N E V E R

Mother: I'm making pancakes for breakfast if you guys want some.

FunDad: I can't believe they actually canceled classes before lunch.

Skeptic: It's cause the teachers and the 4th years have to do a fire safety lab.

Father: I almost feel bad for them.

UncleHoshi: Don'. They all defended Trevor and Generic-kun.

DangerNeedle: Except for that one girl! She was rather apologetic about the whole thing.

FunDad: Except she's dating Trevor so I can't like, like her.

DangerNeedle: true, true.

Skeptic: Dang Trevor, ruining everything

Mother: Well, come get pancakes @everyone

Sherlock is online

Sherlock: So, are we skipping afternoon classes or...?

PianoMurderer: Do mine eyes deceive me? Is the Vice Rep really discussing ditching?? The
horror!!!!

Skeptic: Can it blondie! I know for a fact you and Miu are ditching to go see a movie

UncleHoshi: Oof, callout post.

DangerNeedle: Are you gonna let him talk to you like that???

PianoMurderer: I mean, yeah.

FunDad: What??? What happened to being "a stern, strong class rep"???

PianoMurderer: I fear Saihara more than that tbh

DangerNeedle: It's that accursed smiley face smh

Sherlock: :)

DangerNeedle: AGH!!! STOP IT!!

Sherlock: :)))))

DangerNeedle: AHHHHHHHH

UncleHoshi: They're so dramatic smh

Mother: That's how theatre works.

FunDad: That's how the mafia works.

Mother: Not that meme, anything but that stale meme.

Father: Excuse me? My boyfriend may use any meme he dam well pleases.

Mother: Do you really wanna test me today?

Father: No, you know what I bought him so I guess I can't.

DangerNeedle: The art of the deal.

Sherlock: :)

DangerNeedle: S T O P

PianoMurderer: Anyways, I'm gonna go give Miu her gift

Skeptic: That reminds me! Shumai, go get Kiibaby and meet me outside! I've got your present all set up.

Sherlock: Okay. I'll go grab yours and Kiibo's while I'm at it.

Mother: Nothing is going to explode right?
Skeptic: :)

Mother: Normally I would mute you for that but today? Today I'll let it slide. Happy Valentines Day kid.  

BestGirl: :)))  

UncleHoshi: BRB Gonta wants to show me something.  

PianoMurderer: MIU COME OUT OF THE LAB I HAVE YOUR GIFT

UncleHoshi: I don't deserve Gonta  

Angel: DING DONG YOUR OPINION IS INCORRECT  

Stronkwomanz: You're the only one who deserves Gonta, Uncle Hoshi.  

UncleHoshi: Okay but he somehow got a whole bunch of butterflies to spell out my name and do a little show and I think these are tears  

Sherlock: that's hecking pure
Watson: How do you beat that??

UncleHoshi: All I got him was chocolates I feel so weird now

Angel: Hey! You know Gonta loves you and would probably be happy even if you just gave him a shiny rock.

DangerNeedle: Apparently my girlfriend is a sap because she gave me an album full of lil doodles of me and I have no words

Sherlock: That's also pure

Stronkwomanz: My heart is so warm right now

FellowGremlin: I'm buying Tenko dinner tonight as my gift I've been saving up all year.

Maki: Why is my heart so...warm and fuzzy?

UncleBug: Gonta thinks that's called love Harukawa-san.

Maki: Is it a disease?

MFSTARBOY: Okay now I know you're just teasing me

Watson: So uh, our boyfriend's a little...what's the word?

Sherlock: Extra. Really, really extra.

PianoMurderer: Do tell!

BestGirl: OMFG DID YOU DO IT?

Skeptic: DICE got me the connections I needed :)))

Sherlock: This SAINT of a man hired an entire orchestra to play music while someone set off CUSTOM FirEWORKS and then literally showered us in flowers my hair smells like a garden and I almost dropped his gift.

Watson: I love him so much,,,

Mother: Omfg Ouma we talked about this that's like, way too much.

BestGirl: AHAA! That was awesome :)) Also my girlfriend wrote me a sonata and that made me so happy. Though I was a lil disappointed cause all I got her was a necklace and that's not nearly as meaningful.

PianoMurderer: Oh hush, I love it and I will treasure it for the rest of my life.

Maki: My boyfriend literally bought a star...

Watson: Seriously??
Maki: He named it after me and he paid way too much money for that privilege how do I tell him he got ripped off??

MFSTARBOY: Did you not like it?

Maki: Honey this was incredibly thoughtful and I love you to death but how will we know which star it is???

MFSTARBOY: ..... 

MFSTARBOY: SHLT YOU RIGHT

Maki: Well, don't worry I guess. It was still the nicest gift I've ever received.

MFSTARBOY: :)

Maki: :)

FellowGremlin: We're all so soft today lmao

BestGirl: V-day tends to do that to people.

Angel: Tsmugi made me a whole bunch of hair ribbons so she's now braiding my hair look at her

Angel: softbabygirl.jpg

Father: You guys are the best thing that's ever happened to me.

UncleBug: Same!

UncleHoshi: Same.
Mo
Maki: I will never admit this ever again.

Maki: But...same.

Skeptic: I LOVE YOU ALL SO MUCH!!!

Watson: Me too.

Watson: *nyooom*

Stronkwomanz: My life is complete.

FellowGremlin: HEY! IT BETTER NOT BE FOR ANOTHER 80 YEARS

Stronkwomanz: okay, okay.

UncleHoshi: Oh shit
Skeptic: I don't know why that bugs me but it does???
Watson: Is that really your buisness though?
Skeptic: I know it's not and he's not required to answer but feelings are feelings and I'm entitled to

Watson: I wasn't implying you weren't.

Skeptic: Sure sounded like it.

Sherlock: Guys! Why are we fighting??? Kiibo, word choice. Watch it. Kokichi, try to be a little more understanding. You know emotions are harder for him.

Skeptic: You're right. Sorry Kiibo.

Maki: ((*stares past the fourth wall*))

Saihara: (( DRAG HER ))

Ouma: ((Don't. She has power over our lives, foolish mortals.))

Kaito: ((What's she gonna do, kill me?))

Maki: (Sometimes I worry about you..)

Ouma: (Can we start???)

Tenko: (Yeah, I’d like to actually accomplish something today)

Hoshi: (Words I never thought would come out of Tenko's mouth.)

Tenko: (Wow rude.)

Himiko: (Square up Uncle.)

Hoshi: (( I don't fight children, sorry.))

Himiko: ((REEEEEEEEEEEE))

Tsmugi: Charlie is currently running off towards the beach. Your move guys.

Ouma: I jump out the window after him!

Tsmugi: ((roll athletics))

Ouma: ((NAT 20!!))

Kiiibo: ((Wow))
Maki: ((Good job Ouma.))

Ouma: ((hee hee))

Tsmugi: You land gracefully on the soft ground like a swan.

Ouma: "What brilliant luck!"

Amami: Evangil leans out the window, sizing up the jump. He then carefully brings himself out, taking care to position himself just right.

Tsmugi: Roll Acrobatics!

Amami: ((14))

Tsmugi: You land, surprisingly uninjured. Though your knees are killing you.

Korekiyo: Leaning out the window, Ezekiel calls after Evangil, "You okay?"

Ouma: "Awww how sweet! Rat boy's looking after goody-two-shoes!"

Korekiyo: "Man, you should see a therapist. This is clearly suicidal behavior on your part."

Ouma: "I get that a lot."

Amami: "Hurry!"

Tenko: I go DOWN THE STAIRS like a normal person.

Himiko: Diana follows Briar.

Hoshi: Dirk jogs down the stairs after them.

Kirumi: Lily sighs and follows the party grumbling the whole way down.

Kaede: "Peace is impossible with these fools," Elana mutters, following the party down.

Saihara: I climb out the window.

Kiibo: I follow.

Tsmugi: Acrobatics for both of you!

Saihara: ((13))

Kiibo: ((21))

Tsmugi: Dragoni faceplants as Blade drops to the ground in style.

Kiibo: "You okay bud?"
Saihara: "Never better, thanks."

Angie: Angelina takes the stares, dragging Seamus with her.

Gonta: Seamus goes with Angelina.

Miu: Great Bear follows!

Tsmugi: As you all hopefully leave the house.

Maki: Maki goes back to sleep.

Kaito: I stay inside.

Tsmugi: As MOST of you leave the house, you can hear laughter from the beach.

Ouma: "Whoever that is, they are one creepy cookie."

Saihara: "Like an oatmeal raisin cookie composed primarily of raisins. A raisin oatmeal cookie!"

Kiiibo: "No one wants that!"

Ouma: Lokeil nods in agreement

Angie: (((!!!!!!!!!!!!!!!!)))

Kaede: ((FANDERS UNITE))

Hoshi: ((Them and their references.))

Amami: ((Lmao))

Tsmugi: As you all approach the beach, you see a tall dark shadow with glistening red eyes towering over Charlie. He seems to just be... laughing. Laughing at this small boy as he screams in a language that only Ezekiel and Lokeil can understand/

Ouma: "Oh god I hope I'm not related to this guy."

Korekiyo: "And I'm out."

Amami: "You can't just leave!!!"

Korekiyo: "Watch me!"

Miu: "HALT DEMON! YOU ARE VIOLATING THE LAW."

Tsmugi: The demon smirks at you.

Himiko: I charge to do battle with the beast.

Tenko: "Oh my god DIANA NO!!"
Kaede: "Omfg she's dead."
Kirumi: "Oh no."
Tsmugi: The demon picks you up, roll dex.
Himiko: ((11))
Tsmugi: You are trapped in his goey arms.
Himiko: "OK so that backfired!"
Kiibo: "Well duh!"
Amami: I try to convince the demon to let Diana go.
Tsmugi: Role persuasion.
Amami: ((Nat 1))
Ouma: ((RIP))
Tsmugi: You are so startled by the whole affair that all you can manage to do is shout "You can't do that, that's illegal!"
Korekiyo: "VERY SMART HOLY WATER."
Amami: "IM SORRY OKAY!!"
Gonta: Seamus tries to reason with the goo demon!
Tsmugi: Roll persuasion!
Gonta: ((16))
Tsmugi: The demon laughs and squeezes Diana tighter
Himiko: "AHHHHHHHHHHHHHHHHH"
Tenko: "UNHAND HER FOUL BEAST, OR FACE MY WRATH."
Ouma: "HE CAN'T HEar YOU! HE HAS AIRPODS ON!!!"
Saihara: "WHAT ARE AIRPODS??"
Tsmugi: Charlie is sobbing. "I'm sorry! I'm sorry!" He cries out. The shadow he casts begins to take form, rising from the sand, swirling in the wind...
Tsmugi: And we're out of time! Until next week!
Kirumi: ((I am so upset))
Ouma: ((WHAT IS IT!!))

Kaede: ((Angie we know you know tell us))

Angie: (( ; ))

PianoMurderer: Oh! Tea?

UncleHoshi: "What Do These Ahoges Mean?"

PianoMurderer: !!!!!

Sherlock: !!!!!!!!!!!!!!!!!!!!!

Watson: !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Skeptic: Wow, that's scary. What did they decide?

UncleHoshi: Lmao they decided the ahoges determined the sway ultimates have in their proposed hierarchy.

Skeptic: Pffftttt

Sherlock: I mean, they're not wrong,..

PianoMurderer: Almost everyone with an ahoge is a class rep lmao

Watson: I am a rare exception

Sherlock: And the best exception!

Skeptic: The only exception.

Sherlock: Did I HECKING stutter?

UncleHoshi: Jinkies!

PianoMurderer: No

UncleHoshi: it's coming back!
Skeptic: No, it's really not.
Sherlock: I dunno, it's kinda cool.
Watson: Yeah, if you're an old unmarried woman with 4 cats.
Sherlock: Oddly specific but okay
Skeptic: Kiibaby that was comedy gold!
Watson: Like gilded lead.
Mother is online
Mother: while I hate to interrupt this interesting dialogue of yours, you all should be preparing for school.

Watson: Nope! I'm being honest
Skeptic: That word makes me twitch
Watson: Honest?
Skeptic: THERE IT IS AGAIN!
PianoMurderer: The curse of the pathological liar
Skeptic: Oh woe is me!
Mother: please get ready!
Skeptic: Fine! You're no fun :( 
Sherlock: Life isn't fun
Watson: Love, stop that.
Sherlock: Sorry.

FunDad: Who is listening to "It's Quiet Uptown" on repeat? You're a monster.

Father: I too, would like to know.

PianoMurderer: Please present to me your shins.

Stronkwomanz: Please do not remove my shins.

PianoMurderer: G

Stronkwomanz: I WILL NOT PRESENT TO YOU MY BONES.

Sherlock: WHAT IS IT WITH US AND BONES???

FunDad: pretty sure removing someone's bones is illegal.

Sherlock: Please guys you promised that there'd be no illegal activity! It's No Felony February!

Father: Next month is Madness March, so be prepared.

PianoMurderer: Fine. In 9 days, I will collect your bones.

Stronkwomanz: I have 9 days to live,,,,

FunDad: Wow, you want to go get lunch? Gotta live life to the fullest before the bone collectors come for you.

FellowGremlin: PLEASE DO NOT REMOVE MY GIRLFRIEND'S BONES

Stronkwomanz: I kinda need those,,,,
Father: Well, technically speaking we could just replace all your bones with metal rods.

FellowGremlin: Would she then be considered a cyborg?

Stronkwomanz: ARE YOU FORGETTING THAT THE REMOVAL OF MY BONES WOULD KILL ME???

Skeptic is online

Skeptic: Hi, can I order one BONELESS Tenko?

Stronkwomanz: REEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE

Sherlock: Why must I suffer like this?

Watson: Guys seriously wtf
Father: okay this has gotten out of hand.

FunDad: You think??

Skeptic: This is so funny.

FellowGremlin: THERE WILL BE NO TAKING OF BONES?

Stronkwomanz: WHY IS THAT A QUESTION?!?!??

FellowGremlin: I DON'T KNOW WHO I AM ANYMORE

Mother is online

Mother: Kids. Get to class.

Skeptic: Okay mom!

Sherlock: Okay.

FunDad: Fine!

Father: let's go.

PianoMurderer: Sorry everyone, Miu had my phone.

BestGirl: Way to sell me out!

PianoMurderer: should've thought twice before using that cursed font.

BestGirl: you're so mean to me! QAQ

PianoMurderer: You know you love me.

BestGirl: *sighs* <3

Sherlock: So Tsmugi, you want to explain why Maki and Kokichi are out for your head??

DangerNeedle: I CAN EXPLAIN

Angel: She tried to shove Izuru and Mom in a closet together

Sherlock: HOW MANY TIMES HAVE WE HAD TO TELL YOU NOT TO MEDDLE IN PEOPLE'S LOVE LIVES?!

Angel: Not enough

DangerNeedle: not enough

Angel: AWWW!!!
Angel: Twinsies!

PianoMurderer: Well, Mom's now stress cleaning so uh, screw you?

BestGirl: Hoshi and Gonta are trying to convince her to relax but it's not working

Sherlock: Stop shoving people in closets Tsmugi

DangerNeedle: I make no promises

Watson: That's the best we can do.

BestGirl: Anyways, I was thinking, hear me out, that we record a smash bros tourney for the channel? We're the only class not posting regularly.

PianoMurderer: Ironic considering the channel was our idea.

MFSTARBOY: Oh! We should do another theory response video!

Watson: Sounds like a good idea. We could maybe run a Q and A at some point?

Sherlock: That sounds like a great idea. Especially because it would give us a chance to *calm the fandom down*

Watson: They're all so thirsty,..

DangerNeedle: Honey, twitter, and Instagram haunt my nightmares

Angel: Reminds me, I have to show Ouma something

Watson: I'm suddenly afraid.

Angel: It's really nothing!

Sherlock: If she traumatizes him Istg

Skeptic: Where is she??

UncleHoshi: I have no clue who you are referring to

Skeptic: We know you're hiding Tsmugi Uncle!

Maki: We just want to have a little chat with her.

UncleHoshi: That's obviously a big fat lie.

UncleHoshi: Look, just go back to lunch. We have rehearsal today and we have dinner together and I'd like them to be alive for that

Maki: I'm not gonna kill her!

Skeptic: I might.

UncleHoshi: see, that right there is why I'm not saying anything.

UncleBug is online

UncleBug: Hi!

Skeptic: Gonta! Have you seen our dear friend Tsmugi?

UncleBug: Shirogane-san? Shirogane-san is in Gonta's lab!

Maki: Marvelous. Thank you for your cooperation dear.

UncleBug: Gonta is happy to help!

UncleHoshi: well, at least I can say I tried.

UncleHoshi: I'm gonna go grab a fat nap before class

UncleBug: Do Ouma-san and Harukawa-san need the keys?
Maki: that would be great!

UncleBug: Gonta will bring them right away!

Skeptic: See you soon then!

Mother: So is no one going to explain why Tsmugi has a black eye?

Angel: I value my health and safety too much.

BestGirl: Lol, Maki, and Ouma had a little chat with her

Mother: Somehow, I suspected as much. What she attempted was foolhardy honestly. What possessed her to do that?

BestGirl: Aww, that's cute! You have no clue!

Skeptic: WATCH YOURSELF MIU. YOU'RE LIKE A SISTER TO ME BUT I WILL NOT HESITATE TO DESTROY YOU

BestGirl: Noted. My lips are sealed.

FunDad: So you're really opposed to it that much?

Skeptic: I don't hate it, but my Mom will never be forced to do anything that makes her uncomfortable. Let lightning strike me dead if that happens.

Mother: I appreciate the concern but what is going on?

Skeptic: Nothing mama! Pay it no mind

_Angel and 2 others are offline_

Mother: They never tell me anything

FunDad: Trust me, you're the lucky one.
Mother: ????

FunDad: The curse of being the fun one is that they tell me *everything*

FunDad: Absolutely everything.

Mother: I'm still confused but okay??

DangerNeedle: That sounds like a great idea!

Angel: Atua fortells that I shall win!

BestGirl: We'll see about that.

Sherlock: Is no one else freaked out about Angie seeing the future?

Watson: We're reincarnations of past selves, watched by thousands of people, one of our friends is literally the doll version of Pinochio, and Himiko once used her magic to switch our genders. Anything's possible honestly.

Sherlock: True,,,

Skeptic: I'M DEFINETLY GONNA WIN!

BestGirl: In your dreams!

Skeptic: Oh you're on Miu.

UncleHoshi: Hey, let's all just calm down and relax.

BestGirl: Yeah, you! You're jealous cause I'm awesome and smart and gorgeous and you're a shriveled toadstool!

Sherlock: Excuse me?

Stronkwomanz: Down! Bad degenerate male!

Sherlock: I'm not a dog Tenko!

Sherlock: Well you're acting like one!

Watson: Please discontinue your derogatory statements towards men.

Stronkwomanz: I haven't said anything that isn't true!

Skeptic: Whatever Miu. First of all, you have 2 braincells, and you share one with Kaede. You look like a fat, old, ugly cow, and you're the lamest person I've ever met.

BestGirl:

Skeptic: Awwwww, not gonna say anything? What's the matter, you gonna cry?

PianoMurderer: Stop that Ouma.

Skeptic: Why should I?

PianoMurderer: You're being awful!

Skeptic: I'm not being that bad. She used to call me worse!

PianoMurderer: Two wrongs don't make a right!

Sherlock: Tenko, I'd suggest *cooling your fucking jets*.

Stronkwomanz: See? Obviously he's a filthy degenerate, can't even speak without cussing!

FellowGremlin: Please stop fighting!

Watson: Watch how you speak to him!

Skeptic: Miu! Where'd you go you whore? Run away already? Sheesh, you're such a whiney baby!

PianoMurderer: STOP IT!

Skeptic: Make. Me.

DangerNeedle: I can't deal with this.

Angel: Ouma!

Skeptic: What do you want you crazy cult leader?
Angel: ITS NOT A CULT.

DangerNeedle: I have no clue what your deal is today, but you need to cut it out.

Skeptic: Why should I? You guys are always picking on me, but you can't take what you dish out?

Angel: We're joking. You're doing it malicously.

DangerNeedle: You're such a dick!

Skeptic: Awww, that hurt!

Skeptic: Not. I'm the supreme ruler of evil, emotions aren't my thing.

UncleBug: EVERYONE STOP TALKING!

Maki: Oh shit

UncleBug: Gonta is very disapointed in all of you!

UncleBug: Iruma-san, stop goading the others! Ouma-san, be nice! There's no need to be mean. Saihara-san, don't fight with the others! Chabishira-san, stop calling men degenerates!

BestGirl: Oh, so it's my fault is it?

Father: Everyone played an equal part in this. Ouma, what do you have to say.

Skeptic: I guess I went a little overboard. Sorry Miu, I was having a bad day and I took it out on you. Sorry Angie, I know it's not a cult

Angel: It's fine Ouma. What's wrong though?

Skeptic: So like, you know how my parents are in jail? Well, they sent me a letter so that wasn't...good.

Watson: Why weren't we informed?

Skeptic: Didn't want to bug you. Know that doesn't excuse me being mean to you guys though. Can I make it up to you?

Angel: You could sit through a sermon.

Skeptic: Okay. Miu?

TW: Self-harm mention, bullying, just a dark chapter

Confession: I had a hard time writing this. It hit really scary close to home for me, since I draw a lot of Miu's pain from my own. So writing this was a trip down memory lane. And not a good one. Still, I'm proud of this chapter. It has a big message.

Watson: so Miu's still holed up in her lab?

PianoMurderer: She hasn't come out since yesterday. I'm worried :( 

UncleBug: Gonta tried to visit Iruma-san, but Iruma-san yelled at Gonta to go away D:

FunDad: Urgh this hurts so bad guys, I feel like such a jerk

FellowGremlin: It's not our fault. If she had said something we'd have fixed things and she knows it. She's just sulking because she was too much of a baby to talk to us like a normal person

Father: Check your tone Himiko.

FellowGremlin: I'm sorry. This is just so frustrating! Why can't we just communicate issues before they turn into a big deal???

FunDad: That's a good question.

Watson: I guess we're just odd like that.

PianoMurderer: Okay! I am making a big sweeping declaration! Once we've dealt with this, from now on we need to be upfront and honest about our issues. We're gonna have a feelings hour where we talk about anything we have issues with and we're gonna work together because we are a FAMILY and we need to start supporting each other GFDI!

UncleBug: Gonta thinks that's a wonderful idea!

Watson: Plus, this'll give us all a chance to air out bad feelings before it becomes a huge problem! We have huge arguments and fight way too often for my tastes.
PianoMurderer: Deal?

FunDad: Deal!

Father: Deal!

Watson: Deal.

PianoMurderer: Now, we need to address the current issue.

FellowGremlin: But how? Miu won't even talk to us!

Father: Maybe we could recruit a neutral party?

PianoMurderer: That could work. Honestly, I'll do anything. I really miss her :( 

FellowGremlin: I have an Idea!

FunDad: Share?

FellowGremlin: Mom could ask Izuru to do it?

FellowGremlin: They seem to get along well and Izuru's pretty smart.

FunDad: That's actually really smart!

FellowGremlin: I know!

PianoMurderer: Well, one of you ask Kirumi to help. I'm... going to go visit Ouma.

Watson: Oh god, please send help.

PianoMurderer: How is he?

Watson: He kinda... shut down? All that stuff with his parents and the Miu not talking to him kinda sent him spiraling and he's pretty catatonic. He threw a knife at Maki! The only person he's letting near him is Mom. And of course, Saihara is all anxious because everyone's upset and it's just a clusterf0ck over here.

Tojo Kirumi: Hello Kamukura-san

Kamukura Izuru: I thought I assured you I would not be bothered if you simply referred to me as Izuru? It is what everyone else calls me.

Tojo Kirumi: I apologize, Izuru. It's simply a force of habit.
Kamukura Izuru: So, do you require assistance of some sort?

Tojo Kirumi: I know that you normally ask that as a "joke", but this time I am coming to you for assistance.

Kamukura Izuru: Ah. What do you require?

Tojo Kirumi: Iruma-san has holed herself up in her lab, and we were wondering if you'd be willing to try talking to her?

Kamukura Izuru: Why is Miu in her lab?

Tojo Kirumi: Ouma had a difficult day yesterday, and decided that, instead if properly dealing with his negative emotions, to take it out on Miu. This of course, had a negative impact on her psyche. Though I must admit, the rest of us have played a rather unfortunate part in her breakdown.

Kamukura Izuru: This seems like a rather terrible situation. I would be happy to help.

Tojo Kirumi: Thank you. Are you sure it's not an inconvenience to you/

Kamukura Izuru: I will literally do anything to avoid tests and experimentation, so really you are doing me a favor.

Tojo Kirumi: Well, of you are sure... Thank you.

Kamukura Izuru: No problem Tojo-san.

Tojo Kirumi: Kirumi.

Kamukura Izuru: ?

Tojo Kirumi: If I am to refer to you as "Izuru", you might as well do the same.

Skeptic: Hey guys...sorry for throwing a knife at you Maki.

Maki: It's fine. I was more worried about you having the knife to be honest.

MFSTARBOY: We were seriously worried you were gonna hurt yourself!
Skeptic: I thought about it, but Shumai and Kiibaby were there and I knew they'd be mad at me.

Sherlock: Ouma Kokichi! I would not be mad at you, but the idea of you hurting yourself is really scary and if you have those urges you need to talk to someone!

Maki: Gonna second this. Please actually get help if you need.

Angel: Repeat after me: Bottling up negative emotions is bad! ((COUGH COUGH MAKI, MIU, OUMA, KAITO, AMAMI, TSMUGI, MYSELF, AND KAEDE))

Angel: Oh and you hOSHI

UncleHoshi: Hey, I stopped doing that!

FunDad: Wish I could say the same,,,

Father: So, I'm scheduling a meeting with your therapist

FunDad: Ugh, fine.

BestGirl: Hi everyone.

PianoMurderer: Miu, I am so sorry. I can't believe I let this happen. I know there's really no excuse for how we treated you, and I understand if you never want to talk to us again but please if you'd just let us all apologize and try to make it up to you, this will never happen again/

BestGirl: I'm not mad at you Kaede.

FunDad: Kid, I have never been more upset with myself ever. I am so sorry and I know sorry doesn't heal bullet wounds but I just want ypu to know we all love you okay? I'm sorry you didn't feel that way, and I know it doesn't make that better.

BestGirl: I'm not mad at any of you anymore. I'm just,,, it really hurts okay? I know I try to act like I'm confident but I'm not. I have trust issues and I've been bullied for years as a kid and it's not,, I can't handle being teased like you guys can. I take things way too personally and I'm sensitive and I just..

BestGirl: I'm just not in a good place right now, you know?
UncleHoshi: I get that.

FellowGremlin: I wish you had said something earlier. I feel like sh!t knowing we've been hurting you for so long and we didn't even realize it.

Stronkwomanz: We're here for you, okay? No matter what.

Maki: Yeah Miu. We're family. No matter how much I want to throttle you sometimes, it's from a loving place.

MFSTARBOY: Maybe not the best choice of words.

Maki: Sorry. I don't really do this touchy-feely stuff.

Stronkwomanz: We know, and we love you. You're our emotionally stunted best friend <3

Skeptic: Miu, I can't think of enough words to describe how sorry I am. What I said was really out of line and I can't believe that I thought that was anything close to okay. There's really no excuse for what happened. I can't take what I said back, but I can say that I didn't really mean to hurt you that much. Or at all. You don't have to forgive me, I know I wouldn't.

BestGirl: Ouma, it's okay. Sure, you hurt me, but to be honest, I've done that to you way too many times. I can't count the number of times I've said seriously hurtful stuff to you. And at the end of the day, you're a really good friend. So...we cool?

Skeptic: We cool.

Sherlock: This is so,, normal. And good.

Watson: Welcome back Miu.

DangerNoodle: Also, Miu go hug Gonta because he thinks you're mad at him and,,

BestGirl: I'm on it!

UltimateDisaster: Glad to see this story has a happy ending.

Mother: As am I.

MFSTARBOY: So do you guys want to have that Smash tournament? We can have a chill family day, communicate, talk about feelings, you know, Kaede stuff??

PianoMurderer: People associating me with emotional maturity is my aesthetic.

Stronkwomanz: All woman are queens.

Ouma: ((Honestly, tea.))

Gonta: ((But everyone deserves love :D))

Hoshi: ((IM W E A K))

FunDad: ((Lol, effin mood.))

Angel: ((What is an effin?))

Ouma: ((Angie don't act ignorant))

Maki: ((Calling friends ignorant: Broke. Calling friends amazing and unique individuals: WOKE))

Kaede: ((I have taught her so well ;-;))
Kaito: ((So, uh, where did we leave off??))

Tsmugi: ((Prepare thy buttholes brethren. I am about to shock and amaze you.))

Kiibo: ((WHAT DO YOU WANT WITH MY BUTT??)))

Saihara: ((Fear))

Ouma: "AFTER THAT DEMON!"

Hoshi: "Can we not??"

Tsmugi: The wolf curls up by the kid, growling.

Kirumi: I decide to approach it.

Tenko: While Lily gets herself killed I run after the demon

Himiko: "THIS IS A BAD IDEA!"

Tenko: "I KNOW! ISN'T IT GREAT?"

Tsmugi: Clint, you can see the demon running towards the house.

Kaito: I shake Maki awake.

Maki: "What do you want?"

Kaito: "It's demon stabbing time. You have your dagger?"

Maki: "Yes." I say, taking it out.

Kaito: "Follow me!" I climb out the window, and onto the roof.

Tsmugi: Okay, I guess. What's your plan?

Maki: "What are we doing up here?"

Kaito: I put my arms around her waist.

Maki: "Is this really the time to be flirting with me?"

Ouma: ((SHUT DOWN))

Kaito: "That's not-ugh, nevermind. We don't have time for this. He's running! Hold onto your knife!" I say, scooting towards the edge, dragging her.

Maki: "Wait what?"

Kaito: "I'm gonna throw you! Aim for the demon!"

Maki: "WAIT WHAT?? NO!! I'M SCARED OF HEIGHTS!"

Kaito: "YEET!" I throw her.

Tsmugi: (( I CANT BREATHE))

Amami: ((Oh, she's dead.))
Saihara: ((RIP Maki. Clint threw her off a roof.))

Angie: ((RIP))

Kiibo: ((I'm gonna make dinner. Anyone hungry??))

Miu: ((OH! ME ME ME!))

UncleHoshi: It's just probably a bad mental health day

DangerNeedle: YAY!

DangerNeedle: God I don't want to go to class

UncleHoshi: None of us do.

PianoMurderer: I'm skipping lmao

BestGirl: That's my girl.

PianoMurderer: :)

Sherlock: Honestly, I'm pretty tempted to skip a well

Skeptic: Why not? I mean, we hardly ever skip lmao

Watson: Won't the teachers complain?

Mother: Why are we not going to class?

PianoMurderer: I'll tell them we all have an important meeting off campus for uh....YO ANGIE IS YOUR GRANDMA ALIVE?

Angel: Yes, why?
PianoMurderer: Okay, we're all going to her Grandma's birthday party.

Angel: Not gonna work. My grandma lives back on my home island.

PianoMurderer: Frick.

Skeptic: Let's just skip.

MFSTARBOY: We need an excuse to do that.

DangerNeedle: UGH, excuses.

Sherlock: it's not like one is just gonna fall into our lap or something.

UncleHoshi: Hold that thought.

UncleHoshi: Yo, @QueenSpiderWeaver, isn't today your birthday?

QueenSpiderWeaver: WHO TOLD YOU???

UncleHoshi: Mizuki

ImTheMap: I mean, technically it's on the 29th but,,

QueenSpiderWeaver: I kept it a secret for a REASON Mizuki!

QueenPrankster: But Hina-chan! Your birthday is important!

Skeptic: wait, so if you only have a birthday every four years...

QueenSpiderWeaver: Don't say it.

Mother: Ah, a leap year baby. Haven't met one in quite some time.

Skeptic: And you were born in 2004...

QueenSpiderWeaver: I SWEAR

Sherlock: Why is he like this?

Watson: I have no clue.

Skeptic: Does that mean you're only 3 years old???

QueenSpiderWeaver: I WILL SKIN YOU ALIVE!

Father: Please don't.

FunDad: ^^^^^^
Unclehoshi: Omg,,, she's a toddler,,,

DangerNeedle: I MEAN HE'S RIGHT!

Angel: Oh my god, I'm buying her a high chair for Christmas.

QueenSpiderWeaver: you all are insufferable.

Stronkwomanz: So what does that make Ogawa?

QueenPrankster: She's not an actual three years old, chill.

JewelsAndDeath: This is literally the funniest thing I've ever seen.

PianoMurderer: ANYWAYS! We should go out and celebrate! @everyone, are you in?

FlightDad is online

FlightDad: I am! I have a gift for her!

QueenSpiderWeaver: OMG NO

UncleHoshi: There's this pool near us!

FunDad: It's snowing.

UncleHoshi: So?

FunDad: it's COLD

UncleHoshi: I don't follow

FunDad: Heathen

PianoMurderer: hey! Be nice!

QueenPrankster: Well, I think we could have a little party at Bianca's place!

JewelsAndDeath: I'm down!

QueenPrankster: Cool!

DangerNeedle: Why Bianca's place?

JewelsAndDeath: I have a rather large house.

SoraSnobBoy: Is attendance mandatory?

FilmQueen: Yes!

FlightDad: if you really must miss it, I suppose it would be fine.
GamerBoi: No, he's coming.

DangerNeedle: Jury says?

Skeptic: He must attend.

Sherlock: So you're like what, 15 now?

Skeptic: She's so tiny!

QueenSpiderWeaver: HEY!

Angel: So Bianca's place then? What time?

JewelsAndDeath: I can be ready by 9!

Angel: Am?

JewelsAndDeath: Of course!

Mother: Then it's settled. Akamatsu-san, please inform the teachers that we have an obligation to attend to.

PianoMurderer: Himiko come with me?

FunDad: That's Izuru Kamukura. No clue why they're here. They just kinda...got in the car with Mom and no one questioned it.

Father: I've learned not to question this class.

Maki: Honestly, mood.

FilmQueen: They're pretty good-looking.

SoraSnobBoy: No, I bought it. I can assure you it is quality soda.

FlowerChild: I feel all giggly!

TigerEye: more than usual?

FlowerChild: Yep!

FlightDad: I mus admit, I feel a little loose myself. Maybe it's the sugar?

DangerNeedle: I drank some and I feel fine!

BestGirl: I'll check the soda!

Watson: Hinako just fell down the stairs again

Father: Not again! Ugh, where is her sister?

TigerEye: She's hanging out with me and Azune.

Mother: I think Alex might be sick. He just heaved.

SHSLConcern: Idiot took a sip of paint water. I told him that wasn't his drink!
CodeOverMen: Uh, so is it just me or does the soda taste like vodka??

Mother: I SWEAR TO GOD

Angel: SOMEONE SPIKED THE SODA?? HOW?? WHY???

SoraSnobBoy: @BabyDoll

BabyDoll: IT WAS HIMARI

QueenPrankster: ARE TOO!

BabyDoll: aM NOT!

Watson: On it!

Mother: So who spiked it?

FunDad: Miu?

PianoMurderer: Wasn't her.

Stronkwomanz: I think it was Hoshi?

UncleHoshi: Nope.

FunDad: Wait...didn't Saito stay behind earlier when we all went into the living room?

GamerBoi: I'm innocent I tell you!

BabyDoll: All right then. Guess we'll never know.

FilmDad: So, what does the Birthday girl want to do?
QueenSpiderWeaver: Let's play the quiet game! Winner gets to chose what we do afterward!

Chapter 63: Mom Needs A Break

Chapter Notes

This chapter was so hecking pure and sweet, and then I sprinkled in the angst and it exploded.

Chemistry 101

The Chaos Family
1:27 am

Mother: How is literally everyone awake?

Father: No one can sleep.

Skeptic: Night terrors, yay!

Maki: Mood

Father: That should not be a mood.

Skeptic: Lol, but it is.

Father: Everyone else? What's your excuse?

FunDad: Insomnia

UncleHoshi: Insomnia

UncleBug: Gonta is helping Kaede!

PianoMurderer: Headache

BestGirl: My girlfriend has a headache

Sherlock: Insomnia

FellowGremlin: Idfk

Stronkwomanz: Himiko's awake.

DangerNeedle: Work

Angel: Trying to get Tsmugi to sleep.
MFSTARBOY: Comforting Maki.

UltimateDisaster: I don't do sleep

Watson: I don't need sleep

Mother: Well, at least they all have semi-good reasons

Father: You guys need to sleep more,,

Maki: We know.

FunDad: How to turn off insomnia?

Watson: Yeetus deletus your brain

FunDad: On it!

Sherlock: RIP Dad.

UncleHoshi: Please do not delete your brain,,

Mother: ^^^^^

Skeptic: RIP we have rehearsal till 10 tonight

DangerNeedle: Lmao all the costumes are done, I'll just have the lackeys get everyone dressed and then nap in the back :P

Mother: I suppose if I have no import duties, sleeping in the back would be warranted.

FunDad: LMAO SAIHARA AND KAEDIE AND I HAVE TO REHEARSE

Sherlock: Jokes on you, I can sleep between scenes.

Dad: Jokes on you, I'm supporting cast and not a lead.

FunDad: Lmao catch him napping backstage.

Angel: If the sets were done,,

DangerNeedle: Just power through it babe! We believe in you <3333

Angel: I can do it.

FellowGremlin: I'll be taking a FAT nap between scenes.

Stronkwomanz: Ah, the joys of being in the light crew. I'll just let Kiibo and Ouma do all the work!

Skeptic: So glad we have other people working with us lmao
FellowGremlin: Gucci

Mother: We should attempt to sleep.,

UltimateDisaster: I believe that would be wise

MFSTARBPY: SLEEP IS FOR THE WEAK!

Maki: Going to bed then?

UncleHoshi: R I P

UncleBug: Harukawa-san! Be nice!

Maki: Fine, fine.

Maki is offline

Skeptic: See you guys in the morning then.

BestGirl: I'm gonna go make a whole bunch of coffee

PianoMurderer: Save some for me?

BestGirl: I shall

PianoMurderer: <3

DangerNeedle: Soft lesbians

Angel: Bedtime.

DangerNeedle: Night then

DangerNeedle and 15 others are offline

The Chaos Family
8:30 am

Skeptic: I REGRET THIS SO MUCH

Sherlock: My head hurts so much.

Watson: Foolish mortals and your need for sleep.

UltimateDisaster: A wild Gundam clone appears

Father: Speaking of the lord of darkness, we have a cryptid meeting today.

Angel: Oh, we do? I'm so excited! I can't wait to talk to Sonia-chan again!
FunDad: I guess I'm stuck hanging out with Souda then.

DangerNeedle: I'll join you guys since my cryptid girlfriend is gonna hang with the four horsemen of the apocalypse.

FunDad: "four horsemen of the apocalypse" you are my favorite child

Skeptic: Awww man :( 

FunDad: Oh hush, we all know you're Mom's favorite.

Skeptic: Mom doesn't have favorites.

Mother: False. I have favorites. I have very clear favorites.

PianoMurderer: *Stares at Gonta*

BestGirl: Lmao, Piano Aunt at it again

UncleHoshi has changed PianoMurderer's name to PianoAunt

UncleHoshi has changed BestGirl's name to InventorAunt

InventerAunt: IM NOT CRYING

Maki: She's sobbing

PianoAunt: I am pleased.

Maki: Also, I just watched Kaito put his math homework in the pencil sharpener.

Skeptic: OMG You are actually a trainwreck.

Sherlock: How does one even???

Watson: *puts 2 pencils and a math sheet on the desk* ONE OF THESE THINGS IS NOT LIKE THE OTHER. ONE OF THESE THINGS DOES NOT BELONG

Maki: So, someone change his name to SpaceHead

UncleHoshi has changed MFSTARBOY to SpaceHead

SpaceHead: I resent this

Maki: You deserve it tho,,

SpaceHead: TBH, Ur right

Mother: We should all be trying to focus on today's lessons. With finals being next week,, and the play being on the 12th,,

Father: God our schedule is a mess
Angel: I pray that I don't fail.

Skeptic: Instead of praying, why not actually study?

Angel: You are a fool and a blundering idiot. Studying is for the simpleminded.

DangerNeedle: Angie!

Angel: And also my loving and beautiful girlfriend

DangerNeedle: That's better.

Mother: Do I need to mute the chat?

Skeptic: No Mommy~~~!

Mother has muted the chat for 5 hours. Reason: Ouma, I love you, but just no.

The Chaos Family
2:30 pm

UltimateDisaster: I am concerned as to why I hear sobbing from this broom closet. And also, Ouma-san seems to be in quite a bit of panic

Watson: I'm OMW over now.

Father: The person in the broom closet is Kirumi. I think the stress got to her.

FunDad: She's always overworking herself,, like please honey no, it's okay to take breaks.

UncleBug: Will Mom be okay?

FellowGremlin: I think so?

FellowGremlin: Follow-up question, how old are you Izuru?

UltimateDisaster: And this is relevant how?

FellowGremlin: Just curious!

UltimateDisaster: if you must know, I'm 16.

FellowGremlin: REALLY? But you're almost a 4th year.

UltimateDisaster: I'm an artificial life form. I'm, for all intents and purposes, Hinata's clone. I was cloned from DNA collected from his 1st year and then finished forming in his 2nd year. I fail to understand why this is complicated?

FunDad: CLONING IS REAL????
Father: There he goes again.

Father: Now what? We need to get her out of there.

UltimateDisaster: I can assist if necessary. I am skilled at handling situations such as this.

FellowGremlin: Thanks in advance then. I'm gonna go check on the Panta Demon

UncleBug: Gonta is going to make cookies! Maybe that will cheer Mom up!

UncleHoshi: So pure,, I don't deserve him,,

UncleBug: That is a lie. Ryoma deserves the world.

UncleHoshi is offline

Maki is online

Maki: Why did Hoshi just throw his phone across the room??

Maki: Oh, I see.

Maki is offline

FunDad: I love them so much omg

The Chaos Family
5:30 pm

Skeptic: Mom?

Mother: I'm sorry for worrying you Ouma. I was simply having a bad day.

Skeptic: Oh no, it's fine! Are you okay? Do you need anything?

Mother: I'm fine

Skeptic: Hey! I know a lie when I see one!

Skeptic: I'm coming to find you. I think you need a hug.

Mother: ....I would like a hug.

Skeptic: OKAY! KING HUG TO THE RESCUE!

Skeptic is offline
Izuru's age is confusing because of clone shenanigans, so they just decided they'd be whatever age Hajime was when his DNA was collected. So they were 15 in their 2nd year. Izuru's birthday was actually in August tho. Lol, oops. Also, the 1st years were all 15, up to their birthdays of course.

AHHHHHHH THE BIG DOGGO STRIKES AGAIN

DND Tuesdays
5:30 pm

Tsmugi: Evening everyone! Are you ready for today?

Maki: ((I would like to know whether I need a new character or not.))

Tsmugi: ((LMAO, Nah you're fine.))

Tsmugi: ((Shall I start?))

Kirumi: ((Go ahead))

Tsmugi: As Maki hovers over the demon, he promptly disappears. Those of you on the beach watch as the wolf circles the boy, laying by him. And poor Blade, who is caught right next to the boy. The shadow dog doesn't seem to mind him.

Angel: ((WHAT A GOOD PUPPER))

Kiibo: ((God I love organic life forms))

Saihara: ((My boyfriend, the robot everyone.))

Kirumi: I reach to let the wolf sniff me.

Tsmugi: It does. It deems you safe and pulls you within the small circle. The wolf, by the way, is even bigger than Great Bear. It is actually huge.

Kirumi: "This is...pleasing."

Kiibo: "So, do you have a name Mr.Wold?"

Ouma: I go to check on Maki since we all just watched her get tossed off a roof.

Gonta: Seamus follows!

Hoshi: Dirk follows to make sure Maki doesn't kill Lokeil.

Maki: ((Fair.))
Kaito: ((Clint's in so much trouble, isn't he?))

Tenko: ((I'm going to gut him.))

Maki: I stand slowly, groaning. "I'm going to kill you for that, Clint."

Kaito: "It worked didn't it?" I call out, scrambling to get down safely.

Tsmugi: ((roll dex))

Kaito: ((16!))

Tsmugi: ((That's with your -2?))

Tenko: ((The Bard that can't do anything- The Movie))

Himiko: ((LMAO))

Kaito: ((Yes...))

Tsmugi: you dismount somewhat gracefully.

Maki: I immediately grab him by the ear and drag him over to the party.

Kaito: "OWWW!"

Himiko: "I can't believe you did that."

Korekiyo: "Where you trying to kill her???

Amami: "Nah, Clint's just dumb, to be honest."

Ouma: "I agree!"

Saihara: "Okay, enough."

Tsmugi: Charlie turns to Kiibo. "His name's Izurumi!"

Kirumi: ((...))

Ouma: ((someone wants to die today))

Angel: ((Ouma!))

Kiibo: "What a lovely name. Say, don't you think Rose is worried for you?"

Saihara: I discuss with Elana what to do with Clint.

Kaede: "I'm thinking a dunce cap?"

Miu: "We should tie him up and drag him behind us on a branch for a bit!"
Himiko: "I say we murder him."

Angel: "That's a wonderful idea!"

Amami: "NO IT'S NOT!!"

Maki: "Please, no murder."

Kaede: "It's tempting..."

Hoshi: "Oh my gods, no."

Angel: "Let's do it!"

Gonta: "Seamus thought murder was wrong?"

Tsmugi: Rose approaches the party. Stepping into the little circle, she collects her brother. "Thank you, folks, for your kindness. I know it seems mighty strange, but my brother has a wolf that follows him around. No one's sure what it is exactly."

Korekiyo: "Perhaps...no, but that is too dangerous a trip for the boy."

Amami: "Oh! Are you thinking..."

Korekiyo: "Exactly."

Ouma: "Can it lovebirds! Either finish your sentences or shut up!"

Saihara: "Be nice Lokeil!"

Kiiibo: "Lokeil, be nice!"

Hoshi: Dirk sighs.

Himiko: "Oh! Are you guys thinking of the Wizard's Guild in St. Monica?"

Tenko: "Right! If we bring him there, maybe someone can help him!"

Tsmugi: Rose pricks up at this. "St.Monica? Why that's only a month's journey from here. Would you be willing to take us?"

Kaito: "Why not?"

Maki: "We should head there anyway. It's a major city, so we ought to be able to find the way back to the canyon."

Hoshi: "Then it's settled. However, are you up for the journey? It's quite a ways away and we're on foot at the moment. Except for the horses."

Tsmugi: Charlie looks up. "I can...ride on Izurumi."

Angie: "Great! Well, we should all rest up. We have quite the journey ahead of us."
Kirumi: "I agree."

Kaede: "Well, inside with all of you!"

Tenko: I carry Briar inside.

Tsmugi: And that concludes our session! See you next week. Also, you all are Level 2 now!

Ouma: ((Bye!))

Tsmugi: ((Bye!))

UncleHoshi: I can. What's wrong?

SpaceHead: Grandma had a minor stroke. She's gonna be fine, but I still wanna see her.

UncleHoshi: Are you sure you're okay going alone?

SpaceHead: Yeah! Why wouldn't I be?

FunDad: You just lost your granddad. Are you sure seeing your grandma in the hospital won't be hard for you?

UncleHoshi: What he said.

Maki: I'll come with. What time do you think we'll be back?

Angel: A huge amount of time.
Mother: What are you implying?
FunDad: Nothing.

Father: There was so much blood. God, my head hurts thinking about it.

Skeptic: I'm really concerned about her.

Maki: I feel stabby.

SpaceHead: Stabby isn't a feeling.

Maki: IT IS FOR ME

Angel: Wow, this is a lot of tension.

Mother: Classes got canceled today because of all this.

FunDad: Good, I would've skipped anyways.

UncleHoshi: Gonta being stressed makes me feel bad.

Skeptic: Everything really sucks right now and I kinda want to crawl into a hole and never come out.

Sherlock: Protective Ouma strikes again

Watson: b l e s s h i m

Stronkwomanz: I didn't mean to hurt him. I just...I panicked okay?? I panicked really badly.

Mother: Elaborate.

DangerNeedle: Only if you want too though!

Maki: I mean, yeah but also if you have to tell the police you can't just... not.

Sherlock: Even then, details wouldn't be needed. And she doesn't have to tell us.

Stronkwomanz: He tried to look up my skirt and it...it brought back some really bad memories so I just started hitting him and Oh god if someone hadn't stopped me I could've killed him I wasn't even thinking/

InventorAunt: So it's his fault, basically?

PianoAunt: Normally violence isn't right but...

Father: Hey, Tenko?

Stronkwomanz: Yes?

Stronkwomanz:

Stronkwomanz: Yes...

It's my last day of school till Spring Break and I have 90 million things to do, so I'm gonna take today off. Thankfully, I have a week off! Woop! Let's go!
My parents are dragging me to a family gathering today, so writing won't be possible. God I'm sorry guys. I'll try to get on Discord though!
Chapter 69: Teruteru's Alright, I guess.

Chapter Notes

PSA ABOUT THE LAST CHAPTER

Teruteru was goofing around. He is not a rapist. He did not realize Tenko would have such a negative reaction. He will apologize once his jaw stops swelling. The flipping up of the skirt was a joke, one he played on his friends all the time in junior high. He's not a rapist, he's just fucking dumb. I hope no one saw rapist as I wrote that.

I changed it because the canon reason...kinda bugged me? It just felt like something a producer made up as a gimic. Also, since like 99% of their backstories were fake anyways, I took some creative liberties with this universe.

Tenko was raped as a child. It was what I was trying to imply, in case I was too vague about it. It's just hard personally for me to discuss, so I didn't want to go into it.

She knows that not all men are like that. She still goes to therapy, she's still working on it. However, that is how she copes. This is different for everyone. She just needs to build up trust before she'll let guys close to her. And in case someone asks, no she is not a lesbian because of her trauma. That's a really hurtful stereotype that can have negative consequences on a survivor's health.

The "degenarate male" thing is from her master by the way. It's a mix.

So in conclusion:

1. Teruteru is not a rapist or someone who assaults woman, he's just a dumbass.
2. Tenko is a victim of rape. She was threatened by Teruteru's actions and retaliated.
3. Tenko's fear of strange men comes from her rape. He just general stereotyping "hate" of men comes from her master's teachings.

Mother: Oh, I'm judging you all right.

Mother: Please turn your show down before our ears explode.

FellowGremlin: Is someone sitting on it?

DangerNeedle: Nope.

Mother: This is going nowhere.

DangerNeedle: Just come back omg

Angel: No. I have to find it now.

PianoAunt: This is perplexing, where is the remote?

Skeptic: Have you checked the freezer?

Watson: Why would it be in the freezer????

Skeptic: Amami-chan's done it before.

FunDad: I have. It was not amusing.

UncleHoshi: Maybe the broom closet?
Angel: It's not in the broom closet, I checked there.

Father: Perhaps Miu has it in her lab somewhere

InventorAunt: Maybe, I'll check!

SpaceHead: Maybe someone put it with the dvds?

Maki: It could be in someone's locker

Stronkwomanz: Has anyone checked the pool?

Sherlock: Why would it be in the pool?

Stronkwomanz: I don't know!

FunDad: Someone check the lost and found?

UncleBug: Gonta will go check right now!

DangerNeedle: I just want to watch my show in piece damn it!

Mother: We know Shirogane-san. But Angie is fixiated on the remote now

FellowGremlin: I checked my room and it's not it here

Skeptic: Rooms are a good idea! I'll check mine!

Sherlock: We should seriously consider putting a gps on the remote.

InventorAunt: Okay, so it's not in my lab

PianoAunt: We're checking rooms now.

UncleHoshi: If it's in mine it'e gone for good.

FellowGremlin: Nothing leaves that room.

Stronkwomanz: It's a minefield in there, how does Gonta not make you clean it?

UncleHoshi: We try, but it resists our efforts

Angel: It was in the freezer.

FunDad: Oh wow

Skeptic: Is that a phone ringing cause I CALLED IT.

Maki: Congragulations.

Skeptic: Thank you Japan!

SpaceHead: Can I return to my slumber now?

Maki: No

Mother: I already have assistance, but thank you for your offer.

DangerNeedle: You do?

InventorAunt: From who?

Mother: Izuru offered to help me.

FunDad: You sure do spend a lot of time with them.

Mother: Yes, I do. They are a dear friend

Father: If you say so..

Sherlock: I've got a case to work on.

Watson: Miu, can you check my legs for me?

InventorAunt: Sure, no problem?

Skeptic: Ooooh! I'll feed Panta and be right out!

Maki: Good. His jaw okay?

Stronkwomanz: Yeah. He told me he was just joking around and didn't realize that I would feel uncomfortable with that. He said he won't do it again.

Maki: I'm glad that's settled. He's a little shit but he's Hope's Peak's little shit.

Stronkwomanz: Yeah. He told me he got lectured by basically everyone, including his Mom.

Stronkwomanz: My therapist told me I need to stop calling him a degenerate though.

FellowGremlin: Honestly, that's probably health.

Stronkwomanz: Men are still slobby, stupid, brutish pigs but...they're not all rapists.

Stronkwomanz: Maybe a few of them are, but at the very least, school is a safe place

SpaceHead: Yo, can I have your therapist's number?

The theories are thanks to Osmosis and Ana+nonymous!

Hey, so the Q&A is underway! I'll be making a special chapter answering all the questions the party and I receive either Friday or Saturday! Feel free to pm me them on Discord, leave them in the comments below, or follow the hyperlink below to submit your questions! Try to keep them relatively SFW. I already have to edit 2 questions to be appropriate. So prepare for some ridiculous censor words! :P I do this because I'm monitored a lot and that's a conversation I don't want to have!

HotMess: Well that's a Mood (TM)

SEESAWEFFECT: I AM SO READY FOR THIS HISTORY EXAM

ThePrettyOne: Korekiyo has an advantage on this one RIP

ThePrettyOne: And Monokuma just told me I'm expected to come back from break a whole week early to help set things up in our dorms and just...UGH.

Liam: I have to come too.

Calculester: Really? Wow.

KiwiKichi: That seems unfair. Why can the teachers not do that themselves?

ThePrettyOne: I don't know. And really, I'm used to it. I'm expected to know everything and do everything and be everywhere at once, for whatever reason. I have to be mature and responsible all the time and it's driving me nuts.
TheCoolOne: Do you want to talk about it.

ThePrettyOne: No. I'm going to go get food.

MadeMaid: I normally go Scott's route, just because he's easy.

WhyHaveOneTalent: That seems fitting

MadeMaid: And you Izuru?

WhyHaveOneTalent: I go for Zoey

Anime: Same here! My eldritch goddess baby UWU

AtuaLover: I'm a Polly fan.

TheCoolOne: EYYYYYYYYYYYYY, me too!

ThePrettyOne: I go for Miranda (Everyone's favorite genocidal cutie)

Liam: I go for Liam.

KiwiKichi: Same tbh. He reminds me of someone.

Liam: I resent that.

KiwiKichi: :P
Legs: Ok so I go for Vera, she can step on me.

TheSmallestDwarf: I flip between Vera and Damien because both are just...URF

GremlinKing: I just pick whoever doesn't get snatched up.

EneClone: Scott. He and Kaito are just...similar.

Harubro: See, I love Miranda but I also adore Calculester but Damien's pretty cute too and he's UGH

Liam: They're all so pretty ;-;

Calculester: I switch it up. All of them are amazing

SEESAWEFFECT: Zoey.

SEESAWEFFECT: LOOK A "HER

HotMess: Damien or Scott all the way

KiwiKichi: So, we need to film a quick video.

TheCoolOne: What theories are we debunking now?

KiwiKichi:
1. Kaito is the Headmaster's illegitimate son and Kirigiri's half-brother.
2. Izuru is actually a demon summoned by Gundham.
3. Maki wears red eye contacts and hair extensions.
4. Sayaka is dating Celestia for publicity
5. Tenko beat up Teruteru as an act of violence against men.
6. Sakura is actually a man cross-dressing as a woman.
7. Chiaki is an AI that looks more human than Kiibo.
1: Miu built a time machine and sent maki back in time to kill JFK
2: Korekiyo is actually the girl from The Ring, and Himiko used dark magic to capture him to repay a debt she had to Amami
3: Kokichi is actually secretly ruling Novoselic and Sonia and her family are just actors
4: Gonta is actually a massive pile of bugs wearing human skin like Oogie Boogie and that's why he can communicate with them.
5: Kaito actually comes from space and the reason he's trying to become an Astronaut is because he wants to bring humans back to his own planet to fight in a war.
6: Kiibo is just a human in a very convincing costume made by tsumugi.
7: Hoshi is actually the last of a rare species of dwarf and is the heir to a huge fortune of gold.

WhyHaveOneTalent: FOR THE LOVE OF GOD I AM NOT A DEMON

MadeMaid: Hajime is going to die of laughter when he sees that one.

KiwiKichi: I wish I ruled Novoselic dndndnd

BugMan: Gonta is not made of bugs! That's silly!

Calculester: THE SECOND TO LAST ONE IS JUST BLATANT ROBOPHOBIA!

WhyHaveOneTalent: Chiaki saw the one about her and she's pissed.

Legs: Wow, someone wants to mess with Sakura? In MY house?? Gonna grab Asahina cause we're about to show up on their street.

SEESAWEFFECT: I AM NOT THE GIRL FROM THE RING OMG

HotMess: ic ant brEATHE

Harubro: MY DAD IS DEAD

EneClone: See, now I have to explain why my eyes are red.

Harubro: HOW CAN THEY THINK I"m KIRIGIRI's BROTHER AND AN ALIEN???

GremlinKing: GFDI another short joke???

Legs: That fifth one... oh boy!

TheSmallestDwarf: I need to call Sayaka because she is going to flip the frick out when she sees her's.

Calculester: Oh I’m not worried. People just like to talk. Can’t stop them, but I don’t have to
indulge in their tabloid garbage.

TheCoolOne: The one about Kaede’s twin is INSULTING.

ThePrettyOne: God. Why does everyone expect me to be perfect and responsible all the time? “Oh look, she made a mistake. Obviously, that’s her twin sister! Kaede never makes mistakes! She isn’t allowed! She has to be the perfect role model 24/7! Obviously! She isn’t allowed to be a TEENAGER. She has to be a LEADER. She has to be MATuRE.”

TheCoolOne: Kaede?

ThePrettyOne: I’m so tired of it! No one asked me if I wanted this! Everyone just assumed that I was okay with responsibility! Maybe I want to be less than perfect sometimes. Maybe I want to be human for once in my life!

KiwiKichi: Is this…a mental breakdown?

Calculester: Yes. I thought this would happen eventually. She works too much.

ThePrettyOne: I’m so stressed all the time and I can’t take it anymore! I feel like I’m going to explode!

MadeMaid: That boy and his friend's smh

EneClone: He always overreacts like that when it comes to Kaede and Kaito..and Ouma and Kiibo…and everyone really. That boy is way too protective of us all I swear. One of these days he’s gonna get himself killed.

MadeMaid: It’s rather admirable.

EneClone: I suppose.

AtuaLover: THE FANDOM DIDN’T THINK I EXISTED????

Calculester: Sounds about right

HaruBro: I’d believe it.

EneClone: So it’s canon now?

HaruBro: Yep.

AtuaLover: “Junko’s real name is ANGELINA”

AtuaLover: What are they smoking??

BugMan: Gonta is confused…is Kirumi not the Prime Minister?

MadeMaid: Not officially.

BugMan: IS Kirumi a SECRET president?

MadeMaid: That’s preposterous!

EneClone: Lmao what a crack theory

KiwiKichi: There’s no way that’d be real.

MadeMaid: Yes, what an absolutely bull theory.

WhyHaveOneTalent: I think someone might have spilled some information.

Legs: Probably Gonta tbh. He’s so easily tricked.

TheSmallestDwarf: We’ll have to feed them some false info.

AtuaLover: LEAVE IT TO ME!

AtuaLover: I’ll cosplay as an obscure anime character and relay false info regarding some “big scandal”. That should distract them.

MadeMaid: Just tell them about me and Izuru. They’ll have a field day and we can handle it.

WhyHaveOneTalent: agreed.

AtuaLover: I’m on it!

AtuaLover: Now, let’s do this.

EneClone: One last group hug before we leave?

MadeMaid: That would be nice.

MadeMaid: I can’t believe that we’re almost second years.

The Q&A Chat
Time Unknown

Star/Shelly has added The 79th, The 80th, and assorted members of the 78th and 77th class to the chat

Star/Shelly: Hey folks! Some of my readers have questions for you guys! Warning: I didn’t add all the characters because for the FOR EVERYONE questions, using literally every character would kill me! If you want to hear certain characters responses, ask in the comments, okay?

Hajime: Oh no, I’m here.

Chiaki: So just us reps huh?

Star/Shelly: Yeah lol. The 79th is the main cast anyway.

Ouma: weeeeeeeeeee, I’m a main character!

Mother: WHY IS MY NAME ALWAYs MOM???

Star/Shelly: Because you are Mom.

Naegi: What a thing to say.

Izuru: Why am I here?

Kirigiri: Probably fandom bs

Star/Shelly: Ahahaha, well here’s the first question! This one is for Miu, Maki, and Tenko! DankMemes_BrokenDreams asks: Pls step on me.

Maki: Why? What purpose does that serve?

Kaito: Maki…stay innocent.

Maki: I kill people for a living.

Kirigiri: That’s not even a question.

Ouma: Maki omg so pure
Tenko: Are they male or female?

Star/Shelly: Female.

Tenko: Well then, okay, I guess.

Himiko: Is this a weird kink thing?

Miu: Yeah. While I’m flattered, I only step on my girlfriend

Kaede: She doesn’t step on me

Ouma; Sureeeeee

Saihara: Whatever you say Kaede.

Kiibo: That wasn’t even a question!!!!!!!

Ouma: And?

Kiibo: SMH.

Star/Shelly: okay, next question! For the 79th: Would you rather be diddled by a katana or Miu’s spiky purple baseball bat? (This was censored obviously).

Mother: Neither! That would obviously hurt?

Amami: The katana.

Shinguji:

Shinguji: I would choose neither

Ouma: Amami that’s very…adventerous? Of you

Saihara: I think all of us agree that we’d pick neither

Hoshi: ^^^^^^^

Tsumugi: Miu, I’m concerned about you.

Angie: ^^^^^

Kaito: Are you okay?

Miu: What? I’m fine! Jeez, can’t a girl have fun?

Kaede: She scares me sometimes.

Himiko: The fear is universal.

Gonta: Gonta is a little confused :( 

Hoshi: Don’t ask.

Star/Shelly: okay, next! From anonymous: Korekiyo and Amami, if they were to drag you into a broom closet and lock you two inside, how would you react?
Amami: I’d call someone and plot your murder.

Shinguji: Cry probably. I don’t do small, enclosed spaces very well.

Himiko: Why would you do that though?

Angie: Sadism.

Star/Shelly: Haha, okay next: Miu, what are your thoughts on Antfarm ChickenRupture?

Miu: OH THAT MOVIE! Absolutely hilarious!

Angie: I’m gonna be sick.

Tenko: You are worse than a degenerate male sometimes.

Hoshi: This is why I can’t watch movies with you.

Naegi: Why? What’s wrong with it?

Kirisu: Don’t ask. Togami will kill me.

Naegi: Googling it.

Chiaki: OMG DO NOT

Naegi: Anddddd…I’m scarred for life.

Star/Shelly: Well then. @Reo, have you ever flown a 747?

Reo: Oh, me? Yeah of course I have! They’re good planes. I prefer smaller ones though.

Kanna: Flight Dad is the best boy.

Ouma: I disagree, Alex is but I can live with that.

Saihara: Who is Alex?

Kiibo: Omg

Kanna: You’ve seen him in person several times dude

Saihara: and?

Kiibo: Just…wow. You have a bad memory man.

Saihara: Is the pink one?

Kanna: “The pink one” omg.

Star/Shelly: Okay! Everyone: How do you feel about being reincarnated?

Kanna: The memories? They SUCK

Star/Shelly: Muahahahahaha

Ouma: Stop that.
Ouma: I guess they aren’t bad.
Saihara: I hate them, thanks.
Kiibo: So much trauma!
Himiko: TOTAL TRAUMA ISLAND Hajime: MOOD
Chiaki: Ahaha…mood.
Saihara: Pffttttt
Tenko: Well, I think we can all agree they suck!
Mother: Affirmative!
Star/Shelly: Figures. Okay! If you all had to date someone you aren’t dating now, who would it be?
Kirigiri: Oh god.
Naegi: I guess Sayaka? We get along okay.
Kirigiri: Is there a “No” option?
Star/Shelly: Well, yes but-
Izuru: No.
Chiaki: I’m single so like…lmao?
Hajime: Probably Chiaki.
Izuru: Have I said No? Because no.
Mother: Also a big No.
Shinguji: Anyone but my sister.
Amami: Okay, that was a dark answer. I’d say Gonta.
Hoshi: HISSSSSSSS
Hoshi: Also, no.
Gonta: Gonta would date the sun!
Angie: PFFFFFFFFFFFFFFF
Tenko: Tenko would date Sakura!
Himiko: Bold move. I too would date Sakura.
Saihara: Kaede
Kaede: Shuichi
Miu: Shuichi
Kaito: Shuichi
Ouma: Amami
Kiibo: No.
Angie: IS NO ONE GONNA TALK ABOUT HOW MANY PEOPLE SAID SHUICHI???
Tsumugi: honestly, Kaede.
Angie: ^^^^ 
Maki: I…I don’t know? I guess No, because like??? I can’t imagine myself with anyone else???
Kaito: B A B E OMG
Kaito: I’m melting omg
Saihara: wHy did so many people say me??
Ouma: Ur hawt.
Saihara: STOP THAT
Kiibo: I have the sudden urge to buy you something
Miu: Jealousy 101
Star/Shelly: SAIHARA HAREM COUGH COUGH. Next question: In the words of my dear friend, “so we are just a homoerotic incest couple now huh, you might as well bend me over backward and call me a flipflop.” Anyway, how are you :D
Gonta: Gonta is very confused.
Hoshi: What did I just read.
Kirigiri: I know a therapist you may like.
Naegi: So do I.
Hajime: We all do.
Izuru: Wow.
Star/Shelly: MOVING ON! Have any of you had instances of bullying?
Maki: Trevor.
Ouma: Trevor.
Saihara: I was forced into a dress in 4th grade by some junior high kids.
Tenko: I was beaten up a lot as a child.
Miu: aha…
Miu: WELL
Maki: Wow.

Star/Shelly: Okay, so…Next “question”: follow @vorempreg on Insta.

Saihara: IS that just…

Tsumugi: How rude!

Star/Shelly: I’m used to it tbh. Lmao, I don’t have Insta guys. Question: OUMA WHAT DID THE LETTER SAY?

Shinguji: What letter?

Mother: Seriously, what letter?

Tenko: I’m curious as well.

Kaede: When the whole class forgets a letter

Miu: Lmao

Star/Shelly: Next Question! TikTok! Opinions? thoughts? Concerns?

Tsumugi: So many cosplayers, so little time?

Izuru: what is a TikTok?

Angie: The website needs atua.

Naegi: STOP LEWDING MY CHILDHOOD

Kirigiri: So much lowkey nsfw content.

Chiaki: I WANNA BE TRACER MEMES ARE NOT FUNNY YOU-

Hajime: Sans megalomania is trash

Ouma: It’s great for making fun of people.

Saihara: So many pretty boys.…

Maki: It’s meh.

Kaito: SO MANY PRETTY BOYS AND GIRLS

Miu: I’m loving it!

Mother: Kids these days need to get out more.

Shinguji: And also eat water.

Amami: I saw someone eat a chip bag once.
Kiibo: That can’t be healthy!

Hoshi: nothing about this generation is healthy.

Ouma: MOOD

Himiko: This is a mess.

Star/Shelly: sTwo asks are just: “Cuck“ and ” bird up?”

Ouma: I’m confused

Kiibo: Next real ask?

Star/Shelly: QUICK, THINK FAST! What is the V7/ii of c minor?

Kaede: D DIMINISHED!

Star/Shelly: CORRECT!

Star/Shelly: Next: Ishimaru, how is your (redacted) going?

Ishimaru: NEXT.

Star/Shelly: Okay then. To whoever submitted “Kin Loona” I have no clue what that is or who it is for. And “Favorite mother mother song” person, I have never heard a mother mother song so… yeah. Anyways, next: Once I was crying in a Micheal’s and this lady came up to me and said everything was gonna be alright, I wonder how she is now

Maki: That’s…

Kaito: I’m sure she’s doing fine

Mother: What…why?

Amami: No one knows…no one knows…

Star/Shelly: Okay: Miu? How is your home life?

Miu: Skip.

Kaede: Miu?

Miu: SKIP

Star/Shelly: Wow, I’m concerned. Izuru: Miu?

Miu: It’s…it doesn’t matter.

Ouma: (((((we’re talking about this later, right?)))

Izuru: Yes, we are.

Maki: We are.

Kaede: We are.
Star/Shelly: Next question: Hinata, what do you think about Komaeda?

Hajime: “Wow, my boyfriend is a cute idiot.”

Chiaki: God I love the two of them

Kirigiri: Power couple.

Naegi: Can’t believe they graduate next year.

Kaede: GOD DON’T REMIND ME

Star/Shelly: There’s always college!

Star/Shelly: Anyways: Think fast? Give me the circle of fifths music major hmmm

Kaede: F, B flat, E flat, A flat, D flat with C #, G flat with F #, B with C flat, E, A, D, G, C

Miu: Wow. I love my piano nerd gf

Kaede: God middle school hated me.

Kaede: Next question?

Star/Shelly: If you call people traps you are invalid, thoughts?

Amami: Yes.

Alex: Yes.

Star/Shelly: I think everyone agrees. So, OURAN HIGH HOST CLUB BIASES

Amami: TAMUKI

Shinguji: Haven’t seen it.

Kaede: Honey!

Miu: Honey!

Ouma: Kyoya

Saihara: Hikaru

Kiibo: Kaoru

Maki: None of them

Kaito: All of them.

Mother: What is that?

Tsumugi: Haruhi

Angie: Kyoya

Tenko: Haruhi
Himiko: Mori

Gonta: Gonta likes Honey!

Hoshi: Same though.

Naegi: Haruhi

Kirigiri: Hikaru.

Chiaki: Mori

Hajime: I didn’t really like any of them

Izuru: Tamaki.

Star/Shelly: Mine is ALL OF THEM. Lmao, Next question: What were your first impressions of everyone? (79th class)

Ouma: “Everyone here looks really stupid. Oh, and Maki’s here so that’s cool i guess.”

Saihara: Wow. Mine was “Oh god they’re all staring at me I can feel it oh god.”

Kiibo: “Why is the blond staring at me and why is no one speaking.”

Tenko: “FILTHY DEGENERATE MALES! DIE!”

Kiibo: Great. Nice to meet you too.

Himiko: “Wow, everyone is really, really weird.”

Tsumugi: “Oh god so much to ship already.”

Miu: “IS THAT AN ACTUAL ROBOT ALSO EVERYONE IS HOT”

Maki: “I give them three days before they tick me off and I kill them. Does Ouma recognize me?”

Kaito: “Everyone seems nice enough…That girl with the red eyes looks like a kicked puppy oh god.”

Kaede: “HELP EVERYONE HERE IS HOT”

Saihara: Wow, mood.

Shinguji: “The headaches I can feel coming on are probably routine now, huh?”

Mother: “I suppose they won’t be too bad…what is wrong with that boy's uniform? It’s literally hanging off of him!”

Gonta: “Gonta likes everyone so far!”

Amami: “I already want to go home.”

Hoshi: “Help me, I think this is hell.”

Angie: “Wow, this should be fun! I wonder if I can get anyone to convert?”
Star/Shelly: Sounds about right. Miu, could you make a time machine?

Miu: Maybe if I could get ahold of actual materials. Can’t even get uranium smh.

Star/Shelly: Okay! Next: have any of you ever ordered 1000 chicken nuggets?

Ouma: WOW CALL ME OUT LIKE THAT

Chiaki: I’m not proud.

Amami: Ask me again in an hour.

Star/Shelly: To kork, Miu, rantaro, Kaede, and possibly hiyoko: y'alls are amazing, ily, I'd die for you, and you are perfect in every way <3

Shinguji: Thank you.

Miu: Awwww, thanks! <3

Amami: NOT IF I DIE FOR YOU FIRST

Shinguji: D O N O T

Kaede: Thank you!

Saionji: Thank you! You better love me!

Saionji is offline

Star/Shelly: Lesbian Sisterhood- what are your words of wisdom?

Tenko: From literally all of us: “World cold and hard. TIDDY soft and warm.”

Himiko: “Gals b4 pals”

Angie: If you don’t love your girlfriend, a lesbian WILL.

Tsumugi: It’s normal to like girls, it’s not normal to murder them. Angie: Also, bathe. Please.

Star/Shelly: Okay, so someone asked: Has Succi got the SUCC in this timeline yet?

Ouma: Classified

Kiibo: ^^^^^^^^^^^

Saihara is offline

Maki: We broke him omg

Star/Shelly: Okay, so last three questions!

Has anyone called Chabashira "The Chub-Shredder"?

What was the weirdest flashback/memories of your past life?

To everyone, who's the biggest memer in HPA?
Tenko: No, No one has called me that. Please do not call me that.

Ouma: Probably dying tbh.

Kaede: Dying feels weird

Amami: Probably that fever dream where I was someone else for like 5 seconds

Tsumugi: Same

Naegi: I swear sometimes I have memories of being someone I’m not.

Tsumugi: Usually someone with a similar voice actually

Amami: It’s radio interference

Izuru: The biggest memer in the school is Nagito.

Izuru: He has to be. The fandom is insane and he has to cope somehow.

Ouma: Oh god. The Jevil fangirls have arrived.

Amami: Please…no JevilXKomaedea we can’t do it.

Hajime: SANSMAEDA IS CANON KING!

Hajime is offline

Star/Shelly: And with that note, goodbye kids!

Star/Shelly has removed everyone else from the chat room

Star/Shelly: And now, some questions for me:

Are you planning to make an arc for all the characters?

Eventually! It’s gonna take a while though!

How often do you write/what writing techniques do you use?

I write pretty much every day! It can be hard sometimes, but I love writing and the pain that comes with it! As for how I write, it’s like….word vomit. Sometimes I plan out what I want to happen, but usually, it’s very barebones. I let the story guide me. It can be harder this way, but the results usually feel more rewarding. Especially after the 4th or 5th edit :)

Thanks for reading everyone!

HotMess: It's just easier to handle sometimes.
GremlinKing: I wonder about it a lot
HotMess: That's okay. Just...talk to us, okay? We're all here for you.
MadeMaid: I looked up in the backlogs and honestly, Amami and Hoshi are adorable.

WhyHaveOneTalent: Honestly, tea.

MadeMaid: They have a good...is the word bromance?

WhyHaveOneTalent: I believe so.

Liam: I wish I had a bromance that strong.

Calculester: Way to slander Kaito man.

Harubro: Yeah dude, I thought we were friends.

Liam: We are!

Harubro: Yet you deny our bromance? Do you have another bro?

Liam: No, I swear man, you're the only bro for me.

Harubro: Don't lie! I can see you looking at other bros! Who is it? Amami? Ouma? Gonta? WHO IS IT!!

Liam: Amami and Gonta are just friends man! I'd never cheat on our bromance. I value it too much!

MadeMaid: Should we leave?

WhyHaveOneTalent: No. This is amusing.

Harubro: You never said anything about Ouma. I knew it! You've had your eye on him since we met!

Liam: He's just my boyfriend!

Harubro: Oh yeah, that's what they all say. "He's just my boyfriend, I promise!" Then you find out they've had a bromance for months behind your back. I won't be a fool Saihara!

Liam: I swear! I would never cheat on you!

KiwiKichi: Hey bro!

Liam: SHHHHHHH

Harubro: *GASPS LOUDLY*
EneClone: What the fuck?

Calculester: They're just being weird again

ThePrettyOne: Shuichi! I can't believe you!

Harubro: I TRUSTED YOU! AND YOU BETRAYED ME! WAS I JUST THE OTHER BRO TO YOU?

Liam: It's not like that, I swear!

Harubro: No! I won't be lied to anymore! We're over! I'm going to my girlfriend's place. Maybe she'll respect me.

Liam: Kaito please!

ThePrettyOne: You lost your chance Shuichi. You two-timing bro-whore!

ThePrettyOne: Let's go Kaito.

Harubro: Yes, let's.

Harubro and 2 others are offline

MadeMaid: That was entertaining.

Liam: Lmao, Kaito is dying in my Dms

KiwiKichi: What an epic tale!

Calculester: You two are weird.

Liam: Yeah, we know.

KiwiKichi: But you love us :p

Calculester: Sadly!

Liam: RUDE

Calculester: :)

Liam: No, I'm hurt.

Calculester: I'll buy lunch.

Liam: Suddenly, I am no longer angry.

KiwiKichi: Don't you have casework to do?

Liam: Fuck.

Calculester: We'll bring it to you?

Liam: God, I love you.

Shinguji: Bring her! We need to LOVE and APPRECIATE both of the twins equally!

Ouma: I guess.

Saihara: Kokichi!

Ouma: JK, JK. Of course, she's part of the family! Kind of...tbh, Have we even MET her yet?

Miu: I have. But then again, I have GF privileges.

Ouma: HeY mOm, aRe yOu gOnnA bE thERE???

Kirumi: I would assume so??

Maki: You plebians and your PARENTS.

Kaito: Maki, my grandma will be your's for the day.

Kirumi: I will be your mother as well
Amami: Awww man! Korekiyo and I were gonna call dibs.

Shinguji: I was not informed of this.

Angie: Lmao, no one informs you of anything

Himiko: Especially not adoption! Like, puh-lease, why bother telling your SO you've adopted a raccoon?

Tenko: What

Himiko: NOTHING

Kirumi: Himiko ISTG did you adopt a raccoon?

Amami: Omg Himiko

Shinguji: I can hear the awkward pause from here.

Gonta: Gonta likes raccoons!

Hoshi: Oh my god kid

Himiko: HIS NAME IS PEANUT AND I LOVE HIM

Tenko: YOU CANT JUST ADOPT WILD ANIMALS!

Angie: YES YOU CAN! GO HIMIKO!

Miu: Yeah! Raccoons deserve love!

Kaede: THAT'S A WILD ANIMAL HIMIKO

Himiko: I LOVE HIM AND YOU CAN'T STOP ME

Kiibo: Please return Peanut to the wild!

Ouma: No, keep him! Screw everyone else, this is LOVE.

Saihara: KOKICHI!

Kaito: FIGHT THE POWER HIMIKO!

Maki: OMG KAITO NO

Himiko: NO ONE WILL SEPARATE US

Tenko: I WANT A DIVORCE

Himiko: Wait no I'll put it back please don't leave me I'm sorry

Tenko: What? Hunny I was joking, you can keep the raccoon just take it to the vet.
Himiko: Okay! It's maybe...3-4 months old?

Kiibo: It's a baby raccoon?

Himiko: Yeah.

Amami: NGL, that's kinda cute.

Himiko: My owl likes it!

Kaede: WAIT HIMIKO NO

Himiko: OH GOD PIDGE WHY????

Saihara: Great, now I'm crying.

Kaede: So, are we doing DND?

Himiko: I guess...I'm just gonna mourn my Peanut.

Tsumugi: Okay! Let's begin!

Tsumugi: You all are outside. Today, this morning, you will begin your month-long journey to the capital. You all are simply waiting for Rose and Charlie to come out. Izurumi sits proudly next to Blade, whom he has taken a liking to.

Kiibo: "I am in love with this overgrown puppy. Although I am slightly concerned that he is going to inhale my head by accident."

Amami: "What a way to die."

Shinguji: "What is taking them so long?"

Tenko: "Ezekiel! Don't rush the maiden! She might be attending to important business!"

Angie: "Yes! We cannot rush her! I am all for chaos, but that would be too much for me!"

Ouma: "Do you genuinely listen to the words that exit your dumb mouth, Angelina?"

Gonta: "Lokeil! Be nice!"

Ouma: "What's that?"

Saihara: "Can we leave him here?"

Kirumi: "Sadly, no."

Hoshi: "We can accidentally push him off a cliff!"

Kaito: "That's murder!"
Himiko: "You threw Maki off a roof, Clint. We aren't listening to you."

Kaito: "I TOLD YOU THAT WAS A STRATEGY!"

Maki: "You could have killed me."

Kaito: "This is bullying!"

Miu: "Welcome to the club, Clint. Have you applied for membership yet?"

Kaede: "Can you all just...be quiet?"

Miu: "Huh? Elena, did you say something?"

Ouma: "She said, "shut up you dumb whores!"

Kaede: "I did not!"

Tenko: "HOW DARE YOU! YOU'RE A DEGENERATE!"

Himiko: "That's mean Elana!"

Kirumi: "Elana! I am very disappointed in you!"

Miu: "Hey! He's lying!"

Ouma: "How dare you say that! I would never! I begin bawling!

Saihara: "Ugh! Lokeil, don't do that!"

Amami: "Look what you did! He's crying!"

Shinguji: "Good, let him."

Amami: "Ezekiel!"

Shinguji: "Evangel."

Hoshi: "Lokeil is obviously faking it."

Kiibo: "Guys? Guys?"

Angie: "Yes...bicker! Feed my goddess your energy foolish mortals!"

Amami: "Angelina!"

Angie: "JESUS CHRIST ANGELINA!"

Amami: "JESUS CHRIST ANGELINA!"

Ouma: "That is a demon."
Saihara: "No, it's just Angelina this time Lokeil."

Tsumugi: Rose and Charlie exit the house. Charlie immediately runs for his giant doggo, climbing up onto it's back. Rose, clutching a bag presumably full of supplies, smiles at the group. "Ready to go?"

Kirumi: "Yes, we are."

Amami: "Okay, Ezekiel, Lokeil, Dragoni and I will take the first position! Elana, Blade, Diana, Briar, you take 3rd position. Everyone else is middle."

Himiko: "Sounds good to me!"

Ouma: "I'm fine with that!"

Tsumugi: Everyone having agreed with Evangel's setup, you begin your journey. The road is faded from little use, and wild plants grow everywhere. The ocean roars in the background. This is a peaceful place indeed.

Tenko: "Ah, I have missed the ocean."

Himiko: "I can't wait to see the guild again!"

Ouma: I hop on Dragoni's back.

Saihara: "Oh my god, not again. Can you not walk"

Ouma: "I can, but then wouldn't you miss me?"

Saihara: "Not particularly, no."

Ouma: "What?? I can't believe you'd say that! You're so mean!" I begin to tear up.

Saihara: "Please don't cry."

Ouma: "Too late!"

Kiibo: "I resent this whole endeavor."

Hoshi: "Okay, mood."

Tsumugi: (( Sadly, that's it for today! My Dad is dragging me to see a movie.))

Maki: (( Tsumugi leaving the house?? 0o0))

AtuaLover: And we're probably going bowling afterward for like, a totally ironic cliche kinda thing.

Legs: Yeah! Hey Miu, you better be planning to spoil your girlfriend today

TheCoolOne: I've got that covered! I know if I slip up people will come crawling out of the woodworks to steal her away.

KiwiKichi: Kaito! Maybe if you studied horror movies, they'd be less scary!

MadeMaid: So how's everyone doing?

EneClone: Your parents are incredibly sweet and I honestly love them.

KiwiKichi: It's really rather odd to think of them as my grandparents tbh

MadeMaid: I think they like you tbh

KiwiKichi: Of course they do!

MadeMaid: Anyways, do you two want to go out for breakfast.

EneClone: I've been told to say no.

KiwiKichi: As have I.

MadeMaid: What? Why?

MadeMaid: Who's at the door.

EneClone: Shhhh shhhh shhhh

KiwiKichi: Just make sure you're ready to leave

MadeMaid: Ah. I can see Izuru from the window.

MadeMaid: They work fast.

KiwiKichi: Lmao, they texted me at 7 am

EneClone: 5 for me. Guess they've got our schedules memorized.

MadeMaid: Well then, I'm leaving

MadeMaid is offline
EneClone: So, you're making pancakes right?

KiwiKichi: If I can find the FUCKING WHISK

KiwiKichi: REEEEEEEEE

EneClone: Need help?

KiwiKichi: Please check the top shelves for me ;-;

EneClone: On it :)

Liam: Why on earth do I hear screaming outside my house?

Calculester: So it's probably Kaito

Liam: What did he do this time?

Calculester: He and Kaede are there to kidnap you

Liam: oh okay then.

Liam: I'll see what they want then.

The Disaster Bi's
10:58 pm

Smallest: So, Kaede, Kaito, why are you outside my door?

Ra-Ra-Rasputine: Hey! Miu and I are here too!

UWU: Suprised we managed to drag Himiko away from her girlfriend.

Ra-Ra-Rasputine: We don't spend every second together. We're not codependent. We've only seen each other like 4 times over break, not counting all our group outings.

UWU: You know I'm just kidding lol

UWU: It's nice to leave my house for once lmao

Bean: You need to get more sunlight, Miu

UWU: I know, I know.

Russia's: Anyways, we're here to take you out for the day!
Bean: You've been holed up in your room doing casework for far too long. Come spend some time with us!

Smallest: Why do I have the feeling that that's not a request.

Bean: Oh, it's not!

Ra-Ra-Rasputine: We miss you :( 

Smallest: We literally just hung out yesterday.

Russia's: Fair point, but...come on man!

Smallest: Okay, fine. But I swear, NOTHING ILLEGAL.

Bean: Wow, no faith.

UWU: Since when have we done anything illegal?

Smallest: How much time do you have?

Russia's: Nevermind! Just get dressed.

Smallest: Okay, okay.

HotMess: Okay, so whatever Tsumugi says this was NOT my fault.

AtuaLover: THERE ARE BEES IN MY HOUSE AMAMI

AtuaLover: BEES

Anime: Why are there bees in your house?

HotMess: AMAZON SAID THEY WERE LADYBUGS

AtuaLover: I DON'T WANT LADYBUGS EITHER AMAMI

MadeMaid: GFDI

WhyHaveOneTalent: How foolish.

SEESAWEFFECT: Amami wtf

Legs: WHY DID YOU PURCHASE LADYBUGS??

HotMess: I THOUGHT THEY'D BE COOL!
AtuaLover: WELL YOU THOUGHT WRONG, AND NOW I HAVE 10,000 BEES IN MY HOUSE

Anime: TEN THOUSAND???

AtuaLover: MY DAD'S GONNA KILL ME

Legs: Oh my god you bought 10,000 bees.

SEESAWEFFECT: I'm dYING

Calculester: Currently sending these screenshots to the people not online for when they get back

KiwiKichi: Omg

EneClone is offline

KiwiKichi: See, now Maki is gonna have a headache.

KiwiKichi: But this is pretty funny

HotMess: I ORDERED LADYBUGS! LADYBUGS!

SEESAWEFFECT: But you got bees.

WhyHaveOneTalent: I feel like that would make a great idiom.

MadeMaid: Now we're using that.

KiwiKichi: "You wanted ladybugs? Too bad, now you've got BEES."

AtuaLover: THIS IS NOT FUNNY!!

Legs: We're gonna have to kill them.

BugMan is online

GremlinKing is online

BugMan: Don't! Gonta will help!

GremlinKing: Amami, we have to discuss how to be financially smart.

GremlinKing: 1. Ladybugs are not a good investment.

HotMess: I'm sorry, okay?

AtuaLover: Once I get the bees out of my house, I'm going to kick your @ss.

HotMess: Fair.

SEESAWEFFECT: I need a nap.
Calculester: I'm going to go watch a movie or something.

KiwiKichi: Lol, let me know how the bee situation ends up!

Anime: I'm coming over, you sound like you need a hug.

Legs: I'll come over too!

Legs: I wanna watch you beat Amami up!

HotMess: I'm gonna let my Dad know what happened. He'll probably wanna kick my @ss too.

Legs: Oh RIP, you're definitely grounded.

HotMess: Pretty much.

SEESAWEFFECTION: See you on the other side.

BugMan: gonta has his equipment! Gonta will be there soon!

GremlinKing: I have a camera ready lmao.

HotMess: April Fools Day is tomorrow folks.
SEESAWEFFECT: Oh god.

MadeMaid: I'll be hiding in my room for the day.
EneClone: That won't save you, trust me.
HotMess: At least Ouma is nice about it?

MadeMaid: He'll probably destroy my entire house
EneClone: I'll try to reel him in but I make no promises.
HotMess: So, I'm grounded

SEESAWEFFECT: That seems likely, given your behavior.
HotMess: A man can't release bees in someones house?
MadeMaid: No.
EneClone: Also...it's Himari's birthday tomorrow.

SEESAWEFFECT: Fuck.

EneClone: Who thought it was a good idea to let the Ultimate Prankster's birthday fall on April Fools?
HotMess: I'm gonna die honestly.
EneClone: Plus, Tsumugi is definetly getting revenge on you tomorrow.

HotMess: Fuck
EneClone: Have fun?

Anime: So I'm just chilling, minding my own business, when suddenly, Harry Potter bursts through my closet door, calls me a "filthy muggle" and crawls into my ear.

TheSmallestDwarf: What the actual fuck Angie.

Anime: So now I'm in my neighbors pool trying to drown the bastard while their dog stares at me and eats the flesh of Danny Phantom.

Legs: Are you fucking high?

Anime: Maybe.

Anime: Mom made brownies.

AtuaLover: Oh my god. Do not eat your mothers baked goods we've discussed this they're always drugged.

Anime: It's a cultural thing!

Anime: We get high and sacrifice animals to Atua!

AtuaLover: That's your culture, but it's illegal here! Please don't get arrested

Anime: I won't.

KiwiKichi: Anyone wanna do a madlibs?

TheCoolOne: Oh! I do, UWU.

KiwiKichi: Miu's in the OWO

ThePrettyOne: Why do I hang out with tou guys?

Liam: ^^^^^^

Harubro: Wow, rude!

GremlinKing: But true.

Calculester: So true.

TheSmallestDwarf: Your islands kinda fucked up Angie.

Anime: Excuse me?

Legs: Himiko, don't go there.

TheSmallestDwarf: What? I'm just saying, they do some morally grey shit.

Legs: That's rude though!

ThePrettyOne: Apologize.
Anime: No, it's fine! Not everyone understands Atua's power and grace!

TheCoolOne: Well, if Angie says it's fine..

AtuaLover: So, about that MadLibs...

KiwiKichi: I actually have to go now.

TheCoolOne: Awww man.

Calculester: Wow that is sad.

GremlinKing: Fuck Gonta's parents are gonna destroy me I haven't slept well in weeks.

BugMan: Hoshi!

Calculester: Can we all agree that Himiko's parents are going to be awesome?

MadeMaid is online

MadeMaid: It has begun

ThePrettyOne: FUCK THE SIMS DEVS I WAS SO EXCITED FOR THIS FUCKING EXPANSION AND THEN I SAW THE DATE WE'VE BEEN ASKING FOR PROPER SCHOOLS FOR YEARS

Liam: This fucking holiday

TheSmallestDwarf: That Splatoon mobile game looked so realistic and good but it wasn't even official damn you.

ThePrettyOne: Game companies who participate in April Fools Day are fucking demons

MadeMaid: Everything in the kitchen is encased in jello and the bathroom is full of rubber ducks.

EneClone: Everything in my room is upside down. Everything.

KiwiKichi: The jello thing is Himari's doing. She took all of my right socks. All of them. And then put them in Grape Panta bottles. FULL Grape Panta bottles.

WhyHaveOneTalent is online

WhyHaveOneTalent: My whole class is in a prank war.

WhyHaveOneTalent: The 78th has joined the fray.

WhyHaveOneTalent: This is hell.

MadeMaid: This fucking holiday

KiwiKichi: So, hope you all love your pranks
KiwiKichi: Leave food out for the prank goblins!

Liam: Maybe if we leave cookies out Himari won't prank us.

Calculester: GOD FUCKING DAMN IT WHO MESSED WITH MY CDS.

Calculester: I HAD THEM ALPHABETIZED AND NOW THEY’RE A JUMBLED MESS

Liam: THATS LOWKEY TERRORISM

Anime: r/lowkeyterrorism

TheSmallestDwarf: SPEAKING OF REDDIT

TheSmallestDwarf: WHAT THE FUCK ARE THEY DOING

Liam: r/historymemes is now r/animememes and vice versa

TheSmallestDwarf: Time to shitpost!

Anime: What a great opportunity to Karma Farm!

TheSmallestDwarf: Also whoever mailed me 40,000 loose water beads...

TheSmallestDwarf: Fuck you.

Anime: All my statues have clown masks now.

Liam: Kokichi did you stay up all night to execute these?

KiwiKichi: Huh, no! The bathroom and Maki's room is the only physical thing I did. The rest of you are having your emails spammed with Fortnite ads and emails with nonsensical cursed phrases.

Anime: You are a monster.

TheSmallestDwarf: Himari is apparently very dedicated to her craft.

Liam: And now my windows are covered in slime.

Liam: Thanks Himari.

MadeMaid: Well, I think the only course of action for us is to stay indoors and off the internet.

EneClone: Himari's birthday party is today

MadeMaid: Oh f-

Everyone is offline

Star: No cursing on this Minecraft server!

HotMess is online

HotMess: So now the day has devolved into absolute chaos

HotMess: Someone turned my house into a Pokestop

SEESAWEFFECT: Someone reconfigured all my controller settings

SEESAWEFFECT: I hope they contract the plague.

KiwiKichi: Isn't that a little harsh?

HotMess: No one messes with someone's controller settings and LIVES

SEESAWEFFECT: Everything is awful today

Legs: Honestly, why do we do this with ourselves? Why celebrate this holiday.

HotMess: Companies get free advertisement.

KiwiKichi: Ugh, capitalism! Marxie was right! WE MUST SEIZE THE MEANS OF PRODUCTION, FELLOW PROLITARIETS.

AtuaLover: Now I'm drawing Communist Kokichi and Duct-tape hat Saihara.

TheCoolOne: I understand the first one but not the second one.

AtuaLover: I watched a stream and now I have the urge to draw Saihara with a hat made of duct-tape.

Harubro: It's Duck-tape.

TheCoolOne: No, it's Duct-tape.

Harubro: DUCK-TAPE

TheCoolOne: DUCT-TAPE

KiwiKichi: Sticky Tongue Bits

Liam: Kokichi wtf

AtuaLover: That is so cursed.

HotMess: Ahahaha, cursed.
SEESAWEFFECT: So Mom and I are splitting carpool with Hoshi. Get ready boys and girls and Izuru.

SEESAWEFFECT is offline

GremlinKing: Suprised the orphanage lets you do stuff like this.

GremlinKing: Also, orange juice is not good for hair.

QueenPrankster: Honestly, why on earth would you not check doors before going through them? SHSL Prankster here! You're in MY turf now.

BugMan: Gonta hopes Ogawa-san is having fun!

QueenPrankster: Oh, I am.

Anime: Okay but lowkey this party is fun and you are a demon.

QueenPrankster: Thank you!

QueenPrankster: Now out of the chat!

QueenPrankster and several others are offline.

DiscontentedMom: I'm fine. Dropped Izuru off, Kaede and Miu got home safe, so did Angie and Tsumugi.

CursedMan: Gonta's home. Saihara and Kiibo are home.

LifeIsADadJoke: Everyone on my side got home safe.

DiscontentedMom: Ouma with you?

CursedMan: With me. I'll take him home.

LifeIsADadJoke: Maki is with me, so I'll bring her to your place.

DiscontentedMom: This whole thing was a mess.

DiscontentedMom: Miu is worrying me.

ChaoticPanflute is online
ChaoticPanflute: Explain.

DiscontentedMom: She made us stop like a block away from her house. Something about her parents not wanting strangers to see where they lived. But I don't know, it felt like she was lying.

Disappointed: I smell a lie.

CursedMan: Should we ask Saihara to do some digging?

ChaoticPanflute: No.

LifeIsADadJoke: I agree. If something is truly wrong, she'll tell us when she's ready too.

LifeIsADadJoke: Now, I must start driving.

TW: Cannibalism talk, talk of violence, parental abuse, drugs, just lots of effed up stuff

Anime: So I slept in today

AtuaLover: Lol, same. I wanted to wake up way earlier today to get a whole bunch of work done but I looked up when I awoke and it was noon and I was just like "I am a failure and the worst part of society."

ThePrettyOne: Hey! Is that a negative self-image I'm hearing???

AtuaLover: What? No! I love myself I promise!

ThePrettyOne: Okay. Just remember that the entirety of this class will punch you with friendship if you talk smack about yourself.

Anime: Seconded

AtuaLover: I get it lol

AtuaLover: Anyways, so is Monocunt still trying to force you to help out?

ThePrettyOne: Yeah

ThePrettyOne: Why do I have to do their work??

Anime: Are we sure I'm not allowed to send some strongly worded emails?

Liam: No Angie. I told you, what you want to do is a FELONY.

Anime: It'll be fine!

AtuaLover: Yeah, no. Do not.
ThePrettyOne: Please, do not commit felonies.

ThePrettyOne: Those are illegal.

Anime: Okay, I won't.

Anime: I hope you manage to get out of Monokuma's weird plans

ThePrettyOne: I'll try.

UnamusedAce: Mom has been calling Miu for like an hour and she won't pick up.

KingHug: Maybe she's busy?

LesbianQueen: On a Wednesday? Really?

TeddyBear: Gonta is concerned. Maybe Gonta should try calling?

KingHug: She won't pick up for MOM. She might just not want to talk today. No problem with that?

UnamusedAce: I just...I have a bad feeling. Like a deep, earth-shaking, this is going to go terribly wrong feeling.

AtuasHelper: Atua says we should go visit Miu!

KingHug: We don't know where she lives.

TeddyBear: Gonta could ask her?

UnamusedAce: Gonta, can you do us a BIG favor?

TeddyBear: Gonta is happy to help!

UnamusedAce: Go talk to Hoshi for us.

TeddyBear: Gonta is on it!

TeddyBear is offline

AtuasHelper: I mean

AtuasHelper: We could trace her I.P?

KingHug: As if she doesn't have a V.P.N.
UnamusedAce: We'll just have to hope she contacts us soon.

KingHug: Guess so.

HotMess is online

HotMess: So is there a reason everyone's so tense today?

Calculester: No one can get ahold of Miu.

Calculester: I am tempted to just get access to the school's files and visit her myself

KiwiKichi: That might not be a good idea. What if she just doesn't want to talk to us?

Legs: Baloney. We're awesome!

TheSmallestDwarf: I think we're all over-reacting.

EneClone: No, this is a serious matter. We need to take this seriously.

HotMess: Why though? DO we have any definitive proof that something is wrong?

Harubro: Maki's Bullshittery detector is going off.

HotMess: That isn't a real thing

EneClone: It is. It's constantly beeping around Ouma

KiwiKichi: Hey!

Legs: Okay, so why don't we just go find her??

KiwiKichi: I'm telling you she's gonna get upset if we just appear outside her house for no reason!

Liam: To be fair, y'all do it to me all the time

Calculester: It's too late, I already asked Chihiro to give me access to the school's database

HotMess: STOP ASKING CHIHIRO TO COMMIT CRIMES

SEESAWEFFECT: Ishimaru is going to swallow us whole.

GremlinKing is online

GremlinKing: We've talked about this, you guys. You can't just commit felonies all willy-nilly.
WhyHaveOneTalent: I smell shenanigans.

EneClone: Welcome, we're currently breaking all kinds of laws to track down our friend.

WhyHaveOneTalent: So a normal Wednesday afternoon?

EneClone: Pretty much.

KiwiKichi: Oh my god you guys.

Harubro: Ouma, you're being kinda hypocritical. Didn't you do the same thing when Korekiyo went missing?

KiwiKichi: that was because I had real information! We have nothing substantial to go off of here! This is just an invasion of privacy!

Liam: I sort of agree, but my hands are tied I'm already an accomplice I can't back out now.

Harubro: That's the spirit!

TheSmallestDwarf: So do you have her address?

Calculester: Yes. We're heading to her house as I type.

HotMess: I guess let us know when we get there?

WhyHaveOneTalent: If it makes you guys feel better, I can patch the gaping hole in the school's security and make it look like nothing happened.

KiwiKichi: PLEASE

Legs: Well, good luck to both of you.

TheSmallestDwarf: And now...

EneClone: I'm listening.
MadeMaid: Is Miu okay? What's wrong?

BugMan: Gonta wants to know too.

Liam: GUESS WHO'S IN THE HOSPITAL?

KiwiKichi: GFDI

Harubro: Who are we hitting with a baseball bat? Whose knees are we collecting?

SEESAWEFFECT: Someone is losing some bones today.

Legs: ^^^^ 

Liam: Well, I mean, if you want to hit Miu's parents be my guest.

MadeMaid: Well, we have another room so I suppose I can take Miu as well...

KiwiKichi: So how do you guys feel about fried chicken?

Legs: We are not deep-frying her parents.

Legs: We have to debone them first silly!

TheSmallestDwarf: No cannibalism!

TheSmallestDwarf: I should not have to say that!

HotMess: And yet you do.

SEESAWEFFECT: okay, but are we still collecting their bones?

GremlinKing: How bad is she?

Liam: A broken leg, some bruises. Nothing life threatening thankfully.

ThePrettyOne is online

ThePrettyOne: For every injury, they lose a vital organ.

EneClone: They'd die too quickly.

Harubro: Let's not discuss killing anyone.

Harubro: As angry as we are, NO MORE FELONIES.

Liam: Thank you.

Liam: Anyways, so here's the story. Guess I'll talk because Kiibo is currently talking to the police.

Liam: Basically, Miu's parents sell drugs and Miu disapproved and they found out about Kaede and wanted to meet her, but Miu wasn't comfortable so they lost their mind and basically they brought
out the homophobic slurs and she threatened to report them and long story short now she's in the hospital.

MadeMaid: I wonder how long these papers will take to mail...

KiwiKichi: Okay, nevermind. I want them to suffer slowly. Maybe a slow roast?

SEESAWEFFECT: The meat would literally fall off the bones.

GremlinKing: Okay, cool it with the cannibal vibes.

KiwiKichi: Oh, I'm not eating them. Think of all the nasty diseases they'd have! Plus, pork is way better than human meat, or so I think.

GremlinKing: Okay good, just making sure.

KiwiKichi: Just, death by fair is painful and slow!

SEESAWEFFECT: And their charred flesh would be a wonderful fertilizer for something of actual value!

ThePrettyOne: I'm going to make kazooos out of their bones.

Liam: Odd...that's odd but okay?

Anime is online

Anime: So, are we going down to visit her?

AtuaLover: Of course we are.

AtuaLover: Hopefully this gets resolved quickly.

Saihara: WHY AM I IN MOM'S BODY DANG IT

Izuru: Hajime and I have switched, and I think Naegi is in Nagito's body because he's asked me twice where Kirigiri is.

Kaede: Okay so like 7 people have called me screaming about being scared and I think I'm Kirigiri now which is weird because the only people calling me have been people in the 77th.

Kaede: Speaking of which, are you gonna add them?

Star/Shelly: Once the reps unblock me :(

Kaede: Lmao I can give you access I have Kirigiri's phone >:D

Izuru: I suppose I can unblock you.

Himiko: I DONT KNOW WHAT TO DO THIS IS NOT OKAY

Maki: Hey, I got Mukuro's body.

Tsumugi: How are you so calm?

Maki: I literally can't feel a difference between my body and hers.

Mukuro: Fair enough. Your hair's too long.

Maki: I guess, I prefer it long. Easier to strangle people with.

Mukuro: Good point. Perhaps I should grow out mine...

Junko: You totally should! You'd look like, super cute sis!

AtuaLover: Have you guys ever realized just how big the universe is? Like, even if we spent our whole lives traversing it, we could never see it all.

Harubro: I have! Space is cool guys.

KiwiKichi: Yeah, it is. Guys, guess what?

AtuaLover: What?

KiwiKichi: School starts tomorrow.

Harubro: Fuck.

AtuaLover: Better get started packing!

KiwiKichi: Yep.

Harubro: Break went by so fast

KiwiKichi: It sure did.

MadeMaid: The house is quiet.

MadeMaid: Too quiet. Where are Ouma and Miu?

EneClone: Ouma's packing and Miu's still asleep.

MadeMaid: Oh, phew. I was worried they were up to some shenanigans.

EneClone: No shenanigans today, just good old wholesome peace and quiet.

MadeMaid: I like this.
EneClone: Me too.

MadeMaid: Arr you packed?

EneClone: Yeah, I didn't have much.

MadeMaid: I ought to go assist Miu with her packing, since she can't exactly manuever very well.

EneClone: You do that. :)

TheCoolOne: God, I can't wait till my cast is removed.

ThePrettyOne: Soon Miu, soon.

TheCoolOne: You all packed?

ThePrettyOne: Yeah. I'm gonna miss Kami so much :(

TheCoolOne: I know that feeling.

ThePrettyOne: I think she's upset that she doesn't get to see me more.

TheCoolOne: She could always apply for the reserve course?

ThePrettyOne: I've tried to convince her to join, but she seems really hesitant about that.

HotMess: I would be too. The reserve course can get really gloomy really quickly.

TheCoolOne: Yeah. Some of those kids seem to have no hope whatsoever.

HotMess: It just feels bad man.

ThePrettyOne: I wish people would realize we're just normal kids.

HotMess; It's unlikely, given our current fame. Maybe someday...

Legs: The gap only grows wider with age. We're always going to be treated differently. We ought to get used to it.

TheCoolOne: I wish we didn't.

Legs: We all do. It's the price we pay for sucess.

ThePrettyOne: No such thing as free, right?

Legs: Right.

BugMan: Gonta feels like everyone is sad D:

ThePrettyOne: We're fine Gonta. Just a little worse for wear.
BugMan: Gonta will remember to give you all big hugs when Gonta sees you!

HotMess: Looking forward to it.

ThePrettyOne: Well, I've got to go spend time with Kami before I leave.

TheCoolOne: Okay. See you!

SEESAWEFFECT: I'm not emotionally prepared for living with you all again

Anime: Atua has blessed our living space for the new year!!

TheSmallestDwarf: That makes me feel so much better, thanks.

GremlinKing: Be nice.

TheSmallestDwarf: Lmao, well it's true tho.

Calculester: You guys!

Liam: I have so much casework help

Anime: Angie will pray for you

GremlinKing: Well, back to poacking.

SEESAWEFFECT: Don't procrastinate.

EneClone: Are you okay?

TheCoolOne: Shit has hit the fan

KiwiKichi: Her lab is filled with smoke and no one will explain why.

EneClone: How are you already awake and at school?

TheCoolOne: I've been up since 1.

KiwiKichi: How did you get to school tho?

TheCoolOne: A cab.

EneClone: Of course.

KiwiKichi: I'll go wake up Mom then.

HotMess: I make no promises.

SEESAWEFFECT: So how's your Dad liking the place?

HotMess: Fairly well I suppose. He doesn't like most of the teachers.
SEESAWEFFECT: Oh, well that's...unfortunate.

HotMess: Anyways, we need to head up to homeroom.

SEESAWEFFECT: I'll be there shortly.

ThePrettyOne: I have to help with First Year Orientation.

Liam: Same here.

Calculester: I'll watch Ouma and make sure he doesn't pull pranks while the adults are here.

Liam: bold of you to assume he'll listen to either of us.

Calculester: Fair point. To be honest, I don't really mind. He's really cute when he's scheming.

Liam: Mood

HotMess: Whipped.

Anime: Like you're one to talk.

HotMess: Okay, yes, I am whipped. So? Have you MET my boyfriend?

Anime: Yes? He's in my class.

HotMess: Then you must understand how hot he is.

Anime: He's not my type.

Liam: Yeah Amami, you have pretty niche tastes.

HotMess: You all are heathens!

SEESAWEFFECT: We'll see you all in class.

Anime: Okay! I can't wait for you all to meet my parents!

HotMess: Yeah...We can't wait.

ThePrettyOne: How is it the second I walk in someone has to start fighting?

Legs: I'm sorry about my mother. She can be a little...gung-ho.

TheSmallestDwarf: But why is she fighting Hoshi's mom is the question?
GremlinKing: She went in to hug her for a greeting. My mom is not a hug person. They started arguing.

TheSmallestDwarf: Ah

AtuaLover: TENKO'S MOM AND DAD LOOK LIKE BAKUGOU'S PARENTS EXCEPT WITH A DIFFERENT COLOR PALATE DNNDND

ThePrettyOne: OMG THEY DO!

Liam: That makes sense

GremlinKing: My Dad and Tenko's dad are just casually having a conversation while their wives fight and THAT is a mood.

BugMan: Gonta's parents are a little confused. Why is Usami-san scared of them?

Liam: No offense, but your parents look like pro-wrestlers.

BugMan: Is that not a good thing?

GremlinKing: Your dad could snap us all in half.

Legs: Plus they showed up with a pack of wolves sooooo

BugMan: Wolves are Gonta's friends!

Liam: Never change Gonta.

Calculester: Your uncle and aunt are really nice Shuichi.

Liam: I know.

Legs: Okay but Himiko's parents have asked me way too many questions am I being interrogated?

TheSmallestDwarf: Probably. My dad still doesn't completely trust you. Mom loves you though!

Legs: Girls always do!

Anime: Weird flex but okay.

AtuaLover: Okay but lowkey my Dad has been staring at Kaede's mom for an uncomfortably long time because your mom and mine could be TWINS

ThePrettyOne: Wow, really? Okay then, now I have to look through our family registry. Hope your dad's okay. Anyways, whose parents have we not discussed?

HotMess: My dad and Korekiyo's Aunt are judging all the parents and I am here for that let me tell you.

SEESAWEFFECT: Lowkey, hardcore mood. My aunt always has such great tea.
ThePrettyOne: My dad has been on his phone the whole time.

Harubro: RIP Maki, my grandma is tearing into her about eating properly.

KiwiKichi: Mom's mom and dad are so soft and kind I love them

MadeMaid: They've told me they want Miu and I have no clue how to proceed with fighting my own parents for custody

TheCoolOne; Oh my god don't, I'm chill with whatever

TheCoolOne: TBH, I don't want to impose, you all have been so nice letting me stay with you.

KiwiKichi: Shut up, you're staying.

TheCoolOne: Okay then

Calculester: ANGIE IF YOU DON'T GET YOUR MOM AWAY FROM PROFESSOR IBADASHI I WILL SCREAM

Anime: Aww, she's just doing her thing! She's only trying to introduce herself!

Liam: WHERE IS HER SHIRT?

Anime: Dad has it.

AtuaLover; WHY IS SHE NOT WEARING A SHIRT?

Anime; That's a cultural thing?

AtuaLover: God I love you and respect your culture but Professor Ibadashi looks harassed

ThePrettyOne: ALSO, tell your dad he can't offer drugs to students and someone tell Amami NOT TO TAKE THEM

HotMess: LET ME LIVE

Calculester: Amami!

Anime: Fine, fine. But only cause Usami-san is trying to get our attention.

ThePrettyOne: She is?

Anime: Yeah.

"Standing next to me."
"What."
"Hi, welcome, this is my mom."
"She's your age?"
"Yes. Do you have a problem with that?"
"No, no."

"Ouma-san, is Tojo also your mother?"
"Yep! She adopted me! :)"
"Well okay..."

"JESUS FUCKING CHRIST, YOU TOO?"
"Aha, yep!"
"WHY DO YOU HAVE SO MANY KIDS YOUR OWN AGE?"
"Do not question it."
"I'm gonna have an aneurysm."

Calculester: That's beautiful.

TheCoolOne: Omg, they're having all the parents stand up now.

GremlinKing: Middle-aged woman, middle-aged man, middle-aged woman, middle-aged man, a teenage girl, middle-aged- wait what?

SEESAWEFFECT: I wonder how the other classes are handling this?

TheCoolOne: "Poorly"- Ishimaru.

GremlinKing: That's to be expected.

SEESAWEFFECT: Can you guys believe that the 76th class is only like a mile down the road and could come back at any point.

TheCoolOne: Yuck. If I ever see Trevor again I'm gonna destroy him

SEESAWEFFECT: We never did learn his actual name...

TheCoolOne: Scum don't have names

GremlinKing: Fair point, now pay attention.

TheCoolOne: Fine!

Liam: Oh god, why did having all the classes join up for lunch sound like a good idea?
Anime: I think this is fun!

Liam: Okay, so the entirety of the 78th is playing some weird game of charades with their parents, which is lowkey wholesome, but what is the 77th doing? Arguing and threatening war. In front of their parents. Some of them WITH their parents.

Anime: Dysfunctional family and Wholesome family, got it.

Liam: But the real horror show is whatever the HELL is happening with the 80th class.

Anime: Sora's parents are here and I can feel the daddy issues radiating off of him.

MadeMaid: They really ought to be paying attention to him.

KiwiKichi: PAY ATTENTION TO YOUR CROTCH GOBLIN, DEMON SPAWN.

MadeMaid: There is so much wrong with that sentence.

Anime: Okay but Himari looks so sad over there by herself QAQ

KiwiKichi: That's it, I'm dragging her over to my seat

KiwiKichi: nevermind, she's taken over Azu's seat.

Liam: Azu's parents are so...normal. It's kinda odd.

GremlinKing: I'm going to punch Makoto's Dad

MadeMaid: DO NOT.

GremlinKing: WILL HE SHUT UP?

WhyHaveOneTalent is online

WhyHaveOneTalent: I will not be held responsible for my actions if Himari comes near me with those scissors, nor will I be guilty if I strangle Alex to death.

MadeMaid: Please don't. Tohru will fight you and we don't need another war.

KiwiKichi: Lowkey Bianca's parents are saints they gave Gonta a cookie just for existing.

GremlinKing: Bianca and her family are highkey angels.

KiwiKichi: Okay but Bianca and Sora? An item. Don't tell me you can't feel that.

AtuaLover: I'm gonna have so much meddling to do.

MadeMaid: oh god. Mina and Kanna are acting so thirsty right now like...girls please, yes these boys are pretty but have some self-respect.

KiwiKichi: To be fair, Mina and Kanna are at least tame about who they're thirsting over. If Saito
doesn't stop staring at Azune he's gonna walk right into that pole and his mom will laugh. I've seen it. She's a vicious beast.

AtuaLover; God Azune and Saito would make such a cute couple.

EneClone: Azune is aro/ace.

AtuaLover: Wait, she is?

EneClone: She told me, I guess. She's not 100% sure but she sounds like it.

TheCoolOne: WE HAVE THREE ARO QUEENS AND TWO ACE QUEENS IN OUR MIDST. BLESSED

EneClone: Okay but Reo is trying too hard.

KiwiKichi: He's a little fledgling group parent, doing his best-

MadeMaid: Well, finish lunch everyone.

TheCoolOne: On it!

MadeMaid: I have a feeling things are going to get a lot more hectic around here.

HotMess: God I don't want to go to class.

Anime: Four days in and everyone's already done with school.

Liam: Sounds about right.

HotMess: Okay, I'm changing your nickname because I'm getting tired of looking at Liam's name and remembering his betrayal.

Anime: He's salty cause he can't get any of Liam's endings.

HotMess: I AM NOT SALTY

Liam: Sounds like you are.

HotMess has changed Liam's name to DetectiveDoolittle

DetectiveDoolittle: Why?

HotMess: You're the only person fluent in the mysterious language of Ouma Kokichi

Calculester: I object to that statement

EneClone:
MadeMaid: Hmmmmm?

HotMess: What alternate reality have I stumbled into?

DetectiveDoolittle: You're the one who made a blatantly false statement

EneClone: Exactly.

HotMess: Anyways, did you guys hear about that weird virus the Reserve course has?

EneClone: A virus? That fast? Are they all like, sleeping in the same room and sharing toothbrushes.

MadeMaid: Viruses are supposed to spread fast.

DetectiveDoolittle: What's it called?

HotMess: No idea. It's supposedly been nicknamed the Despair Disease. Apparently, you get the symptoms of the flu, but you're supposed to also experience a personality change while infected. Lasts for a couple of days apparently.

MadeMaid: That sounds scary. Do you think Mikan will be working on helping the afflicted?

EneClone: Knowing her, she's already started.

DetectiveDoolittle: Well, we should all get to class.

MadeMaid: Correct.

BetterDetective: So, why can I hear sobbing from a whole floor down.

SafetyHazard: Our math teachers are insane. Insane!

BetterDetective: How so?

LittleGremlin: FOUR PAGES OF HOMEWORK DUE TOMORROW GOD KILL ME NOW
Kiibo: This is what you get for being smart. More homework.

LittleGremlin: My eyes hurt :( 

Kiibo: I know, I know.

SharpTeeth: At least we have Imposter to tutor us. And Izuru. We've been blessed with intelligent students.

CopyCat: You all cannot just rely on me for all of your tutoring. How will you ever learn?

SharpTeeth: Calculus is hard okay? I know I'm supposed to be a mechanic but that doesn't mean I can do all of this...whatever this is.

NevermindThat: I find this to be exceedingly easy.

NoBrainCells: Your teachers must be super hardcore. Our class has been mostly review.

BetterDetective: Just wait, Kuwata. Just wait.

EmoQueen: Math is a necessary evil. How would one consider probability without complex calculations?

NevermindThat: Exactly. Math is integral to many lifestyles.

AvoidThisOne: All math can be answered with one thing: Atua!

Cosplayer: Yes, but also no.

BetterDetective: It can be, but is that necessarily the correct answer?

AvoidThisOne: Atua answers all questions!

BossBaby: Why are you idiots all on your phones? Do you want your last year and end up in class with the 78th morons?

BetterDetective: Hey. Not cool

EmoQueen: That's objectively true but still hurtful.

NoBrainCells: HEY! CELESTIA!

NevermindThat: I have no intentions of failing.

SharpTooth: I'll probably pass.

LittleGremlin: You say that but...I have trouble believing someone as stupid as you could pass calculus.

SharpTooth: Pot, kettle.
LittleGremlin: Meanie!

Kiibo: Please don't fight and do your work.

BossBaby: You all are idiots. Get your work done now so you can go to bed before sunrise.

SharpTooth: Nah.

DemonLord: Sonia, Souda, is there a reason you guys aren't paying attention or have you simply gotten distracted again?

SharpTooth: I was just chatting for a bit. I'll get back to work!

DemonLord: Thank you. While Sonia will probably pass without much effort, I know you won't and I'd like to actually see you in college next year.

SharpTooth: Sheesh, no faith.

SafetyHazard: You don't exactly have the best track record.

SharpTooth: HEY!

NevermindThat: It's true.

SharpTooth: Bullies, all of you. Now I know how Miu feels.

Thirsty: Except unlike you, I'm not a pathetic v*rgin.

SharpTooth: HEY!

Thirsty: I speak the truth!

CopyCat: Stop picking on Souda guys.

BetterDetective: All of you, get to work or I'll send Ishimaru after you.

Thirsty: I'M GOING I'M GOING!

AtuaLover: This cosplay looks so good! I'm so excited to wear it!!!! Gotta thank Junko for these boots because they were perfect!!!

Anime: Guys she's twirling around all excited like and I've never seen anything cuter ddndnd

Legs: That's so weirdly pure and I love it.

Anime: Atua has blessed me.
Legs: I mean, I guess Atua did put you on earth or whatever.

TheSmallestDwarf: Tenko, be careful. Don't wander into accidentally insulting her religion.

Legs: Did I say anything mean? No! I just really don't get religion.

Anime: Do you want an explanation? I'd be happy to assist in your enlightenment~

Legs: No! Stop trying to convert all of us, no one is interested!

TheSmallestDwarf: Tenko!

Legs: What? It's true!

TheSmallestDwarf: You don't speak for everyone!

Legs: Don't tell me you're into this whole religious bs she's spilling?

TheSmallestDwarf: I might be a little interested.

Legs: Seriously? Himiko it's a freaking cult! Look at her parents! The whole thing is bat sh*t crazy!

AtuaLover: Watch yourself.

GremlinKing: Please, no fighting.

Anime: It's not a cult! That's an incredibly rude thing to say. This is a part of who I am and if you don't like it, maybe we shouldn't be friends.

Legs: Fine!

Anime: Fine!

Anime is offline

AtuaLover: That was not cool Tenko.

TheSmallestDwarf: I love you, but that was a very hurtful thing you did. You need to apologize.

Legs: I'm not apologizing for how I feel. All she does is evangelize day in and day out and I'm sick of it. I don't care if that's what she believes but she needs to stop shoving it down everyone's throat.

TheSmallestDwarf: There are nicer ways to say that Tenko! And you got all p*ssy as soon as I showed the slightest hint of interest in something she believes in. You don't get to make my decisions for me.

Legs: I don't want you getting hurt! Have you seen how her family acts? And that's just the tip of the iceberg. What kind of crazy things do you think they practice behind closed doors??

TheSmallestDwarf: That's not the point here! The point is that you need to let me make this choice
for myself

Legs: Fine, I won't stop you. Go ahead and convert, see if I care! But don't come crying to me when you get hurt, because that's what's going to happen!

TheSmallestDwarf: You know what? I'm done with this conversation. I'll give you some time to cool off. Come back when you're ready to have a real conversation.

LifeIsADadJoke has changed his name to ConcernedFather

ConcernedFather: @everyone

TiredAvocado and 3 others are online

TiredAvocado: What's up?

DiscontentedMom: Been awhile since we've used this one, huh?

Disappointed: If this is about what happened earlier, I want no part in this discussion. I am not choosing sides. I love and support both my girlfriend and my friends and at the end of the day, I won't let this end any of my relationships. Although, I do believe Tenko is largely at fault here.

ChaoticPanflute: Oh my god, what did they do? Is it Miu again?
CursedMan: No. It's Angie, Himiko, and Tenko.

DiscontentedMom: Oh dear lord. Give me a moment, I need to sit down.

TiredAvocado: I'm adding Izuru to the chat so Mom doesn't bust a vein.

TiredAvocado has added Kamukura Izuru to the chat

Kamukura Izuru has changed their name to Izuru

Izuru: I've read the chat. I'm...well, really apathetic to the whole thing. It's a rather foolish thing to blow such a minor dispute up like that. Tenko overreacted and while Angie isn't wrong per se, her constant evangelism is a tad annoying.

DiscontentedMom: GFDI

Izuru: Calm down Kirumi. I'm certain things will play out favorably.

ChaoticPanflute: Okay, read the conversation. Honestly, doesn't look good.

TiredAvocado: Do we interfere?

CursedMan: i'm not sure. On one hand, if these three don't make up it might split the friend group. On the other hand, if we meddle it may make things worse.

DiscontentedMom: A rock and a hard place indeed.

ConcernedDad: Perhaps we could smack some sense into them.

TiredAvocado: No.

ChaoticPanflute: I say, here's what we do. Let them relax for a bit. Once they've all cooled down, we can make some gentle suggestions on ways to diffuse the situation.

TiredAvocado: And if it backfires?

ChaoticPanflute: We're screwed.

ConcernedDad: I hope this all blows over quickly.

CursedMan: I hope Angie and Tenko are okay. Angie has Tsumugi and a few friends, but Tenko really only hangs out with the girls. Sure, we're all friends but we have our little groups and Tenko is pretty much shafted.

DiscontentedMom: maybe it'll give her some time to reflect. She can be far too codependent when it comes to Himiko. I'd have blown a gasket much sooner than this in Himiko's shoes.

ChaoticPanflute: I still don't like this.

TiredAvocado: None of us do.

Harukawa Maki: Have any of you spoken with Himiko? She seems off today...

Momota Kaito: I noticed that too! Same with Tenko. She got upset when Shuichi tried to speak with her. Punched him clear over a table. I thought Gonta was gonna have a heart attack.

Iruma Miu: Angie's acting weird too.

Harukawa Maki: I wonder what's wrong.

KiwiKichi: I just want Mom to stop looking so stressed.

ThePrettyOne: Same here.

DetectiveDoolittle: So I was thinking we could all get together and set something up? Like a little hangout? Maybe some neutral space could lure them out.

KiwiKichi: That's a good idea. Good food attracts everyone!

Intervention (Makeup you idiots)
11:24 am
Chabishira Tenko: I'm sorry. Look, Angie, I... I was kind of a jerk to you. I went way overboard with my insults. Again. I was just... I was in a bad mood and I got frustrated with you over something you can't really help. It's important to you and even if I'm not into that, I shouldn't shame you for it. I just wish you wouldn't constantly try to convert me. I'm not... I'm not religious and I'm not really looking for a religion right now.

Yonaga Angie: I'm sorry Tenko. It's just a force of habit at this point. It's like... lot's of people make fun of my religion and the culture I grew up in, so I sort of grew to force myself to be even more gung-ho in my conversion thing, which made everyone else even more angry and hostile and it's just a vicious cycle. And I know I shouldn't force you all to deal with it. I'll try... I'll try... to stop forcing it on you all.

Chabishira Tenko: I'm sorry if you feel like I don't respect your culture. You're valid, and my own weird hang-ups shouldn't encroach on your own happiness.

Yonaga Angie: Thank you.

Tojo Kirumi: See? Wasn't that easy?

Shinguji Korekiyo: Now that this is over, I'm going to join the others in the common room.

Amami Rantarou: I'll come with you.

Amami Rantarou and 1 other are offline

Kamukura Izuru: Is it over?

Shirogane Tsumugi: Everyone on my ends all good.

Yonaga Angie: It's better now, at least.

Chabishira Tenko: And Himiko?

Yumeno Himiko: Yes?

Chabishira Tenko: Looking back, what I said was really controlling and I shouldn't have snapped at you. I'm sorry.

Yumeno Himiko: I know, I know. I just needed to cool off for a bit. I love you, but you can be kind of clingy sometimes and I was just sick of it.

Chabishira Tenko: I'm sorry about that. I was thinking of seeing someone about that.
Yumeno Himiko: If you think that'd help, go for it.

Chabishira Tenko: I just don't want to smother you. I know that's a big no no.

Yumeno Himiko: It is. Umm, you wanna meet in the common room with the others?

MadeMaid: Who made this toast?

WhyHaveOneTalent: Did someone make a whole plate of toast in the kitchen for you folks as well? Because someone did that to us. It's covered in hot sauce so no one will eat it.

MadeMaid: Oh god, is this a prank? Who finds this entertaining? How is this funny?

KiwiKichi: Hot toast is always funny.

ThePrettyOne: No, no it's not.

TheCoolOne: Wow, why is the internet so slow?

ThePrettyOne: Oh yeah, that. I thought it was acting weird.

KiwiKichi: I swear if Chiaki is playing Overwatch on the bandwidth again, I'll destroy her.

MadeMaid: Today is going to be tough, I can tell.

WhyHaveOneTalent: I do hope that's not true.

KiwiKichi: Did...did Komaeda just scream "Did someone say hope?"....

ThePrettyOne: Yes, yes he did.

TheCoolOne: He's such a disaster, I swear to god.

WhyHaveOneTalent: Pot, kettle.

KiwiKichi: Eyyyyy!

TheCoolOne: Mom, your theyfriend's being mean 😒😒😒

MadeMaid: Good.

WhyHaveOneTalent; Dndndndndn
TheCoolOne: MOM

ThePrettyOne: We should be getting ready for class.

KiwiKichi: Buzzkill

ThePrettyOne: You'll thank me when you're passing math

KiwiKichi: :(

AvoidThisOne: Will someone change my username?

Cosplayer has changed AvoidThisOne's name to AdorableAngel

AdorableAngel: Awww! Babe!

Cosplayer:

AdorableAngel: I'm feeling some type of way right now

Kiibo: why's that?

AdorableAngel: Our history teacher straight up called my religion a cult. It's not!

Cosplayer: He's a dick, ignore him

AdorableAngel: I'm trying but it's just...I wish people would really try to understand my beliefs instead of just shutting down.

Kiibo: Humans have a low tolerance for things they cannot comprehend. Sadly, this seems to be a feature and not a glitch.

MaskWeirdo: It's so odd listening to him speak of humans as machines, but on truth Kiibo is right. History proves time and time again that bias is man's one weakness.

AdorableAngel: You know, I was sad but now I'm curious so like, explain?

MaskWeirdo: I'm actually writing a paper on this topic now. I can show you it?

AdorableAngel: I'd love that.

Kiibo: Mission complete.

Cosplayer: DNDNDNDNDNDNDND
CatBoy: Oh god, why can I hear shouting?

DadInTraining: Our homeroom teacher set off Azune...Again.

CatBoy: Fucking shit

DadInTraining: Monorise tries her best but Azune is a living time bomb

Kiiibo: Monorise? Is she new?

DadInTraining: Probably.

CatBoy: Okay, so that explains that. Anyone else wondering why we haven't heard from the 78th?

Cosplayer: Oh, yeah. Junko won't answer my texts.

CatBoy: The reps won't respond either. I'm a little worried.

MuscleWoman is online

MuscleWoman: Hey guys, you all should probably sanitize yourselves and your dorm.

AdorableAngel: Why?

MuscleWoman: Five people in the 78th caught the Despair Disease.

CatBoy: FUCK.

DadInTraining: Welp, time to clean! And force feed everyone healthy food.

Cosplayer: Who has it?

MuscleWoman: Togami, Naegi, Kirigiri, Ishimaru, and Chihiro.

AdorableAngel: Weird how Togami, Naegi, and Kirigiri got the Despair Disease at the same time.

CatBoy: Tongue in cheek humor? Right now, we're doing this?

Cosplayer: Wouldn't have thought Ishimaru would catch it, isn't he usually super careful about health and stuff?

DadInTraining: Maybe he caught it from someone else?

MuscleWoman: Probably from Chihiro, the two of them do hang out quite a bit.

CatBoy: Yeah, but in that case, Mondo should have caught it too.

Cosplayer: No, I've seen him do a lot of things that should've made him sick but didn't. Man's nervous system is an absolute unit.

AdorableAngel: So, how's the despair disease affecting them?
DonutLover: QAQ Chihiro yelled at me!

Cosplayer: He whattttt???

DonutLover: He yelled at me. Like, for realsies.

AdorableAngel: That's so not like Chihiro. Oh god, what's Ishimaru doing?

MuscleWoman: Getting on my nerves. He's trying to break literally every rule and being super crass.

CatBoy: Oh my god, Naegi and Kirigiri have got to be hard to deal with.

AdorableAngel: Naegi's all gloomy and sad and poor Kirigiri is so gung-ho about everything, am I correct?

DonutLover: On the nose! God, someone needs to tell Celestia and Maizono to stop filming.

MuscleWoman: I'm going to die. Quite literally. Togami will murder us all when he recovers.

CatBoy: Wait

CatBoy: Togami's normally a total jerkwad...so...

Cosplayer: GUYS WE NEED TO GOT TAKE ADVANTAGE OF THIS NOW WHILE WE STILL CAN TUMBLR NEEDS TO MEET SOFT BOY TOGAMI

AdorableAngel: OMG DO YOU HAVE A DEATHWISH??

Kiibo: Rest in peace, Tsumugi.

DadInTraining: You guys, we should get back to class.

Kiibo: Exactly. I'm muting the chat.

CatBoy: And she's gone.

AdorableAngel: He'll kill her omg

Kiibo has muted the chat for 3 hours. Reason: Not provided.

BabyDoll: No. That thing is a monstrosity.

EneClone: Pot, kettle.

HotMess: DNNDND MAKI!

SEESAWEFFECT: You can't just...you just can't.

EneClone: I only speak the truth

BabyDoll: Wow, I can taste the salt rolling off of you

EneClone: Didn't think you could taste anything but the shit that comes out of your mouth, but go off ig

Harubro: Maki!

KiwiKichi: CLAP! THESE! FOOLS!

DetectiveDoolittle: Don't encourage this!

KiwiKichi: CLAP! HER!

BabyDoll: You know, I don't have to take this!

EneClone: Then don't. Look at her already surrendering, waving that white flag lmao

Harubro: Are you high Maki??

KiwiKichi: Oh wait, uh, Amami did you make those brownies?

HotMess: YOU ATE THE BROWNIES??

KiwiKichi: Yep, she's high alright.

SEESAWEFFECT: Of course she is.

GamerBoi: What have I stumbled into?

TheSmallestDwarf: Guys! Mom said we should be in the kitchen by now, where are you all?

Legs: if you try to bail on our wholesome family dinner I'll kill you

TheSmallestDwarf: No! No murder!

BabyDoll: THE ONLY THING I WILL BE WAVING IS YOUR DECAPITATED HEAD ON AS STICK IN FRONT OF YOUR WEEPING MOTHER.

Legs: ....
KiwiKichi: Wow.

EneClone: way too far there buddy.

Harubro: Should someone...mute the chat?

HotMess: I'm doing it. You guys just chillax, kay?

SEESAWEFFECT: Everyone downstairs for wholesome family fun.

HotMess has muted the chat for 5 hours. Reason: Holy fricking heck Azune, calm down.<>

TheSmallestDwarf: I...what on earth is the 80th class doing down there?

Legs: I wouldn't be surprised if they were summoning a demon.

TheSmallestDwarf: What...what are they chanting?

Anime: Angie can go check?

TheSmallestDwarf: Nah, if they're really summoning a demon you might join in

Anime: Okay, true, but did you have to say it.

TheSmallestDwarf: I'm not saying anything.

Anime: Oh haha

BugMan: Gonta just passed by. They're chanting "Roy's our boy" very loudly. Who is Roy?

Anime: DNDNDNd

TheSmallestDwarf: BRB gonna go join them

BugMan: But we have class D:

TheSmallestDwarf: ROYS OUR BOY

TheSmallestDwarf is offline

Legs: I...omg she's such a nerd I love her

Anime: DNDNDND SHE TOLD MOOGI AND NOW THEY'RE BOTH LEAVING

BugMan: Now Shirogane-san and Yumeno-san are chanting too D:

Anime: OH MY GOD SAIHArA HEARD THEM AND JOINED

Legs: They're...they're such disasters
Legs: Did Amami just get up?

Legs: OH MY GOD HE JOINED IN

BugMan: Tell them to stop, we have class!

Anime: frick it. ROYS OUR BOY, ROYS OUR BOY

Anime is offline

Legs: WHY IS EVERYONE LEAVING, WHO IS OUMA CALLING?

The Whole Class
8:30 am

EmoQueen: Why did half of our class just suddenly leave?

Siren: Is this....are they in a cult??

DesignatedMom: I believe they've gathered to praise a Smash Bros character??

Kiibo: MIU IS LIGHTING CANDLES WHAT WHY??

Siren: I wouldn't have expected Shinguji to join in on that madness

DesignatedMom: I think he may be turning it into a demon summoning ritual I'm concerned

EmoQueen: Of course he is

Kiibo: The...everyone in the 80th besides Sora and Reo are joining in dndndnd

Siren: Wow, these new first years are....quite the characters

EmoQueen: This is stupid.

DadInTraining: Why do they never listen to me?

DaddyIssues: You're weak

DadInTraining: :( 

Siren: That's very rude.

DaddyIssues: It's the truth

Despair: Like your username?

DaddyIssues: excuse me? DO YOU KNOW WHO I AM?

Despair: Togami 2: Electric Boogaloo?
Kiibo: I-

ActualMurderer: That is rich

Kiibo: He's meaner than Togami though.

Despair#2: Junko, could you please not participate in the demon-summoning? I'd like to not have to fight demons today.

Despair: FINEEE. I'll just play with the demon in our class!!!!

Despair#2: Please don't mess with Sho,,, Komaru will yell at you again and I don't want to risk upsetting Makoto. His health is poor as it is and Sakura will snap your spine and I'm not authorized to attack civilians.

Despair: You're a killjoy!

Despair#2: I'm only looking out for you.

Despair: Awwww! Don't I have the cutest sister everyone??

Heterochromatia: False.

DadInTraining: OKA! Are you going to stop now? Have I finally got through to you?

Heterochromatia: Lmao, no. I'm not that weak.

Heterochromatia is offline

LiteralMurderer: You're not very good at this Dad thing are you?

DadInTraining: No...

DesignatedMom: I suppose I'll have to train you. Someone needs to keep the 80th in line.

DadInTraining: Thank you!!

NotTheFatOne is online

EmoQueen: oh my god how'd he get his phone

Precious and 3 others are online

EmoQueen: WHO GAVE THEM THEIR PHONES??

BetterDetective: HI EVERYONE!!!

Precious: Stop typing in all caps, loser.

BetterDetective: Hey! That's mean!

NotTheFatOne: Why are you guys fighting??? Why can't we all get along???
ActuallyLucky: Because life is meaningless

BetterDetective: Makoto! I told you to stop saying that! I WANNA HEAR YOU UPBEAT!

ActuallyLucky: WE'RE ALL GONNA DIE ALONE!

NotTheFatOne; how could you say that??

Precious: Quit whining!

EmoQueen: You all should be resting.

DesignatedMom: Why is everything so chaotic?

Kiiibo: Okay, that's it. I'm going to break up the Roy cult.

EmoQueen: Have fun.

Kiiibo is offline

NoBrainCells is online

NoBrainCells: Hagakure is gonna be the death of me.

Stickler: Hey Kuwata! Wanna play a fun game?

NoBrainCells: Sure, I guess.

Siren: There goes, Leon.

NoBrainCells: Take a kitchen knife and ram it through Maizono as hard as you can!

NoBrainCells: WHAT THE F_CK?? NO!

Siren: I would like to second that.

EmoQueen: Do NOT stab my girlfriend!

WEEBandNEET: Yeah! Stabbing woman is rude.

EmoQueen: Clam it pig.

WEEBandNEET: Yes m'aam!

NotTheFatOne: Don't be mean to Yamada Celestia!

ThisOneIsBad and 5 others are online

Stickler: C'mon Leon!! Would I, the SHSL Moral Compass, ever lead you astray?

NoBrainCells: you have a point.
30%SucessRate: Dude. Leon. You're smarter than this.

Whipped: Ishimaru, I told you-you need to be resting. Not following the dollars orders is super unmanly.

Stickler: You're no fun.

DonutLover: Awww, can't we stay a little while longer??

TheGoodSibling: Makoto! I told you to rest! Don't make me call Mom!

ThisOneIsBad: If I stabbed someone do you think I'd get in trouble

TheGoodSibling: SHO WE'VE DISCUSSED THIS, NO MURDER ON CAMPUS

ActuallyLucky: I'll rest when I'm dead!

NotTheFatOne: Please don't die :( 

DonutLover: I like this Togami, can we keep him?

Whipped: No

MuscleWoman: NO! Everyone, please go back to class!

BetterDetective: Okay!

MuscleWoman: No, not you Kirigiri. Go back to bed!

BetterDective: gotcha! I'll grab Makoto, okay?

MuscleWoman: Thank you.

ThisOneIsBad: Now, Chihiro. Computer down. Don't make me have to hurt you.

Precious: You can't tell me what to do punk!

SharpTeeth: Guess what class has Despair Disease??? This class!

SharpTeeth: and BOTH OF S/O's HAVE IT. BOTH.

SpaceHead: Your immune system must be impenetrable

MaskWeirdo: or you're just lucky

CatBoy: Who else?

SharpTeeth: Izuru, Fuyuhiko, and Teruteru

DesignatedMom: Izuru's sick?

CatBoy: I can hear the panic in her voice

ChubShredder: Oh my god, Teruteru has got to be hard to handle.

CatBoy: Yeah

SharpTeeth: Actually, he's the most normal. He's kind of acting like a gentleman for once. Hasn't hit on Sonia at all.

MagicFreak: That must be nice.

SharpTeeth: Yeah. Sadly Sonia and Gundham are a handful. Gundhams scarily clingy and Sonia is...Sonia is like, acting like a sadist. Keeps trying to hurt the other patients so I've got to keep an eye on her.

WeebBait: Don't worry! I'm working on their recovery as fast as I can!

ChubShredder: And Fuyuhiko?

WeebBait: He's acting a bit like a child. Crying a lot, constantly clinging to Peko...Actually, he's kinda adorable. I shouldn't say that though, I mean, he'd probably hate me for it I'm sorry!

SharpTeeth: Mikan calm tf down we need you sane

MagicFreak: FOR THE LOVE OF GOD TELL US HOW IZURU IS DOING

SharpTeeth: Oh, he's fine. He's really easily amused, that's all.

CatBoy: That sigh of relief...

LittleGremlin: Oh wow! I wonder who's gonna get it in our class.
LesserDetective: Hopefully no one?

ChubShredder: I mean...

Thirsty: Guys...this is a plot point. Every class is gonna get it eventually.

RepAkamatsu: Let's be more optimistic than that!

ActualDemon: This is boring! Can't we just pit them against each other? Let that stick in the mud Ishimaru kill someone!

SwordWoman: NO. ABSOLUTELY NOT.

CopyCat: That is highly irresponsible.

ActualDemon: Come on, it'll be fun! Oh, let's send Komaeda in! He's bound to wreck things up.

Protag-chan: No. I am not sending him anywhere near the infirmary. If he gets sick I'll lose my patience.

SwordWoman: Could someone please bring me lunch? I can't leave young master while he's like this.

CopyCat: I can do it.

CopyCat: Ibuki says she made it so do be careful.

SwordWoman: Mhmm

LesserDetective: I do hope this resolves itself quickly.

AvocadoMan; If I get sick I'll die.

SpaceHead: Possibly.

RepAkamatsu: I have a feeling things are gonna get even crazier.

DesignatedMom: Half our class may turn into murderers.

LittleGremlin: WHAT IF GONTA GETS THE DISEASE???

CatBoy: And I'm muting the chat.

CatBoy has muted the chat for 3 hours. Reasons; DONT PUT THAT OUT THERE OUMA

Chapter End Notes

MadeMaid: who is screaming and why?

TheSmallestDwarf: Uh, I heard Saionji got sick, maybe that's Mahiru.

GremlinKing: That's probably not right, Mahiru never wakes up this early. Also, Saionji with the despair disease?

MadeMaid: Great...like she's not enough of a handful already.

TheSmallestDwarf: Should we not go check to see what that scream was?

Legs: HIMIKO! NO! BAD HIMIKO!

TheSmallestDwarf: What?

TheSmallestDwarf: But what if someone's hurt?

Legs: Natural selection.

TheSmallestDwarf: That's cruel though.

Legs: Do you want to remembered as the first to die?

TheSmallestDwarf:...

TheSmallestDwarf: Fair point.

MadeMaid: Please just get ready for school.

GremlinKing: You heard Mom, go get ready.

RepAkamatsu; So I'm assuming the 80th class caught the despair disease.

MapMaker: How did you know?

RepAkamatsu: It's been nothing but chaos. Reo's sick isn't he?

MapMaker: I DON'T KNOW HOW TO HOLD THE CLASS TOGETHER HELP ME PLEASE!!!

Despair: Ah, chaos. I love it!

AvocadoBoy: wow, I can't imagine what we would do if Kirumi got sick.

MaskWeirdo: Do not tempt fate like that.

Thirsty: Something would explode every five seconds.

BugGonta: Gonta wouldn't like it if Tojo-san got sick. Tojo-san is...Iruma-san said Tojo-san is "half of the classes impulse control".
CatBoy: A perfect description.

MaskWeirdo: Sadly.

MapMaker: Mina's already started trying to convince Kanna that Izuru is a god.

PetProject: That's funny.

Thirsty: IZURU MOM'S GONNA KILL YOU GO BACK TO BED>

MapMaker: Oh my god Himari set the table on fire and Hinoka is cheering her on why me, what did I do which god have I angered?

Protag-chan: I can't stop laughing holy heck, Izuru's wearing a tutu I can't BREATHE

Thirsty: WHY ARE THEY OUT OF BED

OneBrainCell: Saionji is being a brat like normal except now she's being a clingy whiny brat god I love her but she's such a nightmare

MapMaker: Why is everyone in this school such a disaster?

Despair: Comedy.

CatBoy: The fourth wall!

MaskWeirdo: The author pops in everyday guys, it's not like the fourth wall is very strong, to begin with.

AvocadoBoy: True.

RepAkamastu: So who's got the disease?

MapMaker: Saito Harukawa, Sora Ito, Shigure Takahashi, Reo Kondo, Alex Tanaka, Tohru Tanaka.

NevermindThat: Oh! Sora's very fun to mess with!

SharpTeeth: SONIA! YOU SHOULD BE RESTING!

NevermindThat: Come see me, dear!

SharpTeeth: NO! YOU TRIED TO BREAK MY LEG LAST TIME!

NevermindThat: I won't do it again!

SharpTeeth: Just go to bed,,

DDRKnockOff: Can I kill Saito?

MapMaker: NO!
DDRKnockOff: He's being a creep!

MapMaker: He's literally sick he isn't thinking straight.

MapMaker: I'm sorry he won't leave Azune alone.

DDRKnockOff: Azune won't stop crying.

MapMaker: God, this sucks.

CatBoy: What's he doing?

MapMaker: Think crazy yandere.

CatBoy: oh, wow.

MapMaker: And Tohru is being super grumpy, Alex is oversharing way too much...Shigure is super paranoid, Dad is being very mean, and Sora...he's being really vulnerable I guess? He's constantly crying and I've learned some things about his mental health that are worrying. Bianca is skipping today to watch him.

AvocadoBoy: Sounds hectic.

MaskWeirdo: Yep.

MapMaker: god it is.

MapMaker: i'm muting this chat and then I'm going to stop Mina and Kanna from sacrificing Oka to Izuru.

MapMaker has muted the chat till tomorrow. Reason: Everything has gone to chaos.

MadeMaid: Almost done!

HotMess: Izuru better get well soon. Mom seems way sad she hasn't been able to see them much.

MadeMaid: They're very sick, so I can only see them sparingly. It's an...inconvenience.

Legs: God, I'd die if Himiko got sick.

ThePrettyOne; Yeah yeah. Hurry up and come out here!

BugMan: Gonta thinks the common room looks nice!
Legs: :)

Mugi: I thought so.

HotMess: Still...if I don't step up now y'all are gonna get sick and die :(

GremlinKing: Do I smell responsible Amami?

HotMess: Wow Hoshi. I have sisters, of course, I can be responsible. I'm a big brother. It's our job.

BetterDetective: You stop them.

WeebBait: Oh god

SharpTeeth: Please tell me it's not Sonia or Gundham

WeebBait: No. Sonia just keeps trying to convince Gundham to "play" with her and Gundham is thankfully, not falling for it again. I'm sorry! I'm messing up again...

SharpTeeth: No, no. It's fine

WeebBait; OH GOD

NEETBait: What's wrong?

WeebBait: He's covered in scars and declaring them marks of his sister's love

AvocadoBoy: Oh my god

AvocadoBoy: Wow, the trauma he's gonna reawaken when he gets better is going to be very, very big

WeebBait: IM SORRY! I SHOULD'VE KNOCKED HIM OUT EARLIER! FORGIVE ME!

AvocadoBoy: Calm down Mikan. It's fine. You're doing your best and that's all that matters.

WeebBait: Thank...you.

Kiibo: What
MagicFreak: Yeah! She said she doesn't wanna hang out with "yucky girls"! It makes no sense :(. I thought we were friends!

ThePrettyOne: Okay, so we're picking partners for this project, and Tsumugi just straight up curved Angie to work with Rantarou and I know she said it's cause she doesn't want to impact Angie's grade but I swear somethings up I can smell it.

Kiibo: I ended up as her partner and let me tell you, Angie is sad. Like, she doesn't get why Tsumugi didn't want to work with her dndndnd

ThePrettyOne: Do you think Tsumugi is planning some sort of big surprise or something? Maybe she's worried she'll accidentally tell her.

Kiibo: Maybe. Tsumugi and I were talking and she claims that they've both just been super busy and that Tsumugi just has a lot going on and needs space.

ThePrettyOne: Has she told Angie that?

Kiibo: Idk

GremlinKing: Why are you two on your phones?

Kiibo: Discussion.

EneClone: God, are Tsumugi and Angie being dysfunctional again? I swear I'll punch them.

GremlinKing: Do not punch them.

EneClone: Fine. I just need them to communicate.

TheCoolOne: Lmao, them? Communicating? That's a joke, right?

ThePrettyOne: Monokuma is so dead.

HotMess: Of all the times to saddle us with a school trip, he does it when half the class is sick. Not only that, but Mom's birthday is that week. God, he's such a jerkwad.

ThePrettyOne: When do we leave?

HotMess: May 8th.

ThePrettyOne: Fantastic. I'm totally not at all salty.

HotMess: Everyone better be healthy by the time the trip rolls around or I swear.

ThePrettyOne: Komaru told me Ishimaru is better, so the 78th is just waiting on Chihiro. Also, Izuru's back to normal

WhyHaveOneTalent: I'm still going to stay behind. Mikan could use help.

TheCoolOne: At least now Mom won't stress when she gets better QAQ

Kiibo: I honestly would just like my boyfriends back.

EneClone: Same. I'm tired of Kaito acting like such a massive jerk.

ThePrettyOne: Ishimaru's so ashamed of his behavior it's kind of sad. Poor Mondo, he's basically handling Chihiro all on his own right now cause Ishimaru's too stricken with Cognitive Dissonance or something idk I wasn't paying attention.

TheCoolOne: Dndndndndnd You not paying attention? Wig.

ThePrettyOne: lowkey sick of being the only functioning member of our class.

GremlinKing: I take offense to that.

HotMess: Kiibo is right here and so am I?

ThePrettyOne: Kiibo is whipped and cannot stop Ouma, and Maki acts like she's responsible but she's pure neutral.

EneClone: Can't help it. If it's not Kaito, do whatever you want, I won't interfere with your stupidity. Natural selection.
HotMess: Let's just get lunch.

Kiibo: I'll cook.

HotMess: Thanks Kiibo.

Angie: I think...I think she might be cheating on me.

Miu: Wow Maki, don't throw things. Especially not in the infirmary.

Maki: I am going to tear her heart out for this. WHO THE FUCK DOES THAT?

Mom: Angie, why do you think that?

Angie: She's been distant, spending lots of time alone, going out at night...talking on the phone with people I don't know...I just, I'm not mad at her for it? I just...I wish I was enough for her.

Kaebae: You think Kirigiri and Saihara will help us hide a body?

Maki: No need. I'm gonna tear her into such tiny pieces that they'll never find them all.

Mom: Angie...I'm so sorry. Are you sure she's cheating on you?

Angie: I'm pretty sure. I think...I overheard her talking about going to meet someone on Sunday...it sounded like a girl :(.

Kaebae: Why don't we follow her? Surely that'll clear things up!

Miu: Or we could, y' know, talk to her? Like functional human beings?

Maki: No way. What, you think if she is cheating she'll tell the truth?

Miu: Fair point. This just feels wrong.

Mom: I won't participate in that, but Angie we're here for you. Just don't tell any of your fathers. Or Izuru. or Gonta...come to think of it, just don't tell anyone until it's official. I don't want her murdered until she's proven guilty.

Angie: I get that. Thanks, you guys :)

Miu: No problem!

GremlinKing: I can't keep up with all this commotion. Where the fuck are the girls going?
Calculester: I asked Miu and she said hell so probably nowhere good.
HotMess: If anyone gets injured, they're so fucking grounded.
MadeMaid: What happened while I was sick? Did Amami finally start being responsible?
WhyHaveOneTalent: Pretty much.
MadeMaid: Wow, Shinguji is going to keel over when he sees that.
GremlinKing: Bet.
WhyHaveOneTalent: I'll take you up on that bet.
GremlinKing: 10 dollars says he fucking dies.
WhyHaveOneTalent: 100 dollars says he doesn't react.
GremlinKing: Deal.

SharpTeeth: Yay!
DemonLord: I'm glad to be back. I was worried being sick for that long might negatively impact my astral levels.
Nevermindthat: I have to go find Chihiro. I feel more than a little sorry for my actions. I should also prepare an apology for Himiko :(
SharpTeeth: Good idea :)
DemonLord: Hopefully the small mage doesn't suffer from magic depletion.
Nevermindthat: Yes, I'm sure that would spell disaster for her.

Operation: Tsumugi WHAT THE FUCK
12:17 pm
Kaede: And we are moving!
Angie: Did I have to wear this hat?
Miu: Of course! What if she recognizes you?

Angie: WE'RE LIKE 100 FEET BEHIND HER

Maki: One can never be too careful.

Kaede: God, I wish Tenko and Himiko were here. It's not the same without the whole squad.

Angie: The girl is approaching!

Angie: Fuck. She's gorgeous.

Maki: But is Tsumugi's cheating I give you full permission to bitch out the woman.

Miu: Anyone else think she and Tsumugi look kinda similar?

Kaede: I can kinda see it?

Maki: Focus you guys. What store did they just enter?

Kaede: Looks like a jewelry store.

Angie: Oh god I'm gonna cry

Maki: Let's go inside then.

Miu: You sure?

Maki: Yeah. Let's roll.

Maki and several others are offline

Angie stepped inside the store. It was rather small, but there were plenty of people buzzing around. Pulling down her large hat, she slipped among the crowd. Tsumugi was leaning over a glass case, talking to the girl. Angie approached them from the side, stopping a few feet away from them and pretending to be interested in a necklace. From the corner of her eye, she spotted Miu and Kaede "looking" at rings and Maki stood near them, glaring holes into the back of Tsumugi's head.

Suddenly, Tsumugi began to speak and Angie perked up, focusing intently on their conversation.

"Do you think she'll like this one?" Tsumugi asks the girl, pointing to a small ring with a rather pretty purple stone. The girl nods, and then stands to wave over an attendant. Angie watches curiously as the attendant comes over to the two of them.

"How much for the purple ring?" the girl asks. Looking down, the attendant smiles.

"11,110 yen," the attendant replies. Tsumugi looks at the ring again. "I'll take it," she says, pulling out a card from her purse. The woman accepts it and heads over to the register to ring them up. A few minutes later, and the woman comes back with a key. She opens the display case, and takes the
ring out. After putting it in a small white box, the attendant asks," Would you like a bag for that?"

Tsumugi nods, and the attendant pulls out a pretty black bag and puts the box inside. Tsumugi and the girl thank the lady, and then turn to walk away. Angie hastily moves from the counter and ducks back into the large crowd. Once Tsumugi and the girl leave, Angie nods and the whole group leaves the store.

They follow Tsumugi and the girl to a cafe, and Angie removes her hat. "I'm going to say something," she mumbles. The others look at her, and then to themselves. They all enter the cafe together, Miu holding Angie's hand and squeezing it to comfort her.

It did not go like she thought it would. As soon as Tsumugi saw her, she beamed. "Angie! Come here, I have something for you!" she calls, moving from the line and leaving the girl behind.

Tsumugi pulls the box out of the bag. "I'm sorry things have been so weird lately, I've had a lot on my plate. Kaede, thanks for bringing her here," she says. Everyone pauses, and then Miu whips her head around. "You *planned* this?" she hisses.

"Tsumugi found out about our plan to follow her today. Oh, everyone, meet Aishi! That's Tsumugi's cousin," Kaede says, pointing to the girl in line. She waves back to them.

"I'm sorry you thought I was cheating Angie. My Dad got in trouble with a local gang and I didn't want you getting involved. It's fine now, don't worry about it. Sorry again," Tsumugi said, fumbling with the box.

Angie stood quietly for a moment, before leaping to crush Tsumugi. "You're an idiot," she mumbled under her breath. Tsumugi rolled her eyes a little. "Surprised you just figured it out," she retorted.

Atua help her, this girl would be the death of her someday.

Precious#2: Ummm....you might not like this...

DaddyIssues: what did I do?

NeedsHelp: Lmao you were super soft dude. Like Ruto level soft. Also clingy and weepy. I mean, I've already met the love of my life but you were highkey adorable

Precious#2: (it's true but you did you have to say it???)

DaddyIssues: ...what?

Flexible: It's okay! Being vulnerable is a normal human thing and no one thinks less of you for it!

BreakBones: I'm honestly not sure if that's gonna help. You know how Sora is with uh...basically anything that's not apathy.

Cosplayer; We all have our down days Sora!

DaddyIssues: ????

RepAkamatsu: it's okay to need help!

AvocadoBoy: You can't be perfect every second of the day. You're not Korekiyo ;)}
MaskWeirdo: Ignore him. No one's perfect.

AvocadoBoy: :

Thirsty: if you were strong all the time, you'd be a god. But you're not. You're a human! And that's okay :)

DaddyIssues: Stop this at once.

Kiibo: Needing support doesn't make you weak! @LesserDetective and everyone else in this school for some reason

LesserDetective: Stop shading me. Sora, we're all here for you. Even Maki. (Even though she'll never admit it, she'd die for this entire school)

LiteralMurderer: that's blatantly false. Kid, if you need to, just punch someone. It helps.

DesignatedMom: Ito-san, remember you have people in your corner. Even if those people are...not the sharpest spoons in the drawer.

CatBoy: We're all here for you kid. Uh, wait why are we doing this?

BugGonta: Sora is weird and the others think he needs support. At least that's what Miu said.

AdorableAngel: Perhaps atua could help? I can bring him some books to study!

MagicFreak: I admire your enthusiasm but I prefer my friends intact.

AdorableAngel: True, true.

DaddyIssues: I swear you all are the worst. I don't need your pity.

AnotherProgrammer: It's not pity! We love and support you. Even if you're a butthead.

BigBabyDoll: God, quit whining.

DDRKnockOff: Be nice Azune

BigBabyDoll: Ur not my Mom

SewingMachine: Azune please be nice

BigBabyDoll: Okay.

NoFlexZone: Guys, can we maybe tackle the giant issue on the table? Himari keeps pelting us with fruit.

DaddyIssues: I'm sorry, did you just refer to tomatoes as fruit?

NoFlexZone: I mean, technically they are!

Hanahaki: I'm going to stop this conversation now.
Heterochromatia: IF KANNA DOESN'T STOP BEING GROSS I'LL KILL HER ISTG

DesignatedMom: NO MURDER

CatBoy: Elaborate

MaskWeirdo: What's she doing?

Heterochromatia: She keeps talking about the guys and she then proceeded to say "Izuru is thicker than a bowl of oatmeal, his thighs could kill me and I'd thank him"

BreakBones: I am mildly uncomfortable

LittleGremlin: Wow that is a disturbing image

Kiibo: Cursed. That is cursed.

RottenTomatoes: Y'all keep talking about Saito like he's the thickest boy around but you're SLEEPING on my boy Izuru

Flexible: Excuse me, what the mcfuck?

PetProject: I'm not even Izuru and I feel uncomfortable.

DesignatedMom: Oh god, is this a Teruteru clone?

RottenTomatoes: What? Can a girl not appreciate art when she sees it???

EboyThot: You have unrefined taste Kanna.

RottenTomatoes: You like Azune, your argument is invalid.

Kiibo: DNDNDNDNDN

Bianca: Hey, let's be nice here!

Protag-chan: Shouldn't you all be in class?

PetProject: They should, but will they listen? No.

Stickler: Attention! You all should finish your studies in order to have plenty of time to pack for tomorrow!

Whipped: Where are we going again?

Stickler: Were you paying attention? We're going camping!

LittleGremlin: That's what they say but like...HPA has a bad track record with these things.

Stickler: Correct. That is why you all should prepare for anything!
MaskWeirdo: Isn't that the motto for the boy scouts?

NoFlexZone: Yeah,, I think.

Stickler: Now! Back to class!

Stickler is offline

AnotherGremlin: Whew! That was fun!

DaddyIssues: You are a nuisance.

AnotherGremlin: I'm a fun nuisance! How're ya doing? Gonna go back to clinging to Bianca like a koala?

MapMaker: HIMARI NO.

Flexible: And there goes Sora.

DaddyIssues:

DaddyIssues is offline

Bianca: Himari? Darling?

AnotherGremlin: Yes?

Bianca: Your days are numbered.

Bianca is offline

MadeMaid: Due to the disaster of a month we've had, I am establishing ONE WEEK of absolutely no chaos. No drama, no angst, no fights. Just good old wholesome family fun. And I WILL be enforcing it.

SEESAWEFFECT: I have been saved.

HotMess: P L E A S E

KiwiKichi: I'll try but I make no promises!

DetectiveDoolittle: Do you think that means I can finally work in peace?

KiwiKichi: You can't shut off your boyfriends.
Calculester: well, actually...

KiwiKichi: dndndnd Can we just all chill? I want pizza.

Mugi: I'm buying!

KiwiKichi: Yay!

MadeMaid: Everyone up! We've got to get to the airport!!!

KiwiKichi: Ugh,,, how long is the flight?

MadeMaid: 4 hours. We take off at noon.

KiwiKichi: They why are we up now??

MadeMaid: It's a long drive.

KiwiKichi: of course it is.

DetectiveDoolittle: I'm a little sad that poor Tenko is gonna be sick while she's there.

KiwiKichi: They're taking her with us?

DetectiveDoolittle: Her parents said it was okay. BTW, EVERYONE INFORMED THERE PARENTS/GUARDIANS THAT THEY NEEDED TO SIGN A PERMISSION SLIP, RIGHT? @everyone

TheSmallestDwarf: Yeah, they signed without much of a fight.

EneClone: The orphanage head didn't mind,,,

MadeMaid: Bold of you to assume it was her who signed (DELETED)

WhyHaveOneTalent:

MadeMaid: I'm glad about that.

EneClone: Yo, Ouma, did your mom say yes?

KiwiKichi: I want you to think about that.

EneClone: Idk, are you sure Kirumi was willing to handle you while out and about?
KiwiKichi: I am HURT

Harubro: Did you guys pack?

DetectiveDoolittle: I ended up packing for Kokichi because he's easily distracted. I called someone to take care of Panta while we're gone by the way.

KiwiKichi: Thank you! OWO

EneClone: Angie, Dad, Himiko, what are you doing with your pets?

HotMess: They won't let me take my alligator despite it being robotic :( 

SEESAWEFFECT: Customs will not be pleased with you if you bring him. Tuna's going to stay with my aunt.

Mugi: My dad said he'll take the fish because,.. look I love my gf's parents but they're not always so good at memory.

Angie: dndndndnd It's true but did you have to say it?

Mugi: Yes.

Angie: Ur mean to me :( 

Mugi: But you love me!

Angie: Sadly

Mugi: HEY!

GremlinKing: Glad to see they're back to normal. No one else is having relationship drama, right?

EneClone: If Kaito doesn't finish getting ready before we're old and grey, we might.

Harubro: *gray

EneClone: *GREY

Harubro: *GRAY

EneClone: Oh hush. It's correct both ways.

MadeMaid: I'm glad not to be driving

SEESAWEFFECT: Busses for the win.

TheSmallestDwarf: Okay but like, Pidge is so not chill with me leaving and I know Tenko's mom will take good care of her but like,...I'm gonna miss my familiar.

EneClone: It'll be okay Himiko. Your bird will live.
TheSmallestDwarf: FAMILIAR!

EneClone: It's a fucking bird Himiko.

BugMan: Hey! Harukawa-san be nice!

EneClone: Fine. Your familiar will live.

TheSmallestDwarf: Thank you.

Calculester: WHAT PART OF GET READY DO YOU PEOPLE NOT UNDERSTAND?!

ThePrettyOne: Slow your roll Kiibo. It's fine.

Calculester: That was mostly directed at Kokichi. We DO NOT have time for this.

Calculester: Thank you. Stop antagonizing the birds and please put a shirt on.

KiwiKichi: Okay, okay. By the way, Shuichi's trying to work.

KiwiKichi is offline

DetectiveDoolittle: Wow, sell me out.

Calculester: get ready for the love of god.

Angie: *atua

Calculester: Love of atua.

DetectiveDoolittle: Okay, sorry.

Calculester: It's fine, you're a workaholic and that's....actually that's not okay but we don't have time to fix it.

Calculester: YOU ALL HAVE 10 MINUTES TO BE DOWNSTAIRS

HotMess: When did he start being responsible???

AngryMapMom: Ogawa is small and chaotic and Mina is a cryptid.

AngryMapMom: Everyone be on the lookout for a tiny prankster with a water bottle and no sense of direction

MadeMaid; Really? Are you okay?

WhyHaveOneTalent: This place isn't safe, we have to go home.

SisterKomaru: Are we teaming up for this water fight?

SisterTenko: Duh! These degenerates will never know what hit them!

SisterSakura: Tenko, we've discussed this. Do not refer to the boys as degenerates.

SisterTenko: Okay,,

SisterAngie: Atua has blessed Angie with the best ideas for hiding spots.

SisterKomaru: That's fortunate. We should be able to win by outlasting the competition.

SisterSaionji: We just have to get Maki and Peko out asap!

SisterFukawa: Leave it to me b*tches!

SisterKomaru: Ah, good morning Sho.

SisterFukawa: Morning!

SisterCelestia: This whole thing is incredibly childish.

SisterMiu: You don't have to play.

SisterAoi: She shouldn't be so mean to Yamada.

SisterSakura: She shouldn't, but she does.

SisterMahiru: I'm sure I'm going to get some gorgeous photos today!

SisterSaionji: You better! Just be careful not to get blood in any of them.

SisterMaizono: Saionji, do not kill any small animals this time. Or bugs. Gonta cried when you squashed those ants and if you kill any more crabs Gundham will hurt you.

SisterSaionji: But it's fun!

SisterMahiru: Just don't alright?? No more violence.

Bianca: Sora's airpods have leashes!

Kiibo: "Thank you, next."

Bianca: He's really sweet once you get to know him!

HotMess: here, I'll show you a screenshot!

SEESAWEFFECT: You can screenshot on Gameboy?

SEESAWEFFECT: WHAT THE ACTUAL F*CK IS THAT RANTAROU?

KiwiKichi: I want my Mom,,,,

TheSmallestDwarf: That is cursed and I hate it.

HotMess: If I have to suffer, so do you.

SEESAWEFFECT: Well, guess I'm not sleeping tonight.

KiwiKichi: God it's my anxiety personified.

KiwiKichi: It's a picture of the thing I'm forced to live with,,,,

Legs: The devil's greatest trick was convincing the world he did not exist.
TheSmallestDwarf: I'm definitely scarred for life.

Legs: I want to bleach my eyes and my brain.

HotMess: I'm gonna print out this picture and put it everywhere.

SEESAWEFFECT: DO NOT.

MadeMaid; WHAT IS THAT?

Calculester: god stays in heaven because he too fears his creations.

MadeMaid: Can we all act like rational human beings for five fucking minutes? Just this once? Can I not be bombarded with terrifying imagery for ONE DAY?

TheCoolOne: actually.jpg

KiwiKichi: actually.jpg

ThePrettyOne: Oh my god, they're the same person I swear.

EneClone: Can we stay on topic? WHAT IS UP WITH UNCLE HOSHI?

Harubro: ^^^^
BugMan: Umm, Hoshi needs to borrow some clothes?

EneClone: Uh, I don't think any of us would fit in his clothes.

BugMan: Hoshi is big now!

MadeMaid; WHO JUST DROPPED THAT?

EneClone: Kaito.

Harubro: I'll buy a new coffee pot.

BugMan: He's about Amami's height I think?

KiwiKichi: GFDI! HOSHI HAS BETRAYED US!

TheSmallestDwarf: inb4 anyone asks, I haven't been doing my magic thing for a hot minute.

Legs: So he's hit a sudden, unexpected, impossible growth spurt?

KiwiKichi: Maybe he slept for once and his body decided "QUICK, LET'S GROW NOW BECAUSE WE MAY NOT GET ANOTHER SHOT AT THIS"

EneClone: It's either magic or b*llsh*ttery and I'm guessing that somebody has meddled.

BugMan: Well, Gonta thinks we should focus on clothing Hoshi first...

MadeMaid: I shall be right there to assist him.

MadeMaid; I also need to burn my eyes.

KiwiKichi: I'm gonna murder Amami.

TheSmallestDwarf: Curse Ouma and his extra 6 centimeters!

ThePrettyOne: Plus, small girls are cuter!

Mugi: CONFIRMED! Saionji is cute but she's a vicious gremlin.

Angie: I'm jealous cause Mugi's like 5 foot 8 and I'm forever 5 foot 2...

ThePrettyOne: Tall anyone is hot, short anyone is cute, everyone is perfect period.

TheCoolOne: Okay but mood, everyone is so good looking at this school like,,, please spare me???

TheSmallestDwarf: Why is everyone so pretty????

WhyHaveOneTalent: I wouldn't say everyone is good-looking. Most of them are just okay.

ThePrettyOne: I've literally only ever seen you look at Kirumi so like,,,, biased?

Angie: Even the (meh people EDITED) people that aren't my type are still fun to be around! Although there are really only 2 meh people, and even then they're like a solid 8/10.

TheSmallestDwarf: Isn't it kinda shallow to judge folks based on looks?

Angie: Aww Himiko, we're only talking about it for purely aesthetic reasons. You know we'd never treat people we're not attracted too differently.

Angie: We're not frat boys.

TheSmallestDwarf: Still, calling people meh is kinda rude?

Angie: Oh is it? How would I not be rude then?

TheSmallestDwarf: Just say "not my type" or something along those lines. They're still good-looking just the way they are.

Angie: Okay then! I'll edit that message!

System.ui: Message edited!

TheSmallestDwarf: Thank you!

KiwiKichi: Also, a reminder to say Happy Late birthday to Kanna and Akane because we missed both their birthdays.

MadeMaid: Makes sense because Akane was off with her class yesterday but what about Kanna?
KiwiKichi: Y'all share a birthday.

MadeMaid: Oh. Makes sense actually.

KiwiKichi: Also we forgot to say Happy Birthday to Maizono and anyways, basically we missed a whole bunch of birthdays bc we've been busy.

MadeMaid: I'll remember to tell them if I see them.

KiwiKichi: Okay, now that that's over with-

GremlinKing: Guys we're flying back on Saturday and midterms are tomorrow are you folks ready?

Legs: Oh god no

TheCoolOne: How do we keep getting so distracted??

ThePrettyOne: Us, staying on topic? Unlikely?

DetectiveDoolittle: Unless that topic is murder or something. Then we obviously can't get distracted EVER.

Calculester: That's the tea, sis.

TheCoolOne: That's the thesis.

Legs: If you share a body with someone, say as Hulk/Bruce Banner does, do you share accomplishments? Are would Hulk also be as Dr.?
TheCoolOne; IF HE DIDN'T WRITE THAT THESIS HE AINT A DOCTOR.

Legs: Okay then.

Harubro: There was so much passion in that phrase.

KiwiKichi: The caretaker is sending me pictures of Panta and omg I love them

I bet that thy kitty real not restful

KiwiKichi: What the fuck did you just fucking specifically say about me, you sort of a little bitch, which for all intents and purposes is fairly significant. I'll have you literally know I graduated for all intents and purposes top of my class in the Navy Seals, and I've been involved in numerous actually secret raids on Al-Qaeda, and I kind of have over 300 basically confirmed kills, which mostly is fairly significant. I specifically am trained in gorilla warfare and I'm the sort of top sniper in the particular entire US armed forces, which particularly is fairly significant. You basically are nothing to me but just another target, demonstrating how i'll essentially have you actually know I graduated very top of my class in the Navy Seals, and I've been involved in numerous really secret raids on Al-Qaeda, and I essentially have over 300 particularly confirmed basically kills in a pretty major way. I will kind of wipe you the fuck out with precision the really like of which kind of has never been seen before on this Earth, mark my fucking words in a subtle way. You kind of think you can literally get away with saying that shit to me over the Internet in a sort of major way. Think again, fucker, demonstrating how you literally think you can specifically get away with saying that shit to me over the Internet in a fairly big way. As we generally speak I particularly am contacting my really secret network of spies across the USA and sort of your IP essentially is being traced right now so you definitely better mostly prepare for the storm, maggot in a for all intents and purposes big way. The storm that wipes out the pathetic very little thing you
really call kind of your life, demonstrating how as we really speak I mostly am contacting my for all intents and purposes secret network of spies across the USA and very your IP essentially is being traced right now so you sort of better generally prepare for the storm, maggot, or so they for the most part though. You're fucking dead, kid, showing how as we particularly speak I definitely am contacting my fairly secret network of spies across the USA and really your IP actually is being traced right now so you fairly better literally prepare for the storm, maggot, which really is fairly significant. I can kind of be anywhere, anytime, and I can generally kill you in over seven hundred ways, and that's just with my kind of bare hands, demonstrating that you for all intents and purposes are nothing to me but just another target, demonstrating how I'll particularly have you, for the most part, know I graduated sort of top of my class in the Navy Seals, and I've been involved in numerous very secret raids on Al-Qaeda, and I kind of have over 300 mostly confirmed kills, which really is fairly significant. Not only really am I extensively trained in unarmed combat, but I kind of have access to the actually entire very arsenal of the United States Marine Corps and I will use it to its particularly full extent to specifically wipe pretty your miserable ass off the face of the continent, you very little shit, very further showing how essentially think again, fucker, demonstrating how you actually think you can essentially get away with saying that shit to me over the Internet, definitely contrary to popular belief. If only you could kind of have known what unholy retribution really your sort of little "clever" mostly comment for all intents and purposes was about to specifically bring down upon you, maybe you would literally have held kind of your fucking tongue, pretty further showing how the storm that wipes out the pathetic kind of little thing you really call your life, demonstrating how as we mostly speak I actually am contacting my basically secret network of spies across the USA and sort of your IP generally is being traced right now so you fairly better for the most part prepare for the storm, maggot, which mostly is quite significant. But you couldn't, you didn't, and now you're paying the price, you goddamn sort of idiot in a actually big way. I will shit fury all over you and you will essentially drown in it, so I'm mostly am trained in gorilla warfare and I'm the for all intents and purposes top sniper in the really entire US armed forces in a basically big way. You're fucking dead, kiddo, showing how I can particularly be anywhere, anytime, and I can for all intents and purposes kill you in over seven hundred ways, and that's just with my bare hands, demonstrating that you mostly are nothing to me but just another target, demonstrating how I'll generally have you literally know I graduated pretty top of my class in the Navy Seals, and I've been involved in numerous very secret raids on Al-Qaeda, and I essentially have over 300 for the most part confirmed kills, really contrary to popular belief.

EneClone: WHAT DID YOU DO TO THAT PERFECTLY GOOD COPYPASTA?

Harubro: Yourself possession made a massive mistake. Doing this for myself would possession made yourself a symbol in thy world of intellect as well as literature. It is so typical for someone like yourself to forget this. It is so typical for someone like yourself to use abbreviated words. Myself was prepared to open your world to my knowledge as well as share my stories as well as art, with yourself. Yourself will forever regret thy choice yourself just made, so myself will offer to give permission yourself do this project again. If yourself do not, yourself will possession to facial appearance of an organism thy consequences.

MadeMaid: If one more person does this I WILL mute the chat.

Angie: My job is so fucking unbelievable. I myself'll attempt to sum it up by first telling yourself about thy folks myself using of one's elbow grease to complete a task for a wage with: first, there is this supermodel wanna-be chick. Yeah, okay, the female homo sapien is pretty sweltering, but damn is the female homo sapien completely useless. Thy girl is constantly fixing her hair or putting on makeup. The female homo sapien is extremely self-centered as well as has
never once considered thy needs or wants of anyone but herself. The female homo sapien is as
dumb as a box of rocks, as well as myself still find it surprising that the female homo sapien has
enough brain power to continue to breathe.
thy next chick is completely thy opposite. The female homo sapien might even have being one of
thy smartest people on thy planet. Her career opportunities are endless, as well as yet the female
homo sapien is here with us. The female homo sapien is a zero on a scale of 1 to 10. Myself'm not
sure the female homo sapien even showers, much limited quantity shaves her "womanly" parts.
Myself think the female homo sapien might have being a lesbian, because every time our own
selves drive by thy hardware store, the female homo sapien moans like a feline animal in heat.
but thy jewel of thy crowd has retrieved to have being thy fucking stoner. As well as this guy is
more than just your average pothead. In fact, male homo sapien is baked before male homo sapien
comes to using of one's elbow grease to complete a task for a wage, while using of one's elbow
grease to complete a task for a wage, as well as myself'm sure afterwards using of one's elbow
grease to complete a task for a wage. Male homo sapien probably hasn't been sober anytime in thy
last ten years, as well as male homo sapien's only 22. Male homo sapien dresses like a beatnik
throwback from thy 1960's, as well as to assemble using raw materials material possessions worse,
male homo sapien brings his colossal fucking canis animal to using of one's elbow grease to
complete a task for a wage. Every fucking period of twenty-four hours myself possession to observe
in the vicinity of this huge spectacular dane strolling in a vertical motion around half-stoned from
thy second-hand exhaust. Realm of evilness, sometimes myself even think it's trying to talk with its
constant bellowing. Also, both of them are constantly hungry, requiring multiple stops to
mcdonalds as well as burger king, every single fucking period of twenty-four hours.
anyway, myself drive these fucktards around in my van as well as our own selves solve mysteries
as well as feces.

Chapter Notes

TheCoolOne: I can't sleep, what do?

Legs: What is it this time?

TheCoolOne: I dunno man, you ever wondered about what's out there? There could be millions of little, everyday experiences that we will never experience for one reason or another. There's so much to do on this one tiny rock and we can literally never do everything. There are millions of books out there we'll never get to read. Millions of people we'll never meet. Millions of stories and lives going on right now and we'll never hear them all. Think of how much knowledge will be lost to time.

Legs: I didn't need a crisis at 2 am Miu.

DetectiveDoolittle: Miu why would you do this to me?

TheCoolOne: Wow, even shyhara can get all crisis-y? I thought you were like, super realistic or whatever.

DetectiveDoolittle: You just reminded me that as I sit here, lying in bed, thousands of people are dying and being hurt by bad people and I can never do enough to help them all.,,

Legs: Wow, this is depressing.

DetectiveDoolittle: Think of how many cases go unsolved because detectives like me have such little time.

TheCoolOne: Think of all the people suffering in faraway places while we just sit here doing nothing.

Legs: Oh my god you guys please stop this isn't healthy.

TheCoolOne: I think this is the healthiest thing you could possibly do. A healthy dose of introspection.

Legs: This is literally just blaming yourself for the world's problems.

DetectiveDoolittle: I know they're not my fault. I just wish I could do more, you know?
TheCoolOne: Yeah.

Legs: You two should at least try to sleep.

TheCoolOne: Why?

Legs: WE STILL HAVE MIDTERMS TO DO

TheCoolOne: AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH

DetectiveDoolittle: Ugh,,, I'll go take some melatonin,,, drastic times call for drastic measures.

TheCoolOne: ;-;

HotMess: But why? I mean, he won't die.

SEESAWEFFECT: Do not commit a felony today Amami.

MadeMaid: Amami, I would strongly advise you to not do that.

SEESAWEFFECT: ^^^

HotMess: It's not illegal if you don't get caught!

TheCoolOne: UH OH SISTERS! A BODY HAS BEEN DISCOVERED!

SEESAWEFFECT: That's just Kaede covered in ketchup.

TheCoolOne: No! It's a dead body!!!

MadeMaid: She's playing Pokemon Go on her phone

ThePrettyOne: Mom, stay still! There's a Charizard on your head.

TheCoolOne: Kaede!

ThePrettyOne: Sorry Miu, but this is a CHARIZARD

TheCoolOne: Fair point.

Angie:

We are the masters of a power driven to the far reaches of the universe, and we have but one desire! Can one such as you possibly fathom how dearly we have clung to this dream across the aeons? How could you! You couldn’t! Never ever ever! We who once faced those who were in such fear of our power that they sealed us away and banished us to the edge of the galaxy! US! As if THAT loveliness wasn’t enough, they tried to erase our very existence from history! RUDE! Only through our magic were we able to overcome their science and achieve great prosperity! We alone were responsible for stopping that repulsive nightmare of a galactic crisis, yet this is how you repay us! This won’t stand! It won’t be forgiven! It won’t be forgotten! Never ever EVER! Those who called us mad, are you listening? You left us at the edge of the galaxy to be forgotten, then went along your merry way, probably living somewhere pretty and peaceful! But know this! Your future is a farce! You have none! We, masters of a matter most dark, vow to be restored, as foretold in the book of legend, which everyone thought was just a fairy tale! It WASN’T! We have already obtained the vessel that contains our Dark Lord, and he will soon awaken and shower us in compassion! Look! The vessel of our Dark Lord is filling up even as we speak! Now the time for his greatness to enter our world has come! Welcome to a new history! A new age! The age of awesome! HAPPY BIRTHDAY, DARK LORD! HAPPY BIRTHDAY!

DetectiveDoolittle: Powerpoints

KiwiKichi; I still think electric eel whips would be awesome.

Calculester; And as we said Kokichi, they would kill you.

EneClone; JFC what is Angie doing now?

Mugi: She made these "come to atua" fliers...And she wants to hand them out... and her idea is strapping dynamite yto her back so she can soar over the town and drop flyers.

KiwiKichi: That's an awesome idea!

Angie: See? Ouma thinks it's cool!
EneClone: Ignore Ouma, he has one brain cell.

Harubro; Angie that's stupidly dangerous.

DetectiveDoolittle: You'll hurt yourself Angie.

Calculester: Dyanamite+ Human= Guts everywhere.

Mugi: Angie please rethink this,,,

Angie: Ugh, fine. Does anyone have a better idea?

Harubro: Have you tried handing them out at an art event?

EneClone: Wow, that's actually a smart idea Kaito.

KiwiKichi: Hell just froze over.

DetectiveDoolittle: Kokichi.

KiwiKichi: Sorry! Sorry!

EneClone; Anyway, yeah. Have you tried that?

GremlinKing; Mom's out running errands so we have no control over the class.

WhyHaveOneTalent: Isn't Shinguji supposedly responsible?

SEESAWEFFECT: Yes. Does that mean I'm always watching these kids? No.

HotMess: Miu's just throwing shit at Mugi again because she cheats at Mario Party.

Mugi; I DO NOT.

ThePrettyOne: She doesn't, Miu's just a sore loser.

BugMan: Miu! Throwing things is rude!

TheCoolOne: SO IS CHEATING.

KiwiKichi: I'll drink it, I just prefer tea. And anyway, it's not for me.

KiwiKichi: It's for Shumai!

MadeMaid: Makes sense, that boy consumes a lot of caffeine.

KiwiKichi: His department just got a HUGE case!

Calculester: He's been working on it non-stop, it's kind of admirable if he wasn't also a workaholic and running himself ragged.

MadeMaid: Well, it can't be helped.

EneClone: Yep. You know how he is.

KiwiKichi: Still! I don't like seeing him so tired :'(

MadeMaid: Well Ouma, after you've brought this coffee to Saihara, can you assist me with some things?

The Pretty One: We probably pissed off some god

SEESAW EFFECT: Perhaps.

The Smallest Dwarf: Still,,, my fuckery senses are going off.

The Pretty One: Aren't they always going off?

The Pretty One: Usami has it too now,,,,
KiwiKichi: I don't like this,,,,

Calculester: I think they look nice. Maybe it's a new fad?

Legs: It doesn't feel like it.

DetectiveDoolittle: I'd do some digging but this murder case has consumed all of my free time.

KiwiKichi: Is it that difficult?

DetectiveDoolittle: I've never seen anything like this before.

ThePrettyOne: What's so unique about it?

DetectiveDoolittle: Well, it seems to match the MO of a string of murders from 16 years ago. All the victims were missing vital organs and had strange patterns carved onto their faces. It's reappearance is odd.

Calculester: A copycat maybe?

DetectiveDoolittle; No, the murders are WAY too similar for a copycat.

Legs: So it's the same person?

DetectiveDoolittle: People. I think this might be a group, maybe even a duo.

KiwiKichi: This is totally not scary.

Legs: Ugh, can we stop talking about this?

ThePrettyOne: Yeah, you're giving me the jeebies.

DetectiveDoolittle: Oh, sorry.

Calculester: Anyway, have you see my notes?

KiwiKichi: Aren't they in your head?

Calculester: My physical ones, love.

KiwiKichi: Oh, okay! Uh, lemme check my things maybe I grabbed them by accident?

ThePrettyOnes: Wow Ouma you're really red.

ThePrettyOne: Do you ever mean to do anything?
KiwiKichi: Well, that started when I was born...
ThePrettyOne: Annnnnd we're done, go get ready for school.
KiwiKichi: Okay!
Legs: I'll just go steal the 80th's coffee pot...
ThePrettyOne: Tenko, promise me you won't do that.
Legs: I promise!

MapMaker: Positive.
BigBabyDoll: Are you sureeeeee?
MapMaker: WTF did you do?

BigBabyDoll: Nothing!

BetterDetective: She did something.

Whipped: She did something all right. Don't have to be a detective to figure that out

BigBabyDoll: I literally did nothing! You guys are so mean!

CatBoy: She pushed Sora down the stairs.

CatBoy: I watched her do it.

BigBabyDoll: Tattle-tale.

MapMaker: STOP PUSHING SORA DOWN THE STAIRS.

Bianca: Please?

BigBabyDoll: Fine,,,

BigBabyDoll: But come to class Mizuki, you can find the coffee pot later.

MapMaker: Okay.

MadeMaid: Ugh,,,,

WhyHaveOneTalent: Kirumi, how's the medicine holding up?
MadeMaid: I can at least use my hands now,,

KiwiKichi: I still want to break someone's kneecaps

Mugi: HOW DID SHE FALL BACKWARDS HARD ENOUGH TO HURT HERSELF LIKE THAT?

Angie: There was a marble in my path?

SEESAWEFFECT: That's not how physics work.

MadeMaid: ^^^

Legs: Speaking of physics!

SEESAWEFFECT: What is it Tenko?

Legs: I'm probably gonna be forced onto a seesaw today and I am uncomfortable!

SEESAWEFFECT: As am I, wtf?

MadeMaid: Who makes these lesson plans?

Legs: Psychopaths, probably.

MadeMaid: It's like they forgot the whole trauma thing.

KiwiKichi: Or they remember and are just dicks

Mugi: Is the staff ever not dicks?

GremlinKing: Honestly? No

HotMess: No murder.

TheCoolOne: Amami wtf you're supposed to be resting.

HotMess: It's been two days I'll be fine!

HotMess: Although the whole "getting hit in the head" thing is not okay I don't particulary like it.

TheCoolOne: Ah, yeah. It's been an unfortunate week for all of us.

HotMess: :( 
EneClone: Ouma is the worst I swear.

Calculester: I'm a little miffed myself, I thought he was dead :( 

Harubro: Yeah! I cannot believe him.

TheSmallestDwarf: God, that sucked.

HotMess: What happened?

Calculester: So we walked into the physic's room to see him LYING IN A POOL OF BLOOD. So Shuichi starts crying and runs over to him and Mom almost faints...

EneClone: Then the fucker pops and shouts, "It's a lie!"

HotMess:

HotMess: Ouma wtf? So he was okay?

Harubro: No, he was very much injured which is why I'm pissed. Don't pretend to be dead if you're in legitimate pain!

EneClone: So yeah, he's coming your way. Shuichi is dragging him to the infirmary.

TheSmallestDwarf: And now there's blood everywhere!

Calculester: I'm torn between being angry at him for scaring me and being relieved that he's okay

EneClone: You can be both. Source: Me.

TheCoolOne: God he's a dick.

MadeMaid: At least the cut in her neck isn't deep enough to kill her.

TheSmallestDwarf: Yeah. But uh, big thing, guess who's next?

Mugi: Probably. Don't worry, scars make a man more attractivve!

EneClone: Kaito's cough got worse.

TheCoolOne: Awww man, he okay?

EneClone: I think he has the flue.

Mugi: Fuck! God damn it we spent all day with him yesterday. All of us are gonna die ;-;

Angie: Kaito's patient zero again

MadeMaid: Maki, I'll bring him some soup. Is there anything else he needs?

EneClone: No, I have medicine in his system so he should be fine.

Angie: Be careful not to get sick yourself!

Mugi: Yeah, we should all rest today. Getting sick would not be wise.

MadeMaid: I agree. Please conduct yourself as if you were coming down with something today. Vigilance is the only way to prevent illness.

TheCoolOne: See, that's the smart thing to do....buuuut...

EneClone: -_- 

TheCoolOne: I've got work to do so bye!

Mugi: Great.

Angie: Lmao

TheSmallestDwarf: What's so difficult about it?

DetectiveDoolittle: The murderer is just...solid teflon. I can't get a hit on this guy. We have the whole sector on one case.

ThePrettyOne: Don't you not normally do murders?

DetectiveDoolittle: It was a missing person case,... guess who found the body?

ThePrettyOne: Jesus

DetectiveDoolittle: So yeah. Now I'm on a murder case. Honestly, it's not as bad as the shit we saw in the killing game.

ThePrettyOne: I'm sure it'll turn out well.

TheSmallestDwarf: Yeah Saihara, you're a smart person so I'm sure you'll do well.

DetectiveDoolittle: Thank you Himiko.

HotMess: ...what?

SEESAWEFFECT: Wow. That is a sad way to get injured.

GremlinKing: I'll get my car ready. Someone go find out who dropped that mattress.

Legs: Kaito might be dumb but at least he has muscle definition, shrimp.

KiwiKichi:.....WAAAAAAAH! Kiiiboo! She's being meeeean.

Calculester: And he's back.

DetectiveDoolittle: Mhmmmm. He never changes....not that he necessarily needs to.

KiwiKichi: :) Awwww, softies

Calculester: Like you're one to talk.

KiwiKichi: Yeah, yeah. Do you wanna play videogames when they release me?

GremlinKing: Kokichi, phone down. The doctor needs you

Harubro: Like death.

MadeMaid: Have you still got the flu?

Harubro: Yep. I just gotta wait it out

MadeMaid: I will bring you something to eat soon. You have to take care of yourself.

Harubro: I will. Kinda have to with Maki breathing down my neck.

MadeMaid: She is right to be concerned.

Harubro: I'll be fine! The Luminary of The Stars can handle a tiny flu.

MadeMaid: The flu is dangerous Momota-san.

Harubro: Maybe for old people and babies, but I'm strong and healthy.

Harubro: I will Mom. I'm gonna go rest. Have a good day!

KiwiKichi: That's Kaito for you. He's a big idiot but he's as strong as an ox and just as stubborn.

MadeMaid: That's an interesting analysis.

MadeMaid: Kokichi, how are you feeling?

KiwiKichi: Honestly? I'm not even hurt anymore but Kiibo is babying me and he's so adorable when he's worried so I'm not gonna say anything.
MadeMaid: Fair enough.

WhyHaveOneTalent: Good morning Kirumi. Classes are cancelled today.

MadeMaid: Ah, thank you. I hadn't checked the schedule yet.

KiwiKichi: Shumai left us :(

MadeMaid: Where is he?

KiwiKichi: He and Kirigiri made a break in the case so now he's at the station.

GremlinKing: God I hope they're okay.
Legs: Me too Hoshi. The 77th and the 80th are hovering trying to figure out how to help.
GremlinKing: Does anyone have any idea what happened?
Legs: Apparently they went with a couple policemen to nab the perp and he or she managed to snatch them. 2/3 policemen are dead.
GremlinKing: You don't think...
Legs: Don't even think about it. They're safe, they have to be
GremlinKing: Yeah...
MadeMaid: Kokichi and Kiibo are wrecks. I don't think I've ever seen Kiibo cry before.
GremlinKing: That's understandable. How's everyone else holding up?
MadeMaid: Maki's taking out her anger on the dummies in her lab, Kaito won't stop pacing, Kaede and Miu are holed up in their labs, Tsumugi went home to her dad, Angie is praying, and Amami and Shinguji look dead. Gonta keeps bouncing around trying to help people and Himiko is stress-eating.
Legs: Fuck, I'm gonna go grab her. That's not healthy, she needs another outlet.

Chapter 159: Found

Saihara could barely breathe.

The room was dark, dark, dark. He could hear her giggling from outside it. And the screams...oh god, the screams filled the air like a heavy fog.

He couldn't feel his legs anymore. His wrists stung from the constant scraping of the bloodied handcuffs. Their handcuffs.

He could only imagine what that psychopath was doing to Kirigiri out there. Despite her best efforts, anytime she came back from that room she seemed more broken. More unstable. He had never even pictured her crying and yet she couldn't stop.

His throat was dry. The sick twisted bastard fed them, sure, but he would much rather she finish him off already. He didn't...he couldn't go back into that room.

Scraping...scraping...scraping...screaming.

When his eyes opened, he was back in the hospital. He was half off the bed, a nurse trying to feebly restrain him. "Sir, please stop screaming," she begged. Saihara hadn't even realized he was screaming.

He wanted to go home.

KiwiKichi: How's...how is Korekiyo holding up?

HotMess: Badly. He can't stop moving and he won't respond to anything.

KiwiKichi: He might be too far in his head to do much. Try getting him to sit down? I'd help but Kiibo and I are on our way to the hospital to see Shumai
HotMess: Good luck with that. I heard he and Kirigiri are pretty fucked up

KiwiKichi: Naegi and Togami came back yesterday looking like death warmed over. Togami went to go talk with someone, possibly a lawyer.

HotMess: He better put all his effort into getting that bitch locked away for good. I will too

KiwiKichi: It's gonna be an open and shut case, they literally caught her with 2 dead bodies and 3 torture victims.

KiwiKichi: I've gotta go. We're in the parking lot and I wanna focus on giving Saihara my full attention.

HotMess: That's understandable. See you soon?

KiwiKichi: Of course.

KiwiKichi is offline

Korekiyo couldn't stop moving. It was like someone had set his legs on an unlimited loop. The dark cloud hanging over him never ceased its assault on his senses.

No matter where he went, she would follow. A shadow with bloody hands that dragged him down from any height he managed to gain. A permanent enemy that could strike at any time, drag him back to his childhood terror and hurt. He could still feel her claws all over him even after so many years.

Now she had been caught and no amount of evil scheming could save her now. The darkness could finally be banished, but at what cost? The price was too high, much too high. 3 dead, 2 injured and broken.

He had passed by Kirigiri's room on the way to see Saihara. The screams and wails of her friends and family were too painful to bear. She was so out of it, so thoroughly destroyed, just like Saihara.

He recognized that look in his eyes. The same look he had worn for so many years. The same look he kept hidden away behind false confidence now. He was tarnished, something inside him was damaged and could never be fixed. Physical wounds would heal, scars would fade, but that damage could never be mended.

He hated it. With every bone of his body. His sister was a monster who drained the light of all that she touched and she had once again claimed another victim.

He felt a gentle hand on his shoulder and he was led to sit down. He glimpsed a concerned face, a familiar one at that. Amami was shaking very visibly. He could tell that he was lost and wanted to help but couldn't. He wanted to reassure him that he would be okay, that Amami had done all he could, but words escaped him. He just felt off. Not bad, not good, not anything. He didn't even feel nothing. It was like he was no longer in control. His body was on auto-pilot.

He could only vaguely feel pressure on his sides, a hug meant to keep him in place. And it did. He had almost drifted too far away from himself.
He sat there, allowing himself to slowly come back into one piece, into one Korekiyo Shinguji.

People came in and out of the common rooms. Gonta was carrying boxes and things, helping teachers and trying to keep himself busy. Tsumugi and Angie seemed to be collecting people, and along with Tenko, Himiko, Kaede, and Miu, they wandered, just talking.

Maki and Kaito came to visit once or twice. They didn't stay long, Maki was throwing herself into training with Kaito to keep herself together, and it was working. He hadn't seen Hoshi, doubted he would for a while.

Seeing Kirumi was the hard part. She seemed so...heartbroken. She was working herself to death, her face was red and her eyes were puffy and if Korekiyo had the strength, he would have been comforting her. Seeing her like this was so unnatural. She didn't seem like herself anymore. She seemed so guilty too. Like she blamed herself for the events that had occurred, as if she felt as if she had failed them.

Korekiyo resolved to, once he was able to function, sit everyone down and just talk. They all needed too, after all.

For now though, he just let himself be held and tried not to crumble his shaky foundations.

couple of days have been difficult for all of us.

Harubro: That's an understatement, dude.

GremlinKing: Kaito, watch your tone.

SEESAWEEFFECT: It's fine. I'm sorry I haven't really spoken much about it. It's...been hard for me.

MadeMaid: Nonsense. No need to be sorry, it's a perfectly reasonable reaction to have.

Harubro: Yeah, I'd be pretty shaken up too. To be honest, I'm holding myself back from smothering my sidekick. He just looks so...different now.

EneClone: Traumatized is the word you're looking for.

Harubro: Yeah. He just looks so fragile.

GremlinKing: Not sure he'd appreciate you saying that.

EneClone: He won't, trust me. No one likes being coddled. Just give him space.

MadeMaid: I'm going to recommend a therapist I know.

Notice

This fic is going on Hiatus.

I'm sure you're all confused and surprised and maybe a little worried, but I can explain. I've hit a wall.

This fic is draining. It gets harder and harder to put out content I feel good about with every chapter I produce. I love this series, and I don't want it to end. And it's not. But I need a long break from it. I need to work on other things and let myself explore other ideas and stories. If I keep working on this one I'm going to burn out.

This was a long time coming. I was scared to admit that, but here I am now. I only want what's best for the story, and for now, that means stepping away from it.

I'll work on other projects. I'm not stopping writing, I'm just writing different things for now. I'm sorry if this is disappointing, but I can't keep doing this right now. I promise when I come back, the content is going to be better and so will my motivation and energy.

I'm sorry again. I can't tell you when it will come off of hiatus, but it will. I hope you all aren't too disappointed in me.

Feral: Zad really does make a good big bad wolf!

Zad: I am already big and bad.

Feral: I mean, you're only like 5 foot 8, man.

GrapeBoy: Still not as impressive as our costumes!

Feral: What did y'all go as?
Father: Is Amami, dressed like a boat?

Zad: That pirate costume isn't historically accurate

Father: One issue at a time, Izuru. I know, it's frustrating.

GrapeBoy: Ugh, let Shu enjoy the costume! He's been all :( lately.

Avocado: It's the trauma.

GrapeBoy: Oh, Amami! Come help me with my wings, pretty please?

Amami: Again? How do they keep coming off??

GrapeBoy: Tsu did a shoddy job.

WeebHair: I DID FUCKING NOT! YOUR DOING THAT ON PURPOSE!

Feral: Tsu, your costume is so cute!

GrapeBoy: Amami, hurrrrry!

Amami: Sorry, boats are big and do not fit through doors.

Kiibler: So glad I drew the longer stick. If I'd gotten stuck as the boat,,,

Zad: So, umm, why'd you include Amami in your couple's costume?

WeebHair: Thank you Kaede! It's very fun! I do love one Tokyo Ghoul, and Angie thinks I'm a great Rise!

Orange: I love my Kaneki costume :D

Feral: It looks much better than my Tinkerbell one, really! I bought it at the store XD

Mama: You look very nice dear.

Feral: Thank you!

GrapeBoy: Does it really matter if we included him in our costume?

MakiSushi: Kichi...how do I put this?

MakiSushi: It's weird to invite friends to dress up in your Couple Costume. Like, Kaito and I are the Sun and Moon, and we wouldn't invite someone to be the Earth!

Ten/Ten: Himi and I are our DND characters, and we didn't ask anyone else to join in.

Feral: Ryoma and Hoshi didn't have a couple's costume, but they would agree

GremlinKing: Gonta wanted to be a spider, I wanted to be a cat. It didn't work out.

GrapeBoy: Yeah, well, we did. So shut up!

GrapeBoy: We're making a store run for Movie Night: Spoopy edition!
Madoka: reality has relinquished its hold on me and I am free to achieve more than god is willing to provide.

Ten/Ten: Hey Himi, are you fucking okay?

Madoka: NO

GrapeBoy: Amami is crying over a lime

Zad: What?

SpaceCakes: Is it, small?

Avocado: Tiny

Avocado: So tiny

SpaceCakes: Pics?

Avocado: babylime.jpg

SpaceCakes: Smol,,, soft,,, baby,,,

Avocado: So innocent,,, so beautiful

Zad: Ah, so they're crazy.

Avocado: LOOK, I HAVE A LOT OF EMOTIONS RN, OKAY?

Zad:

Zad: Is this the new meds?

GrapeBoy: The doctor is making him take some sort of insomnia meds and it's making him sensitive

GrapeBoy: Not that I mind! This is funny :D

SpaceCakes: The lime,,, it's so pure.

Zad: I'm not even worried about Kaito. This ie normal for him.

Ten/Ten: That lime would taste good w/ blackberries!!

Madoka: YOU CAN'T E A T HIM!

Avocado: THAT IS MY S O N!

GrapeBoy: We'll buy him if you just pLEASE move.

Avocado: Thank you,,, :D
WeebHair: Why aren't those boys back yet?
Kiibler: My wonderful boyfriend and his best friend are looking at snails.
WeebHair: WHERE ARE YOU SHOPPING?
Kiibler: I don't know. I literally can't even remember how we got here.
UglyHat: The real horror of Halloween: Endless Supermarkets.
WeebHair: I shivered just hearing that.
UglyHat: I think we may never escape.
Madoka: RIP the gang, for the supermarket has claimed their souls.
Feral: Just,,,, leave???
UglyHat: HOW DO YOU GET BOYS AWAY FROM SNAILS??!!
SpaceCakes: Tell Ouma that we'll watch Nightmare Before Christmas without him
Kiibler: HE FUCKING BOOKED IT.

Feral: DNSNDNDN MOM!
Mama: I need a nap.

GrapeBoy: IT'S SNOWING!

Avocado: First snow of the year!

Father: I'm assuming you all want to go play?

Avocado: I'm an adult man. I don't play in snow.

GrapeBoy: Awwww! Please Taro-chan?

Avocado: Only if you promise not to bury me.

GrapeBoy: I promise!

Avocado: Let me go put ny snow boots on.

Avocado is offline

GrapeBoy: It's a lie!

UglyHat: Will you two play nice?

GrapeBoy: Maybe :P

UglyHat: I'm joining then. I can't have you murdering Amami by accident.

Kiibler: I just need to wrap up first!

Father: You...can't feel cold, Kiiibo.

Kiibler: Snow + joints = Bad Idea.
Father: Right. Have fun kids. Don't forget, dress rehearsal is at 4:30.
Kiibler: I literally can't.
Father: That was more for Ouma.
GrapeBoy: When have I ever forgotten anything in my life?
GrapeBoy: Don't answer that Shumai.
UglyHat: Ouma, are you wearing gloves?
GrapeBoy is offline
UglyHat: Brat.
Kiibler: I'll go make him wear gloves.
UglyHat: Thanks. I love him and I don't want him losing a finger.
Kiibler: Me too 😊

Stonks: Is anyone noticing something?
Feral: Your new haircut looks good on you Miu
Stonks: Not what I was talking about but thanks!
Zad: I have no idea what you mean, Miu.
Mama: I think I have an idea.
WeebHair: You mean how Ouma has started calling Dad Rantarou?
Mama: Is that really all?
Stonks: He doesn't just do that!
MakiSushi: He called you Miu on day 1.
Stonks: That's different!
Orange: I kinda agree with Maki here. Maybe they're just closer?
Feral: They have been spending more time together since Amami broke up with Shinguji.

Gonta: Gonta thinks they've become good friends!

UncleLongBoi: Miu, you're overthinking things.

Stonks: SOMETHING IS GOING ON! I just know it!

UncleLongBoi: A hunch doesn't count dear.

Stonks: Shut up Gigantamax Meowth.

UncleLongBoi:

Zad: Miu!

UncleLongBoi has changed his name to GigantamaxMeowth

GigantamaxMeowth: I love it.

Stonks: Of course you do.

Feral: You know, maybe Miu has a point?

WeebHair: ...Stop! You're gonna set off the shipping fire!

Orange: Tsumu, please don't.

WeebHair: I will, I will.

MakiSushi: Stopping you right there. Don't meddle in my little brother's love life.

Stonks: It's OUR little brother.

MakiSushi: He was MINE first.

Stonks: Yeah well, I'm the cooler one!

MakiSushi: I will fucking kill you

Stonks: FUCKING DO IT. I CRAVE DEATH!

MakiSushi: Sorry mom.

Stonks: Am I in trouble?

Feral: YOU ARE NOT ALLOWED TO MAKE SUICIDE JOKES.

Feral: Okay, okay ;(

Zad: No meddling. That's final.

MakiSushi: Thank you Zad.
Zad: And no fighting. Now love, where are you?

Mama: Stage, left wing.

Zad: Take a break, you've been at it all morning.

Mama:

Mama: Fine.

Gonta: Gonta will make lunch today so Mom can relax!

UglyHat: Zad, please get of the catwalk and come down to the wings.

Zad: Be down in a second.

Ten/Ten: Himiko's acting weird.

GrapeBoy: Girl, tell her to go to bed if she can't focus, I'd rather be down a man then have a half-there person running shit.

GrapeBoy: RANTAROU GET OFF YOUR PHONE AND GET TO HAIR AND MAKEUP. AND SOMEONE GO SEPERATE MIU AND REO BEFORE I LOSE MY SHIT.

Avocado: Fine :( 

UglyHat: Miu, go get Reo and Mina.

Stonks: Got it!

GrapeBoy: And if Aoi doesn"t watch where she walks she'll fucking eat shit, someone grab her before she falls

Mama: Sakura has her.

Ten/Ten: Ouma, she's being all distant and suspicious of everyone! She keeps staring at Hoshi with wide eyes.
GrapeBoy: God. Tenko I love you but I am not the person to be asking for help, I can barely manage my own shit, let alone hers.

Ten/Ten: Is she sick? :(

GrapeBoy: Maybe. Look, you two go back to your room, I can have some of the first years handle your sets. Get her some rest.

Ten/Ten: Okay. What if she doesn't get better?

GrapeBoy: Take her to a doctor or something.

GrapeBoy: Oh my god what the fuck are they doing that set piece isn't till act 2.

GrapeBoy is offline

Ten/Ten: :(  

WeebHair: She's gonna be just fine.

SpaceCakes: Yeah! It's Himiko. That girl could get hit by a car and shake it off

SpaceCakes: And even if she's not, she's got all of us to watch out for her.

SpaceCakes: Don't stress about it

Ten/Ten: Thank you :D

Mama: Dear?

Zad: Yes?

Mama: Do you want to come Christmas shopping with me? There are still some gifts I must get, and I want to finish the baskets for the other classes.

Zad: Sounds fine with me. I'll come to your dorms in a few minutes, I just have to finish helping Nagito with these boxes.

Mama: Oh, right. Are you spending christmas day with your class?

Zad: Probably part of it. I will come to see you all as well though.

Mama: Sounds lovely :)

Avocado: Hey guys, mind if I tag along. I still have a few things to grab.

Mama: Of course, as long as you don't get yourself kicked out. Again.

Avocado: I won't! Sheeesh, you cause mayhem one time :(.

Mama: You sound like Ouma.

Ten/Ten: Really?

Orange: Yeah, she's been really pissy lately. It's starting to upset me.

Ten/Ten: I wish she'd tell me what's wrong. Every time I try to ask her, she gets all defensive and tells me it's not my business.

WeebHair: She really needs a therapist.

Ten/Ten: She won't even talk to me about that. She just runs off when I mention it.

WeebHair: The girl needs an intervention.

Ten/Ten: It's exhausting and stressful. I just want her to be happy again. Is that selfish of me, not wanting to deal with this?

Gonta: Gonta doesn't think so. I think it's normal. Tenko isn't a therapist, she's a person. You can only do so much.

Ten/Ten:

Ten/Ten: Thanks Gonta.

Gonta: Will Tenko be okay?

Ten/Ten: I think I will after a nap. Someone keep an eye on Himiko.

Kaito Momota: Of course.

Kaito Momota: Anyway, wanna hang out?

Shuichi Saihara: Sure. Kiibo and Ouma are busy anyway, and Rantarou's still out.

Kaito Momota: You and Amami are pretty close, huh?

Shuichi Saihara: You could say that. See you soon?

Chapter 184.5: Found

She can't breathe. Or see, or think. Her mind is buzzing and she feels like the world around her is no longer solid. It's unrecognizable. All she can think about is that stupid game and that stupid bear.

She knows, distantly, that the game isn't part of her reality, that no one wishes her harm in that school, but she can't talk herself out of this. Logic doesn't sway her. Her emotions rule her, fear and stress gnawing at her most sensitive organ like wild dogs.

She doesn't feel much else, besides the sensation of the large stick she's holding. Pidge used to perch on the end of it. It made her look like an old, wise wizard. Now it was a weapon, a cruel twisted device to bat away her nightmares.

The sidewalk beneath her buckled as someone approached from behind her.

"Himiko? Sweetheart! There you arrrrrrr-" the voice behind her warped. It distorted in her mind to some horrid abomination, and she could feel the knife at her neck. She reacted like an animal backed up into the corner. She turned around on shaky knees and struck.

And struck. And struck. And struck.

Peptol Bismol colored blood pooled at her feet. Himiko hiccupsed, chest shaking.

She still couldn't see.

God. I have no clue what to say.

I can't believe how far we've come. I never imagined so many people reading this. This whole journey started as a whim, a writing warm-up I never expected anyone to read. I love you all so much. Thank you for almost two years of friendship, laughs, and hard work. You all have taught me so much about writing, about life, and about myself. I hope 2019 treated you well, and I hope 2020 treats you even better.

The next fic will be titled "Shenanigans Encouraged". Three books in already, huh?

One last time this year, I hope you have a great day. Take care of yourselves for me.
