Remus stared at his phone, hands trembling. He was nervous. So fucking nervous. Ever since he started texting Padfoot his heart was in a constant uproar, beating so fucking hard he thought it might give out. It was weird and new and exciting and terrifying. He’d never done something like this before. Never gave out his number to random people. Never chatted with people he didn’t know… He barely even spoke to his own goddamn friends, for crying out loud! But with Padfoot… everything was different. He couldn’t explain what it was about the other boy, but there was something that was so fucking intriguing about him and Remus’s curiosity always got the best of him.

After the first day of texting with Pads, Remus had promise himself that enough was enough, and that he was going to block he number and delete all traces of Padfoot from his mind, but come morning, Remus was grinning like an idiot at the text the other boy had sent him. It was stupid. So fucking pointless, yet Remus couldn’t deny that he liked this. He didn’t act like it though. Of course he didn’t. He had so many reasons to act guarded and cold. He couldn’t show this person he didn’t even know that he cared about this silly conversation. That he was actually happy that Pads had gotten the wrong number at the park and ended up texting him instead.

It was pathetic and he didn’t want him to know.

He was waiting for the shoe to drop, knowing that this was too good to be true and that Pads was going to get bored of him sooner or later. If he put his heart out there, it was just going to get inevitably crushed. Because Padfoot seemed like a fucking galaxy. So big and new and explosive and fuck. He didn’t even know this boy. He could be an old man for crying out loud! But Remus was getting to the point where he didn’t care and that was frightening.

He wanted to open himself up to Pads. Wanted to ask more questions, know more about his life. He wanted and wanted but he wasn’t showing this to Padfoot and Remus could tell that the other boy was upset. And he hated it. Hated it so much, that Remus actually ached with it, but he just didn’t know how to open up. How to be vulnerable.
After the two of them had sexted, Remus had been mortified. Not because he had done it, but because he had loved every fucking second of getting off with this stranger. He hadn’t regretted it, not one bit. The mere thought of getting to do that with him in real life got him harder than he had ever been before. Remus had never been with a boy before. He had thought about them, and knew that he was bisexual, but this was something out of his general knowledge and he had never wanted to be with one this badly. It was all happening too fast and he was confused and intrigued and turn on and he just didn’t want to go somewhere he couldn’t return from. He didn’t want to fucking fall in love with this illiterate boy and end up dead in the gutter somewhere.

He needed to play it safe, even though everything in him was screaming at him to take it further. To ask all the questions he wanted to ask. To be brave like pads was being. But he couldn’t do it. There was too much at risk.

But seeing this text.

Those fucking words.

Is it okay if I call.

Remus heart was beating like crazy and his hands were trembling so fucking hard he even dropped his phone. He stared at it, unable to pick it up and watched as it vibrated over and over again on the ground. He finally broke out of his trance and picked it up slowly, turning it around.

On the screen where other text messages:

12:25 - SORRY

12:26 - Didn’t mean to upset YOUUUUU

12:26 - OR CREEP U OUT OK

12:26 - js havin a real SGIT DAY and

12:27 - yeahhhhhg

Remus heart ached. He wanted to talk to him, hear his voice for the first time ever and listen to what he had to say. But he knew that if he picked up the phone and called him, the avalanche of feelings was going to start and destroy everything in its path. He wouldn’t be able to ignore it. Wouldn’t be able to stop it.

He hesitated, thumb hovering over the call button.

Biting his lip so hard it burned, Remus made the call.

The phone rang twice, and then a voice answered:

“Hello?”

“Moons?”

The voice sounded tentative. Almost shy. But underneath that, the voice was silky soft, and so, so fucking attractive. It made Remus throat clog up.
“H-hi.”

He cleared his throat, then went again.

“Hello, hi.”

Pads chuckle sounded like the most beautiful song he’d ever heard. His heartbeat accelerated and he scratched the back of his neck.

“hello, hi yourself. I can’t believe you actually called me.”

“You said you needed to talk, so I’m here.”

There was a beat, before Pads voice spoke up again:

"i just- I- fuck.”

He laughed again, and Remus was fucking hooked.

“Sorry. I don’t mean to laugh.”

“i just. This is so weird.”

“sorry.”

“No! no. Oh god. No listen. You just. Fuck, you’re probably going to hang up. But you sound like sex.”

“W-what?”

He cleared his throat again as he tried to get his heart to slow the fuck down.

Pads giggled now, and Remus wanted to fucking die.

“im sorry. Sorry, really. You just.”

He heard Pads take a deep breath.

“you sound better than what I was imagining.”

Remus felt his brain short circuiting and he opened his mouth but no fucking words came out.

“Fuck! sorry. Sorry moony. I didn’t mean to make you uncomfortable!”

Remus blinked a couple of times and got his bearings under control.

“uh, no, don’t sweat it.”

“what do you need padfoot?”

He heard pads clear his throat now, and when he spoke again, he sounded sad.

“it’s kinda stupid now that I think about it. I should probably just let you go.”

“NO! no, hey, it’s okay.”
“I’m here, really.”

“you sure?”

Pads sounded so fucking cautious and Remus hated that. He hated that he sounded like a closed off dickhead, but his mind just wasn’t functioning right.

“Yes. yes. I’m sorry If I sound like a dick.”

He took a deep breath.

“I’m just nervous.”

There was a beat.

“why’re you nervous?”

“i don’t know.”

“just am.”

“well. It’s only me, you know.”

“we’ve been texting non stop.”

“i know. This is just..”

“different?”

Remus found himself chuckling.

“yeah.”

“Good different? Or bad?”

“good. Definitely good.”

“good.”

He hoped Pads was smiling, cus Remus didn’t want to be the only goofy one with a grin on his face.

After a moment, Pads said:

“anyways. I um. Fuck.”

“What is it?”

He felt Pads take another deep breath.

“I’m like. okay. So this is going to be a lot okay? But I need to fucking vent and unpack all this shit or I’m going to fucking go off.”

Remus was a little thrown off track by the sudden change in Padfoots tone, but also felt surprisingly at ease, like talking to this stranger about personal things was totally normal.
“i’m here pads. Whenever you’re ready.”

“thank you. That means a lot to me.”

“i just.”

“fuck. Okay, so you know how my parents are shit, yeah?”

“yeah?”

“well, they’re like. So fucking worst than just shit. okay, like they’re literally scum-“

“yikes.”

“yes, big fucking yikes.”

“They’re bigoted and homophobic and just so fucking morally fucked, ya know? And like I hate them cus they hate me and I just.”

Pads took a big gulp of air and let it out as a pissed off groan.

“I’m sorry.”

“im so tired of them. Like I can’t deal with them anymore.”

“do they know about… you know?”

“That I’m gay?”

“fuck no. they’d kill me.”

Remus let out a relieved sigh. He didn’t want nothing bad to happen to Pads.

“But my fucking parents want to transfer me into my brothers school and I swear to god Moony, I’d lose my shit. Every member of my family has gone to that fucking putrid place and everyone that goes there is so bad and fucked up and I would rather die.”

“Fuck pads. is there somewhere else you could go?”

Listening to Pads distressed voice, Remus felt so fucking helpless.

“I mean, I’m at Prongs right now, but I don’t want to bother them with this shit.”

“But I just realized that I’m bothering you now with this bullshit and you don’t even know me.”

“fuck. I’m sorry Moony, I’ll text you later.”

“hey, stop. I’m here for you pads, I mean it.”

“you’re not bothering me with this. I’m just worried.”

“I didn’t know it was that bad at home.”

“Oh, you have no idea how fucking bad it is.”
“but I’ve dealt with it all my life.”

“I just don’t think I can deal with this, you know? Like my cousins also go there and we hate each other.”

“It’s not going to be pretty for me.”

“I think you should talk to Prongs about it.”

“like he’ll know what to do more than me, you know? Like I wish I could do something to help you.”

“i know moony. You listening to me is helping loads, if I’m honest.”

“I’m just so tired, you know? Like I don’t want to deal with them anymore.”

“I’m real sorry Pads. You don’t deserve that.”

“but I think you should talk to prongs. Maybe you could stay with them or something? Talk to Mrs. Prongs or like, another family member that can help you out?”

“I just don’t wanna be a bother.”

“Baby no. You’re not a bother.”

Remus heard Padfoot’s breath hitching, and realized what he had done. His whole face burned up and he closed his eyes. Cursing himself for being so fucking stupid.

“D-did you just call me baby?”

Pads sounded amused, and Remus wished for the ground to swallow him whole.

“Moony? You there?”

Swallowing his pride, Remus replied:

“Y-yeah. Sorry about that.”

“It sorta slipped.”

A beat:

“I liked it.”

Remus took a calming breath, ready to reply. But before he could say anything, Padfoot beat him to the punch.

“I really love talking to you moony. Like, you have no idea how much it makes my days.”

“I know you’re not too comfortable talking to me, but I just. I like you, okay? You seem like a great person and I really want to be your friend.”

“I’m sorry if I’ve been acting distant with you, I just. I don’t want to overwhelm you or cross any lines. I’m trying to stay in my lane and not overwhelm you or fool myself into thinking this could go anywhere, when you clearly don’t want that.”
“But I just. I want to know you moony. I really do.”

Remus didn’t fucking know what to say. He was paralyzed and he didn’t fucking know what to say!

“I’m going to go now, okay. I’m sorry if I made you uncomfortable.”

“thanks for listening to my bullshit.”

Pads hesitated, then said:

“Bye moon of my life.”

The line went dead afterwards and Remus was still standing like a fucking idiot, phone against his ear and Pad’s words repeated themselves over and over again in his mind.

Sirius hands shook as he typed the message. He didn’t want to sound fucking needy or annoying, but he really, really, really, really, REALLY, liked moony. He couldn’t explain why he liked him so much, but he was smitten. There was something so endearing and hot and cute and amazing about the other boy and Sirius wanted him all to himself. He was falling fast and hard for this dork and he couldn’t help himself. He was a romantic at heart and he was a firm believer that love at first sight did exist. He had never fallen in love before, and he hadn’t seen Moony’s face yet, but there was this weird gushy feeling in the pit of his stomach that left him lightheaded and excited. He had heard James describe the same feeling to him countless times before, but he never thought he’d get to experience it himself. It was mind boggling, and terrifying and he didn’t know whether he should run away from it, or embrace it with all his might.

Embracing it was proving to be hard as fuck, especially since moony acted so goddamn aloof towards him. It drove him crazy because he didn’t know whether the other boy was enjoying himself or not, and Sirius didn’t want to force this wonderful human to be friends with him if he didn’t want it.

It had broken his heart when Moony had ghosted him after the sexting dilemma. Like he knew he shouldn’t have pushed, but Moony had gotten him so fucking horny that Sirius has forgotten himself and gave in to the pleasure he was feeling. The pleasure only intensified when Moony started sexting back, telling him all the things Sirius had been dying to hear. He didn’t know the other boy, but he wanted him to fuck him. Wanted Moony to lay him down on the bed and fuck him until Sirius was a fucking mess. He wanted to feel Moony’s seed inside of him; wanted to stay wet and sloppy for the rest of his fucking life. He wanted to be owned by Moony and that thought was both terrifying and hot and FUCK. Now Sirius was sporting a boner and Remus hadn’t even replied back yet. He didn’t want to push the other boy, especially since he didn’t know how Remus truly felt about him. He had just gotten the other boy to be his friend. He didn’t want to scare him
His phone vibrated in his hand, shaking him out of his spiraling thoughts. He looked down at his phone and fucking gaped.

Moony was calling him.

MOONY WAS CALLING HIME!

It was right there in front of him and his fucking limbs felt like jello. He was filled with the jitters and a giddiness that caused a squeal to escape his mouth. He bit his lip, trying to contain his excitement, before accepting the call.

“Heya moons.”

He said, trying to sound casual but failing.

“Pads.”

There was an awkward pause, and then the boy of his dreams said:

“What’s up?”

It was rather endearing, if he was honest. The clumsy way in which Pads sounded on the phone. It was such a difference from the way he texted and Sirius hoped that was a good thing.

“Nothing much, you know. Just laying down.”

“Bored out of my goddamn mind.”

“Same.”

There was another awkward pause:

“How was your day-“

“How are you do-“

Both of them spoke at the same time, causing Sirius to break into a giggling fit.

“Oh gods, we’re a pair of idiots, ain’t we.”

Sirius said, throwing himself down on his bed. Butterflies where trying to escape his body in the form of giggles and he covered his mouth, trying to contain them. But the grin on his face couldn’t be stopped.

“Speak for yourself Pads.”

Moony replied, but Sirius could hear the smile in his voice.

He was silent for a moment, soaking this reality in. It was so weird yet amazing, how fast Sirius had fallen for Pads. The other boy had a track record of sleeping around and basically being a dick slut. But with Moony it all felt different. It wasn’t only sex that he wanted with the other boy, it wasn’t only a one time thing. No. With Moony it all felt different. Felt more real and authentic.
More alive. Sirius wanted to know everything about this other boy. Wanted to be his best friend, to be there for the other boy whenever he was needed. But he also wanted Moony to be there for him. He wanted Moony to hold him and comfort him, and let him know that everything was going to be okay.

“How are you doing Moons?”

Sirius asked him, his voice going all soft.

“I’m okay. A bit tired, but mostly bored.”

“Ahhhhh, I’m not interrupting your bed time, right?”

“Shut up jerk. I don’t have a bed time.”

Sirius laughed. Moony was just too fucking cute.

“Yeah, yeah.”

“That’s a lie and you know it.”

“Moons, you’re like a grown ass man.”

“Pads.”

“I wouldn’t have a bed time if I was a grown ass man.”

“Yeah, but you’re like, an old grown ass man.”

“Like you go to sleep early cus your old man eyes can’t stay open once it hits 8 pm”

Pads laughed, incredulous. The melodic sound went straight to Sirius belly, settling there in the most pleasant way possible.

“You’re right.”

“I’m actually an 88 year old man.”

“Ha! I fucking knew it.”

“But don’t worry Moons. I’m 88 too.”

“You won’t get in trouble for texting a minor.”

“Oh gods.”

Moony groaned.

There was a pause.

“How are you doing Pads?”

“Why aren’t you out doing something?”

“Because I didn’t want to go out alone.”
“You don’t have other friends?”

“Besides Prongs and Worms, I mean.”

“Prongs and worms,”

Sirius chuckled.

“Sounds like a fucking disease.”

“To be honest, they sort of are like a disease. A good one though.”

Moony chuckled.

“Of course. Cus that makes a lot of sense.”

“It makes perfect sense Moon of my life.”

“But to answer your question. Yes, I do have more friends.”

“I just don’t really hang with them after schools done.”

“Like we only hang when we in school.”

“Mostly cus Prongs lives in fuck-off Vile, so like getting from here to the city is kinda annoying.”

“Damn, that sucks.”

“I also live in fuck-off Vile, so I feel your pain.”

“I’d go to the ends of the world to see your faceeee Moon of my life.”

Sirius didn’t really mean to say that, but his fucking heart was all over the place and his fucking tongue got the best of him. There was another pause, but Sirius couldn’t decipher whether it was awkward or not. He sort of just hung there, waiting for what Moony was going to say.

It felt like eons went by, before Moony finally said:

“Good thing I live in Wales then.”

“You won’t have to travel that far.”

Sirius couldn’t believe his fucking ears. Did Moony just fucking give away a part of himself???

“What?”

Sirius said dumbly. He just couldn’t fucking believe his ears.

“Fuckkkkkkk.”

“That was so weird. Okay. Fuck.”

“Forget I said that.”

“N-no, Moony, no. I live in Guildford.”
“Well, Prongs parents do.”

“I actually live in London, but not anymore I guess.”

He was nervous. This was a new step in their relationship and Sirius didn’t want it to break.

“O-oh. Nice.”

Sirius could tell Moony sounded nervous as well, but he didn’t know if that was a good or bad thing.

“How is it, over there?”

“In London, I mean.”

“I’ve always wanted to go.”

“It’s a drag.”

“I hate it to be honest. I don’t like the noise.”

“I spend most my time in Scotland and the other times at Prongs.”

“So when I’m there, I pretty much just hang at Hyde Park.”

“It’s like I need to be surrounded by trees or something.”

Moony chuckled.

“I’m surrounded by trees constantly, so a little bit of concrete would be nice.”

“Why’re you always in Scotland?”

Sirius bit his lip, trying to rail in his excitement.

“I-I go to school there.”

“You’ve probably heard of the school.”

“You go to Hogwarts?”

Moony gasped.

Sirius sat up and ran a hand through his curly hair.

“I do, yeah.”

He bit his lip, debating whether he should ask the follow up question or not.

“That’s amazing Pads. I always wanted to go.”

Moony sounded a bit dreamy when he said that, and Sirius wanted to know why.

“Why didn’t you?”

“Almost every kid in the UK ends up there.”
“Yeah, well.”

“I was sick when I was little. So my mum never send the application.”

Sirius heart broke.

“Aww, fuck. Moony!”

“We could’ve known each other!!!”

Moony laughed.

“I know, I know.”

“I probably would’ve killed you though. Seeing as how you drive me crazy.”

Sirius heart stuttered in his chest, causing him to let out a soft whine.

“I drive you crazy?”

He didn’t mean for his voice to get all husky, but those fucking words were getting to his head.

Moony cleared his throat.

“Y-yes.”

“You’re infuriating, you know that, right?”

“I hope that’s a good thing.”

Moony laughed again.

“It is, Pads.”

A beat.

“You drive me crazy too.”

Sirius whispered. He couldn’t help himself. He just wanted Moony so fucking badly.

“Y-yeah?”

Moony’s stutter was adorable, and Sirius couldn’t help but giggle.

“Yes.”

“So I guess we’re even.”

“I guess so.”

Moony whispered right back, his voice sounding deep and sexy.

It was stirring something deep inside of Sirius. Something lustful and intense. He laid back down, trying to control his erratical heart. He’d never been turn on this fast before and it was fucking terrifying. He wanted to get Moony’s dick inside of him right fucking now.
“Fuck.”

He whispered as he closed his eyes tightly. He brought a shaky hand down to his dick, squeezing it lightly as it began to harden.

“Y-yeah.”

“You don’t sound good.”

Sirius bit his lip.

He wanted to throw caution to the wind and tell Moony to sext with him again, but he also didn’t want to cross the line. It had broken his heart when Moony had stopped talking to him and he didn’t want a repeat of that at all. He wanted to respect the other boys wishes and not push him. The last thing he wanted to do was lose him.

So he took a deep breath, trying to calm the erratic beating of his heart, then said:

“Yeah, just got lightheaded for a moment.”

“Good. I wouldn’t want anything bad to happen to you.”

Sirius heart fucking melted at that.

“You’re so good to me, moons. What did I do to deserve you?”

Moony’s melodic chuckle came out through the speakers, making him swoon.

“You flirted with someone who clearly didn’t want to hit on you.”

Moony laughed.

“I love that guy. He brought me to you.”

Here we go again! Sirius cringed. Saying all these sappy shit that was going to get him in so much trouble. Him and Moony were making progress and here he was, laying it on thick.

“Yeah, I gotta send the guy a thank you card.”

Sirius’s heart stuttered.

“If I see him at the park again, I’ll be sure to thank him.”
“Yeah. My days are so much better because of him.”

“Really?”

“Yeah.”

Sirius laid there with a dumb grin on his face, heart beating out of control. He was so gone for this boy and he didn’t know what the fuck to do. Moony’s voice was shaky when he said:

“I should probably let you go now. I have, um. Homework to do.”

“Oh, okay. Y-yeah, yeah.”

“But we should talk again. Like, on the phone I mean.”

A beat.

“It’s nice. Hearing your voice.”

Sirius fucking died.

“Y-yes. Yes, it’s nice hearing your voice too.”

“Bye pads.”

“Bye moony.”

Chapter Notes

You guys asked for it so I tried to deliver!
writing smut isn't my forte, but I hope you guys are able to enjoy this!

Remus was vibrating out of his skin. Everything was happening so fast and spinning out of his control, yet it felt oh so fucking good. It was an indescribable feeling, a sensation that was felt all over his body and left him giddy and breathless and like he was on top of the world. Padfoot was amazing. Full of a childish energy that Remus wasn’t used to, and he loved every moment of it. He should be running away from this. Hiding under the covers and erase every trace of this beautiful boy. He should block him, delete his number, forget about the way he made him feel. He should do all this before it was too late and Remus ended up doing something stupid, like falling in love. Because surely this situation between him and Padfoot couldn’t fucking end well. Pads was from a different galaxy, a light at the end of a tunnel that he knew he wouldn’t be able to reach. He knew deep inside, that no matter how much Pads claimed to like him, when the day came that they finally saw each other’s faces, the other boy was going to run away and never come back. He touched a shaky finger to the ragged scar that divided his face in half. A camping accident gone wrong almost ten years ago. It made him stand out from all the other boys in his community, and despite his height and conventionally good looks, he knew that his scarred face turned a lot of people off. Remus didn’t want Pads to see his face and reject him. He knew that if he did, Remus heart was going to break and crumple and he was trying so fucking hard to avoid that.

But no matter how hard he tried to fight this crazy attraction, he just couldn’t… There was something about the other boy that drove him crazy. Remus was usually quiet and reserved when it came to his sex life, yet when Padfoot began talking about how horny he was and the things that he was doing to himself… it drove him fucking crazy with need. He wanted to devour the other boy, own him in ways that he had never wanted to own anybody before. He wanted to ruin Padfoot for any other person, make him his and only his. It was so fucking insane and just thinking about it was making Remus horny and needy. What he wouldn’t give to have his beautiful boy spread out for him on his bed. “Fuck.” Remus groaned, leaning back against the couch. He had arrived home twenty minutes ago and after putting his phone to charge up in his room, he had dropped himself down on the couch. Thoughts of Pads began to flood his mind, leaving him hazy. He wanted so fucking much that he didn’t know what to do. It was all so very confusing and consuming and fuck.
Fuck, fuck, fuck. It wasn’t only sex that Remus wanted. No, it’d be so fucking easy if it was just sex. But like always, life had to be a complete bitch and fuck him up in the wildest of ways.

Because Remus wanted to hold Pads. He wanted to shower him with kisses and make him feel safe and wanted and protect him from all the negativity from the world. He barely knew the other boy, but from the things he had learned, he knew that Pads didn’t lead an easy life. And Remus wanted to be there for him. Wanted to learn everything he could about him and hold on tightly to all the information and keep it stored in a safe place in his heart.

He shook his head, as if trying to get rid of the thoughts and let out a humorless chuckle.

“This is fucking crazy.” He whispered to himself. Because in just four fucking weeks, this boy, this crazy and erratic and wild, and inappropriate and wonderful and charismatic and bright and beautiful, beautiful boy, had entered his fucking life and now Remus didn’t want him to leave.

And that scared him to death because besides him knowing that Pads would not find his scarred up face attractive, he also knew that Pads could be a fucking sex offender of murderer or something. Just because he had heard his soft and melodic voice didn’t mean that the other boy was who he said he was! But even thinking that didn’t calm the ache in his heart and the constant throbbing of his dick as he thought of bending Padfoot in half and fucking him with everything he had.

The knock on the front door startled him out of his head. He felt dazed and confused, but as the knocking continued, he shook his head and looked down at his dick. He groaned again as he realized he was sporting a semi.

The knock came again, more persistent this time, followed by a familiar voice.

“Oi, Rem, open up!” Alice, his best friend since they were little said as she knocked again.

Remus got up from the couch and fixed himself so that she wouldn’t be able to notice. He opened up the door to an exasperated Alice.

“Fucking finally,” she said as she pushed her way into the house. “Were you wanking or something? I’ve been knocking for ages.”

Remus blushed and pulled his shirt down. “I was up in my room.” He lied.

Alice plopped herself down on the same spot Remus had been sitting and smiled from cheek to cheek. “I have the best of fucking news.”

Remus couldn’t help but chuckled at the manic expression on her face and sat down next to her.

“Frank finally asked you out?”
She rolled her eyes and waved her hand in front of her face in a dismissive way. “No, no. Frank is still a fucking pussy. I’m just gonna flirt with him until he creams his pants.” She smirked, a proud look on her face.

“Jesus, woman. You’re something else.”

She winked at him. “That I am, my friend. But anyways, let’s not get off topic here. Mum got tired of me moping around her shop, saying it’s ruining the business or some crap. Can you believe that?”

Remus smiled at her fondly. Alice had a tendency to mope when she was bored. “Have you met yourself?”

Alice slaps his leg playfully and pouts. “Keep being a punk and I won’t bring you with me to London.”

Remus eyes widen.

“London? Why would we be going to London?” There was fear in his voice and Alice picked up on it.

“Yes you twat. London. Is there something wrong?”

Remus tried to school his expression so he wouldn’t give away the myriad of emotions that suddenly flooded his insides. “Nope. Nothing wrong. Why are we going to London?”

Alice looked like she didn’t believe her, but kept on talking. “Well my auntie Libby lives there and my mum spoke to her and she’s agreed to letting me stay with her until we go back to school. She said I could bring you along too.”

Remus simply nodded, unable to formulate words. Because what the actual fuck was his life? He had only been to London once when he was a child, and it was a trip his parents had taken after his very unfortunate camping accident as a way to cheer him up. AND NOW, 10 or so years later, he was going to be going back to London. To the place where Padfoot was from and who he ran a risk of running into! Even though he knew this was unlikely, since Padfoot was currently not even in London, but he knew that if he told the other boy about this, Padfoot would want to meet up and
Remus was so fucking weak for that boy. He hated when he upset him and refusing to meet with him would only cause Pads unnecessary pain. Which was something Remus had promised not to do.

Alice, noticing her friends far away look, placed a gentle hand on his leg and shook him. “Rem, you good?”

Remus shook his head and offered his friend a small smile. “Yeah, sorry. Just thinking about the last time I was in London.”

Alice knew all about this of course, knowing how painful those memories were for him. She simply squeezed his knee and smiled.

“Yeah, well. This time we’re going to have a fucking blast. My cousin knows the best fucking clubs in the city and all the banging restaurants. We’re going to have the best summer ever bitch.”

He chuckled at her enthusiasm. Alice was the wild one out of the two and he loved that about her. She was the one that often took him out of his shell and got him drunk enough for him not to care about his fucking face. It was liberating.

Maybe I should tell her… He thought.

Alice always knew what to do, but this felt so private and personal to Remus. Like sharing Padfoot with his best friend was going to break the spell he was under. He didn’t want that. Remus just wanted to stop overthinking and just feel. He had agreed to give this thing with Pads a shot and had even made the other boy cum again. Had told him how badly he craved him and how he feared to get hurt. He had opened himself up to Padfoot in ways that he had never opened himself up to anybody else before. And yet here he was, about to have a fucking heart attack because he was going to be closer to him. Like it wasn’t that he didn’t want to see Pads, or that he couldn’t withhold the fact that he was going to be in London from him. No. The thing was that Remus actually, despite his better judgement, wanted to fucking see the other boy. He wanted to finally see how he looked like. He wasn’t a shallow person in the slightest, but the way in which Pads had described himself that one time, had sounded so fucking beautiful and hot. And even if Pads turned out to not be attractive (unlikely) he knew that he was still gone on the boy. So yeah. If he did end up going to London and getting drunk with Alice, there was a very high fucking chance that he’d end up telling Padfoot and asking for them to meet. And that just couldn’t happen. Not yet at least.

“Yo,” Alice snapped her fingers in front of his face. “Are you thinking of dick or something? What’s up with you?”
Remus couldn’t help but laugh at her words and shook his head. “Just thinking about how jealous Frank Is gonna get when he sees all your drunk insta stories.”

“Oh please. He’ll probably just cry about how much he wants me. I swear, that boy is a goddamn idiot. Like, can he not see that I’m obviously into him? I literally sat on his lap the other day Remus. Like in a sexual way.” She sounded fed up and Remus laughed again.

“Maybe you should spell it out for him. I think he’s just in denial. Like he’s wanted you since we were 12.”

“I know! And I wanted him too. So why the fuck is he so dense?”

Remus shrugged. He found this situation to be so comical. Both of his best friends were crazy for each other, yet neither of them made the first move. It was comical but also kinda annoying and most of the times Remus wanted to lock them in a room somewhere and not let them out until they fucked or something.

“Take him to London instead. Maybe he’ll get a hint then.”

“Oh fuck no. I’m in love with him yeah, but he’s going to be such a blow. Like if he doesn’t fucking ask me out he’s just gonna stare longingly at me and drive me crazy.”

Remus flicked her on the forehead, ignoring the look of indignation on her face. “Then maybe it’s time for you to do something about it. Like before you go to London just ask him out and then drag him along with you.”

Rubbing her forehead, she said: “Yeah no. Not gonna happen. I’ve been waiting for so long for this. He better fucking propose when he finally asks me out.”

“You’re so fucking annoying.” Remus said, no heat in his voice.

“And you’re coming with me to London Mr. Lupin. Frank can come along too.”

“Oh god, no. I’m not going to be third wheeling.”
“Yeah, well maybe I can hook you up with my cousin. She’s only like three years older than us. And she got a killer ass.”

At the mention of the word ass, Remus mind supplied him with a fantasy of a naked Padfoot, rubbing his pretty cock against his pillow and getting it all wet with his pre-cum. It was sinfully delicious and Remus had to close his eyes to settle the erratic beating of his heart.

“You thinking about her aren’t you?” Alice asked cheekily. She had shown her a picture of her cousin Madison a few years ago and he had found her cute.

He opened his eyes and gave her a noncommittal shrug.

“She’s definitely single and really into the whole nerdy thing you’ve got going on.” Alice said, touching his corduroy pants.

“I’m not nerdy.” Remus protested.

“Yeah sure you’re not.” She patted her shorts and took out a box of American Spirits. “You want a fag?”

Remus looked at the offered box and took it in his hand. He didn’t regularly smoke, since his lungs were a bit on the shittier side, but he enjoyed the tingly feeling he always got whenever he inhaled the forbidden smoke. He took two cigarettes out and gave one to his best friend. They both got up from the couch and went out to the patio.

Remus cursed himself as he read the texts on his phone. He hadn’t been expecting Alice to come over, and even though he had remembered that he needed to call Pads, time sort of just slipped away from him. Him and Alice had sat on his back yard and smoked and talked about Frank and his obliviousness. They tried to figure out ways in which Alice could make her love for Frank more fucking obvious, and that ordeal took them two goddam hours.

He looked at the time on his phone, heart plummeting when he saw that it was already 10:15. *Would Padfoot pick up? Would he be mad? God, please. Don’t let him be mad.*

Remus unlocked his phone and with shaky hands, he sent a text.

10:15 - I’m so fucking sorry pads!

Incoming call from Pads

Remus heart was beating wildly again. This boy was going to be the death of him and he was ready. He picked up the phone and his ear was immediately greeted by the soothing sound of Pads’s voice.

“Hiyah cutie.”

“Hey.”
“How’re you doing?”

Remus felt his throat clogging up. He was so nervous!

“I’m okay.”

“Laying on my bed.”

He heard Pads let out a soft giggle and his insides melted.

“I’ve been thinking about you non stop.”

“Like, it’s actually so insane.”

Remus felt drunk. There was a dumb smile on his face as he sat down on his bed.

“Oh yeah?”

He heard himself saying, voice husky and unrecognizable.

“Y-yeah.”

“As soon as I came home, I came straight up to my room and got naked.”

The tremor in Padfoot’s voice sent a sent a shiver down his spine and made him feel bold.

“Eager, are we?”

“For you? Always.”

“My body is so fucking sensitive moons.”

“Like every little touch makes me wanna cum.”

“Jesus Christ.”
“I’ve been thinking about you too baby.”

He made himself comfortable in bed, and put the phone on speaker.

“A-about what?”

“Lots of things.”

“Like w-what?”

“Like how badly I want to get my cock inside of you.”

Remus felt his hardening cock through his pants and let out a soft groan.

“Fuck.” He heard Pads whispering.

Remus couldn’t help the predatory smile that appeared on his face. Padfoot had awaken the beast that lived within him and every worry that had plagued his mind before, immediately evaporated.

“You like that?”

“Knowing how hot you get me?”

He found himself saying. He didn’t even recognize his voice!

Padfoot sweet moans filled up the room and Remus closed his eyes. Picturing a slender and graceful body on top of his, with wild hair covering both of their faces.

“Moony please.”

Padfoot sounded wrecked, and Remus loved that.
“Please what?”

“Please fuck me.”

“Please.”

“I need to feel you.”

“Yeah?”

“You want to feel my big cock inside of you?”

Padfoot moaned again.

“Answer me baby.”

“Y-yes.”

“I want you to split me open with it.”

“Fuck, baby,”

Remus said as he unbuttoned his pants.

“I want to fucking breed you.”

“Fill your sweet little ass with my cum and then plug you up.”

“Want you to be sloppy with my seed.”

“You belong to me and to me only baby.”

He kicked off his pants and boxers and grabbed his aching cock in hand. He was dribbling out pre-cum like crazy and he ached to be inside of his Padfoot. The rustling of bed sheets could be heard on Pads’s end and Remus was dying to know what he was doing.
“Are you touching yourself baby?”

“God yes.”

“My dick is so fucking hard.”

“I wish I had a dildo so I could fuck myself.”

“No.”
Remus growled, earning a sweet little gasp from Pads.

“No toys baby, only me.”

“Only my fingers, my tongue and my cock can pleasure you.”

“Nothing else. You are mine baby, only mine.”

“W-what about my f-fingers?”

“Moons please I need something.”

“Um, I don’t know baby.”

“That makes me really envious.”

“R-really?”

Pads sounded so debauch. Remus was dying to see him.

“Gods yeah.”

“I want to be the only one Pads.”

“Fuck.”

“You want that cutie?”
“Want me to be the owner of that cute little hole of yours?”

“Yes, yes!”

“Please, moons, please.”

“I wanna be yours. Yours entirely. Please.”

“Um, baby.”

“I wish I was there with you so badly.”

“I just wanna bend you in half and stare at your tight hole until I have it memorized.”

Padfoot moaned.

“Moony,”

He whined.

“My dick is so fucking hard.”

“You can touch it.”

“But slowly.”

“No.”

“No?”

“I wanna cum from just your voice.”

Remus stopped jacking himself off, completely thrown off balance by the words that had left Pads mouth.
“What?”

His dick had gotten impossibly harder, leaking more pre-cum from the tip. He tighten his grip on the base, knowing that he was about to cum at any minute now and he wanted to prolong this.

“I love your voice.”

Padfoot whispered wantonly.

“I wish I could bathe in it.”

Remus had an inkling that Padfoot was too far gone to know what he was saying anymore, but he didn’t care. He found this so fucking sexy and delicious and he wish he was there with the other boy, whispering filthy things into his ear.

“Fuck baby,”

“you’re an enigma, you know that right?”

Padfoot let out a breathy little chuckle that went straight to Remus’s cock.

“I just want you so fucking bad.”

“All I’ve been doing is pinching my nipples and imagining you eating my ass.”

“God, I bet you taste so fucking delicious.”

“umm, yeah.”

“Spread your legs baby, and bring them towards your chest.”
Remus found himself saying. He turned on his belly and placed his pillow underneath his dick.

After a moment, Padfoot moaned.

“**My hole is so exposed.**”

Remus closed his eyes tightly as he ground his hips against the pillow.

“Fuck yeah baby.”

“Now hold your legs for me and imagine I’m laying there, right between your thighs.”

“Feel my hands spreading your perfect ass.”

“**God.**”

Padfoot moaned and Remus continued to rub his cock slowly against the pillow.

“I’d spit on it, get it all wet and glossy before diving right in baby.”

“I wanna tease you, make you beg for more.”

“**Fuck yeah.**”

“I’ll fuck my tongue inside of you so slowly, tasting your body baby, drinking in your pleasure.”

“**Moony, please.**”

“God, i’m starving for it.”

“I could live between your legs forever.”

“**Yesssss, please I need it.**”
“I know you do.”

“And I’d give it to you baby.”

“I wanna drive you crazy.”

Pads let out a broken sob, letting Remus know that he had already succeeded in that. It made him feel proud. Like he was the only person in the world who could turn this bubbly boy into such a mess.

“Spit on your fingers.”

“Moons?”

Pads sounded so hazy and confused. It just made his heart swell up even bigger and his cock throbbed.

“Do as I say.”

“Get your fingers wet.”

Remus heard Pads spit and let out a groan. He wanted to see him so fucking bad.

“N-now what?”

Padfoot’s trembling voice asked.

“Bring it to your hole, sexy.”

“Get it so fucking wet.”

Padfoot moaned loudly and Remus began to rub his aching cock fast and hard against the pillow.
“I want you to see it.”

Pads moaned.

“I want you to see how wet I’m getting it.”

The thought of it almost made him cum. Remus had to grab his dick tightly, starving off the impending orgasm. He shivered and took a deep breath.

“Moony?”

“Did I say the wrong thing?”

Padfoot’s voice was so tentative and small that it made Remus heart fall. He sat up, still holding his dick.

“No, baby no.”

“You didn’t.”

“I was just trying not to cum.”

“Y-yeah?”

“Yes.”

“I want to see it so badly.”

Deep down Remus knew this was a bad idea, but he was too far gone to care.

“I wanna show you everything moon of my life.”

“I want you to see how hot you’re getting me.”

“Show me.”
Pads let out a satisfy sigh, and a few seconds later, Padfoot was FaceTiming him.

Remus brain became less foggy and he hesitated. He knew that if he picked up, Padfoot was going to see his face. _But maybe that wouldn’t be so bad after all._

He shook his head, and picked up the phone.

He let out a growl as Padfoot’s wet and puckered hole greeted his eyes.

“Sheezus christ.”

He leaned back against the headboard and slowly stroke his cock.

The image on the phone was a bit shaky and Remus could tell that Pads was trembling. Pads room was bright, so Remus could see every little freckle that littered Padfoot’s creamy thighs. His tight little hole was red and wet, clenching on nothing but air.

“**Moony I need you.**”

Padfoot’s voice sounded so far away and he was dying to see his face.

“I need you too baby,”

“So fucking much.”

“I want to fuck you so badly.”

Remus lowered his phone so that only his hard, leaking cock was in view.

“Look at the screen, sexy.”

“See how much you affect me.”
Remus watched as Padfoot let his trembling legs down, then brought his face slowly towards his face.

The two of them let out a moan.

Padfoot because he was finally seeing the dick he had been dreaming off ever since he started talking to Moony.

And Remus because he was finally seeing Padfoot’s face.

And he looked ethereal. A sweaty mess laying against white, rumpled sheets. His black hair looked so silky and soft and Remus was dying to fucking touch it. But he couldn’t move. Couldn’t even breath. He was mesmerized by that beautiful face. That hazy and lust filled look and those half lidded eyes should be one of the wonders of the world.

In his 16 years of life, Remus had never seen something as breath taking as this and he knew that he never would.

“Fuck, moons.”

“You’re so big.”

Padfoot’s mouth was red and puffy and Remus wanted to kiss him so fucking badly.

“You’re gorgeous.”

He heard himself saying. And Pads gave him a lazy smile.

“Can I see you?”

“Please moony, I need to.”
Remus heart was about to give out. His limbs became shaky and tears pricked his eyes.

“You’re not going to like me.”

Padfoot’s face became serious and he shook his head.

“Don’t you dare say that.”

“I like you so fucking much.”

“I don’t care how you look. I swear.”

Remus closed his eyes tightly, unable to see the desperation that had settled on Pads beautiful face.

“I need to see you moons.”

“I need you so badly. Please.”

He heard Padfoot getting up from his bed and he opened his eyes. On the phone screen, he saw Pads walking towards a full length mirror that hung on the back of a door. He had a perfect sight of the other boy. He was tall and lean, with the fairest skin he had ever seen. His nipples were tiny and pink, a bit puffy from Pads previous ministrations. His cock was still now semi hard, but still leaking pre-cum and Remus wanted to get down on his knees and worship it.

But what really captivated Remus was the look of pure trust in Padfoot’s face. He was bearing himself open for Remus. Putting all his hesitations and fears on the back burner and showing himself so beautifully to Remus.

“You’re a dream.”

When Pads smiled, his whole face became bright. It wast such a heartwarming sight and Remus knew that he owned it to the other boy to show him himself. Pads was being so fucking brave, despite the trembling in his arms and the way his voice shook as he spoke and the sweet blush that covered his cheeks.

“I’m not.”
He ran a hand through his long, dark locks and Remus ached to touch them.

“You are.”

“You’re so fucking beautiful Pads.”

“It’s Sirius.”

“What?”

Remus watched as Pads chuckled and bit his lips, eyes looking down at his feet.

“My name.”

“It’s Sirius.”

Remus mind went blank again and he stuttered.

“Like the star?”

Sirius chuckled again and nodded.

“And as much as I love your cock,”

He bit his lip seductively, a hungry look on his eyes.

“I really wish I could see you.”

Remus took a deep breath and put his phone down on the bed.
Immediately, Pads voice spoke up. He sounded worried.

“Moony?”

“Fuck, I’m sorry.”

“No! no, I’m still here.”

“I just,”

He took a deep breath.

“I need a minute, okay.”

“Okay.”

Remus took another shaky breath, then got up from the bed. He took the phone in his hand, still facing away from him. He walked towards his dresser and stood a bit away from it, so that Sirius could see him fully.

He placed the phone faced down on the dresser and took a good look at himself. He was taller than the other boy, and had a bit more muscles as well. His sandy hair was tousled from laying on the bed and his cock had grown soft. He moved closer, looking at the scar that christened his face from the left side of his forehead, all the way to the right side of his chin.

Sirius voice filled the room once more. Small and tentative, yet somehow strong.

“I’ve never done this before moony.”

“Like yeah, I’ve had sex with guys in the past, but it’s always been so rushed.”

There was a beat, and Remus grabbed on to the dresser so that he wouldn’t fall over.

“But this,”
Sirius continued.

“This feels intimate.”

“I need you to see every inch of me even though you’re not here with me.”

“And I ache to see every inch of you.”

“I don’t know what’s going on, but I want you so much.”

“I,”

Remus heard the sob that left his baby’s lip and he grabbed the phone. His face in full view.

Sirius gasped and Remus stilled himself for the inevitable.

He looked down at Sirius’s face, fear behind his eyes. He probably looked like a crazy person but the look in Sirius’s face was full of lust and adoration.

“Fucking shit.”

“And you say that I’m a dream?”

Remus let out a shaky laugh and held the phone tighter, so that Sirius could see his face better. Despite the erratic beating of his heart, he wanted this. Wanted Sirius, his beautiful boy, to finally see him and deliver his verdict.

“You’re better than what I pictured you to be.”

Those words punctured a hole in Remus’s heart, making it hard for him to breath.

“Y-yeah?”

“Yes. Gods yes.”
“You’re so fucking sexy moony.”

“It’s Remus.”

He found himself saying.

He saw as his baby closed his eyes in pure pleasure.

“I can’t wait to moan out your name.”

Remus eyes widen as he saw Sirius bring a hand down to his neglected cock.

“Want you to fuck me so fucking hard.”

“Yeah?”

Remus was feeling bold again. His dick chubbing up.

“God yes.”

“I want to kiss you all over as you split me open on your cock.”

“Kiss all over your gorgeous face.”

“I want you to sit on it.”

Sirius groaned and threw his head back, stroking his cock faster. And Remus couldn’t let his baby cum just like that. Nope. That wouldn’t be fun at all.

“Stop touching yourself.”
Sirius trembled at the authority in Remus voice, but stopped his movement. He simply held on tightly to his throbbing cock.

“What should I do then?”

“Wanna make me cum on just your voice?”

“Fuck yeah.”

Sirius brought his free hand to his nipple and gave it a tug, moaning.

“You’re so delicious baby. I wanna eat you all up.”

“Let me see your body Rem. Please.”

“Let me see your cock again.”

Remus obeyed with gusto. Switching his camera so that now his full body was in view. His cock was hard again against his stomach, and he ran the tip of his finger across the aching head.

“I wanna get down on my knees and suck your dick.”

“Yes.”

“Let me fuck your mouth.”

Remus began to stroke his cock slowly, marveling in the fact that Sirius was turning into a trembling mess again.

“I want you to go and hump your pillow again, sexy.”

Sirius let out a broken moan and bit his lips.
“I need to see how you take your pleasure.”

Sirius did as he was told and got back on his bed. He placed his phone against the headboard, then grabbed his pillow and put it between his legs.

Remus remained standing up, stroking his cock slowly. Desperate to see the fantasy that had been playing on a loop on his head finally turn into a reality.

“Can you see me?”

“I can see all of you baby.”

“Except that ass of yours.”

Sirius groaned and let his head fall down on the bed.

“Wish you were fucking me from behind.”

He began to grind his sweet little cock against his pillow. His face scrunching up in pleasure. Remus groaned and began to stroke himself a little bit faster.

“You look so beautiful.”

Sirius could only moan. He picked up the pace and began to grind down harder, his mouth falling open.

“I wanna fuck my tongue into your mouth,”

Remus found himself saying as his cock let out a dribble of pre-cum.

Sirius panted and licked his lips. His eyes were half lidded and he looked sinful as hell.
“I wanna fuck you from behind.”

“Pound you into the matters and hear you scream.”

“Remus, yes!”

“Yes, please.”

“I wanna ram my cock against your prostate,”

He groaned, losing himself in the pleasure he was feeling.

“Make you see stars.”

“YES!”

“YES MOONY.”

Sirius was losing it too. His movement becoming sloppy and rushed. He sat up, exposing his chest and cock to the camera. Remus could see how wet with pre-cum it was and he wanted it in his mouth. Sirius kept letting out these sweet desperate little mewls and Remus wanted to devour him whole.

“You’re so beautiful baby.”

“Pretend that’s my cock you’re riding.”

Sirius threw his head back and rode the pillow faster. Eyes clenched shut and mouth hanging open.

“F-fuck!”

“Remus!”

He yelled his name and Remus dick fucking throbbed. He sped up his movements, moaning just as loud.
“Let me feel that tight ass clenching around my cock.”

“Bounce on it and take everything you want.”

“Use my cock baby. Use it for your pleasure.”

“YES!”

“REMUS YES FUCK!”

“Sirius!”

Remus orgasm was finally reaching its limits.

“Baby I wanna see you cum.”

“Please let me see you cum.”

He was babbling, but he didn’t care.

Sirius didn’t seem to mind either as he simply fucked himself harder against the pillow. The headboard was banging against the wall and he looked desperate. He wished he could see this for the rest of his life.

“REM!”

“FUCKKKK I’M”

“I’M CUMING!”

Sirius’s body trembled so fucking hard as he came all over the pillow. He looked like a fucking dream. So debauch and perfect and delicious. He was breathing hard and panting, the aftershock making him collapse on the pillow.

Remus couldn’t fucking take it anymore.
“Open your eyes and watch me cum.”

He found himself saying. He needed his baby to fucking see him as he came.

Sirius obeyed so prettily. Looking at Remus with big doe eyes, that made his heart stutter again his chest.

“Moons.”

“I want you to cum inside of me.”

He sounded so fucking gone and that just drove Remus even more crazy. He stroke his cock hard and fast, feeling his orgasm building up. He moved closer to the mirror and basked in the sound of Sirius’s moans.

“Cum for me Rem.”

“Cum for me.”

And Remus did.

He came so fucking hard that he almost topple over. His seed got all over his chest, and even splattered the top of the dresser and the mirror. Remus sagged forward, leaning his weight against the dresser and taking a deep breath. He had never came that hard before, and his whole body felt sensitive.

When he finally looked down at his phone, Sirius pleased expression greeted him. He couldn’t help but smile at him.

“You’re so beautiful.”

Sirius smiled brightly, turning on his back and bringing the phone down to his face. This close, Remus could see the color of his eyes and sharpness of his cheekbones. And it hit him them, harder than his orgasm, that Sirius was so fucking gorgeous. He looked like a fucking renaissance picture. A mischievous little angel that had come down from the heavens to bless Remus’s mediocre life.
“And you’re gorgeous.”

Remus couldn’t help but chuckle. He shook his head and went to his bed. He sat down and leaned back against his headboard once more. He caught his face on his phone and suddenly felt very self-conscious. His scar was so fucking obvious.

“What’s wrong?”

Sirius asked, sitting up as well. It was as he had noticed the shift in Remus’s mood. But he didn’t want to ruin the moment, so he simply shook his head again.

“I’m okay. Just…”

“Happy?”

Sirius sounded tentative when he said this, and it tore at Remus’s heart. He smiled at him, even though it didn’t reach his eyes.

“So happy.”

Sirius gave a pleased hum.

“I’m glad.”

“You have no idea how badly I’ve wanted this.”

“Like, I didn’t think we’d finally see each other today, but I’m so glad.”

Remus bit his lip.

He was also glad that he had finally seen his baby’s face. But the fear of being rejected had come back at full force and he couldn’t fucking shake it. Not even when Sirius was looking at him so longingly and full of adoration.
“What’s going on Rem?”

Remus looked down at the screen and noticed that Sirius had a worried look on his face. He was biting down on his lip in a fidgety fashion and his eyes looked downcast.

“I’m sorry. If I did something.”

“Baby, no.”
“You didn’t do anything wrong.”
“I’m so fucking glad I got to finally see you today.”
“Like I’m so fucking happy I could die.”

“You don’t look so happy.”

Sirius said weakly.

Remus let out a bitter chuckle and ran his fingers through his curls.

“Yeah well, look at me Pads.”
“I look like a fucking monster.”

A look of shock and anger appeared on Sirius’s face

“Don’t fucking say that.”
“You’re fucking gorgeous and you know it Moony.”
“You’re everything I’ve always wanted.”

And Remus was dying to believe that. To pretend that what Sirius was telling him was the truth and that he didn’t look like a fucking monster. But it was so fucking hard.
“Sirius, look at this.”

He pointed at his scar.

“I’m so fucking ugly.”

“No you’re not!”

Sirius almost yelled.

“You’re so fucking beautiful Rem.”

“Like that scar on your face makes you look so sexy.”

“It tells a story about you baby and all I want to do is fucking kiss it.”

“I want to kiss you all over Remus. I want you so much.”

The sincerity in Sirius’s voice turned his insides into mush.

“You mean that?”

Sirius smiled brightly at him, a look that Remus was quickly becoming enamored with.

“Of course I am cutie.”

“I liked you from the moment you replied to my text.”

“You make me feel so happy Remus, and I want to do the same thing to you.”

Remus couldn’t help but smile back.

“You already do, baby.”
“So much.”

“I never thought I could want someone as much as I want you.”

Sirius got comfortable in his bed, laying on his side with his phone propped up against the pillow. He looked so soft and sleepy.

“I wish I could lay with you.”

Remus told him, following his movements.

“I wish I could hold you right now, and cuddle you to sleep.”

“That would be wonderful.”

“I want to feel your arms around me.”

“You belong in my arms, Pads.”

He heard as Sirius breath hitched, and he smiled brightly.

“God, I want that so badly.”

“I just want to live in your arms for the rest of my life.”

“That would be wonderful.”

Sirius hummed, and closed his eyes. He looked so content and Remus felt giddy with happiness. This was all too much for him but in such a good way. The two of them lied in comfortable silence for a moment, basking in their afterglow. Ten more minutes went by, and Remus was more than satisfied with watching Sirius happy face. His eyes were closed so Remus thought that the other boy was sleeping.

“So your name’s Remus?”
“Like the roman mythology?”

Sirius sleepy voice came through the speaker and Remus smiled. His beautiful grey eyes were looking up at Remus with so much adoration.

“Yeah.”

Sirius smiled.

“So I guess my nickname fits you perfectly then.”

Remus laughed.

“I guess it does.”

“And you’re Sirius, like the dog star.”

“Uhuh.”

“I was right when I said you’re like a puppy.”

“I’m your puppy though.”

Remus groaned.

“Yes baby. You’re mine.”

“And I’m yours.”

“I like that.”
Remus watched as Sirius closed his eyes again. The same happy smile on his face. Remus stared at it for a moment before closing his eyes as well. In that moment, he knew that falling in love with Padfoot was inevitable.
