You're the smartest 15 year old ever.

DeafnDumb @officalSIintern

SuperHero @watch

Earlier today a boy was spotted heading into SI with Tony Stark. We didn't see the face but he has brown curls! Is this boy the mystery Junior? (Picture of Peter and Tony walking into stark tower, peter has his head sucked so you can't see his face)

Peter: hey bro

Ned: dude what happened? Like I know some stuff but I'm worried about you man.

Peter: so May found out I'm trans because of Spiderman right? And she didn't really expect it. Mr. Stark got my name changed and stuff since they split custody me from the internship.

Ned: alright I knew that.

Peter: so May got mad when she found out my name was legally changed and told me I'm "just a confused lesbian"

Ned: but you're not your a boy.

Peter: May threw a lamp at me thank gods I have my spider-sense

Ned: wtf man you okay?

Peter: I don't remember the last time I was fully okay.

Peter: I love May…. But she doesn't love me. Mr. Stark is gonna get full custody.

Ned: I love you man. Just remember I'm here for you.

Peter: I know. Love you too bro.

~~~

Peter and Harley took off in one of Tony's less flashy cars. Still Stark tech but just plain black with a lot of space to put the things they're buying.

"First stop. IKEA." Harley told Peter.

Once they got there they fucked around. Acted like teenage boys. "Whats on the list today Harls?" Peter asked.

"I need a large ass desk like, huge. Suplys for the desk. Ya know pens and shit. Um. I need some shelves. To put ma potato guns on. And um. Cooler bed sheets. Cause the one Tony had on the bed are just brown. And boring." 

"I'll be honest I got like half of that. But lead the way I guess." Peter smiled at him. Harleys hair was messy and he talked largly with his hands. Which completely drew Peters attention.

They wonderd and goofed off well getting the things on Harleys list. They were looking for -well something- and suddenly Peters hearing just slowly and slowly stopped.

Peter tapped Harls on the shoulder to get his attention. 'My fucking aids died' he signed at him.
'Do you have batteries?' The taller signed back.

'At home.' Peter sighed, he hated when this happened. Going from hearing to not all at once was annoying, and honestly pretty scary.

'Okay. Well wanna check out get the rest later? And go home?'

'I want Chicken Nuggets.'

~~~

DumbDeaf @officalSIintern
My aids just died well shopping and I left the batteries at home like a dumb.

Harls @potatoguns
But he still wants to go get chicken nuggets.

DumbDeaf @officalSIintern
Well duh.

~~~

Peter and Harley walked into the McDonald's because 'ordering inside and then eating in the car is way better. Trust me'

They stood and waited for their orders to be done and Peter Luck struck again. Flash and his goons. "Oh god." Peter mumbled under his breath.

"Well. Looks like the little orphan girl got herself a boyfriend. Huh dipshit?" Flash taunts.

'I can't fucking hear jackass.' Peter signed at Flash hoping he'd go away. It only made him laugh.
"Just leave. Or go stand over there? I don't want to do deal with this." Harley told the group well rolling his eyes.

"Aww gotta protect your little girlfr-" POW Harley punched Flash square in the nose.

"You'll pay for this! My dad is rich! He'll hire the best lawyers and we're gonna a sue you!"
Flashed whined just like Draco Malfoy.

"Have fun with that." Harley smiled. And signed 'reveal?' At Peter. Peter gave a small nod. "And I'm sure the best lawyers will be with Peters Dads and Me if you sue. His dad is Tony Stark. And I'm potato guns or Harley Kenner. Now we're leaving. Our order is reading. Have a shit life." With that Harley lightly grabbed Peters wrist and they got their food and left.

~~~

Wow @officalSIintern

We go to get chicky nugs. Harls punched a bully of mine. We reveal my identity to him. And I also got a milkshake!

Rhodey @honeybear

I'm sorry what?

He does that for everything! Its so cute. Personal favorite? Time to clean the wrenches. ( Peter singing and swaying "time to clean the wrenches. Time to clean the wrenches. Time to clean the wrenches. So they nice and shine." Tony buts in. "That's not proper grammar." )

Rhodey @honeybear
This is my favorite. ( Peter singing, yet again, "time to go to therapy. Time to go to therapy. Time to go to therapy. To work on mental health.)

Harls: alright I guess. Should I make or buy food?

Rhodey: just wait a bit.

Chapter End Notes

I feel like I should tell y'all most of my ideas for this book come from my beautiful girlfriend Leah. And I she deserves the credit. Love you babe <333
"Spider-man. You need to wake up. You have been asleep for 2 hours and have a minor concussion." Fridays voice rang out in the living room spiking fear in Harley. *He's injured??? Why didn't I fucking check that.*

"Ughhh. That fucking hurts." He grabs his head in pain.

"Um. Fuck. I know your voice. I know your voice. Fuck…." Harley paused making the connection. "PETER?"

"Ughhh. Harlsssss. My head hurts. Voice down… Fuck. IM in SUIT?"

Peter jumps up, going to run to change, and immediately falls flat on his face.

"Pete. Let me help you up." Harley picked the smaller boy up and set him back on the couch.

Peter pulled his mask off. "Why cant I keep a secret! Like your the fifth person who figured out!"

"My room is right next hour I'd figure out eventually!"

The elevator doors opened at some point during their conversation. "I really thought you knew how to keep secrets Pete." Rhodey told him shaking his head, making Tony burst out with laughter.

"You thought Pete could keep a secret?" Tony hardly managed to get out in-between laughing.

"Daaaaad"

Peter: oh fuck.

Chapter End Notes

Am I original? No not at all. But let's see how this goes :)}
"Fuck. Fuck! Dad. Hurry up on your trackering!" Peter was pacing back and forth on the ceiling.

Peter crawled down to sit in his Pops lap to get comforted. Rhodey pet his hair, played with his curls. "We'll get him. I promise. See. Dads almost got his location. Keep calm. I know you want your best friend safe."

~~~

Harley had passed out. Some sort of chemical, bad over his head. All a very stereotypical kidnapping.

He woke up feeling foggy, he was in a basic room. A cheesy mattress in a corner on the floor, a sink and toilet on the other side of the room. Fuck. I'm going to die. I'm going to die here. Why can't I feel my leg? Just breathe Harley. Breathe.

He looked around his surroundings in good detail. The walls are cracked. Broken. The sink is leaky. The bed is stained with blood. Fuck thats why I can't feel my leg. Multiple bones were sticking through the skin. "Fuck." He whispers to himself.

*My watch! Its still on. Just press the panic button.*

~~~

"Someone pressed the panic button! We have his location! Peter, youre staying here. Your to emotional for this right now. Natasha will come be with you. Friday get Natasha. Rhodey suit up." He kissed peter on the forehead. "I love you son. We'll be back soon. Friday get MedBay ready."

Peter was moved from Rhodeys lap to Natashas.
"Do you think he'll be okay mama?" Peter asks Nat.

"Of course my паук малыш(spider baby)."

~~~

Harley was put in surgery as soon as he returned. The kidnappers were arrested. And yet again. Peter paced on the ceiling. "He's almost out of surgery. He probably won't be awake for a while tho." Tony tells Peter. "Please get down you scare me up there."

"I'm part spider dad. It comforts me."

~~~

Harleys actually was doing pretty good considering. The torn skin was fixed because Helen Cho is amazing, the bones are all back in place, he'll just need to stay in Med Bay for 7 days minimum.

Peter and Tony were the first people he saw who weren't doctors. "Did you call Abby?" Was the first thing he said to them.

"Yes we called you folks. Abby's coming up tomorrow. Happy is gonna get her." Tony told him.

"Good good. Ma's not coming?"

"No. She said she's to busy."

"Of course to busy to see her son."

Well Harley and Tony had a talk Peter made himself a web cocoon. I am not planning on being anywhere else. I need to comfort him. Or the other way around. Either way.
"Peter, Harley. I'm gonna head out. Peter. Take your binder and hearing aids out. Harley. Don't move to much. I love you both."

Peter jumped down and hugged his father before going and sitting next to Harley. "Hey Harls. You scared the shit out of me." Peter told him. Which made Harls chuckle. "I'm never let you go anywhere alone again."

Peter sighed. Stood up turned around and took off his (Tony's) shirt off, "your so pale." Harley told him.

"Don't look!"

Peter shimmied out of his binder, put his shirt back on and cuddled with Harley.

~~~

Stank @youknowwhoiam

Harley is back home safe. Scariest 7 hours I've dealt with in a long time. I think it's safe to say Peter missed him. (Picture of Harley and Peter cuddling in the hospital bed)

Peter hasn't left my side in 5 days. He set up a bed in my hospital room!

Abbs @abbykeener
Not even I'm asking protective over you and we share blood.

Harls @potatoguns
Wooow. I basically raise my younger sister and she cares less then someone I've known for a year.

Abbs @abbykeener
Dramatic.

Harls @potatoguns
I have my reasons.

Rhodey @honeybear
The kids are so cute. (Abby and Peter sitting on either sides of Harley.)

Memequeen @shuri
I'm coming to see Harley. Idk if Tony told you.

Rhodey @honeybear
He did. Safe travels Princess.
Harls to Mama

Harls: i miss you mama
Harls: i wish you would've came.
Harls: abbs says you got a new boyfriend.
Harls: she also said that he's a dick.
Mama: i didn't raise you to say stuff like that.
Harls: you didn't raise me! Or Abby! I raised her and myself!
Mama: fine then keep her.
Harls: fine. Youll have to sign paperwork.
Mama: just send it over.

"So Abby? How would you feel about staying here at the tower?" Harley asked her. Abby and Peter both looked confused.

"Mama doesn't want me back?" Abby looked confused and sad. A soft sigh left her lips. "Is it sad that I'm not surprised?"

"I told her that I missed her and she got all. Ya know how she gets." Harley told her.

Peter quietly left the room. This seems like a family thing that I am not involved in.

"I like you more anyway. House smells like pot without you there. And I missed you." Abby gives a small smile at her older brother.

"Oh god. I'm 17. And I'm going to be in charge of a 13 year old. I need to tell Tony." Abby laughs at her older brother.
Harls to Tony

Harls: i want custody of Abby.
Harls: i can legally do that right?
Tony: idk your only 17
Harls: but I got emancipated so I could live alone. So I think it is?
Tony: pepper is getting paper work.
Harls: good good.

SaltnPep @pepperpotts

Harls opening Abbyss gift (a video of Harley opening his gifts. "So who's present are you opening?"
Tony asks

"Abby's." Its a purple gift bag he pulled out a frame of younger him(5) holding a new born Abby.
"Aww Ma said we didn't have any baby pictures?"

"Dad burned most of em. But I found this one."

"I love ya Abbs."

~~~

The day was going good. Amazing well. The best Birthday Harley had in a long time. Surrounded by loved ones, and friends, he got to meet Natasha Romanov of course he was happy! Until.
Fridays voice rang out.

"Intruder Alert. Intruder Alert."

Chapter End Notes
This chapter is shorter then I wanted it to be but I went to a wedding today and those are always so long and yeaa so shorter chapter. I'm sorry!
"Intruder Alert. Intruder Alert."

Tony’s nano suit formed around his body. "I'm gonna go check this out. Everyone just stay here. Eat some cake. Friday will tell you if I need anything." Tony's faceplate was up here walked out, but not before kissing Peter and Harley on the top of there heads and Rhodeys cheek.

~~~

Friday instructed Tony to wear the intruder was. They were on the move, and seeming to be fast.

Tony made his way there carefully because this is his home, he can't destroy it.

~~~

Back in the penthouse Harley is sitting close to Abby. Worried about what's going on. Everyone acted like it was okay and everything is fine. But everyone was anxious.

"Okay how about a little distraction?" Pepper tell them. "Um. A movie? What's your favorite movie Harls?"

"Can we watch golden girls?"

"Of course. Fri you heard it. Put it on."

The group moved so they were huddled around the TV on furniture or the floor. Rhodey was cuddling up with Harley, he knew the kid was anxious and wanted to help. Peter tried his best to calm his nerves. But that's my dad. My dad is fighting some unknown threat. He made a web nest and tried his best to calm his nerves.

"Peter. Really?" Natasha asked.
"Helps calm the anxiety." Peter mumbles out getting comfy in his web.

"Its not Pete's fault he's over half spider." Rhodey told everyone, Smiling up at his son.

~~~

Tony lifted his face plate. "Macy? What's going on?" The Keeners Mom stood over a passed out body.

"You! You stole my kids! Made them hate me."

"Hey wait. No. They love you so much. But you pushed them out. You're welcome to come join the party upstairs."

~~~

"Boss has been hit with a drug I cannot determine. He has been dragged out of the building "

"Fri. Connect to Karen." Peter screamed his nano suit forming to his body as he broke the window and flung out. "Okay do you have location on him?"

"Yes showing you directions know."

Peter swung as fast as he could go get to his dad. A white van. So stereotypical. He followed until they got to a warehouse. Oh my gods everything cliche in the book huh?

~~~

"Karen call for a car. And tell Friday Dad is safe. Ready Med bay." Peter sighs and sits next to Tony his dad. Tony's suit had been somehow destroyed. "Oh and call the police. Tell them everything. Everyone is webbed with the extra strength webs."

"Of course Peter."

What do y'all think the chapter????
Tony opened his eyes to see everyone he loved. His lovely husband, his handsome son, his unofficial adopted kids that he loved so dearly, but he was confused. "Wh-What happened?" The last he remembered was Macy yelling at him.

"You got drugged Tony." Rhodey told him. "I don't know much of what actually happened. You were taken. Peter saved you."

Rhodey @honeybear

The kids are always stealing my cuddles. (Picture of the three kids laying with Tony. Peter is laying on him, head on Tonys chest, head tilted his bright red hearing aids extremely visable. Abby is on one side with Tony's arm wrapped around her, her hair is a mess it looks like its tickling Tony's nose. Harley the same position on the other side, his dirty blonde curls everywhere.)

Spidey @Spider-Pan

I wanna thank MJ for proof reading my cards.

MJ @imbusyreading

No problem loser.

The Press Conference (well leading up to it)

Peter paced back and forth in his room. Going up the walls, on the ceiling, he needed all the pacing room he could get.

Oh gods. What do i wear? What if I get negative backlash? Oh gods.  His thoughts spiraled in his head to the point he didn't even notice Rhodey walk in.

"Pete, Pete. C'mon. Get off the ceiling. It makes me nervous."

"No."

"Alright. But, I made food come eat then get ready."

"Fine."

~~~

Peter wore his Spider-Suit and 'patiently' waited for his cue.
"Hello. You all know who I am. And we all know why you're here. A little spider has a special announcement." Tony announced.

Peter walked on and cringed at the lights and sound.

"Uh. Hey everyone! So..." He pulled out a stack of idea cards. "So you are all here because I'm revealing my identity. Which thank you all for coming by the way. Uh I wanna thank MJ for proof reading my cards. So. Let's go." He reached up and pulled his mask off. "Hi! I'm Peter Stark! And i feel I have some explaining to do. So you all obviously know of me already i started as dad's intern and then a series of unfortunate events happened and I somehow ended up his and Pops son. Which I love. They literally are the best parents in the world. And I've had three sets I think I know what I'm saying. They've stayed up with me during nightmares, even when they had work in the morning. They've listened to me rant about crushes. And helped me transition and helped with my aids. Everything."

Peter pauses and looks over at his dad's smiling at them.

"Now that I've ranted about my amazing dads. I know all of you are questioning me dating myself. Which was not my idea! But, was a great way to keep my identity a secret. So my friend MJ came up with this idea, and made the post about it. And my other friend Needs, hacked my Spidey account to confirm it. Now no I'm not dating myself. I honestly want to date Harls. Wait..... FUCK! MJ WHAT THE FUCK DID YOU DO!"

Peter ran as fast as he could offstage, to the outside and started swinging away.

Chapter End Notes

I'm sorry this is so short! And so late. I had friends over since we all start at different schools on Monday. And one of them lives 3 hours away so I figured id hang out with them instead of writing. But hope you enjoy :)))) I love y'all

Harley got into his Armor and started flying around in Queens. He didn't know the area very well. He kept his eyes out for Peter. "Peter? Peter" Harley yelled looking for him.

It took Harley and hour of flying around to find the boy.

"Peter? Wanna talk?" Harley asked well landed on the roof.

"Why? I know how you feel." He looked sad and upset. I hate this, why didn't I tell him sooner??

"Do you actually?"
"Yes! You probably hate me! I'm just some gross trans kid, why would I think you'd wanna date me?"

"You're not gross. And I don't care if your trans. You're Peter. You're Spider-man. Check my twitter. Seriously."
