[Podfic] curiouser and curiouser
by thriceandonce (sylvaine)

Summary

One Saturday Hermione remembers that there was a girl who fell down a rabbit hole and wonders what happened to her after that. Madame Pince gives her the key to a small room where the books aren't full of spells and potions and Hermione recognises most of the titles on the colourful spines.

She misses lunch and dinner, and when Lavender asks her about it she says she filled up on bread-and-butter at a tea party.
