Hamilton is #Ham4Pan ; Laurens is Turtles

#Ham4Pan: So, John, I am sorry.

Turtles: Huh????

#Ham4Pan: I do not want what I am about to tell you effect our relationship now. It was long ago. I do not wish for you to hate me, as I love you more than even my fingers can write out a description for.

Turtles: Babe I love you too. What's up

#Ham4Pan: The reason that Herc is mad at me is because of a girlfriend I had in college.

Turtles: Taht Dolley chick?

#Ham4Pan: Yes. I was unhappy in my relationship, unhappy in my life. I was only dating Dolley because I wanted to be dating someone, I did not care for her.

Turtles: Okay?

#Ham4Pan: Hercules fell in love with her. He did not tell me so until after the fact.

Turtles: Afterwhat?

Turtles: Hammy it can't be that bad just tell me

Chapter Summary

I am... an assassin

Hamilton is #Ham4Pan; Laurens is Turtles; Hercules is ZeroToHero; Lafayette is Baguette; Eliza is PureBagel; Angelica is CngrtsAss; Burr is Burr; Washington is GeorgeW.

#Ham4Pan: I’m just saying no one seems to know why Burr calls Herc “Hero.”

Burr: You wanna know?

Turtles: yes

ZeroToHero: I’m pretty sure I don’t know this either

PureBagel: I’m invested

Burr: My phone autocorrected Herc to Hero

Baguette: That is it?

CngrtsAss: All that build up for that

Burr: That’s how it started but the reason I kept going is because one time I fell off a chair and he caught me

GeorgeW.: Thst is kinf of nice
Burr: Also he can hold me up with one arm when we have sex and hello who else but a superhero could do that

CngrtsAss: her eyes, *man*

Turtles: nevermind

ZeroToHero: Oh my god Aaron

#Ham4Pan: Sadly, I am not surprised.

PureBagel: I’m ignoring that and going with the chair thing. Cute!

CngrtsAss: This is a fucking trip

Baguette: Anyone wanna know why I call George Georgey

Turtles: isn’t that kinda fuckin obvious

Baguette: You would think, but no

PureBagel: Go on,,

Baguette: We had just started dating, it was maybe our third date, so we weren’t really comfortable around each other yet. Everything was very awkward.

GeorgeW.: Oh yes, Gilbert. I remember this well.

Baguette: I almost wish you didn’t. George was dropping me off and we stopped in front of my
door. He was such a reserved man, back then.

CngrtsAss: Boss isn’t exactly open now

Baguette: True. We had never even kissed. It took a few hours to even hold his hand the first night. When he walked me up to the door I decided it was time to make my intentions clear. I stopped before I unlocked the door and just kissed him. He was kind of shocked, so I just kind of sauntered into my apartment and said “I’ll see you tomorrow, Georgey.” He stopped the door from closing and kissed me again. He told me he liked the name, so I called him that from then on out.

PureBagel: Oh my god

#Ham4Pan: That is absolutely adorable.

Turtles: there are so many good things in this world

ZeroToHero: That’s amazing

Burr: Now my story feels a little obsolete

CngrtsAss: Wow Boss, such a ladies man.

GeorgeW.: I thnk the point here id that Gilbert is not a lady

Baguette: :)

PureBagel: What a nice story this is heckin great

GeorgeW.: Gilbert is the best thing that ever happened to me.

PureBagel: Oh my god
Turtles: Alex and I also have a wonderful relationship.

#Ham4Pan: You’re grammar is magnificent! I love you so much!

Turtles: i can hear you through the wall are you crying

Burr: My lawyer boyfriend won’t let that happen

Turtles: ah gwash, my MAN, i cannnot fuckin deal

GeorgeW.: I dont wak with a limp??????

CngrtsAss: He thinks the man is the president, I don’t know what to tell you

#Ham4Pan: THE MAN SHOULD BE HONORED PROPERLY

Turtles: AHAHAHAHAH AHHAA AHAHA ASG UFCKIWAN HAHAHAH
CngrtsAss: Why don’t I get a name?

PureBagel: And because idk if it’ll last, angie

CngrtsAss: Too real wtf

PureBagel: LAF PLEASE

Burr: Gil has no shame sheesh

ZeroToHero: -_- 

Baguette: Whoops?

GeorgW.: No, he doesn’t have any.

Baguette: :D!!!!

CngrtsAss: Stop it you’re being Alex

PureBagel: Speak of which where is he

#Ham4Pan: John, the love of my life, I cannot contain my feelings for you in such a short sentence. My love for you spans galaxies, not keyboards. I want to be with you every second of every day, now and forever. I can not imagine what it would be like to be without you. I don’t want to be without you. I can only hope you understand the depth of my appreciation. You are my everything, the breathe in my lungs, the blood in my veins, I cannot live without you. My John, my world, please don’t ever think I don’t love you. You are beautiful, and perfect. Thank you for being with me.

Turtles: Oh, my fucking God. I love you.

PureBagel: He is incapable of giving little compliments

#Ham4Pan: I am.
PureBagel: Also I’ve died

PureBagel: I like how all the couples are silent bc no one can one up that

Turtles: oh my god

Burr: Fuckin’ no one can one up Alexander Writing-Like-He-Is-Gonna-Die-Tomorrow Hamilton

CngrtsAss: That’s so beautiful

Baguette: Oh my god are you sure I’m the one getting married

Baguette: (Private chat to #Ham4Pan) ;))))

Turtles: (Private chat to Baguette) PENIS SLICED OFF AND DOWN YOUR THROAT SHUT UP

Baguette: (Private chat to Turtles) I’ll sic Georgey on you

#Ham4Pan: I’m taking John out to dinner, see you guys later

Turtles: Dinner is my ass

BalletBitch: Woah, what the fuck with the tension, chill the fuck out Jésus Noël

Baguette: You see, Alexander Hamilton and Aaron Burr have a long-standing rivalry. No one really knows why, probably because of Hamilton. Hercules started dating Aaron a few months ago and Hammy hates it.

#Ham4Pan: I resent that remark.

Turtles: lol you’ve done it now

#Ham4Pan: There’s nothing left for you to stress about, take a bath.

GeorgeW.: Gilbert isn’t home, y wuld i do tht?

#Ham4Pan: Well, it’s a perfect time for you to relax by yourself. Take a breather.

GeorgeW.: Breathe?

#Ham4Pan: Yes, sir. You should allow yourself a moment of calm. Get a finger of scotch and run yourself a bath.

GeorgeW.: Calm

#Ham4Pan: Just take a deep breath. Please don’t work yourself into a panic. I don’t know how to handle another person’s panic attack.

GeorgeW.: Yes, cam and breate. Undesantd

#Ham4Pan: I don’t really feel like you understand what I’m telling you to do.

GeorgeW.: Toatlly do

#Ham4Pan: Tell me what I want you to do.

GeorgeW.: Calm ad breaha

#Ham4Pan: And what else?

GeorgeW.: Dont… panic?
Ham4Pan: Yes, but I told you to do something...

GeorgeW.: … bathe? Am i unclean?

Ham4Pan: No, a bath is good for relaxing. John runs me a bath when I’ve had a really stressful day.

GeorgeW.: Okay...

Ham4Pan: Maybe forget the scotch and make yourself some tea.

GeorgeW.: Love tea!

Ham4Pan: Yes, there you go. Make yourself a nice cup of your favorite tea.

GeorgeW.: Tea, clam, breath

Ham4Pan: Look at you go… Now, actually do it. Everything is going to be fine, sir.

GeorgeW.: … Are you sure?

Ham4Pan: All of the things you are able to have done are done. The caterer is planned, we have flowers, the church is decorated, Laf has his suit, you have yours, the bridesmaids have their dresses, the groomsmen have their suits. Everything is fine. You need to calm down.

GeorgeW.: Gona go tea, by

Ham4Pan: Have fun.
Eliza is PureBagel; Lafayette is Baguette

Baguette: ELIZA I STILL NEED TO GET WAXED

PureBagel: Laf, please chill out you’re killing me

Baguette: ELIZA THERE ARE SO MANY THINGS TO DO

PureBagel: And you have all of them planned out for you in a very neat schedule

Baguette: ELIZA I AM STRESSSSSSSSED

PureBagel: Do something to calm down

Baguette: ELIZA WHAT IF MY SUIT IS UGLY

PureBagel: It’s not

Baguette: ELIZA I LOST MY SCHEDULE

PureBagel: I put it on your phone’s calendar, emailed it to you, and printed it and gave it to George.

Baguette: ELIZA I LOVE YOU

PureBagel: I love you to Laf

Baguette: Eliza what are we doing during my bachelor party tell me s’il vous plaît

PureBagel: Waxing, nails, getting really drunk except for Peggy

Baguette: ELIZA PEGGY IS A CHILD

PureBagel: Not anymore....

Baguette: ELIZA MY BABY

PureBagel: I’m not saying I’m happy about it, but do you want one?

Baguette: Eliza, Addy is going to ruin her, oh mon DIEU

PureBagel: It’s a little late for that dude

Baguette: MY BABY DESERVES BETTER

PureBagel: Which one is your baby

Baguette: ahhhhhhhhhhhhhhhhh I LOVE THEM BOTH EQUALLY AND THINK PEGGY DESERVES A WOMAN WHO WILL TREAT HER RIGHT AND THINK THAT ADDY NEEDS SOMEONE WHO LIVES CLOSER TO HER

PureBagel: I don’t think either one of them are planning on this being a long term thing

Baguette: Oh, you haven’t heard the way Addy talks about Peggy
PureBagel: Now that you mention it Peggy won’t shut up about Adri either

Baguette: I just… I’m worried they’re going to get hurt because of the distance

PureBagel: I think they’ll be fine, you know Peggy dated some chick in Spain for a while in 11th grade.

Baguette: I know, but Addy is a passionate lover (like in the love sense not the ew) and when she has her person she *needs* her person

PureBagel: I get it. But she can take care of herself, they’ll be fine

Baguette: I just worry for my girls

PureBagel: I do too. But I trust them

Baguette: Just like I worry for you

PureBagel: I don’t… do the dating thing

Baguette: I know, sweetie, I just want you to be happy

PureBagel: I am. Get ready for your party, Laf.

BalletBitch: OH my fucking god Hammy you ate an engagement ring

ZeroToHero: WHAT THE FUCK I HADN’T HEARD THIS

CngrtsAss: That’s hilarious but how did you guys actually get engaged?

#Ham4Pan: The water was cascading down my love’s beautiful face, and I had never felt so happy. I looked him in the eyes and asked him to spend the rest of his life with me.

Turtles: we had just fucked in the shower and he asked me to marry him. i cried

CngrtsAss: That’s… fitting

#Ham4Pan: Well… I suppose that’s alright.

ZeroToHero: You know… I’m engaged too now.

Burr: Yeah. Yeah we are.

SayNoToWeiners: I’m not

BalletBitch: Same

SayNoToWeiners: I would hope you aren’t, Addy.

PureBagel: Hmmmmmmmmmm

CngrtsAss: Adrienne you better be nice to her

BalletBitch: Ah, oui. I would never hurt her.

SayNoToWeiners: :)

Rthrbnlndn: wait
Baguette: *I love you both equally I don’t know who to tell not to hurt who*

PureBagel: *AWWWW EVERYONE IS SO CUTE IN RELATIONSHIPS*

RthrbnIndn: *yeah, they are.*

CngrtsAss: *… John*

RthrbnIndn: *what?*

CngrtsAss: *We are in a relationship. You could have said we are.*
Rthrbnlndn: i didn’t want to be conceded.

CngrtsAss: Well, I think we’re pretty cute

Rthrbnlndn: aw, angel, i yolk you.

CngrtsAss: I yolk you too dummy

Turtles: yolk????

#Ham4Pan: Do not infringe upon their strange but cute relationship quirks, Jonathan.

Baguette: We’re all gonna be fucking married.

Turtles: thats not even my name for gods sake alex weve been over this

PureBagel: Speaking of that, Alex and John, you guys have been engaged for like, ever, when’s your wedding

Turtles: uhhhhhh hhhhhh

#Ham4Pan: We don’t exactly know. When is Burr and Herc’s?

ZeroToHero: We don’t know either, still kinda just happy to be committed to it.

SayNoToWeiners: So…. there’s just an indefinite date to both of these weddings and they will happen whenever?

Burr: Yeah I guess
Turtles: i feel like our entire wedding could just be alexs vows and it would be perfectly beautiful and fine

Baguette: His vows will probably last the length of three entire weddings

Burr: True

#Ham4Pan: That is accurate.

Baguette: My husband, the President of the United States, I don't know if you've heard of him, made the most amazing vows.

CngrtsAss: HES NOT THE FUCKING POTUS, NOT YOU TOO GODDAMN IT LAFAYETTE

GeorgeW.: Thak yo Gilbert

#Ham4Pan: John?
Turtles: okay fine there's a spider i threw my book at it

#Ham4Pan: A spider?! Oh fuck!

SayNoToWeiners: guys,,, just take it outside or something

#Ham4Pan: I do not want to disturb it's peaceful existence, but I am terrified of it.

CngrtsAss: Jesus Alex it’s not that existential

BalletBitch: Yes it fucking is

BalletBitch: Do we have a fucking right to uproot other creatures for our own safety and comfort? Why do we as a species believe that it’s fucking fine to harm other beings for our pleasure?

SayNoToWeiners: Addy ?

BalletBitch: All that being said, it is probably better for the damn spider out of doors.

Rthrbnlndn: that was extremely deep. i am going to be thinking about that for a long time.

CngrtsAss: John I support your interests but really?

Rthrbnlndn: yes

#Ham4Pan: John, please, take the spider outside.

Turtles: you cant tell me what to do

#Ham4Pan: I’ll suck your dick if you do.
Turtles: alright spiders going outside

Typing The Usernames: Rated easiest to hardest
12.) Turtles: hell yeah its just one simple word thank you John Laurens my boy (the fave boy -sobermeup)
11.) Baguette: easy but sometimes you spell it wrong and sobermeup likes to write Lafayette ashis username because they both have two Ts (sigh, fuckin’ laf yk -sobermeup)
10.) PureBagel: sometimes i type “purge” instead of “pure” but generally not a bad name (you could move this up bc we switch her all the time but meh *shrugh* -sobermeup)
9.) BalletBitch: the word Bitch is kinda hard to type somehow, but its chill
8.) CngrtsAss: Relatively okay. Just no vowels in the first word is kinda annoying
7.) ZeroToHero: Just there’s like Three Whole Words but it’s not hard (except we type ZeroTOhero -sobermeup)
6.) GeorgeW.: Somehow the period just sucks ass. (I fully blame Glenn for this -sobermeup)
5.) SayNoToWeiners: So Many Words that are all capitalized and i always spell weiner wrong
4.) Macaroni_Man: that damn underscore. Not as bad as James tho bc theres no ‘s.
3.) Macaroni’s_Man: there’s a fucking underscore and the stupid ‘s. It’s just a lot (i just want all of you to know my shame, I confused thomas and james for the longest time, also fuck u glenn bc glenn did these idiots as well -sobermeup)
2.) RthrbnIndn: THERE ARE NO FUCKING VOWELS. you have to think “rather be in london” everytime you type it and that’s just Too Fucking Much (I did this, I take the blame for this -sobermeup)
1.) #Ham4Pan: THERES A GODDAMN HASHTAG DO YOU KNOW HOW ANNOYING THIS IS TO TYPE ON MOBILE AND YOU WANT TO TYPE $ INSTEAD OF 4 AND HES IN EVERY CHAPTER AHHHHHH (so like, we both named him this and… it was the biggest mistake of this fic, so like….. Baguette: Whatever you put on the menu that I sent out two weeks ago- oh wait, none of you put anything on the menu

Baguette: You are all getting whatever the fuck I make for you and John Barker Church will be happy with what he gets

#Ham4Pan: I didn’t respond to you’re menu because John fell off our kitchen counter and broke three bones (one in three places).

Baguette: That is no excuse, Alexander

PureBagel: Laf you’re valid in your anger but, like, that’s also a pretty valid excuse

Baguette: NONE OF YOU LOVE ME

GeorgeW.: I love you!

PureBagel: Laf No! I love you!!!!

CngrtsAss: I love you I guess, dick

ZeroToHero: Man I love you too
Burr: Yeah yeah I love you but can we talk about how fast Wash responded?

Baguette: It’s because he loves me

GeorgeW.: I do.

Baguette: Love whenever he says “I do”

PureBagel: Awww

CngrtsAss: You are all a bunch of saps but I would like to know if John needs to eat before we go

Baguette: Alright, the dinner is still a few hours away. Put what you want on the menu

Baguette: Okay I can’t find the menu just tell me

#Ham4Pan: Traditional christmas dinner for John and I, please.

ZeroToHero: Aaron and I could go with some kind of pasta dish

CngrtsAss: John seconds the pasta dish

PureBagel: Uhhhhh, I’ll eat some steamed veggies

Burr: Eliza, you need a real meal

PureBagel: Veggies taste good and I like them don’t be rude

ZeroToHero: Aaron you better be nice to Liza
Baguette: All of these are doable, but you are all trying some French food

GeorgeW.: Its god!

Baguette: Georgey loves my cooking

Burr: I’m excited about having dinner with you guys

Burr: It’s my first friend Christmas dinner, I feel like a real adult

PureBagel: AWWW BURR WE LOVE YOU SO MUCH

ZeroToHero: Aw, Babe

Baguette: I am VERY excited to get drunk with Burr

ZeroToHero: See, with your history together, I don't like that

Baguette: Yes, it’s nice. Just don’t go to far

Burr: Noted

ZeroToHero: Aaron

#Ham4Pan: That was the wrong usage of “to,” Laf.

Baguette: I do not care

PureBagel: Rekt

#Ham4Pan: Eliza, not you too.

Baguette: to*

#Ham4Pan: Laf, no. You can’t just correct my grammar incorrectly.

ZeroToHero: When is spelling a word pronounced the same as another word a spelling mistake vs. a grammar mistake

#Ham4Pan: I do not know, and I also do not care.

PureBagel: Rekt

#Ham4Pan: Eliza

#Ham4Pan: I’m going to add John back in. Do not discuss his gift.

#Ham4Pan: (Added Turtles to the conversation)

Turtles: (Changed name to FestiveTurtles)

#Ham4Pan: Aw, John Barker Church is a such good friend.

CngrtsAss: And yet you all still only refer to him by his full name

ZeroToHero: You know what’s faster than typing “you all”? Y’all

FestiveTurtles: yall aint gonna roast this fucker for saying that???

#Ham4Pan: John, you just used “y’all” and “ain’t” in the same sentence, and you didn’t even type them correctly.

PureBagel: I think y’all is a fun word! Just not for me
Burr: I like it. Reminds me of Hero.

Baguette: Alright, well I have to go cook for you ungrateful whores

GeorgeW.: I hve t go satnd beside hm and act lke i cn help

PureBagel: Yeah, I have stuff to do too

CngrtsAss: Gotting finish unpacking at the new place

Burr: Things are getting spicey in the gay group

Rthrbnlndn: i am still straight

PureBagel: YOUR FUCKING WHAT

Rthrbnlndn: straight?

Rthrbnlndn: wait you weren’t talking to me

Macaroni’s_Man: Thomas and I got drunk one evening and whilst we were out we eloped

Macaroni’s_Man: To be fair, the only reason we did not marry earlier is because it was too much work, so I guess that was a fair solution.

Turtles: oh congrats bro, ur locked down with him now

#Ham4Pan: As much as I detest your husband, I am happy for you, James. Congratulations.

Turtles: james????????????????????????

GeorgeW.: Cogats!!!

Turtles: im shook over how wash spelled congrats

Baguette: Why do you all shorten his name like that??? Just call him George

ZeroToHero: Calling him George is a terrible idea. *Terrible*

#Ham4Pan: Laf, you seem to have forgotten what it was like when Mr. Washington was not your fiancé, or even your boyfriend. It feels wrong to call him George. You didn't call him George until weeks after you started dating.
Baguette: I do not want to remember what it was like when we were not together cause because I love him

PureBagel: AWWW

CngrtsAss: We’re still not calling Boss “George”

GeorgeW.: It’s a little weird

ZeroToHero: It took me three days to make that shirt

Turtles: im sorry

Baguette: I never wash any of the stuff Herc makes me

Turtles: .... ?

#Ham4Pan: How often does Herc make you stuff?

Baguette: Fairly often

ZeroToHero: He actually appreciates and takes care of the things I make him

Baguette: “Never wash” sounds wrong, I don’t put it in the washer. I wash it, just by hand
#Ham4Pan: What the fuck, Herc? You’ve never made me a single article of clothing

Turtles: this is…. Herc pls….im so sorry

ZeroToHero: Remember that… pantish thing

Turtles: you mean those lace undies

#Ham4Pan: *Don’t* bring that up.

Turtles: those got ruined to but not because we washed them ;)

#Ham4Pan: JOHN. YOU ARE SLEEPING ON THE COUCH. ALSO, IT’S TOO*, YOU HEATHEN.

ZeroToHero: Bitch I told you they couldnt get wet and you fucking did that IN THEM???

Turtles: babe ilysm but u literally never follow through w/ those threats

Turtles: and herc what did you think they were going to be for

Baguette: I mean he’s got a point

ZeroToHero: I knew exactly what they were for but I told him to take them off before they got wet

Turtles: listen beeetch it is not my fuckin fault alex blew his load in the underwear

#Ham4Pan: (Removed #Ham4Pan from the conversation)
ZeroToHero: *I DON’T WANT TO HEAR THAT*

Baguette: (Added #Ham4Pan to the conversation)

Baguette: Don’t be a little bitch, Alex, I’ve said worse things about George

#Ham4Pan: Laf, j’exterminerai de votre dick.

Baguette: Alex NO

Baguette: Besides, if you needed help getting cum out of lace, you should have called me

Turtles: it is 2 l8 my frenchie friend

ZeroToHero: Laf, since you can actually take care of my work, you want this dress?

ZeroToHero: (Image attached)

Baguette: Holy? Shit? Yes !!!!

ZeroToHero: Good bc I’m pretty there are few others who have your measurements

#Ham4Pan: Herc, if you gave me a specific set of directions, I could take very good care of any clothing you gave me.

ZeroToHero: Alright… I’ll make you a shirt. Just one tho

#Ham4Pan: Thank you! I’m very excited.
Turtles: guys guys guys we set a date for the wedding

#Ham4Pan: I love you, too.

Baguette: Aw you sappy gays, fucking stop it

ZeroToHero: Oh my god

ZeroToHero: Oh my god my fiancé is an idiot

Baguette: Actually, his name is Aaron

Turtles: excuse me frenchfry it is fucking not

Turtles: butt also, get rekt alex

#Ham4Pan: Did you have to spell it like that?

Turtles: yes

Baguette: What did Aaron do?

ZeroToHero: It’s 2 am right now, and I’m normally awake, as are all of you, but Aaron is some old man who goes to bed at 9, and for some reason he was awake and trying to cook. And he was trying to cook rice. But he was stirring it with my fucking knitting needle. Like I heard little clinking noises so I left my studio and he’s just sitting there in his pajamas looking like he’s dying and stirring a pot of rice (that’s not even boiling) with my knitting needle

Turtles: AHAHAHAHAHAHAHAHAHAHA

ZeroToHero: So, I’ve just discovered that there is no water in the pan and the stove isn’t on

#Ham4Pan: That is so fucking funny. I am crying laughing.

ZeroToHero: (Image Attached)

Baguette: HE LOOKS DEAD INSIDE AND SO OFFENDED THAT YOU’VE TAKEN HIS SPOON
ZeroToHero: This is how he ruined our only cooking spoon, which is also why he’s stirring it with a knitting needle

Turtles: dude that was before you invited us over to dinner to tell us you were dating, just buy a new spoon

ZeroToHero: He just ruins them all. He can’t cook. I once asked him to put on a pot of water and he just put a pot of water in the sink

Baguette: That is worse than Georgey

ZeroToHero: I have to go put him to bed. He ate a bowl of cereal so he’s not hungry anymore

#Ham4Pan: These are the things that make me feel less malice towards your relationship.

Turtles: im screaming bc hes like the most put together person but now hes just…. stirring dry rice with a knitting needle

Turtles: tbh… big mood

#Ham4Pan: Not that I care, but, is he okay?

ZeroToHero: He’s fine you sappy bitch. He’s asleep now.

Baguette: Aw, our Alexander can love

Turtles: is he asleep on the kitchen floor

ZeroToHero: No, John, he is asleep in our bed
#Ham4Pan: Is that the kitchen you fuck him in?

ZeroToHero: **Can y’all not let that go**

Baguette: No, mon ami, we cannot

Turtles: just like u cant stop fucking burr in the kitchen

ZeroToHero: I want to die

Baguette: None of that shit, Hercules, this is a positive meme zone

Turtles: u dick now we gotta counteract the negative energy. quick alex say some happy shit

ZeroToHero: I reiterate, I want to die

#Ham4Pan: I’m living with the love of my life and we are going to be married. I’m happier than I’ve ever been in my life.

Turtles: awwwww oh my god babe ilysm

ZeroToHero: Well, shit, now I look like an asshole

Baguette: I am married to my lovely husband and we are going to adopt a wonderful baby girl

Turtles: **fucking what you french bitch**

Baguette: You better keep your fucking mouths shut
#Ham4Pan: I am very confused, but also very happy for you!

ZeroToHero: Holy shit dude!

Turtles: THIS IS SO GREAT!!!! YAAAASSS!!!

ZeroToHero: John that is so gay

Turtles: im gay shut up

#Ham4Pan: I’m very excited! Mr. Washington is going to be an amazing father.

Baguette: And I’m not???

#Ham4Pan: I guess you will be as well.

Baguette: I do hope so

#Ham4Pan: I’m just saying, I’m not the one that brought the dog to the house with the baby. That was John.

Baguette: Alex, you drove to our home in the same fucking car, you could have stopped him

GeorgeW.: I don’t think they knew the consequences of a dog with a baby, they aren’t very knowledgeable of children.

CngrtsAss: Boss, I’m still surprised by how well you type with that new phone. You should’ve bought a bigger one a long time ago

GeorgeW.: Thanks, I think. I just didn’t know it would help so much.

ZeroToHero: I don’t think dog w/ baby was a problem so much as dog w/ cats was a problem

Burr: The cats really didn’t like Tofu
BalletBitch: I still do not fucking understand why you named your dog Tofu?

Turtles: eliza named him

BalletBitch: Ah, yes, that explains it

PureBagel: Listen, I just really love Tofu and I think it’s a wonderful name for an animal. One of my pigs is named Tempeh

SayNoToWeiners: I still cannot believe you actually started running an animal sanctuary

PureBagel: I just really wanted to help animals. Activists rescued them from slaughterhouses and I took them in. It kinda… escalated from there

CngrtsAss: No shit it escalated, pretty much your entire life is about the animals

PureBagel: I wouldn’t have it any other way :)

Turtles: off topic but i love my husband

Burr: John, the amount of times you have said that exact sentence probably add up to the length of Alex’s vows

#Ham4Pan: I doubt that. Also, I love my husband.

ZeroToHero: Alex’s vows alone were the length of our entire wedding, Aaron

CngrtsAss: That’s true

Rthrbnlnln: i had a lot of fun at both weddings, they were lovely.
Turtles: aw john Barker church,,, so pure

RthrbnIndn: we’ve been friends for a while now, I think you can call me just John.

ZeroToHero: Okay Just John, I’m glad you liked our wedding

Baguette: Yeah Just John, you killed it on the dance floor

#Ham4Pan: Yes, Just John, I’m glad you liked my wedding.

Turtles: hey man it was my wedding too

RthrbnIndn: that’s not what i meant.

CngrtsAss: I love you babe, but what did you expect from these people?

GeorgeW.: Just John, you should have been just smarter.

Turtles: DAAAAMMMNNN!!!!

SayNoToWeiners: Gwash over here spitting fiiiiire!!!!!

Turtles: he cant even blame his sick roasts on his spelling anymore

CngrtsAss: I didn’t realize Boss was secretly a savage

GeorgeW.: I didn’t either.
Baguette: Yes you did, mon amor. We all did

PureBagel: Not to interrupt this conversation but Laf, have the earrings I ordered come in yet?

Burr: You know, I keep forgetting that Laf sells jewelry and shit like a white mom

Baguette: What can I say, I’m a trophy wife

GeorgeW.: You’re my husband.

Baguette: Sweetie, it’s not that literal

PureBagel: After all these years, he still makes me happy with his Pureness

BalletBitch: Who the fuck???

PureBagel: Washington, my pure boy, some call him the POTUS

CngrtsAss: Not this again… I’m not strong enough…

CngrtsAss: Nevermind, HE’S NOT THE POTUS and DON’T EVEN START ALEX

RthrbnIndn: i still don’t get this joke.

SayNoToWeiners: You dont need to, Just John, you Just don’t need to.

Burr: Speaking of adoption,

#Ham4Pan: No one was speaking of adoption.
Burr: Speaking of adoption,

ZeroToHero: We’re starting the process!

PureBagel: Oh my DUCKING GOODNESS I’M SO EXCITED!!!!!!

CngrtsAss: Watch your… you know what? Forget it.

BalletBitch: We have pushed Angie passed the breaking point

Baguette: Past*

BalletBitch: Shut the fuck up

GeorgeW.: Are you adopting a boy or a girl?

Burr: We don’t know yet! :D

ZeroToHero: We’re just waiting to see which child needs us

#Ham4Pan: What is this feeling? Am I… happy for Burr? I cannot believe my heart.

RthrbnIndn: what is this feeling? so sudden and new? i felt the moment i laid eyes on you

Burr: Believe it baby!

#Ham4Pan: You ruined it.
ZeroToHero: Anyway, Mom asked if we wanted kids, and we just kinda looked at each other, and were like “We’re getting one”

RthrbnLndn: my pulse is rushing, my head is reeling

Baguette: Wonderful communication skills, mon amis

Baguette: I want to ruin the fun! (for Alexander)

Baguette: (Added Macaroni_Man to the conversation)

Macaroni_Man: (Added Macaroni’s_Man to the conversation)

Macaroni_Man: I can’t bear this shit without my husband.

#Ham4Pan: We get it Jefferson, you’re married. Shut up about it.

PureBagel: Hey James! You’re allowed to do that? Aren’t you renting?
Turtles: oh my god! just JOhn stOP with the WiCKED LYRICS PLEASe

Macaroni’s_Man: Yeah, but our landlord is really nice. We asked him and he said go for it.

PureBagel: That’s cool, I loved painting my walls after I got my house.

Macaroni’s_Man: Oh yeah, your farm sanctuary. I haven’t been there yet.

PureBagel: You should come! We could have dinner

Burr: We just gonna… let them have a conversation then?

Rthrnlndn: even i know that’s how this works.

#Ham4Pan: For once, I agree with Burr.

Macaroni_Man: This is not the first time you’ve agreed with him, just be quiet.

Turtles: damn

Macaroni_Man: Pegs, how’s the girlfriend?

BalletBitch: She’s fabulous. Fuck off, noodle arms

SayNoToWeiners: Babe, pls. We’re doing great, Thomas

Macaroni_Man: Awesome! I’m married.

SayNoToWeiners: I’ve heard...
CngrtsAss: We’ve all heard. It’s old news.

BalletBitch: I have moved to the United States, and I am coming for you. Watch out, Noodle Fuckster.

Macaroni’s_Man: Creative.

Baguette: 6/10 insult.

Macaroni_Man: I’d give it a 3. Overused insult.

Turtles: its only funny when laf does it you noodle fuckster.

#Ham4Pan: Thomas, you can kindly fuck off.

GeorgeW.: Polite.

SayNoToWeiners: Why is Mr. Washington so savage?

Baguette: I taught him everything he knows :) 

Turtles: i am disgusted and intruiged laf.

#Ham4Pan: I hate to ruin the mood of this work-free weekend, but are we starting in the new building on Monday, Mr. Washington?

GeorgeW.: Alex, we’ve been friends for far too long for you to still be calling “Mr. Washington”. My name is George.
#Ham4Pan: (Private chat to Turtles) John I am actually going to lose my mind. I am going to cry.

#Ham4Pan: Of course, sir.

GeorgeW.: And yes, we are

Baguette: Georgey I love you but you probably just made Alex cry for no reason because he is never going to call you George

Turtles: can confirm,, he i s crying

ZeroToHero: New building?

Burr: Have I not told you? We had to move offices because the company outgrew the other building.

ZeroToHero: Oh, cool. Congrats Gwash

GeorgeW.: Thank you very much. I’ve worked very hard to get to where I am, and I am incredibly grateful for how hardworking all of my employees are.

Turtles: except for laf

Baguette: I worked very hard while I was there, just so you know

Turtles: again… disgusted and intrigued about what you mean by “worked hard”

Rthrblndn: i’m very happy for you, mr. washington! i hope your company continues to prosper.

#Ham4Pan: I would never wish to work anywhere else.
Macaroni’s_Man: I wouldn’t either.

ZeroToHero: Shit man. Forgot you were here

Turtles: same

Macaroni’s_Man: Happens all the time.

Baguette: My daughter is crying! I must go!

SayNoToWeiners: He is going to spoil the fuck out of that girl

GeorgeW.: We both are :)

PureBagel: I think she’s going to love Aunt Eliza’s house more than anyone else’s. She can meet cool pigs and goats and stuff while shes here.

Turtles: um? excuse me?? my apartment is better than ur house will ever be bc ill give her a shit ton of icecream

Baguette: She’s lactose intolerant.

Turtles: vegan icecream, duh?? i know everything abt her and she will love me more than ANYONE else here

Turtles: she is my smol bab

Baguette: I think she might like her dads more than you you fucking idiot
SayNoToWeiners: You’re all crazy and she will love me the most

BalletBitch: Think again, petite garce, I will be her favorite. I will be the one to let her stay up late and watch scary movies

GeorgeW.: You definitely will not be doing that.

#Ham4Pan: She will probably like me more once she is older. Then, I can help her with her homework and we can have genuine conversations.

Baguette: That’s true, Alex is a complete nerd. That’ll earn him points.

CngrtsAss: I’m going to teach her how to break a man’s nose in three seconds flat.

Baguette: That’s a great idea!!

GeorgeW.: Always a useful skill.

ZeroToHero: As cool as all of you are, I’m gonna teach her useful life skills, like sewing, and how to create bomb outfits

Turtles: we get it hErc , ur not straight

Burr: I think our child will get along great with River

SayNoToWeiners: Damn. I forgot that those two are gonna have another child for her to play with. That’s basically a trump card.

Rthrblndn: well, whoever she ends up liking the most, river is going to grow up with some much love in her life, and that’s the most important thing.
PureBagel: Omg Just John, that’s such a wonderful thing to say.

CngrtsAss: I’m so glad to be dating you baby

Rthrbnldn: and i you, angel.

ZeroToHero: Aaron, Mom just called and said she’s going to come over next weekend.

Burr: Since when did you start talking to my mother more than I do?

ZeroToHero: Since you found out that my sister was engaged before I did.

Burr: That’s fair

PureBagel: God, I just feel so content with my life right now

#Ham4Pan: I feel the exact same way.

Baguette: It feels like everything has worked out the way it was supposed to

Turtles: remember when laf and gwash couldnt even talk to eachother

GeorgeW.: I had always thought he was so nice, but I never had the courage to talk to him.

PureBagel: They were such stupid fuckers

CngrtsAss: *Oh my god Eliza what the actual fuck?*

PureBagel: Can’t I cuss? Just once? Can’t I live like the fully grown woman that I am?
SayNoToWeiners: No.

ZeroToHero: What about how we all used to hate Aaron? We never even talked to him

#Ham4Pan: I still hate Burr.

Burr: No you don’t

#Ham4Pan: Shut up.

CngrtsAss: You all were ready to kill John when you found out I was dating him.

SayNoToWeiners: Now I like him even more than you

BalletBitch: I did not know any of you

PureBagel: We’ve all changed a lot in the past three years, huh?

Macaroni_Man: Yeah.

#Ham4Pan: Shut the fuck up, Jefferson.

Turles: stay out of it you absolute asswipe

Baguette: I suppose we have not changed all that much after all.

Chapter End Notes
It's over you guys. This is the final chapter of Another Uneeded Groupchat Fic

Heres some things we said while writing: “Who’s the roasty boy?”
Glenn had to say “Your health and safety comes first but I’m so upset.”
Sobermeup calls JeffMads “Thomas and whats-his-face”
“Turr”

Sobermeup- Lol sorry for the wait hah so glenn wrote their whole lil schpiel and they’re super sappy and im… um…. Thanks for the ride, it was lit, hit up the fandom asks for more shit like this, i love u guys so much, thank u bye bye

Glenn- This took me forever to write. The end of the school year is always the hardest and finals kicked my ass this year. Also, sobermeup had a concussion for a bit and wasn’t able to look at any screens (lol whoops - sobermeup). This story has been a wild ride for me. I’ve gotten so attached to the characters over these (almost) two years because, let’s be honest, they stopped being even remotely “canon” after the first chapter (if they started as canon at all). In all reality, sobermeup and I had no idea that this would become so long, we didn't even know that anyone would read this when we started it. This started as a fun joke, but it became so much more. This was the fic that got me into writing. This fic brought me and sobermeup so much closer. We talked for hours about these people, their relationships, their lives. I know this ending seemed sudden, but you’ve probably noticed that we lost passion for writing this story. Once the updates were months apart, we knew it was time for closure. It wasn’t fair to you all or to the characters to not be 100% into writing. It’s hard for me to let go of writing this story, but luckily we still have the Another Unneeded Fandom Asks! We’ll be answering any questions we get, and probably also posting some behind the scenes/alternate chapters. I can’t say thank you enough to everyone that has supported us. We’ve been through some shit with this story. Please, ask questions in the comments, over tumblr, on the asks fic. All of these characters may no longer have a main story, but they’re still here to me (oh my god me too, pls ask us questions pls - sobermeup). I love you so much, thank you!
